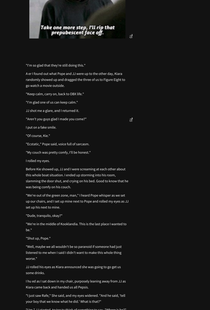
Chapter Twenty-Four



"I'm so glad that they're still doing this."

Aura found out what Pops at 2 were up to the other day. Kiara randomly showed up and dragged the three of us to Figure Eight to go watch a movie outside.

"Hella cafés, Lera can be, but no IDM like."

"I'm glad one of us can keep calm."

JJ shot me a glare, and I returned it.

"Aren't you guys glad I made you come?"

JJ sat on a fake smile.

"Of course, Ria."

"Ecstatic," Pope said, voice full of sarcasm.

"He moves like pretty comfy, I'll be honest."

I rolled my eyes.

Before the showed up, JJ and I were scowling at each other about Kiara's invitation. I wanted to go home, and JJ wanted to keep bouncing his dick on, and coming on to Lera. I could've been like he was being comfy on his couch.

"We're out of the green one, man," I heard Pope whisper as we set up our chairs, and I sat up mine next to Pope and rolled my eyes as JJ set up his next to mine.

"Dude, tranquilo, okay?"

"Sorry to be the middle of Nowhereville. This is the last place I wanted to be."

"Shut up, Pope."

"Well, maybe we all wouldn't be so paranoid if someone had just listened to me when I said I didn't want to make this whole thing worse."

JJ rolled his eyes as Kiara announced she was going to go get us some drinks.

I'm all at sea down in my chair, purposely leaning away from JJ as Kiara came back and handed out bottles of Pepsi.

"I just saw Bella," She said, and my eyes widened. "And he said, 'tell your boy that we know what he did.' What is that?"

"Um," JJ started, trying to think of something to say. "Where is he?"

"Right there."

I couldn't help but turn my head at the same time as the boys as Kiara pointed out where he was.

Topper caught my gaze and raised his plastic cup with a smirk on his face.

"Great, the whole death squad."

"Ooer, don't think."

JJ put his hand on my head and turned it back forward and leaned in next to me to talk in a low voice I had to lean into.

"I said warning you, bro. If they corner me, I'm coming out swinging, okay? Dirk and Dick'n' JJ to set right right. If one doesn't work, I gotta two, right now."

My eyes went wide as JJ held up his fist to punch.

"Ow, we just gotta stay in the group. They can't get us in the group."

"Like a school of fish."

"Right, stay in the school, Can't leave the school."

I'm sorry to interrupt your conversation, but I swear to God JJ if you brought this gun I'm going to hide it on you. Then no kids here, JJ."

"No, Joey, I didn't bring the gun. Everything's fine, okay?"

He put on a smile and met my gaze for the first time since I locked myself in his room earlier.

"Oh, wow, Jess, thank you. That was really convincing. I love you, JJ. You're such a calming influence." I glared and gave him my best fake smile back.

"Sounding principal, you guys. No secrets amongst Pogues. What is Kahn talking about?"

Pope turned to Kiara and whispered something to her.

"What does that mean? It might go down tonight. What did y'all do?"

"Sorry, Ainsy, Ainsy."

I rolled my eyes as JJ whispered to Pope across from me, and Pope had to lean in to hear what he was saying.

I looked back over my shoulder to see Bella, Topper, and Keira still staring at me, and I began nervously tapping on my knee.

JJ's hand envelopes mine, and I pursed my lips and closed my eyes. Pound that he was trying to calm me down and even more pissed that it was working.

The movie started as the sun started to disappear, and I actually had to forget about the kook-death squad sitting behind me and enjoy the movie.

About an hour into it, Pope leaned over me.

"Lightsaber scene."

I exhaled loudly and closed my eyes in frustration.

"I mind it, J," I said, squeezing my hand that was still in his.

"I can't hold it. I drank too much soda."

JJ leaned towards me to talk to Pope.

"It's too exposed. They're totally see us."

"I gotta go."

They both turned around.

"They're blocking the bathrooms."

JJ looked around before letting go of my hand. I tried not to be disappointed.

"Lera here. I know where."

The two got up.

"Hey, where y'all going?"

"We gotta wring it out."

"What are you gonna do, hold it for each other?"

I couldn't help the laugh that escaped and watched the two boys sneak towards the back of the screen.

I turned around to look for the Kooks, but they weren't there anymore.

"Shit."

I quickly got up, ignoring Kiki's questions, and ran through the crowd, apologizing as people threw popcorn at me and told me that they couldn't see.

I got to the back of the screen just as Bella was coming out behind the gym.

"What's up, Bella?" I asked as the two backed up away from the other kook.

"How you guys doin' tonight?"

"Isn't it past your bedtime, Bella?" I asked, glancing into darkness around the boys, and I hoped the two would get the sense and run.

"It's too exposed. They're totally see us."

I stood in between JJ and Bella, and JJ tightened my wrist and started pulling me back towards where Kiara and Topper had already circled around Pope.

"Hey, that was some nice work you did on my boot."

"Don't know what you mean," Pope denied, and I glared at the three in front of us.

"Not so lucky without a gun now, are you?" Bella asked, and I smirked at him.

"At least you guys actually had the balls to make it even this time."

Bella lunged at me, and JJ pulled me behind him, letting go of my wrist as he walked up to Bella.

"Take one more step, and I'll rip that prepubescent face o."

"Joe, do we have a problem?"

I stared at Topper, pushing him away from me.

I'm sorry, aren't you the one who stole the beers from me?"

Kaloo reached out and grabbed onto my arm. I tried pushing him with my other hand, but he caught that one too.

I heard Pope let out a shriek as he turned just in time to watch him headbutt Topper. I kicked Kaloo in the shin, and he let go of me.

"Hey, hey, with your fist. No this, okay?" JJ quickly instructed Pope how to punch before lunging at Bella.

The older boy ducked under his punch and wrapped his arms around JJ's middle. Kaloo made a grab for me again, but I backed away from him.

"I don't wanna hurt you, Josephine."

I smirked.

"I'm bad for you, I don't share the same sentiment."

Matt kicked him as hard as I could right in the nuts.

He fell to the ground, and I turned to see Bella punching JJ in the face.

"Get away from him, you asshole!"

I grabbed onto the arm that Bella was using to punch JJ with, which gave JJ the perfect opportunity to return the favor. He hit the older boy in the jaw, and I was suddenly tackled to the ground.

"Kaloo, sit me!" I screamed at Matt, noticing that Kaloo had gotten up and was holding back JJ.

"I told you to stay. I figure Eight, bitch."

I spat in his face, glaring up at him.

"You're gonna pay for that."

"Get's sit then!"

Kaloo came out of nowhere and pushed Bella's sit me. I quickly scrambled to my feet and rushed toward JJ and Kaloo.

JJ elbowed Kaloo in the stomach and got free, coming to sit me.

"You okay?"

I nodded and before I could set the same, I was picked up and spun literally thrown into Kaloo who grabbed me tightly by the wrists, causing me to cry out in pain.

"Get your hands o of her!"

JJ tried to come help, but Bella punched him right in the jaw, causing him to stumble.

"Let!"

Bella grabbed him by the front of the shirt and just started throwing punches at JJ's face.

Kaloo's grip loosened, and I chased him away from me before shoving him backwards into Bella. The two boys fell to the ground, and I pulled JJ into the middle, wrapping my arm over my shoulder and then under some of his weight as Aura did the same to Pope.

As girls somehow got the gun to Pope's sit me. Pope set up his hand as JJ and I sat in the back. We were all silent as he began driving us home.

She dropped Pope o first and was going to do one next, but I told her he could get his JJ's forearm had to be there. She tried to read and drive me back to the Chateau, but I told her to go ahead.

I walked behind JJ as she walked into the house, glad to see that he didn't knock still wasn't outside. I closed the door behind me and leaned on it.

I looked at JJ only to see him staring at the floor, split lip bleeding, and a house forming on his chin.

"Let's get your cleaned up."

I pushed myself o the door and headed to the single bathroom, grabbing a wash cloth and looking for rubbing alcohol or some sort of disinfecting thing.

"Looks like water will have to do," I muttered to myself, wetting the wash cloth under the sink.

I came back into the family room, confused when I don't see JJ.

"Hmmm?"

"Hello."

I sat on a short bargh and followed the sound of his voice into his bathroom.

"JJ, I really don't want your help," he said. Rubbing with his bloody knuckles on his head.

I shrugged before getting on the bed, sitting on my knees. I tried to clean the blood o his face, but he pulled away.

"JJ."

"J, I know you don't need it, and I swear if you try to make a joke about being cared for, I might burst into tears, so please just let me focus on cleaning your face instead of making me embarrassed or leaving building up, okay?"

His blood realized, looking back down to his knuckles.

I wiped the wet washcloth under his lip, being careful not to irritate the split skin. Once his face is cleaned of blood, I looked at his knuckles. He didn't even flinch when I touched the split and watched him, and I don't know if that was better or if it was creeping me out.

I found that I kept playing with his hands once they were cleaned up. I let all one up and pressed a kiss to his knuckles before doing the same with the other. I felt a blush rise on my cheeks as I kept looking down.

"Sorry," I whispered.

He sat up, and twisted our hands over and begin fiddling with my fingers.

"Don't be."

I looked up and met his bright eyes. His stare held that same intense look it did at the Wreck, so I cleared my throat and looked back down to our hands.

"I know you don't usually like this idea, but could I stay here tonight?"

He clenched my hand in his, going still.

"It's just that I don't know if the OSC or Deputy."

"Deputy. No, they're."

I laughed, a bark-like sound but up to his eyes before returning to our hands.

"Yeah, I don't know if they're watching the Chateau, the chance that they are is probably high."

There was a long pause before he squeezed my hand again.

"Sure."

"Thanks," I sighed, my shoulders sagging in slight relief. "Uh, one more thing?"

He raised his eyebrows as I smiled sheepishly at him.

"Can I borrow a shirt or something to sleep in?"

He nodded before dropping my hands and getting up. He held I stood my head to watch him do through a drawer before pulling out an ASU Police Marine shirt, causing me to laugh.

"How many of those shirts do you have?"

He laughed too, shrugging before throwing the shirt to me.

"I'll leave you to change."

Once the door was closed, I got up from the bed and slipped o my shirt before pulling on JJ's over my swimsuit top. It was too big for me, the hem going past my shorts and the sleeves looking way too long because it was too big in the shoulders.

I debated leaving my shorts on but quickly decided to take them o and folding it up. Pants. I was shoving my clothes into my backpack when the door opened again.

"Are you dressed?"

I laughed as JJ walked in with his hands covering his eyes, his fingers leaving slight gaps for him to look through.

"Even if I wasn't, you'd still be able to see."

He dropped his hand and wiggled his eyebrows at me suggestively, causing me to roll my eyes and blush.

"So, I guess, I'll see you in the morning, " I said, awkwardly zip bag towards the door.

"Where are you going?"

"To the couch," I pointed towards the piece of furniture that I could see behind him in the living room. "I'm not gonna steal your bed at your house, JJ."

"Why don't we all just sit like we normally do at the Chateau?"

"Well, I didn't know your house rules, and I'm trying to be polite, and I'm not wearing my pants."

JJ's eyebrows shot up as his gaze traveled down my legs.

"J-J," I whined, pulling the hem of the shirt down further.

He had his hands up in surrender, a smirk clearly displayed on his face.

"No house rules, and I don't mind if you don't, sweetheart."

I nodded before walking back towards the bed and lying down, careful to keep my legs together until I was under the blanket. JJ belly flopped down next to me as I turning o the lights.

"Question," I said into the darkness while staring up at the ceiling, and JJ hummed for me to continue. "Why did you suddenly start calling me sweetheart?"

I felt him move around.

"What I does it bother you?"

I thought about his questions for a minute and blabbed with my fingers before answering.

"No, it's just," I paused. "Of sweet."

"Or, even how?"

"I mean, you never call Maria Sweetheart or anything."

"Do you want me to call Maria sweetheart?"

"No, I mean, unless you want to, but you never answered my question."

It was his turn to pause, and it seemed to drag on.

"I don't know, it just, suits you."

"Oh, okay."

That wasn't exactly the answer I was looking for. I didn't know what answer I wanted, but that definitely wasn't it.

"You sound disappointed."

"I'm not."

"You sure?"

"Goodnight, J-J."

I heard him chuckle.

"Goodnight, sweetheart."

I rolled my eyes at the laughter in his voice before turning my back to him and closing my eyes. I found myself slowly dri- ing o when hands pulled me backwards. My back was pulled into JJ's chest, and I settled before falling into unconsciousness.
