

Older Man 101

Chapter 101: Bribe Me?

Jiang Ran gritted her teeth. "Jiang Yu, I misunderstood you today. I apologize to you. Open the door! We are family. If I marry into a rich family, you will share the glory too. You don't have to go against me, right?"

"You know very well who is going against whom," Jiang Yu said coldly.

She had her hands in her pockets. There was no sisterly love on her face.

Jiang Ran could do nothing to her.

Seeing that Jiang Yu was determined not to open the door for her, Jiang Ran laughed out of anger. "You..."

But at that moment, Jiang Yu suddenly opened the door.

For a moment, Jiang Ran did not know why Jiang Yu was suddenly so obedient. She was still a little confused.

Then, she heard Jiang Yu say with a smile, "Good sister, it's good that you came to see me. Why did you specially bring a gift for my roommate?"

Only then did Jiang Ran realize that not far away, Li Lu was walking over.

When Li Lu saw the deep affection between Jiang Yu and Jiang Ran, she was quite displeased.

The two sisters made her sick to her stomach.

One was seducing someone's boyfriend, while the other was very pretentious.

However, Jiang Ran immediately brought the gift over. "Miss Li, I didn't know that you had some misunderstanding about me. Actually, I'm not like what I was like on the show. It was all the editor's fault for maliciously editing me. The other guests took the initiative to talk to me, so I talked to them. It's not like what was shown in the end. I was flirting with the three guests."

Li Lu looked at Jiang Ran coldly and said, "I have my own judgment! You don't have to bribe me."

Jiang Ran said, "Miss Li, you've misunderstood. I..."

Jiang Yu almost laughed to death. It seemed that Li Lu still thought that she and Jiang Ran had a good relationship.

So Jiang Yu deliberately said, "Li Lu, just accept it."

Li Lu glanced at them with disgust. "I don't accept these dirty things. The two of you are the same."

After saying that, Li Lu strode in.

Jiang Ran saw Li Lu's attitude towards Jiang Yu and immediately understood what was going on.

It turned out that Li Lu was not colluding with Jiang Yu at all.

Jiang Ran hurriedly said, "Miss Li, my relationship with Jiang Yu is actually very ordinary. What she did has nothing to do with me."

However, Li Lu had already entered the hall.

Jiang Ran was so angry that she looked at Jiang Yu angrily. "Jiang Yu, did you do it on purpose? You offended Li Lu, and now you want to implicate me!"

Only then did she remember that Li Lu's surname was also Li, and she was Li Yue's younger sister.

Was it because Li Lu found out about Jiang Yu's own scandal causing her to be deliberately targeted?

The innocent her was implicated.

"I even put in a good word for you!" Jiang Yu pursed her lips. "It's getting late, I need to rest."

After saying that, she slammed the door shut.

Jiang Ran was like in a mess in the wind.

Her eyes were filled with anger.

She had to find another opportunity to explain to Li Lu. It was Jiang Yu who had an ambiguous relationship with Mr. Mo Long. It had nothing to do with her.

Li Lu must stop badmouthing her on the show.

Jiang Ran narrowed her eyes. "Jiang Yu, don't be so smug. You won't be able to keep your spot as a guest on the variety show. Young Master Sun has invited a famous love expert on the show, and there's no place for you anymore."

Although Jiang Ran didn't dare to provoke Li Lu, it was still easy for her to replace Jiang Yu.

Jiang Yu, who was walking back, paused for a moment. "Thank you so much. I don't want to see you put on a show and taint my eyes."

After Jiang Yu said that, she entered the hall and closed the door.

Jiang Yu laid on the bed and was flipping through her phone.

In the group chat of the acting department's class one, someone had tagged her.

"Congratulations, you've entered the 50th place in the grade."

Jiang Yu opened it and saw the ranking of the acting department's first year students.

It was the overall ranking of the eight classes in the first year.

Once someone had new works or exposures, that person's ranking would increase.

There were a total of 30 people in the acting department's class one and they occupied the top 29.

Jiang Yu, on the other hand, had 150,000 fans because of her charity work and variety show. Therefore, she was ranked 50th in her grade.

As for Jiang Ran, she was ranked 60th.

Chapter 102: Praised By Director

On the other side.

When Jiang Ran saw that Jiang Yu was actually ranked ahead of her, she immediately felt indignant.

She thought for a moment and quickly opened Weibo to post photos of herself on the set.

“This is my first time filming, and the director actually praised me for acting well as a doctor. Both male and female lead actors have taken good care of me. I will continue to work hard.”

Below were the photos taken by the crew. There were photos of Jiang Ran wearing a doctor’s outfit, and there were also photos of Jiang Ran with the director and actors.

For a time, because of the popularity of the other celebrities, Jiang Ran’s popularity rose by a lot.

Her fans also rose.

“Hey, isn’t this my goddess? Are there any other photos of my goddess? Like and followed!”

“Looks like she’s a dedicated little artiste. Followed.”

“I’ve always been looking forward to this movie.”

It didn’t take long for Jiang Ran’s fans to reach 130,000.

Among them, 100,000 were fans who disliked her that the program team had previously attracted.

But so what if they disliked her?

The popularity rankings of the acting department were directly ranked according to the number of fans.

It didn’t matter if your fans were true love fans or fans who disliked her.

Sure enough, Jiang Ran opened the ranking and saw that she had risen another five places.

But she was still five places away from Jiang Yu.

Damn it.

She hadn’t surpassed her yet.

But at this moment, Jiang Ran looked at the ranking in disbelief.

Because she watched helplessly as Jiang Yu’s ranking rose from 50th place to 45th place.

“What’s going on? Did the system make a mistake?”

At the same time.

Jiang Yu was also very surprised that a classmate congratulated her in the group chat.

“Student Jiang, your hard work has been recognized by the director!”

On Weibo, the director of the movie personally posted the footage of the shoot.

Among them, he specifically included the 10 seconds of Jiang Yu’s performance.

He even praised, “Even if it’s just a small role, it’s still in the movie. Let us give a thumbs up to the dedicated little actor.”

He also praised Jiang Yu.

“To be honest, I thought this person was really a patient?”

“Her performance was really too good. Which newcomer is this?”

“Eh, if the director didn’t say so, I wouldn’t have recognized her. This pale-faced person who looks like she’s on the verge of death is actually Jiang Yu. The difference is too big. I just saw Jiang Yu’s variety show! She doesn’t look like the same person at all.”

“This shows that this person is very talented in acting. Even the director said that her acting skills are good. She is what she acts”

“I have to say, it’s true. I found a newcomer with such good acting skills before, and she became a movie queen! This person is also very good.”

As a result, Jiang Yu’s fans increased by quite a lot.

In addition to the various short video platforms, the production crew promoted this promotional video.

Very quickly, Jiang Yu’s fans increased by another 50,000.

It reached 200,000 fans.

That was why her ranking had risen to 45th place in the grade.

Although this ranking was nothing in the entire first-year class one.

But to Jiang Yu, it was considered a small achievement.

Jiang Yu was in a good mood.

The next day.

Jiang Yu and Lu Qi were having dinner in the ancestral hall of the school.

“Yu’er, you are too amazing. You managed to climb to the 45th place so quickly.”

One had to know that there were more than 400 freshmen in the acting department.

Jiang Yu’s popularity rose the fastest.

“I saw your performance video on Tik Tok today.” Lu Qi was full of admiration. “To be honest, I didn’t recognize you at first glance. I only realized it was you after checking the comments.”

At that moment, Jiang Yu suddenly heard someone behind her say, "Can I take a photo with you?"

Jiang Yu turned around and saw a very cute little girl.

The little girl immediately became nervous when she saw Jiang Yu looking at her. "I've seen your performance. I'm your fan!"

Lu Qi looked at the little girl in surprise and immediately patted Jiang Yu's shoulder.. "Little Yu, you actually have a fan."

Chapter 103: Fan Club

Jiang Yu's eyes lit up and she said with a smile, "Sure."

After she took a photo with the little girl, she heard the girl say, "I'm in your fan club."

Good heavens, she already had a fan club.

Lu Qi said curiously, "What fan club? I want to join too."

Very quickly, the little girl pulled Lu Qi into a group chat.

Lu Qi saw that there were 20 people in the group chat. All of them discussing about Jiang Yu's matter.

Jiang Yu also curiously came over and saw that there were fans discussing it.

"My baby Yu's acting is really too good. I'm looking forward to baby Yu's latest work!"

"I saw baby Yu's charity work, so I became her fan. I didn't expect her acting to be so good. It's a pleasant surprise."

"Baby Yu is also very good on the shows. She's neither arrogant nor impatient, nor does she steal the spotlight. She's really too obedient. I'm really worried that with her personality, she'll be bullied in the entertainment industry in the future!"

"Baby Yu is still a student. She'll slowly grow up in the future."

The little girl said, "This is a fan group that we just formed, so there are fewer members."

Jiang Yu smiled and said, "Then can I join?"

The little girl widened her eyes and quickly nodded.

After Jiang Yu entered the group, she said to the little girl, "So you are the group leader."

The little girl's wechat name was Tian Guo.

After Tian Guo left.

Jiang Yu blended into her fan group.

There were all sorts of pictures of Jiang Yu on it, as well as screenshots from variety shows.

A few fans praised Jiang Yu's acting skills, her looks, her good personality, her kindness, and so on.

Jiang Yu felt a little smug when she saw this.

She hurriedly sent a screenshot of the wechat group to Mo Long.

"Look, I already have fans."

Mo Long quickly replied, "I'm also your fan."

Jiang Yu smiled. "Looks like I'll have to be more careful with my words and actions in the future. I can't disappoint my fans."

Her fans had such high expectations for her.

Some were even planning Jiang Yu's performance route for the next five years.

Some said that Jiang Yu could even become a singer or a model.

In short, they all said that in a few years, Jiang Yu would definitely become a god.

Jiang Yu instantly became even more motivated.

After school, Jiang Yu returned to Dazzling Entertainment and asked the teachers there to teach her various skills.

It was the weekend.

Sister Xia said to Jiang Yu, "You and Zhuo Zheng will go to the 'new home' together, but it's a long way there. You can rest on the way and recover your energy."

Sister Xia then assigned her assistant to Jiang Yu.

After Jiang Yu got into the car, she saw that Jiang Ran was also in the car.

Zhuo Zheng was sitting there and didn't want to talk to Jiang Ran at all.

But Jiang Ran was chattering non-stop.

This time, Jiang Yu was invited by Zhuo Zheng to sing a duet together for a charity performance in Lanzhou.

But why was Jiang Ran in the car?

Jiang Ran looked at Jiang Yu proudly. "Sister, you're here too. I'm representing our entertainment company to go to Lanzhou to do charity work."

In order to create a kind character for Jiang Ran, the Sun family's entertainment company spent a lot of money to donate and let Jiang Ran be a charity ambassador.

That was why the charity organization arranged for Jiang Ran to get on the car with them today.

Jiang Yu frowned.

Zhuo Zheng took this opportunity to stand up immediately and walked around Jiang Ran. He walked to the seat beside Jiang Yu and sat down. "Jiang Yu, let's go through the song first."

Jiang Ran's face instantly darkened.

Jiang Yu and Zhuo Zheng tried to sing the song together. The two of them blended into the sea of music.

There was no chance for Jiang Ran to get involved.

Jiang Ran curled her lips and immediately looked unhappy.

Zhuo Zheng was very surprised. "Your singing is actually so good."

Jiang Yu smiled and said, "I learned it for a period of time."

Zhuo Zheng was completely relieved. He thought that as long as Jiang Yu didn't sing too badly, it would be fine.

He didn't expect her to exceed his expectations.

Chapter 104: Broke Down

On the other side, Jiang Yu and Zhuo Zheng did not say anything after they finished practising the song.

Jiang Yu took out an eye patch and handed it to Zhuo Zheng. "Do you want one?"

Zhuo Zheng took it.

Jiang Yu said, "The journey is too far. Preserve up your energy."

After saying that, Jiang Yu looked at the few staff members on the other side. After some thought, she asked, "I brought a few eye patches. Do you want them?"

The staff members did not expect Jiang Yu to be so considerate.

"Thank you, Miss Jiang!"

The staff members who needed to rest took the blindfolds that Jiang Yu gave them.

Only Jiang Ran frowned. Seeing that Jiang Yu was so good at winning people's hearts, she immediately said unhappily, "I don't want one. You don't have to give one to me."

Jiang Yu curled her lips. Heh, she did not say that she wanted to give them to her.

Jiang Yu immediately put on the blindfold, hugged her shoulders, and leaned against the chair to take a nap.

Time passed by minute by minute. Jiang Ran felt a little bored, and then she couldn't help but yawn.

Her gaze subconsciously looked at the other blindfold that Jiang Yu placed at the side, and she felt a little regretful.

But she forced herself to be energetic again.

This time, she was only going to be a company representative. She only needed to sit in the front row of the audience seats.

She didn't need to rest at all.

However, before she knew it, Jiang Ran yawned.

The entire carriage was quiet.

Jiang Ran also closed her eyes.

Because of the strong light outside the window, she couldn't fall asleep no matter how hard she tried.

When Jiang Ran saw that Jiang Yu was so comfortable, she was quite unhappy.

"Little Wang, help me bring water over. I want to drink water."

Suddenly, Jiang Ran's loud voice came from the quiet carriage.

Jiang Yu frowned and moved.

Little Wang, the assistant, quickly took out some mineral water from his backpack and handed it to Jiang Ran.

After Jiang Ran opened it, she gulped down a few mouthfuls and felt refreshed.

Then, Jiang Ran deliberately spoke loudly to her assistant.

Not only Jiang Yu, but Zhuo Zheng and a few other staff members were also woken up.

"Sorry, I forgot that everyone was sleeping." At this time, Jiang Ran pretended to react and apologized to everyone.

Jiang Yu frowned, pulled off her blindfold, and narrowed her eyes. There was a hint of coldness in her long and narrow eyes. A huge, icy aura pressed down on Jiang Ran.

Jiang Ran's body stiffened, and she actually did not dare to speak anymore.

At this moment, the car suddenly shook.

The driver's voice came from the front, "Not good, the car broke down!"

The people in the car immediately became nervous.

"There's less than an hour left until the performance!"

"Yes, can it be repaired quickly?"

The driver went down to check once and shook his head. "No, we have to find a professional maintenance staff. But it will take at least half an hour for them to rush here."

They did not even know when it would be fixed.

For a moment, everyone was gloomy.

Only Jiang Ran was calm and composed.

She was just going to be an audience, unlike Zhuo Zheng and Jiang Yu. If they were to delay the performance, Jiang Yu would probably be in trouble.

The driver said, "Why don't you get out of the car first and see if you can hitch a ride with the passing cars?"

The few of them quickly took their luggage and got out of the car.

The people from the public welfare organization tried to stop a few cars in succession, but they were all rejected.

They then tried to negotiate with the cars that came from behind.

Jiang Yu looked at the time and frowned, Jiang Ran's gloating voice came from the other side. "Aiya, looks like we don't have enough time. It's better this way. Otherwise, your nondescript singing skills will drag Zhuo Zheng down when you go on stage, and it will turn into a stage accident."

Jiang Ran deliberately stood beside Jiang Yu and said sarcastic words.

Jiang Yu frowned. Suddenly, the voice of the staff came from the other side. "That's great. Everyone can get in the car."

Only then did Jiang Yu realize that three luxurious cars had suddenly stopped by the roadside.

Then, the car window rolled down, revealing the Mo Long's noble and cold eyes.

The face, as if it had been carved by God, stunned everyone present.

Chapter 105: Please Get In The Car

"It's okay, we just happen to be going to participate in a charity event."

When the staff heard that this was Mo Long, they were immediately filled with respect.

"Mr. Mo, thank you for your trouble."

After Teng Yi finished negotiating with the staff, he looked at Jiang Yu and said with a smile, "Miss Jiang, please get in the car."

Teng Yi opened the door of Mo Long's car.

Jiang Yu raised her eyebrows. She left Jiang Ran, who was dumbfounded, and got in the car.

The car door closed.

Jiang Ran muttered, "How could it be? Why is Mr. Mo here too?"

Every time she saw Mo Long's handsome face, Jiang Ran was extremely jealous.

Such a powerful person had been seduced by Jiang Yu.

But fortunately, so what if Mo Long was good-looking? He was a cripple.

Jiang Ran felt comforted when she thought of this.

Then she thought of Sun You, who was also handsome and rich. Sun You was also extremely considerate to her.

Suddenly, Jiang Ran felt full of happiness.

In the end, the only one who truly married into a rich family was herself.

When Jiang Ran came to her senses and was about to get into the car, the three cars were already full of people.

Jiang Ran was stunned for a moment.

Then she heard Teng Yi say, "Miss Jiang Ran, we are still in a hurry. You don't have to perform, so you shouldn't be in a hurry. Just stay here and wait for the rescue car."

After saying that, Teng Yi got into the car and left.

The few staff members were already somewhat dissatisfied with Jiang Ran.

Therefore, no one had any objections.

"What? I don't want to stay here," Jiang Ran was dumbfounded and quickly said.

But she could only watch the car drive away.

There was only a broken car, a driver, and Jiang Ran and her assistant on the empty roadside.

...

Jiang Yu smelled a pleasant male fragrance as soon as she got into the car.

She glanced at Mo Long and found that Mo Long seemed to be in an exceptionally happy mood today.

Even the ends of his eyes had a faint smile, and the corners of his mouth were slightly curved.

Jiang Yu was stunned for a moment. "You're going to participate in the charity performance too?"

"Yes." Mo Long smiled. "I originally wanted to give you a surprise. I didn't expect to receive someone on the way. It's not bad."

Actually, when Mo Long found out that Jiang Yu was going to perform there, he took the place of the company representative who was going to participate in the event and decided to personally go.

When they found out that Mo Long was going to participate, they even invited Mo Long to give a speech on stage.

After all, the Mo family had donated the most money to the reconstruction project.

After Mo Long finished explaining, he suddenly pulled Jiang Yu into his arms.

"There's still some time. If you're tired, you can sleep on me for a while."

It was a long journey and Jiang Yu was already feeling a little carsick.

She was not in good spirits.

At this moment, as she leaned into Mo Long's arms, she was immediately surrounded by a pleasant male scent.

Jiang Yu closed her eyes comfortably. "Remember to wake me when we arrive."

The man was like a towering tree, giving Jiang Yu a great sense of security. She quickly fell asleep again.

The car moved steadily. Mo Long sat as still as Mount Tai, motionless.

In stark contrast to this side, Jiang Ran was waiting for the car by the roadside.

Jiang Ran hugged her shoulders and stood where she was, shivering from the cold wind.

Her face turned completely black.

She knew that Mo Long was deliberately taking revenge on her.

Otherwise, why couldn't she sit down when everyone else could get on the car?

"Sister Ran Ran, let's wait in the car. The driver said that the rescue car will arrive in half an hour."

Jiang Ran gritted her teeth. "When I arrive, I will definitely settle the score with Jiang Yu."

Jiang Ran suddenly thought of something and quickly took out her phone.

"I have a piece of information to tell you."

"What is it?"

"It will definitely surprise you."

Jiang Ran edited it, her lips curved into a malicious arc, and a green light flashed past the corner of her eyes.

The assistant came over to take a look and immediately covered her mouth in surprise. "Sister Ran Ran, you're crazy!"

Chapter 106: Publicised Relationship

Meanwhile, the luxurious Maybach was rushing towards the reconstruction area of Lanzhou.

In the car, Jiang Yu slept for a while and woke up again.

She looked at the street outside and asked, "Where are we?"

Mo Long held her waist and told her to get up. "We're almost there. There are still five minutes left."

After Jiang Yu sat up straight, she looked at Mo Long and looked down at his leg.

Jiang Yu finally reacted and asked, "Is your leg alright?"

She had just slept on Mo Long's injured leg for a long time. She did not know if Mo Long was feeling unwell.

Mo Long shook his head and looked at her nervous expression. He immediately said, "Have you forgotten? My leg has almost been treated well by you. I should be able to walk for six hours without any symptoms."

Jiang Yu was stunned. "The duration has increased again?"

Mo Long said, "I've asked the Doctor to check on me. He said that I'm recovering very quickly. At this rate, I'll be completely healed in less than a month. When that time comes..."

Mo Long held Jiang Yu's hand. His eyes were filled with complicated emotions as he said meaningfully, "When that time comes, I'll let the whole world know that you're my woman."

The man's gaze was too intense. Jiang Yu's face turned red, but she still stared at him and said, "That's good too. It will prevent others from saying that you are the movie queen's man."

Mo Long's dark eyes were bottomless. He suddenly smiled and said, "Are you jealous?"

"No." Jiang Yu averted his gaze.

Mo Long held her waist and pulled her closer. "Wait for me for a while more. In the future, everyone will say that you are my woman."

Jiang Yu smiled and said, "No, when I have a firm foothold in the entertainment industry, they will say, look, that's Jiang Yu's man."

After Jiang Yu said that, she laughed out loud.

Mo Long was stunned for a moment before he laughed as well. "I don't mind being the man behind you."

The car slowed down.

Teng Yi said, "Sir, we're almost there."

Not far ahead was the venue for the performance.

The car stopped in front of the exhibition hall.

Jiang Yu saw that Mo Long was about to get out of the car, so she immediately pulled him back. "You don't use a wheelchair?"

Teng Yi's voice came from the front. "Sir doesn't use a wheelchair when he attends public events."

Mo Long patted Jiang Yu's hand. "Don't worry. Even if I walk out now, I won't get sick easily."

After saying that, Mo Long got out of the car.

In the cars behind.

The other staff members also got out of the bodyguards' cars.

Zhuo Zheng walked over.

At first, he thought that the reporters were running towards him.

He didn't expect that the reporters were snapping at Jiang Yu and Mo Long.

"Miss Jiang, I heard that you are Mo Long's lover? Is that true?"

"Is the relationship between the movie queen and Mr. Mo not good because you are a third person?"

"Are you going to announce your relationship with Mr. Mo by attending such an event together?"

Previously, the reporters had received news that Mo Long and his lover would be participating in a charity performance.

And the movie queen would become the person that Mr. Mo had abandoned.

This news was too explosive.

Coincidentally, after the reporters heard this news, they shifted their attention to this.

When the charity organization heard this, they hurriedly said, "You've misunderstood. We just happened to hitch a ride with Mr. Mo."

Even Zhuo Zheng walked over and stood in front of Jiang Yu. He didn't allow the reporters to spread rumors. "Don't listen to the rumors. Our car did indeed break down on the road, that's why we came together. Jiang Yu is my acting partner. Please pay attention to this performance and not those boring gossip."

Zhuo Zheng was the best friend of the movie queen. The two of them had collaborated on two movies.

However, the reporters were still unwilling to let it go.

"There are already some pictures circulating on the internet. It's pictures of Jiang Yu and Mr. Mo Long entering hotels and restaurants together. How do you explain these?"

Chapter 107: Exposed Photos

"That's right. Why does Mr. Mo Long frequently go to these sorts of places with Jiang Yu?"

"There's also this photo of Mr. Mo holding Jiang Yu's waist. Isn't it very intimate?"

On the other side, the bodyguards had already stepped forward to protect Jiang Yu and Mo Long.

However, Mo Long frowned when he heard this.

Teng Yi immediately took out his phone and said, "President Mo, someone exposed your photos."

"Deal with it immediately!" Mo Long ordered.

In the photo, it was Mo Long and Jiang Yu walking together.

“I’ve already asked the public relations department to deal with it. The photo has also been deleted.” Teng Yi was covered in cold sweat. “But the reaction was too big. The fans of the movie queen are all making a fuss. They’re saying that Jiang Yu stole you...”

Teng Yi really didn’t dare to say that out loud.

But the reporter was still probing.

“So, you guys are really together?”

“Mr. Mo, are you cheating?”

The reporter asked fearlessly.

The reporter who asked happened to be a loyal fan of the movie queen, Li Yue.

One sharp question after another was thrown out.

In the end, the reporter even raised the topic to personal attacks. “Miss Jiang, don’t you feel guilty for stealing someone else’s boyfriend like this?”

Jiang Yu frowned.

The staff of the public welfare organization on the other side were all dumbfounded. Zhuo Zheng was also stunned on the spot.

They did not expect that someone would really expose so many things.

With these the photos, no one would believe that the two of them were not close.

Mo Long’s entire body was emitting a low pressure, especially when he heard those people criticizing Jiang Yu.

He lowered his gaze and looked at Jiang Yu.

With just a glance, Jiang Yu knew what Mo Long meant.

Originally, Mo Long had planned to wait a month before announcing his relationship.

But now, it seemed like he could only announce it first.

Suddenly, Mo Long took a step forward and stood in front of Jiang Yu.

“I’ll answer your questions now. First, I’m in a relationship with Jiang Yu. Second, I’m not even in a relationship with the movie queen. We never have been. Third...”

As Mo Long spoke, he held Jiang Yu’s hand and raised it up. “Third, Jiang Yu is my future wife. She’s not a third person either.”

After he finished speaking, the entire place was in an uproar.

The reporters were extremely shocked. Mo Long had actually spoken with such determination.

They were also very surprised that Mo Long had actually repeatedly denied his relationship with the movie queen.

However, from the movie queen's Weibo, they could often see traces of him.

She said that she had met her beloved. It happened to be when the movie queen returned from filming and went to the Mo family.

There was also the movie queen saying that she regretted continuing to film and asking him to wait for her to come back.

Wasn't she talking about Mo Long?

The movie queen also said that she would complete the agreement between the two of them when she received three movie queen trophies.

The movie queen suddenly rushed back last year and was photographed going to the Mo Corporation's building in the capital. She even sent out a speech about how lovers needed to support each other.

In the entire Mo Corporation, wasn't Mo Long the only one who was worthy of the movie queen?

The Mo Corporation and the Li Corporation worked together, and their relationship was as close as one family.

After Mo Long announced their relationship, the reporters were in an uproar.

However, Mo Long had already entered the performance hall under the escort of his bodyguards.

The reporters wanted to ask more questions, but they couldn't catch up.

When Jiang Ran rushed to the venue, there were already many reporters outside the performance hall.

The reporters could smell the scent of gossip and refused to leave no matter what.

Now, the news of Mo Long announcing his relationship with Jiang Yu had already exploded on the internet.

Many fans of the movie queen cursed Jiang Yu on her Weibo, saying that Jiang Yu was a vixen.

Jiang Ran looked at these comments and instantly felt very happy in her heart.

Chapter 108: Restrict The Actions of The Fans

Meanwhile, in the performance hall.

Mo Long looked at these trending topics and immediately frowned.

The fans of the movie queen had really gone crazy.

After removing the trending topics, another trending topic appeared.

It was simply impossible to delete it.

On the other side, Jiang Yu was also looking at the latest news with some worry.

When she saw the news that said Mo Long was a scumbag, she felt extremely frustrated.

It was all because of her that Mo Long was labeled as a scumbag.

“I’ll take care of it.”

Mo Long patted Jiang Yu’s hand in a placating manner.

Then, Mo Long took out his phone and made a call.

He stood by the window and looked at the increasing number of reporters outside. His entire body was shrouded in an icy cold aura.

On the set, when the movie queen found out that Mo Long’s matter had become a hot topic on the internet, she felt a little flustered.

Could it be that Mo Long was serious?

He actually announced his relationship just like that.

Then what was the point of her doing so much for him?

Li Yue gritted her teeth. Many of her friends had sent her messages to comfort her, but she did not reply.

Until Mo Long called.

Li Yue took a deep breath. After picking up the call, she said in disbelief, “What? You want me to restrict the actions of my fans?”

Li Yue felt as though she had been punched in the heart.

All this while, it was because she despised Mo Long’s illness that she did not want to get engaged.

She did not expect that Mo Long would be the one who cut ties with her.

“Li Yue, your fans have always misunderstood our relationship. But now, I don’t want my lover to be slandered. Although we grew up together, we have never been together.”

Mo Long said coldly, “I hope you will speak the truth. Don’t let the fans have any more misunderstandings.”

Li Yue gritted her teeth. “Do you know what will happen to the shares of our two families if I clarify this?”

He actually did this for a woman.

The previous marriage between the two families was also instigated by the elders of the Mo family.

But later on, although there was no marriage, in order to make the collaboration between the two families seem unbreakable, they tacitly acknowledged the relationship between Li Yue and Mo Long.

Although every time Li Yue went to the Mo family Mo Long was not at the Mo family, Li Yue still pretended to meet Mo Long.

And because of this, the business of both families benefited greatly.

“Regarding the stock issue, I’ll settle it!” Mo Long said in a deep voice, “Just clarify it.”

“Alright.” Li Yue’s throat tightened. “I understand.”

Initially, Li Yue was still hesitating and was unwilling to marry Mo Long who was already in a difficult position.

But this was also good.

This time, it was not Li Yue who had delayed Mo Long’s marriage, but Mo Long himself who had let her down.

She was a grand movie queen, there was no need for her to tie herself to one tree.

Moreover, the Li family didn’t have to be tied to the Mo family.

On Weibo.

The fans were all cursing on Jiang Yu’s Weibo.

Suddenly, a fan said, “The movie queen has sent a message.”

The crowd quickly ran over.

They saw the latest post on the movie queen’s weibo, “I’m very sad that everyone has misunderstood my relationship. Mr. Mo Long and I are just ordinary friends. Thank you for your concern, fans. Please don’t expand this matter any further. I will focus on filming and giving everyone a better work!”

The fans looked at this Weibo post and fell into silence for a long time.

However, the various messages that the movie queen had posted earlier were too pointed.

Immediately after, someone discovered that the movie queen had deleted all her previous feelings about love.

She deleted them all.

Only then did the fans react.

“The movie queen must have had no choice but to fulfill someone else’s wish.”

“That’s right. If it was just a normal relationship, how could she have suffered such a huge blow? She actually deleted so many Weibo posts from before.”

“The movie queen is so pitiful. She was clearly hurt, yet she still pretended to be strong.”

“It’s all that vixen Jiang Yu’s fault!”

On the other side, after the movie queen posted her message and deleted her historical Weibo posts, she went back to focus on filming.

Only a mess was left for Mo Long and the Mo family.

Of course, the Li family would also be affected, but the Mo family was the one who suffered the biggest blow..

Chapter 109: Can’t Sing

Meanwhile, at the charity concert venue.

Many of the reporters were chased away by Mo Long’s people.

Although the reporters were unwilling, they couldn’t resist Mo Long’s power and could only return one by one.

The latest clarification from the movie queen was placed on top of the trending searches.

And the bad topics about Jiang Yu were also removed from the shelves.

However, the movie queen’s fans were still relentlessly scolding Jiang Yu.

Only the passersby who had nothing to do with it spoke up for Jiang Yu, but they were all drowned out by the fans of the movie queen.

Mo Long’s face darkened. “Control the comments!”

Teng Yi immediately went to handle it.

Very quickly, the fans of the movie queen discovered that once they had insulted Jiang Yu, they would be banned from commenting for seven days.

They immediately wanted to scold Jiang Yu, but they were unable to do so. They were very aggrieved.

Backstage at the performance.

Jiang Ran sneered when she saw that there was no one in Jiang Yu’s dressing room.

She used a bottle of mineral water to switched out the bottle of mineral water on the table.

After that, she pretended not to have appeared and left quietly.

She had bought this medicine on the way here. It could one’s her throat uncomfortable.

She had already put it into the mineral water and pretended that it was exactly the same as the new mineral water.

Jiang Ran not only wanted Jiang Yu to be scolded by the fans of the movie queen, but also wanted the fans of the movie queen to know that Jiang Yu was a good-for-nothing who only knew how to get a wealthy man.

At the same time.

Zhuo Zheng also walked into the dressing room with a bad look on his face.

He had just contacted the movie queen.

The movie queen said that she could only bless Mo Long. Otherwise, what else could she do? She was a movie queen. Could she lower her pride and beg Mo Long to come back?

Zhuo Zheng was even more certain that Jiang Yu was undoubtedly the mistress.

Because not long ago, the movie queen was still talking about how loving she and Mo Long were.

A few good friends of the movie queen knew this too.

After Jiang Yu came out of the changing room, she had already changed into a nice outfit.

She much more dazzling than before, making people unable to take their eyes off her.

However, when Jiang Yu greeted Zhuo Zheng, Zhuo Zheng coldly averted his gaze.

Then, he sat down beside Jiang Yu.

The assistant said to Zhuo Zheng, "Zhuo Zheng, calm down. The concert is about to start soon. Calm down first."

Jiang Yu was also puzzled. Could Zhuo Zheng have misunderstood her?

But after thinking about it, she understood.

Zhuo Zheng had worked with the movie queen before, so he should have a good relationship with her.

Hence, he was cold to her.

On the other side, the assistant quickly took a bottle of unopened mineral water from the table and said, "Zhuo Zheng, drink some water first."

After Zhuo Zheng took it, he took a big gulp and said to Jiang Yu, "This is our last collaboration."

If he had known that Jiang Yu was such a morally twisted person, Zhuo Zheng would never have invited Jiang Yu to sing with him.

Jiang Yu frowned. "Zhuo Zheng, do you have a misunderstanding about me?"

"There's no misunderstanding." Zhuo Zheng's eyes were filled with dissatisfaction.

However, just as Zhuo Zheng was about to go on stage...

Zhuo Zheng rubbed his throat unnaturally. "My throat isn't feeling well."

The assistant quickly said, "Are you alright?"

They were about to go on stage.

However, Zhuo Zheng's voice was extremely hoarse.

It was as if something had cut it open.

The assistant was dumbfounded.

Jiang Yu was also stunned.

"I can't sing like this." Zhuo Zheng was extremely vexed.

The assistant was extremely anxious. "Then what should we do? If we don't go on stage now, what's going to happen to the performance?"

Outside, the host was already announcing the name of the opening song.

Jiang Yu suddenly said, "Let me sing it."

Zhuo Zheng looked at Jiang Yu and immediately waved his hand. "You can't."

The part of Zhuo Zheng's singing was extraordinarily difficult. It was not something that Jiang Yu could sing.

"I can."

Jiang Yu said, "It's better than doing nothing."

Zhuo Zheng looked at her with his brows fiercely wrinkled.

Chapter 110: This Man Is Too Perfect

At the venue of the charity gala, Jiang Ran was sitting in the VIP seats.

At the same time, the person sitting in the middle of the VIP seats was the president of the Mo Corporation, Mo Long.

He had a noble aura. His hands were in his pockets and his thin lips were slightly pursed. His entire body exuded a noble aura that prevented strangers from getting close to him.

Even so, the cameras in the live broadcast room were all aimed at Mo Long.

This mysterious man had appeared in front of the public for the first time today.

Li Yue's fans had wanted to scold Jiang Yu and Mo Long when they entered the streaming room.

But when they saw that the entire screen was occupied by a face that was so handsome that it made people angry, they were stunned.

"Who can tell me, who is this good-looking man?"

"Oh my God, this face is too good-looking. Every movement he makes is a painting."

"I originally came to see who the mistress who stole the movie queen's boyfriend is. No one told me there was such benefits. I love him, I want to be a fan of this brother."

"Oh my God, he is simply the most elegant man I have ever seen."

Mo Long's temperament was completely different from those male celebrities in the entertainment industry.

The other men did not have Mo Long's imposing manner, which belonged solely to the upper class. Each and every one of his actions exuded dignity, making people not dare to act rashly.

The man turned his face sideways. The bridge of his nose was high, and his thin lips were thin and cold. The top two buttons of his shirt collar were unbuttoned, revealing a casual laziness.

The audience in the live broadcast room were all licking the screen.

"We'll first invite Mr. Mo Long to give a speech on stage," the host finished his sentence.

On the screen, the extremely handsome man suddenly stood up and strode towards the stage.

In the live broadcast room, "I'm dumbfounded. Is this the legendary Mo Long?"

"I knew it. Only such a man is worthy of Li Yue. It's really him."

"Oh my God, such a good-looking man. Why isn't he with our movie queen? It doesn't make sense."

"What's so good about Jiang Yu? She's just a vase that doesn't know anything."

"She's not bad looking, but it's a pity that she doesn't have good taste."

"Didn't I hear that Mr. Mo Long had an accident and his legs were immobile? That steady pace doesn't seem like it at all!"

"Sigh, this man is simply too perfect."

On the stage, Mo Long was giving a speech.

He expressed that he was willing to help more victims and rebuild their homes.

The Mo Corporation would always support charity.

On the stage, the charm of the man impressed everyone present.

In the live broadcast room, more and more movie queen fans surged in.

When they saw that Mo Long was actually so charming, they were all very shocked.

He was a man who gave off an imposing aura with his every move.

Why would a person who had worked so hard for the charity cause, a person who was outstanding in all aspects, be with someone like Jiang Yu?

"Big brother should be with our goddess."

"It's all that damn mistress's fault."

"Jiang Yu doesn't deserve to sing a charity song. After doing such a thing against her conscience, why is she still able to go up on stage and sing on behalf of the charity!"

On the stage, Mo Long slowly walked down the stage.

Everyone present burst into enthusiastic applause.

Jiang Ran looked in Mo Long's direction with infatuated eyes. She was so jealous that she was about to go crazy.

Didn't they say that Mr. Mo was in a wheelchair? Why was he no different from a normal person today.

Jiang Ran stared straight at Mo Long's legs. Then, she heard Teng Yi say to Mo Long, "Sir, do you want to make an appointment for leg physiotherapy after the session?"

Mo Long replied, "No need."

Teng Yi said, "But you've never stood for so long. Do you really want to take the risk?"

Theoretically, Mo Long could stand for six hours, but he had never experimented with it. He did not know if there would be a bad consequences.

"It's okay. I can do it." Mo Long's hand rested on the armrest at the side and knocked on it.

His line of sight fell on the corner of the stage, waiting for Jiang Yu to go on stage.
