

## Older Man 1021

### Chapter 1021: Infiltrate

Jiang Yu consoled, "This is something that I should do. It's not just for the both of you. Actually, I also have something to ask her. I just didn't expect her attitude to be like that. Instead, I've implicated the both of you. Actually, I should be the one apologizing."

Chang Kai shook his head. "But no matter what, I still have to thank you from the bottom of my heart."

"You're welcome. You're Sister Xia's younger brother, and Sister Xia is my manager, so we should be friends," Jiang Yu said with a smile.

"Okay." Chang Kai also smiled. "I still have a mission to attend to, so I won't send you off. Be careful on the way back."

"Okay, it's still early. Nothing bad happened," Jiang Yu said with a smile and took a taxi back to school.

!!

Jiang Yu walked into the school gate and felt that someone was staring at her from behind. However, when she turned around, she found that there was no one there.

"Am I seeing things?" Jiang Yu muttered to herself in puzzlement and turned around to go to the classroom.

However, the moment she turned around, a figure walked out from behind the wall and stared at Jiang Yu's back fiercely.

That person was dressed like a vagrant. His beard was unkempt and it was unknown how long it had been since he had shaved.

The security guard at the door saw that something was wrong and quickly took a stick out, wanting to chase that person away. "Hey! Who are you? What are you doing standing at the door?"

The man quickly changed his face and smiled awkwardly. "Um, big brother, I'm not a bad person. You've misunderstood."

The security guard did not believe him. "You're dressed like this and you still dare to say that you're not a bad person? Even if you're not a bad person, you're definitely not a decent person. Hurry up and leave. Don't block the students' path!"

"Big brother, you've really misunderstood..."

Before he could finish his words, the security guard's stick had already come over.

He was so scared that he quickly fled and soon disappeared without a trace.

"You still call yourself a good person with your appearance? Why are you feeling guilty if you are a good person?" The security guard spat at the air. "The next time I see you, I will blow your head off."

The man hid behind a big tree in the distance and looked at the gate of Ivy University from afar.

“Jiang Yu...” He gritted his teeth fiercely and wished he could put Jiang Yu into his mouth and chew her up.

He walked around again, but in the end, he still went to a place.

He walked to the door of the Jiang Residence and saw two or three policemen standing guard there. The man was worried, so he used the cover of the surrounding trees to walk around the periphery of the Jiang residence.

After making sure that there were only a few policemen at the door, the man went around to the back of the Jiang residence. Seeing that there was no one around, he jumped onto the windowsill, opened the window, and climbed into the room.

After landing steadily, the man straightened his body and looked at his house.

This homeless man with a stubble was Jiang Hai.

When he was running away in a hurry, he was unexpectedly smart enough to predict what would happen today. Therefore, he opened the latches on the unremarkable windows to make it easier for him to sneak back here.

“I didn’t expect that I would have to sneak back to my own home.” Jiang Hai curled his lips. It was hard to tell whether it was a cold smile or a bitter smile.

He first went to Jiang Ran’s bedroom. As he expected, the attic had been opened.

It seemed that Wei Juan had been taken away and she was injured. She should be recuperating in the hospital at this time.

“Damn it, none of them are dead, but they shouldn’t have been forced into a dead end by you guys!” Jiang Hai gritted his teeth and kicked the bookshelf hard.

The bookshelf made a muffled sound, but it was not loud, so the police at the door did not hear it.

Jiang Hai returned to his bedroom and found that the clothes in the closet were still there, so he let out a long sigh of relief.

He went to the bathroom to check the water heater. After finding that everything was working, he took a quick shower, shaved his beard, and took out an exquisite suit from the closet.

He put everything in a bag and went out through the window.

He had been hiding in an abandoned basement for the past few days. Only at night did he dare to go out to buy some food.

When he ran, he did not bring his card with him. He only brought some cash. However, because he had been in the basement for too long, he was very sloppy. Every time he went out to buy something, he would be treated as a vagrant by the shop assistant.

Some shop assistants were good-natured and would take the money to treat him to a meal. However, when they met a shop assistant with a bad temper, they would directly chase him out and curse him.

This was undoubtedly an insult to Jiang Hai.

However, he had no choice but to bow his head under the eaves. Even if Jiang Hai was scolded, he did not dare to make a sound to refute.

v

## Chapter 1022: Hypocrite

Jiang Hai changed his clothes in a relatively clean place in the basement and went to Jiang Yu's school the next morning.

The security guard was still at the school gate.

Jiang Hai walked over and smiled at the security guard at the gate. "Hello, I'm Jiang Yu's father, Jiang Hai. I'd like to meet my daughter."

The security guard didn't recognize the person in front of him as the vagrant from yesterday. Moreover, there was no wanted poster of Jiang Hai on the Internet, so the security guard didn't suspect much.

However, Ivy University had a rule that even if a parent came to visit a student, the student had to personally come out to pick him up or obtain the permission of the tutor.

Therefore, the security guard took out the landline phone and handed it to Jiang Hai. "Call your daughter and ask her to come out to pick you up."

Jiang Hai pretended to be in a difficult position, "Big Brother, my daughter and I have been quarreling recently. She hasn't picked up my calls. Otherwise, I wouldn't have come to school. I was worried that she would be in a bad mood after quarreling with me, so I wanted to visit her at school."

The security guard also had a daughter. She was young and was in a rebellious phase recently. She often quarreled with her family, so he could understand Jiang Hai's mood.

However, rules were rules. As a security guard, he couldn't change the rules on his own.

Therefore, he could only ask Jiang Hai to contact Jiang Yu's tutor. As long as he got the tutor's permission, he could let Jiang Hai in.

Jiang Hai didn't know who Jiang Yu's tutor was, so he didn't know how to contact him.

However, he remembered that Professor Bai had accepted Jiang Yu as his last disciple a long time ago. In a sense, Professor Bai should be Jiang Yu's tutor.

Therefore, he told the truth that he didn't have the contact information of Jiang Yu's mentor and asked the security guard to contact Professor Bai.

Although the security guard was a little surprised at first and thought that there shouldn't be a parent who didn't have the contact information of their child's mentor, he was only surprised for a moment, he immediately helped Jiang Hai to contact Professor Bai.

“Hello? Is this Professor Bai? There is a parent at the door, saying that he wants to go in to see his daughter... Mmm, then I’ll give him the phone and let him tell you in person.”

The security guard handed the phone to Jiang Hai. “Here, it’s Professor Bai.”

Jiang Hai took the phone and greeted politely, “Professor Bai, Hello, I’m Jiang Yu’s father, Jiang Hai. You should have an impression of me. You came to the Jiang family once before.”

Professor Bai did have some impression of Jiang Hai, but it was only on the day she went to the Jiang family.

Moreover, she still hadn’t forgotten what happened to the Jiang family that day.

He was obviously a beast who favored his eldest daughter, Jiang Ran, and deliberately ignored his youngest daughter, Jiang Yu. Now, he actually had the nerve to say that he was Jiang Yu’s father?

Professor Bai was somewhat disgusted with Jiang Hai.

However, this was their family matter after all. As an outsider, it was not good for her to interfere. Moreover, Jiang Yu had never mentioned the matter of the Jiang family to her. Without knowing the whole story, Professor Bai really had no way to interfere.

Therefore, she could only let Jiang Hai in first and then inform Jiang Yu.

Jiang Hai walked into the campus with his deflated briefcase. Anyone who saw him would think that he was some new teacher.

Only Jiang Yu had an ugly expression on her face when she received the notice from Professor Bai.

She did not know why Jiang Hai had come to the school. She did not expect that he would dare to appear in front of the public in such a situation.

It was only a matter of time before the Wanted poster was released. When that time came, more and more people would know that Jiang Hai was a wanted criminal.

If he wanted to voluntarily surrender himself, so he came to apologize and ask for forgiveness, that would be considered a good thing.

What if he wasn’t?

What was his purpose for showing his face in front of the public? Didn’t he know what would happen to him?

Time didn’t allow Jiang Yu to think too much because Jiang Hai was already at the entrance of the teaching building.

He then took out his phone and called Jiang Yu. “Jiang Yu, it’s me. I’m at the entrance of your school building. Do you have time? Come out and meet me.”

“What’s the matter?” Jiang Yu asked as she walked down the stairs.

“Nothing much.” Jiang Hai smiled. “As a father, I miss my daughter. I came to see what’s wrong.”

Jiang Yu didn't believe that he came here because he missed her. He must have some unspeakable purpose for coming here.

"Then I really thank you for thinking of me." Jiang Yu walked out of the dormitory building and quickly walked toward the teaching building.

Chapter 1023 Hostage

Jiang Yu didn't hang up the phone until Jiang Hai's figure appeared in her line of sight.

She walked behind Jiang Hai and deliberately kept a distance from him. "Why did you come to see me?"

"Is that the first thing you said when you saw your father?" Jiang Hai frowned, but his tone didn't sound angry.

Jiang Yu looked Jiang Hai up and down and found that he was dressed very exquisitely today. She took a few glances and suddenly asked, "Jiang Hai, is it true that you borrowed money from usury?"

Jiang Hai's expression suddenly distorted, but he still suppressed his emotions. "Did Wei Juan tell you?"

"No." Jiang Yu shook her head, she simply told Jiang Hai about Wei Juan's current situation. "Wei Juan had her limbs amputated and both of her hands were gone. Later, she accidentally hit the wall and got a concussion. I don't know if she's awake now."

Jiang Hai did not show the slightest bit of remorse. Instead, he crazily thought that if he had done it earlier, there would not be so many things happening now.

He gritted his teeth, he could no longer suppress his emotions. "It's all Wei Juan's fault for dragging me down, including her daughter, Jiang Ran! I spent so much money to nurture her back then, hoping that she would one day bring benefits to the Jiang family! But this brainless fellow, it's one thing for her to break her good cards, but in the end, she couldn't even keep her own fiancé!"

The more Jiang Hai spoke, the more ferocious his expression became.

Some female students who were passing by were originally curious about the dispute between Jiang Yu and this man, so they deliberately slowed down their footsteps, wanting to watch the show from the side.

However, when they saw the expression on Jiang Hai's face, they were so scared that their legs turned to jelly.

The people who were with her tried to help her up, but they were too weak to do so.

Seeing this, Jiang Hai quickly ran over and pulled the girl up. Then, he grabbed her neck.

"Jiang Hai!" Jiang Yu's temples were throbbing. "This is between us. Don't implicate innocent people!"

"What do you mean by innocent people? Am I not innocent?" Jiang Hai's eyes were bloodshot. "Did I do something wrong? Why should I be treated unfairly?!"

The girl he held hostage was so scared that she couldn't even make a sound. She couldn't even say a simple "Help".

Jiang Hai took the opportunity to take out a fruit knife from his briefcase and put it on the girl's neck.

"Jiang Hai!" Jiang Yu's voice began to tremble. "Put down the knife and we can talk slowly!"

"I have nothing to say to you!" Jiang Hai didn't listen to Jiang Yu at all, "Call Mo Long now and ask him to arrange a car for me immediately. Then, arrange a boat to send me out of Shanghai! Do you hear me?!"

"I got it. I'll contact him right now!" Jiang Yu could only deal with Jiang Hai first before calling Mo Long.

Mo Long was a little surprised when he received Jiang Yu's call. "Why are you calling me all of a sudden?"

"Jiang Hai came to the school and is holding an innocent girl hostage. He asked me to call you and ask you to arrange a car and a boat to send him out of Shanghai."

Mo Long paused and said slowly, "Okay, I got it."

"Okay, I'll hang up first."

"Okay."

After hanging up the phone, Mo Long called Teng Yi and asked him to inform Luo Hao to rush to Ivy University with the police to surround Jiang Hai. He put down the work in his hands and rushed to green vine university.

After Jiang Yu hung up the phone, she reached out her hand and said to Jiang Hai, "You heard it just now. I've told Mo Long all of your requests. Can you let go of that girl now?"

"Stop pretending!" Jiang Hai took a step back with the girl, "How do I know whether Mo Long will do it or not? If you hang up the phone, what if he notifies the police? Jiang Yu, do you think I'm that gullible because of my old age? I'm warning you. I will never let go of this person before I leave Shanghai safely!"

"Jiang Hai, don't do anything stupid!" Seeing this, Jiang Yu could only try her best to reason with him, "Put down the knife now and turn yourself in. Tell us all about those loan sharks. Your sentence will be very light. By then, you can return to the Jiang family earlier."

"Do you think I can go back now?" Jiang Hai snorted coldly. He couldn't tell whether he was laughing or crying.

Chapter 1024: Arrest

"Don't you really want to go back to the Jiang Family?" Jiang Yu was still trying to awaken the last bit of conscience in Jiang Hai's heart.

However, Jiang Hai had long lost the "Conscience" in his heart.

"A daughter in prison and a wife with crippled hands. If you were me, would you want to go back?" Jiang Hai asked in a mocking tone, "Besides, they can't help you at all and will only drag you down. Won't you get tired of seeing them? Wei Juan is already the kindest person I've ever shown her. If Jiang Ran hadn't gone to prison, she would have ended up like Wei Juan!"

Jiang Yu froze and didn't know how to respond.

Jiang Hai had already changed when she and no one knew about it. He was no longer as indecisive as before.

Moreover, even if he was completely biased towards Jiang Ran at that time, he would still have a little bit of fatherly love for his so-called "Disgraced" daughter.

But now, not only did Jiang Hai despise him, even his former pride, Jiang Ran, was taken out by him and repeatedly trampled under his feet.

The atmosphere was deadlocked just like that. More and more people gathered around to watch the show. However, they didn't dare to get too close, afraid that they would become Jiang Hai's hostage in the next second.

Only when the police siren sounded at the door did Jiang Hai panic. He tightened his strength again and glared at Jiang Yu, "How dare you call the police! Do you want to see this person die?!"

Jiang Yu retorted, "Didn't you hear me on the phone? I didn't call the police at all! And since I hung up the phone, I never took out my phone again!"

"I got it. You didn't call Mo Long just now. You took the opportunity to call the police, didn't you?! Or, or Mo Long called the police! It must be the two of you!"

Jiang Hai was in a state of madness. He could accidentally kill the innocent girl at any time in an emotional state.

The surrounding crowd began to consciously make way for the police to come in and subdue the criminal.

Mo Long followed Luo Hao and came over. The moment he saw Jiang Yu, Mo Long grabbed her shoulder and looked her up and down. "Yu'er, are you alright?!"

"I'm fine," Jiang Yu quickly comforted her. "The one who's in trouble is Jiang Hai's hostage."

Only then did Mo Long look at the girl in Jiang Hai's hand. She was so scared that she had already fainted.

"Jiang Hai!" Luo Hao shouted righteously, "Don't continue to do stupid things! Let the student go now and turn yourself in. We will consider reducing the punishment for you!"

"You bunch of sanctimonious fellows, do you think I will believe you?!" Jiang Hai roared, "I don't care, send me out of Shanghai immediately! Otherwise, you will have to pick up the bodies of two people together today!"

Luo Hao frowned, but for the safety of the hostage, he could only pretend to agree to Jiang Hai's request.

Mo Long said, "I've prepared the car, it's at the school gate. The door isn't locked, the keys are in the car."

When Jiang Hai heard that, he quickly dragged the unconscious girl to the school gate. As he walked, he threatened the policemen behind him, "Don't come over! Don't come over! Otherwise, I'll kill this person immediately!"

The policemen could only watch as Jiang Hai got into the car with the hostage. Then, they saw him push the girl out of the car.

Luo Hao ordered, "Everyone, chase after her!"

"Yes!"

Jiang Hai sat in the driver's seat and quickly started the car.

"How dare you call yourself a university student when you're so timid?" Jiang Hai cursed while driving, "You fainted just because you were held by a knife. What a burden."

In fact, he didn't plan to do anything to this person from the start. No matter how brave he was, he didn't dare to kill anyone.

He originally planned to take Jiang Yu as a hostage, but when he saw someone who was easier to bully than Jiang Yu, he released Jiang Yu at the last minute. However, the plan was still going on. No matter who was the hostage, no one could stop him from leaving Shanghai today.

There were several police cars behind him. Jiang Hai's hands that were holding the steering wheel were sweating in fear. However, he did not dare to slack off at all. He was afraid that if his hands were slow, he would be caught by the police officers behind him.

Therefore, Jiang Hai stepped on the accelerator. However, not long after the car sped up, its speed began to slow down.

Jiang Hai thought that there was something wrong with the car. He hit the steering wheel hard with his hands. "This Mo Long is so rich. Why would he buy this kind of car?! Don't you know how to choose some good ones when you buy a car?!"

He cursed angrily, and the police car behind him had caught up.

#### Chapter 1025: Refused To Plead Guilty

When the police saw Jiang Hai's car parked on the road, they thought he had suddenly changed his mind and wanted to turn himself in.

However, when they got out of the car and went over to take a look, they saw Jiang Hai fuming in the car.

They thought it was funny for a moment and knocked on the car door. "Jiang Hai, get out of the car. Your car has no electricity. Where do you think you're going?"

"No electricity?" Jiang Hai was stunned and quickly went to look at the battery meter.

The battery meter was already black because there was no electricity to show the number.

It turned out that there was no electricity and it was not the car's fault.

But this made Jiang Hai even angrier.

“This Mo Long, doesn’t he know to charge the battery when he goes out? Now I can’t continue walking because of him!” Jiang Hai was still sitting in the car and cursing Mo Long. He had no intention of getting out of the car.

In the end, the police forced him out of the car and brought him to the police station.

At the police station, Luo Hao, Jiang Yu, and the others were already waiting there.

When Jiang Hai saw Jiang Yu and Mo Long, he immediately knew what was going on. “Alright, it was the two of you who set me up, wasn’t it? Mo Long called the police behind my back and even deliberately drove a car that wasn’t fully charged just to make it impossible for me to escape, wasn’t it?”

However, Mo Long said, “The battery meter on the car showed that at the beginning, so I already told you that the car was out of battery. And you didn’t pay attention and insisted on driving that car. In the end, you were caught. You can only blame yourself.”

“Your battery meter is so small. How could I have noticed it?!” Jiang Hai was so angry that he roared.

“That means you can’t see it. No one else can be blamed.”

“You!” Jiang Hai’s chest heaved up and down in anger. “As expected of you, my good son-in-law!”

When he said the word “Son-in-law,” Jiang Hai deliberately emphasized the pronunciation.

However, Mo Long retorted, “You misunderstood. Yu’er has long broken off the relationship between father and daughter with you, so I’m not your son-in-law. Don’t think that if something happens now, just call me ‘son-in-law’ and I’ll help you solve it.”

“You! Good... Good! Both of you are ingrates!” Jiang Hai cursed angrily again, “Jiang Yu, don’t tell me I’m not good to you? Touch your own conscience. Is it a decent thing to send your own father to prison? First, you harmed your own sister, then your stepmother, and now you want to harm me. You really have malicious intentions!”

Jiang Yu looked at Jiang Hai expressionlessly. “If you ask me that, then I have to ask you as well. Touch your own conscience. Don’t tell me you treat me well? Jiang Ran deserved to go to jail. Wei Juan became disabled because of you, not me! As for you, you did something illegal yourself. You should be punished by the law.”

“Shut up, shut up!”

If not for the police holding Jiang Hai down, he would have already jumped in front of Jiang Yu.

Jiang Yu ignored Jiang Hai and said to Luo Hao, “Chief Luo, since the person has been caught, I’ll go back first.”

Luo Hao nodded. “Okay.”

Seeing Jiang Yu leave, Jiang Hai put on a pitiful expression. “Jiang Yu, I’m your father. You can’t just leave me like this! I have to get me out of here!”

Jiang Yu stopped in her tracks, in the end, she turned around and said to him, “You’re no longer the Jiang Hai I remember. Even if you were completely biased towards Jiang Ran at that time, when you saw me, you would still use that pitiful amount of fatherly love to brush me off. But now, you’ve changed. You’ve become someone I don’t even recognize anymore. I’m afraid that when Jiang Ran sees you after she gets out of prison, she’ll have to ask ‘who are you?’”

Jiang Hai was stunned. By the time he reacted, Jiang Yu had already left.

He looked in the direction Jiang Yu had left in a daze. In his heart, he was still hoping that she would suddenly turn around and look at him. She might even be able to save him.

However, as time passed, Jiang Yu did not return. The little hope in Jiang Hai’s heart was slowly being worn away.

“Jiang Hai, do you confess or not?!” Luo Hao scolded.

Jiang Hai sneered, “So what if I don’t confess? You don’t have evidence, can you lock me up?”

“We will find the evidence. You are now guilty of intentional assault, which is enough for you to spend some time in prison. This time is enough for us to find the evidence.”

“Haha...” Jiang Hai laughed, “Okay, then go and find the evidence! I want to see what evidence you can find!”

Chapter 1026: Loan Shark Fugitive

Jiang Hai refused to confess, and Luo Hao could not beat him into a confession.

However, Jiang Hai now had the charges of “Intentional injury” and “Kidnapping” on him, so he needed to stay in the police station to investigate and await trial.

As long as Luo Hao found evidence of Jiang Hai’s collusion with the loan-sharking during this one month, then Jiang Hai would not be able to get out of prison for the rest of his life if the three charges were added together.

Luo Hao sent people to lock Jiang Hai up while he planned to work hard on those loan sharks. He wanted to catch them all as soon as possible.

Luo Hao had already sent people to monitor the companies that had dealings with Jiang Hai. There hadn’t been any news recently. It seemed that the group of people had indeed sensed danger, therefore, they had begun to act cautiously.

“Sigh...” Luo Hao couldn’t help but sigh. He realized that this case wasn’t that easy.

Moreover, Jiang Yu had also reminded him that Jiang Hai’s jewelry company must have had some unspeakable loophole, which was why he was in such a hurry to borrow money.

Therefore, he called Chang Kai over and asked him to secretly investigate the Jiang Jewelry Company.

He couldn’t rush things. The more urgent he was, the more flustered he would be. It was very likely that it would backfire.

Therefore, he planned to continue monitoring the movements of the group of loan sharks and focus on investigating the hidden problems of the Jiang Jewelry Company.

After Mo Long sent Jiang Yu to school, he didn't go back to the company immediately. Instead, he accompanied her to the school gate and stood there for a while.

"I'm sorry for making you face these things by yourself." Mo Long pulled Jiang Yu into his embrace and said apologetically, "Did Jiang Hai come here crazily today and scare you?"

"That's not it." Jiang Yu shook her head, "When I saw him, I was worried that he would do something to me, so I kept a distance from him. On the other hand, the girl he held hostage was just passing by, but Jiang Hai took her as a hostage. With such a sharp knife at her neck, she was the one who was scared."

At the mention of that girl, Jiang Yu remembered that she had already fainted and didn't know how she was now.

"It's not your fault. No one knew that Jiang Hai dared to appear in front of the public at this time." Mo Long tightened his grip, trying to make Jiang Yu feel at ease.

Jiang Yu leaned into Mo Long's arms, feeling very at ease.

After a long while, Mo Long let go of Jiang Yu and let her go back to class.

Jiang Yu returned to the classroom, took her books and prepared to go to the elective class. When she walked into the large classroom and sat down on the chair, two familiar figures ran in from outside the door.

Lu Qi and Dai Zhu were sitting in the empty seats beside Jiang Yu, their mouths full of questions.

Lu Qi said, "Xiao Yu, I heard that someone entered the school and kidnapped a girl! Could that girl be you?"

Dai Zhu said, "Are you hurt? Aiya, who is that person? Do you know him?"

Jiang Yu's head hurt from the two of them arguing, so she simply told them the whole story.

When Lu Qi and Dai Zhu heard it, they gasped.

"It can't be. It's really Jiang Hai?" Lu Qi turned pale with fright. "Didn't they say that he had already hidden himself? Why did he still dare to come out?"

Dai Zhu's focus was on the girl who had been kidnapped. "That girl is the same. It has nothing to do with her. Why did she go to watch the show? In the end, she was kidnapped and even fainted from fright! She didn't know what kind of situation she was in now. If it was serious, her family would probably come to the school!"

"Jiang Hai is now in director Luo's hands. He can't be released for the time being." Jiang Yu analyzed the current situation, "He made such a big commotion today. It's impossible that the loan shark gang doesn't know about it. Maybe Jiang Hai is risking his life for his future, and he also sent a message to those people at the same time. If that's the case, those people will hide even deeper, and they might even find an opportunity to secretly leave this place. By then, it will be even harder to catch them."

“This Jiang Hai is really not good at getting things done. He is more than capable of ruining things.” Dai Zhu sneered disdainfully. “He doesn’t want to run a good company, but he has to do these illegal things. is he planning to become famous in this way?”

“Speaking of Jiang Hai’s company...” Jiang Yu pondered for a moment and continued, “If he keeps saying that there is no problem with his company, is it possible that the finance department is helping him to make false accounts?”

“A small finance department actually has the guts to make false accounts?” Dai Zhu was puzzled.

#### Chapter 1027: Fake Accounts

“The Financial Secretary himself didn’t dare to do it, but if he got the boss’s permission, how could he not dare to do it?” Jiang Yu guessed, “It’s precisely because the financial secretary helped Jiang Hai do the fake accounts that no one else could see it, so no one knew about it? But Jiang Hai knew that his company was losing money, so he borrowed money from usury.”

At this point, Jiang Yu felt it was necessary to check the financial situation of the Jiang Jewelry Company.

She called Mo Long and wanted him to tell Luo Hao about it, but Mo Long’s phone was busy, and Jiang Yu couldn’t get through.

It was probably because the internet signal there was getting worse, so there was a busy line.

!!

Jiang Yu called Chang Kai again, hoping that he could tell Luo Hao about it. However, Chang Kai happened to be sent to investigate Jiang Hai’s company. After listening to Jiang Yu’s words, Chang Kai also felt that what she said made sense.

“I’m at the entrance of the Jiang Jewelry Company now. Director Luo has already sent me to investigate Jiang Hai’s company.”

“That’s great.” Jiang Yu was slightly relieved. “I suspect that the finance department helped Jiang Hai to make false accounts and hid it from everyone’s eyes. Even the employees didn’t notice it.”

Chang Kai walked into the company while talking to Jiang Yu, but there was no one inside.

“It’s really strange. The Jiang Jewelry Company hasn’t been seized, and there are no rumors that it’s going to close down. Why is there no one in the company?” Chang Kai was very surprised. He led everyone into every office, indeed, there was no one. Moreover, the desk was in a mess. People who didn’t know would think that the company had been robbed.

Chang Kai didn’t find anyone from the first floor to the fifth floor.

“No one.” Chang Kai confirmed with Jiang Yu. “From the first floor to the fifth floor, I don’t even see a living thing, let alone a person.”

But that wasn’t the main point. The main point was the company’s accounts.

So Jiang Yu asked Chang Kai to look at the financial statements of the finance office to see if he could find any clues from them.

Chang Kai found the finance office. When he entered, he saw a folder in the most conspicuous position on the desk. There were a few big words stuck on the folder — financial statements.

When Chang Kai was in the police academy, he knew a little about finance, so he could see the loopholes in the financial statements at a glance.

“There is indeed a problem, but every problem has been covered up. If you don’t look carefully, you really can’t find the problem,” Chang Kai said to Jiang Yu while checking.

“Is this the only report?” Jiang Yu suspected that Jiang Hai had asked the finance department to help with the accounting before this.

Therefore, Chang Kai went to the shelf at the side to look for some financial statements from last year and the year before last. As expected, there were traces of accounting fraud in some places.

But because it was quite a long time ago, Chang Kai could only find a few obvious areas of accounting fraud. As for the less obvious ones, he couldn’t find them.

However, these were enough.

“Thank you, Jiang Yu.” Chang Kai thanked her sincerely. “If you hadn’t reminded me, I’m afraid I wouldn’t have known to check the finances.”

“It’s nothing. I only figured this out today.” Jiang Yu smiled, “I didn’t know about it before either. I thought that he wanted to invest in his new business so that he could borrow money from usury. “But now, I realize that’s not the case. Jiang Hai was simply short of money. There was only one thing that made him short of money, and that was his company. Then, I figured out that it was the finance department that helped him falsify the accounts

“I got it. I’ll go back now and give these statements to chief Luo.”

With that, Chang Kai hung up the phone.

He quickly returned to the police station and handed all the financial reports he found to Luo Hao. He said, “Jiang Yu reminded me to look into these.”

After Luo Hao read through the reports, he knew what had happened to Jiang Hai’s company.

“Luo Jade is the hardest to mine. Most of the ones in circulation are fakes. Doesn’t Jiang Hai know about this? He actually dared to spend so much money to buy a batch of fake Luo Jade.” Luo Hao looked at the four big words “Luo Jade” on the report, he couldn’t help but sigh.

“But would a fake Luo jade sell for such a high price?” Chang Kai was puzzled.

Since everyone knew that Luo Jade was hard to get and most of the things in circulation were fakes, why was Jiang Hai willing to spend money to buy these things?

Could it be that he was cheated by those black-hearted merchants?

Chapter 1028: Luo Jade

Luo Hao explained, "Even though Luo Jade is hard to get, there are still people who are willing to spend a lot of money just to take a gamble. Only half of the gems they buy are real. As long as half of them are real, then the money they spend is not wasted. If they sell Luo Jade as an accessory, it will be a big profit."

"So Jiang Hai also planned this?" Chang Kai suddenly realized, "But he never thought that the Luo Jade he bought were all fake."

"It seems that his plan has failed." Luo Hao smiled. He couldn't say whether he sympathized with Jiang Hai or pitied Jiang Hai.

He took the reports and found Jiang Hai.

"What are you doing here?" Jiang Hai saw Luo Hao and said disdainfully, "Are you here to see how I'm doing? Or do you want to get some useful information from me?"

Chapter 1029: Plead Guilty

So in the end, Jiang Hai wrote Wei Juan's name on it.

As long as he couldn't pay back the money he owed, then Wei Juan would be used as a tool to pay back the money and fall into the hands of that group of people. When the time came, as long as she sold all her organs, that group of people wouldn't have to worry that the money they lent out wouldn't come back.

Jiang Hai thought that everything would be fine if he did this, but he was surprised to learn that in the hands of that group of loan sharks, there was still a batch of Luo Jade. Therefore, he had another devious idea. Not only did he not use the borrowed money to fill the company's loophole, but he also continued to buy the batch of Luo Jade back.

However, because the batch of Luo Jade was still on the way, Jiang Hai did not get it immediately. Therefore, he kept in contact with those people for the rest of the time.

!!

When he returned to the Jiang family, he heard that Wei Juan wanted to go back to her parents' house. Jiang Hai was anxious. He thought, "I'll do it or I won't." So, he decided to imprison Wei Juan. He thought that he had done it discreetly enough, but he didn't expect that Jiang Yu would come looking for him one day.

Jiang Hai was worried that Jiang Yu would find out something was wrong, so he made up an excuse and chased her away. Not long after, he received news that the batch of Luo Jade had arrived.

Jiang Hai was pleased with himself. He thought that his luck was about to change, but the batch of Luo Jade was also all fake.

This was undoubtedly the last straw that would crush Jiang Hai.

"The debt I have, I will never be able to pay it off in this life and the next." Jiang Hai cried bitterly, "I don't regret spending money to buy Luo Jade. I'm just not convinced. Why is it that other people's luck is so good, but I can't buy the real one?"

“Luck is something that varies from person to person.” Seeing Jiang Hai crying so miserably, Luo Hao didn’t know how to comfort him, “Luo Jade is a very risky investment project. If you are really prepared to invest, then you should have thought of the consequences.”

“But I’m still not convinced. On what basis?” Jiang Hai cried until his eyes were swollen, “My life has never been good. First, my daughter, whom I have nurtured for so long, was sent to prison. Then, my wife, who has slept with me for more than 20 years, despised me. Finally, my youngest daughter actually wanted to send me to prison! Tell me, why is my life so miserable?”

Luo Hao and Chang Kai looked at each other, not knowing how to respond.

Jiang Hai had brought all this upon himself. He didn’t expect that he wouldn’t admit his mistake and push the blame onto others. He thought that the reason why his fate was so miserable was that others hadn’t brought him good luck.

“Forget it, stop talking.” Luo Hao couldn’t stand it anymore and interrupted Jiang Hai’s complaint, “Now that the facts are in front of you, do you admit your guilt or not?”

After crying bitterly for a while, Jiang Hai slowly nodded, “I confess.”

“It’s best if you confess. Then, you also admit that you borrowed money from usury?”

“Yes.” Jiang Hai nodded heavily, as if he would fall to the ground in the next second.

“Then sign the confession and then tell me everything you know about those people who borrowed money from usury.”

Jiang Hai didn’t say anything and silently agreed.

He wasn’t a good person himself, whether he was a good person or a bad person. Since he wasn’t living comfortably, then he had to bring others into the water.

Even though the other party was also a group of fugitives, even though this kind of behavior was called “Leniency if you confess.”

Luo Hao brought Jiang Hai to the interrogation room. First, he asked him to sign the confession, and then he began to ask about the loan sharks. Jiang Hai also told him everything.

After Luo Hao asked the questions, Chang Kai also made a statement. Jiang Hai signed the statement and was brought back.

“Can Jiang Hai’s words be trusted?” Chang Kai looked at the statement. He was not sure how true or false Jiang Hai’s words were.

However, Luo Hao still believed Jiang Hai. “Now that things have come to this, he can’t escape the fate of going to prison. In that case, there’s no need for him to lie, because it won’t do him any good. Moreover, as long as he confesses everything, there might be a chance for him to get a lighter punishment.”

“Okay, I got it.”

Luo Hao ordered, "Take people to these places to squat. As soon as anyone suspicious appears, immediately arrest them!"

Chang Kai replied, "Yes!"

He led three groups of men to guard the dock, the abandoned warehouse in the south of the city, and the abandoned basement in the center of the city.

That basement was where Jiang Hai had stayed before, and it was also the address given to him by those people.

Chapter 1030: Escaped

Chang Kai was guarding an abandoned warehouse in the south of the city, where the suspects were most likely to appear. He heard from Jiang Hai that this was the place where they first traded.

The abandoned warehouse was covered in dust. Even if someone passed by it, they would not look inside. It was indeed a good place to hide.

Chang Kai and his men waited here for a day and a night, but they did not see any movement inside.

"Could it be that they're not here?" Someone asked in a low voice. "Actually, they've already hidden somewhere else?"

!!

"Shh, don't talk yet." Chang Kai pressed his index finger against his lips. "There's no news from other places, so we'll wait here for now."

So that person kept quiet.

Another day and a night passed. Even Chang Kai began to suspect that the group of people were hiding somewhere else when the door of the warehouse suddenly opened.

There were five people in total, and each of them was carrying a backpack. They carefully came out and looked around. After making sure that there was no one around, they quietly ran toward the dock.

Chang Kai gave the order, "Catch them!"

"Yes!"

The police officers, who were originally a little sleepy and bored, were now like they had been injected with stimulants. They were all rubbing their fists, wishing that they could immediately catch the group of people and beat them up.

They came out of their hiding places and chased after the five people who were running away.

The five people who were running in front also heard the chasing sounds behind them and began to run forward without stopping.

"Split up and run!" The leader gave an order. "Don't get caught! After we lose them, we'll meet at the dock!"

“Yes, big brother!”

The few people scattered and fled in different directions. However, this did not stop the police chasing behind them. They spontaneously split up into five small teams and continued to chase after the escaping people.

The people in front ran while the people behind chased. Along the way, they knocked over countless fruit stalls and bicycles.

There was even a fugitive who snatched the child’s bicycle and wanted to ride it to escape. However, he did not expect the child’s mother to be beside him.

The child’s mother grabbed the fugitive’s backpack, threw him off the bicycle, and kicked him a few more times. As she kicked him, she scolded, “How old are you, and you still want to snatch a seven-year-old’s bicycle? Look at yourself, you look like a fat pig. Can you even sit on such a small bicycle? And you still dare to snatch the bicycle. You’re really tired of living!”

This action stunned the police chasing behind them. However, they were only stunned for a few seconds. When the escaped criminal fell to the ground and had not gotten up, they quickly went forward and handcuffed his hands.

As for the other escaped criminals, they were also caught on the road. Only the leader, who should have many years of escaping experience, quickly shook off the police behind him.

He ran to a corner where there was no one, breathing heavily.

“Damn it, why are these police there? ... It must be Jiang Hai! I knew that trash wouldn’t do anything good, he actually told the police where we were hiding! This bastard!” He hit the wall beside him hard.

After resting for a while, he planned to go to the dock at night when it was dark.

However, when it was dark and he ran all the way to the dock, he found that there was no one there.

Whether it was his brothers or the dock staff who were supposed to be on the night shift, none of them were there.

He sensed a bad premonition and was about to run away when he bumped into Chang Kai’s shoulder.

“Don’t run anymore. Except for you, the other four have been caught.” Chang Kai smiled and handcuffed the last person. “Let’s go back!”

At this point, the five loan shark fugitives had all been caught.

And this incident shook the entire city overnight.

Whether it was the five fugitives or the bankrupt Jiang Hai, they all made the headlines.

Whether it was Jiang Yu in school, Wei Juan in the hospital, or even Jiang ran in prison, they all saw Jiang Hai’s face appear on the report.

“This is so satisfying!” Lu Qi couldn’t help but clap and cheer when he saw the report online, “I knew that their family wouldn’t end well! But look, Jiang Hai and Jiang Ran can be reunited in prison now! Haha!”

Dai Zhu also laughed loudly. “I really don’t know how Wei Juan will be angry when she sees this! The husband she married and the daughter she gave birth to are all criminals, hahaha!”

“This family really deserves it!”

Lu Qi and Dai Zhu had had enough of laughing. Only then did they realize that Jiang Yu had been looking out of the window, thinking about something.
