

## Older Man 1081

### [Chapter 1081 Status Of The Competition](#)

Kang He's mental state was unstable. not only did Mr. Kang notice it, but even Dai Zhu, who had only spoken to her a few times, noticed it.

Jiang Yu had been in school for the past few days. Not only did she comfort Kang Xue, but she was also worried that Kang He would go crazy and come to school again. After all, her mental state had already shown some problems. Sometimes, she was normal, and sometimes, she was abnormal. No one knew when her next illness would act up.

Kang Xue was still as depressed as before. she didn't have much energy in class, and even during breaks, she was very depressed. She didn't have the energy that someone her age should have.

Lu Qi and Dai Zhu took turns to comfort her, but Kang Xue remained unmoved. They didn't know if she was listening or not.

Dai Zhu no longer had any words of comfort to say. she was currently pulling at her hair in frustration as she said, "Kang Xue wasn't like this before, but ever since Kang He came to school to make a scene, Kang Xue has become depressed. This Kang He is really a troublemaker. She has mental problems and still came to the school to make trouble!"

"I don't know if she has a better memory after being taken away by the police last time. but I think she's mentally ill, so she probably won't run that company anymore, right? Otherwise, wouldn't that company be ruined by her?" Lu Qi guessed.

"Who knows? there's no one else normal in their family other than Kang Xue." Dai Zhu crossed her arms in front of her chest and said angrily.

Lu Qi looked at Jiang Yu and remembered that she was still busy with the competition. There had been cases of Jiang Yu falling sick because of the competition and Kang Xue's matters, so Lu Qi was very worried about her physical condition.

"Xiao Yu," she said, "you can leave Kang Xue to us. You can focus on the competition.

"Yes." Jiang Yu nodded and said, "I know. "

Even though she said that, Jiang Yu still had no intention of returning to the company.

Sister Xia was in charge of the company now, so Jiang Yu was very assured. Moreover, the company didn't have any big business at the moment. It was just an ordinary small accessory business, so Jiang Yu didn't need to worry about it at all.

As for the script for the competition, Jiang Yu could design it anywhere as long as she had the inspiration.

Speaking of this, Dai Zhu began to care about Jiang Yu's competition situation. "Jiang Yu, how's your competition going? Isn't it time for you to participate in the preliminaries in the capital?"

"Yes." Jiang Yu replied softly, "There's still half a month before the deadline. We can still make it. "

"I think you'll definitely be able to advance successfully." Dai Zhu sighed.

"It's still an unknown. Moreover, the official request for the draft for the competition this time is a hand-drawn draft, which needs to be delivered personally." Jiang Yu smiled and had a rough idea of the script in her heart.

"This is so troublesome. If it were me, I'm afraid I wouldn't be able to hold on in the first round." Dai Zhu had never participated in a competition like this before, and she knew it was going to be troublesome.

She had only participated in a scriptwriting competition once before, and she was framed by her adopted sister, Dai Zi. Although the truth of the matter was revealed in the end, the shadow that this incident had cast on Dai Zhu was still lingering.

As a result, even after so much time had passed, Dai Zhu had not signed up for any of the more interesting competitions.

"I think you should sign up for some competitions in the future." Lu Qi said, "don't you often see those reality shows online? If you sign up, you can go out and see the world. You're the only daughter in your family, and you're going to inherit the company. How can you not have seen the world?"

"We'll see." Dai Zhu yawned, planning to bluff her way through.

Lu Qi was about to say something when she saw Kang Xue walking toward them.

This was the first time that Kang Xue had taken the initiative to see them after the last incident.

Kang Xue walked over and found a seat.

The expression on her face was still very ugly. After hesitating for a long time, she finally said her purpose, "Jiang Yu, sun you asked me to meet him. Can you come with me?"

When Dai Zhu heard this, she was immediately unhappy. "Don't go. He's not a good person, why are you going to see him? What if he brings that mentally unstable Kang He with him?"

"He won't. He said he'll be the only one to see me." Kang Xue said softly, "He said he has something to give me."

"Who cares what he is? Even if he gives you his assets, you're not allowed to go." Whenever Dai Zhu thought of Sun You, she could not help but feel disgusted.

#### [Chapter 1082 The In-Law Family Gave It To You](#)

I rejected him, but he said that his mother asked him to give it to me. Kang Xue said, "I thought about it. It's better to meet him. No matter how much I hate Sun You, we're married now, we can't just not see each other."

Dai Zhu sighed. alright, you have a point.

"Jiang Yu, can you come with me?" Kang Xue looked at Jiang Yu.

Jiang Yu agreed without any hesitation. "Alright," she said.

Sun You and Kang Xue's meeting time was set for the afternoon of the next day, at a coffee shop near Green Vine University.

Although Jiang Yu accompanied Kang Xue, she did not appear in front of Sun You. Instead, she chose a seat that was closer to them and sat down.

Sun You took out a small package and passed it to Kang Xue, "here, my mom asked me to give this to you."

"I'm sorry, but you should take it back," Kang Xue said, not planning to accept it.

Sun You was a little impatient, but he continued to put on a gentle and elegant front, "This is a gift from your in-laws, just keep it. If you don't accept it, I won't be able to explain it to you when I go back."

".. Alright." Kang Xue could only accept the package.

"Open it and put on the thing inside," Sun You said.

Kang Xue didn't know what was going on, but she still opened the package. There was a jade bracelet and a five-carat diamond ring inside.

"Why are you giving me this?" Kang Xue was shocked.

"You're the daughter-in-law of the sun family now, so it's only right for me to give you these things." Sun You said, "take it out and put it on."

Kang Xue looked at those things and remembered that Kang He came to the school to cause trouble a few days ago. She immediately lowered her head and whispered, "I'm sorry, I know you like Kang He, but it wasn't my intention to marry you. If you really like Kang He, then I won't stop you."

Not only was Sun You stunned, but Jiang Yu, who was nearby, was also stunned.

Sun You didn't expect that there would be a married woman in this world who would allow her husband to cheat on her, and the person she cheated on was her own sister.

For a moment, he didn't know what expression he should use to face Kang Xue.

Was she planning something in her heart, or was she really stupid?

Seeing that Sun You didn't respond, Kang Xue quickly kept her things and said, "Alright, I've already accepted the item. If there's nothing else, I'll go back first."

As she spoke, Kang Xue hurriedly stood up, wanting to leave this place as soon as possible.

Before she left, Sun You called out to her and said slowly, "Kang Xue, come back to the sun family with me after the holiday."

Kang Xue didn't dare to respond and ran off with her things.

Since the person involved had already left, there was no need for Jiang Yu to continue staying here. As such, she stood up and prepared to leave, but Sun You stopped her, "Jiang Yu."

Jiang Yu paused and turned around to look at Sun You. "How did you know I was here?"

Sun You smiled. "Kang Xue kept looking in your direction when she was talking. It's hard for me not to notice her."

Jiang Yu heaved a sigh of relief. why? did you stop me because of the 500000 Yuan order from Kang He?  
"

"Of course not." Sun You's smile widened. "I'm already married to Kang Xue, so I have nothing to do with other women's affairs."

Jiang Yu looked at Sun You in surprise. she did not expect this man to have such an awareness.

"If Jiang Ran and Kang He knew about this, I wonder how they'd cry," she said with a smile.

Sun You paused and laughed, "you shouldn't mention irrelevant people at a time like this." I stopped you only because I wanted to say hello to an old acquaintance."

"since that's the case, we've already greeted them. if there's nothing else, I'll take my leave." With that, Jiang Yu left.

It was rare for Sun You to not be angry at being ignored. Instead, he looked at Jiang Yu's back with interest and Kang Xue's figure appeared in his mind.

She really was an extraordinary woman.

When Jiang Yu returned to school, she saw Kang Xue and Dai Zhu talking and laughing.

although he still looked a little uncomfortable, he was much better than before.

Jiang Yu also smiled and walked over to pat Kang Xue on the shoulder. "You're feeling better now, right?"

"Yes. Although I still feel a little sad sometimes, I'm much better than before. Kang Xue laughed. "You really can't keep things to yourself. You'll feel better if you say it out loud."

"It's good enough that you can think like this." Jiang Yu smiled in relief.

#### Chapter 1083 Competition Manuscript

After Kang Xue's matter was settled, Jiang Yu could prepare for the competition in peace.

for the preliminary competition in the capital, Jiang Yu had already finished drawing the manuscript during her break and was ready to send it to the competition office in the capital before the deadline.

Sister Xia had wanted to go with her, but she couldn't leave the company without people, so she had to give up.

Lu Qi and Dai Zhu were also facing their elective course final exams and had no time to accompany Jiang Yu. Kang Xue's electives were different from theirs. Her final exam was in two weeks, so she had plenty of time.

In the end, it was Kang Xue who accompanied Jiang Yu to the competition venue to submit the manuscript.

Jiang Yu also planned to take Kang Xue out for a walk. Even though she said that her mood had improved, she would still be depressed if she stayed in one place all the time.

The capital wasn't far from green vine university, and it only took half an hour by car.

Jiang Yu took the manuscript and stood at the school gate with Kang Xue to hail a taxi.

Kang Xue watched as Jiang Yu brought her into the taxi and couldn't help but ask in surprise, "Jiang Yu, do you always take a taxi when you go out?"

"Yup," Jiang Yu did not feel that there was anything wrong.

"But with your status, shouldn't you have your own driver?" Kang Xue said, "let's not talk about other identities first. You are the boss of a jewelry company. Which boss nowadays takes a taxi when going out?"

Even the driver felt that what Kang Xue said made sense, "yeah, the big bosses these days all have their own chauffeurs. Who would still go out and take a taxi?"

Since the two people in front of her said so, Jiang Yu could only smile and say, "I understand. When I come back this time, I'll hire a driver.

"I'll do it," Kang Xue volunteered.

"Alright," Jiang Yu said with a smile.

After arriving at the venue, Jiang Yu handed the competition draft to the organizer and filled in a form with her personal information. She planned to leave with Kang Xue.

When she reached the door, a girl carrying a backpack rushed in from outside. She kept her head down and accidentally bumped into Jiang Yu.

"Sigh!" Kang Xue quickly caught Jiang Yu and prevented her from falling.

However, the girl was not so lucky. Not only did she fall to the ground, but the document in her arms also fell to the ground.

After the girl picked up her documents, she quickly apologized to Jiang Yu. "I'm sorry! I didn't do it on purpose! Are you alright? It's all my fault for not looking where I was going!"

"I'm fine." Jiang Yu consoled her. "Are you alright?"

"I'm fine!" The girl shook her head.

As she said that, another sharp voice came from behind the girl, "Mi Fei! Why are you so touchy!"

Mi Fei was the girl who had bumped into Jiang Yu.

The owner of the other voice was also a pretty girl. she had a pair of sunglasses on her palm-sized face. She walked over and seemed to be apologetic as she said, "I'm sorry, my sister has always been so reckless and always causes trouble outside. I'm sorry, did I hurt you just now?"

Jiang Yu shook her head. "I'm fine."

"That's good," the girl said with a smile. "I'm Milan, a participant in this competition. Are you one too?"

"Yes, my name is Jiang Yu." Jiang Yu nodded.

"So, you're the movie queen Jiang Yu!" Milan covered her mouth and said, "I knew you looked familiar through the sunglasses. I didn't expect you to be the movie queen Jiang Yu! I didn't expect you to participate in this competition. But you're the movie queen. Are you sure it's okay for you to participate in a competition instead of acting?"

Milan's words sounded like she was worried that if Jiang Yu did not act, the paparazzi would write some exaggerated rumors, but in fact, her words were full of ridicule.

"Moreover, she had not learned it professionally. Wasn't this like showing off one's skills in front of an expert?"

Jiang Yu also understood the meaning behind Milan's words, so she smiled and said, "Yup, I know. I just wanted to give it a try at the beginning, but I didn't expect that I would be able to participate in the preliminaries in the capital."

"Then you're really amazing!" Milan praised with a fake smile. "By the way, I still have to hand in my manuscript, so I'll talk to you later. I hope we have the chance to meet in the International Finals."

Milan walked up to Mi Fei and said fiercely, "let's go, quickly hand in the manuscript! You're so slow, are you trying to make me unable to hand in my manuscript?"

"No, I'm sorry." Mi Fei said timidly.

#### Chapter 1084 The Mi Sisters

Looking at their backs, Kang Xue couldn't help but sigh, "I didn't expect these two to be sisters. The way they interact with each other is a bit similar to how kang he and I interact."

"Yup," Jiang Yu felt the same way.

But even between Kang He and Kang Xue, it wasn't like between Milan and Mi Fei. Milan completely suppressed Mi Fei.

Mi Fei was Milan's sister.

"The way the two sisters get along is really strange." Jiang Yu muttered to herself.

However, this was someone else's family matter, and she had no right to interfere.

She brought Kang Xue around the area and had dinner with her before they took the bus back to school.

As soon as Kang Xue returned to school, she was busy helping Jiang Yu hire a driver. Jiang Yu, on the other hand, asked sister Xia about the company's situation and began to search for information about the Mi sisters on the internet.

It was easy to find information about the Mi family. In less than fifteen minutes, Jiang Yu had found all the information.

The Mi family was a wealthy family in Yang city, and old master Mi was a big merchant in the jewelry industry. Although he had already retired, there were still legends about him in the business world.

Milan and Mi Fei were his granddaughters, but Mi Fei was not his real granddaughter.

It turned out that after the Mi couple had been married for three years, they still did not have a child. They went to the hospital for a check-up, and it was said that Madam Mi's body wouldn't make it easy for her to get pregnant. The couple thought of adopting a child, and this child was Mi Fei.

However, two years later, madam Mi mysteriously became pregnant. Compared to their adopted daughter, Mi Fei, of course, they would want a biological child more. However, they didn't send Mi Fei away, but let her stay and be the child's playmate.

That was why Mi Fei had been her playmate since she was born in Milan, not her sister. although mr. and mrs. Mi had always said that Mi Fei was also the young lady of the Mi family, and that Milan would call her sister in front of outsiders, Milan had always looked down on Mi Fei behind her back and never called her sister. She only treated her like a servant.

This situation had been confirmed today.

"Looks like Mi Fei's quite miserable." Jiang Yu leaned back in her chair and thought silently.

A few days later, Kang Xue handed over the driver's information to Jiang Yu.

"I helped you recruit them. what do you think?"

Jiang Yu took a rough look and saw that there were no major problems. She said, "no problem."

"Okay, then I can contact him to come to work."

"Alright," he said. Kang Xue left excitedly.

Since she could find something to do instead of keeping herself cooped up, he would let her be. This was also the reason why Jiang Yu handed this matter over to Kang Xue.

The preliminary rounds in the capital were much stricter than the preliminary rounds at the provincial level. the results of the competition would be personally called to inform the contestants themselves, regardless of whether they were successful or not.

Jiang Yu received the call half a month later.

"Miss Diana? " The caller was a middle-aged woman. "Is this miss Diana?"

"Hello, I am." Jiang Yu replied.

"I'm the person in charge of the International jewelry competition's capital zone. I'm calling you now to inform you that your participating draft has successfully advanced. I'll send the process of going to the international competition to your email. I hope you can check it in time."

"Alright, thank you."

After hanging up the phone, Jiang Yu received an email in her mailbox.

After she opened it, she got up and went to pack her luggage.

Those who participated in the preliminaries of the International jewelry competition had to go to a specific area and wait there for the theme of the preliminaries. The time limit was half a month, and the contestants had to design a piece of jewelry according to the theme within half a month.

Those who exceeded the time limit would be eliminated.

Before Jiang Yu left, she handed the company over to sister Xia to manage. Even though sister Xia wanted to go with them, she had to stay in Shanghai because of the company.

However, she was worried that no one would take care of Jiang Yu if she went to the international competition alone. "That's half a month. If you go alone, who will take care of you?"

"Who said no one is taking care of me?" Jiang Yu smiled. "Mo Long has already promised to accompany me. It's just that he has some urgent work to do recently, and he'll come to me after he's done."

"Alright, then. I'll be more at ease with Mo Long taking care of you." Sister Xia heaved a sigh of relief.

"I'll leave the company to you then, sister Xia." Jiang Yu said sincerely.

"You can rest assured."

After hanging up the phone, Jiang Yu got on the plane and headed to the international competition area.

#### Chapter 1085 An Unexpected Encounter

This time, the international competition would be in Singapore, and Jiang Yu spent three days learning Singaporean by herself.

Although he wasn't completely familiar with it, it was enough for daily greetings.

As for Mo Long, after he was done with his work, he took a plane to Singapore.

the organizer of the competition had booked a hotel for all the participants, so as soon as Jiang Yu arrived in Singapore, there was a special reception staff to take her to the hotel.

The hotel wasn't very big, but it was very exquisite and gorgeous. This reminded Jiang Yu of a saying-concentration is the essence.

After Jiang Yu returned to the hotel with Mo Long, she wanted to go out for a walk. anyway, the theme of the competition hadn't been released yet, so they still had a lot of time to go out and play.

Mo Long was naturally very willing to do so. In his earlier years, he had studied in Singapore and was very familiar with the surrounding places.

Although there might be some minor changes after so many years, the overall situation was still the same as before.

He first took Jiang Yu to the mermaid park. He originally planned to take her to see the two mermaid statues, but he did not expect to meet Jiang Yu's acquaintance there.

In fact, even though they were acquaintances, Jiang Yu herself did not feel that they were too familiar. They had only met once that day and had not had any in-depth communication with each other. Moreover, they did not have a good impression of each other.

the so-called “acquaintances” were Milan and Mi Fei.

when Milan saw Jiang Yu, she immediately smiled and waved to greet her. ” “Jiang Yu!”

Jiang Yu looked over and saw Milan and Mi Fei standing at the fence beside the bridge.

Since she had already greeted her, Jiang Yu could not pretend that she did not see anything. Hence, she could only walk over and smile. “hello, I didn’t expect you to be in this competition area.”

“Yeah, what a coincidence.” Milan smiled as she looked at the tall and handsome man beside Jiang Yu. her eyes could not help but stare.

before she could ask, black dragon spoke first, “Hello, I’m Jiang Yu’s fiancé.”

This sentence was like a basin of cold water, instantly dousing Milan’s enthusiasm.

However, she was only discouraged for a moment. she immediately smiled and said, “Hello, I’m Jiang Yu’s friend. My name is Milan. This is my sister, Mi Fei.”

He was just a fiancé, not a married husband!

Mi Fei kept her head down. Even when Milan introduced her to others, she did not dare to look up.

Milan was angry, “I’m introducing you to someone. Don’t you know how to raise your head and say hello? Do you even have any manners? have you eaten all the etiquette you’ve learned over the years?”

Mi Fei was shocked. She slowly raised her head and whispered, “Hello, I’m Mi Fei.”

After she finished speaking, she quickly lowered her head.

However, the moment she looked up, Jiang Yu saw the bruises on the corners of Mi Fei’s eyes and mouth.

“Mi Fei, is your face hurt?” Jiang Yu asked, “look up. I’ll take a closer look.”

Mi Fei was too timid to raise her head. Milan stood in front of her and smiled. She fell while taking a shower last night. It’s not a big deal, so don’t worry. This sister of mine has always been reckless, whether it’s other people’s matters or her own matters. She’s always been like this, always getting hurt.”

“Is that so?” Jiang Yu looked into Milan’s eyes. “Then you must be careful in the future.”

“I’ll keep an eye on her,” Milan smiled and looked at Mo Long. “You said you’re Jiang Yu’s fiancé. What’s your name? Who doesn’t introduce themselves?”

Mo Long frowned, not wanting to tell her his name.

“He is Mo Long, the president of the Mo Corporation in Shanghai,” Jiang Yu said.

“So you’re the young and promising Mo Long, the great president Mo that my grandfather has been talking about. Milan looked at him with even more admiration and did not hide his desire. My grandfather has always said that the Mo Corporation in Shanghai is an existence that can overshadow the entire city. I always thought that the president of this company would be a middle-aged man, but I didn’t expect him to be so young and handsome.”

“Thank you for your compliment.” Jiang Yu smiled and said, “he doesn’t like to talk to strangers. If you have something to say, just tell me.

“It’s nothing.” Milan’s mouth twitched. She had forgotten that there was still a tough character, Jiang Yu, here.

“Then we’ll go for a walk. If we’re fated, we’ll meet again.” Jiang Yu smiled and left with Mo Long.

Milan looked at the back of Mo Long and Jiang Yu as they left, and anger welled up in her heart.

With nowhere to vent her anger, Milan could only vent it on Mi Fei.

#### Chapter 1086 Just Next Door

Milan raised her hand and slapped Mi Fei. she said angrily, “It’s all because of you! why didn’t you say anything when I was introducing you to the others?”

Mi Fei was used to Milan’s bullying, so even when she was beaten, she did not dare to resist. She could only endure Milan’s abuse.

Milan’s words were getting more and more unpleasant, completely unlike what a rich young lady should be like.

After she was satisfied with her scolding, she pushed Mi Fei and said, “It’s boring. Let’s go back.”

“Yes.” Mi Fei lowered her head, looking exactly like a servant.

Milan and Mi Fei returned to the hotel together and happened to bump into Mo Long returning with Jiang Yu.

Milan’s eyes lit up the moment she saw black Dragon. She tossed Mi Fei aside and walked over.” Mo Long! What a coincidence, are you guys on this floor too?”

Mo Long ignored her and used his room card to open the door, entering with Jiang Yu.

It was Jiang Yu’s first time in Singapore and she was not used to it. It had only been an hour and her body was already feeling uncomfortable.

Upon seeing this, Mo Long did not continue to bring her along. Instead, he brought her back to the hotel and even bought her medicine.

Milan felt both sweet and angry at being ignored by Mo Long. However, even if she was angry, she would not throw a tantrum at Mo Long. In the end, Mi Fei would be the one to get hurt.

Just as Mo Long was about to close the door, Milan quickly put one of her feet in and was ruthlessly clamped by the door.

"Ah!" It hurts! she cried out.

Mo Long's movements paused as he coldly looked at Milan. "Don't look for trouble on purpose."

"Who's deliberately looking for trouble?" Milan rubbed her ankle in pain. "I just wanted to help you take care of Jiang Yu because she looked unwell! It's fine if you don't appreciate it, but why are you talking about me like this!"

Mo Long turned his head and ignored Milan.

He placed Jiang Yu on the bed and covered her with the blanket.

Jiang Yu's face was pale, and her lips were a little blue. She had experienced some acclimatization before, but she was fine after taking the medicine and resting for a day or two.

Now that she had obediently taken her medicine, she fell into a deep sleep.

Mo Long was reading a book by the bed when Milan limped in. "Is Jiang Yu alright?"

"She'll be fine as long as you don't disturb her," Mo Long replied while reading his book.

"What do you mean by this? I'm just worried about Jiang Yu." Milan's face was round as if she was really angry. "Besides, my leg was injured because of you. Don't you even have an apology?"

At this point, Mo Long finally gave Milan a meaningful look. "Are you saying you put your foot in there on purpose?"

"That's because you don't listen to me at all!" Milan put her hands on her hips and said, "If I didn't put my feet out to block the door, you would have shut me out!"

"Then you're here now. But what's the point of you entering?" Mo Long asked in return.

"To help you take care of Jiang Yu, of course!" Milan made a solemn vow. Although her limping was comical, she was still moving very fast.

She walked over and sat down next to Mo Long.

"I'm a girl too, of course I know how to take care of a girl." Milan smiled and deliberately moved closer to black dragon.

She had a very fragrant smell on her body, but it was abnormally pungent to Mo Long.

He put down the book, grabbed Milan by the collar, and threw her out of the room.

"What are you doing!" Milan shouted in horror.

"Don't ever appear in front of me again. "Shut up!" Mo Long said coldly before closing the door.

Milan stood at the door, and in front of her was the cold door.

"I'm so angry!" Milan was very angry and limped back to her room.

Her room was right next to Jiang Yu's.

She opened the door and saw Mi Fei standing behind her. hence, she was furious again and scolded, "Are you trash? Can't you see that my foot is injured? Hurry up and get me a doctor!"

"Yes, yes." Mi Fei quickly ran to the front desk and asked the staff to help contact the doctor.

A grand hotel like this would always have a few specialized doctors assigned to it. As long as they made a phone call, they would be there at any time.

The staff at the front desk contacted a doctor named Yaqi, who was a handsome blond man.

Although he was young, his medical skills were excellent.

He followed Mi Fei to Milan's room and saw her sitting on the bed in a loose nightgown, rubbing her ankle.

"Milan, the doctor is here." Mi Fei said submissively.

#### [Chapter 1087 Lecherous Desire](#)

Milan's appearance was very pure, and now she was wearing a loose nightgown, which made her look even more pure and attractive.

Yaqi was a doctor, but he was also a man. Seeing the scene in front of him, his blood immediately began to boil.

Milan did not notice Yaqi's gaze, because in her eyes, no matter how handsome Yaqi was, he could not be as handsome as Mo Long.

"Help me take a look if you're here." Milan urged impatiently, "My ankle is injured. Do you want me to get out of bed and invite him over? "

Mi Fei quickly brought Yaqi to Milan's bed.

Yaqi took out some medicinal wine from the first aid box, poured a little on his hand, and rubbed it with his palm. Then he rubbed it on Milan's ankle.

"Ah!" The tingling pain from her ankle made Milan cry out in pain again, but it sounded like a groan inviting him over.

His hand kept moving up, from her ankle to her knee.

Milan knew what the man in front of her wanted to do. She grabbed the man's hand and asked coldly, "Doctor, what are you doing?"

Yaqi smiled. "My beautiful lady, I'm sorry. I'm also immersed in your beauty and can't extricate myself, so I can't control my feelings for a while."

Milan stared at Yaqi and suddenly grinned. "Doctor, are you single?"

"Yes," Yaqi answered.

Milan smiled and said, "I have a friend who is very beautiful and is also single. Doctor, are you interested in getting to know him?"

Yaqi paused, and the smile on his face widened. "Of course."

"She's just next door to me, and her name is Jiang Yu. She was not feeling well and her brother was taking care of her. When you go, just say that 'Ms. Mi Fei next door recommended you.'" Milan said.

"Sure, no problem." Yaqi laughed.

Their entire conversation was in English, and Mi Fei did not understand a word. However, she vaguely heard her own name, and she didn't know if it was an illusion.

After Yaqi finished applying the medicine for Milan, he knocked on the door next door with the first aid kit.

"Hello," Mo Long unwillingly opened the door. "Who is it?"

Yaqi smiled innocently. "Hello, I'm the Doctor recommended by miss Mi Fei next door. I heard that miss Jiang Yu is not feeling well, so I came over to take a look."

"No, she's already resting." The more Mo Long looked at this Yaqi, the more suspicious he felt. thus, he blocked the door and did not allow Yaqi to enter.

And it was a doctor recommended by Mi Fei? Was it the Mi Fei next door who had her head lowered and was silent?

"Sir, I'm a doctor. As a doctor, I know better than you what the patient is like." Yaqi stood at the door.

"Besides, I'm already here. If you don't let me in, wouldn't you be letting Miss Mi Fei down?"

Everything he said made sense, and even Mo Long had no reason to not let him in.

Furthermore, Mo Long was indeed a little worried about Jiang Yu. Thus, Mo Long let Yaqi in.

Yaqi walked in. When he saw Jiang Yu for the first time, he felt as if his heart was hit hard by something.

Even though her face was pale and she looked weak as she lay in bed, Yaqi could see her original beauty through her sick face.

He had seen countless beautiful women, both easterners and westerners. However, it was the first time he had seen such a beautiful woman like Jiang Yu.

His heart was itching, but he didn't dare to act rashly because there were others present. Thus, he could only obediently complete the entire set of inspections and said to Mo Long, "Miss Jiang Yu's health is fine. It should be a physical discomfort caused by her first time coming to this place. She'll be fine after a few more days of rest."

"Yes." Mo Long's response was extremely cold.

Yaqi didn't care. His heart was full of Jiang Yu, not the tall man in front of him.

Yaqi knocked on Milan's door again after he left the room.

Mi Fei opened the door and let him in.

"Oh my God! miss Mi Fei, miss Jiang Yu next door is so beautiful!" Yaqi couldn't help but praise.

"I told you, my friend is very pretty." Milan covered her mouth and laughed. "Don't worry. I'll introduce you to her when she wakes up. Just wait for my good news."

"But miss Mi Fei, why are you helping me?" Yaqi was confused.

"Because I like her brother, but she never agreed." Milan pretended to be very aggrieved.

#### [Chapter 1088 The Deal](#)

"So you want to introduce me to your friend. That way, she won't have time to interfere in the matter between you and her brother?" Yaqi raised his eyebrows.

"Yeah," Milan smiled. "That way, you can have a girlfriend, and she's so pretty. Why can't you?"

"I'm grateful." Yaqi smiled, took Milan's hand and gave her a kiss.

He went back with his first aid kit, and Milan asked Mi Fei to get Yaqi's contact information from the front desk staff.

When Mi Fei handed the contact information to Milan, she hesitated and said, "Milan, this doctor doesn't look like a good person. You shouldn't get too close to him."

Milan glared at her and said, "what does it have to do with you? Do you think you're a member of the Mi family just because your last name is Mi? I'm warning you, you're just a servant. I'm giving you face by calling you sister in front of others. You should be grateful, do you know that?"

Mi Fei stopped talking and nodded after a long time. "I know. I'm sorry, I overstepped my boundaries."

"That's more like it. You have to always remember your identity. If it wasn't for our family taking you in, how could you have such a good life today?" Milan put away Yaqi's contact information and then went to sleep in the quilt.

Mi Fei quietly spread her coat on the ground, and then lay down with the little blanket she had brought.

This kind of life was boring, but to Mi Fei, the Mi couple were the ones who gave her a Second Life. so when the couple asked her if she wanted to stay and be Milan's playmate, Mi Fei happily agreed.

however, she did not expect things to gradually turn out like Milan looked down on her and thought that she was just a servant. Mr. And Mrs. Mi doted on Milan very much, so they turned a blind eye to Milan's actions.

Even so, this was still her home, and she didn't want to leave it. Therefore, she could only swallow the suffering she had suffered.

Jiang Yu had only rested for one night and her body was almost fully recovered. She was back to her previous energetic self.

At the same time, the theme of the International jewelry competition's preliminaries had also been revealed-the ocean.

This theme actually had another hidden meaning, which was environmental protection.

The ocean's pollution was very serious now, and it was no longer what it used to be. Therefore, the organizers set up this theme not only to let everyone design the ocean in their own hearts, but also to make everyone pay more attention to Environmental Protection.

The theme this time has two meanings. It's really difficult to design. Jiang Yu lay in front of the desk and was very vexed.

"You've only rested for a night and your body hasn't recovered yet. Why are you up to design jewelry?" Mo Long made Jiang Yu a bowl of milk oatmeal congee and urged her to get into bed and rest.

I've already rested well. I'm just not acclimatized to the weather. Jiang Yu smiled. you don't have to be so worried about me.

that won't do either. You have to rest well before you can start designing. Black Dragon's attitude was firm.

Jiang Yu didn't argue with Black Dragon. She didn't have any inspiration right now anyway. Even if she sat in front of the desk all day, she might not have any thoughts. He might as well rest and empty his mind. That way, he might get some inspiration.

Hence, she stretched her back and said, "alright," he said.

Jiang Yu had just laid down when she heard someone knocking on the door.

Jiang Yu was still wondering who would come to find her when she heard the person outside the door say, "Jiang Yu, it's me, Milan."

"What is she doing here?" Jiang Yu asked in surprise.

"She came to see you yesterday." Mo Long said unhurriedly, "But I chased her out.

Jiang Yu was speechless. after a long time, she said, "let her in."

black dragon was silent, but he still opened the door for Milan.

Milan's ankle had not recovered yet, so he was still limping. When Jiang Yu saw this, she could not help but ask in surprise, "What happened to your leg?"

Milan looked at Mo Long with a bitter expression and told him what happened yesterday.

Jiang Yu fell silent for a moment and did not know what to say.

However, that was not the purpose of her visit to Milan today.

"Jiang Yu, I have a private matter to tell you." As she said this, Milan glanced at Mo Long. "Can you let your fiancé go out? I only want to talk to you about this."

#### [Chapter 1089 Fake Love](#)

Before Jiang Yu could speak, Mo Long said, "Yu'er isn't familiar with you. If you have anything to say, go and tell your sister Mi Fei."

"No!" Milan rejected him without thinking. "I can only tell Jiang Yu about this!"

"Please, Jiang Yu," she said coquettishly to Jiang Yu, "I can only tell you about this. "

Although Jiang Yu didn't understand what could make Milan only tell her, who had met her twice, so she still decided to listen and see what Milan was up to.

Hence, she said to Mo Long, "why don't you help me buy some fruits? I feel like eating some. "

Mo Long looked at Milan and said softly, "Okay, call me if there's anything. I'll be nearby.

With that, Mo Long went out. however, he didn't go far. instead, he waited quietly at the door.

When Milan saw that Mo Long had gone out, she said to Jiang Yu, " "Jiang Yu, actually, a doctor came to treat me yesterday. I fell in love with that doctor at first sight, but I'm too embarrassed to ask for it. Can you help me?"

"How can I help you?" Jiang Yu was stunned.

Milan quickly said, "He will come for a check-up in a few days. I will ask him to come and check your physical condition. Can you help me find out if he has a girlfriend? If you don't, can you please say something good about me in front of him?"

"Even if it wasn't me, your sister Mi Fei would have done it, right?" Jiang Yu was confused.

At the mention of Mi Fei, Milan's expression became disdainful again. "She doesn't dare to speak when she sees strangers. if I count on her for this, I'll probably be able to attend that doctor's wedding in a few years."

"Even so, this isn't something hard to say. There's no need to hide it from my fiancé. "

"I'm a girl and I'm not familiar with him. How can I ask him about this?" Milan immediately put on an aggrieved look and said, "Sorry to trouble you, Jiang Yu."

Jiang Yu did not want to agree to her request, so she thought of an excuse. "I'm sorry, but I need the draft for the design of the competition these few days..."

Before she could finish, Milan interrupted her, "Jiang Yu, I really don't know who else I can ask for help from other than you. I'm too shy to ask directly. Can you please help me ask?"

Milan squeezed out two drops of tears as if she really loved the doctor.

"Alright, I understand," Jiang Yu sighed.

Anyway, it was just a matter of saying a few words, and it wouldn't take much time.

Seeing that Jiang Yu had agreed to her request, Milan left happily.

After Milan left, Mo Long returned to his room. "What did she just say?"

Jiang Yu repeated Milan's words.

"She likes that doctor? " Mo Long paused as he recalled the blond man from yesterday.

"I don't know if it's true or not, but she looked a little pitiful, so I agreed to it. anyway, it's just a few words, it won't take long."

"I can't tell that she likes that doctor." Mo Long said, "She doesn't look like a simple person. "

"Maybe. it's their fault for having such complicated family relationships." Jiang Yu sighed. "And as long as Mi Fei is mentioned, Milan's expression will be very ugly. Yesterday, when I was introducing Mi Fei, I also saw that Milan's attitude towards Mi Fei is completely different from how a sister treats her sister. It's more like how a rich young lady treats her own servant."

The Mi family is quite powerful in Yang city. It's not strange that they can raise Milan.

Mo Long had some understanding of the Mi family, but not much, because he had never worked with them before. Although a few years ago, house Mi had the intention to work with Mo Long in the jewelry industry, Mo Long wasn't interested in jewelry at the time, so he rejected them tactfully.

He didn't expect to meet someone from house mi again at an international jewelry competition after so many years. He didn't know if he should say that it was an ill-fated relationship.

"I don't know how Mi Fei can continue to endure it. even though Milan treated her like this, she still stayed by Milan's side." Jiang Yu felt very strange.

Could it be that Milan had something on Mi Fei?

In a few days, it would be the "re-examination " day that Milan had mentioned. Yaqi took the first aid box and walked into Milan's room.

#### Chapter 1090 Conspire

Milan handed a bottle of drink to Yaqi and said, "This is my friend's favorite drink. If you give this to her, she'll be very touched."

Yaqi took the bottle of drink and saw that the cap had already been twisted off.

He smiled and threw the drink back. "Miss Mi Fei, your methods are too clumsy. Anyone with eyes can tell that this drink has been opened. Is your friend an idiot?"

"You!" Milan's breath was stuck in her throat, and she swallowed it down after a long time. "Then what do you want to do?"

!!

"I'm a doctor. What kind of medicine do I not have?" Yaqi smiled proudly. "But your friend seems to be a very serious person, so I don't want to use such a tough and dirty method. I want her to belong to me willingly."

"You're thinking too much," Milan sneered. "My friend isn't a decent person. Don't be fooled by her innocent appearance, she was actually full of evil intentions. Dr. Yaqi, you don't have to think about anything else, just focus on her."

"Oh?" Yaqi raised his eyebrows. "Is it okay to drug her?"

"Of course." Milan raised her eyebrows and laughed. "How do you know that she doesn't like this?"

Yaqi paused, and the smile on his face became more meaningful.

He took his first aid kit and knocked on Jiang Yu's door.

The person who opened the door was still Mo Long.

"You again?" Mo Long frowned. "Yu 'er's body has already recovered."

"Sir, I'm a doctor. Isn't it up to the doctor to decide whether the patient's body had fully recovered? You're not a doctor, how do you know if miss Jiang Yu's body has recovered?"

Mo Long was about to say something, but Jiang Yu had already gotten off the bed and walked over. "Hello, doctor, please come in."

Yaqi walked in very easily. First, he did a set of checks on Jiang Yu, then he took out a syringe.

Miss Jiang Yu's body is indeed fine now, but if you want to recover faster, you still need to inject vitamin C. This can improve and optimize the energy metabolism of the cardiac cells.

As he spoke, Yaqi rummaged through his first aid kit, but he couldn't find the vitamin C solution.

"I'm really sorry." Yaqi smiled in embarrassment and said to Mo Long, "Sir, I'll have to trouble you to go to the nearest pharmacy and buy a bottle of vitamin C solution,"

"You're a doctor. Don't you have vitamin C solution in your first aid kit?" Mo Long frowned.

"I'm so sorry, " Yaqi shrugged. "I forgot that I've used up all the medicine in my first aid kit. I'll have to trouble you to buy it. Although it's not a necessity, it's still medicine that's good for the body. I'm a doctor, I won't lie to you."

Mo Long looked at Yaqi for a while before turning around to leave.

However, he didn't go to buy the medicine. Instead, he stood at the door.

Yaqi thought that Mo Long had gone out to buy medicine, so he quickly walked to the door and locked it.

"Doctor? Why did you lock the door?" Jiang Yu sensed that something was wrong with Yaqi, so she quickly took the scissors on the bedside table and hid them behind her.

"Of course it's because I'm afraid that someone will come and disturb us."

Yaqi smiled and pretended to rummage through the first aid kit. Finally, he took out a small bottle and said, "Aiya, there's still one more bottle!"

He sucked the liquid into the syringe and grabbed Jiang Yu's arm to inject her.

"Doctor!" Jiang Yu dodged and asked warily, "What is this? "

"Of course it's a vitamin C solution. What did you think it was?" Yaqi laughed.

"Didn't you say there's no more?"

"Didn't you find it again? Alright, quickly inject this." As he spoke, Yaqi tried to grab Jiang Yu's hand again.

Jiang Yu took a step back, picked up her phone and said, "Since you've found him, let my fiancé come back.

"Fiancé?" Yaqi paused. "That man is your fiancé?"

"That's right," As Jiang Yu spoke, she was about to give Mo Long a call.

However, Yaqi snatched the phone from Jiang Yu's hand.

"So what if he's your fiancé? Since things have already developed to this point, I will not stop." Yaqi laughed lecherously and grabbed Jiang Yu's arm, trying to push the liquid in the syringe into her.

"Let me go!" Jiang Yu shouted, took the scissors behind her, and stabbed it into Yaqi's arm.

"Ah!" Yaqi screamed and fell to the ground.

Jiang Yu took the opportunity to run towards the door, but Yaqi, who was on the ground, grabbed her ankle and accidentally fell to the ground.

When Mo Long heard the screams, he took out his room card and was about to open the door, but he realized that the door was locked from the inside and couldn't be opened.
