Chapter 1131 Ominous Birthday Party

Jiang Yu was stunned. She never thought that someone would use the word 'gentle' to describe herself.

After a long time, she said, "really? If you're gentler, your life will become better."

"MHM!" This time, Mi Fei finally showed a comfortable smile. "Thank you, director Jiang, for enlightening me. I will work harder in the future and will definitely not let you down!"

"That's good." Jiang Yu smiled. "I'll go back first. I still have things to do at the company. You can stay in the hospital to recuperate and then go back to work."

"Okay. Thank you, director Jiang."

Jiang Yu returned to the company. She had just sat on the chair for a while when she received an invitation in her email.

It was Sun Miao's birthday.

"Why are there so many birthday parties these few days?" Jiang Yu mumbled helplessly. After reading the invitation carefully, she realized that she had been invited as Kang Xue's maiden family.

I'm so tired. It was Mi Fei's birthday party a few days ago, and it's Sun Miao's birthday party this time. Why are they so close to each other?" Jiang Yu sighed.

Even though she didn't want to go, as Kang Xue's family, Jiang Yu had to be there.

She thought for a while and gave Kang Xue a call, "Kang Xue, I heard that Sun Miao's birthday party is next week. I've already received the invitation."

"Jiang Yu, I was the one who sent you that invitation." Kang Xue said, "it's because Sun Miao doesn't really like me. I'm afraid that she'll make things difficult for me on my birthday party. I'm a little scared, so I wanted to give you an invitation and ask you to go with me. But if you don't like it, you don't have to go. I don't have the intention of forcing you."

"It's okay. I've been on edge these few days. I can take this opportunity to relax at the real birthday party."

"Alright!" Kang Xue was overjoyed. "You can also ask President Mo to come with you!"

"I know." Jiang Yu laughed.

However, even though Jiang Yu wanted to go with Mo Long, he was going on a business trip that day, so he couldn't attend the birthday party.

Kang Xue was a little disappointed when she heard the news, but it was fine as long as Jiang Yu was willing to go.

On the day of Sun Miao's birthday party, Jiang Yu did not dress up too exquisitely. After tidying up a little and changing into a simple and elegant dress, she took a car to the Sun family's house.

However, even though she had dressed very low-key, the moment she got out of the car, everyone's eyes couldn't help but fall on her.

"So, that's president Mo's fiancée. She's so pretty and has a great figure."

"I heard that he's the current boss of the jiang jewelry. he's so young, but he's already carrying such a heavy burden. His future is really limitless. "

"Plus, she's received quite a few awards in the entertainment industry. She's indeed a good match for President Mo."

The topic of everyone's discussion was Jiang Yu, and they had completely forgotten that Sun Miao was the main character of the day.

Seeing that everyone was ignoring her, the main character, Sun Miao, was furious. "Today is my birthday party! You should be looking at me!"

Everyone turned to look at Sun Miao again and began to respond to her nonchalantly.

Jiang Yu ignored Sun Miao and went to look for Kang Xue, who was standing in the corner.

Why are you standing here? Even though Sun Miao is the star of the show today, you're still her sister-in-law."

"I know that ... But she doesn't like me, and she doesn't want me to marry Sun You." Kang Xue said softly, "she's been staring at me secretly a few times."

Jiang Yu was speechless.

Back then, when Sun Miao held her birthday party, she even treated Kang Xue as a guest of honor. Who would have thought that at this birthday party, Kang Xue would become the one who was afraid of Sun Miao?

The two of them stood there for a while before Sun Miao walked over, swaying her hips. "Isn't this my good sister-in-law? Why are you standing here all alone? My brother is toasting to you, why don't you go and accompany him?"

"He's the one who told me that I don't have to go if I don't like it," Kang Xue explained.

"My brother said you don't need to go, so you really don't need to go? How can you be a rich man's wife with such poor judgment?" Sun Miao was very disdainful.

She then looked at Jiang Yu and continued, "I forgot that there's a proper rich lady here. There's nothing she doesn't know. She can teach you, right "

"Sun Miao, don't go too far." Jiang Yu frowned. "No matter what, she's still your brother's legal wife. Aren't you disrespecting her by saying that?"

"I respect her? Jiang Yu, are you joking?" Sun Miao laughed in exasperation. "Back then, she was so arrogant and domineering, but I didn't see her show much respect. Why can't I just bully her once? And she's been bullying you, and you're just going to forgive her?"

Chapter 1132 I Will Not Acknowledge You

"This is between us, you don't need to care." Jiang Yu said coldly, planning to bring Kang Xue to the sofa to rest.

Sun Miao stopped them and took out a box from the sofa. She handed it to Kang Xue. "My brother asked me to buy you a present. Open it and take a look."

Kang Xue took the box, but she didn't open it. Sun Miao waited for a while, but Kang Xue was not opening the box. She became anxious. "I told you to open the box and take a look. Do you think I would harm you? There won't be any knives shooting out from inside!"

Kang Xue hesitated for a while before slowly opening the box.

However, as soon as she opened the box, she was shocked by the black insects that were slowly crawling inside.

"Ah!" Kang Xue screamed and threw the box away.

In an instant, everyone in the venue ... Their eyes were focused on Jiang Yu again.

"Hahahaha!" Sun Miao pointed at Kang Xue and laughed out loud. "That's a fake. It's just a moving model. Look at how scared you are, hahaha! It's so embarrassing, shouting like that when you see something you're afraid of. How can you be the daughter-in-law of our Sun family!"

Sun You, who was toasting, heard the laughter and quickly walked over, asking, "What happened?"

"It's fine, it's fine. you should go and make a toast." Kang Xue shook her head.

"I told you I'm fine," Sun Miao said smugly. "Brother, go and make a toast. Don't mind the things here."

Sun You didn't plan on leaving, as if he had to get to the bottom of this.

"Your good sister used an insect model to scare your wife," Jiang Yu said.

Only then did Sun You look at the box that had been thrown out. The insect model that had been thrown out was still moving, and it looked like it was real.

"I told you to buy a present and this is what you bought?" Sun You furrowed his brows. "Are you trying to make me angry?"

"What are you saying! How would I know that she's so timid!" Sun Miao pursed her lips unhappily.

"We're clearly classmates. If I'm not afraid of something, what's she afraid of? Isn't it just being pretentious?"

"Shut up!" Sun You was clearly angry, "In this situation, she's your sister-in-law, not your classmate!"

"What's this...?" Sun Miao stared at Sun You in shock before shouting, "I've never acknowledged her as my sister-in-law! She's already learned how to seduce people at such a young age! Brother, you must have been bewitched by her. Otherwise, why didn't you marry sister Kang He, but Kang Xue instead?"

The people at the scene seemed to have smelled the air of gossip. They held their breaths and watched the scene quietly.

"Sun Miao, I've already explained the reason for this!" Sun You rebuked. "Don't act like an immature child anymore!"

"What kind of explanation is that? Compared to Kang He and Kang Xue, you don't like Kang He, but you like Kang Xue? And wasn't your previous girlfriend sister Kang He? How could you fall in love with someone else in such a short time?" Sun Miao shouted, blurting out this matter that no one else knew about.

Therefore, some guests asked in surprise, "Wasn't young master Sun You's previous girlfriend miss Kang Xue? It's another woman?"

"That woman is Ms. Kang Xue's sister? What's going on?"

Only then did Sun Miao realize that she had said the wrong thing, and she hurriedly explained, "No, I was just joking. Don't take it seriously."

But how could such words be said casually?

No one believed it, and someone even said, "So the Sun and Kang families are purely business marriages? There are no feelings between them?"

"Although business marriages are common, it's torture for both of them to be emotionless like this. Besides, this kind of marriage won't last long. Maybe they'll get divorced soon."

Sun You quickly explained, "don't misunderstand, everyone. My previous girlfriend was Kang Xue. It's not anyone else."

"Yes, yes, yes!" Mr. Kang also explained, Miaomiao must have made a mistake. Sun You's girlfriend was Xue from the start. How could it be Kang He? If that's the case, why don't I let Xiao He marry Sun You?"

Everyone still didn't believe it, and their eyes turned to Kang Xue.

Kang Xue was about to be burned by their burning gazes. She could only say, "Yes, I've always been Sun You's girlfriend, not my sister. Sun Miao made a mistake,"

Seeing the gossip that was about to fly away, everyone lost interest, so they continued to drink and treated what had just happened as a small interlude.

[Chapter 1133 Don't Enter The Sun Family](#)

Sun You and Mr. Kang finally let out a breath of relief when everyone was no longer paying attention to them.

Sun Miao also knew that she had gotten into trouble, so she apologized to Sun You as well, "Brother, I was wrong. I won't do this again."

Sun You looked at Sun Miao helplessly. "Miao Miao, you're an adult now. you can't be so reckless anymore." Since I'm already married to Kang Xue, she's your sister-in-law. You have to respect her, understand?"

"Sister-in-law, sister-in-law, sister-in-law!" Sun Miao glanced at Kang Xue and said in disdain, "Brother, no matter what you say, I will never acknowledge Kang Xue as my sister-in-law. Your marriage is just a business marriage. I'm sure you don't like her, whether now or in the future."

With that, Sun Miao turned around and headed upstairs.

The Sun family usually doted on Sun Miao, which was why she had such a personality.

"I'm so sorry, it's my fault for spoiling her too much. Don't take it to heart, Kang Xue," Sun You said.

"I didn't take it to heart." Kang Xue was embarrassed. "You go and propose a toast. I'll be fine with Jiang Yu accompanying me."

But how could she feel alright? No one would feel indifferent about being treated like a clown by so many people.

Sun You and Mr. Kang were busy making toasts and walking among all sorts of people, so no one noticed them.

"Don't be too sad. Sun Miao has always been like this." Jiang Yu consoled.

Kang Xue smiled and said, "I'm glad that Sun Miao hates me. That way, I'll have an excuse not to go back to the Sun family. I will only attend serious events like this. I don't have to come at other times."

"You've worked hard." Jiang Yu patted Kang Xue's shoulder.

"It's fine. There are only a few such occasions throughout the year. Also, the Sun family's parents are traveling abroad, and their flight is delayed due to the weather. They won't be able to come back today, so I can leave in a while. Don't worry about me," said Kang Xue with a smile.

"Alright," she said. Jiang Yu smiled.

The birthday party ended quickly because Sun You wanted to have some time to eat with his family.

When he mentioned "family," everyone looked at Kang Xue.

As for Kang Xue, she was chatting happily with Jiang Yu and did not notice the entrance.

After all the guests had left, Kang Xue and Jiang Yu also planned to go back. Sun You wanted to invite Kang Xue to stay for dinner, but he was rejected.

"Forget it, Sun Miao doesn't like me," Kang Xue explained. "If she sees me at the dining table, she'll probably lose her appetite."

As they were talking, Sun Miao came down from upstairs. She changed into her home clothes and went downstairs lazily.

"It's good that you know. Then why don't you hurry up and leave?"

Kang Xue couldn't be bothered to change her clothes in the room. She pulled Jiang Yu's hand and was about to leave.

Seeing this, Sun You didn't try to keep her, but turned to Sun Miao and said, "Miaomiao, didn't I already tell you? Kang Xue is your sister-in-law!"

"Got it. be careful next time." Sun Miao impatiently cut Sun You off, then took out a piece of paper and said excitedly, "Brother, look! I signed up for a girl group talent show!"

Jiang Yu did not hear the rest of the sentence clearly because she was already dragged out by Kang Xue.

The driver had been waiting at the door. After Jiang Yu and Kang Xue got in the car, the car slowly moved outside.

"Today's life was really scary but not dangerous. I was like a clown being watched by so many people. It was really a little scary for me." Kang Xue smiled, then took out a piece of paper from her bag and handed it to Jiang Yu.

Jiang Yu took the paper and saw that it was a flyer with the words 'artiste recruitment' written on it.

"You're going into the entertainment industry?" Jiang Yu was a little surprised.

"No, it's a girl group." Kang Xue laughed. "To be honest, I'm envious of you when I see you make a name for yourself on the big screen. I know I don't have your ability and I'm not good at acting, but I can do it in a girl group. And when I was young, I also dreamed of being able to show myself to the audience in front of the screen."

When Jiang Yu heard this, she recalled the talent show that Sun Miao had mentioned before she left. She asked, "Sun Miao didn't sign up too, did she?"

"Ah, I saw her name on the registration form." Kang Xue scratched her nose. "I heard that the director is planning to invite you to be a judge. I was hoping to see you at the competition."

"I haven't received any calls yet," Jiang Yu said, "but if there's really such an opportunity, I'll definitely go."

"Focus on your work. Don't mind me." said Kang Xue.

Chapter 1134 Girl Band Competition

Jiang Yu first sent Kang Xue back to school before she took the bus back to the company.

After changing her clothes in the lounge, Jiang Yu returned to the office to continue her work.

Sister Xia brought in the coffee she had made for her and asked, "How's the birthday party today?"

"Sun Miao and Kang Xue are at daggers drawn. Sun Miao doesn't like Kang Xue, but she seems to like Kang He. I think it's because Kang He and Sun Miao got along better before." Jiang Yu guessed.

"Sun Miao's personality is also very strange. It's hard to tell what she's thinking." Sister Xia said.

Jiang Yu took a sip of her coffee and suddenly remembered the girl group talent show. She asked, "By the way, Sister Xia, has there been a talent show from a girl group looking for me recently?"

Sister Xia paused and said, "there's one. I rejected it, but the director said to give me more time to think about it. I haven't replied yet. What's the matter?"

"Help me accept this girl group talent show." Jiang Yu said.

"Ah? but there are a lot of things to deal with at the company, and you still have an international jewelry competition to attend. can your body take it?" Sister Xia couldn't help but worry.

"It's okay." Jiang Yu said, "Sun Miao and Kang Xue will be going to this girl group talent show. I'm worried that something might happen, so I have to see it with my own eyes to be at ease."

"This..." Sister Xia was still worried that Jiang Yu's health would be affected if she worked so hard. However, seeing how determined she was, she could only agree.

hence, Sister Xia called the director and told him that Jiang Yu had agreed to the filming. However, there was an additional condition, and that was that Jiang Yu could not accompany them for the filming.

In some girl group talent shows, the judges or guests would come along for the filming, which meant that the director team would be in charge of eating and living. Although it was more convenient, they usually didn't rest until very late for filming.

When Jiang Yu was filming before, although there were situations where she only rested for a few hours for a few days and nights, she had never worked in such a continuous manner. Even if they were really tired, they couldn't find a place to rest even if they wanted to.

The director agreed without hesitation. "Alright! No problem!"

The shooting would take place on every Saturday and Sunday, and they would officially start shooting next week. The contestants and judges needed to be there in advance to familiarize themselves with the process.

Jiang Yu took advantage of these few days to settle the company's matters and let Mi Fei and the finance department manage it on her behalf.

At first, Mi Fei was worried that she would not be able to do a good job, but she could not stand Jiang Yu's request and agreed.

As for Sister Xia, she was still the manager and she participated in the event with Jiang Yu.

The scale of this girl group competition wasn't big, but most of the participants had a strong background.

For example, Sun Miao was the heiress of the sun Group, and Kang Xue was the heiress of the Kang group. She was also Sun Miao's sister-in-law. There were also some rich young ladies from big companies or rich tycoons. In short, the background of the participants was not simple.

The judges were also very good. There was the handsome and versatile captain of the boys 'group, Xue Ran, Jiang Yu, who had won movie queen twice at a young age, and the best actor Xu Ye, who had been hiding for a long time.

Jiang Yu and Xu Ye had not seen each other for a long time. This time, other than greeting each other, there was nothing else to talk about.

However, Xue Ran was still very enthusiastic about Jiang Yu. He came over to greet her very enthusiastically. "Senior Jiang Yu! Hello there!"

"How are you?" Jiang Yu smiled. She remembered that she had seen Xue Ran once when she was shopping for gifts with Lu Qi during the new year.

"I'm so lucky to be able to participate in the same variety show as senior." When Xue Ran smiled, he looked like a bright boy.

"Don't call me senior, it's like you're treating me as an outsider." Jiang Yu smiled and said, "just call me Jiang Yu."

"Alright, Jiang Yu."

After Xue Ran greeted Jiang Yu, he went to greet Xu Ye. The three of them were now familiar with each other.

On the other hand, things were not as harmonious for the contestants. When Sun Miao went to line up with her personal information, she saw Kang Xue, who was also in the queue.

"What are you doing here? You're here for the girl group talent show too?" Sun Miao asked in disdain.

"Yeah," Kang Xue said with a smile, not taking what happened at the birthday party to heart at all.

"You? I'm afraid you won't be able to last even one round if you sign up, right? Don't think that you can get close to me just because you're participating in the same competition as me," Sun Miao said disdainfully. "I'm telling you, no matter what you do, I won't accept you."

"You're thinking too much. I'm participating in the talent show for myself." said Kang Xue.

"You!" Sun Miao's face reddened in anger.

Chapter 1135 New Roommate

This time, the shooting would be done a little earlier because the director wanted to film the fun between the players and show it to the audience in the form of a live broadcast.

At the same time, the student dormitories were also divided. It was a good opportunity for the contestants to find their own living quarters.

Sun Miao moved in with her luggage, and a second later, a girl with fiery red hair entered.

"Hello!" The girl was very lively. She didn't care whether she knew Sun Miao or not, and greeted her like that at first sight.

"Hello," she said. Sun Miao didn't like her personality, so she only said perfunctorily, "I'm Sun Miao."

"My name is Ding Xiang! You can also call me Xiang Xiang!" The girl laughed heartily and even walked over to put her arm around Sun Miao's shoulder.

"Don't touch me like this!" Sun Miao furrowed her brows and ruthlessly broke free from Ding Xiang's grasp. "I'm not even close to you, why are you putting your arm around my shoulder?"

"Of course it's because I want to be friends with you." Ding Xiang was confused. "And I know you. Aren't you the daughter of the Sun Group? Your brother is Sun You, and he recently married a new wife, Kang Xue, right?"

Sun Miao paused. She didn't know why Ding Xiang knew so much about her family. Hence, she asked in a bad mood, "How do you know all this?"

"My dad attended your birthday party last week. he told me when he came back." Ding Xiang grinned. "I heard that your sister-in-law is really pretty. Is that true?"

Upon hearing the word 'sister-in-law', Sun Miao shrieked, as if someone had stepped on her tail. "She's not my sister-in-law! It's just a business marriage between her and my brother. There's no feelings between them at all! My brother has someone he likes. If it wasn't for that Kang Xue, he would have married the person he likes a long time ago! I'm not going to call her sister-in-law!"

"Ah? there's something going on between the two of you." Ding Xiang looked at Sun Miao's agitated expression and didn't finish her sentence. "Is your relationship that bad?"

As they were talking, a photographer came in. "Two contestants, get ready. I'm going to start filming."

He then turned on the camera and aimed it at Ding Xiang and Sun Miao.

Sun Miao immediately returned to her usual self and calmly said to Ding Xiang, "We're friends now. Let's go to the training ground later."

Ding Xiang was very surprised. Could a person really change so many faces in such a short time?

The photographer didn't feel that anything was wrong and continued to shoot steadily.

When they arrived at the training ground, Sun Miao saw Kang Xue standing in the most prominent position.

She secretly gritted her teeth, thinking that the conspicuous position should have been reserved for her. Hence, she walked over and pretended to ask casually, "What are you doing here?"

"Eh? Have you forgotten? I've signed up for it as well." Kang Xue tilted her head and looked at Sun Miao. "So it's normal for me to be here, right?"

"I'm asking why you're in this position. To a married woman, it's better not to be so conspicuous," Sun Miao said.

Upon hearing this, Ding Xiang was instantly agitated. "Are you Kang Xue?"

"It's me," Kang Xue nodded.

"So you're Kang Xue!" Ding Xiang circled Kang Xue a few times and looked at her. "You're really pretty!"

Seeing that Ding Xiang's attention had shifted away from her, Sun Miao immediately felt a little displeased. "She's not good-looking at all, she's just ordinary. Compared to the person my brother likes, she's far from it."

Kang Xue paused for a moment, then continued to smile like nothing had happened, "You're right, I'm not as pretty as Kang He."

She didn't look sad or angry. It was as if this matter didn't hurt her at all.

Sun Miao couldn't help but purse her lips and snort.

Ding Xiang's attention was still on Kang Xue, and this made Sun Miao even more displeased. She simply pulled lilac over and said, "Don't always stay with her. You'll learn bad things from her."

"Why would I?" Ding Xiang was confused. Kang Xue looks like a really nice person. She's pretty and gentle. She's such a nice person.

"What do you know?" Sun Miao looked at Kang Xue in disdain. "We're from the same school. She used to be an arrogant and domineering person. No matter who it was, she wouldn't like them. She had even targeted the current best Actress, Jiang Yu! At that time, everyone thought that her family's status was very high, which was why she had such a temper. In the end, they found out that the one with the higher status was her sister, not her, hahaha!"

[Chapter 1136 A Deadly Question](#)

Sun Miao laughed delightedly, thinking that she would embarrass Kang Xue if she revealed her past.

But Kang Xue was still very calm. She smiled and said, "Those things were all my fault. I already know my mistakes, and I will never let such things happen again."

Sun Miao could not hold it in any longer. She did not expect Kang Xue to still be able to speak so calmly after what she had just said. She did not show any signs of anger.

"You're really shameless. You've done so many wrong things. Do you still expect others to forgive you?" She said, extremely upset. "Just because Jiang Yu was a little nicer to you, you wagged your tail and went to heaven? You can't be thinking that she's treating you as a friend right? You were so against her before, how could she just let it go?"

Sun Miao's words caused quite a stir in the livestream. "What? Did this Kang Xue target movie queen Jiang before? is she tired of living? She even dares to target movie queen Jiang?"

"Heavens! This person was actually so bold! and now you're here to participate in a girl group talent show, and my movie queen sister is a judge!"

"The point is that the movie queen forgave her and even became friends with her! He's so generous!"

Most of the audience were discussing Kang Xue's arrogant and domineering actions and Jiang Yu's generosity in forgiving Kang Xue. Even though some of them said that Kang Xue had targeted Jiang Yu well and hoped that she could continue to target Jiang Yu in the future, it was quickly drowned out by the comments made by the other audience.

Kang Xue did not answer her question, and Sun Miao did not bother to ask further. After all, this was a live broadcast. Even if she really wanted to embarrass Kang Xue, she couldn't be too overbearing. Otherwise, not only would he embarrass the Sun Group, but he would also ruin the popularity of the audience. It would be difficult to advance through the online voting.

After standing there for a while, the rest of the contestants came in one after another. The director also came in with the three judges.

"Hello, everyone. I'm the director of this talent show. You can just call me director Liu." Director Liu pushed up his glasses and continued, "Next, I would like to introduce our three judges-the youngest movie queen in the entertainment industry, Jiang Yu! everyone, please give him a round of applause!"

Hua Hua-" warm applause sounded from the audience.

There were even people who shouted, "movie queen! Please give me your autograph later!"

"Movie queen! next, please take a photo with me!"

"It seems like everyone's enthusiasm is very high!" Director Liu laughed heartily.

Then, he introduced Xue Ran and Xu Ye. everyone, take this opportunity to ask any questions you have! if you don't have this chance, you won't have it in the future!"

Someone raised his hand and asked, "movie queen Jiang, there's a girl named Kang Xue in the competition. I heard that she picked on you in school. Is that true?"

The moment this question was asked, everyone fell silent.

Sun Miao, on the other hand, was taken aback. She had never expected that the person had heard everything she had just said.

Kang Xue was also stunned. She didn't expect this question to be asked in public.

At this moment, the bullet screen had already begun to flood with comments. "This contestant really has the guts to ask such a question?"

"This is a talent show, not a press conference. Isn't she making things difficult for the two of them by asking this question?"

Although I also want to know the truth of this matter, I still have to say that this person really has no brain.

"If it's fake, then Sun Miao must be lying. But if it's real, does that mean that Kang Xue will withdraw from the competition?"

"I can't tell if I hope this is real or fake..."

But even so, everyone was still looking forward to Jiang Yu's answer.

and Jiang Yu did answer, 'this is a misunderstanding. It has been a long time. If you're asking me, I don't really remember, but I'm on good terms with Kang Xue. We're friends, so I hope no one will misunderstand."

After a long silence, the other players laughed and asked other questions to ease the awkward atmosphere.

Sun Miao heaved a sigh of relief and glared at the person who had asked the question.

Kang Xue also felt relieved. this way, she could continue to participate in the competition.

In fact, she was already prepared for Jiang Yu to tell the truth. When the time came, she would just have to withdraw from the competition. He did not expect Jiang Yu to answer in such a way. Not only did she save Sun Miao's face, but she also saved her own.

"Don't think too highly of yourself." Sun Miao said to Kang Xue, "Jiang Yu said that to save her own face, not for you."

[Chapter 1137 An Old Song](#)

"You're not Jiang Yu. How do you know what she's thinking? " Kang Xue laughed.

"I don't want to quarrel with you. it's still a live broadcast, so I advise you to be more honest. " Sun Miao threatened.

Ding Xiang, who was listening at the side, was completely confused.

Why did Sun Miao treat her sister-in-law in such a manner? was Kang Xue really Sun Miao's sister-in-law?

She didn't understand, so she simply stopped thinking about it and stood there obediently like an obedient baby.

That was about the progress of the first day of shooting. After that, the contestants would have a singing and dancing competition and an acting competition.

This was because there were too many people in both boy and girl groups who were going to enter the entertainment industry. Xue Ran had been thinking of entering the entertainment industry recently.

Therefore, director Liu considered this possibility and added an acting competition to the original plan, with Jiang Yu and Xu ye as the judges.

However, the first competition was a singing competition. It was to test everyone's singing skills. This was because the girl group's main focus was still singing and dancing. He couldn't become a member of the girl group and even sing out of tune.

Although the shooting was on the weekend, everyone would practice on a normal working day. If Jiang Yu and the other two had nothing to do, they would also go over to see how everyone was practicing.

Director Liu had prepared two very large practice rooms, and the players would draw lots to decide whether they would practice in room A or B. Unfortunately, Sun Miao and Kang Xue were in the same karaoke room.

Kang Xue didn't mind. She thought that as long as Sun Miao didn't provoke her, everyone could practice in peace.

However, Sun Miao did not think so. She walked to Kang Xue with the score and chuckled. "What are you going to sing?"

"This is none of your business." Kang Xue replied calmly as she moved away from Sun Miao with the score.

"Why are you leaving?" Sun Miao caught up to her and grabbed her sleeve. "Didn't you have fun with me during the livestream a few days ago? Why are you so cold to me when you're not streaming?"

"I'm not laughing," Kang Xue frowned and said after a long time.

On the day of the live broadcast, it was because of Jiang Yu's presence that Kang Xue had the courage to speak to Sun Miao, and even to the point of being sarcastic. However, Jiang Yu had been dealing with work in the company for the past few days and it was not a live broadcast now. Kang Xue did not have the courage to continue talking to Sun Miao.

"You're not smiling? Do you think I'm blind?" Sun Miao said, "Kang Xue, I'm a contestant from the same batch as you. What's wrong with me being concerned about your song? It's not like it's something that can't be seen, what's there to hide?"

Sun Miao's voice was very loud, and it quickly attracted the attention of the other contestants in Studio B.

Most of these contestants were daughters of rich families or children of listed entrepreneurs. They didn't care about the ranking. They just wanted to show their faces on the internet and earn some fame.

Therefore, compared to the rankings, they actually preferred to read the gossip.

Sun Miao had the same thought, but ever since she found out that Kang Xue had signed up for the competition, she had to beat her no matter what. As long as Kang Xue wasn't eliminated, she wouldn't be eliminated no matter what.

Seeing so many people surrounding her, Kang Xue was a little embarrassed and whispered the song she was going to sing.

After Sun Miao heard this, she burst into laughter. "This song? Hundreds of years ago, right? My Grandpa doesn't even want to listen to such songs anymore, hahaha!"

The rest of the contestants also laughed. that's right! Isn't this an old antique? "

"Not to mention my grandfather's generation, even my great-grandfather's generation won't listen to it. Hahaha! "

Kang Xue's face turned red and white. she wanted to escape from this place, but Sun Miao blocked her way and did not let her leave.

"Say something, why aren't you saying anything?" Sun Miao tilted her head and looked at Kang Xue. you think we're right too, don't you? "

this song was released last year, " Kang Xue sighed helplessly. why is it an old song? "

"Aren't you old from last year?" Sun Miao pursed her lips in disdain. how can you be a girl group if you don't have any sense of fashion? You're always singing such old songs, so who would vote for you?"

"That's right," The rest of the contestants echoed, " no audience would like this song. If you choose to sing this song, you will definitely be last. Instead of waiting to see the results, you might as well withdraw from the competition now."

Kang Xue was also a little shaken by everyone's words, but when she saw Sun Miao's gloating expression, she made up her mind. "No matter what you guys say, I'm going to sing this song."

[Chapter 1138 Can't Find A Tune](#)

Just because they didn't like it didn't mean that the audience didn't like it. Besides, Sun Miao wouldn't be so kind as to remind her that the song didn't have a mass market. The others were just echoing Sun Miao's words. Most likely, not many of them had actually heard the song before.

Seeing that Kang Xue did not waver and was even very determined, Sun Miao felt a little frustrated. "Do as you wish then. But don't come crying when you get last place in the voting."

As she spoke, she took the score and went to a place further away to practice.

The rest of the people realized that there was nothing to gossip about, so they all went to practice.

Kang Xue heaved a sigh of relief. She only hoped that Sun Miao would not continue to cause trouble for her in the next few days.

Sun Miao had been very well-behaved these few days. She had been practicing quietly by herself and did not even look at Kang Xue.

However, a few minutes before the shoot, Sun Miao started again. She found Kang Xue and grinned.

"We're going to start filming soon. I heard it's a live broadcast. You better stay away from me.

Otherwise, I can't guarantee what I'll say to you."

"I know, I'll stay far away from you." Kang Xue whispered.

Ding Xiang, who was following behind Sun Miao, found it increasingly difficult to see through the two's relationship. So, while Sun Miao was in the bathroom, she went to look for Kang Xue and asked curiously, "Kang Xue, are you really Sun Miao's sister-in-law? "

"...Yes." Kang Xue pondered for a long time before finally nodding.

"Then why is Sun Miao treating you like this? He doesn't seem to treat you as an elder." Ding Xiang asked curiously, "I've been practicing in Studio A the whole time. I don't know what's going on between the two of you recently, but it seems to me that your relationship has gotten worse.

As they were talking, Sun Miao came out of the bathroom and grabbed Ding Xiang by the collar, preparing to leave.

"Ding Xiang, don't talk to this kind of person. You'll be led astray by her. Besides, her brain isn't that good. If you stay with her all the time, you'll become less intelligent." Sun Miao kept on talking.

"But I think she's a very nice person!" and she's your sister-in-law! Ding Xiang said.

"What sister-in-law? she's just a b * tch who seduced her sister's fiancé. Just don't get too close to her in the future." Sun Miao said disdainfully. "We're friends, so why would I harm you?"

Kang Xue could vaguely hear what Sun Miao was saying. It seemed that the following days would be a little difficult.

The shooting started very soon. This week wasn't a competition, because Director Liu had said at the beginning that he would give everyone two weeks to practice. so this time, the live broadcast was just to film the players' daily conditions, and then let the judges do a small test of the players' practice.

For the sake of time and reasonable allocation, Xue Ran checked in Studio A, while Jiang Yu and Xu Ye went to Studio B for a check.

After Jiang Yu and Xu Ye arrived at B song studio, they stood at the forefront of the stage and drew lots to see who would be the first to sing.

The first person was the daughter of a rich family. She sang a popular song and even accompanied it with her own original rap. Although Jiang Yu and Xu Ye didn't know much about this, they could tell that this girl had some talent.

After she finished her performance, Jiang Yu smiled and praised her, "Very good. Keep up the good work. I hope you can get good results in next week's competition."

"Thank you, movie queen Jiang!"

After she left the stage, Jiang Yu and Xu Ye drew a few more times. The young ladies who came on stage to perform were all very good. Some of the girls even came up with their own original dances. It seemed that the children of rich families were quite versatile.

That was until Jiang Yu picked the tenth person-Sun Miao.

Sun Miao confidently went up the stage and said, "Hello, everyone. I'm Sun Miao, a contestant from the same batch as you."

She said a few more useless words before starting to sing.

However, none of the lines she sang were in tune.

Jiang Yu had heard the song before, so when Sun Miao finished singing, she asked, "Have you been practicing this song?"

"Of course!" Sun Miao said triumphantly, "If I don't practice properly, what's the point of me singing it?"

"But none of the lines you sang were in tune," Jiang Yu said with a frown.

"How is that possible?" Sun Miao blushed. "I've listened to this song almost 800 times and practiced it hundreds of times. How can I not be in tune with the lyrics?"

"If you don't believe me, you can listen to the original for yourself and then compare it with your own. Let's see how it's the same." Jiang Yu said.

"I won't go out of tune when I sing!" Sun Miao said loudly.

[Chapter 1139 The Wrong Result](#)

However, even though she said that, she was still afraid when she saw Jiang Yu's serious expression.

Could it be that his singing was really out of tune?

She didn't believe it. She took out her phone to find the original song and started playing it.

Everyone present could tell that Sun Miao's singing was off-key, but she didn't think so. "Aren't I in tune? Didn't I sing very well?"

"Did you hear it wrong? It's really not in tune." Xu Ye also began to wonder. "Is the song you played and the song you sang not the same song?"

"It's the same song." Sun Miao was also confused. but I didn't go out of tune. That's how the song is sung.

Seeing how stubborn Sun Miao was, Jiang Yu did not want to pursue the matter further. After all, there were still many contestants who had to perform later. "Alright," she said, "We'll pretend that you're singing in tune. You can go down first and let the other contestants come up."

However, Sun Miao chose this moment to pick a fight. Frowning, she questioned, "What do you mean by this? are you trying to brush me off? You guys didn't brush off the other contestants, but you're brushing me off? Or are you guys going to be perfunctory with my future contestant?"

"This contestant, please calm down." Xu Ye quickly advised, "That's not what we meant. It's just that time is tight. We can't waste time on this."

"What? Isn't that just perfunctory?" Sun Miao was displeased. "Even if it's not an official match today, you can't do this, right? And I wanted to be the lead singer, but you said I sang out of tune during the live broadcast? Then how am I supposed to be the lead singer?"

"This contestant, please calm down..." Xu Ye continued to comfort Sun Miao.

Jiang Yu stared at Sun Miao for a few seconds before saying, "You can't guarantee that you'll succeed in the end, right? if you were eliminated in the final circle, or if you were not qualified to enter the final circle with your strength, what kind of lead singer would you be? Besides, you sang this song off-key to begin with. Whether it's the people at the venue or the people in the live broadcast room, everyone heard it. Do you still want to deny it?"

"You're talking nonsense!" Sun Miao shouted and turned to the other contestants. "You guys be the judge, did I really sing out of tune?"

The contestants nodded in unison.

Sun Miao, "..."

The comments in the live broadcast room also said this: "You still have the nerve to participate in a girl group talent show after singing like this?"

"And it's clearly not in tune, yet you won't let others talk about it? Didn't she realize that she sang differently when she listened to the original song?"

"What are you thinking? He's already said that he felt that his singing was no different from the original."

"No way, ... the voice is really terrible. She's not suited to sing at all..."

Sun Miao wanted to continue standing on the stage, but Jiang Yu and Xu Ye ignored her and continued drawing lots.

When the next contestant came up, Sun Miao was immediately pushed down the stage.

"This is too much!" Sun Miao shouted.

However, no one paid attention to her.

Jiang Yu and Xu Ye had planned to leave after they had finished drawing all the notes in the box. However, someone raised his hand slightly and said in a low voice, "I'm sorry, my name wasn't called."

Jiang Yu took a closer look and saw Kang Xue sitting in the corner.

She lowered her head to look at the box in front of her. There was indeed not a single note in it.

"I'm sorry, there are no more notes in the box." Jiang Yu said hurriedly, "Then, come and perform. "

Only then did Kang Xue go on stage and sing the song she had been practicing for a week.

"Very good!" Jiang Yu led the applause.

Apart from praising her, Jiang Yu also wanted to know why there was no note with Kang Xue's name written on it.

In the audience, Sun Miao was unhappy, "That's all she sang, right? And it's even an old song from last year. Which audience would like such a song these days?"

The rest of the contestants did not dare to say anything either. They could only listen to Sun Miao quietly.

Just who was Sun Miao? She actually dared to question Jiang Yu and Xu Ye during the live broadcast.

"But she sang really well." Jiang Yu laughed. At least every line of the lyrics is in tune.

"Aren't you guys being biased?" Sun Miao was immediately displeased. "I don't think there's anything wrong with my singing, but why do you guys have to say that I'm out of tune? please, even if you have a good relationship with Kang Xue, you don't have to be so biased, right? What would the people watching the live broadcast think?"

Chapter 1140 Choking Sound

Jiang Yu did not take Sun Miao's words to heart, but Kang Xue was a little embarrassed. She said, "I didn't. Don't talk nonsense. I didn't go out of tune in the first place, so what you said doesn't hold."

"But you really didn't sing that well." Sun Miao said, "After everyone else's performance, the two judges only lectured me. What do you mean? Wasn't this an obvious target? I admit that my attitude towards you was really bad, but you don't have to make them target me, right?"

Sun Miao had said this on purpose. She wanted everyone watching the live broadcast on the internet to know that the well-loved movie queen Jiang and the handsome best actor Xu were actually two petty and nosy people.

"I didn't!" Kang Xue said, "it's true that you sang out of tune. That's why they said that!"

"There are at least fifty contestants in a room. Am I the only one who sang out of tune? Why didn't you say that others were out of tune, but you said that it was me? What is this if not targeting?" Sun Miao said loudly with her hands on her hips.

Seeing that the two of them were about to quarrel, the staff of the production team did not come forward to stop them. This was because they felt that more people would watch the livestream if they created conflicts and gimmicks like this.

Kang Xue didn't know what to say.

"Who put the note in this box?" Jiang Yu asked.

One of the contestants raised his hand and said, "I organized it."

"Why isn't Kang Xue's name in the box?" Jiang Yu asked.

"Hey, that's impossible." The contestant said in surprise, "I gave each of them a piece of paper and asked them to write their names before putting them in the box. There's no way I missed anything. If you don't believe me, you can ask Kang Xue. I did ask her to write it. "

"I did, and I did put it in the box," Kang Xue nodded.

"Where else did you put the box after that?" Jiang Yu continued to ask.

"It's on the table outside. I just brought it in." The contestant said,

Someone must have touched the box at that time.

But who could it be?

Jiang Yu's scrutinizing gaze fell on Sun Miao.

In a situation like this, by the end of the draw, everyone knew who had been called and who had not. Therefore, the act of taking away the note inside could only be said to be stupid.

There were so many notes in there, but only one was missing, and it was Kang Xue's. If it was a coincidence, then it was too much of a coincidence.

They were all newcomers and had only known each other for a week or so. No one would hate Kang Xue so much unless they urged Sun Miao to.

Sun Miao also noticed Jiang Yu's gaze and her body stiffened as she asked loudly, "What are you looking at me for? Don't tell me you think I did something to the box?"

Jiang Yu suddenly smiled. "No, I'm just looking." She said.

"You, you're ridiculous!" Sun Miao said in a huff.

Because she was indeed the one who had tampered with the paper box, she broke out in a cold sweat when Jiang Yu stared at her.

If she had known, she wouldn't have taken that note! However, when she saw the box, she was suddenly possessed and threw away Kang Xue's note. She had forgotten that today was the drawing of lots. Even if she threw it away, it would be useless!

If others knew about this, they might even gossip about it!

"Maybe I just lost it. It's okay, just be more careful next time." Kang Xue consoled Jiang Yu.

"Alright," She said. Jiang Yu also went along with Kang Xue's words and did not continue to pursue it.

Sun Miao heaved a sigh of relief.

When the shoot was over, Sun Miao, who had been tense the entire time, heaved a sigh of relief. However, the atmosphere here was still a little depressing, so she wanted to escape as soon as possible.

Just as she stepped out of the door, Jiang Yu called out to her, "Sun Miao, did you do something to that box?"

Sun Miao stopped in her tracks and angrily retorted, "What does it have to do with me? Don't say I did it when you see something bad! I'm also very aggrieved, okay!"

"Who else could it be if not you?" Jiang Yu narrowed her eyes. "You're so guilty when we talk about this. If it really has nothing to do with you, why are you so guilty?"

"Who's guilty?" Sun Miao bit the bullet and said, "Jiang Yu, don't make such slanderous accusations! Do you think you're so great just because you're the movie queen and a judge? And you're always helping Kang Xue, are you really that close to her?"

"This has nothing to do with you. You just need to admit that you did it." Jiang Yu said lightly.

"Who wants to talk to you! It's ridiculous!"
