

Older Man 131

Chapter 131: Won't Let It Go Like That

"What's going on?" Jiang Ran pushed the crowd away and walked over.

"Aiya, Jiang Yu, how could you hurt someone like this?" Jiang Ran said deliberately, "How much hatred do you have? Those who don't know would think that you're not family!"

Under Chen Jin's tattered clothes, his arm was hit by Jiang Yu's broom, so it was already bruised.

Many people who were watching the show frowned.

Especially the students of class one, they all saw Jiang Yu beat him out with their own eyes.

All of them immediately showed disapproval.

Dai Zhu was originally resting in the dormitory.

She had been bitten by a snake on her neck, and there was now a big bump on her neck.

She should not have appeared in class at this time. After all, Dai Zhu also loved to look pretty.

However, when she heard that Jiang Yu had actually kicked out her poor relative, she didn't even have time to put on her coat before rushing over.

As expected, she saw a few people surrounding the entrance of class one.

And Jiang Yu was obviously being pointed at and discussed by the crowd.

Dai Zhu instantly felt a burst of pleasure.

"I already said that Jiang Yu's character is questionable," Dai Zhu also joined in the jeering.

On the other side, Jiang Yu stared coldly at Chen Jin and said word by word, "Do you want to leave now, or do you want me to ask the security guards to kick you out?"

Chen Jin quickly shrunk his neck and looked like he was hurt. "Jiang Yu, if I had a choice, I wouldn't have come to find you. My wife is sick, but the medical fees require a lot of money. That's why I came to find you. After all, we used to be a family. If you are willing to help me, I promise I will never appear in front of you again."

After Chen Jin said that, he suddenly moved closer to Jiang Yu and said in a voice that only the two of them could hear, "I don't think you want your blood sickness to be known by others, right?"

After Chen Jin said that, he took a step back and pleaded, "Sister, please help me."

Jiang Yu's body stiffened when she heard Chen Jin's threatening words.

She suddenly recalled that more than ten years ago, when she was only six years old, she had suffered from the psychological sequelae of having her blood drawn.

When Chen Jin was young, he would sometimes deliberately use things tainted with blood and wave it in front of her in order to make fun of her.

He would bully her to death.

When Jiang Yu thought of this, her eyes were filled with anger.

Immediately after, she took out her phone and ignored Chen Jin. She directly dialed a number.

"Hello, there's someone not from the school here..."

When Chen Jin saw that she really wanted to get someone to chase him out, he immediately said, "I'll leave on my own."

His venomous gaze landed on Jiang Yu.

After saying that, he turned around and left.

When Dai Zhu saw the direction that Chen Jin had left, she immediately chased after him.

"Hey, wait a moment."

Chen Jin stomped his feet. When he saw that Dai Zhu was wearing extraordinary clothes, he immediately asked politely, "What's the matter?"

"You're just going to leave just like that?" Dai Zhu said disapprovingly, "I think Jiang Yu is quite rich. She actually refused to give you money to save a life. That's really too much."

Chen Jin said, "Of course I won't just let it go."

"I'll give you a way out."

Chen Jin's eyes lit up. He hurriedly went over and a glint flashed across his eyes.

...

At the same time.

Jiang Yu returned to her class, but she received a strange look from her classmates.

"To actually treat her own family like this, this is really too heartless."

"It's already posted on the school forum. Let everyone know what kind of person Jiang Yu is."

After class.

Jiang Yu returned to the dormitory.

She took out her computer and started typing.

Soon, a lot of news about Chen Jin appeared on the screen.

It said that Chen Jin had been arrested a few months ago on suspicion of kidnapping, but he had been bailed out.

Later, Chen Jin had a gambling debt and had been looking for ways to raise money.

Jiang Yu's gaze was cold as she found out everything that Chen Jin had done.

She even used hacker technology to find out what no one else could find..

Chapter 132: Reporters Rushing Over

At the school's entrance, Chen Jin had been standing there the whole time, holding a printed out photo of Jiang Yu.

Not long after, a lot of reporters rushed over.

"It's him!"

"Are you the person that Jiang Yu was adopted with back then?"

"I heard that you needed money urgently and that your wife was seriously ill, but Jiang Yu didn't acknowledge you as a relative and even chased you out?"

Chen Jin looked at the reporter who wanted to dig out the gossip and instantly revealed a sorrowful expression.

His eyes quickly turned watery. "I really had no other choice and came to look for my sister."

"But she..." Chen Jin looked at his bruised hand and sighed.

The reporter instantly aimed the camera at the bruise on Chen Jin's hand.

"Was she beaten by Jiang Yu?"

"Oh my God, I didn't expect Jiang Yu to be so vicious since she looks so weak."

"It's fine if she didn't help, but she actually injured someone!"

"We must report this matter and let more people know that Jiang Yu is morally corrupt."

Chen Jin lowered his head slightly and smiled silently.

It was Dai Zhu who had asked him to stand there and wait.

And these reporters had been contacted by Dai Zhu.

He wanted to use public opinion to make Jiang Yu have no choice but to take out this money.

After all, it was said that Jiang Yu had hooked up with a rich man and did not lack this bit of money at all.

Very soon, all sorts of reports about Jiang Yu and Chen Jin appeared on the Internet.

Class one.

Just as class ended, the surrounding students excitedly said, "There are many reporters outside."

"I heard that Jiang Yu's older brother has been standing at the school gate the whole time."

Jiang Yu suddenly stood up when she heard everyone's condemnation. She also followed the stream of people who were watching the show and walked towards the school gate.

"Ah, it's Jiang Yu!"

"That's Jiang Yu!"

"The reporters are all here. It looks like Jiang Yu will be blacklisted by the entire internet this time."

At the school gate, many people who did not like Jiang Yu had come.

Dai Zhu was also drowned in the stream of people.

It seemed that even if she didn't have to wait for the performance test results, with Jiang Yu's bad behavior, she would be expelled from the school very soon.

In the future, class one would be much quieter without Jiang Yu.

Dai Zhu smiled, but because her movements were too big. She pulled the wound on her neck. She immediately let out a painful hiss and wore a bitter expression.

When Jiang Yu arrived at the school gate, she was immediately surrounded by reporters.

"Jiang Yu, you came out. Are you planning to help your brother?"

"May I ask why you hit him? Doesn't your conscience hurt?"

They had been adopted together after all. Even if they were not related by blood, at least they were bound by kinship.

However, Jiang Yu was so cold and even treated her brother as if he was her enemy.

Such a thing was simply infuriating.

On the internet, there were already many people cursing at Jiang Yu.

Jiang Yu came in front of Chen Jin and stood still.

Chen Jin said, "Jiang Yu, I really have no choice but to come to you. If my wife doesn't have this money, she will die. She is your sister-in-law."

"How much do you want?" Jiang Yu asked coldly.

Chen Jin was delighted. He thought that Jiang Yu was going to compromise. He immediately stretched out a finger and said, "Not much. One million will do."

"You're still dreaming."

Immediately, the surrounding reporters began to criticize, "One million is just money for a dress to you, but it is very important to others. How can you say such a thing?"

With the help of the reporters, Chen Jin said fearlessly, "Jiang Yu, I've always been very good to you when you were young. I've always taken care of you. When you were sick, I was the one who watched over you day and night. Do you still remember what illness you contracted?"

Chen Jin shut his mouth when he said this. When she was young, every time Chen Jin threatened her, Jiang Yu would be very obedient.

That was because Jiang Yu was most afraid of seeing blood.

But now, Jiang Yu said coldly, "Since you want to bring up my childhood, fine, I'll bring it up for you."

Chapter 133: Are You Worthy?

Immediately after, Jiang Yu took out a document. "This is the confession you made when you were caught by the police when you were eight years old!"

Chen Jin's expression changed and he reached out to snatch the document from Jiang Yu's hands.

However, Jiang Yu dodged him. "Back then, you helped your adoptive parents and sold human beings. Furthermore, you personally took my blood to sell for money. Chen Jin, where did you get the face to say that you are my brother? Are you worthy?"

After saying that, Jiang Yu casually handed the documents to the reporter.

It was fine if Jiang Yu didn't notice Chen Jin at first.

Since Chen Jin came to her door of his own accord, then she had to take revenge for before.

When the reporter took the documents, he was immediately shocked.

Such a young child had actually done so many things to help the wicked.

Back then, Jiang Yu had been locked up in a small dark room and raised like a blood bag.

It was Chen Jin who often helped the bad guys. Not only did he help his adoptive parents abduct and sell children, but he also helped watch over the children who were locked up.

At that time, Jiang Yu was young and weak.

She could not find a chance to escape until she accidentally escaped. Only then did she expose these things.

Chen Jin's expression had already changed drastically.

The reporters looked at Chen Jin one after another. "I didn't expect you to be such a person."

"No, I'm not." Chen Jin shook his head.

"I was only eight years old back then. I was forced to do it. If I didn't do it, I would have been beaten up."

Chen Jin said pitifully and quickly looked at Dai Zhu.

But Dai Zhu saw that the situation was not right and had already shrunk her neck and left.

The alliance that the two of them had formed for a short period of time had suddenly disintegrated.

Chen Jin's heart skipped a beat. He felt that he shouldn't stay at this place.

He was thinking of finding an opportunity to leave.

However, Jiang Yu said, "Oh, since you said that you were young and ignorant back then, I don't blame you. But now, two months ago, you were suspected of being involved in human trafficking. What do you have to say about that?"

The reporters all looked at Chen Jin in disbelief.

"I... I didn't. I still have something to do. I'm leaving first."

Jiang Yu was about to take out the information she had found out.

At that moment, a few luxury cars stopped not far away.

Teng Yi got out of the car.

"We just rescued a few kidnapped children. Now they are coming to identify the traffickers."

Then, a few children who appeared with their parents came out of the car behind them.

The children said as soon as they saw Chen Jin, "It's him. He was the one who tricked me with candy and kidnapped me into the car."

"That's right. He locked us up and beat us up."

The children pointed at Chen Jin and said.

The children's families had gone crazy looking for their children.

Now that they finally saw the godforsaken human trafficker. They all came over angrily and beat Chen Jin up.

"I'll beat you to death!"

"You actually did such a thing. Do you know how long we've been looking for my children?"

"A person like you should be shot to death."

On the other side, Chen Jin was being beaten up, but no one came forward to stop the fight.

The reporters were also filled with righteous indignation as they looked at the six or seven-year-old children.

They immediately detested Chen Jin.

It turned out that this person was not Jiang Yu's brother at all, but an accomplice of the human traffickers.

Chen Jin was beaten until his teeth were bleeding. He immediately looked in Jiang Yu's direction with hatred.

When Jiang Yu saw the blood, she immediately felt a little dizzy and staggered.

Suddenly, a hand stretched out from behind and supported Jiang Yu's waist.

Jiang Yu leaned against the man's strong chest. When she smelled the familiar fragrance, Jiang Yu immediately felt a sense of security.

The feeling of wanting to faint was immediately relieved.

Mo Long saw that Jiang Yu's face was pale, so he quickly helped Jiang Yu into the car.

In the car, Jiang Yu's face was pale.

Outside, Chen Jin had already been beaten to the ground. It was noisy outside.

Jiang Yu bit her lip and tried her best not to faint.

"You fainting again.. I'll take you to see a psychiatrist," Mo Long said.

Chapter 134: Human Trafficker

Jiang Yu bit her lip and her gaze landed on Chen Jin who was curled up on the ground. The knot in her heart was finally relieved.

It had been many years. Every night, she would have nightmares about Chen Jin greedily holding a syringe to drain her blood.

He was still staring at her blood and counting bit by bit. "Money, this is all money."

Chen Jin was just like his adoptive parents. They were people who only cared about benefits and didn't care about morals.

At that time, Jiang Yu had thought that one day, she would make Chen Jin pay the price.

But later, the human traffickers were imprisoned for life. However, because Chen Jin was too young, he couldn't be sentenced. After he was sent to be disciplined, he was released again.

"I don't need to see a doctor." Jiang Yu took a deep breath.

She was surprised that she didn't faint directly like before.

Could it be that her illness had been alleviated?

"Then I'll send you back to rest first," Mo Long said tenderly. His eyes darkening as he looked outside.

The police had already rushed over when they heard the news and brought Chen Jin away, who was on the verge of death.

This time, Chen Jin would spend the rest of his life in prison.

Soon, the reporters also left.

Class one.

Some of the movie queen's fans were saying bad things about Jiang Yu.

However, when the people who came back after watching the commotion heard this, they immediately said, "Who said that Jiang Yu's character was bad? That person just now wasn't Jiang Yu's brother at all."

The movie queen's fans immediately said, "It's already reported online. How could it be fake? Moreover, that person also said it himself. He was Jiang Yu's brother. It's just that Jiang Yu didn't admit it."

"That's right. She stole the movie queen's boyfriend. This kind of person isn't a good person at all."

Originally, there were some movie queen fans in class one who formed a group to isolate Jiang Yu. The others wouldn't say anything if it wasn't related to them.

However, they had witnessed with their own eyes how Jiang Yu had been wronged and how she had been whitewashed.

They suddenly felt that those rumors on the internet might not be true.

"I think all of you are brainless fans. Let's look at the news now."

"That's right. Student Jiang Yu has always kept a low profile and didn't take the initiative to provoke anyone. It's you who don't ask about the right and wrong and create bad rumors about Jiang Yu every day. There's no evidence at all."

"The movie queen has even personally declared that she and Mr. Mo long are no longer lovers. Yet, all of you refuse to believe it!"

"Jiang Yu didn't steal anyone else's boyfriend at all. I think it's just the fans of the movie queen imagining things."

A few neutral classmates immediately looked at the fans of the movie queen in dissatisfaction.

The faces of those people who had been arguing all this time turned black.

Indeed, from the beginning to the end, it was all their own guesses based on clues.

It was not necessarily true at all.

They just didn't want to see the movie queen being bullied. In addition, all sorts of clues clearly indicated that the movie queen and Mo Long were a couple, so they deliberately targeted Jiang Yu.

But now, it seemed like Jiang Yu was innocent?

At this moment, the fans of the movie queen in Class one started to waver a little.

And on the Internet.

All kinds of people who were enjoying the drama and Jiang Yu's evil deeds were scolding Jiang Yu until she was drenched in blood.

The fans of the movie queen didn't expect the situation to turn around so quickly.

"So, Jiang Yu is the victim!"

"Shocking. This is too unexpected. But why didn't Jiang Yu defend herself in the beginning?"

“What’s the use of defending? Without evidence, no one will listen.”

“Fortunately, Mr. Mo Long protected Jiang Yu. Otherwise, Jiang Yu would have been wronged to death today.”

“I have long disliked those people who spread rumors. No matter what Jiang Yu does, she will be slandered. These haters are really too hateful.”

“Can the fans of the movie queen have some brains? Don’t just blindly slander her without thinking.”

“Yeah, those people who say that Jiang Yu is a vixen everywhere, why don’t you bring out the evidence? What’s the point of just saying it?”

Chapter 135: Require The Presence of Parents

Due to the drama at school, Jiang Yu’s mood wasn’t very stable. In the afternoon, Mo Long simply applied for a leave for Jiang Yu.

“You should rest first.” Mo Long sent Jiang Yu to her bedroom.

When Mo Long came out, Teng Yi said to Mo Long, “Sir, the meeting later...”

“Cancel it all.”

Teng Yi looked at Mo Long in surprise. The meeting in the afternoon was obviously an important meeting. He didn’t expect President Mo to go to this extent for Jiang Yu.

“Okay.” Teng Yi quickly went out to make a phone call. However, before he left, he subconsciously glanced at Mo Long and found that Mo Long was looking at Jiang Yu’s room with a bad mood.

Teng Yi knew that the person who caused the trouble today would not end well. His master would not let go of the person who had once hurt Jiang Yu, even if that person was still a child at that time.

When Jiang Yu woke up from her bed, she saw a tall and straight figure beside the bed.

It was already night by the time she woke up.

“You’re awake.”

Mo Long turned on the lights in the room when he saw that Jiang Yu had woken up.

Jiang Yu was about to say something when a hand suddenly reached out and touched her forehead.

Jiang Yu was stunned.

“You don’t look well,” Mo Long retracted his hand and said in a deep voice.

He had already instructed that that person would not be able to get out of prison for the rest of his life. Moreover, he would not have a good ending in prison.

He would know what hell was. He would not be able to live nor to die.

Mo Long lowered his face and suppressed the malicious emotions in his eyes.

"I've studied medicine myself. I know it's nothing." Jiang Yu got down from the bed.

Mo Long paused for a moment and followed her out.

There was only an orange lamp outside.

Mo Long put a coat over her body. Jiang Yu looked up and saw the man sigh and say, "Do you know? I've always been worried that one day when you see blood, your illness will flare up again."

Although Jiang Yu did not faint immediately, her reaction was still very strong. Her face was pale and her entire body was cold.

Mo Long held Jiang Yu's hand and felt as if he had touched an ice cube. The cold air could pierce through one's heart.

Jiang Yu smiled silently and said, "Don't worry. Am I not much better now? This is a good sign."

Mo Long fell silent and did not say anything. The two of them left the room together.

"Let's go eat first."

In the car, Jiang Yu noticed that in the class chat group, the teacher had just posted a new message: "Next week's performance exam, remember to call the parents over. The test scores this time will be evaluated by the parents. Each student will have to bring a parent."

Jiang Yu was stunned. Mo Long saw her reaction and subconsciously glanced at the screen. He immediately frowned.

Parents?

"The exams need to be attended by the parents themselves!" Jiang Yu turned around and said to Mo Long, "I'll call my family."

After saying that, Jiang Yu dialed the number.

On the other side, Jiang Hai picked up the call. "Yu'er, why did you call me too? Just now, Ran Ran said that she needed her parents to go to school, but I wasn't free and let her mother go. Is that also why you called?"

Jiang Hai had already stopped Jiang Yu from speaking before she could.

"I've been too busy recently, so I really don't have the time."

Jiang Yu was silent for a moment before saying, "I understand."

On the other side, Jiang Hai said, "I'll let Wei Juan talk to you."

Very soon, Wei Juan's voice came from the other side of the phone. "Yu'er, you want me to go to school too, right? But I don't have time. I've already promised Ran Ran. I heard that the exams are held at the same time for each class in your grade. If I go to Ran Ran's place, I won't be able to go to yours. Why don't I call your uncle to see if he's free?"

Jiang Yu listened to Wei Juan's words and was silent for a few seconds. Just as she was about to speak, the other end of the phone had already hung up.

Mo Long heard the entire conversation and immediately looked at Jiang Yu with heartache. "Why is your father like this? I'll give him a call."

"Forget it," Jiang Yu said. Even if Jiang Hai came, he wouldn't mean it.. To him, how could his exams be more important than making money?

Chapter 136: Be Your Parent

"Then I'll be your parent?" Mo Long suddenly said.

He was Jiang Yu's boyfriend anyway, so it shouldn't be a problem for him to be a parent.

Jiang Yu was stunned for a moment, and looked at Mo Long with some surprise. "But the exam may take a long time. Your company..."

Mo Long shrugged indifferently. "I can leave that to others to handle."

Teng Yi, who was driving, could not help but spin the steering wheel. He knew that the meeting that had just been postponed happened to be on the same day as Jiang Yu's exam. It looked like he could only postpone it further.

Jiang Yu saw how relaxed Mo Long sounded and smiled. "Alright, you'll be my parent then."

At that moment, the car came to a sudden stop.

Teng Yi frowned. "Do you want to die?"

Jiang Yu looked up and saw a car parked by the roadside in front of them. The driver was running over and blocking their way.

The driver was sweating profusely. "Can you help me send our sir to the hospital? The car broke down on the road and he suddenly fell ill. We can't wait any longer."

There weren't many people on this road, and it wasn't easy for the driver to wait for someone to arrive.

Jiang Yu got out of the car without hesitation and walked to the side of the car.

When she opened the car door, she saw a pale-faced middle-aged man in the car.

The man's feet were twitching and his entire body was red, as if he had some strange illness.

Jiang Yu frowned and quickly took out a silver needle and stabbed it into the middle-aged man's forehead.

The driver thought that Jiang Yu was going to help him get into the car, but he did not expect her to suddenly make a move. He was momentarily stunned.

It was not until he saw that Jiang Yu had already pierced a few needles that the driver said angrily, "Our Sir's illness is not an ordinary illness. If you randomly use needles like this, you will kill someone."

After saying that, the driver was about to pull Jiang Yu away.

He did not expect her to be so bold.

However, he had just taken a step forward when he was stopped by Teng Yi. "Leave it to her. She has studied medicine."

The driver's expression changed drastically. "It's useless even if she has studied medicine. Sir's illness can only be barely stabilized by an old doctor from a Chinese Medicine Hospital. Moreover, every time the illness strikes, it requires at least an hour of treatment before it can be alleviated."

"It's done."

At that moment, Jiang Yu suddenly spoke.

The driver took a step forward and realized that the originally pale-faced sir had actually returned to his normal appearance.

He slowly opened his eyes.

That person glanced at Jiang Yu and quickly closed his eyes again, not moving at all.

The driver's expression changed drastically. "Director Dai."

"He's fine. He's just asleep. It'll be fine once he wakes up."

Jiang Yu put her hands in her pockets and had already put away the silver needles.

The driver was skeptical. However, he still asked Jiang Yu and the others to send him to the hospital.

In the ward.

Dai Zhu rushed to the hospital.

"Dad!" Dai Zhu received a call from the school. She knew that her father had fallen ill again, so she rushed over.

The driver said, "Director Dai is fine. Fortunately, I met someone who knows medicine on the way and managed to stabilize his condition."

At that moment, director Dai woke up.

"Who was the person who saved me just now?" Director Dai asked.

The driver shook his head. "The person left very quickly. She didn't leave her name behind."

Director Dai sighed. "Many doctors can't treat my illness. I must find that doctor. Perhaps there's a chance of recovery."

Dai Zhu asked, "What doctor?"

The driver said, "It's a lady who looks similar to you. She actually used acupuncture to stabilize Director Dai's condition."

Dai Zhu immediately saw hope.

However, she didn't know where to find this doctor.

Outside, Jiang Yu and Mo Long were already heading to the restaurant they were supposed to go to.

She had no idea that the person she saved was actually Dai Zhu's father, who had bet with her on the exam.

Chapter 137: By Accident

Weekend.

Jiang Yu went to the filming location of Zhuo Zheng's MV.

At the filming location, there were many Zhuo Zheng's fans at the entrance of the building, constantly shouting Zhuo Zheng's name.

There were also fans holding signs with Zhuo Zheng's name written on them.

At this moment, a car stopped at the entrance of the building.

Teng Yi got out of the car and opened the door for Jiang Yu.

Zhuo Zheng's fans couldn't help but quietly look at Jiang Yu who got out of the car.

When they thought that the female lead of their idol's music video was Jiang Yu, the fans' expressions immediately became complicated.

Some had looks of disdain.

But for a moment, they didn't know what to say.

The person was chosen by their idol. How could they go against their idol?

They could only gloomily look at Jiang Yu as if they had eaten a fly.

The entire place was dead silent.

Jiang Yu got out of the car and said to Teng Yi, "I'll call you when I'm done filming."

Teng Yi nodded and drove off.

He still had to rush to Sir's place.

Jiang Yu swept a glance at Zhuo Zheng's fans.

She immediately smiled and walked in brightly.

There was a music video production company in the building.

Today's shooting was all indoor shooting. A set master would set up the effects first. The entire shooting location was beautiful and surreal. It was as if she had fallen into a dream.

Zhuo Zheng sat on the chair next to the camera and watched the director's actions.

He had almost finished shooting the parts that belonged to him. Only the parts where Jiang Yu and he acted together were left.

He didn't know when Jiang Yu would arrive.

Zhuo Zheng was getting impatient from waiting.

After all, the scheduled time was almost up but Jiang Yu hadn't appeared yet.

Zhuo Zheng frowned and thought to himself, if it was Li Yue, she would definitely arrive ten minutes earlier and prepare everything in an orderly manner unlike Jiang Yu.

Just as he was thinking, the sound of the door opening came from the other side.

"Jiang Yu is here," Zhuo Zheng's assistant hurriedly said.

Zhuo Zheng hurriedly stood up and looked in Jiang Yu's direction. Without waiting for Jiang Yu to speak, he directly said, "The dressing room is over there. Get ready and come out to start shooting! We must finish shooting all the scenes today. We don't have that much time left."

Zhuo Zheng was worried that Jiang Yu wouldn't be able to shoot well. He had always been a little anxious.

However, Jiang Yu still arrived so late.

Jiang Yu did not say anything and went straight into the dressing room.

A few makeup artists and costume artists started to fiddle with Jiang Yu's body.

Jiang Yu was like a marionette, allowing them to fiddle with her at will.

Jiang Yu was wearing a set of black and white clothes on both sides.

They represented angels and demons.

When filming Jiang Yu's left side, Jiang Yu had to put on an angelic face. When filming her right side, she had to put on a demon face.

Very quickly, Jiang Yu finished her disguise.

Before she could even take a look at herself in the mirror, she had already been hurriedly pushed out.

The makeup artist said to Zhuo Zheng outside, "It's done."

Zhuo Zheng lowered his head to look at the time. He was very satisfied with the efficiency of the costume change.

Then, he turned around and looked at Jiang Yu.

When he saw her, he could not help but be stunned.

Jiang Yu, who was standing in front of him, was looking at the staff around her with an innocent expression.

She had not even gotten the script.

They were going to start filming already?

Very quickly, Jiang Yu gave Zhuo Zheng a resentful look.

In an instant, her aura changed completely, and the aura of a demon rushed towards him.

Zhuo Zheng felt that he had seen wrongly.

He had actually seen two completely different expressions on Jiang Yu's body, but they were so compatible with today's theme.

For a moment, Zhuo Zheng was a little excited.

Perhaps, Jiang Yu could perform well as an angel and a demon?

Even though it was her unconscious expression, as long as she had a little guidance, maybe she would be able to express very well.

Chapter 138: Piece Of Unpolished Jade

Soon, the director told Jiang Yu the role she needed to play.

In fact, it was very simple. It was to shoot a few scenes of Jiang Yu's innocence, and then shoot a few scenes of the devil.

Different angles would produce different colors of clothing.

But Jiang Yu only needed to switch emotions.

The actions given were also the simplest physical actions.

Jiang Yu followed the director's words.

First, she acted as an angel.

She turned her body to the side and directed her white clothes towards the camera.

Then, she tried her best to look at Zhuo Zheng with pure and innocent eyes.

She reached out a hand and caressed Zhuo Zheng's face. Her eyes sparkled. She looked as innocent as a child.

When Zhuo Zheng saw this face, he suddenly felt all the hair on his body stand on end.

He had never seen a person's eyes so pure and harmless.

It was as if she was completely tolerant and a very compassionate person.

At this moment, Zhuo Zheng was at a loss.

He suddenly felt that maybe Jiang Yu had never had any bad intentions.

The rumors outside were just slander from the netizens.

At this moment, Zhuo Zheng suddenly felt that he might have misunderstood Jiang Yu?

How could a kind person like Jiang Yu steal someone else's boyfriend?

Maybe she didn't know about it at all?

Maybe she and Mo long really liked each other. Maybe the movie queen really didn't date Mo Long?

"Cut!"

Suddenly, the director's shout pulled Zhuo Zheng back from his thoughts.

"Very good. Now, let's shoot the part about the devil."

Zhuo Zheng looked at Jiang Yu again and saw that Jiang Yu's emotions were indifferent. She no longer had the pure and innocent feeling from before.

Zhuo Zheng must have seen wrongly.

He shook his head and his rationality pulled him back.

Li Yue had been good friends with him for many years and it was impossible for her to lie.

Hence, Jiang Yu was definitely the third party who destroyed people's feelings.

As expected, when Jiang Yu patted the devil again, the scheming and crafty look in her eyes immediately made Zhuo Zheng's hair stand on end.

He immediately had the thought of getting away from Jiang Yu.

But unfortunately, even though Jiang Yu was a devil, her looks were simply too good.

Her entire body exuded a fatal attraction.

It was like... It was like a poisonous rose.

It was obviously extremely seductive, but it would prick his hand if he touched it.

Zhuo Zheng looked at Jiang Yu with a very complicated gaze.

Once again, he was brought into a mood of the scene by Jiang Yu.

It was not until the director shouted for cut that Zhuo Zheng then took a deep breath.

He suddenly realized that Jiang Yu's acting skills were actually so good.

But when he looked at Jiang Yu again, he realized that Jiang Yu was saying to the director, "Director, was my performance just now okay? I don't know if the look in my eyes was right."

The director said in satisfaction, "The shooting was pretty good."

Jiang Yu heaved a sigh of relief and quickly went to look at the film.

She was instantly shocked, "I didn't expect that the shooting would be better than what I expected."

When Zhuo Zheng heard this, his heart immediately relaxed.

Jiang Yu must have acted by accident just now.

Otherwise, her performance just now would have been too perfect.

Up till now, only Li Yue was able to bring herself into the role so easily and quickly.

And Jiang Yu had obviously pulled herself out very quickly as well. It was obvious that she wasn't in character and the various expressions that she displayed were all just a fluke.

Zhuo Zheng thought of this and immediately walked over.

The director said, "Today's filming can end now."

Zhuo Zheng didn't expect it to be so smooth. He had already finished filming and if he didn't finish filming in the afternoon, he would have to stay up until he was satisfied.

Jiang Yu called Teng Yi and asked him to come pick her up.

Meanwhile, she walked towards the entrance of the building.

When the fans outside saw Jiang Yu coming out, their eyes were filled with disdain.

"She finished filming so quickly. Don't drag down the quality of our idol's music video."

"Is there no one to pick her up? Haha, it's so funny to see her standing there.."

Chapter 139: Give You A Ride

At this moment, Zhuo Zheng also walked out of the building.

A few security guards followed beside Zhuo Zheng.

When the fans saw Zhuo Zheng, they immediately screamed.

"Brother Zhuo Zheng."

"Has your music video been taken?"

"Oh my God, I've finally met my idol."

Zhuo Zheng was quickly surrounded by enthusiastic fans.

Zhuo Zheng greeted the fans.

His assistant had already gone to the parking lot and would be at the entrance to pick Zhuo Zheng up very soon.

Zhuo Zheng had originally wanted to get into the car very quickly, but his gaze landed on Jiang Yu, who was standing at the side waiting for the car. She looked extremely cold and distant.

At this time, Jiang Yu's assistant had not come to pick her up?

Zhuo Zheng thought that after all, Jiang Yu and he worked together.

If no one came to pick Jiang Yu up, he could still send her off.

Therefore, under the shocked gazes of the fans, Zhuo Zheng walked towards Jiang Yu.

The few fans' eyes immediately widened.

What was going on? Where was brother going? Could he be going to that pretty face Jiang Yu?

The fans immediately fell into a state of panic. The gaze they gave Jiang Yu was like a sharp sword that could pierce through people.

"Jiang Yu, do you want me to give you a ride?" Zhuo Zheng stood in front of Jiang Yu.

The fans: "..."

Why did their idol take the initiative to give Jiang Yu a ride?

What exactly did Jiang Yu do in there? Could it be that brother was also mesmerized by Jiang Yu's face?

Jiang Yu turned her head to look at Zhuo Zheng and said with a smile, "There's no need. The person who picked me up will be here soon."

Jiang Yu had informed Zhuo Zheng too late just now, so Teng Yi should be here soon.

Zhuo Zheng saw how polite Jiang Yu was with him.

Immediately, he had a good impression of her.

In fact, Jiang Yu was very considerate towards other male artistes and kept a safe social distance from them.

It wasn't as unbearable as the rumors said.

A black Maybach was driving towards them.

Teng Yi looked at Jiang Yu's situation and suddenly said, "President Mo, Miss Jiang seems to have been hit on by someone?"

Mo Long, who was reading the information, suddenly narrowed his eyes and looked outside with an unfathomable gaze.

As expected, he saw an extremely good-looking male celebrity walking together with Jiang Yu as if they were talking about something.

His gaze was filled with curiosity as he sized Jiang Yu up.

"President Mo, could it be that that person wants to pursue Miss Jiang?" Teng Yi reminded.

It was nothing unusual. Jiang Yu was so outstanding, there would definitely be someone who would fall in love with her.

Mo Long's grip on the document tightened.

Jiang Yu was just about to let Zhuo Zheng leave on his own. He didn't need to take care of her.

However, at this moment, Zhuo Zheng's gaze turned cold as he suddenly looked towards the luxurious car that was driving towards them.

The car window was opened and one could see Mo Long's handsome face from inside.

However, the man's gaze was directly on the spot where Jiang Yu and Zhuo Zheng were standing. His eyes were filled with a dangerous aura.

Zhuo Zheng subconsciously took a few steps back.

A look of disdain flashed across the man's eyes.

Zhuo Zheng was stunned.

This man actually didn't take him seriously.

Mo Long said to Teng Yi, "Just that, Jiang Yu wouldn't be interested in him."

Mo Long felt that Zhuo Zheng couldn't be compared to him at all.

When Jiang Yu saw the car that had come to pick him up, she immediately said to Zhuo Zheng, "Senior Zhuo, when the music video is edited, remember to inform me immediately. I'll be leaving first."

After saying that, Jiang Yu opened the car door and got into the car.

When Jiang Yu saw that Mo Long was actually there, she paused for a moment. Then, the corners of her mouth subconsciously curved up slightly as she sat beside Mo Long.

The car door was abruptly closed.

Then, at the same second, Teng Yi had already driven the car out quickly.

He didn't give Zhuo Zheng any more opportunities to size them up.

Zhuo Zheng stood rooted to the ground. When he saw Mo Long just now, he also felt that this person was really too outstanding.

He didn't know why, but he actually gave himself a great sense of oppression.

Perhaps this was the power of a superior.

Chapter 140: Who Would Jiang Yu Invite

However, what was with his disdain for him? Could it be that he had seen wrongly?

On the other side.

Zhuo Zheng's fans were all furious.

Their Prince Charming had kindly offered to send Jiang Yu off, but they did not expect him to be coldly rejected by Jiang Yu. Moreover, she had left so cleanly.

In short, in their opinion, whatever Jiang Yu did was wrong.

Soon, Zhuo Zheng's assistant drove over.

Zhuo Zheng greeted his fans, got in his car, and left.

...

Ever since Chen Jin's incident at school, many people had developed sympathy for Jiang Yu.

They didn't expect Jiang Yu's background to be so rough.

When school reopened on Monday, Jiang Yu came to class one and found a few fans of the movie queen looking at her with unkind eyes.

However, just as Jiang Yu was about to walk towards her seat, a few students who were originally neutral quietly reminded her, "Jiang Yu, there's something in your desk."

"It's that person who placed something in your desk."

Jiang Yu raised her eyebrows.

She saw a lackey who was wearing a pearl and looking at her awkwardly. "What are you talking about? I didn't do anything."

Jiang Yu walked to the front of her seat. Without looking inside, she moved her desk in front of that classmate.

She switched the other person's desk.

That lackey immediately panicked. "Jiang Yu, what are you doing?"

"Since you didn't do anything, what are you afraid of? Did you really put something in there just now?"

"I." The sidekick's face immediately turned red.

The sidekick didn't even dare to sit in his seat. But class began very quickly so he could only sit in front of the table with a bitter expression.

Actually, he didn't do anything. He just put in some disgusting things.

But now that he was replaced by Jiang Yu, the sidekick looked constipated during the entire the class.

Jiang Yu smiled at the few students who had reminded her, "Thank you."

In an instant, a flower suddenly bloomed on that exquisite face, causing the few female students' faces to instantly turn red.

Jiang Yu was really too good-looking.

After class, the fan Tian Guo ran over and said worriedly, "Jiang Yu, did you call your parents over for the performing art exam this afternoon?"

When Tian Guo was in class eight, she heard from Jiang Ran that her mother would come to school in the afternoon, but her father couldn't come because he was busy with work.

Everyone knew that Jiang Ran and Jiang Yu were twins. Didn't this mean that Jiang Yu couldn't even invite a parent in the afternoon?

Tian Guo was suddenly very nervous. She was worried that Jiang Yu would be teased in the afternoon, so she wanted to help Jiang Yu out.

However, Jiang Yu patted Tian Guo on the shoulder and said, "Little Guo, don't worry. I've invited someone."

Tian Guo immediately heaved a sigh of relief.

The students at the side all looked at Jiang Yu curiously.

If her parents weren't coming, who would Jiang Yu invite?

In the afternoon, it was the busiest time in the school.

In the performing art department of the first year, all the classes had to conduct the performing art mid-term exam.

At the same time, it was also an open day for the school.

Many parents of students were invited over.

They said that they wanted to let the parents grade, but in reality, they also wanted to let the parents know, how well the students were doing, what level they were at school, and what was the difference between them and the other students.

In every exam room, there were chairs for the parents to sit on and the students would come in one by one to perform.

In every class, the exam would last the whole afternoon.

The method was based on parents' scores and average scores.

Before the exam, Jiang Yu saw Jiang Ran being surrounded by a few students.

"Jiang Ran, you have a chance of getting first place in the class this time. No wonder your mother only came to be your judge and refused to go to class one."

"Yeah, Jiang Yu will definitely be kicked out of the class one this time. It'll be a disgrace if she goes."

"Jiang Ran's results are the best in our class. Who knows, maybe she'll be able to get into class one this time?"

Jiang Ran smiled and looked at Jiang Yu, who was not far away.
