

Older Man 1324

Chapter 1324 Elope

Chu Jie sat in her room for a long time. Her eyes were red, and it was obvious that she had just cried.

After much thought, she finally decided to go to Mo Long's room.

She knocked on the door and tried to make her voice sound calm. "Mr. Mo Long, are you free now? I have something to tell you."

Mo Long walked over and opened the door, asking, "What is it?"

Chu Jie tried her best to force a smile and said, "This is a serious matter. Can I go in and tell you in detail?"

Mo Long paused for a moment and stepped aside to make way, saying, "Come in,"

Chu Jie walked in and felt at a loss for the first time. It was really strange. This was clearly her home, but when she walked in, it felt as if she was in a strange place. The person in front of her was also a stranger.

Chu Jie rubbed her face to make her expression not look so stiff. "Mr. Mo Long, I'm your fiancée, right?" she asked.

Mo Long did not know why she would ask this question.

Chu Jie waited for Mo Long's reply for a long time and couldn't help but feel a little anxious. "Mr. Mo Long, say something! Am I not your fiancée? Everyone already knows about our marriage, so I'm your fiancée, right?"

Mo Long was silent for a while before saying, "Miss Chu Jie, you're emotionally unstable right now. You should go back and calm down. When you've calmed down, come and find me, and we'll talk about this again."

“I’m already very calm!” Chu Jie’s emotions started to get agitated. “You only need to say that I’m your fiancée. Why didn’t you say anything? Mr. Mo Long, the fact that you have a fiancée is fake. Am I right?”

Mo Long was stunned. He did not know how Chu Jie found out about this.

Chu Jie looked at Mo Long’s expression, and she gradually felt a chill in her heart. She shouted, almost breaking down, “Mr. Mo Long, why aren’t you answering me?!” Hurry up and tell me that this is fake, it’s fake! I’m your fiancée, and we’re getting married soon!”

“Mr. Mo Long, I’m really very calm.” Chu Jie said, “I’m your fiancée, right? You just need to nod. Many people don’t want us to be together, so they made up a lie to lie to me, saying that you have a fiancée. Mr. Mo Long, why don’t we elope? Leave this place, the further the better! I’ll go back to Shanghai with you, how about that?”

“Miss Chu Jie, now is not the time to joke.” Mo Long’s eyes darkened. “If there’s nothing else, you can go back first. I’m tired, I want to rest.”

“I ...” Chu Jie still wanted to say something, but since Mo Long had already asked her to leave, she could only return unwillingly.

Mo Long refused to answer this question, so Chu Jie knew that Jiang Rou was telling the truth.

Chu Jie returned to her room. The anger in her heart could not be appeased for a long time. She was so angry that she smashed everything in the room.

“Get lost! Don’t bother me!” Chu Jie’s eyes were bloodshot. “It would be best if I died like this! If I can’t even get the man I love, what’s the point of living? Why won’t he admit that I’m his fiancée? Why?”

She shouted until her throat was hoarse, and in the end, she didn’t have the strength to smash anything. Chu Jie fell to the ground weakly, tears rolling down her cheeks.

“Why? Why?” Chu Jie burst into tears. “Compared to that Jiang Yu, what’s the difference between me and her? Why isn’t Mr. Mo Long willing to look at me?”

The housekeeper outside the door was so anxious that she couldn’t care less and directly opened the door and went in.

As soon as she entered the room, she was greeted with the sight of a room full of wolves. Chu Jie was kneeling by the bed, wailing.

Chu Jie cried until she was out of breath, and her words were stammering, “Why ... Why? Why won’t he admit that I’m his fiancée? Everyone already knew about the marriage alliance, so why would he not admit it? Now, Jiang Yu popped up out of nowhere and said that she was Mo Long’s fiancée. What about me? What am I?”
