Chapter 1325 What Kind of Trash Is He?

The nanny was not aware of this and did not know what Chu Jie meant. She could only comfort her, “Miss, don’t cry. Everyone knows about your marriage with Mr. Mo Long, so you’re his fiancée.”

“If I’m really his fiancée, why won’t he acknowledge me?” Chu Jie cried and said, “he already has another woman in his heart, but that woman isn’t me! If that’s the case, why did he agree to my marriage? If I had rejected him from the start, today’s matter wouldn’t have happened.”

“Really? Can I really marry him?” It was as if Chu Jie had found a life-saving straw. She grabbed the housekeeper’s arm tightly. “You also think that I can really marry Mr. Mo Long, don’t you? You also think that Jiang Yu can’t compare to me, don’t you? As long as I treat Mr. Mo Long a little better, he’ll definitely like me! Am I right?”

The housekeeper didn’t know what to say and could only vaguely nod and say, “Miss, that Jiang Yu is far worse than you. Mr. Mo Long might only have a momentary sense of novelty for her. As long as you treat him well, he’ll definitely slowly like you.”

“You think so too, don’t you?” Chu Jie found her confidence again. “As long as I’m always so good to him, one day, he’ll see how good I am to him. He’ll definitely like me! That Jiang Yu is nothing compared to me! She doesn’t deserve to be with Mr. Mo Long at all!”

Thinking of this, Chu Jie’s mood instantly improved.

“You can leave first, I don’t have anything for you to do here.” Chu Jie said, “when you go out, help me call a bodyguard in. Tell him that I have something to discuss with him.”

“Yes, miss.”

The nanny answered and left. Not long after, a bodyguard came in.

“Miss, I heard you were looking for me.”

“Yes, I have something I need you to do.” Chu Jie said, “there’s a person named Jiang Yu in Shanghai. Go and investigate her for me now. The more detailed, the better. Give me the results of the investigation directly. Don’t let it pass through anyone else’s hands.”

“Yes, miss.” The bodyguard said and left.

“Hmph, Hmph.” Chu Jie sneered. “Jiang Yu, I don’t care who you are. In the end, I’m the only one who can stand by Mr. Mo Long’s side! I’d like to see what kind of trash you are!”

The bodyguard’s investigation speed was very fast. The next day, he handed over the results of the investigation to Chu Jie.

“Miss, this is all the information I’ve found about Jiang Yu.” The bodyguard said, “her information is hidden very well. In order to prevent her from finding out, I didn’t continue to investigate.”

Chu Jie read the message carefully and sneered, “This information is enough. Alright, you can go back now.”

The smile on Chu Jie’s face became more and more Savage as she read the messages. “Hahaha! Jiang Yu, that’s all you’ve got! Just because he’s young and good-looking, he really thinks he’s above everyone else? How could a Crow fly up a branch and become a Phoenix? Even if you land on the parasol tree, you’re still a black crow.”

She laughed for a long time and sent an email to Jiang Yu according to the contact information that the bodyguard had found.

“If you have the guts, then come and meet me.” Chu Jie gritted her teeth in hatred.

At the same time, there was another email that was sent to Jiang Yu’s mailbox.

Jiang Yu looked at the two emails on her phone that she had received at the same time, and she had a puzzled expression on her face.

One of them was signed by Chu Jie, and the other was signed by Jiang Rou.

She knew who Chu Jie was, but who was this Jiang Rou?

Jiang Yu opened the two emails doubtfully and found that although they were signed by two different people, the content was the same-they were both " invitations " to her to visit the Chu family.

"Why did you invite me to the Chu family?" Jiang Yu was puzzled. "Could it be ... What happened to Mo Long in the Chu family?"

At the thought of this, Jiang Yu quickly contacted Mo Long and told him about this matter.

"They want you to come to the Chu family?" Mo Long paused, suddenly recalling the strange questions Chu Jie had asked him when she came to look for him yesterday.

At that time, he thought that Chu Jie was being unreasonable. Now that he thought about it, it turned out that things had started to take a turn for the worse at that time.
