

## Older Man 1326

### Chapter 1326 Visiting

“I’m also curious. When I turned on my phone today, I saw two emails.” Jiang Yu said, “I’m worried that something might have happened to you in the Chu family.”

“No, I didn’t,” Mo Long was silent for a moment, but he still told Jiang Yu about the question Chu Jie asked him yesterday.

“Why would she suddenly ask you this question?” Jiang Yu also felt that it was a little unbelievable. “The fake Mo Long agreed to the marriage in front of everyone and even said that he was single. Your current identity is that of the fake Mo Long. Why would Chu Jie suddenly ask this question?”

“I suspect that someone has whispered something into her ear.” Mo Long muttered to himself, “but I don’t know who this person is.”

!!

“This matter is indeed very suspicious.” Jiang Yu said, “and this Jiang Rou, what’s her relationship with the Chu family? He even sent me an email to invite me to the Chu family.”

“Jiang Rou ...” Mo Long carefully recalled and confirmed that he had never heard this name from Chu Jie’s mouth.

“I’m not too sure either. I’ve never heard Chu Jie mention it.” Mo Long said.

“That’s strange.” Jiang Yu felt that it was strange, but she still planned to go to the Chu family to take a look. “I’ll go. Since these two emails are inviting me to the Chu family, it means that the Chu family has investigated me. Since that’s the case, let’s just be Frank and not hide anything.”

Mo Long was silent for a moment before saying, “alright. After you arrive, I will let Xu Yang and Shi Li protect you. If anything happens, I’ll have them take you away.”

“If you want to leave, then leave together. If something really happens, your identity will be exposed.” Jiang Yu said, “how could I possibly leave you there alone? But don’t worry, I’ll be very careful. Nothing will happen. Now that the Feng family is on our side, our power is greater than the Chu family’s, so you don’t have to worry.”

“Yes.” Even though Jiang Yu had said so, Mo Long was still a little worried.

The visit was three days later. Jiang Yu arranged everything and asked Feng ran to help take care of Teng Yi while she went to the Chu family.

The bodyguards at the entrance of the Chu family’s house knew Jiang Yu, so they did not stop her and let her in directly.

Jiang Yu knocked on the Chu family’s door and a nanny came to open the door very quickly. “Hello, may I know who you are?”

“I’m Jiang Yu.” Jiang Yu said, “your Chu family has sent me two emails, saying that you want to invite me to your house.”

The nanny had also heard of the name ‘Jiang Yu’, so she stepped aside to make way for her. “Please enter.”

After Jiang Yu entered the house, she found a few people sitting on the sofa in the living room-old master Chu, Chu Jie, Jiang Rou, and Mo Long.

Jiang Yu glanced at them casually and asked, “You sent me two emails and asked me to come over. Is there something wrong?”

Chu Jie couldn’t hold back her temper and asked in a sharp voice, ” tell me the truth, what’s your relationship with Mr. Mo Long?!”

“Shut up!” Old master Chu shouted, “as the host, don’t you know that this is very rude? You’re really an embarrassment to the Chu family!”

“Grandpa!” Chu Jie called out unwillingly.

However, seeing how serious old master Chu’s expression was, Chu Jie did not dare to act rashly and could only shut her mouth obediently.

Old master Chu put on a kind face and said to Jiang Yu, “I’m sorry, please forgive me, miss Jiang Yu. However, I’m also very curious about the question my granddaughter asked. Miss Jiang Yu, what is your relationship with Mr. Mo Long?”

“What kind of answer do you want?” Jiang Yu retorted, “you asked me this question as soon as I came. I’m sure you already have an answer in your heart, right? You guys should have sent people to investigate me long ago, so my relationship with Mo Long should have been investigated by you guys as well, right?”

Old master Chu frowned and said, “but that’s only the information we found out. You didn’t admit it yourself. Of course, I’m not trying to separate you and Mr. Mo Long. As long as you acknowledge your relationship, I can immediately cancel this engagement.”

“Grandpa!” Chu Jie looked at old master Chu in horror. “Why are you talking about this again? Didn’t I say I don’t agree?”

“Shut up!” Old master Chu rebuked angrily, “you have no right to disagree with this matter!”

Jiang Yu glanced at Chu Jie and said, “the information you’ve found is the truth of this matter.”

In other words, Jiang Yu had admitted that she was Mo Long’s fiancée.

“What ...? What the hell!” Chu Jie stomped her feet in anger. “I’m his fiancée!”
