

Older Man 1341

Chapter 1341 Uncle Chi

“I advise you not to play any tricks,” Mo Long said.

“I don’t dare, I don’t dare.” The man was very careful, and he didn’t even have the frivolous attitude he had towards Jiang Yu just now.

Nonsense, this was Mo Long’s fiancée! Mo Long was also the distinguished guest of the Chi family’s head, so whoever provoked him would be seeking their own death!

Jiang Yu was extremely worried and wanted to go with them no matter what.

Mo Long wanted to let her go back first, but those people said, “it’s okay, it’s okay. Madam Mo, go ahead. We will treat her well!”

Mo Long looked at Jiang Yu’s determined gaze and could only give up, letting her go with him.

Those few people didn’t even care about the goods and took Jiang Yu and Mo Long to find Chi Rui.

Chi Rui lived in a very simple two-story building, with flowers and grass in the yard.

After the few of them brought Jiang Yu and Mo Long to the main entrance, they whispered a few words to the bodyguard. The bodyguard opened the door and gestured to Mo Long. please.

Mo Long walked in. Jiang Yu wanted to follow him in, but the bodyguard stopped her. “I’m sorry. Our boss only invited Mr. Mo Long. No matter who you are, you can’t go in.”

Jiang Yu had no choice but to wait outside.

The few of them fawned over Jiang Yu like lackeys, ‘Madam Mo, are you hungry? Are you thirsty? Do you want me to buy you something to eat?’

“Madam Mo, the sun is too bright here. I brought you here to avoid the heat.”

“Madam Mo, I’ll bring you to a fun place later. You and Mr. Mo Long can enjoy your time together there.”

These few people were sucking up to her, but Jiang Yu was only worried about Mo Long. She didn’t have the mood to listen to anything else.

Therefore, they were automatically filtered out as mutes.

After Mo Long entered the house, he saw a middle-aged woman watering the flowers in the courtyard. There was also a little girl with two ponytails helping her.

A middle-aged man was lying on a rocking chair next to him, smiling as he watched the scene in front of him.

If he didn’t guess wrong, that middle-aged man was Chi Rui.

This was supposed to be a harmonious and beautiful scene, but at the thought of Chi Rui opening the black market and doing so many despicable things, Mo Long felt a chill in his heart.

Chi Rui also noticed Mo Long. He got up and walked over, asking with a smile, “It seems like we haven’t seen each other for a long time.”

“I don’t think we’ve met before.” Mo Long said, not giving Chi Rui any face at all.

“Hahaha, I knew you would say that.” Chi Rui didn’t feel embarrassed. Instead, he patted Mo Long’s shoulder and said, “come with me. I have something to tell you.”

With that, he walked towards the backyard.

Mo Long followed behind him and went to the backyard together.

Chi Rui looked at the dense trees in the backyard and said with emotion, “Mo Long, look at these trees. It’s still luxuriant now, but when winter comes, those leaves will all fall and become nourishment for the tree. In this way, the tree will grow even better next year.”

“You came to me just to tell me this?” Mo Long frowned. “If that’s the case, then there’s no need to waste time.”

“Of course not.” Chi Rui smiled. “I’m looking for you to talk about a cooperation.”

“Don’t be in such a hurry to reject me.” Chi Rui said, “Don’t you want to hear about the benefits? As long as you agree to cooperate with me, I can give you 15% of the black market’s industry chain. Since you don’t want to be involved in drugs, I won’t give you drugs. I’ll give you another industry chain. How was it? This is a good opportunity that others can’t even dream of.”

“Everyone else wants it, so why do you have to give it to me?” Mo Long questioned.

“What are you saying? I’m giving it to you because in this world, I only believe in your abilities.” Chi Rui said, “only your ability can help me bring in huge profits. I would never miss a person like you.”

“It doesn’t matter if I miss it.” Mo Long said, “the black market’s profits have always been high. Whether I help you or not, the profits will be enough to make you worry about food and clothing.”

“No, no, no...” Chi Rui shook his head frantically. “Not enough, this is not enough! I want more profits! Who would mind earning more money? Don’t you think so, Mo Long?”

Chapter 1342 A Deal Is Made

Chi Rui looked like a greedy and insatiable businessman, unscrupulous and only for his own interests.

Mo Long was silent for a long time. “Mr. Chi, you still have a wife and daughter. If you do this, what will happen to them in the future?” He said.

“I will protect my wife and daughter well. You can trust me on this. Chi Rui’s eyes shone like a hungry wolf seeing its prey. Mo Long, you’ll be a father in the future too. If you had a daughter, you would realize how great a father was. Especially when you’re protecting your wife and daughter, you’ll be even more noble.”

“Are you doing this to protect them?” Mo Long couldn’t understand Chi Rui’s thoughts. “You’re clearly dragging them down! If it were me, I would never do such a thing!”

!!

“Why am I not protecting them? As long as I have enough money and power, I can give them the best life.” Chi Rui laughed like a madman. “I’m getting closer and closer to this position now. No one dares to provoke me now. Tell me, how can this not be considered protection?”

Mo Long was truly speechless this time.

Chi Rui was still guiding her patiently and said, “how is it? Mo Long, the conditions I’m offering are already tempting enough. Could it be that you’re really not moved by this?”

“Yes.” Mo Long was silent for a long time before saying, “will it be as you said just now? As long as I agree to cooperate with you, you’ll give me 15% of the black market’s industry chain?”

“Of course. Do I look like the kind of person who would lie to you?” Chi Rui smiled triumphantly.

“Okay, I agree to your request. However, I have a condition. There are no illegal businesses in the 15% of the estate.”

“Alright, alright, alright. We’ll do as you say.” Chi Rui smiled with satisfaction and invited Mo Long to stay for dinner.

However, Mo Long rejected him. “My fiancée is still waiting for me outside. I’ll go back first. Sorry I can’t keep you company.”

“Time really flies. You’ve always claimed that you don’t want to get married, but I didn’t expect you to change your mind in the end. You even have a fiancée.” Chi Rui sighed. “When you get married, you must give me the first invitation. I’m really curious. What kind of woman is able to hold Mo Long?”

“Don’t worry, I will.” Mo Long responded before turning around and leaving.

“Mo Long, we’ll have plenty of opportunities to meet in the future. The next time we meet, bring your fiancée and let me see her.” Chi Rui said to him from behind Mo Long, “no matter what, I’m your elder, and we’ll be working together in the future. It’s not too much to get to know your fiancée.”

Mo Long ignored him and walked away, leaving him with only his back view.

Chi Rui looked at Mo Long’s back thoughtfully. He couldn’t help but reach out and touch his chin, revealing a meaningful smile on his face.

He was still laughing when the little girl with two ponytails ran over and called him loudly, “dad!”

Chi Rui smiled and picked her up, his face full of the smile of a loving father. “What’s wrong? Dad’s here.”

The little girl took out a flower and said with a smile, “daddy, look at my flower. Isn’t it pretty? Mom just plucked this for me.”

“It’s good,” At this moment, Chi Rui was like a kind father, not a black-hearted businessman who only had the dark industry in his heart and did not care about human lives.

Chi Rui's wife also walked over with a smile at this time. She had a gentle temperament, like a gentle woman in a small town in Jiangnan.

She walked over and asked with a charming smile, "who was that person just now?" I've never seen him before."

Chi Rui explained, "Mo Long, an old friend. Although the age gap is a little big, we have quite a common topic. Recently, he brought his fiancée to Qingcheng for a vacation, so I invited him over to reminisce about the past and to talk to him about cooperation."

"I see, then why don't I see his fiancée? There were many seasonal plants in the yard, and I made a few bracelets with the dried ones. If she comes, I can even give her one." Chi Rui's wife seemed to be a little disappointed.

"I told him that I'll definitely bring him here next time." Chi Rui consoled him, "don't be too disappointed. If we don't meet this time, there'll be a next time. Anyway, Mo Long and I are business partners. We'll have plenty of opportunities to meet in the future."

"That's good too." She returned to her smile.

Chapter 1343 Each With Their Own Schemes

After Mo Long left the courtyard, Jiang Yu finally felt relieved.

She quickly walked to Mo Long's side and carefully examined his body.

Mo Long patted her hand as if to comfort her. "I'm fine. Let's go back first. If there's anything, I'll tell you when I get back."

After that, the two of them went back. The few people who had been following Jiang Yu carefully outside also heaved a sigh of relief.

“He’s finally gone ... Big brother, it seems like this Mo Long is a Big Shot that we can’t afford to offend.”

“Nonsense, that’s the person our boss specifically asked to see. He even said that he would be treated as a distinguished guest. Don’t you think we can afford to offend him?” The man’s temper suddenly became a little anxious. “How unlucky. That batch of goods is still in the basement. So what if they are wet? You guys hurry up and bring that batch of goods back to me!”

“Yes, big brother!”

As Mo Long had something to say to Jiang Yu, Jiang Yu had specially called Jiang Rou and asked for a car.

The car arrived quickly. The driver was a serious-looking middle-aged man.

Jiang Yu and Mo Long got into the car, and Mo Long told Jiang Yu what Chi Rui had told him.

Jiang Yu was a little surprised when she heard that. “According to his research on cyborgs, he managed to find someone to impersonate you, which means that he wants to replace you. Why did he still send you an invitation to cooperate?”

“I’m not sure about that, but I rejected him at first, but he seemed to be very persistent about working with me. Thus, after some consideration, I agreed to his request.” Mo Long said.

“I have a feeling that he’s up to no good. You must be careful not to fall into his trap.” Jiang Yu instructed.

“I know. I’ll be careful. Don’t worry.” Mo Long said.

The chauffeur was quite sensible. No matter what the two people in the back seat said, he pretended not to hear.

After returning to the Chu family, Chu Jie was sitting on the sofa in the living room with a face full of resentment. As soon as she heard the sound of the door opening, she immediately stood up and ran over.

“Mr. Mo Long! You’re up so early today, where did you go? I didn’t see you when I woke up this morning, so I thought you left. Thank God you didn’t, you scared me.” Chu Jie said pitifully.

Mo Long ignored her and changed into his shoes before bringing Jiang Yu back to the room.

Chu Jie was ignored just like that, and this made her very unhappy.

She stomped her feet in anger, but she had no other choice.

After Jiang Yu and Mo Long returned to their room, they began to analyze the matter in detail.

“Logically speaking, he shouldn’t have sent you an invitation to cooperate.” Jiang Yu pondered for a moment. “But now that he has made such an unexpected move, it means that he has other plans. But what was he planning? They’ve even given us 15% of the black market’s supply chain.”

“Even if it’s only five percent, it’s still a huge profit for a black market.” Mo Long said, “even though it’s nothing compared to the entire black market, the fact that he’s willing to give me 15% of the industry chain is enough to show that he’s willing to work with me.”

“Could Chi Rui’s purpose be ... You want to use this 15% of the industry chain to slowly invade the Mo Corporation, right?” Jiang Yu was terrified. “If nothing happened to the fake Mo Long, what would Chi Rui do if he saw the real you? Compared to someone who would rebel against him at any time, he preferred someone who would always obey his orders. As long as the fake Mo Long can successfully replace you, then for Chi Rui, the Mo Corporation will be in his pocket sooner or later. But now that something happened to the fake Mo Long, Chi Rui is missing a trump card, so he directly turned his attention to you.”

Mo Long frowned. It wasn't that he didn't think of this possibility, but there was no evidence to prove it directly now. Chi Rui had such thoughts.

That was why he agreed to Chi Rui's request, and then took this opportunity to investigate further.

"This Chi Rui is really a sly old fox. He's a wily old fox." Mo Long frowned.
"Although I've also thought of this possibility, if he really wants to do this, he's really quite bold."

"No matter what, you must be careful." Jiang Yu said.

Chapter 1344 That Illegitimate Child

Jiang Yu and Mo Long had been discussing things in the room and had not come out. Chu Jie sat outside for a while, but she could not sit still at all.

However, she had learned her lesson and would not disturb them rashly. Otherwise, he wouldn't be able to get anything good in the end.

Jiang Rou also had her own things to do, so she didn't have time to deal with her.

Hence, she could only go to old master Chu's place to make her presence known.

She knocked on the door of the study and called out in a sweet voice, "Grandpa, are you busy now?" I have something to tell you."

Old master Chu's voice could be heard through the door. I'm not busy. Come in.

Chu Jie hurriedly opened the door and went in. She obediently walked to old master Chu's side and stretched out her hands to give him a massage.

Grandpa, this is a new massage technique that I've learned recently. Let me give it a try and see how it feels.

Old master Chu did not even need to think to know that Chu Jie was trying to please him for no reason. She definitely did not have anything good to tell him.

Hence, he said, “since you’re so diligent, just say what you want to say.” Did you take a fancy to another famous brand bag?”

“No way, Grandpa.” Chu Jie pouted her lips in a fit of pique. “I already have a lot of bags. I can’t carry all of them when I go out. Why should I buy so many?”

“Then why did you come all the way here to give me a massage? Don’t you have anything to ask me?” Old master Chu squinted at her. “Tell me, did you get into trouble again?”

“Aiya, I really didn’t, Grandpa.” Chu Jie said. She glanced at the piece of paper on the desk and saw the words ” illegitimate child “.

“Grandpa, are you really looking for this illegitimate child?” Chu Jie picked up the piece of paper and looked at it carefully. “Could it be that our Chu family really has an illegitimate child outside?”

“I’m not sure yet. I’m still investigating this matter.” Old master Chu rubbed his temples as he felt a headache. “The only ones who know the truth are your parents, but they’ve passed away a long time ago. Even if he knew the truth, he wouldn’t tell me personally.”

“Grandpa, I think you should just stop investigating.” Chu Jie said, “what’s the use even if we really find out this person’s identity? Grandpa, are you really going to take him back?”

“Of course, I won’t admit that the Chu family has an illegitimate child outside.” Old master Chu said, “but if this matter is true, I want to find out who he is so that he won’t spread nonsense. If this is fake, then I’ll see who dares to impersonate the illegitimate son of the Chu family.”

“But from the information on this, Grandpa, you’ve already found out a lot.” Chu Jie said as she looked.

“It’s not just that. The people I sent out told me that they found out this person’s name. I heard he’s called Chu Ran.” Old master Chu frowned. “Although I don’t know if this name is real or fake, as long as there’s even the slightest possibility, I will never let him off. After all, to cut grass, one must remove the roots. I’m doing this to avoid future trouble.”

“Grandpa, I don’t think so. There’s no need to go to such great lengths for such a person.” Chu Jie advised, “look at you. Although your body is still strong, you’re getting older. Why do you have to worry about such a thing? can’t you just leave it to the people under you?”

“How can I be at ease when they do things so rashly?” Old master Chu sighed. “No matter what, I will only acknowledge you as my granddaughter. So don’t be afraid. Even if this illegitimate child really exists, I will never let him come back to the Chu family.”

“Yes, I knew it. Grandpa loves me the most.” Chu Jie grinned and leaned on old master Chu’s shoulder. “Oh right, Grandpa, have you considered the matter between me and Mr. Mo Long?”

Upon hearing this name, old master Chu’s expression instantly turned cold. “I can do whatever you want, but not this,” he said.

“Why, Grandpa?” Chu Jie said unhappily, “I don’t have anything else to ask of you. It’s just this one thing. Grandpa, just promise me that you’ll help me.”

“No,” Old master Chu rejected her immediately. “How do you want me to help you with this? If I really did help you, then wouldn’t you become the third party?”

“How am I the third party? It’s that Jiang Yu who doesn’t know what first come first serve is.” Chu Jie said, “I don’t think she has known Mr. Mo Long for long, right?”

“I’ve already told you not to place any hopes on Mo Long.”

Chapter 1345 Lin Tao

“Why can’t I place my hopes on him?” Chu Jie was unconvinced. “He’s the first man I’ve liked so much since I was young. Don’t I even have the right to pursue happiness? Grandpa, I’m your only granddaughter. Can you bear to see me not be happy for the rest of my life?”

“Of course, grandfather wishes for you to be happy, but Mo Long can’t give you happiness at all.” Old master Chu frowned. “If you insist on this, then I can only introduce you to her in advance.”

“Jiang Rou introduced a person to me. This person was also from a rich family. He was good-looking, had a good family background, and most importantly, had a good personality. I originally planned to wait until you’ve come out of this relationship before I introduced him to you, but now it seems that you won’t be able to get out of this relationship. Since that’s the case, I’ll introduce him to you in advance.”

“No, I don’t want to know any strange strangers.” Chu Jie’s face was full of resistance. “It’s useless no matter how good-looking he is or how rich he is. There’s only Mr. Mo Long in my heart, and he’s the only one. No matter who it is, they can’t even dream of shaking his position.”

“Don’t say such things first. After you’ve met the person, if you’re not satisfied, then you can say that.” As old master Chu spoke, he took out a photo and passed it to Chu Jie.

Despite Chu Jie’s unwillingness, old master Chu’s hand remained in the air, waiting for her to take the photo.

Chu Jie could only take the photo and give it a cursory glance.

The man in the photo was wearing a suit and had a bright smile on his face. He looked like a lively and cheerful big boy.

“This person is called Lin Tao.” Old master Chu began to introduce the man in the photo. “Jiang Rou has a good relationship with him. Jiang Rou is a good child, so her friend must be a good person too. Moreover, Lin Tao was personally recommended to me by Jiang Rou, so I trust him even more.”

However, Chu Jie was not satisfied.

“What’s so good about him? It’s not good at all.” Chu Jie could not be bothered to look at the photo anymore and threw it on the desk. “Grandpa, look, he looks like an ordinary person. There are a lot of people like him on the street. Could it be that in your eyes, your granddaughter is only worthy of this kind of person?”

“What nonsense are you talking about? Of course, I don’t think so.” Old master Chu frowned. “I just think that this young man is indeed not bad. Moreover, the Lin group is also a famous company. If you and Lin Tao really end up together, you will be happy in the future.”

“As long as it’s not Mr. Mo Long, I’ll never be happy.” Chu Jie stomped her feet. “Grandpa, I’m begging you. Please don’t introduce me to such strange people. If you really want me to be happy, then please help me and let me marry Mr. Mo Long.”

“So what if he has an engagement with Jiang Yu? He also has an engagement with me! Furthermore, that was something that everyone knew. No one knew that the person who agreed to the marriage was a fake Mo Long, so they would definitely think that it was the real Mo Long. Now, you’re telling the public that you’ve canceled the engagement, and after a while, Mo Long and Jiang Yu will get married. Grandpa, let’s not talk about you anymore. Where do you want me to put my face?”

The more Chu Jie spoke, the more aggrieved she became. In the end, her voice was filled with sobs.

“Aiya, don’t cry,” Old master Chu could not bear to see Chu Jie cry. However, he really could not help in this matter. If he really helped, the Chu family’s reputation would be ruined.

“Even my dearest grandfather is not willing to help me. Can’t I just cry?” Chu Jie’s tears fell like pearls from a broken string. “I’ve been watching the two of them follow me like my shadow every day. Grandfather, do you know how jealous I am? I can’t wait to tear them apart. I can’t wait to eat Jiang Yu up! Mr. Mo Long should only be mine!”

“Even so, you can’t interfere in other people’s relationships. Be good, Grandpa will invite Lin Tao over for a meal in a few days. You can get close to him.” Old master Chu coaxed him, “what if you have a good impression of Lin Tao after getting to know him? Perhaps at that time, you will have to be Lin Tao and not this Mo Long.”

“That’s impossible. There’s no one more outstanding than Mr. Mo Long in this world.” Chu Jie said firmly, “grandfather, no matter what kind of man you bring back, I won’t take a second look at him.”

After saying that, Chu Jie left the study room in tears.

Chapter 1346 Eat Together

Despite Chu Jie’s temper, old master Chu could not get angry with her. No matter what, she was his granddaughter whom he had doted on since she was young. How could he not feel heartache?

However, old master Chu didn’t plan on letting her continue to wallow on Mo Long, so he found a time to invite Lin Tao over for a meal.

Lin Tao had long heard of Chu Jie.

His understanding of her was mostly from Jiang Rou. Jiang Rou was also Chu Jie’s sister, so naturally, she would only say good things about her and would not say anything bad about her.

This led to Lin Tao’s heart gradually developing feelings for Chu Jie even before he saw her. He even swore to take her down completely the first time they met.

Therefore, old master Chu’s request this time was undoubtedly the best opportunity for Lin Tao.

Therefore, he readily agreed. “Sure, Grandpa Chu. You’re the elder, and I’m the junior. In this world, how can the junior not listen to the elder when they’re having a meal together?”

Old master Chu smiled and said, “Aiya, it’s good that you don’t mind. I don’t have any other purpose in calling you here for dinner. I just want you and my granddaughter to get to know each other and build up your relationship.”

“I know, Grandpa Chu. I will.”

After hanging up the phone, Lin Tao started to think about what he should wear to make Chu Jie’s eyes light up.

When it was time for dinner, Lin Tao dressed up and went to the Chu family. Old master Chu was very satisfied with him at first sight, and his eyes were full of smiles.

“Lin Tao, just as Jiang Rou said, he’s really young and promising!” Old master Chu smiled and said, “not bad. As expected of the person I’ve taken a fancy to.”

“Grandpa Chu, you’re too kind. I’m not young and promising, I’m just average.” Lin Tao said, “in a few years, I will try to take over my family’s company. If I can manage my family’s company well by then, then I can be considered half young and promising.”

“You’re already very good now. There are very few people at your age who can do so well.” Old master Chu couldn’t help but praise.

These praises gradually made Lin Tao a little smug. He thought that Chu Jie would praise him like that. However, he did not expect Chu Jie to look at him and scoff in disdain. “Why are you acting humble here? Do you think that you’re good enough just because you’ve done what you’ve done? I think it’s just ordinary. Grandpa, you can’t praise him like that. Otherwise, he won’t know his place and won’t be able to work hard in the future.”

“What are you saying? They’re guests.” Old master Chu frowned. “Why aren’t you coming over to say hello? He came all the way here. As the host, aren’t you going to say hello to the guest?”

Chu Jie then reluctantly greeted Lin Tao.

However, Lin Tao was not angered by Chu Jie’s attitude. Instead, he felt that a daughter from a rich family should have such a temperament.

“Miss Chu Jie, I wonder if I can sit next to you during dinner time?” Lin Tao asked politely.

Chu Jie rejected him without even thinking, “No. You’re not allowed to sit next to me. Stay away from me. ”

The fact that she had obediently attended this dinner party was already the biggest concession she could make. Now, this man was still thinking of sitting next to her? He really didn’t know shame.

Lin Tao felt a little awkward after being rejected. This was the first time he had been rejected by a woman.

He originally thought that with his looks and abilities, even if Chu Jie did not fall for him at first sight, she would at least put on a shy expression.

It wasn’t like what he was doing now, with an obvious look of disdain on his face.

“What kind of attitude is this?” Old master Chu’s voice sank. “Lin Tao is a guest, and the guest wants to sit beside you. What’s wrong?”

“So what if he’s a guest? Can anyone sit next to me?” Chu Jie retorted impatiently, “grandfather, I’ve already agreed to come over for dinner. Please don’t be angry with me over this kind of thing, okay?”

“You’re still blaming me for being angry at you? Why don’t you take a look at yourself? What kind of attitude was that just now?” Old master Chu frowned.

“I don’t think there’s anything wrong with my attitude. I just don’t like people sitting next to me, so I rejected him.” Chu Jie said.

“You child!” Old master Chu could not say anything.

Lin Tao quickly tried to smooth things over, “it’s okay, it doesn’t matter where I sit. The most important thing is to have a family meal together.”

Chapter 1347 I Don’t Like Him

In fact, Lin Tao himself felt a little embarrassed, but in such an atmosphere, if he didn't come out and say something, he probably wouldn't be able to eat dinner.

Otherwise, the whole family would be in an awkward situation. What was the point of having dinner then? If they couldn't find a topic to talk about, could they only stay silent and eat with the air?

"Forget it, let's hurry and eat." Old master Chu also did not want to continue being angry with Chu Jie in front of Lin Tao.

Chu Jie sat down unwillingly.

Lin Tao kept putting food into Chu Jie's bowl. As he put food into her bowl, he said, "come, eat quickly. I see that you're quite thin and weak. Do you not eat much usually?"

He looked so familiar with the place as if it was his home.

"This is my home, not yours." Chu Jie couldn't even be bothered to look at him. "Don't act like it's a matter of course. What does it have to do with you whether I eat or not? Even if I were to starve to death on the streets, it's not your place to care."

"Chu Jie! What are you saying?" Old master Chu was angry. "How many times have I said this? Lin Tao is a guest. As the host, it's fine if you don't serve food to the guest, but you even talk to the guest like this. Aren't you going too far?"

"Am I too much?" Chu Jie retorted mercilessly, "Grandpa, look at this for yourself. It's his first day here, but he's acting as if this is his own home. What did he mean by that? He hasn't even married me yet, and he thinks that our family is his family? He really doesn't treat himself as an outsider."

Chu Jie's words were rather unpleasant to hear, and Lin Tao's face immediately lost all face. That little bit of emotion in her heart had already completely disappeared at this time.

“Grandpa Chu, I don’t think your granddaughter is very welcoming of me. In that case, I don’t think I’ll have to eat dinner. I’ll go back first, I won’t disturb you here.”

With that, he got up and was about to leave.

“Wait, Lin Tao, don’t go yet.” Old master Chu quickly called out to him, “don’t be anxious. I’ll get her to apologize to you immediately.”

“Grandpa!” Chu Jie was not willing to do so. She immediately said, “that’s impossible, Grandpa. I will never apologize to such a person. What he did was very impolite, so why should I apologize? I’m not wrong.”

“Do you even know what it means to be a good host? As the host, you can’t talk to your guest like that.” Old master Chu said, “quickly apologize to Lin Tao.”

“I’m not apologizing. I’m not wrong.” Chu Jie snorted coldly. “Not bad, young, and promising? In my opinion, these are just words the outside world said to curry favor with him. Grandpa, look at him. In what way can he compare to Mr. Mo Long? I’m inferior to Mr. Mo Long in every way, and you still want me to marry this man?”

“Why did you mention Mr. Mo Long out of the blue?” Old master Chu’s eyes widened in anger. Lin Tao is already standing in front of you, and you’re still thinking about him? ”

“Why can’t I think about it? There’s clearly someone more outstanding than him, so why can’t I like that person?” Chu Jie was baffled. grandfather, if you really want me to be happy, why don’t you let me marry Mr. Mo long? ” As for that Jiang Yu, at most, he would just let her marry Lin Tao. It just so happens that she’s pretty, young, and has a good family background.”

This was the first time Lin Tao had heard the name Jiang Yu, but this did not mean that he could fall in love with a woman he did not understand at all in an instant.

After Chu Jie finished speaking, she looked at Lin Tao and asked him, “how is it? Do you want to get to know her? She’s at our house right now, I’ll go and call her for you.”

Without waiting for Lin Tao's reply, Chu Jie went to knock on Jiang Yu's door.

Jiang Yu knew that a guest was coming today, so she stayed in her room and did not come out.

Now that she heard someone knocking on the door, she walked over to open it and realized that the person outside was Chu Jie.

"Do you have something to do?" Jiang Yu asked.

"Hurry up and come out to have dinner with us." Chu Jie gave the order without a second word.

"I don't know this guest today, and this is your Chu family's dinner. Even Jiang Rou didn't go, so it's probably even more inappropriate for an outsider like me to go." Jiang Yu wanted to refuse.

"Why do you have so much to say? Just go and eat when I tell you to." Chu Jie was getting impatient. "Why are you so resistant?"

Chapter 1348 Each With Their Own Thoughts

Before Jiang Yu could say anything, Lin Tao had already pushed old master Chu's wheelchair over.

"Chu Jie! Aren't you just messing around?" Old master Chu was exasperated. "They're all guests of the Chu family! Aren't you embarrassing the Chu family by doing this?"

"But I've already told you, I don't want to see this man anymore!" Chu Jie pointed at Lin Tao, "Grandpa, I'm your biological granddaughter. Why didn't you take my words to heart at all?"

Seeing that the two of them were about to quarrel, Jiang Yu quickly stepped in to smooth things over. "Forget it, old master Chu. There's no need to be angry over this kind of thing. It's just a dinner. Mo Long and I will be there soon."

Old master Chu still wanted to say something, but in the end, he only sighed and shook his head.

Jiang Yu and Mo Long simply packed up and went out to eat.

Lin Tao finally saw Jiang Yu's face up close.

She had been standing in the room the whole time, and Lin Tao was standing far away from the outside, so she couldn't see clearly. However, now that he had seen it for himself, he realized that Jiang Yu was on a much higher level than Chu Jie.

Although Chu Jie was also beautiful, her aura was completely different from Jiang Yu's. "Hello," he said. Lin Tao stood up and extended his hand politely. "My name is Lin Tao, the future heir of Lin's group."

Jiang Yu reached out and shook his hand to show her courtesy.

"Hello, Mr. Lin. I'm Jiang Yu. This is my fiancé, Mo Long."

When he heard the word "fiancé," Lin Tao's heart instantly fell.

Chu Jie said with dissatisfaction, "let's just eat. Don't introduce your relationship. We don't know if you and Mr. Mo Long will get married in the end. Don't introduce him to others so early and say that he's your fiancé. Wouldn't you be embarrassed if you don't get married in the end?"

"He will definitely marry me. Even if he doesn't marry me, he will definitely not marry you." Jiang Yu didn't even look at her. "I advise you not to be a toad lusting after a swan's meat here. I advise you to stop coveting my people and save your energy."

"You!" Chu Jie's face turned red with anger. "Stop putting gold on your face. I have nothing to say to people like you."

As she said that, Chu Jie ate alone in silence.

“Miss Jiang Yu, when do you plan to get married to Mr. Mo Long? We’ve gotten to know each other today, so we can be considered friends.” Lin Tao tried his best to force a smile. “My friend is getting married, of course I have to go and congratulate him.”

“I haven’t decided yet, but it should be soon.” Jiang Yu said, “but forget about the congratulations. Mr. Lin is from Qingcheng, while Mo Long and I are from Shanghai. The distance between the two cities is quite far. It will take a long time for Mr. Lin to make a trip there.”

“So what if it’s a little further? I’m not walking there, it’s fine.” Lin Tao smiled. “Please leave me your contact information later. When you get married, you must send me an invitation.”

On the other hand, Chu Jie’s mouth was not idle even though she was eating, “isn’t it too early to ask for an invitation now? They had only held an engagement ceremony. But what did an engagement ceremony mean? Who can’t hold it? It didn’t say that the person who held the engagement ceremony would definitely get married. Fiancée, fiancé means that you’re not married. As long as you’re not married, the final outcome is possible.”

“Miss Chu Jie, your mouth is indeed quite big. You’ve eaten so much, but it still can’t be stuffed.” Jiang Yu scolded him as she ate.

“What does it have to do with you? My mouth is my own, I can say whatever I want to say, and I can say it whenever I want to.” Chu Jie retorted smugly.

“Miss Chu Jie, if you have the time, please hurry up and eat. After you’re done eating, you can send Mr. Lin back.” Mo Long said, “Yu ‘er and I still have things to do. Please don’t come and disturb us after this meal.”

Yu ‘er? He was really calling her affectionately!

Chu Jie gritted her teeth in hatred. After a long time, she finally managed to squeeze out a sentence. “I understand, Mr. Mo Long. I promise that I will definitely not disturb you.”

The meal was dull and boring, and both of them had a lot of things on their minds.

Old master Chu wanted Chu Jie to quickly accept Lin Tao, while Chu Jie wanted Mo Long to quickly accept her. At the same time, she also hoped that Lin Tao would fall in love with Jiang Yu.

Chapter 1349 Each Taking What They Need

Lin Tao, on the other hand, had a good impression of Jiang Yu.

He did look like the kind of person who would rebel when he saw a woman.

After dinner, Lin Tao was ready to leave. However, before he left, he said to Jiang Yu, “miss Jiang Yu, can you give me your contact information?” He asked.

Jiang Yu took out Mo Long’s name card from her pocket without hesitation and handed it to him. “Just contact him if there’s anything. You don’t have to contact me.”

Lin Tao held the business card, not knowing what to do.

He originally wanted Jiang Yu’s contact information, but he didn’t expect Jiang Yu to not only refuse to give it to him, but also give him her fiancé’s contact information.

However, with so many people present, Lin Tao was too embarrassed to ask for it again. He could only laugh dryly and say, “alright. Thank you.”

Lin Tao went back, and old master Chu’s smile, which he had maintained for the entire game, finally couldn’t be maintained anymore.

“Chu Jie, from now on, you’d better stay in your room obediently. You’re not allowed to come out. He immediately grounded her. if I see you outside of mealtimes, I’ll break your legs.”

“Why? Grandpa, what did I do wrong?” Chu Jie was horrified. “Didn’t I just call them over for dinner? What did I do wrong? Can’t I call the guests over to have a meal with us?”

“Do you know what this dinner means? Why did you call Jiang Yu and Mo Long over?” Old master Chu was so angry that his beard was crooked. “Lin Tao is also a guest. Even if you really don’t like Lin Tao and don’t like him, you can’t make things difficult for him! You’re the master, you should be more generous!”

“Alright, alright, alright, it’s all my fault, alright? You’re all wrong, I’m the only sinner.” Chu Jie returned to her room impatiently. As she went upstairs, she said, ” no matter what happens, you have to blame it on me. Who am I? ” Am I your punching bag?”

She returned to her room and slammed the door shut.

After returning to her room, Chu Jie took out the business card that she had just gotten from Lin Tao and called the number on it.

Lin Tao was sitting in his car when he received a phone call out of the blue. He thought it was Jiang Yu, but when he answered the call, he realized that it was Chu Jie.

“Does big Chu Missy miss me? I just left, and you’re already calling me?” Lin Tao smiled.

don’t think too highly of yourself. Who Do You Think You Are? I don’t think you’re good enough. Chu Jie said disdainfully, ” I’m calling you because I want to make a deal with you.

“Big Chu Missy, I don’t think you’ve ever had any professional knowledge in business. Then why are you still making a deal with me? aren’t you afraid of being cheated by me?”

“If you’re still lying to me about this, it means you’re not a good person.” Chu Jie said, ” I can tell that you have feelings for that Jiang Yu. It just so happens that I have feelings for her fiancé too. Why don’t we work together? I’ll help you get Jiang Yu, and you’ll help me get Mo Long.”

“Miss Chu Jie, what businessmen are after is profit. If you want to make this deal with me, what benefits can you bring me?” Lin Tao laughed and asked, “don’t tell me that you think that without your help, I wouldn’t be able to get Jiang Yu?”

It was rare that Chu Jie did not get angry over such words. Instead, she laughed coldly and asked, “could it be that without my help, you can’t get him?”

Lin Tao was at a loss for words, not knowing how to continue.

Chu Jie continued, “besides, Jiang Yu’s status isn’t low either. Her background isn’t small. She’s the daughter of the Kang family in the capital. If you can really be with her, then I don’t think I need to say more about the benefits you can get. If that’s the case, then how can I not gain anything from this deal?”

Lin Tao was silent for a moment before saying, “then what benefits can you get from cooperating with me? I don’t believe that you don’t want any benefits.”

“Who says I don’t want any benefits? You’re thinking too much of me.” Chu Jie said, “I’ve already said that I have feelings for Jiang Yu’s fiancé. If you and Jiang Yu can get together in the end, you have to help me get together with Mo Long in exchange for the same condition. We’re both taking what we need, and in the end, both of us will benefit.”

“A woman’s jealousy is really scary.” Lin Tao smiled helplessly, “so our deal is done?”

“Of course, if you want to sign a contract, I won’t stop you.” Chu Jie said, “but I think that since you’re the future successor of Lin’s group, you’ll definitely keep your word. So, I won’t doubt you.”

Chapter 1350 Give Some Gifts

“It seems that you know a lot about business cooperation. You know how to trust your partners unconditionally.” Lin Tao was stunned.

He did not expect Chu Jie to be smart for once in a blue moon.

“Because I have no choice but to trust you.” If she wasn’t forced to do so, Chu Jie wouldn’t have wanted to work with Lin Tao.

“The first time you came to our house, you already thought of yourself as a member of the Chu family. This already made me hate you. Besides, my grandfather invited you over in the first place because he wanted to match us together, so I hate you even more. But now it seems that you don’t really like me, but you like that Jiang Yu. If that’s the case, then we can also become friends.”

“Oh, really? Do you really want to be my friend?”

“Of course not. We’re only temporary allies.” Chu Jie exposed him mercilessly. “My enemy is Jiang Yu, and your enemy is Mo Long. Based on this alone, I think we’re qualified to be temporary allies.”

“That’s true.” Lin Tao could not help but laugh. “Alright then, miss Chu. I wish us a happy cooperation.”

“Don’t say such polite words to me. If you have the time, you should think about how to please Jiang Yu. If you think you can get her without taking any action, then I advise you to stop daydreaming.”

“Thank you for your reminder, miss Chu. I’ll buy a gift for miss Jiang Yu now.”

“What do you usually give your wife as a present?” Lin Tao asked the driver as he looked out of the window.

The driver paused and thought for a long time before he said, “the gifts I gave her were all common and common items, such as necklaces, bracelets, and the like. I’ll occasionally give her a bouquet of roses on some meaningful festivals.”

“Then this gift of yours is really too boring. If you want to give her something, you have to give her something expensive, something good, or something she has never seen before.” Lin Tao lectured him, “I give you so much money every month, and you

can't even bear to buy an expensive gift for your wife? What's there to be sincere about by only buying things that can be seen on the streets?"

"But she seems to like these things." The chauffeur said softly, "my wife said that the gift should be given based on the thought, not the price. As long as she put her heart into it, she would like anything, no matter how cheap it was. If you don't put in the effort, then no matter how valuable it is, it's just an empty shell."

"The intention ..." Lin Tao slowly muttered these two words. "Then tell me, what present should I give her?"

The driver didn't know who Lin Tao was talking about, but seeing how enthusiastic he was, it must be a girl he liked.

It just so happened that the driver's child was also a daughter. She was slightly younger than Lin Tao, so she should have similar preferences as the younger generation.

Hence, the driver thought for a moment and said, "at my daughter's age, she would prefer pretty clothes, jewelry, and bags. How old is the person you're talking about?"

"About 20." Lin Tao thought about it based on his memory and gave a rough number.

The driver was relieved. "That's right. My daughter is about the same age as this girl. My daughter likes beautiful clothes and jewelry. I think the girl should like these things too. After all, which girl in this world doesn't like to be pretty?"

Lin Tao felt that the driver's words were very reasonable, so he immediately called the Butler and asked him to quickly look for the best clothes and buy the best jewelry.

The driver reminded him, "but it must be a gift that contains your heart. I personally think it's better for you to choose it yourself. Because the gift you choose contains your heart."

Lin Tao felt that the driver's reminder was timely, so he said to the Secretary, "forget it. You don't need to look at it. I'll look at it myself."

With that, he hung up the phone.

Although the Butler was a little confused, since this was the order of the young master, he would not meddle in other people's business.

Lin Tao looked at many stores, but he didn't find any clothes or jewelry that he was satisfied with.

"What are the clothes and jewelry stores selling? There's not a single one that can be seen." Lin Tao gradually became impatient, "even if it's the latest fashion, it still exudes a rustic air. And that latest jewelry with such a small diamond, who was she showing it to? If I were to buy these things and give them to miss Jiang Yu, I'd be embarrassed."
