

## Older Man 1351

### Chapter 1351 Moved Out

While Lin Tao was worrying about what gift to give Jiang Yu, Jiang Yu and Mo Long had already decided to move out of the Chu family.

Since Mo Long had already met Chi Rui and even reached a business deal, they would have more opportunities to contact Chi Rui in the future, so they didn't need the Chu family's help.

However, the new place they moved to was quite close to Jiang Rou's weapon research and development base. As Jiang Yu needed to go to the weapons research and development base from time to time to take a look and inspect the situation, it was more convenient to live closer.

Chu Jie, when you heard this news, she immediately couldn't sit still. "Mr. Mo Long is moving? Why was it so sudden? How long have they been here?"

"They've finished what they wanted to do, so they naturally have to leave," Jiang Rou said helplessly.

"What do they want to do? I haven't seen them do anything these past few days, so how did they finish it?" Chu Jie still couldn't accept this fact. "I just learned how to cook a dish from the nanny recently. I haven't had the time to make it for Mr. Mo Long, and he's leaving?"

"You really have a pig's brain," Jiang Rou was too lazy to scold her now. "No matter what other people say to you, you really don't take it to heart at all. Second Grandpa said it, I said it, and even Mo Long himself said it. You don't remember anything at all."

"You still have the mood to criticize me at this time?" Chu Jie was unhappy. "I didn't ask him to leave. I don't want him to leave either. I want Jiang Yu to leave."

“They’re engaged. How long will it take for you to face this fact?” Jiang Rou sighed helplessly. “If you don’t like the Lin Tao I introduced to you, I can introduce you to someone else. However, can you stop hanging onto Mo Long? he’s doing well with Jiang Yu, so don’t interfere”

“You’re my older sister. It’s fine if you don’t speak for me, but you’re speaking for an outsider?” Chu Jie looked at Jiang Rou in disbelief. “Did that Jiang Yu give you some kind of bewitching potion?”

“Don’t talk nonsense. I’m just telling the truth.” Jiang Rou was getting more and more confused about her sister. “Previously, I saw you taking care of Mo Long like a nanny. I felt that it wasn’t worth it for you. I felt that Mo Long didn’t know what was good for him. However, now that things have developed to this point, I feel that you’re the one who doesn’t know what’s good for you.”

“I did what I wanted to do, so don’t blame me.” Even at this point, Chu Jie was still speaking up for Mo Long.

Jiang Rou really had nothing to say. “Okay, if you really think so, then I can’t say anything. In any case, you’ve always had that Mo Long in your heart. No matter what I say, you won’t listen. You clearly know that he already has a fiancée, yet you’re still unwilling to let go. You’re doing such an embarrassing thing.”

“You’re my sister, how can you say such things to me?” Chu Jie’s eyes widened in horror. “Is this the only evaluation I can get in your eyes?”

“These comments can already be considered as compliments for you. They say that you’re a good person who is deeply in love and infatuated with others!” Jiang Rou was really trying to control her temper. Otherwise, she would have scolded Chu Jie.

“You should be scolding that Jiang Yu, not me!” Chu Jie shouted, “you’re my sister. We should be on the same side!”

“Don’t say that, I’m embarrassed.” No matter how good Jiang Rou’s temper was, it had already been worn out. “I still have things to do. You take good care of yourself at home. If there’s anything, call the nanny. I’ll be heading out first.”

With that, Jiang Rou left.

Chu Jie stared blankly in the direction that Jiang Rou had left. She didn't know what she had done wrong to make her hate her so much.

However, she did not expect Jiang Yu and Mo Long to leave so early. She still had a lot of things to do, and they were leaving.

She found a bodyguard and said, "I'll give you two days. Find out where Mo Long and Jiang Yu are moving to immediately. Even though they had left, they should still be in contact with the Chu clan. As long as we're not completely uncontactable, I don't believe that they won't leave any traces."

"Yes, young miss," the bodyguard nodded.

After making the arrangements, Chu Jie revealed a playful smile.

Lin Tao's feelings were not wrong. She was usually very stupid, but this time, she was smart. She was actually very thoughtful in this kind of matter.

## Chapter 1352 Gift At The Door

The bodyguards went to investigate, and Jiang Yu and Mo Long did not intend to deliberately hide it. This was because they knew that with Chu Jie's personality, she would definitely do anything to find out their address.

Instead of making things difficult for old master Chu, they might as well not hide the information. It didn't matter if they found out anyway. It did not matter even if Chu Jie came to cause trouble. There were bodyguards outside to deal with her.

Teng Yi had been brought over. He had his own ways of dealing with women like Chu Jie. He just had to treat her as one of those difficult female clients.

Feng Ran also came. She now thought of herself as Teng Yi's exclusive nanny. Even if Mei Shuang wanted to do many things, she would have to do them herself.

The bodyguard found the address very quickly and passed it to Chu Jie.

“I know. Alright, there’s nothing else for you to do here. You can go back first.”

“Yes, miss.”

After Chu Jie got the new address, she sent it to Lin Tao immediately and called him. “This is Jiang Yu’s new address. If you have time, you can go to this place to look for her. She has already moved out of the Chu family, you won’t be able to see her even if you come.”

“If I go to her, won’t I have to see that Mo Long?” Lin Tao was a little vexed.

Chu Jie laughed coldly, “don’t tell me you can’t see it when you come to the Chu family? Do you think I’ll help you get rid of Mo Long? He doesn’t even want to look at me. He only knows how to follow Jiang Yu around every day.”

“That makes sense.” Lin Tao smiled to comfort himself, “if that’s the case, then I might as well be bold and directly go to her. In any case, I’m just going to give him a gift. Mo Long shouldn’t be that petty, right?”

“How would I know?” Chu Jie was not in a good mood. “No matter how much I like Mo Long, it doesn’t mean that I understand him. I’ve only known him for a short time, and I don’t usually see him. How much can I know about him?”

“How dare you like him so much when you don’t know him?” Lin Tao was shocked beyond words. “What’s your reason for liking him? Is it just because he’s good-looking and is a famous President?”

“So what?” Chu Jie didn’t take it to heart. “Don’t you like Jiang Yu so much because she’s beautiful? I saw a lecherous person, I was talking about you, right? If I didn’t reveal some secrets to you, I think you wouldn’t even know Jiang Yu’s identity in the first place, right?”

“.. Alright, I admit that you’re right, I was indeed lustful.” Lin Tao admitted openly, “since we’re all perverted bastards, then let’s not talk about each other. There’s only a

business relationship between us that doesn't have any benefits. Once you get what you need, this relationship will be dissolved."

"That's just what I want. After all, I don't want to have anything to do with you." Chu Jie said without mercy.

After that, she hung up the phone.

Lin Tao laughed and took his new gift to Jiang Yu's place.

Ding Dong-" Lin Tao rang the doorbell.

"Someone's coming, I'll open the door." Mei Shuang said.

She was bored to death. Feng Ran was taking care of Teng Yi and she couldn't do anything. Jiang Yu and Mo Long didn't need her to do any work and even treated her as a guest. This made Mei Shuang feel touched and apologetic.

Mei Shuang opened the door and saw an unfamiliar man standing outside. He was dressed in a suit and had a polite smile on his face.

"Hello, may I know if miss Jiang Yu lives here?" Lin Tao asked with a smile.

He had thought that Mei Shuang was a nanny hired by Jiang Yu.

"Ah, she's here. I'll call her for you. Sister Jiang Yu, someone is looking for you," Mei Shuang said as she quickly called Jiang Yu.

"Someone is looking for me? Who is it?"

Could it be Chu Jie? She had found the address so quickly?

However, when she arrived at the door, she realized that the person who had come was not Chu Jie, but Lin Tao, who she had just met a few days ago.

“Mr. Lin Tao?” Jiang Yu was stunned for a moment. “Why are you here? You’re here for me?”

“It’s like this,” Lin Tao smiled. “I met miss Jiang Yu in a hurry a few days ago and didn’t greet her in detail. I’ve heard about your current address from someone recently, so I wanted to pay you a visit personally.”

Jiang Yu paused and did not expose Lin Tao’s lie.

Only a few people in the Chu family knew that they had moved away. As for the address, she and Mo Long kept it a secret from everyone.

If he didn’t have the heart to investigate, it would be impossible for him to know her and Mo Long’s current address. Not to mention that he had heard it from someone else.

Or, Chu Jie had investigated it and told Lin Tao. Or it was Lin Tao himself who had the intention to investigate.

Chapter 1353 Please Accept It

“Mr. Lin Tao, why are you looking for me?” Jiang Yu asked politely.

“It’s not a big deal. I just bought you a few small gifts and specially came to give them to you.” Lin Tao said as he handed the gift box in his hand to Jiang Yu.

“What is the meaning of this?” Jiang Yu looked at the gift box, not knowing what Lin Tao was up to.

She thought that Lin Tao wanted to ask her for help, which was why he came to give her a gift. Jiang Yu was about to refuse when Lin Tao spoke again. “I just thought that Miss Jiang Yu was very charming and attracted me. That’s why I wanted to buy a gift for Miss Jiang Yu.”

!!

“.. You’re just giving me a gift?” Jiang Yu paused for a moment before saying, “I’m sorry. I can’t accept it. Please take it back.”

“Don’t!” Lin Tao thought that the gift he had chosen was not expensive enough and did not catch Jiang Yu’s eye. “Although these things are not very expensive, I thought of them for a long time and went to many places to buy them. Miss Jiang Yu, please accept it. No matter what, it’s my sincerity.”

“This isn’t about the price. As for the gift, I’ll accept it. You can take it back.” Jiang Yu politely refused.

“Why? Do you think this gift is not expensive enough? It’s okay. Just tell me what you want. I’ll go buy it right away.”

“That really isn’t the problem.” Jiang Yu was speechless. “I already have a fiancé. How can I accept another man’s gift? Besides, I’m not familiar with Mr. Lin Tao. What’s the matter with me accepting your gift?”

“It’s alright. Anyway, Mo Long isn’t by your side now. You can just take it back quietly and not let him find out, alright?” Lin Tao was still insistent. He even had the idea of shoving the gift into Jiang Yu’s arms.

“Mr. Lin Tao, I can’t explain this to you.” Jiang Yu gave up on communicating with the man in front of her. “If you insist on doing this, I can only call someone over and chase you away. But if you leave now, I won’t call for help.”

“Miss Jiang Yu, can you not be so cold?” Lin Tao’s tone was a little humble. “I’ve really spent a long time choosing this gift. If you don’t accept it, then my efforts will really be wasted.”

Even though Jiang Yu had a good temper, she was a little impatient at this time. “Lin Tao, I already said that I have a fiancé. Can you stop giving me gifts? I already told you about this at the dinner a few days ago. Didn’t you hear?”

“I heard it...” Lin Tao felt wronged. “But what does this have to do with me giving you a gift? I’ll give it to you, not your fiancé.”

“Why do you insist on giving a gift to a woman with a fiancé?” Jiang Yu asked, “Lin Tao, you’re in the wrong, aren’t you?”

“I didn’t do anything. Miss Jiang Yu, don’t frame me!” Lin Tao was so shocked that he stomped his feet. “That’s slander!”

“I don’t want to argue now. I don’t care what you did or didn’t do.” Jiang Yu resisted the urge to roll her eyes. “If you don’t take the initiative to leave now, I’ll get someone to chase you away.”

Seeing that she didn’t look like she was joking, Lin Tao was a little afraid. He could only say hurriedly, “I know, I know. I’ll leave immediately. But ... Are you really not going to accept this gift?”

“No.” Jiang Yu refused decisively.

In fact, Jiang Yu had already rejected him many times.

“But I still want to give this gift to you. I want you to accept it.” Lin Tao could only put on an aggrieved expression and try to move Jiang Yu.

As long as she softened her heart and accepted this gift, then his trip here would not be in vain. However, her expression and attitude were very firm. Lin Tao knew that it was useless to say anything, so he could only leave with the gift.

“Sister Jiang Yu, he...” Mei Shuang was about to ask who the man was when she saw the ugly expression on Jiang Yu’s face from the corner of her eye, so she obediently shut her mouth.

Jiang Yu smiled and said to Mei Shuang, “I’m fine. Don’t worry. I don’t know that man either. I’ve only met him at a dinner party before.”

“Yes, yes. It’s good that you’re fine.” Mei Shuang nodded.

Jiang Yu asked Mei Shuang to return to her room first while she went to the study.

She and Mo Long rented a villa this time. The space was big enough to accommodate so many people.

Therefore, there was also a separate study and bathroom.

The study room was now Jiang Yu's because she needed to draw a draft.

### Chapter 1354 Furious

The international jewelry competition that Jiang Yu had participated in had already reached the semi-finals. The theme had already been released a long time ago, and the deadline was approaching, so she had to finish the draft as soon as possible.

Strangely enough, most people wouldn't be in the mood to draft in such a tense and depressing atmosphere. However, not only was Jiang Yu excited, she was even more inspired.

As for the variety show that Sister Xia had helped her take on, because of the sudden explosion of a contestant, she had to pause the recording. Before the matter was resolved, there was no way to continue recording, so Jiang Yu was not very worried about the progress of the show.

"The feeling of leaving the Chu family is not bad." Jiang Yu drew a draft on a piece of paper while Mo Long went to look for Chi Rui to discuss the collaboration.

She only hoped that Mo Long would be extremely vigilant and that nothing would happen.

After Lin Tao came out of the villa, it was as if he had changed into a different person. Not only did his expression become very ferocious, but his eyes were also very fierce.

The chauffeur was also shocked by Lin Tao's reaction.

Lin Tao got into the car and slammed the door shut. “Hurry up and leave!”

The driver didn’t dare to say anything more. He could only step on the accelerator and leave quickly. He couldn’t quite understand why the Eldest Young Master, who had been humbly asking him for advice a few days ago, was not as mentally prepared as before after coming here today.

He saw the gift box through the rearview mirror and realized that the girl had not accepted it.

With the eldest young master’s personality, he would indeed be angry.

The more Lin Tao thought about it, the angrier he became. He could not help but curse, “This Jiang Yu really doesn’t know what’s good for her! I’ve already begged her, but she still refuses to accept the gift? Seriously, her fiancé wasn’t around anyway. So what if she accepted the gift? Couldn’t she just hide it from him? How dare you reject me in front of others? You’ve made me lose all my face!”

When the driver heard this, the information in his mind was already in a mess.

Young Master, this is...Whose fiancée did he fall in love with?

Lin Tao was still cursing when he suddenly remembered that it was Chu Jie who had given her this idea. So he immediately called Chu Jie, “Miss Chu, I think it’s better for us to end our deal. The method you helped me think of was completely impossible to take down Jiang Yu. It even made me lose face!”

When Chu Jie heard this, she asked inexplicably, “Did you give Jiang Yu a gift? What did you give her? Jewelry or bag?”

“Neither!” Lin Tao roared, “I asked someone to mail the local specialties to me! It’s something that neither Qingcheng nor the capital have!”

“Where’s the good stuff? I really don’t dare to compliment you.” When Chu Jie heard that, she couldn’t help but laugh out loud. “If you want to give her something, give her

something expensive! Do you think Jiang Yu will be interested in you if you give her a bunch of cheap goods?”

She’s the daughter of the Kang family. She’s been using good things since she was young. If you don’t give her better things, do you expect her to look at you more?”

“Could it be...Is it really because my gift is too cheap?” Lin Tao started to doubt himself after hearing Chu Jie’s words. He couldn’t help but look at the gift box.

In fact, the things inside were not cheap. They were all specialties from various places, and there were also some strange things.

He originally thought that Jiang Yu had grown up in the mansion and had probably never seen those things. He did not expect that the other party was actually arrogant and did not care about these things at all.

Even so, Lin Tao was more confident.

Since Jiang Yu was so arrogant, it meant that her status in the Kang family was not low. If he could really take down Jiang Yu, then the Kang family’s help to the Lin family would definitely be extraordinary.

The Lin Group would definitely be like a tiger with wings and create glory.

However, he had never thought that Jiang Yu simply did not want to accept the gift.

Lin Tao’s ability to comfort himself had always been superb.

However, even Jiang Rou didn’t know that Lin Tao would have such a moment. If she knew that Lin Tao was a two-faced person, she would never have introduced him to Chu Jie.

It could only be said that Lin Tao’s acting in front of others was so good that even his own friends were deceived. But now, the one who discovered this was Chu Jie, who looked down on him the most in the beginning.

“I know. I’ll buy more expensive things.” Lin Tao said briefly and hung up.

The driver was shocked.

The things in the gift box were already worth tens of thousands of yuan, and Eldest Young Master actually wanted to buy something even more expensive? Wouldn’t that be a waste of money?

## Chapter 1355 Extravagant

Lin Tao had already spent tens of thousands of yuan on those local specialties. Now that he wanted to buy something else, he almost didn’t have enough money in his credit card.

The credit card Papa Lin gave him only had a fixed limit of 100,000 yuan every month to prevent him from spending money recklessly.

However, in order to win over Jiang Yu, Lin Tao gritted his teeth and used the rest of the money to buy gifts.

After buying the gift, there was not a single cent left in his credit card.

With a heavy gift in hand, he once again visited Jiang Yu.

Mei Shuang opened the door again. She saw the man at the door. It was the man who had just come a few days ago. Her expression was a little puzzled. “Mr. Lin, right? What are you doing here this time?”

“I’m here to look for Miss Jiang Yu.” Lin Tao smiled and said, “Is she at home?”

“I’m sorry, Miss Jiang Yu is not at home.” Mei Shuang said.

In fact, Jiang Yu was at home, but she had told Mei Shuang that if a man named Lin Tao and a woman named Chu Jie came to look for her, she could just say that she was not at home and that she did not know when she would be back.

“Not at home? It’s okay, I’ll wait for her here.” Lin Tao said and was about to enter the house.

“Wait a moment...” Mei Shuang hurriedly tried to stop him, but Lin Tao had already walked in and sat down on the sofa.

“You can go and do your own things. I’ll just sit here and wait for Miss Jiang Yu.” Lin Tao said to Mei Shuang.

Mei Shuang walked over awkwardly and said, “I’m sorry, Mr. Lin. We don’t allow outsiders to enter this place. If there’s nothing urgent, you can go back first. When Miss Jiang Yu comes back, I will tell her that you came today.”

“Since I’m already here, I’m your guest. It’s fine if you don’t entertain guests, but why are you chasing me away?” Lin Tao was a little unhappy. “Miss Jiang Yu should have seen your attitude before she fired you.”

Mei Shuang was angry. She frowned and looked at Lin Tao. Seeing that he had no intention of leaving, she could only angrily go to the study to look for Jiang Yu.

Lin Tao was sitting on the sofa. He could sit still at first, but after receiving a call, he couldn’t sit still anymore.

The call was from Lin Tao’s father.

“What’s with your credit card? Why is there not a single cent left?” The first thing Papa Lin said when he called was to question Lin Tao. “What did you buy outside behind my back?”

Lin Tao paused. “Dad, how did you know?”

“That’s the credit card I gave you. How do you think I knew?” Papa Lin was furious. “If it wasn’t for the text message notification on my phone, I wouldn’t have known that my credit card was empty! You prodigal brat, always buying some strange things behind my back, right?”

“Not really. Dad, I bought some very normal things.” Lin Tao quickly explained.

“What is normal? Explain to me, what is normal?” Papa Lin’s voice sounded as if he had been angry for a long time. “I want to see what kind of normal thing can cost 100,000 yuan!”

Lin Tao didn’t dare to say anything. He could only say vaguely, “It’s just a very ordinary thing. It’s something that comes from a family like ours. Isn’t anything worth more than 100,000 yuan?”

“You still dare to quibble?” Papa Lin was angry. “I’m telling you, you have to tell me what you bought today! If you don’t tell me, I’ll terminate your credit card next month!”

“It’s really just some ordinary jewelry!” Lin Tao shouted, “Don’t tell me you’re pursuing a girl without even buying her some ordinary jewelry?”

“Can ordinary jewelry cost 100,000 yuan? I think you’re lying to me!” Papa Lin was furious. “I’m warning you. Return all those jewelry right now. Otherwise, you’ll have to wait for the news of freezing your credit cards next month!”

“Dad, can you not mess around at this time? Now is the most important time. Can you stop causing trouble?” Lin Tao was getting impatient. “Do you know who I’m giving the gift to? If you knew who it was, you would probably ask me to buy an even more expensive gift!”

“No matter who it is, it’s not right for you to buy such an expensive thing before the matter has been concluded! You can’t earn a single cent, and you’re spending my money. How dare you talk to me like this? Do you think my money came from the wind?” Papa Lin questioned, “I didn’t raise you for so many years just to let you waste my money!”

“Aiya, Dad, the person I’m pursuing this time is the heiress of the Kang family in the capital, Jiang Yu! Look at her status. If the things I buy are too cheap, she won’t even look at them.” Lin Tao quickly explained.

“.. Really?”

“Of course it’s true. Do you think I’ll lie to you about this? Dad, just wait for my good news. I’ll be able to take her down soon,” Lin Tao said confidently.

“You’d better be able to take her down. If you can’t, this money will go down the drain.” Papa Lin said, “Otherwise, these gifts can’t be returned. I can’t get the money back either. I’m really heartbroken.”

!!

“Got it.” Lin Tao was a little impatient. “Don’t rush me anymore. I have my own plans for this matter.”

After saying that, he hung up the phone.

Lin Tao stuck to her like a plaster. Mei Shuang couldn’t handle it and could only tell Jiang Yu everything.

At that time, Jiang Yu had just finished drawing the draft and submitted it in the form of an email.

“He’s still on the sofa in the living room. Has he left?” Jiang Yu asked.

“He didn’t leave. Not only did he not want to leave, but he also said that if he couldn’t wait for you, he wouldn’t leave.” Mei Shuang was very distressed. “What should we do, Sister Jiang Yu? I really can’t deal with this man. He came here once before and again today. And when he came, he seemed to have an exquisite gift box in his hand. There seemed to be a gift inside.”

“He’s still coming to give gifts?” Jiang Yu was a little shocked. She couldn’t help but feel that Lin Tao’s persistence was a little ridiculous.

“Go and do your thing first. I’ll go out and settle it myself.” Jiang Yu said to Mei Shuang.

“Alright, Sister Jiang Yu. ”

Mei Shuang went to do her own thing while Jiang Yu came out of the study and went to the living room to meet Lin Tao.

When Lin Tao saw that Jiang Yu had come out of the study, he could not help but look puzzled. “Miss Jiang Yu, why did you come out of the study? Your nanny clearly said that you weren’t at home. Is she lying to me?”

” This has nothing to do with her, ” Jiang Yu explained politely. “I was the one who asked her to say that. Because I have my own things to do and I’m worried that others will come and disturb me, that’s why I let her say that.”

“I see. Since Miss Jiang Yu has spoken, I won’t argue with her. ”

“Mr. Lin Tao, why are you looking for me today?” Jiang Yu smiled and asked, “I heard that you brought a new exquisite gift box. Are you here to give me another gift?”

“Of course I’m here to give you a gift. Otherwise, why would I be here?” Lin Tao quickly handed the gift box in his hand to Jiang Yu as if he was presenting a treasure. He was so careful that people who didn’t know better would think that it was a fragile item.

However, Jiang Yu had never seen the gift box before. Instead, she smiled and said, “Mr. Lin Tao, when you came to give me a gift last time, I had already rejected you. I thought you would listen. I didn’t expect you to come today.”

” Miss Jiang Yu, I’ve carefully selected the gift this time. If you see it, you’ll definitely like it. ” Lin Tao said eagerly.

Jiang Yu said, “Mr. Lin Tao, the reason why I refused to accept your gift was never because the gift you gave me was not expensive enough. It’s because I already have a fiancé, so I definitely won’t accept gifts from other men.”

When Lin Tao heard this, he thought that Jiang Yu had said this out of consideration for his face.

She must still think that the present this time was not expensive enough.

However, this was already the best gift Lin Tao could buy. Even if Jiang Yu really didn’t like it, he couldn’t buy anything better.

“Miss Jiang Yu, I know that you are the eldest daughter of the Kang family and have seen a lot of good things. But this is already the best gift I can buy. Isn’t it said that gifts are based on the heart?” Lin Tao felt wronged for a moment.

“It’s true that gifts depend on the heart, but I already have a fiancé. I can’t accept other men’s intentions.” Jiang Yu said, “Mr. Lin Tao, you should take this gift back. When you meet a girl you really like in the future, you can give this gift to her solemnly.”

“But the girl I like now is you!” Lin Tao couldn’t help but shout this sen

## Chapter 1357 Father and Son Battle Going To Battle Together

She wasn’t a fool. She could tell what Lin Tao was thinking, but she didn’t expect him to say it in public.

Originally, he didn’t want to say it, so it was a secret. As long as Jiang Yu rejected him thoroughly, she believed that Lin Tao would no longer have such thoughts.

However, Jiang Yu did not expect Lin Tao to still have such thoughts and refused to give up even though she had already rejected him.

Lin Tao did not give up. He said, “Miss Jiang Yu, if you really don’t like this gift, I can take it away. You can tell me what you like. As long as it’s something I can buy, I’ll buy it all for you.”

Jiang Yu finally couldn’t take it anymore and she no longer addressed Lin Tao respectfully.

“Lin Tao, I’ll say it one last time. I already have a fiancé. I will definitely not accept gifts from other men. I can accept your kind intentions, but you should take the gift back. It’s such an expensive thing. You should give it to the girl you like the most. Don’t give it to me again.” After Jiang Yu finished speaking, she made a “please” gesture at the door.

Seeing this, Lin Tao knew that it was useless for him to stay and say anything, so he could only leave with the gift.

After leaving the villa, the more Lin Tao thought about it, the angrier he became. He immediately called Father Lin.

“Dad, I failed. Jiang Yu still looks down on these things.” Lin Tao was exasperated. “What did you give my mother when you were pursuing her?”

Papa Lin thought for a moment and finally said, “Your mother and I were in love at that time. I didn’t give her any gifts at all.”

Love? Lin Tao wanted to be in love with Jiang Yu, but unfortunately, Jiang Yu didn’t like him at all!

“I knew you would fail. Useless thing, trash!” Papa Lin was so angry that his voice was trembling. “Then you still haven’t given away the gift you bought, right?”

“Yes...” Lin Tao felt wronged.

“Shut up, you still want to cry? What face do you have to cry? She had spent so much money to buy such an expensive thing, but in the end, she was not even willing to look at it. Look at you. Isn’t it embarrassing for anyone to see you?” Papa Lin was so

angry that he blew his beard and glared at him. “Bastard, prodigal. Hurry up and go home. Tell me about this in detail.”

Like a child who had done something wrong, Lin Tao hurried home.

Papa Lin was already waiting for him on the sofa.

“Give me the gift box in your hand. I want to see what you spent 100,000 yuan to buy.” Papa Lin knocked the ground with his walking stick. “I can’t return this gift. A whole hundred thousand yuan went down the drain just like that.”

Papa Lin opened the gift box and saw that it was an exquisite necklace. However, this necklace was not the latest design this year. It was a design from a few years ago.

“You bought this thing. No wonder people don’t like it. This necklace isn’t even the latest.” Father Lin said resentfully, “As my son, why don’t you know how to choose a gift? Even if he really wanted to give her a necklace, he should give her the most popular and latest design of the season, not the one from a few years ago.”

“Dad, I didn’t expect you to know about jewelry.” Lin Tao was shocked.

“Do you think I’m as useless as you? Take your things and lead the way. We’ll go find Jiang Yu together.” Father Lin said, “No matter what, she either accepts this gift or returns the money to us today. No matter what, this gift was bought for her. If she doesn’t want to accept it, that’s her business. It has nothing to do with us.”

Lin Tao felt that what his father said made sense, so he brought the exquisite gift box and asked the driver to drive them to the villa where Jiang Yu and the others were staying.

Standing at the entrance of the villa, Papa Lin couldn’t help but sigh. “In Qingcheng, a villa like this costs tens of thousands of yuan an hour. How rich are Jiang Yu and the others to be able to rent such a villa?”

“That’s House Kang we’re talking about. No matter how many families there are, they can’t reach her!” Lin Tao said, “If we can really take down Jiang Yu, we will be able to get a lot of benefits from the Kang family in the future!”

He just couldn't accept that such a good opportunity had fallen into Mo Long's hands.

She was clearly not that bad and was also a very outstanding person. Why did Jiang Yu like Mo Long and not her?

Lin Tao couldn't understand.

The bodyguard at the door almost recognized him. He could not help but ask, "W

## Chapter 1358 Like An Emperor

Lin Tao was a little embarrassed. He didn't dare to look at Father Lin, not knowing what his expression was like.

However, Papa Lin was not angry. Instead, he said, "Please go in and inform them that we are here to see Miss Jiang Yu."

The bodyguards said, "There's no need to go in and report. Our madam said that if we meet anyone related to Lin Tao again, we're not allowed to let them in."

"What madam? What do you mean?" Papa Lin did not understand.

"What do you mean? Of course, it's our Madam and our CEO." The bodyguards said, "Our Madam and our CEO have a very good relationship. She had told Lin Tao about this more than once. From the first time, she told Lin Tao not to come again."

Papa Lin turned to look at Lin Tao in shock. "Is what they said true? You already knew that Jiang Yu was someone else's wife?"

Lin Tao stammered, "I ..." She's only a fiancée and she's not married. Why can't I give her a gift?"

Papa Lin looked at Lin Tao with disdain, but they had already come this far. There was no reason not to go in.

He said to the bodyguards at the door, "Please inform them that we really want to see Miss Jiang Yu now."

"There are many people who want to see our Madam. Why do we have to go in and report if you want to see her?" The bodyguard said, "Besides, our Madam has given the order. As long as it's someone related to Lin Tao, we'll be able to get him to come back. No one was allowed to enter. You and Lin Tao are father and son, so don't even think about entering this door today."

"We are guests, do you understand?" Papa Lin was angry. "Is this how you treat your guests? I don't think Jiang Yu taught you well."

"What kind of guests are you? Your son is a dog-skin plaster. No matter how many times our Madam refuses, she still has to come." The bodyguard hit Lin Tao's sore spot. "If you knew better and didn't come back after being rejected the first time, this wouldn't have happened. If you bring your son over, we'll really treat you like guests."

"Unfortunately, you can't go in now. Our madam doesn't allow you to go in anymore."

"Alright, you have a glib tongue. I can't beat you in an argument. In that case, we won't go in. You can let Jiang Yu out, right?" Papa Lin said.

"What kind of request are you making? I advise you to go back quickly. How can our Madam meet people like you?" When the bodyguard heard Papa Lin's request, he could not help but laugh.

"This is a gift my son bought for her. It's fine if she doesn't accept it. But she has to give us the money, right?" Papa Lin took the gift box from Lin Tao's hand. "She bought something worth more than a hundred thousand yuan. Does she think she doesn't want it? Even if she's a rich lady and doesn't like these things, this is still our sincerity. Since she doesn't want to accept it, then return the money to us."

The bodyguard felt that the old man in front of him was being unreasonable. "My wife didn't ask your son to buy this gift. Your son insisted on buying it. He insisted on

spending this money. Instead of blaming him, you're blaming our Madam? My wife also told him to give this gift to the girl he likes."

Lin Tao hurriedly said, "But the person I like is Miss Jiang Yu! If I don't give this gift to her, who else can I give it to?"

Papa Lin also said, "Did you hear that? My son said that the person he likes is Miss Jiang Yu, so this gift is for her. Since she didn't accept it. Then you have to return the money to us."

"You two really know how to calculate. You didn't give the gift, but you still want us to pay back the money. So in the end, you didn't lose anything at all." The bodyguard sneered. "Neither of you can enter this door today. Our wife won't return this money either."

"You have so much money to rent such a villa. Can't you even take out a mere 100,000 yuan?" Papa Lin was getting impatient. "I don't want much. As long as you return me the 100,000 yuan my son spent on the gift, this matter will end here. I won't bother you anymore."

"I say, what's wrong with you, old man? Do you think you're the emperor?" The bodyguard gradually lost his patience. "I've said it before. Our Madam won't return the money. You guys should leave this place quickly. Otherwise, we'll have to resort to violence."

"You still want to use violence? Alright, I want to see what you dare to do to an old man." Papa Lin said as he sat on the ground.

#### Chapter 1359 I Won't Leave Until I Get Paid

He looked like a scoundrel. If someone said that he was actually the CEO of a listed company, no one would believe it.

Lin Tao also felt that his father was a little embarrassed, so he quickly squatted down and said to him, "Dad, don't embarrass yourself here. It's just a gift of 100,000 yuan. Just take it that I was cheated."

“What do you mean by a gift of 100,000 yuan? You can’t even earn a single cent, and you make it sound so easy?” Father Lin was angry. “If I didn’t give birth to a prodigal son like you, this money wouldn’t have disappeared for no reason. I bought a gift, but I can’t give it back!”

“But you can’t just sit at their door like a scoundrel.” Lin Tao felt embarrassed. “To think that you’re the CEO of a listed company. Looking at you now, you’re just a scoundrel in the eyes of others.”

“Shut up, you prodigal. You’re not worthy of talking at all!” Father Lin was furious. He said to the bodyguards, “Hurry up and go inside. Tell your wife that I’m sitting at the door and asking her to pay me back. If she doesn’t pay me back today, I won’t leave.”

The bodyguard had no choice but to enter the house and tell Jiang Yu.

“Didn’t he just leave not long ago? Why are you back?” Jiang Yu was shocked. “He even brought his father along this time?”

“Yes, Madam. His father is sitting at the door and wants you to pay him back! He even said that if you don’t pay him back, he won’t leave today.” The bodyguard also felt troubled. “We have no choice but to come in and tell you about this. How do you think we can resolve this?”

Jiang Yu had never expected that Lin Tao and his son were actually the same type of dog skin plaster.

“Don’t worry, I’ll go out and take a look.” Jiang Yu followed the bodyguard to the door.

There was indeed a middle-aged man sitting at the door, and a young man stood beside him.

The bodyguard led the way as he said, “Madam, it’s those two people. The one sitting there is Lin Tao’s father. He said that if you don’t pay him back, he won’t leave today.”

This father and son pair were indeed dog-skin plasters, each more clingy than the other.

When Lin Tao saw Jiang Yu, he quickly said to Father Lin, “Dad, get up quickly. She’s already here. Seeing you like this, I don’t know how embarrassing it will be.”

“Why would I be embarrassed?” Papa Lin was still sitting on the ground and refused to get up. “Anyway, I only have one goal today, and that is to make her pay back the money. If she refuses to pay back the money, then I definitely won’t leave today.”

Jiang Yu walked up to Father Lin and asked gently in a low voice, “Sir, may I know why you are looking for me?”

In fact, Jiang Yu had already found out about the ins and outs of this matter from the bodyguards. She was only asking this now to change Father Lin’s mind because of her attitude.

However, Father Lin did not change his mind. Instead, he said even more aggressively, “It’s Jiang Yu, right? My son spent 100,000 yuan to buy you a gift. Why didn’t you accept it? If you don’t accept this gift today, then return the 100,000 yuan to us. As long as you return the money to me, we’ll leave immediately.”

“Sir, you’re really strange. This is a gift your son bought. I didn’t ask him to buy it. Why do you want me to pay back?” Jiang Yu was baffled. “Besides, I’ve already told him to leave this gift for the girl he likes. Why did he have to leave it for me? The first time he came to give me a gift, I had already rejected him, but he still wanted to come. Sir, don’t you think this is a problem with your upbringing?”

“What’s wrong with my upbringing? There’s nothing wrong with my upbringing!” Papa Lin roared, “On the other hand, are you the one with the best upbringing? As the daughter of a rich family, she didn’t even know the most basic etiquette! My son bought you a gift and said that he likes you. That’s because he thinks highly of you!

You don’t even accept the gift my son bought!”

“Since this gift is from your son, I have the right to reject it.” Jiang Yu frowned. “Aren’t you abducting me morally?”

## Chapter 1360 No Morals

“My moral kidnapping?” Papa Lin laughed coldly. “If you had accepted the gift obediently, I wouldn’t be sitting here. How could this be considered moral kidnapping? I just want you to accept this gift.”

“I already have a fiancé. I can’t accept gifts from other men.” Jiang Yu said, “I’ve already made this clear to your son from the beginning. I can accept your kindness, but I definitely can’t accept your gift.”

“Alright, since you accepted the gift, you can return the money to us.” Papa Lin stretched out his hand shamelessly. “I asked you to accept the gift, but you refused. I asked you to return the money, but you refused to do so. Why are you putting on airs here?”

When Jiang Yu heard this, no matter how good-tempered she was, she was already starting to get angry.

She said, “It’s really unreasonable for you to use this matter to ask me to pay you back, so I won’t pay you back. If you don’t find it embarrassing, just sit here.”

“Bah, you’re a rich young lady. You have no manners at all!” Papa Lin cursed, “No matter what, I’m still your elder! It’s fine if you don’t help me up, but you want me to continue sitting here? I think you really think you’re a phoenix!”

“I’m the daughter of the Kang family in the capital. Do you think I’m a phoenix?” Jiang Yu retorted, “On the other hand, your Lin Group isn’t even well-known in a place like Qingcheng. You spent a mere 100,000 yuan on a gift and you want me to accept it?”

“What do you mean by a mere hundred thousand yuan? Is this 100,000 yuan just a small strand of hair in your eyes?” Papa Lin didn’t like to hear this. “Do you think a rich lady like you can earn money? If you don’t know how to earn money, what right do you have to look down on this 100,000 yuan?”

“Do you think I’m just an ordinary rich lady?” Jiang Yu sneered. “If you really have doubts about this, why don’t you ask your subordinates to investigate my company and see if I, a rich young lady, can make money? Don’t always use your shallow knowledge to speculate about everyone. I’m indeed a rich lady, but this doesn’t mean that I’m a person who has accomplished nothing.”

“I heard you say that. Don’t tell me you still think you’re a very successful businessman?” Papa Lin couldn’t help but laugh. “You’re the daughter of a rich family. If you have the time to start a company, of course your family will support you! I think you’re only able to achieve what you have today because of your family and your fiancé, right? If it weren’t for them, your company would have lost everything!”

“Sir, I’ve already given you enough face. Please don’t be ungrateful.” Jiang Yu crossed her arms. “If you think that I started the company because of my family and fiancé, what about your son? Your son is a man, and he’s already so old, but it looks like he’s still relying on you to raise him. Your son is already so old, but he still needs his father to raise him. Don’t you feel ashamed when you talk about it outside?”

“You!” Lin Tao was hit on the sore spot and could not help but roar.

Papa Lin also felt a little awkward, but he still said shamelessly, “This is my son. If I’m willing to raise him, then I’ll raise him like this. Although my son doesn’t own a company, he’s still better than you. You opened a company, but you obviously relied on your family’s connections, but you still refuse to admit it. What isn’t yours isn’t yours in the end. Is it so difficult for you to admit it?”

Jiang Yu didn’t have much to say to Father Lin, so she stood up straight and said to the bodyguard, “Send the guest out. Remember, if you meet the two of them again in the future, no matter what tricks they play, don’t let them in.”

“Yes, Madam.”

Jiang Yu went back to her room.

Papa Lin shouted from behind, “Come back! Don’t go! You haven’t returned the money to us yet. Why are you leaving just like that?”

“The two of you should leave quickly. If you don’t leave now, I’ll use violence to force the two of you to leave.” The bodyguard said, “If this gift can’t be returned at the original store, you can try selling it second-hand. At the very least, you can earn back your money by selling it second-hand, and you won’t lose everything.”

“This necklace is brand new. What are you trying to do by asking us to sell it second-hand?” Father Lin shouted in exasperation, “As long as Jiang Yu returns the money to us, we will leave immediately! It was such a simple solution. She could do it, right? A mere 100,000 yuan shouldn’t be a big deal in her eyes, right”
