

## Older Man 1441

### Chapter 1441 Middleman

After Jiang Yu returned to the villa, she immediately logged into the website and uploaded the photo on her phone.

Then, she used this photo and the name “Ji Feng” as a benchmark to start a search. However, in the end, all the information Jiang Yu found about Ji Feng only showed that he was unemployed and did not find a proper job like Ji Tang had said.

If he really found a job, there would be no information about it. That meant that this job was shady.

This concerned Ji Feng’s personal safety. Jiang Yu could not be careless and immediately called Ji Tang to tell her about this.

“I’ve already found out about your brother’s situation. It shows that he’s unemployed and hasn’t found a job.” Jiang Yu said, “That means that the job he found might be illegal.”

“What is it? Is it really illegal?” Ji Tang could not believe it. She was extremely afraid, but the thing she was most afraid of still happened.

“I’m not sure, but based on the current situation, it’s pretty close. If you can’t contact Ji Feng now, it’s very likely that his work has been discovered by the police. He’s hiding somewhere in order to avoid the limelight, so he can’t keep in touch with you.” Jiang Yu said, “What you need to do now is to stay put and pretend that you don’t know about this. Wait for Ji Feng to contact you on his own initiative.”

“But if what you said is true, and Ji Feng is hiding outside, when will he take the initiative to contact me? Once the police find out about this, they won’t stop until they get to the bottom of it!” Ji Tang was anxious. “I understand Ji Feng. Although he has already graduated from university, he’s actually very timid. He definitely wouldn’t dare to do such illegal work. He must have been deceived by others!”

Jiang Yu originally wanted to say that if they really encountered difficulties, then even the most cowardly person would lower their head in front of benefits and would do things that they had never dared to think about before.

However, judging from Ji Tang's current mental state and her family background, Jiang Yu still did not say such words to her. He only comforted her, "Maybe he really was cheated. If he contacts you one day, don't push him too hard. You must guide him patiently."

"Alright, I understand." Ji Tang was extremely anxious and did not know what she had promised Jiang Yu.

However, just as Jiang Yu said, Ji Feng did take the initiative to contact Ji Tang three days later.

However, he did not explain where he had been during his disappearance. He only said that he had been a little busy with work recently and would contact Ji Tang when the limelight passed.

Ji Tang's phone had an automatic recording function. After hanging up the call, she immediately downloaded the recording from her phone and sent it to Jiang Yu in the form of a file.

"Jiang Yu, Ji Feng contacted me. I sent you the contents of our conversation just now. Help me listen. Is there anything wrong with this?" Ji Tang asked.

Jiang Yu listened to the recording at first, but she didn't hear anything wrong. In the end, she heard someone shout, "There aren't many goods today. Then, the money we get will be less."

Then, another person said to him, "The police have been keeping a tight watch on us recently. It's normal for us to have less goods."

Jiang Yu seemed to know what Ji Feng's job was based on these two sentences.

If his guess was correct, his job should be a middleman.

According to the two sentences, Ji Feng should be the middleman for the drug trafficking. If he was really in this identity, then once he was caught by the police, his final sentence would depend on whether he knew that the goods he brought were drugs.

If he didn't know that his goods were drugs, the police might let him go after a fine or detention.

If he knew that his goods were drugs, then this matter would become serious. Ji Feng would definitely pay the price of the law.

Once Ji Feng went to prison, Ji Tang's family would be in even worse trouble.

However, once she was involved in drug-related matters, she would not be able to completely get away. Moreover, Ji Feng was Ji Tang's younger brother. Jiang Yu definitely could not hide it from Ji Tang.

#### Chapter 1442 Following the Vine to the Melon

After Ji Tang found out about this, she felt as if a seasoning bottle had been overturned. She had mixed feelings.

She had never expected that her brother, who had always respected her, would end up on such a path after graduating from university.

As his elder sister, not only did she fail to lead him on the right path, she was even unaware that he had embarked on this path. She could not even stop him.

"Jiang Yu, what should we do? This is a path of no return!" Ji Tang cried bitterly. "It's all my fault as a useless sister. When he encountered such a thing, I couldn't even be by his side to consider for him! I couldn't even stop him, causing him to walk on this path."

"You can't be blamed for this. Ji Feng didn't tell you, so you didn't know." Jiang Yu comforted him. "What we need to do now is to find Ji Feng as soon as possible and

bring him back. Regardless of whether he knows that the goods he brought are drugs or not, we have to stop our losses in time and not let him continue to make mistakes.”

“Okay, but I don’t know where he is either.” Ji Tang cried as she said, “I don’t even know where he is. Where are we going to find him? How do we stop him?”

She was so anxious that she couldn’t think properly.

Jiang Yu quickly comforted her and said, “I’ll go look for you now. I can find the IP address based on that number and determine where he called you from. We’ll go there to look for him then. Even if he doesn’t live there, with his work, he will appear there again every few days. We will always find him.”

“Okay, thank you so much, Jiang Yu. If it weren’t for you, I wouldn’t know what to do.” Ji Tang sobbed.

After hanging up the phone, Jiang Yu immediately went to Ji Tang’s residence. Her mother was in a deep sleep, so Ji Tang pulled her out of the house and said, “This matter is too serious. I don’t dare to tell my mother. I’m afraid that her health will worsen if she finds out. So, not only do I need your help, but I also need you to help me hide this from my mother. She mustn’t know.”

“Yes.”

Jiang Yu turned on her phone and used one of the applications to identify the number. Five minutes later, Jiang Yu found out where the last call was made from.

It was at a dock.

“Dock?” Even though Ji Tang did not know much about this matter, she was still a reporter of a newspaper office and often reported such news. Usually, when a middleman like a drug dealer delivered goods, they would do it at a relatively lively dock.

The reason why they chose such a dock was because there were more people. When they delivered the goods, the pedestrians around them could cover them up, and it would not arouse too much suspicion from the police.

After all, the more dangerous a place was, the safer it was.

“Let’s go to this dock now.” Ji Tang pulled Jiang Yu’s hand and was about to leave.

“I know you’re anxious, but don’t be so anxious. The fact that Ji Feng is the drug middleman is already a foregone conclusion. There’s no point in us being anxious. What we need to do now is to calm down and deal with everything calmly. If we go to that dock in a hurry, it’ll be fine if we can really find Ji Feng. If we can’t find him and are discovered by others, what should we do?” Jiang Yu quickly stopped Ji Tang.

Although her cooperation with Chi Rui was related to the drug industry, Jiang Yu could not guarantee that Ji Feng was not related to Chi Rui.

Moreover, she did not tell Ji Tang that she also had a drug industry chain in her hands. If Ji Tang found out, she would probably despise him before he could help her resolve this matter.

“Then what should we do now? He couldn’t just wait here, right? If I wait another day, Ji Feng’s crime might be aggravated. How can I sit still?”

“Don’t worry. I’m here for everything. We’ve already found this place. Ji Feng has delivered the goods today, so he won’t be here for a while. Even if we go, we won’t be able to see him. It’s better to discuss the specific countermeasures at home first.” Jiang Yu said.

#### Chapter 1443 Delivery Date

After Jiang Yu comforted Ji Tang, she went back. Before she left, she instructed Ji Tang, “No matter what happens, don’t be anxious. Listen to my phone call.” During this period of time, you should stay at home and take good care of your mother. Don’t think about anything else.”

“Alright.”

Jiang Yu went back. She had originally planned to go back and think carefully about how to resolve this matter and how to get Ji Feng out of this mess. However, just as she reached the entrance of the villa, she saw an unfamiliar woman.

The woman had shoulder-length hair and was wearing a professional suit and a pair of leather high heels.

Jiang Yu was sure that she had never seen this person before, but this woman was indeed standing at the entrance of her rented villa. Moreover, it seemed that they were waiting for him to return.

The woman looked Jiang Yu up and down and said, "I'm looking for Jiang Yu."

"I am. May I know who you are? Is there something you need from me?"

"My name is Lei Yuan. It's a new business partner sent by Mr. Chi Rui." Lei Yuan extended his hand to Jiang Yu. "I'm here to take Chu Ran's place."

Jiang Yu stretched out her hand and smiled. "So it's Chi Rui who sent you. Come in with me."

"There's no need. I have my own place to stay. I'm different from Chu Ran." Lei Yuan was expressionless. She did not respond to Jiang Yu's smile. "I'll come to you every day in the future and let you bring me around to familiarize me with all the processes in the industrial chain."

Jiang Yu paused for a moment before saying, "Sure."

Lei Yuan didn't say anything else. He walked away in his high heels.

Jiang Yu looked at Lei Yuan's figure with a thoughtful expression.

It seemed that Chi Rui still had his guard up against him. After Chu Ran left, Thunder Garden came.

Moreover, Lei Yuan seemed to be much smarter than Chu Ran. Putting everything else aside, just from her calm tone when she spoke to others, it could be seen that she was not an arrogant person like Chu Ran.

In that case, the little tricks he played in front of Chu Ran might not work in front of Thunder Garden.

Moreover, Chi Rui did not inform Jiang Yu of this matter in advance. At least when Chu Ran came, a butler came over to inform her.

When this Thunder Garden came, Chi Rui did not even give a simple phone call, let alone the butler personally coming to inform him.

However, since he was already here, he could only take things as they came.

The next morning, Lei Yuan arrived on time. However, she did not rush in to see Jiang Yu. Instead, she stood at the entrance of the villa and said to the bodyguards, "Please tell Jiang Yu when she wakes up. I'll be waiting for her here."

The bodyguards at the door looked at each other.

However, before the two of them could enter, Jiang Yu had already come out of the house. She walked up to Lei Yuan and said, "Let's go. It just so happens that today is the delivery date of a small workshop that I've contacted before. You can come with me to take a look."

"I know that workshop. Chu Ran has already told me about it."

"You guys are still in contact with Chu Ran?" Jiang Yu asked, "I haven't seen him since I chased him out of the villa. I wonder how he is now?"

"He's just a good-for-nothing. Mister Chi Rui wouldn't dirty his hands for such a good-for-nothing." Lei Yuan sneered, "After he was chased out by you, he still shamelessly went to beg Mister Chi Rui to take him in. He did not know what he had done to make Mr. Chi Rui so angry. No matter how he knelt on the ground and kowtowed, Mr. Chi Rui ignored him. In the end, I went out to pull him up so that he wouldn't kowtow to the ground and bleed to death."

“So he told you everything about me?”

“What else? This is all he has. If he really wants to ask someone to save him, no one will look at him if he doesn’t throw this chip out.”

Jiang Yu couldn’t help but laugh.

She had long known that Chu Ran was such a person. Fortunately, she did not soften her heart and continue to take him in. A fence-sitter like this was a hidden danger to everyone.

Jiang Yu and Lei Yuan got into the car and went to the small workshop together.

When the owner of the workshop saw Jiang Yu, it was as if he had seen the God of Fortune. He quickly went out to welcome her with a smile.

#### Chapter 1444 Two Vixens

“Customer, you’re finally here. I’ve already arrived. If you still don’t come, I won’t be fresh anymore.”

The boss was smiling so hard that he couldn’t even open his eyes.

Lei Yuan stood at the side, somewhat confused. She didn’t know much about the slang of this industry, so she kept silent.

However, she wasn’t as stupid as Chu Ran. She would believe whatever Jiang Yu said. She had always paid attention to what her boss and Jiang Yu said.

However, before Jiang Yu could say anything, a middle-aged woman in an old-fashioned cheongsam rushed out of the workshop.

Her hair was tied up high, her face was covered in a layer of white powder, and her lips were covered in lipstick as if she had drunk human blood.

The boss looked embarrassed. “Can you stop fooling around? I told you, this handkerchief isn’t mine. I picked it up on the road! Don’t malign these two customers. They’re here to buy something!”

“Buy what? Do you think I’ll believe you?” The woman’s sharp voice sounded like nails scratching glass. “Can you believe a man’s words? Just because you say it’s not yours, it’s not yours? And these two women, they were not easy to deal with!

Look at that guy, he’s even wearing a professional outfit! Why? Are you trying to seduce me with your uniform?”

Lei Yuan knew that she was talking about him and could not help but feel a little angry. “I advise you not to spout nonsense. It’s my first time here today.”

Although she was very angry, her face was still expressionless. Jiang Yu, who was watching from the side, was a little impressed by Lei Yuan’s expression management.

“How would I know if this is your first time here? You came here when I wasn’t around. Who should I ask?” The woman took the handkerchief and walked in front of Lei Yuan. She tried to smell her body like a dog. “Sniff the smell on your body. It’s the smell of a fox! How dare you say that you’re not a vixen? How dare you say that you didn’t seduce someone else’s husband?”

“Stop fooling around, okay? These two are really customers. If you continue to cause trouble like this, will I still be able to do business?” The boss seemed to be a henpecked man. Even though this woman had already made a scene, he could only dare to say this from behind.

“I don’t care if you do business or not! I don’t think we need this workshop! Look at these two little vixens. They’re dressed so beautifully. One look and you can tell that they’re rich! If you really get together with them, then you’re climbing up a high branch! You’ve become a phoenix. You might even become someone else’s son-in-law. Poor me!”

The Lady Boss suddenly burst into tears and sat on the ground. “Everyone, come out and judge! Look at these two little vixens! Seducing my husband!”

She cried loudly and heartbreakingly. Those who didn't know better would think that she had suffered some kind of trauma.

The other shops also opened their doors one after another. One by one, they stuck their heads out to watch the show.

When the woman saw that there were more people, she cried even harder.

She cried as she said, "Everyone is watching. Look at these two vixens! They want to seduce my husband! Now, they even dare to come over. I think the two of them want to enter the house and squeeze me out!"

As she cried, she shook the pink handkerchief.

"Stop crying, okay? Stop fooling around. There are so many people watching. Aren't you embarrassed?" The boss grabbed the woman's arm and was about to drag her into the workshop.

"Don't touch me! No matter how embarrassing I am, will I be as embarrassing as you? How old are you? Shouldn't you be embarrassed to be with a vixen of this age?" The woman's face was ferocious as she cried. Her lips were open as if she was going to eat someone the next second.

"Auntie, look at the thing in your hand. Does it match our age?" Jiang Yu couldn't stand it anymore. She asked, "Besides, why don't you take a look at what your husband looks like? Do we even like him?"

## Chapter 1445 Compensation

Jiang Yu's words made the boss feel a little awkward. The rest of the shop owners also burst into laughter because of this sentence.

However, anyone with discerning eyes could tell that the owner of the workshop was bald and had a beer belly. Jiang Yu and Lei Yuan were two tall and beautiful women who were dressed brightly. They were obviously rich.

Such a beauty would usually stand with those rich young masters. That way, they would appear to be of equal status. How could she be with someone like the workshop owner?

However, the woman did not think so. She just felt that the two women in front of her had seduced her husband and secretly left behind the pink handkerchief.

“Stop talking nonsense. Do you think you can cover up the fact that you seduced my husband by saying that?” The woman sat on the ground and was unreasonable. The pink handkerchief in her hand was about to be torn apart by her. “You said that this thing isn’t yours. Do you think I’ll believe you? You saw that I found out about this matter and were worried that this matter would be completely exposed, so you were in a hurry to push the matter out!”

At this moment, a shop owner who was selling beef pancakes could not stand it anymore. The boss walked out and said to the woman, “I say, why don’t you take a look at your man? Look at these two little beauties. How could they be interested in your man?”

The woman glared at him and said, “Shut up! This is jealousy! You’re saying that because you’re jealous that there’s no such beautiful woman to seduce you! Why don’t you take a look at yourself in the mirror? You’re far worse than my man!”

The shopkeeper was a little embarrassed by the woman’s words. He had originally only wanted to watch the show and join in to say a few words to make his presence known.

So he said resentfully, “Bah! This is your family matter, I can’t interfere! I just said it casually. You don’t have to vent your anger on me!”

“If you know this is a family matter, don’t interfere!” The woman was so angry that her eyebrows were raised. “You still dare to come to me and gossip? Is it your turn to speak?”

After saying this, she looked at Jiang Yu and Lei Yuan. “I don’t know which one of you owns this handkerchief. Perhaps both of you are having an affair with my husband. Since I’ve found out about this, you have to compensate me for my mental damage! I’ll give you a number, 10 million. Not a single cent less than that!”

“Ten million? Don’t go too far!” The boss couldn’t stand it anymore. “This customer has already paid double the deposit here. I haven’t even given the goods to him yet, and you dare to ask for ten million yuan from him? How can you be so greedy? Can’t you live without money? I didn’t make things difficult for you by following me!”

“You’re about to betray me, and you still dare to say that you didn’t make things difficult for me?” The woman simply lay on the ground and started rolling around. “I don’t care! If you don’t give me this money today, neither of you can leave! I’m going to tell the media about you and let the media expose you! Let the entire country see the faces of the two of you!”

“Fine, I won’t give you the money. I want to see how you’re going to expose us in front of the media.” Jiang Yu crossed her arms in front of her chest. “It’s best if the media interview me in person.”

Lei Yuan grabbed Jiang Yu’s arm and said, “Forget it. There’s nothing to say to this kind of person. In any case, this matter has nothing to do with us. We’d better leave this place as soon as possible. If we continue to waste time with this woman, I don’t know how much time we’ll waste.”

When the woman heard that the two of them were leaving, she rushed over and grabbed one of their legs with her left and right hands. She shouted sharply, “Don’t even think about leaving! If the two of you don’t pay, no one can leave this place!”

Lei Yuan boasted that he was a person who was used to the means of mutual deception in the business world and thought that he was immune to poison. However, she was helpless in this situation.

After all, in the business world, no one would roll around on the ground in a cheongsam and say unreasonably, “If you don’t cooperate with me, I won’t get up from the ground today.”

Jiang Yu, on the other hand, let the woman grab her leg. She said, “I’m not leaving. I can stay here and waste my time with you. Let’s see who has more time.”

Seeing this, the woman also felt that she had hit a hard bone. She stood up and patted the dust on her cheongsam. Then, she threw the pink handkerchief on the ground and said, “Since you said so, don’t blame me for being ruthless. If you guys are exposed by the media in the end and a group of people rush over to call you vixens, don’t cry and beg me.”

“Then hurry up and call the media. I’m still waiting for the media to come and interview me.” Jiang Yu smiled.

The woman was so angry that her mouth almost twisted. She took out her phone and made a call. “Do you know where my shop is? Come over quickly. I’ve caught two vixens now. Bring your cameras over and expose the two of them.”

After saying that, she hung up the phone.

She took out a chair from the workshop and sat at the entrance of the shop. He didn’t care that Jiang Yu and Lei Yuan were standing there, nor did he care that the owner of the workshop was standing there like a bucket.

“I’ve already contacted the media. They said they’ll be here soon. It’s already too late for the two of you to escape.”

“I didn’t say that the two of us were afraid. The two of us are innocent. Even if the media comes, we won’t feel guilty.” Jiang Yu said.

When the other shopkeepers heard that the media was coming, they could not help but become even more curious.

They had lived in this alley and had never seen many people in the city. This time, it was the legendary media. Their curiosity was definitely heavier.

Therefore, the group of people who were watching the show could not help but stretch their necks and whisper among themselves.

“This woman is really capable. She can actually hire the media. It seems that you can’t judge a book by its cover.

“I always thought that she was pretending just now.”

“I heard from them that some of the media will make groundless accusations. As long as there’s a hint of something, they can exaggerate it. We don’t know the truth about this matter. We don’t know the whole picture, so we won’t comment. But who knows what the media will say?”

“Since this woman contacted the media, they will definitely speak up for her. Unfortunately, these two little beauties were still not leaving. If the media gets involved, who knows how their reputations will be ruined.”

The woman heard everything they said. She sat on the chair and sneered. “You can speak up for them now. When the media comes and the whole story is out, I’ll see how you can still speak up for them!”

About half an hour later, three people jogged over, and no one was carrying a camera.

One of the ugly men went straight to the woman sitting on the chair and asked, “Didn’t you say something big happened here? I’m already here. Where is she?”

The woman pointed at Jiang Yu and Lei Yuan and said, “These two vixens are over there. Hurry up and get your brothers to take out their weapons and expose these two women.”

“Aiyo, this chick is really pretty.” The man smiled like a perverted hooligan. “How can you get involved with a beer belly uncle in his forties? Brothers, hurry up and take out your weapons. Our work is here.”

The other two men took out their phones and turned on the live broadcast.

Seeing this, Jiang Yu could not help but laugh. She said to the woman, “This is the media you were talking about? This is the interview you were talking about? Isn’t this just an unknown internet celebrity trying to use this incident to become famous on the internet?”

“Cut the crap. At least my brothers know how to do live broadcasts. Other than seducing people, what else do you know?” The woman sneered. “Let me tell you, even if my brother isn’t a proper media outlet, as long as he starts a live broadcast, you’ll be on camera. At that time, thousands of people will be able to see your face!”

“Thousands of people? Are you kidding me? With their live broadcast, it’s a problem whether or not there are ten people watching.” Jiang Yu said.

## Chapter 1447 This Is Also Called The Media?

The man’s expression became awkward when he heard Jiang Yu’s words. His already ugly face looked even uglier now.

When his two brothers heard this, they did not want to be outdone. They directly pointed their phones at Jiang Yu and Lei Yuan’s faces and said, “Come and take a look. These are the two vixens! Not only did he seduce someone else’s husband, but he’s also very thick-skinned to stand here and shout at someone else’s wife. This kind of person should be boycotted!”

Lei Yuan did not know how to deal with this situation and could only hide behind Jiang Yu subconsciously.

However, Jiang Yu had been in the entertainment industry for a long time, so she could easily handle such a live broadcast.

Jiang Yu smiled at the phone and said, “Hello, everyone. I’m Jiang Yu. What happened today was a misunderstanding. I only ordered a set of goods here. Today, I only came to pick up the goods according to the delivery date, but I was detained here by this lady boss. She said that I seduced the boss and didn’t let me go.”

“Don’t explain. Even if you explain, no one will listen.” the man said.

Jiang Yu said, “Look at how many people are watching your live broadcast now. If it weren’t for me, I’m afraid there wouldn’t be more than a hundred people in your live broadcast.”

The man looked at it suspiciously and realized that there were almost 5,000 people in the live broadcast room. And that number was still rising at a speed visible to the naked eye. Soon, it had risen to 8,000 people.

“Why are there so many people all of a sudden?” The man was stunned. When he had started a live broadcast in the past, there were only 60 people watching at most. Even if he wanted to get some tips, the moment he opened his mouth, the 60 people would immediately leave.

That was why he hadn’t earned a single cent after doing live streaming for so many years. Instead, he had spent tens of thousands of yuan.

But this time, there were already 8,000 people. No, there were already more than 10,000 people. With so many people watching the live broadcast, if they were really here for Jiang Yu, there would definitely be people who were willing to tip her.

“I didn’t expect a girl like you to attract so many people with your face.” The man licked his lips in a wretched manner. “Say a few more words and more people will watch the live broadcast. Maybe someone will tip me.”

“Say what? Are you guys making things difficult for me here?” Jiang Yu retorted, “There will be more and more people in this live broadcast room. By then, more and more people will know that I’m innocent. That will be different from the purpose of your live broadcast!”

“So what if it’s different? As long as we can earn money, who cares what the purpose is? Isn’t everyone doing live broadcasts to earn money?” The man said nonchalantly, “I thought that it was just a simple first wife quarreling with a mistress, so I thought of coming over to do a live broadcast. Maybe someone will be interested in this. Even if no one is willing to tip me, at least my popularity will increase. But I didn’t expect you to attract so many people. If I don’t take this opportunity to make a fortune, I won’t have this opportunity again in the future.”

“Forget about the future. You won’t have the chance this time either.” Jiang Yu sneered and said to her phone, “Everyone, remember this account. Don’t follow it in the future. Don’t watch his live broadcast either. His live broadcast is fake. For example, today’s incident, all of them are framing me.”

The number of viewers in the live broadcast room kept increasing. By now, there were nearly 50,000 viewers.

“Fifty thousand?” The man widened his eyes in horror. Even if the woman in front of him was indeed beautiful, she couldn’t have attracted so many people in less than ten minutes, right?

Jiang Yu smiled at the woman. “Is this the media you found? When they saw the number of people in the live broadcast room increase, they immediately forgot about you. I advise you to stay away from such people in the future. Be careful not to be deceived.”

“I don’t need you to lecture me!” The woman said sharply. She snatched the phone from the man’s hand and started to spew out words crazily on the screen. “All of you who are watching the live broadcast, listen up! These two women seduced my husband and are even acting arrogantly in front of me! You have to support me. I can’t let these two vixens succeed!”

She had thought that she would see comments supporting her in the comments section, but she did not expect that they would all be scolding her.

## Chapter 1448 Title

The comments in the live broadcast room were all scolding this woman. “I don’t think you’re good-looking either. What would your husband look like? Although I don’t know those two little girls, I think they’re quite beautiful. They shouldn’t be blind enough to fall for your husband, right?”

“Indeed Was this what it meant to be ugly? I’ve learned a lot today.”

Only a small portion of them were passersby, while the rest were mostly Jiang Yu’s fans.

“When I first heard the name Jiang Yu, I thought that I had misheard it. I didn’t expect that when I swiped it back, it really was my movie queen.”

“Movie Queen Jiang already has a fianc. Moreover, her fianc is handsome and rich. How could she fall for such a forty-year-old uncle?”

“Aren’t you a little too much? Do you know who you are talking to? This is Movie Queen Jiang. Her status is far higher than yours!”

“Oh my god, do they think that they will get support from others if they accuse Movie Queen Jiang? But in this matter, as long as you’re not blind, you know that Movie Queen Jiang is innocent.”

When the woman saw this, she couldn’t stand it anymore. She looked at Jiang Yu in horror. After a long time, she finally said two words with trembling lips, “Movie Queen?”

In such a remote place, it was rare to see people from the city. Now that the legendary movie queen had appeared here, the group of people was extremely excited.

The owner of the workshop didn’t expect that the person who placed the order here would be a movie queen, the kind of person who was famous on the Internet.

This time, the woman really knew that she had kicked an iron plate. Moreover, she also knew that she could not afford to offend someone like the “Movie Queen.” Therefore, before the matter developed into a serious situation, she quickly apologized to Jiang Yu. “I’m sorry. I misunderstood you. The whole thing is a misunderstanding. Everyone, stop talking. I was wrong. I saw wrongly.”

“Now that you know you saw wrongly, what were you thinking?” The shop owners who were watching the show asked mockingly.

The woman lowered her head and stammered. Her sharp and mean appearance had been replaced by a submissive one.

She tugged at the man beside her and whispered, “Hurry up and put in a good word for me on the live broadcast. Otherwise, won’t those people scold me one-sidedly?”

However, the expression on the man's face was not very good. He fiddled with his phone and finally cursed, "My number has been blocked. I can't open it anymore! You want me to explain for you? Explain my ass!"

He had been secretly happy because the number of people in his live broadcast room had increased and he thought that someone would tip him. However, before he could be happy for a minute, his live broadcast room was forcefully closed.

At first, he thought that it was because there were too many people and it exceeded the platform's limit, so he was forced to go offline.

However, no matter how many times he tried, he could not start the live broadcast again. In the end, he even received an email from the platform saying that there was illegal content in his live broadcast room. After the official decision, they decided to ban him.

And it was a permanent title.

The man knew that this must be because of Jiang Yu. After all, the people in the live broadcast room were all here for her. If anything happened to her, the people in the live broadcast room would definitely want to remove her account.

He had been running this account for so many years. Although he had not earned a single cent, it did not mean that he would not be able to earn money in the future. Moreover, he had already invested a lot of money into this account. If this account was banned, he would have to spend another sum of money to cultivate a new account.

"Miss." The man was really scared and the way he addressed Jiang Yu changed. "My account has been banned. It must be your fans. Can you do me a favor? I'm apologizing to you now. Please forgive me. Then, help me tell this platform to restore my account. Aren't you the Movie Queen?"

You must know the boss of such a platform."

"I don't know him." Jiang Yu denied it immediately. "The content of your live broadcast room was fake, so someone reported it and banned it. You can't blame me.

If you want to blame someone, you can only blame yourselves for not understanding the situation in the beginning and starting to spread rumors on the Internet.”

“Yes, yes, yes. I know I was wrong, so I’m asking for your forgiveness.” The man smiled apologetically. “I promise that this will never happen again. So, please help me this time.”

## Chapter 1449 Cold Treatment

“You’ve wronged me so much, so why should I help you resolve this matter? So what if you apologize to me? I didn’t say that I have to forgive you.” Jiang Yu said coldly, “Since your account has already been banned, you can ban it forever. It can also be considered a punishment for you. In the future, don’t accuse innocent people before you figure out the truth.”

Then, she said to the woman, “You too. In the future, when you make friends, you have to keep your eyes open. To think that you still knew to call them over when you encountered such a situation. But what do you think happened after they came? Not only did I not support you, but I even want to reprimand you instead.”

The man and the woman couldn’t help but nod. “I know, I know. It won’t happen again.”

The owner of the workshop saw this scene and knew that the two women in front of him were people he could not afford to offend. He quickly said, “Customer, the goods you want have arrived. I’ll go and get them for you now.”

“Forget it. I’m not in a good mood after encountering such a thing today. I don’t want this batch of goods. Since I’ve already given you the deposit, I won’t take it back. Anyway, we won’t be working together in the future.” Jiang Yu frowned and pretended to be very angry. She turned around and left.

“You still dare to blame me?” As soon as Jiang Yu left, the woman’s aura instantly rose again. She stood up and scolded the boss fiercely. “If I hadn’t found this pink handkerchief in your shop, how long would you have kept it from me? You cheated on me and betrayed me! How am I being unreasonable?”

The man and his brothers also left indignantly. They had only wanted to use this incident to make a small fuss. They did not expect that not only did they not achieve their goal, but they even lost their accounts.

That was an account that cost tens of thousands of yuan, and it was blocked just like that.

Most of the people involved in this matter had already left. The rest of the shops did not have the mood to watch the show and went back to continue their business.

Only the boss of the pork workshop was still arguing with the woman. It seemed that the business would not be able to continue today.

Jiang Yu and Lei Yuan were on their way back. Lei Yuan could not sit still. After hesitating for a long time, he finally asked, "I remember Chu Ran saying that this is a workshop that sells human organs. Since it was such a place, why were there so many shops around? Also, you've already paid the deposit. Why don't you take the goods back?"

"The most dangerous place is the safest place," Jiang Yu explained casually. "Haven't you heard of this saying before? Moreover, this workshop was selling human organs under the guise of selling pork. If he didn't open it in this place, wouldn't it be even more suspicious? As for whether I want those goods or not, that's my business. If you were in such a situation today, you wouldn't be in a good mood either. I'm afraid you wouldn't want that batch of goods either. You might even ask for the deposit back."

Lei Yuan paused for a moment and felt that what Jiang Yu said made sense. He did not ask any further and kept quiet.

After a long time, so long that dust could be seen in the air, Lei Yuan spoke again. "Someone just said that you are the Movie Queen. Are you really the Movie Queen? The kind that acts in the entertainment industry."

"That's right." Jiang Yu said nonchalantly, "It's just that your Mr. Chi Rui's human-making experiment has affected the variety show that I'm filming. That variety show has been temporarily suspended, so I'm here. Otherwise, I would never have interacted with you."

“Actually, when I was young, I really wanted to live in the entertainment industry. It’s just that my family was too poor. Even if I got in, I didn’t have the money to pay my tuition fees.” Lei Yuan said, “I didn’t expect that I would actually know a movie queen from the entertainment industry. It seems that God is also making up for me not realizing my dreams.”

Jiang Yu didn’t say anything and just looked at Lei Yuan.

She thought that the people who followed Chi Rui were all arrogant and arrogant like Chu Ran, or people who were tense and decisive. She didn’t expect that Lei Yuan would also sigh at the impermanence of the world.

## Chapter 1450 Dress

Jiang Yu remained silent all the way back to the villa. Lei Yuan was a little puzzled. She was clearly willing to talk to him just now. Why did Jiang Yu remain silent after he told her about his childhood?

After Jiang Yu got out of the car, she said to Lei Yuan, “I’ll get the driver to send you home. Let’s call it a day. If there’s anything else, you can come and see me tomorrow.”

After saying that, Jiang Yu turned around and went back. Even if Lei Yuan wanted to stop her and ask her what was going on, she didn’t have the chance.

With such doubts, Lei Yuan did not sleep well the entire night. The next morning, she rushed to Jiang Yu’s place early in the morning.

This time, the bodyguard at the door did not stop her. Instead, he made way for her and said, “My wife said that if she sees you coming in the future, she can go in directly.”

The doubt in Lei Yuan’s heart grew even more intense.

Why did Jiang Yu’s attitude towards him take a 180-degree turn after yesterday’s incident? Although Jiang Yu would indeed talk to him with a smile in the beginning, Lei Yuan could clearly see that Jiang Yu had a sense of resistance.

However, ever since the two of them had separated last night, Lei Yuan felt that there was an invisible bond between him and Jiang Yu that had pulled the two of them closer.

Lei Yuan went to knock on the door with such doubts. However, Jiang Yu had not woken up yet, so Mei Shuang opened the door for her.

Mei Shuang seemed to know Lei Yuan. When she opened the door and saw her, she asked enthusiastically, "You're here so early today. Have you had breakfast? I'm cooking. Come in and eat together."

Lei Yuan had never had the habit of eating breakfast. However, when she saw Mei Shuang in front of her being so enthusiastic, she did not know why, but she said something out of the blue. "Thank you then."

"You're welcome. You're Sister Jiang Yu's friend, so you're our friend. Why are you thanking me for breakfast?" Mei Shuang quickly let Lei Yuan into the house. "Come in and have a seat. You're really early today. Sister Jiang Yu and the others haven't woken up yet."

Lei Yuan sat down on the sofa and saw a very exquisite gift box on the coffee table. It looked like it contained a gown.

Lei Yuan did not expect that Jiang Yu would still have the time to buy a dress even though she already had two illegal businesses on her hands.

For a person like him, not to mention wearing such a gown, even looking at it would be a kind of blasphemy.

Mei Shuang came out of the kitchen and saw Lei Yuan looking at the gift box in a daze. She couldn't help but laugh and say, "The things in this gift box are the gifts that Sister Jiang Yu wants to give you. After Sister Jiang Yu wakes up, she will hand it to you personally. She said that you will like it."

Lei Yuan was shocked. She did not expect this gift box to be a gift from Jiang Yu.

“For me?” Lei Yuan pointed at himself in disbelief. “You’re not joking?”

“Of course it’s true. Why would I lie to you?” Mei Shuang smiled and was about to continue speaking when Jiang Yu came out of the bedroom.

When she went downstairs and saw Lei Yuan, she said as if she was talking to a friend she had known for a long time, “You’re here so early today. You haven’t had a good rest, have you?”

Lei Yuan didn’t know how to answer her, but fortunately, Jiang Yu didn’t ask why she came so early. Instead, she walked up to her and opened the gift box on the coffee table before taking out the gown inside. He compared it in front of Lei Yuan and said, “Not bad. This size is just right. I’ll bring you to try it on. If it suits you, you can wear it and take it away.”

Lei Yuan took the gown in a daze and followed behind Jiang Yu.

Although she already knew that this was a gift from Jiang Yu, she thought that Jiang Yu would hand it over to her solemnly and then say, “Look, this is my gift to you. How about it? Aren’t you touched?”

However, not only did Jiang Yu not say that, but she also acted very naturally, as if she treated Thunder Garden as a family.

This gown did not look like it was specially bought. It was more like the older sister had heard that the younger sister liked this dress, so she bought it with a wave of her hand.
