

## Older Man 1461

### Chapter 1461 United Front

Jiang Yu looked at him as if she was amused. “You don’t have to be too afraid. I have something to tell you.”

“What is it?” the professor asked warily.

“Since Chi Rui gave you money to reduce Lei Hao’s dosage, you should report Lei Hao’s physical condition to Chi Rui on time, right?”

“You have to report once every month. Why?” Although the professor was a little surprised at first, on second thought, anyone with a brain would have guessed it.

“This is what I told you.” Jiang Yu said, “When you report to Chi Rui, do as you said before. Don’t tell Chi Rui that Lei Hao’s leg has been cured.”

“Why should I promise you? You even threatened me!” The professor gritted his teeth. “You’ve already treated me like that, and you still want me to agree to help you?”

“You can choose not to help, but if you don’t help, then the news of you taking black-hearted money and reducing the patient’s dosage will immediately spread in the hospital.” Jiang Yu said nonchalantly, “Anyway, you’ll be the one who’s embarrassed and the one who’ll be fired will be you, not me.”

“You!” The professor was so angry that he stuttered. “Alright, I promise you! Then you have to promise me that you won’t tell anyone else about this!”

“Sure, this is a deal between us.” Jiang Yu smiled as she took out her phone from her pocket. She waved it around and said, “I’ve already recorded our conversation. You can’t go back on your word even if you want to.”

As she spoke, she pressed the play button, and her conversation with the professor echoed in the office again.

After the professor heard this, his blood surged and he almost had high blood pressure. He had never expected Jiang Yu to have such a trick up her sleeve.

“Why are you so cunning? He even recorded it!” The professor was exasperated. “Do I look like the kind of person who goes back on his word?”

“It’s hard to say.” Jiang Yu put away her phone. “You accepted Chi Rui’s money, so you should work for Chi Rui loyally. However, after considering your reputation, you chose to betray him and work for me. If one day, someone has something on you, then you will betray me. What if I’m not vigilant and I’m tricked by you one day?”

“Do I look like the kind of person who would lie?”

“Yes.” Jiang Yu replied without hesitation, “That’s all I want to say. As long as you promise me, then do it well. I only ask for one thing.”

With that, she left.

Jiang Yu returned to the ward and said to Lei Yuan, “Alright. I’ve already explained it to the professor. He has already agreed to it.”

“He’s using Chi Rui’s money to help Chi Rui. Will he really agree to help us?” Lei Yuan was a little surprised.

“Of course he will agree to our request. Compared to the small profits now, the long-term development in the future is more important to him, so he agreed to my request.” Jiang Yu said, “As long as he helps us, I won’t tell anyone about him reducing the amount of medicine he gave Lei Hao. However, in this matter, you are the final victims. Whether you want to punish him or not, your decision is more important.”

“This...” In Lei Yuan’s heart, he really wanted to punish this professor severely. Who asked him to take the black-hearted money and not do the doctor’s business?

Since Lei Hao had already said so, Lei Yuan did not think about it anymore. He said, “Since you’ve already said so, then I won’t consider this matter anymore.”

“If there’s nothing else, I’ll go back first.”

Jiang Yu returned to the villa while Lei Yuan continued to stay in the hospital to take care of Lei Hao. After all, Lei Hao’s leg had just been healed and there was still some time before it fully recovered. Recently, Jiang Yu didn’t need Lei Yuan’s help, and it wasn’t time to report to Chi Rui, so Lei Yuan had been staying in the hospital to take care of Lei Hao.

It was not until Chi Rui called her and asked, “Have you been with Jiang Yu recently? What has she been doing all this time?”

#### Chapter 1462 Muddle Through

Lei Yuan was serious. She repeated the words that Jiang Yu had taught her to Chi Rui. “She has been looking for a place to sell human organs as usual. At the same time, she is looking for a place to sell poppy seeds. However, these two places are not easy to find. The police have been a little strict recently, so most of the shops are closed. Therefore, Jiang Yu has been thinking of a way recently.”

“Indeed, the police have been very strict recently.” Chi Rui didn’t suspect anything. “Then stay by her side and keep an eye on her. At the same time, tell her that she can think of a way, but she doesn’t have to carry it out. No matter what, you have to protect yourself first. Only attack when you’re absolutely safe.”

“Alright, I got it.”

Chi Rui didn’t say anything else and hung up the phone.

The conversation between him and Thunder Garden was as simple as that.

!!

After hanging up the phone, Lei Yuan called Jiang Yu again and repeated what Chi Rui had just said.

“From the looks of it, he seems to be quite worried about my safety.” Jiang Yu couldn’t help but laugh. “However, the police have been investigating these two aspects recently. God has given me a good excuse. I don’t think he suspects me.”

“Judging from his tone, he shouldn’t have any doubts.” Lei Yuan said.

“Alright, I understand. We’ll figure out how to tell him after this incident blows over. Just take good care of Lei Hao in the hospital. You don’t have to worry about anything here.” Jiang Yu said.

“Alright, thank you.”

After the two of them hung up the phone, Jiang Yu lay on the sofa for a while and stretched. Then, she got up to look for Ji Tang.

As long as the professor and Lei Yuan were on both sides of Chi Rui, Chi Rui would not be suspicious of Jiang Yu for the time being. Then she would have a lot of time to help Ji Tang find Ji Feng.

Moreover, it had been some time since the last drug delivery. Ji Feng and the others should appear at the dock again in the near future.

Although the police had been investigating illegal industries recently, there was no guarantee that some greedy people would take advantage of this time to show up.

From the recording that Jiang Yu heard that day, Ji Feng might not be a greedy person, but his accomplices might not be.

Jiang Yu found Ji Tang and told her her about her thoughts. Ji Tang thought for a moment and said, “Alright, I’ll go to that dock with you now. But it has been so long. Will their delivery location change?”

“Probably not.” Jiang Yu guessed, “After all, the goods they are handing over are drugs. If they keep changing the delivery location, it will definitely arouse the suspicion of others. At that time, it will be considered as confessing without a fight.”

“Alright, I’ll go with you now.”

Jiang Yu and Ji Tang took a car to the dock. The dock was relatively lively during the day, with people coming and going.

Jiang Yu guessed that it was unlikely that they would deliver the goods at this time, so she and Ji Tang went for a meal and then returned to the dock in the afternoon.

At this time, there were fewer people on the dock. Although there were still people passing by, there were not as many as during the day.

Jiang Yu pulled Ji Tang to sit on a chair next to the boat at the dock. “Let’s wait here for a while. Maybe someone will come soon.”

“How did you know that Ji Feng would definitely come today?”

“I don’t know, it’s just a guess.” Jiang Yu said, “Actually, I’ve already made up my mind. If I don’t see him today, I’ll come back tomorrow to continue waiting. He had been waiting, and one day, he would be there. I don’t believe it. If he doesn’t come to deliver the goods within three days.”

Ji Tang still wanted to say something when three people pushed a cart over from afar. Ji Tang’s eyes were sharp. She saw that one of them was her younger brother, Ji Feng.

“He really came!” She grabbed Jiang Yu’s arm excitedly and got up to look for Ji Feng to ask him what was going on.

Jiang Yu quickly stopped her. “If you go now, you’ll alert the enemy.”

“But they’re about to deliver the goods. If this batch of goods is successful, then Ji Feng’s crime will be even more serious. As an elder sister, how can I watch?” Jiang Yu was a little anxious.

“But we can’t go out rashly now. Otherwise, both of us will be exposed.” Jiang Yu said.

## Chapter 1463 Interrogation

Ji Tang could only sit beside Jiang Yu, but she was not at ease at all. She watched as Ji Feng and his accomplices handed the goods to another group of people.

Then, another group of people took out a wad of cash and threw it to Ji Feng and the others.

These people were dressed like migrant workers. Anyone who saw them would think that the goods on their trucks were bricks or something.

“If we continue to watch like this, those people will take the things and leave.” Ji Tang said, “Do you want us to call the police now and get them to arrest them?”

“If the police come, your brother will also be caught. Have you thought about it?” Jiang Yu retorted, “Besides, it’s useless to call the police now. By the time the police arrive, this group of people will have already left. We don’t know where their base is. When the police come, we won’t be able to say anything. They’ll think that we’re playing with them.”

“But we can’t just watch helplessly.” Ji Tang became even more anxious.

“Don’t worry, watch me.” Jiang Yu said.

While the group of people who had received the goods left with the cart, Jiang Yu got up and walked over. Just as she was about to brush past the group of people, Jiang Yu suddenly tilted her head and fell towards the person beside her.

“Are you alright?” A short and fat man was quick to react. He immediately helped Jiang Yu up and asked.

“It’s okay, it’s okay. I’m really sorry. It’s my first time wearing such high heels. I didn’t expect to sprain my ankle. I almost fell on you. I’m so sorry!” Jiang Yu quickly straightened up and apologized profusely.

When the short and fat man saw how beautiful Jiang Yu was, he was instantly overjoyed. He said, "It's okay. This is what I should do." "You're so beautiful. What if you fall and get injured?"

"Thank you so much." Jiang Yu's eyes were filled with gratitude. "Do you want to leave me your contact information?" "When I get back, I'll treat you to a meal when I have time."

"Alright..." Before he could finish his sentence, the short and fat man was glared at by one of the muscular men. He immediately changed his tone and said, "It's okay. It's just a small matter. It's not worth mentioning. If we are fated, we will meet again in the future."

With that, the three of them pushed the cart away.

Jiang Yu looked at their backs as they left. She crossed her arms and was secretly happy.

Done!

The three people on the other side also saw the situation here. Ji Feng's accomplice was still sighing at Jiang Yu's beauty, but Ji Feng saw Ji Tang sitting on the chair.

"You guys go back first. I saw an acquaintance. I'll go greet her." Ji Feng said to his companions.

"What acquaintance? With our status, you still dare to greet someone you know?" His companion was a little surprised.

"It's okay. The people around me don't know that I do this kind of work. I haven't seen her for a long time. I'll go say hello and say a few words before going back. If you're not in a hurry, you can wait for me here."

"I know!" Ji Feng responded and ran towards Ji Tang.

"Ji Feng!" Ji Tang stood up excitedly when she saw Ji Feng running towards her.

Ji Feng had not seen Ji Tang for a long time. He ran over and gave her a big hug. Then, he asked, “Sister, why are you here at this dock?”

“You still have the cheek to ask me? I have to ask you, why did you appear at this dock?” Ji Tang asked unhappily, “Tell me the truth. What was on the cart that you pushed just now?”

Ji Feng scratched his head awkwardly and said, “It’s just ordinary wood and bricks...”

“I’ll ask you again. What’s on that cart?!” Ji Tang asked sternly before he could finish his sentence.

Ji Feng fell silent. He knew that Ji Tang must have known something.

After hesitating for a long time, Ji Feng said, “Sis, there’s something dirty on it. You don’t need to know.”

“That’s drugs on it, isn’t it?” When Ji Tang said this, she deliberately lowered her voice.

“Yes.” Ji Feng nodded.

“How dare you sell drugs? Do you know that if you’re caught, you’ll go to jail!”

Chapter 1464 Seeing A Doctor

Of course, Ji Feng knew that his job was very dangerous, but for his mother, he could only take the risk.

Because such a job really paid a lot of money.

At the thought of this, he quickly took out the money in his pocket and handed it to Ji Tang. “Sister, this is the money I just earned. Take it and go back to treat our mother. And Du Wei, I’ll have to trouble you to help me take care of her.”

“I don’t want this kind of dirty money! How do you expect me to feel at ease? If Mom finds out that you used the money from drug trafficking to treat her, have you ever thought about what she would think?” Ji Tang slapped Ji Feng’s hand away. “And that Du Wei, don’t think about her anymore. She has already hooked up with another man and has been arrested by the police.”

“What is it? She promised me that she would wait for me to return! How did you hook up with another man?” Ji Feng couldn’t believe it.

!!

Ji Tang also felt very aggrieved. Her tears flowed down. She said, “Ji Feng, be good. Go back with me now. Don’t do this kind of work anymore. Jiang Yu will find a way to reduce your charges.”

Who is Jiang Yu? ” Ji Feng asked in confusion.

When Jiang Yu heard her name being called, she quickly walked over and greeted her. “I’m Jiang Yu. What’s the matter?”

“Sister, this is your friend, right?” Ji Feng sized her up and then said to Ji Tang.

“Yes, he’s a friend of mine from the orphanage when I was young.” Ji Tang hurriedly introduced him to Ji Feng. “Tell her everything you’ve done. She’ll think of a way to reduce your charges.”

“What do I have to say to her?” Ji Feng was unwilling. “Sister, this job is indeed dangerous and shameful, but the money is really high. If I don’t do this job anymore, how can I have so much money to treat Mom?”

“You don’t have to worry about this. I’ve already found someone to treat Mom. Come back quickly.” Ji Tang pulled Ji Feng’s arm, unwilling to let him go no matter what.

“I can’t, Sis. Even if you find someone to treat her, you still need to give her money. If I come back now, how can I have so much money to give her?”

Jiang Yu said, "I'll help your mother see a doctor. I don't want money. After all, Ji Tang is my friend. Now that she's in trouble, it's only right for me to help her."

"You?" Ji Feng looked at Jiang Yu. "You said you wanted to treat my mother? Are you kidding me? Even if you study medicine, you shouldn't have graduated at your age, right? How dare you say that you're helping my mother?"

"Don't look down on me." Jiang Yu crossed her arms over her chest and was very dissatisfied with Ji Feng's attitude. "Your sister knows whether I can help your mother or not."

"Sister, don't be fooled by her." Ji Feng quickly said, "She doesn't look like a reliable person. Don't let her treat our mother."

"Believe it or not, do you think I want to talk to you?" Jiang Yu was also a little angry this time. She had been called a liar a few days ago, and now she was called a liar again.

"Don't say that. If Jiang Yu hadn't noticed that the potted plant Du Wei brought back was poisonous and asked me to throw it away, our mother's health would have collapsed long ago." Ji Tang hurriedly explained, "Besides, I've seen Jiang Yu's medical skills. I believe her."

"No matter how good her medical skills are, she can't compare to the medical professors in those top hospitals!" Ji Feng said, "I'd rather spend all my money on the hospital than let this woman treat Mom."

Not only did you let down your mother's expectations, but now you're suspecting the person who can treat your mother. How rude!"

"Stop being so glib. No matter what you say, I will never agree to you treating my mother!"

"The two of you, don't quarrel. The most important thing now is to pull Ji Feng back from the road of drug trafficking," Ji Tang said.

“Sister, don’t worry. I know what to do. If the police notice us, I’ll definitely stop.” Ji Feng comforted.

#### Chapter 1465 Repent And Be Saved

“You still want to drag it out until the police find you? You really won’t turn back until you hit a brick wall.” Jiang Yu smiled. “Do you really want to go to jail so badly?”

“Are you cursing me?” Ji Feng raised his eyebrows and stood in front of Jiang Yu, thinking that he could scare her.

Unfortunately, Jiang Yu was not afraid.

She even puffed out her chest and looked back at him. “You’re doing this kind of shady business. Do you still think it’s reasonable?”

“Mind your own business!” Ji Feng pointed at Jiang Yu. Actually, he already wanted to make a move, but Jiang Yu was a woman after all. Ji Tang was still present, so Ji Feng definitely would not embarrass himself.

However, Jiang Yu did not indulge him. From the moment he stretched out his hand, she knew what Ji Feng was thinking.

So she grabbed it and flipped her wrist, and Ji Feng’s fingers snapped over.

“Ah!” Ji Feng cried out in pain, “It hurts! Sister, save me!”

“You still know how to feel pain? This is a lesson for you!” Jiang Yu scolded Ji Feng.

Ji Tang’s heart ached for Ji Feng. She could only put in a good word for him in front of Jiang Yu. “Jiang Yu, please let Ji Feng off. He’s young and insensible. That’s why he made a mistake.”

Jiang Yu released her hand and said, “He’s still young? Then a few hundred years old is considered old?”

Ji Feng was in pain. He did not expect Jiang Yu to be so strong despite looking so weak. Fortunately, he had held back and did not make a move. Otherwise, he might have been the one lying on the ground now.

“Ji Feng, listen to me. Don’t become a burden to the family,” said Ji Tang.

“I...” Ji Feng was silent for a long time before he said, “But this job really pays a lot. I need a lot of money to treat my mother’s illness.”

“I told you long ago that you don’t have to worry about this. If you really don’t believe me, I’ll take the money to send your mother to the doctor. When the time comes, you can find a proper job and earn money. Just return the money to me.” Jiang Yu felt that Ji Feng wasn’t decisive enough, and she was getting impatient listening to him.

Ji Feng thought about it and felt that Jiang Yu’s method made sense. He said, “Alright. Since you’ve said so, I can quit this job.”

“That’s good. Repent and be saved!” Ji Tang was very gratified.

However, Jiang Yu said, “When you joined this group of people, you should have given them all the information, right? They should know where you live. If you quit this job so rashly, I’m afraid they’ll find your family. How about this, I’ll find you a new place to stay. If there’s no need, don’t go out. If you need anything, just let me know. I’ll get someone to send it to you.”

“Thank you, Jiang Yu.” Ji Tang was so touched that her eyes were filled with tears.

“You’re welcome. It just so happens that I have something to ask Ji Feng. If he is willing to tell me everything he knows, then this new residence will be my gift to you.” Jiang Yu said.

“Thank you for your cooperation.”

On the way back, Ji Tang told Ji Feng about Du Wei.

“This b \* tch! It sounded nice back then. I was still waiting to come back and make up for the wedding! I didn’t expect her to be unable to stand the loneliness in just a few months!” Ji Feng was furious. “She even gave all the money in the house to that scumbag? Don’t let me see the two of them again, or I’ll beat them up every time I see them!”

“If you have the time, why don’t you think about yourself?” Jiang Yu asked, “How did you find such a job?”

“The small alley outside is full of such small advertisements.” Ji Feng said, “I saw that the money was high, so I went. I only found out that it was a drug dealer after I went.”

“Why aren’t you leaving?” Jiang Yu also admired Ji Feng’s courage.

“Will you give me money if I leave?” Ji Feng kept talking about money as if he couldn’t live without it.

“Where is your stronghold?” Jiang Yu ignored Ji Feng’s sarcasm.

“Go east along the dock and go out of the small gate.” Since Ji Feng had already decided to leave the organization, he did not care about the secrecy of the stronghold.

## Chapter 1466 Another Person

Jiang Yu brought the siblings back to the villa and arranged for Teng Yi to find a new place to live. The three of them sat on the sofa in the living room. Mei Shuang even carefully poured two cups of tea for Ji Tang and Ji Feng.

“If you have any questions, just ask.” Ji Feng wasn’t used to being treated like this. “My sister and I will hurry back after you’re done asking.”

“With your identity and that of your accomplices, you should only be at the lowest level. Then do you know who the person above is?” Jiang Yu did not beat around the bush and asked the question directly.

“You mean the person at the top? I don’t know who it is, but I know who my superior is.” Ji Feng said, “The person above me should be called Lu Ting. I saw him once before. He was a young man wearing glasses. His identity outside seemed to be a professor at a school.”

“Have you had any contact with that person called Lu Ting? Or when he was communicating with others, did you hear it nearby?” Jiang Yu asked.

“I have to think about it, because it’s been a long time since I saw him.” Ji Feng carefully recalled and said, “He seemed to have made a phone call at that time. I don’t remember the exact content, but I think he mentioned a person. I think his name is Chi Rui. ” I don’t know if I remember correctly.”

Jiang Yu was silent for a moment. After a long time, she said, “No, you didn’t remember wrongly. That’s the name.”

“You know Chi Rui?” Ji Feng was puzzled.

Jiang Yu did not know how to explain this matter to them. She could only give them a vague explanation. “We met once before. He even invited me and Black Dragon to work together.”

“Then I advise you not to cooperate. If it’s really this person, then he must have something to do with drugs. If you cooperate with him, you’ll be implicated when he’s arrested by the police.” Ji Feng said.

He was clearly the one who had been taught not to get involved with drugs, but now he had become the one who lectured others.

“You still have the nerve to say that. We were talking about you at the dock just now.” Ji Tang did not give Ji Feng any face at all.

Teng Yi returned very quickly. He said to Jiang Yu, “Madam, I have already found the best hotel in a relatively remote place according to your request.”

“Alright, give these two the address.” Jiang Yu said

Ji Tang got the address from Teng Yi. She stood up and bowed to Jiang Yu gratefully. “Jiang Yu, thank you so much. You are our family’s savior!”

“It’s alright. You two go back first. Bring your mother to that hotel to recuperate. When I have time, I’ll go over and take a look. As for the doctor, I’ll contact him.” Jiang Yu said.

“Jiang Yu, it’s not that I don’t believe in your medical skills. Actually, you can just come and treat my mother.” Ji Tang still trusted Jiang Yu very much, but Ji Feng did not believe that Jiang Yu could treat and save people just because she treated them well.

He said to Ji Tang, “Sister, since she said so herself, then don’t let her come again. When the time comes, I’ll work hard to return the money she lent us.”

Ji Tang still wanted to say something, but Jiang Yu had already gone to think about other things. She could only sigh and leave with Ji Feng.

After Mo Long returned in the evening, everyone had dinner together and went back to their rooms to rest. Jiang Yu then told Mo Long about this matter.

“Yes, but there’s one thing that I still suspect. Of these two industrial chains, only one is profitable, and that’s the one in Lu Ting’s hands. As for the one in my hand, it might be real or fake. However, there’s a greater possibility that Chi Rui is just using this as a cover to tie us up.”

There was a reason why Jiang Yu had such thoughts.

After all, the police were now investigating drugs, but Lu Ting still took such a big risk and continued to sell drugs. That meant that the benefits far outweighed the risks.

However, Chi Rui had asked Jiang Yu to stop temporarily and continue when it was absolutely safe. This meant that Chi Rui did not care about the industrial chain in Jiang Yu’s hands at all.

Therefore, Jiang Yu had such a guess.

#### Chapter 1467 Mathematics Professor

However, no matter how good the reason was, a guess was still a guess. It could not be completely confirmed. Therefore, Jiang Yu decided to start with Lu Ting.

As for the stronghold, Jiang Yu did not want to alert the enemy for the time being.

Ji Feng had already given him more detailed information, which was enough to find out the identity of this person.

The next morning, after Jiang Yu woke up, she used her computer to find detailed information about Lu Ting.

He was a mathematics professor at a university in Qingcheng. Because he was handsome and spoke gently, he gave off a gentle and refined feeling, so he was praised by his female classmates.

Jiang Yu looked at the picture on the computer and could not help but sneer. “What a hypocrite!”

Jiang Yu turned off her computer and took a bus to the school.

She only told the security guard at the door that she was a student of this school and the security guard let her in.

The security guard didn't look like he was serious and responsible. When Jiang Yu arrived, he was still dozing off in his chair.

Jiang Yu walked into the teaching building just in time for the students to finish their classes. “Hello,” she asked one of the girls. “May I know where Professor Lu Ting's office is?”

The female student looked at Jiang Yu and thought that the person in front of her was very beautiful. She even thought that she was Lu Ting's girlfriend. She couldn't help but feel like gossiping. She said excitedly, "Professor Lu Ting's office is on the fourth floor. After you go up, the second room on the right is his office."

"Thank you." Jiang Yu only wanted to find Lu Ting as soon as possible, so she did not realize what the girl in front of her was thinking.

Jiang Yu went to the fourth floor and knocked on the door of the second room. "Professor Lu Ting, are you there?" she asked.

"I'm here." Soon, a response came from the room. "Come in."

Jiang Yu pushed the door open and walked in.

This was Lu Ting's first time meeting Jiang Yu and he was certain that she was not a student of this school. At least, she was not studying at this school. "Who are you?" Lu Ting asked in confusion. "Why are you looking for me?"

Jiang Yu sat on the sofa and said, "Although you don't know me, I know you. "If you want to know who I am, you can ask Mr. Chi Rui."

When Lu Ting heard the name Chi Rui, he quickly put down his work and walked over to Jiang Yu. He asked in a low voice, "Are you Mr. Chi Rui's subordinate?"

"Aren't you the same?" Jiang Yu asked.

"Then did you know about me from Mr. Chi Rui? Is that why you came over?" Lu Ting asked again, "Aren't you afraid that others will find out that you came here so rashly?"

"Is that Smurf in your hand too?" Lu Ting probed her carefully.

"Smurfs" was one of the slang words for drugs in their industry. Jiang Yu had done her homework, so she knew what it meant.

So she said, “Not only Smurfs, but also Candy and other things.”

“Candy” was also one of the slang words for drugs.

“Mr. Chi Rui also gave you such an industrial chain? Looks like we can be considered colleagues.” Lu Ting finally let go of his suspicions. He sat beside Jiang Yu and stretched out his hand to her. “Let’s get to know each other. My name is Lu Ting. I have been working for Mr. Chi Rui for several years. I didn’t expect you to have one. It seems that Mr. Chi Rui still trusts you.”

“I don’t think so. After all, you’ve helped him for a long time. He definitely trusts you more.” Jiang Yu giggled. “I also heard about you from someone else, so I thought of coming over to meet you and see which side you are from.”

“He’s not a big shot. He’s just been in this business for a long time and is familiar with it. If there’s anything you don’t understand, just ask me. I’ll definitely tell you everything I know. Everyone is working for Mr. Chi Rui, so there is no need to be so clear about it.”

Lu Ting seemed to regard Chi Rui as a religion, and he kept mentioning the name Chi Rui.

However, Jiang Yu was also quite agreeable to him. “Alright, since you’ve said so, then we can be friends. If I encounter any trouble in the future and come to you for help, you’re not allowed to say that you won’t help me.”

“That’s for sure.”

#### Chapter 1468 Fictional Girlfriend

Before Jiang Yu left, she gave Lu Ting her contact information. “This is my contact information. If you need anything, just call me.”

However, this number was not Jiang Yu’s own number. It was another SIM card that she had bought on the way here.

Moreover, it was a black card bought from a small workshop. He did not need an ID card or a real name. At that time, Jiang Yu would not be afraid that Lu Ting or Chi Rui would find out about her.

Lu Ting didn't doubt it at all. He took the contact number and said, "No problem. I hope we will have the chance to meet again in the future."

"There will definitely be a chance to meet again."

After saying this, Jiang Yu left.

When Jiang Yu walked out of the teaching building, she was suddenly stopped by someone. She took a closer look and realized that the person in front of her was the female student who had just asked for directions.

"May I ask what you need?" She asked with a smile.

"Sister, you're really beautiful. Why are you here today? Are you his girlfriend?" The student's eyes were almost glowing.

Jiang Yu paused and smiled awkwardly. "No, you misunderstood. I'm just his friend. I already have a fiancé."

"I see. Alright then." The female student looked disappointed and stepped aside to make way for Jiang Yu.

Jiang Yu did not think much of it and left immediately.

After she left, the female student regained her former spirit. She shouted at a person who was secretly taking photos with a mobile phone in the distance. "Yang Hong, did you take a photo?"

"I did, but I only got a back view. I didn't get a full face." Yang Hong was a bit troubled, "Although from the back, her figure is quite good, but I didn't get her face."

“You really can’t do anything but spoil things.” The female student chastised as she chopped her feet. However, she immediately smiled and said, “That’s okay. I can tell from her back that this person is a woman. When the time comes, we’ll post this photo on the school forum and say that she’s Lu Ting’s girlfriend. Moreover, this woman has a fiancé. Wouldn’t a casual love triangle like this attract a lot of people?”

“Isn’t this a little inappropriate? Although we’re the school’s newspaper forum, wouldn’t it affect the reputation of others if we casually say something like this without getting verified?”

“What great things can you achieve if you keep being so submissive?” The female student glared at Yang Hong, snatched his phone, and then sent the photo to her own phone, “If you don’t dare, it’s not too late to quit now. Leave the rest to me. If it really becomes popular, don’t blame me for not bringing you along.”

When Yang Hong heard this, he quickly pulled the female student’s sleeve and said “Don’t, Lin Shi. I know I was wrong. Don’t leave me behind.”

“If you know you’re wrong, then listen to me. Do whatever I tell you to do.”

“Sure, no problem.” Yang Hong promised obediently.

The name of that article was called-Shocking! Lu Ting’s Love Triangle.

She had already expected that once this article was published, it would be reposted by the students in the school in less than a week. She did not know about the male students, but she knew that the female students would definitely pay special attention to this matter.

Because Lu Ting was their dream lover.

Now that their dream lover was exposed to be in a love triangle with a woman who was engaged, and it was an underground relationship, those female students would probably go crazy.

Perhaps someone would think of ways to dig out that woman's identity.

"Just thinking about it makes me feel excited." Lin Shi smiled so hard that he couldn't close his mouth.

Yang Hong looked at her and also felt that this Lin Shi was somewhat unfamiliar. She wasn't like this before. Ever since she joined the forum newspaper company, the things she did became more and more ridiculous.

Not only did she not put on the airs of a rich young lady like before, but she also liked to gossip about others. Even if it was something without any evidence, she could make up a few articles and post them on the school forum.

Even though Lin Shi had apologized to her several times, she had no intention of repenting and continued to do as she pleased.

Although Yang Hong had reminded her many times, Lin Shi didn't take it to heart. Sometimes, he would even say: "This is my business. You don't have to worry about it."

#### Chapter 1469 Public Opinion

After Jiang Yu went back, although she knew that she would meet Lu Ting again sooner or later, she did not expect it to be so early.

After about three days, Lu Ting called Jiang Yu's cell phone. His tone was very urgent. "Jiang Yu, do you have time now? Can you come to the school to look for me? I have a favor to ask of you."

Jiang Yu was a little surprised. "Are you sure that the matter I want to help you with will be settled in your school?"

"If you have time now, hurry up and come. I can't explain myself now. Even if I have a hundred mouths, I can't explain this matter clearly." Lu Ting's tone sounded very anxious. It seemed that this matter was not an easy one.

Jiang Yu thought about it for a moment and went to school. When she went to the principal's office, she knocked on the door and entered. She saw Lu Ting standing there with his head shrunk. He was a child who had made a mistake.

"Why did you call me over?" Jiang Yu asked.

When Lu Ting saw Jiang Yu walking over, it was as if he had seen a life-saving straw. His eyes were burning with hope. He quickly pulled Jiang Yu and said to the principal, "Principal, this is the owner of the back photo on the forum. She's just a friend of mine, not my girlfriend. We didn't have any secret relationship."

The principal ignored Lu Ting and stared straight at Jiang Yu. His gaze was a little wretched, as if he wanted to eat Jiang Yu up.

Jiang Yu felt uncomfortable from being stared at. She did not intend to be nice to the principal and directly questioned him. "Why are you always looking at me? What you need to do now is to solve Lu Ting's problem, not look at me like a hooligan."

The principal retracted his wretched gaze and pretended to ask seriously, "Are you really not Lu Ting's girlfriend? However, the school's forum has already spread that not only are you with Lu Ting, but you also have a fianc. They say that the few of you are in a love triangle. Do you have any explanation for this?"

"Did you ask the wrong person? I'm not a student of your school, nor am I a staff member of your school. The person you want to ask is Lu Ting and the people who wrote this article. What's the use of asking me? If I say no, will others believe me?" Jiang Yu sneered. "If you can't even understand these things, what kind of principal are you?"

The principal choked and almost choked on his saliva. He slammed the table angrily and said, "I'm giving you face by asking you a question. Don't be ungrateful! If this matter is fake, then tell me. I won't mistreat you!"

"Didn't Lu Ting already say that this matter was fake? I have nothing to do with him. We're just ordinary friends. Three days ago, we met for the first time." Jiang Yu said, "Alright, I'm done talking. Since you said that you won't let me suffer, then you should quickly resolve this matter."

“Just because you say it’s not true, it’s not true? The authenticity of this matter remains to be verified.” The principal went back on his word in front of Jiang Yu. “I will consider the final punishment after I investigate this matter.”

“You’re so timid. You can’t even investigate this matter properly, and you still have the nerve to boast that you’ll give me justice?” Jiang Yu sneered. “If you can’t solve this problem, leave it to me. I’ll solve it. I definitely won’t let myself be wronged.”

This was the first time the principal had been disobeyed like this. He thought that since he became the principal of this school, all the students would listen to him, and so would everyone else. He immediately put on the airs of a principal and said, “I’ve already given you a lot of face by agreeing to investigate this matter. Don’t you know that you’re lucky.”

“Why should I show you the photos of our students? That’s a student’s privacy!” The principal was exasperated. He would never allow anyone to speak to him like that!

#### Chapter 1470 The Truth

“You said you wanted to give me justice, but you refused to do so. I gave you a method, but you’re not willing to accept it. Aren’t you just fooling me?” Jiang Yu retorted, “I’m afraid of doing things and I look like a hooligan when I’m looking at me. A person like you can still be the principal?”

“Do you even know how to speak? You’re really uneducated!” The principal was furious. “Since I said that I would investigate this matter, I definitely won’t lie to you! It’s just a matter of time. Give me some time and I’ll be able to investigate this matter clearly. Whether it’s you or Lu Ting, I’ll give you an explanation.”

“Then how long do you need? Now, there’s a way to immediately investigate this matter in front of you, but you refuse to accept it. I wonder if you really want to help the two of us.” Jiang Yu said.

Lu Ting stood at the side the entire time with his head lowered and his neck shrunk, as if this matter had nothing to do with him.

“I already told you that you can’t show your student’s photo to outsiders. You have nothing to do with this school. Why should I show you my student’s photo? If you randomly point out anyone, wouldn’t I be accusing my student wrongly?”

“Whether or not I wronged your student, won’t we know when I find that person?”

Lu Ting was also very eager to prove his innocence, so he helped Jiang Yu. “That’s right, Principal. Please show Jiang Yu the photo of the female student! As long as she recognizes that person, we’ll settle this matter and you’ll have one less thing to worry about, right? If this continues, my reputation in the school will become worse, and the school’s reputation will also become worse.”

Although the principal was an old hooligan, he still cared about the reputation of the school. Now that both Lu Ting and Jiang Yu were asking him to do so, he could not think of a reason to refuse even if he wanted to. Therefore, he could only say, “Alright, I understand. But you must not lie to me. You can’t mistake him for someone else. Otherwise, you’ll have to apologize to that student.”

“It’s a little too early to say that. If it’s really that student, I’m afraid she’ll have to apologize to me.” Jiang Yu said coldly.

The principal pulled out all the photos of the female students. Jiang Yu looked at them from the beginning and glanced at them briefly. Finally, she stopped at a photo and pointed at it. “It’s her. Let me see what the name is...Lin Shi.”

“Lin Shi?” Lu Ting was also thinking, but after thinking for a long time, he confirmed that there was no student named Lin Shi among the students he had taught. “She’s not a student I taught. Why would she publish such an article to spread rumors about me?”

“Then you have to ask her about this matter.” Jiang Yu looked at the principal and said, “I’ve already pointed her out to you. Call her over now. We’ll talk about everything in person and see what’s going on.”

The principal could only do as Jiang Yu said and ask Lin Shi’s class teacher to call her to the office.

After Lin Shi arrived, he did not show fear like ordinary people. Instead, he was very excited, as if he had encountered some challenge.

“Principal, I heard that you were looking for me?”

The principal looked at Lin Shi’s cynical look and was angry. He questioned, “Did you write that article on the school forum? And that photo, did you take it?”

“I wrote the article.” Lin Shi didn’t refute him. Instead, he openly admitted, “But I didn’t take the photo. It was a friend of mine. But I was the one who asked him to take it.”

“Who is your friend? Call him over!” The principal was furious.

He knew that Lin Shi was the daughter of the Lin Group and was only a loan student in this school. However, this was also an identity that he could not afford to offend. Moreover, the Lin Group had even invested more in the school. Therefore, he asked Lin Shi to call that friend over to vent his anger on that person.

He did not want to make Lin Shi unhappy.

The principal’s plan did not succeed, and he was a little embarrassed.

“Both of you are at fault. Not only will you be punished, but your friend must also be punished!” The principal said.
