

## Older Man 1471

### Chapter 1471 Public Apologize

“I already said that this matter has nothing to do with him. I ordered him to do it.” Lin Shi’s patience was not good. She felt that it was enough to say something once. “If you have anything to say, just come at me. Don’t talk about my friend.”

“You’re quite loyal.” Jiang Yu said, “Since you’re unwilling to tell me about your friend, you’ll have to bear all the responsibility alone. I see that you’re not afraid. Then explain why you’re doing this first.”

“That’s right,” Lu Ting asked cautiously. “You’re not my student. Why did you publish such an article to spread rumors about me?”

“Do you think that just because you taught a student before, he can publish an article to spread rumors about you?” Lin Shi found it funny and asked, “Besides, this isn’t considered a rumor, right? After all, you’ve been a professor in this school for a long time, and there are rumors that you’re single. If such a beautiful woman suddenly came to look for you, no matter who it is, they might misunderstand that she’s your girlfriend, right? When I asked her, she said no and that she had a fianc. Isn’t this a typical love triangle? Is there a need to ask?”

“You actually think this is a love triangle?” Jiang Yu was so angry that she laughed. “Your comprehension is a little worrying.”

“Even if this matter is fake and the two of you are really ordinary friends, I can’t deny that this article has indeed brought me popularity.”

Lin Shi shrugged and said matter-of-factly, “Professor Lu Ting is the most popular male teacher in our school. As long as the word ‘love’ is involved in anything related to him, a lot of people will definitely pay attention to it. Especially since this was a love triangle. He was with a woman who was engaged and had an underground relationship. Wouldn’t this attract more attention? How could I give up such a good opportunity?”

“From your tone, do you still think you did the right thing?” Jiang Yu asked her.

“There’s no right or wrong in this kind of thing, right? It’s just that the article I published is indeed questionable, but those people are brainless. They believed an article without any evidence and even reposted and liked it. They’re not smart people.” Lin Shi sneered. “If you have the time to lecture me, why don’t you enlighten those people and teach them to use their brains to think about things in the future?”

“Of course, we have to enlighten them. But before that, you have to apologize to me.” Jiang Yu said.

“I apologize to you. Did I do anything wrong to you?” Lin Shi looked at Jiang Yu in surprise and said sarcastically, “Don’t tell me you think I’m going to apologize to you just because of such a small matter? Do you want me to apologize to you publicly? Do you want everyone to know that this is my fault?”

“What else? Do you think what you did was right? However, there’s no need for a public apology. Just apologize to me here and then publish an article saying that everything before was a misunderstanding.” Jiang Yu said.

“I’m sorry, okay?” Lin Shi gave a perfunctory apology. “Is that okay? If there’s nothing else, I’ll take my leave first.”

However, Jiang Yu stood in front of her. She frowned and said, “You were the one in the wrong in the first place. Lu Ting and I are both victims. Not only do you have to apologize to me, but you also have to apologize to him! However, no one will accept an apology like yours.”

“I don’t care if you accept it or not. You’re not a student of our school, nor are you a teacher of our school. Why do I care so much about your feelings? Will you give me money after you forgive me?” Lin Shi wanted to go around Jiang Yu, but Jiang Yu stood in front of her and refused to let her out.

“What are you trying to do? Wasn’t it just an article? You don’t have to be so angry, right? I just apologized to you!” Lin Shi was getting impatient. “I’m still a student. If you’re so calculative with me, it shows that you’re not magnanimous at all!”

“You’re really sick. Get out of the way. I’m going back to class.” Lin Shi pushed Jiang Yu. “If you’re still here, I’m going to call my father over. When the time comes, just wait for my dad to teach you a lesson!”

## Chapter 1472 Lin Group

Lin Shi was about to leave after saying that, but Jiang Yu still stood in front of him and looked at her with a smile.

Lin Shi was really angry this time. He took out his phone and made a call. “Dad, come to my school quickly. Someone is looking for trouble with me now!”

After saying that, Lin Shi hung up the phone and sat on the sofa without even getting the principal’s permission.

She raised her head and looked at Jiang Yu arrogantly. “My dad said that he will be here in half an hour. Don’t even think about leaving. When my dad comes, tell him what you have to say.”

When the principal heard this, he quickly got up and walked to Lin Shi’s side. He said fawningly, “Aiya, this is not a big deal. Call your father over. Wasn’t it just an apology? Can’t you just apologize properly?”

“Principal, weren’t you always there? You saw it just now. I apologized, but she said that my attitude was bad and refused to let it go. I already think highly of her by apologizing to her. She’s asking me for this and that. Who is she to me? Do I still spoil her?” Lin Shi smiled. “Impossible. I’ll let my dad settle this matter today!

When my father comes, I’ll see if she can continue to say such words!”

About ten minutes later, a middle-aged man in a suit pushed open the door and walked in.

He did not even knock on the door. He completely ignored the principal, Lu Ting, and Jiang Yu. He sat directly beside Lin Shi and asked, “My precious daughter, who bullied you?”

Lin Shi pointed at Jiang Yu. At the same time, he put on a very aggrieved expression and said, "It's her! Actually, I know that I was in the wrong, but I've already apologized to her! However, she was not satisfied and told me to keep apologizing until she was satisfied! I've never suffered such grievances since I was young."

Jiang Yu was amused by Lin Shi's poor acting skills. "When did I say such a thing? Don't add fuel to the fire here."

"How did I add fuel to the fire? This is clearly the truth!" Lin Shi retorted.

Lin Shi's father glared at Jiang Yu and said, "My daughter has already apologized to you. What else do you want?"

"If you have the time, why don't you ask your daughter what she did?" Jiang Yu met Father Lin's gaze and did not panic at all. To think that you're the CEO of a corporation. How did you raise such a daughter? It was one thing to frame someone's reputation without any evidence, but when he did something wrong, his apology was still so perfunctory. I asked her to apologize sincerely, and now it's my fault?"

"She has already apologized, so you shouldn't ask for so much!" Father Lin was completely on Lin Shi's side. "My daughter has never apologized to anyone since she was young! She's already thinking highly of you by apologizing to you now. Don't push your luck!"

"If that's what you say, then I might as well go a little further. I want your daughter to apologize to me publicly." Jiang Yu's eyes also became sharp. "I think Lin Shi became like this because of you, his father."

"Are you questioning my education?" Papa Lin was angry. "Who are you? How dare you talk to me like this! Apologize to me now. If I'm not satisfied, I'll make your family go bankrupt!"

"You want my family to go bankrupt? Do you know who I am?" This time, Jiang Yu was so angry that she laughed. "If you make me angry again, your family will go bankrupt."

“How dare you boast and say such words at such a young age!” Papa Lin had yet to realize the seriousness of the matter. “I’d like to see how capable you are! Didn’t you want my family to go bankrupt? Then you can try!”

Jiang Yu narrowed her eyes and did not say anything. Instead, she took out her phone. Her fingers tapped on the phone screen and soon found a series of detailed information.

This news could be found on the Internet, so Father Lin didn’t find it strange that Jiang Yu said this.

“So, are you scared now?”

Chapter 1473 The Stock Price Fell.

Jiang Yu didn’t say anything and continued typing on her phone.

Father Lin kept nagging at the side, but only the principal and Lu Ting were listening. Jiang Yu did not take it to heart at all.

About five minutes later, Jiang Yu turned off her phone screen. She then said to Father Lin, “If you have nothing to do now, you can take a look at your company’s stocks.”

Even though Papa Lin was baffled, he still took out his phone to take a look at his company’s stocks. To his surprise, every stock in the company had fallen by 0.2%.

Although this number was not large, with a company as large as the Lin Group, the shares invested were at least tens of millions. Each stock had dropped by 0.2%, which was a huge number. To the Lin Group, the losses caused could not be underestimated.

“How is that possible? The stock price has been rising all this time, and this trend will continue for a long time!” Papa Lin was shocked. “Why did it suddenly drop? It was you! What did you do to my stocks?”

Father Lin was exasperated and even rushed forward, wanting to grab Jiang Yu's neck. However, Jiang Yu took a step back and stretched out her leg to trip Father Lin. Father Lin fell flat on his face.

"Don't be too excited. I'm only reducing your stock price by 0.2%. If you provoke me again, I can't guarantee how much each of your stocks will fall." Jiang Yu looked down at Father Lin and said, "Apologize to me for what you've done now. Otherwise, I'll let your stocks continue to fall."

"Don't, don't, don't. I know I was wrong!" Before Father Lin could even get up, he grabbed Jiang Yu's ankle and quickly apologized.

Although he did not know what method Jiang Yu had used to cause all of his company's stocks to fall, just as Jiang Yu had said, if he made her angry again, the company's stocks would fall by more than 0.2%

When Lin Shi saw this scene, the image of Father Lin as a father in her heart completely collapsed. She walked over and grabbed Papa Lin's sleeve, trying to pull him up from the ground. "Dad, what are you doing? Why did he have to apologize to her? It's not our fault!"

Father Lin used to dote on Lin Shi very much. No matter what she said, he would cater to her. However, this time, he was different. He fiercely shook off Lin Shi's hand and shouted at her, "You still dare to talk! Hurry up and apologize to her! You still dare to say that this matter is not your fault? If it weren't for you, why would today's incident happen?"

"Why are you blaming me for this? I only published an article! Even if I did make a mistake, how big could it be? I've already apologized to her just now. She's the one who won't let it go!" At this time, Lin Shi was still criticizing Jiang Yu and felt that she should not be so harsh on him.

However, Father Lin couldn't take it anymore. He asked Lin Shi to apologize to Jiang Yu. "Are you going to apologize or not? If you don't apologize, then don't ever enter the Lin family's door again!"

"Dad, are you crazy? You want to chase me out of the Lin family for such a woman!" Lin Shi was so shocked that his eyes widened. "Isn't it just a stock price drop? At

most, we'll just earn a little less. Wouldn't that be fine? There's no need to bow down to this woman for this little money!"

"You don't know anything about this, so stop talking! In short, I want you to apologize, so you have to be obedient. As long as you can obtain her forgiveness, I won't hold it against you for today's matter." Father Lin said to Lin Shi, "If you don't apologize, don't blame me for being rude to you later!"

Lin Shi's temper also rose. He shouted loudly, "I just won't apologize. What can you do to me? I don't want to apologize to such a woman!"

Father Lin wanted to say something more, but Jiang Yu spoke first. "Actually, it's fine if she doesn't apologize. However, she has to publish an article saying that everything is a misunderstanding. Then, she will apologize to Professor Lu Ting. I'm not from this school, but Lu Ting is a professor here. His reputation is very important. If we don't apologize to him and prove his innocence, it will be very difficult for him in school in the future."

"I won't!" Lin Shi's temper had not subsided. "If it was just now, I might have agreed to your request, but it's impossible now. You want me to apologize to Lu Ting publicly? That's impossible!"

#### Chapter 1474 Broken Relationship

"If you don't want to do this, then I won't force you. At most, I'll let your family's stocks continue to fall and make your family go bankrupt." As she spoke, Jiang Yu took out her phone again.

In fact, she did not intend to continue letting the Lin Group's stocks fall. She just took out her phone to scare the two people in front of her.

As she expected, although Lin Shi was not frightened, Father Lin was extremely afraid. He rolled up from the ground and slapped Lin Shi's face hard.

"Do whatever she tells you to do, why are you still throwing a tantrum here? If the stock price continues to fall, the Lin Group will go bankrupt. Do you think you can still be a rich lady?"

Lin Shi was shocked beyond words. She covered her face and could not believe that her father, who had loved her since she was young, would hit her for such a thing.

Lin Shi's temper flared up and he roared, "At most, I won't be this rich young lady anymore! Didn't you want to chase me out of the Lin family? Alright! I can walk on my own! In the future, I won't have a father like you, and you won't have a daughter like me!

Are you satisfied now?"

After saying that, Lin Shi opened the door of the principal's office and ran out.

Although Father Lin wanted to chase after her, he did not dare to take even half a step away since Jiang Yu was still there. This was because he was worried that if he went out to chase after Lin, Jiang Yu would continue to cause the Lin Group's stocks to continue falling.

Jiang Yu could tell what he was thinking. She said to him, "That's your daughter. Aren't you afraid that something will happen to her? Go after her."

Papa Lin hesitated for a while before he went out to chase after Lin Shi.

The Lin family's father and daughter had already left, so Jiang Yu asked the principal to settle this matter. "You know what happened. If Lin Shi insists on not doing this, then you can solve this problem on her behalf. Moreover, you're the principal. If you publish an article in your name to explain this matter, it will be more credible and can better restore Lu Ting's reputation."

After Father Lin's performance just now, the principal already knew that he could not afford to offend this woman in front of him. He quickly nodded and bowed, "No problem, leave this matter to me! Go back first. When this matter is completely resolved, I'll get Lu Ting to inform you."

"Anyway, I have nothing to do now. I'll just supervise you here. Since you want to resolve this matter, then resolve it quickly. The sooner you settle it, the sooner you can be at ease."

The principal did not dare to disobey Jiang Yu's words. He quickly sat down beside the computer and began to edit the article. As he edited, he said, "I understand. I will definitely resolve this matter as soon as possible. I will definitely not delay your time."

The principal used his fastest typing speed in many years. In less than 20 minutes, he had edited an article of nearly 1,000 words and posted it on the school forum, under the principal's name.

Once this article was published, it was browsed by all the students in the school within half an hour.

The principal looked at the page views and respectfully brought the computer to Jiang Yu. He said, "Look. All the students in the school have read this article. I'm sure they know that they have misunderstood Professor Lu Ting. Are you satisfied with the result?"

"My opinion doesn't matter. You have to ask Lu Ting and see if he's satisfied." Jiang Yu pointed at Lu Ting with her chin, indicating for the principal to ask him.

Lu Ting said, "There's nothing to be satisfied with. It's fine as long as everyone knows that I'm innocent. I also hope that everyone can understand a principle from this matter, that is, we must think carefully about things and not blindly believe in something without evidence. Moreover, in the article that Lin Shi had posted, there was not even Jiang Yu's face. There was only her back view. It's really not desirable for them to think so much."

"I'm not angry either. I just hope that you'll consider things carefully in the future. Don't accuse me for no reason again." Lu Ting heaved a sigh of relief as if he had just survived a disaster. "When you called me over today, I was almost scared to death."

#### Chapter 1475 A Step Towards Affection

The principal was so embarrassed that not only was he unable to smile, but his back was also dripping with cold sweat. Fortunately, Lu Ting was also an easy-going person. He said to the principal, "Principal, if there's nothing else, I'll go back first. I still have other work to do."

The principal could not wait for him to leave quickly and take Jiang Yu with him. Hence, he quickly said, "Alright, you can go ahead and do your work. I won't disturb you anymore."

Lu Ting and Jiang Yu left the office together. When they returned to the fourth floor, Lu Ting heaved a sigh of relief. He said to Jiang Yu, "Thank you for coming to help me today. If it weren't for you, I don't know how badly I would have been framed."

"It's alright. After all, the people mentioned in this article are you and me. If I let it go, it will also affect my reputation." Jiang Yu said.

Although this article did not mention anything about her, Jiang Yu could not guarantee that some people with extreme behavior would not find someone to check her information after reading this article.

"No matter what, thank you very much." Lu Ting gratefully held Jiang Yu's hand. "If you don't mind, I'll treat you to a meal after I get off work."

"No need, it's just a small matter. Go back to work. I'm going back."

After saying that, Jiang Yu turned around and left.

In fact, Jiang Yu did not agree to Lu Ting's request. On one hand, she felt that it was not worth it to treat her to a meal. On the other hand, as long as she did not accept Lu Ting's kindness, he would keep thinking about this matter.

In that case, he would always owe her this favor.

After Jiang Yu left, Lu Ting's heart felt as if it had blossomed and he felt very happy.

Although he knew that Jiang Yu had a fiancé, he still couldn't control his emotions. He seemed to have fallen for Jiang Yu.

"No, we can't do that. She already has a fiancé." Lu Ting told himself.

However, no matter how many times he said those words, he could not control the feelings that were growing wildly.

He felt that his relationship with Jiang Yu had gotten closer, whether it was as a friend or as a colleague. As long as he could get closer to Jiang Yu, he believed that he would be able to stand by her side one day.

Even if they weren't lovers, they were just friends.

If Chi Rui knew that Lu Ting had such thoughts about Jiang Yu, he would probably be so angry that he would vomit blood.

Jiang Yu left the school. On the way back, she saw Lin Shi squatting under a tree, hugging his leg and crying.

Father Lin stood at the side and looked at her. He did not even squat down to comfort her.

Jiang Yu smiled as she read on.

"There's no need to stop. Let's go directly." Jiang Yu said, "I just saw something funny. It has nothing to do with us."

The car whizzed past. Father Lin stared at Lin Shi for a long time before he slowly squatted down and said, "Don't blame me for hitting you. You've really gone too far. Every stock that the Lin Group sold fell by 0.2%. Do you know how much the combined decline of thousands of stocks is?"

"I don't know, and I don't want to know!" Lin Shi roared, "I only know that you hit me! This is the first time you've hit me since I was young, and it's for a strange woman! Moreover, you even apologized in front of her. Your image in my heart has completely collapsed!"

"I'm doing this to protect the Lin Group! You haven't gone through negotiations. Don't you know how to count? If the Lin Group's stocks continued to fall, it would go

bankrupt sooner or later! If the Lin Group really goes bankrupt, our family will have to sleep on the streets in the future! You don't want to be a vagrant on the streets, do you?"

Lin Shi was frightened by Father Lin's words. He quickly stopped crying and sobbed. "Dad, are you kidding? Our family is so powerful. How can you be afraid of a woman?"

"She can make every stock of the Lin Group fall by herself!" Papa Lin said, "How can I not be afraid? If the power behind her is even greater, then we can't afford to offend her!"

Lin Shi quickly wiped away his tears. He rolled his eyes and said, "She has a relationship with Professor Lu Ting from our school. When the time comes, I'll pretend to admit my mistake and ask around."

#### Chapter 1476 Strategy

Father Lin didn't think that Lin Shi's plan was very good, but Lin Shi was the kind of person who would do whatever he wanted, regardless of whether the idea was right or wrong.

Since she had said that she would go to Lu Ting to ask about Jiang Yu, she would definitely go. At this moment, no matter what Papa Lin said, she would not listen.

Father Lin also knew Lin Shi's character, so he did not persuade her. He could only pray that Lu Ting would not say too much about that woman. Perhaps Lin Shi would give up on his own if he couldn't find out.

The next morning, Lin Shi went to Lu Ting's office with a gift in his hand. She knocked on the door respectfully and walked in. "I'm sorry, Professor Lu Ting. I went too far yesterday and caused you trouble. I really feel bad, so I specially bought a gift to apologize to you."

"If you apologize, I'll accept it. Take the gift back." Lu Ting was a little surprised, but he still accepted Lin Shi's apology.

Lin Shi did not care about Lu Ting's attitude. Her main purpose this time was to find out about the woman from yesterday from him.

"Professor Lu Ting, where's the sister from yesterday? What I did hurt her, so I want to apologize to her too." Lin Shi's voice was soft and gentle, and she looked very much like a lady.

If anyone hadn't seen her like that yesterday, they would probably have been fooled by her.

Lu Ting hesitated for a moment, not knowing if he should tell Lin Shi Jiang Yu's contact information.

"Professor Lu Ting," Lin Shi said, seeing his hesitation, "you don't want to tell me the contact information of the sister from yesterday. Do you think I'm not apologizing sincerely? But I really know that I did something wrong, so I really want to apologize to her. Please give me her contact information."

Lu Ting looked at Lin Shi's aggrieved expression and thought that she had really realized her mistake and wanted to apologize to Jiang Yu. Therefore, he was conflicted for a while before he told Lin Shi Jiang Yu's contact information.

It could only be said that Lu Ting was still unable to read a girl's mind.

Lin Shi took the contact information and left the office happily. Without much hesitation, he made the call

When Jiang Yu received the call, she was a little shocked because she could tell that it was Lin Shi from the voice.

"Why did you call me? Don't tell me you still think you didn't do anything wrong because of what happened yesterday, so you want to argue with me?"

"Of course not. I just feel that I did something wrong, so I want to apologize to you." Lin Shi said, "Why don't we arrange a time to meet up? I think we should apologize face to face. It's not sincere to say it over the phone like this."

“So you also know the word ‘sincerity’?” Jiang Yu could not help but laugh. However, she did not intend to waste time with Lin Shi. “I’ll accept your apology. As for your sincerity, there’s no need for it. We won’t have the chance to meet again anyway. If you have the time, why don’t you apologize to Lu Ting?”

“I’ve already apologized to him. Otherwise, how do you think I got your contact information?” Even though it was an apology, Lin Shi’s tone was still provocative. “I’m telling you, this is your only chance. If you don’t agree to come out and meet me, it’s absolutely impossible for me to apologize to you for this matter in the future.”

“I won’t go out.” Jiang Yu said, “I’m different from you. I have a lot of things to do. If you really have nothing to do, why don’t you study more and improve your professional results? Don’t write any more articles that haven’t been verified. To attract the attention of others.”

After saying that, Jiang Yu hung up the phone.

“Is this woman really sick?” Lin Shi looked at the phone that had been hung up and could not help but curse, “I said I wanted to apologize to her, and she actually dared to not accept it? I’ve given her enough face. She really doesn’t know what’s good for her!”

The more Lin Shi thought about it, the angrier he became. The gift in her hand was also used as an item to vent her anger and was directly stuffed into the trash can.

She found Yang Hong and wanted him to help her.

Chapter 1477 Paper

Yang Hong was quite proficient in computers and even joined a private hacker club in the school.

There were not many members in this hacker society, and they were very mysterious. No one knew who the members of this society were. Lin Shi was Yang Hong’s only friend, so she was fortunate enough to know that Yang Hong was a member of this hacker society.

She found Yang Hong and threw the phone to him. “The top of the call records is between me and Jiang Yu. Can you find her IP address based on this number?”

“Of course you can.” Yang Hong didn’t know who the Jiang Yu that Lin Shi was talking about was, and it was even more impossible for him to know that she was the female lead in the article that Lin Shi had written.

However, this was the first time Lin Shi had asked him to investigate something. Yang Hong felt very strange. “But, why do you want to check her IP address?”

“Don’t worry about what I’m going to do. You just need to investigate.” Lin Shi said, “As long as you find out the IP address and help me find out the identity of this person, I’ll definitely give you a lot of benefits.”

“I don’t want any benefits.” Yang Hong said as he turned on his computer and started typing on the keyboard, “I’m just curious, why did you do this?”

“Don’t be curious about things that you shouldn’t be curious about. You just need to do as I say.” Lin Shi crossed his arms in front of his chest. “If you don’t do as I say, I’ll tell everyone who you are.”

She was referring to Yang Hong’s identity as a member of the hacker society.

“No, our club has rules. We can’t let anyone know our identity, not even our relatives and friends.” Yang Hong quickly said.

“Then why did you violate the rules of your club and tell me your identity?” Lin Shi found it funny. “Don’t tell me you think I’ll be moved just because you told me your identity?”

“I just feel that you’re my only friend, so I told you this identity.” Yang Hong was somewhat disappointed, and at the same time, he regretted telling Lin Shi about his identity.

Wasn’t this equivalent to having a handle in her hands?

He searched for a long time on the computer, but in the end, he did not find anything. He only found the IP address of the number.

“This number is a black card. No one has ever used an ID card as their real name information.” Yang Hong said, “I have no way to find out the specific information of this person. Either it’s because this person’s background is too huge, and the information about her on the Internet has been hidden. Otherwise, it means that this person is a blank sheet of paper. Her social circle is very simple, so the information about her on the Internet is also very simple.”

Lin Shi hesitated for a moment, not knowing which situation Jiang Yu was in. So she asked Yang Hong to investigate further to see if he could find any clues.

Yang Hong could only listen to her and continue to investigate. However, half an hour had passed. Other than the information he had just found, there was nothing else.

“That’s all.” Yang Hong was helpless. “No matter how much you want me to investigate, even if I investigate here for three days and three nights, this is all the information I can find. Regarding this Jiang Yu, my personal opinion is that we shouldn’t provoke her.”

“Who provoked her? It’s clearly what she did that made me unhappy!” Lin Shi said, “I don’t believe that she has such power to hide her information from the entire Internet! I think she’s just a blank sheet of paper. There’s no social interaction around her.”

“These two possibilities are 50%. You can’t blindly gamble.” Yang Hong advised.

The more Lin Shi thought about it, the angrier he became. In the end, he actually vented his anger on Yang Hong. He felt that he could not find any information about Jiang Yu because he was not skilled enough.

“Are you even a member of the hacker club? Why couldn’t he find any information about a single person? To think that I treated you as a friend and came to look for you first when I encountered this matter. In the end, you gave me such an outcome? I’m really disappointed in you!”

“My ability is considered to be above average in our club. If I can’t find out anything, you might not be able to find it even if you look for someone else.”

“If you don’t have the ability, then you don’t have the ability. Why are you using others as a shield? Useless!” Lin Shi took his phone back. “I knew I couldn’t count on you for this.”

#### Chapter 1478 Unconvinced

Yang Hong saw that Lin Shi was about to leave. He was afraid that she would reveal his identity in the club, so he quickly stopped her and said: “Don’t go yet! Although I can’t find out the specific information of this person, I can find out where this number was last dialed from. When the time comes, can’t you just go to this address to find her?”

“What use do I have for her address?” Lin Shi wanted to be angry, but on second thought, it would be quite convenient to do some things if he knew Jiang Yu’s address. Hence, she smiled and said, “Okay, then find Jiang Yu’s address and give it to me. In that case, I won’t stoop to your level.”

Yang Hong quickly sent the address he found to Lin Shi.

Lin Shi took a look and realized that the address was a villa area.

“Also, he’s quite rich. He can actually live near the villa area. However, it should be just a small villa. It’s not a big deal.” Lin Shi sneered. Because the Lin family lived in a three-story villa, she did not care about villas at all.

“I’ve already given you the address. Then don’t tell anyone about me and my identity in the club! This is a deal between us.” Yang Hong said.

“I know. Aren’t you annoyed?” Lin Shi was getting impatient. “With your identity and your crappy club, even if I really wanted to tell others, no one would want to know!”

Lin Shi left, but Yang Hong’s heart did not relax. He had always felt that Lin Shi would reveal his identity without him knowing.

Even if no one cared, it didn't mean that he could violate the club's rules and publicize his identity everywhere.

Lin Shi directly skipped class and took a taxi to this address. He realized that it was similar to what he had imagined. It was just a small two-story villa.

"Isn't it just a two-story villa? What's so great about it? I really don't know how powerful it is to make my dad so afraid."

Lin Shi walked to the door and wanted to go in, but he was stopped by the bodyguard at the door. Who were they looking for? What's the matter?"

"My name is Lin Shi. I'm here to look for Jiang Yu. Go in and report that someone called Lin Shi is looking for her."

The bodyguard went in to report. Lin Shi stood where he was and watched the back of the bodyguard leave. He could not help but sneer. "It's just a small two-story villa. You actually got bodyguards to watch over it. Those who don't know better would think that you're someone with a high status!"

After a while, the bodyguard returned. Lin Shi thought that he could go in, so he swaggered in. Unexpectedly, the bodyguard stopped her and pushed her out of the door. "My wife said that she doesn't want you to come in. She wants you to go back to class."

When Lin Shi heard this, he stomped his feet in anger. "What does it have to do with her whether I go to class or not? Why did she manage so many things? You'd better get out of my way and let me in. I have something to tell her!"

"No matter what you want to say, my wife has already said that you're not allowed to go in. She told us to tell you to go back to school and attend classes properly."

"Jiang Yu is sick, and so are all of you bodyguards! It was really like people gathered together and things separated into groups! If you don't let me in, then I won't go in. Do you think I'm willing to see her?" With that, Lin Shi left. The bodyguard didn't take it to heart and just treated her as an unreasonable little girl.

However, Lin Shi did not leave completely. Instead, he went around to the back of the villa and sat there for a while.

“This wall is not very high.” Lin Shi estimated the height of the wall behind the villa. “It’s such a low wall. I can easily climb over it. I really don’t know why Jiang Yu would live in such a place.”

The chicken stall owner saw that Lin Shi was so young and did not know what she wanted to do with the chicken. However, Lin Shi gave a lot of money, and the stall owner was eager to meet a few more such fools.

Lin Shi went to buy a knife and a ceramic bowl. Then, he returned to Jiang Yu’s villa and cut the chicken’s neck.

A large amount of bright red chicken blood was placed in Lin Shi’s bowl.

When the chicken stopped flapping its wings and completely stopped moving, Lin Shi casually threw it into the grass far away.

“So much chicken blood. I’ll pour it all on your window tonight. I’ll see if it can scare you to death.” Lin Shi smiled sinisterly. It was not an expression that she should have at her age.

#### Chapter 1479 Prank

At night, Lin Shi carried the bowl of chicken blood, climbed over the wall that wasn’t high, and jumped into the villa.

Although the bodyguards would inspect the surroundings of the villa, they only inspected the exterior of the villa, not the interior.

Moreover, no one would have thought that a weak little girl like Lin Shi would actually climb over the wall and hide in the villa.

Lin Shi sat under the window of the back window of the villa. Looking at the brightly lit house, he felt that it was time for them to have dinner. She remembered that she had not eaten a single bite today, so her stomach growled.

However, as long as he thought about what he was going to do next, Lin Shi was very happy and his hunger disappeared.

When the lights in the living room disappeared and the lights in the room lit up, Lin Shi sneakily brought the bowl of chicken blood to the window of the room on the first floor.

She dipped her hand in the bowl of chicken blood and drew on the window. Then, she splashed the rest of the blood on the window. Finally, she clapped her hands and left.

Although she didn't know who was staying in that room, since she was staying with Jiang Yu, it must have something to do with her. Even if he couldn't scare Jiang Yu, he could at least scare her friends.

The next morning, Mei Shuang and Feng Ran woke up. As soon as they pulled open the curtains, they saw a large pool of blood and strange patterns on the window.

"Ah!" Feng Ran and Mei Shuang screamed and ran out of the door in fear.

Their screams attracted Jiang Yu and the others to come out and take a look.

"Did something happen?" Jiang Yu asked anxiously.

Feng Ran and Mei Shuang were so scared that they did not dare to speak. They could only point at the house. When Jiang Yu walked in, she saw the scary scene on the window.

Jiang Yu paused for a moment before she immediately put on her coat and went out. She called for a bodyguard and asked, "Someone drew a picture on the window of the room on the first floor with blood. Didn't you see who it was last night?"

The bodyguards looked at each other. "No, there was nothing unusual last night."

“Impossible. This isn’t a simple prank.” Jiang Yu frowned and suddenly thought of Lin Shi, who had been chased out yesterday.

“Did Lin Shi leave yesterday?” She asked.

“We watched her leave,” the bodyguards hurriedly explained.

However, other than Lin Shi, Jiang Yu could not think of anyone else who would do this.

“If Lin Shi really did this, then there will be a second time. We can’t just wait like this.” Jiang Yu said, “You guys are still the same as before. You’re inspecting the situation around the villa. However, everyone had to be careful to see if there were any suspicious people who sneaked into the villa at night. If it really is that Lin Shi, don’t alert the enemy. Just secretly observe.”

“Yes, Madam,” the bodyguards replied.

Jiang Yu then asked Teng Yi to clean up the bloodstains. She then made a request to everyone. “Everyone, just pretend that this didn’t happen. Just do what you did before. Don’t let anyone find out.”

Jiang Yu and Mo Long also changed rooms with Mei Shuang and Feng Ran. They said, “You two go to the second floor to sleep first. Come back after this matter is resolved.”

“Thank you, Sister Jiang Yu.” Feng Ran was so touched that she was about to cry.

But after that night, Lin Shi never came again. Jiang Yu was also a little surprised. Could it be that Lin Shi had only done it once and his hatred had been resolved?

Just as she was feeling surprised, Lin Shi came again on the fourth night.

But this time, she did not plan to use chicken blood.

Lin Shi threw the two big bags on the ground and then said to Yang Hong behind him: “Quickly change into the clothes inside.”

Yang Hong was very embarrassed, “It’s not good for us to do this, right? Moreover, there are bodyguards in this villa. If they find out, the two of us will be finished.”

“It’s fine. The bodyguards in this villa are all a bunch of idiots. The last time I sneaked in, they didn’t even notice me.” Lin Shi said as he put on the witch’s costume. “Let’s do it this once. We’ll scare them by pretending to be ghosts, and then we’ll leave.”

Yang Hong was still hesitating. Lin Shi couldn’t stand it anymore. He directly put the clothes on Yang Hong and said: “A big man is dawdling. What big things can he achieve?”

Yang Hong was forced to put on his clothes and stood beside Lin Shi like a block of wood. Lin Shi was waiting for the people in the room to turn off the lights. She would only scare people when it was completely dark.

The people in the room seemed to have guessed Lin Shi’s thoughts. After a while, they turned off the lights.

After about half an hour, Lin Shi said, “Hurry!”

#### Chapter 1480 Pretending To Be A Ghost To Scare People

Yang Hong didn’t understand what was going on, so he saw Lin Shi standing in front of the window, waving his arms and legs, and making strange sounds.

Lin Shi shouted twice and called Yang Hong to come over and shout together: “Come over here. Do you want me to shout alone?”

Yang Hong really couldn’t open his mouth. Lin Shi shouted alone, and after a few minutes, he was tired.

She felt that it was a little strange. She had been shouting for so long. Even if the people in the room were not afraid, they should have walked over and pulled open the curtains to see what was going on outside, right?

Why was everyone in the room silent for so long?

“Something’s wrong. Forget it, let’s go.” Lin Shi also knew how to stop in time. He didn’t even have time to change his clothes and pulled Yang Hong away.

However, just as she turned around and was about to leave, a flashlight shone on her. Jiang Yu’s voice rang out. “I didn’t expect it to be you.”

Lin Shi paused and turned around to look at Jiang Yu. “You’re the one in the room on the first floor. Are you awake? You haven’t been waiting for me, have you?”

“You’re right.” Jiang Yu raised her hand and gestured for the bodyguards to arrest Lin Shi and Yang Hong. She said, “Bring them into the living room. I have something to ask.”

The bodyguards escorted Lin Shi and Yang Hong into the living room. The two of them were still wearing the strange witch costume. Under the pale light of the living room, they looked even more terrifying.

“Can you be gentler?” Lin Shi’s arm was a little sore. “Jiang Yu, is this how you teach your servants? You’re so rude to your guests.”

“Are you considered guests? It’s already good that I didn’t call the police to arrest you.” Jiang Yu sat on the sofa and crossed her legs. “You were the one who drew the picture on the window with blood a few days ago, right?”

“It’s me. What’s wrong?” Lin Shi asked.

“Did someone instruct you to do this, or did you want to do this yourself?”

“What do you care?” Lin Shi turned his head away. “I just don’t like you. What can you do to me?”

“Of course I won’t do anything to you, but I can’t teach you a lesson. Your father can.” Jiang Yu took out her phone and called Father Lin. “Your daughter is with me. I’ll give you the address. Come and see me now.”

After hanging up the phone, Lin Shi looked at Jiang Yu in disbelief. “How did you get my dad’s phone number?”

“Of course I found out. Otherwise, how would I know?” Jiang Yu smiled and turned her gaze to Yang Hong, who was beside Lin Shi. “You are Lin Shi’s friend, right? Then you were the one who secretly took my photo a few days ago, right? ”

“It’s me.” Yang Hong lowered his head and admitted.

“As her friend, why didn’t you stop her?”

“I have something on him. Of course I won’t listen to him.” Lin Shi struggled for a while, but the bodyguard’s strength was too strong. She could not break free at all. “Anyway, both of us have been caught by you. Jiang Yu, do you want to know what I have against Yang Hong?”

“Don’t say it!” Yang Hong pleaded.

“I’m not interested in his secrets.” Jiang Yu said, “You should think about yourself. When your father comes later, you can see how you’re going to explain it to him.”

Half an hour later, Papa Lin walked in from outside. He was travel-worn and had a dusty smell.

When he saw Lin Shi being pressed to the ground by the bodyguards and unable to move, he could not help but feel sorry for him. When he saw Jiang Yu on the sofa, he did not dare to be too rash. He could only ask softly, “What did my daughter do this time to make you so angry?”

After Jiang Yu told him about these two things, Father Lin's face turned pale.

Although he knew that his daughter was disobedient, he did not expect her to be so bold.

"These two things have already caused mental damage to my friend and me. Now, it's not something that can be resolved with an apology." Jiang Yu didn't even look at Father Lin.

"Then...How do you want to resolve this?" Papa Lin asked shakily.

However, he was already mentally prepared that the Lin family would pay Jiang Yu a large sum of money.

Jiang Yu said, "It depends on you. If you can't come up with a solution that I'm satisfied with, I won't let the two of them go."

"Dad, don't worry about her. Just call the police. Jiang Yu, if you have the ability, keep me here." Lin Shi was still as if he was not afraid of anything. He had no idea how serious the consequences would be.
