

Older Man 1501

Chapter 1501 Write Off

Jiang Yu was very willing and agreed to Sister Xia's request. "Okay, but you have to bring it up as soon as possible. I'm worried that I'll miss the competition."

"No problem. The recording of the show is tomorrow. We'll prepare well today and go to the recording tomorrow. We can leave for Australia the day after tomorrow." Sister Xia said.

"That's good."

During the recording period from this afternoon to the next day, Sun You even asked his secretary to give Jiang Yu a call.

At first, Jiang Yu thought that Sun You was still unwilling to cooperate with her and wanted to continue bothering her. However, she did not expect that he would come to beg Jiang Yu so that Sun Miao could participate in the competition again.

"I'm not the only guest on this variety show. Why did you have to call me?" Jiang Yu frowned. "Besides, you know what your sister did back then. Do you think she can go back and participate in the competition again?"

"But you're the best actress, so your status is the highest. As long as you tell the director, he'll definitely agree to it." I watched Sun Miao grow up. "This matter has dealt a deep blow to her, so I want to beg you to let her go back and participate in the competition again."

"That's absolutely impossible. Even if the director and I agree, the audience won't agree." Jiang Yu stopped him sternly. "Your sister wants to debut, but she has already ruined her relationship with the passers-by. Under such circumstances, even if she debuted, she would not become popular. After signing a contract with an entertainment company, she will only be shelved. You don't want her future to be like this, right?"

"Don't worry about that. I'm only asking if you'll help me." Sun You's tone didn't sound like he was asking for help. Instead, it sounded like he was forcing it.

It was as if Jiang Yu had done something wrong by not helping him.

Of course, Jiang Yu was not willing to indulge his bad habit. If you really have the ability, why don't you tell the director and the audience that as long as they agree to Sun Miao's return, I won't object?"

"Jiang Yu, don't refuse a toast only to drink a forfeit!" As soon as Sun You finished speaking, Jiang Yu hung up the phone.

"What a brainless man. He seems to be doing this for his sister, but in fact, he's only pushing Sun Miao into a deeper abyss!" Jiang's tone was calm.

However, just as she was angry, Sister Xia came in again and said, "Kang He is here."

Although Jiang Yu knew that Kang He would definitely come, she did not expect her to come so quickly. Just as Sun You left, Kang He arrived as if the two of them had agreed on it.

However, Jiang Yu still asked Sister Xia to bring her in.

Kang He was very tidy this time, completely different from the crazy appearance he had seen before.

It was probably because she had been recuperating well during this period of time. However, when she spoke, she would occasionally say something crazy. If you don't agree, then I'll stay here today and not leave."

"Don't act like a three-year-old." Jiang Yu didn't give in to Kang He just because of her mental condition. "It's impossible for us to work together. Not only you, but I also rejected all the companies that applied to work with the Jiang Jewelry."

"But I'm also a member of House Kang. If you cooperate with me, it'll be beneficial to House Kang." Kang He said logically, "If you feel that I've let you down in the past, then I'll apologize to you. Let's write off all our past grudges, okay?"

“Of course not.” Jiang Yu rejected him immediately. “There should be many companies that want to cooperate with your Kang Jewelry. You don’t have to hang yourself on me. No matter how many times you come, no matter how tempting your conditions are, I will never cooperate with you.”

“Jiang Yu, it seems like you don’t care about the Kang family’s interests.” Kang He said.

However, she didn’t have to work with Jiang Yu. She had another goal, which was to get Jiang Yu to introduce Diana to her.

“Since you don’t want to work with me, you can introduce me to Diana, the one who designed the jewelry for you, right? You’re very popular now and have a high social status. There must be many famous designers who are willing to work for you. Diana isn’t famous. Why don’t you introduce her to me? I quite like the jewelry she designed.”

Of course, Jiang Yu couldn’t introduce her because she was Diana.

“She has already signed a contract with me. Don’t even think about it.”

Chapter 1502 Heading to the competition area

“Jiang Yu, don’t be so petty. She’s just an unknown jewelry designer. Wasn’t there an international jewelry competition recently? If you really can’t bear to part with her, you can just hire the number one into your company. I think he’ll definitely be better than Diana.” Kang He said.

“If you really think he’s better than Diana, why don’t you recruit him?” Jiang Yu waved her hand at Sister Xia. “Sister Xia, send the guest out.”

Kang He’s mental state fluctuated between good and bad. Sister Xia did not dare to act rashly and could only call the security guards to chase her out. Kang He was also unusually quiet this time. She didn’t shout, didn’t make a fuss, and didn’t even say any harsh words before she left.

Seeing her like this, Sister Xia and Jiang Yu did not know if she had gotten over it or if she had completely lost her mind.

“I wonder what kind of torture Kang He suffered to become like this.” Sister Xia sighed. “If it’s really because of Sun You and Kang Xue’s marriage, then Kang He’s father has indeed let Kang He down.”

“What she can’t accept is that Sun You abandoned her and fell in love with someone else.” Jiang Yu said.

After dealing with Sun You and Kang He, the two biggest problems, Jiang Yu started to prepare for tomorrow’s variety show recording with peace of mind.

The variety show recording the next day was also very normal. Nothing major happened. After the recording ended, Jiang Yu immediately took a car to the airport. Since Sister Xia had booked her flight earlier, Jiang Yu would miss the flight if she didn’t hurry.

This time, Jiang Yu wasn’t the only one who passed the semi-finals. Mifei, who had participated in the semi-finals earlier, also passed. Therefore, Jiang Yu went with Mifei this time.

The accommodation this time was arranged by the organizer. After Jiang Yu and Mifei got off the plane at Australia, they were picked up by a private car.

The car was a very long business car. In addition to Mifei and Jiang Yu, there were other contestants in it.

Mifei had also been abroad before, but she always followed Milan. She was just an unknown little character. If it wasn’t for Milan’s glory, Mifei would probably never be able to leave the Mi family’s door.

Now, with Jiang Yu’s help, Mifei’s life had greatly improved, and her gratitude towards Jiang Yu grew. “Sister Jiang Yu, thank you so much. If not for you, I would never have been able to participate in the competition. Although I helped Milan draw a draft before, it was in Milan’s name, not mine. At that time, everyone will know her.”

“It’s okay. It’s getting better now.” Jiang Yu comforted her.

“Yes.” Mifei nodded in relief, her eyes red.

“Mifei?” someone suddenly shouted. Are you Milan’s sister?”

Mifei looked up in surprise when she heard this. After looking around, she finally fixed her gaze on the girl on the left.

The girl was wearing a white dress and had a princess hairstyle. She had exquisite makeup on her face.

She looked at Mifei and Jiang Yu, who was beside her. Jiang Yu was wearing sunglasses and a black mask, so she did not recognize her for the time being.

“I think I’ve seen you before. You’re Milan’s sister.”

Mifei looked at the girl and thought for a long time before she found a name-Fan Zhi.

“Are you Fan Zhi?” Mifei asked tentatively.

“Yeah, I thought you forgot about me.” Fan Zhi smiled. “I went to the Mi family’s house for Milan’s birthday. I saw you at that time, following behind her like a servant. At that time, I thought you were a servant. In the end, Milan was particularly reluctant to say that you were her sister.”

As soon as he said this, the rest of the people laughed. Although they had deliberately lowered their voices, it was particularly ear-piercing in Mifei’s ears.

Jiang Yu said, “But the Mi Family has fallen. Mifei is not the biological daughter of the Mi Family. She has nothing to do with the Mi Family anymore.”

“I know. Milan and I aren’t good friends anyway.” Fan Zhi said indifferently, “I only wanted to make friends with Mi Lan because I saw that the Mi family was powerful. Now that House Mi has fallen, I will definitely run away. However, I still have a deep impression of Mifei. After all, she did look like a servant at that time. After I found out her identity, I was indeed shocked.”

Chapter 1503 The Expensive Clothes

After Fan Zhi finished speaking, the laughter in the car grew louder and louder, and Mifei's face became paler and paler.

She had thought that after experiencing so many things, she would be able to calm down when faced with such mockery. However, Mifei realized that she still couldn't do it in this situation.

There was also a wine cabinet in the car, which was equipped with red wine and wine glasses. These were used to make the contestants relax.

Fan Zhi poured herself a glass of red wine. She thought for a moment and turned to Mifei. "Mifei, do you want some red wine?" She asked.

"I'm not drinking," Mifei said shakily.

However, Fan Zhi didn't listen to her opinion. She poured her a glass of red wine and said, "This red wine is very good. You've never drunk it in the Mi family, right? Haha, I'm afraid you haven't seen it before. Today is a good opportunity to try it. Otherwise, you'll seem like a person who doesn't know the world."

Fan Zhi handed the glass of red wine to Mifei.

Mifei couldn't refuse and could only reach out to take it. Fan Zhi smiled and deliberately moved closer to Mifei, then spilled the red wine in her hand on her clothes.

"Aiya, Mifei, what are you doing?" Fan Zhi exclaimed, "My clothes are very expensive. It's my birthday present this year!"

Mifei had no idea what had happened. She stared blankly at everything in front of her. It took her a long time to come back to her senses. She said, "I don't know. This has nothing to do with me."

"How is it none of your business? I just handed you the red wine and you poured it on me!" Fan Zhi shouted, "Didn't I just tell you about your past? You shouldn't be so angry. Your friend said that this matter has already passed, but you're still so petty!"

"It really wasn't me!" Mifei shook her head and denied it. Then, she took out the red wine in her hand and said, "Look, the red wine in my hand is still there. So, I didn't spill it on her."

“It’s indeed not the red wine in your hand, but you deliberately bumped into me so that the red wine in my hand spilled on you!” Fan Zhi’s eyes reddened as she spoke. “I really like this dress, but it’s especially troublesome to wash. Moreover, we can’t wash it immediately. When we reach the place, we can’t wear these clothes anymore.”

“This...” Even though Mifei had nothing to do with this matter, Fan Zhi insisted on pushing the blame onto her.

Furthermore, there were so many people in the car, and they were all on Fan Zhi’s side. Even if Mifei had a hundred mouths, she couldn’t explain herself clearly. So she could only accept her fate and say, “How about I compensate you?”

“Do you know how much this dress costs? Just say that you’ll compensate me. Do you have that much money?” Fan Zhi said, “This dress of mine is a global limited edition. It costs 800,000 yuan per piece! How are you going to compensate me? Do you want to be a servant in our house for the rest of your life?”

But with your labor force, you can’t earn 800,000 yuan in your lifetime, right?”

As Fan Zhi spoke, tears flowed down her face. The other people in the car kept laughing, and their laughter was getting louder and louder.

Mifei remained silent, unable to say a word.

Because 800,000 was indeed a large number for her.

Just as everyone was feeling awkward for Mifei, Jiang Yu suddenly took out a check from her bag and wrote a million yuan on it.

She threw the check on Fan Zhi’s shoulder and said, “There’s a million on this check. It’s enough to buy your dress.”

Fan Zhi’s tears froze on her face, and the smiles on the others’ faces froze. They didn’t expect Mifei to have such a rich woman by her side.

Jiang Yu took the glass of red wine from Mifei's hand and poured it directly on Fan Zhi. She said, "Look carefully. This time, someone poured the red wine on you. Take the extra 200,000 yuan as compensation for your mental distress."

Fan Zhi could only stare blankly at her red wine soaked clothes and the check for a million dollars.

At first, she just wanted to bully Mifei and see the awkward expression on her face. As for the 800,000 yuan for this dress, she was lying to Mifei. This dress did not have that much money.

However, she did not expect the woman next to her to throw out a check for one million yuan with a wave of her hand.

Why was she so rich?

"Who exactly are you? How did you get together with Mifei?" Fan Zhi couldn't help but ask curiously.

Chapter 1504 Apologize

"It doesn't matter who I am. What's important is that you've done something wrong and you have to apologize to Mifei. I've already given you a million dollars and compensation. What about Mifei's apology?"

Fan Zhi was stunned. "What did I do wrong? Apologize to Mifei?"

"First, you disrespected her, and then you framed her. Tell me, what did you do wrong?" Jiang Yu asked.

"Are you joking?" Fan Zhi was angry. "How did I not respect her? I'm telling the truth! She was clearly a servant back then! And you said I framed her?"

She was the one who hit me, so my red wine spilled on my clothes! On the other hand, you're wearing a pair of sunglasses and a black mask. You're hiding here and pretending to be rich? Who exactly are you?"

As she spoke, Fan Zhi reached out to grab Jiang Yu's mask. Jiang Yu quickly swatted Fan Zhi's hand away, but her sunglasses accidentally fell off.

The air fell silent, but Fan Zhi could not recognize the woman in front of her with just her eyes.

However, someone else in the car recognized her.

"You are...Movie Queen Jiang?"

Jiang Yu looked at the girl. Her eyes were shining brighter than the sun outside.

The girl did not receive Jiang Yu's denial, so she tacitly agreed that this person was Jiang Yu. Therefore, she shouted excitedly, "Movie Queen Jiang, I am your number one fan! At first, when I saw your figure and your voice, I didn't dare to recognize you. But now that I've seen your eyes, I'm 100% sure that you're Movie Queen Jiang."

"Movie Queen Jiang?" Fan Zhi was stunned.

She knew that Movie Queen Jiang was the most popular actress in the entertainment industry, Jiang Yu. However, she was not interested in Jiang Yu at all, so she naturally did not pay attention to her appearance.

Jiang Yu finally took off her mask and smiled at the girl. "Thank you for liking me."

The girl covered her mouth in excitement and almost screamed. Now that she knew that Jiang Yu was on Mifei's side, she stopped smiling and stood on the same side as Jiang Yu.

The rest of the people in the car had more or less heard of Jiang Yu's reputation and knew how much influence she had in the entertainment industry. Some people also knew that she was the fiancée of the CEO of the Mo Corporation and was a big shot that could not be provoked.

Therefore, they did not dare to go against Jiang Yu. They also abandoned Fan Zhi and stood on the same side as Jiang Yu.

Although Jiang Yu scoffed at their actions, based on the current situation, the more people came to help Mifei, the more Fan Zhi would not dare to do whatever she wanted.

“I thought it was someone else. Isn’t it just an actor?” Fan Zhi said disdainfully, “People who work in the entertainment industry nowadays earn a lot of money. A mere one million is just a drop in the bucket to you, right?”

Fan Zhi did not care how dirty her dress was and sat back on the chair. The people around her were worried about the red wine rubbing on her, so they all stayed away from her.

Jiang Yu said, “You don’t have to worry about me. I’ve already given you the money that I should give you. In return, you have to apologize to Mifei.”

“Why should I apologize to her? You even spilled red wine on me. Why don’t you apologize to me?” Fan Zhi raised her voice.

“Didn’t I already give you 200,000 yuan for mental damage? If you want me to apologize to you, that’s fine. Give me back the 200,000 yuan.” Jiang Yu reached out her hand to Fan Zhi.

Of course, Fan Zhi was not willing to return the money. So she crossed her arms and turned her head away. “The money you gave is like water that has been poured out. There’s no reason to take it back. In that case, you don’t have to apologize to me. I forgive you.”

“Then apologize to Mifei.” Jiang Yu said.

After she finished speaking, the rest of the people in the car also said, “Just apologize to Mifei. It was your fault. There’s no need to be so embarrassed.”

“Why didn’t you say that just now? Now that they know Jiang Yu’s identity, everyone is trying to curry favor with her, right?” Fan Zhi was furious.

However, Fan Zhi was still a young lady. With so many people criticizing her, she couldn’t keep her face up. He could only say, “Today, I’ll take it that I met a bad person and apologize to you. Mifei, I’m sorry, I shouldn’t have poked your sore spot.”

“It’s okay, it’s all in the past,” Mifei quickly said.

Fan Zhi leaned back in her chair and didn't say a word the entire way.

She did not expect to see Mifei in such a competition. He didn't expect Mifei to have a famous actress by her side.

Chapter 1505 Competition's Theme

Just like that, they remained silent until they reached their residence.

At Mifei's request, Jiang Yu had specially requested a double room from the organizers. Mifei was very scared in this strange place and couldn't sleep when she was alone.

The theme of the competition was released that night.

This time, the theme was not fixed, but a very broad theme.

According to the organizer's explanation, the theme this time was to pay tribute to those who had helped you, as well as to those unforgettable things.

From Mifei's point of view, the person she wanted to pay tribute to the most was Jiang Yu, who had helped her. From Jiang Yu's point of view, what she wanted to pay tribute to the most was the drug trafficking case that had just been solved.

This was because there were more anti-drug police officers who had already been sacrificed in the invisible corner.

"Sister Jiang Yu, according to the theme of this competition, what do you want to pay tribute to? Of course, I'm trying to pay my respects to you." Mifei asked out of curiosity. "Because you saved me from the Mi family. You even gave me such a good job and allowed me to live a normal life."

Jiang Yu thought for a moment before saying, "I just want to pay my respects to the anti-drug police."

Mifei paused and suddenly remembered that Jiang Yu had helped the police solve a drug trafficking case some time ago. And in the dark side that no one could see, there must be more drug gangs and more anti-drug police officers sneaking in.

If the undercover was successful, then this drug trafficking gang would be caught in one fell swoop. However, if the undercover did not succeed, the anti-drug police would be cruelly tortured.

“Sister Jiang Yu, you must have been deeply touched by the drug trafficking case a few days ago, right?” Mifei said.

Jiang Yu smiled and replied, “Yes.”

The two of them were chatting and laughing. Just as they were about to pack up, there was a knock on the door.

Jiang Yu walked over to open the door and realized that it was the young lady who had claimed to be her fan in the car today.

“Movie Queen Jiang!” When the little girl saw Jiang Yu, she was so excited that her face turned as red as a ripe apple. “Movie Queen Jiang, I’m your fan. Can you give me an autograph?”

As she spoke, she handed over a piece of white paper and a pen.

Her gaze was very sincere. However, Jiang Yu looked at the piece of paper and hesitated for a long time before saying, “Change to another piece of paper. I won’t sign on a piece of paper.”

“But I only have white paper.” The little girl was still in a difficult position. She did not take the things back. Instead, she continued to give them to Jiang Yu. “Movie Queen Jiang, please sign this.”

“We have a rule in this line of work. You can’t sign on a piece of white paper.” Jiang Yu refused. “If you really want my signature, then bring me a new type of paper.”

The little girl was still unwilling to give up and wanted Jiang Yu to sign this piece of paper. However, Mifei turned around and returned to her room. She took out a small notebook with a horizontal grid on it.

She handed the small notebook over and said, “There’s a horizontal line on it. It’s not a blank piece of paper. Just sign on it. Anyway, what you want is an autograph. It’s the same anywhere.”

The little girl was unwilling to accept it at first. She asked, “But it doesn’t look good to sign on this, does it? Is there something wrong with this piece of paper?”

“No problem,” Jiang Yu replied. “But I really can’t sign this.”

The little girl gritted her teeth and wanted to turn around and leave. However, she remembered that she was here to ask for an autograph. If she left like this, she was afraid that Jiang Yu would be suspicious. So she could only take the notebook from Mifei’s hand. She said dejectedly, “Sign here. I’ll tear one up and take it away.”

Jiang Yu then signed her name and drew a small heart behind it.

“It’s done.”

“Thank you, Movie Queen Jiang.” The little girl gritted her teeth as she said this.

“Isn’t she your fan?” Mifei thought it was strange. “After getting your autograph, you should be very happy.”

Jiang Yu couldn’t help but laugh. “She came to me with a piece of white paper to sign. After I explained the reason for my rejection, she still refused to change the paper. I guessed that there was something wrong with her. I don’t deny that she’s my fan, and I welcome my fans to ask for an autograph, but I don’t know what her purpose is.”

Mifei didn’t care at first, but she suddenly remembered that someone’s name had appeared on the IOU for no reason. She suddenly felt scared.

This was probably the little girl’s goal, which was why she refused to change the paper.

Chapter 1506 Selection

Fortunately, Jiang Yu was smart enough to reject the young lady's request. Otherwise, the consequences would be immeasurable.

Mifei was still a little scared. She quickly said, "There was a piece of news a few years ago. It said that someone's name appeared on an IOU for no reason. I heard that that person lost hundreds of thousands of yuan to someone else! Fortunately, I didn't rashly sign my name on the white paper just now. If it was printed on the IOU, you wouldn't be able to explain yourself."

"I didn't agree to it because of this." Jiang Yu said.

"Fortunately, he didn't agree." Mifei patted her chest.

"Alright, let's not talk about this anymore. It's getting late. Let's rest for a while and rest up. We'll be able to design the draft tomorrow."

"Alright."

Jiang Yu and Mifei enjoyed a very quiet night. After getting up the next morning, Jiang Yu and Mifei sat at opposite ends of their desks after breakfast and began to design their drafts.

Because the things that the two of them wanted to pay tribute to were completely different, they were not afraid that the two of them would encounter inspiration or something like that.

Mifei worked very hard on the design. She treated the jewelry as Jiang Yu, as if she wanted to show her admiration for Jiang Yu.

Jiang Yu quickly drew a sketch on the paper and then carefully embellished it.

In fact, after the theme was released yesterday, she had a rough idea in her heart. After a night of consideration, she had already thought of what the jewelry should look like this time.

Regardless of whether this piece of jewelry was selected successfully or not, this was her best wish for the anti-drug police.

This time, the journey to Australia was much calmer than before.

Fan Zhi had only caused trouble for Mifei that day, and after that, she was very quiet. Not only did she not appear in front of Mifei again, she even turned around and left the moment she saw Mifei the day she left after the competition.

It seemed that she really didn't want to provoke Mifei and Jiang Yu anymore after what happened last time.

Jiang Yu brought Mifei back to China and Mifei continued working. Jiang Yu continued to handle the work of the Jiang Jewelry. Although there were still people who offered Jiang Yu an invitation to film during this period, Sister Xia rejected them all on the grounds that Jiang Yu had been busy with the company's matters after reading the script.

This was because the scripts written by the screenwriters were really too bad. They were not worthy of Jiang Yu's status at all. If she really acted, she would probably be scolded to death by the audience. His popularity would also continue to decline.

"Can't the screenwriters nowadays write a good script? In the past few days, at least five scripts have been sent to me, saying that they want you to play the female lead. However, after I read them, each of these five scripts is worse than the last." Sister Xia couldn't help but complain, "And when the results of this competition are out, if you're really selected for the semi-finals, I'm afraid you'll have to use your real name to participate in the competition. If I give you a role at this time, I'm afraid it will delay your progress in the competition. If you really want to act, wait until the results of this competition are out."

"Alright." Jiang Yu listened to Sister Xia.

The results of the competition came out very quickly. It was said that the organizers had personally come to review it. Their review was very strict and very quick. As long as it did not meet their aesthetic standards, those works were all removed.

When Jiang Yu found out about this, she was actually quite nervous because she did not know if her work would be successfully selected.

However, when the results appeared in her email, Jiang Yu would be lying if she said that she wasn't excited. Both she and Sister Xia were very excited.

Because she had already successfully passed the semi-finals and entered the semi-finals.

If they wanted to participate in the semi-finals, they needed to provide real information. Therefore, there was a personal information form attached to the email.

Jiang Yu quickly filled out the form and handed it in.

Mifei waited for a long time before her work was removed.

Although she was very disappointed, she also knew that it was already very good for her to be able to reach this point with her ability. As long as she worked harder in the future, she would definitely be able to get a good result if there was another competition like this.

After Jiang Yu found out about this result, she also comforted her. "It's okay. It's already very good that you can do this. If there's a chance next time, you'll definitely do better."

Chapter 1507 Appreciation

With Jiang Yu's encouragement, Mifei quickly recovered from her disappointment and worked even harder.

In this semi-finals, at least two-thirds of the works were eliminated, or even more.

Jiang Yu originally thought that she could wait to participate in the competition after handing in the information. However, not long after, the organizers actually sent someone over to personally bring Jiang Yu to participate in the semi-finals.

The person who came to pick Jiang Yu up this time was called Jimmy. He had been in China for eight years, so he spoke Chinese very fluently.

"Hello, Miss Jiang Yu. I'm the judge for the organizers this time. My name is Jimmy." Jimmy extended his hand to Jiang Yu as a gesture of courtesy.

Therefore, Jiang Yu shook his hand and said politely, "Hello, I'm Jiang Yu. I'm Diana, the contestant of this competition."

"I know you are Diana. When we saw your work, we were all amazed. We have never seen such a powerful work. So we made up our minds to meet Diana in person. After drawing lots, I was the one to lead Diana. I had a lot of guesses about you, but I didn't expect to see you today. You're actually such a young and beautiful girl."

Jiang Yu was a little shocked. She did not expect Jimmy to praise her work so much the moment they met.

Jiang Yu smiled a little embarrassedly. "Actually, my design is not as perfect as it seems. Among all the contestants, there must be someone better than me."

"But don't be humble. You are indeed very outstanding." Jimmy said, "I'll be leading you to our organizer's side for the semi-finals. If you can successfully pass the semi-finals, then the competition in the finals will be even more intense. Although the final result is to select the top three, in reality, only the first place will receive the benefits."

Jiang Yu had long known that the competition in an international competition like this would be very intense, so she had already made preparations.

"Don't worry," she said to Jimmy. "I'm fully prepared. No matter what the final outcome is, I can accept it."

"Alright, I'll do it. The departure time is two days later. During this period, I think I can have a deeper understanding of you. I don't know if you have time now, but I have a few questions to ask you."

"Of course I have time."

Jiang Yu took Jimmy directly to the reception room and asked Sister Xia to pour him a cup of tea. "What do you want to ask?" She asked. "Just ask."

Jimmy asked, "I see that your design is so intense. It's almost like you want to burst out your emotions. Then I think that the person or thing you pay tribute to must have a great influence on you, right?"

“Yes,” Jiang Yu replied. “I’m not only paying my respects to one thing, but also to a group of people. Just a few days ago, I helped the police crack a drug trafficking case. After this case, I deeply understand how difficult it is for the anti-drug police. Therefore, my work this time is also to pay tribute to those anti-drug police.”

“Well said!” Jimmy couldn’t help but applaud.

In fact, he had also paid attention to this news some time ago. At that time, he did not know that Jiang Yu was Diana, so he did not pay too much attention to it.

When he saw her today, he felt that the person in front of him was very familiar. After Jiang Yu said this, he was shocked to realize that the person in front of him was the one who ruined the drug trafficking case.

Jimmy then asked, “I know that you’re a movie queen in the entertainment industry, but you’re also very talented in jewelry design. May I ask if your major is both?”

“It’s not that.” Jiang Yu smiled and shook her head. “My major is acting. As for jewelry design, I’ve never dabbled in it. In the beginning, I only designed some relatively niche jewelry styles, made them into small accessories, and hung them on our company’s online store. They were still very popular with everyone. I was encouraged, so on this basis, I chose to participate in the international jewelry design competition.”

“Oh my god, haven’t you learned jewelry design before?” Jimmy was shocked. “Among the works that were left behind, you are the only one who has never learned jewelry design! Heavens! Aren’t you too talented in jewelry design? Even among those rejected works, there are not many people who have studied jewelry design, but they are far inferior to you!”

Chapter 1508 Semifinals

Jimmy was still shocked by this matter and could not come back to his senses for a long time. By the time he came back to his senses, it was already late. He said goodbye to Jiang Yu and said, “In these two days, you should settle the company’s matters first. Then, you can go to the competition with me.”

“Alright.”

After Jiang Yu finished speaking, Jimmy left. Sister Xia sent Jimmy off.

After Jiang Yu settled the company's affairs for the past two days, she packed her luggage and went to the organizers with Jimmy.

This time, the organizers had specially sent a private plane to the competition area. However, he wasn't just picking up Jiang Yu. Other than Jimmy, there was another person with her, and that was Fan Zhi.

Jiang Yu did not expect Fan Zhi's design to pass the semi-finals despite her arrogant personality.

Fan Zhi was also quite surprised to see Jiang Yu.

When she first saw Jiang Yu in Auselia, she thought that she was accompanying Mifei to participate in the competition. However, he did not expect Jiang Yu to be a contestant and her design to be nominated for the semi-finals.

Fan Zhi sat on the chair, the more she thought about it, the angrier she got. How could Jiang Yu, an actress, shine in jewelry design?

The angrier she was, the louder her breathing became and the more her chest heaved. Jiang Yu was sitting right next to her, so it was hard not to notice her.

"Fan Zhi, if you're angry, just say it. Don't hold it in."

"How would I dare to be angry? You're a famous movie queen." Fan Zhi said sarcastically, "If I'm angry with you, I don't know how I'll be taught a lesson! I'm timid, and I'm afraid."

"You should be studying jewelry design, right?" Jiang Yu asked. "You're just unconvinced. I'm clearly an actress, but I just had to be nominated for the semi-finals of the jewelry design competition."

Fan Zhi was silent. After a while, she said, "Since you know, why are you asking?"

“I didn’t ask you. I was going to let you say it yourself, but you didn’t say it.” Jiang Yu shrugged. “I advise you not to put any extra thoughts on me. Just focus on participating in the competition. If you can’t make it to the finals in the end, but I successfully make it, won’t you be furious?”

“No need. Just mind your own business.” The more Fan Zhi thought about it, the angrier she became. She simply turned her face away and ignored Jiang Yu.

On this private plane, other than the two of them, there was also Jimmy and his colleagues. The two of them looked at each other, not knowing what was going on between the two contestants.

After getting off the plane, Jimmy brought Jiang Yu to the hotel arranged by the organizers. Coincidentally, Fan Zhi followed them all the way here and found that she was staying next door to Jiang Yu.

“How unlucky. How can I live next door to you?” Fan Zhi frowned and said impatiently, “Can I apply to change to another hotel? I don’t want to live next door to Jiang Yu.”

“No,” the organizer who led her rejected. “This is all arranged by the higher-ups. We can’t change it casually.”

“But I don’t want to live next door to Jiang Yu!” Fan Zhi pointed at Jiang Yu and shouted at her organizer, “I don’t care. If you don’t change my room, I won’t participate in this competition!”

The organizer said, “It doesn’t matter. We didn’t force you to participate in this competition. You have the right to withdraw midway. If you have decided not to participate in this competition, I can apply to the lower level to remove your name from the list of participants.”

Fan Zhi was stunned. She had only wanted to scare the organizer, but she did not expect him to be serious. Therefore, she could only control her temper and say, “Forget it. There’s no point in arguing with people like you. Didn’t she just live next door to Jiang Yu? If it’s unlucky, then it’s unlucky.”

She opened the door and walked in.

Jimmy couldn’t hide the awkwardness on his face when he heard this. He said to Jiang Yu apologetically, “I’m sorry, Jiang Yu. I don’t know what kind of conflict you have with this contestant, but you’re still a contestant I’m leading. It’s my fault that you’ve been insulted for no reason.”

“It’s okay. You don’t know her.” Jiang Yu smiled. “Besides, she has always been like this. Just don’t lower yourself to her level.”

After saying that, she opened the door and entered.

Chapter 1509 A Familiar Idea

The hotel was magnificent and the service was very good. Whether it was from the outside or from the inside, it was very good. However, the only flaw was that the soundproofing of the room was not very good.

Although it could block out most of the sounds, Jiang Yu’s ears were very sensitive. As long as the sound was slightly louder, she might hear it.

For example, Fan Zhi, who was next door, was still on the phone at 11:30 pm. She was getting more and more agitated and her voice was getting louder and louder.

Jiang Yu wanted to go to bed early, but Fan Zhi’s voice next door was so loud that she could not rest at all.

So she went out, wanting to knock on Fan Zhi’s door and tell her something. However, just as she raised her hand, she heard Fan Zhi say, “That idea is on the internet!”

After she said this, Jiang Yu wanted to listen more carefully, but Fan Zhi’s voice suddenly became softer. Even though Jiang Yu was at the door, she couldn’t hear him clearly no matter how close she was.

Jiang Yu had no choice but to return to her room. This time, Fan Zhi’s voice became softer and Jiang Yu could rest in peace.

However, because of that sentence, Jiang Yu did not have a good night’s rest.

The next day, Jimmy came to pick Jiang Yu up and said that he wanted to take her to familiarize herself with the semi-finals. He saw that she had two dark circles under her eyes and looked a little haggard.

Jimmy was shocked. “Jiang Yu, didn’t you rest well last night? Is the bed here uncomfortable?”

“No.” Jiang Yu smiled bitterly. “I’m not used to resting in an unfamiliar environment, so I didn’t rest well last night. It doesn’t matter. We can go back in a few days anyway.”

“But with your current condition, I’m worried that you won’t be able to display your full strength on the day of the competition.” Jimmy was a little worried.

“It’s okay. You might get used to it tonight.” Jiang Yu said.

Fan Zhi, who was traveling with him, laughed. “With your current physical condition, I’m afraid you won’t be able to hold on for more than a few days before you have to hurry back home. Can you still hold on until the competition? I advise you to go back quickly. If anything happens to you here, it will be difficult for the organizers to explain to Mo Long.”

“You don’t have to worry about this anymore.” Jiang Yu’s voice turned sharp again when she heard Fan Zhi’s words.

“Do you think I want to control you?” Fan Zhi started throwing a tantrum again.

By the time they reached the semi-finals, the rest of the contestants had already arrived. Jiang Yu was led by Jimmy. They toured the entire arena and finally stopped at the main back.

There were a few markers on the main backboard. Jimmy took one out and handed it to Jiang Yu. He said, “This is the place where the organizers leave mementos for the contestants. It doesn’t matter if you want to sign your name on it or if you want to draw a new jewelry style on it.”

Jiang Yu took the marker and was about to start writing when Fan Zhi beat her to it. She drew a picture on it and said as she drew, “I don’t just want to leave the jewelry style. I want to leave my name on it! This way, they will know that I designed this jewelry.”

She drew very quickly and finished it in less than two minutes. Then, she signed her name at the bottom.

Fan Zhi left in satisfaction while Jiang Yu observed the pattern she had drawn. The more she looked at it, the more familiar it felt.

Although Fan Zhi's drawing was a little sloppy, the direction of the route overlapped with a certain pattern in Jiang Yu's memory.

However, Jiang Yu could not remember where she had seen this pattern before.

When Jimmy saw that Jiang Yu was standing there without moving, he couldn't help but ask curiously, "Jiang Yu, aren't you going to sign your name?"

Only then did Jiang Yu wake up from her dream. She quickly signed her name on the main board and said, "Since you've already handed in your information, please sign my name."

Jimmy didn't mind as long as Jiang Yu was happy.

After visiting the stadium, Jiang Yu returned to the hotel. The more she thought about it, the more she felt that something was wrong. In the end, she used her memory to draw the jewelry pattern that Fan Zhi had drawn on her phone. Then, she imported it into a picture and found out the source of this pattern.

At first, Jiang Yu did not find anything. She only found a few similar patterns. However, she thought that her memory was correct, so she scrolled down carefully. Finally, when she reached the 40th page, Jiang Yu finally found this pattern.

This pattern was exactly the same as the one Fan Zhi had drawn.

Chapter 1510 Bought

Jiang Yu took a look and saw that the name on the picture was a foreigner's. Jiang Yu looked up this person's information on the Internet and found out that he was an unknown artist from a foreign country.

His paintings were very unpopular. Some people thought that his works had no deep meaning, but others thought that his works had too deep meaning and could not be understood.

In short, not many people liked his work.

Because of this, he was not very famous. Perhaps Fan Zhi had taken advantage of this loophole and decided to use this idea.

But now, there was a new problem in front of her. No matter how unpopular this work was, Jiang Yu did not believe that no one knew about it. What if one day, someone stood up and accused Fan Zhi of plagiarizing her design? How was she going to explain herself?

Jiang Yu suddenly remembered what Fan Zhi had said in her room last night. She was probably discussing with someone else how to solve the problem of stealing someone else's work.

Jiang Yu leaned back in her chair and made up her mind to investigate this matter thoroughly. She was also one of the contestants in this competition. If Fan Zhi was successfully nominated for the finals because she stole someone else's idea, it would be unfair to the other contestants and the original author of the work.

Therefore, Jiang Yu searched around and finally found the author's contact information. She immediately made a call and asked, "Hello, are you Mr. Jack?"

Jiang Yu's English was very fluent, so Jack did not doubt her and replied, "Yes, I am. May I ask who you are?"

"I'm Jiang Yu, a contestant in the International Jewelry Design Competition." Jiang Yu introduced herself briefly, but before she could finish her sentence, Jack spoke up.

"Are you here to buy my ideas?"

Jiang Yu was stunned for a moment. "Buy your idea? What do you mean?"

“Last night, someone who claimed to be a contestant in the international jewelry design competition contacted me. He said that he took a fancy to one of my works and wanted to spend a lot of money to buy it. At that time, the signature of this work will become that person, and it will have nothing to do with me anymore.”

“So you agreed?” Jiang Yu asked tentatively.

“Of course I agree,” Jack said indifferently. “Anyway, I’m just an unknown artist, and that was just a casual drawing. If I can get people to like me and earn money, of course I’m willing.”

“Was the person last night called Fan Zhi?” Jiang Yu asked.

“I don’t know her name either. She’s a girl.” Jack said.

Then it was definitely Fan Zhi.

“Alright, thank you. I have nothing else to do.” As she spoke, Jiang Yu was about to hang up the phone.

“Did you call me just to ask about this?” Jack called out to her. “Aren’t you here to buy my work?”

“Of course not.”

Jack was a little troubled. He said, “Then you have to promise me that you won’t tell anyone about this.”

“Mr. Jack, do you know that the person who bought your work has already caused unfairness to this competition? If she really relied on your work to successfully enter the finals, then it wouldn’t be a good thing for the other contestants, or even for herself.” Jiang Yu said.

Jack hesitated for a long time before saying, “I know this is unfair... How about this? Even if you want to expose her, you can’t say that I told you about this.”

“Alright, don’t worry. I know. I promise you.” After saying that, Jiang Yu hung up the phone.

It seemed that Fan Zhi wanted to rely on the creativity she had bought to gamble in this semi-final. Unfortunately, Jiang Yu found out about it. If that was the case, her dream would be completely shattered.

Even though Jack was unwilling to testify, Jiang Yu had her ways to find out the transaction records between Fan Zhi and Jack.

As long as she had this transaction record, Fan Zhi would be unable to defend herself.

“Fan Zhi, it’s your bad luck to have fallen into my hands.” Jiang Yu sneered.

On the day of the semi-finals, all the contestants went to the arena. Fan Zhi was even more proud than the other contestants, as if the first place of this competition was already hers.
