

## Older Man 1511

### Chapter 1511 Expose

Everyone went to draw lots, and the number they drew went to their seats.

This was a live performance competition, which reminded Jiang Yu of the time when she participated in the Mathematical Olympiad competition in school when she was young.

The organizer was a foreigner. He first stood on the stage with a loudspeaker and gave an impassioned speech, regardless of whether the contestants below the stage understood or not.

After he finished, the person next to him whistled, meaning that the players could start designing.

The time limit for this competition was four hours.

As long as the contestants could design a piece of jewelry that matched the theme within these four hours and passed the review of the panel of judges, they would be qualified for the finals.

The purpose of this was not only to test the contestants' ability to adapt on the spot, but also to test each of their talent in jewelry design.

The number that Fan Zhi drew was also quite close to Jiang Yu. She was sitting right in front of Jiang Yu, so Jiang Yu could see the change in Fan Zhi's expression from the side.

Three hours after the competition began, Fan Zhi was sleeping on the table and did not even touch her pen.

Jiang Yu knew that Fan Zhi was confident. Since that was the case, she wanted to see if Fan Zhi still had the confidence to do so when the competition ended and the judges began to review the works.

When the four hours were up, the organizers blew the whistle, signaling all the contestants to stop. Jiang Yu also stopped writing, and Fan Zhi had just finished her last stroke.

Someone was responsible for collecting the contestants' manuscripts. Then, he handed it over to the judges.

Jiang Yu was originally sitting in a chair, waiting for the results. However, Fan Zhi couldn't stand the loneliness anymore. She got down from the chair and walked up to Jiang Yu. She said to her, "Jiang Yu, if I get nominated for this competition and you don't, will you feel embarrassed?"

"I won't." Jiang Yu said, "I'm not a jewelry designer. It's expected that I didn't make it to the finals. So you studied jewelry design, and you made it all the way to the semifinals. I saw that you were sleeping for the first three hours and only started writing in the last hour. I think you should have a plan in mind. If you didn't make it to the finals, that would be a little embarrassing."

Fan Zhi originally wanted to show off in front of Jiang Yu, but she did not expect Jiang Yu to turn the tables on her.

"I'm telling you, I'll definitely make it to the finals!" Fan Zhi was exasperated.

"Where did you get such confidence from? Is it because of your work? But the creativity isn't yours at all. So what if you're nominated for the finals?" Jiang Yu looked at her in amusement. "You spent a lot of money to buy someone else's idea and then used it in the jewelry design competition. So what if you get first place in the end? The first place doesn't belong to you."

"Stop talking nonsense!" Fan Zhi was so shocked that she stuttered. "That was obviously my idea! I slept for the first three hours because I was inspired after I got this theme! I wanted to conserve my energy, so I designed it in the last hour!"

"What you said is really laughable."

Fan Zhi was just about to speak when the results of the judging panel came out.

The first work they reviewed was Fan Zhi's.

The judges unanimously felt that Fan Zhi's designs were outstanding, so they all passed her.

Fan Zhi was still very happy and wanted to hurry back with the results. However, Jiang Yu stopped her. She walked to the front of the panel of judges and said, “Fan Zhi’s original work is the work of Jack, a foreign artist. It’s called ‘Lonely’.”

“How did you know?” The judges asked, looking at each other.

Jiang Yu replied, “Because I’ve seen this work before. Fan Zhi had spent a lot of money to buy this idea so that she could take a gamble in today’s competition. As long as she can rely on this idea to enter the finals, then I’m afraid she will also buy other people’s ideas in the finals.”

“Do you have any evidence?”

“Of course there is.” Jiang Yu took out her phone and showed two photos to the judges. “This is the transaction record between Fan Zhi and the foreign author. When the two of them made the transaction, they also stated the contents of the transaction. I think you should be able to understand.”

Fan Zhi ran up to the stage as if she had gone crazy. “Jiang Yu, stop framing me!” She said. “Who knows if these chat records were forged by you!”

“Then take out your phone and let the judges see if there are any records.”

## Chapter 1512 Disqualification

Fan Zhi subconsciously covered her phone and refused to take it out. However, he still explained, “You’re framing me! Let me tell you, I can sue you for slander!”

“Then show me the evidence.” Jiang Yu reached out her hand to Fan Zhi.

Fan Zhi gritted her teeth. It seemed like Jiang Yu was going to make things difficult for her today.

However, she couldn’t take out her phone because it still had her transaction records with Jack. Fan Zhi had wanted to delete it that day, but she was afraid that Jack would not admit it, so she kept the chat records. She thought that after the competition was over, she would delete it completely.

However, he did not expect such a mistake to happen on the day of the competition.

When the judges saw that Fan Zhi refused to hand over her phone, they knew that she had something up her sleeves. Jiang Yu was probably telling the truth.

So they said, “This contestant, if you can’t provide evidence to prove that the idea of this work is yours, then we will take the opinion provided by the other contestant and think that your idea is stolen from others. Then we won’t give you a score.”

“No! Didn’t you guys finish the investigation? The results are out!” Fan Zhi quickly pleaded, “Since I’ve already passed the semi-finals, there’s no need to review this work again.”

“But if it’s really like what the other contestant said and you pass the semi-finals, it’s unfair to the other contestants.”

“What’s unfair about that? If their design ability is very good, how could they not be selected?” Fan Zhi said matter-of-factly, “Since the results of the investigation are out, you can just turn a blind eye and pretend that nothing happened, right? ”

“Absolutely not.” The judges firmly rejected Fan Zhi and called the organizers over to tell them about this matter.

When the organizers heard about this, they immediately wanted to disqualify Fan Zhi from the competition. He also promised that Fan Zhi would not be allowed to participate in any international jewelry design competition for the next 20 years.

“What right do you have to do this?” Fan Zhi was angry. “So what if I bought this idea? I spent the money, so it’s mine! Now that the name on this work is already mine, since it’s my work, what right do you have to disqualify me from the competition?”

Her attitude was extremely bad, and the way she spoke was also very unfriendly, which made the organizers very uncomfortable.

“Contestant, if you continue to be so unreasonable, we will take forceful measures and send you back.”

Fan Zhi was still standing in front of the stage, unwilling to let it go. The organizer called for security and carried Fan Zhi away. He also told all the contestants that Fan Zhi had been disqualified.

At the same time, he also expressed his sincere gratitude to Jiang Yu. "Otherwise, I'm afraid we'll still be kept in the dark."

"It's okay. I can't stand this matter either, so I wanted to stand up and expose her." Jiang Yu said.

However, the judges were still amazed by Jiang Yu's profound knowledge. "We have never heard of the foreign author you mentioned just now, let alone his works. I didn't expect you to be so knowledgeable. You've even seen such an unpopular piece."

Jiang Yu smiled embarrassedly and said, "I just like to read some magazines. There are some small magazines that have such works on them. I'm more interested in them, so I took a look."

"Contestant, what is your name?"

"My name is Jiang Yu."

The judges were now curious about Jiang Yu's works and had been looking for Jiang Yu's manuscript in the pile of manuscripts. However, they did not find any manuscript signed by Jiang Yu even after flipping to the end.

"Diana!" Jiang Yu finally reacted and reminded him. "My name is Diana."

The moment the name appeared, the judges widened their eyes and said, "You're Diana? We know you! The work you did in the semi-finals was very outstanding and exciting. We all wanted to meet you. I didn't expect you to be Diana. You're so young!"

Jiang Yu could not help but blush when she heard the praise. She said, "Actually, I'm not very outstanding. I've never dabbled in jewelry design before. The reason why I participated in this competition was because of my own interest."

"But you are indeed very talented!"

## Chapter 1513 Sir William

Jiang Yu was unable to defend herself from this sugar-coated attack. Fortunately, the judges did not continue to say anything and instead carefully observed Jiang Yu's entry.

The judges were full of praise as they watched. "Good. Your work this time is indeed not bad. It's even better than the last one."

Very quickly, the judges unanimously passed Jiang Yu's assessment and she was successfully nominated for the finals.

Satisfied, Jiang Yu left with the results of the competition. However, she did not know that she had already attracted the attention of someone.

Jiang Yu returned to the hotel and lay on the bed to rest. Not long after, she received a call from Kang Xue.

Jiang Yu guessed that it was about the variety show. Kang Xue must have gotten good results, so she called her in such a hurry.

Sure enough, after the call was connected, Kang Xue's excited voice came from the other end. "That was great! My results are in second place. I can already debut as a girl group!"

"That's great!" Jiang Yu sat up on the bed and felt that this was something worth celebrating. "I'll treat you to a meal when I get back."

"There's no need to go through so much trouble. I just feel that it's all thanks to you that I can have today's results, so I wanted to be the first to tell you. Did Sun You go to look for you a few days ago?" Kang Xue smiled and then began to put herself in a difficult position.

"Yes, he wants to talk to me about cooperation and also wants Sun Miao to go back and participate in the competition. However, I didn't agree to either of them." As Jiang Yu spoke, she felt that something was wrong again. "Did Sun You go back and tell you?"

“Yes, but he didn’t tell me about Sun Miao. He only told me about the collaboration. He wants me to plead for him in front of you and make you agree to this cooperation.” Kang Xue said, “But whether we want to cooperate or not, it’s up to you. Don’t make a decision that goes against your principles because of me.”

“I know.”

Only then did Kang Xue smile in satisfaction. She said, “I don’t have anything else to do. If your competition is over, come back as soon as possible. When the time comes, the celebration party will be held when you return.”

“Alright.”

After hanging up the phone, Jiang Yu lay back on the bed. However, not long after she lay down, someone knocked on the door of the room.

At first, Jiang Yu thought that it was Jimmy. As she walked over, she asked, “Teacher Jimmy, what’s the matter?”

However, when she opened the door, she realized that the person standing at the door was not Jimmy, but a strange man with blond hair.

He wore gold-rimmed glasses and looked rather handsome.

“Hello, may I know who you are?” Jiang Yu asked in confusion.

However, the strange man in front of her did not answer her. Instead, he looked Jiang Yu up and down before slowly asking, “Are you Diana?”

“Yes, I am.” Jiang Yu nodded.

The stranger smiled and said, “Hello, I’m the jewelry design consultant of the organizer. I was invited to help organize the competition. My name is William.”

As he spoke, he showed his work card.

Jiang Yu took a look at it. The man in front of her was indeed called William. She asked, “May I know why you are looking for me?”

William smiled and said, “Can you let me in? Because what I want to say is more serious.”

“Please come in,” Jiang Yu said as she stepped aside to make way for him.

After William entered the house, he sat on the chair furthest away from Jiang Yu.

Jiang Yu felt more comfortable at such a distance. “What do you want to talk about?” She asked.

“It’s like this. In the previous competition, I took a fancy to your design at first glance. I feel that even in the future, not many people will be able to surpass such works. That’s why I like that piece of work very much. It’s also because of this piece that I feel that your talent in jewelry design far surpasses ordinary people.”

When Jiang Yu heard what he said, she thought that he wanted to buy her work. However, William’s next sentence was: “I wonder if you are interested in becoming a jewelry design consultant for our jewelry company?”

“Jewelry design consultant?” Jiang Yu was stunned and subconsciously wanted to reject him. “But I have my own jewelry company too.”

When William heard that, he laughed even more heartily. “Isn’t that just nice?” He said. “As long as you come to our jewelry company as a jewelry design consultant, our two companies can cooperate.”

Jiang Yu thought about it and felt that William’s suggestion was very good.

If they could really cooperate with foreign jewelry companies, it would be a great thing for Jiang Jewelry.

Chapter 1514 Design Consultant

Therefore, Jiang Yu agreed to William's request without much consideration.

"Since Mr. William is so sincere, I will agree to your cooperation request." Jiang Yu said.

"In that case, please spare a few days after the competition. I'll take you to visit our company."

"Thank you."

William left.

Jiang Yu did not know which jewelry company William was from and thought that he was a senior employee of a relatively small jewelry company. Even so, if Jiang Jewelry could really cooperate with foreign jewelry companies, it would definitely be famous.

After all, there were only a few internationally renowned jewelry brands. As for the most famous company, it was Tears of Angels.

Of course, she did not expect William to be the employee or boss of Tears of Angels.

However, when William came over to show her around the company as promised, Jiang Yu was indeed shocked.

This was because William was the boss of the jewelry company, Tears of Angels.

"Are you the boss of Angel's Tears?" Jiang Yu asked tentatively.

William smiled and said, "Yes, what's wrong? Is this matter very surprising to you?"

Jiang Yu admitted, "That's right. I didn't expect you to be the boss of the most famous jewelry company in the world."

"Hahaha!" William couldn't help but laugh. Actually, I usually keep a low profile. I don't easily show myself in front of outsiders, so not many people know me. In contrast, many people know my

friend because he always takes my place at major cocktail parties. After a long time, many people thought that he was the boss of this company.”

Jiang Yu also laughed. She felt that William’s words were quite humorous.

After William showed Jiang Yu around the company, he extended a sincere invitation to her again. “Miss Diana, I sincerely hope that you can come and be our company’s technical consultant again.”

Jiang Yu replied very respectfully, “I’m willing to come to your company as a jewelry design consultant. At the same time, Mr. William, I’m also willing to introduce myself to you again. My surname is Jiang, and my name is Jiang Yu. I’m the boss of China’s Jiang Jewelry Company.”

“Hello, Miss Jiang Yu.” William bowed to Jiang Yu.

He had to admit that William was a gentleman.

Moreover, William had also bought a ticket to China, but it was not at the same time as Jiang Yu.

He said, “After I go to China, I’ll have to trouble Miss Jiang Yu to show me the local customs.”

“It’s my honor.”

After bidding William farewell, Jiang Yu went to the airport and prepared to take a flight back home.

Jimmy also called at this time. He was also extremely reluctant to part with Jiang Yu. He said, “Jiang Yu, William has already told me about your situation. If he invites you to work as a design consultant for his company, you won’t have to participate in the finals this time. Sigh, what a pity. He beat him to it. I was thinking that after you won the first place in the finals, I would recruit you to our company as a jewelry designer.”

Jiang Yu smiled and comforted him. “Teacher Jimmy, don’t worry. Don’t be discouraged. One day, you will meet someone more talented than me.”

“It’s not easy to meet a genius. I’ve lived for so many years, and I’ve only met a genius like you. Unfortunately, William was one step ahead. How can I accept this?” The more Jimmy spoke, the more excited he became. Jiang Yu felt that he was going to go and fight William in the next second.

“Forget it, I know. It’s useless to say so much. Your plane should be taking off soon, right? I won’t disturb you anymore.” Jimmy sighed and hung up.

Jiang Yu also successfully boarded the plane and returned to the country.

By the time she got off the plane, Sister Xia and Lu Qi were already waiting there. They all knew that Jiang Yu was returning to the country today, so they specially rushed over early in the morning to pick her up.

Lu Qi and Dai Zhu hadn’t seen Jiang Yu for a long time. Now that they saw her, their eyes turned red. She quickly rushed over and gave Jiang Yu a big hug. “We haven’t seen each other for a long time. I miss you so much!”

“I miss you guys too,” said Jiang Yu.

Sister Xia walked over and took Jiang Yu’s suitcase. She said, “Let’s give Jiang Yu a welcome dinner tonight. In a few days, we’ll hold a celebration party for Kang Xue!”

## Chapter 1515 Cooperation Completed

Sister Xia had already booked a hotel. After they went to the hotel for a meal, they did not go back immediately. Instead, they went to a nearby KTV to sing for a while before going back.

Before they left, Lu Qi and Dai Zhu said to Jiang Yu, “Jiang Yu, there are only a few months left until the graduation photo shoot. We are planning to hold a graduation party after graduation. You must come.”

Jiang Yu smiled and waved her hand. “Don’t worry. I will definitely go.”

As for Kang Xue, because she debuted as a girl group and signed a contract with a management company, she was now living directly in the staff dormitory of the management company.

Moreover, because her grades were relatively good, she usually had a car to pick her up when she went out.

“Jiang Yu, I’ll go back first. I still have a training session tomorrow.” After Kang Xue finished speaking, she also called her driver and took the car back.

Sister Xia also called the driver and brought Jiang Yu back to the company. After Jiang Yu settled her work at the company, she returned to Mo Garden.

Two days later, William successfully arrived in China. Jiang Yu brought Sister Xia to welcome him personally.

“Oh, Miss Jiang Yu, I didn’t expect you to come and welcome me. It’s such an honor!” William smiled and greeted Jiang Yu warmly like a foreigner.

“You are a distinguished guest to me. Of course, I have to welcome you personally to show your status.”

William smiled and did not speak. Jiang Yu also took her to visit the Jiang Jewelry Company. The employees in the company were curious when they saw William. Although they looked like they were working, their minds had already followed him.

They even started discussing in private, “Who is this foreign man? What are you doing here?”

“I think CEO Jiang personally led him around the company. He must be a big shot. Maybe he’s someone who wants to work with our company!”

“And he’s a foreigner. Maybe his company is also foreign! If our Jiang Jewelry can really cooperate with foreign companies, it will be a great thing!”

“I just don’t know if this person’s company is big or small.”

“Are you stupid? Who cares if it’s a big company or a small company? As long as there’s this cooperation, it’ll be good enough to have a gimmick.”

While the employees were guessing, Jiang Yu led William to look through the entire Jiang Jewelry.

“Mr. William, what do you think of my company?”

William smiled and said, “Before I came here, I had already checked the information of the Jiang Jewelry. So, I know that the Jiang Jewelry had experienced those things. After you took over this company, you managed to run the company so well in such a short period of time. I admire your ability. Not only is your talent in jewelry design, but your ability to run a company is also telling me that I didn’t misjudge you. Therefore, Miss Jiang Yu, I’m very willing to cooperate with you.”

In this way, the cooperation was completely negotiated.

Jiang Yu said, “Thank you, Mr. William, for thinking highly of me and for being willing to cooperate with me.”

“It is my honor to be able to work with such a genius.” William smiled.

After the two of them bid each other farewell, William returned to his hotel. Jiang Yu personally drafted the contract and then reported the news to the entire company.

When the employees heard the news, they all exploded.

“Heavens, angel’s tears! This is the most famous jewelry company in the world!”

“It’s a great thing that our Jiang Jewelry can cooperate with this company! At that time, our reputation will also rise!”

“It has to be CEO Jiang! Not only was she beautiful, but she also had a high status in the entertainment industry. Her ability in business was also impeccable! I didn’t expect to work with Angel’s Tears! Heavens, ever since I entered this industry, I’ve never thought of such a thing!”

Jiang Yu smiled. “To celebrate this, I’ll treat everyone to a meal tonight. When the contract is completed, I will give everyone a raise.”

All the employees cheered together.

Sister Xia also praised Jiang Yu's management ability. If Jiang Hai had been able to do his best for the company from the beginning and had given the employees appropriate benefits, he would not have taken so many detours and ended up in prison.

It seemed that Jiang Yu was indeed better than Jiang Hai in this aspect. She was simply better than him.

Chapter 1516 Secret

After Jiang Yu had drafted the contract, she called William and sincerely invited him to sign the contract face to face.

After William successfully signed the contract, the cooperation between Angel's Tears and Jiang Jewelry was completed.

William and Jiang Yu shook hands. "It's a pleasure working with you."

After this cooperation was reached, Jiang Yu wanted to tell the news to Mo Long immediately. However, she felt that it would not be too serious to say it over the phone, so she waited until night time. She planned to tell Mo Long in front of him when he returned.

However, when Jiang Yu returned to the Mo Garden, she saw Teng Yi coming out.

She was a bit surprised because Teng Yi rarely came to Mo Garden. Even if it was for work reasons, Mo Long would not easily ask others to come to his place.

But this time, he had called Teng Yi over. It was probably something big.

Sure enough, when Jiang Yu entered the house, she found that Mo Long had already returned.

"Why are you back so early today?" Jiang Yu asked as she took off her shoes, "Is there anything you need to do at the company?"

Mo Long said, "It's nothing serious. The company doesn't have any urgent business to deal with, so I came back first."

"I see." Jiang Yu smiled and went upstairs to change into a set of home clothes. Then, she said to Mo Long, "Do you know about Angel's Tears? It was the most famous jewelry company in the world. Jiang Jewelry has successfully cooperated with it."

"Then this is a good thing and worth celebrating. Let's go out for a meal tomorrow to celebrate your successful collaboration with Angel's Tears."

"There's no need for that. It's just that this matter is quite important to me. I feel that it's not too serious to tell you over the phone, so I thought I'd come back and talk to you face to face." Jiang Yu said, "But why did you call Teng Yi over? I remember that you rarely call him over to your house. Even if it's because of work, you won't call him over."

"Of course there are more important things than work." Jiang Yu smiled and said, "Don't worry about this matter. Just wait and see the results."

The expression on Mo Long's face was mysterious, and Jiang Yu did not know what he was going to do.

She thought that another company or wealthy family had provoked Mo Long, and Mo Long was thinking of ways to punish them again.

Therefore, Jiang Yu did not take this matter to heart.

The next day, Jiang Yu returned to work. Sister Xia came over to tell her. "Kang He is here again. This time, she even brought a gift."

"Why is she here again? Was it not enough to reject her last time?" Jiang Yu did not expect Kang He to be so thick-skinned.

She thought that Kang He was here to discuss a collaboration. However, when Kang He came in and placed all the gifts in front of Jiang Yu, the first thing she said was, "Jiang Yu, you're Diana, right?"

Jiang Yu paused. She looked up at Kang He and asked, "How did you know?"

"This matter is no secret. The news that you passed the semi-finals of the international jewelry design competition has already spread online. It's hard not to know. It's just that I didn't expect that the jewelry designer I wanted so badly back then was actually you." Kang He could not help but smile bitterly when she thought of this. "Now that I think about it, I was really ridiculous back then."

"I can't blame you. I didn't want to tell anyone when I used the identity of Diana. You're trying so hard to get Diana to join your side. This also shows that you recognize my design ability." Jiang Yu said expressionlessly.

"If only you really think so." Kang He smiled bitterly. "I was worried that you wouldn't forgive me because of what happened before. But now, it seems that you have forgiven me."

"Not really." Jiang Yu did not look at Kang He. "None of the things you have done are worthy of my forgiveness. However, if you really don't want things to worsen, I have another way. That is, try not to appear in front of me in the future. As long as I can't see you, I won't remember those terrible things. Then, I won't hate you anymore."

"Jiang Yu, you don't have to be so ruthless, do you? No matter what, I'm still a member of the Kang family. We're connected by blood. If you have such ill intentions towards me, it won't be easy for you to explain it to great-grandfather, right?" Kang He was sharp-tongued.

## Chapter 1517 Surprise

She had zero stress and was eloquent. It was impossible to tell that she had ever been mentally unstable. Perhaps she wasn't mentally ill at that time, but she had a mental breakdown, which was why she went crazy.

"You don't have to worry about how my grandfather will explain it. Just mind your own business. Run your company well and handle your family's relationship well. Whether it's my business or Kang Xue's business, don't interfere anymore." Jiang Yu said.

The name Kang Xue was the last name Kang He wanted to hear right now because she kept thinking that if it wasn't for Kang Xue, Sun You wouldn't have left her.

Therefore, she said, “Jiang Yu, Kang Xue is my sister. She and I are the closest. As her elder sister, of course, I have to interfere in her matters. Could it be that after she debuted as a girl group, I can’t control her anymore? She doesn’t have much popularity.”

When she said this, her words still revealed her dissatisfaction and disdain towards Kang Xue.

“But I have to say, she lives more freely than you. At the very least, she could do what she liked, and she had already gotten what she wanted. And you? You can only stick to this company and rely on scheming every day to get benefits from others.” Jiang Yu said, “Kang He, actually, you’re more embarrassing like this. You’re also more tired of living.”

“Stop lecturing me. Do you think I’m sincere when I apologize to you?” Kang He could no longer pretend. “Let me tell you, Jiang Yu, the fight between you and me will never end! Even if the two of us never cooperate in business in the future, don’t think about staying out of my way and drawing a clear line with me from now on! Let me tell you, as long as my surname is still Kang, as long as I return to the Kang family, I will do everything I can to trample you under my feet! Don’t even think about getting back up in this lifetime!”

Kang He declared her battle cry in high spirits.

“Alright, then I’ll wait for this day.” Jiang Yu felt that she was a little ridiculous. She actually found a trace of fun in the cumbersome company’s business. He started pandering to Kang He.

Kang He felt that Jiang Yu’s attitude was not serious at all, so he left her one last sentence. “Jiang Yu, don’t joke around with me. Sooner or later, I will show you how powerful I am!”

She was clearly enraged by her incompetence. Jiang Yu held back her laughter and deliberately put on a serious expression. “Okay, I’ll wait for you.”

Kang He left angrily, slamming the door behind her. Sister Xia stood at the door and watched Kang He’s back view leave in bafflement. She felt that this woman was going crazy for no reason again.

Sister Xia walked into Jiang Yu’s office and asked, “What’s wrong with Kang He today? She was fine a few days ago, but she can’t pretend anymore.”

Jiang Yu said, “I don’t know. She’s like this early in the morning. Maybe she didn’t take her medicine.”

“It’s really strange. I can’t understand her anymore.” As Sister Xia spoke, she placed the pink invitation card on Jiang Yu’s desk. “This was sent over by Mo Long’s secretary, Teng Yi. He said that he wanted me to hand it over to you personally.”

“Teng Yi gave it to me? Did they say what was inside?” Jiang Yu picked up the invitation card. It was pink and looked like an envelope. However, the words ‘Jiang Yu’s’ were neatly written on the outside with a pen. There was nothing else. There was not even any decoration.

Sister Xia cleared her throat and said seriously, “I don’t know either. Other than asking me to hand this thing to you personally, she didn’t say anything else. However, since he was the one who sent it over, it must have been Mo Long’s idea. The two of you have been together for so long. What can’t you give it to me personally? Why do you need someone else to pass it on?”

Jiang Yu became more and more puzzled. She opened the invitation and saw that there was only a half-folded piece of paper inside. An address was written on it, and the word ‘surprise’ was written on it with a pink marker.

“What do you mean? Could it be that you’re planning to give me a surprise?” Jiang Yu couldn’t help but laugh. She didn’t expect Mo Long to have such romantic thoughts.

Sister Xia couldn’t help but feel happy for Jiang Yu when she saw her smiling so happily. Actually, when Teng Yi came to deliver the invitation, he had already told her what Mo Long was going to do tonight.

Sister Xia had been very excited at the time. Now that she saw how happy Jiang Yu was, she sincerely hoped that Jiang Yu could stay with Mo Long for a long time.

## Chapter 1518 Finale

“Mo Long probably wants you to go earlier. Then leave the company’s matters to me. I’ll help you deal with them.” Sister Xia quickly took away all the things that the card number had brought, so that they would not stay here and be an eyesore to Jiang Yu.

Jiang Yu said, “It’s okay, Sister Xia. I can still handle the company’s business. I’ll go after I settle my work.”

“Alright, then hurry up and deal with it. I won’t disturb you anymore.” With that, Sister Xia left.

After sister Xia left, she went to pick a suitable outfit because Teng Yi told her that she could go tonight. However, she could not go with Jiang Yu. She could not let her know about what happened tonight.

After Jiang Yu settled the company’s matters, it was time to get off work. She called out to Sister Xia a few times, but Sister Xia did not respond. Jiang Yu thought that she had gone home from work.

She packed her things and took a taxi to the address that Mo Long had given her.

It was a villa built by the sea. From the outside, it looked a little like Buckingham Palace.

Jiang Yu was a little surprised. She did not expect Mo Long to invite her to such a place.

It must be a big deal.

Jiang Yu pushed the door open and entered the dark room. Jiang Yu felt a little strange and thought that Mo Long had not come.

She held onto the wall and fumbled around, finally finding the switch. As soon as she pressed the button, the entire room lit up. What greeted Jiang Yu’s eyes was a table full of exquisite delicacies and many trees made of fresh flowers.

Jiang Yu even walked over to take a sniff and the fragrance of fresh flowers entered her nose. She had thought that these trees were made of fake flowers, but she did not expect them to be real flowers.

Besides roses, lilies, and roses, there were also many other flowers that Jiang Yu could not name.

However, they were all very beautiful. The air was filled with the fragrance of flowers.

She was surprised when someone suddenly came down from upstairs. Jiang Yu took a closer look and realized that it was Lu Qi.

“Xiao Qi, why are you here?” Jiang Yu was a little surprised, but Lu Qi did not answer her. Instead, he pulled her all the way to the room on the second floor and took out a very gorgeous gown for her. He said, “Change into it. I’ll wait for you downstairs.”

Although Jiang Yu was baffled, she still obediently changed her clothes and went downstairs.

This time, when he went downstairs, the originally empty room was now filled with a group of people. When Jiang Yu looked over carefully, she realized that this group of people were her friends, family, and even her good friends in the entertainment industry.

Jiang Yu was getting more and more surprised. “Why are you guys here?” She asked as she went downstairs.

However, they only smiled and looked at Jiang Yu. Even Yuan Lai and He Zhen, who usually did not have a proper appearance, were now wearing suits and standing there quietly.

As Jiang Yu walked over, she felt more and more nervous. However, before she could finish her sentence, a voice sounded behind her.

Jiang Yu turned around and saw Mo Long wearing a custom-made suit. He was standing behind her and looking at her with a bright smile.

The next second, Mo Long knelt down and took out a ring from his pocket. He said to Jiang Yu, “Yu’er, I’ve been very happy when I was with you. After that drug trafficking case, I realized that I couldn’t live without you. Only when you were by my side would I feel that life was meaningful. So, Yu’er, are you willing to marry me?”

Jiang Yu paused and her eyes turned red involuntarily. She didn’t expect Mo Long to invite her to this place and invite so many people just to propose to her.

At this moment, the people around them began to jeer.

Jiang Yu couldn’t hold back her tears. He let them slide down his cheeks. She also extended her hand and said, “I’m willing.”

Mo Long immediately placed the ring on Jiang Yu's hand. It was neither too big nor too small, just right.

The proposal was a success, and everyone cheered.

Meanwhile, Jiang Yu went out, wanting to take advantage of the cool air outside to calm herself down. Mo Long followed behind her and wrapped his arms around her waist before pulling Jiang Yu into his arms.

"Why did you suddenly propose to me?" Jiang Yu asked.

"Because I don't want to let you go," Mo Long said as he buried his head in her neck and shoulders.

"I won't leave."

"Even so, there has to be a sense of ritual."

The moon shone from the horizon, and the silver light shone on the two of them, as if it was covered in a layer of silver light.

Jiang Yu knew that she would definitely be very happy in the future.
