

Older Man 221

Chapter 221: Easy Win

In the end, Wu Ling realized that Li Lu and Zhuo Zheng were all looking in Jiang Yu's direction.

At that moment, all the staff were waiting for Jiang Yu.

Then, Wu Ling saw Jiang Yu put down her backpack and took out a bunch of cards from her pocket.

There were fifty to sixty cards.

When Zhuo Zheng took out more than ten cards, Wu Ling already felt that it was a lot.

But when she looked at the cards in Jiang Yu's hands, there was no comparison at all.

Wu Ling walked over in surprise. She really wanted to see if these cards were real or fake.

In the end, she found out that they were real.

"How did you get so many?" Wu Ling said in shock.

It would have been better if she didn't say this. But when she said it, Zhuo Zheng and Li Lu both looked a little constipated.

Even the director's face turned dark. Many people were speechless when they thought about how Jiang Yu actually encouraged the children to help.

At the same time, they had nothing to say.

At this moment, Li Lu stood up in annoyance and explained Jiang Yu's actions.

Wu Ling was dumbfounded when she heard it.

So when she thought Jiang Yu was resting she actually already had a lot of cards.

Later on, when she was taking a break, Jiang Yu found a lot of cards with her little tricks?

Jiang Yu placed the pile of cards directly on the table in front of her.

Without even counting, everyone already knew who was the champion of the competition.

On the other side, the director coughed and announced the results of the competition. "This time, the winners are Wu Ling and Jiang Yu. Everyone, let's give them a round of applause."

In an instant, the staff members started clapping in unison.

When Wu Ling heard that she had won the competition outright, her face burned with embarrassment. When she saw the director holding the furniture album and showing it to her, Wu Ling's hands trembled slightly.

She could actually exchange for furniture?

When she looked at Jiang Yu's side, Jiang Yu was calmly looking down at the album.

At that moment, Wu Ling suddenly looked down at the place where Jiang Yu had bandaged her wound.

She owed Jiang Yu a huge favor today.

Not only had Jiang Yu saved her life, but she had also won first place.

Wu Ling's emotions were very complicated. Her mind was in a mess, and she did not know how to choose the furniture. Instead, she just stood there, thinking about something.

Li Lu looked at Jiang Yu with jealousy.

On the other side, Jiang Yu flipped through page after page. There were many pieces of furniture that Li Lu wanted, but they were all flipped over by Jiang Yu.

Li Lu's heart itched. She wished that she was the one choosing the furniture now.

On the other side, Jiang Yu flipped through the furniture album, but she was not interested in those fancy pieces at all.

In the end, she chose one of them and said to the director, "Director, let's go with this one."

The director subconsciously looked over and raised his eyebrows in surprise. He had thought that little girls liked potted plants or hanging paintings.

He did not expect Jiang Yu to actually want a shower system.

Originally, the guests could only go to the temporary public bathroom to wash up.

However, the bathrooms in their respective houses were still just rooms.

Jiang Yu also thought that the public bathroom was too simple and crude, so she wanted to renovate the bathroom first.

She wasn't in a rush for other things.

After all, there were still a few more episodes of the program, so she could slowly add more later.

The main thing was that the shower system required several thank-you cards to be exchanged, so it was a lot of money saved to be able to exchange for it directly for free.

On the other side, Wu Ling finally chose a sofa.

After choosing, the recording of today's program was also completed.

After the director announced the end of the filming, the few guests all walked out of the zoo.

Li Lu originally wanted to walk with Wu Ling, but she saw Wu Ling walking behind Jiang Yu in a daze.

Li Lu still didn't know that Wu Ling had been saved by Jiang Yu. She thought that Jiang Yu had cast some kind of spell on Wu Ling.

Worried that Wu Ling had been fooled by Jiang Yu, Li Lu quickly followed Wu Ling.

Chapter 222: Thank Her

Once the filming was over, the live broadcast ended.

Jiang Yu received a message from Mo Long, saying that he would come and pick her up.

After saying goodbye to the staff, Jiang Yu stood on the other side and waited.

Wu Ling walked towards Jiang Yu. Just as she was about to say something to Jiang Yu, she saw a car stop in front of her.

Following that, a man walked out from inside.

Mo Long walked in front of Jiang Yu and asked with a smile, "Did the recording go smoothly?"

When he heard that the recording was over, he immediately rushed over.

Jiang Yu smiled and said, "It went smoothly. I got first place."

Mo Long saw her sparkling eyes and immediately reached out to rub her head. His actions were very gentle and his eyes were filled with affection.

Wu Ling was already petrified. This was the first time she had seen the president of the MOo group up close.

"Mr. Mo." Wu Ling came back to her senses and hurriedly greeted Mo Long.

Mo Long glanced at Wu Ling. He was very surprised that this person actually knew him.

In the end, Wu Ling smiled and said, "I've seen your photo before. I'm friends with Miss Li."

With that said, Mo Long immediately understood.

Wu Ling was also extremely embarrassed.

Previously, she had seen the photo that Li Yue had forwarded. On it was the scene of old master Li's birthday and Mo Long.

However, at that time, Mo Long looked like he didn't want anyone to get close to him. It was completely different from now. His eyes had a hint of gentleness.

Wu Ling originally wanted to say a few words to Jiang Yu.

However, when she saw that Jiang Yu was not in the mood to chat, Wu Ling could only say simply, "Jiang Yu, I really have to thank you today."

Mo Long raised his eyebrows and looked at Jiang Yu. What good deed did she do today?

Jiang Yu only said indifferently, "It was nothing."

Wu Ling's heart moved. Although Jiang Yu did not think much of it, to her, it could be considered a life-saving grace.

After Wu Ling watched Jiang Yu get into the car and leave, Li Lu came over and asked in surprise, "Are you mind controlled by Jiang Yu, why are you thanking her?"

Li Lu was very surprised that Wu Ling had been following behind Jiang Yu and even waved goodbye to Jiang Yu in a friendly manner.

Could it be that because Jiang Yu helped her get first place, Wu Ling was bribed so quickly?

Alarm bells rang in Li Lu's heart. Just as she was about to remind Wu Ling not to be bribed by Jiang Yu, Wu Ling sighed and recounted what had happened to her today.

At the mention of the tiger that almost bit her hand, Wu Ling's face turned a little paler, and her eyes were filled with lingering fear.

Li Lu was in a bad mood when she heard that, so she quickly took Wu Ling's hand to examine it.

Fortunately, the wound had been treated. Li Lu patted her chest and felt a chill:

"I didn't expect Jiang Yu to save you at the critical moment. I finally understand why you were so distracted today."

Li Lu thought about how Wu Ling had asked her not to be deceived by Jiang Yu yesterday, but in the end, she still owed Jiang Yu a favor. Wu Ling must be very conflicted.

"In short, I must think of a way to repay Jiang Yu this favor," Wu Ling said firmly.

Li Lu also nodded. "Yes, you should. What do you plan to do?"

Wu Ling thought for a moment and suddenly said, "I do know. There is a production crew that is looking for a role. I think I know how to repay this favor."

After saying that, Wu Ling immediately took out her phone and contacted a certain director on the phone.

Li Lu immediately understood Wu Ling's eagerness to return the favor.

She really couldn't wait any longer.

Otherwise, it would be difficult for Wu Ling to deal with her best friend and her savior.

Li Lu waited for Wu Ling to finish her call before leaving with Wu Ling.

Zhuo Zheng got into the car and saw Jiang Yu getting into Mo Long's car. He immediately narrowed his eyes.

Actually, he had paid special attention to Jiang Yu's performance today. He was also somewhat impressed by Jiang Yu's intelligence.

It was just that why did such a smart person not go on the right path? Why did she have to snatch the movie queen's boyfriend.

Zhuo Zheng watched the car leave in an obscure manner.. Only then did he call for the driver to start the car.

Chapter 223: Trending Topic Stolen

At a charity event, the movie queen Li Yue was posing for a photo with the reporters below the stage.

Today, the company had arranged for her to come over to do a positive publicity.

After the shooting was over, Li Yue left under the escort of the security guards.

The moment she got into the car, Li Yue instructed, "Today's publicity must be spread all over the Internet."

The assistant hurriedly nodded and bowed. "Yes."

"We'll do it according to the old rules." Li Yue had changed from her amiability in front of the stage to a stern and cold expression.

The assistant had long been used to Li Yue acting in front of the stage and acting behind the scenes. He hurriedly nodded his head in understanding.

The so-called old rules were that Li Yue would have to pay out of her own pocket to buy her way onto the trending searches.

All along, many people had thought that Li Yue had become popular because of her strength. She had never used her status to oppress others.

But in reality, many of the promotions that were added to her popularity would cost a lot of money.

It was just that no one knew about it.

In addition to Li Yue's good acting skills, even if some glory was built on money, no one would believe it.

So Li Yue had always been a diligent and hardworking character.

Just as Li Yue was hugging her shoulders and closing her eyes to rest, the assistant beside her carefully said, "I've bought it!"

Li Yue opened her eyes and casually glanced at it. As expected, she had already bought several hundred thousand popularity points.

She was instantly relieved.

However, when Li Yue returned to her resting place, she turned on her phone and realized that her popularity for charity had already been wiped out.

The first and second place were all related to 'Cabin In The Mountains'.

Li Yue frowned and touched her forehead with a headache. What was going on with this variety show? Why was it trending from time to time.

What was the reason this time.

Li Yue was stunned when she saw the title. It said that Wu Ling was in danger.

Without looking at the content, she opened wechat and sent Wu Ling a message of sympathy.

She did not care about what happened to Wu Ling. Was she in the hospital or did something happen to her.

Anyway, it was just a fake friendship between her and Wu Ling.

“I heard that something happened to you. How are you doing now? Remember to protect yourself and take care of your safety when you’re on the show.”

Li Yue felt that her words would definitely warm the Wu Ling heart.

Just as Li Yue was about to put down her phone to do something else, a message was sent.

Li Yue sneered, thinking that Wu Ling would be grateful for her concern for her. She didn’t expect Wu Ling to send her a message instead. “I only got a small cut. I still have to thank Jiang Yu for saving me.”

Li Yue stared blankly at the message and was dumbfounded. “What did you say? Jiang Yu saved you?”

Wu Ling sent a message after a long while. “Didn’t you know that I was almost bitten by a tiger and saved by Jiang Yu? The whole Internet knows about this. Don’t you know?”

Wu Ling sent a huge question mark emoji over.

Initially, she thought that Li Yue was really concerned about her. She thought that she had already inquired about everything.

She didn’t expect that she didn’t know anything at all. She only sent a message of sympathy.

When Li Yue saw this message, her heart thumped and she hurriedly replied, “I was too busy and didn’t have time to look at my phone. When I heard that you had an accident, I immediately sent you a message.”

Li Yue took a deep breath when she sent out this remedial message.

Then, Li Yue quickly opened the trending news and clicked on the Weibo post where Wu Ling was in danger.

She watched the entire process and Li Yue’s face turned as black as the bottom of a pot.

There was a large number of comments below. Many of them were fans of the program’s guests. The comments below were all praising Jiang Yu’s quick reaction speed.

Jiang Yu’s image was instantly improved.

Moreover, Wu Ling’s fans were all thanking Jiang Yu below.

“I won’t scold Jiang Yu anymore. Jiang Yu is really kind and nice.”

“Thank you, Jiang Yu, for saving my goddess.”

Chapter 224: Uphold Fairness

“That was too close. My goddess almost lost her hand.”

“I suddenly realized that Jiang Yu was really cold on the outside but warm on the inside. She even carefully bandaged my goddess’ wound. I like it.”

Li Yue’s veins were throbbing as she watched.

She did not expect Wu Ling’s fans to change sides so quickly.

She still remembered that a few days ago, these fans had even helped to scold Jiang Yu on the Internet.

Now, they stopped scolding her and started praising her instead.

The contrast was too great.

After Wu Ling left, she scrolled through the trending searches and found that the first three trending searches were all about “Cabin in the Mountain.”

Meanwhile, the news about her charity work was directly pushed to the fourth place.

Jiang Yu was an artist who didn’t have any works yet, yet she had such a high level of popularity. It was simply inconceivable.

The other two trending searches were all thanks to Jiang Yu’s little tricks.

One was making carpentry furniture, while the other was using a fishing rod to fish the cards off the trees.

These two images were also trending.

Li Yue sneered. In her opinion, if an artist wanted to go far in the entertainment industry, it was impossible to rely on little tricks.

Li Yue thought for a moment and sent a screenshot of her charity work to her family group chat.

As expected, very soon, everyone in the family group focused their attention on the three news articles in front of Li Yue that were all about Jiang Yu.

“Damn, seeing this person jumping around so happily, why do I want to beat her up so badly?”

“This is the first time our Li Yue’s charity work has been written down so low. It’s simply intolerable.”

In the end, Li Yue deliberately said in the group chat, “It’s alright. I’m not doing good deeds for publicity. My status is already here. I have to give the newbie a chance.”

The more Li Yue spoke magnanimously, the more the people in the family group felt that Li Yue was being unfair especially those from the side branches who wanted to curry favor with Li Yue. They tried to curry favor with Li Yue by directly scolding Jiang Yu in the group chat and said that they would definitely teach Jiang Yu a lesson in the future.

Li Yue smiled and did not reply.

She believed that Jiang Yu would soon suffer.

As a movie queen, she really could not bear to go against a newbie.

But other people did not have so many burdens.

...

In the apartment, Jiang Yu put down the last silver needle and carefully checked Mo Long's neurological condition. In the end, she found that he was almost recovered.

Jiang Yu looked up and saw Mo Long looking at her with burning eyes. Before Jiang Yu could say anything, Mo Long said, "My leg hasn't acted up in two days."

Jiang Yu blinked and immediately put away the silver needle. She smiled and said, "Take some medicine and recuperate. You'll be cured."

Mo Long's eyes moved when he heard the word "Cured". He was excited.

On the other side, Jiang Yu was prescribing medicine.

On the other side, Mo Long's grip on the chair tightened.

Assistant Teng Yi's eyes were as big as giant bells

President Mo's leg was actually about to recover so quickly.

After Jiang Yu prescribed the medicine, she handed it to Teng Yi. Teng Yi immediately nodded at Jiang Yu and ran out to grab the medicine.

At that moment, Jiang Yu's hand was grabbed by someone and with a gentle tug, she fell into the man's embrace.

Mo Long's voice was hoarse and his Adam's apple bobbed as he said, "I'll bring you back to the capital."

Mo Long had already determined that Jiang Yu was the noble person in his life, and at the same time, the person he wanted to be with for the rest of his life.

He could not wait to formally introduce Jiang Yu to his family.

Jiang Yu pushed Mo Long helplessly and said indifferently, "Didn't you say that we would talk about it after my summer vacation?"

Mo Long whispered to her, breathing on her earlobe. His voice was coaxing, "Sooner or later, you will have to marry me. Sooner or later, it will be the same."

Jiang Yu smiled helplessly.. Even if she had never met Mo Long's family, she knew that the Mo family would definitely not approve of her.

Chapter 225: Gratitude

"Let's wait a little longer. At least let me make some achievements first. I don't want people to say that I'm not capable at all and that I'm just lucky to have your favor."

Jiang Yu had been working hard to make a name for herself on the variety show recently. It was also to pave the way for her future stardom.

As the two of them were too close to each other, Jiang Yu's words sprayed onto Mo Long's chest.

The warm air seemed to tickle his heart.

In just a second, Mo Long's throat tightened. At this moment, no matter what Jiang Yu said, he would probably nod his head and agree without any explanation.

"Alright, I'll listen to you," Mo Long said in a low voice, with a hint of restraint.

After a long while, Mo Long gently let go of Jiang Yu.

He said softly, "I'm going to make a call."

After saying that, Mo Long walked to the window and took out his phone.

Jiang Yu paused for a moment and sat down on the sofa in the living room.

On the other side, Mo Long told elder Mo about the news that he was going to bring Jiang Yu home for the summer vacation.

Sure enough, elder Mo said with disapproval, "But have you considered the background of that woman? With such a status, what would other people think if she were to be with you? Have you thought about it?"

The Mo family was a large family with complicated roots.

There were also other branches descendants that were eyeing Mo Long's status covetously.

At this time, Mo Long's parents hoped that he would find someone of equal status to marry.

If it wasn't for the incident that happened to Mo Long a few years ago, which caused him to need to recuperate, the marriage between the Mo family and the Li family would have been inevitable.

Mo Long was silent for a moment before he told Jiang Yu about how she had cured his leg.

"Grandfather, do you think she needs any status with just this?"

On the other side, elder Mo said pleasantly, "What? Your leg is almost healed."

"It hasn't acted up in two days." Mo Long took a puff of his cigarette with a complicated look in his eyes.

On the other side, elder Mo paused for a moment before saying, "If you think it through, grandpa will support you."

Mo Long was waiting for this sentence.

On the other side, Jiang Yu was browsing her phone when she saw Dai Zhu in the fan group asking her fans to help promote her segment on the variety show.

Jiang Yu smiled and couldn't help but praise Dai Zhu when she saw the little loyal dog Dai Zhu busying herself.

In the end, Dai Zhu sent a blushing emoji.

She said that it was just her daily job to organize her fan group.

Jiang Yu smiled.

Dai Zhu would always be so dedicated whenever she liked a celebrity.

At that moment, Jiang Yu's phone rang.

After Jiang Yu picked up the call, her manager, Sister Xia, praised her, "Well done. There are reports all over the place about you. I think you're quite popular now. It's time for you to take on some movies."

Jiang Yu paused and asked with a smile, "Sister Xia, do you have any plans?"

Sister Xia smiled and said, "A movie took the initiative to look for you. The director of this movie personally asked you to audition for the role of the third female lead."

Jiang Yu was stunned for a moment. She saw that Mo Long had already put away his phone and was standing by the window, looking in her direction from afar. The emotions in his eyes were surging.

Sister Xia continued, "I'll send you the time and place of the audition. By the way, do you know anyone who recommended it for you?"

Jiang Yu lowered her head and thought for a moment. She suddenly laughed. She had just saved Wu Ling today, and someone had already recommended the movie for her so quickly.

It looked like the person behind the scenes was definitely Wu Ling.

Jiang Yu said, "I know who it is."

Sister Xia said with a smile, "No matter who it is, they are your benefactors. You should properly thank them."

Jiang Yu nodded and hung up the phone. Immediately, the audition information for the movie appeared on her phone.

For a person who had never acted in a supporting role to suddenly audition for the third female lead, Wu Ling must have put in a lot of effort.

Jiang Yu didn't have a good impression of Wu Ling before, and she saved her purely because she didn't want to see anyone get hurt.. She didn't expect Wu Ling to be so grateful.

Chapter 226: Bring A Woman To Dinner

After Jiang Yu hung up the phone, Teng Yi brought the medicine back.

He wanted nothing more than to cook the medicine immediately.

However, just as Teng Yi was about to enter the kitchen, he was stopped by Jiang Yu.

"That medicine can only be taken after eating."

Teng Yi patted his head and immediately turned around to look at Mo Long. "President Mo, you still have a dinner party tonight."

Looking at the time, wasn't it almost time?

Mo Long paused for a moment before walking over to take his suit jacket and looked at Jiang Yu. "Let's go!"

After saying that, Mo Long pulled Jiang Yu out.

Teng Yi was dumbfounded. This was the first time he had seen Mo Long bring a woman with him when he was having dinner with his business partner.

After a few seconds, Teng Yi hurriedly chased after him.

In the car, Mo Long held Jiang Yu's hand and seemed to be in a good mood as he played with her fingers.

Teng Yi, who was driving in front, actually saw Mo Long's lips curled up slightly through the rear view mirror.

President Mo, who had always been serious, actually smiled so gently.

Teng Yi thought to himself, this was all thanks to Jiang Yu.

Therefore, when he got out of the car, Teng Yi treated Jiang Yu with even more respect and even personally opened the car door for her.

He lowered his head as if he was treating Mo Long.

When he saw Mo Long's car approaching, the restaurant's manager immediately came out to welcome him.

He said warmly, "President Mo, this way please."

The manager subconsciously glanced at Jiang Yu. This was Mo Long's first time bringing a woman to eat here.

When Jiang Yu walked into the restaurant, she saw that several waiters were sizing her up.

Moreover, there were also a few customers who were staring at Jiang Yu.

Then, they took out their phones and compared the videos.

Immediately, they said in surprise, "This is the person who fought the tiger on the variety show."

"It really is her. This person is so smart. She won first place on the show."

Someone who had watched the live broadcast said excitedly to Jiang Yu.

Mo Long had not watched the live broadcast in detail. Although he had instructed Teng Yi to organize some important clips of Jiang Yu for him, these clips were still in his phone and he had not had the time to watch them.

When Mo Long saw that Jiang Yu was actually recognized by someone, he immediately raised his eyebrows and was a little curious.

So, what did Jiang Yu do on the show?

They arrived at the private room.

President Cai, who had been talking to Mo Long during the day, was waiting there.

He was surprised to see Mo Long bring a woman in for the first time.

Mo Long let go of Jiang Yu's hand when he sat down.

He even poured Jiang Yu a glass of water and let her drink it first.

President Cai's eyes were wide open.

He didn't expect President Mo to have such a considerate side to him. He was a completely different person from his usual cold and domineering manner at the negotiation table.

When they were ordering, president Cai directly pushed the menu to Jiang Yu. He looked as if he thought highly of Jiang Yu, "Mrs. Mo, you order first."

The words 'Mrs. Mo' made Jiang Yu's face turn red. She immediately lowered her head in embarrassment.

This was the first time she had been addressed as Mrs. Mo in public.

Mo Long was also stunned for a moment. Then, a beautiful smile appeared on his face.

President Cai was also trying his luck. He didn't expect to see Mo Long smile. He was completely stunned.

Usually, many people tried their best to please Mo Long, but they couldn't see Mo Long smile. Today, it was just a simple address, but Mo Long actually smiled.

This was too simple.

President Cai's grip on his chopsticks tightened. He was excited, as if he had finally figured out Mo Long's preferences.

Moreover, he had been discussing a project with Mo Long the entire afternoon, but they had not been able to come to an agreement. Mo Long had clenched his teeth tightly and did not relent. Perhaps he could resolve this matter at the dinner table.

Immediately, President Cai took the opportunity to go out halfway and studied the matter regarding Jiang Yu. After returning, he finally found a topic to talk about.

"President Mo has good taste. Mrs. Mo is really too caring. She even saved someone today."

As he spoke, president Cai looked at Mo Long's expression.

Chapter 227: Chased Out

Mo Long was already very curious about Jiang Yu's performance on the show today. At this moment, he took the opportunity. He raised his eyebrows in interest.

"You even saved someone?" Mo Long repeated.

Jiang Yu smiled. "It was just a coincidence."

"This is not something that an ordinary person can do." President Cai was full of energy and wanted to praise Jiang Yu today. He immediately took out his phone while praising her.

Coincidentally, it was the scene of Jiang Yu saving someone on the show.

Mo Long reached out and took it. He supported his chin and watched with great interest. As he watched, a sense of pride rose in his heart.

He immediately felt that he had a lot of face.

Mo Long had always been very calm and would not be easily swayed.

But for some reason, when he heard others praise Jiang Yu, he was happier than when he heard others praise him.

When President Cai saw that Mo Long was becoming more and more friendly, his eyes lit up and he was extremely excited.

It seemed that the cooperation this time was definitely going to succeed.

At this moment, a surprised voice came from outside the door, "Sister?"

Jiang Yu looked up and saw Jiang Ran holding Sun You's arm standing at the door.

Both of them looked at Jiang Yu and Mo Long in surprise.

Jiang Ran's gaze was fixed on the hand Mo Long used to grab food for Jiang Yu. She was extremely jealous.

How could Jiang Yu make such an outstanding person like her and fall in love with her.

Jiang Ran thought about it and was unwilling to give up. She pulled Sun You and walked inside.

When she saw Jiang Yu's calm expression, Jiang Ran said sourly, "Sister, you haven't been home for a few days. You can't just leave home after getting a boyfriend, right?"

Jiang Ran had said it on purpose for Mo Long to hear.

It was to tarnish Jiang Yu's image in front of Mo Long, saying that she had hooked up with a rich man and didn't care about her family anymore.

Sun You nodded at Mo Long, feeling a little guilty.

He really didn't want to provoke Mo Long now.

But he didn't expect Jiang Ran to be unable to move and insist on coming in.

Sun You secretly tugged at Jiang Ran, but Jiang Ran pretended not to notice, she directly sneered, "As an elder sister, I have to talk about you properly. I heard that you are very close to Li Yue's best friend on the show. It seems that you don't care about Mr. Mo at all. Otherwise, you would have been jealous long ago. You didn't do this well. In the future, you have to follow me well..."

While Jiang Ran was talking enthusiastically, President Cai had already stood up in anger, "Miss, please don't talk nonsense!"

When President Cai saw Mo Long's expression, he immediately stood up.

"What? Did I say something wrong? I'm worried about my sister. She doesn't care enough about her family or her boyfriend."

Jiang Ran sneered.

Jiang Yu shook her head. She didn't expect Jiang Ran to come looking for death even though she was living a good life.

President Cai looked at Jiang Yu inquisitively. "Mrs. Mo, who is this?"

Jiang Yu said directly, "I don't know her."

President Cai understood and immediately called for the waiter to chase the two people out.

Jiang Ran didn't expect the waiter to be so obedient. She was stunned. "What right do you have to chase me out? I'm just being kind. You can't treat me like this."

Mo Long put down the wine glass in his hand. President Cai's eyebrows trembled. He said to the manager who came in, "In the future, our restaurant will not serve these two people!"

"Yes, boss," The manager said respectfully.

Sun You immediately regretted it. When he was chased out of the door, he wanted to apologize but the door was already closed.

The two people were chased out in such a sorry state.

Sun You was furious. "You shouldn't have said anything just now."

Jiang Ran's face turned red and she stomped her feet. "I can't stand to see her in such a glorious state."

The better Jiang Yu lived, the better she would be compared to herself.

"Aren't you sisters?" Sun You frowned.

Jiang Yu's eyes flashed. She lowered her head and said, "I'm the eldest daughter of the Jiang family. Jiang Yu is just an adopted daughter. My father only said that she was the Jiang family's daughter because he felt sorry for her."

Sun You was stunned when he heard that.

Chapter 228: A Precious Gift

Now, Sun You was very sure that the missing eldest daughter of the Kang family in the capital was Kang Die, Jiang Hai's first wife.

Sun You originally thought that Jiang Ran and Jiang Yu were both that person's daughters.

He didn't expect that there was only one.

And this person was now his fiancée!

Sun You took a deep breath. Even the knot that he had been kicked out of dissipated. As long as he coaxed Jiang Ran, did he need to be afraid that he wouldn't be able to advance in his career in the future?

Sun You smiled and pulled Jiang Ran over. His voice was even gentler than usual. "Ran Ran, when you enter the Sun family in the future, you will be the young madam of the Sun family. No one will dare to bully you anymore."

When Jiang Ran heard this, she immediately smiled and lowered her head.

However, in a place where others could not see, her expression was slightly ruthless. She would definitely not let this matter go after being kicked out like this today.

In the private room, President Cai had just chased her away in a lively manner, but at this moment, he had returned to his cautious appearance.

He was afraid that President Mo would be unhappy with the way he had handled things.

President Cai said tentatively, "I'm sorry. It's my hotel management that's not good enough. I let unrelated people come and disturb us."

When President Cai sat down, he felt a little guilty.

Unexpectedly, Jiang Yu smiled when she saw President Cai's cautious look.

It was probably because President Cai's contrast between before and after was too funny.

President Cai looked at Jiang Yu in surprise. He saw Jiang Yu blink her eyes and said, "It's okay."

Mo Long curled his lips when he heard Jiang Yu's chuckle. His expression also relaxed. He didn't say anything to President Cai, but he didn't have any intention of pursuing the matter.

President Cai heaved a sigh of relief.

He couldn't help but drink a glass of wine.

At this moment, Mo Long suddenly said, "I think we're almost done talking. Let's sign the contract tomorrow."

President Cai's hand shook and the wine glass in his hand almost fell to the ground.

This was a promise.

For a moment, President Cai's eyes flashed with joy.

He first glanced at Mo Long, then at Jiang Yu.

He knew that it was all thanks to Jiang Yu that the collaboration went so smoothly.

After feeling at ease, President Cai immediately smiled at Jiang Yu. Then, he took out an envelope from his pocket and handed it to Jiang Yu. "Miss Jiang, this is our first meeting. This is my gift to you."

He had originally prepared this gift for someone else, but now he felt that it was the most appropriate way to express his gratitude to Jiang Yu.

Jiang Yu lowered her head and was slightly taken aback.

President Cai said, "It's not anything valuable. It's just a five million yuan shopping card for my jewellery store."

Compared to the profits from the cooperation, this little amount was like a drizzle.

Jiang Yu almost bit off her chopsticks. She looked at President Cai in shock and immediately shook her head. Just as she was about to refuse, Mo Long naturally reached out and pinched Jiang Yu's palm under the chair.

Jiang Yu paused for a moment before she changed her mind. She smiled and said, "Thank you, President Cai."

To Mo Long and President Cai, this little bit of money was nothing.

President Cai was even happier after she accepted the gift. He quickly found an excuse to leave and no longer acted as a third wheel here.

After the person left, Jiang Yu opened the envelope. There was indeed a five million yuan shopping card on it.

Jiang Yu swallowed her saliva. Was a gift from a rich person so expensive?

"It's for you. Don't worry about it."

Mo Long picked up a piece of prawn meat for her and placed it in her bowl.

Jiang Yu smiled. Mo Long saw the gravy at the corner of her mouth and instinctively reached out his hand.

His warm fingers caressed her smooth skin.

Jiang Yu paused for a moment. She realized that Mo Long was becoming gentler and gentler.. He had changed a lot since they first met.

Chapter 229: Banquet Invitation

The next day, many students in the school were surprised to find that Yuan Zhen had been walking behind Jiang Yu the whole time.

In front, Jiang Yu's face was extremely cold and elegant, and her entire body was exuding a powerful aura.

Behind her, Yuan Zhen had actually volunteered to help Jiang Yu carry her bag, and even followed closely behind her. That expression of hers was very careful, as if she was facing someone she admired.

Yuan Zhen told Jiang Yu about the time for the next competition.

Jiang Yu nodded and arrived at the entrance of her class.

The entire class was discussing how Jiang Yu was trending.

Dai Zhu was even boasting to a few of her classmates, recounting Jiang Yu's performance on the show.

She was almost praising Jiang Yu to the skies.

Jiang Yu smiled helplessly. Yuan Zhen looked at Dai Zhu with a complicated gaze. She felt that Dai Zhu's appearance was somewhat similar to her.

Yuan Zhen only left when Jiang Yu was in class.

Throughout the entire class, Jiang Yu received looks of admiration and envy from the students.

After all, being on the trending searches meant that she had become much more famous. Who wouldn't be envious?

When Jiang Ran from class eight heard the surrounding students discussing Jiang Yu, her face immediately turned black with anger.

However, she quickly regained her composure. She had long thought of a way to make Jiang Yu lose face.

At noon, Jiang Yu received a call from Jiang Hai.

The moment Jiang Hai came up, he immediately scolded Jiang Yu, "You actually instigated Mr. Mo to chase Jiang Ran out of the restaurant. Ran Ran only went to greet you. How could you do that!?"

Jiang Hai was about to explode from anger.

He had just received a call from Jiang Ran complaining that she was too ashamed to face anyone. She had been chased out of the restaurant. She had never been so humiliated in her life.

When Jiang Hai heard that even Sun You had been kicked out, his chest heaved up and down violently.

Sun You was his future son-in-law, and Jiang Hai had been doing business with him recently.

It was a relationship of prosperity.

How could Jiang Yu be so careless and even kick Sun You out.

Jiang Yu took her phone a little further away. When Jiang Hai finished scolding her in anger, she said to him, "Is that what Jiang Ran told you?"

Jiang Hai was stunned and said, "Don't tell me that Ran Ran has wronged you."

Jiang Yu smiled bitterly and said, "She said bad things about me in front of Mo Long. She asked for it when she was chased out."

Jiang Hai took a deep breath and said, "That's because you're too sensitive. Ran Ran said that she was only concerned about you."

Jiang Yu rolled her eyes and said impatiently, "Is there anything else you want to talk to me about?"

Jiang Hai took a deep breath. "This girl is getting more and more difficult to discipline!"

After a pause, he continued, "The Sun family is having a party tomorrow night and they want to invite you and Ran Ran to attend it. I'll get the driver to pick you up tonight and bring you to buy some dresses and jewellery."

Jiang Yu raised her eyebrows when she heard that. She had a feeling that it was definitely not a good thing for her to attend the party. "Did Jiang Ran tell you that?"

"She also wants to clear the misunderstanding with you. You must go to this banquet." After Jiang Hai said that, he directly hung up the phone.

Jiang Yu put down her phone and lowered her head to continue reading the script for the audition. However, there was no anger in her eyes.

She wanted to see what kind of banquet Jiang Ran was planning for her!

At night, Jiang Ran hugged her shoulders and waited for Jiang Yu at the entrance of class one.

When she saw Jiang Yu, she immediately pretended to be friendly and said, "Mom will take us to buy jewellery later to prepare for tomorrow's banquet."

At the thought of making Jiang Yu look bad at the banquet, Jiang Ran had an exceptionally good temper.

Jiang Yu ignored her and directly walked out.

Jiang Ran curled her lips and surprisingly did not get angry. Instead, she followed her out.

As expected, a car had already stopped at the school gate.

As soon as Wei Juan got out of the car, she immediately pulled Jiang Ran's hand affectionately and got into the car.

Both of them got into the backseat of the car and did not pay much attention to Jiang Yu.

When she saw Jiang Yu standing there stupidly, Wei Juan immediately looked through the car window and said impatiently, "I didn't even scold you. Do you still want to throw a tantrum?"

Wei Juan held Jiang Ran's hand in a spoiling manner and glared at Jiang Yu with displeasure.

Chapter 230: Pack It Up

"Sister, hurry up and get in the car." Wei Juan held Jiang Ran's hand and gestured to Jiang Yu with her other hand. She had a sweet smile on her face.

This smile looked uncomfortable no matter how she looked at it.

Jiang Yu opened the door and sat in the passenger seat.

She heard Wei Juan say impatiently, "Look how good Ran Ran is to you. She even dragged you to the party. It's time for you to control your temper."

The driver started the car.

Jiang Yu acted as if she didn't hear her and lowered her head to play with her phone.

This made Wei Juan, who wanted to take the opportunity to say a few words, suddenly lose her mood.

She turned her head and only spoke to Jiang Ran.

In the car, Jiang Ran deliberately said, "Mom, what type of jewelry do you think is better for sister?"

She brought Jiang Yu out today to let Jiang Yu see her buying jewelry while Jiang Ran would only be able to rent it.

She wanted Jiang Yu to see how happy she was compared to her.

"Just rent it a cheaper one. It's fine as long as she have something to wear. Daughter, you can choose whatever style you like later. You can't be outdone by other women," Wei Juan said with a smile.

Jiang Yu immediately frowned when she heard what they said.

She didn't expect Jiang Ran to be so sarcastic.

However, when Jiang Yu looked at the jewelry store at the door, she raised her eyebrows again. Isn't this President Cai's jewelry chain store?

Yesterday, President Cai had just given Jiang Yu a five million yuan shopping card.

She got out of the car.

Jiang Ran deliberately opened the car door and let Jiang Yu come down and signalled for her to follow.

Jiang Yu paused for a moment. When she saw that Jiang Ran was afraid that she wouldn't go in, she smiled.

Then, she lifted her feet and went in.

"Yu'er, I'll buy jewelry for Ran Ran first. Then, I'll take you to rent one. After all, our family is currently on the rise and we can't afford to buy two sets of jewelry," Wei Juan explained with a smile.

Jiang Ran walked in proudly.

At first glance, she was attracted by the jewelry in the middle and quickly went over.

However, when she saw the price, her heart skipped a beat. Her family only gave her one million yuan, so she could not afford to buy such expensive jewelry.

However, Jiang Ran still looked at it reluctantly.

Jiang Yu also walked over and said to the waiter, "Let me take a look at this jewelry."

The waiter saw that Jiang Yu's clothes were extraordinary, so he immediately put on gloves and went to help take it out.

He quickly introduced it to Jiang Yu.

Wei Juan was about to pull Jiang Ran to look at other cheaper jewelry.

However, she was shocked by Jiang Yu's voice. She turned around and saw Jiang Yu looking at the jewelry with a very serious look.

Wei Juan immediately sneered and said to Jiang Yu, "Even if you like it, I won't pay for it. Our family can't afford such an expensive item."

Jiang Ran also came to Jiang Yu's side and said with a playful tone, "Sister, the family's funds are all invested in the company. You'd better not waste the time of the waiters."

Even she didn't dare to buy anything too expensive during this period of time.

Because Jiang Hai and Sun You were doing business together recently, and it was still in the early stages, how could Jiang Yu have so much money to squander.

When the staff heard the two's words, she looked at Jiang Yu in surprise.

This person didn't look like she was playing with her.

But the staff still subconsciously asked, "Miss, do you want to buy this jewelry?"

Jiang Yu raised her head and said indifferently, "Wrap it up."

Jiang Ran and Wei Juan were dumbfounded.

Jiang Ran grabbed Jiang Yu's hand and asked, "Are you really going to buy it?"

Was Jiang Yu really that rich?

Wei Juan's face turned pale. "Yu'er, how much money do you have on you?"

With this money, why would she need to buy jewelry? She could use it to invest in the family's business.

Wei Juan quickly grabbed Jiang Yu's hand that was about to reach for her bag.

Her heart ached.

The thought of wasting such beautiful jewelry on Jiang Yu made her feel as if she had cut off her own flesh.

Moreover, she was Jiang Yu's foster mother. If Jiang Yu had money, wouldn't she still have to be filial to her? How could she spend it recklessly?
