

## Older Man 241

### Chapter 241: Targeting

“Miss Jiang, when sister Yuan arrives, we can start shooting. You can read the script here first.”

The staff smiled at Jiang Yu and left after informing her.

Jiang Yu found a seat in the dressing room and waited quietly.

Not long after, footsteps and voices came from outside.

“Sister Yuan is here!”

“Sister Yuan, drink some water.”

“Your costume is ready. The director is waiting for you.”

“Sister Yuan, you are finally here.”

The dressing room door immediately became lively.

Jiang Yu also stood up and walked to the door. She saw the second female lead, Qin Yuan, walking towards them with a cold and arrogant expression while the staff were complimenting her.

Jiang Yu instantly understood. It turned out that the director had waited for so long this morning but had not started filming because the second female lead had not come.

It was almost lunchtime before she came over. No wonder when the production manager said to wait. He had a helpless look on his face.

Qin Yuan was someone that the investors had pushed in. Although she was the second female lead, no one dared to offend her in the entire production team.

Even the director couldn't say anything. After all, the investors could change the director at any time, but Qin Yuan would stay.

Qin Yuan walked to the door of the dressing room with her arms crossed. She saw Jiang Yu standing there with her spectacles on, looking like a good student.

Such an unknown actor actually dared to offend teacher Zhang.

Qin Yuan narrowed her eyes, and her gaze landed on Jiang Yu's face. It was filled with criticism and disdain.

“Make way!”

“Sister Yuan is here, everyone is about to start work.”

When Qin Yuan passed by, she intentionally gave Jiang Yu a hard push. The assistants were even more arrogant, not giving Jiang Yu any face at all.

Everyone ignored Jiang Yu. Some even glared at Jiang Yu as if they didn't care at all.

Jiang Yu rubbed her glasses that almost fell off and pushed them up again.

“Newcomer!” Qin Yuan shouted as she put on her makeup.

Immediately, someone walked up to Jiang Yu and said, “Sister Yuan is calling you.”

Jiang Yu pursed her lips and walked over slowly.

She had just noticed that Qin Yuan was looking at her strangely.

However, she couldn’t remember how she had offended this person.

When she walked over, she heard Qin Yuan say without turning her head, “I heard that your acting skills are pretty good. You don’t even need a teacher?”

Jiang Yu finally understood. It seemed that it was because of that teacher Zhang.

Could it be that teacher Zhang had some connection with Qin Yuan?

“Miss Qin, I’m still learning.” Jiang Yu’s words were very humble. It could be said that she had admitted defeat.

She didn’t want to clash with this second female lead at all.

However, Qin Yuan sneered. “I’d like to see how good your acting skills are. You dare to send teacher away while you’re still learning. Impressive!”

The few assistants looked at Jiang Yu sarcastically.

A newbie who didn’t understand anything dared to throw a tantrum here.

Who was the one who invested in this movie and who was in charge of this production team?

Sister Yuan would probably teach this newbie a lesson later.

The others were all waiting to watch the show.

Even if there were staff members who couldn’t bear to watch it, they didn’t dare to speak up for Jiang Yu.

Even if the director knew that if Sister Yuan wanted to teach someone a lesson, he could only turn a blind eye.

Who asked Jiang Yu to have no background?

She could only accept it.

Jiang Yu clenched her fists. She could clearly feel that everyone in the dressing room was on the same side because of Qin Yuan’s intention to make things difficult for her.

Jiang Yu was isolated.

Even the few scene attendants who were smiling at Jiang Yu didn’t dare to smile anymore.

Qin Yuan looked at Jiang Yu's face with interest. She wanted to see how nervous and flustered she was, but she only saw the calmness in Jiang Yu's eyes.

Qin Yuan was stunned for a moment and sneered. She waited until her makeup was done before she stood up abruptly.

She walked out in large strides.

## **Chapter 242: Stir Up Trouble**

Jiang Yu pinched the script and followed behind.

As expected, when they reached the outside, they heard the director say, "Get ready to shoot!"

The filming that had been paused suddenly became active, and everyone immediately got back to work.

In the classroom, it was Jiang Yu and Qin Yuan's scene.

In this scene, the two of them were whispering to each other while the teacher was not paying attention. Jiang Yu wanted to pass on the scandal of the male lead to Qin Yuan.

Qin Yuan, on the other hand, had a sad look on her face.

She was in a daze for the entire class.

Jiang Yu only looked at her with concern the entire time.

Although Jiang Yu was just a tool person for this scene, she had as many scenes as the second female lead.

The two of them would basically be in the same frame.

Therefore, before the shooting started, the director had specially said a few words to Jiang Yu to ask if she was confident.

Jiang Yu nodded. Only then did the director feel relieved and said, "Qin Yuan's time is precious. Let's try our best to go through it in one go. Don't drag it out too long, understand?"

Jiang Yu didn't say anything.

When filming started, Qin Yuan sat in the classroom. There were students who were serious in class.

When Qin Yuan saw Jiang Yu walking over, she immediately raised her eyebrows and gestured for Jiang Yu to sit down with her eyes.

After Jiang Yu sat down, she adjusted her emotions.

Although she still hated sitting together with Qin Yuan, she still had to work hard to make the same expression as in the script. After all, in the movie, the two of them were friends who talked about everything.

"Scene 22 of 'The Main Melody of Youth' begins."

As the scene manager made the call, the machine began to operate.

In the camera, Qin Yuan and Jiang Yu quickly got into the mood. The director was very satisfied with the atmosphere.

The teacher was giving a serious lecture.

On the other side, only Jiang Yu secretly tugged at Qin Yuan's sleeve. Then, the two of them lowered their heads slightly and began to say their lines.

Qin Yuan asked her in a low voice what was wrong.

Then, Jiang Yu began to tell her about the scandal of the male lead.

Jiang Yu was already very engrossed in the scene. She was very close to Qin Yuan and did not have any feelings of rejection.

However, just as she was halfway through her lines, Qin Yuan, who had her head lowered and had a concerned expression on her face, suddenly changed her expression to one of ridicule.

When Jiang Yu saw this expression, her initial state of being engrossed in the scene was immediately broken. She was completely stunned.

As the two of them were whispering with their heads lowered, the director could not see their expressions. He could only listen to their voices through the earphones.

In the end, he realized that Jiang Yu was stuck in the middle of her lines.

Qin Yuan sneered and looked up with a helpless expression. She shook her head at the director.

The meaning was obvious. This newbie could not even say a complete line.

Only when the director questioned her did Jiang Yu realize that she had been set up by Qin Yuan.

Jiang Yu immediately stood up and apologized to the director, "Director, I'm sorry that I was distracted just now. It won't happen again."

Jiang Yu knew that no one would believe her even if she told them the truth.

That was because she was the only one who had seen Qin Yuan deliberately play tricks just now.

She might as well put on a humble and apologetic posture.

Qin Yuan sneered inwardly when she saw Jiang Yu's cowardly manner. She could make such a person leave the production team crying in no time.

Qin Yuan made up her mind to continue targeting Jiang Yu in terms of acting skills later.

The director was originally very angry because Qin Yuan still had many scenes to shoot. The director was in a hurry to finish shooting, but he didn't expect this little girl to make a mistake.

Seeing that Jiang Yu's attitude was so good, the director let out a long breath and waved his hand, indicating that they should start shooting again.

Jiang Yu returned to Qin Yuan's side.

The two of them looked at each other. That look was full of hostility.

The two of them both knew what was going on. This could be considered a complete clash.

As they continued filming, Qin Yuan lowered her head and stared at Jiang Yu with a provocative gaze.

However, what Qin Yuan said was still within the character.

### **Chapter 243: Consecutive NG**

She was certain that Jiang Yu would not be able to say her lines without losing control of her emotions while she was deliberately causing trouble.

However, she did not expect Jiang Yu to finish her lines fluently as if she did not see Qin Yuan's change of expression the next second.

Qin Yuan was stunned for a moment. Just as she was about to raise her head and continue acting, Jiang Yu suddenly made a funny face at Qin Yuan and then raised her head as if nothing had happened. Therefore, when Qin Yuan raised her head, her originally dejected expression turned into shock and anger.

In the camera, the director was satisfied with the atmosphere when the two of them lowered their heads to communicate.

However, who would have thought that when Qin Yuan raised her head, the entire atmosphere was broken.

The director stood up abruptly and couldn't help but say in anger, "Qin Yuan, your expression isn't right."

At this moment, Qin Yuan had already cursed in her heart.

Just now, when she realized that Jiang Yu was deliberately playing tricks on her, she subconsciously revealed an angry expression.

But the character's emotion wasn't anger, but a loss of spirit.

Because at this time, the second female lead wasn't with the male lead, and their relationship hadn't reached that stage yet. It was just a sentimental feeling that had some good impression.

Jiang Yu's cold gaze glanced at Qin Yuan.

Qin Yuan blushed and said awkwardly, "I understand."

Then, she gritted her teeth and sat down heavily. Her gaze towards Jiang Yu was filled with hostility.

The director shook his head. This Qin Yuan's attitude was not as good as Jiang Yu's earlier attitude. She had acted wrongly, yet she was still gritting her teeth and replying perfunctorily. Moreover, it seemed like she was blaming Jiang Yu.

The director was increasingly dissatisfied with Qin Yuan. It was fine if she usually asked for leaves and delayed the filming. However, she did not even have a good understanding of the character's emotions.

With this thought in mind, the director said, "Jiang Yu's performance just now was not bad. Keep it up and do it again."

When Qin Yuan heard this, she became even angrier.

She glared fiercely at Jiang Yu and deliberately moved closer. She lowered her voice and said in a voice that only the two of them could hear, "Let's see who can't do it."

Jiang Yu also looked back fearlessly. Naturally, she would accompany her to the end.

On the third time, no matter how many bad tricks Qin Yuan played, Jiang Yu seemed to turn a blind eye.

On the contrary, it was Qin Yuan who was in a bad mood because she was too out of character.

In the end, the director was so angry that he slapped the table in front of him a few times. "Qin Yuan, did you put your heart into acting at all?"

Qin Yuan gritted her teeth and looked indignant. She did not say a word.

She was so much better than Jiang Yu in terms of professionalism. Why was she still overwhelmed by Jiang Yu's acting skills.

"Director, I think the actors might need to rest for a while." The assistant director immediately came over to put in a good word for the director to calm down.

He did not want to embarrass Qin Yuan too much.

The director waved his hand. He was so angry that his face turned ashen.

The other people also felt resentful towards Qin Yuan.

After all, everyone was busy and accompanied her here. They couldn't even go to eat when it was time to eat because Qin Yuan kept making mistakes.

In the dressing room, when Qin Yuan saw Jiang Yu enter, she immediately got someone to close the door.

When the door was closed, Qin Yuan immediately put her hands on her waist and looked at Jiang Yu with a cold and stern gaze. She warned, "Do you not want to continue working in this production team?"

Jiang Yu touched her nose. "Whether or not I want to continue working, you wouldn't want me to continue working?"

She spread her hands, indicating that she was also very helpless. The other party was looking for trouble, so she could only play along.

Qin Yuan was so angry that her face turned ashen. At this moment, Qin Yuan's stomach started growling.

Usually at this time, Qin Yuan would suggest to the director that they shoot again in the afternoon because she had to eat.

However, Qin Yuan, who had taken a few NGs consecutively, was too embarrassed to speak at this time.

#### **Chapter 244: Lunchboxes**

When Qin Yuan saw Jiang Yu's stubborn look, she could not vent the anger in her heart.

The assistant whispered, "Sister Yuan, we can't continue wasting time like this."

Qin Yuan narrowed her eyes. "I won't target you anymore during today's filming."

When Jiang Yu heard that, she smiled and said, "Thank you for letting me off then, Sister Yuan."

Qin Yuan was so angry that she glared at Jiang Yu. Who was letting who off?

Jiang Yu was the one who had caused her to have so many NG's.

However, Qin Yuan was tired and hungry. All she wanted to do now was finish filming and eat.

She could only compromise for now.

When Jiang Yu and Qin Yuan left, the staff outside looked at Qin Yuan with resentment.

The director was still angry. "Continue."

After saying that, he sat in front of the surveillance camera. From the looks of it, he was not going to give her any food if they did not shoot well.

The others did not even dare to breathe heavily.

The director said to Jiang Yu, "Cooperate a little more."

Then, he patted Jiang Yu's shoulder in a comforting manner, feeling a little embarrassed.

Qin Yuan did not perform well today, so she had Jiang Yu accompany her to shoot again and again.

Every time, Jiang Yu performed very steadily.

After these few shots, the director was very assured of Jiang Yu's acting skills.

Even more assured than Qin Yuan.

Qin Yuan's gaze coldly swept over the director's hand that was patting Jiang Yu's shoulder. She snorted in her heart, but she did not say anything and entered the filming area.

Jiang Yu smiled and followed her.

It was still the same scene. The staff present could already memorize the lines.

When Jiang Yu and Qin Yuan were speaking the lines, the surrounding staff members could even lip-synch.

However, they did not have much anticipation in their hearts. They thought that they would have to continue with the NG.

In the end, they did not expect that the director would not have any reaction even as the minutes and seconds passed.

A scene was finally successfully filmed.

After the scene was finished, the scene manager hurriedly called out to everyone, "Come, come, come. It's time to collect the box lunch."

All the staff members immediately put down their work and rushed to eat.

The director also showed a rare expression of relief. He waved his hand and said, "We'll continue in the afternoon."

The assistant quickly went forward to massage Qin Yuan's shoulders and handed her water. With an attentive look, he said, "Sister Yuan, your acting is really good."

However, even though Qin Yuan had successfully passed the shoot, she didn't have much of a happy expression on her face.

Jiang Yu returned to the makeup room to remove her makeup.

The door to the makeup room was kicked open by someone. Qin Yuan walked in with a bad expression on her face.

When she saw Jiang Yu, Qin Yuan acted as if she didn't see her.

Soon, a staff member brought in a few lunchboxes, one for Jiang Yu and one for Qin Yuan. "Qin Yuan, I originally wanted to invite you to the restaurant for lunch, but it was canceled at the last minute. I can only trouble you to eat this."

The staff member didn't expect Qin Yuan to really eat. He was just being polite and left after putting down the lunchboxes.

Qin Yuan's entire body emitted an icy cold aura. She didn't even take a glance at the lunchboxes.

Just as she was waiting to finish removing her makeup and go out to eat, she suddenly thought of something and subconsciously looked at Jiang Yu.

Then, she turned her head to look at her own lunchbox and actually reached out to open it.

The assistant was dumbfounded and quickly grabbed Qin Yuan's hand. "Sister Yuan, how can you eat this?"

Qin Yuan glared at the assistant. "I want to eat this today."

After saying that, Qin Yuan really took the chopsticks from inside.

The assistant was dumbfounded.

Jiang Yu wasn't picky about lunchboxes, but when she saw the reactions of the two people, Jiang Yu was also very surprised. Could Qin Yuan be so down to earth?

On the other side, Qin Yuan pretended to eat a few mouthfuls and took a selfie with her phone while eating.

After taking the selfie, she took the phone and started to edit.

The assistant looked over in puzzlement.

When she saw the content that Qin Yuan edited, she immediately smiled.

She was wondering why Qin Yuan suddenly became so hardworking.. So it was because of this.

### **Chapter 245: Asking For A Change**

On Qin Yuan's Weibo, there was a new group of photos of her eating boxed lunch.

The fans were stunned.

In the past, Qin Yuan always ate in expensive restaurants.

Today, she actually ate boxed lunch.

It was too abnormal.

The fans were instantly heartbroken.

"Sister is too miserable. Can this thing be eaten?"

"Oh my God, sister is actually so hardworking for the sake of filming."

Those who did not know would have thought that Qin Yuan was not eating chicken drumsticks and beef, but pig food instead.

A sharp-eyed fan suddenly realized something and quickly said, "That's not right. Who is this newcomer who caused big sister Yuan to eat boxed lunch? It's too detestable."

Just now, the fans were all looking at the pictures and licking Qin Yuan's beautiful face. They were just concerned about her.

Only now did they discover the caption. On it was written that she did not get along well with the new supporting actor today, resulting in many bad takes. Now, she could only eat boxed lunch and had to rush to continue filming in the afternoon.

All of a sudden, the fans were furious.

Who was this supporting actor who didn't know how to act? Why did it hurt their idol so much?

"If she don't know how to act, then change the supporting actor. Don't waste sister Yuan's time."

“Who knows who the new supporting actor in the production team is today?”

“It seems like we’re filming the role of the supporting actress and her deskmate today. Who is the deskmate?”

Soon, everyone followed the clues and realized that there was something wrong with the person who was acting as her deskmate.

“Everyone, quickly go and check out teacher Zhang’s Weibo.”

At this moment, someone diverted their attention to other places.

Teacher Zhang was one of the teachers that Qin Yuan respected, so her fans usually followed teacher Zhang’s Weibo.

Hence, they discovered that teacher Zhang was ridiculing the new actor on Weibo. “I’ve never seen such a rookie who doesn’t know the rules and doesn’t accept guidance. Her attitude is really too bad. It’s too difficult to bring up such a person. I announce my withdrawal from the production team.”

Teacher Zhang deliberately said that she was the one who took the initiative to withdraw. Then, she threw all the blame on Jiang Yu.

The fans were furious. It was this supporting role again.

Not only was her acting skills not good, her attitude was not good, and she didn’t cooperate. She even caused Qin Yuan to take a few NG’s.

Who was this supporting role?

For a time, many fans were anxious to find this actress and chase her out of the production team.

However, they did not know that this person was Jiang Yu.

After Jiang Yu finished eating, she took a short break in the break room of the cast and crew.

Then, the shoot began very quickly.

It was still the scene with Qin Yuan.

However, this time, both of them performed very well and did not make any NG.

The director was very satisfied with the scene.

Jiang Yu was also very surprised. Not only did Qin Yuan not deliberately target her, but she also did not cause trouble for her.

She had turned her phone off when she was filming.

So Jiang Yu had no idea that there were people on the internet scolding Qin Yuan for acting as a supporting role at the same table as her.

The other staff members had already seen the news.

So, as they watched Jiang Yu filming, they secretly shook their heads.

Everyone at the scene knew that Jiang Yu's acting was very good.

It was not Jiang Yu who had dragged Qin Yuan down.

However, the fans did not think so.

They felt sorry for Jiang Yu because Qin Yuan was an important second female lead in the drama. They could not stand up and say that Qin Yuan's acting was not good enough.

During the director's break, he received a call from Wu Ling.

Wu ling immediately said apologetically, "Director, I didn't expect Jiang Yu's acting to be so bad. If it's really not good enough, you don't have to do it on my account. If she's not good enough, then change the person."

Wu Ling didn't have any scenes today, but she found out on the Internet that the newbie's supporting role wasn't good enough. She immediately knew that Jiang Yu was the one being talked about.

The director looked at the video of Jiang Yu's perfect performance and said, "Who told you that Jiang Yu's acting isn't good? I think it's very good."

Wu Ling:"..." Director, you don't have to lie through your teeth.

Wu Ling quickly told him about what happened on the Internet. The director frowned and said, "Those are all rumors."

Wu Ling then said in disbelief, "You're saying that Jiang Yu's acting is really not bad."

The director grunted. It was really too good.

Wu Ling immediately flew into a rage. "Then how can the people on the internet say such nonsense? That's too much."

No matter what, Jiang Yu was Wu Ling's savior.

However, the director said, "Forget it. You don't have to get involved in this matter."

The director was also helpless.. Jiang Yu was only a minor character and Qin Yuan's reputation was more important.

## **Chapter 246: Investment Plan**

At the top of the skyscraper, there were artists passing by the entrance of Dazzling Entertainment's high-level office from time to time.

When assistant Teng Yi entered the office, he coincidentally met the same female artist who passed by the entrance three times.

Teng Yi touched his face, held the company's monthly report, and walked in.

"President Mo, the information you requested."

Mo Long stood in front of the high-rise buildings, overlooking the entire city.

All the high-rise buildings in Hu City were prostrating at his feet, but Mo Long was expressionless, and there were no fluctuations in his eyes.

Having been used to the bustling capital, this place seemed to have a more leisurely pace.

Mo Long was thinking about something when he suddenly saw the information Teng Yi handed over, but he didn't take it.

Teng Yi understood and reported the situation verbally.

"The company's profit increased by 16% last month..."

After Mo Long invested in this company, the company's profit had increased by a lot.

However, Mo Long acted as if he did not hear it at all. He asked without turning his head, "What other investment plans did the company make?"

Teng Yi opened his mouth and was about to say something when Mo Long interrupted him and asked, "What movie is Yu-er acting in?"

Mo Long only knew that Jiang Yu was going to audition for the cast and crew today. He had just received a message from Jiang Yu saying that she would be filming there directly.

However, Mo Long did not know the exact name.

Teng Yi was slightly surprised by Mo Long's unconventional thinking and quickly said, "It's called 'The Main Melody of Youth'."

Mo Long lowered his eyebrows, his entire body exuding laziness and ease.

A fierce tiger was trapped in this small place all day long and yawned. Everything in Shanghai was under his feet, so there was no competition.

Mo Long directly stretched out his finger and made a number. "Invest in this movie."

Teng Yi's face was full of shock, but he quickly came back to his senses. He immediately took out a pen and drew a paragraph on the document, ready to pass it on.

The company behind The Main Melody of Youth was not invested.

What made Teng Yi slightly moved was that just because Jiang Yu played one of the supporting roles, Mo Long directly invested and became the biggest investor in the movie.

Mo Long had no idea that the original budget for this movie was only 50 million, but the additional figure Mo Long had added was enough to make several such youth-themed movies.

Teng Yi thought that Mo Long really doted on Miss Jiang too much.

"Keep this matter a secret for the time being. I want to give Yu'er a surprise," Mo Long instructed. Then, he turned around and walked out.

Teng Yi nodded and followed him.

He looked at the invitation letter in his folder. On It was written that Sun You and Jiang Hai had invited Mo Long to attend the banquet.

Looking at the time, it was time to start preparing.

The two of them did not know that the mysterious supporting actor who had been badly criticized on the Internet would be Jiang Yu.

...

After filming the scene, Jiang Yu turned on her phone and found that Jiang Ran had made a few calls.

There was also a call from Mo Long but because her phone was turned off, she did not receive it.

Jiang Yu subconsciously wanted to call Mo Long back, but her phone rang.

It was Jiang Ran's persistent call.

Jiang Yu took off the wig on her head with one hand and answered the call. She said faintly, "What's the matter?"

On the other side, Jiang Ran took a deep breath and was about to curse out loud. However, she did not expect the call to suddenly be connected. At the same time, she was shocked, she stuttered as she spoke, "You... Where did you go? Are you still going to the party tonight? Even if you're not going, you have to tell me."

Jiang Ran thought that Jiang Yu deliberately did not pick up the phone and wanted to stand her up, so her tone was very aggressive.

Jiang Yu frowned. "I'm filming. If you can not go to the party tonight, I..."

Jiang Yu was about to say that she was very tired from filming and did not want to go.

However, Jiang Ran immediately said in a fluster, "Where are you? I'll send someone to pick you up. You can't not go tonight. Dad said that he wants to invite you and Mr. Mo Long to attend today's business party. Both families have to build a good relationship."

Jiang Ran deliberately brought out Jiang Hai to talk about the matter, speaking righteously.

## **Chapter 247: Very Abnormal**

It was as if Jiang Ran who had encouraged Jiang Hai to send invitations to Jiang Yu and Mo Long.

Originally, Jiang Hai did not expect to invite Mo Long either. It was Jiang Ran who deliberately said that she wanted to build a good relationship between the two families. Only then did Jiang Hai's eyes light up and he felt that this method was feasible.

Today's business cocktail party was the jewelry business that Jiang Hai and Sun You were working together on. They were inviting their business colleagues and partners.

If Mo Long was also invited, Jiang Hai would feel proud.

Since both his daughters' boyfriends were so powerful, there must be many people who would give Jiang Hai face.

Therefore, Jiang Hai sent Mo Long an invitation letter at the last minute.

Although he felt that Mo Long might not be willing to participate in such a small gathering, he still had a faint sense of anticipation.

When Jiang Yu heard that Jiang Hai had specially instructed her, she let out an indiscernible sigh and gave the address.

On the other side, Jiang Ran smiled and said, "Alright."

Then, she happily hung up the phone.

On the dressing table diagonally opposite, Qin Yuan was also removing her makeup. She glanced at Jiang Yu through the mirror and snorted coldly.

Right now, many people on the internet had already scolded that supporting character to the bone.

How angry would they be when they found out that the person was Jiang Yu.

Qin Yuan deliberately didn't reveal the answer to the riddle and planned to let the netizens ferment it for a few more days.

She also planned to post a Weibo Post about how tired she was after filming.

Jiang Yu sensed an extremely uncomfortable gaze behind her and turned around to look. Qin Yuan had already stood up and walked out without even looking at Jiang Yu.

Jiang Yu didn't think too much about it. After changing into her own clothes, she walked out.

The filming location was at an old university. The students had all moved to a new school.

Therefore, the entire old school was rented out by the filming crew.

Jiang Yu walked against the wind to the entrance of the school.

The entrance was deserted. Qin Yuan had already left.

Jiang Yu glanced at the car parked by the side of the road. She didn't get into the car immediately. Instead, she lowered her head and sent a message to Mo Long.

In the car, Jiang Ran stared at Jiang Yu for a while and then glanced at the abandoned university.

She suddenly had a look of realization.

This university was exactly the same as the photo of "The Main Melody of Youth" on the internet.

Jiang Ran only knew that Jiang Yu had an audition today, but she didn't expect that it would be this production team.

Then she thought about the newcomer supporting role that was being scolded very fiercely on the internet.

Jiang Ran thought for a moment, and suddenly didn't care if the newcomer supporting role was Jiang Yu or not. She took out her phone and aimed it in Jiang Yu's direction, even taking pictures of the school gate.

Then she lowered her head and edited the message to go out.

"Yes, this person is the supporting role on the Internet. The one who doesn't have any acting skills at all."

Jiang Ran smiled evilly, and the car door was suddenly pulled open.

Against the light, Jiang Yu saw Jiang Ran looking at the shiny screen.

Just as she was about to look, Jiang Ran suddenly turned off her phone in a hurry and put her hands behind her back. She forced a smile that was uglier than crying. "Sister, you're here."

Jiang Ran was worried that Jiang Yu would find an excuse not to go, so she came over personally to supervise.

She didn't expect that Jiang Yu would almost catch her doing something bad just now.

She was so guilty that she broke out in a cold sweat.

Jiang Yu's eyes were full of curiosity and surprise, but she still got in the car and closed the door.

Jiang Ran told the driver to go straight to the Jiang family's house.

Jiang Yu's phone rang again. It was a message from Mo Long. It said, "The things will be sent over."

Jiang Yu continued typing with her head lowered.

Jiang Ran saw that Jiang Yu didn't look strange at all. She probably didn't see the photo that she sent, so she immediately let out a sigh of relief.

At that moment, Jiang Yu suddenly turned her head to look at Jiang Ran and narrowed her eyes. "Why are you acting so strangely today?"

Jiang Ran was so scared that she burped and quickly covered it up with a cough. "What do you mean by acting strangely? I'm not acting strangely. It was dad who asked me to come and pick you up. I didn't want to come at all."

After saying that, Jiang Ran swallowed her saliva guiltily and quickly changed the topic. "Oh right, what role are you playing in the production team?"

Jiang Ran's heart was faintly filled with anticipation.. She hoped that the supporting role of the newbie acting with Qin Yuan would be Jiang Yu.

#### **Chapter 248: Didn't Know How To Appreciate A Favor**

However, Jiang Yu didn't answer this question. Instead, she curled her lips and looked away without saying a word.

She was deliberately trying to scare Jiang Ran just now. There was indeed something wrong with Jiang Ran.

On the way, the two of them didn't say anything else.

Jiang Yu had just arrived at the Jiang family home. At the same time, a luxury car drove into the Jiang family home.

Jiang Yu got out of the car and glanced at the familiar car. Jiang Ran froze on the spot and saw the car door open. Teng Yi walked out.

Jiang Hai was in the hall when he saw someone walking over. He came out subconsciously and saw Teng Yi walking towards Jiang Yu with something in his hand.

"Miss Jiang!" Teng Yi handed the box to Jiang Yu. "Mr. Mo asked me to give this to you."

Jiang Hai's eyes lit up as soon as he saw Teng Yi. He quickly came over with a smile and greeted, "Mr. Teng."

One had to know that Teng Yi's privileges in the Mo Corporation were very big. Although Mo Long didn't care about many things, Teng Yi was given a very big privilege.

Jiang Hai was thinking that since he couldn't curry favor with Mo Long, it was pretty good to curry favor with Teng Yi.

He hurriedly took a step forward with a smile on his face. He wanted to ask Teng Yi to come in and drink tea.

However, Teng Yi only looked at Jiang Yu.

Jiang Yu took the things and nodded at Teng Yi, indicating that he could leave. Then, she turned around and walked into the hall.

When Jiang Hai saw that Jiang Yu didn't give Teng Yi any face, his expression changed slightly. He glared at Jiang Yu, then took a step forward and walked toward Teng Yi who was about to leave, trying his best to persuade him to stay.

Teng Yi didn't treat Jiang Hai with the same respect as Jiang Yu before. The only bit of politeness he had was because of Jiang Yu.

Therefore, he only said that he had something to do and quickly left.

Jiang Hai stood where he was and watched the car disappear around the corner. Only then did he feel regretful.

He hated Jiang Yu in his heart. Jiang Yu was too insensible. She didn't understand the ways of the world at all. She should have asked him to come in and have a seat.

Jiang Ran followed Jiang Yu into the room.

In the hall, Wei Juan had found three dresses suitable for her daughter and was waiting for someone to come back.

Hearing footsteps, she subconsciously looked up and looked past Jiang Yu to Jiang Ran. "Ran Ran, come and take a look. which dress do you like?"

Seeing Jiang Yu's expressionless face, Wei Juan immediately stopped Jiang Yu who was about to go upstairs. "Yu'er, you can pick one later."

This meant that Jiang Ran had to pick one first.

Jiang Yu paused and glanced at Wei Juan. She pursed her lips and said indifferently, "There's no need."

The corners of Wei Juan's mouth twitched as she smiled lightly. "Then you can decide for yourself. Ran Ran, come quickly."

Wei Juan pulled Jiang Ran over.

On the other side, Jiang Yu turned sideways and was about to go upstairs.

Jiang Ran's curious gaze had been fixed on the box in Jiang Yu's hand. She really wanted to see what it was.

However, when Wei Juan interrupted her, she was pulled to the front of the gown before she could take a look.

The styles of the several gowns were all different. It could be seen that Wei Juan attached great importance to Jiang Ran's appearance this time.

She would also feel proud.

Jiang Ran heard a click from Jiang Yu's room on the second floor, followed by the sound of the door closing. She raised her eyelids, she immediately smiled. "Mom, why did you prepare so much for me? Oh right, I remember that among the few gowns of my sister's, there isn't any gown that can be used to show off, right?"

Wei Juan frowned and said, "It's important that you look good. Who cares about her? She doesn't know how to appreciate favors."

Wei Juan had been merciful just now and wanted to give Jiang Yu one, but she didn't expect this girl to not give her any face at all.

Jiang Ran saw Jiang Hai come in and immediately put on a smile on purpose. "Mom, don't say that. I'll give one of the dresses that I don't wear to my sister later. We're a family."

Jiang Hai looked at Jiang Ran with relief. Of the two daughters, one was obedient and sensible, while the other was so wild and unruly.

If only Jiang Yu was half as sensible as Jiang Ran..

## **Chapter 249: Won't Wait Anymore**

Even though Jiang Ran said so, she was determined to choose the most low-key gown for Jiang Yu to wear.

Jiang Yu, who was upstairs, gently put her backpack on the table. At the same time, she placed the box in her hand flat on the table. She didn't look at what was inside first.

Instead, she lowered her head and sent a message to Mo Long. As she sent it, the corners of her mouth curled up. She indicated that she had received the item.

Mo Long replied, "Do you like it?"

Jiang Yu did not reply. Instead, she put down her phone, reached out and placed the box on her lap, and gently opened it.

There was an exquisite gown laying inside. Jiang Yu did not need to look to know that it was definitely custom-made according to her figure.

It had a lotus leaf edge and a v-shaped collar. It was a noble and elegant design.

With just a glance, one could tell that it was definitely not cheap.

It was not something that an ordinary socialite could afford.

She got up and entered the bathroom. When she came out, she was already dressed in the dress.

Jiang Yu stood in front of the mirror in front of the wardrobe and took a look.

Immediately, her eyes flashed with a hint of surprise.

Even she was a little surprised to see herself like this, let alone someone else.

Just as Jiang Yu was in a daze, there was a knock on the door.

"Sister, come out for a moment. I have something for you."

"Hurry up, or we won't have enough time later. We'll be leaving soon."

Jiang Ran deliberately spoke very loudly and also knocked very loudly. It was to let everyone in the Jiang family know how good she was to Jiang Yu.

She looked down at the gown she was holding in her hand. It was a gown that she had worn half a year ago. Although she had only worn it once, it was still very new.

It was just that the style was not that new.

A hint of a smile flashed across Jiang Ran's eyes. Her voice was loud, and she wanted to continue calling for the door. She had just reached out her hand to continue patting when the door opened.

The door opened from the inside with a click. Jiang Ran raised her eyebrows and looked over. She was a little impatient and was about to urge her, but she was suddenly dumbfounded.

Jiang Ran froze at the door for more than ten seconds.

She rubbed her eyes in disbelief and then rubbed her eyes again.

She could not figure out how a gown could appear in Jiang Yu's room.

Jiang Yu glanced at Jiang Ran. Outside the door, Jiang Ran had already changed into the most beautiful gown she had just bought. She was also wearing a gown of the same color but not as good-looking.

She was just about to open her mouth, unable to say a word.

Jiang Yu's gaze lingered on the dress for a few seconds before she turned her gaze back to the stunned Jiang Ran.

"Make way!"

Jiang Yu, who was already fully dressed, looked straight ahead. When she walked past Jiang Ran, she even said softly, "Thank you, I don't need it."

Jiang Ran felt extremely uncomfortable when she heard that. When she turned around, she could only see Jiang Yu's waist-tight dress, which was of excellent quality, passing by in a flash.

Just by looking at her back, she could feel the difference between heaven and earth.

The black dress made Jiang Yu's collarbone look even fairer, and the lines on her body were smooth and comfortable.

The half-length dress was ethereal, and the long legs under it were faintly discernible. They were white and straight.

With a bang, Jiang Ran was so angry that she directly went into her room. She threw the dress in her hand on the ground and stomped on it.

In front of Jiang Yu, these dresses also paled in comparison.

She had originally thought that she would be better dressed than her, but now it seemed that she was the contrast.

Jiang Ran unwillingly took out her phone and sent a few messages.

After receiving the reply from the other side, she let out a deep breath and sorted out her emotions. Only then did she slowly open the door and walk out with a fake smile on her face.

She had just confirmed that Li Xiao would be there when the time came.

Jiang Hai had been listening to the commotion upstairs. When he heard that Jiang Ran had knocked on the door for so long and Jiang Yu had not opened the door, he was a little displeased.

At that moment, he stood up and said irritably, "Let's not wait. Let's go first and let Ran Ran come down."

He could not spoil Jiang Yu like this.

## **Chapter 250: The Centre of Attention**

The Butler nodded and turned to head upstairs. However, when he saw the figure walking down the stairs, he was stunned and did not move. "Miss Jiang Yu!"

Jiang Hai looked over impatiently and was also stunned.

Wei Juan had just gotten up from her seat when she saw Jiang Yu's outfit. It was as if she had swallowed a fly.

...

In the car, Jiang Ran sat beside Jiang Yu while Jiang Hai and Wei Juan sat in another car.

Along the way, Jiang Ran's gaze swept over Jiang Yu with jealousy.

Jiang Yu was too tired from filming, so she leaned against the back of the chair to take a nap. Even though she could clearly feel that someone was staring at her, Jiang Yu didn't bother with it.

Jiang Ran opened her mouth and wanted to ask when Mo Long would be there, but she didn't ask.

She was worried that Jiang Yu would get suspicious.

There was a scene tonight that was waiting for Jiang Yu. Mo Long and herself were just people watching the show.

Without Mo Long, today's scene wouldn't be exciting.

However, since Mo Long could prepare such a gown for Jiang Yu, he should be there himself.

Jiang Ran didn't dare to think for sure.

After getting out of the car, Jiang Ran and Jiang Yu entered the banquet hall.

In the banquet hall, Jiang Hai and Wei Juan were exchanging greetings with a few business partners.

The appearance of Jiang Ran and Jiang Yu silenced the entire hall for a moment.

When Sun You heard that Miss Jiang was here, his face lit up and he turned his head to look.

However, his gaze only landed on Jiang Yu. The main reason was that Jiang Yu was too dazzling today.

So dazzling that he didn't even see his real fiancée.

Seeing him like this, Jiang Ran immediately became angry. She quickly stepped forward and blocked Sun You's line of sight. She held his hand and said with a smile, "Darling, I'm here."

Sun You came back to his senses and casually glanced at Jiang Ran. Then, he looked past Jiang Ran to look at Jiang Yu.

Just as Jiang Yu was about to pass by Sun You, she heard Sun You say, "Miss Jiang Yu, let me treat you to a drink."

Countless gazes were fixed on Jiang Yu.

Jiang Yu coolly lifted her eyelids and looked at the glass of wine in front of her. She casually reached out to take it and held it in her hand without drinking.

Jiang Ran could clearly feel that Sun You was paying extra attention to Jiang Yu today, which made her very uncomfortable.

She immediately found an excuse and pulled Jiang Yu towards her best friend.

Sun You wanted to follow him, but Jiang Hai called out to him. He turned around and walked towards Jiang Hai. "Uncle Jiang, director Li, director Zhang!"

On the other side, Jiang Yu's expression was sullen. She didn't like this kind of occasion much.

Especially since the few people in front of her were Jiang Ran's best friends. The way they looked at her made her feel a little uncomfortable.

It was as if she was waiting to watch a good show.

Jiang Ran deliberately drank a few mouthfuls of wine with Jiang Yu and turned her head to scan the entire venue. She did not see Mo Long.

However, she saw a few socialites walking in.

Jiang Ran's eyes lit up. She turned her head and said to Jiang Yu, "Sister, when will Mr. Mo arrive?"

This question was asked urgently. After all, the main characters had all appeared.

Jiang Ran knew that Li Xiao wanted to target Jiang Yu, so she decided to cooperate with Li Xiao's.

Jiang Yu shook her head. "He's still on the way."

At this moment, Jiang Yu suddenly felt an unfriendly gaze behind her. She subconsciously turned her head back to look, but found that there was nothing unusual.

She immediately retracted her gaze.

She was already a little impatient and wanted to find an opportunity to distance herself from Jiang Ran.

She did not like the noise of a few socialites.

Jiang Ran smiled and said, "Sister, if you are tired, you can go to the lounge to rest first. You can come out later when Mr. Mo comes."

Jiang Yu was feeling tired. She had just drank a few mouthfuls of wine and was even more sleepy.. She immediately smiled and walked towards the lounge.
