

## Older Man 251

### Chapter 251: Vixen

Jiang Ran looked at Jiang Yu's back as she walked towards the lounge and immediately called Li Xiao.

"Jiang Yu went to the lounge. You can just go and look for her right now," Jiang Ran said. "Bring a few more people with you so that she will lose face."

Li Xiao said, "Got it."

After hanging up on Jiang Ran, Li Xiao called another person.

"Did you see Jiang Yu walk into the lounge?"

The man on the other end of the phone replied, "Yes, I saw her." She really was a top-notch beauty.

He rushed to confirm the benefits to Li Xiao before she hung up the phone. "After this matter is successful, will you really let the movie queen promote me?"

Li Xiao said impatiently, "Of course, how can my words be false?"

Anyway, he was just a small-time celebrity, so what if she really told Li Yue?

She was the movie queen, so it was another matter whether she liked him or not. She hated people who relied on their connections to pull strings.

Jiang Yu was taking a nap in the lounge and did not notice that the door to the lounge was gently opened.

Not long after, there was a knock on the door.

Jiang Yu vaguely heard a voice at the door, "Jiang Yu! Come out! What are you and my boyfriend doing in there?"

Boyfriend? Whose boyfriend?

Jiang Yu opened her eyes and found another man sitting in the lounge.

It seemed that this man was the boyfriend that the person outside was talking about.

But when did this man come in?

Hearing the woman outside the door calling him that, the man in front of him remained unmoved, as if he didn't care at all.

He didn't say a word and just looked at Jiang Yu with a teasing smile on his face.

"Hello, Miss Jiang Yu. My name is Chen Zhi."

Jiang Yu frowned.

Now was not the time to introduce herself.

“Mr. Chen, the person outside the door seems to be your girlfriend.”

Chen Zhi smiled and said, “It’s my girlfriend. What’s wrong?”

Jiang Yu frowned and said, “She seems to have misunderstood something.”

Chen Zhi did not say anything. He just looked at Jiang Yu and raised his eyebrows.

Jiang Yu did not speak to him. She got up and was about to open the door, but Chen Zhi grabbed her arm.

At this moment, the door to the lounge was suddenly opened and Li Xiao walked in angrily.

Behind her were her close friends who were wearing heavy makeup.

She first looked at Chen Zhi, who was grabbing Jiang Yu’s arm, then looked at Jiang Yu, who was expressionless, and shouted, “Jiang Yu! What are you doing here with my boyfriend? !”

Jiang Yu’s tone was indifferent as she said, “I’m just here to rest in the lounge. As for your boyfriend, he sneaked in on his own.”

“What do you mean? You mean my boyfriend sneaked into the lounge?” Li Xiao didn’t believe Jiang Yu’s words.

Li Xiao’s close friends behind her also started to chime in, “That’s right. The lounge isn’t your house. Who needs to sneak in, they can come in whenever they want to? I think you have no excuse, right?”

“That’s right. There are even rumors on the internet that Jiang Yu is the girlfriend of Mo Long, the President of Mo Group. Does President Mo know that you’re out seducing other people’s boyfriends?”

“I think she’s been dumped, right? She lost President Mo’s leg, so she can’t wait to seduce other powerful people!”

More and more people gathered at the door because of the sounds coming from the lounge, wanting to see what was going on.

Jiang Yu was not annoyed and only said, “It’s not that I haven’t seen him, it’s just that I didn’t know he was your boyfriend.”

From the beginning to the end, Chen Zhi did not say a single word. No matter what Li Xiao said, he maintained his silence. It was more like an acquiescent attitude.

Jiang Yu understood that the two people in front of her were in cahoots.

It looked like someone was doing these little tricks behind the scenes.

However, this little trick was still too simple!

Li Xiao sneered and said, “Jiang Yu, you are really shameless! You seduced my boyfriend, and now you want to say that you’re innocent? !”

As she said that, she raised her hand and was about to slap Jiang Yu’s face!

**Chapter 252: Quickly Apologise**

Jiang Yu grabbed Li Xiao's wrist and took the opportunity to pull her to the side.

Li Xiao did not expect Jiang Yu to have such a reaction and was a little embarrassed for a moment.

When those close friends saw Li Xiao acting like this, they could not help but start to throw tantrums at Jiang Yu.

"Jiang Yu, why are you acting like this?"

"You were clearly the one who seduced someone else's boyfriend first. It's your fault!"

"That's right! What are you being so righteous about?!"

"Don't vent your anger at President Mo for dumping you here!"

More and more people gathered at the door. They were all waiting to watch this good show and see how Jiang Yu would explain.

Jiang Yu said calmly, "Why do you think I'm seducing your boyfriend? Do you think he's very outstanding?"

Li Xiao was speechless.

Chen Zhi couldn't sit still anymore. He stood up and said angrily, "Jiang Yu! Do you think I'm not outstanding enough now that the truth has been exposed?"

Jiang Yu looked at him and said, "Today should be the first time Mr. Chen and I meet. What does Mr. Chen think he's outstanding about?"

"Jiang Yu? ! You? !"

Chen Zhi did not expect Jiang Yu to say such a thing. This really made him lose a little face.

He could not help but be furious. He raised his hand and slapped towards Jiang Yu's face.

You may be able to catch Li Xiao's slap, but you won't be able to take my slap!

However, the slap did not land.

Mo Long grabbed Chen Zhi's wrist fiercely. His eyes seemed to be spewing fire.

He berated Chen Zhi coldly, "How dare you?!"

When Chen Zhi heard this, he looked up and was so scared that his legs went weak. He almost knelt on the ground.

"... Mr. Mo Long!" He called out this name shakily.

For a moment, everyone present sucked in a breath of cold air. Except for Jiang Yu.

This person was actually the president of the Mo Corporation — Mo Long!

Mo Long casually flung Chen Zhi to the side.

He took out a handkerchief from his chest pocket and wiped his hands.

Chen Zhi's face alternated between red and white.

Li Xiao composed herself and thought to herself that Jiang Yu was just a woman with a bad status. Mo Long probably wouldn't like her too much, thus, she mustered up her courage and said, "President Mo, your girlfriend Jiang Yu seduced my boyfriend. What do you think about this?"

Mo Long was neither angry nor angry as he said, "Your boyfriend is this person on the ground? Do you think he's worthy?"

Li Xiao was immediately choked.

Mo Long said again, "Yu'er has a boyfriend like me. Do you think she would take a fancy to someone who can't even describe his own status?"

At this moment, someone recognized Chen Zhi who was on the ground and shouted, "It's him! Chen Zhi! It's that Chen Zhi whose acting skills were criticized all over the Internet!"

As soon as these words were said, the rest of the people also recognized Chen Zhi,

"I heard that he was putting on airs before, but in the end, he angered the director and was directly kicked out of the production team!"

"Hahahaha! Someone like him wants to compete with President Mo? There's no way Miss Jiang would fall for him!"

"He has no power, no power, and no looks. How is he worthy of being seduced?"

Chen Zhi's face was a little embarrassed when his old news from a few years ago was exposed. Even Li Xiao, who was standing at the side, felt awkward.

Mo Long did not even look at him. He was only focused on Jiang Yu. However, he said to Teng Yi, "Chase this man who's spouting nonsense out."

He turned around and saw Li Xiao, so he said, "And this woman. Since she's this man's girlfriend, then send her out together."

Teng Yi bent down and nodded, "Yes."

The farce in the lounge had not reached Jiang Ran's ears yet.

She thought that today's matter was foolproof, so she walked to Jiang Hai's side and said, "Dad, I just heard someone talking about sister Jiang Yu. They said that she seduced someone else's boyfriend and is now in the lounge."

"What?" Jiang Hai almost gasped when he heard this.

This was too embarrassing for the Jiang family!

Jiang Ran saw Li Xiao walking out of the lounge from the corner of her eye and didn't notice her expression, she shouted at the top of her lungs, "Miss Li! I think you've misunderstood. My sister would never do something like seducing someone else's boyfriend!"

## Chapter 253: Jiang Ran Apologizes

It would have been better if Jiang Ran had not said anything, but Li Xiao felt even more embarrassed when she mentioned it. She sped up, wanting to escape this place as soon as possible.

Unexpectedly, Jiang Ran walked over and grabbed her arm. She said to Jiang Yu, who was behind her, "Sister, quickly apologize to Miss Li. Tell her that you did not seduce her boyfriend."

Jiang Yu only found her act of wholeheartedly thinking about her sister funny.

So it turned out that the person behind all these little tricks was Jiang Ran. As expected, her guess was right.

Jiang Ran tugged at Li Xiao to stop her from leaving while urging Jiang Yu to quickly apologize, instantly attracting the attention of everyone at the banquet.

In the eyes of others, Jiang Ran looked like a kind elder sister.

She kept urging Jiang Yu to apologize, as if Jiang Yu had indeed done such a thing.

Mo Long followed closely behind Jiang Yu. This made Jiang Ran feel that she had picked up a great opportunity, so she said, "Sister, you already have President Mo, you definitely wouldn't do such a thing."

Jiang Yu looked at Jiang Ran coldly and only said, "What did I do?"

Seeing that she was still stubborn, Jiang Hai was furious. He pointed at her and said, "Hurry up and apologize to Miss Li!"

Mo Long said, "This matter has been resolved. It's a misunderstanding. Miss Li, don't you think so?"

Li Xiao clenched her teeth and nodded.

Jiang Ran was stunned. She didn't expect this matter to develop to this extent.

Mo Long said again, "Miss Jiang Ran, isn't it a little too hasty to ask Yu'er to apologize without knowing the truth?"

Jiang Ran quickly explained, "No, President Mo! I just..."

Mo Long didn't want to hear Jiang Ran's explanation, so he interrupted her and said, "Miss Jiang Ran, I hope you can apologize to Yu'er."

"I..." Jiang Ran gritted her teeth and could only apologize to Jiang Yu. "Sister, I'm sorry. I didn't know the truth. I was careless."

There was no sincerity in her apology.

Mo Long's face darkened and he raised his hand to signal for Teng Yi to chase Li Xiao and Chen Zhi out.

Teng Yi immediately chased the two out of the banquet.

His own daughter was chased out, and the culprit was the second daughter of the Jiang family, Jiang Yu. Director Li's expression immediately changed, indicating that he would never cooperate with the Jiang family in the future. He then left the banquet as well.

The Jiang family had always been in the jewelry business, and they needed to sell their jewelry in a jewelry store. CEO Li opened a large chain jewelry store.

Jiang Hai planned to discuss the matter of cooperation with CEO Li this time. He hoped that CEO Li's jewelry store could sell the Jiang family's jewelry. However, after the farce today, CEO Li also said that he would not continue to work with the Jiang family. The Jiang family's business would probably be difficult again in the future.

Jiang Hai pushed the responsibility of fawning on Teng Yi and losing the opportunity to cooperate with CEO Li onto Jiang Yu.

The farce ended just like that, which made Jiang Ran feel indignant.

However, she could not show it on her face. She could only put on a smile and walk up to Jiang Yu. She said, "Sister, I was wrong about what happened just now. Don't be angry with me, okay?"

The smile on Jiang Ran's face was too fake, and Jiang Yu felt uncomfortable watching it.

"Really? Sister, you don't think it's your fault, right?" Jiang Yu didn't even look at her, "You framed me for seducing someone else's boyfriend before you even figured out the whole story. Did you know about this from the beginning?"

"How, how can that be..." cold sweat dripped down Jiang Ran's forehead.

Jiang Yu looked at her coldly and turned to leave.

There were people around who knew that Jiang Yu and Mo Long were lovers. Since they couldn't get along with someone like Mo Long, they could at least have a few words with Jiang Yu, right?

Hence, someone walked over and said to Jiang Yu, "Are You Jiang Yu? I've seen your performance on the Internet. It was very good! Your acting skills are really good!"

Jiang Yu smiled faintly and said, "Thank you."

That's right! There were even things that vilified Jiang Yu's bad acting skills on the Internet!

Jiang Ran seemed to have grabbed onto a life-saving straw, she quickly interjected, "That's right. Sister's acting skills have been recognized by big shots. As for those comments on the internet saying that her acting skills are not good, I'm afraid that someone is spreading rumors. A bunch of people are just following the trend."

Jiang Yu frowned.

Someone on the internet said that her acting skills were not good? When did this happen?

## **Chapter 254: It's Me Now**

Jiang Yu turned on her phone. The person who was currently on the hot search list was — Jiang Yu's poor acting skills had implicated Qin Yuan in eating boxed lunch.

Heh, she knew it. With Qin Yuan's personality, how could she be so obedient and eat boxed lunch.

So that was the reason.

Her phone suddenly vibrated. Jiang Yu took a look and realized it was her manager, sister Xia, calling her.

"Hello? Sister Xia?"

On the other end of the phone, Sister Xia's tone was full of anxiety. "Hello? Jiang Yu, have you seen the trending searches?"

"I have." Although Jiang Yu didn't know who had leaked the news, she had more or less guessed it.

"Your previous performance has been acknowledged by the directors, so I believe in your acting. This is definitely not your problem." Sister Xia's voice was getting more and more anxious, as if she really couldn't think of a solution.

Jiang Yu explained, "At that time, Qin Yuan was the one who wanted to stay and have lunch together. This is a misunderstanding."

"I know, I believe in you." Sister Xia paused for a moment, she said, "If we say that this is a misunderstanding now, I'm afraid that no one will believe it. Even if they believe it, it won't fit Qin Yuan's intentions. I'm afraid that your filming will be even more difficult. I thought about it and decided to request Qin Yuan to come out and explain this misunderstanding."

Jiang Yu pinched the space between her eyebrows and said, "Sister Xia, I'll go back and look for you first to see how this matter is going to be resolved."

As she said that, Jiang Yu hung up the phone and lifted the hem of her dress as she walked out of the door. Mo Long followed behind her and pulled her arm.

"What happened?"

"Nothing major. There were just a few bad comments on the internet." Jiang Yu didn't want him to worry.

"Bad comments? Are you talking about that trending topic?" Mo Long pointed it out.

Jiang Yu was surprised. "How did you know?"

"I saw it on the way here." Mo Long raised his eyebrows. "If this matter is difficult to solve, I'll solve it for you."

"There's no need. It's better not to trouble you with this kind of thing." Jiang Yu shook her head. "I'll call the director and ask him to help explain."

Jiang Yu dialed the director's number. After a busy tone, the director's voice sounded on the other end of the line. "Hello? Jiang Yu, what's the matter?"

Jiang Yu said apologetically, "I'm sorry, Director. I have to trouble you at this time. Regarding the trending topic on the Internet, can you help me explain it?"

The director hesitated for a moment before saying, "I'm sorry, Jiang Yu. The investors just called me and said that they want to replace you."

Jiang Yu was stunned.

The director continued, "Jiang Yu, your acting skills are very good. This is something that everyone in the industry recognizes, so don't mind those comments on the internet. No matter what, I still hope that you can go further and further down this path."

After hanging up the phone, the disappointed expression on Jiang Yu's face could be clearly seen.

"What's wrong?" Mo Long cupped her little face.

"The director told me that the investors have requested to replace me." Jiang Yu couldn't hide the disappointment in her heart.

Mo Long kissed Jiang Yu's forehead intimately and took out his phone to call Teng Yi.

After giving a few simple instructions, Mo Long put away his phone and said with a smile, "Silly, we'll receive good news soon."

"What good news?" Jiang Yu was curious.

Mo Long did not say anything.

Not long after, the director's call was received on Jiang Yu's phone.

"Director? Is there anything else?"

"Jiang Yu, you will not be replaced in this movie. You can still continue filming on the set. Regarding that trending topic on the internet, I will also help clarify it."

Jiang Yu was puzzled by the huge gap between before and after. "Director, what's going on?"

"The investor just called me. This is the investor's request."

Although she was still puzzled, after receiving the guarantee from the director, Jiang Yu felt relieved.

"Alright, if there's nothing else, I'll hang up first."

After hanging up the phone, Jiang Yu told Mo Long what she was thinking. "Isn't that investor supporting Qin Yuan? Why is he suddenly on my side?"

"Because I'm the biggest investor right now."

Jiang Yu opened her mouth, unable to speak.

One had to know that the previous investor of this movie had invested 50 million yuan.. Mo Long was able to replace that person, so the amount of money invested was definitely not a small amount.

## **Chapter 255: Qin Yuan Was Displeased**

"You..." Jiang Yu wanted to say something but hesitated.

"What's wrong?"

Jiang Yu thought for a moment and said, "You're really too good to me. I'm a little..."

"You're my girlfriend. It's only right for me to be good to you." Mo Long raised his eyebrows and said, "If you really think I'm good to you, then marry me when you graduate."

Jiang Yu didn't expect that he would tell her about this at this time. She couldn't help but blush. She lowered her head and muttered, "I know."

Mo Long was in a good mood after receiving this reaction.

"By the way," Jiang Yu remembered something. "How long have you been standing today? is your leg okay?"

"Are you still worried about your medical skills?"

"I'm confident." Jiang Yu showed a faint worry in her eyes. "But no matter how confident I am, I can't guarantee it. I'm worried about you."

"Okay." Mo Long reached out and smoothed Jiang Yu's furrowed brows. He said gently, "Don't worry. I know my body condition. I won't do anything rash."

"Okay."

Mo Long pulled Jiang Yu into his embrace and lowered his head to kiss her forehead.

"Are you still filming tomorrow?"

"Yes." Jiang Yu nodded obediently.

"Are we going back now?" Mo Long asked.

"Okay, I don't like the atmosphere of this banquet."

"Okay." Mo Long called Teng Yi and left the banquet with Jiang Yu.

Jiang Ran watched Mo Long and Jiang Yu leave in a car, and the anger in her heart burned even more furiously.

Since she had the director's guarantee and Mo Long's support, Jiang Yu's filming went smoothly.

On the other hand, Qin Yuan was dissatisfied with the director's action to explain that the online comments about "Jiang Yu's bad acting skills" were a misunderstanding.

Although the director did not mention her name in his explanation, he said that Jiang Yu's acting skills were very good. In other words, didn't he mean that she was not eating boxed lunch because of Jiang Yu?

Qin Yuan went to the director angrily and said, "Director, you should have seen the trending search on the internet, right? Why are you explaining things for Jiang Yu? Between me and Jiang Yu, director, you should be able to distinguish who is important, right?"

She said this because she thought that she had the backing of the investor behind her, which was why she was so confident in her words.

Unexpectedly, the director said, "This is what the investor wants."

"What?" Qin Yuan was stunned. The investor should be on her side. Why would he speak up for Jiang Yu?

She wanted to continue asking, but the director was unwilling to say anything. He waved his hand to signal for her to hurry up and shoot.

Qin Yuan gritted her teeth and could only return to the set to continue filming.

In the set, Jiang Yu was sitting on a chair, studying the script.

Qin Yuan walked over with a fake smile on her face. She said, "Rookies nowadays are really hard-working. They act like they don't want to waste any time in front of others. Even if it's only for a minute, they still have to continue studying the script."

When the assistant who poured Jiang Yu's water heard this, she couldn't help but rebut Qin Yuan, but she was stopped by Jiang Yu.

Jiang Yu looked up at Qin Yuan. "I'm studying the script because I want to be able to perform better in the following filming. It's better than not spending time to improve oneself even though one clearly isn't good enough."

"You!" Qin Yuan choked.

What did Jiang Yu mean? Was he mocking her for not being good enough?

"Senior Qin Yuan, the filming is about to start. Aren't you going back to prepare?" Jiang Yu gave the order to leave.

Qin Yuan knew that she wouldn't be able to gain anything from Jiang Yu, so she could only go back to prepare for her upcoming filming.

Jiang Yu didn't care about her matters, so she continued to study her script in peace.

During the filming, Jiang Yu performed steadily and her performance was extremely intense. She was praised by the director. "Jiang Yu, your emotional performance in this scene is really great. It looks like you will be the best newcomer this year!"

Jiang Yu smiled and said, "The director thinks too highly of me. There are so many newcomers. There must be someone better than me."

"You are just too humble."

Qin Yuan gritted her teeth as she listened from the side. She made frequent mistakes during the rest of the filming. It was either that she had forgotten her lines or that she was in a bad mood.

The director could not take it anymore and said loudly to Qin Yuan, "Why don't you take a breather before filming again?"

Qin Yuan lowered her head and took a few deep breaths. When she raised her head again, she gave a professional fake smile and said, "It's alright, Director. I can continue filming."

The director frowned and signaled for the machine to be in position. He was ready to continue filming..

## **Chapter 256: Did You Save Me?**

Even though the filming process was a little bumpy, she managed to get through it safely.

During this period of time, Qin Yuan was acting dutifully and did not cause Jiang Yu any trouble. This surprised Jiang Yu a little.

She did not think that Qin Yuan had suddenly changed her personality. She was probably worried that she would affect her emotions and drag down the filming progress.

However, Jiang Yu didn't care about this. After she finished filming, she returned to school to continue her lessons.

There was a theory class in the medical department today. Jiang Yu packed her books and prepared to walk to the classroom.

"Jiang Yu, let's go to class together," Jiang Li called out to her.

"Okay." Although Jiang Yu was surprised that Jiang Li would suddenly want to go to class with her, she wouldn't be too lonely if she had a companion along the way.

She looked at Jiang Li. Her face was redder than before, and her lips were dry and pale.

"What's wrong? You don't seem to be feeling well." Jiang Yu was worried that Jiang Li was sick.

"It's nothing." Jiang Li shook her head, indicating that she could continue with the class. "I'm just a little tired from studying recently and caught a cold accidentally. I'll be fine as long as I'm careful. You don't have to worry about me."

"Don't try to be brave. How about I help you apply for a leave of absence so that you can have a good rest in the dormitory?"

"It's really not necessary." Jiang Li was still trying to hold on.

She walked towards the door with her book in her arms, but in the end, she was too weak. Her footsteps faltered and she fainted on the ground.

"Jiang Li!" Seeing that Jiang Li had fainted, Jiang Yu didn't have time to attend class. She quickly put Jiang Li on her shoulder and wanted to take her to the infirmary.

However, there were only her and Jiang Li in the dormitory. The infirmary was too far away, so it was indeed difficult to take Jiang Li to the infirmary.

Jiang Yu immediately carried Jiang Li to her bed, took out a bag of silver needles from the drawer, and took out a few acupuncture points on Jiang Li's head.

After a while, Jiang Li opened her eyes.

"What am I doing..." She struggled to sit up.

"Don't move." Jiang Yu quickly pressed on her shoulder. "Don't move your head now."

Needles?

Hearing Jiang Yu's words, Jiang Li began to feel a faint pain in the acupuncture points on her head.

She paused and asked, "Did you save me?"

Jiang Yu nodded gently. "Yes."

Jiang Li saw the bag of silver needles on the table out of the corner of her eye and was shocked.

"Acupuncture?"

"Yes." Jiang Yu nodded. "At that time, I could only use the silver needles to save you."

Jiang Li seemed to have received some shocking news.

Could it be that the genius of acupuncture that her grandfather told her about... was Jiang Yu?

No, no, no, it shouldn't be. After all, she knew how to use acupuncture to treat illnesses.

Despite what Jiang Li said in her heart, however, there was still a voice that said to her, "But she hasn't learned this kind of knowledge before. If she can save people with just a few days of theoretical knowledge, isn't that a little too incredible?"

After thinking about it, Jiang Li still planned to tell her grandfather about this matter when Jiang Yu went to class.

Ten minutes later, Jiang Yu took the needle off Jiang Li's head. "I'll help you apply for leave for today's class. You can lie down in the dormitory and have a good rest."

This time, Jiang Li didn't insist. She nodded obediently and said, "Okay."

Only then did Jiang Yu pack up her books and go to class.

After Jiang Li confirmed that Jiang Yu had left, she quickly got up and gave elder Jiang a call.

"Grandpa, I think I've found the medical genius that you wanted me to find."

"Really?" Elder Jiang's pleasantly surprised voice came from the other end of the phone. "Who is it? Where is she?"

"Grandpa, calm down and let me finish. This person might be my roommate."

"Your roommate?" Elder Jiang began to suspect.

Jiang Li's roommate, which meant that she was about the same age as Jiang Li, was the medical genius that he had been looking for?

Chapter 257: Misunderstood

After class, Jiang Yu went back to her dorm to pack her things and was ready to find Mo Long to give him treatment.

Jiang Li cared about Jiang Yu because she saved her, so she wanted to treat her to a meal. At the same time, she wanted to introduce her to her grandfather.

Jiang Yu glanced at the time on her phone and said, "Sorry, I need to find my boyfriend today."

"AH... I see." Jiang Li recalled the comments on the internet saying that Jiang Yu was Mo Long's girlfriend.

Today was also the day that her grandfather went to treat Mo Long. Since Jiang Yu was Mo Long's girlfriend, she should have the chance to meet her grandfather. Since that was the case, she didn't need to trouble herself to let the two meet.

However, she had to return the favor she owed Jiang Yu. Jiang Yu packed her things and was about to leave when she caught a glimpse of a figure flashing by the door.

Jiang Yu paused for a moment and the corners of her mouth curled up.

It seemed that some little tail was going to follow her and try to catch her.

Li Lu, who was hiding behind the water dispenser, was still in a state of shock. She had almost been scared to death just now and had almost been discovered.

While she was still in shock, Li Lu started to feel strange again.

When did Jiang Li and Jiang Yu become so close?

Jiang Yu took a car to Mo Garden. Mo Long had already arranged for someone to prepare dinner.

There was a dazzling array of dishes, all of which Jiang Yu liked to eat.

"You've been eating boxed lunch on the set for the past few days, right?" Mo Long kept putting food into Jiang Yu's bowl. "You've lost weight from hunger."

"No, I haven't." Jiang Yu laughed at his fuss. "Everyone on the set is eating boxed lunches. I'm not special."

"You have lost weight."

Teng Yi stood behind Mo Long, thinking to himself, when had his CEO ever spoken in such a tone? It was only in front of Miss Jiang that he spoke in such a manner.

It seemed like the CEO really doted on Miss Jiang too much.

After dinner, Teng Yi said to Mo Long, "President Mo, elder Jiang is here."

"Okay, let him in."

Elder Jiang brought his medical kit in and immediately saw Jiang Yu beside Mo Long.

His mind couldn't help but think of his granddaughter telling him that the medical genius should be her roommate.

Combined with the girl beside President Mo, could it be... that the medical genius was the girl in front of him?

No, no, no, it shouldn't be.

Those acupuncture techniques, even he had thought about it for a long time before coming up with it. He had decided to treat President Mo. The girl in front of him looked like she was only 20 years old. Could she really have that kind of ability?

Mo Long seemed to have seen through elder Jiang's thoughts. He was afraid that Jiang Yu wanted to learn medicine from elder Jiang, so he wanted elder Jiang to treat him as soon as possible and let him leave.

It seemed that he could not let Jiang Yu meet elder Jiang in the future.

Jiang Yu did not know what Mo Long was thinking. She only knew that the person in front of her was elder Jiang, who had come to perform acupuncture on Mo Long the last time.

His technique was the same as the way she performed acupuncture on Mo Long. It seemed that he was indeed a very accomplished senior in medicine.

If she could learn medicine from elder Jiang, she might be able to improve faster in this aspect.

This way, she wouldn't have to rush to the school's medical department's theory class.

With this thought in mind, Jiang Yu hurriedly said, "Elder Jiang..."

Mo Long sensed Jiang Yu's thoughts and thought that he couldn't let elder Jiang treat him. He immediately said, "Elder Jiang, it's not very convenient for me today. Why don't you come again next time?"

Elder Jiang was puzzled. "Why wouldn't you be free?"

Mo Long said, "Today is the day that Yu'er and I finally meet. So, I hope that elder Jiang can understand."

"This... that's good." Elder Jiang was a little disappointed. He had originally planned to say a few words to the little girl in front of him, but now it seemed that there was no other way.

As intelligent as Jiang Yu was, even if she could not see through Mo Long's thoughts just now, she should know what he was thinking now.

Although she knew that Mo Long was doing all this for her own good, she really did not want to give up this opportunity.

When she saw elder Jiang pack up the medicine box and prepare to leave, she called out to him, "Elder Jiang, please wait a moment."

Elder Jiang stopped and turned to look at Jiang Yu, "Young Lady, what's the matter?"

Mo Long did not stop Jiang Yu. Since she insisted, he could only let Jiang Yu be.

Jiang Yu stopped elder jiang and said, "Elder Jiang, please treat Mo Long"

"But.." Elder Jiang hesitated.

"It's okay." Jiang Yu understood what elder Jiang meant. "His leg is almost healed, so I hope you can treat him."

Elder Jiang looked at Mo Long and saw that he had no intention of refusing. He nodded and said, "Okay."

With that, he opened his medicine case and took out a silver needle to prick Mo Long's leg

Elder Jiang casually brought up the matter as he applied the needle. "When I came here previously, I heard president Mo mention that someone had also given him acupuncture before. The technique used was exactly the same as mine. After I heard it, I felt that this person must be extremely talented in medicine. That's why I've always wanted to find that person. It's a pity that I haven't been able to find that person. What a pity."

Hearing elder Jiang say this, Jiang Yu was still very happy. After all, this was the praise of an elder in the medical field.

"I wonder if elder Jiang is willing to let me try?" Jiang Yu asked.

"You?" Elder Jiang looked at Jiang Yu, and his guess of her deepened a little.

"Yes." Jiang Yu smiled and nodded.

In order to verify his thoughts, elder Jiang got up and gave his seat to Jiang Yu.

"Thank you very much, elder Jiang" Jiang Yu thanked him simply and took the silver needle from elder Jiang's hand. As usual, she stabbed the needle into Mo Long's leg

elder Jiang watched Jiang Yu's skillful technique from the side, and he was more and more surprised.

The acupuncture technique that was exactly the same as his.. was her! It was really her!

So it's you!" Elder Jiang couldn't help but exclaim

The person elder Jiang is talking about is indeed me." Jiang Yu helped Mo Long with the acupuncture and stood up to bow slightly to elder Jiang. "I'm sorry for not admitting it just now

"No, no, no. Elder Jiang was so excited that he couldn't speak.

He didn't expect that the person he was looking for was actually this young girl who was only 20 years old!

"Your technique is quite skilled. In the current medical world, I can't find anyone who can compare with you.

Elder Jiang could not help but praise, If you are willing to learn medicine, I'm afraid that in a few years, no one in the medical world can compare to you."

He was telling the truth. He had indeed never seen a genius like Jiang Yu.

Hearing elder Jiang's affirmation, Jiang Yu was very happy and said, "Then, can I learn from you?

Elder Jiang was also very happy. He smiled and said, "It's a great honor

Mo Long knew that he could not stop Jiang Yu, so he could only let her go. But, it was only limited to learning.

"Miss Jiang, if you have the chance, you must come to the Jiang family as a guest, Elder Jiang invited enthusiastically.

"If you have the chance, I will!" Jiang Yu agreed happily.

After elder Jiang left, Jiang Yu said happily to Mo Long, "That's great. I can learn medicine with elder Jiang"

Mo Long lovingly stroked her head and said, "I know I can't stop you from wanting to study medicine, but you have to promise me that you won't overdo yourself"

Jiang Yu nodded and said, "Okay!"

She naturally knew that Mo Long was worried about her.

At this moment, Jiang Yu was nestled in Mo Long's arms. She didn't know that Li Lu had told Jiang Ran everything about Jiang Li and herself.

"Jiang Li? Is it that Jiang Li from that medical family?"

Jiang Ran asked. She thought that Jiang Yu and Jiang Li were only roommates before. How did it suddenly become a "Treat" relationship?

"It's that Jiang Li." Although Li Lu didn't like Jiang Ran either, she knew that Jiang Ran and her were on the same side as Jiang Yu.

Jiang Yu, just you wait and see. Mo Long will be my brother-in-law sooner or later!

Jiang Ran frowned. "Why did she run off to build a relationship with the Jiang family again

Li Lu shook her head. "I don't know."

"I think there's a crack in her relationship with Mo Long. That's why she can't wait to look for power to build a relationship with him." Jiang Ran made a bold guess. She even felt that she had seen through the truth of the matter.

If that was really the case, then Jiang Yu was not far from falling from a high place.

### **Chapter 259: Acting Skills Are Really Bad**

"Oh, right." Jiang Ran remembered something. She took out her phone and searched for the trending topic from before. She asked Li Lu, "Do you know the trending topic about Jiang Yu and Qin Yuan?"

"I know. But didn't the director of the production team come forward to explain? He said that Qin Yuan was the one who voluntarily stayed on the production team to have lunch with everyone." Li Lu was so angry that she gnashed her teeth at the thought of this.

It was not easy for her to find an opportunity to scold Jiang Yu wantonly on the Internet, but in the end, someone came forward to explain for her.

"Right now, Jiang Yu's fans are still not as many as Qin Yuan's. Perhaps... we

can let the matter ferment for a while.”

Jiang Ran was not smart enough in other areas, but when it came to framing Jiang Yu, she really had one bad move after another.

She quickly edited the content on her phone and anonymously posted another post.

Jiang Yu didn't know about Jiang Ran's tricks. It wasn't until the next day during class that Lu Qi handed a post on her phone to Jiang Yu.

“Xiao Yu, Qin Yuan's fans are really too much. How can they say such things about you?”

Jiang Yu took the phone and looked at it carefully. She found that someone had posted an anonymous post. The content of the post was the hot topic between her and Qin Yuan.

She did not expect that there would be a follow-up after such a long time had passed.

The content of the post was probably because her acting skills were so bad that she had implicated Qin Yuan, making her eat boxed lunch on the set. Even though the director had stepped out to explain for her, there were strange points in this matter.

Below, there were comments from Qin Yuan's fans. “I think the moderator is right. Jiang Yu is just a newbie actress. How long has my idol been in the entertainment industry? Who has good acting skills? Can't you guess it?”

That's right. Moreover, sister has so many years of experience. She must have a lot of capitalists behind her. Isn't the director afraid of offending the capitalists behind sister by speaking up for Jiang Yu?”

“Is it possible that Jiang Yu also has capitalists behind her? The director has no choice but to speak up for Jiang Yu under the pressure of that capitalist”

“You mean.. that capitalist is him?”

Even though the person's name was not mentioned, anyone with discerning eyes could guess that Mo Long was standing behind Jiang Yu.

There were also comments from Jiang Yu's fans below. "Is the moderator trying to stir up trouble? The director has already explained for our Little Yu. Could it be that you are suspecting the production team?"

"That's right. Moreover, those who have seen Little Yu's performance would never say that her acting skills are bad"

After a few comments, the battle between the fans of the two people began.

Jiang Yu looked around and found that it was all about her poor acting skills.

"Little Yu, should you get Mo Long to delete these posts for you?" Lu Qi asked carefully.

She had a bad feeling about Jiang Yu's expression, afraid that she would get angry because of these things.

"Why would I want to delete it? I'm not afraid of being slanted." Jiang Yu did not care about what the post on the Internet said.

"The truth is that she voluntarily stayed there to eat boxed lunch. No matter what these people say, the truth is the same. No matter what, it's impossible to change it."

At the same time, the incident on the internet spread to other classes.

Someone found Jiang Ran and said, "Jiang Ran, Jiang Yu is your sister, right?"

What do you think about this?

Jiang Ran put on a smile and said, "My sister is a newbie actress after all. It's normal for her acting to be a little bad. Everyone, don't always use this matter to compare people. Acting skills can be honed.

When these people heard Jiang Ran's words, they also thought that Jiang Yu's acting skills were indeed bad and delayed the filming progress. That was why Qin Yuan was implicated.

## **Chapter 260: I'm The Movie Queen's Younger Sister**

Although there were too many negative comments about Jiang Yu on the internet, this did not hinder the annual "Best New Actor Award" which was

about to start.

Li Lu relied on the fact that she was the movie queen Li Yue's younger sister and believed that the organizers would more or less give her older sister some face. At the same time, she was also very confident in her own strength.

Therefore, she felt that this award would definitely fall into her hands.

Someone complimented her, "Li Lu is the sister of the movie queen and her skills is up to standard. This year's newcomer award will definitely be hers."

That's right. Out of the few newcomers that have recently appeared, none of them can compare to Li Lu."

When Lu Qi heard this, he comforted Jiang Yu, "Xiao Yu, don't mind it. They just see that Li Lu is the sister of the movie queen and are complimenting her here.

Tian Guo also encouraged her, "That's right, Xiao Yu! You will always be the best!

Jiang Yu didn't care much and said, "It's not certain who will win the Best New Actor Award."

Li Lu had heard enough beautiful words. She proudly came to Jiang Yu's side and put on a condescending posture before saying, "Jiang Yu, this year's best new actor award will definitely be mine. Don't even think about it. You won't be able to get it anyway."

Tian Guo was angry. "You! Don't go too far!"

Li Lu scoffed at Tian Guo. "You're that little fan of Jiang Yu's? The same type of actor will attract the same type of fans"

"Li Lu, don't go too far." Jiang Yu stood up with a hint of displeasure in her eyes.

She didn't mind being spoken ill of. She didn't care. She could choose not to hear it.

But she wasn't going to allow her fan being spoken ill of.

"Am I going too far? I'm telling the truth?" Li Lu smiled.

“It that’s the case, you have fans who can only say pretty words because you’re not that type of person?”

Jiang Yu looked coldly at the group of people behind Li Lu, “Li Lu, even if you win this new actor award, when others see you outside, they probably won’t say things like ‘this is the Li Lu who won the new actor award. They’ll only say things like “look, that’s the sister of the movie queen.”

“You!” Li Lu was angered by Jiang Yu’s words. “What do you mean?!

“My meaning is very clear. Even if you win the award, you didn’t get it by relying on your own strength. Don’t be so arrogant.”

Li Lu was flustered and exasperated. “How do you know that my ability isn’t good?! Let me tell you, I won this award completely by relying on my own strength!”

Confidence is a good thing, but overconfidence isn’t.”

Jiang Yu!” Li Lu was so angry that she didn’t know what to say.

Jiang Yu ignored her and picked up the book and left.

Lu Qi and Tian Guo also left together.

Li Lu stomped her feet angrily. “What does Jiang Yu Mean? Does she think that her skills are very good? She won’t even have a chance to be nominated for this award!”

Someone comforted her. “Jiang Yu is just jealous of you.”

Hearing this, Li Lu finally calmed down a little.

“Even if she is nominated for this award, she will definitely be ranked at the bottom. It’s impossible for her to rush to the top ten. “With her skills, there’s no way she can compete with me. This award will still be mine in the end.” Li Lu was full of confidence.

It was unknown who mentioned Jiang Ran, but Li Lu sneered and said, “Jiang Ran? She’s the one who really can’t be ranked in this award, right?”

Someone showed the top 50 of the selection to Li Lu and said, “There is indeed Jiang Yu, but she’s only in the 40th place. Li Lu’s ranking is in the top five.”

“I knew it. There’s no way she can get it.” Li Lu smiled proudly,  
li Lu was so confident that she had no idea that Jiang Yu’s ranking would soar  
after that..
