Chapter 261: Newiy Kelease Movie

Jiang Yu's new film, *The Main Melody of Youth*, was about to be released.

Although she was playing the role of the female lead's deskmate, she didn't have many scenes in it, but for her fans and those who hated her and wanted to see her make a fool of herself, it was enough for them to watch carefully for a while

However, the popularity of Jiang Ran's anonymous post on the internet hadn't dissipated yet, so Qn Yuan's fans reposted the post in large numbers. They also sent a message to the production team saying that Jiang Yu's scenes must be deleted if the movie was to be released.

When Tian Guo saw the post, she quickly sent a screenshot to the fan club.

When Jiang Yu saw it, she frowned.

"They're going too far!" Dai Zhu also saw the screenshot and couldn't help but speak up for Jiang Yu.

"Don't bother about them," Jiang Yu said.

They were just a bunch of clowns.

At the same time, Mo Long was at the company looking at the posts on the Internet that requested to delete Jiang Yu's scenes.

"What's wrong with this group of people?" Mo Long's eyes were gloomy, and his voice was terrifyingly cold. "Didn't the director of the production team already explain that matter regarding Yu'er? Why are these fans still making a fuss online?"

Teng Yi said, "It's a post that someone posted anonymously on the Internet earlier. It said that Miss Jiang had the backing of a capitalist, so the director came out to explain on behalf of Miss Jiang"

"Anonymous post?" Mo Long paused and asked Teng Yi to show him the post.

"Find out who this anonymous person is," Mo Long said, "And get someone to

post everything that happened that day on the Internet.”

“But the other side is, after all, Qin Yuan’s fan... Teng Yi hesitated.

“So what if it’s her fan? Even if it’s Qin Yuan herself, she has to bow her head to Yu’er.” Mo Long’s attitude was very tough.

“Yes.” Teng Yi nodded and went to do his job.

Not long after, a new post appeared online. The content was still about the incident where Qin Yuan stayed on the set to eat lunch boxes.

However, the target was not Jiang Yu, but Qin Yuan.

After the neutral netizens saw the post, they commented below, “There’s still a twist in this matter. So it’s because Qin Yuan kept making mistakes during filming, which delayed the progress of filming”

There were also Qin Yuan’s fans who saw the post and couldn’t sit still immediately. They commented, “Don’t believe a passerby! These are all posts from Jiang Yu’s fans! They’re trying to smear my idol!”

“My idol has been in the entertainment industry for so many years, and Jiang Yu is just a newcomer! It’s obvious who’s responsible for this!”

Some of Jiang Yu’s fans commented, “I hope some people are self-aware. So what if they are old in the entertainment industry? Can’t a newcomer be better than her? My Xiao Yu’s acting skills are obvious to everyone! Moreover, the director has come forward to explain. This post also has pictures and the truth!”

No matter how Qin Yuan’s fans tried to smear Jiang Yu, some passersby still chose to believe Jiang Yu. some passersby even turned into fans.

With such a big reversal of events, Qin Yuan naturally saw this post.

“This Jiang Yu!” She was furious. “She actually went to find someone to clarify herself! I still underestimated her. I didn’t expect her to have such a strong backing” She actually dared to offend her.

Jiang Yu’s reaction after seeing this post was not as intense as Qin Yuan’s.

Instead, she calmly said to Tian Guo and the other people who were worried

about her, “Its fine. Those who are innocent will stay innocent.”

When she said that, the hearts of the fans were finally relieved.

No matter how much the fans of both parties caused a ruckus online, the movie “The Main Melody of Youth” still successfully came out..

Chapter 262: Piano Competition

On the first day of the movie’s release, it reached 200 million yuan box office.

A group of people originally wanted to see what Jiang Yu looked like on the internet. They didn’t expect to be deeply attracted by her role in the movie.

“Her acting is really good! She can easily bring people into that role,” someone commented after watching the movie.

In an instant, there were new comments online about Jiang Yu’s acting skills — very good, even better than some of the older people in the industry.

When Qin Yuan saw those comments, she was so angry that she wanted to kick the door open.

Jiang Yu, Jiang Yu! Why could a newcomer like Jiang Yu steal her limelight!!

Jiang Yu didn’t know the anger in Qin Yuan’s heart. She only knew that her movie received a good response and that many people had begun to support her. More and more people were willing to stand on her side in the public opinion online.

That’s great!” Lu Qi said, “Xiao Yu, your number of fans has increased again!”

That’s right. Xiao Yu,” Tian Guo was also very happy. “This movie has become so popular and your performance in it is so outstanding. I think this year’s best newcomer award will definitely be yours!

“I just debuted not long ago.” Jiang Yu also smiled. “There are also many rookies who are more outstanding than me.”

“Xiao Yu! Your ranking has risen!” Lu Qi said in surprise.

She had just opened the ranking for the newcomer award and found that Jiang Yu’s ranking had risen from 40th to 31st.

“So fast? Tian Guo was also very surprised. “It was still 40th before! It seems

like it's not right for this year's newcomer award not to be given to Xiao Yu! Li Lu, who passed by them, heard these words, snorted disdainfully and left. "She's so happy just because she's ranked 31st? She really doesn't have any aspirations at all," Li Lu said to herself.

When the movie was popular, another international piano competition was posted on the Internet.

When this news was released, other than the talented students of the music department who were eager to try, Jiang Ran was also tempted to sign up. Someone advised her, "Don't. After all, the music department students from our school also want to participate."

"So what? Jiang Ran didn't care. "I've studied piano for so many years, but I didn't choose the music department in the end. Why can't I sign up for the piano competition?"

That being said, there was another reason why she wanted to participate in the piano competition this time

That was Jiang Yu.

"She will definitely participate in the piano competition this time," Jiang Ran said to Li Lu. "That's why I have to sign up for the competition this time as well."

"Just you?" Li Lu looked down on Jiang Ran from the bottom of her heart, "So what if she participates? Let alone the pianists from other countries, there are so many music students in our school. Why would someone from the performance department like you join in the fun?"

"So what? Jiang Ran gritted her teeth. "As long as Jiang Yu participates, I will definitely participate!"

Li Lu shook her head and did not try to persuade her.

She really did not understand why Jiang Ran, a performance department student, would participate in some piano competition. Wouldn't that be asking for humiliation?

Even though Jiang Ran was determined to go her own way, she was right about one thing— Jiang Yu was indeed going to participate in this piano competition.

“Are you really going to participate?” Dai Zhu asked uncertainly. “You have to think carefully. Even if you are Professor Bai’s disciple, you haven’t studied systematically like us.”

Lu also felt that Jiang Yu’s decision was inappropriate, she also advised her, “Yes, Xiao Yu. The international piano competition this time was only for friendly international exchanges. The prize is not very expensive. It is just a piano. If you want that, you can just buy one yourself.”

Yeah,” Dai Zhu also said. “If you don’t get a place in the competition, won’t those people who are waiting to laugh at you get what they want?”

“It’s okay,” Jiang Yu comforted her. “Believe me, I have confidence in my own strength.”

Jiang Yu was very stubborn.

Lu Qi and Dai Zhu saw that they could not persuade her so they could only let her do what she wanted

Chapter 263: Went Against Everyone’s Suggestion

The news of Jiang Yu signing up for the piano competition quickly spread online.

“Just with her skills?” Some of the fans who disliked her scoffed. “Isn’t she an actor? Why is she participating in the piano competition?”

There were also some of her fans who were worried about her. “Is Xiao Yu really going to participate in this competition? After all, she is a student of the performance department. Will she be at a disadvantage by participating in this competition?”

There were even more piano lovers who were paying attention to this competition. After hearing about Jiang Yu on the internet, they began to pay close attention to her.

For a time, the number of people who opposed Jiang Yu’s participation in this piano competition far exceeded the number of people who supported her.

Even Professor Bai was surprised by Jiang Yu’s decision.

However, she did not stop Jiang Yu. Instead, she encouraged Jiang Yu's idea.

"believe in you," professor Bai said with a smile. "I have seen your ability to arrange music. No one has such talent as you."

With Professor Bai's encouragement, Jiang Yu's confidence in herself increased.

Because it was an international friendly exchange, this international piano competition was more like an exchange competition.

There was not enough time to prepare. Many people practiced day and night during this time, hoping to get a good Ranking in the competition.

Jiang Yu was different.

Although she practiced in the piano room every day, her schedule was very reasonable.

She would rest when it was time to rest and eat when it was time to eat. She did not seem to be in a hurry at all.

Jiang Ran saw it and could not help but sneer in her heart.

"She doesn't know how to be in a hurry to practice. If she wants to participate in the competition and get a place, it's simply a dream."

Jiang Ran told Wei Juan about this matter. "I really don't know where she got the courage to sign up for the competition."

Wei Juan responded to Jiang Ran and said, "I think she's just embarrassing herself. She's not as good as my little Ran who is excellent in every aspect."

Hearing Wei Juan's words, Jiang Ran was in a very good mood. Even the way she looked at the piano changed.

"Jiang Yu, I want to see you embarrass yourself with my own eyes!"

On the day of the competition, all the contestants were nervously preparing backstage.

Jiang Ran walked up to Jiang Yu and said, "You're from the performance department. Why did you come to the piano competition to embarrass yourself?"

Jiang Yu did not look at her and only said, "Why do you think I'm the one who's getting embarrassed?"

"Do you even need to think about it? You've never learned how to play the piano. Even if Professor Bai accepts you as her disciple and has acknowledged your ability in arranging music, don't forget that Professor Bai has also said that there's something wrong with your playing technique. Don't tell me that you can change your playing technique back during this period of time?"

Jiang Ran didn't believe that Jiang Yu had such an ability and continued to mock her. "I advise you to quickly forfeit the competition now and not embarrass the school and the Jiang family."

Jiang Yu then gave Jiang Ran a look and said, "Then you'd better watch carefully to see who will embarrass the school and the Jiang family in the end."

Jiang Ran sneered and didn't care about Jiang Yu's words at all.

'When the previous contestants went on stage to play, they all made mistakes because they were too nervous.

'The music that was played made the judges in the venue shake their heads repeatedly.

'When it was Jiang Ran's turn, she first bowed and then sat in front of the piano and began to play.

There were no mistakes at all. Compared to the previous contestants, Jiang Ran indeed made the judges' eyes light up, and one after another, they gave Jiang Ran high marks.

In the end, Jiang Ran scored 82.3 points. She looked proudly at Jiang Yu backstage and mouthed to her, "See? You'll never get such a score."

Jiang Yu didn't care. She played her own tune again and again in her heart..

Chapter 264: Stunning Everyone

Because of Jiang Yu's major, she was arranged to be the last to appear.

She didn't have a piano certificate, nor was she a music major. When the host announced her, she was a little embarrassed and didn't know how to introduce her.

Even the people watching the live broadcast on the Internet felt embarrassed for Jiang Yu.

Jiang Yu went on stage and bowed slightly. She sat in front of the piano and began to play her own piece.

It was an original arrangement that she had written over the past few days. It was called "Chasing your dreams bravely".

Her slender fingers danced on the black and white keys of the piano. The heart-cleansing music flowed out from her fingertips, bringing all the people present into the mood.

'They had never heard such a clear and bright piano piece before.

After the piece was finished, there was a long silence before thunderous applause broke out.

Even the judges could not help but applaud her.

One of the French judges even stopped her before she was graded and asked her, "Contestant Jiang Yu, I have read the information. You are not a piano student and you have not obtained a piano examination certificate. Why did you choose to participate in the competition?"

Jiang Yu smiled slightly and replied in fluent French, "I just have always maintained my love for the piano. This love has made me stand on this stage today."

“Who is the composer for this piece of music? I’ve never heard this piece of music before,” the judge asked again.

“It’s my own original piece,” Jiang Yu said. “I hope that everyone can be their own dreamers and never give up on their dreams.”

At the same time, Jiang Yu’s words were simultaneously typed on the screen by the translator.

‘When the audience saw Jiang Yu’s reply, they could not help but regain their courage and confidence. They wanted to continue pursuing their dreams.

‘The Russian judge nodded in satisfaction and lowered his head to give Jiang Yu a score.

‘Three minutes later, Jiang Yu’s score was out.

96.8 points, the best in the entire venue!

‘The audience erupted into thunderous applause. There were even people cheering and shouting Jiang Yu’s name, “Jiang Yu!”

More and more people also shouted, “Jiang Yu!”

‘The audience who was watching the live broadcast also slapped their own faces. They did not expect Jiang Yu, who came from a performing background, to be able to arrange her own music. She even relied on her own arrangement to get first place!

This was too amazing! It was not an exaggeration to say that she was a talented woman!

After the face-slapping, some people turned into fans and became Jiang Yu’s fans.

Please, having such a beloved idol is really super cool, okay? !

Jiang Yu seemed to have expected that she would get first place. She was not that excited. Instead, she smiled very calmly and said “Thank you’ to everyone.

Jiang Ran gritted her teeth as she listened below the stage.

She originally thought that her score was already very high. Although she could not get first place, she was still more than enough to beat Jiang Yu.

However, she didn’t expect Jiang Yu to actually get first place with her original piece!

Jiang Ran was very unconvinced.

‘When the award was presented, Jiang Yu took the trophy with a smile and politely said “Thank you” to the professor who was presenting the award.

“Such a polite and good child,” said the professor. “I hope that you can bravely walk on the path of the piano in the future and be able to shine.”

“Twill.”

Because Jiang Ran didn’t get the ranking and didn’t meet Wei Juan and Jiang Hai’s expectations, she didn’t dare to go back to the Jiang family.

After thinking for a while, she decided to find her fiancé, Sun You..

Chapter 265: I Am Your Fiancé

Jiang Ran went to the Sun family and found Sun You.

She told Sun You That Jiang Yu had won the first place in the piano competition. At the same time, she said with a grievance, "I am also very hard-working. Why can she, Jiang Yu, win the first place when I can't even get a rank?"

Sun You's impression of Jiang Yu still remained at the last banquet. She looked stunning. However, his fiancée was Jiang Ran after all. No matter how good-looking Jiang Yu was, he had to side with Jiang Ran.

"Why aren't you saying anything" Seeing that Sun You didn't respond, Jiang Ran thought that he didn't hear her, so she raised her voice and repeated what she had just said.

Sun You's eardrums hurt from her voice. He said impatiently, "She only just got first place. What's there to be fussy about?"

"What do you mean?" Jiang Ran saw his impatience and her anger rose.

"Tm your fiancée! Why are you still defending Jiang Yu?"

"Tm not defending Jiang Yu." Sun You didn't want to quarrel with Jiang Ran. After all, she was the daughter of a wealthy family from the capital... He would have to rely on her in the future.

Therefore, he said with a flattering smile, "Darling, what do you want me to do?"

"Hmph." Jiang Ran felt a little better after seeing him coax her.

She said, "She won first place and made me lose face in front of my parents. I have to think of a way to make her lose face too."

"Then what do you want to do?" Sun You Asked.

"Isn't she with Mo Long?" Jiang Ran remembered something.

"Mo Long did announce on the internet that Jiang Yu was his girlfriend, but other than that, he didn't say anything else. So if Jiang Yu thinks that Mo Long's feelings for her only exist in those illusory words that he said before, then their relationship will crack."

The meaning of her words was very obvious. Even if Sun You wanted to pretend that he didn't understand it, he couldn't.

On the other side, Jiang Yu didn't know that Jiang Ran and Sun You were secretly plotting against her. She was wholeheartedly happy that she had won first place and got the piano.

"You're that happy with a new piano?" Mo Long looked at Jiang Yu dotingly. "If you like it, I can buy you another better piano."

“This is different.” Jiang Yu blinked. “This is the prize I won from the competition on my own. The meaning is different.”

She wanted to prove herself and tell Jiang Hai and Wei Juan that even if they looked down on her, she was still very outstanding.

“Okay.” Mo Long was also happy to go along with Jiang Yu’s thoughts. He said, “As long as you like it, you can participate in such competitions in the future.”

“Got it.” Jiang Yu blushed.

Mo Long always looked at her with such doting eyes and always spoke to her in such a gentle tone, which made her unconsciously fall for his tender heart.

“Then, when you graduate...” Mo Long wanted to bring up that matter again.

“Okay, I got it!” Jiang Yu hurriedly interrupted him.

Seriously, why did he keep bringing up this matter recently.

Looking at her blushing little face, Mo Long was in a good mood. He wrapped his arms around her and kissed her deeply.

“Ugh...” Jiang Yu felt dizzy from Mo Long’s kiss. Her legs went soft and she almost couldn’t stand up.

Fortunately, Mo Long held Jiang Yu’s lower back in time and she was able to stand firmly.

After the kiss, Mo Long pressed himself against the tip of Jiang Yu’s nose and said in a hoarse voice, “Stay here tonight, okay?”

“Okay...” Jiang Yu was about to agree when her phone suddenly rang.

Jiang Yu picked it up and saw that it was Jiang Ran.

“Why is she calling?” Mo Long, who had his plans ruined, loathed Jiang Ran even more.

“I don’t know.” Jiang Yu picked up the phone and asked, “What’s the matter?”

“Our family is going to hold a banquet to discuss the marriage between Sun You and me. You’re the daughter of the Jiang family after all, so dad asked me to call you back.”

“Got it.” Jiang Yu frowned. “When?”

“Tomorrow night. Remember to call President Mo...”

“Why?” Jiang Yu didn’t understand.

“Isn’t he your boyfriend? If that’s the case, then come with us.”

Jiang Yu didn’t know what Jiang Ran was up to, so she didn’t ask further.

She just said “Got it” and hung up..

Chapter 266: Setup Banquet

Jiang Yu actually didn't like to attend banquets, but this was after all a family banquet organized by the Jiang family. And, they were discussing her sister's marriage in name. As the second miss of the Jiang family, she naturally had to attend such an occasion.

"You're here?" Jiang Ran glanced at Jiang Yu.

She was wearing a very plain dress today. It wasn't as dazzling as the previous banquet. She asked, "Why aren't you wearing the dress from the last banquet today?"

Jiang Yu found it funny that she was still brooding over the fact that she had stolen her limelight last time.

"Today's banquet is about your wedding, not mine."

Jiang Yu said, "Then what I wear doesn't seem to have anything to do with sister, right?"

"You? !" Jiang Yu was so brazen as to argue with her, and Jiang Ran was so angry that she choked in her throat.

Mo Long parked his car in the distance and walked over to Jiang Yu.

Jiang Ran quickly put on her fake smile and pulled Jiang Yu's arm. "Sister, you're here. Why don't you go in and sit? It's so cold standing outside."

Jiang Yu ignored her. She took Mo Long's arm and entered the house.

Jiang Ran's anger was about to explode from being ignored like this.

At the dining table, Jiang Hai asked Sun You a few questions. Sun You's answers were all very satisfactory to Jiang Hai.

"Uncle Sun and Auntie Sun have been too busy because of work recently, so they couldn't come to the banquet today."

Jiang Ran explained why Sun You was the only one attending the banquet today. "But if there's a chance in the future, we can make it official."

Her reason wasn't real, but Jiang Hai and Wei Juan didn't suspect anything. They seemed that they knew the reason why Sun You's parents couldn't come earlier than Jiang Ran did.

"Oh right, sister and President Mo have been together for a long time, right?"

Jiang Ran suddenly changed the topic to Jiang Yu and said, "Then when do you plan to get married?"

Jiang Yu paused with her chopsticks and looked up at Jiang Ran.

She finally understood why Jiang Ran wanted to bring Mo Long back from today's banquet.

"When Yu'er graduates, I will marry her."

Mo Long's mind was not on the banquet. When he heard Jiang Ran's question, he only replied indifferently.

“Graduate? That will take a long time. Isn’t President Mo afraid that something will go wrong?” The meaning of Jiang Ran’s words was very obvious.

This period of time wasn’t short. Jiang Yu or Mo Long, one of them might change his mind during this period of time.

Moreover, even if Mo Long announced on the Internet that Jiang Yu was his girlfriend, Li Yue, the movie queen, would always be the biggest obstacle.

Even if Mo Long said that the person he liked was Jiang Yu now, what about in the future?

If he wasn’t engaged, even the news of their marriage would only be confirmed after Jiang Yu graduated.

Did Mo Long really liked Jiang Yu?

That was impossible. It was just for a moment of novelty.

After a while, he would abandon Jiang Yu.

“Silly sister, no matter what, you must think it over before you do it.”

Jiang Ran tried to comfort Jiang Yu with good intentions, but what she meant was, “Take a look, Mo Long only gave you a moment of novelty. He only gave you a verbal promise.”

‘As expected, Jiang Yu put down her chopsticks and looked unhappy.

She said to Jiang Ran, “What do you mean by that?”

“What can I mean? I just hope that my only sister won’t be deceived by others.”

Jiang Ran hoped that Jiang Yu would quarrel with Mo Long when she got back. It would be best if they quarreled until everyone knew about it before they broke up.

“Jiang Ran.” Jiang Yu wasn’t going to let things go the way Jiang Ran wanted. “If you have the time, you should mind your own business first.”

With that, she pulled Mo Long to leave the banquet together..

Chapter 267: Formal Dress War

Aweek later, the selection for Best New Actress award was over.

Jiang Yu returned to her dorm after class and prepared to rest for a while and go look for Mo Long.

Not long after she sat down, someone called her ~~ it was Jiang Ran.

Jiang Yu didn’t want to answer Jiang Ran’s call because of the unhappy ending at the banquet last time, so she picked up the phone after a while.

‘As soon as the call was picked up, a woman’s cursing voice came from the other side, “Jiang Yu, that damn thing, why isn’t she picking up the phone...”

Wei Juan's voice stopped abruptly when she realized that Jiang Yu had picked up the phone.

"Hello, hello?" Jiang Ran's panicked voice came next.

"What's the matter?" Jiang Yu didn't want to talk nonsense with Jiang Ran.

"Tomorrow is the 'Best Newcomer Award' ceremony. Mom wants you to come back and choose a dress."

. Got it."

Choose a dress? It was impossible for her to be so kind. Just look at the last banquet and you'll know.

"also, this time, mom personally chose the dress. Even if President Mo gave you a new dress, you shouldn't wear it."

Jiang Ran specifically brought up this matter.

"Okay," Jiang Yu replied indifferently.

She knew that Jiang Ran was afraid that she would steal her limelight.

"Okay, I'll hang up if there's nothing else." Jiang Ran didn't want to talk to Jiang Yu anymore, so she quickly hung up.

Not long after, Mo Long also called Jiang Yu. "Yu'er, the award ceremony is tomorrow. Are you coming to my place tonight?"

Jiang Yu pinched the space between her brows and said, "I'm afraid I can't go today. They want me to go back and pick out a dress."

"Dress? I've already bought it for you. I'll get Teng Yi to send it to you now."

"Don't send it to me," Jiang Yu quickly refused.

"What's wrong?" Mo Long was puzzled. Why did she suddenly not want his things?

Jiang Yu sighed and told Mo Long everything that Jiang Ran had told her on the phone.

Mo Long burst out laughing.

"What are you laughing at?" Jiang Yu puffed her cheeks to express her dissatisfaction.

"Someone already told your girlfriend not to wear the clothes you gave her, yet you're still laughing."

"This shows that my Yu'er is naturally beautiful and they're ashamed of themselves."

"Then all the more reason to do what they should do."

Jiang Yu was helpless against Jiang Ran's actions. "She's acting like a child."

"Yu'er doesn't have to mind her."

"Okay."

At night, Jiang Yu returned to the Jiang residence. Jiang Ran handed a brand new gown to Jiang Yu.
“Here, go and try it on.”

Jiang Yu glanced at it. The label was still on it, and it looked like it was indeed a new gown.

“Thank you.” Jiang Yu took the gown and smiled at Jiang Ran.

It was as if the unpleasant incident at the Jiang family hadn’t happened at all.

“You’re welcome.” Jiang Ran turned her head away guiltily.

Jiang Yu took the gown back to her room. When she opened it, she immediately sneered.

She knew that Jiang Ran and Wei Juan wouldn’t be so kind.

Even if it was a new dress, it was only an old style from a few years ago. It couldn’t be compared to the current dress.

Moreover, it was a dress with a few simple blue patterns. It was probably not very popular at that time.

“But it looks pretty good when you look at it carefully.” Jiang Yu compared the dress in front of her in the mirror.

She took off her dress and put it on.

Although it was an old style, the stitching was not bad and the patterns were exquisite. It seemed that Wei Juan and her daughter had chosen it seriously so that they would not be gossiped about.

‘The most important thing was that this was a waist-retracting design. It should have been able to outline Jiang Yu’s waist very well so that her perfect figure could be better displayed. However, the size was obviously too big. Jiang Yu looked like a child who was wearing adult clothes.

Jiang Yu looked at the dress and had already thought of a way.

Jiang Ran, who was downstairs, did not know. She thought that the old and big dress that she had chosen for Jiang Yu would embarrass her at the award ceremony tomorrow..

Chapter 268: Rallying Votes On The Spot

In the blink of an eye, it was the award ceremony for the Best New Actor’s Award. Li Lu dressed herself up beautifully as she stood at the entrance of the venue.

‘When people saw her and knew that she was the sister of the movie queen, they couldn’t help but compliment her.

“aiyo, the sister of the movie queen is really different.”

“How can others compare to the sister of the movie queen?”

Li Lu was very pleased with these words. She looked proudly at a luxury car that was slowly approaching from afar.

The car stopped and Jiang Yu got out.

Li Lu looked at her, paused for a moment, and then smiled.

“You still have the nerve to come to the award ceremony?”

Li Lu muttered to herself in disdain. When Jiang Yu walked over, she stopped her.

“Jiang Yu, you came to the award ceremony dressed like this?”

Jiang Yu looked at her. “This is an award ceremony, not a beauty contest. I don’t think there’s a need to dress up so nicely.”

“But don’t you feel embarrassed dressed like this?”

Li Lu looked at Mo Long, who was beside Jiang Yu, and smiled. “Brother-in-law, aren’t you going to buy a set of clothes?”

Li Yue played with the ring on her finger. When she saw Jiang Yu’s face appear on the big screen, the corners of her mouth curled up into an imperceptible sneer.

After the emcee finished reading out the names of the nominees, he didn’t immediately reveal who had won the best new actor’s award. Instead, he proposed the idea of rallying votes on the spot.

“Rallying votes on the spot?” Li Lu was stunned. She did not expect the host to suggest this.

“Of course, rallying votes on the spot is not compulsory. It depends on your own wishes.”

The host decided to leave a suspense. “After rallying votes on the spot, who will win this new actor’s award? Let’s wait and see!”

The finalists seemed to be a little uncomfortable performing on such an occasion, so no one was willing to sign up.

“No one?” The host seemed to be a little disappointed. “Then it’s time to count the votes...”

“Wait a minute, I’ll join.” Someone stood up and said. Everyone looked closely — it was Li Lu.

She was already ranked first. If no one participated in the live rallying activity, then this “Best New Actor’s Award” would definitely belong to her. Why would she participate in another live canvassing activity?

“I’ll participate too.” Another person stood up.

Everyone looked and found that that person was Jiang Yu, ranked fourth.

Was this a competition between first and fourth place?

It seemed that it was hard to say who would win the new actor’s award..

Chapter 269: Live Performance

Li Lu did not expect Jiang Yu to actually dare to participate in this segment. She was momentarily distracted.

However, she quickly calmed down and walked onto the stage with Jiang Yu.

Li Lu whispered to Jiang Yu, "Jiang Yu, stop struggling. Whether you participate in this segment or not, you will never be able to surpass the second and third places to replace me."

Jiang Yu also imitated her and whispered, "Since you are so confident that you can win this award, why do you still want to participate in this segment?"

"I want to participate. Even if I am the first place, I still want to participate. I want to surpass all of you. I want to let all of you know that all of you will never be able to compare to me."

Jiang Yu smiled helplessly and did not comment on Li Lu's character.

The host originally thought that no one was willing to participate. In the end, Li Lu, who was ranked first, took the initiative to sign up for this segment. She even brought Jiang Yu, who was ranked fourth.

"Good! Then who will be the first to rally for votes?" The host asked.

"I'll go first." Li Lu stepped forward first. "I'm the first to participate. Naturally, I'll go first."

She turned around and looked at Jiang Yu proudly, as if to say to her, "See, Jiang Yu, no matter what, you can only be behind me."

"Yes." Jiang Yu smiled slightly and sat in front of the piano, starting to play as smoothly as flowing water.

The black and white piano keys collided with each other, producing a clear and melodious sound. It was even clearer and louder than normal piano music.

"Is it just playing the piano?"

Li Lu said disdainfully, "Jiang Yu, you really can't make me look at you in a different light."

Just when everyone thought that there would be no other performances after Jiang Yu's piano piece ended, she suddenly stood up and stood in the middle of the stage.

This time, not only Li Lu and the audience, even Mo Long, who had been watching Jiang Yu from backstage, did not know what Jiang Yu was going to do next.

Jiang Yu was still wearing the dress that did not fit her well.

She stretched out her hand to pull open the dress, revealing the performance dress that she had already prepared.

It was a dress from a minority ethnic group. It was dark red with a hint of dark green, low-key but high-end.

Wearing it on her, not only did it show off Jiang Yu's perfect figure, it also accentuated her temperament.

Chapter 270: Brave Wins First Place

Jiang Yu played a classical song on her phone and pointed the microphone at her own phone.

For a moment, the entire venue was surrounded by this song.

Jiang Yu followed the rhythm of the song and slowly stretched her body.

She raised her arms high and made difficult movements. Her fingers were also very flexible and made various postures to add to her dance.

Jiang Yu's waist was soft and slender, as if she could be held with one hand.

Her dance was beautiful, and the audience was more immersed in Jiang Yu's dance than they were in the song of Li Lu.

After the dance, the audience was still immersed in the aftertaste of Jiang Yu's dance, unable to extricate themselves.

"Good... Good dance!"

After an unknown period of time, the host suddenly exclaimed, "I didn't expect Jiang Yu to be so talented in dance!"

"You flatter me." Jiang Yu smiled politely. "I practiced these in my spare time and didn't learn them systematically. Please don't take offense if I don't dance well."

"Of course not!" An artist below said, "You dance very well!"

Li Lu tried a few times but couldn't find the result. She couldn't help but feel a little flustered.

But she still forced herself to hold on, praying in her heart that she would be the final winner.

"The winner of this year's best new actor's award is —"

The host opened the brocade bag and read out the name that people had been waiting for for a long time. "Jiang Yu! The shortlisted work is — 'The Main Melody of Youth'!"

"Boom —" Li Lu seemed to have been struck by lightning.

"This is impossible!" She lost control, as if doubting the authenticity of this result.

"How can Jiang Yu be first?!"

She had clearly made such a bold statement earlier, saying that she was first.

She had not expected that Jiang Yu would snatch first place!

Wasn't this a slap to her face?

However, Jiang Yu was not surprised that she took the first place, as if the matter was under her control.
