

Older Man 271

Chapter 271: Awards Ceremony

Jiang Yu? ... how could it be Jiang Yu? !

“Impossible!” Li Yue who was below the stage almost couldn’t sit still. She couldn’t believe it. “How could it be Jiang Yu? !”

She had clearly checked the rankings earlier and this Jiang Yu was still in fourth place.

How did she manage to surpass second and third place in just a small live performance and snatch first place from Li Lu?

She had witnessed Li Lu’s strength, but she was actually overtaken.

Could it be that this Jiang Yu who became a monk halfway through was even stronger than Li Lu?

“Let us congratulate Jiang Yu! “The host was very excited. “Now, let’s invite Jiang Yu up to the stage to receive the award!”

Jiang Yu bowed slightly to the audience below the stage and then walked towards the podium in a graceful manner.

“Next, let’s welcome our honored guest — Mo Long!”

‘When the host called out this name, the venue erupted into thunderous applause once again.

‘As Jiang Yu’s award-winning work was “The Main Melody of youth,” and Mo Long was the film’s biggest investor, he became the honored guest for this award.

This was more than the number of fans that had increased after filming two movies!

“Damn it!” Li Lu was unconvinced. “Why did I let Jiang Yu steal my limelight again!”

Jiang Yu did not know what Li Lu was thinking, but from the way she looked at her unconvinced, Jiang Yu knew that she was dissatisfied with her.

The atmosphere on the stage looked very harmonious on the surface, but behind the scenes, it was already very tense.

Jiang Ran, who was sitting in the corner below the stage, was also furious.

‘What was going on with Jiang Yu? !

She won the award and gave an acceptance speech, but she did not mention the Jiang family at all? !

She did not even mention her sister, who had been working hard all this time? !

She had really raised her in vain!

She had thought that Jiang Yu had unexpectedly won this award and that she would be able to rely on her to earn some resources. She had not expected that she would not even mention her family!

No, Jiang Ran took out her phone.. She had to tell her father so that he would know what kind of person she had raised after such a long time!

Chapter 272: Celebration Feast

'The news that Jiang Yu had won the best new actor's award quickly spread on the Internet, and everyone in the school knew about it.

Some people knew that Jiang Yu was Jiang Ran's sister, so they thought that if they couldn't talk to Jiang Yu, then it would be good to talk to Jiang Ran.

"Jiang Ran, your sister won the best new actor's award, so you should be proud of her too, right?"

It would have been better if she didn't mention this, but when she did, Jiang Ran's heart was burning with anger.

"Yeah, I'm really happy for her that she won this award." Of course not!

Kang Xue Walked past Jiang Ran's classroom door. When she heard this, she sneered in her heart.

Kang Xue had originally planned to participate in the last international piano competition, but after she heard that it was just a friendly exchange competition, she gave up on this idea.

"It's not a big competition. It's far from being worthy of my status," Kang Xue said to the person beside her.

"But that Jiang Yu also participated," someone told Kang Xue the news.

Kang Xue didn't care. "She's from a mountain village. She can only participate in such a competition."

She originally thought that those music majors who participated in this competition would be able to get first place no matter who they were.

However, she did not expect Jiang Yu to get first place in the end.

"It's just getting first place in the piano competition and getting a rookie award. There's nothing to brag about."

Kang Xue was disdainful. "As long as I want, I can get first place in any level of piano competition."

Kang Xue did not like Jiang Yu and looked down on Jiang Ran from the bottom of her heart.

Lu Qi and the others were also watching the live webcast that day. When they heard the host say Jiang Yu's name with their own ears, they were so happy that they jumped up and almost overturned the table.

"Jiang Yu, in order to celebrate you getting first place, we have organized a celebration party for you.

"Tian Guo sent a wWchat message to Jiang Yu. "Tonight at six o'clock, remember to come."

'When Jiang Yu saw this message, she remembered that she had an appointment with Mo Long tonight, so she replied, "Sorry, I have an appointment with my boyfriend today."

Tian Guo was a little disappointed. She wanted to reply, "Okay." However, Lu Qi tagged Jiang Yu in the group and said, "Remember to come to the celebration party tonight. If you have an appointment with your boyfriend, bring your boyfriend along."

It seemed like a good idea.

Jiang Yu called Mo Long and told him what Tian Guo and the others were thinking.

She asked, "Do you want to go with me to the Celebration Feast tonight?"

Mo Long replied, "Of course I want to go with you."

Therefore, the matter was set in stone.

In the evening, Jiang Yu packed up and prepared to go to the seat that Tian Guo had sent her. Jiang Li saw this and asked, "Where are you going?"

"My friends have prepared a celebratory feast for me. Do you want to go together?"

"I'm not going." Jiang Li shook her head. "There's a test coming up. I have to study hard."

"Okay, you must take care to rest. Don't try to be brave." Jiang Yu still remembered the incident when Jiang Li suddenly fainted at the door.

"Okay."

Li Lu, who was in her bedroom, heard the conversation between Jiang Yu and Jiang Li. She found Jiang Ran in her wechat friend list and told Jiang Ran everything that Jiang Yu had just said.

'When Jiang Ran saw those messages, she felt that Jiang Yu really didn't put the Jiang family in her eyes. Therefore, she immediately returned to the Jiang family and planned to tell Jiang Hai about Jiang Yu..

Chapter 273: The Villains Complaining First

Jiang Ran returned to the Jiang family home. Jiang Hai and Wei Juan were about to have dinner.

Wei Juan was both happy and surprised to see her daughter back.

"Why did Ran Ran come back?" Wei Juan asked.

"Don't mention it. It's all because of that Jiang Yu!" Jiang Ran threw her bag on the sofa unhappily.

"I think she's looking down on our family more and more!"

"What's going on?" Wei Juan quickly put down her chopsticks. "How did that Jiang Yu bully you again?"

Jiang Ran then told Jiang Hai and Wei Juan everything that had happened in the past few days.

After Jiang Hai heard it, he threw his chopsticks and couldn't eat the meal anymore.

"Treally raised her for nothing!" Jiang Hai was furious. "She didn't even tell the family when she won an award?"

"Exactly." Jiang Ran wanted to add fuel to Jiang Hai's anger.

"When she won the award, she didn't mention the Jiang family at all. She didn't even invite us to today's celebration party. Isn't it obvious that she doesn't treat us as her family?"

"Yeah, look at what an ingrate you raised." Wei Juan also added fuel to the fire.

"Before things developed, she already hooked up with Mo Long. She doesn't put you, her father, in her eyes at all. Tell me about this ingrate. Why did you raise her?"

Jiang Hai's face darkened and he didn't say a word.

Wei Juan and Jiang Ran didn't dare to say anything.

Jiang Hai was silent for a while, then he got up and went upstairs without saying a word.

Wei Juan and Jiang Ran looked at each other. They didn't know what Jiang Hai was thinking, but it was clear that Jiang Hai was already disappointed in Jiang Yu.

"Mom," Jiang Ran came to Wei Juan's side, she said, "I think you and my dad have to be careful of this Jiang Yu. She hasn't even married Mo Long yet, and she's already starting to look down on us. What about after she gets married? What will she do to the Jiang family?"

"Yeah." Wei Juan felt that Jiang Ran's words were very reasonable.

"She hasn't even gotten married yet, and her elbow has already turned outside. What if she gets married?"

"That's right. If we got married, it would be even more impossible for us to side with the Jiang family."

Jiang Ran said, "Mom, I'm going to get married to Sun You soon. It's the same for our Jiang family if we rely on the Sun family. But after Jiang Yu marries Mo Long, she definitely won't help the Jiang family anymore. So... Why don't we make Mo Long hate Jiang Yu? What do you think? "his way, when they break up, our Jiang family won't be controlled by Jiang Yu anymore."

Wei Juan felt that Jiang Ran's method was very good. At the same time, she was also touched that Jiang Ran had always thought of the Jiang family, she said, "Okay. Ran Ran, Ah, you're the daughter of the Jiang family. In the future, the Jiang family will still have to rely on you. You're not like Jiang Yu, that shameless ingrate. Even if she wins the award, she won't be able to bring any benefits to the Jiang family."

"Mom, no matter what, I'm still the daughter of the Jiang family. In the future, you and my dad can rely on me to support your retirement. We can't count on Jiang Yu, that ingrate."

"Yes, yes."

Wei Juan was responding to Jiang Ran when she suddenly saw Jiang Yu push the door open and walk in.

"You? ! Didn't you go to the celebration banquet?"

Jiang Ran didn't expect Jiang Yu to come back so soon. She was afraid that she would hear what she had just said to Wei Juan, so she didn't know what to say.

"How did you know that I went to the celebration banquet?" Jiang Yu asked her.

Although it was a question, Jiang Yu could more or less guess that it was Li Lu who told Jiang Ran.

Even if Li Lu also looked down on Jiang Ran, the two of them had a common enemy, and that was Jiang Yu.

Jiang Yu didn't know what to say either. She could only smile helplessly and lament over their childish ways..

Chapter 274: New Drama Resource

"L... [heard it from someone else," Jiang Ran stammered as she explained.

Jiang Yu didn't expose her lame excuse and went straight upstairs. She said, "I just came back to get some things. I'll be leaving in a while."

"Oh... oh." Jiang Ran now hoped that Jiang Yu would leave as soon as possible.

Jiang Yu followed her wishes and took a few clothes before she left.

Only then did Jiang Ran heave a few sighs of relief. She was afraid that Jiang Yu had just heard her petty tricks.

The next day, Jiang Yu was resting in her dormitory. Dai Zhu tagged her in the wechat fan group and said, "Jiang Yu! The 'Best New Actor's Award' also has a follow-up benefit! That is, resources for a new drama!"

'The moment she said that, the group immediately went into an uproar.

Tian Guo: "Really? What kind of drama is it?"

Dai Zhu: "I heard that it's a historical drama. The female lead is the movie queen, Li Yue! The role that the director gave Jiang Yu is the second female lead. It's also very important!"

Lu Qi: "Hey, Hey! Dai Zhu, whose fan are you now?"

Dai Zhu: "I know! I'm a fan of Jiang Yu! But this series is really a big production! Many investors have invested in it!"

Lu Qi said to Jiang Yu: "Little Yu, what do you think?"

New drama resource? The female lead is the movie queen?

Then this was really a great opportunity.

Jiang Yu replied: "This is a good opportunity. I will work hard and definitely won't let you guys down."

Her words were like a tranquilizer, instantly calming everyone in the group.

At this moment, a director called Jiang Yu. "Hello? Jiang Yu? I'm the Executive Director of the new series, 'Ruyi'."

Jiang Yu politely replied, "Hello, Director."

"Filming will start in a few days, so we need you to come to the production team in the next few days. Let's meet and get to know each other. Then, we can discuss and revise the script together."

"Alright," Jiang Yu readily agreed.

Jiang Yu and the director made an appointment for next Monday.

On Monday, Jiang Yu got dressed and took a car to the production team.

'When they arrived at the set, the director first introduced the female lead, Li Yue, and the male lead, Hu Xuan. Then, he introduced the second female lead, Jiang Yu, and the second male lead, He Zhen.

Hu Xuan was the winner of this year's Best Actor award.

For the sake of the popularity of the drama, the director chose Li Yue and Hu Xuan to star in the drama.

"Everyone, read the script first. If there's anything inappropriate, bring it up. When the time comes, we'll change it together."

The director gave everyone a pile of paper. "When you read it, you have to figure out the character that you're going to play."

Jiang Yu flipped open the script and began to read it carefully.

The female lead of 'Ruyi' was called Ruyi, but her life was not like her name. Instead, she didn't have things her way all the time.

First, there was an accident at home and she was reduced to a beggar. Then, she was framed for stealing and caught by the officials.

Because she refused to confess, she was beaten to death by the bailiffs.

After her death, her soul unexpectedly attached itself to a jade pendant and she transformed into a human form with the help of the spiritual energy of Heaven and earth.

She used this new body and the ability she obtained by accident to avenge herself.

Jiang Yu was still carefully reading the script when Li Yue threw the script on the table and said, "I can't play this role."

The director hurriedly asked, "What's wrong?"

Li Yue said, "I can't act as a beggar. Although I want to act in some other roles to change everyone's impression of my character, I really can't act as a beggar. So I hope that the screenwriter can change the previous scenes of the female lead."

The screenwriter looked troubled and said, "But if you change it like this, the workload will be huge. And after you change it like this, the roles of the female and male supporting roles, and even the male lead's scenes, will change."

Li Yue still insisted on letting the scriptwriter change the roles. "I still say the same thing. If you change it, I can act. If you don't change it, I can't act."

"This..." The scriptwriter turned his gaze to the director for help..

Chapter 275: Won The Female Lead

The director was also in a difficult position and said, "Yeah, not to mention the huge workload, the roles of the other roles might change."

Li Yue saw that neither the director nor the scriptwriter were following her thoughts, so she put on her sunglasses and prepared to leave.

"Forget it. Since the director doesn't sincerely want me to act as the female lead, then I'd better be tactful and leave. What do you think, director?"

She wasn't joking. The director could tell from her tone.

Although the investors didn't specify who would act as the female lead, Li Yue was the movie queen after all.

Letting her act as the female lead in his drama would definitely sell like hot cakes.

But he really had no way to resolve this conflict.

Seeing that the director didn't answer, Li Yue naturally wouldn't relent. She said, "Then I'll leave first. You guys can find someone else for the female lead in this drama."

Just like that, the female lead position in 'Ruyi' was vacated.

"What should we do?" The director was in a dilemma. It would have been fine if the position had been vacated, but it just so happened that the female lead position was vacated.

For a moment, everyone at the scene fell silent.

Suddenly, the scriptwriter walked in front of the director and whispered, "Jiang Yu won the 'Best New Actor's Award' a few days ago. Director, do you think we should let Jiang Yu take the female lead position?"

"Are you sure?" The director couldn't believe it. "The personality of the female lead and the supporting actress are completely different. Can Jiang Yu change from the personality of the supporting actress to the female lead?"

The screenwriter trusted Jiang Yu and said, "We can let her try first."

The director looked at Jiang Yu and said, "Jiang Yu, are you willing to try out the female lead?"

“Eh?” Jiang Yu didn’t expect the director to choose her as the female lead, but there was no reason for her to refuse, so she said, “I can give it a try.”

“Okay!” The director immediately brought Jiang Yu to the audition room.

“Let me tell you about the scene that you’re auditioning for. It’s when the female lead was framed for stealing when she was reduced to a beggar in the early stages. You need to act out the panic and helplessness that she felt at that time, understand?”

“understand.” Jiang Yu had just read the script carefully and knew which scene the director was talking about.

“Do you need me to find someone to act with you?” The director asked kindly.

“Sure.” Jiang Yu didn’t refute the director and accepted it gladly.

The director called Hu Xuan and He Zhen over and asked them to act as the bailiffs of the police force. The scene was to push the female lead played by Jiang Yu to the ground.

Hu Xuan was afraid that he would hurt Jiang Yu if he used too much force, so he thought that he could just push her lightly.

He did not expect that Jiang Yu would fall to the ground as soon as his hand touched Jiang Yu who put on a pained expression.

He Zhen read his lines from the side. “Where did this little beggar come from? ! How dare she steal from me? !”

Jiang Yu looked up again. Her eyes were already red and tears were welling up in her eyes.

“It wasn’t me... It wasn’t me!” Jiang Yu shook her head desperately. “It really wasn’t me!”

She had a pitiful expression on her face and she couldn’t help but want someone to protect her and stand up for her.

“Alright!” The director couldn’t help but applaud Jiang Yu. “Jiang Yu’s acting is very good! It’s decided then. Jiang Yu will take over Li Yue’s position and act as the female lead as she pleases!”

“Director, you’re too kind.” Jiang Yu stood up and dusted herself off before returning to her seat.

“Tannounce that the female lead of ‘Ruyi/’ will officially be Jiang Yu!”

Chapter 276: New Drama Commence Shooting

The news that Li Yue refused to act as the female lead in “Ruyi” spread on the internet.

After everyone was surprised by the reason why the movie queen refused to act, they began to speculate on who would take over Li Yue’s position.

Very soon, someone posted a post saying that the person who took over the position of the female lead was Jiang Yu, who had recently won an award.

Some of them were fans of Jiang Yu and some felt that she was good enough to be the female lead because they had seen her movie. Therefore, they all supported her in the post. "I believe that everyone has witnessed Jiang Yu's strength. I think it's perfectly fine for her to be the female lead."

There were voices of support, but there were also voices of opposition. "No way. Just because of a New Actor's award, does it give you such great confidence in Jiang Yu's strength?"

"That's right. This role is just a resource that our movie queen don't want. Why are your fans so happy just because Jiang Yu took it?"

Jiang Yu's fans also started to fight back. "Then why did the movie queen give up this role? Could it be that she felt that she couldn't play it, so she gave it up?"

Li Lu saw these comments online and immediately posted a post. "My sister gave this role to Jiang Yu because she wanted the newbies to grow better."

'When she said that, the wind on the internet immediately blew towards Li Yue, saying that she was really generous. She gave up her own resources and was willing to nurture the newbie.

'When Li Yue saw these words, she was also very pleased with herself.

When the filming of Ruyi' started, many people started to pay attention to this news. Jiang Ran was no exception.

She had initially been agonizing over how to make Mo Long hate Jiang Yu. Now that this new scene had started filming, wasn't this a ready-made opportunity?

Jiang Ran changed into her usual clothes and went to the periphery of the set. She held up her phone and waited for Jiang Yu to appear.

She was worried that Jiang Yu would recognize her, so she even wore a hat and wrapped herself up tightly.

"I think acting the part here this way would be better."

Jiang Ran heard Jiang Yu say, "Hu Xuan, what do you think?"

"I think you changed it very well. Go tell the director."

Jiang Ran stood on her tiptoes and saw Jiang Yu holding the script and talking to the male actor beside her.

She quickly pointed her camera at the two of them and started shooting crazily. Regardless of whether it was a blurry or clear picture, she just shot randomly and left silently.

"[I think I heard the shutter sound of my phone taking a picture just now."

Jiang Yu looked up, but she didn't see any suspicious people around her. "Did I hear it wrong?"

Hu Xuan also looked up and didn't see anyone, so he said, "Did I hear it wrong because I was too tired from shooting recently?"

“Maybe.” Jiang Yu couldn’t tell what she was feeling, but she still felt that she didn’t hear it wrong. Someone must have hidden in a corner and secretly took a picture.

Jiang Ran looked at the photos on her phone and deleted all the blurry ones. She edited all the clearer ones and posted them online. She also anonymously posted a post about Jiang Yu having intimate contact with other male actors on set, she clearly had a boyfriend, but she didn’t know how to avoid suspicion. It seemed that she wasn’t a good woman.

As soon as this post was posted, it received tens of millions of views in just half an hour. Tens of thousands of people crazily forwarded the post.

Jiang Yu, who was involved in the matter, did not know about it. She was still focused on filming on the set, not slacking off in the slightest...

Chapter 277: A Fake Scandal

When Jiang Yu saw the post, it had already been a few hours. It had already received hundreds of millions of views and tens of millions of retweets.

Some netizens who originally hated Jiang Yu seized the opportunity to criticize Jiang Yu and immediately displayed their years of skill on the Internet. Their fingers typed rapidly on the keyboard.

“I knew this Jiang Yu isn’t a good person. She clearly has a boyfriend, but she’s still so close to other male actors? Seriously, what’s the culture in the entertainment industry these days?”

“Exactly. Could it be that Mo Long dumped Jiang Yu? In order to consolidate her position, is that why she’s so quick to climb up to a new power?”

There were also people who believed Jiang Yu and felt that she wouldn’t do such a thing. “How is that possible? She’s obviously discussing the script with the other male actors in the production team?”

“That’s right. Mo Long and Jiang Yu didn’t post a breakup, so how could there be a rift in their relationship? Don’t use your malice to speculate others, okay?”

The two groups of people on the internet were quarreling intensely. Jiang Yu looked at the post and already had a rough idea of who that person was.

Li Yue and Li Lu wouldn’t do such a childish thing.

‘And besides Jiang Ran, there wouldn’t be anyone else who had a grudge against her.

She knew that she didn’t hear wrongly at that time. There was indeed someone secretly taking photos of her in a secret corner, and that person was Jiang Ran.

Jiang Yu knew what Jiang Ran’s motive was — wasn’t it to sow discord between her and Mo Long?

She had heard everything that she said to Wei Juan at the Jiang family that day.

It was just that such a method was too childish. She had thought that Jiang Ran was just saying it and would not really do it.²

She did not expect that she would start making a move so soon.

“Jiang Yu!”

Hu Xuan also saw the post. He quickly found Jiang Yu and said, “The news about us on the internet is getting crazier and crazier. We have to clarify this matter quickly.”

‘As a bystander, He Zhen saw this matter very clearly.

“But the news on the internet is so hot. If you explain it now, it will only make it worse.”

Hu Xuan was in a mess. “Then what should we do? We can’t just let them pass it on, right? This will affect both Jiang Yu and me in the future!”

He Zhen comforted him, “Don’t worry, don’t worry. There will be a solution.”

Jiang Yu didn’t say a word. She was thinking of a way to deal with it.

Soon, she put on a smile and said to Hu Xuan, “Alright. We still have to film in the afternoon. Don’t let this affect your mood now.”

Hu Xuan looked at the calm Jiang Yu in disbelief and said, “Aren’t you in a hurry? This is related to your innocence!”

“I know.”

Jiang Yu said, “But I believe that these rumors will be broken.”

Hu Xuan didn’t say anything more when he heard Jiang Yu say that.

He could only gather his emotions and dive into the afternoon’s filming.

Jiang Ran, who was the mastermind behind all of this, was still feeling smug. She felt that by doing so, she would definitely succeed in driving a wedge between Mo Long and Jiang Yu.

In order to make her plan smoother, she even asked her father, Jiang Hai, to contact Mo Long.

“President Mo, please don’t mind that post on the Internet.” Jiang Ran spoke up for her sister out of kindness.

“Xiao Yu was discussing the script with the actor. It’s not what the Internet said. You must believe Xiao Yu.”

Mo Long replied coldly, “Yes.”

Hearing Mo Long’s tone, Jiang Ran felt that he was already suspicious of Jiang Yu, which was why he was in such a bad mood.

However, it was only because Mo Long didn’t want to talk to Jiang Ran that he had such a cold attitude..

Chapter 278: Falls Apart On Its Own

After the filming ended that night, Jiang Yu returned to the hotel and gave Mo Long a call.

“Did you see the post on the Internet?” Jiang Yu asked.

Mo Long replied, “I saw it.”

Jiang Yu asked again, “Then what do you think?”

“Tbelieve you.”

This sentence successfully curled up the corners of Jiang Yu’s mouth.

She told Mo Long everything that happened on the set this morning and said, “I know Jiang Ran was the one who did this.”

“She had discussed it with her mother before and wanted to think of a way to sow discord between us.”

“T thought she was just saying it and wouldn’t really do such a childish thing.”

“T didn’t expect that she would really do it.”

“T know. She even asked Jiang Hai to contact me today and told me not to care about what happened on the Internet.”

“She’s trying to set up a good sister persona.” Jiang Yu curled her lips.

“How are you going to clear up this rumor?” Mo Long asked.

“Ineed your help to clear up this rumor.”

“Okay.” Mo Long didn’t know how Jiang Yu was going to clear up this rumor.

But he chose to trust her unconditionally and would support her no matter what she did.

‘The next day, Jiang Yu posted a new post on the internet.

On the third day, the content was two pictures: one with her hand in the shape of a semi-heart, and the other with a man’s hand in the shape of a semi-heart.

She tagged Mo Long under the picture and captioned, “It’s so good to have you in this world.”

As soon as this post was posted, people immediately liked and retweeted it crazily and added, “This is true immortal love, okay?”

Li Lu saw this post and gritted her teeth in hatred.

She immediately called Li Yue. “Sis! Look at that Jiang Yu! Not only did she steal your boyfriend, but now she dares to show off her love in such a presumptuous manner? !*”

Li Yue was not as impatient as Li Lu and said, “Lulu, don’t get involved in this matter.”

“To Mo Long, Jiang Yu is just a momentary novelty. He will get tired of her after some time.”

“When the time comes, he will find out who is his true match. He will give up on Jiang Yu and come to me.”

Li Lu was slightly relieved when she heard this. She said, "Okay, I knew it. Sister, you won't give brother-in-law away so easily."

Compared to Li Lu and Li Yue's calmness, Jiang Ran was the one who couldn't sit still the most when she saw the thread.

'What was going on? ?! When she called Mo Long Yesterday, didn't he already suspect Jiang Yu? ! !

Why did he cooperate with Jiang Yu to clarify this rumor today?

Could it be that when she called Mo Long yesterday, Mo Long was just perfunctory to her?

Jiang Ran was thinking angrily when she suddenly received a call from Jiang Yu.

"Hello? What's the matter?" Jiang Ran asked with some guilt.

"Nothing much," Jiang Yu replied calmly.

"I'm just telling you that there are some things you can do and some things you can't do."

"Even if you want to do it, you have to do it secretly. Don't tell anyone else. Otherwise, if anyone hears it, your plan might be ruined, right?"

"What, what are you talking about?" Jiang Ran decided to play dumb. "I don't understand what you're talking about."

"It's good that you don't understand." Jiang Yu didn't expose her lie.

"You should be more careful in the future. Don't let others catch you."

"You..." Jiang Ran didn't know how to continue talking to Jiang Yu, so she hung up the phone hurriedly.

Jiang Yu, who was hung up, was not angry either. She opened the thread she had posted again.

Mo Long commented below, "It's not that the world is beautiful, but that the world is beautiful with you.."

Chapter 279: Huge Lie

Jiang Ran was unhappy that her plan had failed, so she called her fiancé, Sun You.

"What's wrong?" Sun You Asked.

Jiang Ran told Sun You everything that had happened today. She said aggrievedly, 'What do you think is going on with Jiang Yu?'

Jiang Ran still didn't know her real identity, so Sun You didn't tell anyone else about it.

Apart from Sun Miao, he didn't even tell anyone about Jiang Ran.

Since Jiang Yu had already relied on Mo Long, his last trump card was Jiang Ran.

comment

He would never let Jiang Ran escape from his hands.

'Jiang Yu relied on Mo Long, so her strength is definitely not to be underestimated.'

Sun You said, "You don't have to be sad. I'm here."

"I'm here, my dear."

Jiang Ran was very touched by Sun You's words. "You love me the most."

"Mhm." Sun You comforted Jiang Ran gently and soothed her emotions.

Jiang Yu relied on Mo Long's strength. If Jiang Yu and Jiang Ran were taken back at the same time, then the final balance of the Kang family would definitely lean toward Mo Long. Then, all his plans would be disrupted, his own interests would also be greatly reduced.

Therefore, he absolutely could not allow Jiang Yu to be recognized. The only person who could be recognized by the Kang family was Jiang Ran!

1

If one day, Jiang Yu's identity was really discovered.

Then, he only needed to expose that the eldest daughter of the Kang family back then did not have twins at all.

Thinking of this, Sun You's tone towards Jiang Ran became even gentler. He said, "My dear, don't be afraid. I have always been by your side."

The more he said this, the more Jiang Ran liked him.

In the end, she even felt that Sun You was the right man for her.

If she could not marry Sun You in this life, then she would never meet another man who loved her as much as he did.

And she would not know that Sun You's feelings for her were all based on her identity as the eldest daughter of capital.

There were no real feelings, only endless benefits.

"My dear, with you behind me, I will feel much more at ease," Jiang Ran said emotionally.

"I'll always be there. You can completely trust me on this," Sun You said.

Jiang Ran was still immersed in the happiness that she imagined, while Sun You was already thinking about the next step of his plan.

At the same time, Wei Juan was also immersed in such a beautiful dream.

She was also like Jiang Ran, immersed in the future that she had woven — Jiang Ran and Sun You getting married, leading the Jiang family to a bright future.

As for Jiang Yu, regardless of whether she ended up with Mo Long or not, her own strength could not compete with the Sun family.

'When the time came, she could do whatever she wanted. Jiang Yu could only obediently say the word "okay" and could not have any other superfluous thoughts and opinions.

This dream was a little sweet, and Wei Juan really did not want to wake up.

Jiang Yu and Mo Long were the biggest humiliation for the Jiang family when they were mentioned by others.

After all, the future of the Jiang family depended entirely on Jiang Ran..

Chapter 280: Enemies Have A Narrow Road

Jiang Yu was filming on the set. When she turned around, she saw Li Lu swaggering in.

Jiang Yu was surprised and said to Hu Xuan, 'Why is she here?'

Hu Xuan said, "Don't you know? Li Lu took over the role of the second female lead in this movie with the help of the movie queen."

"Is that so?" Jiang Yu had been filming her own plot for the past few days and had not paid attention to who had taken over the role of the second female lead.

"That's right. The second female lead's scenes have only recently begun to be filmed. After the director pushed you to the position of the female lead, the position of the second female lead has been vacant since then. It's only recently that a suitable candidate has been found."

"I see." Jiang Yu did not care about these things. She only wanted to film her own scenes well. It could be considered as not letting down the director's appreciation of her, and not letting down the fact that she had won the New Actor's Award.

'Jiang Yu?" Li Lu deliberately walked in front of Jiang Yu like a peacock with its tail open.

"How was it? Did the shoot go well?"

"It went very well." Jiang Yu smiled and greeted Li Lu. "You must also shoot your scene smoothly."

"Of course." Li Lu smiled even more brazenly.

'I'm the sister of the movie queen. I must be better than you. Since you shot so smoothly, then I should have no problem."

That was what Li Lu wanted to say.

Back then, she didn't get the award and was robbed by Jiang Yu. She was already feeling bad.

Now that she and Jiang Yu were in the same production team, she naturally had to show her full strength.

In that case, everyone would know that she, Li Lu, was far better than Jiang Yu.

Jiang Yu only won the New Actor's award last time through good luck.

"I hope that the scene between you and me can come earlier," Li Lu said and turned to leave, unwilling to look at Jiang Yu any longer.

"Is she really so arrogant because she's the sister of the movie queen?"

Hu Xuan couldn't stand Li Lu's attitude. "If she didn't get the role with her ability, what right does she have to be so proud here?"

"She's the sister of the movie queen after all. It's normal for her to be a little arrogant."

Jiang Yu said, "If you want her to be like an ordinary person, I'm afraid she won't be able to do it either."

Li Lu sat in the dressing room and looked at herself in the mirror. The corners of her mouth curled up into a mocking smile.

The scene for the night was Jiang Yu and Li Lu's first scene.

Jiang Yu's Ruyi was holding a bowl of soup from the restaurant, but in her panic, she bumped into Wuyou, who was played by Li Lu.

The bowl of soup dirtied Wuyou's dress.

'Wuyou was a spoiled young lady, so after her dress was dirtied by a beggar, she flew into a rage and ordered her servants to use that bowl to bring water from the riverside. Then, she poured it all over Ruyi's body.

"One scene after another in 'Ruyi', begin!"

Holding the bowl of soup, Jiang Yu stumbled as she ran toward her place, bumping into Li Lu on the way.

"Which little beggar is this? !"

Li Lu shouted. Her expression was very distorted, as if a beggar had really dirtied her newly bought princess dress.

"I'm sorry, I'm sorry..." Jiang Yu kept apologizing with her head lowered.

"It's useless to say a few words of apology? Someone, pick up this bowl of soup and pour water on this beggar!"

'When she said these few lines, the director couldn't help but applaud her sinister expression.

"Cut!" The director couldn't help but clap and say, "Li Lu's acting is very good! This sinister expression is very spot-on!"

"Thank you for your praise, director." Li Lu revealed a sweet smile. She was a completely different person from the sinister person just now.

If others saw her like this, they would definitely clap their hands and praise her. They would say that Li Lu was an excellent actress.

However, only Jiang Yu knew that Li Lu was not acting. She was looking at her with an expression from the bottom of her heart.
