

## Older Man 32

### Chapter 32: I Am Her Boyfriend

Mo Long came to Jiang Yu's side and held her hand. "Director Jiang, I am Jiang Yu's boyfriend!"

Jiang Yu felt the warmth coming from her hand and suddenly felt much more at ease.

Just as Jiang Hai was still in shock, he heard Mo Long continue, "My name is Mo Long."

As soon as this name was mentioned, Jiang Hai's breathing became heavier.

A wave of unexpected surprise gushed out from his chest.

Jiang ran was still shouting at the side, "Dad, chase Jiang Yu out of the house quickly. This bastard man even came to our house!"

"Shut up!" Jiang Hai quickly berated Jiang Ran and excitedly went over, "Mr. Mo Long, please take a seat! I didn't know that my daughter was dating the president of the Mo Group. It's really too unexpected!"

Jiang Hai felt that this was very unreal. His useless daughter was actually able to bring back such a rich husband.

He quickly ordered someone to treat them well.

"Someone, bring me my best tea leaves."

However, Mo Long stood motionlessly on the spot. "I, this bastard, shouldn't be worthy of drinking tea."

The atmosphere in the entire hall suddenly turned cold.

Jiang Ran didn't expect that Jiang Yu would actually hook up with such a big figure. The Mo group was the largest wealthy family in the entire capital.

The Mo group's businesses were spread across all walks of life. It was already not something small families like theirs could compare to.

And now, this person actually said that he was Jiang Yu's boyfriend?

How could Jiang Yu hook up with such a powerful figure.

Thinking of the man's swift and decisive actions, Jiang ran still felt a faint pain in her palm.

Now, Mo long just stared coldly at Jiang Ran, who was speaking rudely.

Jiang Hai reacted and immediately berated Jiang Ran, "Hurry up and apologize to Mr. Mo!"

Jiang Ran's entire body trembled. She felt that she was being stared at and quickly lowered her head to admit her mistake. "I... I said something wrong."

As she spoke, Jiang Ran gritted her teeth and put on a pitiful look. "Mr. Mo, I was too worried about my sister today. That's why I wanted to come in and check on her. I hope you don't take it to heart. I was just being kind!"

“You keep calling her a cheater. How can you be kind?” Mo Long sneered.

The scene was awkward. Wei Juan knew that the man in front of her could not be offended, so she quickly tried to smooth things over. “Ran Ran, why aren’t you serving tea and making an apology to your sister?”

After a while, Jiang Yu and Mr. Mo Long sat at the side.

Jiang Ran lowered her head and poured some tea. “Sister, have some tea!”

“Mr. Mo, have some tea!”

The etiquette and manners were fully displayed.

“There is no overnight feud between a family. Since the misunderstanding has been resolved, we should get along well in the future,” Jiang Hai said with a smile.

Jiang Ran sat next to her mother and looked at Jiang Yu with jealousy and hatred.

The more Jiang Hai looked at Jiang Yu, the more satisfied he became. “Mr. Mo, when did you and my daughter get together?”

Mo Long took a sip of tea. “A few days ago, I was ambushed by someone. It was Yu’er who saved me. I promised that after she graduated from college, I would marry her!”

Jiang Yu added, “It was the day that you sold me to an old man for two million yuan!”

Wei Juan looked a little uncomfortable and Jiang Hai immediately changed the topic, “Haha, that was all your mother’s carelessness. Fortunately, you were fated to meet him!”

“Yu’er is my future wife. I came here today in the hope that director Jiang can restore her status as the eldest daughter so that people won’t gossip about her! My woman naturally can’t be bullied!” Mo Long said again.

Jiang Hai still thought that he could have more business dealings with the Mo group, so he felt that it made sense. After all, Jiang Yu was his eldest daughter, so restoring her status was not a big deal.

However, Wei Juan said unhappily, “But if this happens, wouldn’t it be unfair to Ran Ran? What would people think of Ran Ran?”

To the outside world, they had always said that Jiang Yu was the adopted daughter of the Jiang family, and Ran Ran was the real daughter.

If they were to spread the story that they had the wrong child, then Ran Ran would become an adopted daughter. This would affect Ran Ran’s future. How could she marry into a rich family in the future?

Jiang Hai hesitated when he heard this.

Jiang Ran said, “Father, elder sister is already protected by Mr. Mo. She will definitely be a member of the Mo family in the future. However, if my reputation is not good, how can I marry in the future?”

Jiang Yu said coldly, “Don’t you also have young master Ye protecting you?”

Jiang Ran gritted her teeth. "Young Master Ye and I have already separated."

Jiang Ran looked at Mo long.

She suddenly felt that Mr. Mo Long had an extraordinary look. Although he was a cripple, he had a huge empire.

This was the person who was truly worthy of her.

Didn't Mr. Mo say that he was willing to marry Jiang Yu because he saved her life? She believed that Mr. Mo would soon abandon Jiang Yu and find that she was the most suitable person to marry into the Mo family.

With Mr.. Mo as a comparison, who would be willing to marry the person who couldn't even afford a luxury car.
