

Older Man 321

Chapter 321: A Rich Fool

The host had initially doubted the authenticity of the snuff bottle, but the organiser had requested this to be the first treasure to be displayed, so he had no way to refuse.

However, after he had just announced the 50,000 bid, no one had raised the price. He had thought that the snuff bottle was going to be carried down, but he had not expected that someone would raise the price at the last second. Moreover, this increase had doubled the price.

Indeed, it was not blamed for others to think so, because the host himself had thought so too.

His eyes looked at the source of the sound and realized that it was the seat of the distinguished guest on the third floor.

He was shocked. In the room on the third floor... Only that man had the right to sit there.

Then this snuff bottle, let alone 100,000, even if it was a million, as long as he wanted it, he would not even blink.

“100,000 going once! 100,000 going twice! 100,000 going three times –” The host hammered the hammer. “100,000, sold!”

‘The attendant took the snuff bottle down on a tray, and a new attendant brought up a new treasure.

“Today’s second treasure is –” The host lifted the red cloth. “It’s a plane tree bodhisattva!”

“Hua –” The crowd lost their composure.

The host continued, “The starting bid for this treasure is 200,000!”

At that moment, many people raised their bids. “220,000!”

“250,000!”

“300,000!”

Regarding this Plane Tree Bodhisattva, those who believed in Buddhism were especially ruthless in raising their bids. They immediately doubled the bid by 300,000. “600,000!”

Mo Long on the third floor looked at the bodhisattva. He thought that his grandfather was also a Buddhist, so he wanted to continue raising the bid and buy this bodhisattva.

Jiang Yu saw through his thoughts and quickly stopped him, saying, “If you buy this Bodhisattva, I’m afraid you’ll really become a sucker.”

Mo Long paused and slowly put down the sign in his hand.

Jiang Yu could see that he was still reluctant to part with this bodhisattva, so she explained, “This plane tree bodhisattva is indeed very good, but it’s not worth this price at all. Because it is carved out of wood, after so many years of exposure to the wind and the Sun, it can not last for long. It is very likely

that after this bodhisattva is bought back, a slight touch will shatter it. If that is the case, I am afraid that would be truly disrespectful.”

Mo Long finally calmed down and gave up on competing with this bodhisattva.

Seeing that no one increased the price, the host shouted, “600,000 going once! 600,000 going twice! 600,000 going three times –” The host hammered the hammer again. “Deal!”

The person who bought the bodhisattva was very excited and could not wait to get off the stage, ready to take his treasure.

‘The waiter carefully handed the bodhisattva over, he exhorted, “Distinguished guest, this bodhisattva is carved out of wood. After so many years of wind and Sun, it has long been loose. You need to be very careful, or it will be damaged.”

‘When the guest bought this bodhisattva, his mind was filled with this bodhisattva. He did not listen to a single word the waiter said. He replied, “Okay, I got it, I got it.”

He took the bodhisattva and could not put it down. However, on the way back to his seat, he accidentally slipped. He was fine, but the Bodhisattva in his hand fell to the ground and broke into a few pieces.

The guest’s heart tightened. He had a heart attack and fell to the ground unconscious.

This was an unexpected situation. No one had expected that the guest who had come to the auction would suddenly have a heart attack. The organizer was also very frightened. He quickly stopped the auction and signaled the waiters in the villa to contact the ambulance..

Chapter 322: Testing His Skills

Tang Huai, who was on the third floor, could not help but say, “Miss Jiang Yu’s words are too accurate. This bodhisattva is indeed unable to withstand a single collision.”

He had borrowed Mo Long’s identity just now to have the opportunity to come to the third floor, which only belonged to Mo Long.

Jiang Yu looked at the unconscious guest on the ground and his gaze suddenly turned cold. He said, “Not good! Not only does he have a heart attack, he also has epilepsy!”

As she said that, Jiang Yu quickly ran downstairs and ran to the guest’s side.

The man’s arm was twitching unconsciously, but the people around him did not notice it.

Jiang Yu asked, “When will the nearest hospital send an ambulance? !”

The waiter was frightened by Jiang Yu’s aura and stammered, “Ten, ten minutes later...”

“Then it’s too late,”J iang Yu muttered.

She took out a lip glaze from her pocket and a packet of tissue paper. She took out a piece of tissue paper and wrapped it around the lip glaze, placing it between the man’s teeth.

Then, she immediately untied the man's tie and collar and tilted his head to the side, so that the secretions in his mouth could flow out naturally.

Fortunately, the man's epilepsy was not serious. After Jiang Yu's actions, his arm no longer twitched.

The most troublesome thing now was this heart attack.

"How long till the ambulance?" Jiang Yu asked.

The attendant continued to call the hospital in fear. A moment later, he said, "Three minutes."

"Why is there still three minutes?" Jiang Yu frowned and said, "Can't it be faster?"

The attendant said, "But..."

"Forget it." Jiang Yu also knew that this was not something that could be controlled by humans. However, if the ambulance still could not arrive, this person might not be able to be saved.

At this moment, she did not have any silver needles on her, so she could not treat him quickly. She could only use the most basic heart resuscitation to try and see if he could recover quickly.

Jiang Yu pressed hard on the person's chest a few times. She heard a violent cough and the body under her hands shook.

Only then did Jiang Yu stop what she was doing and saw that person slowly waking up.

He seemed to be a little surprised at why he was in this place and why there were so many people surrounding him and looking at him.

He took a long time to recover before he remembered that he was here to participate in the antique auction today.

The second treasure was the Plane Tree Bodhisattva. It was very suitable for him and he spent a lot of money to buy it back.

However, he did not expect that the bodhisattva would break into pieces after he fell to the ground.

When he thought of this, his heart began to feel uncomfortable again.

Jiang Yu was afraid that if he thought about this again, his heart disease would relapse.

Therefore, she advised him, "Sir, that Bodhisattva is indeed a very good treasure, and you have indeed spent a lot of money. However, your illness is an old disease. It can not be cured with only 600,000 yuan. Therefore, I hope that you can think clearly. Your life is much more valuable than a Plane Tree

Bodhisattva."

Only then did the man realize that a young girl was kneeling beside him. He asked in surprise, "You... You saved me just now?"

Jiang Yu nodded and said, "It was just a simple heart resuscitation."

The man struggled to sit up and said, "Thank you, young lady."

Jiang Yu said, "You are welcome, sir."

The man was silent for a moment, he said, "Thank you for your advice, young lady. My life is worth more than the 600,000 Plane Tree Bodhisattva. If I lose my life because of that Bodhisattva, it would be a loss that is not worth it."

Jiang Yu was also very pleased that the person in front of her could quickly understand. She did not say anything else and got up to leave..

Chapter 323 Unreasonable

After such a thing happened at the auction venue, the organizers were a little scared and quickly ended the auction.

They also expressed their apologies to the guests at the venue and promised to continue the auction after a week.

Only then did everyone reluctantly leave.

Jiang Yu also planned to return to the hotel to rest and get ready for tomorrow's shoot.

Mo Long said, "I'll send you back."

Jiang Yu said, "Okay."

Tang Kuai also knew that he should leave at this time. He couldn't stay here and be a third wheel, so he said, "President Mo, I'll leave first."

Mo Long nodded and said, "Then take care, boss Tang."

After Tang Kuai left, Jiang Yu followed Mo Long back to the hotel.

The car stopped at the entrance of the hotel. Mo Long grabbed Jiang Yu's arm and kissed her forehead. "Do you need me to stay with you tonight?"

Jiang Yu closed her eyes and replied to Mo Long, "Aren't you busy?"

Mo Long replied, "No."

Jiang Yu remained silent for a while.

Mo Long knew that if the paparazzi caught her doing so, it would be bad for Jiang Yu. Hence, he had no choice but to give up.

So he said, "Forget it. Yu'er, go up and rest. You still have to continue filming tomorrow."

Jiang Yu smiled sweetly and said, "Alright."

She knew that everything Mo Long did was for her sake, and she could not help but feel touched.

After Mo Long had kissed enough, he reluctantly let Jiang Yu leave.

After Jiang Yu got out of the car, she waved at Mo Long and turned to walk towards the hotel.

Mo Long saw that Jiang Yu had returned to the hotel and asked Teng Yi to drive him away.

Li Lu, who was hiding in the dark, saw that Mo Long had driven away and hurriedly ran out to stop Jiang Yu.

She said, "Jiang Yu! Stop right there!"

Jiang Yu stopped and turned around to look at Li Lu in puzzlement. She said, "Li Lu? What are you doing here?"

Li Lu said, "Is this where you're staying? Don't tell me that you're allowed to pass by and I'm not allowed to pass by?"

Jiang Yu replied, "Then if you're going to pass by, why are you calling me to stop?"

Li Lu scoffed, "Why? Can't I call you to stop?"

Jiang Yu knew that Li Lu didn't like her because of the incident between Li Yue and Mo Long. Hence, she turned a blind eye to her childish temper and tried her best not to lower herself to her level.

However, she was really being unreasonable today.

She called out for her to stop for no reason but didn't say a single thing. She was puzzled and when she asked, she had a condescending attitude.

Jiang Yu said, "Li Lu, I don't care what you're unhappy about, but don't vent your anger on me."

Li Lu giggled and said, "I'm not unhappy?"

Jiang Yu wasn't angry either, because she felt that there was no need to be angry with someone like Li Lu.

Moreover, if she were to get angry, Li Lu would get what she wanted.

Jiang Yu didn't even look her in the eye, she said, "We still have to continue filming tomorrow. I hope that you can adjust your emotions as soon as possible, and don't always rely on my help. Although I know that

'willing to help others' is a positive term, if I always help the same person because of the same thing, I will also feel very tired. If outsiders see this, they will think that this person is a good-for-nothing."

"You!" Li Lu couldn't hold it in any longer.

What did Jiang Yu mean by this?! Was she alluding that she was a good-for-nothing?

"Jiang Yu! What do you mean by this?!" Li Lu couldn't hold it in any longer and shouted.

Jiang Yu said, "It's just a literal meaning. Also, I'm kind enough to remind you that it's already 9:50 pm. In ten minutes, it'll be 10:00 pm. If you continue to speak so loudly, it'll be public disturbance."

"You!" Li Lu was flustered and wanted to continue shouting.

At this moment, someone opened the window and shouted at them, "What are you shouting for?! What time is it? You might not sleep but others are sleeping!"

Li Lu was silent..

Chapter 324 Bribing People

Jiang Yu returned to the hotel, leaving Li Lu standing alone at the entrance of the hotel.

This Jiang Yu! She was too much!

The more Li Lu thought about it, the angrier she got. She quickly returned to the hotel and gave Li Yue a call.

On the other end of the phone, Li Yue seemed to be exhausted from the events of the past few days. Her voice was also weak.

She asked, "Lulu? What's the matter?"

When Li Lu heard Li Lu's voice, her heart jumped and she said, "Sister? What's wrong with you?"

Li Yue replied, "Nothing. The manager and the others are trying to find a way to solve the recent trending topic. They told me not to come forward and explain for the time being."

"..." Li Lu was silent for a moment before she said, "Sister, I have an idea. Do you want to hear it?"

"What idea?"

Li Lu hurriedly sent the photo that she had secretly taken to Li Yue and said, "Sister, look at this photo."

Li Yue opened the photo and saw Jiang Yu's back view as she alighted from a luxurious car.

She looked at it and asked, "This car... is Mo Long's?"

Li Lu replied, "Yes, it's him."

Li Yue fell silent.

Li Lu also knew that the trending topic that had been unfavorable to her sister these past few days was caused by Jiang Yu. At this juncture, mentioning Jiang Yu and Mo Long, who her sister couldn't let go of, was

undoubtedly adding salt to her wounds.

But if she really wanted to use her method, she would need to use this photo.

Li Yue took a long time to calm herself down and said, "Lulu, tell me about your method."

Li Lu said, "We can pay for some internet trolls and use this photo to write an article. Let's say that Jiang Yu's female lead role was actually bought by Mo Long."

Li Yue recalled that she had previously explained on the Internet that Jiang Yu, the female lead, was actually given to her because she didn't want to act. Now that there was such a reason, it didn't make sense.

Hence, she told Li Lu about her worries.

However, Li Lu didn't think that this was something that was hard to explain. She said, "Let's say that Jiang Yu brought the funds into the crew and she felt that her status was very high. Hence, she requested the

director to add more scenes for her. However, if she added more scenes for herself, the plot wouldn't be coherent. Hence, you decided to add more scenes for yourself. You wanted to connect the plot."

"..," Li Yue wasn't sure if this method was reliable and asked, "Is this reliable?"

Li Lu said confidently, "Sis, just trust me. If you're really worried, then I'll contact your manager and let her hear about this method of mine."

Li Yue was really too tired these few days. She really didn't have the mood to think about these things anymore. Since Li Lu said that she wanted to discuss it with her manager, then let them discuss it.

Hence, Li Yue said, "Okay. You can discuss it with her."

"Okay. Then sister, you should rest well."

Saying that, Li Lu hung up the phone.

Following that, she called Li Yue's manager and repeated the idea that she had just told Li Yue.

The manager was silent for a while and asked, "What if this matter is discovered by Mo Long?"

Li Lu was unconcerned and said, "There were so many anonymous posts about Jiang Yu on the internet previously, but weren't they not discovered? We're only going to post this one post and Mo Long would know

about it?"

The manager was still a little afraid of the consequences if Mo Long found out about this matter, so she was unable to give a definite answer.

Li Lu added, "Moreover, it won't be us who makes the post. It will be the internet trolls who make the post. After the trolls receive the money, they will make things clear. Don't worry."

Only then did his agent agree with Li Lu, saying, "Alright, then I'll do it now."

Li Lu smiled in satisfaction..

Chapter 325 Internet Trolls Attack

It had to be said that Li Yue's manager was indeed a swift and decisive person.

After discussing with Li Lu last night, she immediately bought a wave of internet trolls and had them post online.

The next morning, this post was everywhere on the Internet. It made people wonder how many such posts there were on the Internet now.

There were comments from the Internet trolls bought by Li Lu: “So we have always misunderstood the movie queen. This drama was rejected because of Jiang Yu.”

“Exactly. Isn’t Jiang Yu using a backdoor?”

“Using the power behind her to buy a role and thinking of adding more scenes for herself? Even the movie queen isn’t like this. How dare a puny Jiang Yu do this?”

There were also some netizens that Li Yue bought to pretend to be Jiang Yu’s fans to explain for her, but in reality, their words would push Jiang Yu deeper into the fire pit.

“What’s wrong? Are you guys jealous of Jiang Yu? You don’t have any power behind you, yet you’re here to being jealous of others?”

“Are you calling the grapes sour just because you can’t eat them? Jiang Yu has power behind her, that’s her ability. Can you guys do it?”

The internet trolls on both sides were quarreling with each other. It was as if they wouldn’t stop until they fought to the death.

Meanwhile, Jiang Yu was still focused on filming. She didn’t know anything about what was happening on the internet about her.

When Li Lu and Jiang Yu acted together, Li Lu’s eyes were full of mockery.

Today, Li Lu was purely acting out her true colors. She had acted Wuyou’s mockery of Ruyi to the fullest.

When the director saw her performance, he could not help but give her a thumbs up and said, “Li Lu’s performance today was very good! She really captured the character’s

inner personality today!”

Li Lu smiled and said, “Director, you’re flattering me. I really have to thank Jiang Yu for helping me these past few days.”

Jiang Yu did not think that Li Lu would bring up the matter of her helping her regain her emotions for no reason. Would she express her gratitude to her?

Jiang Yu didn’t think that Li Lu would do that.

As expected, Li Lu continued, “But if it weren’t for those few things back then, I might not have been in a bad mood.”

Jiang Yu: “...”

Li Lu took out her phone and flipped through it roughly. Suddenly, she turned pale with fright and said, “Aiya! What kind of posts are these on the Internet!”

Li Lu quickly switched off her phone and said, “This is pure slander!”

The director did not understand what Li Lu meant, so he switched on his phone as well. At first glance, he saw the top trending topic — Mo Long had spent money to buy a

role for Jiang Yu, causing the movie queen to be unable to continue acting.

What kind of trending topic was this?

When did Mo Long buy a role for Jiang Yu? It didn't happen, did it? Could it be that Jiang Yu had another job?

As for the saying that the movie queen couldn't be cast, what did that mean? Could it be that there was really a production crew that would reject the movie queen?

Wasn't this purely a rumor?

The director shook his head helplessly. Just as he was admiring the ability of the netizens to imagine things, an idea suddenly flashed through his mind.

He had rejected the role of the movie queen? Wasn't that... his own production team?

Thinking of this, the director quickly clicked into that trending search. As expected, the first sentence of the article was: How could the production team of 'Ruyi' reject the

movie queen Li Yue from acting?

"Sigh. "The director sighed helplessly and said, "He really got shot while lying down."

Jiang Yu took advantage of the intermission and opened her phone to take a look at the content of the post.

Mo Long had bought a role for her? She wanted to use her status to add scenes for herself?

Li Yue was worried that the plot wouldn't be coherent, so she requested to change the script?

In the end, because the director rejected Li Yue's request, Li Yue refused to act in the play?

But which of these few sentences was true?.

Chapter 326 High And Mighty

With regards to the rumors on the Internet, Jiang Yu could easily guess who was behind it.

A few days ago, the hot searches had suppressed Li Yue's popularity. Now, apart from Li Lu and Li Yue, who else could do such a boring thing?

It was just that Jiang Yu didn't have any evidence at the moment. Moreover, Li Yue must have encountered such a thing when she first debuted.

With the so-called "experience", Li Yue would definitely not do these things personally, for fear of leaving any evidence.

The netizens who scolded her and those "fans" who seemed to be speaking up for her were probably paid by Li Yue and Li Lu.

When Li Lu and Jiang Yu were acting together, the mockery in her eyes became more obvious.

Jiang Yu couldn't bear to watch any longer, she said helplessly, "Even if you really want to act as yourself, don't go overboard. Wu you does indeed hate Ruyi, but it's not the way you hate me. Furthermore, you don't have the chance to torture me now, so your expression shouldn't be one of complacency, but one of gnashing your teeth."

Li Lu: "..."

What on Earth was going on with this Jiang Yu? !

Jiang Yu continued, "I know that the mastermind behind this is you and your sister. Isn't it because of the trending incident a few days ago?"

Li Lu paused and looked at Jiang Yu in disbelief.

How... How did she know? Could it be that she had already found the evidence?

No, no!! She had only just seen this trending incident. How could she have found the evidence so quickly?!

Hence, Li Lu still gritted her teeth and said, "What weird words are you saying? I don't understand. We're going to be filming in a while. Don't say such nonsense during filming."

Jiang Yu didn't stand on ceremony and said, "Then please control your attitude during filming. The director said that you're in a good mood today, but it might not be the case for the next scene."

Li Lu knew that Jiang Yu had already guessed that it was her and Li Yue's manager who had done this. But now that Jiang Yu didn't have any evidence, as long as she didn't admit it, Jiang Yu wouldn't be able to do anything to her.

Li Lu had this thought in her heart, but she still maintained a high and mighty attitude on the surface.

But this attitude was just an act. If there was even the slightest movement, it would fall apart.

However, Jiang Yu did not seem to have any intention of haggling over this matter with her. After filming for a day, Jiang Yu did not have any further interaction with Li Lu on this matter.

Li Lu relaxed and told herself not to think about this matter anymore.

Anyway, Jiang Yu did not have any evidence to prove that she was the mastermind behind this matter. As long as she did not admit it, she did not believe that Jiang Yu would be able to force her to admit it?

There were so many internet trolls. Even if Jiang Yu wanted to investigate, how long would it take?

if at this juncture, either she or Mo Long stepped forward to explain the incident, saying that it was purely a rumor and that there was no such thing, then the internet trolls

would have a chance to make a move again. They could push this incident up a notch.

It would be best if they pushed Jiang Yu to the edge of the cliff, so that if she dared to move, she would fall down and fall apart.

As Li Lu thought of this, the corners of her mouth slowly curled up, revealing an extremely evil smile.

Jiang Yu felt a chill run down her spine, but she did not need to look back to know that it was Li Lu's mocking gaze.

Forget it, since they were all waiting to see her make a fool of herself, then let them laugh for a few more days.

When the situation reached its highest point, she would release the truth and expose it to the public.

At that time, she would have to see if Li Yue and Li Lu could still laugh..

Chapter 327 Sowing Discord

Jiang Ran also saw the trending searches on the internet and could not help but sigh at the power behind this person.

To be able to spend so much money to buy a troll army to smear Jiang Yu, it was likely that this person's hatred for Jiang Yu was no less than her own.

However, how could she be the only one to enjoy this drama?

She definitely had to tell her mother and father so that they could see how much shame Jiang Yu had brought to the Jiang family outside.

Thinking of this, Jiang Ran quickly made a call to Jiang Hai.

The call was picked up and Jiang Hai's voice came through. "Ran Ran? What's the matter?"

Jiang Ran said, "Dad, where's my mom?"

Jiang Hai said, "She's beside me. What's wrong?"

"That's good." Jiang Ran heaved a sigh of relief and said, "Dad, quickly put me on speaker. Let my mom listen to it too."

Although Jiang Hai didn't know what Jiang Ran was trying to do, he still did it and put her on speaker.

Wei Juan thought that Jiang Ran was too tired from filming and thought of her, so when Jiang Hai put her on speaker, she immediately shouted, "Ran Ran! Mom misses you

too!"

Jiang Ran was scared by Wei Juan's loud voice and took a long time to recover. She said unhappily, "Mom? What are you doing? You scared me to death."

Wei Juan was a little embarrassed and quickly said, "Ran Ran, what's the matter?"

Jiang Ran said, "Dad, Mom, did you see that trending search on the internet?"

Jiang Hai paused and said, "Is it Yu'er's trending search? The one about Mo Long buying her a role?"

Jiang Ran said, "Yes! It's that matter!"

Jiang Hai didn't understand why this matter had to be mentioned separately, he said, "Is there anything wrong with this matter? Whether it's true or not, at least in the

public's view, Yu'er and Mo Long seem to be very loving. Mo Long also dotes on Yu'er and is willing to spend money for her. This is a good thing for the Jiang family."

A good thing?!

Jiang Ran did not expect her father to actually think that this was a good thing that was beneficial to the Jiang family?!

"Dad! How can you think that this is a good thing?!" Jiang Ran was flustered and exasperated. "This is obviously a bad thing!"

Jiang Hai really did not understand Jiang Ran's logic and asked in confusion, "How can it be a bad thing?"

Jiang Ran said, "Dad, in the current situation, no one would think that Jiang Yu and Mo Long are in love! They would only think that Jiang Yu's current achievements are

entirely because of Mo Long and not because of the Jiang family!"

Upon hearing Jiang Ran's words, Jiang Hai also felt that what she said was very reasonable.

Jiang Ran continued to add fuel to the fire, "If Jiang Yu received any good suggestions or comments, everyone would only think that it was all because Mo Long was

supporting her behind the scenes. But if she is blacklisted by the entire internet, what will everyone think? They will only say that the Jiang family's daughter is

incompetent!"

Jiang Ran was very excited. When Jiang Hai heard her, he also felt that what she said made sense.

This Jiang Yu! Indeed, she couldn't be compared to Jiang Ran in every way!

Even the role in the production team was bought by others.

If she didn't have the resources but had the ability, then she could buy the role.

However, she didn't have the resources or the ability, yet she still insisted on buying this character. Moreover, she couldn't bring any benefits or benefits to the Jiang family!

He had really raised this Jiang Yu for nothing!

Wei Juan also added fuel to the fire at this moment and said, "What's wrong with this Jiang Yu? Didn't she say that she's very capable? Why does she have to rely on others

to buy a character for her? It's really embarrassing enough!"

She really couldn't compare to Ran Ran in every aspect!

It seemed that Jiang Ran was the hope of the Jiang family in the future.

As for Jiang Yu? It would be good enough if they weren't sold out by her. Did he still expect her to carry forward the Jiang family?.

Chapter 328 Father Jiang Is Angry

The more Jiang Hai thought about it, the angrier he got. He even wanted to call Jiang Yu and scold this disappointing daughter.

Wei Juan saw through his thoughts and deliberately said, "In my opinion, we should call and scold this Jiang Yu. Does she think that the family can't educate her just because

she's out into the world? What she's doing now is really going overboard."

Wei Juan's words undoubtedly ignited the anger in Jiang Hai's heart. He said, "Ran Ran, if there's nothing else, hang up first. I'll give your sister a call."

"Okay." Jiang Ran secretly rejoiced in her heart.

Hearing Jiang Hai's voice, he must be angry.

When the time came, Jiang Yu would be in trouble.

Jiang Yu was initially surprised that Jiang Hai would suddenly call her. It was definitely not because he was concerned about her daily life, but she did not expect that it was

because she was trending.

That wasn't right. In her impression, Jiang Hai wasn't a person who was passionate about surfing the internet.

Although he could also read the trending search on the internet, that was it

Moreover, there were many trending searches about him previously. He had never expressed his stance. Why was he so furious on this trending search?

"I said, if you don't have the capability, don't take this role!" Jiang Hai's voice was trembling, "Now, the internet is full of bad comments about you! What will people think of

the Jiang family? How did we raise such a useless daughter like you!"

Jiang Yu: "..."

She suddenly remembered that a long time ago, there were also bad comments about Jiang Ran on the internet.

Was he not worried that people would talk about the Jiang family because of Jiang Ran?

Or was it that he could forgive Jiang Ran no matter what she did. But as long as it was her, he would be so angry that he would call her to teach her a lesson?

Jiang Yu was disappointed with Jiang Hai once again.

“Speak!” Jiang Hai thought that Jiang Yu was afraid to speak because he scolded her.

But Jiang Yu responded to him coldly, “What do you want me to say?”

“What?” Jiang Hai was stunned. He didn’t expect Jiang Yu to dare to talk to him like that.

“I said, what do you want me to say?” Jiang Yu repeated.

“Anyway, in your eyes, Jiang Ran is the hope in your hearts. I’m just an ‘adopted daughter’ who will ruin the reputation of the Jiang family. If that’s the case, why do you care

about my situation outside? You only have eyes for Jiang Ran. Is there a place for me?”

“You... You dare to talk to me like that?” Jiang Hai said in disbelief, “You’re really going to turn the sky upside down!”

“Thanks to your kind words, my eyes have long been unable to stand outsiders,” Jiang Yu said and directly hung up the phone.

After Jiang Hai was hung up, the anger in his heart rose again.

Wei Juan hurriedly said, “Aiya! Don’t lower yourself to Jiang Yu’s level. I think she doesn’t have the Jiang family in her eyes at all!”

The more Wei Juan said this, the angrier Jiang Hai became.

At this moment, Wei Juan wanted to give Jiang Ran another wave of favorable impression in Jiang Hai’s heart, so she said again, “This girl is just not as good as Ran Ran. In

the future, our Jiang family can only rely on Ran Ran to take care of us. We definitely can’t count on Jiang Yu!”

Wei Juan’s words did add ten points of favorable impression to Jiang Hai’s heart for Jiang Ran.

After all, this was the truth — Jiang Yu was indeed no match for Jiang Ran.

In the future of the Jiang family, they could only count on Jiang Ran.

As long as Jiang Ran successfully married Sun You, the future glory of the Jiang family was just around the corner.

As for Jiang Yu? No one knew if Mo Long would kick Jiang Yu away one day after the novelty wore off.

Count on her? That was impossible even in his next life..

Chapter 329 Shed All Pretence of Cordiality

Jiang Ran didn't know the content of the conversation between Jiang Yu and Jiang Hai. She thought that Jiang Yu would be silent and depressed for a long time after being

lectured by Jiang Hai, so she picked a time to call Jiang Yu.

As soon as the call went through, Jiang Ran didn't wait for Jiang Yu to speak and immediately said, "What's wrong? Did you get scolded?"

Jiang Yu also knew that Jiang Ran had complained in front of Jiang Hai.

She was wondering why Jiang Hai, who had never been interested in trending searches on the internet, would suddenly call her just because of a trending search and start a

so-called "Interrogation".

"What's the matter?" Jiang Yu didn't expose her and was happy to play a game with Jiang Ran in circles.

"Nothing." Jiang Ran was still smiling. She had no idea that Jiang Yu had guessed that she was the one who told on Jiang Hai.

"Just now, dad called me and asked me about the trending topic about you. I just explained it to him briefly, and he was so angry that he said he was going to call you and

scold you."

"Ah—" Jiang Yu deliberately dragged out her tone. There was no hint of anger in her tone. Instead, there was a smile.

She said, "He did call me. So what?"

Jiang Yu's tone was beyond Jiang Ran's expectations. She suddenly did not know whether she should continue talking to Jiang Yu about this matter.

"You, you can still laugh?" Jiang Ran braced herself and continued to talk. She relied on Sun You backing her up.

"Why can't I Laugh? Don't tell me you think I've been scolded?" Jiang Yu said, "Then you're really thinking too much."

Jiang Ran said stubbornly, "I... I didn't say that. Don't force your thoughts on me."

"Then what did you call me to say?" Jiang Yu didn't want to waste any more time with Jiang Ran. She had to rest early today and get up early to shoot the movie tomorrow.

So Jiang Yu went straight to the point and said, "Jiang Ran, I called you 'big sister' in the public because I gave you face and didn't want to shed all pretense of cordiality with

you. After all, if there was a ruckus on the streets, then you would be a shrew."

"What do you mean?!" Jiang Ran shouted.

What did Jiang Yu mean by this?! Was she saying that she was a shrew?!

Jiang Yu continued, "I didn't say that you were. But if you insist on taking the blame, then there's nothing I can do."

"You..." Jiang Ran didn't expect Jiang Yu to still have the time to beat around the bush with her after being scolded by Jiang Hai. She really didn't understand.

Could it be that Jiang Yu's mental endurance had become stronger? Or could it be that... Jiang Hai didn't scold her at all?

"He had never been interested in the hot searches on the internet. Now, he suddenly called me because of a hot search. Although the matter has not been brought to light,

I'm not stupid. I can guess it."

"..." Cold sweat dripped down Jiang Ran's forehead.

She was starting to regret calling Jiang Yu.

"We're all members of the Jiang family, so I'll try my best to be lenient towards you. But don't be too harsh on me. I am already very lenient, but if you dare to provoke me again, don't blame me for being merciless."

With that, Jiang Yu hung up the phone.

She really didn't want to continue arguing with Jiang Ran.

Jiang Ran, who was hung up, was dumbfounded. It took her a long time to react.

This Jiang Yu actually dared to hang up on her?! How dare she!

After all, she was her elder sister!

She was really uncultured for doing this!.

Chapter 330 Save The Viewership Rating

After yesterday's incident, Jiang Yu's condition the next day wasn't very good.

However, she adjusted very quickly and was about to start filming normally.

It was just that recently, because of this hot search, the viewership ratings of "Ruyi" had been dropping all the way down.

Not only was the director burning with anxiety, but the actors were also on pins and needles. They were all trying to think of ways to save this dismal viewership rating.

He Zhen suggested, "Why don't we step forward and explain things to Jiang Yu? Let's say that Jiang Yu got the role by relying on her strength. What do you think?"

Hu Xuan also said, "That's right. Jiang Yu is also one of us. Now that she's being framed, we can't just sit back and do nothing, right?"

Li Lu said nonchalantly, "She, Jiang Yu, is now a black and famous existence on the Internet. As popular as she is, she will be maligned by as many people as she is. If you speak up for her, you might end up setting

yourself on fire much less gaining popularity for yourself!"

The moment she said this, Hu Xuan and he Zhen looked at her with resentment.

Li Lu felt uncomfortable being looked at and turned her face away, she said, "What? Am I wrong? Isn't that how the entertainment industry is? This matter is so hot on the internet right now, but as the person involved,

she hasn't even stepped forward to explain. What are you guys doing here?"

He Zhen frowned and said, "What you're saying is meaningless. We all sincerely want to help Jiang Yu solve this problem and save the viewership ratings. What does this have to do with whether we want to increase

our popularity or not?"

Li Lu smiled and said, "Even if your intentions are good, don't act on your own when the person involved hasn't said anything. They might not even thank you."

Every word that Li Lu said made He Zhen and Hu Xuan's favorable impression of her plummet.

Seriously. Could it be that she could use her own thoughts to maliciously speculate others just because she was the sister of the movie queen?

But even if Li Lu said so, no one would listen.

The director also planned to explain Jiang Yu on the internet.

On one hand, he wanted to explain this matter clearly to save the dismal viewership ratings. On the other hand, he really thought highly of Jiang Yu's strength and felt that she shouldn't be hindered by these groundless

rumors. Therefore, he organized his words and released a statement on the Internet.

"I'm the Director of 'Ruyi'. Regarding the recent hot searches on the Internet regarding Jiang Yu, I plan to step forward and explain."

"The most important question is whether president Mo spent money to buy this role. I can clearly tell everyone here that it wasn't. President Mo is indeed the biggest investor in our production team, but this role has

nothing to do with President Mo. I took a liking to Jiang Yu's ability, so I decided to let her play this role."

Director Deng originally thought that after his explanation, even if there were still people on the internet who didn't believe him, it would at least be better than before.

There would not be so many people who would continue to criticize Jiang Yu, and there would also be more people who would come to watch the drama.

However, the situation seemed to have gone in the opposite direction.

Not only were there more and more people who criticized Jiang Yu, but the ratings for “Ruyi” were also getting lower and lower.

Some people even posted comments under his Weibo to question the authenticity of his statement.

“Director Deng, even if Mo Long is the biggest investor, you don’t have to help Jiang Yu smooth things over just to

please him, right?”

“Director, when you said that Mo Long is the biggest investor, I started to doubt the authenticity of your words.”

“Director, if you really lack money, you can just shoot a few more dramas.”

“I agree with what the person above said. As long as you don’t cast Jiang Yu in any role, director Deng, I will give you high marks for every TV drama and movie you make.”

“I agree, count me in. But the premise is that there is no Jiang Yu!”.
