

## Older Man 331

### Chapter 331 Things Heating Up

More and more people were starting to doubt him, which made director Deng extremely anxious.

When Li Lu saw this, she even ran over and said sarcastically, "Director, He Zhen and Hu Xuan wanted to do this before. I've also said that it's not advisable to do this. Director, why don't you believe me?"

Director Deng did not expect that his explanation would make the matter even more heated up, and he immediately regretted stepping forward to explain.

However, he had already come this far. Deleting it would definitely not work.

if it was seen by some interested netizens, who knew what kind of comments they would make.

They would even confirm that he had made the statement to curry favor with Mo Long. Now, because he could not withstand the pressure of public opinion on the Internet, he chose to delete the statement.

Regardless of which method it was, Director Deng felt that his decision today was a little too hasty.

Li Lu was right about one thing. "Jiang Yu, as the party involved, didn't come forward to explain herself. You guys should stop making a fuss."

But... This was obviously a statement that was detrimental to Jiang Yu. Why didn't Jiang Yu come forward to explain herself?

At this moment, Jiang Yu was laying comfortably on the bed in the hotel, eating potato chips and watching a movie online with Mo Long.

"Hahaha!" Seeing the funny part, Jiang Yu couldn't help but burst into laughter.

Mo Long was also looking at Jiang Yu's window on the computer screen with a dotting expression. In order to see Jiang Yu's face clearly, he had even shrunk the screen of the movie and enlarged the window of her.

"Isn't this movie very good?" Jiang Yu couldn't help but ask Mo Long after she laughed.

Mo Long nodded dottingly. "Yes."

"I want to make a TV series or movie of this type in the future!" Jiang Yu spoke of her ambition. "If there's a chance, I must make a comedy!"

"Okay." Mo Long was supportive of Jiang Yu's thoughts. "Then I'll invest in it. Just don't worry about it."

"Thank you, sir!" Jiang Yu suddenly felt shy and said, "Sir, don't worry. I won't let you down."

Mo Long said, "I'll never be disappointed in you. I just want you to be happy."

Jiang Yu said, "No matter what sir does for me, I will be very happy."

Mo Long laughed.

After laughing, he remembered that trending search on the internet.

Previously, he had wanted to clarify things on the Internet, but Jiang Yu stopped him and told him not to clarify things for the time being.

However, she did not tell him the reason, causing him to still be confused.

“Yu’er, when do you plan to explain that trending search?”

Jiang Yu swallowed the potato chips in her mouth. She felt that it was fine to reveal her thoughts to Mo Long, so she explained to him the reason why she had not stepped forward to explain.

“I know that this trending topic is created by someone who has paid the internet trolls behind the scenes. I also know who is the mastermind behind it. Since they want to take the opportunity to laugh at me, I will let

them watch for a few more days. Li Yue’s birthday will be in a few days. Her fans will definitely hold a birthday party for her online. She should be very happy, right? Even if she doesn’t feel or is unhappy, she still has to

put on an act. When the truth is released, what expression will Li Yue have on her face?”

Mo Long paused and couldn’t help but say, “My Yu’er really has her own solution.”

Jiang Yu pursed her lips, she said, “They were the ones who provoked me first. Initially, I wanted to focus on filming and compete with them. Who would have thought that their methods behind the scenes would be so

evil? They even wanted to buy a troll army? Perhaps they still think that I don’t know the truth.”

“My Yurer is the smartest.” Mo Long smiled, “That’s good too. I’ll also let Li Yue have a taste of the process of falling from the clouds to the bottom of the valley and being at a loss. She dares to use underhanded means

to deal with my Yu’er. I think she has been sitting in the position of movie queen for too long. She doesn’t even know what she is anymore.”

### **Chapter 332: Birthday Party**

Three days later, Li Yue’s birthday arrived as promised.

As expected by Jiang Yu, not only was everyone in the cast and crew of “The Chu Family’s Empress” celebrating Li Yue, even Li Lu had taken a day off to celebrate Li Yue’s birthday.

She turned on her phone and realized that the title “Li Yue’s birthday today” had replaced her as the top trending topic.

But even so, her popularity did not subside and she remained firmly in second place.

Li Yue’s fans had also organized a birthday party for her online, soliciting votes for her and raising funds to buy her gifts.

Someone posted a post and tagged Li Yue, saying, "I wish sister is beautiful for another year! I hope sister will be happy every day in the new year!"

Li Yue also replied below, "I will. Thank you, my baby."

Because of this reply, Li Yue's popularity on the internet was pushed to the top again.

It must be like being in the clouds, enjoying the adoration of others, right? Jiang Yu thought to herself, but soon, you will fall from the clouds.

I will treat you the same way you treated me.

Jiang Yu curled her lips and thought to herself, the time has come

She gave sister Xia a call and asked, "Sister Xia, is the audio recording ready?"

Sister Xia said, "It's long done. Are you going to send it now?"

Jiang Yu thought for a moment and said, "Give me the audio recording. I'll send it myself."

Sister Xia said, "Alright."

As she said that, she sent the audio recording to Jiang Yu and began to look forward to Jiang Yu's counterattack.

After Jiang Yu clicked "Receive audio file", she directly posted the audio file on the internet.

Although she posted the audio file in her own name, there was no content nor anyone else tagged. There was only a simple title the truth.

Because of the troll army, Jiang Yu was completely smeared on the internet.

So even if she posted a post and even named it "The truth", no one was willing to open it to listen to the content.

Someone commented, "What truth do you want to say? Is it the truth about how you chased after MO Long back then?"

"Please don't jump out today. It's very unlucky, okay? Today is my sister's birthday!"

"I think she wants to use today's special day to gain popularity, right?" The comments on the internet were getting more and more unpleasant,

However, Jiang Yu was not angry.

Those who were willing to numb themselves were not willing to listen. Some were willing to listen.

For example, the internet trolls that Li Yue and Li Lu had spent money to buy.

They had originally wanted to use their strength as keyboard warriors against Jiang Yu's speech after listening to the content of the audio.

However, when they heard the content of the audio, they suddenly panicked.

Some of them even started to regret accepting the mission.

Although Li Lu had also seen Jiang Yu's audio on the Internet, she was at the hotel celebrating Li Yue's birthday. She only took a cursory glance before turning off her phone and throwing it to the side.

She still believed in the capabilities of the spammers that she had bought. She felt that they would definitely handle this matter properly.

However, she did not expect that the internet trolls had already planned to lie down and pretend that they had not seen the audio. Some of them had even started to reregister their accounts and dump their current accounts.

Jiang Yu knew that the internet trolls had already heard the audio.

That was because there was basically no one who dared to say anything bad about her now. Some of them had even started to cancel their accounts..

### **Chapter 333: A Bolt From The Blue**

After the birthday party ended, Li Lu and Li Yue said goodbye.

Before they left, Li Lu and Li Yue had mentioned the matter of Jiang Yu releasing the audio.

But at that time, Li Lu had promised Li Yue that she would definitely handle this matter well. Even if she wasn't capable enough, she still had the help of the 10,000 + Internet trolls she had bought.

Only then did Li Yue relax and told Li Lu not to go too far.

Li Lu's mouth was full of promises, but on the way back, what she saw on her phone wasn't the internet trolls solving the problem, but Jiang Yu's audio was trending first on the hot searches.

This? What was going on?!

What about the internet trolls? Didn't they solve it?!

Li Lu now felt that things were a little out of her control. She quickly clicked on the audio and the content made her body tremble. Her phone almost fell on the car seat.

"Director, I can't act as a beggar. If you're willing to change my part of the play, I'll act."

"

. No way. If we change your part, the rest of the story might not be able to be connected.

"Then there's no other way. I won't act as a beggar. If you're not willing to change the part according to my request, then I'm afraid that I won't be able to be the female lead in this play. Please find someone else."

"Li Yue! You..."

When the audio ended, the conversation between Li Yue and Director Deng ended.

In its place was Jiang Yu's voice.

"How is it? Do you hear these two familiar voices? This is the truth that I want to tell everyone. As for those trolls that were bought and smeared me online, I've already found out your account numbers and

registered addresses. If you don't believe me, you can wait for a while. I will release the pictures right away. There are a total of 10,003 spammers. Not a single one less."

After a few seconds, a picture popped up at the end of the audio.

It was filled with the spammers' account information.

"Boom –" Li Lu felt as if a string had been broken in her brain.

She couldn't believe that Jiang Yu could really find out about the spammers. She thought that she was just scaring them.

But looking at the spammers' inaction...

No! Impossible!

Li Lu still couldn't believe it. She quickly found one of the spammers and planned to ask him privately about what was going on.

But she looked for a few and all of them were offline.

There were even a few who were originally online, but after Li Lu sent the message, they immediately went offline.

Li Lu now completely didn't know what to do.

It wasn't easy to find someone who was online, and even when she sent the message, there was no offline troll. However, his reply caused Li Lu to completely lose her line of defense.

Li Lu: "What's going on with you guys?! Why didn't you give an explanation? Are you just going to let Jiang Yu post this audio on the Internet?"

Troll Army: "Good sister, I know that you and your sister are popular people in the entertainment industry, and I also know that your family is a prestigious family. But Jiang Yu has already found out about our account information. If we don't stop now, we might end up in jail."

Li Lu: "She really found out just because she said so? You guys even believe this?!"

The troll: "Sister! Zoom in on that picture yourself and take a look! It's pretty much all correct! I don't know about others, but the information about me and my brothers are all accurate!"

When Li Lu saw this, the line of defense in her heart completely disappeared, and she even vented her anger on this troll.

Li Lu: "I knew I couldn't count on you bunch of trash!"

### **Chapter 334: Added Insult To Injury**

Li Lu's words did indeed make this troll feel uncomfortable, but after all, there was still a final payment that had not been settled, so he tried his best to hold back his temper. He spoke to Li Lu in a good tone, "Then... about the final payment?"

Li Lu had nowhere to vent her anger, and her tone was not good either. "You still have the nerve to ask for money? After doing this, you still have the face to ask for money?!"

After saying that, she blacklisted him.

The internet troll was being scolded for no reason and when he saw Li Lu blacklist him, the anger in his heart also flared up.

He thought to himself, "Alright. Movie queen, right? Movie queen's sister, right? You don't want to pay the substantial amount, right? Alright! I'll let you guys go crazy!"

Li Lu was extremely vexed by this matter. She had no idea that the internet troll had already decided to gamble everything and expose their crimes.

This matter had already developed to the point where Li Lu couldn't resolve it. But she had promised Li Yue that she could resolve this matter by herself.

She didn't dare to tell Li Yue the truth as she was afraid that Li Yue would be angry.

Li Lu turned off her phone and could only let the matter develop.

The next day, another shocking news broke out on the internet Li Yue and Li Lu had spent money to buy the troll army. After the matter was exposed, not only did they vent their anger on the troll army, but they were also in arrears with the final payment.

Once this piece of news was released, the heat had overshadowed the "Truth" audio that Jiang Yu had posted several times.

Naturally, Li Yue had also seen this piece of news. However, she did not turn on her phone to talk to the Internet trolls yesterday, so the only flaw was with Li Lu.

Li Yue hurriedly called Li Lu to ask her, "What exactly is going on?"

Seeing that she couldn't hide it from Li Yue, Li Lu had no choice but to tell her everything.

When Li Yue heard this, she was almost angered to death by the pig brain of her sister.

"How can you say that? Do you know how much leverage we had in the hands of the troll army back then?" Li Lu didn't dare to say a word.

Li Yue also knew that no matter how much she scolded Li Lu, the heat of this matter wouldn't die down.

Since that was the case, it was better to quickly think of a way to explain this matter so as to save her image.

After all, a few months later, there would be a new "Movie Queen Evaluation". She absolutely couldn't make any mistakes at this juncture.

This time, no matter what she did, she had to get her hands on the movie queen.

"Sis..." Although Li Lu felt wronged, she also knew that this matter was indeed done without consideration. That was why she and her sister were all pushed to the cusp of the storm.

“Forget it, it’s useless to teach you a lesson now. We have to quickly think of a way to resolve this matter.”

“How about...” Li Lu suggested, “We spend money to remove this trending topic?”

” Li Yue was silent for a while, she said, “Lulu, this trending topic has just appeared not long ago. Spending money to remove it won’t be easy. Moreover, my identity is still here. In a few months’ time, there will be a new ‘Movie Queen Evaluation’. I can’t afford to have any problems at this juncture. Do you understand, Lulu?”

Li Lu said, “I understand.”

Li Yue said, “So we can only find other ways to resolve this matter. Unless there’s no other way out, don’t spend money to withdraw it from the trending search.”

Li Lu said, “I understand, sister.”

However, there was one thing that Li Lu didn’t understand.

Yesterday morning, when the audio was about to be released, there weren’t many people listening. The popularity wasn’t high at all. There were even a bunch of haters trying to smear Jiang Yu.

How could it be that in the time it took to have a meal, the audio was already trending?.

### **Chapter 335 End of The Line**

Li Lu couldn’t figure out what was going on, but Li Yue knew the reason.

She had spent a lot of money to hire a troll army to discredit Jiang Yu, so she could naturally spend a lot of money to get people to listen to the audio and then spread the truth.

At that time, regardless of whether they were paying attention or not, they would all see this news in the hot search section on the Internet.

Li Yue also wanted to explain, but when she wrote and deleted the message repeatedly. This was because what Jiang Yu said was the truth.

No matter how she tried to explain, it seemed so powerless.

Li Yue thought about it but she couldn’t do anything. In desperation, she could only turn her gaze to her manager, Sister Zhang, and her company.

After all, this matter was huge and Jiang Yu and the troll army had not only revealed the truth, but they had also brought out irrefutable evidence.

Even if Li Yue was the movie queen, her identity was not omnipotent and could not help her solve all her problems.

Sister Zhang also had a headache because this matter was really troublesome.

But she could not let it go. She had to solve this matter.

She absolutely could not allow Li Yue to make any mistakes in obtaining the third movie queen.

“What should we do?” Li Yue was probably so anxious that she did not know what to do. She spoke to sister Zhang with a sobbing tone.

“Don’t cry first. Calm down first.” Sister Zhang was indeed an experienced veteran in the entertainment industry. No matter what happened, she could calm down.

“Okay, okay... I’ll calm down first...” Li Yue tried to calm herself down.

“You have to maintain your rationality now. No matter what is said on the Internet, don’t appear and say anything,” sister Zhang told Li Yue.

Actually, she was also worried about one thing — she was afraid that Li Yue would say something that she shouldn’t say, which would ruin her popularity and lead to losing the selection of the movie queen award.

“Then should we just let this matter develop like this?” Li Yue couldn’t guess what sister Zhang was thinking.

“...” Sister Zhang hesitated for a long time and said, “If we can reduce the popularity of this matter naturally, that would be the best. If we can’t, then we can only wait for a period of time and then spend money to withdraw from the trending search.”

“But if that’s the case... ” Li Yue was worried that even if she spent money to withdraw from the trending search, there would still be people who would expose this matter.

“... If this can’t be resolved,” sister Zhang gritted her teeth and said as if she was going all out, “Then put everything on me and the company.”

“What? Sister Zhang?!” Li Yue couldn’t believe that sister Zhang was willing to sacrifice her reputation for her own future.

After all, sister Zhang was an old person in the entertainment industry. It could even be said that she had her position in the entertainment industry all because of Sister Zhang’s support.

Her reputation in the entertainment industry was recognized by everyone.

But now she was saying that it was for her...

Li Yue felt even more sorry for Sister Zhang and said, “Sister Zhang, I... I’ve let you down!”

“Alright, things have already come to this. There’s no point in saying this anymore,” sister Zhang said. Things had already come to this point. Even if Li Yue said it ten times or a hundred times, it would be useless.

She could accept it, but what about the public?

The best way now was not to sit back and wait for this matter to dissipate. She could only spend money to withdraw from the hot searches and then take all the blame on herself and the company.

If the company did not agree... then she could only threaten them.

## **Chapter 336: Resolution**

Jiang Yu was not worried that Li Yue would resolve this matter — In fact, she knew that Li Yue would use all her connections to resolve this matter seamlessly, as if it had never happened.

But what did that matter?

Anyway, she had a clear conscience and had already released the truth.

If someone with a heart knew, they would also feel that it was not worth it.

Rythermore, she had released the audio recording on Li Yue's birthday, which had ruined her birthday mood.

That was enough.

However, she didn't expect that Li Yue would push the entire matter to her manager and her agency in order to resolve this matter.

Her manager, Sister Zhang, released a statement. "Regarding the audio recording that Jiang Yu released online, I will give everyone a reasonable explanation today."

"First of all, the whole thing has nothing to do with Li Yue. It was all my and the company's idea. It was us who wanted to create Li Yue's elegant identity, which was why we made her reject the female lead role in 'Ruyi'. Because this role had to appear as a beggar in the beginning, it was too different from the character that we wanted to create."

"Li Yue also listened to us, that's why she requested Director Deng to change the script. I hope everyone can look at this matter rationally and don't have any disappointed thoughts towards Li Yue."

"

"Thank you everyone.

Very quickly, Li Yue's management company also forwarded sister Zhang's Weibo post.

When Jiang Yu saw it, she was shocked.

She really didn't know what method Li Yue used to convince her manager and management company to take responsibility and help her resolve this matter.

In fact, it was Li Yue's manager, sister Zhang, who said to the company's executives, "If I don't resolve this matter like this, then I will leave this company and take Li Yue away as well. You guys indeed don't lack talents, but you lack talents like Li Yue. She's going to be the third movie queen soon, so you can't bear to see Li Yue leave, right?"

The executives fell silent.

They had to admit that sister Zhang was right.

If Li Yue left, they could indeed recruit more talents, but for a talent like Li Yue, they might not be able to find a second out of a hundred.

Moreover, she was the daughter of the Li family...

So after thinking about it, the executives agreed to sister Zhang's solution.

It wouldn't be a problem for them to take the blame, as long as there weren't any problems with Li Yue.

Moreover, Li Yue's manager was also taking the blame.

It could only be said that Li Yue's actions had completely preserved her character and status.

As expected of the movie queen, Jiang Yu thought, but these matters had nothing to do with her.

Li Lu also saw that this matter had been resolved satisfactorily and she heaved a long sigh of relief on Li Yue's behalf.

At the same time, Li Lu felt even more disgusted with Jiang Yu.

It was all this hateful Jiang Yu's fault! If she had not released this audio clip online, her sister would not have fallen to such a state!

The more Li Lu thought about it, the angrier she got. She could not help but look for Jiang Yu again, wanting to confront her face to face.

"Jiang Yu!" Li Lu knocked on Jiang Yu's door fiercely and shouted, "Jiang Yu! Come out! I have something to talk to you about!"

"Click—" The door opened.

Jiang Yu stood in the room and said helplessly, "Stop knocking. You're going to break the door."

Without waiting for Jiang Yu's permission, Li Lu walked into Jiang Yu's room.

Jiang Yu was displeased and asked, "What are you doing in my room?".

### **Chapter 337: Confrontation**

Li Lu said, "Of course I have something to confront you about. Do you think I'm here to look at the decoration of your room?"

Jiang Yu frowned and said, "What do you want to talk to me about?"

Li Lu did not stand on ceremony and went straight to the point. "I'm here to ask you, what exactly is the matter with the audio you sent? What do you mean?"

Jiang Yu said, "What else could it mean? Of course, it's to explain the truth and clear my name."

"Clear your name?" When Li Lu heard Jiang Yu say this, she was immediately triggered by the anger in her heart and shouted, "What's your name? ! Aren't you destroying my sister's innocence by sending that audio recording?!"

Since Li Lu said this, Jiang Yu didn't intend to hide it, she said, "Li Lu, don't tell me you really don't know how the role of 'Ruyi' ended up in my hands? Li Yue used her identity to request to change the script,

but the director was unwilling. Both parties fell out, so Li Yue refused to act. Don't tell me you don't know about this?" "You..." Li Lu was speechless for a moment.

She did know about this.

"Since you know, then you should know that the audio I sent was the truth. I destroyed your sister's innocence? Then what about the fact that you and Li Yue spent money to buy Internet trolls to smear me? Aren't you trying to ruin my innocence?"

Jiang Yu said, "I didn't spend money to buy people to deliberately smear you. I just wanted to prove my own innocence." When Jiang Yu said this, Li Lu didn't know how to respond.

But no matter what, she couldn't lose.

Therefore, Li Lu said again, "So what? Even if it's our fault to buy the troll army, why did you do it?"

Jiang Yu was really angered by Li Lu's words and laughed, "You can frame me, but can't I prove my innocence?"

"It's not that you can't, it's just that you shouldn't use such despicable methods!" Li Lu was still stubborn.

"I'm despicable?" Jiang Yu really felt that Li Lu was always saying strange things.

Jiang Yu said, "Li Lu, do you think you have the right to say this? No matter how despicable I am, I can't be compared to you and your sister, right?"

"How are we despicable?" Li Lu stretched her neck like a big goose looking for a fight.

She actually still felt that she wasn't in the wrong. She even felt that what she and Li Yue did was right.

Jiang Yu didn't say anything but another voice sounded. "Li Lu, I advise you not to go overboard!"

Li Lu was shocked. This voice was... MO Long?!

She looked around and saw Jiang Yu's phone lying on the bed.

So... Jiang Yu was on the phone with MO Long just now?! She didn't hang up the phone even after opening the door for herself She even put it on speaker?!

"Jiang Yu! You are so sly!" Li Lu couldn't help but say.

"How am I sly?" Jiang Yu spread her hands helplessly and said, "I'm also sly when I'm on the phone with my boyfriend?"

"Why didn't you hang up the phone?!" Li Lu was about to go crazy.

What should I do... MO Long heard everything I just said!

"You are really baffling," Jiang Yu said, "I was talking happily with my boyfriend on the phone. Why did you hang up the phone?"

"Shut up!" Li Lu lost her mental defence completely. "How would I know that you were on the phone with MO Long!"

“So what if you don’t know?” Jiang Yu looked at her with a smile and said, “Don’t tell me that I won’t call him even if you know? Li Lu, aren’t you being too controlling?”.

### **Chapter 338: Make A Public Apology**

Now, there was Jiang Yu and Mo Long. Li Lu was caught in the middle and didn’t know what to do.

Mo Long said, “Li Lu, apologize to Yu’er.”

Li Lu gritted her teeth and said, “Impossible!”

Jiang Yu crossed her arms and looked at Li Lu calmly.

She didn’t want to hear Li Lu apologize to her. She just wanted to see how Li Lu wanted to resolve this matter.

After all, Li Yue had her manager and her agency to deal with, but Li Lu didn’t have anything.

Mo Long asked, “Have you thought about it?”

“Yes!” Li Lu gritted her teeth. “You want me to apologize to Jiang Yu? In your dreams!”

She didn’t believe that if she didn’t apologize, Mo Long and Jiang Yu would do anything to her.

Mo Long said, “Li Lu, you and Li Yue were the ones who did this. Don’t think that I don’t know. After Li Yue found out about the incident, she stayed at her own place. Why did you come out and bark?”

Li Lu said, “I...”

MO Long said, “I don’t want to say the same thing twice. If you don’t want your matter to be exposed on the Internet and your acting career to be completely ruined, then do as I say.”

A wise man doesn’t take a loss when the odds are against him! Li Lu comforted herself like this, so she said to Jiang Yu without any sincerity, “I’m sorry!”

Jiang Yu smiled at her and said, “Are you done? Then you can go.”

“You?!” Li Lu was exasperated.

This Jiang Yu didn’t even know how to say “It’s okay”?

“Don’t you know how to say ‘It’s okay?!’” Li Lu shouted.

“You’re really strange.” Jiang Yu shook her head and said, “Do I have to say ‘it’s okay’ and forgive you just because you said ‘I’m sorry’?”

“You?!” Li Lu was once again rendered speechless.

She was so angry that she turned around and was about to leave, but MO Long stopped her and said, “Stop.”

Li Lu only wanted to run away from this place. The further the better.

She already regretted coming to confront Jiang Yu.

“What are you doing?” Li Lu pretended to be calm and said, “I’ve already apologized. What else do you want?”

MO Long said coldly, “I want you to publicly apologize to Yu’er online.”

“Say that again?!” Li Lu could not believe her ears and said in disbelief, “You want me to publicly apologize to her?”

MO Long said concisely, “Yes.”

Li Lu said, “Crazy... Crazy! I can’t publicly apologize to Jiang Yu! I don’t owe her anything!”

“Are you sure?” MO Long said, “The incident with the troll army and the rude behavior towards Yu’er in the room just now, you said you don’t owe her anything? Li Lu, don’t think that just because you’re Li Yue’s sister, I’ll show mercy!”

Li Lu: Got it!”

She knew MO Long’s character. This man always kept his word.

She really didn’t know what kind of bewitching potion Jiang Yu had given MO Long to make him so bewitched.

MO Long said, “If you know, then do it. In three minutes, I want to see your public apology on the Internet!”

Li Lu: This is unreasonable!”

She turned around, slammed the door, and left.

A minute later, Li Lu posted a post on the internet with only three words: I’m sorry!

As for the specific reason, Li Lu didn’t say.

MO Long frowned. He was very dissatisfied with her ambiguous apology.

However, Jiang Yu said, “It’s alright. With her personality, she has already given up her dignity to do this. Anyway, I don’t expect her to sincerely apologize to me. Let’S just leave it at that.”

MO Long was still unwilling to let it go. He said, “But if that’s the case, you’ll feel very wronged.”

Jiang Yu said, “I won’t. I don’t deserve to be wronged by someone like that.”

MO Long finally gave up..

### **Chapter 339 Finished Filming Smoothly**

Li Lu’s post on the internet only caused a small stir.

After all, what was trending on the internet was Jiang Yu’s audio, Li Yue’s explanation and the competition between the two of them.

As for the matter of Li Lu apologizing to Jiang Yu, only a small portion of people paid attention to it.

Because of Li Yue's matter, the viewership ratings of the cast and crew of "The Chu Family's Empress" had dropped greatly. As for "Ruyi", it had exceeded the viewership ratings of "The Chu Family's Empress" by nearly 6%.

But even though Li Yue's incident had been resolved, the viewership ratings were still dropping. It was just that compared to before, the drop was smaller. The director of 'The Chu Family's Empress', Director Wang, was also unwilling to see such a scene. But the reality was right in front of him. There was nothing he could do even if he did not want to see it.

If he had known earlier, he would not have followed Li Yue's instructions and changed the script.

The viewership ratings of 'Ruyi' rose steadily. Everyone was in high spirits.

Today was the last scene of the entire drama. Everyone was silently performing their roles.

Everyone felt a little reluctant. After all, they had been together for nearly two months. It would be a lie to say that they did not have any feelings for one another.

... No, Li Lu definitely did not have any feelings.

Time passed by minute by minute until Director Deng shouted, "Cut –"

The show was done.

Hu Xuan looked at Jiang Yu and said, "Jiang Yu, I hope that I can continue working with you in the future if there's an opportunity."

Jiang Yu also said, "I also hope that there's an opportunity to work with you."

He Zhen jumped out from nowhere and said, "Don't tell me you only want to work with that fellow Hu Xuan? What about me?"

Jiang Yu and Hu Xuan smiled and said, "I'm definitely willing to continue working with you!"

He Zhen smiled with satisfaction.

In the distance, there was a young actor who played the role of a servant girl next to Ruyi. She seemed to be very reluctant to have the show finish. She buried her head in the arms of the lighting technician and cried.

"Sigh." Seeing her like this, Hu Xuan could not help but feel lonely and reluctant.

"Why are you sighing?" He Zhen said, "It's not like we can't work together anymore. Even if we really can't work together in the future, it's not like we can't see each other anymore!"

Hu Xuan said, "I know the logic, but I still can't bear to part with you."

Jiang Yu also comforted him, "It's alright, we'll meet again in the future."

"Okay."

The production of 'The Chu Family's Empress' was slightly bigger than 'Ruyi'. Li Yue was also the main female lead in it.

Therefore, her scenes would be relatively more in the later stages. Hence, Jiang Ran, who was on the same production team as her, had successfully completed filming. However, Li Yue still had to continue filming on the production team.

Jiang Ran watched from afar and curled her lips in disdain.

The last episode of 'Ruyi' was broadcasted and received unanimous praise.

Some fans were frantically scrolling through the bullet comments: "Jiang Yu and Hu Xuan are really a perfect match!"

"I like this kind of happy ending!"

"To be honest, when I saw the plot of the later female lead taking revenge, I felt indescribably refreshed!"

"That's right, that's right! This is what a good TV series should be like. Look at that movie queen next door, what is she acting in?"

"Hey, hey, hey... Don't start a fight upstairs!"

As expected, someone started to quarrel in the bullet screen. "Don't be so calculative about that movie queen Li, okay?" "Who's calculative about that movie queen of yours? I'm just a fan of the show! If she can't act well, why can't I talk about it?" "Come on, if you can do it better, then you can do it!"

"It's so funny, there are still people saying such things nowadays?" The originally friendly bullet screen instantly turned into a foul atmosphere.

### **Chapter 340 Ace Versus Ace**

However, the comments on the internet were just a quarrel between the fans. This did not affect Li Yue's filming at the set, nor did it affect the program team that invited Jiang Yu to record a variety show.

Jiang Yu was invited to participate in a live indoor entertainment variety show called "Ace versus ace."

There were two hosts in total. One was Zhang Xiao, who was very famous in the hosting world, and the other was Yuan Mei, who had just become famous not long ago.

The permanent guests of this variety show were Jiang Yu, He Zhen, Jiang Ran, and Li Lu.

The rest were the guests who would be randomly invited to each episode.

"What a coincidence!" He Zhen greeted Jiang Yu in a familiar manner and said, "We meet again so soon!"

When Jiang Yu saw He Zhen, she was also very surprised. She said, "Yeah! We just finished filming last week. I didn't expect to bump into each other on the variety show this week!"

"I know!" He Zhen laughed.

“Alright, let me introduce our guests first.” Yuan Mei said, “The first one is — Li Lu!”

Li Lu stood up and bowed to the audience with a smile before returning to her seat.

The second guest was Jiang Ran, who was introduced by Zhang Xiao. The third guest was He Zhen, and the fourth guest was Jiang Yu.

“Why are you the last one to be introduced?” He Zhen didn’t understand the host’s order of introduction. “Even if Li Lu is Li Yue’s sister, the second guest shouldn’t have been Jiang Ran. He should have introduced you.”

“It’s fine.” Jiang Yu didn’t care and said, “It’s just the order of introduction. It’s not that important.”

“Okay, then let’s split up into groups!” Yuan Mei said, “I wonder if the guests want to draw lots to split up into groups? Or do they want to split up themselves?”

Li Lu was afraid that the result of drawing lots would be that she would be paired with Jiang Yu, so she said, “We’ll decide on teams ourselves.”

The others did not object, so Yuan Mei said, “Alright then. Let’s have the guests choose their own partners now!” Li Lu did not want to be paired with Jiang Yu, nor did she want to be paired with Jiang Ran.

She thought about how she and He Zhen were “Comrades-in-arms” in the same movie. If she invited him to be her partner, he should not refuse, right?

Hence, Li Lu said to He Zhen, “He Zhen, do you want to be my partner?”

He Zhen was originally waiting for Jiang Yu to send him an invitation. He didn’t expect that Li Lu would come.

He was stunned and said, “Huh?”

“What are you saying?” Li Lu’s face was a little embarrassed. She said, “I’m asking you if you want to be my partner?”

“No,” He Zhen rejected immediately. He said to Jiang Yu, “Jiang Yu, do you want to be my partner?”

Jiang Yu smiled and said, “Sure.”

“Okay!” He Zhen laughed even harder.

Li Lu’s expression completely changed.

This He Zhen! He really didn’t know what was good for him!

The fans were already laughing like crazy in the bullet comments. “He Zhen is just too cute!” “To be honest, I know that his EQ is low, but I don’t know why I just feel that he’s so cute!”

“It’s like someone is trying to kidnap him to do something bad. He found out, so he quickly turned around and said ‘Sister, there’s a bad guy who wants to capture me!!’ “Please! Your imagination is really too cute!”

In short, the bullet comments were all praising He Zhen as a big boy, very cute, and so on.

Seeing that He Zhen rejected her, Li Lu could not continue asking.

Anyway, He Zhen had already become Jiang Yu’s partner, so she could only form a team with Jiang Ran.

But Jiang Ran actually didn’t feel very comfortable.

What did this mean?

Li Lu forming a team with her meant that Li Lu had no other choice but to team up with her.

She was clearly looking down on her!
