Chapter 361 Surveillance Footage

Jiang Ran's anger rose even higher when she saw that someone was still bring up the piano piece incident from a long time ago.

Even though they were telling the truth and that she had indeed stolen Jiang Yu's piano piece and claimed that it was her own original, she would never allow anyone to praise Jiang Yu for being good!

Hence, she could not help but post on the bullet screen, "Nonsense! That was clearly my original! It wasn't written by Jiang Yu at all!"

As soon as she said this, the bullet screen fell silent for a while before it immediately exploded.

"Who is this person? Is she speaking up for her family?"

"Is it possible that this is Jiang Ran?"

"What? Jiang Ran?! She has the nerve to come in and talk?"

"Who knows? She was caught doing that kind of thing today. After she was kicked off the stage, she still has the nerve to come here and say that the piano piece was her original composition?"

"I've never seen such a shameless person!"

Jiang Ran could not win against this group of netizens by herself, so she could only turn off her phone and let her mind be at peace.

With such a drama created on the stage, no one was in the mood to continue recording.

Mo Long had also hung up the phone at some point, and the scene fell into silence once again.

There was only the rustling sound of the surveillance cameras on the big screen.

After an unknown period of time, another voice suddenly sounded.

The people on the stage listened carefully. It was Jiang Yu and He Zhen.

On the surveillance camera, He Zhen said to Jiang Yu, "Jiang Yu, it looks like the next time we record a program, we'll have to train our tacit understanding."

Jiang Yu said, "That's right. Otherwise, no matter what game the program team wants us to participate in, we won't be able to win."

He Zhen said, "Okay. I'll watch the game videos of this variety show over the next few days. You should go back and watch more."

Jiang Yu said, "Okay. Oh right, I still have something to do, so I'll be leaving first. See you later."

"See you later."

Jiang Yu turned around to leave, but she slipped and almost fell.

He Zhen couldn't care less about anything else. He took a step forward to support Jiang Yu and said, "Are you okay?"

Jiang Yu said, "I'm fine, I'm fine."

"As long as you're fine. Alright, I'll be going back first."

"Okay."

The content of the surveillance footage ended here, but it was enough.

It was rumored on the Internet that Jiang Yu and He Zhen were having an affair. So that was the real situation.

Li Lu was shocked when she saw this.

Didn't she give Director Zheng a sum of money to have him edit out this footage? Why was there still footage of Jiang Yu in the footage?

Director Zheng was also very puzzled.

He had clearly cut it out. How could it still be in the footage?

Moreover, in order to be safe, he had specially deleted the backup footage. How could there still be any footage left?

But it was too late to say that now. Jiang Yu had already restored the footage that had disappeared.

"This is... what happened that day!" He Zhen shouted, "Jiang Yu! You found it!"

Jiang Yu said, "Yes. This is what happened that day. I was careless. He Zhen held me up to protect me from falling. It's not what it says on the Internet. Don't believe it."

Li Lu couldn't believe it no matter what. Whether it was director Zheng who had no choice after receiving the money or Jiang Yu who had such great ability to restore the missing surveillance footage, it was not good news for her.

It shouldn't be. Jiang Yu should have been misunderstood by everyone. She should have fallen to the bottom and never been able to get up!

How could this be?

Chapter 362 Quarrel

Li Lu had too many questions in her heart, but she absolutely could not be like Jiang Ran. She absolutely could not reveal any clues.

Otherwise, she would lose not only her own face, but also Li Yue's face, and even the Li family's face.

Jiang Yu did not intend to question Director Zheng about this matter.

From the looks of it, there was no way to continue recording today's show. Thus, Director Zheng said, "Everyone, let's calm down for today. The recording ends here. Give me some time to find a new host and

guest.”

Everyone agreed, so they went down the stage to the backstage lounge to pack up their things and prepare to leave.

Li Lu seized the time to find Director Zheng and said, “Director! What’s going on?”

Director Zheng also had a helpless look on his face, he said, “I don’t know either. I did cut out all the content. Just in case, I even deleted the backup. But who knew that Jiang Yu would copy the content back and actually restore the content!”

Li Lu didn’t believe that Jiang Yu could have such skills. She said, “Director, could it be that you took the money and didn’t do anything?”

Director Zheng hated it when people framed him the most. He said, “Li Lu! What are you saying?! Although I’m not a good person, I know the principle of taking money to do something! Don’t frame me!”

Li Lu had always been arrogant and couldn’t stand it when people spoke loudly to her.

Only Li Yue had the right to lecture her. No one else could.

“What are you shouting for? If you were really paid to do something, would Jiang Yu know about the contents of the surveillance footage?” Li Lu said, “Director Zheng, if you were to tell such a lie, even a fool wouldn’t believe it!”

“Li Lu! What’s wrong with you? You don’t believe me?!”

“Then show me the evidence to make me believe you!”

Come on, wasn’t it just to see who had the loudest voice?!

Director Zheng had completely forgotten his identity as a director at this time. He said loudly, “Li Lu, let me tell you, don’t think that just because you are the sister of the movie queen, I will do whatever you want!”

“Director Zheng!” Li Lu could not control her emotions and said, “Why, could it be that you invited me to participate in the program because of my identity?!”

“What else do you think?”

Director Zheng telling the truth just like that had indeed hit Li Lu’s confidence. She had worked so hard... Why couldn’t she get everyone’s approval?!

Whether it was filming or recording variety shows, she had always worked so hard and had never relied on Li Yue’s influence.

But now someone had told her, don’t think that it was your hard work, that’s why I invited you over.

It’s just that I took a fancy to your identity — the sister of the movie queen Li Yue, that’s why I invited you over.

In short, don’t take yourself too seriously.

The more Li Lu thought about it, the more she felt wronged. In the end, she couldn't hold it in anymore and burst into tears.

Director Zheng felt that there wasn't much to say to Li Lu. After all, he had taken the money to settle the matter, so there was nothing he could do about it.

Seeing that she was crying so sadly, it would be fine if she was not invited to the recording of the show in the future.

He directly replaced Jiang Ran and Li Lu.

Director Zheng packed up his things and left, leaving Li Lu alone on the spot, bawling her eyes out.

The passersby were frightened by Li Lu's cries and quickly ran away.

After all, she was the sister of the movie queen. Why was she crying so unsightly? Did she not care about her image at all?

Jiang Yu packed her things and was about to head back. When she passed by Li Lu, she took out a packet of tissues from her pocket.

He Zhen was on the same path as her and naturally saw Li Lu crying.

Seeing that Jiang Yu wanted to go over, he hurriedly stopped her and said, "Hey! Jiang Yu, don't go over."

However, Jiang Yu was not so petty and said, "It's alright. I'll go and take a look."

Chapter 363 Cat Crying Mouse

"Don't cry." Jiang Yu handed the tissue to Li Lu and said, "You're the sister of the movie queen. How can you cry in public like this?"

"What does it have to do with you? Stop the cat crying mouse!" Li Lu didn't take the tissue from Jiang Yu and slapped the ground instead. "I don't need you to pity me!"

"..." Jiang Yu wasn't angry. After all, she only had one tissue left. If Li Lu didn't want to use it, it was her own business.

However, out of kindness, Jiang Yu reminded her, "Li Lu, your makeup is ruined."

Li Lu: "..."

She quickly took out the small mirror that she always carried with her. Sure enough, the eye shadow and eye shadow on her face had turned into a mess because of the soaking of her tears. Mixed with foundation fluid, they were smeared on her face.

"Tissue... tissue! Do you have tissue!" Li Lu did not care if the person in front of her was Jiang Yu. She only needed a tissue to wipe off the colorful makeup on her face.

Jiang Yu glanced at her and said, "I wanted to give it to you just now. You didn't want it."

Li Lu followed Jiang Yu's gaze and found that it was the tissue that she had just dropped on the ground. "... Jiang Yu, don't be so smug." Li Lu still obediently went over to pick up the tissue and wipe the mess on her face. "Don't think that I'll change my opinion of you just because you gave me a tissue today."

Jiang Yu smiled and said, "I don't expect you to change. I'm doing a good deed."

"A good deed?" Li Lu sneered and said, "I think you're here to see me make a fool of myself, right?" Jiang Yu helplessly spread her hands and said, "If that's what you think, then I have no choice. If you don't treat me as a friend, I won't treat you as a friend either. I gave you a tissue just out of kindness."

Li Lu wiped her face for a long time, but she still couldn't wipe it clean. She could only go to the stage and take a makeup remover cotton pad that no one had used before to wipe her face.

With just this wipe, all of Li Lu's makeup fell off today.

She was truly in a no-makeup state.

As Li Lu wiped her face, she said stubbornly, "Don't think that I'll thank you. Jiang Yu, there will never be an end between you and me."

Jiang Yu smiled and said, "I didn't expect you to say 'thank you.' If this word came out of your mouth, how blessed would it be? I didn't want to argue with you, but don't go too far." Li Lu said, "Then I really have to ask you to argue with me."

"That would be too tiring. Li Lu, I advise you to behave yourself. Otherwise, no one knows what the consequences will be."

Li Lu said with a sneer, "What consequences will there be? Jiang Yu, you don't have to scare me. I've seen all kinds of storms and waves since I was young. Do you think I'm afraid just because you say a few words? Don't have wishful thinking. You'd better protect yourself."

"Tsk ts. I showed kindness to you and I actually hear these words." Jiang Yu smacked her lips as if she didn't expect Li Lu to say these words to her.

"Care about me? I think you're here to cry like a cat crying over a mouse?" Li Lu said, "But that's impossible, Jiang Yu. I absolutely won't let you laugh at me. I'll be watching your joke for the rest of my life."

"Fine, fine, fine. Do whatever you want." Jiang Yu didn't want to waste her breath on her. After all, she was only here to hand over a tissue.

Since she had already done the good deed, the rest of the matter had little to do with her.

"Let's go." Jiang Yu called out to her team and said, "Go back and rest well. You must perform well next time."

Fang Yao and He Zhen were very enthusiastic and said, "No problem!"

Xia Yuan was usually quiet and did not like to talk.

However, he seemed to have been infected, so she laughed and said, "Okay!"

Chapter 364 Shopping Date

"I thought Xia Yuan didn't want to talk to us!" Fang Yao laughed. "So she doesn't want to talk to He Zhen and me!"

"Please don't involve me!" He Zhen protested. "I don't want to be beautiful by myself!"

Jiang Yu and Xia Yuan couldn't help but laugh.

Li Lu was wiping her face, and her ears were filled with their laughter.

To Li Lu, this was a great irony.

"It's so noisy!" Li Lu threw the makeup remover onto the floor. "Jiang Yu, just wait and see!"

Why should her hard work be doubted by others? Why did Jiang Yu rely on herself to get all the good reviews?

This was simply unfair!

Li Lu secretly swore in her heart that sooner or later, she would make Jiang Yu cry as hard as she laughed today in the future.

There had been some accidents during the live broadcast of the variety show, and Lu Qi and the others had already known about it while watching the live broadcast.

Afraid that Jiang Yu would be unhappy, the few of them discussed whether they should ask Jiang Yu out to go shopping so that they could relax.

Dai Zhu said, "Jiang Yu, are you free tomorrow? Do you want to go shopping?"

Jiang Yu said, "Sure. It just so happens that I haven't gone out to play with you guys in a long time."

Her tone didn't sound sad. Lu Qi was worried that she was trying to hold on, so she said, "Xiao Yu, how are you feeling today?"

"Me? I'm in a good mood. Why? Why do you ask?"

"Nothing, nothing," Li Qiang said hurriedly.

Hiss... This sounded like nothing big indeed.

"What's wrong?" Jiang Yu said, "What's the matter? You guys definitely won't ask me this for no reason... Could it be about the live broadcast today?"

No one spoke on the other end of the phone, meaning that they tacitly agreed with Jiang Yu's words.

Jiang Yu said, "Don't worry, I won't be defeated by these things. Do you think that just one Jiang Ran and one Yuan Mei will make me sad and sad? I know that they are targeting me, but I won't be defeated so easily!" Lu Qi and the others were relieved when she said that.

“But to be honest, it seems like we haven’t gone out to play for a long time,” Dai Zhu said, “So let’s go shopping together tomorrow. What do you think?”

Jiang Yu said, “Okay.” Dai Zhu said, “Okay. I’ll tell Tian Guo later.”

Lu Qi said, “Okay.”

Jiang Yu said, “But today, uncle suddenly called and gave me a shock.”

Lu Qi laughed and said, “Hahaha, I don’t think you’re shocked, but your heart is full of sweetness! Hahahaha!”

Jiang Yu also laughed and said, “I really didn’t expect that he would call in front of so many people to support me.” “Aiya, is this a couple in love?”

Dai Zhu had just called to inform sky that it was over. When she came back, she heard Lu Qi say so.

“What’s wrong? What did you say?” Dai Zhu asked.

“It’s her uncle —” Lu Qi deliberately dragged out a long tone.

Dai Zhu imitated her and said, “Aiyo — a young couple in love... Well, to be honest, Jiang Yu, how did you feel at that time?”

Jiang Yu thought for a while and said, “Well... I was shocked and excited. It was the kind of feeling that someone cares about you and can’t bear for you to be wronged at all.”

“Wow!” Dai Zhu was a little envious and said, “Then you must have felt very happy at that time!”

Jiang Yu smiled and said, “I was indeed very happy.” “Aiya, okay, okay! Don’t feed me this!” Dai Zhu and Lu qi shouted, “Okay, we all know that Mo Long loves you very much!”

Chapter 365 My Treat

It had indeed been a long time since Jiang Yu had gone shopping with Lu Qi and the rest. It just so happened that she had recently taken a break and had yet to record the next episode of the program. Mo Long was also busy with his work and did not have much time to spend with her.

It just so happened that Lu Qi and Dai Zhu had asked her to go shopping, so it would be nice to go out and get some fresh air.

Jiang Yu gave Mo Long a call and told him that she was going shopping with Lu Qi and the rest today.

Mo Long said, “Go shopping and get some fresh air. Buy whatever you like as long as you’re happy.” Jiang Yu smiled and said, “Okay, I got it.”

“Okay. No matter how busy you are, you have to rest. I’ll get Teng Yi to keep an eye on you.”

Mo Long laughed on the other side of the phone and said, “Okay, I got it. I won’t make you worry.”

“Okay.” Jiang Yu then hung up the phone with relief.

Dai Zhu said sourly, “Aiyo, is this a couple in love?”

Lu Qi said sourly, "Maybe it is? This is a couple."

Only Tian Guo smiled foolishly and said, "I feel that President Mo and Xiao Yu are really sweet."

Dai Zhu knocked on her head and said, "You, you! You're just a pure star-chasing brain!"

After being made fun of by them, the annoyance that Jiang Yu had been suppressing in her heart for the past few days disappeared, and she laughed along with them. "Alright, stop fooling around." Lu Qi had laughed enough, and she suddenly became serious and said, "Let's go buy some clothes, how about it?"

Dai Zhu agreed and said, "Okay, okay! The clothes in my closet are all last year's styles, and they are no longer in fashion. I need to buy a few new clothes."

Tian Guo was a little troubled and said, "I... I can still wear the clothes in my closet, so I won't buy new ones."

The three of them also knew what Tian Guo was worried about.

Although Tian Guo's family was a well-off family, they were still far from them. When they bought clothes or other things, they didn't need to look at the labels. If they liked them, they could ask the salesperson to pack them up. When the time came, they could just swipe their cards and spend money but she could not.

No matter what it was, she had to carefully consider it before deciding whether to buy it or not.

Dai Zhu was very generous. She put her arm around Tian Guo's shoulder and said, "Tian Guo, you can just choose today. No matter what you like, you can take whatever you like. When the time comes, it will all be on my account."

"This, this is not good..." Tian Guo was embarrassed to accept Dai Zhu's good intentions.

"Then put it on my tab. It's for the three of you." Jiang Yu smiled and said, "You guys are the ones who came out with me to get some fresh air today. So, if you want to buy something, it's naturally my treat."

Lu Qi and Dai Zhu didn't refuse and said, "Okay!"

When Tian Guo saw that the two of them readily agreed, the pressure in her heart also lessened a little. She smiled and said, "Okay!"

Thus, the first stop was to buy clothes.

They went to a clothing store under the Mo Long company. The clothes inside were all from international brands. Even if it was the lowest price, it wouldn't be able to go down without a single digit.

"You are the dignified Mrs. Mo. Don't tell me you won't give me a discount?" Lu Qi said.

Jiang Yu smiled and said, "Why would they give me a discount? They do know me, but they haven't seen me before. So, let's just be ordinary customers."

"I see." Lu Qi didn't ask any more questions. Soon, she and Dai Zhu looked at the clothes in a shop.

"You guys go shopping. I'm going to the bathroom," Jiang Yu said to the three people.

you?"

Jiang Yu said, "No need. You guys go shopping. I'll be back soon." "Okay, then hurry up. We'll wait for you here," Tian Guo said.

"Okay."

Chapter 366 Seeing Injustice

"Dai Zhu, do you think this dress looks good?" Lu Qi picked up a dress and gestured at her body in the mirror. "I don't think this dress is very suitable for me."

Dai Zhu looked over and immediately smiled. "How can you be suitable for this dress? I think this dress..."

Dai Zhu looked around and saw Tian Guo. So she quickly pulled her over and said, "This dress is suitable for Tian Guo!"

Tian Guo looked at the dress in Lu Qi's hand and was frightened. "This... This must be very expensive..." Tian Guo hesitated.

"What are you afraid of? Xiao Yu said that she's treating." Lu Qi handed the dress to Tian Guo. "Come, let's try it!"

Tian Guo took the dress and was about to walk to the changing room when her phone rang in her pocket.

Tian Guo took it out and saw that it was her mother.

"I'm sorry, it was my mother who called me," Tian Guo said apologetically.

"It's okay, hurry up and answer it. We'll try on the clothes after you answer the phone," Lu Qi said.

"Okay." Tian Guo took her phone and went out.

Tian Guo's mother called to ask how Tian Guo was doing recently.

"How am I doing at school?" Tian Guo smiled and said, "Mom, don't worry."

After the phone call, Tian Guo was about to go back when she accidentally turned around and bumped into someone.

"Ah!" The person who was hit let out a scream.

Tian Guo stopped and looked closely. It turned out that the person had spilled warm water on her clothes.

"I'm sorry, I'm sorry!" Tian Guo quickly apologized and took out a packet of tissues from her pocket.

However, the woman in front of her did not appreciate her kindness at all. She reached out to knock the packet of tissues down and said, "Where did you come from, country bumpkin?!"

Tian Guo was a little embarrassed for a moment and said, "I... I..." Lu Qi and Dai Zhu heard the voice and ran out. They saw a woman in a suit that didn't fit her standing arrogantly in front of Tian Guo.

Dai Zhu was a wealthy young lady. She had a bad temper since she was young, and she hated to see her friend suffer such injustice.

So she walked over and stood in front of Tian Guo, saying, "If you have something to say, come at me."

The woman looked Dai Zhu up and down, thinking that this person looked like a rich young lady.

She said, "Is she your servant? How can you speak for her?"

Dai Zhu was immediately angry and said, "How can you speak like that? She's my friend!"

"Your friend? Then I think you're not a good person," the woman said disdainfully.

"You!" Dai Zhu was so angry that her face was close to Lu Qi's.

Lu Qi also walked over and said, "What's the matter?"

Tian Guo told the whole story and said, "I'm really sorry, I really didn't see you." Lu Qi said, "I'm sorry. This is indeed our fault, but we have already apologized and spilled warm water. It's not a big problem. But look, what else do you need us to do?"

The woman was still aggressive and said, "Just apologize and that's it?"

She kept making a scene and her voice became louder and louder. More and more people surrounded her, looking like they were watching a good show.

Lu Qi, Dai Zhu, and Tian Guo were surrounded in the middle, not knowing how to get out.

This was what Jiang Yu saw when she came out of the bathroom.

She tried her best to squeeze in and asked, "What happened?"

Chapter 367 A Dog Threatens Based On Master's Power

Dai Zhu saw Jiang Yu coming over and hurriedly said, "Jiang Yu, you came at the right time! Look at this woman, she's pestering us and won't let us go!"

When the woman heard Jiang Yu's name, she couldn't help but take a few more glances.

Could this be the legendary Mrs. Mo?

She was indeed good-looking and her temperament was indeed top-notch, but that was about it.

"You are Jiang Yu?" However, out of her identity, the woman introduced herself to Jiang Yu, "My name is Li Jing. Ah yes, the movie queen Li Yue that you have always admired is my cousin."

Hearing this, Lu Qi could not help but ask, "Who admires Li Yue? Is she that amazing just because she is a movie queen?"

Dai Zhu also said, "That's right. Is there only one celebrity in this world who is a movie queen? And she said that Li Yue is your cousin. I really don't know how many sisters from the side branches are there."

Li Jing paused and said angrily, "All of you! Don't you know how to speak?! What a bunch of uneducated people!" Jiang Yu didn't want to hear this woman called Li Jing screaming in front of her, so she asked, "What happened?"

Tian Guo recounted the incident from the beginning Jiang Yu said, "Li Jing, it's our fault. We've already apologized."

Li Jing sneered and said, "Apologized? So what? Do you think I have to forgive you just because you apologized?" Jiang Yu said, "Then how can you forgive us?" Li Jing rolled her eyes and stretched out her hand to look at the manicure she had just done a few days ago, she said, "It's simple. I just bought this dress recently and it's custom-made. I'm sure you can't afford to pay for it, right? Then let me slap you three times."

"How much?" Jiang Yu said, "Tell me."

"Why? Are you still planning to pay for her?" Li Jing came up to Jiang Yu, "She wouldn't be paying for it so I don't want it. Besides, I don't need money. I don't want money. I want your sincere apology."

Dai Zhu couldn't take it anymore and said, "Isn't that sincere enough?"

Li Jing glared at her and said, "Did I talk to you?"

"You! You're really rude!"

Jiang Yu frowned and said, "Then what do you want?"

Li Jing said, "I said, three slaps and this matter will be over."

Jiang Yu said, "Do you know that I can call the police if you do this?"

Li Jing heard Jiang Yu say that she wanted to call the police and immediately laughed. "Call the police? Jiang Yu, didn't you hear what I said just now? Li Yue is my cousin? Do you dare to offend Li Yue?"

Jiang Yu said, "Li Yue? Who is she? Why am I afraid of her?"

"Aiyo, aren't you afraid?" Li Jing thought that Jiang Yu was trying to maintain her face and said, "Then call the police and arrest me. I want to see if you are afraid or not."

As she said that, Li Jing seemed to have thought of something, then she said, "Ah Yes, don't think that you are amazing just because you have Mo Long behind you. Sooner or later, Mo Long will still be with my cousin. They are a perfect match. The two of you are simply not suitable."

Jiang Yu had heard such words countless times.

Every time someone said something like that, there would be no good ending for them.

Jiang Yu said, "Li Jing, I've already given you enough face."

Li Jing said, "Do I need you to give me face? Jiang Yu, who do you think you are?" In the crowd of onlookers, someone shouted, "Jiang Yu? Isn't she a popular celebrity right now?"

"Yeah, she's been recording a variety show recently!"

"Looks like people really knows this Jiang Yu," Li Jing thought.

But that was not important at all. Because Jiang Yu was still far behind Li Yue. She would never be able to catch up to her in this lifetime.

Chapter 368 Who Dares To Touch Me

Li Jing was aggressive and didn't want to let go of Tian Guo. She wanted to slap her three times before she would relent.

"We will compensate you for this dress," Jiang Yu said.

After all, this was Mo Long's company's shop. She didn't want to make a big deal out of things inside.

However, Li Jing didn't listen at all. She was even a little impatient. She said loudly, "I said it's not about the money, it's about your attitude!"

Dai Zhu refused to admit defeat and also shouted back loudly, "What's wrong with our attitude?"

Li Jing said, "How can your insincere attitude be considered good? Stop talking nonsense. I'll just give you three slaps and I'll let you go."

"..." Jiang Yu had never seen such an unreasonable person like Li Jing. She had also apologized and planned to compensate her for her clothes.

However, this Li Jing always used her identity as Li Yue's cousin to be aggressive.

"What are you waiting for?" Li Jing was impatient and said, "I'm very busy! If you delay my work, can you bear the loss?"

Lu Qi said, "Your work? What is your work? Is it aggressive work here?"

"You! Uneducated thing!" Li Jing was furious. She didn't know who the person next to her was, so she grabbed a cup of coffee and was about to throw it at Lu Qi.

However, Jiang Yu was standing closer to Lu Qi, so Li Jing had always been careless. Therefore, all the coffee that was supposed to be spilled on Lu Qi was spilled on Jiang Yu's clothes.

Dai Zhu took a look and said, "Li Jing! Hurry up and apologize! Do you know who Jiang Yu is?!"

Li Jing did not expect her hands to be so slanted. However, Jiang Yu was with them, so it did not matter even if it was spilled on her body. With this thought in mind, Li Jing's courage grew once again, she said, "What is her identity? She has shot a few movies and recorded a few variety shows. So what if she's Mo Long's girlfriend? Do you think I'm afraid of Mo Long? Mo Long is nothing. Li Yue is my cousin!"

Jiang Yu had always hated people who spoke ill of Mo Long behind his back.

It was fine to speak ill of her but not Mo Long.

"Li Jing," Jiang Yu's voice was very cold. "Don't push your nose up my face."

It wasn't that Jiang Yu wouldn't be angry, but there were many things that hadn't reached the point where she was angry. Now that the unlucky Li Jing had mentioned Mo Long. And her attitude was so

frivolous, this undoubtedly made Jiang Yu very angry. Li Jing was so frightened by this attitude that she stuttered when she spoke, but she still refused to lower her head.

She said, "What, what? I, I stepped on your nose? Aren't you guys unwilling to apologize?" "Did we not apologize?" Jiang Yu was very angry now and didn't want to talk to Li Jing anymore. She said, "What do you do here?"

Li Jing didn't know why Jiang Yu asked this question and said, "What do you want to do?"

Jiang Yu said word by word, "Fire you." "Fire me?!" When Li Jing heard this, she immediately felt that it was both scary and funny.

The scary thing was that she was afraid that Jiang Yu could really fire her.

However, the funny thing was that she felt that Jiang Yu didn't have the power at all.

"You, Jiang Yu? You want to fire me too?"

Jiang Yu took out her phone and made a call. Very soon, a security guard came over and surrounded Li Jing in the middle.

"What do you want to do?! Let's see who dares to touch me!" Li Jing started to panic and felt that Jiang Yu really had the power to fire her.

In order to protect herself, Li Jing brought out Li Yue. "I'm warning you, Li Yue is my cousin! If you dare to touch me, you're going against Li Yue! She's the movie queen!"

Dai Zhu interrupted, "Li Yue is your cousin? Go and ask her first to see if she still remembers someone like you."

Chapter 369 Fired

Li Jing's face turned black and red when the truth was spoken.

Indeed, although Li Yue was her cousin, the two of them had only met a few times when they were young and had not seen each other since.

It had already been so many years and Li Yue might not remember her anymore.

But when she saw Li Yue winning this award and that award online, she felt that she was Li Yue's cousin no matter what. It was not bad to rely on her identity to survive.

That was why she was able to get to where she was today step by step.

But today, because of her small-mindedness, this job was about to be lost.

"Miss Li, please." The person who looked like the head of the security team made a "Please" gesture, which was quite gentlemanly.

Li Jing gritted her teeth and refused to leave.

She didn't want to lose her job.

"... I'm sorry!" Li Jing said to Jiang Yu, "I don't want to lose my job!"

The onlookers burst into laughter.

Some people whispered, "Wasn't Li Jing arrogant just now? Why did she give up now and apologize to Jiang Yu?" "What do you know? Jiang Yu can fire her with one sentence! What can she do if she doesn't apologize now?"

"Yeah, I think she doesn't want to lose this job."

Li Jing felt more and more uncomfortable listening to the whispers of the people around her.

What's wrong with this Jiang Yu! She had already apologized, so why was she still unwilling to let go of her!

a

However, as Li Jing thought about it, she completely forgot how aggressive she was just now and refused to let go of sweet fruit.

Dai Zhu's sharp eyes immediately saw through Li Jing's thoughts.

She said, "Do you think that we will let you off just because you apologized? You're thinking too much, right? Have you forgotten why you refused to let us off just now?" Li Jing said, "Didn't I already apologize? What else do you want?" Dai Zhu said, "We also apologized just now. Did you let us off?"

Lu Qi also said, "Yes. What did you say just now! Ah, yes, three slaps. Come on. Three slaps and we will let you off."

"You!" Li Jing did not expect these people to hold a grudge. At the same time, she was also annoyed that she did not take a step back just now? If that was the case, these things would not have happened.

This was really like shooting yourself in the foot.

However, no matter how unwilling she was, Li Jing still wanted to keep her job.

Therefore, she walked in front of Jiang Yu and said, "I know I'm wrong! I shouldn't have been so aggressive just now. Please don't fire me! And your clothes, I'll compensate you."

Jiang Yu looked at Li Jing and said, "I never said that I would fire you because of this matter."

"Huh?" Li Jing was puzzled. "Then what's the reason?"

Jiang Yu said, "You can say bad things about me, but you can't say bad things about Mo Long, not a single word."

Li Jing wanted to explain, but Jiang Yu didn't give her a chance. She said, "Don't explain. I don't want to hear it again. So, Li Jing, please leave this place immediately. You've been fired."

Li Jing shouted, "Why! Jiang Yu, you are not the boss! You are not my boss. What right do you have to fire me?!"

"Do you want the boss and manager?" Jiang Yu said, "Okay. I will call him over now."

Of course, Jiang Yu was not talking about the boss Mo Long, but Li Jing's immediate boss, Sui Shen.

Soon, Sui Shen ran all the way over.

"Miss Jiang, what are your orders?"

Chapter 370 I'm Really Sorry

When Li Jing saw Sui Shen, she felt that something was not right. "Sui... team leader Sui?" Li Jing shouted in disbelief, "Team leader Sui! Do you want to fire me too?"

Sui Shen did not look at Li Jing at all. He only focused on talking to Jiang Yu and said, "Miss Jiang, if you have anything to say, I will do it for you right away."

This was the girlfriend of President Mo, the future lady boss! Who would not flatter her if they saw her? Jiang Yu pointed in Li Jing's direction and said, "Team leader Sui, fire Li Jing."

Sui Shen did not ask why and said, "Okay."

Li Jing originally thought that Sui Shen would speak up for her and make her stay.

But she did not expect Sui Shen to not only not speak up for her, he did not even look at her. When Jiang Yu asked him to fire her, he did not even ask "why" and directly agreed.

"Team leader Sui!" Li Jing was disappointed with Sui Shen. "Are you really not willing to speak up for me? Are you really going to fire me?"

Sui Shen's heart actually also had a lot of dissatisfaction with this Li Jing's past behavior. Now that he had a chance to fire her, he was naturally very happy. After she was fired, no one would use the identity of the "cousin of the movie queen" to pressure people anymore! "Shut up! Do you know who you have offended?!" Sui Shen said, "This is the future lady boss!"

Li Lu said, "Jiang Yu! I really know my mistake! Please don't fire me!"

Jiang Yu didn't say anything and only said to the few security guards, "Take her out. Team leader Sui, I'll leave Li Jing's resignation procedures to you." Sui Shen said, "Okay, okay. It's no trouble."

There was no room for negotiation in this matter. Li Jing knew that she couldn't keep this job.

But she still wanted to struggle. As she was dragged out by the security guards, she shouted at Jiang Yu, "Jiang Yu! I really know my mistake! Don't fire me! This job is really important to me!"

Jiang Yu left without looking back.

Li Jing was completely disheartened.

When the onlookers saw that the matter had been resolved, they also scattered after a few chatters.

"Jiang Yu! Are you alright?!" When the crowd had dispersed, the three of them finally remembered that Li Jing had poured coffee all over Jiang Yu's body. "I'm fine. It's just a piece of clothing. I'll just buy a new one," Jiang Yu said with a smile.

It was as if the incident that made her very angry had never happened. "Are you really fine?" Lu Qi was still a little worried.

She had known Jiang Yu the longest. The few words that Li Jing said about Mo Long just now were really disco dancing in Jiang Yu's minefield.

It was no wonder that Jiang Yu was so angry.

Other than the last time when Jiang Ran and the others had said bad things about Mo Long behind his back, Lu Qi had never seen Jiang Yu so angry. Jiang Yu said, "I'm really fine. I'm not that angry with that kind of person. It makes me look so petty." Lu Qi was relieved when she heard what she said. She said, "It's good that you're really fine. It just so happens that you can't wear this dress anymore. Let's go buy a new one."

Dai Zhu said, "Okay! Let's go to the shop just now. I haven't tried on the dress that I showed Tian Guo just now."

Jiang Yu said, "Okay." Tian Guo naturally wouldn't refuse and said, "Okay."
