

## Older Man 401

### Chapter 401 War!

"Zhang Xiao and Wang Yu, I know that 'Star' must be Wang Yu," Yuan Lai said to Jiang Yu in a low voice.

"Yeah, I guessed it as well." Jiang Yu nodded.

Yuan Lai frowned again, he said, "But He Zhen... I really can't tell. Both of them are too weak. It's hard for me to tell who is the 'Star'. Even from He Zhen's expression just now, it was hard for me to guess who is the 'Star'".

Jiang Yu carefully observed He Zhen's expression and said firmly, "The 'Star' is He Zhen."

"Huh? Are you sure?" Yuan Lai was surprised. "Although I think both of them are quite weak, is 'Star' really a guy?"

Jiang Yu nodded and said, "I'm sure. He Zhen is surprised that as a male in the team, he is the character that needs to be protected and Li Jing is the character that needs to protect him."

Yuan Lai: "... Hiss, what you said makes sense."

Director Zheng gave them five minutes to change their name tags. After five minutes, the game began immediately.

"Come, let's walk this way." Jiang Yu took Yuan Lai away from the four people and whispered, "We won't change the nameplate."

"Won't change it? But I'm afraid that they will guess that you are the 'star' and come to tear you apart," Yuan Lai said worriedly.

Jiang Yu told them her strategy, "It doesn't matter. "How about this? I'll swagger in front while you walk carefully behind me. When others see you, they will think that you are the 'star'. If that's the case, they will tear your name tag. I'll find an opportunity to tear down the name tags of the girls in their team."

Yuan Lai was still very worried. "Won't they use the same method as us?"

Jiang Yu smiled and said, "You can see it from the expressions on their faces. Trust me."

"This... Alright, I trust you." Yuan Lai was also determined.

"Alright! Five minutes are up!" Director Zheng pinched the stopwatch in his hand and shouted, "The game begins!"

As soon as he said that, Zhang Xiao and Wang Yu quickly fled the battlefield.

As for Jiang Yu and Yuan Lai, they had already left the battlefield, so they were walking around leisurely, trying to find a safer hiding place for themselves.

Thus, only Li Jing and He Zhen were left standing there in a daze.

He Zhen: "... How did they run so fast?!"

Li Jing still didn't understand the rules of the game. "No? What are the rules of the game?"

He Zhen broke down.

He had just explained to Li Jing for five minutes, but in the end, she did not understand a single word.

“Forget about the rules!” He Zhen gritted his teeth and did not lose his temper. He said, “You just need to remember to protect me!”

“I protect you?” Li Jing felt that He Zhen’s words were baffling. “I’m a girl, why don’t you protect me?”

“Then let’s change the name tag. I’ll protect you.” He Zhen was too lazy to argue with her, so he suggested this idea.

“Why change the name tag? Even if you don’t change the name tag, you should still be the one protecting me, right?” Li Jing said matter-of-factly.

He Zhen: “... I really can’t explain it to you.”

The audience watching the live broadcast also began to feel disgusted with Li Jing. “What’s wrong with this Li Jing? Does she even have a brain?”

“To be honest, anyone with a brain can understand the rules of this game, right? Why doesn’t she understand?”

“And she even asked He Zhen to protect her so righteously?”

“She’s really thick-skinned. Does he really owe her?”

“I don’t understand. How can a person like her participate in variety shows?”

“Director, are you really unable to find someone else to participate in variety shows?”

## **Chapter 402 Protect The Star**

Li Jing did not know that the bullet screen was already full of curses towards her. She took it for granted that she was a girl in the team so He Zhen should protect her.

He Zhen was too lazy to say anything else.

He could not scold her, right?

First of all, this was a live variety show. He had to be responsible for his image.

Secondly, this Li Jing was still a girl. No matter how speechless and angry He Zhen was, he could not scold a girl.

ne

“As you wish.” He Zhen had also thrown away his last shred of hope. “As long as you are happy. If you feel that I should be the one protecting you, then stand behind me.” Li Jing immediately obediently stood behind He Zhen.

He Zhen rolled his eyes helplessly. He could already foresee that his team would definitely be the first to be eliminated.

As expected, what they were afraid of came true.

They had only walked a few steps when they bumped into Zhang Xiao and Wang Yu.

While the two sides were in a stalemate, Jiang Yu and Yuan Lai also came over.

"I was thinking of finding a place to hide first." Jiang Yu shrugged helplessly. "I didn't expect to bump into each other here."

"Then who should we fight first?" Yuan Lai asked.

"Since we don't have the intention to make a move first, let's take a look first," Jiang Yu suggested.

"Okay."

However, that was the plan of the two of them, and there was someone who was unwilling to let them get what they wanted.

"Jiang Yu!" Li Jing's sharp eyes immediately saw Jiang Yu and Yuan Lai standing at the side. She hurriedly pulled He Zhen's sleeve and shouted, "Did you see that?! It's Jiang Yu!"

He Zhen's head hurt from her words and said helplessly, "I saw it."

"Then why don't you go tear her name tag?" Li Jing looked at He Zhen in surprise. "You don't dare to go over?"

He Zhen wanted to say that he really didn't dare.

Please, big sis, he was the 'Star! She was the 'Knight'!

Even if you really want to tear her name tag, you should be the one to do it! Yo should be the one to charge in front!

How can it be someone like me who needs to be protected?!

However, Li Jing didn't think too much about it. She thought that the reason why he didn't tear Jiang Yu's name tag was because he didn't dare to do so.

Since that was the case, she would get rid of Jiang Yu herself!

"Jiang Yu!" Li Jing shouted and rushed towards Jiang Yu.

"Oh my God, what is she doing?!" Yuan Lai was shocked by the situation and subconsciously took a step back.

"It's okay, she's here to look for me." Jiang Yu looked at Li Jing playfully.

"Looking for you?" When Yuan Lai heard this, he immediately stood in front of Jiang Yu. "That won't do! Jiang Yu, stand behind me!"

Jiang Yu: "Eh?"

Li Jing didn't expect Yuan Lai to suddenly stand in front of Jiang Yu. Her anger instantly flared up. "Yuan Lai! What are you doing?! Don't stand here and get in the way!"

"You're going to tear my teammate's name tag. How can I still watch?" Yuan Lai retorted, unwilling to be outdone.

"... I'm a girl! Get out of my way!" Li Jing's face was flushed red as she used this excuse again.

"A girl? There's no distinction between men and women on the battlefield," Yuan Lai said.

Li Jing: "Yuan Lai! You!"

Yuan Lai was expressionless. "If you want to eliminate Jiang Yu, then eliminate me first."

Li Jing couldn't help but raise her voice and shout, "Yuan Lai! We'll still be on the same team in the future, and this is how you're going to help this Jiang Yu now?!"

Yuan Lai felt that what she said was baffling. "You're really strange. You said it yourself, so now that I'm on the same team as Jiang Yu, I'm definitely going to help her."

"Yuan Lai! I advise you to leave this place," Li Jing said fiercely. "This is a war between me and her. You'd better not get involved."

Yuan Lai said, "I don't care. Jiang Yu is my teammate now. Whoever wants to bully my teammate, I'll be angry with them."

### **Chapter 403 Eliminated**

The way Yuan Lai stood in front of Jiang Yu stung Li Jing's nerves.

She felt that Jiang Yu already had an ink dragon, but when she was out recording variety shows, she still needed someone else to protect her.

Instead, she looked at herself. As a girl in the team, she still had to protect a boy?

Why? This was simply unfair!

Li Jing shouted and was about to tear Jiang Yu's name tag. "Hey! Li Jing!" He Zhen shouted from behind her. "Come back! Don't get agitated! Our target is not the two of them for the time being!" However, how could Li Jing listen to him now? She immediately dashed towards Jiang

Yu.

She originally wanted to avoid Yuan Lai, but she overestimated her speed.

She had not even touched a strand of Jiang Yu's hair before Yuan Lai tore off her name tag.

Very soon, director Zheng's voice came from the broadcast, "Li Jing, eliminated. Li Jing, eliminated."

Li Jing was so angry that her eyes were red.

On the contrary, He Zhen had a miserable look on his face and did not know what to say about Li Jing

"It's Li Jing who was eliminated! It's not their entire team!" Yuan Lai seemed to have discovered a new continent, he shouted at the top of his lungs, "He Zhen is that 'Star! It's He Zhen! Zhang Xiao, Wang Yu, tear apart He Zhen's team and they will be eliminated!"

After saying that, Yuan Lai whispered to Jiang Yu, "You were right. In their team, He Zhen is indeed 'Star."

Jiang Yu smiled and did not say anything.

However, when she saw Li Jing's incredulous expression, Jiang Yu rushed to tell her before the man in black brought her into the small dark room, "No matter how much you think of me, you must know that you are recording a variety show. He Zhen is your teammate. You must not abandon your teammate behind

you."

Li Jing: "... Jiang Yu, just you wait! There will be a time when I will completely defeat you!"

After she said this, she was brought into the small dark room by the man in black.

"Does she have some misunderstandings about you?" Yuan Lai could not help but ask.

No matter how stupid a person was, at this moment, they could see that the tension between Li Jing and Jiang Yu was very strong.

"It's nothing serious." Jiang Yu considered her words and felt that it was best not to mention Li Jing's sad matter in front of so many people, therefore, she only answered ambiguously, "It's just some misunderstanding from before. It hasn't been resolved yet."

"Is that so?" Yuan Lai was dubious.

He Zhen, who had lost a teammate, wanted to cry but could not.

Even if Jiang Yu and Yuan Lai were just watching the show from the side, he could not defeat Zhang Xiao and Wang Yu alone.

No matter how he looked at it, he was the one who would definitely lose. There was no need to struggle.

He might as well just forfeit and watch the four of them tear each other's nameplates.

After making up his mind, He Zhen raised his hands and made a "Surrender" gesture, he said, "I forfeit! No matter which team I fight with and how they tear each other's nameplates, I'm the one who will definitely lose. In that case, I might as well forfeit. I admit defeat."

"Hey?" Yuan Lai raised his eyebrows and quickly put his hand on He Zhen's shoulder, saying, "Good brother!"

"How are we good brothers?" He Zhen said helplessly, "It's because that Li Jing was too impulsive. I told her that her primary targets are Zhang Xiao and Wang Yu, but she still ran over to Jiang Yu and left me here alone. Isn't it obvious that she's going to lose?"

When He Zhen said this, the expression on his face that said, "I'm disappointed that I didn't live up to my expectations" amused everyone present.

Soon, director Zheng's voice came from the broadcast again. "He Zhen, eliminated. He Zhen, eliminated."

#### **Chapter 404 About The Same**

After He Zhen was eliminated, the man in black prepared to bring him to the small dark room.

He quickly shouted, "Hey, hey, Hey! Director! Can I watch the battle from the side?"

"Watch the battle? You really don't mind watching the show," Jiang Yu said with a smile.

Since He Zhen had voluntarily forfeited the game, director Zheng made an exception and agreed to his request. "Alright, then you can watch the battle from the side. But you're not allowed to go over and help."

He Zhen pressed his palms together to express his gratitude and said, "Thank you, director!"

The next battle was between the four of them.

"Speak." Yuan Lai subconsciously stood in front of Jiang Yu and said, "What are your plans? Jiang Yu versus Wang Yu, and I versus Zhang Xiao?"

Jiang Yu also said, "The game has already progressed to this point, so let's be frank. In our team, I'm the 'Star, and Yuan Lai is 'Knight'."

Seeing Jiang Yu so straightforwardly reveal her team's identity, Zhang Xiao and Wang Yu were somewhat suspicious.

Was the 'star' really Jiang Yu? Then did they exchange their name tags?

Yuan Lai could not understand what Jiang Yu was doing either, so he could not help but ask in a low voice, "Jiang Yu, did you tell them just like that?"

Jiang Yu explained, "It doesn't matter. This is also a way to confuse them."

Yuan Lai nodded with only a little understanding and made a posture of being ready to "fight" at any time.

"Then let's take a gamble," Wang Yu said, "Since Jiang Yu dares to reveal her identity so openly, it means that she's not worried. Then that's it. In a while, I'll stall Jiang Yu and then find an opportunity to help you tear off Yuan Lai's name tag."

Zhang Xiao nodded.

"They seem to be talking about some tactics." Yuan Lai looked at the small actions of whispering between them.

"It seems that they have already become suspicious." Jiang Yu was very confident. "They must be discussing how to stall me in a while and then find an opportunity to tear off your name tag." "Then that's a good thing," Yuan Lai said. "As long as their spearhead is on me, then you're safe."

“Okay.” Jiang Yu’s gaze turned cold, and she imitated Yuan Lai’s posture as she prepared to “Fight.”

“I advise you to admit defeat,” Yuan Lai shouted, “We will definitely win this game.”

“It’s still too early for you to say that!” Zhang Xiao said, and suddenly shot towards Yuan Lai!

“Hey! You are too fast!” Fortunately, the distance was a little far, and there was enough time for Yuan Lai to react.

“Be careful!” Jiang Yu also had Wang Yu to stall for time, so she had no time to care about Yuan Lai’s situation.

“Don’t worry!” Yuan Lai said loudly, “Just deal with that Wang Yu!”

“Before you worry about your teammates, worry about yourself first!” Wang Yu Said and rushed toward Jiang Yu very quickly. Jiang Yu quickly dodged Wang Yu’s attack and nimbly went around to Wang Yu’s side with a tiptoe.

“You’re quite fast.” Wang Yu pretended to be calm.

She did not expect Jiang Yu, who was not a professional dancer, to actually know how to tiptoe, and at such a fast speed!

“Not at all.” Jiang Yu smiled humbly and said, “I’m still not as good as you.”

“You’re too modest.” Wang Yu also said.

If normal attacks could not buy time, then they would use chat tactics.

As long as Jiang Yu kept talking to her, then she was confident that she could buy enough time and then help Zhang Xiao Tear off Yuan Lai’s name tag!

## **Chapter 405 Still Lost**

### **Still Lost**

However, Jiang Yu saw through Wang Yu’s thoughts clearly.

So for the rest of the time... Jiang Yu kept quiet.

Seeing this, Wang Yu became more and more flustered, and her footsteps became more and more hurried. In the end, Jiang Yu found the flaw with a glance.

Jiang Yu saw that Wang Yu’s footsteps slowed down for a moment, so she quickly tore off Wang Yu’s name tag. At the same time, Wang Yu’s hand was already on Jiang Yu’s name tag.

But it was too late. Jiang Yu had already torn off Wang Yu’s name tag, so Wang Yu was in a state of elimination.

He Zhen, who was watching from the side, was terrified. One second, he saw that Wang Yu had the upper hand, and the next second, he felt that she would be able to circle behind Jiang Yu and tear off her name tag.

However, he did not expect that in the next second, Jiang Yu would actually follow the momentum and circle behind Wang Yu and tear off her name tag.

This match was really too exciting. He Zhen was dumbfounded.

“What, are you dumbfounded?” Wang Yu, who had been eliminated, walked over and waved her hand in front of He Zhen.

“You... Eh? Your team didn’t lose?” He Zhen could not help but ask when he saw that Zhang Xiao was still “fighting” on the field.

“No. It’s true that I’m star, but Zhang Xiao and I exchanged our name tags,” Wang Yu explained.

“So that’s how it is...” He Zhen nodded.

The two of them continued to pay attention to the situation on the field, intending to see how Zhang Xiao would deal with the two of them alone.

“No way!” When Zhang Xiao saw Wang Yu leave the field, alarm bells went off in his heart. “Now it’s me against the two of you alone?”

Yuan Lai snapped his fingers and said proudly, “Yes! That’s right!”

Zhang Xiao said, “Isn’t this a little unfair?”

Yuan Lai said, “No, I think it’s very fair. You’re fighting alone because your teammate was eliminated. It’s not because of us.”

Zhang Xiao: “... Alright, alright, then come on! I’m not afraid of you!”

“It better be like this!” Yuan Lai said as he quickly went behind Zhang Xiao.

The situation now was that Zhang Xiao was sandwiched in the middle, with Jiang Yu in front and Yuan Lai behind him.

This was really a little difficult to handle.

“He’s coming!” Yuan Lai shouted as he rushed towards Zhang Xiao’s back.

At the same time, Jiang Yu also quickly ran towards Zhang Xiao, reaching out towards his back.

Even though Zhang Xiao was a very big and strong man, he could not withstand the pincer attack from two people.

Moreover, Yuan Lai did not look like a weak person, and Jiang Yu was also very difficult to deal with. It seemed that it would be very difficult for him to win this game.

As expected, Zhang Xiao only cared about guarding against Yuan Lai. When his hand reached out to his back, he also quickly reached out to his back and tore off Yuan Lai’s name tag.

However, the next second, he felt that his name tag had been torn off.

It should have been torn off by Jiang Yu.

Now, he could only gamble and see if Jiang Yu and Yuan Lai had exchanged their name tags.

However, what came out of the broadcast was, “Zhang Xiao, eliminated. Zhang Xiao, eliminated.”

Zhang Xiao was disappointed.

It seemed that Jiang Yu and Yuan Lai had not exchanged their name tags. What he tore off was that “Knight” name tag.

“Sigh.” Zhang Xiao sighed. “I didn’t expect that we would still lose. I guessed wrong. I thought Jiang Yu and Yuan Lai would exchange name tags.”

“We didn’t. Hahaha!” Yuan Lai laughed loudly. “You guessed wrong!”

Zhang Xiao walked to Wang Yu with a disappointed look and said with some embarrassment, “I’m sorry. I lost this game.”

Wang Yu said with a smile, “It doesn’t matter. So be it. It’s also because I didn’t stall for time before that it led to this result.”

The two of them were reflecting on their mistakes while Jiang Yu and Yuan Lai were celebrating their victory, completely forgetting that He Zhen was watching the show next to them.

#### **Chapter 406 Question**

He Zhen: “... Sigh, why don’t you guys take a look at me? I’ve been sitting here cheering for you guys!”

Wang Yu asked jokingly, “Who were you cheering for just now?”

He Zhen was momentarily speechless. He remembered that Jiang Yu and Yuan Lai had won the game, so he said, “Of course it was Jiang Yu and Yuan Lai!”

Wang Yu quickly put on an angry expression and said, “So you didn’t cheer for me and Zhang Xiao?”

“Hey! No! I also... No, your question is against the rules!” He Zhen said with a bitter face.

“Hahahahaha!” The people in the circle were amused.

The people in the bullet comments also laughed, but as they laughed, they thought of Li Jing who was still locked in the small dark room.

“Hahahaha, isn’t he really too cute? I announce that from today onwards, I’m a fan of He Zhen!”

“Don’t fight for my spot! I’m also a fan of He Zhen!”

“No, don’t you guys really think that there’s someone missing? There’s one person missing!”

“Who is it? I think there’s quite a number of people?”

“Please! It’s Li Jing! Li Jing, the person who was eliminated from the game at the start! She’s still locked up in the small dark room?!”

“Hahahaha! Oh my God! If you hadn’t said that, I would have forgotten that there’s such a person like Li Jing!”

The few people who were joking around also thought of Li Jing who was locked up in the dark room. They quickly asked the man in black to let her out.

After Li Jing came out of the dark room, she asked in confusion, "Have you guys stopped tearing the nametags since I entered?"

He Zhen said, "They have been continuing."

Li Jing asked in puzzlement, "Then why can't I hear the news of you guys being eliminated in the small dark room?"

He Zhen explained, "That's because we were too far away, that's why you couldn't hear it."

"Really?" Li Jing didn't believe it and continued to ask, "Then why didn't you guys come to the small dark room after you were eliminated?"

He Zhen lied with his eyes wide open, "Everyone has their own dark room. How can a bunch of people be locked together? If that's the case, how can it be called a dark room?"

"Huh?" Li Jing could not agree with He Zhen's explanation.

But compared to this, she was more concerned about the final result. "Who won?"

It definitely could not be Jiang Yu!

But the truth was that she was not willing to follow Li Jing's thoughts.

When Director Zheng said the name "Jiang Yu". Li Jing was stunned at first and could not help but ask, "Why did Jiang Yu win again?"

When he heard this, Yuan Lai was a little dissatisfied. "What do you mean 'again? You don't want us to win that much?"

Li Jing looked at him inexplicably. "I'm not on the same team as you guys, why would I want you to win?"

Hearing this, Yuan Lai was instantly choked up and didn't know what to say.

"And even if I want a team to win, it's not you guys," Li Jing added.

"Why?" Yuan Lai was really puzzled. "Is there any misunderstanding between you and Jiang Yu that hasn't been resolved? Why are you targeting Jiang Yu?"

"Am I targeting her?" Li Jing pointed at herself. "Me? You said I'm targeting her? Is she really not targeting me?"

"What on Earth are you talking about?" He Zhen couldn't take it anymore and stood up for Jiang Yu.

"You guys are all standing up for Jiang Yu?" Li Jing looked at He Zhen, who was clearly on the same team as her, in disbelief. "Even you aren't helping me?"

He Zhen was also baffled and said, "Then you have to tell me what it is, right? Only then can I help you. You didn't say anything clearly and are still targeting Jiang Yu. How am I supposed to help you?"

## Chapter 407 False Misunderstanding

Li Jing wanted to say that she had a serious job before, but she was fired because of Jiang Yu's words.

However, she did not say this out loud. It was not because she was afraid that it would implicate her previous unreasonable actions, but simply because she felt that it was a little embarrassing.

Therefore, Li Jing chose not to talk about this matter.

However, if she did not want to say it, then others would think that she was deliberately creating a topic in order to win the sympathy of others.

Director Zheng also did not understand what Li Jing was doing. He wanted to call Jiang Ran after the recording of the show. Just look at who she had recommended to him?

Didn't they say that this Li Jing was Li Yue's cousin?

But she had already been here for two days. Not only were the audience not surprised by her identity, even the few people who were recording with her could be considered famous figures in the entertainment industry. Not a single person recognized her identity.

Then why did they still get her to be a guest? Where did this come from?

When He Zhen saw that Li Jing was silent again, he felt that he could not communicate with her normally.

Right now, he only hoped that this episode of the show would end as soon as possible. He did not want to be on the same team as Li Jing in the next episode, whether it was indoor or outdoor recording.

"In short, I did not target Jiang Yu!" Li Jing put her hands on her hips and rolled her eyes.

Jiang Yu kindly tried to smooth things over for her and said, "It was a long time ago. It was just a small misunderstanding."

However, Li Jing did not follow this step down. Instead, she questioned Jiang Yu, "Misunderstanding? Where did the misunderstanding come from? Do you think that it was a misunderstanding?"

It seemed that she did not want to follow this step down. Jiang Yu looked at Li Jing and also wanted to know how she wanted to explain this matter.

"I, Li Jing, am the cousin of the current movie queen, Li Yue!" Since things had already come to this, Li Jing once again revealed her identity. "I've told you before, but you insisted on doing things your own way. Are you telling me that this is a misunderstanding?"

Jiang Yu raised his eyebrows. She didn't expect Li Jing to reveal her identity so quickly.

When Li Jing said this, the rest of the people present also sucked in a breath of cold air.

What?! This Li Jing was actually Li Yue's cousin?

But after being in the circle for so many years, they only knew that Li Yue had a biological sister called Li Lu. They had never heard Li Yue mention that she had a cousin?

The bullet comments had already gone crazy. “What?! Li Yue’s cousin?”

“No way! How could Li Yue have such a stupid cousin!”

“It’s true. She has no IQ, no fame, and no fame. I was wondering how she came to this variety show. So that’s how it is!”

“But doesn’t the movie queen hate people who rely on her connections to pull strings?”

“Li Yue’s cousin?” Jiang Yu saw that Li Jing did not intend to cover up this matter. Her mind also recalled the scene where Li Jing said those wild words that day. Her anger could not help but rise.

When Li Jing saw Jiang Yu’s expression, she also felt that something was going to happen. However, she thought that Jiang ran was backing her up, so she was naturally not afraid. She raised her head and met Jiang Yu’s eyes.

“How was it? I told you before, right? That day at the clothing building.” Li Jing’s expression was smug, as if she thought that Jiang Yu would be afraid if she said that.

“Are you going to tell me what happened that day?” Jiang Yu looked at her with a cold smile. “If there’s anything you don’t remember, I can help you recall it.”

The situation on the stage was very tense, and the others didn’t dare to say anything.

The cameraman wanted to turn off the camera, but director Zheng stopped him.

“This is a rare highlight!” Director Zheng whispered to the cameraman.

## **Chapter 408 Recount**

Director Zheng was also guessing that Mo Long must be watching the live broadcast.

Mo Long was indeed watching the live broadcast of this episode.

Looking at the smug expression on Li Jing’s face, Mo Long furrowed his brows tightly.

When Teng Yi saw him like this, he immediately asked, “President Mo, do you need me to look for information on this Li Jing?”

“... Li Yue’s cousin...” Mo Long muttered. He felt that this identity and this name were very familiar.

He waved his hand, indicating that Teng Yi could go and check.

“Oh right,” Mo Long said, “Remember to check which clothing building Yu-er and her friends were at on the day they went out to play and what happened. Go.”

Teng Yi lowered his head and replied, “Yes, President Mo...”

“What do you want?” Li Jing was a little flustered when she saw Jiang Yu’s expression.

“I don’t want to do anything. I should be the one asking you this,” Jiang Yu said.

For the past two days, no matter how much Li Jing provoked her, she was magnanimous enough to not lower herself to her level.

However, at this very moment, the recording of the show was about to end, yet she insisted on creating this incident, making it impossible for her to pretend that she did not know anything

“What do you mean by that? Do you think that what happened the other day was my fault? Didn’t your friend bump into me?” Thinking of this incident, Li Jing started to feel confident again.

“My friend walked carelessly and bumped into you. We are very sorry. At that time, we also apologized to you, right? It was you who refused to accept and even wanted to hit my friend. Do I have to stand by and watch?” Jiang Yu held back her anger and said.

“What’s wrong? Do you know how much money my clothes cost? Do you think you can just say ‘sorry’ to everything?” Li Jing said again.

Jiang Yu said, “At that time, we had already planned to compensate you with the money for the clothes.”

“Is it useful? I don’t want money, I just want the clothes!” Li Jing suddenly raised her voice. “What’s the use of apologizing?! Can my clothes come back?!”

Her words really scared the rest of the people present.

He Zhen said, “... My God, are all angry women so scary?”

Yuan Lai: “No. Look at Jiang Yu. No matter how angry she is, she won’t speak loudly. How elegant. Look at that Li Jing, she’s a shrew.”

Hearing her mention this matter, Jiang Yu pursed her lips, she said, “My friend accidentally spilled a cup of warm water on your clothes, and you deliberately spilled a cup of hot coffee on my clothes. In this way, my clothes are more irreparable than your clothes.”

“You...” Li Jing didn’t expect her to bring this up, and she couldn’t help but feel a little guilty. She said, “Didn’t I apologize to you? Besides, I didn’t mean to spill it on you.”

Jiang Yu said, “My friend didn’t mean to spill it on you.”

“Same? Can your country bumpkin friend compare to me? I’m Li Yue’s cousin! What is she?” Li Jing said disdainfully.

Her words sounded like she was looking down on others. He Zhen and Yuan Lai couldn’t take it anymore.

Yuan Lai said, “No, why do you always bring up Li Yue’s matters between you and Jiang Yu?”

He Zhen said, “Li Yue might not even know you as her cousin. Why do you always bring it up? And you always want to oppress her. It’s boring.”

Yuan Lai: “That’s right. Besides, she’s Jiang Yu’s friend. What does it have to do with you? Why are you always looking down on her friends?”

Li Jing’s pride was hurt by the two men’s words and she quickly blushed in anger.

“Yuan Lai! He Zhen!” Li Jing shouted. “Who are you two speaking up for?!”

Yuan Lai was puzzled. "We're just stating the facts. There's no such thing as speaking up for someone else."

#### Chapter 409 Argument

Li Jing turned her head away and no longer looked at the two of them.

Out of the corner of her eye, she saw that the cameraman had not turned off the camera and was stunned for a moment.

"You didn't turn off the camera?" Li Jing asked dryly.

Director Zheng nodded and replied, "No."

"... Crazy, crazy!" Li Jing suddenly shouted, "How can you not turn off the camera for something like this?! My image... My image has been destroyed!"

Everyone: "..."

You still care about your image?

"Forget it, stop recording! I, I won't say anymore!" Li Jing was on the verge of breaking down.

It's over, it's over. What if Jiang Ran and Li Yue saw this?!

Then wouldn't she be completely finished?!

No, no, no. Jiang Ran was on her side and should support her.

As for Li Yue, she was so busy every day. She shouldn't have time to watch these live variety shows. She should be fine.

Li Jing comforted herself in this way and felt better.

But even if she wanted to unilaterally end this matter now, Jiang Yu's side wouldn't agree.

"Li Jing," Jiang Yu said, "Never use your identity to suppress others."

"Why do you care?" When Li Jing heard this, she was instantly furious. She said, "Aren't you? Just because you're Mo Long's girlfriend, you're telling me what to do? And you want my team leader to fire me?"

The people present never thought that there would be such a thing between Li Jing and Jiang Yu.

Mo Long was also puzzled as he looked at the computer.

When did this happen?

Jiang Yu did not panic just because Li Jing mentioned it. Instead, she asked her, "Do you dare to say everything that happened?"

"You..." Li Jing was at a loss for words.

If she were to tell her everything, she definitely would not dare.

If it was Jiang Ran and Li Yue, Li Jing could still console herself by saying that the two of them would not watch the show or stand behind her, but Mo Long definitely would not.

Mo Long would definitely watch the show recorded by Jiang Yu.

After watching it, he might even report it to his father.

If that was the case... then she would be in big trouble!

However, Li Jing still pretended to be calm and said, "What can't I say? It's just that I don't want to say it!"

"Don't want to say it?" Jiang Yu sneered. "Is it that you don't want to say it, or that you don't dare to say it?"

"Yes, it's just that I don't want to say it!" Li Jing stubbornly refused to admit it.

"Alright, since you don't want to say it, then I'll say it. This matter..." Before Jiang Yu could finish her words, Li Jing hurriedly interrupted her.

"Jiang Yu! Are you crazy?! You want to say this matter out loud?!"

Jiang Yu felt strange and asked in puzzlement, "I'm not wrong about this matter, why can't I say it out loud? Since you don't want to say it, then I'll say it. I'll help you recall it."

"You... Jiang Yu!" Li Jing was afraid that if she told Mo Long everything, she would not have a good ending in the future. But at this point, would Jiang Yu really stop and not say anything? In order to protect herself, Li Jing could only apologize again, "Wait a minute, Jiang Yu! I'm sorry! I was wrong about this!"

The audience who had been watching the show were now a little confused.

What was going on? Before Jiang Yu could say what was going on, why was she in such a hurry to apologize?

The audience on the bullet screen was also confused.

"What's going on? Did Li Jing say what was going on? Why did she apologize?"

"Yeah, yeah, I didn't get it either. What's going on?"

"I think Li Jing couldn't make it up anymore, so she was in a hurry to apologize, right?"

"But Li Jing just said that Jiang Yu was the one who fired her?"

#### Chapter 410 Explanation

Even though the bullet screen and the people present were confused and did not know why Li Jing would apologize for no reason, they were still waiting to see if Jiang Yu would accept Li Jing's apology. Jiang Yu was silent for a while before she said to Li Jing, "Li Jing, why do you think that as long as you apologize, I will definitely forgive

you?"

Li Jing paused and looked up at Jiang Yu as if she didn't understand what she was saying.

"Didn't I apologize? What else do you want?" Li Jing asked unhappily.

He Zhen couldn't help but say, "Li Jing, you can't apologize in this attitude, right?"

Yuan Lai also said, "With your attitude, how can people forgive you?"

Li Jing turned around and glared at the two of them fiercely. She said, "What has it got to do with you two?!"

Li Jing's attitude really made people hate her more and more.

The comments on the bullet screen changed from "Like" to "Hate" now.

"This Li Jing is really annoying. Is this attitude an apology?"

"An apology isn't as simple as saying 'Sorry'."

"With this attitude, she still has the nerve to say that she has to be apologized? And she still wants others to forgive her?"

"Her attitude is bad. With this attitude, I will definitely have a fight with her in front of me."

"So, Jiang Yu, do you forgive me or not?" Li Jing asked.

Her tone was as if Jiang Yu had to forgive her because she had already apologized.

Jiang Yu looked at her with a smile. "Do you think I will forgive you?"

The meaning of Jiang Yu's words was obvious. She would not forgive Li Jing.

Li Jing had never felt so wronged before. The anger in her heart could not help but burn. She was about to be burned to ashes.

"Jiang Yu! I've already apologized! What else do you want?" Li Jing shouted hysterically, "Jiang Yu, are you really going to force me into a corner?!"

"Is it my fault?" Jiang Yu leaned closer to Li Jing and whispered, "You caused all of this yourself."

Li Jing paused and closed her eyes in despair, letting the tears fall on her face.

Jiang Yu was right. All of this was her fault.

She had relied too much on the strength of her family, which was why she ended up like this.

Li Jing kept thinking that although all of this was her fault, the source of all of this was not her fault.

"All of this is not my fault!" Li Jing explained while crying, "It's me, it's my family! It's because they had too much expectations for me. It's because they pampered me too much! That's why I ended up like this!"

Even now, Li Jing was still pushing the responsibility away.

This time, she even did not hesitate to push the responsibility onto her family.

Jiang Yu shook her head, not knowing what to say. After a long silence, Jiang Yu finally said, “Li Jing...”

Before she could finish her sentence, Li Jing threw a hand at her.

Fortunately, Jiang Yu dodged quickly and was not hit by Li Jing’s slap. However, Li Jing’s sharp nails still cut across Jiang Yu’s face.

Three obvious bloody marks appeared on Jiang Yu’s face in an instant.

“Li Jing!” The group of people were frightened by her and hurriedly pulled Li Jing over, afraid that she would do something to hurt Jiang Yu again.

“Jiang Yu, are you okay?!” Wang Yu anxiously looked at the wound on Jiang Yu’s face and immediately exclaimed, “Oh my God! Jiang Yu, your face! It’s bleeding!”

“I’m fine.” Jiang Yu calmly wiped the blood on her face as if she couldn’t feel any pain.

It was as if what had just happened had never happened.

“What do you mean you’re fine?!” Wang Yu hurriedly asked the medical staff to bring alcohol and band-aids to disinfect Jiang Yu.

“Jiang Yu!” Li Jing, who was pulled back by a group of people, was still shouting, “Everything I have is ruined by you!”
