

## Older Man 411

### Chapter 411 End of Recording

Li Jing was very emotional right now. If she was not stopped, she might do something irreparable.

When the medical staff applied alcohol on Jiang Yu, they were also terrified when they saw the three bloody marks.

She had treated Li Jing's wounds before. At that time, she only thought that Li Jing was a polite little girl.

But it had only been a short while, and Li Jing's true colors had already been exposed.

"Jiang Yu! Jiang Yu!" Li Jing was still unwilling to give up and shouted, "You ruined everything for me!"

She always said these mindless words, Yuan Lai could not help but say, "Li Jing, can you not blame your own fault on others? If you were really good at your job, why would Jiang Yu fire you? She is not that kind of petty person. She would not fire you just because she dislikes you for no reason. How about that. That's why you should look for reasons on yourself.

"Didn't she dislike me for no reason? Didn't she fire me with just one sentence? How else should I look for my reasons? Wasn't it all Jiang Yu's fault? She ruined me!" Li Jing cried, but she refused to admit that she was also at fault.

Wang Yu was afraid that Jiang Yu would feel bad when she heard this, so she comforted her, "Jiang Yu, don't listen to Li Jing's nonsense. You're not at fault in this matter, she's at fault."

Jiang Yu lowered her head and remained silent for a while, suddenly, she said, "... Actually, I originally planned to let this matter go and forgive her. But I can't stand her saying bad things about Mo Long in front of me. He's my bottom line. Li Jing can say bad things about me, but she can't say bad things about Mo Long."

"Eh?" Wang Yu paused. "So the reason why you're angry and unwilling to forgive Li Jing isn't because of what she did to you, but because she said bad things about Mo Long in front of you, right?"

"Yes," Jiang Yu replied softly.

Her voice was so soft that it sounded like a cat's meow. She sounded very aggrieved.

Although Wang Yu was still very worried about Jiang Yu's injury, she still couldn't help but say, "Isn't it inappropriate to feed us dog food at a time like this?"

He Zhen: "... Sister, so many of us are helping you, but you only have your boyfriend in your heart?"

Yuan Lai was also indignant. "If I had known earlier, I wouldn't have helped you hold this crazy woman back! In the end, you didn't even say a word of thanks!"

Li Jing was still screaming hysterically. Yuan Lai and He Zhen originally wanted to beat her up and throw her out of the recording studio. However, Li Jing was still a girl after all, so the two men couldn't do anything.

The cameraman and director Zheng also ran out to help, but the cameraman was too anxious when he ran out, so he forgot to turn off the camera.

So from the moment Li Jing suddenly attacked Jiang Yu until now, all the scenes had been broadcasted live.

When the cameraman saw the camera that was flashing with red dots, he remembered that he didn't turn off the camera.

He slapped his own head and shouted, "Oh no!" Then, he quickly ran over and turned off the camera.

However, it was too late. All the scenes that they could not let the audience see had already been seen.

Therefore, even if the screen in front of the audience was black, it did not stop them from scrolling through the bullet screen.

"What? Li Jing actually dared to hit someone in public?! If Jiang Yu had not dodged quickly, she would have really been hit by Li Jing!"

"That's right. Moreover, Jiang Yu's reaction just now was also considered fast, but she was still caught by that Li Jing. That's three bloody marks!"

"Director, we're just saying, Can we kick Li Jing out as soon as possible? Don't let her continue recording this program?"

#### **Chapter 412 Shocked**

"Director, there are a lot of people in the entertainment industry. This Li Jing is not ranked at all. Kick her out!"

Some people criticized Li Jing and there were people who saw the injured Jiang Yu who was silently feeling wronged.

"Did I just hear Jiang Yu explain this matter?"

"Jiang Yu said it. It was because Li Jing said bad things about Mo Long in front of her that she fired her in a fit of anger!"

"And Jiang Yu also said that Li Jing could say this about her, but not Mo Long couldn't! Is this a new way of displaying affection?"

"Help! Aren't Jiang Yu and Mo Long too sweet?! Wait a minute, my focus seems to be a little strange!"

Mo Long was also paying close attention to this variety show.

When Jiang Yu was scratched by Li Jing, he almost jumped out of his chair. He couldn't wait to go to the recording site to check on Jiang Yu's injury.

When he saw that Wang Yu and the medical staff were cleaning her wounds, he finally felt at ease.

Later, when he heard Jiang Yu say that he was the reason why she was so angry at that time, he could not help but feel as if a lump of honey had melted in his heart.

At that moment, Teng Yi walked in with a printed document and said to Mo Long, "President Mo, all of Li Jing's information is here."

Mo Long took the document and glanced at it briefly. He said to Teng Yi, "Get through to the live call of that program team."

Teng Yi naturally knew about that program team, so he quickly dialed the live call of that program team.

Therefore, when director Zheng received the live call from Mo Long, he was in a state of shock.

What kind of ability did he, Zheng, have to receive two calls from Mo Long on his variety show!

And the situation at the scene was that the cameraman had turned off the camera, but the cameraman had not turned off the recorder.

So even if the audience could not see the scene, they could still hear the sound of the scene.

So they could hear the sound of Mo Long's phone call clearly through the screen.

Director Zheng shivered as he picked up the phone. With a sobbing tone, he asked, "... Hello? Who is it?"

Mo Long paused for a moment on the other end of the phone and said, "Director, don't ask despite knowing the answer."

Upon hearing this, Jiang Yu couldn't help but laugh out loud.

Director Zheng wanted to cry but no tears came out. He asked, "It's President Mo. What's the matter?"

Mo Long's deep voice sounded, "Is Li Jing around? Put her on the phone."

Director Zheng hurriedly said, "She's here! She's here!"

Fortunately, she was here to look for Li Jing, not to look for him.

When Li Jing heard Mo Long call her name, she was also stunned and asked, "Mo Long? Why are you looking for me? ... Could it be Jiang Yu again? Jiang Yu was the one who looked for you, wasn't it?"

He Zhen had been standing beside Li Jing the whole time. When he heard her say this, he could not help but roll his eyes and said, "Can you not push everything onto Jiang Yu? Jiang Yu is also very innocent, okay?"

Yuan Lai also said, "That's right. Jiang Yu has been sitting there the whole time. She doesn't have the time to look for Mo Long at all, okay?"

No matter what others said, Li Jing thought that Jiang Yu was the one who found Mo Long.

Mo Long also explained disdainfully and only said, "Li Jing, I know all about your situation."

If Li Jing was still arrogant at the beginning, now that Mo Long said this, her arrogance would be extinguished immediately.

Li Jing said in disbelief, "Wh... what? Mo Long, you... you secretly investigated me?" Mo Long acted openly and said, "I wouldn't do such a thing. But Li Jing, remember, your family and I have a cooperative relationship."

This time, Li Jing was completely speechless.

This Mo Long... really went to investigate her information!

Chapter 413 I'm Sorry

"Mo Long, aren't you going to admit it? You were secretly looking into my information!" Li Jing shouted.

"Li Jing, you better be sensible. You were wrong from the start. Don't push the blame onto someone unrelated," Mo Long said.

"What do you mean unrelated? Are you trying to say that Jiang Yu had nothing to do with this? But don't forget, she said it herself. It was her friend who bumped into me that day!"

Mo Long had originally planned to resolve this matter simply, but seeing that Li Jing refused to admit her mistake and even said that she was not in the wrong, he did not plan to care about the Li family's face anymore, he said, "Li Jing, if you are so stubborn, then I have something that can make you sober up."

Then, he asked Teng Yi to pull up the surveillance footage from that day and post it online.

Mo Long said, "I've already asked someone to pull up the voice in this video. If you're interested, you can go and take a look."

Soon, some interested people went to check the video that Mo Long had just posted on Weibo.

The staff at the scene seemed to be trying to verify the matter, and they also went to check the video that had just been posted.

In the video, Li Jing was wearing a suit that did not fit her, and she stood there arrogantly.

And around her, other than the crowd that was watching that day, there were also the four people involved — Jiang Yu, Dai Zhu, Lu Qi, and Tian Guo.

Through the video, they could clearly hear someone saying "I'm sorry", and Jiang Yu also said something like "I'll compensate you with a new shirt".

However, Li Jing refused to let the person go. She threatened to slap the person who bumped into her three times to vent her anger.

Jiang Yu's disapproving attitude once again angered Li Jing, causing her to pick up a cup of hot coffee and throw it at Jiang Yu.

After that, Li Jing spoke rudely to Mo Long, completely stepping on Jiang Yu's minefield. Hence, the incident where Li Jing said, "Jiang Yu fired her with one sentence".

The video ended there. However, those who watched the video knew the cause and effect of this matter.

"This matter..." He Zhen said in disbelief, "Li Jing, are you so unreasonable?"

Yuan Lai also couldn't believe that there was actually a girl in this world who would do such a thing.

"Someone bumped into you and apologized to you, but you didn't accept it. You deliberately splashed her coffee and asked her to forgive you by saying 'I'm sorry'? That doesn't make sense, does it?"

Wang Yu was a girl, so she looked and listened more carefully.

Therefore, she said, "Also, Jiang Yu's friend accidentally bumped into you and spilled warm water on you. But what you deliberately splashed on Jiang Yu was a cup of hot coffee."

Putting everything else aside, just a cup of hot coffee sounded very hot, not to mention the cup of hot coffee spilled on her body.

VI

Li Jing did not want to care about how much of her fault it was. She just wanted to escape from this place as soon as possible.

Therefore, she kept apologizing to Jiang Yu, "Jiang Yu, I know I'm sorry. I really know I'm wrong!"

Even though doing so was very embarrassing, Li Jing was worried that Mo Long would be so angry that he would never work with her family again.

If that was the case, her father would be even angrier, and her future life would be even more miserable.

Perhaps... perhaps, her father would chase her out of the Li family just like that!

No! Absolutely not! Her Li family will never let this happen!

Chapter 414 Separation

Li Jing kept apologizing and didn't say anything else. Wang Yu looked at Jiang Yu worriedly and asked carefully, "Jiang Yu, Li Jing... Do you want to forgive her?"

Jiang Yu said indifferently, "I have already forgotten everything she did to me and everything she said to me."

Mo Long also said, "Li Jing, since I didn't hear what you said to me personally, I can pretend that it didn't happen. Since Yuler said that she doesn't care about what happened to you, I won't make things difficult for you. Now, disappear in front of Yu'er."

As soon as Mo Long said this, Li Jing stumbled away from the recording site.

"She ran really fast." He Zhen looked at Li Jing's back as she ran away. "She should really know that she was wrong, right?"

Yuan Lai shrugged and shrugged helplessly. "How would I know? But in my opinion, no."

Mo Long did not have anything to say. Although he wanted to say a few words to Jiang Yu, he was too embarrassed to say too much considering that Jiang Yu was currently at the venue.

Hence, the atmosphere fell silent for a moment.

Director Zheng's nerves were still tensed. He did not dare to relax even if Mo Long did not hang up the phone.

In the end, it was Jiang Yu who broke the deadlock. "Remember to rest well. Don't always work until too late."

Mo Long chuckled and said, "Alright."

Upon hearing his laughter, Jiang Yu seemed to have opened up a chatterbox, she continued to ramble on, "Also, I've been a little busy outside recently, and I haven't been by your side to supervise you. You have to rest on time and eat on time, do you hear me? I'll ask Teng Yi when I get back. Don't try to hide it from me. By the way, the weather has turned cold recently. You have to wear more clothes..."

Mo Long stopped Jiang Yu with a smile and said, "You're still recording the program. Aren't you going to continue?"

Only then did Jiang Yu remember that she was still recording the program outside. She immediately shut her mouth, blushing and not saying another word.

Mo Long smiled and said, "Okay, I got it. You remember to rest too. I'll wait for you to come back."

As he said that, he hung up the phone.

Director Zheng's tensed nerves finally relaxed.

"This... is a little too sweet!" Wang Yu couldn't help but sigh.

"A group of people are still here. Jiang Yu, aren't you being a little too heartless?" He Zhen pouted unhappily. "Why is no one so concerned about me?"

"So what?" Yuan Lai felt that He Zhen was making a fuss. "Then isn't there no one to comfort me?"

He Zhen: "..."

The group of people burst out laughing at these two clowns.

At this moment, a staff member ran over with a computer and shouted, "Director! Director!"

Director Zheng quickly looked over and asked, "What's wrong?"

"The number of viewers has exceeded 100 million! The number of clicks has also exceeded 100 million!"

Director Zheng was stunned and asked in disbelief, "Really?"

"Really!"

Everyone present was taken aback before they all cheered.

"That's great! It's broken through 100 million!"

"That's right! In all the past years, there hasn't been a live broadcast variety show with such a number of hits, right?!"

"No! It's difficult to think of a live broadcast variety show with more than 10 million hits. Do you think everyone is like us? A live broadcast with more than 100 million hits?"

"Oh my God, that's great!"

Director Zheng's heart was bursting with joy.

Although 50% of the views could be attributed to Jiang Yu, she was, after all, the resident guest of his variety show. In the future, there would be plenty of times when he could rely on her to earn views.

Therefore, he sincerely said to Jiang Yu, "Thank you, Jiang Yu."

Jiang Yu also knew what director Zheng meant, so she politely replied, "It's okay, director."

Zhang Xiao, who had not spoken all this while, seemed to have remembered something and suddenly asked, "Have you turned off the cameras and the recorders?"

#### Chapter 415 Cocktail Party

Li Jing's matter had come to an end, and the variety show had finished its live broadcast. "Go back and have a good rest," Director Zheng instructed as the guests left. "Because we will be recording the next show outdoors."

Everyone nodded, indicating that they understood and would definitely have a good rest when they returned.

After everyone left, director Zheng gave Jiang Ran a call.

The phone rang for a long time before it was picked up.

Jiang Ran seemed to be surprised that director Zheng would call her. She thought that she had a chance to go on variety again, but she didn't expect that after the call was picked up, Director Zheng's first sentence was, "Jiang Ran, what exactly is the thing that you recommended to me?"

"What? Director, are you talking about Li Jing?" Jiang Ran still didn't know about the things that happened at the show, and she thought that Li Jing had done something wrong to make the director angry again.

When Director Zheng saw Jiang Ran like this, he guessed that she probably didn't know about those things, so he told her everything that happened at the show.

After saying these things, Director Zheng didn't forget to add, "It's all thanks to you guys! Otherwise, how could I receive two calls from Mo Long in a variety show?"

Jiang Ran also knew that this matter had indeed stepped on the director's minefield, so she could not say anything more. She could only vaguely apologize and quickly hung up the phone. "This Li Jing is really not good enough to do anything. She can only ruin things!" Jiang Ran was indignant and vexed in her heart.

After the guests who were recording the show returned to the hotel where they stayed, they were all ready to rest after washing up.

Jiang Yu suddenly received a call from Jiang Hai.

Despite her doubts, Jiang Yu still picked up the phone and asked, "Hello?"

The person on the other end of the phone was not Jiang Hai, but Wei Juan.

However, Wei Juan's temper seemed to be very bad today, and her tone was very blunt. "Hello? What? You can't even say 'greetings?'"

When Jiang Yu heard this, she sighed helplessly in her heart and said, "If that's all you want to say, then you'd better hang up the phone quickly."

"Jiang Yu! You useless..." Before Wei Juan could finish her words, the phone was snatched by Jiang Hai.

Jiang Hai hurriedly said to Jiang Yu, "Jiang Yu, don't listen to her nonsense. It's like this. There's an important cocktail party the night after tomorrow. You and Mo Long will attend it, right?"

When Jiang Hai said these words, he seemed to be carefully asking for Jiang Yu's opinion.

However, Wei Juan's insults were mixed in. It was very noisy and Jiang Yu didn't hear what Jiang Hai was saying at all.

She only vaguely heard him asking if she would attend some cocktail party.

"I'm not interested in the cocktail party." Jiang Yu directly rejected Jiang Hai's request, "I'm very busy every day now, so I don't have time to attend any cocktail party. What about Jiang Ran? Haven't you guys always thought highly of Jiang Ran? Can't you just let her go?"

As soon as Jiang Yu finished speaking, Wei Juan's voice on the other end of the phone became louder and louder.

She could even hear her saying things like "How can she compare to Ran Ran?" and "No matter how outstanding she is, she can't compare to a single finger of Ran Ran." Jiang Yu was really unwilling to listen to her and said, "I'm very tired. I'll rest first."

She hung up the phone.

This made Jiang Hai and Wei Juan, who were on the other end of the phone, extremely angry.

Not long after, Jiang Yu received a call from Mo Long again. "Yu'er, are you done with your work now?"

"Yes, yes, I'm done," Jiang Yu said.

"That's good. You must rest well. Otherwise, my heart will definitely ache," Mo Long said.

"Hahahaha, how can it be so exaggerated?" Jiang Yu laughed happily. She remembered the party that Jiang Hai told her about and asked, "Do you want to go to the party the night after tomorrow?"

Chapter 416 Met Lu Qi By Chance

"Eh? Yu'er, how did you know about the party?" Mo Long was a little surprised because he didn't mention the party to Jiang Yu at all.

Jiang Yu pursed her lips and told Mo Long about Jiang Hai's call to her.

"The Jiang family came to look for you again?" Mo Long's focus was not on the party, but on the fact that the Jiang family came to disturb Jiang Yu's life again.

“No matter what, he is still my father.” Jiang Yu sighed. “But I really don’t want to have anything to do with them anymore, so I refused this cocktail party. “Since they value Jiang Ran, then let Jiang Ran go. However, if you want to go to the cocktail party, I will go with you.”

Mo Long did not want her to go with him, but he felt sorry for her being so busy. She had just finished recording the variety show and had to accompany him to attend the cocktail party. Her body would definitely not be able to take it if she kept going like this.

Mo Long voiced out his worries and Jiang Yu smiled, “It’s alright. Don’t you know what kind of person I am? I haven’t seen you in a long time. It’s good to take this opportunity to see you.”

“If you want to see me, I can go there now. I can appear in front of you in ten minutes,” said Mo Long. Jiang Yu burst into laughter at his words and said, “It’s not that exaggerated! Alright, alright. It’s getting late. Hurry up and get some rest. I’ll accompany you to the banquet the day after tomorrow.”

Seeing that she was so insistent, Mo Long didn’t say anything more and could only agree to Jiang Yu’s request.

The next day, Jiang Yu packed up her things and returned to Mo Long’s place.

Mo Long was still busy working at the company and didn’t go home. Jiang Yu sat at home for a while before she packed up her things and went to look for Miao Ling to perform acupuncture on her.

The servants of Mo Garden watched and couldn’t help thinking to themselves, ‘Madam is really too busy. She’s too diligent.’

After she was done with everything, Jiang Yu dragged her heavy steps back to Mo Garden.

Mo Long was already sitting at the dining table waiting for her.

The table was filled with Jiang Yu’s favorite dishes, which touched Jiang Yu once again.

“Hurry up and eat.” Mo Long carefully put food in Jiang Yu’s bowl, one after another, afraid that Jiang Yu would not be full.

Jiang Yu also obediently finished all the food Mo Long put in her bowl. Then, she patted her stomach and said, “I am full.”

“Then go and rest.” Mo Long stood up and wanted to bring Jiang Yu upstairs.

“You’re not full.” Jiang Yu quickly stopped Mo Long and said, “I’ll continue eating with you here.”

When Mo Long heard that, he obediently sat down and ate.

This scene was too adorable. When others saw it, they couldn’t help but blush.

The next day, Mo Long was still working at the company while Jiang Yu was at home preparing things like gowns. After tidying up, she rushed to Mo Long’s company, preparing to go to the reception together after he was done.

Mo Long quickly finished his work and brought Jiang Yu to the reception.

At the entrance of the reception, there was a familiar figure anxiously pacing back and forth. It didn't look like she was going in, but she didn't dare to leave.

Jiang Yu looked at the familiar figure and quickly walked over. After seeing the person's face clearly, she asked with some confusion, "Lu Qi?"

"Hey! Xiao Yu!" Lu Qi was also surprised when he saw Jiang Yu. "Why are you here? Did someone from the Jiang family call you again?"

"No," Jiang Yu hurriedly explained, "I came with Mo Long today."

"I see." Lu Qi stretched his neck and looked behind Jiang Yu. She saw Mo Long standing at the entrance of the party.

"I remember that you hate these kinds of occasions, don't you?" Jiang Yu asked, "Why did you come to this party today?"

Chapter 417 Helpless

"Don't say anymore." Lu Qi sighed and said, "I have no other choice. My father called me and told me that today's party is very important and that I must attend it."

"Speaking of which, the Jiang family also called me and asked me to attend the party," Jiang Yu said, "They sounded very anxious as if it was a big event."

"It is indeed a big deal," Lu Qi leaned over, he whispered to Jiang Yu, "Today's party was organized by CEO Wang. CEO Wang, do you know who it is? It's that Wang Peng, the boss who is very famous in the business world. Wang Peng's businesses involve all aspects. Whether it's real estate or your family's jewelry industry, he has assets in his hands."

With Lu Qi's words, Jiang Yu knew why Jiang Hai called her.

Jiang Yu had heard a little about Wang Peng.

He was almost 40 years old and still unmarried. Every day, he would stick out his 20-pound beer belly and look for young and beautiful girls to be his "Prey".

It seemed that the reason why Jiang Hai called her and said that he wanted her to come to the party was that he wanted her to use the so-called "Honey trap" so that she could bring some benefits to the Jiang family.

As for why they didn't ask Jiang Ran to come to the party, it was probably because they couldn't bear to see Jiang Ran suffer like this.

Thinking of this, Jiang Yu was even more disappointed with Jiang Hai and the group of people from the Jiang family.

"Xiao Yu, are you okay?" Lu Qi couldn't help but ask worriedly when he saw Jiang Yu's expression.

"It's okay." Jiang Yu waved her hand.

“Yeah, it’s good that you’re okay,” Lu Qi said. She seemed to be in a difficult position, as if she didn’t want to go in.

“What’s wrong?” Jiang Yu asked. “Sigh. I don’t want to go in,” Lu Qi said, “I especially hate that CEO Wang. He came to my house before and talked to my dad about working together. Back then, he was already touching me. Today, I’m going to see him at the cocktail party. Oh my God, Xiao Yu, this is torture for me. Do you know that?”

Lu Qi really didn’t want to see Wang Peng’s disgusting face again. However, if she didn’t go, she would be disobeying her father’s idea.

Therefore, she was now in a dilemma.

Jiang Yu said, “Then you should come with me.”

“Can I go with you?” Lu Qi looked at Mo Long with uncertainty and asked in a low voice, “Is Mo Long… Okay with that?”

Jiang Yu turned around and looked at Mo Long. He was surrounded by a group of people, and the impatient expression on his face could be seen at a glance.

“It’s okay,” Jiang Yu said with a smile, “You stay for a while and then find an excuse to leave.”

“Is it really okay?” Lu Qi was still very worried about her father and didn’t know whether she should leave early or not.

“It’s okay,” Jiang Yu comforted her. “I’ll explain to your dad for you.”

Lu Qi’s gratitude immediately appeared on her face. She said, “Thank you so much, Xiao Yu! You are my savior. I will definitely remember your kindness!”

“Alright, hurry up and go in,” Jiang Yu said as she turned around to look for Mo Long.

Mo Long was surrounded by a group of people, and the expression on his face gradually became impatient. However, these people were not aware of it and continued to surround him and talk about boring things.

There was even a person who said to him, “President Mo, my daughter this year…”

Mo Long did not care about how that person’s daughter was this year.

He even wanted to seal all the mouths of these people and throw them out of the party, ordering them not to attend any kind of party from now on.

It wasn’t until Jiang Yu came over that Mo Long’s upset mood lessened a little.

Chapter 418 What You’re Afraid of Came

“It’s okay, I’m coming,” Jiang Yu comforted Mo Long in a low voice.

Mo Long finally felt a little better.

Lu Qi carefully followed behind Jiang Yu and Mo Long, not even daring to breathe loudly.

This was Mo Long, CEO Mo! Other than Jiang Yu who could walk beside him so gracefully, who else had the guts to do so!

Mo Long noticed Lu Qi behind him after taking a few steps. However, he knew that she was Jiang Yu's friend, so he did not say much. He only asked Jiang Yu lightly, "Yu'er, why does your friend always follow you?"

Jiang Yu told Mo Long what Lu Qi was worried about, and then said, "It's alright. She's only following us for a while and finding an excuse to go back."

"Okay," Mo Long answered lightly.

Lu Qi had been carefully following behind Jiang Yu, praying that she would not run into familiar people whether it was her father or the Fat Wang Peng.

As long as she didn't run into them, she could walk confidently in a while.

The day before Lu Qi came to the party, she must have eaten something wrong. Now, her stomach hurt so much that she could roll on the ground.

"Xiao Yu! Xiao Yu!" Lu Qi called out to Jiang Yu in a low voice. "My stomach hurts!"

Jiang Yu turned around to check on Lu Qi's condition and asked, "What happened?"

Lu Qi said a little embarrassedly, "I think I ate something bad yesterday. My stomach hurts so much now! What should I do? Can you accompany me to the bathroom?"

Jiang Yu nodded and said, "Okay, I'll go with you."

She turned around and told Mo Long about Lu Qi's situation. Mo Long also nodded and agreed to accompany Jiang Yu to the bathroom.

"Mo Long won't say anything if you accompany me to the bathroom, right?" Lu Qi asked, "I'm disturbing the two of you."

Jiang Yu smiled and said, "There's no such thing as a two-person world if you come to the party."

"But I still feel a little guilty." Lu Qi came out of the bathroom and said, "I think I should find an excuse to go home now!"

"It's okay," Jiang Yu said.

"Oh, right." Lu Qi remembered something. She took out a small bottle of medicine from her bag and handed it to Jiang Yu, saying, "This is for you."

"What's this?" Jiang Yu took the medicine jar and asked in confusion.

"You, you, you don't even know how to take care of yourself when you're out recording variety shows. How could you get your face scratched by a crazy woman?" Lu Qi said with a pained expression. "I knew that Li Jing wasn't someone easy to deal with. I knew what she wanted to do from the moment she appeared but I really didn't expect that she would dare to attack you in front of so many people!"

Fortunately, Mo Long stepped in for you in the end. Otherwise, I would definitely rush to the recording site of your show and give her a good beating.”

“Alright, it’s all in the past.” Jiang Yu comforted, “Look at me now. Am I not alive and kicking?”

“How can this be the same?”

As the two of them were talking, they came out of the bathroom and bumped into a middle-aged man who looked like a winter melon.

Although Jiang Yu had heard of Wang Peng before, she had never seen him in person.

However, Lu Qi was different. She had seen him at home.

She looked at the man in front of her and smiled embarrassedly. “Hello, CEO Wang.”

What she was afraid of came true.

“He is...” Jiang Yu glanced at Wang Peng and whispered, “CEO Wang?”

Lu Qi nodded with her eyes closed.

Help! She really didn’t want to see this greasy man at all!

Chapter 419 Perverted Hands

When Wang Peng saw Lu Qi, he also had a smile on his face. It was obvious that he had bad intentions.

When he saw Jiang Yu’s face beside Lu Qi, his eyes lit up as if he had found a treasure.

“Lu Qi, who is this? Is she your friend?” Wang Peng’s eyes never left Jiang Yu.

“Ah, yes, Jiang Yu is my friend...” Lu Qi stuttered. She didn’t want to talk too much with Wang Peng and just wanted to escape.

“Since she is your friend, I have to treat her to a good drink.” Wang Peng revealed a malicious smile and reached out to touch Jiang Yu’s shoulder.

Jiang Yu saw through his intention and dodged, causing Wang Peng’s hand to miss.

However, Wang Peng wasn’t angry, because he always felt that a beauty with a temper was the best “prey.”

And the Jiang Yu in front of him was a beauty that met these two criteria.

However, when he heard the name “Jiang Yu,” he felt that it was a little familiar, as if he had heard it somewhere before.

However, he didn’t have time to think too much. He only wanted to quickly use his methods to make Jiang Yu completely become his “prey.”

So, he approached Jiang Yu again and stretched out his “greasy fat hand.”

This time, his target wasn’t Jiang Yu’s shoulder, but Jiang Yu’s slender waist. This time, Jiang Yu didn’t dodge, but let Wang Peng’s hand touch her waist.

Seeing this scene, Lu Qi was so scared that she couldn't even speak properly.

"Xiao, Xiao Yu, you, you... He..."

Oh God, how did Xiao Yu get touched by this shameless person!

However, Jiang Yu's expression was very calm, as if nothing had happened.

Wang Peng was still feeling smug in his heart. He thought that Jiang Yu had felt his majestic aura and thus became respectful of him, which was why she was so obedient to him.

Therefore, he said proudly, "Miss Jiang Yu, I'll take you to..."

Before Wang Peng could say the words "Have a good drink", he felt a pain in his wrist as if it was broken.

"Ah!!" Wang Peng couldn't help but let out a scream.

The scream was so loud that many people stopped and looked in the direction of the bathroom.

Wang Peng rolled on the ground in pain. He held his wrist and kept shouting, "My hand! My hand!"

Lu Qi covered her mouth in shock and couldn't say anything. She could only call out Jiang Yu's name, "Xiao Yu, Xiao Yu..."

Jiang Yu calmly patted her gown and said, "CEO Wang, please have some self-respect. I already have a boyfriend. I hope you won't cross the line."

Only then did Wang Peng know that Jiang Yu had a boyfriend.

But who was this boyfriend of Jiang Yu's? Was he more powerful than him?

"Jiang Yu! So what if you have a boyfriend?! You hurt me today. Do you want to walk out of this party unscathed?!" Wang Peng roared.

More and more people gathered around. They only saw two pretty girls standing upright, while Wang Peng was lying on the ground in pain, pointing at one of the girls and cursing.

"What happened to CEO Wang?" Someone who didn't know the truth asked.

"It seems that CEO Wang took a fancy to one of the girls, but that girl had a very bad temper and broke president Wang's wrist."

Wang Peng didn't want these embarrassing things of his to be known by outsiders, so he struggled to stand up and shouted at the crowd of onlookers, "What are you all looking at?! What? You don't want to do business anymore, and you're all here to watch my joke?!"

The surrounding people then quickly left, afraid that CEO Wang would chase everyone out in a fit of anger and would never cooperate with them again.

However, they were still not too far away so that he could hear what was happening.

Wang Peng then looked at Jiang Yu again and said angrily, "You vixen! Let me tell you, it's your fortune that I like you. Don't be ungrateful!"

A male voice sounded behind Wang Peng, "Fortune? Whose fortune are you talking about?"

"Nonsense, of course it's this Jiang Yu! To be able to catch my eye, it's a fortune that she has cultivated over the course of several lifetimes!" Wang Peng said unhappily.

After he finished speaking, he turned his head to look at the man who spoke, "Hey, who are you? I'm talking, do you have the right to interrupt..." As soon as he finished speaking, Wang Peng's legs went soft from the fear of this man's face.

"M-president Mo!" Wang Peng cried out in surprise.

The man who was speaking was actually the man who covered half of the sky with one hand — Mo Long!

Mo Long looked down at Wang Peng and said coldly, "Who did you say was blessed?"

"Yes, it was my blessing!" Wang Peng was so scared that he almost knelt on the ground and couldn't speak properly.

"Is that so?" Mo Long glanced at Jiang Yu and asked again, "President Wang, what did you do to my girlfriend just now?"

"Nothing, nothing!" Wang Peng was already scared to death by Mo Long. When he heard Mo Long say that Jiang Yu was his girlfriend, he was so scared that he knelt on the ground.

I just said those words to Jiang Yu and did that kind of action... It's over, Mo Long won't kill me, right?! The surrounding people who were paying close attention to the situation also sucked in a breath of cold air. They didn't expect to see Mo Long at this cocktail party. They also didn't expect that the devastatingly beautiful girl was Mo Long's girlfriend.

However, when the two of them stood together, they were indeed a match made in heaven.

"He's lying! He just said a lot of disgusting things to Jiang Yu!" Lu Qi timely came out to complain and said, "President Wang just said that he wanted to treat Xiao Yu to a drink. He even wanted to stretch out his hand to touch Xiao Yu's shoulder and waist!"

Jiang Yu did not say anything, meaning to acquiesce.

Mo Long's gaze was even colder. When Wang Peng saw his gaze, he could not help but shiver.

"President Mo, I'm sorry. I know I was wrong!" Wang Peng hurriedly admitted his mistake. "This time, please forgive me!"

However, Mo Long did not pay attention to him. Instead, he walked past him towards Jiang Yu and asked gently, "Yu'er, are you alright?"

"I'm fine." Jiang Yu shook her head. "However, this character of his can not be changed."

When Wang Peng heard what Jiang Yu said, he quickly apologized to her again. “Miss Jiang Yu, I’m sorry, I’m sorry, I was wrong! I shouldn’t have done that just now. It was my fault. Please forgive me!”

No one had ever seen Wang Peng like this before.

He used to be high and mighty, and everyone had to obey his arrogant attitude.

But today, he was kneeling on the ground and apologizing to a man who was even more powerful than him.

It seemed like there was always someone better than him.

Jiang Yu and Mo Long did not listen to Wang Peng. Mo Long called Teng Yi and asked him to bring some people to the party.

In less than ten minutes, Teng Yi came over with a few burly bodyguards in black.

When Wang Peng saw this, he knew that he was probably going to die.

As expected, he heard Mo Long ask the person who brought the bodyguards in, “Does he have any cooperation with us?”

Teng Yi glanced at Wang Peng and quickly searched for information about this person in his mind.

Soon, he gave an answer, “Yes, President Mo, this is Wang Peng. He has a cooperative relationship with us in several businesses.”
