

Older Man 451

Chapter 451: Secretly Compete With Each Other

When they were filming the next day, the people in the production team still didn't know who had cut the props team's clothes.

So, they could only put on their clothes for the time being and finish filming all the plots before taking the extra time to investigate this matter.

Jiang Yu and Li Yue had changed their clothes and were ready to start filming the new scene.

"The first scene of the new film, begin!" As soon as the director finished speaking, Jiang Yu and Li Yue quickly entered into a state of emotion.

Jiang Yu played the role of the warlord's wife and lived a wealthy life every day while Li Yue played the role of a female student who lived a fulfilling life in school.

The two cameramen split up to film Jiang Yu and Li Yue's respective scenes and did not disturb each other. Li Yue had no way to pick on Jiang Yu.

This indeed made her a little uncomfortable.

However, her mind was not focused on Jiang Yu's matter at the moment. What she needed to do now was to get busy with work.

In order to win this year's "Movie queen award" with 100% certainty, Li Yue had put in a lot of effort. Big and small announcements, as well as touring around the world. She had even taken on a fashion show that was not very famous in Paris.

To become a movie queen, one had to rely on more than just one's outstanding acting skills.

Didn't they say that there were five nominees for Movie Queen this year? Other than her and Jiang Yu, there were three other people who could not come?

Which one of those three did not take on a lot of jobs? Jiang Yu was probably the only fool who still had nothing to do. She thought that she would be able to stay safely on the list just by recording a variety show.

But Jiang Yu and Li Yue had completely different thoughts.

Even though sister Xia had previously said to Jiang Yu, "Jiang Yu! No matter how many years you have spent in this industry, no matter how much experience you have, you have to put in 100% of your effort to compete for any award, including the Movie Queen!"

Jiang Yu simply responded and said, "I understand, sister Xia."

How could Sister Xia not know that Jiang Yu was just giving her a perfunctory reply, thus, she said even more bitterly, "Jiang Yu! Don't think about things like 'I won't offend others if they don't offend me'! You have to learn to take the initiative to attack! Only then can you walk further and longer in this circle!"

To be honest, Sister Xia had indeed been worried about Jiang Yu's future.

And Jiang Yu was indeed trying her best to not disappoint Sister Xia. For the sake of her future, she would do her best to do everything well.

However, in regards to the "Competition for the Movie Queen", although Jiang Yu worked hard, it wasn't for her. It was for Mo Long.

What Li Yue said in front of the media back then, perhaps she herself couldn't remember it clearly, but Jiang Yu remembered it clearly.

Since you want to get the third Movie Queen and then discuss marriage with Mo Long, then I will take your third Movie Queen away and slap you in the face.

Jiang Yu didn't have any distracting thoughts during the filming. She didn't make any mistakes until the end of the filming.

The cameraman couldn't help but praise Jiang Yu and said, "Jiang Yu, you're really amazing. There aren't any mistakes at all. It's really rare to see it in the entertainment industry."

On the other side, Li Yue didn't make any mistakes during the filming either, she also received the cameraman's praise. "Movie Queen Li is indeed the Movie Queen. You didn't make any mistakes at all! The other actors will never be able to compare with you! I think this year's Movie Queen will still fall into your hands!"

Li Yue was quite pleased with this. As she spoke, a smile appeared on her face. "Thank you. But the strength of the others this year is not to be underestimated, so I can't be careless."

Chapter 452: Enigma

Even though Li Yue said so, she knew that none of the nominees this year were better than her in terms of acting skills.

Even if Jiang Yu was well-received, she was just a newcomer who had just entered the industry. It was impossible for her to win the award of "Movie Queen" in such a short period of time.

The director was also very satisfied with the actors' filming conditions today. He said, "Your conditions are very good. Both of you must continue to maintain it!"

Jiang Yu smiled and said, "Director, don't worry. I will definitely use all my attention to shoot."

Li Yue also said, "Director, don't you believe in the Movie Queen's ability?"

The director scratched his head and said with a smile, "Of course, I believe in Movie Queen Li's ability the most."

After the halftime break, the second scene was shot again.

The director said, "The second scene of the new scene, begin!"

The two cameramen started shooting the scenes of Jiang Yu and Li Yue respectively. Just like that, they quietly filmed each other. There was nothing wrong with the two of them, so they finished shooting very quickly.

The director was very satisfied with today's progress, he said, "That's all for today's scenes. After shooting, everyone can go back and rest. When you two teachers go back, you must also pay attention to rest. I hope that the two of you will still be in the same state as today."

Li Yue said, "We will definitely."

Jiang Yu also said, "Director, don't worry. We won't let you down."

Jiang Yu and Li Yue finished shooting today's scenes and were ready to go back to the changing room to change.

When Li Yue was changing, she pretended to casually ask, "I wonder if the director team has found the person who tore the clothes?"

Jiang Yu answered nonchalantly, "I heard that they haven't."

Li Yue said, "This matter can not be tolerated. If this matter stops here, then such things will continue to happen in the future. The plot is relatively light now and it's just the clothes that she will be wearing for the performance. What if the plot is serious? I'm afraid that it will threaten your personal safety."

Her words sounded sincere, as if she was really worried that Jiang Yu would be in danger in the future.

Jiang Yu didn't even look at her, she said, "Thank you, Movie Queen Li, for your concern. But I think that this kind of thing will not happen in the future, right? After all, not everyone is so free. The work in their hands is already as high as a mountain, yet they still have the leisure to do such small things."

Jiang Yu's words had a hidden meaning.

Li Yue was not a fool, so she could naturally hear it.

"Jiang Yu, what do you mean by these words? Do you suspect that I got someone to cut your clothes?"

Jiang Yu said, "I didn't say that. But if you insist on thinking that way, then I have no choice."

Li Yue was indeed someone who had been in the entertainment industry for more than ten years and was used to big scenes. This little 'suspicion' did not make her flustered.

Li Yue said calmly, "Then if you insist that I did it, then I have no choice. Finding someone to cut your clothes does me no good. I won't waste my energy to do such a thing. But you have your own thoughts. I don't know what you think, and I can't control it. I can only say that an innocent person is innocent."

Jiang Yu paused changing her clothes and then continued to change as if nothing had happened.

She said, "Of course I believe in Movie Queen Li. How could you have the leisure to do something like a child's prank? After all, the work in your hands is as high as a mountain. Am I right?"

Li Yue smiled but did not say a word.

Jiang Yu imitated her and smiled but did not say a word.

Sister Xia and Sister He, who were eavesdropping outside the door, almost started fighting.

Chapter 453: Guess

Both of them were managers, and they knew that they could not say anything out loud.

Otherwise, if they were caught by some unknown paparazzi hiding in the dark, regardless of whether it was real or fake, the media would definitely make a big deal out of it.

At that time, they would have to spend time and manpower to solve it, and the gains would not make up for the losses.

Hence, Sister He whispered to Sister Xia, "What's wrong with Jiang Yu? The meaning behind her words is as though our Li Yue has torn her clothes!"

Sister Xia glanced at her and sneered, "Isn't it?"

Sister he was not annoyed and only said, "Do you really think we have so much free time?"

Sister Xia rolled her eyes and said, "Who knows?"

Soon, the door to the changing room was opened and Jiang Yu and Li Yue came out after changing.

Seeing Sister Xia and Sister He blocking the door, Jiang Yu asked, "Sister Xia, what are you doing here?"

Sister Xia glanced at Li Yue and Sister He and said, "Nothing much." She then left with Jiang Yu.

On the way out, Sister Xia asked, "Did you talk to Li Yue about anything?"

Jiang Yu shook his head and said, "Nothing."

"Nothing at all?" Sister Xia did not give up and continued asking, "What about her expression? Did you observe it carefully?"

Jiang Yu said, "She was far away from me and was facing me to change her clothes. I couldn't see her expression clearly either. However, from her tone, I didn't feel that she was panicking. Instead, it was as if she was chatting with me."

Sister Xia sighed and said, "This Li Yue, no matter what, she's still an 'old fox' in the entertainment industry. It's normal for you to not be able to get anything out of her just by talking to her like that."

Jiang Yu said, "I don't know whether to say that she's lucky or that she's pitiful. After working hard for so many years, she had obtained a status that made people both envious and envious. But after so many years, she even had to become an actress in her daily life."

From what Sister Xia heard from Jiang Yu's words, it was probably because she had already confirmed that Li Yue was the one who had torn her clothes.

And the calmness and indifference that she displayed was all an act.

Thinking of this. Sister Xia asked, "Jiang Yu, do you mean... Li Yue is that person?"

Jiang Yu said, "There's no evidence. Everything I'm saying now is just a guess. She definitely won't admit it. Moreover, this matter wasn't done by her own hands. She must have spent money and used someone else's hand."

Sister Xia sighed, "Jiang Yu, I'm really worried about you sometimes. I hope that you'll become better and more popular, but I'm also afraid that someone will be jealous of you and do something bad to you because of this. I hope that you won't become so popular at times like this. It's better to be calm."

Jiang Yu knew that Sister Xia was worried about him, so she comforted her, "Sister Xia, don't worry. I know how to protect myself in this circle."

Sister Xia said worriedly, "Jiang Yu, there are many things that aren't as simple as you appear."

Jiang Yu said, "I know. But, Sister Xia, you can rest assured. I'll protect myself. I won't let this matter go to waste just because it was a few pieces of clothing that was cut."

Sister Xia nodded, "That's how it should be. If they can cut your clothes this time, what about the next time? Cut your pants? Or cut your skin? No one could say for sure. I'm already very gratified that you can think it through and not suppress this matter."

Jiang Yu said, "Yes, Sis Xia. Just rest assured of me."

Chapter 454: Search For Evidence

After Jiang Yu returned to Mo Garden, she felt that this matter could not be resolved by the director team alone. As a member of the involved party, she should also lend a hand.

Hence, she gave the director a call and asked, "Director, I'm sorry to bother you at this time. But I would like to ask, regarding this matter, how many clues have you found?"

Speaking of this, the director had a headache.

He said with a splitting headache, "We have used all the methods we can. We have also checked the surveillance cameras and even checked the fingerprints. But there is no result. The person entered the changing room wearing shoes, and there are no fingerprints on the clothes. The person's figure has not appeared in the surveillance cameras either. He has only appeared in one surveillance camera, but it is very far away. We can only see a small dot."

Jiang Yu thought for a moment and said, "Director, do you have any more photos of the clothes being torn?"

The director seemed to have recalled something, "Yes, yes. At that time, we wanted to know if the clothes could be mended, so we took some photos and went to the tailor's shop to ask. We thought that if we could mend the clothes, we would do it. If we couldn't, we would have to do it all over again. I don't think I have completely deleted those photos. Let me look for them."

Jiang Yu politely said, "Thank you, director."

The director said, "Don't mention it. Speaking of which, we should be the ones apologizing to you."

Very soon, the director sent a few photos to Jiang Yu's wechat and said, "These are the photos. I didn't take many. I wonder if you have enough?"

Jiang Yu opened Wechat and took a look. "I have enough. Thank you, Director."

"No problem. Just tell me if there's anything."

Jiang Yu asked again, "That surveillance camera captured that person's surveillance content. Director, do you have it?"

The director said with some difficulty, "This... I really don't have it. But if you want it, I can go look for it now."

Jiang Yu couldn't bear to let the director busy himself, so she immediately said, "Director, I'll go with you."

The director said, "It's alright. It's just a small piece of surveillance footage. I'll go alone."

Jiang Yu said, "This matter is related to me after all. I can't just sit idly by and watch. It'll only make you guys tired. So I must go with you."

When the director heard that, he didn't refuse and said, "Alright. You're close, right? You go first. I'll be there soon."

Jiang Yu gave a simple thank you and went to the filming location once again.

Very soon, the director rushed over.

The director said apologetically, "It was something we should have apologized for. I even made you come here personally."

Jiang Yu said, "I'm also a party involved. Of course, I have to do my part."

After the director opened the door, he went to open the surveillance room's door.

He pulled out the surveillance footage from that day and said to Jiang Yu, "This is it. But that person is really too far away. I can't even tell if he's a man or a woman."

Jiang Yu stared at the surveillance footage closely. Then, she took out a USB flash drive and said, "Director, Can I copy this video?"

The director said, "Of course. But I still feel that it's not very useful."

Jiang Yu said, "It's okay, director. I have a way to restore the high-definition image. Although it's not enough to tell who this person is, at least we can tell if it's a man or a woman."

The director was shocked and said, "Jiang Yu, I didn't expect you to have this kind of ability?!"

Jiang Yu smiled but didn't say anything.

She was the champion of the International Hacker competition back then!

But this identity was unknown to everyone except her teammates.

Even Mo Long didn't know.

Chapter 455: Restored

Jiang Yu copied the contents of the surveillance footage and said a few simple words to the director before heading back.

Jiang Yu originally wanted to return to Mo Garden, but on the way back, she felt that it was better to do it together with Sister Xia. Thus, she turned the car around on the way back and went to the studio.

Sister Xia was still busy with her work for the day in the studio. When she saw Jiang Yu, she asked in surprise, "Why are you here? Didn't I tell you to have a good rest when you go back?"

Jiang Yu placed the USB on the table and said, "I just asked the director to copy the surveillance footage."

Sister Xia didn't know what Jiang Yu and the director were talking about, so she asked in confusion, "What surveillance footage?"

Jiang Yu explained while turning on the computer, "I just called the director and asked him about something. The director said that only this footage caught the person who tore the clothes. But it was very far away, so it couldn't even see if it was a man or a woman. I copied it and plan to restore the high-definition image."

Sister Xia said in shock, "But restoring high-definition images... other than the police, only... hackers can do it, right? Jiang Yu, are you planning to let the police get involved in this matter?"

Jiang Yu stuck out her tongue and said, "Of course not, I'm not that stupid. I have a hacker friend who has very high attainments in this area."

Sister Xia shook her head in disbelief and said, "I didn't expect you to have a hacker friend, Jiang Yu."

After Jiang Yu turned on the computer, she put the USB in and opened the video.

In the video, a sneaky figure checked the surroundings and then quietly opened the locker room door and quietly walked in. Then, in less than five minutes, that person walked out, locked the door, and quickly fled the scene.

Sister Xia's eyes almost popped out, but she couldn't see who that person was.

She asked, "This... I'm afraid even a hacker can't do it, right? Even if the high-definition image is restored, you have to zoom in to see it clearly. But when it's zoomed in, it's pixel particles, so there's no way to see it."

Jiang Yu said, "It's alright. I believe in my friend. Sister Xia, didn't you just say that you have work to do? Go ahead and do your work."

Sister Xia said worriedly, "Why don't I wait here with you for a while?"

Jiang Yu said, "Even if a hacker has to deal with these things. That still requires time. It's alright, Sister Xia. I'll just wait here by myself. When you're done with your work, I think I'll be done here."

Only then did Sister Xia go back to her work and say, "Then don't worry. Call me if you need anything."

After Sister Xia left, Jiang Yu's fingers began to tap on the keyboard. The blurry figure in the video gradually became clearer.

In less than an hour, Jiang Yu had restored the image of the person very clearly.

The next step was to enlarge the figure and then restore the pixel particles.

After sister Xia was done with her work, she was ready to see how far Jiang Yu had progressed.

Seeing the clear figure, sister Xia said in surprise, "Jiang Yu, your friend is really amazing! In just a short while, he has restored this person's image so clearly!"

However, she also saw Jiang Yu typing on the keyboard and asked in puzzlement, "But... Jiang Yu, what are you doing?"

Jiang Yu said without changing her expression, "I don't need that friend of mine to do this. I've also taught myself some computer knowledge before, so the matter of magnifying a human face is still very easy for me."

Chapter 456: Rule Out

Sister Xia nodded and firmly believed Jiang Yu's words. She said, "I see. I didn't expect you to be so smart. You've actually taught yourself so many things."

Jiang Yu smiled and said, "Fortunately, these things aren't very difficult."

After about half an hour, Jiang Yu successfully zoomed in on the person's image.

It was a woman with long hair and a black mask.

Jiang Yu thought for a while and said, "This way, we can eliminate the male staff and some short-haired female staff in the directing team. If that's the case, there should be..."

Sister Xia quickly took a look at the work list of the directing team and said, "Then only Wang Mei, Sheng Yan, and Yi Shuang are left."

Wang Mei was the stylist in charge of Jiang Yu and Li Yue's styling. Sheng Yan was another makeup artist with Xiao Dan. Yi Shuang was a staff member in the post-production team. Her main job was to fix the photos for Jiang Yu and Li Yue.

"These three people all have long hair," Sister Xia said. "But Yi Shuang always wears braids. Do you want to count her in?"

Jiang Yu said, "If you wear braids, you can also loosen the braids, so you have to count her in."

Sister Xia circled the names of these three people and said, "Then, we'll pay special attention to these three people when we shoot tomorrow. By the way, should we tell the director about this?"

Jiang Yu thought for a moment and said, "Tell the director. After all, if it weren't for his help, I wouldn't have been able to get this video. I have to thank the director properly."

Therefore, Jiang Yu called the director and told him about it. "Please reading on newn0vel.Org" After the director heard it, he said, "After work that day, Wang Mei came home with me. Since it was on our way, I was kind enough to give her a ride. I happened to pick up her son from school, so Wang Mei probably won't."

Jiang Yu nodded and said, "Then only Sheng Yan and Yi Shuang are left."

The director said, "Yeah, only the two of them are left. ... Jiang Yu, I'm a little curious. How did you know that that person was a woman with long hair?"

Jiang Yu coughed dryly and said, "It's like this. I have a friend who is very skilled in computer science, so I asked her to help me."

The director did not doubt him and said, "I see. How about this? I'll help you check on Sheng Yan and Yi Shuang when we shoot tomorrow."

Jiang Yu said gratefully, "Thank you, director."

The director said, "You're welcome. I never expected you to have such a powerful friend."

Jiang Yu exchanged a few more pleasantries with the director before hanging up.

Sister Xia asked, "What did the director say?"

Jiang Yu said, "The director said that he'll help me check on Sheng Yan and Yi Shuang Tomorrow."

Sister Xia heaved a sigh of relief, "That's good. Actually, I was always worried that the director would favor the members of his directing team and not be willing to help you investigate this matter. But now, it seems that my worries are a little unnecessary."

Jiang Yu said with a smile, "The director is a very good person. I also felt that he would choose not to settle this matter in order to avoid trouble. However, the director is still very concerned about this matter. The weight in my heart has been lifted."

Sister Xia smiled and said, "Then, can you go back and rest well now? We still have to continue filming tomorrow. Don't delay any further."

Jiang Yu said, "Alright, I understand, sister Xia."

Chapter 457: Discovered

The next day, when filming began, Jiang Yu and Sister Xia paid special attention to Sheng Yan and Yi Shuang.

However, Sheng Yan and Yi Shuang didn't have any extra expressions on their faces. They looked as if nothing had happened and were focused on watching Jiang Yu and Li Yue's performance.

After the scene ended, during the intermission, Sister Xia said to Jiang Yu, "I saw that both of their faces had the same expression. I couldn't tell anything. Do you think it's possible that both of them are involved in this? Is it just that one of them is outside keeping watch while the other is inside scratching her clothes?"

Jiang Yu took a sip of water, "I don't think so. The person in the video took less than five minutes to enter and exit the changing room. It's a little too much to make a fuss over such a short period of time if there's still one person keeping watch at the door."

Sister Xia said with a headache, "But just by looking at the expressions on their faces, I really can't tell at all. Could it be that we guessed wrong at the beginning? It's actually not them, but Wang Mei?"

As she said this, Wang Mei walked over, holding a pen and a notebook in her hand. She said, "Jiang Yu, my son is your fan. Can you give him an autograph?"

Jiang Yu did not refuse and said, "Okay."

She took the pen and signed her name on the notebook.

Wang Mei thanked her while returning to her job.

Sister Xia sighed again and said, "It seems that it really isn't Wang Mei."

Jiang Yu also felt strange. Did Sheng Yan and Yi Shuang not have any feelings about this matter? Or were they so calm because they firmly believed that they would not be discovered?

Just as Jiang Yu was thinking, she saw Sheng Yan say something to the director. Then, the director nodded. Sheng Yan took out a mask and left.

It was a cotton mask with a rabbit and a strawberry on it.

Sister Xia was wondering who was the one who had torn the clothes between Sheng Yan and Yi Shuang when she heard Jiang Yu say, "I know who it is."

Sister Xia was shocked. She paused for a moment and asked, "Who is it?"

Jiang Yu felt that there was no need to hide it from sister Xia, so he said, "It's Yi Shuang."

"Yi Shuang?" Sister Xia was stunned and looked at Yi Shuang.

She was a little girl with two braided braids and a pair of thick glasses.

Sister Xia could not help but ask, "How do you know it's Yi Shuang?"

Jiang Yu said, "It's because of the mask."

"Mask?" Sister Xia recalled for a moment and didn't remember Yi Shuang wearing a mask today.

Jiang Yu nodded and said, "I saw Sheng Yan wearing a mask just now. It's a cotton mask with a pattern. It's completely different from the black mask worn by the person in the video."

Sister Xia touched her chin and said, "Can you tell just by relying on the mask?"

Jiang Yu explained, "The mask Sheng Yan is wearing is not a one-time use mask. It can be used all the time. The person in the video was wearing a one-time use black mask. Although it's possible that Sheng Yan changed her mask before 'committing the crime', I don't think it's likely that she changed her mask before 'committing the crime' in less than five minutes. Moreover, it was dark in Yi Shuang's desk drawer. I saw a pack of black masks."

Sister Xia understood everything when Jiang Yu said that.

“So... That’s what happened.”

Jiang Yu said, “We have to tell the director about this and let him handle it.”

Sister Xia also said, “Indeed, we should let him handle it.”

When the director heard the news, he was shocked and asked, “Who do you think that person is? Is it Yi Shuang?”

Jiang Yu nodded and said, “Yes, it’s her.”

The director did not seem willing to believe it, he was still putting in a good word for Yi Shuang. “But that child, Yi Shuang, has been following me ever since I started my internship. She’s usually quiet and doesn’t like to talk much. She doesn’t participate in social activities much, and I haven’t seen her get close to anyone. How could she do such a thing?”

Chapter 458: Confrontation

However, no matter how much the director did not want to believe that Yi Shuang would do such a thing, when Jiang Yu revealed her analysis, the director felt that he had no choice but to believe it.

Therefore, when the afternoon scenes were completed, the director called out to Yi Shuang.

“Xiao Shuang, come over here for a moment.”

Yi Shuang walked over in confusion and asked, “What is it, director?”

The director did not know what to say. After thinking about it for a while, he only said, “I know that you were the one who did that.”

Yi Shuang was not a fool. Of course, she knew what the director was talking about.

When she saw Jiang Yu and her manager standing beside the director, she knew that they already knew that she was the one who had torn her clothes.

Yi Shuang said with difficulty, “I...”

She was originally afraid that this matter would be exposed, however, the person who had given her the money said, “It’s alright, don’t be afraid. This is just a small matter, they won’t call the police to solve it. So, what if they know that it was you who did it?”

Even so, the stone in Yi Shuang’s heart did not drop. She was on tenterhooks every day.

Today, when the director and Jiang Yu found out the truth, the stone in his heart finally dropped.

The director was heartbroken and asked, “Xiao Shuang, why did you do this?!”

Yi Shuang lowered her head and only said after a long time, “I’m sorry, Director. I let you down. Please forgive me.”

The director turned his body and said, “You’re not asking me to forgive you now, but to make these two forgive you!”

Yi Shuang bowed deeply to Jiang Yu and Sister Xia and said, "I'm sorry. I hope you can forgive me."

Just as Sister Xia was about to flare up, Jiang Yu said, "I want to know, why did you do this?"

Yi Shuang gritted his teeth and did not say who was the person behind it. Instead, she took all the responsibility and said, "I did it myself. There's no reason. I just don't like you very much."

Sister Xia could not help but say, "You can do that if you don't like her? Don't you have any manners?"

Yi Shuang said, "No matter what you say, I'll admit it and accept it. I did something wrong. Please forgive me."

Sister Xia turned her head angrily and said, "Impossible!"

Jiang Yu looked at Yi Shuang and suddenly said, "I don't believe that you hate me. I also don't believe that you have the guts to go to the changing room alone and destroy your clothes."

Yi Shuang paused and said, "It's me. I don't hate you, but I just want to tear your clothes."

Jiang Yu said, "Why did you do that? I know you're not that kind of person. You look very well-behaved, like a piece of white paper. You shouldn't be stained black by ink."

Yi Shuang paused and couldn't help but cry.

She cried and said, "I'm sorry, I'm really sorry! But... but my mother is sick and really needs money!"

With her words, everything became clear.

Someone had paid Yi Shuang to cut Jiang Yu's clothes.

And Yi Shuang happened to be short of money, so she did it.

As for the person who had spent the money, Jiang Yu didn't even need to think to know who it was.

Apart from Li Yue, there was no one else.

Jiang Yu sighed and said, "It's alright. We're not the ones you should be apologizing to. It should be Xiao Dan. Because one of the clothes you cut was made by her."

Yi Shuang did not know what to do next and could only continue wiping her tears.

The director asked, "Who ordered you to do it?"

She also cried and said, "I can't tell you, director. I took the money and cured my mother's illness. I can't betray her."

The director was angry and scolded, "What do you mean by betray?! Do you think it's the right thing to do?!"

Chapter 459: Knew Very Well

But even if Yi Shuang didn't say anything, Jiang Yu knew that the person was Li Yue.

But this matter didn't need to be made so clear.

After all, Li Yue was the Movie Queen, and she still had to compete for the third Movie Queen award. Even if this matter were to spread, her manager and agency would step out to settle it for her.

So Jiang Yu didn't intend to continue making things difficult for Yi Shuang, so she said, "It's alright, Director. If Yi Shuang doesn't want to say, then don't say. As for who this person is... Sister Xia and I know very well."

The director looked at Jiang Yu in surprise and asked, "You know very well? Jiang Yu, do you know who that person is?"

Jiang Yu nodded but didn't intend to tell the director.

After all, he still had to continue filming Li Yue's scenes.

Fortunately, the director didn't ask further and said, "If that's the case, that's good too. As long as Jiang Yu is no longer angry and feels that this matter doesn't have much of an impact, then I can settle it any way you want."

Jiang Yu also knew that Yi Shuang was a pitiful person and she didn't want to make things too difficult for her.

Even though she was doing things for Li Yue to threaten her, there was a reason for it and it wasn't because the two of them had bad intentions.

Jiang Yu asked, "Yi Shuang, has your mother's illness been cured?"

Yi Shuang's eyes were still filled with tears as she said, "She's already cured. All that's left now is the follow-up treatment."

Jiang Yu asked again, "Is there enough for the follow-up treatment?"

Yi Shuang winced and nodded. "It's enough."

Jiang Yu nodded and said, "That's good. Only the four of us know about this matter, so don't tell anyone else about it. Let's end this matter here. Everyone, go back. You all have work to do."

The director definitely had a lot of work to do, so he casually said a few words and then went back to his work.

Seeing Jiang Yu's attitude toward Yi Shuang, Sister Xia didn't feel very good, so she said, "Jiang Yu, are you going to let Yi Shuang off just like that?"

Yi Shuang hadn't left yet. Hearing Sister Xia's words, she was frightened and didn't know what to do.

Jiang Yu comforted sister Xia, "It's alright, Sister Xia. Look at this matter. I didn't suffer any losses or injuries. Yi Shuang also generously admitted that she had done it. She also had difficulties. So, we won't make things difficult for her. Let her go."

Sister Xia turned her head and sulked.

Jiang Yu said to Yi Shuang, "You can go back first. I'll be fine as long as I'm here."

Only then did Yi Shuang wipe away her tears and quickly went back to work.

After Yi Shuang left, Jiang Yu said, "Sister Xia, don't be angry. Yi Shuang also said just now that she was working for money. Even if she didn't say who this person was, wouldn't you be able to guess it?"

Of course, Sister Xia knew who that person was, but she was still angry that Jiang Yu had suffered such grievance, and in the end, she didn't even have a proper explanation.

She said, "Of course I know that person is Li Yue. But Yi Shuang was also unwilling to reveal her name and you were also unwilling to continue pursuing Yi Shuang's responsibility. Could it be that you suffered such grievance and in the end, you settled the matter so hastily?"

Jiang Yu said, "Sister Xia, this small matter is nothing to me. If Yi Shuang did such a thing behind my back just because she doesn't like me, then I definitely won't let her off. But you heard it just now. Her mother is sick and needs a large sum of money to treat her illness. And at this time, Li Yue gave her money and asked her to perform surgery on her mother. " " To Yi Shuang, this was like 'timely assistance'. "So, I can understand this kind of thing. Sister Xia, can you also understand?"

Jiang Yu said this, so sister Xia could not continue to insist. She could only say, "Alright then, I'll listen to you. I won't be angry anymore."

Chapter 460: Received The Invitation

The matter ended just like that.

Ever since the director stopped investigating in his own team, the rest of the people were very curious and asked one after another, "Director, have you found the person who cut his clothes?"

The director did not look at Yi Shuang and only said, "Jiang Yu has already let this matter go, so I will not continue investigating this matter."

The rest of the people did not know the truth of the matter. After hearing the director say that Jiang Yu would not pursue the matter, everyone heaved a sigh of relief. They felt that although this matter did not come to a conclusion, it was at least considered to be over.

Only Yi Shuang knew the ins and outs of this matter, so she was very grateful that Jiang Yu and the director had given her some leeway in front of so many colleagues.

And Li Yue did not seem to care about this matter. Ever since she had mentioned this matter to Jiang Yu in the changing room, she had not mentioned it again.

After today's scenes were over, Sister Xia went to find Jiang Yu and said, "Jiang Yu, there's a competition that you need to attend."

Jiang Yu was changing her clothes when she heard sister Xia say this to her. She subconsciously asked, "Then what about my variety show?"

Sister Xia said confidently, "Don't worry about that. I've already applied for leave for you."

Jiang Yu smiled and said helplessly, "Alright. What competition is it this time, sister Xia?"

Sister Xia said mysteriously, "It's a dance competition."

Jiang Yu was stunned and asked, "A dance competition?"

Sister Xia said, "Yes. Do you still remember the variety show from last week? You went to the Grand People's Theater to perform. Those old artists below the stage remembered you. This time, those old artists have jointly organized a national dance competition. The invitation has already been sent to me."

Jiang Yu naturally remembered that competition.

She asked, "Sister Xia, are you sure that they want to invite me to the competition? And not to let me study as a guest?"

Sister Xia said, "Of course. I read the words on the invitation letter one by one. I can't be wrong."

Jiang Yu found it a little strange and asked, "But I'm not a professional dancer. Is it really okay for me to participate in the competition?"

Sister Xia said, "Those artists have said that the competition this time is for newcomers. No matter who it is, even if it's just people with interests, they can participate."

Jiang Yu said, "That's good. Since sister Xia has already applied for leave on my behalf and has such high expectations of me, I can only accept it."

Sister Xia said, "Alright! After the filming here is done, we can go prepare for the dance competition this time."

Jiang Yu said, "Alright."

Li Yue was also changing her clothes not far from Jiang Yu, so she naturally heard what sister Xia said.

After Jiang Yu and sister Xia left, Li Yue asked Sister He, "What is that dance competition?"

Sister He replied, "It's a competition organized by some old artists on a whim. It's not a famous competition, so it's not a big deal even if Jiang Yu participated."

Li Yue was silent for a while before she asked, "Can we still register for this dance competition?"

Sister He was stunned and didn't know why Li Yue asked that.

But she still answered honestly, "It seems like we can register."

Li Yue curled her lips and said, "Call Lulu and ask her to sign up."

Only then did Sister He understand the meaning behind Li Yue's question. But just in case, she asked again, "Do you really want Li Lu to participate in this competition? This competition isn't famous and it's not an international competition. It's useless even if she gets a good ranking."
