Chapter 461: Dance Competition

Li Yue said, "Just call her and ask her. It's up to her whether she will participate in this competition or not."

Although Li Yue said so, she knew that as long as Li Lu knew that Jiang Yu would participate in this competition, she would definitely go.

As expected, after Sister He called Li Lu and explained the matter, Li Lu didn't say anything else and directly said that she would definitely register for the competition. No matter what, it was impossible for Jiang Yu to participate in the competition safely.

After Sister He hung up the phone, she asked, "Will Li Lu really participate in the competition?"

Li Yue smiled. She really understood her sister very well.

She replied, "I understand Lulu. She was even angrier than me about my matter. Whether it was because she was angry that Jiang Yu stole Mo Long, or because Jiang Yu could appear together with me in the nomination list for best actress at such a young age, Lulu was even angrier than me. So I knew that as long as Jiang Yu participated in this competition, Lulu would definitely participate."

Sister he was suddenly enlightened. At the same time, she also lamented that this sister of Li Lu's was indeed very concerned about her sister's matters.

After Li Yue changed her clothes, she said to sister he, "Let's go."

When Jiang Yu returned to Mo Garden, she received a dance video from Sister Xia.

Sister Xia said to her, "Take a good look at this video. There are a lot of techniques in it. You don't have to worry about the latest variety show. I've already asked the director to find a reliable artist to temporarily take your place."

Jiang Yu said gratefully, "Thank you, Sister Xia, for thinking of everything for me."

Sister Xia smiled and said, "It's alright."

After the two of them exchanged a few more words, Jiang Yu hung up the phone and began to carefully study the dance video that Sis Xia had sent over.

The person dancing inside should be a very professional dancer. Her every movement was very gentle and elegant.

As Jiang Yu watched, she was unconsciously attracted to it.

It seemed that the video that Sis Xia had sent to her must have been carefully selected.

It was really hard on her. Even these small matters had always been on her mind.

Jiang Yu had been learning from the dance video for a few days when she received a call from sister Xia. She told her that she was preparing to go to the competition venue tomorrow to familiarize herself with the venue and then start rehearsing.

Jiang Yu said, "Alright."

Jiang Yu was still preparing for her dance, so when she saw Li Lu the next day, she was a little surprised.

However, Li Lu had long known that Jiang Yu would participate in the competition, so her tone was not shocked. She only said, "You're here too?"

Jiang Yu nodded and said, "Yes. You're here too?"

Li Lu sneered and said, "Since you can participate, why can't I?"

Sometimes, Jiang Yu also felt that Li Lu was somewhat inexplicable. She had clearly not said anything, but Li Lu felt that she was mocking her.

However, Jiang Yu could not be bothered to say any nonsense to Li Lu. She only said, "If you are willing to participate, then you can participate. I am not the organizer, nor am I an investor. I will not stop you from participating in this competition."

Li Lu heard the meaning in Jiang Yu's words and immediately lost her cool. She was about to flare up when she was pulled back by her manager.

The manager said, "Li Lu, this is the venue of the competition after all. You can discuss your conflict with Jiang Yu in private. Don't talk about it openly here. If someone with ulterior motives hears it, they will definitely make a fuss about it."

Only then did Li Lu suppress the anger in her heart and said, "Alright. Jiang Yu, I won't argue with you. I'll pretend that I didn't hear what you said just now."

Jiang Yu pretended to be surprised and said, "I shouldn't have said anything unpleasant just now, right? Why should you pretend that you didn't hear it?"

Li Lu was speechless again.

Chapter 462: At The Rehearsal Venue

Jiang Yu followed the principle of "Out of sight, out of mind" and no longer spoke to Li Lu. She followed Sister Xia into the rehearsal venue.

Li Lu was ignored and couldn't take it anymore. She stomped her feet and shouted, "Jiang Yu! What is the meaning of this?!"

Her voice was so loud that it caused the passersby to stop and look at her.

Li Lu's face was burning as she said, "What are you looking at?! Haven't you seen others lose their temper?"

The passersby hurriedly left.

This was truly a big buddha with a bad temper. They couldn't afford to offend her.

Jiang Yu and Sister Xia walked into the rehearsal venue together. The director and the artists inside had already arrived.

When the artists saw Jiang Yu, it was as if they had seen a rare talent. They walked over one after another and surrounded Jiang Yu, asking her how she was doing and how her health was, what did she think of the competition she was going to participate in this time.

Compared to Jiang Yu, who was surrounded by everyone, Li Lu seemed a little unwelcomed.

Li Lu kept telling herself that she was the sister of the movie queen. No matter what, she had to remain calm. She absolutely could not embarrass the Li family outside.

After familiarizing herself with the venue, they quickly entered the rehearsal stage.

Jiang Yu first did a simple dance, which she learned from the dance video Sister Xia sent that day.

Although she was still a little inferior compared to professional dancers, her charm and emotions were in place. It was very easy for her to be immersed in Jiang Yu's dance, unable to extricate herself.

Li Lu had only been watching from the side, wanting to see what Jiang Yu was capable of. She did not expect to be distracted by Jiang Yu and almost be brought in.

Fortunately, she recovered in time and was not brought into the mood by Jiang Yu.

"You're not that good at dancing. You still want to participate in the competition with that?" Li Lu said disdainfully. She completely forgot that she had almost been immersed in Jiang Yu's dance just like the others.

Her manager also echoed her and said, "It's indeed not that good. But since those old artists specially wrote an invitation letter and sent it over, it should also mean that this Jiang Yu has some strength."

Li Lu sneered and said, "I don't see any strength in her. She's just like a clown jumping around on the stage."

Jiang Yu quickly finished her dance and received unanimous praise.

Then, it was Li Lu's turn.

Li Lu was a little dissatisfied that she had to be ranked behind Jiang Yu before she could perform on the stage. However, she was very confident in her dancing skills. Even if she was the last one to perform, she was confident that she could outperform everyone in front of her.

However, after she finished her dance, there was no reaction from the people present.

Li Lu: "... What's wrong? Did I not dance well?"

At this moment, someone said, "Compared to Jiang Yu... you are indeed a little lacking."

Li Lu thought that she had heard wrongly and asked, "What?"

That person said it again and said, "Compared to Jiang Yu, you are still a little lacking."

Li Lu said in disbelief, "But... but I've learned folk dance before."

At this time, someone else also said, "You've learned folk dance before... how come you're not as good as Jiang Yu?"

Li Lu was rendered speechless by the question. After a long while, she said, "I should be better than Jiang Yu, right?"

No one answered.

After a long while, the director said, "It's okay. It's Li Lu's first time participating in such a competition, so she's a little stage fright. She didn't perform well, right? It's okay, it's okay. You'll get used to it in the future."

Li Lu couldn't keep her face straight. At this time, someone gave her a way out. She hurriedly said, "Yes... Yes, I'm a little stage fright. But you can trust me. I'll be able to adjust myself very quickly."

Chapter 463: Painstaking Efforts

Even though Li Lu had explained it this way, not many people would actually believe her.

When she saw that the group of people were secretly discussing Jiang Yu again, a wave of anger rose in her heart.

However, before Li Lu came to participate in this competition, Li Yue had warned her that no matter what happened, she had to remain calm. Don't throw a tantrum on the spot. Not only would it be a waste to let others laugh at you, it would also be easy for others to get a hold of you.

Therefore, no matter how angry Li Lu was, she appeared very calm on the surface.

She smiled and said, "Then I'll continue practicing."

Then, she left the stage.

She pretended to pass by Jiang Yu unintentionally and threw a harsh sentence, "Jiang Yu, just you wait. I want you to lose so much in this competition that you can't even raise your head."

Jiang Yu also received the "Challenge letter" from Li Lu with great interest and said, "Then I'll wait for you."

The artists also watched the dance prepared by the other dancers one after another and were full of praise.

Jiang Yu suddenly felt a little stressed and looked at Sister Xia with a pleading look. She blinked and said very sincerely, "Sister Xia, I'll definitely participate in this competition, but I can't guarantee that I'll get a place."

Sister Xia trusted Jiang Yu 100% and said, "I believe that you will definitely get first place."

Jiang Yu didn't know why Sister Xia trusted her so unconditionally every time, however, she still told the truth, "Sister Xia, although I didn't receive professional training for the piano and cello, I taught myself at least for a period of time. But as for dancing... I haven't even learned how to dance by myself. I was only forced to dance once during that variety show. Although I've received praise from the old artists, it doesn't mean that I have 100% of the ability to participate in this kind of competition."

Sister Xia looked at her and said with a slightly displeased tone, "Jiang Yu, you're not going to give up on me, are you?"

Jiang Yu hurriedly explained, "Of course not. I'm just not that confident in my dancing skills. I'm afraid that if I get a bad ranking, you'll be disappointed on my behalf."

When Jiang Yu said this, Sister Xia also sighed, she said, "Jiang Yu, I'm not asking you to get a good ranking. As long as you can persist until the finals, that's enough. In the finals, regardless of whether you win or lose, I'll be proud of you."

Hearing Sister Xia's words, Jiang Yu could more or less guess her painstaking efforts.

As expected, Sister Xia said again, "I also hope that you can rest, but the Movie Queen award will be decided in three months. Everyone on the list is working hard for the final result. I also want to do my part to help you. Even if you don't get the Movie Queen award in the end, if you get a higher ranking, the chances of you getting the award next year will be higher. That's why I've given you so many jobs, so that you can be active in front of so many people."

Jiang Yu nodded and said, "Sister Xia, of course I know your painstaking efforts."

Seeing that Jiang Yu understood her, Sister Xia felt that all her previous efforts had not been in vain.

She quickly dragged Jiang Yu to the rehearsal hall to rehearse. After all, the first preliminary round of the dance competition was about to begin.

Although the requirements for the preliminary round were not strict, Sister Xia still hoped that Jiang Yu would take every competition seriously. Because the more serious she was, the more people would think that Jiang Yu cared about this competition, and the greater her chances of advancing.

Chapter 464: Preliminary Round

The preliminary round soon began.

Each contestant drew their order of appearance five hours ago.

The first contestant was a pretty girl from Xinjiang. She danced a lively and elegant Xinjiang dance, which instantly received praise and applause.

Li Lu drew the order in the middle. Before she went on stage, she kept admiring her beauty in front of the mirror, as if she was the only beauty in the world, which made people feel happy.

While Li Lu was admiring herself, she still had the time to look at Jiang Yu's costume.

The slim-fitting costume on her fully displayed Jiang Yu's graceful figure.

For a moment, Li Lu actually felt that she was indeed inferior to Jiang Yu because of her figure.

However, Li Lu quickly recovered her emotions.

It's just that her figure is a little better. Can she dance better than me? That was absolutely impossible!

Li Lu did not intend to ridicule Jiang Yu, because she was about to go on stage in a while. If she spoke to Jiang Yu now, she would be walking right into a bad situation. She was deliberately trying to make things difficult for herself.

Therefore, Li Lu rolled her eyes at Jiang Yu and went to tidy up her clothes for the stage in a while.

Jiang Yu naturally noticed Li Lu's gaze and said helplessly, "It's really rare that she didn't come to pick on me today."

Sister Xia guessed, "Is she nervous about going on stage later?"

Jiang Yu shook his head and said, "She hasn't been in this circle longer than Li Yue, but compared to me, she's been in it a few years. How many times has she gone on stage? How can she still be afraid?"

Sister Xia said, "That's true."

Li Lu gracefully walked onto the stage. She didn't look like she had stage fright before.

She swayed her arms and neck to the rhythm of the music. Her every move, every frown, and every smile were so lively and beautiful.

The people below were quickly attracted to her, but most of it was because of her good looks.

After a dance, Li Lu received the loudest applause so far.

She went downstairs triumphantly and saw Jiang Yu and Sister Xia still standing in the same place, seemingly discussing something.

Li Lu walked over and said disdainfully, "It's useless for the two of you to discuss. I'll definitely win the first place in the preliminaries, semi-finals, and so on. I will make sure that Jiang Yu will never get first place."

Jiang Yu ignored her and was still discussing with Sister Xia how to dance for a while.

Li Lu, who had been ignored by others, didn't feel good and almost threw a tantrum on the spot.

But fortunately, she still remembered Li Yue's words. So towards Jiang Yu, she could only try her best to tell herself not to lower herself to her level during this period of time in the competition.

Otherwise, she would be the one at a disadvantage.

Jiang Yu was chosen to be the third from the bottom, so she still had some time to prepare.

Jiang Yu quickly used this time to piece together all the dances she had practiced in her mind. She didn't even hear Li Lu talking to her.

However, it didn't matter whether she heard it or not. Anyway, it wouldn't be a good thing.

Soon, it was Jiang Yu's turn. She was wearing a slim, light blue costume and her hair was half tied up. Under the light, she looked like a fairy who came from the sky.

"She's so beautiful..." Someone exclaimed.

However, his voice was so low that if he didn't listen carefully, he might not be able to hear her.

Chapter 465: Dance Skills

Jiang Yu was dancing the complete version of the dance in the video that Sister Xia had sent her.

Her arms moved along with her waist, making all sorts of movements that complemented each other. Her legs also moved along with her waist, making all sorts of movements. Even the tiny movements of her hands were made exactly the same by Jiang Yu.

Sister Xia was a little stunned by what she saw below the stage.

Originally, Jiang Yu had said that she had not taught herself how to dance and that her dancing skills were worrying. And she had already prepared herself. No matter how ugly and stiff Jiang Yu's dancing was, she would clap for her and cheer for her after she left the stage.

But Jiang Yu's performance on the stage had exceeded her expectations.

Was... was this called worrying about her dance skills? Jiang Yu, when you said that, did you ever consider those people who were uncoordinated!

Compared to Li Lu's lively and bright beauty, Jiang Yu's beauty was mature and generous. And unlike Li Lu's tacky beauty that overflowed on the surface, Jiang Yu's beauty was restrained from the inside out. It could be seen from her dance.

Therefore, it was easier for everyone to be attracted to Jiang Yu's dance, and it was also easier for them to be brought into the atmosphere.

Even though Jiang Yu's dance had already finished, everyone was still unable to regain their senses for a long time. They thought that they had never seen such a dance that was filled with emotion.

The applause that Jiang Yu received was many times louder than Li Lu's. She was so angry that she gritted her teeth and wished that she could tear Jiang Yu into pieces as soon as possible.

It was Jiang Yu again! She stole her limelight again!

Why was she like glue that could not be shaken off?!

After Jiang Yu finished her dance, she returned to the backstage.

Along the way, even if she saw Li Lu, she did not say a word to her.

Of course, it was not as if Jiang Yu did not know that Li Lu did not like her, so why did she have to talk to her?

However, this Li Lu was also curious. She clearly hated her to such an extent, yet she still wanted to talk to her and make things difficult for her.

Could it be that she really had so much free time?

As expected, less than five minutes after Jiang Yu returned to the lounge to rest, Li Lu pushed the door open and said coldly, "I really didn't realize that you knew how to dance."

Jiang Yu blinked and said innocently, "I really don't know how to dance."

Li Lu said again, "You don't know how to dance? Do you think I'll believe you?"

Jiang Yu shrugged and said, "Then I can't control it."

Li Lu had the posture of “I’m going to stay in this lounge with you today” and continued, “Jiang Yu, why didn’t I realize that you were so secretive in the past?”

Jiang Yu said, “It’s not that I’m secretive... but I feel that there’s no need for me to report to you about what I’m going to do and what I’m not going to do, right?”

Li Lu was rendered speechless by Jiang Yu’s words, after a long while, she stammered, “I, I don’t care! In short, how do you know these things? Is, is there someone secretly teaching you behind your back?”

Jiang Yu said, “No one taught me. I learned it by myself.”

Lili was so shocked that her mouth almost fell open.

Self-taught? It was a piano, a cello, and now there was another dance. It was all self-taught?

No matter what, Li Lu refused to believe that there was someone in this world who could be so intelligent. Some things could be learned without needing others to teach them.

Hence, she said, “Jiang Yu, are you joking again? Self-taught? With so many things, even if it’s self-taught, how long has it been? Could it be that you have learned so much in such a short time?”

Chapter 466: Shortlisted

Jiang Yu didn’t really care about what Li Lu said. Since she was a down-to-earth person, she wasn’t afraid of what Li Lu would say.

Hence, Jiang Yu said, “Li Lu, if you have something to say, just say it.”

Li Lu also said frankly, “Jiang Yu, do you have another identity? You know everything. Are you really just self-taught? You must have another identity, right? You must still be hiding it from Mo Long.”

After she said this, Jiang Yu really admired Li Lu’s imagination. She looked at her and asked, “Do you think everyone is a fool? Or do you think that as long as someone is a little smarter, you will think that there is something wrong with someone else’s identity?”

Li Lu could not produce any evidence, so she only spoke based on her inaccurate intuition, “Do you really not hide it from anyone?”

Jiang Yu felt that Li Lu’s mind was really very simple, even a little silly.

Jiang Yu retorted, “Have you ever seen a bad person say that they are a bad person?”

Li Lu did not know why Jiang Yu asked this, but she subconsciously replied, “No.”

Jiang Yu knew at a glance that Li Lu did not understand what she meant, hence, she kindly explained, “If you ask me these questions, do you think I will tell you the truth? Or, if I tell you, do you think that it is the truth?”

Li Lu was silent for a moment before she said, “Do you think I’ll believe you?”

Jiang Yu shrugged indifferently and said, “Then that’s it. Then what do you want to ask?”

“You? ”

Jiang Yu said, "I won't tell you even if you ask. Even if I tell you, you won't believe me. So why do you need to waste your energy to ask? You're already so old. Do more things that can save yourself trouble and effort."

"Jiang Yu, what do you mean?"

Li Lu's voice wasn't pleasant to hear and when she was facing Jiang Yu, she wouldn't say anything pleasant either. So Jiang Yu didn't really want Li Lu to stay in front of her, so she said, "There's nothing else. You can go back first. If you're really free, then wait for the final result."

Li Lu still remembered what Li Yue had told her, so she suppressed her temper.

Even though Jiang Yu had said that to her, she still insisted on not throwing a tantrum.

Anyway, she didn't want to see Jiang Yu, so she went to another lounge and waited for the final result.

The results of the preliminaries were out very quickly. It was the votes of the audience and the old artists.

The last few contestants were eliminated, while the rest advanced to the semi-finals.

As expected, Jiang Yu and Li Lu also advanced successfully.

Sister Xia took the results of the semi-finals to Jiang Yu and said, "Jiang Yu, you advanced successfully!"

Jiang Yu also said happily, "Sister Xia, don't worry. I will definitely not let you down."

Li Lu also heard the results and said to her manager with disdain, "Jiang Yu also advanced successfully?"

The manager nodded and said, "Indeed."

Li Lu sneered and said, "Then I don't think this competition is that good, right? Even Jiang Yu can advance successfully?"

The manager said, "Although this dance competition isn't publicized much and isn't an international competition, the judges are all famous domestic dancers or experts, so this competition has attracted quite a lot of attention. Moreover, there are also some popular young dancers who have come to participate. The popularity is not small."

Li Lu did not mind and said, "So what? Could it be that Jiang Yu came to participate in this competition because of this?"

The manager said, "It's also possible that it's because of this."

Chapter 467: Encounter

Li Lu said, "So Jiang Yu is also a person who will do anything for popularity."

The manager said, "But no matter what, you can't underestimate Jiang Yu. Her strength can not be underestimated. After all, she is on the waiting list for the Movie Queen award."

When this was mentioned, Li Lu was very angry and said unhappily, "I get angry whenever this is mentioned! What strength does Jiang Yu have? What right does she have to be on the waiting list for the Movie Queen award? How can she be compared to my sister?"

The manager said, "But no matter what, Jiang Yu is indeed on the shortlist for Movie Queen."

Although Li Lu was very angry, what the manager said was an indisputable fact, so Li Lu could only grit her teeth and swallow her anger.

After announcing the results of the preliminary competition, the host said a few more words, and this episode of the competition program ended.

When she went back, Li Lu saw Mo Long, who had come to pick Jiang Yu up.

She smiled as she walked towards Mo Long, while Mo Long smiled as he wrapped his arms around Jiang Yu. In the eyes of outsiders, they were indeed a pair of lovebirds, incomparably loving.

Li Lu's mind went blank for a moment, before her manager pushed her and said, "The Movie Queen Li is here."

Li Lu focused her gaze and saw that it was indeed her sister Li Yue who was standing a few meters behind Mo Long.

Li Yue looked at Mo Long from afar, but there was no expression on her face. It was as if she was looking at an old friend whom she had not seen for a long time.

But Li Lu knew that Li Yue had never given up on Mo Long. She had even secretly worked hard to snatch Mo Long away from Jiang Yu.

She saw that Jiang Yu and Mo Long were very loving and did not see her sister behind them. So she shouted, "Sister! Why are you here?"

Only then did Jiang Yu notice that Li Yue was standing behind Mo Long.

She smiled and greeted, "Movie Queen Li."

When Li Yue heard Jiang Yu calling her, she smiled and replied, "Hello, Jiang Yu. I'm here to bring Lulu back. I didn't expect to see you here too."

Jiang Yu smiled and said, "That's such a coincidence."

Li Yue smiled and said, "Yes."

Sister Xia silently rolled her eyes.

How could Li Yue not know that Jiang Yu was participating in this competition? When she told Jiang Yu about this competition, Li Yue was beside her! How could she not know?

If she really didn't know, then why would Li Lu participate in this competition?

She had inquired about it clearly back then. Jiang Yu was the only one who was invited to this competition. The rest of them had signed up to participate.

Li Lu wasn't a professional dancer and there weren't many promotions for this competition. It wasn't an international competition so why would Li Lu participate in it?

However, sister Xia knew that she couldn't say it out loud.

Mo Long saw Li Yue and nodded his head without saying a word.

Li Yue felt a little hurt but her expression was very calm. She smiled and said, "Long time no see. Your relationship with Jiang Yu seems to have improved."

Her words sounded sad and there was a tinge of sarcasm in them. Mo Long could obviously hear it.

But he didn't seem to be angry. He hugged Jiang Yu a little harder and said, "It's been a long time."

He spoke in a relaxed manner and his eyes were fixed on Jiang Yu. This made Li Yue's heart hurt more and more.

But she didn't show anything. She walked to Li Lu's side and asked as if nothing had happened, "How was the competition today?"

Li Lu glanced at Jiang Yu and Mo Long and said, "I feel pretty good. Moreover, Jiang Yu has successfully advanced to the next round. It seems that I can continue to be Jiang Yu's opponent in the future. That way, I'll have more motivation."

Chapter 468: Pretending

Li Yue adjusted Li Lu's collar and said, "It's good to be competitive, but don't make things too difficult for others. Jiang Yu entered the circle later than you, so you can be considered half a senior. Take care of her."

Her words were not sincere at all. It was purely for Mo Long to see.

However, Mo Long did not care about what Li Yue said to Li Lu. Even if they said Jiang Yu's name, Mo Long would not care about what they said.

He knew that these two people wouldn't say anything nice about Jiang Yu. Even if Li Yue said those words, Mo Long didn't listen to a single word.

However, Jiang Yu listened to Li Yue's words with great interest. She also wanted to accompany Li Yue to put on an act, so she said, "How could it be? Li Lu's strength is not to be underestimated."

When Li Lu heard Jiang Yu's words, vanity appeared in her heart. She said, "It's rare that you can praise me."

Li Lu didn't know how to restrain herself at all. Even if Mo Long was here, she relied on the fact that Li Yue was here as well, so she had enough confidence in her words. Her words were even more outspoken.

However, Jiang Yu wasn't angry. She was very happy to accompany Li Yue in her acting.

Didn't she previously make a "challenge" to her? She said that she wanted to snatch Mo Long back. Could it be that she could snatch Mo Long back just by relying on her insincere "concern" and her impromptu acting skills?

Jiang Yu smiled mischievously, she said, "That's not true. You're quite outstanding to begin with. Didn't you just say that with me as your opponent, you'll be more motivated? Doesn't this also mean that you've acknowledged my strength?"

Li Lu didn't expect Jiang Yu to not be angry at all. She could even calmly reply to her own words.

She said, "I'll acknowledge you? In your dreams."

Li Yue said, "Lu Lu, don't spout nonsense."

Only then did Li Lu shut up.

Li Yue glanced at Mo Long. She felt that he had no intention of talking to her at all. He didn't even give her a look. From the beginning to the end, he was looking at Jiang Yu lovingly.

He looked at her smiling and looking at her making a scene.

Such a gentle gaze... should belong to her! Mo Long should be looking at her all the time! He shouldn't be looking at Jiang Yu!

However, Li Yue had to maintain her identity no matter where she went and she wasn't willing to look at Mo Long looking at Jiang Yu lovingly. Hence, she hurriedly left with Li Lu.

She left so quickly? Jiang Yu shrugged her shoulders. It was really boring.

Since Li Yue couldn't continue acting and left first, Jiang Yu stopped her playful thoughts and said to Mo Long, "Then let's go back too."

Mo Long looked at her lovingly and said, "Okay."

Sister Xia couldn't stand it anymore and quickly said, "Since President Mo came to pick you up personally, I'll go back to the studio first."

Jiang Yu smiled and said, "Alright, Sister Xia."

Sister Xia sat in the car and quickly went back to the studio. She didn't want to stay here and watch Jiang Yu and Mo Long continue to show off their love.

Jiang Yu and Mo Long also went back to Mo Garden.

Li Lu was still unwilling to accept it. Why didn't Li Yue continue arguing with that Jiang Yu just now? Why did she pull her away instead?

"Sister, are you still afraid of that Jiang Yu?"

Li Yue rubbed her temples and said, "Lulu, there are some things that you don't know yet. You'll know when you grow up."

Li Lu was still chattering non-stop. She said, "Is it because Jiang Yu is also on the shortlist for Movie Queen? Is that why you're so afraid of her, sister?"

"It's not a question of whether I'm afraid or not." When Li Yue heard Li Lu mention the matter of the shortlist for movie queen, she started to feel unhappy.

Chapter 469: Preparation For Semi-Finals

"What's that?" Li Lu continued to ask.

It had to be said that not only did Li Lu not know how to speak, but she also did not know how to look at people's expression.

Li Yue's expression was already so ugly. It was as if she had not noticed and continued to talk about it.

No, to be precise, she had not noticed.

So when Li Yue's anger was burning uncontrollably, she chased Li Lu out of the car.

"Get out of the car!" Li Yue shouted.

Li Lu was stunned. She could not believe that Li Yue would speak so loudly to her.

She was a little shocked and said incredulously to Li Yue, "Sister... sister, why are you venting your anger on me?!"

Li Yue did not say anything. She asked the chauffeur to park the car by the side of the road. Then, she opened Li Lu's car door and gestured for her to get out of the car.

Li Lu was also a person who didn't want to be wronged. Since Li Yue was throwing a tantrum at her for no reason and even wanted to chase her out of the car, then she should get out of the car herself. She didn't want to continue being wronged here.

Hence, Li Lu got out of the car in a huff.

When her manager saw this, she also got out of the car.

Although she also felt that what Li Lu said just now was a little too brainless, but she was still the artiste that she had brought along, so she could only follow along.

And Li Lu blamed all of this on Jiang Yu.

If she had not said those things that she should not have said, her sister would not have been angry, so why would she chase her out of the car?

But this really did not make sense.

If Jiang Yu had heard it, she would probably have said, "You really don't make sense. Why do you have to blame everything on me?"

However, Jiang Yu did not hear that. She was still focused on preparing for the dance of the semi-finals.

The semi-finals were not compared to the preliminary rounds. The preliminary rounds only eliminated a few people, but this time, there were ten people left to continue participating in the semi-finals.

This way, the competition would be greater.

Therefore, when Jiang Yu chose the dance to dance in the semi-finals, Sister Xia was also helping to find it.

"What do you think of this dance?" Sister Xia sent a video to Jiang Yu. It was a dance that was very similar to Jiang Yu's previous dance, "Green Snake." It was called "White Snake."

"Didn't you say that you would be dancing a folk dance?" Jiang Yu asked worriedly.

Sister Xia said, "Don't worry about that. I've already asked the director. The director said that this type of dance is also acceptable."

"That's good." Jiang Yu opened the video and watched it for a while before saying, "This dance is fine. It's not difficult."

Sister Xia said, "I'm just giving you a reference. The final choice of which dance is up to you."

Jiang Yu finished watching the dance, she said, "Let's do this one. It's not difficult. It's very easy to dance. It's just that the emotions are a little hard to grasp. It has feelings for Xu Xian, worries about the future, and feelings for Green Snake's sisterhood... I can see that for now."

Sister Xia was very open-minded and said, "It's okay. As long as you can see these emotions, I believe you can grasp them."

Jiang Yu also wanted to try it, so she said to sister Xia, "Then let's do this dance. It just so happens that I also want to challenge it."

Sister Xia said, "Okay. I'll tell the director about this dance in a while."

"Okay."

Jiang Yu's next task was to practice this dance and prepare for the semi-finals.

Compared to green snake, white snake's dance moves were relatively simple, but there were many emotions and it was harder to grasp, so it was a little more difficult.

However, Jiang Yu felt that since she wanted to become better, she had to continue challenging the more difficult ones.

If one didn't push oneself, who knows how far one can go?

Chapter 470: Participate In Sem-Finals

Li Lu wanted to know what kind of dance Jiang Yu had chosen for the semi-finals, but she had exhausted all her methods and could not get the news from the director's team.

So she could only choose a dance randomly, practice it casually, and then continue to participate in the competition.

After Jiang Yu chose the dance "White Snake", she began to practice non-stop. She completely ignored all external interference.

On the day of the semi-finals, Li Lu came to the competition venue and found Jiang Yu's lounge before the competition had even started.

When Jiang Yu saw Li Lu come in, she knew that she definitely had nothing good to say to her, so she asked before she could open her mouth, "You don't come to the three treasures palace for no reason. Why did you come to see me today?"

Li Lu said indifferently, "Why? Can't I come to see my opponent? I'm just concerned about my opponent. Is there a problem?"

Jiang Yu was focused on her makeup. When she heard Li Lu say this, she did not expose her. She only said, "Then thank you for your concern."

Li Lu was not angry. It was as if she came to see Jiang Yu today as a formality.

"Jiang Yu, "Li Lu said before she left. "Be prepared that you will lose everything. Otherwise, when you suddenly lose everything, it will be too late to cry."

Jiang Yu ignored Li Lu's words. She closed her eyes and asked the makeup artist to paint her eye shadow. Then, she heard the sound of Li Lu closing the door.

When Sister Xia returned with water for Jiang Yu, she saw Li Lu coming out of Jiang Yu's lounge.

She hurriedly took the water in and asked, "What did Li Lu come here for?"

Jiang Yu replied, "Nothing much. When she came to look for me, she only said some random things. I didn't take it to heart."

Sister Xia let out a sigh of relief and said, "That's true. When she came to look for you, she definitely didn't have any good things to say."

The order of appearance in the semi-finals was the same as in the preliminaries. It was decided by drawing lots.

Li Lu drew the middle order of appearance, while Jiang Yu drew the last one. She didn't know if she was lucky or not.

Li Lu saw the number on the note in Jiang Yu's hand and said with a fake smile, "You're the last one to appear? Your luck is pretty good. You're the finale."

Jiang Yu glanced at her and said, "The last one to appear is the finale. The last one to appear should be the second from the bottom."

Li Lu's expression did not look good after being refuted by Jiang Yu's expressionless face. Her tone changed as she said, "Is that so? Then you really know a lot. Did some unworldly expert give you some secret manual?"

Jiang Yu really wanted to ask Li Lu if she had read too many wuxia dramas or wuxia novels recently, so she always had such inexplicable thoughts.

She said, "If you really have extra time, go practice the dance that you chose. Don't waste your time here just to talk to me."

Li Lu was chased away, and her mood started to turn bad again. She asked, "What? I can't even talk? Jiang Yu, you're not that popular, right? Are you putting on airs now? Do you really think you're the Movie Queen?"

Jiang Yu didn't want to waste any more time with Li Lu, she said, "I know you hate me, so why do you have to talk to me? If you don't want to see me, then why do you have to show up in front of me? Always doing these thankless things. I can't understand you, Li Lu."

Li Lu sneered and said, "I'm want to. What do you care?"
