

Older Man 471

Chapter 471: White Snake

Jiang Yu shot a glance at Jiang Yu and said, "Suit yourself then."

With that said, Jiang Yu returned to her lounge and prepared to practice her dance a few more times.

Sister Xia stood to the side with a towel and a glass of water, as she watched, she said, "This Li Lu is really not someone to be trifled with. She has already come to participate in the competition, can't she be a little more quiet? She keeps coming to talk to you about all sorts of nonsense. This will delay you."

Jiang Yu practiced while saying, "It's alright. If she has the leisure to come and talk to me, then let her be. Her legs are on her body, and so is her mouth. If she can't control herself and keeps walking towards me, always thinking of mocking me in the open and in the dark, I won't be able to stop her. The only thing she can do is not listen. No matter what she says or does, I won't listen or look."

Seeing that Jiang Yu wasn't affected by Li Lu, Sister Xia finally relaxed and said, "As long as you're not affected, that's fine."

Jiang Yu said, "It's fine as long as you don't care about her."

Sister Xia sighed and said, "Sigh. This Li Lu is really difficult to deal with."

Jiang Yu was still focused on practicing her dance, waiting for the host to read her name.

Soon, all the contestants in front of her had finished their matches, and it was time for Jiang Yu to go on stage.

Li Lu stood by the entrance of the stage and looked at Jiang Yu with a wide smile on her face.

Sister Xia felt that nothing good was going to happen to Li Lu while she was standing there, and her heart was filled with fear.

Jiang Yu pretended not to see Li Lu and went up the stage by herself.

When she reached the second step, Jiang Yu slipped and almost fell.

Jiang Yu looked down at her feet and then looked at Li Lu in shock. She didn't expect Li Lu to be so bold as to dare to tamper with the stage.

"Did you oil the steps?" Jiang Yu questioned her in a low voice.

Fortunately, she didn't wear shoes because of the dance she chose today. Otherwise, she wouldn't be able to dance today if she fell while wearing shoes.

Li Lu smiled at her and didn't explain anything. She only said, "Jiang Yu, don't say things that others can't understand."

Jiang Yu knew that the competition was more important now, so she did not waste time with Li Lu. She made the best use of her time to perform on the stage.

The song "White Snake" was very famous, and the dance had attracted a lot of attention.

Jiang Yu chose to dance to this song, so she naturally attracted more attention.

Jiang Yu was confident in her own strength and thought that she could perfectly perform the dance to this song. However, halfway through the dance, she felt a sharp pain in her ankle, which almost made her lose her balance.

It was from the moment she almost slipped on the steps.

The pain in her ankle did not last, but came in waves. However, it was this kind of pain that made her feel even worse.

After Jiang Yu danced a few times, she felt a sharp pain in her ankle. It was so intense that it looked like there were needles poking her ankle a few times.

Jiang Yu was sweating profusely from the dance, but she still gritted her teeth and insisted on finishing the song.

Fortunately, the audience and artists below the stage did not notice her strange behavior. After she finished dancing, they all applauded and cheered.

Jiang Yu endured the pain and left the stage. Li Lu was still at the same spot, looking at her with a smile.

“Li Lu?” When Jiang Yu saw her, she could not help but call out to her, “Did you do it?”

Of course, Li Lu knew what Jiang Yu was asking, but she would not admit that she was the one who smeared oil on the steps.

“Jiang Yu, no matter what, show evidence first.” Li Lu said with a smile.

Chapter 472: Xu Ye

When Sister Xia came out of the waiting room and saw Jiang Yu in this state, she was so frightened that she quickly went to help her up and asked, “What happened?!”

Jiang Yu pursed her lips and said, “Nothing. I accidentally twisted my foot when I went on stage.”

Sister Xia lowered her head to take a look. She immediately gasped and said, “It’s already swollen?!”

Jiang Yu comforted sister Xia and said, “It’s alright, Sister Xia. Let’s go back to the waiting room now. We’ll wait for the results later.”

Sister Xia did not have the time to question Li Lu anymore. She was so anxious that she wanted to help Jiang Yu back to the lounge.

However, the lounge was quite far away, and Jiang Yu’s ankle was swelling more and more. It would be difficult for her to return to the lounge.

Li Lu did not intend to lend a helping hand. She glanced at Jiang Yu from afar and returned to her own lounge.

“What’s going on? “Sister Xia asked anxiously, “Is it that Li Lu?”

Jiang Yu nodded and said, “It should be her. But I don’t have any evidence.”

Sister Xia was worried about Jiang Yu's feet, so she brought a chair from nearby and let Jiang Yu sit on it to rest for a while.

"Sit down and rest for a while. I'll help you back to the lounge in a while. I don't know if there's an infirmary here. I'll go ask around and see if I can get an ice pack or something."

Jiang Yu said, "Thank you, Sister Xia."

Sister Xia anxiously asked the staff about the infirmary. She had no choice but to go to the supermarket outside to see if she could try her luck and buy an ice pack.

Jiang Yu sat on the chair alone and quietly waited for Sister Xia to return.

After waiting for an unknown amount of time, Jiang Yu didn't wait for Sister Xia to return. Instead, she acompetitor came.

"You are... Jiang Yu?" Someone asked from behind her.

Jiang Yu turned around and saw that the person was none other than the contestant of this competition — Xu Ye.

"It's you?" Jiang Yu asked, "Why are you here?"

Xu Ye explained, "I was bored sitting in the lounge, so I came out for a walk. I didn't expect to see you here. Why are you sitting here instead of going back to the lounge?"

Jiang Yu said embarrassedly, "I accidentally twisted my ankle just now, so it's not very convenient."

Xu Ye was a warm-hearted person. When he heard Jiang Yu said that she twisted her ankle, he quickly squatted down to check her injury and asked, "Is it serious?"

Jiang Yu subconsciously retracted her foot and said, "It's nothing serious. My manager went out to buy ice bags."

Xu Ye also knew that his actions had crossed the line. He stood up and scratched his head in embarrassment. Why don't I bring you back to the lounge? My manager just bought me a bottle of iced water. It can temporarily replace the ice pack."

Jiang Yu's foot hurt terribly. Hearing Xu Ye's words, she said, "Thank you then."

Xu Ye smiled and said, "It's okay."

He knew that Jiang Yu was Mo Long's girlfriend, so he was very careful when he helped Jiang Yu back to the lounge. He did not carry her or carry her on his back. Instead, he helped her to the lounge step by step.

"Wait a moment. I'll go get that bottle of iced water," Xu Ye said.

Jiang Yu said gratefully, "Thank you."

Xu Ye said, "It's okay."

Xu Ye went out and returned to his lounge to get the iced water.

"It's lucky that your ankle isn't twisted too badly. The treatment is also more timely." In order to avoid suspicion, Xu Ye specially wore gloves to avoid touching Jiang Yu's skin.

Chapter 473: Gratitude

"Thank you so much." Jiang Yu felt a little uncomfortable and wanted to retract her foot.

However, her ankle was badly swollen and in severe pain. Jiang Yu did not have the strength to retract her foot, so she could only let Xu Ye place the iced water on her ankle.

Xu Ye understood what Jiang Yu meant, he smiled and said, "Don't worry. I know you're Mo Long's girlfriend. I know you're uncomfortable, but your foot is swollen badly now. Don't worry about it now."

As Xu Ye was speaking, Sister Xia pushed the door open and came in. "Jiang Yu, I bought... Xu Ye? Why are you here?"

Jiang Yu looked at sister Xia in surprise and said, "Sister Xia, do you know each other?"

Sister Xia put the ice bag on the table and said with a smile, "Xu Ye, a Movie King. Who doesn't know him?"

Jiang Yu looked at Xu Ye and asked in surprise, "You're the Movie King?"

Xu Ye smiled and said, "Why? I know you, but you don't know me?"

Jiang Yu said embarrassedly, "I haven't been surfing the internet on my phone recently, so I don't know much about these things."

Xu Ye smiled and said, "Forget it. I forgive you."

Sister Xia then saw Xu Ye squatting down to massage Jiang Yu's feet. She quickly squatted down and said, "Hey, Movie King Xu, let me do it. Jiang Yu is a female artist after all. It's not appropriate for you guys to do this."

Xu Ye did not mind. He stood up and said, "Okay. Since Jiang Yu is your artiste, you can do it."

Sister Xia took the ice pack and continued to massage Jiang Yu's feet. She said, "Movie King Xu, if you have nothing else to do, you can go back. Jiang Yu will be fine with me."

Xu Ye nodded and said, "Okay."

After saying that, Xu Ye turned around and pushed the door open and left.

At the door was Li Lu, who had stood there for an unknown amount of time.

When Xu Ye saw her, he was also a little surprised and asked, "Your lounge isn't over here, right? Why are you here?"

Li Lu did not explain further and only asked Xu Ye, "Why are you in Jiang Yu's Lounge?"

Xu Ye explained, "Jiang Yu sprained her ankle. I'm sending her back to the lounge. What's wrong?"

Li Lu asked coldly, "Doesn't she have a manager? Do you need to send her back?"

Xu Ye didn't know why Li Lu's tone was so harsh when she mentioned Jiang Yu. He couldn't help but ask, "Is there something going on between you and Jiang Yu?"

Li Lu paused for a moment before she didn't blurt out, "Jiang Yu is a pervert." She was silent for a moment before saying, "It's nothing. It has nothing to do with you."

Xu Ye also knew that Li Lu was Li Yue's younger sister, so he did not have to quarrel with her. He just shook his head, he said, "What happened between the two of you has nothing to do with me, so I won't ask. If you want to see her, then go in and see her."

Li Lu sneered and said, "Me see her? I just saw you come in, so I came to take a look."

Xu Ye shook his head and did not say anything.

Xu Ye returned to the lounge, but Li Lu did not intend to go in to "care" about Jiang Yu's injury, so she turned around and left.

In the lounge, Sister Xia was still massaging Jiang Yu's feet. She asked, "Why is Xu Ye here?"

Jiang Yu explained honestly, "He saw me when you went to buy an ice pack. He heard that I sprained my ankle and said that he wanted to send me back."

"I see." Sister Xia nodded and said, "However, it's best not to get too close to him. Otherwise, it wouldn't be good for you."

Jiang Yu nodded and said, "Got it, sister Xia."

Of course, she knew what Sister Xia meant by that.

Xu Ye was a newly promoted Movie King and was very popular. As for Jiang Yu, she was a newcomer and had been competing for Movie Queen recently. It wouldn't be beneficial for her to get too close to Xu Ye at this time.

Moreover, she was also afraid that the paparazzi would take photos of Jiang Yu and Xu Ye's scandal. If anything happened at this time, it would not be easy to resolve.

Chapter 474: Li Lu Annoyed

The results of the semi-finals were out very quickly. Li Lu's ranking was behind Jiang Yu's ranking, which made her a little displeased.

When she heard the host read out everyone's ranking, Jiang Yu's name had yet to appear. She knew that Jiang Yu's ranking must have been higher than hers.

Li Lu stood on the stage and watched as the group of eliminated people left the stage. Only the people who had advanced to the semi-finals were left on the stage.

The host handed the microphone to the first place winner and asked her to say a few words.

Li Lu quietly walked behind Jiang Yu and said, "I thought you were the first place winner."

Her words were sarcastic, and it was not the same as what she was thinking.

Why would she want Jiang Yu to be the first place winner? Of course, she wanted Jiang Yu to be eliminated.

Jiang Yu replied in a low voice, "You're overestimating my strength."

Li Lu choked and did not continue speaking. She quietly returned to her seat.

She thought that Jiang Yu would be angry if she said that. In the end, she seemed to be very satisfied with her ranking. No matter what she said, she would not be angry.

After the top three finished her speech, the host passed the microphone to the three people at the bottom of the ranking.

When Li Lu saw that Jiang Yu did not have the opportunity to give her speech and that this opportunity was in her hands, her mood immediately improved, she took the microphone and began to say, "I still value my ranking very much. Since I'm at the bottom of the rankings this time, I'll definitely continue to work hard next time and catch up to my ranking."

Xu Ye's ranking was slightly higher than Li Lu's, so he also had the opportunity to give his speech.

He said, "Actually, I'm not a professional dancer, so I'm very lucky to be able to enter the semi-finals. However, this doesn't mean that I'm content with my current situation. I'll put in more effort in the semi-finals and strive to get a good ranking."

When he finished saying these words, his eyes unconsciously drifted to Jiang Yu's direction.

Jiang Yu didn't know that Xu Ye was looking at her. Instead, it was Li Lu. She could clearly see such trivial details.

"Movie King Xu, as a newly promoted Movie King, it's indeed not easy for you to participate in the dance competition. But since you're here, you should be well-behaved and practice your dance. When you're preparing for the competition, don't always look at others," Li Lu said mockingly. "Those who don't know better will think that you're here for the sake of someone and not to improve yourself."

Li Lu's words were full of pride, and the host didn't know how to respond.

Moreover, he didn't know why Li Lu would suddenly start saying these words after Xu Ye spoke.

The atmosphere on the stage instantly became a little awkward. No one dared to respond. Even the artists below the stage didn't know why this contestant, who was ranked at the bottom, would suddenly lose her temper.

Xu Ye knew that she was referring to the way he looked at Jiang Yu just now, so he was not in a hurry, he said, "Li Lu, since you have the time, you might as well practice your dance more and improve your ranking. Don't spend extra time meddling in other people's affairs."

Lili did not expect Xu Ye to be so calm. For a moment, she was so angry that she did not know what to say. She almost left the stage on the spot.

Jiang Yu did not know why Li Lu would suddenly quarrel with Xu Ye, but it was rare that Li Lu did not set her sights on herself. Jiang Yu liked to spend time watching Li Lu quarrel with others.

However, this person was Xu Ye, who had just helped her, so she could not help but feel a little sorry for him.

Li Lu relied on the fact that she was the sister of the Movie Queen. This kind of character was well known in the entertainment industry.

Jiang Yu think Xu Ye as the new Movie King should be able to know, so for the time being stand aside to watch the show.

Chapter 475: Deliberate Misunderstanding

But Li Lu still had some brains. She didn't use Li Yue's identity to spout nonsense on stage.

After Xu Ye finished speaking, she only said unhappily, "You don't need to worry about my matters. You just need to worry about yourself." Then she didn't say anything else.

Jiang Yu felt that this was more or less boring.

This Li Lu seemed to have endless energy and words when she was quarreling with her. Why did she stop talking so quickly when she was quarreling with others?

Then how much did she hate herself? Even if she was tired, she still had to come over and deliberately find trouble with her.

The emcee quickly tried to smooth things over so that the atmosphere on the stage wouldn't be so awkward.

Li Lu didn't listen to what the Emcee said at all. This was because she was thinking about something else in her heart.

After the recording was completely over, Jiang Yu returned to the waiting room with sister Xia's support.

Sister Xia asked, "What happened to that Li Lu today? Why did she suddenly say those words on stage?"

Jiang Yu didn't know what was going through Li Lu's mind, so she said, "I don't know. Fortunately, she's not too stupid and knows when to stop. She didn't say anything else."

Sister Xia sighed. She did not understand what was going through Li Lu's mind.

She said in puzzlement, "Why did she choose after Xu Ye finished speaking? When I heard her words, it was as if she meant something. Who did Xu Ye look at?"

Jiang Yu shook her head and said, "I don't know. I didn't look at Xu Ye, and I don't know who he was looking at."

There was a vague person in Sister Xia's heart, but she did not dare to say it out loud.

This Xu Ye... Wasn't looking at Jiang Yu, was he?

Just as she was thinking, someone came in.

Jiang Yu didn't need to look to know that it was Li Lu who had come in — because she didn't know how to knock at all.

Sis Xia frowned and said, "Don't you knock on anyone's door?"

Li Lu said indifferently, "Why? Do I need to knock on your door to enter your room?"

Sister Xia said, "You! Don't you know that this is the most basic courtesy!"

Li Lu smiled and said, "You have the cheek to say that I'm impolite? Jiang Yu, don't you already have an Mo Long? Why are you still trying to seduce Xu Ye?"

Jiang Yu paused and raised her head to look at her in surprise. "Why do you always like to fabricate things that have no evidence?"

Li Lu sneered and asked in return, "No evidence? Jiang Yu, do you really think I have no evidence?"

Jiang Yu shrugged and said, "Then show me the evidence."

Li Lu said, "If you didn't hook up with Xu Ye, then why did he look at you on stage?"

Sister Xia's heart thumped.

It seemed that her guess was confirmed.

Jiang Yu felt that Li Lu's words were somewhat unreasonable and questioned her, "What does it have to do with me seducing him? It's his right to look at who he wants to look. I can't cover his eyes and tell him not to look at me, can I?"

Li Lu said, "If you didn't seduce him, why would he look at you?"

Jiang Yu felt that Li Lu was really baffled and asked, "I'm also looking at you now. Are you going to say that I seduced you?"

Li Lu froze and asked, "Jiang Yu, is there really nothing going on between you and Xu Ye?"

Jiang Yu was too lazy to explain and only said, "It's up to you. You have a rich imagination anyway."

No matter what Jiang Yu said, Li Lu still felt that there was something going on between Xu Ye and Jiang Yu.

Before she could figure it out, someone knocked on the door and asked, "Jiang Yu, are you in the lounge?"

From the sound, it was Xu Ye.

Chapter 476: Can't Explain Clearly

Sister Xia cursed in her heart. She couldn't even understand what was being said here. Why was this Buddha here again?

Li Lu didn't wait for Jiang Yu and Sister Xia to speak. When Xu Ye's voice sounded, she quickly opened the door.

"Li Lu?" Xu Ye was surprised to see Li Lu and asked, "Why are you here?"

Li Lu asked, "Why? Do you dislike me for disturbing you?"

Xu Ye found it funny and asked, "What are you thinking about?"

Li Lu said loudly, "Do you dare to guarantee that there is nothing between you and Jiang Yu?! Then why were you looking at her on the stage just now?"

Xu Ye said, "I was worried about her feet. I wanted to see how she was doing."

Li Lu refused to let it go. "Do you have to worry about her feet? She has a manager and Mo Long!"

When she said that, she deliberately emphasized the pronunciation of the word "Mo Long".

Jiang Yu listened for a long time and felt that she had heard something unbelievable.

She secretly asked Sister Xia, "Does Li Lu like Xu Ye?"

Sister Xia shook her head and said, "I don't know. It's already so late, and you still have the time to care about whether someone else likes someone else? If you think that Li Lu likes Xu Ye here, then Li Lu thinks that Xu Ye likes you!"

Jiang Yu said, "Li Lu always likes to guess things that have no basis. Since that's the case, no matter how we explain, we can't explain it clearly. Then it's better not to explain. Let's just see what kind of tricks she wants to pull by herself."

Sister Xia said, "But she's Li Yue's younger sister after all. If she says something in front of Li Yue, then what will you do?"

Jiang Yu said, "She won't be that bored, right?"

As she was speaking, Li Lu suddenly pointed her spear at Jiang Yu and shouted, "You sprained your ankle. Then why didn't you go back to the lounge? Why did you sit there?! Weren't you just waiting for Xu Ye to come over and help you?!"

Jiang Yu felt that Li Lu's words were a little too much, so she exposed her and said, "I sprained my ankle because of you. If you didn't put oil on the steps, how could I have sprained my ankle?"

Li Lu's previous actions were exposed in front of Xu Ye, so she couldn't help but feel embarrassed.

Her face flushed red as she shouted, "Jiang Yu! Don't frame me!"

Jiang Yu was baffled, she said, "Didn't you admit it yourself? If you don't like me, just say it. Why do you have to do all these things? If I'm not the last to go on stage today, when were you planning to rub oil on the steps? What if you hurt someone else?"

"You... you..." Li Lu couldn't say a word.

She felt a little embarrassed in front of Xu Ye and hurriedly ran out.

Jiang Yu laughed in her heart. "With this little bit of ability, don't blame others for exposing you."

Xu Ye looked at Li Lu running away and was somewhat baffled.

He asked Jiang Yu, "Is there something going on between you and Li Lu? Otherwise, why would she always target you?"

Jiang Yu asked, "Can you also tell that she's targeting me?"

Xu Ye nodded. "That's right. Since you can't return to the lounge with a sprained ankle, you can just sit wherever you want. What does it have to do with her? I can look at whoever I want on stage. Why should she care?"

Jiang Yu shrugged and said, "I don't know what Li Lu is thinking either."

Sister Xia was a little worried that something might happen if Jiang Yu continued talking to Xu Ye. So she quickly found an excuse and left with Jiang Yu.

On the way back, Sister Xia said to Jiang Yu earnestly, "Jiang Yu, you must stay away from Xu Ye in the future."

Chapter 477: Movie King Xu

Jiang Yu nodded and said, "I know."

Sister Xia was afraid that Jiang Yu was just dealing with her, so she planned to introduce this "Movie King Xu" to Jiang Yu in detail.

"This Xu Ye is this year's new Movie King. He's handsome and has good acting skills. He has high popularity, and high popularity. It's not good for you to get too close to him," said Sister Xia.

Jiang Yu said, "I know. I've seen him online before. He seems to have acted with Li Lu before, which is why he knows her."

Sister Xia said, "This isn't something you should consider. You need to put your heart and soul into the dance competition now. Then, you can continue to participate in the best actress selection."

Jiang Yu smiled and said, "I know, Sister Xia. Don't worry."

Sis Xia sighed, "How can I not worry about you? Of course I know that you can make me worry less, but I can't control what happens in the outside world, so I can only keep an eye on you and not let you get hurt."

Jiang Yu said, "This Xu Ye... is really insane."

Sister Xia said, "Xu Ye is a good person, but he's too good. That's why he always causes trouble. You've guessed today whether Li Lu likes Xu Ye. I think your guess is most likely true."

Jiang Yu's curiosity was piqued as she asked, "Sister Xia, do you also think that Li Lu likes Xu Ye?"

Sister Xia glanced at her, she said, "Ah, you. Why do you like to study these things? Jiang Yu, if Li Lu really liked Xu Ye, then she would only dance even more happily in front of you. Can't you tell? Li Lu already feels that there's something between you and Xu Ye that can't be explained clearly today."

Jiang Yu shrugged and said, "Xu Ye and I only know each other to a certain extent. If Li Lu is going to misunderstand this, then I don't know how to explain it to her."

Sister Xia said, "You don't have to explain it to her. She's Li Yue's younger sister, so she will act recklessly."

Jiang Yu said, "That's right. Sometimes I also feel that it's hard for Li Yue to be happy with such a younger sister, right?"

Sister Xia said, "Whether she's happy or not is not important to us. You think about whether she's happy or not, but she won't think about you. Jiang Yu, it's good to be a good person, but it's also not good to be too good. You'll be bullied. Jiang Yu, when the time is right, think about yourself. Don't bully others, but don't let others bully you for nothing."

"Okay."

Jiang Yu was very touched. Along the way, Sister Xia had been taking care of her and comforting her.

She was really like a mother.

Back at the studio, Sister Xia poured Jiang Yu a cup of warm water and continued to choose a dance with her.

"This is the semi-finals. We mustn't slack off," said Sister Xia.

Jiang Yu nodded and said, "That's for sure. But what dance should we choose this time?"

Sister Xia thought for a moment and said, "Since you've already skipped 'Green Snake' and 'White Snake', let's choose something similar this time. How about 'Qiannu Spectral Soul'?"

Jiang Yu thought for a moment and said, "Let's do that then. But I think 'Journey To The West' isn't too bad, right?"

Sister Xia shook her head, 'Journey To The West' requires two people to dance. If we can find a suitable partner, then we can choose this one. But if we can't find one, then 'Qiannu Spectral Soul' is better."

Chapter 478: Deliberately

After the incident that day, Jiang Yu didn't take Xu Ye and Li Lu's matter to heart.

But someone seemed to be pestering her.

Jiang Yu was practicing her dance when a message popped up on her phone, adding her as a friend. The note said: "I'm Xu Ye. I want to ask you about the dance competition."

Jiang Yu looked at the message for a long time. She didn't click "Agree" or "Reject".

Jiang Yu gave Sister Xia a call and asked about it.

Sister Xia was silent for a while before she asked, "Are you sure it's Xu Ye?"

Jiang Yu replied, "It's him."

Sister Xia thought for a long time and didn't know why Xu Ye wanted to add Jiang Yu as a friend.

"You agreed first, right?" Sister Xia said, "After all, he's a new Movie King. It'll be easier for you in the future."

Jiang Yu actually didn't want to agree to it. However, he was in the same industry as her. On the one hand, he was a competitor in her dance competition. On the other hand, Jiang Yu had no choice but to agree.

"Alright." Jiang Yu sighed. "It looks like this industry is really quite difficult."

Jiang Yu hung up on sister Xia and agreed to Xu Ye's friend request.

Xu Ye quickly sent a message. "Is your foot okay?"

Jiang Yu pursed her lips and replied, "Yes, thank you for your concern."

Xu Ye sent a gratified expression and said, "It's alright. It's what I should do."

Jiang Yu really wanted to ask him why this was something that he should do? But no matter what, he was being kind, so Jiang Yu would not let him lose face. She said, "Thank you. I feel really bad for letting you fight with Li Lu because of me."

Xu Ye said generously, "I'm not that close to Li Lu anyway, so whatever. But if you really feel bad, then you can treat me to a meal?"

Jiang Yu really wanted to reply him with a bunch of question marks. She wanted to say that she was just being polite, but why did he take it seriously?

Jiang Yu was silent for a while and then said, "We're competitors, so it's not appropriate for me to treat you to a meal, right?"

Xu Ye immediately sent a voice message over. "Jiang Yu, aren't you being a little too cautious? We are just friends having a meal together. How can it not be good?"

When he said this, his tone was still filled with a smile, as if this was just a very ordinary small matter and Jiang Yu had no reason to reject it.

The purpose of him talking to Jiang Yu was a little deliberate. He gave a lame reason to ask Jiang Yu to treat him to a meal.

He was full of confidence and felt that his tone was very relaxed. Jiang Yu had no reason to reject him.

However, Jiang Yu rejected him directly. "We're still rivals for the time being, so it's not good for us to go out for a meal together. Moreover, I'm not that close with Movie King Xu, so there's no need for us to go out for a meal together."

Xu Ye did not expect to be rejected, but it did not affect him much.

He still spoke in a gentle tone, "What you said makes sense. However, I am still worried about your foot. Since it has recovered, there is no problem. I hope to see your outstanding performance on the stage next time."

Jiang Yu replied politely, "Thank you for your concern. I will work hard for the semi-finals, but don't let your guard down."

Xu Ye smiled and asked again, "Are you encouraging me?"

“...” Jiang Yu replied, “You can think so too.”

Xu Ye laughed out loud, hoping that Jiang Yu would continue to say something to him.

However, Jiang Yu had already logged out of the chat and did not intend to talk to Xu Ye anymore.

Chapter 479: Semi-finals

Xu Ye was a Movie King. Logically speaking, due to his status, he knew which people he should know, which people he shouldn't know, and which words he should say and which words he shouldn't say.

However, he deliberately came to talk to her, which made Jiang Yu feel that this wasn't something that a person with his status should do.

Xu Ye waited for a long time but still didn't receive any news from Jiang Yu. He also didn't ask Jiang Yu why she didn't reply to his message in exasperation. Instead, he smiled, shook his head, and turned off his phone.

This Jiang Yu... was a very interesting girl, wasn't she?

Xu Ye was a good and honest person, but he was also a Movie King.

Jiang Yu spent the rest of her time practicing “The beautiful ghost”. Even Mo Long was a little jealous.

“Do you really have to spend all your time practicing dance?” Mo Long asked unintentionally.

Jiang Yu was not a fool, so she could naturally understand the meaning behind Mo Long's words.

She smiled and said, “What's wrong? Are you jealous of my dance?”

Mo Long was not such a stingy person. He only said, “I've always wanted to go to the dance competition that you're participating in. But I've been too busy with work recently, so I want to see you. I can only see you on the computer.”

Jiang Yu also knew that she had been busy with the dance competition recently, so she spent less and less time with Mo Long.

“I've been too busy. Sister Xia helped me pick up the dance competition recently,” Jiang Yu explained. “Because I'm competing for the Movie Queen, Sister Xia told me to take this opportunity to show my face in front of the public.”

Mo Long sighed and said, “Whether you're the Movie Queen or not, I'll always love you.”

Jiang Yu was very touched. The heartstrings in her heart were touched and tears almost fell down.

She said, “This is not the identity that I have my eyes on. I just want to get this identity so that I can be more compatible with you.”

Mo Long did not speak and hugged Jiang Yu tightly.

The day of the semi-finals soon arrived. The ten people who had successfully advanced met at the venue the day before the competition.

When Xu Ye saw Jiang Yu, he walked over and asked gently, "Jiang Yu, your foot should have completely recovered, right?"

Jiang Yu quietly took a step back and said, "Yes, thank you for your concern."

Li Lu saw Xu Ye and Jiang Yu walking together from afar, so she quickly walked over and asked unintentionally, "What's wrong? Your foot has recovered? Can you still participate in the competition?"

Before Jiang Yu could say anything, Xu Ye stood up and said, "Li Lu, if you want to talk, then talk properly. Don't always be so sarcastic."

Li Lu sneered and said, "What? You don't want to hear me say these things? But I'm talking about Jiang Yu. What does it have to do with you?"

Seeing that the two of them were about to quarrel, Jiang Yu couldn't pretend that nothing had happened no matter how much she wanted to.

She sighed and said, "The two of you really like each other. But if the two of you want to quarrel, why don't you go to the side and quarrel? I don't want to hear the two of you quarrelling."

Hearing the words "Like each other", Li Lu blushed, which was rare. She no longer spoke in an aggressive manner. Instead, she sounded a little shy like a little girl. "Who, who is liking each other with him?"

However, she denied it, but the expression on her face betrayed her.

Jiang Yu shook her head helplessly and said, "I don't care what the relationship between the two of you is. In any case, don't stay in front of me. The competition is tomorrow. The two of you have the time, so you should go and practice your dance."

Chapter 480: Hard To Fathom

Jiang Yu had clearly given the "Eviction order", but Xu Ye had no intention of leaving. Instead, he looked at her with a smile and asked, "You're kicking me out just like that?"

Jiang Yu had two heads now, and she was wondering what kind of excuse she could use to send the two Buddha away.

Fortunately, Li Lu could not accept Xu Ye speaking to Jiang Yu in such a gentle tone. She pulled Xu Ye and asked, "Xu Ye, when did you and Jiang Yu become so familiar?"

Xu Ye uncomfortably shook off Li Lu's hand and said, "Jiang Yu and I are just friends. Don't think too much about it."

Li Lu was still unwilling to let it go. She asked, "I was just casually asking. Why are you in such a hurry to explain?"

Xu Ye was annoyed by her question and didn't want to answer. He only said, "You don't have to interfere in my Jiang Yu's affairs, right?"

Jiang Yu seized this opportunity and quickly ran off with Sister Xia.

"This Xu Ye doesn't seem like a good person," Jiang Yu said to Sister Xia.

Sister Xia did not mind and asked, "Why are you suddenly talking about this?"

Jiang Yu said, "I just suddenly remembered."

Sister Xia said, "Xu Ye hasn't been in the industry for long and will soon be promoted to Movie King. This shows that his strength is extraordinary. However, he is indeed a good person. Everyone in the industry thinks so."

"Is that so..." Jiang Yu did not comment. She only said, "It looks fake."

Sister Xia smiled and said, "Who cares if it's fake or not. As long as it doesn't affect your future path."

Jiang Yu said meaningfully, "It would be great if it really doesn't have an effect."

Her words were meaningful, but Sister Xia didn't care. She continued to excitedly help Jiang Yu prepare for the competition.

Just how good was Xu Ye? How good was he?

No one could figure out this Xu Ye.

Probably only a simple and silly girl like Li Lu would like him without thinking about anything?

"But I'm still very curious. Why are you suddenly asking about Xu Ye?"

Sister Xia asked again.

Jiang Yu said, "It's nothing. I just feel that I can't figure this person out, so I thought of asking you."

Sister Xia said with a smile, "What's the big deal? If you really wanted to be friends with him, it would be easier for you in the future. However, it's not suitable for you to get too close to him. After all, his status is right here. He's very popular and has a lot of fans. If you get too close to him, I'm afraid that his fans will do something bad to you."

Jiang Yu smiled and said, "That shouldn't be the case. One Li Lu is equivalent to one of his fan clubs."

Speaking of this, Sister Xia still asked, "Do you think... Li Lu really likes Xu Ye?"

Jiang Yu didn't dare to say that she was 100% sure, but it wasn't too far from the truth.

She said, "I'm not 100% sure, but there's a 90% chance that Li Lu really likes Xu Ye."

Sister Xia thought about it, she said, "But this 90% chance of yours isn't small. If Li Lu really likes Xu Ye, then if you get too close to Xu Ye, Li Lu will probably keep finding trouble with you, right? It's better not to get too close to Xu Ye."

Sister Xia was really worried about Jiang Yu, and Jiang Yu really wanted to get away from Xu Ye.

However, Xu Ye really wanted to get close to Jiang Yu. After breaking free from Li Lu's restraints, he once again found Jiang Yu.

Jiang Yu : "... What's the matter?"

Xu Ye beamed. "Nothing. I just wanted to see you."

Jiang Yu: "... Movie King Xu is really busy."
