

Older Man 511

Chapter 511: Bring Funds Into The Team

Li Lu's matter had come to an end, but her being banned had indeed implicated Li Yue.

"This stupid sister." Li Yue sighed and said, "Even if she did all these things without thinking, she is still my sister after all."

Sister He couldn't bear it. Although Li Lu's actions were a little overboard, she really wanted to do good for Li Yue.

She consoled Li Yue, "You should relax first. Don't let these matters delay you. There's still a month before the best actress selection. You must be extra careful during this period of time. Don't let anything go wrong."

Li Yue replied, "I know. But I have absolute confidence that the best actress this time will still be mine."

Sister he replied, "I know. But you have to be on guard against Jiang Yu."

"Jiang Yu..." Li Yue narrowed her eyes and said, "She is indeed not someone to be trifled with."

Sister He said, "Don't be idle these few days. I've accepted a new movie for you. It's a modern drama. Take a look at the script."

Li Yue took the script and flipped through a few pages. She asked, "Has there been any news from Jiang Yu recently?"

Sister He poured a glass of water and handed it to Li Yue. She said, "Nothing much, but it seems like she has accepted a new movie. It's a movie. It's said that she's going to work with Xu Ye."

"Xu Ye? Isn't he the new movie king?" Li Yue asked. "Didn't Lulu like this person before?"

"I think so," Sister He said.

Jiang Yu was initially happy when she received the script, but when she saw the word 'Xu Ye', her heart skipped a beat.

"He's the male lead?" Jiang Yu asked.

Sister Xia sighed and said, "Yes, he's the male lead. I know you don't want to see him, but there's nothing you can do about it. Moreover, there's a troublesome fellow in this production team."

"Who is it?"

"The actress who plays the second female lead is called Tang Xue. I heard that she brought a sponsor into the production team." Sister Xia said, "Her temper is even worse than Li Lu's. 'newnOvel .Org' You'd better not provoke her easily."

"It can't be someone who likes Xu Ye again, right?" Jiang Yu rubbed her forehead with a headache.

"That's true." Sister Xia smiled and said, "This matter of Tang Xue liking Xu Ye, she posted it on the Internet with great fanfare. Everyone knows about it."

"Why is this Xu Ye fooling around?" Jiang Yu was speechless.

Sister Xia said helplessly, "I can't help it. Xu Ye is good-looking and has the status of movie king. Naturally, he will attract the attention of many people. Li Lu and Tang Xue are one of them."

"This young lady is really inexperienced," Jiang Yu said.

"Read the script for the next few days. You will join the production team in a few days," Sister Xia said.

"Okay." Jiang Yu obediently flipped through the script.

This movie was called "Who is the murderer?" It was a mystery and mystery movie.

The male lead Xu Ye played was called Chen Sheng, a police officer.

The female lead Jiang Yu played was called He Xun, a novelist.

The plot of this movie was that the female lead He Xun wrote a mystery novel. When she finally decided who was the murderer, she suddenly had an accident and transmigrated into this novel, becoming a novelist in the novel as well.

Here, she met her male lead, Chen Sheng, and fell in love with him.

"This story is quite interesting," Jiang Yu said.

"Then let's read more." Sister Xia smiled and said, "We have enough time, and this won't stop you from participating in the movie king selection."

"Okay." Jiang Yu smiled.

Chapter 512: Tang Xue

Coincidentally, the first person Jiang Yu met on the day she joined the production team was Xu Ye.

As soon as he saw Jiang Yu, Xu Ye immediately walked over and shouted, "Jiang Yu!"

"Good morning, movie king Xu," Jiang Yu said politely.

"You're treating me like an outsider again. You even called my name last time," Xu Ye said.

"I..." Before Jiang Yu could finish speaking, she heard someone shout, "Xu Ye!"

Jiang Yu turned around and saw a young, lively and cute girl.

"Xu Ye! Why are you here?!" The little girl ran over excitedly and said, "I've been looking for you for a long time since I came here! I didn't expect you to be here."

"Tang Xue? Why are you here?" Xu Ye's head started to swell when he saw Tang Xue.

"What's wrong? Can't I stay here?" Tang Xue was unhappy and said, "I'm the second female lead in this movie. Why can't I be here?"

"You're the second female lead?" Xu Ye exclaimed in shock.

"That's right. My father invested in this movie. Of course I'm in this production team." Tang Xue smiled until her eyes narrowed.

"Then you're not the female lead?" Xu Ye asked as he looked at Jiang Yu.

Jiang Yu glanced at Tang Xue and said, "This isn't something I can decide. When I received the script, Sister Xia told me that I was the female lead."

Tang Xue didn't notice Jiang Yu. She only had Xu Ye in her heart, she said, "It's nothing. My father asked me before. I was the one who said that I wanted to be the second female lead. After all, I've just entered the industry. How can I get a female lead? If I don't act well, won't I be embarrassing my father?"

It seemed like this little girl wasn't like what Sister Xia had said. She was not a hot-tempered person but was very sensible.

"Alright..." Xu Ye didn't want to talk to Tang Xue anymore and looked at Jiang Yu for help.

Jiang Yu immediately said, "Don't look at me. She's here to look for you, not me."

Only then did Tang Xue notice Jiang Yu behind her.

She looked at Jiang Yu and asked, "Who are you?"

Jiang Yu smiled and said, "My name is Jiang Yu."

"Jiang Yu?" Tang Xue Thought for a while and said, "I remember now. You're brother Mo Long's girlfriend, Jiang Yu, right?"

"Brother Mo Long?" Jiang Yu was stunned and asked, "What's your relationship with Mo Long?"

"He's my cousin," Tang Xue said, "The Tang family is a small branch of the Mo family. Brother Mo Long's aunt is my mother."

"I see." Jiang Yu was speechless.

"Then I should call you sister-in-law, right?" Tang Xue smiled and said, "Hello, sister-in-law!"

Jiang Yu was also amused by her and said, "Hello, Xiao Xue."

Xu Ye was a little unhappy and said, "The two of you are talking happily. Are you just going to throw me aside?"

Tang Xue quickly turned her head and continued to hold Xu Ye's arm. She said, "How can that be? My mind is still on you."

Tang Xue smiled happily. She looked like an innocent little girl. Moreover, she was Mo Long's cousin. Jiang Yu couldn't help but have a good impression of Tang Xue in her heart.

"Sister-in-law," Tang Xue called out to her and said, "I still need you to take care of me in this production team."

Jiang Yu smiled and said, "Okay, no problem."

Tang Xue smiled again, shook Xu Ye's arm, and happily went to look for Jiang Yu.

Chapter 513: Angry

"Who is the murderer?" The first scene was where the male lead and the female lead were opposite each other.

"This is my first time working with you," Xu Ye said to Jiang Yu with a smile.

"This is my first time working with you, too," Jiang Yu said expressionlessly. "I hope that movie king Xu can give me some pointers."

"Look at you. When you said that, you didn't have any expression on your face. How am I supposed to believe your words?" Xu Ye said.

However, when he said that, his face was still smiling, and there was no sign of anger at all.

However, he was indeed not angry.

Tang Xue was a little far away, and Xu Ye and Jiang Yu were speaking in low voices. She really couldn't hear them clearly.

Hence, she went to find Sister Xia and asked, "Are you Xiao... ahem, are you Jiang Yu's manager?"

Sister Xia was packing up Jiang Yu's things. When she heard Tang Xue's words, she turned around and said, "Yes, I'm Jiang Yu's manager. Just call me sister Xia."

"Sister Xia, what is the relationship between Xu Ye and Jiang Yu?" Tang Xue asked.

Sister Xia knew that Tang Xue liked Xu Ye, so she weighed it and said, "It's nothing. They're not even friends."

"Is that so..." Tang Xue seemed to be very satisfied with this answer and said, "I thought Xu Ye and Jiang Yu were very familiar with each other."

"Of course not," Sister Xia said. "We participated in a dance competition together before, so we got to know each other briefly."

"Okay, okay, I got it," Tang Xue said with a smile.

After saying that, she left.

Sister Xia was worried for Jiang Yu.

Tang Xue happily went to watch Xu Ye's acting again, but she was too late. Xu Ye and Jiang Yu's first act had already finished.

"Aiya! I didn't see it!" Tang Xue slapped the table beside her in annoyance and said, "If I had known earlier, I wouldn't have gone to look for Jiang Yu's manager!"

Tang Xue's manager, Yan Wei, walked over and said, "You really care about Xu Ye's matter."

Tang Xue said, "I don't. I was just curious when I saw Xu Ye and Jiang Yu getting so close."

Yan Wei said, "You're calling her Jiang Yu Now? Didn't you call her sister-in-law before?"

Tang Xue said, "How can I call her that at this time? If others hear it, they'll use it to make a fuss."

Yan Wei smiled and said, "Oh, you. After so long, your IQ has finally improved a little."

"Hey! Why are you talking about me like that!" Tang Xue protested unhappily.

As they were talking, Jiang Yu walked over and handed Tang Xue a glass of water. She asked, "The scene in a while is yours. Are you nervous?"

Tang Xue happily took the water and said, "I'm not nervous! I'm a thick-skinned person. I'm not afraid of anything."

Jiang Yu also looked at Tang Xue happily and said, "That's good. I was worried that if you were afraid, we wouldn't be able to film."

"How is that possible!" Tang Xue drank a mouthful of water and said, "Sister-in-law, how are you and brother Mo Long doing recently?"

"You... Why are you asking this?" Jiang Yu blushed and whispered, "He and I... are doing quite well recently."

"Really?" Tang Xue looked at Jiang Yu with a smile and said, "I also think the two of you are quite good. Unfortunately, Xu Ye and I..."

At the mention of Xu Ye, Tang Xue's eyes dimmed again and she said, "He doesn't seem to like me at all."

"It's okay." Jiang Yu comforted her and said, "Don't think too much. I believe that Xu Ye will see your true heart one day."

"Is it true?" Tang Xue smiled bitterly.

Chapter 514: Fight The Landlord

Tang Xue's scenes were simple, and she passed them in one take.

"Today's scenes are over!" Tang Xue looked for Jiang Yu and said, "Sister-in-law, do you want to come and play with me tonight?"

Jiang Yu smiled at her and asked, "Play what?"

Tang Xue took out a box of poker cards out of nowhere and said mysteriously, "Fight the landlord! Let's bring Xu Ye along!"

Sure enough, as long as Tang Xue participated in the game, Xu Ye must be brought along.

However, Xu Ye seemed to be very impatient with Tang Xue, so he probably wouldn't agree to Tang Xue's request.

Therefore, she agreed to Tang Xue's suggestion and said, "Okay. It just so happens that I don't have anything to do recently. Let's play fight the landlord together as a way to relieve my boredom."

"That's great!" Tang Xue quickly put away the poker cards and said, "I'll go and call Xu Ye right now!"

Jiang Yu didn't think that she would make Xu Ye stay with Tang Xue, but she had really underestimated Xu Ye.

In order to be able to speak more with Jiang Yu, Xu Ye held back Tang Xue and said, "Alright, I can play with you guys."

Tang Yi, who was at the side, was so shocked that his eyes almost fell out. He said, "You really want to go?!"

Xu Ye didn't say anything, but Tang Xue was the first to get anxious. She said, "What's wrong with going with me? It's not like I'm going to play with you!"

Tang Yi knew that Tang Xue was someone he couldn't afford to offend. It wasn't because of the family behind her, but because of her fearless character.

"It's fine, it's fine." Tang Yi hurriedly smiled apologetically and said, "Go and play."

Xu Ye glanced at him and asked, "Are you coming too?"

Tang Yi hurriedly waved his hand and said, "No, no, I don't dare."

Tang Xue became anxious again and said, "Are you Xu Ye's manager or not? Why don't you listen to him? If he asks you to go, then go."

Tang Yi: "..."

Just now, you said that you wouldn't play with me, but now you're asking me why I don't play with you. Great aunt, you're really hard to please.

Seeing Tang Yi like this, Xu Ye was overjoyed, but he said very seriously, "Just go. If you don't want to play with me, just sit by the side and watch. It'll be more lively with more people."

Tang Yi compromised helplessly and said, "Okay, I'll go, okay?"

Tang Xue then softened her tone and said, "Okay. Then I'll go and prepare. Remember to look for me after dinner."

After Tang Xue Left, Tang Yi pushed Xu Ye's arm and asked, "Are you really going?"

Xu Ye smiled and asked, "Why not? This is a good opportunity to strike up a conversation with Jiang Yu."

Jiang Yu again? Tang Yi was puzzled and asked, "What kind of God is this Jiang Yu? To be able to make you miss her so much?"

Xu Ye said, "Didn't I say it before? The Kang family."

Hearing the word "Kang family" again, Tang Yi asked, "What does this Kang family mean? Are you saying that Jiang Yu has something to do with the Kang Family?"

Xu Ye said mysteriously, "Take a guess."

Tang Yi: "...Forget it, I can't be bothered to guess."

"Then let's go together. It's a good opportunity for you to take a look at Jiang Yu."

"Alright, it's a good opportunity for me to see where this god Jiang Yu came from to attract you so much."

After dinner, Xu Ye and Tang Yi knocked on Tang Xue's door.

Tang Xue opened the door and saw Xu Ye. Her eyes immediately narrowed into slits as she said, "You're the only ones left! Hurry up and come in. My sister-in-law and Xia are already here."

Hearing that Jiang Yu had already arrived, Xu Ye smiled and said, "We're here aren't we?"

Chapter 515: Lose

When Jiang Yu saw Xu Ye, she also sighed in her heart.

She originally thought that Xu Ye would not agree to Tang Xue's request, but when Tang Xue came to look for her, she knew that she had underestimated Xu Ye.

"Jiang Yu, you're already here." Xu Ye smiled as he walked to Jiang Yu's side and said, "Have you eaten dinner?"

Jiang Yu did not look at him. She secretly leaned towards Tang Xue's side and said, "I've eaten."

"That's good," said Xu Ye as he sat next to Jiang Yu.

Tang Xue quickly came back after closing the door and said, "Alright, let's begin!"

Yan Wei shuffled the cards and put the cards in order before saying, "Draw the cards."

Tang Xue said, "Rock, paper, scissors. Whoever wins will draw the cards first."

Jiang Yu nodded and said, "Alright."

After three rounds of rock, paper, scissors, Xu Ye won.

He smiled and said, "Don't say that I'm bullying a little girl. I won with my strength."

Jiang Yu didn't say anything — she really didn't want to talk to Xu Ye anymore.

Tang Xue glanced at Jiang Yu and saw that she had no intention of speaking, so she opened her mouth and said, "No one blames you. Quickly draw the cards."

Xu Ye did not hear Jiang Yu's words and drew his cards in a somewhat disinterested manner

After drawing his cards, Tang Xue asked, "Who wants to be the landlord?"

Jiang Yu knew that she wanted to be in the same group as Xu Ye, so he said, "I'll be the landlord."

Tang Xue looked gratefully at Jiang Yu and said, "Sister-in-law, you're such a good person!"

Xu Ye was puzzled and said, "Isn't it just being the landlord? If being the landlord is a good person, then I can also be the landlord."

As he said that, he glanced at Jiang Yu.

Tang Xue didn't take his little actions to heart and said, "You don't understand. This is a tacit understanding between us girls."

Jiang Yu took the three cards into his hand and said with a smile, "You have to be careful this time. This is a good card."

"I don't believe it!" Tang Xue shouted and said, "No matter how good the cards are, they can't beat the two of us!"

Xu Ye looked at his cards and said, "Indeed, there aren't any good cards."

Tang Xue said unwillingly, "How is that possible! Even if there aren't any good cards, we can still win!"

"Don't talk big." Jiang Yu smiled and directly played three cards and said, "Three threes."

Tang Xue decisively attacked and threw out three cards and said, "Three sixes."

Xu Ye took a look at his cards and said, "I can't beat it."

"Then it's still me." Jiang Yu took a look at his cards and said, "Three kings."

Tang Xue's expression was a little ugly this time. She said, "I'm sorry."

Xu Ye also sighed. He shook his head and said, "I'm sorry."

"I told you to be careful." Jiang Yu said, "Triple and a double."

Tang Xue did not have any cards in her hand, so she looked at Xu Ye for help.

Xu Ye did not look at Tang Xue. Instead, he happily played his cards and said, "I have this card. Triple and a double!"

Tang Xue's eyes lit up and she shouted, "That's great!"

"Don't think you can beat me just like that. I only have nine cards in my hand," said Jiang Yu. She threw out four cards and said, "Bomb."

Tang Xue and Xu Ye were dumbfounded. Wasn't Jiang Yu's luck a little too good?

They didn't expect that apart from this bomb, the last five cards in Jiang Yu's hand was another triple and a double.

This time, Tang Xue and Xu Ye were completely dumbfounded.

"You... How are you so lucky?" Tang Xue couldn't believe it and said, "This is only the first round! You're so lucky!"

Jiang Yu smiled and said, "Well, you both lost. There must be a punishment, right?"

Chapter 516: Find Something Amiss

The punishment for losing was just to stick a few notes on the face.

For the entire night, Tang Xue stubbornly wanted to be on the same team as Xu Ye. She had also lost miserably, with notes stuck all over her face.

Xu Ye was originally unwilling to talk to Tang Xue, but after losing so many rounds, he was also a little angry. he shouted, "Tang Xue! Do you know how to play or not?"

When Tang Xue heard Xu Ye call her name, she was a little excited. However, when she heard the next sentence, she suddenly felt wronged.

She lowered her head and said in a very wronged tone, "I... I know how to play, but I don't know why my luck is so bad today. You, don't be angry..."

She was already so humble, but Xu Ye's tone was still very heavy. "Don't talk about bad luck! If you really know how to play..."

"Don't be fierce to Xiao Xue." Jiang Yu frowned and said in an unhappy tone, "What ability do you have to be angry with a little girl?"

Hearing Jiang Yu talking to him, Xu Ye's mood was a little better. He said, "Good Jiang Yu, you finally spoke to me for the whole night."

Jiang Yu shut her mouth again, not wanting to say another word.

Tang Xue, however, noticed something amiss and asked, "What did you call my sister-in-law just now?"

Xu Ye said, "I just called her Jiang Yu."

Tang Xue did not believe him and said, "Jiang Yu is called Jiang Yu, but why did you call her 'Good Jiang Yu'? And why do I feel like you've been waiting for my sister-in-law to talk to you all night?"

Xu Ye looked at her and asked, "Otherwise, why do you think I came?"

"You... What do you mean?" Tang Xue looked at Xu Ye in disbelief and said, "You wouldn't, wouldn't like Jiang Yu... would you?! Xu Ye! What are you thinking about?!"

Jiang Yu had a premonition that the atmosphere would be very awkward, so she got up and was about to leave, but was stopped by Tang Xue. "Don't go!"

Jiang Yu could only stand there and sigh in her heart.

Seeing Tang Xue like this, Xu Ye frowned and said, "Why are you talking to your sister-in-law?"

"Sister-in-law? How is she still my sister-in-law?" Tang Xue looked at Jiang Yu with endless disgust in her eyes, she said, "She already has a boyfriend, but she's still seducing you outside! Pui, such a person is not worthy of being my sister-in-law!"

Jiang Yu wanted to explain, but looking at Tang Xue's current state, she knew that no matter how she explained, it would be useless because Tang Xue would not listen to her.

Moreover, it would be wrong to say too much. It was better not to explain.

On the other hand, Xu Ye seemed to be unable to hear Tang Xue speak ill of Jiang Yu in such a manner, he said, "A few days ago, you called her sister-in-law, but today, you have such an attitude? If word got out, even Mo Long would feel ashamed of you. He would have such a sister like you."

Hearing his words, Tang Xue could no longer hold back her anger, she said loudly, "Do you think she still has the face to stand by brother Mo Long's side? Don't say that brother Mo Long feels ashamed because he has a sister like me. I even feel ashamed that he has such a girlfriend!"

Xu Ye could no longer hold it in. He stood up and said, "Jiang Yu, let's go. Don't lower yourself to her level."

Jiang Yu stood where she was. She did not know whether to leave or not.

If she had known earlier, she would not have agreed to Tang Xue's request to play fight the landlord at night.

Otherwise, there would not have been so many things happening.

Jiang Yu stood still. She wanted to wait for Tang Xue to calm down before explaining her relationship with Xu Ye. However, Tang Xue did not want to listen to Jiang Yu at all. She did not even want to look at her.

"Get Out! Both of you, get out!"

Chapter 517: Hatred

Since the owner of the room had already urged her out, Jiang Yu couldn't stay any longer and went out with Sister Xia.

Seeing this, Xu Ye also went out with Tang Yi.

After he went out, he hurriedly caught up with Jiang Yu and said, "Jiang Yu, don't be sad about what happened just now. I didn't mean to say that to Tang Xue."

Jiang Yu stopped and turned to look at him. "Movie King Xu, what does your matter have to do with me?"

"Hey... Jiang Yu, are you angry?" Xu Ye asked uneasily.

Jiang Yu said expressionlessly, "Why would I be angry? I'm not close to Movie King Xu. Why would I be angry for no reason? But in order to prevent such things from happening in the future, Movie King Xu, please stay away from me in the future."

This was already very clear on the meaning. If Xu Ye still did not understand, then it would really be a little unreasonable.

However, Jiang Yu still underestimated Xu Ye's thick skin.

She only heard Xu ye say, "But, Jiang Yu, now you and I are the male and female leads in this movie. We see each other every day... so you see, don't be angry. Forgive me?"

Jiang Yu sighed, she said, "Movie King Xu, the friendship between you and me will end after this movie ends. I don't know why you approached me back then, or if you just wanted to be friends with me, but this relationship ends here. I'm not close to you, so we can't be considered friends, right?"

Xu Ye asked unwillingly, "Just because of Tang Xue? You want to cut ties with me? We can't even be friends?"

"... Movie King Xu, I don't want to get involved in any more things because of you," Jiang Yu said as she returned to her room with Sister Xia.

When Jiang Yu returned to her room, Tang Yi grabbed Xu Ye's sleeve and asked, "This is that Jiang Yu?"

Xu Ye nodded and said, "It's her."

Tang Yi said, "I don't think there's anything special about her. Why are you so concerned about her?"

Xu Ye said, "I'm not concerned about Jiang Yu. I'm concerned about her identity. No matter what, Jiang Yu, this high branch, can not fall into the hands of Mo Long."

Tang Yi listened ambiguously, but he did not ask much. He only said, "Then make your own plans. I can't stop you anyway."

Xu Ye looked at him and asked with a smile, "When have you ever stopped me?"

Tang Yi helplessly spread his hands and said, "...Forget it, forget it. You're the movie king and you're the boss. Everything you say is right."

"Then go back and rest."

The next day, when Jiang Yu saw Tang Xue during filming, he was just about to greet her when he saw her turn her head away in disgust.

Hence, the "Good morning, Xiao Xue" was swallowed back into Jiang Yu's stomach.

When Sister Xia saw it, she walked over and whispered, "I told you not to get too close to Xu Ye and not to provoke Tang Xue."

Jiang Yu sighed and whispered, "I didn't want to either. I had a good relationship with Xiao Xue before. It was all because of what Xu Ye said, which made Xiao Xue think too much."

Sister Xia also sighed and said, "I knew long ago that this Xu Ye was not someone easy to deal with."

Jiang Yu said helplessly, "I hope that after Xu Ye heard yesterday's words, he won't come and pester me anymore."

Sister Xia said, "I don't think so. This Xu Ye, to think that he's even a movie king. But if you ask me, he's more like a young boy who pursues a girl he likes during puberty."

Jiang Yu shook her head and said, "I don't want to see him again in the future."

Chapter 518: Disgust

Today's scene was between Jiang Yu and Tang Xue. However, when Tang Xue saw Jiang Yu, it was as if she had seen something disgusting. She wanted to hide as far away as possible. How could she still want to shoot the opposite scene with her?

“Director, can I ask if the female lead of this movie can be changed?” Tang Xue found the director and asked.

The director didn’t know why Tang Xue would make such a request for no reason. He was suddenly put in a difficult position and said, “This... may not be possible. This is already a done deal. How can we change it just like that?”

Tang Xue pursed her lips, “What? You can’t change a done deal? There haven’t been many scenes about Jiang Yu in the past few days, right? So what if we change it? We just need to spend a little more time to reshoot those few scenes.”

The director scratched his head and said, “But for no reason, I can’t tell Jiang Yu to stop acting, can I?”

“Alright, you want a reason, right?” Said Tang Xue. “Then I’ll give you a reason. I don’t like Jiang Yu, and I hate her. Do you understand?”

“Huh?” The director didn’t understand and asked, “Weren’t you close to Jiang Yu before?”

Tang Xue sneered and said, “Is she worthy? I didn’t discover her true colors at that time. I was deceived by her!”

“Huh?” When the gossips in the director’s team heard Tang Xue’s words, they immediately poked their heads out and asked, “Who is Jiang Yu?”

Tang Xue glanced at the staff member and felt that it was not a big deal. Moreover, it was a good opportunity for them to see Jiang Yu’s true colors, so she told them everything that happened last night.

When the staff member heard that, he was shocked and said, “Really? Jiang Yu is really that kind of person?!”

He was not familiar with Jiang Yu, so he naturally did not say much. After hearing what Tang Xue said today, he also believed that Jiang Yu was indeed that kind of person.

Tang Xue said, “Of course it’s true. Do you think I would lie to people? There’s no benefit for me to lie to you, or do you think it’s good for me to slander her in front of you?”

“But...” The director was still in a difficult position. He said, “Regardless of whether Jiang Yu is that kind of person or not, this movie has already started. It’s not good to change people at the last minute, right?”

Tang Xue’s eyes widened in anger. She said, “What do you mean by this?! Why? Do you dare not listen to my words?!”

The director knew that the investor of this movie was Tang Xue’s father, so the person in front of him was naturally someone that he could not afford to offend. However, Jiang Yu’s identity was also there. She was Mo Long’s girlfriend! Moreover, her ability was also there. She was also a hot new star.

Therefore, no one was willing to give up on Jiang Yu, so he naturally wasn’t willing to change Jiang Yu at this time.

Since that was the case, he could only bargain with Tang Xue. The director said, "Tang Xue, can you put aside your personal grudge with Jiang Yu for now? After this movie is over, I promise that I won't let the two of you work together anymore. How about it?"

Tang Xue slammed the table, "Director, you don't want to shoot this movie anymore, do you?! You dare to not listen to my words, do you? Alright, since you don't want to shoot it anymore, I'll ask my dad to withdraw his investment! No one will shoot it anymore!"

"No, no, no!" The director was really afraid this time.

Tang Xue's personality was not as easy to talk to as Jiang Yu's. Once she was angry, she might really withdraw her investment if she said she wanted to withdraw.

In that case, there was really no way to film.

The director thought about it and decided to discuss it with Jiang Yu. After all, there was such a "God" in the production team that no one could afford to offend.

Chapter 519: Negotiate Nicely

The director found Jiang Yu and smiled apologetically. He asked, "Jiang Yu, what's the matter today?"

Jiang Yu looked at him and asked curiously, "Director, what are you talking about? Aren't we shooting today?"

The director chuckled and said carefully, "You see... Why don't you go back first? There's no need to shoot today's scene. You should take a break first."

Jiang Yu stopped flipping through the script and asked in surprise, "Why?"

The director didn't know how to say it either. He could only let Jiang Yu rest for the next few days and not appear in front of Tang Xue for the time being. Perhaps when Tang Xue's anger subsided, she might be able to shoot together with Jiang Yu?

Therefore, the director didn't explain the specific reason. He only said, "Nothing much. I just saw that you've been a little too tired recently, so I want you to take a break..."

Before he could finish his sentence, Jiang Yu cut him off and continued flipping through the script. "Director, did Tang Xue say something to you?"

The director felt guilty and cold sweat instantly broke out. He stammered, "What, what? What can Tang Xue say to me? Jiang Yu, you, you're overthinking it."

Jiang Yu did not even look at him and said, "I saw Tang Xue looking for you just now."

The director: "... Jiang Yu, since you saw it, then I won't beat around the bush with you. I don't know what grudges you have with Tang Xue, but she came to me and asked me to replace you. I could only come over to discuss it with you. After all, her father is the investor of this movie. If I don't agree, she will ask her father to withdraw his investment."

Jiang Yu slammed the script shut and said, "Is it because of this?"

The director wiped his cold sweat and said, "It's because of this."

Jiang Yu sneered and said, "Director, then I'll have to trouble you to go back and tell Tang Xue that I won't leave."

It seemed that this Tang Xue really hated her to this extent because of the small matter last night.

The director was caught between a rock and a hard place and said, "But... her family is the biggest investor after all. I can't afford to offend her. She can be considered to have a background and power in this circle. She's really not someone to be trifled with."

Jiang Yu closed her eyes and sighed softly. She said, "Director, if you can't open your mouth, I'll speak to her myself."

The director was naturally happy and said, "Then you can speak to her yourself."

After saying that, the director hurriedly left. He predicted that if Jiang Yu saw Tang Xue, the two of them wouldn't be able to have a proper conversation. Not to mention quarreling loudly, they might even get into a fight.

Sister Xia also heard it clearly from the side. She said, "Are you really going to look for Tang Xue?"

Jiang Yu said, "Of course. I can't just suffer for nothing."

Sister Xia sighed, she said, "I've told you before that this Tang Xue isn't someone easy to deal with. In the end, you even got along well with her. I didn't want to say anything at first, but now you see? I told you not to listen to me."

Jiang Yu smiled coquettishly and said, "Sister Xia, I know I'm wrong. I'll definitely listen to you in the future. How about it?"

Sister Xia tapped her forehead and said, "You're such a chatterbox."

Jiang Yu smiled and got up to look for Tang Xue.

Tang Xue was originally flipping through the script when she heard Yan Wei say that Jiang Yu was here. She immediately threw the script aside and asked, "Why is she here?"

Jiang Yu walked over and said, "She's here to look for you."

Tang Xue rolled her eyes and said, "Nonsense. Of course I know that you're here to look for me. I'm asking why you're here to look for me."

Chapter 520: Take Action

Jiang Yu smiled, she said, "You don't have to hate me so much just because of Xu Ye's matter. There's nothing going on between me and Xu Ye to begin with. I'm not familiar with him at all. Since you have the time to fight with me, why don't you look for those who really like Xu Ye?"

"Are you talking about Li Lu?" Tang Xue sneered, she said, "Is she worthy? She thinks she's great just because she has a Movie Queen sister. She's arrogant and despotic when she does things. Now, she's been banned, right? Serves her right."

Jiang Yu was speechless. It seemed that this Tang Xue had really investigated quite a number of people behind their backs.

Seeing that Jiang Yu was silent, Tang Xue sneered and said, "Why aren't you speaking? You're also afraid of ending up like Li Lu, aren't you?"

Jiang Yu smiled, he said, "You don't have to worry about what will happen to me in the end. I came to find you just to tell you that Xu Ye and I really have nothing to do with each other. What if you believe me? We can still happily film together for the rest of the time. But what if you don't believe me? Then I can't do anything about it."

"So what if you say you don't believe me?" Tang Xue sneered and said disdainfully, "Do you think I'll believe you just because you say that the two of you have no relationship?"

Jiang Yu shrugged and said helplessly, "If you don't believe me, then don't believe me. Li Lu didn't want to believe me before."

"What do you mean?" Tang Xue asked, "Do you want to say that if I don't believe you, I'll end up like Li Lu?"

"I didn't say that, but I also hope that you won't do something that can't be undone like Li Lu."

"Don't say so many useless words to me," Tang Xue said impatiently. "I'll tell you one thing. In this movie, there's no me, no you!"

Jiang Yu wanted to say something, but someone said, "What are you two arguing about?"

Jiang Yu and Tang Xue looked over and realized that Xu Ye had walked over without them knowing.

"What are you doing here?" Although Tang Xue was very angry, she was unwilling to lose her temper at Xu Ye, so she said, "Hurry up and go back. Don't get involved in this matter between two women."

Xu Ye shrugged and said, "Do you think I want to come? It's already time to start filming, and neither of you are here. The director told me that Jiang Yu came to look for you. I had no choice, so I came here."

"... So you're not here to look for me? Are you here to look for Jiang Yu?" Tang Xue paused and asked.

Xu Ye said, "What else? In a while, it'll be a scene between me and Jiang Yu. If I don't look for her, could I be looking for you?"

"... You!" Tang Xue was so angry that she stomped her feet and shouted, "Xu Ye! What's wrong with you?! Do you only have Jiang Yu in your heart?!"

Xu Ye felt that Tang Xue was a little baffled and said, "Tang Xue, can you not be so unreasonable? Everyone is waiting there. Can you hurry up?"

"I'm unreasonable?" Tang Xue pointed at herself in disbelief and said, "Xu Ye, could it be that Jiang Yu is a good person?"

"Now is not the time to talk about this." Xu Ye could not do anything about this Tang Xue. "The most important task now is filming, not discussing this. Jiang Yu, ignore her and hurry over. Everyone is waiting."

Jiang Yu nodded and said, "Got it."

Although she did not like Xu Ye very much, he was still very serious when it came to filming.

Seeing that Jiang Yu was about to leave with Xu Ye, Tang Xue was anxious and grabbed a glass of water from the table and threw it at Jiang Yu.

"Bang!" The glass shattered and everyone present was stunned.

Jiang Yu stood where she was and rubbed her head. As soon as she put down her hand, she saw blood stains all over her hands.
