

Older Man 521

Chapter 521: Hospital

After a long while, someone shouted, "Jiang Yu! Quick, something happened to Jiang Yu!"

Xu Ye stepped forward to support Jiang Yu and asked anxiously, "Jiang Yu! Jiang Yu, are you alright?"

Jiang Yu's head was dizzy and she couldn't see anything clearly. Even when someone was talking to her, she couldn't hear them clearly.

Someone ran over to tell sister Xia, "Jiang Yu is injured. Quickly go and take a look!"

"What?!" Sister Xia was stunned. She threw down the thing in her hand and quickly ran over.

Tang Xue didn't know that she could hit Jiang Yu's head, so she had used a lot of strength just now.

"I, I didn't do it on purpose..." Tang Xue stuttered and was at a loss.

"Tang Xue! You're too much!" Xu Ye shouted.

"I didn't do it on purpose!" Tang Xue shouted back. "She was the one who provoked me first! Why are you only yelling at me and not at her?!"

"Shut up!" Xu Ye shouted.

Sister Xia ran over in a hurry and saw Xu Ye holding Jiang Yu in his arms.

"Jiang Yu!" Sister Xia ran over and asked anxiously, "What's going on?!"

Xu Ye glanced at Tang Xue and said, "If there's anything, you should go and ask Tang Xue. But at this critical moment, it's better to send Jiang Yu to the hospital."

"Yes, yes, yes." Sister Xia hurriedly called the emergency number and said, "I'll go and tell the director. You can help me take care of Jiang Yu now."

Xu Ye nodded and said, "Okay, go quickly."

Tang Xue also knew that she had done something wrong, but because of her face, she refused to lower her head and admit her mistake.

Yan Wei was behind her and whispered, "You're doomed now. Mo Long will not let you off."

"Impossible!" Tang Xue said unwillingly, "When I was young, brother Mo Long even hugged me! It's impossible for him to treat me like this just because of a woman!"

Yan Wei sighed, "Whether it will happen or not, you'll have to wait and see. Although Li Lu was banned, as long as there was a chance in the future, she could make a comeback. "But you can't. As long as Mo Long makes a move, you won't have the chance to make a comeback in your life."

Tang Xue was frightened. Her legs were so weak that she couldn't stand.

As they spoke, an ambulance had already arrived and brought Jiang Yu to the hospital.

Fortunately, although Tang Xue was strong, she was still a girl, so Jiang Yu's head injury didn't count.

However, Jiang Yu didn't have a good rest recently because she stayed up late to read the script. Therefore, she was unconscious for a long time after receiving a heavy blow.

Xu Ye finished the procedures outside and was about to go back to the ward to take a look when he saw a man quickly walk into Jiang Yu's ward.

"Who is it?" Xu Ye narrowed her eyes and thought for a while before mumbling to herself, "Mo Long?"

Mo Long walked into Jiang Yu's ward and saw her lying on the bed with a pale face. She did not move at all and even her breathing became weak.

"What happened to Yu'er?" Mo Long asked coldly.

Sister Xia had been guarding Jiang Yu's bedside ever since she fainted. Hearing Mo Long's question, she said, "Isn't it because of your good sister, Tang Xue? If it wasn't for her, Jiang Yu wouldn't be like this."

"Tang Xue?" Mo Long actually didn't have much of an impression of Tang Xue. He only vaguely remembered that when he was young, he had hugged a newborn little girl at Tang's house.

Sister Xia said, "That's right, Tang Xue! She hurt Jiang Yu and caused him to be sent to the hospital. It's fine if she didn't come to see her, but she didn't even apologize. Mo Long, this is your good sister!"

Chapter 522: Brother And Sister

Mo Long said to Teng Yi who was behind him, "Go and check on that Tang Xue."

Teng Yi said, "Yes, President Mo..."

Teng Yi retreated and saw a person standing at the door timidly. He looked like he wanted to come in but didn't dare to.

Teng Yi saw her strange look and asked, "Miss, who are you?"

Tang Xue said submissively, "It's me... My name is Tang Xue. Is brother Mo Long inside?"

Teng Yi glanced at the door behind him and said, "Yes."

Tang Xue still didn't dare to enter and asked, "Is he very angry?"

Teng Yi thought for a moment and decided to tell the truth, "Yes. You injured Miss Jiang Yu. President Mo is very angry now."

"Then... If I go in and apologize, he should forgive me, right?" Tang Xue asked carefully.

Teng Yi shook his head decisively, "No."

"Then what should I do?" Tang Xue was at a loss, she said, "I didn't know that she would be injured if I just lightly hit her... brother Mo Long should forgive me, right? Although Jiang Yu is his girlfriend, I'm his sister! We've known each other... for a longer time than that Jiang Yu!"

Teng Yi actually wanted to say, "Miss Tang Xue, you're thinking too much."

But he didn't say it. Teng Yi thought for a moment and said, "Miss Tang Xue, if you insist on thinking this way, you can go in and give it a try."

Teng Yi's original intention was to persuade Tang Xue not to go in at this time, or else she would be dancing on Mo Long's reverse scale.

However, Tang Xue misunderstood and said unwillingly, "I'll give it a try! I don't believe it. Don't tell me that compared to that Jiang Yu. The relationship between brother Mo Long and I for so many years is not just an illusion!"

As she said that, she didn't even knock on the ward's door and directly pushed it open and walked in.

Teng Yi shook his head. He was afraid that Tang Xue would cause trouble in the ward, so he followed her in.

Mo Long frowned when he saw someone enter and asked coldly, "No one knocked on the door?"

Tang Xue curled her lips and said, "Brother Mo Long, why are you so fierce to me? Don't you remember me? You even hugged me before."

"Hugged you?" Hearing her say that, Mo Long knew who the person in front of him was. "You are Tang Xue?"

Tang Xue saw that Mo Long recognized her and said happily, "It's me! Brother Mo Long, I knew you wouldn't forget me!"

She looked at Tang Xue coldly and asked, "You still have the face to come?"

"Of course..." Tang Xue only realized that something was wrong halfway through her words.

She stomped her feet anxiously and said, "Brother Mo Long! How can you say that! Why can't I come? My brother is here, so I can't come and see my brother?"

Mo Long sneered and said, "See me? The person you should see is Jiang Yu."

"Jiang Yu?" Tang Xue paused and said, "Why would I see her? I know that I was the one who injured her, and it was my fault. But if it wasn't for the fact that she did something disgusting, how could I have injured her?"

Tang Xue's words were completely wrong. Sister Xia couldn't help but ask, "What did Jiang Yu do? It's obvious that you don't trust Jiang Yu, yet you still insist that there's something going on between Jiang Yu and Xu Ye!"

"Then did I say something wrong?!" Tang Xue couldn't stand people shouting at her, especially since this person was Jiang Yu's manager. She said loudly, "Could it be that there's nothing between her and Xu Ye? If there's nothing between them, then why is Xu Ye treating Jiang Yu so well?!"

Sister Xia said, "Xu Ye and Jiang Yu only have a working relationship during filming. You're the one who's overthinking things. Why did you push this responsibility onto Jiang Yu?"

Chapter 523: Dob

Tang Xue sneered and said, "Am I thinking too much, or is this really happening? You are Jiang Yu's manager, so you must be helping Jiang Yu speak up, right?"

"You!" Sister Xia was so angry that she couldn't speak. She could only sit in front of Jiang Yu's bed and wait for her to wake up.

When Tang Xue saw that Sister Xia didn't speak, she thought that she was in the wrong, so she said smugly, "How is it? Am I right? Brother Mo Long, I told you, Jiang Yu is not a good person..."

"Shut up." Mo Long coldly shouted and sat down in front of Jiang Yu's bed.

"Brother Mo Long..." Hearing Mo Long shout at her, Tang Xue began to feel wronged again and said, "Why are you so fierce to me..."

"Your Tang family has been living too happily recently," Mo Long said.

Although Tang Xue's brain was not very good, she was not a fool. Naturally, she could understand the meaning behind Mo Long's words.

"You... What do you mean?" Tang Xue said in fear, "Brother Mo Long... I'm telling you, you must not do anything reckless! My mother is your aunt!"

"So what?" Mo Long did not even look at her. He only said, "The reason why your Tang family can be like this is also because of our Mo family."

"You, what do you mean!" Tang Xue said, "If you do anything excessive, I will tell my mother!"

Tang Xue thought that Mo Long would be afraid if she brought out her mother and Mo Long's aunt. Even if he wasn't afraid, he would be concerned about his identity as a member of the Mo family and would restrain himself.

However, Tang Xue completely underestimated Mo Long. He wasn't the kind of person who would restrain himself because of his so-called "Identity."

As expected, Mo Long said to Tang Xue, "My aunt? So what if you tell her?"

Tang Xue said, "Aren't you afraid that my mother will look for you?"

"Afraid? Do you think I will be afraid?" Mo Long looked at Tang Xue coldly and said, "You can let her try."

Tang Xue believed him and took out her phone to make a call.

Seeing this, Teng Yi immediately stopped her and said, "Miss Tang Xue, I advise you to apologize now and ask for Miss Jiang Yu's forgiveness when she wakes up."

Tang Xue shouted, "Why did you stop me from making a phone call? Why? Are you afraid too?"

Teng Yi shook his head and let go of her hand. "In that case, Miss Tang Xue can try."

"I'm warning you, you'd better not hinder me!" Tang Xue said and made a phone call.

The call was quickly picked up. Tang Xue shouted, "Mom! It's me, it's Xiao Xue!"

"Xiao Xue? What's wrong? Aren't you supposed to be filming at the set right now?"

Tang Xue felt wronged and told her everything that had happened today. She also told her about how Mo Long was biased towards the old medicine and how he had shouted at her.

After saying all this, Tang Xue said, "Mom, look, brother Mo Long is biased towards an outsider. He's not even on my side!"

Tang Xue thought that by acting like a spoiled child, the person on the other end of the line would speak up for her. Perhaps she would even loudly teach Mo Long a lesson to help her vent her anger.

However, she never expected that not only did her mother not speak up for her, she even reprimanded her, "You stupid child! Who did you offend that you had to provoke Mo Long?!"

Tang Xue was stunned and said in disbelief, "Mom... Mom, what are you talking about? You are brother Mo Long's aunt! Could it be that you..."

"Shut up! Where are you now? Where is Mo Long?"

Tang Xue was frightened and said, "He, he is by my side. What's wrong?"

"Prodigal child, hurry up and give him the phone!"

Chapter 524: Bankrupt

Tang Xue shakily handed the phone to Mo Long and said, "Brother Mo Long, my mother is looking for you..."

Mo Long coldly looked at the phone in Tang Xue's hand and did not pick it up.

Tang Xue was so anxious that she was about to cry. She said, "Brother Mo Long, you, you pick up the phone. My mother is angry..."

Mo Long was finally willing to say, "She is angry. What has it got to do with me?"

Tang Xue's tears welled up in her eyes as she sobbed, "Brother Mo Long, please pick up the phone."

Mo Long did not take the phone, so Tang Xue had no choice but to turn on the speakerphone and say, "Mom, I've turned on the speakerphone. If you have anything to say, just say it."

At this moment, the person on the other end of the phone spoke up, his tone trying to curry favor, "Mo Long, it's me, it's auntie."

Mo Long's eyes never left Jiang Yu. When he heard this, he only lightly replied, "Yes."

"Xiao Xue has such a temper, it's not like you don't know..."

Mo Long interrupted her, "I really don't know."

For a moment, the atmosphere was a little awkward.

After a long while, the person on the other end of the phone continued, "Mo Long, today, for auntie's sake, let Xiao Xue go, right?"

Mo Long said, "I advise you to go back and clear things up with the Tang family. At the same time, you can also bring this person, Tang Xue, back with you."

When Tang Xue heard this, she did not know where her confidence came from, but she said loudly, "This movie is funded by my father! If I leave, this movie will not be able to be filmed, and neither will Jiang Yu film it!"

When Tang Xue's mother heard this, she really wanted to go through the phone screen and give Tang Xue a few slaps to wake her up.

How could she still say such things at a time like this? Wouldn't this make Mo Long even angrier?

As expected, the temperature around Mo Long dropped by a few degrees and became even colder. Even Teng Yi, who was the furthest away from him, couldn't help but shiver.

Mo Long said coldly, "Do you think Yu'er will be missing from this drama?"

Tang Xue was speechless. "You..."

Mo Long continued, "But your Tang family will soon only have the resources for this drama... or perhaps, you won't even have the resources for this drama."

"What, what do you mean?" Tang Xue looked at Mo Long, unable to believe that he would really dare to do something harmful to the Tang family.

However, Tang Xue once again looked down on Mo Long. Mo Long said to Teng Yi, "After three hours, don't let me see anything about the Tang family on the Internet."

Teng Yi accepted the order and said, "Yes."

Tang Xue's legs went weak and she fell to the ground. The phone in her hand also fell to the ground.

"Brother Mo Long... brother Mo Long, you can't do this! Can't I, can't I apologize to Jiang Yu? When she wakes up, I'll apologize to her. As long as she forgives me, you'll take back your words, okay?" Tang Xue pleaded.

Mo Long only said, "It's too late."

It's over... It's too late...

Mo Long's words had been hovering above Tang Xue's head. She knew that the Tang family had been completely destroyed by her hands this time.

Mo Long glanced at Tang Xue and said, "Are you still staying here?"

Now that the Tang family was no longer supporting her, Tang Xue did not dare to continue staying in front of Mo Long. She could only use her last bit of strength to climb up and stagger out.

Sister Xia watched everything from the side with her mouth agape.

She had long known that Mo Long was a big shot who could cover the sky with one hand. However, what she did not know was that Mo Long's influence had actually reached such a level.

After all, the Tang family was also considered a small branch of the Mo family. However, Mo Long actually made the Tang family go bankrupt just because he said so. Moreover, even Mo Long's aunt had to speak to him with a somewhat fawning tone. It could be seen just how big Mo Long's influence was.

Chapter 525: Tang Residence

After this incident was over, Jiang Yu woke up not long after.

She opened her eyes and saw Sister Xia and Mo Long sitting by her bed, looking at her anxiously.

Jiang Yu opened her mouth and asked, "What's wrong with me?"

However, as soon as she said this, Jiang Yu felt a splitting headache and couldn't help but frown.

"You're injured," Sister Xia said. "Did you forget? When Xu Ye came to look for you to film, Tang Xue was so angry that she smashed you with a glass of water."

Speaking of Tang Xue, only then did Jiang Yu remember that she was injured and sent to the hospital because of Tang Xue.

"Where's Tang Xue?" Jiang Yu asked.

Sister Xia didn't know what to say and could only look at Mo Long, hoping that he would be the one to tell Jiang Yu.

Jiang Yu saw that Sister Xia was looking at Mo Long, so she looked over and asked, "What happened to Tang Xue? Did something happen?"

Mo Long sighed slightly and said, "She hurt you. Naturally, I won't let her off."

"Wh-what?" Jiang Yu was shocked and said, "Tang Xue... What happened to her?"

Jiang Yu knew Mo Long's methods, but Tang Xue was still considered Mo Long's cousin. If Mo Long really did something to Tang Xue, she was also afraid that others would gossip about Mo Long behind his back.

Mo Long naturally knew what Jiang Yu was thinking, but he was not afraid of gossip.

As long as it did not reach his ears, he could pretend that it did not happen. But if it reached his ears... then those people's fate would be worse than Tang Xue's.

"You don't have to worry about this," Mo Long said. "You just need to rest and recover. When your injury is healed, you can go back to the set and film in peace."

Even though Jiang Yu was no longer at ease, she could only rest and recuperate in peace after Mo Long said that. After her injury was healed, she could go back to the set and film.

Mo Long looked at the time and said, "I'll stay here with you for a while. I'll go back to deal with some matters soon."

Jiang Yu comforted him, "You should go back. It'll be fine as long as Sister Xia is here."

Mo Long was still worried and said, "I'll stay with you for a while longer."

Jiang Yu said, "You really don't have to worry about me. It's more important to go back and deal with some matters."

Sister Xia also said, "That's right. You should go back first. I'll take care of Jiang Yu here. Moreover, after what you did to Tang Xue, I'm afraid that the Tang family will look for you, right? Even if you aren't

afraid of the Tang family, the Tang family might look for the Mo family. When that time comes, you won't be able to explain yourself to the Mo family, right?"

Mo Long was silent for a long time before he said, "Then I'll have to trouble you to help me take care of Jiang Yu."

Sister Xia nodded and said, "No matter what, I'm Jiang Yu's manager. Taking care of her is my duty. You Ddn't have to worry."

Mo Long nodded and said, "Alright. Yu'er, I'll be going back first. I'll come and visit you after I'm done with my work."

"Alright." Jiang Yu smiled and said, "But I think I'll probably be back to film by the time you're done with your work. At that time, you can visit me if you want to see me."

Mo Long smiled and said, "I'll do anything as long as your injuries heal quickly."

"Alright, let's go back to work."

"Alright, then I'll go back first."

After Mo Long left, Jiang Yu turned to look at Sister Xia and asked, "What's happened with Tang Xue?"

Sister Xia sighed, she shook her head and said, "This Tang Xue has brought this upon herself. She had caused Mo Long to fly into a rage today and implicated the Tang family. The Tang family will not let Tang Xue off this time. Naturally, they will look for the Mo family and cause trouble for Mo Long."

"He is... doing this for me again," Jiang Yu sighed and said.

Sister Xia sighed and said, "Yes. I knew that Mo Long could cover the sky with one hand, but I didn't expect him to have such strength."

Chapter 526: Disaster Comes From The Mouth

After Mo Long returned, just as Jiang Yu and Sister Xia had said, the members of the Tang family were already standing at the door.

It was Mo Long's aunt, Mo Zhi, with Tang Xue by her side.

Mo Long saw it and pretended not to see it. He went straight into the house.

Tang Xue hurriedly followed him in and called out, "Brother Mo Long..."

Before she could finish her sentence, Mo Long had already waved his sleeve and sat down on the chair. He asked coldly, "Is this how you teach your daughter?"

The person he was referring to was Tang Xue, but his words were directed at Mo Zhi.

Mo Zhi quickly pulled Tang Xue back, knocked on the door and asked, "Can we come in now?"

Mo Long didn't say anything and didn't look at them. Mo Zhi didn't know whether she could go in or not, so she could only wait at the door with Tang Xue.

Not long after, Teng Yi walked over with a few thin pieces of paper.

When he saw Tang Xue and Mo Zhi, he was also a little surprised and asked, "Miss Tang Xue, why are you still here?"

He then looked at Mo Zhi who was beside Tang Xue and asked, "This is?"

This was also his first time seeing Mo Zhi, so he didn't know her at all.

Tang Xue said, "This is my mother. She's brother Mo Long's aunt."

When she said this, she emphasized the last sentence.

Teng Yi bowed slightly and said, "So it's Madam Tang."

Mo Zhi nodded, which could be considered as a response.

Mo Long said coldly, "Teng Yi, come in if you have something to say."

Teng Yi said, "Yes."

Seeing that Teng Yi took the paper and entered the door, Tang Xue thought that she could also enter, so she followed behind Teng Yi.

Mo Long gently knocked on the table and said, "Did I let you in?"

Tang Xue's footsteps stopped, and she asked unwillingly, "If he can enter, why can't I?"

Mo Long said, "Do you think you and Teng Yi have the same identity?"

"Of course not. I'm your sister, the eldest miss of the Tang family," said Tang Xue with her hands on her hips proudly.

"You still think you're the eldest daughter of the Tang family?" Mo Long took the information from Teng Yi and didn't even look at Tang Xue.

Tang Xue was unwilling and said, "Why am I not the eldest daughter of the Tang family? I've always been, and always will be! This is something that Jiang Yu can't compare to!"

Hearing her mention Jiang Yu again, Mo Long's mood instantly dropped back to the freezing point. He said word by word, "You still dare to mention her name?"

"What, what's wrong!" Although the temperature around Mo Long had dropped and his tone and expression were very scary, Tang Xue still relied on Mo Zhi's identity and thought that Mo Long wouldn't dare to do anything too excessive.

"Did I say something wrong? I am! Brother Mo Long, do you think that I don't know? That Jiang Yu doesn't have any background at all! She's even a country girl who hasn't seen much of the world!" Tang Xue said, "Do you think that grandfather will like that girl? It's impossible. Moreover, grandfather has long wanted you to marry that Li Yue."

"Bang!" The water cup on Mo Long's desk shattered.

Tang Xue was shocked and said in fear, "Brother Mo Long, what, what are you doing? I'm not wrong, why are you desperate?"

“Tang Xue, I’ve really given you a enough face.” Mo Long picked up a handkerchief at the side and wiped the water stains on his hands. He said, “Don’t mention this matter in front of me in the future. Otherwise, I can’t guarantee what I will do to you... Ah, no, Tang Xue, you have no future.”

Tang Xue was shocked and said, “What do you mean... my mother is still here! I don’t believe that you dare to do this!”

Mo Long curled the corners of his mouth. “See if I dare.”

Chapter 527: People From The Mo Family

Tang Xue quickly turned around to call for help and shouted, “Mom! Look at him, he doesn’t even put you in his eyes!”

Mo Zhi was originally standing at the door, but after listening to Mo Long and Tang Xue’s conversation, she felt that no matter what, she was still an elder and Mo Long was a junior, so he definitely wouldn’t dare to do anything to her.

But after he said those words just now, Mo Zhi couldn’t stand it anymore. Se walked in and said, “Mo Long, don’t go too far! Don’t think that just because you’re powerful and your grandfather thinks highly of you, you can do whatever you want! No matter what, I’m still your aunt, I’m still a member of the Mo Family!”

Mo Long glanced at her, sneered and asked, “So? Do you still think of yourself as my aunt? Back then, when you insisted on marrying that man with the surname Tang, grandfather had long chased you out of the Mo family.”

“So what?” Mo Zhi paused, she still spoke with her surname, “Even if your grandfather chased me out, my identity is still here. If I return to the Mo family. I still have to call him ‘father’. And you, Mo Long, still have to call me ‘aunt’!”

“Then you can give it a try.” Mo Long said, “You can return to the Mo family now and see if grandfather will acknowledge you after you call him ‘father’. As for me... you can take a look and see if I will call you ‘aunt’.”

“Mo Long! Don’t go overboard!” Mo Zhi shouted loudly and said, “If my surname is Mo, then I will forever be a member of the Mo family! And since Xiao Xue is my daughter, she is also a member of the Mo Family!”

Mo Long looked coldly at Tang Xue and said slowly, “Yu’er is my fiancée, she is also a member of the Mo family.”

“Jiang Yu? She is also worthy?” Mo Zhi had heard Tang Xue mention Jiang Yu on the way here.

It was said that she was an unlucky girl who had come from the countryside and had not seen the world. She had been brought back by her biological parents and was not even welcomed by them.

Mo Zhi scoffed at this.

“What?” Mo Long’s gaze turned colder and he said, “Is Li Yue worthy?”

Mo Zhi replied, "Regardless of whether Li Yue is worthy or not, at least with Jiang Yu's status, she will never be able to step into the Mo family!"

Mo Long threw the documents in his hands out and the few pieces of thin paper flew around in the sky before they slowly landed beside Tang Xue's feet.

"Whether Yu'er is worthy or not, it's never up to you guys. It's up to me, Mo Long."

Tang Xue bent down and picked up the few pieces of paper. After a few glances, her whole body couldn't help but tremble.

Seeing this, Mo Zhi asked in puzzlement, "Little Xue, what's wrong?"

"Mom, you, look..." Tang Xue handed over the paper in her hand while trembling.

Mo Zhi hurriedly took it. After a few glances, her eyes were filled with disbelief.

She looked at Mo Long and said, "Mo Long, what do you mean? Do you really want to destroy the Tang family?"

Mo Long said, "It's not that I want to destroy the Tang family, but your precious daughter. If you can teach her well and she won't cause you any trouble when she comes out, then the Tang family won't have what they have today. However, you didn't teach her well and let her out to cause trouble."

Mo Long's expression didn't look like he was joking. Mo Zhi knew that he was serious and not trying to scare them.

This time, Mo Zhi was a little scared and said obsequiously, "Mo Long, you... you should let go of the Tang family for auntie's sake, right?"

When Tang Xue saw Mo Zhi like this, she also knew that Mo Long was going to be serious this time. If she didn't apologize to Jiang Yu, this matter might really not be resolved.

Hence, she also said, "That's right, brother Mo Long. On account of my mother's face, can you let us off? I'll go apologize to Jiang Yu, alright?"

Chapter 528: New Second Female Lead

Mo Long said, "I already told you when we were at the hospital. It's already too late. Even if you apologize and Yu'er forgives you, I won't forgive you."

Tang Xue was unwilling to give up and tried to struggle again. "Brother Mo Long..."

Mo Long directly interrupted her and said, "From now on, leave this place. Never let me see you again. This includes the Mo family."

"Brother Mo Long..."

Teng Yi walked to Tang Xue and Mo Zhi's side and made a "Please" gesture towards the door.

"Please, the two of you."

Tang Xue and Mo Zhi knew that no matter how long they stayed here and how many words they said, Mo Long would not be moved.

Therefore, they did not want to waste any more effort and left dejectedly.

After they left, Teng Yi returned and asked worriedly, "President Mo, aren't you afraid that elder Mo will come looking for you?"

Mo Long shook his head and said, "I understand my grandfather's character. However, it's useless even if he comes looking for me. Mo Long's wife will only be Yu'er."

At this moment, Jiang Yu didn't know about all this and was still lying on the hospital bed quietly recuperating.

"Sister Xia, I'm really fine now," Jiang Yu said helplessly.

Ever since Mo Long left, Sister Xia had been busy taking care of her, as if she was a seriously ill patient who could not take care of herself.

Sister Xia had just boiled the water and said, "I'm fine. I'll take care of you, and I'll feel at ease. The sooner you recover, the sooner you can go back to filming."

Jiang Yu sighed and said, "Tang Xue is also a good girl. It's a pity that she's always stubborn. Moreover, she likes to do things her own way."

Sister Xia also said, "That's right. I've long seen this Tang Xue's way of doing things. I knew that she wouldn't be able to walk for long in this circle. But I didn't expect that her path was really too short."

Since things had come to this, Jiang Yu could only silently pray for Tang Xue in her heart.

"During the time you were in the hospital, Xu Ye has been taking care of you. But the director called just now, so Xu Ye went back to continue filming," said Sister Xia.

Jiang Yu was silent for a while before saying, "It's been hard on him. When we get back, thank him properly."

Sister Xia nodded and took out her phone to open a picture. She said, "Jiang Yu, take a look at this person. Do you recognize her?"

Jiang Yu took the phone and took a look. She felt that she looked very familiar, but she couldn't remember who she was.

Hence, she asked, "Who is this person?"

Sister Xia said, "Her name is Wen Nuan. She's the second female lead to replace Tang Xue."

"Oh, so it's Wen Nuan." Only then did Jiang Yu remember that she seemed to have heard Yuan Lai mention her before when she was recording the variety show.

It was said that Yuan Lai remembered her more clearly because her name was more similar to his, and they both had the same pronunciation.

Sister Xia said, "This Wen Nuan has never acted in any big roles before. This movie is also her first time acting as the second female lead. However, I've seen her acting before. Her acting skills are pretty good, and her lines are also very good. Be careful."

Jiang Yu smiled and said, "What's there to be careful about? Her acting skills are pretty good, and her lines are also good. It won't be tiring to act with her. I'm more than happy, so why should I be careful of her?"

Sister Xia voiced her worries. "Wen Nuan doesn't usually appear in front of the public, and I know very little about her. I'm afraid that she's someone like Li Lu or Tang Xue..."

Jiang Yu comforted her and said, "It's okay, Sister Xia. You just have to trust me."

"This... I'm just worried about you," said Sister Xia.

However, seeing how determined Jiang Yu was, Sister Xia couldn't say anything else. She could only nod and say, "I trust you."

Chapter 529: Return To The Production Team

Jiang Yu rested in the hospital for half a day. The next morning, she packed her things and returned to the production team.

Xu Ye saw her from afar and quickly ran over. She asked, "Jiang Yu, are you alright? Does your head still hurt?"

Jiang Yu said, "It doesn't hurt anymore. I'm much better now."

"That's good. By the way, during the time you were in the hospital, did you know that there was a newcomer in our production team?" Xu Ye asked.

Jiang Yu nodded and said, "Yes, I heard from Sister Xia."

Xu Ye added, "But I don't think the two of you have met before, right? I'll bring you to meet her."

Jiang Yu originally wanted to reject Xu Ye, but now that she had rejected him, she still wanted to meet him when she went back to rest. Why not follow Xu Ye now and take a look at this Wen Nuan.

Wen Nuan was still in her seat reading the script when she heard someone call out to her, "Wen Nuan!"

She looked up and saw Xu Ye waving at her with a very beautiful woman beside him.

This should be the legendary female lead, Jiang Yu, right?

Wen Nuan put down the script and walked over with a smile on her face. "Brother Xu Ye, are you looking for me?"

Xu Ye said, "Let me introduce you. This is the female lead of our movie, Jiang Yu. This is the newcomer I just told you about. She's Wen Nuan."

Jiang Yu smiled and reached out her hand. "Hello, my name is Jiang Yu."

Wen Nuan also smiled and held Jiang Yu's hand. "Hello, Sister Jiang Yu. My name is Wen Nuan. I just joined the crew. I hope you and brother Xu Ye can take care of me in the future."

Jiang Yu said, "No problem."

Judging from the simple meeting, this Wen Nuan should be a good girl. She wouldn't be like Li Lu or Tang Xue.

The few of them exchanged a few more words before Xu Ye said, "Alright, we're going to start filming now. Jiang Yu, you've just returned. Familiarize yourself with the rest of the plot."

Jiang Yu said, "Alright, you and Wen Nuan can go first."

After the two of them left, Sister Xia whispered into Jiang Yu's ear, "This Wen Nuan seems alright for the time being. She's a good person to get along with. However, no one knows what will happen in the future. You should be careful."

Jiang Yu nodded and said, "I'll be careful, Sister Xia."

Only then did Sister Xia feel relieved. She said, "Read the script first. I'll help you pack up your things."

Jiang Yu sat down and started to read the script.

During the few days that Tang Xue was on the set, she had already filmed quite a number of scenes regarding the second female lead.

So now that Tang Xue had left, Wen Nuan wanted to reshoot the scenes of the second female lead.

Although they could change their faces in the later stages, compared to the entire movie, it was still easier to reshoot the scenes.

Wen Nuan was also quite capable. There wasn't much tension when she acted with the movie king. It was basically a one-time thing.

During the intermission, Wen Nuan would always look at Jiang Yu, whether intentionally or unintentionally.

Jiang Yu wasn't a fool, so she could naturally feel it. However, there was no disgust or anything else in Wen Nuan's eyes. Instead, her gaze was filled with inquiry and curiosity.

As time passed, Sister Xia also noticed the look in Wen Nuan's eyes.

She walked over to Jiang Yu's side and asked in puzzlement, "What's with this Wen Nuan? Why is she always looking at you?"

Jiang Yu shook her head and said, "I don't know either. I'll go ask her when the night is over."

"That's fine too."

However, when they were resting at night, before Jiang Yu could look for warmth, she came to find her first.

Jiang Yu was worried that the visitor was not friendly and asked, "Wen Nuan, what's the matter?"

Wen Nuan was shy and her face was as red as a tomato. She could not speak a complete sentence for a long time.

Chapter 530: Asking About Yuan Lai

Jiang Yu looked at Wen Nuan and the doubt in her eyes was about to spill out.

Puzzled, she asked, "Wen Nuan, why are you looking for me?"

Wen Nuan stuttered for a long time before asking, "Sister Jiang Yu, are you familiar with Yuan Lai?"

"Yuan Lai?" Jiang Yu was stunned.

Why would Wen Nuan ask about Yuan Lai all of a sudden?

"Yeah." Wen Nuan blushed and said, "I've seen the variety show you recorded before. Yuan Lai was on it."

Jiang Yu recalled the variety show from 'Ace vs Ace.' she had indeed recorded it together with Yuan Lai.

"Yuan Lai and I aren't actually very familiar with each other. We only exchanged a few words when we were recording the variety show. But why did you ask about Yuan Lai?"

Wen Nuan said, "Actually, it's nothing much. I just remembered that you know him and have recorded variety shows together, so I wanted to ask you."

As she said this, she seemed to be afraid that Jiang Yu would not believe her. Wen Nuan said again, "What I said is true. You must believe me."

Jiang Yu understood something from these words. She smiled and said, "Of course I believe you."

Only then did Wen Nuan touch her nose and said, "If there's nothing else, I'll go back first. I won't disturb your rest."

With that, Wen Nuan returned to her room.

Jiang Yu shook her head with a smile and also went to rest.

The next day, while filming, Wen Nuan kept looking for opportunities to get close to Jiang Yu, intentionally or unintentionally, to strike up a conversation.

Xu Ye was left to the side, feeling a little puzzled. He asked Tang Yi beside him, "Don't you think that this Wen Nuan was quite disdainful of Jiang Yu in the beginning?"

Tang Yi focused on the matter in his hands and said, "Don't talk nonsense. Wen Nuan had a very good relationship with Jiang Yu from the beginning. Are you making a wild guess?"

Xu Ye shook his head helplessly, "I just can't accept it. When Tang Xue was around, Jiang Yu would occasionally be willing to talk to me. But when Wen Nuan appeared, Jiang Yu only talked to her and wasn't willing to talk to me."

Tang Yi smiled maliciously, "Hey, Xu Ye. I'm your childhood friend. Apart from your parents, I dare to say that I know you better than anyone else. Although I don't know why you want to get close to this Jiang

Yu so much, I know that with your personality, you definitely don't have any sincerity. After all, you're a person who puts interests first. But, I have to give you a piece of advice..."

Xu Ye looked at him and asked, "What?"

Tang Yi moved closer to Xu Ye and said in a low voice, "I advise you to have a limit no matter what. Don't keep getting close to Jiang Yu out of interests, but get yourself caught up in the end."

Xu Ye paused and said, "I don't need you to remind me. I know myself."

Tang Yi walked away and said with a smile, "Then I won't say anything more. It's better for you to take care of yourself."

Xu Ye frowned and said, "You don't have to worry about it."

"Who says I have to worry about it? I'm very carefree myself."

Wen Nuan and Jiang Yu were getting closer and closer. Xu Ye could not find a chance to talk to Jiang Yu at all.

However, this was not a problem for Xu Ye. Since he did not have a chance to talk to Jiang Yu, he would find a chance to talk to Wen Nuan.

No matter who it was, he believed that he would be able to get one.

Wen Nuan was not as unapproachable as Jiang Yu, so she should be easier to talk to.

After all, Xu Ye was very confident in his looks. Even if Jiang Yu was unmoved by his face, Wen Nuan would definitely be aroused when she saw it, right?

However, Xu Ye's wishful thinking was wrong. Not only was Jiang Yu unmoved, even Wen Nuan scoffed.
