

Older Man 531

Chapter 531: Defeated

Xu Ye found Wen Nuan and winked at her. "Wen Nuan."

Wen Nuan was reading the script. When she saw Xu Ye approach her, she quietly leaned to the side and asked, "Is Movie King Xu Looking for me?"

Xu Ye smiled and said, "Why are you like Jiang Yu? You want to call me Movie King Xu, but you're not willing to call me by my name?"

Wen Nuan thought for a moment and said, "Because I'm not familiar with you after all."

Xu Ye choked for a moment and continued, "That was before. Now that we're filming together, won't we be familiar with each other if we get to know each other more?"

Wen Nuan quietly moved a little away again and said, "Movie King Xu, then I'll call your name when we're familiar with each other."

As she spoke, Wen Nuan took the script and went to look for Jiang Yu.

Xu Ye had suffered a setback at Wen Nuan's place, but he did not look for Tang Yi.

It must be because Wen Nuan was shy, so she used Jiang Yu as an excuse.

Wen Nuan found Jiang Yu and did not say anything more about Yuan Lai. She just calmly discussed the script.

However, when Wen Nuan spoke, she intentionally or unintentionally brought up Yuan Lai, so Sister Xia, who was next to her, could hear some clues.

After discussing the script for a while, Wen Nuan asked, "Sister Jiang Yu, are you familiar with Movie King Xu?"

Jiang Yu said, "No. Why?"

Wen Nuan said, "He came to look for me just now. It seems like he wants to get close to me."

"He's looking for you?" Jiang Yu was a little surprised.

Wen Nuan nodded and said, "Yes. I was wondering if this Movie King Xu treats every actress like this?"

Jiang Yu smiled and said, "I think so."

Wen Nuan spat lightly and said, "I knew it. There are only a few good men in the entertainment industry."

After a pause, Wen Nuan said, "Except for Yuan Lai."

Jiang Yu couldn't help but laugh.

Wen Nuan blushed and said angrily, "Aiya, sister Jiang Yu! What, what are you laughing at!"

After spending the past few days with Wen Nuan, Jiang Yu knew that this girl was kind and simple-minded. She didn't have any shrewdness and was a very good person.

Seeing that Jiang Yu was still smiling, Wen Nuan quickly took the script and went back.

After Wen Nuan left, Sister Xia asked, "When did this Wen Nuan and you become so close?"

Jiang Yu said, "It only happened a few days ago. I think that Wen Nuan is a good child, and she seems to like Yuan Lai."

Sister Xia said, "Indeed. When she was discussing the script with you just now, she always mentioned Yuan Lai, whether intentionally or not. The frequency was so frequent that I felt something was wrong."

Jiang Yu said with a smile, "I think the reason why she and I are so close is probably because of Yuan Lai, right? Yuan Lai and I have recorded variety shows together before, so she always likes to ask me about Yuan Lai."

Sister Xia didn't quite understand and asked, "But she and Yuan Lai are both people in this circle, so there will always be opportunities for them to work together in the future. At that time, she will have a chance to get to know Yuan Lai."

Jiang Yu said, "I'm afraid she's a little embarrassed, right? And it's precisely because they are both in this circle that some things can't be done openly. If we're not careful, we'll be discovered and spread online. This way, it'll be even more difficult to end things."

Sister Xia sighed and said, "You're right. But I didn't expect that Xu Ye didn't gain anything from you and ran off to look for Wen Nuan. However, he didn't gain anything from Wen Nuan either."

Jiang Yu said, "It's really difficult for Wen Nuan to get to know someone like Xu Ye."

Chapter 532: Car Accident

In the afternoon, the shooting of a new scene officially began.

This scene was a scene where Jiang Yu and Wen Nuan were acting together. A group of people watched the performance of the two of them without blinking.

Everyone had witnessed Jiang Yu's strength, and Wen Nuan was also a rising star. Therefore, everyone was looking forward to the scene where the two of them were acting together.

However, the two of them did not disappoint anyone. There was not a single mistake, and they passed it in one shot.

The director was very pleased with this and said, "Jiang Yu, Wen Nuan, with the two of you in this movie, I won't be worried about the box office earnings."

Xu Ye, who was listening by the side, was not satisfied. He walked over and said, "Director, don't tell me that I haven't contributed to the box office earnings of this movie?"

When the director saw that it was Xu Ye, he quickly changed his words and said, "No, no, no. It's just that with the three of you in this movie, I won't be worried about the box office earnings."

Xu Ye smiled and said, "Then it looks like I'm still the final trump card."

Jiang Yu wanted to laugh at Xu Ye's arrogance.

However, she held back her laughter and did not laugh.

Wen Nuan also wanted to laugh. She thought that this Xu Ye was only just good-looking, but was very shameless.

Today's final scene was the first time the male lead, female lead, and second female lead had met.

In order to shoot better, Wen Nuan came over to Jiang Yu to discuss the script. She said, "Sister Jiang Yu, the three of us will be filming in a while. Can I come over to discuss the script with you?"

Jiang Yu smiled and said, "Come, you're welcome."

Wen Nuan sat down happily and said, "Thank you, Sister Jiang Yu!"

Not long after, Xu Ye came over with the script and asked, "The three of us will be filming in a while, so can we discuss the script together?"

Wen Nuan wanted to refuse, but then she remembered that this was Jiang Yu's resting place. She had no right to speak.

Although Jiang Yu wanted to refuse, there was no suitable reason. Moreover, she could discuss the script with Wen Nuan, so why couldn't she discuss the script with Xu Ye?

Therefore, Jiang Yu said, "Alright, then you can stay and discuss the script together."

Hence, Xu Ye also sat down happily.

Jiang Yu flipped through a few pages of the script and said, "In a while, the two of you will have more scenes, so the two of you will have to discuss more."

Wen Nuan glanced at Xu Ye and softly replied, "Okay."

Jiang Yu was flipping through her scenes when she saw Sister Xia running over anxiously. She leaned over and whispered into her ear, "Something happened to Xiao Xia."

Jiang Yu paused and asked in disbelief, "What?"

Wen Nuan saw Jiang Yu's expression and thought that she must have something to deal with. She said, "It's fine. We'll discuss the script here. Sister Jiang Yu, if you have something to deal with, go ahead."

Jiang Yu nodded and followed Sister Xia out.

Outside, Jiang Yu asked, "Sister Xia, did you say something happened to Xiao Xia? What happened?"

Sister Xia frowned and said, "Xiao Xia was in a car accident."

"Car accident? What Happened?"

Sister Xia said, "I thought it was an accident at first too, so I didn't plan to tell you. When you go to film, I'll go to the hospital to take care of Xiao Xia. But, Zhao Hui was with Xiao Xia at that time. Zhao Hui told

me on the phone that the car that hit Xiao Xia didn't seem like an accident, but more like it was intentional."

"Intentional?" Jiang Yu asked, "Sister Xia, do you mean that someone wants to deliberately harm Xiao Xia?"

Sister Xia's eyes darkened as she said, "I think that someone is dissatisfied with you, but they don't dare to openly attack you, so they only dare to attack the people around you. Xiao Xia is that person."

Chapter 533: Conspiracy

Jiang Yu's expression also became unsightly as she said in a deep voice, "Who is it that hates me to this extent and is willing to harm the people around me?!"

Sister Xia sighed and said, "I don't know who this person is. However, I'm afraid it's only those few people. After all, not everyone has the guts to do such a thing."

Jiang Yu said in a deep voice, "Li Yue or Li Lu?"

Sister Xia said, "Li Yue is busy with filming and the Movie Queen's matters during this period of time. She shouldn't have the time to do such a thing. As for Li Lu... but she has already been banned. If people find out that she did such a thing now, she won't have the chance to make a comeback."

Jiang Yu thought for a moment and another person appeared in his mind. "You mean... Jiang Ran?"

Sister Xia shook her head and said, "With Jiang Ran's courage, I'm afraid she wouldn't dare to do this. Even if she really did it, with her brain, it's impossible for there to be no flaws at all."

Jiang Yu said, "Could it be... that Jiang Ran and Li Lu have joined forces?"

Sister Xia sighed and said, "We still have to consider how this matter will turn out."

"Yeah. How's Xiao Xia's situation now? Is she alright?"

Sister Xia said, "Zhao Hui told me that she's fine. Xiao Xia has already been bandaged in the hospital. She'll be discharged in a few days."

Jiang Yu was finally relieved and said, "That's good. I've been a little busy recently, so I can't go to the hospital to see her. Sister Xia, if you have time to see her, bring me along with you."

Sister Xia nodded and said, "Alright. I'll go to the hospital to visit her when you're done filming."

Jiang Yu said, "Alright. You must tell me about Xiao Xia's condition when the time comes."

Sister Xia nodded and said, "Alright."

Not long after, the director came over and shouted, "Everyone, I'm sorry to disturb your rest time. But today's last scene is about to begin, so please hurry over."

Jiang Yu said to Sister Xia, "Sister Xia, I'll go back to shoot the scene first. Take my regards and go to the hospital to see Xiao Xia."

Sister Xia nodded and said, "I'll go over now."

“Okay.”

Jiang Yu and Wen Nuan went to shoot the scene, while Xu Ye happily followed behind them.

Jiang Yu had less scenes in the last scene, so she chose to shoot her scenes first. That way, she could go to rest earlier.

However, Jiang Yu wasn't thinking about resting. She wanted to finish shooting today's scenes as soon as possible and then rush to the hospital to visit Xiao Xia.

Jiang Yu used her best ability and passed in one shot.

The director was very satisfied and said, “Jiang Yu, you did very well just now! Alright, go and rest first.”

Jiang Yu nodded and said, “Alright, thank you, Director.”

Jiang Yu returned to her resting room. After changing her clothes, she took a taxi to the hospital.

At the hospital, after Jiang Yu asked Sister Xia for Xiao Xia's ward number, she took the elevator and went up.

Just as she was about to reach Xiao Xia's ward, Jiang Yu saw a figure sneakily at the door with malicious intentions.

“Who are you?” Jiang Yu hurriedly walked over and shouted, “Why are you standing at the door?”

When that person heard Jiang Yu's voice, he quickly ran down the stairs.

Sister Xia also heard the commotion outside and quickly ran out. She saw Jiang Yu standing there, staring at the stairs.

“Jiang Yu? Why are you here?”

Chapter 534: Suspicion

Jiang Yu then retracted her gaze from the stairway and said, “I've finished shooting today's scenes on the set and still have some free time, so I came to visit Xiao Xia.”

Sister Xia nodded and said, “That's good too. Xiao Xia was just talking about you. She said that you've been too busy shooting scenes on the set recently and told you to rest more. Don't worry about her all the time.”

Jiang Yu sighed and said, “This isn't something that can be avoided just because you don't worry about her. I have to personally take a look at Xiao Xia's situation before I can feel at ease.”

Sister Xia said, “That's good too. Come in quickly. Zhao Hui is here too.”

Jiang Yu followed Sister Xia into Xiao Xia's ward.

Xiao Xia's head was wrapped in a few layers of gauze, making her look a little comical.

When she saw Jiang Yu walk in, she was worried that she had taken a leave of absence to visit her, so she asked, “Sister Jiang Yu, why are you here?”

Jiang Yu said, "Don't worry. I'm here to visit you because I've finished my work."

Only then did Xiao Xia feel relieved. She said, "That's good. I'm also worried that this small matter of mine will delay your work."

Jiang Yu said, "It's okay. You're my employee. You're injured. Of course, I have to come and see you."

Zhao Hui angrily said from the side, "Sister Jiang Yu, I think this matter isn't that simple! That car accident didn't look like an accident at all. I think it was deliberately coming toward Xiao Xia! I pulled away from Xiao Xia at that time. It was already quite a distance away, but that car deliberately came back!"

Jiang Yu pondered for a while and said, "Did you see the driver at that time?"

Zhao Hui shook his head and said, "I looked carefully at that time, but I couldn't see him clearly because he was wearing sunglasses and a mask."

Jiang Yu asked again, "Is he a man or a woman?"

Zhao Hui thought for a while and said, "He should be a man. The man I saw was wearing a large-sized male outfit."

Jiang Yu thought for a moment and said, "No matter what, this matter is all because of me. I'm really sorry. If you guys are willing to believe me, I will definitely find out the truth and give you guys justice."

Xiao Xia said, "Sister Jiang Yu, of course I believe you. But don't blame yourself too much. Don't take the blame on yourself. It doesn't matter even if this matter can't be investigated. I'll just be careful in the future."

Zhao Hui also said, "That's right. As soon as this matter came out, I called the police. But when the police arrived, they only said that there wasn't enough evidence and didn't file a case. Sigh, there's nothing we can do about it. The cameras in that place were broken and didn't capture anything."

Xiao Xia sighed and said, "Yeah, there's nothing we can do about it. Who asked the cameras in that place to be broken?"

Jiang Yu thought for a moment and asked, "Xiao Xia, do you still remember where you were hit by a car?"

Xiao Xia said, "I remember. Sister Jiang Yu, do you want that address? I'll give it to you later, but you still have to film..."

"It's okay. You don't have to worry about this."

After a few more words, Xiao Xia sent the address to Jiang Yu.

Jiang Yu wanted to return to the set, so Sister Xia followed him back.

On the way back, Sister Xia asked, "Do you already have people you suspect?"

Jiang Yu said, "The people I suspect are still those few, but I don't know who is the real one for the time being. Or rather, among these people, who is the biggest behind-the-scenes person?"

Sister Xia sighed and said, "Sigh, life in the entertainment industry is really not easy. Your path isn't that easy either."

Chapter 535: Goodbye, Li Lu

Jiang Yu and Sister Xia returned to the set. It was already midnight and many of the crew members were already resting. Only Xu Ye was still standing at the entrance of the hotel, seemingly waiting for Jiang Yu to return.

When Xu Ye saw Jiang Yu, he hurriedly waved his hand, trying to let her see him as he shouted, "Jiang Yu! Over here!"

Jiang Yu looked towards the source of the sound and saw Xu Ye standing there waving his hand.

"Xu Ye?" Jiang Yu asked in confusion, "Why aren't you asleep?"

Xu Ye walked over and said cheerfully, "I'm waiting for you to come back."

Jiang Yu paused for a moment and said, "Go and rest."

"Now that I see you coming back, of course I'm going to rest..." Before Xu Ye finished his sentence, another female voice sounded, "Xu Ye, why are you still in contact with Jiang Yu?"

Jiang Yu and Xu Ye looked over. It was Li Lu, who was dressed in black.

When Xu Ye saw Li Lu, he frowned again and asked, "It's the middle of the night. Why aren't you sleeping? What are you doing here?"

Li Lu pouted and said, "Didn't you also not sleep? Why do you care about me?"

Xu Ye said, "I'm the male lead of this movie. It's normal for me to be on set. It's normal for my partner to not be back so late, right? But you have nothing to do with this matter. What are you doing here?"

Li Lu looked at Jiang Yu discontentedly and said, "If Jiang Yu can come, why can't I?"

Xu Ye said, "I just said that she's my partner."

"What partner? Are they all excuses? You just want to wait here for Jiang Yu to come back, don't you?"

Li Lu began to be unreasonable and chatty again. Jiang Yu felt bored, so she said, "If there's anything, you two can say it. It's getting late, so I'll go back and rest first. I still have to get up early to film tomorrow."

"Stop! What place is this? You want to leave just like that? Don't you have any manners?" Said Li Lu.

Jiang Yu said helplessly, "What is this place? Do I have to ask you this?"

"Of course I know what this place is." Li Lu said disdainfully, "Forget it. You should go back quickly. If you stay here, you will only disturb me and Xu Ye."

"Then thank you for letting me go," Jiang Yu said with a fake smile.

With that, Jiang Yu and Sister Xia entered the hotel together.

Seeing that Jiang Yu had gone back, Xu Ye also planned to go back and rest.

He had originally planned to wait for Jiang Yu to come back and then find an opportunity to talk to her and try to get close to her. However, Li Lu suddenly appeared out of nowhere.

Seeing that Xu Ye was also about to leave, Li Lu hurriedly stopped him and asked, "Why are you going back too?"

Xu Ye turned around and rolled his eyes. "Big sis, look at the time. Aren't you sleepy? If you don't sleep, I still need to sleep. So, big sis, I beg you to hurry back, okay?"

Li Lu pursed her lips and looked very aggrieved as she said, "Xu Ye, we just met. Why are you in such a hurry to chase me away?"

Xu Ye really felt that he had met a jinx. He wanted to cry, but no tears came out. "Big sis, it's almost midnight. Can you go back to sleep?"

Li Lu was so aggrieved that she was about to cry. She said, "How come you can wait here for Jiang Yu to come back? Once I come, can't I even talk to you a little?"

Xu Ye wanted to say, "You and Jiang Yu really can't be compared." But he also knew that if he said that, Li Lu would definitely find trouble with Jiang Yu again.

If Jiang Yu felt that it was because of him, then she would definitely be even more unwilling to talk to him.

He was really unlucky. Why did he always get into trouble? One was Li Lu and the other was Tang Xue.

Chapter 536: Chance To Make A Comeback

Xu Ye no longer paid attention to Li Lu and went straight back to the hotel.

Li Lu was unwilling to give up and shouted several times behind Xu Ye, "Xu Ye! Xu Ye! Why are you ignoring me?!"

Xu Ye did not turn around or stop, but he still threw a sentence at Li Lu, "Big Sis, hurry up and go back! Don't disturb my rest."

"Are you waiting for Jiang Yu to rest? Why do I have to go back to rest the moment I come?"

Xu Ye did not speak again and soon disappeared from Li Lu's sight.

"That Jiang Yu! She's so annoying!" Li Lu stomped her feet indignantly. She could only digest the anger that filled her.

The next morning, Jiang Yu woke up early. There were still dark circles under her eyes.

Xu Ye also woke up early, but she looked much better than Jiang Yu.

Wen Nuan also saw the dark circles under Jiang Yu's eyes and asked worriedly, "Sister Jiang Yu, are you alright? I see that you have dark circles under your eyes. Did you have a good rest last night?"

Jiang Yu shook her head and said, "I'm fine. I just thought about things a little late last night and didn't get a good rest."

Wen Nuan asked, "What is it?"

Jiang Yu didn't say anything. She sat on the chair and closed her eyes to take a nap.

Seeing this, Wen Nuan tactfully didn't ask any more questions.

Seeing Wen Nuan like this, Xu Ye didn't look for Jiang Yu either. He was just reading his script in peace.

Tang Yi looked as if he had discovered a new continent. He asked in surprise, "Why didn't you look for Jiang Yu today?"

Xu Ye flipped through the script and said, "Didn't you see that Jiang Yu was very tired? Wen Nuan went to talk to her just now, and she was so tired that she didn't want to talk. If I went again, I would be looking for trouble myself."

Tang Yi smiled and said, "I remembered when you mentioned Wen Nuan. Didn't you go look for Wen Nuan before? In the end, she completely ignored you."

"Ahem." Xu Ye hurriedly coughed a few times to ease the awkwardness. "Why are you still talking about this matter? This matter has long passed."

Tang Yi smiled mercilessly and said, "I don't want to say it either, but this matter is really too funny! You, Xu Ye, are an award-winning actor. Originally, you wanted to use your looks to get close to her, but you didn't expect her to not fall for this trick! Hahahaha! Even Wen Nuan won't look at you properly. Do you really expect Jiang Yu to look at you?"

"Alright, stop talking." Xu Ye quickly stopped him and said, "If you keep talking, others might hear you."

Only then did Tang Yi shut his mouth, but the smile on his face did not disappear.

Jiang Yu rested for a while, then opened her eyes and said to sister Xia, "Did Li Lu really come here to look for Xu Ye Yesterday?"

Sister Xia whispered, "I think so. Otherwise, why would she come here?"

"That's true. She's currently banned, so she probably wouldn't dare to do such a thing," Jiang Yu said.

Sister Xia also said, "What she needs now is a chance to make a comeback. She should keep a low profile in everything she does. She can't let others know about it so openly."

"Yeah. Then this matter... might not necessarily not be her," Jiang Yu said in a deep voice.

Sister Xia was a little surprised and said, "Jiang Yu, you mean... the person behind this matter is really Li Lu?"

"I'm not sure either. Everything is just a guess."

Sister Xia still couldn't believe it. She said, "If it really is Li Lu... then isn't she crazy? She didn't do it flawlessly. If someone finds out, then she won't be able to make a comeback for the rest of her life."

Jiang Yu said, "If it's not her, that's for the best. That means she's not that stupid. But if it's really her... either she's really too stupid to be saved, or she has someone backing her up."

Chapter 537: Funny Story While Filming

Jiang Yu was still talking to Sister Xia about this when Wen Nuan came over and shouted, "Sister Jiang Yu, it's going to be our scene soon. The director asked me to call you over."

Jiang Yu said, "Alright, I'll be right there."

Then, she said to Sister Xia, "Sister Xia, I'm going to film first. If there's anything, you can handle it for me first."

Sister Xia said, "Okay."

Xu Ye was already waiting on set. When he saw Jiang Yu coming over, he initially wanted to stand up and wave at her. However, since there were people around, he couldn't act so excited, so he only waved gently, he said, "Jiang Yu, he's over here."

Although Jiang Yu walked over to him, she still asked Wen Nuan, "Isn't he going to be filming with us later? Why is he here?"

Wen Nuan was a little surprised as well. She asked curiously, "Yeah, I'm curious too. He wasn't here when I left to look for you just now. Why is he here so quickly?"

"He's really fast," Jiang Yu said helplessly.

When they got closer, Xu Ye put down the script and said, "Your scenes will be in a while. I just happened to come and watch it."

"Watch what?" Wen Nuan asked, puzzled.

"Of course it's your scene," Xu Ye said with a smile.

There seemed to be no reason to refuse this request, so Jiang Yu and Wen Nuan tacitly agreed.

When everything was ready, Jiang Yu and Wen Nuan were also ready.

With the director saying "Begin," Jiang Yu and Wen Nuan quickly entered into an emotional state.

Xu Ye watched from the side and was unknowingly brought into an emotional state.

Tang Yi was also watching from the side. However, he was not looking at the two people who were filming, but at Xu Ye who was watching them filming.

"Xu Ye?" Seeing that Xu Ye's eyes were about to pop out, Tang Yi hurriedly shouted, "Xu Ye? Are you alright?"

After shouting a few times, Xu Ye came back to his senses and asked, "What's wrong? Is there something wrong?"

Tang Yi said with some worry, "I saw your expression just now, and you're about to fall into it. If I don't call you, I'm afraid you'll fall into the whirlpool called 'Jiang Yu'."

"How is that possible?" Xu Ye refused to admit that he was indeed attracted to Jiang Yu just now, so he could only quickly and weakly explain, "Tang Yi, don't think too much. I've never had such thoughts about Jiang Yu."

"I didn't say anything," said Tang Yi.

Xu Ye: "... Then what do you want to say?"

Tang Yi said, "I'm telling you that you must always remember what you want to do. Don't forget what you want to do because of other things."

"I'll never forget this." Xu Ye's eyes suddenly turned cold as he said, "I'll definitely get Jiang Yu. The Xu family will definitely rise again in my hands in the future."

Tang Yi looked at him, after a long while, he said, "It's good that you know what you want to do. Although I don't know why you think that as long as you get Jiang Yu, your Xu family will be able to rise again but I believe in you. I won't ask you why you want to do what you want to do."

Xu Ye nodded and didn't say anything.

However, Tang Yi was still a little worried.

However, the way Xu Ye looked at Jiang Yu just now was already different from usual.

In the past, when he looked at Jiang Yu, although he had a smile on his face and anyone would look elated when they saw him, there was no emotion in his eyes.

However, when he looked at Jiang Yu now, even though there was no expression on his face and his eyes were filled with joy, he could not hide it no matter what.

Chapter 538: Find Out The Truth

The filming of the movie went smoothly. Half a month later, Jiang Yu's scenes were successfully completed.

Wen Nuan sent Jiang Yu off, she said, "I still have one more scene to shoot. I have to go back and make up for it, so I can only send you here. Sister Jiang Yu, leave a contact number so that we can contact each other in the future."

Only then did Jiang Yu remember. She and Wen Nuan had never exchanged contact numbers before.

So, she left her number with Wen Nuan, and at the same time, she also left her number with Wen Nuan.

"Sister Jiang Yu, be careful on the way back."

Jiang Yu nodded and said, "Okay. You have to be careful on the set."

Wen Nuan smiled and said, "What kind of danger can there be on the set? But thank you, sister Jiang Yu, for being so worried about me."

"Okay. If there's nothing else, I'll go back first." Jiang Yu said, "Contact me if there's anything in the future."

“Okay!”

Jiang Yu and Sister Xia returned to the studio. Xiao Xia’s injury was almost healed, and she returned to work with Zhao Hui.

Jiang Yu asked, “Is your injury healed? Why are you back to work so soon?”

Xiao Xia smiled and said, “It’s okay. My injury isn’t serious. It’s already healed.”

“Okay.” Jiang Yu smiled with relief and said, “It’s good that you’ve recovered. Otherwise, I’d always be worried.”

Xiao Xia said, “It’s alright, Sister Jiang Yu. You can go back to work.”

“Okay.” Jiang Yu responded and brought Sister Xia into her lounge.

“Sister Xia, did you make any progress on the matter I asked you to investigate?” Jiang Yu asked.

Sister Xia said, “Fortunately, my little brother is a police officer here, so I asked him to help me investigate. He has printed out all the things that he has found in the past few days for me. I’ll put them on your desk.”

Only then did Jiang Yu see the few pieces of paper on the desk in front of her. They were filled with words.

She picked them up and looked at them carefully for a while before putting them back.

“A black private car, and the license plate number...” Jiang Yu memorized all the information in her mind.

“These are the things that he has found out these past few days. If you feel that these are not enough, why don’t I find a time to invite him out so that you can meet him?” Asked sister Xia.

Jiang Yu nodded and said, “Alright. Is he resting today? If he’s resting, why don’t we do it today.”

Sister Xia said, “I’ll ask him.”

“Okay.”

Hence, Sister Xia gave her little brother Chang Kai a call and hung up a moment later, she said to Jiang Yu, “What a coincidence. He’s not on duty today. Although he’s not resting, he gets off work early. The two of you still have time to meet.”

“Alright, thank you, Sister Xia.”

“It’s okay. Xiao Xia’s matter is also our matter.”

Sister Xia arranged a time and place for Jiang Yu and Chang Kai. She said, “Then let’s meet at this place, at this time. Is that okay?”

“Yes, yes. I’ll have to trouble you, Sister Xia.”

Seven o’clock in the evening, at the Flowing Water Teahouse.

Jiang Yu and Sister Xia arrived earlier and waited for Chang Kai in the teahouse that they had agreed on. Not long after, Chang Kai knocked on the door and entered.

"Hello!" Chang Kai was young and wore a light-colored shirt. He exuded a youthful aura.

Sister Xia saw her little brother and smiled. "You're here quite early."

Chang Kai said, "You called me, so I came right after work. I didn't have time to do anything."

Jiang Yu also stood up and said, "Hello, I'm Jiang Yu."

Chang Kai smiled and said, "Hello, my name is Chang Kai. I'm Xia Jie's younger brother."

Chapter 539: Tidy Things Up Carefully

"I heard Sister Xia mention it before," Jiang Yu said, "She probably hasn't eaten yet, right? Let's have something at the teahouse then."

Chang Kai said, "Thank you for your kindness then."

Jiang Yu said, "It's alright. I still have something I need your help with."

Chang Kai scratched his head, he said, "How can this be considered asking for my help? As a police officer, it's only right to serve the people. My Sister has already told me about this matter, and I'm also in a difficult position because we really can't build a case without sufficient evidence. But my sister said that this was planned by someone, so I decided to help you guys."

Jiang Yu said gratefully, "I'm really grateful to you. At that time, my friends said that the police wouldn't build a case, and I was anxious for a long time. Now that someone is willing to help, I'm really grateful."

Chang Kai said, "It's okay. As a police officer, it's my duty to serve the people."

Jiang Yu said, "Then, Mr. Chang, apart from the information Sister Xia gave me, is there any other information?"

Chang Kai shook his head, he said, "No. These are all the information I've found in the past few days. But there's one thing I don't understand. The car that hit Xiao Xia was a black private car, and there were witnesses who saw the license plate number of the car. But when I went to the car dealership to check again, the license plate number of the car had already been canceled."

"Canceled?" Jiang Yu paused.

Chang Kai said, "Yes. But I found the information of the person who was canceled. I can show it to you. But I have to remind you that this person used a fake name."

"I guessed it," Jiang Yu said.

"Okay." Chang Kai opened the phone and handed it to Jiang Yu. He said, "Take a look."

Jiang Yu took the phone and looked at it carefully for a while. She asked in puzzlement, "Li Shuang? Is this the person who canceled the license plate number?"

Chang Kai said, "Yes. And I've seen the specific information. This Li Shuang is a man. But since that person can use a fake name, this gender may also be fake."

"Your worry isn't unreasonable," said Jiang Yu.

Sister Xia also took the phone from Jiang Yu's hand and looked at it carefully. She said, "Li Shuang is a fake name? Then can you tell the real name from this name?"

Jiang Yu shook her head and said, "That's a bit difficult."

Therefore, Sister Xia looked at Chang Kai and asked, "You can't tell either?"

Chang Kai scratched his head and said with some embarrassment, "Sister, aren't you overestimating me? In the end, I'm also a young policeman who just became a full-time police officer. How can I have this kind of ability?"

"Sigh, this time, the clues are broken again." Sister Xia sighed and said helplessly.

"It's not completely useless. At least we know about this Li Shuang." Jiang Yu said with a pleasant tone.

Sister Xia said, "This Li Shuang? But it's a fake name."

Jiang Yu said, "Whether it's a real name or a fake name, at least it's a name. Since that person chose the name 'Li Shuang,' then we should check all the local 'Li Shuang' names."

"Huh?" Chang Kai was a little surprised and said, "All of them? Isn't that too much? Besides, I'm only a small police officer. I really don't have the authority to do that."

"It's alright. I can handle this matter myself," said Jiang Yu. "Thank you very much for bringing me this news today."

Chang Kai was also a little embarrassed and said, "I didn't help much, so there's no need to thank me so much. Besides, I'm very happy that I can help."

"Okay. Well, let's call it a day. Mr. Chang, I'll call the waiter over to order some dishes. Let's go back after dinner."

Chapter 540: Such An Old Woman

Chang Kai said, "I won't stay for dinner. It's my girlfriend's birthday today, and I'm in a hurry to go back and celebrate her birthday."

"If that's the case, I won't keep you," said Jiang Yu as she stood up to send Chang Kai out.

"Contact me if you need anything!" Said Chang Kai.

Jiang Yu and Sister Xia sent Chang Kai back. As soon as they went out, they saw a very old woman dressed in pretty clothes.

The smell of makeup on that woman was very strong. It didn't even need to be blown by the wind for it to drift into Jiang Yu and Sister Xia's noses. It was very choking.

Jiang Yu couldn't help but cover her nose with her hand, or else she would have sneezed from choking.

But when that woman saw it, she thought Jiang Yu was looking down on her, so she stopped and asked, "What's wrong with you?"

Jiang Yu didn't react and asked, "What?"

The woman asked again, "What do you mean by covering your nose? Do I smell bad?"

Jiang Yu put her hand down and said, "No."

Although she didn't know why the woman in front of her had such a big reaction, Jiang Yu still felt that her actions might have been inappropriate and made the person in front of her embarrassed.

"No? Then why are you covering your nose?" The woman's tone was very dissatisfied.

Chang Kai heard the noise behind him and turned his head. He asked in puzzlement, "What's wrong?"

Sister Xia hurriedly chased him away and said, "You go back first. You don't have to worry about the things here."

"But it seems that you two are about to quarrel..." Chang Kai was still a little worried that they would fight over these small matters.

Sister Xia said softly, "Don't worry. There are many people here. Jiang Yu is a celebrity. She knows what to do and what not to do."

"I, I see..." Chang Kai touched his nose and said, "Then I'll go back first. You guys be careful too. Don't do anything."

Sister Xia said, "I know, I know. You go back first."

Only then did Chang Kai go back.

Meanwhile, Jiang Yu was still talking to the woman who smelled like makeup.

Jiang Yu didn't know how to explain this matter to her, so she could only say, "I'm sorry. I didn't think it through."

The woman still refused to give up and said, "You little b * tch, what's your name?"

Seeing that she spoke rudely, Jiang Yu frowned and said, "I admit that my actions were indeed wrong, but I've already apologized. Why are you still scolding me?"

"Why are you talking so much nonsense?" The woman was impatient and said, "Then I won't scold you anymore. I was wrong just now, okay? My name is Yang Fen. What's yours?"

Although Jiang Yu was a little angry, the person in front of her had already said her name. In return, she had to say her name, "I'm Jiang Yu."

"You are Jiang Yu?" Yang Fen's eyes suddenly had a tinge of playfulness.

"Do you... know me?" Jiang Yu pointed at herself and asked with uncertainty.

Yang Fen said, "Why don't I know you? Lai Lai always talks about you. He says that you are good-looking, have good acting skills, and have a smart brain. He said it so many times. Of course I'll remember it."

Jiang Yu didn't know who Yang Fen meant by "Lai Lai", so she subconsciously asked, "Who's 'Lai Lai'?"

Yang Fen rolled her eyes at her and said, "Yuan Lai. Don't you know him? Didn't you two record variety shows together before?"

It was actually Yuan Lai? Jiang Yu was dumbfounded.

This was something she had never expected.

The woman in front of her looked very old. Since she called Yuan Lai "Lai Lai", the relationship between the two of them must be extraordinary. Perhaps it was Yuan Lai's mother?
