

Older Man 541

Chapter 541: Hard To Accept

However, this was after all Jiang Yu's guess. Whether Yang Fen was Yuan Lai's mother or not, this matter had yet to be confirmed.

Therefore, Jiang Yu asked very politely, "Who are you to Yuan Lai?"

Jiang Yu originally thought that she would be able to hear the words "Mother" or "Aunt", which sounded like an elder. In the end, what she heard was, "I am Yuan Lai's girlfriend."

Girlfriend?!

This time, Jiang Yu was completely stunned.

Even Sister Xia, who was used to big waves in the entertainment industry, was so shocked by this news that she couldn't close her mouth.

"What? Girlfriend?" Jiang Yu couldn't believe it and asked again.

Because this Yang Fen in front of her looked to be at least 40 years old! But Yuan Lai was only 23 years old, how could he get Yang Fen to be his girlfriend?

"That's right. I'm Yuan Lai's girlfriend." Yang Fen looked at Jiang Yu discontentedly and said, "Why? Don't you believe me?"

"No..." Jiang Yu didn't know how to say it.

She couldn't say, "You look a little too old to be Yuan Lai's girlfriend," right?

However, while Jiang Yu was still brainstorming, someone appeared and verified Yang Fen's words.

"Fen Fen, why are you here?"

This voice was very familiar. It was clearly Yuan Lai!

"Eh?" Yuan Lai also saw Jiang Yu and said happily, "Jiang Yu! Why are you here?"

Jiang Yu did not mention that she had asked Chang Kai for help. She only said that she had been a little tired recently, so she took the opportunity to have a meal with Sister Xia while she was resting.

Yuan Lai did not suspect him and asked, "Just the two of you?"

Jiang Yu nodded and said, "Yes, just the two of us."

"Then let's eat together?" Yuan Lai said, "Fen Fen and I have ordered a lot of dishes anyway. We won't be able to finish them all."

Jiang Yu wanted to refuse, but before she could say anything, she heard Yang Fen acting coquettishly to Yuan Lai and said, "Aiya, come, come! Why did you ask them to eat with us?"

Yuan Lai looked at Yang Fen dotingly and said, "It's okay, Fen Fen. Jiang Yu is my friend. A meal between friends doesn't affect anything."

Yang Fen was still acting coquettishly, and her voice was very soft. "But she wants to eat with you. This Jiang Yu, isn't she disturbing our two-person world?"

Yuan Lai was also a little embarrassed. He said, "Then... Jiang Yu, I'm sorry. I can't do anything about it. You saw it yourself. Fen Fen said she wants to have a private time with me."

Jiang Yu hurriedly said, "It's okay. Sister Xia and I have already finished eating. We're going back now."

"Then I won't send you off." Yuan Lai hugged Yang Fen's waist and said to Jiang Yu.

Jiang Yu said, "There's no need to send me off. You can have dinner with your... girlfriend."

With that said, Jiang Yu and Sister Xia hurriedly left the flowing water teahouse.

"What's going on with this Yuan Lai?" Sister Xia seemed to be frightened by Yang Fen and was still in shock along the way.

Jiang Yu was also really frightened and said, "I don't know. At first, I thought Yang Fen was Yuan Lai's elder, but in the end, she's his girlfriend?"

Sister Xia was very puzzled, "But... why would Yuan Lai like this Yang Fen? Yuan Lai is only 23 years old. No matter how she looked at it, Yang Fen was already 40 years old, right? Not to mention the age difference, just by looking at her temperament, it was impossible for Yuan Lai to like Yang Fen, right?"

Jiang Yu was also very puzzled, "When I was recording variety shows with Yuan Lai, I also heard him say that the type of girl he liked was cute, gentle, and preferably smaller. But this Yang Fen..."

"But this Yang Fen is completely different from Yuan Lai's ideal type, isn't she?" Said Sister Xia

Chapter 542: Team Trip

Jiang Yu and Sister Xia had just returned to the studio when they received a call from Yuan Lai.

The screen of the phone flashed with the words "Yuan Lai". Jiang Yu did not know whether to answer it.

Sister Xia looked at her troubled expression and asked, "Jiang Yu, what's wrong?"

Jiang Yu helplessly raised the phone and handed it to Sister Xia. "Yuan Lai called me."

Sister Xia said, "Then hurry up and answer it."

Jiang Yu was afraid that Yuan Lai had called her to talk about her girlfriend, but on second thought, she felt that it was really unnecessary for Yuan Lai to tell her about his girlfriend, so she picked up the phone, she asked, "Yuan Lai? What's the matter?"

Yuan Lai had indeed not said anything about his girlfriend, he even said excitedly, "Jiang Yu! Our 'Ace vs Ace' variety show is already in its final episode. The director said that everyone should get together for a meal and that they could bring their families!"

It seemed that the main reason why Yuan Lai was so happy was because of the director's last sentence.

"So... are you going to bring your girlfriend along?" Jiang Yu asked.

Yuan Lai said, "Of course! I have to bring her out for this kind of occasion and introduce her to all of you! That's right, Jiang Yu, haven't you met her before? What do you think of her?"

Jiang Yu felt that this question was really difficult to answer.

Fortunately, Yuan Lai did not pursue the question and continued to say, "What do you think? Do you also think that she's very beautiful, has a good figure, and is also very outstanding?"

Was she pretty? Had a good figure? Where did Yuan Lai find out all this from?

Jiang Yu pursed her lips and hesitated for a moment before asking, "Yuan Lai, can I know when and where you met your girlfriend?"

Speaking of this, Yuan Lai said smugly, "Jiang Yu, if you're asking about this, then I have to tell you about it. Jiang Yu, do you know 'love at first sight'? My love for Fen Fen is the legendary love at first sight! That day when I was recording the program, I accidentally caught a glimpse of her on the street. I was deeply attracted to her and was unable to extricate myself from it."

"That's it?" Jiang Yu was dumbfounded. She didn't know that Yuan Lai was actually a lover.

"What do you mean that's it?" Yuan Lai was a little displeased and said, "Jiang Yu, didn't you and Mo Long fall in love at first sight? If so, then you will definitely understand my feelings!"

Jiang Yu wanted to say that she didn't fall in love at first sight with Mo Long back then. Instead, she had fallen in love with him bit by bit after spending a long time together.

However, it was useless to say anything now because Yuan Lai would not listen at all.

"So, Jiang Yu, do you want to bring Mo Long over on the day of the team outing?" Yuan Lai asked.

Jiang Yu said, "I will see if he's busy with work."

"Then it's a deal!"

Yuan Lai hurriedly hung up the phone, leaving Jiang Yu to remain silent on the other end of the line.

Seeing that she had finished the call, Sister Xia asked, "How was it? What did he say?"

Jiang Yu sighed and said, "Yuan Lai said that there's a team-outing recently, and it's for the variety show 'Ace vs Ace.'"

Sister Xia said, "That's a good thing. Go. It's a good opportunity for you to go back and get to know them better."

Jiang Yu said, "The director said that we can bring family members."

"Bring family members?" Sister Xia paused, clapped her hands, and said with a smile, "Isn't that a good thing? If you bring Mo Long, it'll make you look good!"

Jiang Yu said, "That's not what I meant... Yuan Lai said that he will bring his girlfriend along."

"... Huh?" Sister Xia was stunned.

Chapter 543: Flowing Water Teahouse

“Yuan Lai is going with that Yang Fen?” Asked Sister Xia.

Jiang Yu said, “Yes.”

“Although Yang Fen is Yuan Lai’s girlfriend, it’s understandable if he brings Yang Fen along... but the standards of Yang Fen and Yuan Lai’s spouse selection are too far apart,” said Sister Xia.

Jiang Yu said, “Forget it. This matter has nothing to do with us in the end. It’s not our business who Yuan Lai likes. It’s just a pity for Wen Nuan.”

Sister Xia could not help but sigh when she thought of warmth. She said, “Wen Nuan is a good girl. I wonder how sad she would be if she knew that Yuan Lai had found a girlfriend, a girlfriend like Yang Fen.”

Jiang Yu also sighed and gave Mo Long a call.

Mo Long quickly picked up the call and asked, “What’s the matter, Yu’er?”

Jiang Yu asked, “I have a team outing in a few days. Do you have time? Can you accompany me?”

“Oh?” Mo Long’s interest was piqued and he said, “In the past, when there were such events, you were afraid that I would scare others when I went. Why did you take the initiative to ask me to go this time?”

Jiang Yu said coquettishly, “Aiya, just tell me if you have time.”

Mo Long looked at the schedule on his desk and asked, “Yu’er, when is your team-outing?”

Jiang Yu thought for a moment and said, “The day after tomorrow. The day after tomorrow is the recording of the last episode of the variety show that I participated in before. The director said that everyone will have a meal together after it ends.”

Mo Long said, “Alright. I’ll transfer the work for that day to tomorrow.”

“You have work? Then don’t accompany me. Just focus on your work,” Jiang Yu quickly said.

Mo Long smiled and said, “It’s alright. I don’t have a lot of work to do that day. It wasn’t easy for you to personally ask me out. How could I not go?”

Jiang Yu also smiled, but she still said, “You’re so glib-tongued. You haven’t been straight all day.”

After saying a few more words, Jiang Yu hung up the phone and said to Sister Xia, “Sister Xia, do you want to go to the team outing the day after tomorrow?”

Sister Xia said, “I won’t go. The day after tomorrow is the day my younger brother and his girlfriend meet their parents. I have to be there.”

Jiang Yu said, “That’s good too. Then I wish you all the best, Sister Xia.”

“Alright, I’ll rely on your good words.”

Soon, it was team outing day. Mo Long specially drove over to pick Jiang Yu up.

“Why are you dressed so formally today?” Jiang Yu looked at Mo Long’s neat suit and asked.

Mo Long said, "After all, I'm meeting your friends. It's a must to dress up a little."

Jiang Yu couldn't help but laugh and said, "I see that you're trying to use your beauty to seduce me!"

Mo Long also laughed and said, "I can't believe you can see through my little plan."

The two of them joked along the way and soon arrived at the place where the team outing was— Flowing Water Teahouse.

When Jiang Yu saw the plaque, she couldn't help but be stunned for a moment. She subconsciously shouted, "Flowing Water Teahouse?"

Mo Long looked at her and asked, "What's wrong? Have you been here before?"

Jiang Yu said, "I came here a few days ago when I was having dinner with Sister Xia. I also saw Yuan Lai and his girlfriend here."

Jiang Yu only mentioned that she had eaten with Sister Xia and saw Yuan Lai. She didn't mention that she had asked Chang Kai for help.

However, Mo Long seemed to have some impression of Yuan Lai. He said, "Yuan Lai, isn't he the person who recorded the variety show with you?"

Jiang Yu nodded and said, "It's him."

Just as she said that, Jiang Yu heard someone call out to her, "Jiang Yu!"

Speak of the devil.

Chapter 544: Girlfriend

Jiang Yu turned around and saw that the person who called her was indeed Yuan Lai.

His hand was still wrapped around Yang Fen's waist.

Yang Fen was originally leaning against Yuan Lai's embrace like a little bird. However, when she saw Mo Long, her eyes widened.

Her body also straightened up. She always wanted to break free from Yuan Lai's embrace and walk to Mo Long's side.

However, Yuan Lai was a little too strong and Yang Fen couldn't break free. Moreover, Jiang Yu was standing beside Mo Long, which made Yang Fen even more unhappy.

Therefore, she softened her tone and asked, "Are you Jiang Yu? The one we met last time?"

Jiang Yu replied, "It's me."

Yang Fen covered her mouth and laughed a few times before saying, "I knew it was you. It seems like I have a good memory. Am I right? Come, come, come?"

Yang Fen's voice was deliberately muffled. When the passersby heard it, they had goosebumps all over their bodies.

However, Yuan Lai seemed to enjoy it very much. He even smiled and said to Yang Fen, "I told you that you are smart."

"Aiya, come on. You only know how to say nice things to make me happy," Yang Fen said with a charming smile.

However, the words were directed at Yuan Lai, but her eyes were still fixed on Mo Long.

Jiang Yu didn't take it to heart at first, but she had no choice but to be alert at this moment and stand in front of Mo Long.

Mo Long had always been sharp. He had long noticed Yang Fen's gaze on him.

Originally, he had been holding back his anger, but when he saw Jiang Yu standing in front of him, his mood suddenly improved.

It seemed that Yu'er still cared about him.

Yang Fen was not afraid when she saw Jiang Yu standing in front of Mo Long, but she was not as bold as before.

"Don't stand outside. Hurry up and go in and eat," Yuan Lai said.

As he spoke, he brought Yang Fen in.

Jiang Yu and Mo Long also went in.

After entering the private room, everyone was basically present.

He Zhen specifically chose a spot closer to Jiang Yu and asked in a low voice, "Jiang Yu, is this great president Mo? This is the first time I've seen him in person!"

Jiang Yu said, "Then you can see all you want today."

He Zhen curled his lips and said, "I'm not going to. Wouldn't it be strange for a man like me to watch another man? If I have the time, I might as well go and investigate Yuan Lai's girlfriend."

Jiang Yu locked her gaze on Yang Fen again and realized that her gaze was always on Mo Long, not on Yuan Lai who was beside her.

Jiang Yu was a little displeased and said to Mo Long, "Why do you think that Yang Fen keeps looking at you? You're not her boyfriend. Why is she looking at you? Isn't she afraid of being a prickly eye?"

Mo Long didn't know whether to laugh or cry and said, "Why are you blaming me for this? I'm not the one who wanted her to look at me."

Jiang Yu said, "Then are you just going to let her look at you?"

Mo Long approached her and said, "Then I'll only let you look."

Jiang Yu snorted and didn't say anything.

On the other hand, He Zhen couldn't stand it anymore and said, "I say, the two of you should stop showing off your love in front of me!"

Everyone at the table burst into laughter. Even Yuan Lai said, "That's right! He Zhen, why don't you come over to my side? Fen Fen and I will definitely not show off our love."

He Zhen glanced at Yang Fen and instantly became obedient. He said, "Then forget it. It's fine for me to sit here. I won't disturb the two of you."

Yuan Lai didn't mind and said, "That's fine too. You can just sit there."

However, Yang Fen wasn't so easily fooled.

She slapped the table and said, "What do you mean by that?"

Chapter 545: The Awkwardness At The Dinner Table

He Zhen didn't mean to cause trouble, nor did he mean to say that. But Yang Fen still took it to heart.

So she angrily asked again, "What exactly do you mean? Speak!"

He Zhen was a man, and he didn't usually talk to girls, so he rarely made girls angry.

Now that Yang Fen was angry at the dinner table, He Zhen was more or less embarrassed.

"Why aren't you talking?"

Except for Yang Fen, no one at the dinner table said anything — because they didn't dare to step on Yang Fen's mine.

After Yang Fen finished speaking, everyone at the dinner table fell silent.

Suddenly, the ringtone of a cell phone rang, and everyone's eyes fell on Mo Long.

Mo Long did not feel embarrassed and said, "I'm sorry, I have to take this call."

With that, Mo Long went out.

A few seconds after he left, Yang Fen got up and excused herself by saying that she wanted to go to the bathroom. She also went out.

Jiang Yu had long noticed that Yang Fen was looking at Mo Long in a strange way. So after Yang Fen went out, Jiang Yu found an excuse to go out.

However, as soon as Yang Fen left the room, Jiang Yu followed behind her, but she couldn't see Yang Fen anymore.

"Strange, where did she go?"

Mo Long went to the bathroom to answer the phone. He turned around to return to the private room, but when he turned around, he saw Yang Fen following behind him.

Mo Long frowned and asked, "Why are you following me?"

Yang Fen used the tone she used earlier to say to Mo Long, "Why am I following you? I also came out to the bathroom, but I just happened to meet you."

Even though she said that, the way Yang Fen looked at Mo Long betrayed her.

“Just happened?” Mo Long obviously didn’t believe her and said, “I don’t want to meet you by chance.”

“You...” Yang Fen was a little embarrassed, but she still put on a smile and said, “What? Am I not better than that Jiang Yu?”

Mo Long hated it when people used such a tone to mention Jiang Yu, and she even compared herself to Jiang Yu.

Mo Long’s tone was displeased as he said, “Get out of my way.”

Yang Fen was not afraid of Mo Long’s tone. She even twisted her waist and walked closer and closer to Mo Long.

The smell of makeup on her body was very strong. He could smell it from five meters away, not to mention that Mo Long was only less than a meter away from her.

Mo Long covered his nose and said, “Stay away from me.”

Yang Fen blew at Mo Long and said, “Why? Am I not pretty enough? Or is my figure not good enough?”

Her breath seemed to carry something strange, causing Mo Long’s head to feel a little dizzy.

Fortunately, Jiang Yu appeared in time and shouted, “Mo Long!”

Mo Long finally reacted. He rubbed his temples and shouted, “Get lost!”

Then, he fiercely pushed Yang Fen away.

Yang Fen was pushed to the ground by Mo Long, but there was no anger on her face. She said coquettishly, “President Mo, why are you so cruel to me?”

Mo Long’s head was still a little dizzy. Jiang Yu stood in front of him and said, “Yang Fen, you are Yuan Lai’s girlfriend.”

When she heard the word “Yuan Lai,” Yang Fen’s expression turned ugly. She said, “I don’t need you to remind me of my identity!”

Jiang Yu said, “Don’t you need me to remind you? But in my opinion, I have to remind you of your identity before you know what you should do and what you shouldn’t do, right?”

Yang Fen got up and patted the dust off her body, saying, “I’m too lazy to waste my breath here with you. I’m going back. Take care. I won’t send you off.”

With that, Yang Fen shook her butt and went back.

Chapter 546: Evil Ability

“How are you?” Jiang Yu quickly asked, “I think I saw Yang Fen blowing at you just now, right? What is that thing?”

Mo Long took a moment to calm down before he felt better.

He was not sure what Yang Fen’s breath was, but he was sure that it was definitely not something good.

"I'm not sure either. It looks like something evil," Mo Long guessed.

Jiang Yu was also very worried. "Witchcraft? How do you feel now? Are you feeling better?"

Mo Long nodded and said, "I'm much better. It's okay. You don't have to worry about me."

Jiang Yu said, "It's good that you feel better. But this Yang Fen... then what about Yuan Lai? Judging from the way Yuan Lai treated her, Yang Fen must have cast some sorcery on him, which was why he was so devoted to her."

"This matter isn't easy to solve. We have to find a professional," said Mo Long.

Jiang Yu thought for a moment and said, "I remember that when I was in school, I heard that someone specialized in studying these things. I'll ask around when I go back and see how to solve the sorcery on Yuan Lai."

Mo Long was also worried that something might happen to Jiang Yu, so he said, "This matter is very dangerous. Don't go."

Jiang Yu said, "This is not only for Yuan Lai, but also for you. I saw it clearly just now. She clearly wants to set you up."

Mo Long was silent for a moment before saying, "But I'm fine."

Jiang Yu said, "Just because you're fine now doesn't mean that you will be fine in the future. Yang Fen doesn't look like she'll let this matter go easily."

Mo Long hesitated for a moment before saying, "Alright, but you have to be careful. I'll get someone to check for you here. In short, you must remember to be careful."

Jiang Yu said, "Alright, I know. You don't have to worry about me."

After this incident, Jiang Yu and Mo Long didn't want to return to the private room anymore, so they went back.

The people at the dining table didn't know what was going on. They just thought that Mo Long was busy with work and was in a hurry to go back to deal with work. As for Jiang Yu, after Mo Long went back, it was meaningless for her to stay here alone, so she went back with him.

However, only Yang Fen knew that Mo Long and Jiang Yu didn't come back because of her.

"You're really narrow-minded." Yang Fen brought all the good dishes in front of her. As she ate, she said, "I'm just being a little closer to him? Do you have to guard against me like a thief?"

Her voice was very soft, and only Yuan Lai, who was the closest to her, heard her. However, he didn't hear her clearly, so he asked, "What's wrong, Fen Fen?"

Yang Fen's mouth was full of oil, and she said vaguely, "Nothing much. I just saw a very good-looking person."

Because the dishes in front of Yang Fen were all good dishes on the table, the rest of the people basically didn't have any dishes in front of them.

So they just held chopsticks in their hands and hung in the air, not knowing which dish to pick up.

However, Yang Fen didn't care about these things at all. Yuan Lai also wholeheartedly supported Yang Fen, wishing that he could put all the dishes in front of her.

"This... What are we eating?" He Zhen couldn't help but complain, "These dishes have been taken away. What are we eating? Air?"

Before Yang Fen could swallow the drumstick in her mouth, she said, "What do you mean by this? Are you blaming me?"

Yuan Lai quickly coaxed her and said, "Fen Fen, good Fen Fen, don't be angry. He Zhen is my friend. He's not against you. He's just joking."

He Zhen had nothing to say. He just said, "The two of you are indeed a couple."

Chapter 547: Return To School

Yuan Lai's brain seemed to have been charmed silly. He thought He Zhen was praising him and Yang Fen.

He Zhen shook his head and said, "There's no hope. There's really no hope."

He couldn't stay any longer and found an excuse to go back.

Mo Long and Jiang Yu went back, and even He Zhen went back. There were only a few people left, so everyone found an excuse and went back.

Only Yuan Lai and Yang Fen were left.

"Fen Fen, we can have our own time again," Yuan Lai said happily.

Since Yang Fen had met Mo Long, she no longer had a place in her heart for Yuan Lai. All she could think about was Mo Long.

However, she couldn't dump Yuan Lai now, so Yang Fen continued to pretend with Yuan Lai and said, "It's good that they left. This way, they won't disturb us."

Yang Fen and Yuan Lai were lovey-dovey with each other. Jiang Yu and Mo Long had already returned to Mo Garden.

After packing up the next day, Jiang Yu greeted Sister Xia and hurried back to school.

Lu Qi and Dai Zhu had been bored at school. Now that they heard that Jiang Yu had returned, they couldn't help but run to the school gate to welcome her.

"What are you doing?" Jiang Yu didn't know whether to laugh or cry. "I'm returning to school, not from some faraway place. Why are you still going out to welcome me?"

Lu Qi said, "We haven't seen you for a long time! If you continue to work outside, I'm afraid that when you come back, we will all graduate!"

Dai Zhu also said, "That's right! You work outside, don't you have time to rest? You don't even come back to see us when you're resting. How heartless."

Jiang Yu smiled and said, "I really can't do anything about you guys."

Lu Qi asked, "Oh right, why did you come back this time? You looked very anxious, and you didn't tell us in advance."

Jiang Yu didn't tell them about Yuan Lai and Yang Fen, but only said that she needed to return to school to earn credits.

"Your credits are full even if you don't earn them, right?" Lu Qi said, "After all, you're so outstanding, and you've helped our school win a lot of glory."

Jiang Yu was not sure, so she said, "I'm not sure about that."

In fact, the main reason Jiang Yu went back to the school was to undo Yuan Lai's spell. Academic credits were just secondary.

"You just came back. Do you want to rest for a while?" Lu Qi asked.

Jiang Yu nodded and said, "Okay. When I'm done resting, I'll come back and look for you guys to go out together."

Lu Qi and Dai Zhu smiled and said, "Got it. Let's go. We'll send you back. It's on the way."

"That's good too."

However, they encountered some unpleasant things on the way back.

Kang Xue was bringing her group of followers back to the dormitory when she saw Jiang Yu and two other people walking over.

"I didn't look at the calendar when I went out today." Kang Xue sneered and said, "I thought it was someone from afar. So it's Jiang Yu? She went out to work for so long and still knows how to go back to school to take a look?"

As soon as she said this, the people behind her laughed.

Jiang Yu didn't say anything and just squinted at Kang Xue.

However, Lu Qi and Dai Zhu couldn't keep their cool. She said, "What do you mean? Xiao Yu is also a student of this school. What's wrong with going back to school to take a look? What does it have to do with you?"

Kang Xue's words were blocked by someone, so she wasn't angry and said, "Of course it has nothing to do with me. Do you think I'm happy to talk to You? What bad luck. Let's go, let's go back."

So Kang Xue left with her group of followers.

When they left, Jiang Yu saw Jiang Ran among them.

Chapter 548: Mystical Society

?

Jiang Ran didn't dare to look at Jiang Yu, so she lowered her head and left with the crowd.

Jiang Yu had a thoughtful expression on her face.

Lu Qi and Dai Zhu didn't see these details, so they wanted Jiang Yu to go back and rest.

After Jiang Yu returned to her dorm, there was only Yuan Zhen in the room.

"You're back?" Yuan Zhen's tone became excited when he saw Jiang Yu. He said, "Master! We haven't seen each other for a long time, right?!"

Only then did Jiang Yu remember that because of her hacking skills, she had taken in Yuan Zhen as her disciple.

"It has indeed been a long time since we last met," said Jiang Yu.

"Master, what are you doing back this time? Studying hard? Academic credits?" Yuan Zhen asked like a curious baby.

Jiang Yu recalled that Yuan Zhen was the one who had told her about the club that researched mystical arts in school.

Hence, Jiang Yu asked, "Yuan Zhen, do you still remember the society that you told me about? It's the one that studies mystical arts."

Yuan Zhen's interest was piqued and he asked, "Why did you suddenly ask about this? Didn't you tell me that mystical arts are unreliable?"

Jiang Yu didn't remember if she had said this before because Yuan Zhen had only mentioned it casually.

She didn't expect that she would remember the club that Yuan Zhen had casually mentioned, and Yuan Zhen would also remember that she had casually refuted him.

"Oh, you. You only remember what I said?" Jiang Yu said with a smile.

"Of course. By the way, why are you asking about this?" Yuan Zhen asked.

Jiang Yu said, "Recently, a friend of mine was also quite interested in this and came to ask me. I happened to recall that you had told me before, so I wanted to take the opportunity to ask you when I went back to school."

"I see." Yuan Zhen did not continue asking. Instead, she stroked her chin, "But I only heard about it once in a while," said Yuan Zhen. "I heard that they specially applied for a basement from the school, specifically to study this thing inside. At that time, the school thought that this basement had not been used for many years, so they approved it for them to use."

"Where is the basement?" Jiang Yu asked.

Yuan Zhen was a little embarrassed and said, "If you ask me about this, I really don't know... aren't you Professor Bai's disciple? When you see Professor Bai one day, you can ask him."

Without further ado, Jiang Yu planned to get up and go find Professor Bai right now.

"Where are you going?" Yuan Zhen shouted when he saw Jiang Yu leave.

Jiang Yu said, "I'm going to look for Professor Bai!"

Yuan Zhen continued shouting, "But you just came back! Rest a little longer!"

However, Jiang Yu had already walked far away, so she couldn't hear Yuan Zhen's words at all.

After Jiang Yu found Professor Bai, she inquired about the location of the basement.

Although Professor Bai didn't know why Jiang Yu asked him this, he still told her the location. After that, Professor Bai asked, "Jiang Yu, why are you asking this?"

Jiang Yu told Professor Bai what she had told Yuan Zhen.

Upon hearing this, Professor Bai smiled and said, "So you also believe in this?"

Jiang Yu shook her head and said, "I didn't believe in it before. But recently, something happened to that friend of mine, so I still plan to ask him."

Professor Bai said, "Alright, you can go then. But it's a mystical art after all. Some people believe in it, and some people don't. You must be careful if you ask him."

Jiang Yu nodded and said, "I'll definitely be careful, Professor Bai."

"Yeah, you must be more careful."

Chapter 549: Research Information

After Jiang Yu found out the location of the basement, she went over.

There was a signboard hanging at the entrance of the basement. It said, "This room is a mystical place. No one is allowed to enter."

It really gave off a strange feeling.

Jiang Yu knocked on the door politely and asked, "Is anyone there?"

After a while, a deep female voice sounded and asked, "Who is it?"

Jiang Yu said, "Hello, my name is Jiang Yu."

The girl in the room said, "I don't know you. Please go back."

Jiang Yu didn't want to go back just like that. She continued, "The people you know start from people you don't know."

There was a moment of silence in the room. She walked over to open the door and asked, "What's the matter?"

Jiang Yu said, "I heard from my friend that you are in a mystical society. A friend of mine has encountered some problems recently, so I wanted to ask you."

The girl asked, "Was he hit by a mystical spell?"

Jiang Yu shook her head and said, "I don't know. But his condition is indeed abnormal, as if he was hit by a mystical spell."

The girl was silent for a while, then made way for Jiang Yu, she said, "Then come in and wait for a while. Our president has gone out to eat. He'll be back in a while. If you're really bored, you can take a look at the bookshelf over there. There's a lot of information on it."

Jiang Yu said, "Thank you. My name is Jiang Yu. What's yours?"

The girl said, "Those who study profound arts don't tell others their real names. It's a code name. You can just call me 'Little Wolf'."

"Hello, Little Wolf." Jiang Yu politely greeted her. Then, she went to the bookshelf over there to get the book and began to flip through the information.

After reading for a while, Jiang Yu saw a record. "Those who are affected by this mystical art will lose their mind. Everything they do will be done according to the will of the caster."

Wasn't this the same situation as Yuan Lai?

Jiang Yu took the book and walked to Little Wolf's side. She asked, "Little Wolf, can you help me take a look at this?"

Little Wolf took the book from Jiang Yu's hand. After reading it, she was a little shocked and said, "Bewitching? How can someone cast such a vicious mystic art on others?"

Jiang Yu was also very surprised. If what Little Wolf said was true, then Yang Fen had bewitched Yuan Lai?

"In other words, my friend was bewitched by the bewitching technique?" Jiang Yu asked.

Little Wolf said, "But that's not necessarily true. There are other types of mystic techniques like bewitching. As for the specific situation, I'll only know when I see your friend. Or, we can wait for our president to come back. She has been studying mystical arts for a long time. She'll know when she sees something like this."

Jiang Yu nodded and said, "That's good too."

Not long after, the "President" that little wolf was talking about came back. It was a girl with a high ponytail and a pair of black-rimmed glasses.

The President saw Jiang Yu and asked little wolf, "Little Wolf, who is this? Is she your friend?"

Little Wolf said, "She's Jiang Yu, and she's also from our school. Jiang Yu, this is the President I told you about just now."

Jiang Yu said, "Hello, President. My name is Jiang Yu."

The president nodded and said, "Hello, Jiang Yu. Our Mystical Society has a rule that we can't tell others our real names, so you can just call me president or 'Little Kui'."

"Hello, Little Kui," Jiang Yu said with a smile.

Little Kui asked, "Who are you looking for here? Or do you want to join our Mystical Society?"

Jiang Yu told Little Kui about Yuan Lai.

Chapter 550: Observe Yuan Lai

Little Kui asked, "Can you invite your friend out? I need to take a look at his condition before I can say if he has been bewitched."

Jiang Yu said, "Alright."

Hence, she gave Yuan Lai a call and asked, "Yuan Lai? Are you free today? I have something to talk to you about."

On the other end of the phone, Yuan Lai said, "I'm free today. What's the matter?"

When he asked, there was a female voice beside him. "Come, come, who is it?"

It was Yang Fen.

Yuan Lai said, "It's Jiang Yu. She said she has something to tell me."

Yang Fen was displeased and said, "What does she want to tell you? I don't think she wants to seduce you, right?"

Yuan Lai said helplessly, "How is that possible! Fen Fen, don't think too much. You're the only one in my heart."

Jiang Yu was also very helpless. Yuan Lai had been affected quite badly.

"I just wanted to find you to come out and talk about the variety show," Jiang Yu found an excuse to say.

Yuan Lai said with some embarrassment, "But the variety show has been over for a long time. and... You know, I don't want to be too far away from Fen Fen."

It seemed that Yuan Lai really put all his heart and soul into Yang Fen.

"But if you agree to let me bring Fen Fen along, I can go," Yuan Lai said.

Jiang Yu agreed without hesitation, "Okay."

Jiang Yu agreed so readily that even Yang Fen was a little shocked.

She had seen her trying to seduce her boyfriend at the scene. She didn't expect Yuan Lai to bring her along this time?

This woman was really generous.

Since that was the case, she would accompany her to have some fun.

Therefore, Yang Fen also said, "Sure. As long as I can be with Yuan Lai, I'll go anywhere."

Jiang Yu really could not stand Yang Fen's tone. She quickly arranged a time and place with Yuan Lai and then hung up.

"It seems that you don't like your friend very much?" Little Kui asked, "Then why are you saving him?"

Jiang Yu said, "I don't hate my friend."

“Then you hate his girlfriend?” Little Wolf asked curiously, “You don’t like your friend, do you?”

Jiang Yu smiled helplessly, “No, you’ve all misunderstood. I have a boyfriend, and the person on the phone is really just a friend. It’s not that I hate his girlfriend, but I suspect that his girlfriend is the one who cast a spell on him.”

“There’s such a strange thing?” Little Kui was very surprised and said, “Is she his girlfriend? How could she do such a thing?”

Jiang Yu said, “I suspect that she relied on this kind of unspeakable mystic technique to become Yuan Lai’s girlfriend.”

After Little Kui and Little Wolf packed their things, they set off together with Jiang Yu.

When Jiang Yu arrived, Yuan Lai and Yang Fen had yet to arrive. Little Kui and Little Wolf found an inconspicuous seat and sat down. However, they could easily see the situation on Jiang Yu’s side.

Not long after, Yuan Lai arrived with Yang Fen.

Yang Fen was still dressed the same as before. The moment she entered, many of the guests at the table could not help but cover their noses.

Yuan Lai and Yang Fen came to Jiang Yu and said, “You’re here early. Have you been waiting for a long time?”

Jiang Yu smiled and said, “No. I just arrived and didn’t wait for long.”

Little Kui and Little Wolf were sitting diagonally behind Yuan Lai and Yang Fen, staring intently at Yuan Lai and Yang Fen.
