Chapter 551: Occult Bewitching Technique

Yuan Lai told Jiang Yu that it would take about the time for a meal before he left with Yang Fen.

Before he left, Jiang Yu asked, "Do you know Wen Nuan?"

Yuan Lai replied, "No."

Then, he hugged Yang Fen's waist and went back.

Jiang Yu walked over to Little Kui and asked, "How is it? Can you tell?"

Little Kui nodded and said, "It's indeed a bewitching spell."

"Is it really a bewitching spell?" Little Wolf said in shock, "It's a mystical spell that can harm people's lives! It is controlling the consciousness of others. Over time, people would die of mental exhaustion! How dare this woman?"

Little Kui said thoughtfully, "This woman's background is not small. We have to be careful."

Hearing that there was danger, Jiang Yu hurriedly said, "This matter has nothing to do with you. You must not be dragged into it. You just need to tell me the solution. I can solve it myself."

Xiao Kui shook her head, "Since we know each other, it's fate. Since we're all friends, I'll help you no matter what. Moreover, this is also the first time I have seen a mystic technique like the bewitching technique. If you really want a solution, you have to give me some time to properly investigate it."

Jiang Yu was moved and said, "Then thank you, Little Kui."

"Then let's go back now and look through the information together. Because the bewitching technique is a mystic technique that harms people's lives, there are very few records in the books. We need to find a solution from a pile of books. Furthermore, it might not be comprehensive, so we need to figure it out ourselves."

Jiang Yu said, "Alright, no problem."

Hence, the three of them went back together.

Little Kui said, "I'll be in charge of finding the bookshelf on the left while Little Wolf will look for the bookshelf in the middle. Jiang Yu, go look for the bookshelf on the right."

Little Wolf said, "Alright."

Jiang Yu also said, "Alright."

However, she continued asking another question, "Is there only the two of you in your Mystic Arts Club?"

Little Kui felt a little ashamed, she said, "Actually, we also recruited a lot of people back then, but in the end, there were only four of us in this club. Flower Head took leave to go back to take his driver's license. Pickled Peppers got into a fight and was sent home."

Little Wolf couldn't help but laugh. "That guy Pickled Peppers got into a fight with others and fell down the stairs! Sent Home? I think he went home to recuperate, right? Hahahaha!"

Jiang Yu didn't know whether to laugh or cry. She felt that these people were really interesting.

The three of them read for an entire afternoon. More than half of the books on the bookshelves were still unfinished.

"It seems that we can only continue searching tomorrow." Little Kui rubbed her eyes and said, "You should go back and rest early. This matter is indeed very urgent, but we can't delay our health."

Little Wolf also put the books back and said, "I'm too sleepy. I have to go back and rest. President, Jiang Yu, you should also go back and rest."

Jiang Yu also knew that this basement was someone else's territory. Since the two of them had gone back to rest, there was no reason for her to stay here any longer. Therefore, she also said, "Alright, I'll go back and rest now."

Jiang Yu went back to the dormitory. Yuan Zhen was still playing on the computer in front of his desk.

Jiang Yu asked, "Why aren't you resting?"

Yuan Zhen said, "I'm not tired. Why did you come back so late?"

Jiang Yu said, "There are too many books on the shelves. I haven't finished reading them yet."

Yuan Zhen said, "That many books?"

Chapter 552: Solution

Early the next morning, Jiang Yu got up and went to the basement. As for Little Kui and Little Wolf, they were already there looking for information.

"You guys are here so early," said Jiang Yu.

Little Kui was reading a book, she said, "I told Pickled Peppers about this. He said that he would come back no matter what. We'll wait a little longer and he'll be here. With one more person, we'll be able to do more. It'll be easier for us to find a solution."

Jiang Yu said, "Alright."

Not long after, a person opened the door and came in. The moment he entered, the person shouted, "Little Kui! Little Wolf! I'm back!"

Little Kui said, "Pickled Pepper, you're early. Hurry up and help with the research when you're back. Don't act like a salted fish."

Pickled Pepper immediately obediently ran over to Little Kui to help with the research.

Little Kui said, "There's no need to help me. There's a girl named Jiang Yu on the far right bookshelf. She doesn't have much experience. Go help her."

“Jiang Yu? Who’s Jiang Yu? Aren’t there only you and Little Wolf here?” Pickled Pepper didn’t see the person on the far right bookshelf.

Little Wolf mercilessly mocked him and said, “Pickled Pepper, what are those two eyes for? Can’t you see if there’s anyone on the far right bookshelf?”

Pickled Pepper then went to the far right bookshelf and saw Jiang Yu squatting on the ground reading a book.

Jiang Yu was very good-looking. Pickled Pepper’s face instantly turned red as he stammered, “You... Hello, my... My name is Pickled Pepper.”

Jiang Yu smiled politely and said, “Hello, my name is Jiang Yu.”

Pickled Pepper quickly took a book over and casually flipped through a few pages. He wanted to use this opportunity to have a few more words with Jiang Yu. However, the page that Pickled Pepper flipped open just happened to have the words “Bewitching technique” written on it.

“Oh my God, isn’t my luck a little too good?” Pickled Pepper shouted, “Come and take a look, I’ve found a solution!”

“Really?!” Jiang Yu was delighted and said, “Where is it? Let me take a look!”

Pickled Pepper handed the book in his hand to Jiang Yu, he said, “Actually, the solution isn’t difficult. As long as you know who the spellcaster is, then find the person’s clothes, smear some of his blood on it, and burn it with fire. Then, we can soak the Wormwood in the coffee for more than a week and pour it on the ashes of the clothes.”

Jiang Yu said, “I know who the spellcaster is, but it’s still difficult to get clothes stained with her blood.”

Pickled Pepper asked, “Who is the spellcaster? Let me see if I can help you get the clothes.”

Jiang Yu hesitated for a moment and said, “Her name is Yang Fen, and she is... a 40-year-old woman.”

Pickled Pepper was shocked, she couldn’t even speak clearly, “A 40-year-old woman?! No, Little Kui told me on the phone. Your friend is only in his 20s? Why did he find a 40-year-old woman to be his girlfriend?”

Jiang Yu sighed and said, “That woman cast a spell on my friend, which is why my friend became like this.”

Pickled Pepper felt that this matter was really beyond his comprehension and said, “But, but, isn’t this too outrageous?!”

Little Kui said, “Let’s not worry about whether this matter is outrageous or not. We need to quickly think of a way to solve this matter.”

Little Wolf said, “It’s not easy to find clothes or anything, but we can first soak the wormwood in the coffee.”

Jiang Yu nodded and said, “Good Idea.”

Chapter 553: Soaking Wormwood In Coffee

Before making coffee, Pickled Pepper gave a friendly reminder and said, "Be careful, it must be black coffee."

Little Kui searched through her locker, but she couldn't find any black coffee beans.

So she said helplessly, "I don't have any black coffee beans."

Little Wolf also said with great difficulty, "I only have the powder of latte coffee."

The three of them looked at Pickled Pepper, hoping that he could take out a bag of beans or powder to drink coffee like a demon.

But Pickled Pepper quickly hugged himself and said, "Don't look at me! I'm allergic to coffee, and I never drink that kind of stuff!"

"Then we can only buy it," said Jiang Yu.

Pickled Pepper took out a bag of wormwood from his locker, "I don't have black coffee, but I have wormwood. I didn't sleep well before, so I bought some wormwood and put it in my pillow. There's still some left here, so I'll give it to you for free." He said to Jiang Yu

"Thank you." Jiang Yu took the bag of wormwood and said, "You guys wait here for a while. I'll go out and buy a cup of black coffee. I'll be back soon."

Pickled Pepper hurriedly said, "I'll go with you. If you run into your friend and his girlfriend on the way, won't you be in danger?"

Jiang Yu smiled and said, "It's okay. We're near the school. It can't be such a coincidence. And even if it is, it's still broad daylight. Nothing will happen."

Pickled Pepper was unwilling and said, "It's still very dangerous..."

The Little Wolf saw through his thoughts at a glance and said, "Are you really worried about Jiang Yu? I think you just want to go out with her, right? Don't think about it. Just stay here obediently."

Pickled Pepper, who was exposed, immediately blushed and refused to admit it. "How is that possible! I'm not that kind of person!"

"You are!" Little Wolf continued to undermine him.

"I'm not!"

While the two of them were bickering, Jiang Yu had already left the basement and went to the coffee shop to buy black coffee.

"Hello, I'd like a large cup of black coffee," Jiang Yu said politely to the shop assistant.

"Okay, please wait a moment."

While waiting, Jiang Yu saw the person she didn't want to see the most — Jiang Ran.

Jiang Ran was also here to buy coffee. When she saw Jiang Yu, she immediately felt that she was really unlucky today.

She walked to the counter, ordered a cup of coffee, and said, "I'm really unlucky today. I can't believe I saw you."

Jiang Yu ignored her and continued waiting for her coffee.

Jiang ran felt embarrassed when she saw Jiang Yu ignoring her. She said angrily, "Jiang Yu, can't you hear me? How rude. Is this how the Jiang family raised you?"

Jiang Yu laughed and said, "This sentence is meant for you, right? You don't greet people you know, but say something unpleasant. Are you polite? Is this how Wei Juan taught you?"

"You! What do you mean?! Don't forget that you're also a member of the Jiang Family!" Jiang Ran said.

Jiang Yu said, "Then you're too polite. I'm no longer a member of the Jiang family."

Jiang Ran sneered as if she had found something, she said, "What? You don't recognize yourself as a member of the Jiang family even though you haven't married Mo Long? If you marry Mo Long in the future, do you intend to buy the Jiang Family?"

"If you're willing, it's not impossible," Jiang Yu said and took the black coffee from the shop assistant.

"Jiang Yu! I'm warning you, you'd better not act rashly!" Jiang Ran shouted.

Her voice was very loud, and for a moment, everyone in the coffee shop looked over.

Chapter 554: Think of A Way To Get Clothes

Jiang Yu took the coffee and said, "Jiang Ran, there's no reason for what I did. You'd better not ask. As for the warning, don't even think about it. With this time, you might as well think about your own matters."

As she said that, Jiang Yu went back.

Jiang Ran felt that Jiang Yu had really changed. When she had just brought her back, no matter how much she bullied her, she didn't dare to resist.

Later on, when she grew up, although she sometimes resisted, she never dared to talk to her like she did today.

"She has changed a lot!" Jiang Ran said to herself.

Jiang Yu bought a black coffee and then opened the bag of Wormwood to soak it in.

"Next, we need to find a way to get the clothes," said Little Kui.

"But Jiang Yu is the only one among us who knows the caster," said Pickled Pepper

"I'll think of a way myself," said Jiang Yu

Pickled Pepper wanted to stay with Jiang Yu for a while longer, so he said, "Jiang Yu, do you need us to think of a way for you?"

“Thank you for your kindness,” said Jiang Yu with a smile. “But this is my personal matter, so I don’t need to trouble you.”

Little Kui said, “Alright. But if you need our help, you must come to us.”

Jiang Yu said, “Thank you.”

Jiang Yu went back, but Pickled Peppers still felt a little reluctant to part with her.

Yuan Zhen had no classes these few days, so she stayed in her dorm and fiddled with her computer.

Seeing that Jiang Yu had returned, she asked, “How was it? Did you get anything?”

Jiang Yu nodded and said, “I’ve already found a solution.”

Yuan Zhen was very excited and asked, “Really? What is it?”

Jiang Yu told Yuan Zhen the solution.

Yuan Zhen asked again, “Is there anything I can help you with?”

Jiang Yu shook her head and said, “I don’t need your help with this matter. I’ll think of a way myself.”

Yuan Zhen said, “Then you must be careful.”

“Got it.”

Apart from Sister Xia, Jiang Yu felt that there was only one other person she could tell about this matter — He Zhen.

Therefore, Jiang Yu gave He Zhen a call and told He Zhen about Yuan Lai being cast with a mystical spell.

“What?! Yuan Lai was cast with a spell?!” He Zhen was shocked and said, “I knew it! How could he like someone like Yang Fen?!”

Jiang Yu said, “I’ve found a solution. Now we just need to find Yang Fen’s clothes.”

“Isn’t that simple?” He Zhen said, “Yang Fen is Yuan Lai’s girlfriend. Maybe they’ll live together occasionally? Then Yuan Lai must have a few pieces of Yang Fen’s clothes at home. I’ll find an excuse to go and secretly bring one back.”

Jiang Yu said, “It’s not just Yang Fen’s clothes. There needs to be some traces of Yang Fen’s blood on the clothes.”

“Huh? So cruel?” He Zhen said, “Can’t it be a normal piece of clothes?”

He Zhen was also very helpless and said, “After all, this is a mystic technique. How can it be solved with a normal solution?”

He Zhen Thought for a moment and felt that what Jiang Yu said made sense, so he said, “Alright. Wait for my good news. I’ll think of a solution now.”

Jiang Yu said, “Then I’ll have to trouble you.”

“No trouble, no trouble. No matter what, Yuan Lai and I are friends. We’re good friends who are recording a variety show. Now that he’s in trouble, I have to save him no matter what.”

“Alright.”

After hanging up, Jiang Yu called Mo Long again and said that she had found a solution.

Mo long said, “Then you must be careful. If you need me, you must tell me.”

Jiang Yu said, “Got it.”

Chapter 555: Break The Window

He Zhen called Yuan Lai and wanted to go to his house to play games with him.

Yuan Lai said with some embarrassment, “But Fen Fen is still here with me.”

“That’s great!” He Zhen shouted excitedly, “I’m waiting for her to be home!”

Yuan Lai: “Huh??”

He Zhen also knew that his reaction just now was a little intense, so he quickly found an excuse, he said, “Actually, to tell you the truth, I also want to find a girlfriend. I think Yang Fen’s type is good, so I also want to hear the story between the two of you.”

Yuan Lai said, “Then I can just stay at home alone? Why do you need Fen Fen to be there?”

Yuan Lai kept saying “Fen Fen” again and again. He even called her very intimately, giving He Zhen goosebumps all over.

“I feel that if the two of you tell me a story, I’ll feel more comfortable listening to it.” He Zhen was bullshitting.

But Yuan Lai still believed him and said, “Alright then. When will you come?”

He Zhen said, “I’ll be there soon. Wait for me. I’ll get dressed.”

He Zhen quickly got dressed and rushed to Yuan Lai’s house without stopping. As Yuan Lai had said, Yang Fen was indeed here.

“I was wondering who was here. So it was you?” Yang Fen still remembered what happened at the dining table that day, so when she saw He Zhen, she didn’t give him a good look.

“It’s me.” He Zhen rubbed his head and laughed dryly.

It seemed that Yang Fen still remembered what happened at the dining table. How stingy and vengeful.

“I know it’s you.” Yang Fen brought out the dishes that had been prepared in the kitchen, she said, “Since you’re here as a friend, I’ll just pretend that that incident never happened. I heard that you came to look for him to talk about games. Then the two of you can talk about it. I’ll go back first.”

Before Yuan Lai could start to be reluctant, He Zhen stopped Yang Fen and shouted, “You can’t go back!”

Yang Fen looked at He Zhen in surprise and asked, “Why can’t I go back?”

He Zhen said casually, "I haven't heard the story of the two of you meeting!"

Yang Fen said, "What story?"

Yuan Lai explained, "Fen Fen, He Zhen also wants to find a girlfriend, so he wants to come over and listen to our story."

"Really?" Yang Fen was not as stupid as Yuan Lai. She did not believe He Zhen's excuse at all.

He Zhen hurriedly nodded. "Really, really!"

"I think you're lying, right?" Yang Fen looked at him and then acted coquettishly with Yuan Lai, she said, "Come, come, your friend is lying to you. He didn't come to hear the story of our meeting. He came to sow discord between us."

He Zhen hurriedly explained, "It's not like that! I really came to hear the story!"

Unfortunately, between He Zhen and Yang Fen, Yuan Lai chose Yang Fen without hesitation.

"He Zhen, I treat you as a brother, but you want to sow discord between me and Fen Fen?" Yuan Lai rebuked.

He Zhen did not expect Yuan Lai to change his attitude towards him so quickly, he said in disbelief, "Yuan Lai! You fool, I haven't said anything yet, why did you say that I want to sow discord between the two of you? Yuan Lai, you've been cast with a spell of bewitchment, wake up quickly!"

"What?" It was not Yuan Lai who was shocked, but Yang Fen. "How do you know about bewitching?"

He Zhen said proudly, "How are you feeling? How are you feeling now that your good deeds have been discovered? Let me tell you, today, I will definitely take my good brother away!"

"Go? Go where?" Yang fen sneered and said, "Since you've discovered what I've done, do you think you can still walk out of this room?"

Chapter 556: He Zhen Going Missing

Even though He Zhen said that Yuan Lai had been bewitched, Yuan Lai didn't believe it at all.

He blamed He Zhen and said, "He Zhen, can you stop saying things that others don't understand?"

"Don't understand?" He Zhen really wanted to pour out the water in Yuan Lai's head. "I say, Yang Fen this woman has bewitched you! That's why you like her so much!"

Yang Fen took a wooden doll from her room and said to Yuan Lai, "Come, come. He thinks that the love token between us is an ominous thing."

Yuan Lai did not listen to what He Zhen said at all. He only focused on making Yang Fen happy.

"Come, come. I'm afraid that when he goes out, he will spread this matter. When that happens, it will affect your reputation and future." Yang Fen pretended to be very wronged, she said, "I don't mind. I'm mainly afraid that you will be hindered by this person."

He Zhen shouted helplessly, "The person who delayed him should be you! So, big sister, can you let Yuan Lai off or not!"

Yang Fen also did not want to be outdone and shouted, "Was it me who hindered him? It was you! If it wasn't for you coming to disturb us, we would definitely be fine now! It was you who ruined everything!"

After Yang Fen finished shouting, she threw the wooden doll onto He Zhen.

He Zhen subconsciously caught the doll and said strangely, "Oh my God! What is this scary thing!"

As soon as she said that, Yang Fen began to chant. Soon, a gray smoke floated out and followed He Zhen's breath into his nose.

"What is this thing..." before He Zhen could finish his words, he fainted.

Yang Fen went over to pick up the doll, turned around, and returned to Yuan Lai's side. She said as if she had been wronged, "Come, come. I accidentally knocked out your good brother. You won't blame me, right?"

Yuan Lai said dotingly, "Since he framed you, then he's not my good brother. Fen Fen, in this world, only you are the most important to me."

"Come, come, you're so nice."

The two of them were in a loving relationship, completely ignoring the unconscious He Zhen.

Jiang Yu waited at school for a long time, but she didn't receive a call from He Zhen.

The anxious Jiang Yu called He Zhen. She originally wanted to ask how much progress He Zhen had made, but no one picked up the phone.

Later on, the call was directly hung up.

Since she couldn't contact He Zhen, Jiang Yu could only go to sister Xia.

"You said He Zhen has been refusing to pick up the phone?" Sister Xia was a little confused and worried. She said, "Could something have happened to He Zhen?"

Jiang Yu was also very worried. After all, Yang Fen knew mystical magic, and Yuan Lai had always been on Yang Fen's side.

If something really happened to He Zhen, Yuan Lai would only help Yang Fen and not He Zhen.

"If I had known earlier, I wouldn't have let He Zhen go alone." Jiang Yu was a little regretful and said, "Sister Xia, we have to think of a way to save He Zhen now."

Sister Xia was silent for a while and said, "Jiang Yu, do you want to ask Mo Long? If he goes to ask for her directly, Yang Fen won't refuse, right?"

Jiang Yu sighed and said, "I'm not afraid that she won't give it to him, but I'm afraid that she won't admit it. Because if she doesn't admit it, Yuan Lai will also help her."

Sister Xia also sighed and said, "It's really difficult now. Yuan Lai hasn't been saved yet, and He Zhen is even in trouble."

Jiang Yu also said, "Yeah. Now we have to think of a way to save He Zhen. Then we'll think of a way to save Yuan Lai."

"But how can we save He Zhen?"

Chapter 557: Rescue Mission

Jiang Yu said mysteriously, "I have my ways."

Sister Xia asked suspiciously, "What ways?"

But Jiang Yu refused to tell her, she only said, "Sister Xia, wait for me to get Yuan Lai's address and I'll send it to you. Go to Yuan Lai's house first and wait for me to call you. Then, think of a way to enter the house and save He Zhen."

Although Sister Xia still did not know what Jiang Yu's plan was, since Jiang Yu said she had a way, Sister Xia had full confidence in her.

Hence, Sister Xia said, "Got it."

After Jiang Yu hung up the phone, she said to Yuan Zhen, "Yuan Zhen, lend me your computer for a while."

Yuan Zhen stood up to give up his seat and said, "Here."

"Thank you," Jiang Yu said as she sat in front of Yuan Zhen's computer.

Jiang Yu's slender fingers were typing rapidly on the computer keyboard. Yuan Zhen's eyes were wide open as she watched from the side.

Soon, Jiang Yu found Yuan Lai's home address and sent it to Sister Xia. She said, "Sister Xia, this is Yuan Lai's home address. Go to his door and wait. Listen to my call."

Sister Xia replied, "Okay."

Jiang Yu checked the computer for a while and found Yang Fen's cell phone number.

"Okay. Thank you for the computer," said Jiang Yu.

Yuan Zhen said, "You're welcome."

Jiang Yu took the cell phone to the bathroom and waited for a while. When she guessed that Sister Xia had arrived at Yuan Lai's house, she opened a voice-changing software that she had developed a long time ago when she had nothing to do.

Although she hadn't used it officially, Jiang Yu felt that it should be very useful.

Jiang Yu turned on the voice-changing software and dialed Yang Fen's phone number.

Very quickly, the call was connected. "Who is it?"

From the sound, it was indeed Yang Fen.

Jiang Yu cleared her throat and said, "It's me."

Yang Fen, who was on the other end of the phone, was obviously stunned for a moment. Then, she said in pleasant surprise, "Mo Long... No, no, president Mo?!"

Jiang Yu replied, "Yes."

"Aiyo... Why did you call me? I wanted to ask you how did you know my phone number?" Yang Fen was so pleasantly surprised that she didn't know what to say.

Jiang Yu was afraid that the more she said, the more Yang Fen would notice her flaws, so she simply said, "In twenty minutes, I'll wait for you at the Flowing Water Teahouse."

"Flowing water teahouse... Okay, I got it!" Yang Fen didn't think much about it and immediately agreed.

Jiang Yu quickly hung up the phone and called Sister Xia again, saying, "Sister Xia, when you see Yang Fen going out later, think of a way to get Yuan Lai to open the door for you."

"Okay." Sister Xia asked again, "But Jiang Yu, how did you know that Yang Fen was going out later?"

"Let's not worry about that for now."

"But..." Just as they were talking, Sister Xia saw Yang Fen leaving the house in a flirtatious outfit.

"I'll go look for Yuan Lai now." Sister Xia quickly hung up the phone and walked to Yuan Lai's house. She gently knocked on the door.

Soon, Yuan Lai's voice came from inside, "Who is it?"

Sister Xia said, "It's me. I'm Jiang Yu's manager, Sister Xia."

"Oh, it's you." Yuan Lai walked over to open the door and asked, "Is there something you want to talk to me about?"

Sister Xia said, "I want to talk to you about a collaboration."

"Collaboration? What collaboration?" Yuan Lai asked, puzzled.

"Of course it's a collaboration with Jiang Yu," said Sister Xia. She glanced inside and said, "Why? Are we going to talk at the door?"

Yuan Lai quickly invited Sister Xia into the room and said, "Please come in, Sister Xia."

Chapter 558: Mission Success

After Sister Xia entered the house, she took advantage of the time when Yuan Lai was closing the door to look around but did not see He Zhen.

"Sister Xia? What are you looking at?" Yuan Lai asked.

Sister Xia hurriedly replied, "Nothing. I'm just looking at your house. It's quite big."

Yuan Lai smiled embarrassedly and said, "Actually, it wasn't like this before. It was Fen Fen who said that she liked to look grand, so I changed."

"It seems that your feelings for Yang Fen are really deep," said Sister Xia.

"It's alright. By the way, Sister Xia, what kind of collaboration did you say just now?" Asked Yuan Lai.

Sister Xia said, "I recently accepted a new play for Jiang Yu. But this new play lacks a male lead. The director asked me to recommend a male lead for him, and I recommended you."

"Really, really?!" Yuan Lai was very surprised and asked, "What movie is it?"

Sister Xia said with a straight face, "It's a modern movie."

After talking for a while, Sister Xia pretended to pick up the phone and said, "I'm sorry, I have to take a call."

"Okay," Yuan Lai said.

Sister Xia went to the kitchen and stayed for a while before returning to the living room. She pretended to be in a panic and said, "Oh no, Yuan Lai! Jiang Yu just called me and said that she saw Yang Fen on the road! Something happened to Yang Fen!"

"What?!" Yuan Lai was indeed very anxious and asked, "Where is she?!"

Sister Xia did not know where she was, so she could only say a random place. "She's at the entrance of the Flowing Water Teahouse."

"I'll go now!" Yuan Lai was so anxious that he had forgotten that He Zhen was at home. He wanted to fly to Yang Fen's side right now.

Yuan Lai ran out and did not care that he had Sister Xia at home.

Sister Xia was too lazy to care about these things. She quickly looked for He Zhen everywhere in the house. In the end, she found He Zhen in Yuan Lai's bedroom closet.

He was tied up with a rope, and there was tape taped to his mouth.

After He Zhen was rescued by Sister Xia, he said angrily, "This Yuan Lai! He's so obsessed with Yang Fen that he has no brain! Look, once he heard that something happened to Yang Fen, he didn't care about me anymore. All his attention was on Yang Fen!"

Sister Xia said, "Now is not the time to talk about this. We have to get out quickly."

He Zhen hurriedly took out a few women's clothes from the wardrobe and said, "Wait a minute! I'll take a few clothes back first!"

Sister Xia also agreed and said, "Alright, then let's go quickly."

After successfully leaving Yuan Lai's house, Sister Xia hurriedly sent Jiang Yu a text message and said, "He Zhen is already safe."

After receiving the message, Jiang Yu said to Yang Fen in front of her, "That's all I have to say. You can think about the consequences yourself. When something happens, don't blame me for not warning you."

Yang Fen was not frightened by Jiang Yu at all. Instead, she played with the teacup in front of her, she sneered and said, "Jiang Yu, do you think you can scare me? You pretended to be Mo Long and asked me out in the beginning. When you saw me, you told me about the spell of bewitching. Now you're telling me that Yuan Lai will die and that the police will definitely arrest me. Jiang Yu, do you think I'll be afraid?"

Jiang Yu also laughed and said, "You don't have to believe me, or you don't have to be afraid. But I've already told you the consequences. If you're really not afraid, you can do whatever you want."

Looking at Jiang Yu's expression, Yang Fen snorted in disdain.

"Jiang Yu, I'm warning you. You'd better not play any tricks on me. I, Yang Fen, have been frightened since I was young."

Chapter 559: Standoff

"Suit yourself then," said Jiang Yu.

Before Yang Fen could say anything. Someone shouted at the door, "Fen Fen, are you alright?!"

Yang Fen and Jiang Yu looked up and saw that it was Yuan Lai.

"Why are you here?!" Yang Fen was shocked.

Jiang Yu was also surprised and asked, "Why are you here?"

Yuan Lai protected Yang Fen and loudly questioned Jiang Yu, "Jiang Yu! What's wrong with you?!"

Jiang Yu felt that Yuan Lai was also baffled and said, "What do you mean?"

"Why did you invite Fen Fen out? What are you trying to do? There was He Zhen before and now you!" Yuan Lai berated! "What are you trying to do? I just want to have a good relationship with Fen Fen. Can you guys stop bothering us?"

Jiang Yu was a little angry at Yuan Lai's words and said, "Yuan Lai, He Zhen is in your hands, isn't he? Then he must have told you about it, right? Yuan Lai, Yang Fen cast a bewitching spell on you! Do you know that?!"

"She didn't! All of you are framing Fen Fen!" Yuan Lai was only focused on defending Yang Fen.

"I'm framing her? Alright, then let me ask you, do you know Wen Nuan?" Jiang Yu asked again, asking Yuan Lai the same question from a long time ago.

Yuan Lai had no idea who this "Wen Nuan" Jiang Yu was referring to, and he did not know why she was asking him this question.

"I don't know this Wen Nuan," Yuan Lai said. "Jiang Yu, on account of the fact that we are friends, I will forgive you for today's incident. If this happens again in the future, don't blame me for falling out with you."

Jiang Yu felt that he wouldn't listen to anything she said to Yuan Lai. Since that was the case, there was no need for her to waste her time with the two of them.

Therefore, Jiang Yu said, "Yuan Lai, if you really don't want to believe me, then I have nothing to say. But since you also think that I am your friend, then you must remember that I will never harm you. Not only me, neither will He Zhen."

"..." Yuan Lai sighed and said, "Jiang Yu, I hope that the both of you will not disturb the matters between me and Fen Fen in the future."

"..." Jiang Yu smiled and said, "I understand."

Yuan lai nodded and said, "Okay. Fen Fen, let's go back."

Yang Fen said unhappily, "Oh, I got it."

At first, she thought that she had received a call from Mo Long, so she came out in high spirits. However, when she arrived at the place, she realized that it was Jiang Yu who had called her.

She had thought that she would be able to see Mo Long today, but it seemed that she had been happy for nothing.

Yuan Lai could not read Yang Fen's mood and said, "Okay."

Jiang Yu did not want to keep them and did not want to say anything to Yuan Lai. She just watched the two of them leave.

Since He Zhen had been rescued, there was no need to waste time.

Jiang Yu packed up her things and went to look for sister Xia and He Zhen.

Sister Xia and He Zhen were waiting for Jiang Yu in a cafe. They had already drunk several cups of coffee.

Jiang Yu pushed the door open and entered. She saw He Zhen and Sister Xia at first glance.

"Are you okay?" Jiang Yu looked at He Zhen, worried that something had happened to him.

"I'm fine. I was just tied up for a while," said He Zhen. He even showed the clothes he had taken out to Jiang Yu and said, "Jiang Yu, look. I also took out a few clothes."

Jiang Yu took the clothes and said, "Alright. I'll go back and see if there are any other ways to dispel the spell. But I have to keep these clothes first. They might be of great use in the future."

He Zhen asked, "Do you need my help?"

Jiang Yu said, "I have someone else to help me with this matter."

Chapter 560: New Solution

Jiang Yu took Yang Fen's clothes and said, "It's all thanks to you this time, He Zhen. I let you down for putting you in such danger."

He Zhen quickly comforted Jiang Yu and said, "It's alright! Yuan Lai is my good brother. Even if you don't want me to go, I'll still go. So don't take this matter to heart."

Jiang Yu still felt a little guilty. She only wanted to quickly resolve this matter so that Yuan Lai and He Zhen could get back together.

Therefore, she said, "Then I'll go back and see if there's any other solution."

Sister Xia and He Zhen wanted to get up and send Jiang Yu back, but they were stopped by her. She said, "It's only a few minutes away from the school. I'll go back by myself. Sister Xia, please take care of He Zhen on my behalf."

Sister Xia nodded and said, "Okay."

He Zhen said embarrassedly, "Then I won't stand on ceremony."

After Jiang Yu took Yang Fen's clothes back to school, she went to the basement to find Little Kui and Little Wolf.

"Jiang Yu?" Little Wolf's eyes were sharp, and she immediately saw Jiang Yu standing at the entrance of the basement.

"It's me." Jiang Yu walked in, he said, "I'm here to ask if there's any other solution. I've already obtained the clothes of the spellcaster, but it's still a little difficult to get the spellcaster's blood on them."

"This..." Little Kui was a little embarrassed and said, "But this is the simplest solution we've found so far."

However, Little Wolf was not as embarrassed as Little Kui. She directly called for Pickled Peppers, "It doesn't matter. No matter if it's a simple method or a difficult method, as long as it exists, we'll definitely find it. I called Pickled Peppers over, and we'll look for it together."

Jiang Yu felt a little apologetic and hurriedly said, "I came here this time to get your consent and then find it myself. I really don't need to trouble you."

Little Wolf waved his hand, he said indifferently, "It's alright. We're all friends. Besides, this matter wasn't a problem for Pickled Peppers. When he heard that you were here, he didn't say anything else and didn't even plan to eat. He just wanted to come."

Since that was the case, Jiang Yu couldn't refuse anymore. So she said, "Then thank you."

Since the Little Wolf had said so, and Pickled Peppers had decided to come over to help, Little Kui could only follow them and look through the information.

Pickled Peppers rushed over very quickly. The four of them began to flip through the books and look through the information again.

A few hours passed, but the four of them still couldn't find anything.

Pickled Peppers was so hungry that his chest was pressed against his back. Now that he had been reading for a few hours, he was so tired that he couldn't even stand straight.

"I'm too tired," Pickled Pepper said feebly, "Let's look for it tomorrow. I haven't eaten for a whole day. Could you please let me eat?"

The Little Wolf continued to read as if he didn't know fatigue.

She rolled her eyes at Pickled Pepper and said, "If you're hungry, go and eat. No one will stop you."

Pickled Peppers didn't want to leave Jiang Yu so early, so she held back her hunger and said, "It's okay. I can still hold on. Come, come, come. Let's keep looking. I'll go eat when we find it."

Another three hours passed. Little Wolf held a book and shouted excitedly, "Found it! Found it! I found it!"

The other three people hurried over and asked, "Really?"

Little Wolf said proudly, "Of course!"

Pickled Pepper was filled with curiosity and asked, "What is it?"

Little Wolf was in a dilemma for a moment, he said, "This solution is similar to the one we found before, but what we need is not clothes with blood stains, but a hundred strands of hair of the caster. No more, no less, or there will be no way to remove it."
