

Older Man 561

Chapter 561: Kang Xue's Provocation

"100 strands of hair?" Pickled Pepper asked in disbelief. "Such an accurate number?"

Little Wolf put the book in front of them, "You don't believe it? Then read it for yourself. It clearly says, '100 strands of the caster's hairs, one more or one less is not allowed.' But I think 100 hairs is much harder to find than clothes with blood stains, so I want to say, it's better to use the first method."

"But I think both methods are not simple," Pickled Peppers pouted and said.

But the Little Wolf still heard it and said angrily, "Then come and find it! There are only two methods in total, I don't have anything else!"

Jiang Yu was afraid that the two of them would quarrel, she quickly said, "Alright, don't quarrel first. No matter what, this matter was caused by me, so I will think of a way to solve the materials needed for these solutions."

Since Jiang Yu had said so, Little Wolf didn't plan to argue with Pickled Peppers. He said, "Aren't you hungry? Hurry up and go eat. I don't want to see you for the time being."

"Let's eat. Do you think I want to see you?" Pickled Peppers didn't want to be outdone.

Little Kui tidied up the books and said to Jiang Yu, "For the 100 strands of hair this time, don't stand on ceremony if you need our help. You must come to us for help."

Jiang Yu said gratefully, "Alright. Little Kui, Little Wolf, and Pickled Peppers, thank you very much this time."

Pickled Peppers waved her hand and said, "Jiang Yu, don't stand on ceremony with me. We're all friends, so it's only right for friends to help each other."

"Thank you." Jiang Yu was so touched that she didn't know what to say. She could only keep saying "Thank you."

On her way back to the dormitory, Jiang Yu bumped into Kang Xue, who had unilaterally treated her as an "Enemy".

"I thought it was someone else. Isn't this Jiang Yu?" Kang Xue saw that there was no one around Jiang Yu, so she deliberately blocked her way.

Jiang Yu couldn't be bothered with her and wanted to go around her.

However, Kang Xue refused to let her go and said, "Why are you in such a hurry? I still have something to say."

It seemed that if Kang Xue didn't finish her sentence, she wouldn't let her leave today.

That was good too. She wanted to hear what Kang Xue could say.

"If you have something to say, just say it. I still have something to do," said Jiang Yu.

“Why are you speaking in such an aggressive tone?” Kang Xue was displeased. “I haven’t said anything yet.”

Jiang Yu really wanted to seal Kang Xue’s mouth with tape. If that was the case, the world would be quiet.

“Forget it. I’m not going to meet a country girl like you.” Kang Xue changed back to her previous Missy appearance and said, “I heard that you offended Tang Xue? Do you know what the relationship between Tang Xue and Mo Long is?”

Jiang Yu glanced at her and said, “I do. Why?”

Kang Xue asked another question, “Then do you know what the relationship between Tang Xue and me is?”

Jiang Yu answered without thinking, “What the relationship between Tang Xue and you is has nothing to do with me. I don’t need to know, and I don’t want to know.”

Kang Xue suffered another setback from Jiang Yu and said in an unhappy tone, “Tang Xue is my friend! We’ve known each other for a long time! You bullied her, so I’m going to bully you back!”

Jiang Yu said coldly, “Then do as you please.”

As she said that, Jiang Yu was about to leave.

Kang Xue immediately said exasperatedly, “You are not afraid of me?! Even if you are not afraid of me, you should be afraid of the Mo family! Tang Xue is a member of the Mo family! If you provoke her, the Mo family will look for you!”

Jiang Yu said without turning his head, “Go ahead.”

“You!” Kang Xue was so angry that her face turned green.

“Jiang Yu! Just you wait! When the Mo family comes looking for you, I’ll see what you can do!”

Chapter 562: Looking For Hair

After Jiang Yu went back, she didn’t take Kang Xue’s words to heart at all.

She gave Sister Xia a call and said, “Sister Xia, I’ve found a new solution.”

Sister Xia asked, “Really?”

There seemed to be a male voice on the other end of the phone as she asked, “What do you mean by ‘really’?”

Jiang Yu guessed that it was He Zhen, so she asked, “Is He Zhen by your side, Sister Xia?”

Sister Xia replied, “Yes.”

“Just nice. Sister Xia, turn on the speakerphone and let He Zhen listen.”

“Okay.”

Therefore, Jiang Yu told him about the latest method.

After He Zhen heard it, he asked, "Where can we find these 100 strands of hair?"

Jiang Yu said, "Don't worry about that. We'll wait outside Yuan Lai's house for the next few days to see if we can catch Yang Fen to go to the barber shop."

He Zhen asked, "Is this method really feasible?"

Jiang Yu sighed and said, "We can only try it out first."

"Then tomorrow, Sister Xia and I will go to Yuan Lai's house together and wait," said He Zhen.

Jiang Yu was worried that if He Zhen went out to look for hair this time, something would happen to him again, so she wanted to go with him.

However, Sister Xia said to her, "It doesn't matter. With me around, you can rest assured. Chang Kai contacted me recently and said that there had been some progress on the matter of the owner of the car. When you have time in the near future, go look for Chang Kai."

Jiang Yu hesitated for a moment and said, "That's good too."

He Zhen knew about Yuan Lai, but he did not know about Little Xia. Therefore, he asked curiously, "What owner of the car? Jiang Yu, what are you investigating this time?"

"It's nothing. This matter will be over soon," Jiang Yu said, and then hung up the phone.

She had previously looked up all the information about "Li Shuang." Among the locals, there were many named Li Shuang. There were both men and women, and most of them had cars.

However, there were only a few men named "Li Shuang" who had bought a car and had their license plate number revoked.

At that time, she had given all this information to Chang Kai. Now, he said that there was progress on the matter of the owner of the car. Perhaps he had already found the real "Li Shuang".

Therefore, the three of them split into two groups. Sister Xia and He Zhen stood guard at the door of Yuan Lai's house, waiting for Yang Fen to go to the barber shop to have her hair cut.

Meanwhile, Jiang Yu went to look for Chang Kai and got all the information about Li Shuang.

Jiang Yu took the few pieces of paper Chang Kai gave her and went to Li Shuang's house.

"Knock knock." Jiang Yu knocked on the door politely.

Soon, someone came to open the door.

When Li Shuang opened the door, he saw a person he did not know at all. Hence, he asked, "Who are you?"

Jiang Yu said, "Hello, I'm Jiang Yu."

"Jiang Yu?" Li Shuang thought about the name carefully and realized that he had never heard of her before. He said, "Sorry, I don't know you."

"It's okay. I came to look for you this time because I want to ask you about something."

Li Shuang sensed that something was wrong and quickly closed the door and ran into the house.

"Wait!" Jiang Yu quickly blocked the door with her foot to stop Li Shuang from closing the door.

"I said I really don't know you! Can you leave quickly?!" Li Shuang was anxious and desperately wanted to close the door.

"Wait a minute! I really have something to say!" Jiang Yu cried out in pain, "Do you know what the person who made the deal with you did with your name and your car?!"

Li Shuang paused and slowly let go of the door. The door was opened.

Jiang Yu retracted her foot and heard Li Shuang ask herself with a trembling voice, "How... How did you know?"

Jiang Yu said, "Of course someone found out."

Chapter 563: Li Shuang

Jiang Yu was definitely not trying to scare Li Shuang, but it was true.

Because she and Chang Kai were indeed investigating Li Shuang.

"Who? What did you find out?" Li Shuang's tone was filled with panic. This made Jiang Yu even more certain that Li Shuang must have known about this.

Even if she didn't know the details, she could still get a rough idea.

"Judging from your reaction, I think you must know about this matter, right?" Jiang Yu asked.

Li Shuang refused to admit it and said, "I don't know what you're talking about. You won't tell me who found out what. How do I know if I know about this matter?"

"You want to know what I found out about you? Okay." Jiang Yu handed the few sheets in her hand to Li Shuang and said, "Take a look for yourself. Is the information on these sheets true?"

Li Shuang took the papers and read them for a while. Suddenly, his legs went weak and he fell to the ground.

His voice began to tremble as he said, "Who... who are you?! How... How did you get this thing?!"

The papers were filled with information about Li Shuang. It was so detailed that it was even written clearly about the year he was born, the year he went to school, and the school he went to.

Jiang Yu said, "After seeing this, you should know who I am, right?"

"You, you're a police officer?"

Jiang Yu shook her head and said, "I'm not, but my friend is. You canceled your license plate a few days ago. Following this, we found you."

Li Shuang hurriedly knelt down and begged for mercy, "I'm sorry! I'm sorry! I didn't do it on purpose! I only agreed to lend them the car because I was short of money! They didn't tell me what they wanted the car for at the time, but later on, they told me that they had hit someone! I was really scared, so I had to cancel the license plate number!"

The way he looked so scared didn't seem like he was lying.

So there was no need to scare him. So Jiang Yu asked, "Then do you still remember the name of the person you made the deal with?"

Li Shuang thought carefully, he said, "I don't really remember. I only remember that it was a woman wearing sunglasses. I don't know what she looked like, but I don't think she looked very old. Oh right, her surname is He. There was a very young girl behind her. I think her surname is Li."

Her surname was Li, and her surname was he. Wasn't that Li Lu and Li Yue's manager, Sister He?

It seemed that the mastermind behind this matter was indeed Li Lu.

And Li Yue was probably also involved.

It seemed that this matter was getting more and more troublesome.

Li Shuang looked at Jiang Yu's expression and didn't know what she was thinking.

But no matter what she was thinking, she had already said everything she knew. It should be fine, right?

Just as she was thinking, Jiang Yu said, "You have to be careful recently. They will soon find out that we found out about you. When that time comes, they will definitely make a move against you."

"Huh?" Li Shuang was scared out of his wits again. She said, "Then you have to protect me! Otherwise, otherwise, I will definitely not be your witness!"

"Witness?" Jiang Yu was so angry that she laughed and said, "You really know a lot. Seeing that you are so scared, I'll give you a safe place to go."

"You said it! Don't go back on your words!" Li Shuang said.

Jiang Yu said, "I won't go back on my words."

Therefore, Jiang Yu brought Li Shuang to her studio and said, "You can rest here for a while."

Li Shuang asked, "What is this place?"

Jiang Yu said, "This is my studio."

The others also came over and asked, "Sister Jiang Yu, who is this person?"

Jiang Yu said, "His name is Li Shuang, and he will be staying here for a period of time. You guys just focus on your work and ignore him."

Li Shuang was displeased and said, "Ignore me? Be careful that I won't be your witness!"

Others might be afraid of such remarks, but Jiang Yu was not afraid of him.

Chapter 564: Yang Fen

Jiang Yu said, "It's up to you whether you want to be a witness or not. If you feel that it doesn't matter if you don't stay here with me, then you can do whatever you want. Don't take yourself too seriously. If you are a witness, it would be simple and convenient, not necessary."

When Li Shuang heard this, he was afraid that Jiang Yu would really throw him out. If this matter was exposed, then he would be in big trouble.

Therefore, he softened his tone and said, "I know. I was just saying it casually."

Jiang Yu ignored him and walked to her lounge to give Sister Xia a call.

"Sister Xia, how's the situation on your side?" Jiang Yu asked.

Sister Xia said, "He Zhen and I have been waiting here for so long, but there hasn't been any movement from the Yuan Lai residence."

As she said that, He Zhen suddenly whispered, "Wait a moment! Yang Fen is out!"

Sister Xia hurriedly said to Jiang Yu, "Yang Fen is out."

Jiang Yu said, "Sister Xia, follow her closely. When you reach the destination, send me the address."

Sister Xia said, "Okay."

After saying that, Sister Xia hung up the phone.

He Zhen drove the car and controlled the speed and distance. He stayed close to Yang Fen.

"Her direction is..." He Zhen glanced at the road signs and said, "Is Yang Fen going to a barber shop? This street is full of barber shops and nail shops."

Sister Xia said, "Yang Fen might also be going to a nail shop."

While the two were discussing, Yang Fen walked into a nail shop.

Sister Xia hurriedly sent her current location to Jiang Yu, hoping that she could arrive before Yang Fen finished her nails.

He Zhen parked his car at a barber shop not far from the nail shop, quietly observing the situation of the nail shop.

Fortunately, Jiang Yu's studio was relatively close to this street, so she arrived in less than ten minutes.

"Which nail salon is she at?" After getting into the car, Jiang Yu sat in the back seat by the window.

He Zhen pointed and said, "It's the 'Fingertip Queen' Nail Salon."

Jiang Yu said, "The average nail salon takes a long time, so we can discuss countermeasures while we wait."

He Zhen said, "It's best if she goes to a barber shop to have her hair cut immediately after she finishes her manicure today. That way, we'll be able to collect the hair immediately."

Sister Xia said, "But most barber shops will collect the hair of their customers. They'll wash it and make it into a wig before selling it."

He Zhen was shocked and said, "Are all barber shops like this?!"

Sister Xia shook her head, she said, "Most of them are like this. "Besides, not all of their customers want their hair. In short, if Yang Fen really goes to a barbershop, whether her hair will be recycled or not depends on what the barbershop owner thinks."

"Huh?" He Zhen was so shocked that his mouth was wide enough to fit an egg.

Soon, Yang Fen came out of the nail salon. Her fingers were bare, and her face was full of anger.

"What's wrong with her?" He Zhen carefully looked at Yang Fen's fingers and said in puzzlement, "I think her fingers are very clean. She didn't get a manicure at all?"

Sister Xia said, "Look at her expression. She must have quarreled with someone in the nail salon, so she didn't get a manicure. Let's see where Yang Fen wants to go next. If she wants to go to a barber shop, it'll be a good thing for us."

Therefore, the three of them stared at Yang Fen and saw her walk into a barber shop.

"Awesome!" He Zhen was so excited that he almost jumped out of the car. "This is really a good thing!"

Chapter 565: Collect Hair

But after the excitement, He Zhen said worriedly, "She won't quarrel again after going in, right? Then there's no way to pick up her hair."

Jiang Yu thought for a moment and said, "Let's wait here for ten minutes first. As long as Yang Fen doesn't come out, I'll go in."

"Jiang Yu! You're crazy! Aren't you afraid that she'll do something to you?" He Zhen said.

Jiang Yu shook her head and said, "I'm a customer in that barbershop. If Yang Fen does something to me, the boss will come out and stop her. After all, he also wants to do business."

He Zhen was relieved and said, "Alright then. But if anything happens to you, just shout and I'll run in to save you."

As he said that, He Zhen even drove the car forward a little, making it more convenient for him to go in and save Yang Fen.

After waiting for about 13 minutes, Yang Fen still didn't come out.

He Zhen said, "Yang Fen has been in there for so long. She should be cutting her hair, right?"

Jiang Yu opened the car door and got out. She said, "You guys wait here first. I'll go in and take a look."

Jiang Yu walked into the barber shop and saw Yang Fen sitting at the innermost seat, cutting her hair.

Yang Fen didn't seem to see her. She was still making requests to the barber, who was behind her.

"I told you to have shoulder-length short hair! Do you know what 'shoulder-length' is? It's not above the shoulder," Yang Fen said angrily.

Tony was still explaining. He said, "I cut it like this because I think your hair looks better like this..."

Yang Fen interrupted him, she said, "Stop. If your skills aren't good, it means you're not good. Is it difficult to admit this? Besides, even if I really keep this hairstyle to look good, it's not what I want. I gave you money, so you'll cut it according to my request. Do you understand?"

The barber seemed to be frightened by Yang Fen's emotions. He said, "I understand. Customer, don't be angry."

"How can I not be angry?" Yang Fen looked at herself in the mirror and became more and more annoyed. She pointed at herself in the mirror and said, "Look at yourself! Is it nice?!"

The barber was probably a newbie. When he met a customer like Yang Fen who was unwilling to let go, there was no way to solve it.

However, what Yang Fen said made sense. This was the only time Jiang Yu had agreed with her since they met.

Yang Fen felt that she would be angry if she continued staying here, so she got up, shook her hair, and left.

Jiang Yu hurriedly pretended to flip through the hairstyle encyclopedia in front of her. Only when she was sure that Yang Fen had left did she get up to look for barber, who had cut Yang Fen's hair.

"Hello," Jiang Yu greeted politely and said, "Do you still have the hair that you cut for that customer?"

Tony looked at Jiang Yu in surprise, not knowing why she was asking. So, he asked, "What's the matter? Do you need something?"

Jiang Yu said, "Nothing much. I just want the hair."

"What do you want the hair for?" Barber asked curiously.

Jiang Yu said, "Actually, this is a confidential research."

Confidential Research? Of course, the barber would not believe such an excuse.

However, the hair of the fierce customer was not very good. Even if she stayed to make a wig, it might not be done well. Since the person in front of him had thought of an excuse to take the hair, he would do her a favor and give her the hair.

Therefore, the barber pointed at the pile of hair next to the trash can and said, "It's all there. If you want it, you can go and get it yourself."

Jiang Yu said, "Thank you."

After Jiang Yu got the hair, she quickly returned to the car.

He Zhen asked, "Did you get the hair?"

Jiang Yu nodded and said, "I got it."

Chapter 566: Exposed On The Spot

What they were waiting for now was that coffee-soaked wormwood.

He Zhen said angrily, "I'll definitely call Yuan Lai over when the spell is lifted! When he sobers up, I'll definitely give him a good beating!"

Jiang Yu nodded and said, "Okay. When that day comes, we'll let Yuan Lai watch as well."

A week passed very quickly. Jiang Yu asked He Zhen to contact Yuan Lai.

Yuan Lai still held a grudge against He Zhen because of the previous matter, so he didn't really want to go to his invitation.

He Zhen naturally knew what he was thinking, so he used Jiang Yu as an excuse, "This gathering was proposed by Jiang Yu. It's because she and Mo Long left very early during the last gathering. She didn't think it was a good idea, so she proposed to come out for another gathering."

Yuan Lai was a little shaken. He hesitated for a while but still agreed. "Alright, I'll go."

"Right, right!" He Zhen hurriedly reminded him and said, "It's still the same as before. You can bring your family members to the Flowing Water Teahouse!"

Yuan Lai snorted and said, "Do I need you to tell me? I'll be with Fen Fen no matter where I go."

He Zhen resisted the urge to retch and said, "Okay, okay, okay. Come with your Fen Fen."

After hanging up the phone, He Zhen secretly laughed and said to himself, "Hahaha! Yuan Lai! Just wait! When the time comes, I will definitely beat you up!"

On the appointed day, Yuan Lai brought Yang Fen to the flowing water teahouse early.

But even though they arrived earlier than the appointed time, the rest of the people had already arrived.

Yuan Lai looked around and asked in surprise, "Were there only these few people at the last gathering?"

Yuan Lai couldn't be blamed for being puzzled, because only Jiang Yu, Mo Long, Sister Xia, and He Zhen were present.

Even including him and Yang Fen, there were only six people in this room.

Yang Fen actually didn't plan to come, but she heard from Yuan Lai that this gathering was suggested by Jiang Yu, and she could even bring her family. That was why she wanted to take a gamble and see if she could see Mo Long here.

Last time, she was tricked by that little b * tch Jiang Yu, and it made Yang Fen angry for several days.

Fortunately, seeing Mo Long in person this time, the anger in Yang Fen's heart subsided a little.

She smiled sweetly as she walked towards Mo Long and said, "President Mo, why are you here? We didn't have a proper conversation the last time we met, but you left already."

Yuan Lai shouted with some dissatisfaction, "Fen Fen, what are you going to do?"

Yang Fen couldn't be bothered with him. She kept walking towards Mo Long and reached out to pull Mo Long's sleeve.

"President Mo..." Unfortunately, before she could finish her sentence, Mo Long pushed Yang Fen down.

Mo Long said with a cold face, "Stay away from me."

Yuan Lai quickly came over to help Yang Fen up and said, "Mo Long! What do you mean?!"

Mo Long said coldly, "I don't like dirty things getting too close to me."

This time, even Yang Fen couldn't help but say angrily, "Mo Long! What do you mean? You said I'm dirty?!"

Mo Long didn't look at her and ignored her.

Yang Fen was defeated. She saw Jiang Yu out of the corner of her eyes and reached out to grab her face.

"It's all because of you, you vixen! It's all because of your face that you seduced Mo Long! Otherwise, the person Mo Long likes would only be me!" Yang Fen cursed.

Yuan Lai, who was standing at the side, was dumbfounded and said in disbelief, "Fen Fen, what are you talking about? What do you mean Mo Long likes you? The person who likes you is me!"

But at this moment, Yang Fen could no longer listen to him.

Mo Long grabbed Yang Fen's hand that was reaching for Jiang Yu and clenched it tightly. Everyone present heard the sound of bones breaking.

"It hurts!" Yang Fen screamed.

Chapter 567: Flee

Mo Long threw Yang Fen aside and shouted coldly, "Yang Fen! Don't be ungrateful!"

Yang Fen quickly looked at Yuan Lai and called him coquettishly, "Come, come..."

However, Yuan Lai was already a few steps away from her, and he kept saying, "Impossible, impossible. The person that Fen Fen likes is me..."

It seemed that Yuan Lai could not be counted on. Yang Fen stood up and exercised her wrist. She said, "Alright, why did you go through so much trouble to find me here? What's the matter?"

Seeing her like this, He Zhen could not help but get angry. He said, "Of course it's about you giving Yuan Lai the bewitching technique!"

Yang Fen smiled and said, "Bewitching technique? Then show me the evidence!"

Jiang Yu said, "We don't have any evidence, but we have a solution."

As she spoke, Jiang Yu took out a set of clothes that Yang Fen had worn before, a folded piece of toilet paper, and a cup of black coffee.

Yang Fen's expression changed, but she still forced herself to say, "This is your solution? Don't try to scare me!"

Jiang Yu sighed and said, "Things have already come to this, and you still refuse to admit it?"

Yang Fen gritted her teeth and refused to admit it. She said, "I didn't do it! I won't admit it!"

Jiang Yu said, "Then I'll have to force you to admit it."

With that said, Jiang Yu put the clothes into an iron can on the table and opened the packet of toilet paper. Inside was the hair that Jiang Yu had gotten from the barber shop a few days ago. It was exactly 100 strands of hair.

Jiang Yu put everything into the iron can and lit it up with a lighter.

At this point, Yang Fen's face finally began to panic.

"How did you know about this solution?!" Yang Fen shouted in disbelief.

No one answered her. Yuan Lai, who was beside her, covered his head and fell to the ground in pain.

"Yuan Lai!" He Zhen wanted to help him up.

"Don't go yet!" Jiang Yu stopped him and said, "The bewitching technique on Yuan Lai is disappearing on its own. There must be no external interference! If you go, Yuan Lai's life might be in danger!"

"No, impossible..." Yang Fen looked at everything in disbelief and shouted, "Absolutely impossible! This mystic technique has been lost for hundreds of years! You can't know the solution!"

Jiang Yu said, "You don't know? Then I'm afraid I'll have to disappoint you."

"It's impossible..." Yang Fen said as she quietly leaned against the bed.

After the clothes were burned, Jiang Yu put the residue into the cup of black coffee.

While everyone's attention was on Jiang Yu, Yang Fen quickly opened the window and jumped down!

"Oh no! Yang Fen escaped!" He Zhen shouted.

Just as he said that, Yuan Lai let out a shrill scream and fainted.

"Yuan Lai!" He Zhen rushed over to help him.

Jiang Yu and Mo Long ran to the window, but Yang Fen was nowhere to be seen.

"This is the second floor. There's a shed on the first floor as a buffer," Mo Long said. "She'll be fine if she jumps down. She's lucky this time. I'll let her go for now. But I'll send someone to catch her. Yu'er, don't worry."

"Okay." Jiang Yu nodded and said, "We definitely can't let her go. No one knows if she'll use such harmful mystic arts to harm others in the future."

Mo Long said, "Yu'er, don't worry. I'll definitely catch her."

"That's good," Jiang Yu said.

The air was silent for a while before He Zhen's pleasantly surprised voice sounded, "Yuan Lai! You're awake?!"

The rest of the people looked over and saw the pained expression on Yuan Lai's face as he struggled to sit up.

Jiang Yu walked over and asked, "Yuan Lai, are you alright?"

Yuan Lai looked around and asked in puzzlement, "Where is this place? What's wrong with me?"

"Why don't you ask your Fen Fen first?" He Zhen said sarcastically.

Chapter 568: Li Lu's Return

After the spell on Yuan Lai was dispelled, his head hurt so much that it felt like it was about to explode, and he seemed to have lost his memory at that time.

Hearing He Zhen ask about that "Fen Fen", Yuan Lai asked in confusion, "Fen Fen? Who is Fen Fen?"

He Zhen did not believe his reaction and asked, "You really don't remember?"

Yuan Lai said firmly, "I don't know."

Judging from his expression, it was unlikely that he was lying, so He Zhen stopped asking.

Instead, Jiang Yu asked, "Yuan Lai, do you still remember Wen Nuan?"

"Wen Nuan?" Yuan Lai thought about it a few times and finally remembered who this person was.

"You mean the girl whose name is very similar to mine? The one whose name is a homonym?"

"Yes." Jiang Yu smiled in relief.

Since Yuan Lai remembered the warmth, then the spell on him should have been completely removed.

"Alright, He Zhen, why don't you bring Yuan Lai back to rest?" Sister Xia reminded him.

He Zhen said, "Alright. I'll bring him back first. If you guys need anything, give me a call."

After saying that, He Zhen helped Yuan Lai up and helped him out of the flowing water teahouse step by step.

After He Zhen left, Jiang Yu said to Sister Xia, "I've already found that Li Shuang."

"Where is he now?" Sister Xia asked.

Jiang Yu said, "He's in my studio."

Mo Long did not know that Xiao Xia had been in a car accident, so when he heard Jiang Yu and Sister Xia talk about it, he was a little confused.

So he asked, "What is it?"

Jiang Yu felt that there was no need to hide this from Mo Long, so she told him everything about how Li Lu secretly changed her clothes when she was participating in the dance competition and how Li Lu found someone to hit Xiao Xia with a car.

"This Li Lu is really tired of living." Mo Long was furious when he heard that.

Jiang Yu didn't tell him at the beginning because she was afraid that he would be so angry, so she chose not to tell him.

"Don't be angry yet." Jiang Yu quickly comforted him and said, "I already have witnesses and evidence."

"Speaking of which, there's one more thing. That is — Li Lu is going to make a comeback." Sister Xia took out her phone and found a message, which she showed to Jiang Yu.

"Comeback?" Jiang Yu was a little surprised. After all, it had only been a short while since she was banned.

She took the phone and took a look. The message was sent by Li Lu's studio. It was a comeback article specially written for Li Lu. Moreover, she had accepted a new play.

"How did she make a comeback so quickly?" Jiang Yu was dumbfounded.

Sister Xia said, "The reason why she made a comeback so quickly is largely due to Li Yue."

"It seems that Li Yue has really worried about her little sister." Jiang Yu smiled helplessly and sighed.

"Li Yue?" Mo long sneered and said, "She is willing to pave the way for her little sister, hoping that she can grow up. But Li Lu is useless. In the end, only Li Yue can take care of the Li family."

Mo Long's words were indeed true.

Li Yue had spent a lot of effort to pave the way for Li Lu, hoping that one day she could grow up. But no matter how much effort she put in, Li Lu would never grow up and never grow up.

Jiang Yu sighed and said, "I don't know if Li Yue knows what Li Lu did this time... She should know. After all, this time, it was Li Lu and Li Yue's manager who did it together."

Sister Xia said, "I don't know how much effort Li Lu put into her comeback this time. But if this matter were to be exposed, Li Lu would probably have to retreat from the circle."

She was about to say, "I didn't mean to make things so extreme, but Li Lu is really too much. She's pushing it too far."

Chapter 569: A New Drama Begin Filling

Mo Long gently said to Jiang Yu, "It's alright. Yu'er, if you have something you want to do, do it. I'll be behind you."

Jiang Yu lowered her head and happily said, "I know."

Mo Long lovingly rubbed Jiang Yu's head.

“Oh right, this Sunday is the opening ceremony for Li Lu’s new drama,” said Sister Xia. “Jiang Yu, do you want to go and take a look?”

Jiang Yu thought for a moment. It was Wednesday anyway, and there were still a few days before Sunday, so she should have enough time to gather information. So she said, “Okay. I’ll take a look too. In order to make a comeback, Li Lu can say something grand.”

Mo Long said, “I have work to do, so I can’t accompany you.”

Jiang Yu said, “It’s okay. You go and work. Sister Xia will accompany me on Sunday.”

“That’s fine too,” Mo Long said.

On Sunday, Jiang Yu and Sister Xia arrived at the press conference very early.

“It seems that Li Lu hasn’t arrived yet.” Sister Xia looked around and didn’t see any staff.

Jiang Yu still had a few pieces of paper in her hands. On them were all the stories of Li Lu bribing Li Shuang and borrowing a car to hit someone.

She said, “Today is the press conference for Li Lu’s new play. The Movie Queen selection will be held in three days. Li Lu knew how to pick the right time to promote her new show. With Li Yue’s status and fame, Li Lu’s show might really become popular and continue to thrive in the entertainment industry.”

Sister Xia said, “It seems that Li Lu is determined to succeed in her comeback plan this time.”

Jiang Yu shrugged and said, “That depends on whether she can seize this opportunity.”

Jiang Yu and Sister Xia bought some snacks and drinks at the mall around the press conference and returned to the venue.

Li Lu and her team had already arrived at the venue.

Jiang Yu and Sister Xia hid in the crowd below the stage and quietly listened to Li Lu’s speech on stage.

“I’m very grateful to the director for giving me this opportunity to perform in front of the screen...”

Jiang Yu listened from below the stage and unknowingly ate all the potato chips that she had just bought.

Li Lu continued on stage, “I still feel that I can’t show mercy to people that I hate. No matter who it is, or the people around her...”

When Jiang Yu heard this, her face couldn’t help but darken.

Could this be the reason why Li Lu went against Xiao Xia? But what did Xiao Xia do wrong?

However, Li Lu didn’t feel that what she did was wrong. In fact, she even felt that what she did was right.

“She didn’t seize the opportunity this time,” Jiang Yu said with a sullen face.

“What?” Sister Xia didn’t understand Jiang Yu’s words at first, but when she saw her walk to the staff member who was controlling the computer, she understood.

Jiang Yu walked over and asked a few questions before walking towards a staff member wearing a cap. After saying a few words, Jiang Yu handed over the paper in her hand and returned to Sister Xia's side.

Sister Xia asked curiously, "What did you say to them just now?"

Jiang Yu said mysteriously, "You'll know in a while."

On the stage, after Li Lu finished her speech, the host said, "Then, let's take a look at the stills. Come, let's invite the staff to change the screen behind us."

The big screen behind Li Lu started to change the scene. At first, it was the stills of the drama, but gradually, it began to change.

Li Lu had never looked behind her, but after hearing the whispers of the people below the stage, she also felt that something was wrong. She turned around and was shocked.

The scene behind her had changed from a stills to pieces of white paper. There seemed to be words written on it.

Chapter 570: Step Off The Stage

After Li Lu saw the words clearly, she muttered to herself in disbelief, "Impossible... this is impossible!"

The host also saw the words clearly, and the expression on her face was very ugly. She said, "Li Lu, I'm afraid you can't continue to stay on the stage."

"Why?!" Li Lu roared and said, "I'm the female lead of this drama! You want me to step off the stage now? What do you mean?! You don't want to be a host anymore, right?!"

The people below the stage who were far away couldn't see the words on the screen clearly, but just from hearing Li Lu's angry roar on the stage, they knew that she wasn't a good person.

The host was also in a bad mood after being yelled at, so she directly read out the words on the paper, she said, "Li Lu! You bribed people and then borrowed a car to hit people! Did you do something good? Don't tell me that you want to keep being an actress?!"

When the people below the stage heard this, their voices became louder.

"What? Li Lu borrowed a car to hit someone?"

"Is she crazy? Isn't she afraid of being arrested for doing this?"

"Is there any evidence for this? But if there is no evidence, the contents of these papers wouldn't appear here, right?"

As they were speaking, someone suddenly went up on stage and said, "These things are all nonsensical. Everyone, don't believe it."

Everyone focused their eyes and saw that the person who came was actually Li Yue.

Jiang Yu sneered and said, "Li Yue is really willing to risk everything for Li Lu."

Sister Xia said, "I don't know when Li Yue came. In a few days, it will be the movie queen selection. If Li Yue stands up for Li Lu now, she's not afraid of delaying her own selection."

Jiang Yu shrugged, she said, "Of course she's afraid. But at this juncture, if something were to happen to Li Lu, as her elder sister, she would inevitably be dragged down. So whether she stood up for Li Lu today or not, she would be affected. But if what she said could help Li Lu resolve this matter, then her influence would be minimized."

"So this is what Li Yue is planning." Sister Xia came to a sudden realization.

"I can only say that the two sisters have their own little plans. But when these two plans collide, there's no way to have it both ways." Jiang Yu said with a hint of regret in her tone.

It was just unknown if this bit of regret was for Li Yue or for Li Lu.

When the host saw that Li Yue had come, he couldn't say anything else and could only remain silent.

When Li Yue saw this, she wanted to continue speaking on Li Lu's behalf when she heard someone say, "If you say that this matter is fake, then is it fake?"

Li Yue focused her eyes and realized that the person who spoke was actually Jiang Yu.

"Jiang Yu? Why are you here?" Li Lu asked in surprise.

Jiang Yu said, "Could it be that I can't attend this press conference? I'm an audience member."

Li Lu was speechless.

Li Yue knew that she couldn't count on Li Lu, so she said, "Jiang Yu, why are you here?"

Jiang Yu said, "To refute you, of course."

"Refute me?" Li Yue didn't understand what Jiang Yu meant.

Jiang Yu didn't want to worsen her relationship with Li Yue, but she shouldn't have. Li Lu shouldn't have said those words, and Li Yue shouldn't have stood up for her.

"Otherwise, who do you think found these documents?" Jiang Yu retorted.

Li Yue said in surprise, "Could it be... It's you!"

Jiang Yu didn't answer and asked instead, "Do you know who Li Lu hit with her car?"

Li Yue subconsciously asked, "Who?"

Jiang Yu said, "It's my colleague, Xiao Xia."

The person Li Lu hit was actually Jiang Yu's person?! Li Yue couldn't believe it. What kind of trouble had Li Lu brought back?!

If it really was Jiang Yu's person, then there wouldn't be a good ending today.
