

Older Man 581

Chapter 581: Lost Her Composure

Jiang Yu seemed to have known that she had won the Movie Queen award, so she didn't look too shocked.

She went up to the stage to receive the award amidst everyone's applause. Tears welled up in her eyes as she gave her acceptance speech.

Li Yue was below the stage and didn't hear anything. She only heard Jiang Yu's words. "Since I've won the Movie Queen award today, I'll work even harder in the future to present the best and most outstanding works to everyone."

Movie Queen award? That should have been her award! Li Yue thought angrily. If Jiang Yu had no ability, experience, or experience, what right did she have to win the Movie Queen award in such a short time after debuting?

This must be Jiang Yu's secret operation!

Li Yue gritted her teeth and made up her mind to find out the truth behind this matter. When the time came, the Movie Queen award would still fall into her hands. When that time came, Jiang Yu would only be embarrassed.

After Li Yue understood these things, her mood became a little better. She turned on her phone to seek the comfort of her fans.

However, a portion of the fans were indeed comforting Li Yue, while the other portion of the fans were disappointed that Li Yue did not get the Movie Queen award. They all expressed that they wanted to quit being her fans.

When Li Yue saw these comments, her mood that had just recovered instantly fell back to the freezing point. The anger that she had been suppressing all this while collapsed at this moment.

She angrily replied under the comments, "If you want to leave, then leave quickly! I will definitely not ask you to stay! If you are completely disappointed in me just because I didn't get the Movie Queen award this time, then you don't have to be my fan anymore!"

When she posted this comment, it caused a storm on the internet.

When Sister He saw it, she hurriedly called Li Yue and said, "Li Yue! Quickly delete that comment!"

Li Yue was unwilling to delete it and said, "I'm not deleting it! I didn't say anything wrong, why should I delete the comment?!"

Ever since Sister He took over Li Yue as an artiste, she had never lost her temper. Because Li Yue knew her identity, she would never do anything out of the ordinary. This saved Sister He a lot of worry.

But this time, Li Yue had really gone too far and Sister He had finally lost her temper for the first time.

"Li Yue! Your fans are disappointed in you because you didn't win the Movie Queen award. All these can be forgiven! But do you have to be disappointed in yourself just because you made a mistake once?"

Li Yue defended herself, "I'm not disappointed in myself! I'm telling the truth! Can't I even tell the truth now?"

Sister He got angrier the more she spoke and said, "Even if it's the truth, don't say it! Your fans are ordinary people. They can say whatever they want. But you're a public figure. You can't say what you want!"

This time, Li Yue was also very stubborn. She refused to delete the comments and even wanted to quarrel with Sister He. "Sister He, whether I'm an ordinary person or a public figure, I just want to say what I want to say!"

Sister He said, "Li Yue, don't be agitated! Listen to me. The mistake this time doesn't represent everything. Since Jiang Yu has won the Movie Queen award, just let her have it. You can continue to get next year's Award."

Li Yue was originally angry because of this matter. Now that Sister He brought it up again, the anger that Li Yue had just suppressed flared up once again.

She said, "Sister He, with Jiang Yu's strength and experience, she doesn't have the qualifications to win the Movie Queen award this time! Only I have the qualifications to win the Movie Queen Award!"

When Li Yue said this, she stood up emotionally.

The surrounding people were still applauding for Jiang Yu, but when they saw Li Yue stand up, they all quieted down.

Chapter 582: Slander

Li Yue knew that she had lost her composure and sat back down, she said apologetically, "I'm really sorry, Sister He. But I'm really unwilling. I've won the Movie Queen award twice and I'm determined to win this year's Movie Queen award. Jiang Yu was clearly in third place before. Why did she get first place after a round of canvassing for votes? Why? I've worked so hard for so long and accepted so many jobs just for this moment. Why did Jiang Yu get first place without doing anything?"

Sister He could understand Li Yue's feelings and said, "Li Yue, don't be too sad. Also, there's a fact that you have to admit that Li Lu's matter has affected you."

Li Yue was silent for a while and said, "Lulu always does things without using her brain. So she always messes up in the end and needs me to help her clean up the mess."

Sister He said, "Li Yue, calm yourself down first. I'll go and pick you up now."

Li Yue lowered her head and said, "I got it."

After turning off the phone, Li Yue saw that Jiang Yu had finished her acceptance speech and left the stage.

After everything was over, Li Yue specially went to find Jiang Yu and said, "I have something to tell you."

Sister Xia was a little worried that Li Yue would get emotional because she didn't get the Movie Queen award this time and do something irreparable to Jiang Yu.

However, Jiang Yu wasn't worried and said, "Alright. If you have something to say, just say it."

Li Yue glanced at Sister Xia and didn't care if she was there or not. Instead, she asked directly, "What did you do behind the scenes to win this year's Movie Queen Award?"

"What did you say?" Jiang Yu didn't understand the meaning behind Li Yue's words.

"You know best what I said." Li Yue gritted her teeth and said, "Do you think that I don't know just because others don't know?"

Jiang Yu was amused by her words and said, "What do you know? The truth is that I have won this year's Movie Queen Award."

Li Yue said, "Your strength and your qualifications, which of them are better than mine?! On what basis do you have to win the Movie Queen Award?!"

Jiang Yu said, "This is the vote of the audience."

"They are all blinded by you! Jiang Yu, how can you be so bad? First, you stole my Mo Long, and now you want to steal my Movie Queen award! Jiang Yu, why do you keep pestering me like a ghost?!" Li Yue shouted out of control.

It was the first time Jiang Yu and Sister Xia saw Li Yue lose her composure and were momentarily stunned.

"Jiang Yu! Can you stop pestering me like a ghost?" Li Yue said.

Jiang Yu sneered, she said, "Am I pestering you? Aren't you two sisters pestering me? My life with Mo Long is fine. It's you and Li Lu who keep bothering us, isn't it? All the things that Li Lu has done, which of them isn't against me? And as your sister, don't you know anything about it?"

Li Yue was at a loss for words and didn't know what to say. "I..."

Jiang Yu continued, "But so what if you know? You won't stop her and you won't tell her that what she did was wrong. You will only let her continue doing these things and tell her that it doesn't matter. As long as she does it, you will clean up the mess for her. Li Yue, as her elder sister, you aren't qualified at all."

Li Yue's eyes widened in anger and she said, "Jiang Yu! You don't have the right to tell me what to do!"

Jiang Yu did not want to be outdone and shouted back, "Then what right do you have to tell me what to do?!"

Li Yue paused again and stammered, "You... When did I tell you what to do?"

Jiang Yu said, "No? When did I tell you what to do? Was I not telling the truth just now?"

Chapter 583: Meet The Parents

Of course Jiang Yu was telling the truth.

Li Yue also knew that Jiang Yu was telling the truth. But she was just unwilling to accept it. Moreover, she already knew grandfather Mo's attitude towards Jiang Yu — he had already acknowledged Jiang Yu's identity as his granddaughter-in-law.

Grandfather Mo had always advocated for Mo Long to marry her, so she relied on grandfather Mo's special preference for her. Li Yue thought that even if she delayed the wedding date, as long as Mo Long's leg was cured, then she could marry him immediately.

But she never expected that Jiang Yu would appear. She cured Mo Long's leg and obtained Mo Long's heart. She originally thought that Mo Long's interest in Jiang Yu was just a momentary novelty. Anyway, in the end, the person Mo Long would marry would only be her, Li Yue.

But Mo Long announced to the world that the person he would marry would only be Jiang Yu. Moreover, grandfather Mo, who had once stood on her side and spoke up for her, was also on the same side as Jiang Yu.

It turned out that in the end, Li Yue was the one who had been betrayed.

"Jiang Yu, you've taken away everything from me," Li Yue said unwillingly.

"I didn't." Jiang Yu knew the meaning behind Li Yue's words, hence, she said, "Mo Long has never belonged to you. You said that if you married him after obtaining three movie queens, anyone would think that you wanted to increase the halo on your body so that when you married Mo Long, you would be more compatible with him. But is that really what you think? You simply dislike his legs. You think that he's a burden and you don't want to marry him."

Li Yue was speechless. "I..."

Jiang Yu continued, "You did win two movie queen awards and everyone thinks that you should win this year's movie queen award. But this award doesn't have your name written on it. Anyone can win it. This year, it's me. Next year, it can be someone else. It shouldn't be yours, but you think it should be yours."

Li Yue finally couldn't take it anymore. Her body slowly fell to the ground and she cried out loud.

Jiang Yu said, "All of this was caused by you and Li Lu. No one else can be blamed."

As she said that, Jiang Yu and Sister Xia left together.

After Jiang Yu returned to the studio, she received a call from Mo Long.

Jiang Yu asked, "What's the matter?"

Mo Long said, "My parents are back. They're with grandpa and they want to see you."

Jiang Yu happily said, "Alright. I'll pack the snuff I made for grandpa and I'll be there right away."

Mo Long said dotingly, "I'll go pick you up."

Jiang Yu said, "There's no need. You stay at home with uncle and auntie. This place is not far from the Mo family. I'll be there very soon."

Mo Long no longer insisted and said, "Alright, I'll wait for you."

After Jiang Yu hung up the phone, she hurriedly packed the snuff she had made yesterday and took the car to the Mo family.

Elder Mo walked over enthusiastically and hugged her. He said, "Jiang Yu, no matter what Mo Long's father and mother say later, you can just go in one ear and out the other."

Jiang Yu was stunned for a moment before asking, "What?"

Mo Long's father, Mo Jiang, sat on the sofa and called out helplessly, "Father, what are you saying?"

Elder Mo said, "What do you care what I say? I don't care what you say later. I can tell you in advance that Jiang Yu is my granddaughter-in-law. This matter will never change!"

Elder Mo turned to Jiang Yu and said, "Let's go, Jiang Yu. Sit by my side. If there's anything, grandpa will back you up."

Jiang Yu was very touched and said, "Thank you, grandpa."

She handed the snuff she had packed in a small box to Elder Mo and said, "Grandpa, this is the snuff I made for you. It's filled with fresh osmanthus and is ground into powder after it's dried."

Chapter 584: Difference In Family Status

Elder Mo took the small box and said with a smile, "If you come, just come. Why did you bring a gift?"

Jiang Yu smiled and said, "These are not considered gifts. I made them myself. It can be considered a little filial piety."

Elder Mo accepted it happily and sat on the sofa with Jiang Yu.

"Hello, Uncle Mo and Auntie Mo," Jiang Yu greeted politely.

Mo Long's father, Mo Jiang, looked at her and asked, "You're the one who cured Mo Long's Leg?"

Jiang Yu said, "It's me."

Mo Jiang said, "Mo Long's leg disease has been going on for many years. During this period, he has seen many doctors. He has seen many well-known doctors both at home and abroad. No one said that there was a way to cure him. You're just a little girl in your early twenties. In just a few months, you can cure his leg?"

Jiang Yu knew that no one would believe her if she told them about this. Moreover, the person in front of her was Mo Long's father. It was normal for him to have doubts.

Jiang Yu said, "Uncle Mo, I can understand if you don't believe me. But I've always been interested in medicine. I've also taught myself acupuncture for a period of time, so I'm 80% sure that I can cure Mo Long's leg disease."

Mo Long's mother, Liu Hui, said in shock, "80% ? Without 100% confidence, how would you dare to treat his leg?"

Mo Long said in a deep voice, "Mom, even the best experts and doctors don't dare to say that they have 100% confidence when it comes to treating patients and saving people. Moreover, all the doctors I've

seen say that there's no way to treat my leg disease. It's already very good that Yu'er has 80% confidence."

Liu Hui said, "Are you so anxious to speak up for her? I haven't said anything yet."

Mo Jiang was silent for a moment before he said, "Miss Jiang Yu, the Mo family is very grateful that you have cured Mo Long's leg disease. How about this? How much do you want? Give me a number and I'll give it to you."

Jiang Yu was stunned for a moment before she slowly asked, "... Money?"

Mo Jiang nodded and said, "How much money do you want? Just give me a number."

Jiang Yu thought that Mo Long's parents would accept her, but the other party wanted to give her money and ask her to leave Mo Long.

Mo Long frowned and said, "Yu'er and I are consensual. Why do you want to stop us?"

Mo Jiang said, "Why do I want to stop you? I'm doing this for your own good!"

Mo Long raised his voice and said, "For my own good?"

Mo Jiang slammed the table and said, "Mo Long! Are you rebelling?!"

Elder Mo slammed his walking stick on the ground and shouted, "Shut up!"

Mo Long and Mo Jiang kept quiet.

Elder Mo was so angry that his face turned red. He said, "What's wrong with Jiang Yu? Why do you want her to leave? Do you think that Li Yue is the most suitable?!"

Mo Jiang said, "Dad, we don't think that Yueyue is the most suitable. We just think that she is more suitable for Mo Long. But even if Yueyue didn't marry Mo Long in the end, it could still be another rich young lady and not Jiang Yu! Jiang Yu has no background and knowledge. She is not worthy of Mo Long!"

Old master Mo said, "This is all nonsense! Why? Are you looking down on Jiang Yu's background? Do you think that she and Mo Long are not of the same family background?"

Liu Hui did not dare to say anything when she saw Elder Mo lose his temper. However, when she heard what he said, she could not help but whisper, "Dad, Mo Jiang is right. Jiang Yu is indeed not worthy of Mo Long."

Elder Mo's anger grew even more, he said, "Nonsense! Don't tell me that Mo Long's grandmother and I are of the same family?! She is an excellent teacher, but isn't she together with me, a country bumpkin who came from the countryside to work hard in the city?!"

Chapter 585: Argument

Mo Jiang paused and said, "Dad, I didn't mean that..."

"You didn't mean that? Then what did you mean? You said that Jiang Yu wasn't good enough for Mo Long, which means that I wasn't good enough for your mother, right?" Elder Mo said.

Mo Jiang said, "Dad, don't switch the concepts. Alright, you don't have to say anymore. No matter what you say, I won't allow Jiang Yu to marry into our Mo family."

Liu Hui also said, "That's right, Dad. You married our mom back then. Now that you have such achievements, we all know that mom didn't marry the wrong person back then. But Jiang Yu... even if she cures Mo Long's leg, we can treat her like a doctor and pay her medical fees. But she marrying Mo Long is not a suitable choice."

"Are you trying to humiliate Yu'er?" Mo Long had been listening to Elder Mo and Mo Jiang. Now that he heard his mother's words, he could not bear to listen anymore, he said, "If you are trying to humiliate her, then I will take her out to live."

Mo Jiang said, "Mo Long! Are you disobeying me now?!"

Mo Long did not answer. He held Jiang Yu's hand and said, "Yu'er, let's go back to Mo Garden."

Jiang Yu did not know what else she could say if she stayed behind. It seemed that no matter what she said, Mo Long's parents would not approve of her.

Since that was the case, it was better for her to leave with Mo Long.

Seeing that both of them had left, Elder Mo said, "This is great. You don't have a son or daughter-in-law anymore. You two are finally happy, right?"

Mo Jiang was still trying to convince Elder Mo to understand that Jiang Yu was not worthy of Mo Long at all. He said, "Dad, that's not what I meant. If it wasn't Jiang Yu but some other rich young miss, I would definitely agree. Or rather, if it had to be Jiang Yu, at least her family background should be reasonable, right? She still needs to have some knowledge. All in all, Yueyue is more suitable for Mo Long."

When Elder Mo heard the name "Li Yue", he was instantly enraged, he stood up and said, "Li Yue, Li Yue! You two have your hearts set on Li Yue? Could it be that she's the only girl in this world?! Does it have to be her who marries Mo Long? This is ridiculous!"

With that, Elder Mo left with his walking stick and went to Mo Garden to look for Jiang Yu.

She was his granddaughter-in-law and it was useless for anyone to disagree!

Liu Hui saw this and quickly nudged Mo Jiang's elbow, she asked, "My son has left, my father has left too, and even that Jiang Yu has left too. Why do you have to make such a fuss? Mo Long wanted to marry her, so let him marry her. What's the big deal? His business is his own and we don't have to worry about it. Why did you have to force him to marry Li Yue?"

Mo Jiang snorted coldly, he said, "It's precisely because he doesn't need us to worry. He does everything well and never needs to ask for our opinions. That's why I have to worry about this matter. What's so good about that Jiang Yu? What's in it for him to marry her? Could it be that a small celebrity in the entertainment industry will be of any help to his future career?"

Liu Hui also felt that what Mo Jiang said made sense, so she said, "Then we have to think of a way to get Jiang Yu to leave Mo Long."

Mo Jiang said, "This kind of woman has her eyes set on Mo Long's money. As long as our money is in place, she will never leave."

Liu Hui carefully asked, "Then how much do you think is appropriate?"

Mo Jiang still had to carefully consider this question. After all, Jiang Yu had cured Mo Long's leg. Even including the medical fees, it was not something that could be solved with just a few million.

"Let me think about it."

Chapter 586: Past Events

Mo Long and Jiang Yu had already arrived when Elder Mo arrived at Mo Garden.

Mo Long went to the kitchen and said that Jiang Yu had been wronged today and wanted to cook personally.

Although Jiang Yu didn't believe in his cooking skills, the kitchen had an auntie who specialized in cooking, so it shouldn't be a big deal.

There was an empty space in the backyard of Mo Garden. Previously, there was nothing on it and it was bare.

After Jiang Yu moved here, she felt that it was better to plant something here so that it would look pleasing to the eye.

Hence, she bought the seeds of osmanthus flowers and planted them. After keeping them for a period of time, they bloomed. She had originally planned to bring Mo Long to watch them when they bloomed, but now that Elder Mo had bought a snuff bottle, these osmanthus flowers had other uses.

At that moment, Jiang Yu was watering the osmanthus flowers in the backyard when she heard someone ask, "Did you grow your own osmanthus flowers for the snuff you made?"

Jiang Yu hurriedly stood up and saw Elder Mo standing behind her with a smile.

"Grandpa, why are you here?" Jiang Yu shouted in surprise.

Elder Mo said, "I was so annoyed staying in the Mo family that I wanted to look for you."

Jiang Yu quickly put the kettle away and planned to help Elder Mo back to the living room to rest.

However, Elder Mo said, "Don't go back. Stay here and bask in the Sun. Look at the flowers you have."

Jiang Yu smiled and said, "Okay."

She went to get two chairs and said, "Grandpa, please take a seat."

After Elder Mo sat down, he looked at the osmanthus flowers and said, "Mo Long's grandmother also likes osmanthus flowers."

Jiang Yu had heard Elder Mo mention Mo Long's grandmother in the Mo family just now. Now that she heard it again, she couldn't help but ask curiously, "Grandpa, what kind of person is grandma?"

Upon hearing this, Elder Mo's face was filled with happiness as he said, "She is a beautiful and kind person."

Looking at Jiang Yu's inquisitive expression, Elder Mo smiled, he told the story of himself and grandma of Mo Long, "When I was young, I was a poor kid who didn't have a single cent. At that time, the village was poor and no one had enough to eat. I told them that I wanted to go out and earn money. At that time, my family couldn't wait for me to leave as soon as possible because as long as I left, my family would be able to save a mouthful of food. However, I didn't blame them for wanting me to leave. I understood them."

"Then, I traveled day and night. I relied on my own feet to walk all the way to the city. It was there that I met her, which was Mo Long's grandmother. She was a teacher with a good family background, a high education background, and was also beautiful."

"At that time, although I had a good impression of her, I didn't even dare to think about being with her or getting married to her. Moreover, she was taught that she wasn't allowed to look at me, so I always thought that we would only be like this for the rest of our lives and that we wouldn't have any more interactions."

Speaking up to this point, Elder Mo seemed to be immersed in his memories and didn't continue.

Jiang Yu tactfully didn't disturb him. Instead, she waited for Elder Mo to finish his memories before continuing.

"But one summer, she came home late from work and was followed by a group of hooligans in an alley. You know the situation back then. Where were the street lamps? But that alley was the only way she could get home. Even if she was afraid, she had to go

"There were a group of hooligans following behind her. Wasn't she even more afraid? Just as the group of hooligans were about to attack her, I appeared like a hero. I saved her and even got injured. I was only able to recover after lying in the hospital for a few months. During this period of time, she took care of me in the hospital. She gradually fell in love with me and we got together."

Jiang Yu asked curiously, "Grandpa, didn't grandma's family feel that the two of you weren't from the same family? Would they stop you?"

Chapter 587: Display of Cooking Skills

Elder Mo said, "Of course they will stop it, but they won't stop it like Mo Long's parents did. At that time, as long as we could afford a bicycle, a radio, and a chicken, we could marry the girl we liked."

Jiang Yu asked, "But grandpa only entered the city from the countryside not long ago, right?"

Elder Mo chuckled, he said, "Actually, grandma bought it with her own salary and stuffed it into my hands so that I could use it as a betrothal gift. Otherwise, I don't know how many years I would have to work to earn enough money."

Jiang Yu sighed. "That's great..."

Mo Long, who had been busy in the kitchen for a long time, walked over and said, "It's time to eat."

Elder Mo turned around and looked at the apron on Mo Long's body. He asked in disbelief, "Just now... Was it you who was cooking?"

Mo Long pretended to be calm and said, "It was me."

The expression on his face was not quite right. Jiang Yu asked in puzzlement, "Why do you have that expression?"

Elder Mo was also very puzzled. "Can your cooking be eaten?"

Mo Long: "..."

Jiang Yu and Elder Mo still went to the dining table for Mo Long's sake. However, when they saw the black thing in the bowl, the expressions on their faces changed.

"What... Is this?" Elder Mo asked hesitantly.

Jiang Yu didn't see it either and guessed, "Is this... the noodles burnt?"

Mo Long coughed dryly and said, "It's fried eggs."

Elder Mo pointed at the black fried eggs and said in shock, "This is fried eggs? I thought it was a bomb!"

Mo Long said, "... Grandpa, you don't have to be so disrespectful to me."

Jiang Yu sighed and said, "Forget it. Sit with Grandpa in the living room. I'll go cook."

Elder Mo was surprised again. "Jiang Yu, you know how to Cook?"

Jiang Yu untied Mo Long's apron and tied it around her body again, she smiled and said to Elder Mo, "When I was working part-time, the neighbor aunt taught me. However, I only know some home-cooked dishes. Grandpa, please don't dislike it."

With that, Jiang Yu went to the kitchen to show off her skills.

The kitchen auntie had a headache just now because Mo Long was busy here. Now that she saw Jiang Yu come in, she couldn't help but sigh in her heart. She thought that the male and female owners of this house had taken the wrong medicine today, one by one, they came to the kitchen to cause trouble.

The auntie said, "Madam, I'm here in the kitchen. You should go to the living room."

Jiang Yu said, "Auntie, don't worry."

Since the hostess had said so, it wasn't good for the auntie to insist. So she said, "Then I'll help Madam."

Jiang Yu said, "Thank you."

Jiang Yu asked the auntie to boil a pot of boiling water. After washing the tomatoes, she scalded them with the boiling water. Then, she fried the eggs and scooped them out. She poured them into the tomatoes and continued to fry them.

The auntie was washing the oiled wheat vegetables at the side. When she saw Jiang Yu's skillful movements, she was a little shocked and asked, "Madam, so you really know how to cook?"

Jiang Yu said while frying the vegetables, "The neighbor Auntie taught me some home-cooked cooking methods."

"I see."

In just half an hour, Jiang Yu had already prepared the fried tomatoes and eggs. Stir-fried meat with green peppers and fried garlic moss.

"It's time to eat!" Jiang Yu served the prepared dishes and said, "There are fewer dishes. Grandpa, please don't mind."

Elder Mo smiled and said, "I have a granddaughter-in-law who can cook. Why would I mind? I'm more than happy!"

Jiang Yu smiled embarrassedly and said, "Grandpa, please don't make fun of me."

Elder Mo laughed and said, "Okay. Let's eat."

Chapter 588: Cheques

Translation

After dinner, Elder Mo was sitting on the sofa and was about to continue talking about his past when he received a call from Mo Long's mother, Liu Hui.

Elder Mo was still angry about what had just happened. When he received the call, his tone was not very good. "What? What? Looking for Jiang Yu? Why are you looking for her?"

Jiang Yu heard Elder Mo's answer and knew who the person on the other end was.

"I'll let her go just because you're looking for her?" Elder Mo blew his beard and glared. "Let me tell you, Jiang Yu is my granddaughter-in-law! It's useless even if any of you disagree! ... You want to talk to Jiang Yu?"

Elder Mo glanced at Jiang Yu. Jiang Yu was silent for a moment before saying, "Okay."

Elder Mo handed the phone over and said, "No matter what it is, as long as you are unwilling, you can just reject it."

Jiang Yu took the phone and asked, "Auntie, is there something?"

Liu Hui said, "Jiang Yu, do you have time? I have something to talk to you about."

Jiang Yu knew why Liu Hui was looking for her. She hesitated for a moment before deciding to meet her.

"Alright. What time? where is it?"

Liu Hui told Jiang Yu the time and place.

Jiang Yu said, "Alright."

After hanging up the phone, Jiang Yu packed her things and was about to leave.

Mo Long pulled her back and asked, "Where are you going?"

Jiang Yu answered truthfully, "Auntie asked me to go out."

Mo Long rejected her and said, "You are not allowed to go. She won't say anything nice to you."

Of course, Jiang Yu knew that Mo Long was Mo Long's mother and her future mother-in-law, so she had no choice but to go.

Moreover, Jiang Yu also knew that Mo Long would definitely disobey his parents for her sake. She didn't want such a thing to happen.

She patted Mo Long's hand and comforted him, "It's alright. Trust me."

Mo Long still didn't agree and said, "Don't go."

Elder Mo also turned to Mo Long and said, "I understand this daughter-in-law of mine. She asked you to go out because she wants you to leave Mo Long. Jiang Yu, don't go. It'll be a waste if you go."

Jiang Yu smiled and said, "It's alright. No matter what, Auntie is an elder and I'm a junior. If I don't go, I'll be rude. Auntie and uncle don't really like me to begin with. I can't let them not like me anymore because of this matter."

Mo Long said, "I'm the one who married you. It has nothing to do with them."

Jiang Yu was very touched, but no matter what, she had to go today. She said, "It's alright. You have to believe me."

Mo Long let go and said, "Yu'er, you have to be careful."

Jiang Yu nodded and said, "Alright."

After Jiang Yu left the house, she quickly arrived at the coffee shop that Liu Hui had mentioned.

"Hello, Auntie." Jiang Yu politely greeted her.

Liu Hui did not say anything. She took a sip of the coffee in front of her and said, "Take a seat."

Only then did Jiang Yu sit down. Before she could say anything, Liu Hui handed her a check, "Jiang Yu, take a look at the number on it and see if you're satisfied with it. If you're not satisfied, then tell me the number that you're satisfied with. As long as you're willing to leave ink dragon, I can give you any amount of money."

Jiang Yu looked at the check. There was 50 million written on it.

"Auntie, I'm not with Mo Long for the money," said Jiang Yu.

Liu Hui sneered in her heart, but she maintained a friendly expression on her face. "Jiang Yu, how much do you want? Tell me."

"Do you think that all feelings can be bought with money?" Jiang Yu retorted.

Liu Hui paused and smiled. "Not exactly, but there must be."

Jiang Yu fell silent and said, "Auntie, if you put it that way, then you can't afford the price I want."

Liu Hui was still not angry, thinking that Jiang Yu's Fox tail was starting to show.

Chapter 589: His Love

Liu Hui asked, "Jiang Yu, what do you want then?"

Jiang Yu enunciated each word clearly, "Mo Long's love."

Liu Hui paused, as though she had not reacted to Jiang Yu's words. She asked, "What did you say?"

Jiang Yu said, "I don't want anything else. I only want Mo Long's love for me."

Liu Hui sneered and said, "Why? What does his love represent? It represents the entire Mo Corporation! If you want his love, then what do you get in the end? Isn't it still money?"

Jiang Yu also knew that no matter what, Liu Hui would never believe that she was true to Mo Long. Even if she had won the movie queen award, the person in Liu Hui's heart who was the best match for Mo Long was only Li Yue.

It seemed that she had a long way to go in order to gain the favor of this mother-in-law.

Jiang Yu felt that if she continued talking, it would only worsen her relationship with Liu Hui. She said, "Auntie, let's not talk about this matter for the time being."

Liu Hui said, "Jiang Yu, even if we don't talk about this matter now, we still have to talk about it in the future. But no matter what, I definitely don't want to allow you to marry into the Mo family."

Jiang Yu sighed and said, "Got it, Auntie."

Liu Hui did not expect Jiang Yu to agree so readily.

She said, "Jiang Yu, I hope that the next time we meet, the person standing by Mo Long's side won't be you."

Jiang Yu said helplessly, "Then I hope that your wish will come true."

Jiang Yu really did not have much to say to Liu Hui. She did not even drink her coffee before she got up and left.

After returning to Mo Garden, Mo Long noticed that her expression was not very good. He asked with some heartache, "Yu'er, what's wrong?"

Jiang Yu did not want Mo Long's relationship with his mother to deteriorate, so she did not tell Mo Long what Liu Hui had told her, instead, she said, "Auntie was just trying to persuade me to leave you. After hearing that I was unwilling, she did not say anything more. The two of them had nothing more to say, so they went back to their own homes."

Mo Long knew that Jiang Yu was trying to comfort him. After all, he knew his mother's character very well. She would definitely not just say these few words when she asked Jiang Yu to go out.

Jiang Yu forced a smile and said, "I'll be fine after I rest."

Mo Long said, "Yu-er, I'll accompany you."

Elder Mo was still sitting on the sofa and tactfully did not disturb Mo Long and Jiang Yu. Instead, he got someone to move a chair to the backyard and continued to look at Jiang Yu's osmanthus flowers.

Mo Long brought Jiang Yu back to the bedroom and asked with a pained expression, "Yu-er, are you really alright?"

Jiang Yu's psychological defense collapsed because of Mo Long's words, and tears welled up in her eyes. She asked with a sobbing tone, "Why doesn't Auntie like me?"

Mo Long said, "It doesn't matter whether they like you or not. I like you, and I love you. That's enough."

Jiang Yu said, "But I want your family to accept me. I don't care what the Jiang family thinks, but I care what your family thinks."

She really didn't care what the Jiang family thought. Whether it was Jiang Hai and Wei Juan wholeheartedly liking Jiang Ran, or Jiang Ran scheming against her, Jiang Yu didn't care.

She felt that she had grown strong enough to be invulnerable to weapons, and she didn't care about other people's gossip.

But when Mo Long's mother said, "You're not worthy of Mo Long at all. The only one worthy of Mo Long is Li Yue." Jiang Yu knew that she wasn't that strong.

She wanted to stand by Mo Long's side. No matter how much effort she had to put in, she would not hesitate.

Jiang Yu said, "You must always be by my side."

Mo Long said, "I will always be by your side."

As he said that, Mo Long gently touched Jiang Yu's lips.

Chapter 590: Baby Making Plan

Jiang Yu endured Mo Long's passionate kiss and couldn't help but lean on Mo Long's shoulder.

After a long while, Mo Long let go of Jiang Yu and asked in a low voice, "Yu'er, are we... going to have a child?"

When Jiang Yu heard this, she blushed and stammered, "Child, child? But I'm still young, still young..."

When Mo Long heard this, he sighed and said, "Okay."

He also knew that he was indeed a little too anxious. Yu'er was still young and had not graduated yet. It was indeed too early to have a child.

"What's good about it?" Someone suddenly pushed the door open and said, "I don't think it's good!"

Mo Long and Jiang Yu were shocked. When they focused their eyes, they saw that it was Elder Mo..

Elder Mo also knew that it was wrong for him to eavesdrop at the door. However, because he was an elder, Elder Mo coughed dryly and said, "Jiang Yu is not young. I think it's not too early to have a child."

Mo Long sighed and said helplessly, "Grandfather, Yu'er is indeed too young. Moreover, she hasn't graduated yet. It's indeed too early to have a child."

Elder Mo said, "When your grandmother gave birth to your father, she was about the same age as Jiang Yu! What's early about it?"

Mo Long said, "Grandpa, you can't use the situation in your era to describe the current situation."

Jiang Yu also said shyly, "Yes, Grandpa. I haven't graduated yet and my career is on the rise. It is indeed too early for me to have a child now."

Elder Mo wanted to hug his great-grandson, so he didn't listen to the explanations of the two people in front of him.

"I see that both of you are not young anymore. It's better to have a child earlier," Elder Mo said to himself, completely ignoring Mo Long's helplessness and Jiang Yu's shyness.

Mo Long was afraid that Jiang Yu's face would bleed if Elder Mo continued to speak, so he got up and sent Elder Mo out, saying, "Grandpa, it's getting late. You should rest."

Elder Mo knocked on the floor with his walking stick and said, "What time is it now? It's only afternoon, and you want me to rest?"

Mo Long felt even more helpless and said, "Grandfather, we really can't be anxious about the child."

Elder Mo said, "Why not? I'm already so old this year, and all I want is to have a great-grandson. Is it that difficult? Besides, if Jiang Yu gets pregnant, your parents might accept her."

Mo Long understood Jiang Yu. She would never use such a method to make her parents accept her.

He said, "Grandfather, Yu'er will use her own method to make my parents accept her, not this method. Even if the Mo family never accepts her, I will never leave her. She is the only love and the only treasure in my life."

Mo Long's affectionate confession not only made Jiang Yu blush, but also made her heart skip a beat. Even Elder Mo, who was outside the door, couldn't handle it.

Elder Mo cleared his throat and said, "You should keep these words with Jiang Yu. Forget it. If you and Jiang Yu don't want to have a child now, then don't do it for the time being."

Mo Long let out a long sigh and said, "Grandpa, you should go and rest."

Seeing that he had nothing to say while staying here, Elder Mo had no choice but to return to his room.

After sending Elder Mo off, Mo Long went back to sit beside Jiang Yu, "Grandpa wants to have great-grandchildren. It's normal for old people to have such thoughts, and this will get stronger as they grow older. Yu'er, don't take it to heart," said Elder Mo.

Jiang Yu covered her mouth and laughed, "It's okay, I know. When I rented a house before, the neighbors were always clamoring for their sons and daughters-in-law to have a child. I live next door, so I can hear it every night," said Jiang Yu.
