Chapter 621: Side Listening Spot

Carl was so stubborn that the other judges couldn't say anything, they could only follow his instructions. "If you insist on Jiang Yu going to the University of Cecilia, we can't stop you. But you have to think carefully. You are only representing the University of Cecilia, but the person in charge of the University of Cecilia is not you."

Carl's eyes turned cold as he said, "You don't have to worry about this."

The atmosphere at the scene was a little awkward and a little stiff, but no one dared to stand out and say a word. They were afraid that if they opened their mouths and said a word, this fire would inexplicably burn on them.

But in the end, the silence was broken, it was Professor Carl who called the President of Ivy University. "President, this is Carl from Cecilia University. I applied to give Jiang Yu a spot to listen in, so that she can study for a semester."

Although Kang Xue was not far away, she could not hear what the president said on the other side of the phone.

She could only vaguely hear what Professor Carl said and secretly clenched her fists.

President, please don't agree to him! Please don't give her a spot. Even if there is a spot, don't give it to Jiang Yu!

However, Carl's next reaction made Kang Xue's wish come to naught.

She heard Carl say happily, "Okay, thank you, President."

What did he mean? Did he mean that Jiang Yu could still go to the University of Cecilia to study?

Kang Xue turned around and glared at Jiang Yu, not understanding why people were always helping her and favoring her.

Jiang Yu didn't expect that Professor Carl would fight with so many judges for her. She didn't know how to thank Professor Carl.

Kang Xue turned around and glared at Jiang Yu, she said, "Jiang Yu, I really hate you. It was clearly agreed that I was the first place, but someone always spoke up for you at the most critical moment and fought for your best interests."

For some reason, Jiang Yu didn't get angry at Kang Xue's words. Instead, she felt a little sympathy for her.

She said, "If you want to hear an explanation about this matter, I can only say that I have no way to explain it. After all, this matter has already exceeded my expectations."

"Is that so?" Tears welled up in Kang Xue's eyes. She laughed self-deprecatingly, she said, "Do you dare to say that you really haven't thought about this matter? Am I the fool in the end? They had clearly agreed that there would only be one first place. But now that the results were out, why did they

suddenly add a spot for you to listen in? It was obvious that they wanted you to be the student transfer, not me! Since that was the case, why would they still hold a competition? Why not just pick you up directly?!”

The more Kang Xue spoke, the more agitated she became, and her voice became louder and louder. In the end, everyone present could hear her final words.

Jiang Yu also knew that this matter was not fair to Kang Xue, and she did not have to go to Cecilia University to study. Therefore, Professor Carl did not have to fight for this spot for her.

However, Professor Carl took a liking to her attainments on the piano. No matter what others said, he had to protect Jiang Yu’s chance to go to Cecilia University. He did not want to lose her, a very talented student.

There was no host for this competition. Only the announcer took the place of the host. Now that such a thing had happened on the field, the announcer quickly called for security and dragged Kang Xue, who had lost control of her emotions, down.

When Kang Xue was dragged down, she kept shouting, “Jiang Yu! I will never let you off! As long as I am here, you will never have an easy time!”

Chapter 622: Give Up The Opportunity

Kang Xue was brought to the lounge by the security guards. Only Jiang Yu was left on the field.

Carl came over to comfort her and said, “Jiang Yu, don’t worry. I’ve already won a spot for you to listen in.”

Jiang Yu paused for a moment and said very firmly to Carl, “Professor Carl, I’m willing to give up the spot this time.”

“What?” This time, both Carl and the judges who looked down on Jiang Yu were shocked by Jiang Yu’s words.

Jiang Yu said, “We agreed before the competition that there would only be one first place. Now that the results are out, Kang Xue is the first place, so she is the one who can go to the University of Cecilia to study.”

Carl could not believe that Jiang Yu would really give up this opportunity. He asked, “Jiang Yu, are you really going to give up? You have to know that studying at the University of Cecilia is an opportunity that many people dream of!”

Jiang Yu nodded and her attitude was very firm. “Yes, Professor Carl. I am willing to give up this opportunity.”

This time, the atmosphere fell silent again.

But soon, Jiang Yu spoke again, “But, Professor Carl, I hope that you will allow me to participate in the new round of the University of Cecilia’s entrance exam.”

Entrance Exam? The judges were shocked, including Carl.

Carl said, "Jiang Yu, have you really thought it through? The entrance exam is much harder than you think. It's not something a mere international piano competition can compare to."

Jiang Yu said firmly, "I've thought it through. This is what I think. I don't need to follow Kang Xue into the entrance of the University of Cecilia to listen in. I need to rely on my own strength to walk in openly."

Seeing how determined Jiang Yu was, Carl could only grant her request. But at the same time, Carl's admiration for Jiang Yu increased by a few points.

.....

When Kang Xue heard the news, a mocking smile appeared on her face, she said, "It seems that Jiang Yu is the fool. She didn't want a good spot to listen in and insisted on taking the entrance exam. She didn't even take a look at her own strength. Is she qualified to pass the entrance exam?"

Wang Qing and Jiang Ran listened from the side and felt that Kang Xue was also a little strange.

She was clearly the one who couldn't accept the sudden chance Jiang Yu was given, but after Jiang Yu really gave up the opportunity, she was calling her stupid again.

"But I'm still looking forward to Jiang Yu's exam results." Kang Xue smiled and said, "If she really passes, then she can still be a classmate in Cecilia in the future. It's really not bad."

Kang Xue's smile made people shudder. Wang Qing and Jiang Ran couldn't help but have their hair stand on end.

On the way back, Dai Zhu kept chattering, "Jiang Yu, what are you thinking? Professor Karl has already won a spot for you to listen in, why did you give it up on your own accord?"

Lu Qi also didn't understand why Jiang Yu did this, he also said, "Yeah. Professor Bai placed all her hopes on you. How could you give up the spot on your own accord? And you even took the initiative to say that you were going to take some entrance exam? Xiao Yu, do you know how difficult the entrance exam for Cecilia is? It's at least a hundred times more difficult than this competition!"

Dai Zhu said, "Look, everyone thinks that it's a very unwise choice for you to give up this opportunity. Yet, you still have the mood to... laugh?! Jiang Yu, do you not know how serious this matter is?!"

Jiang Yu smiled and said, "It's alright. I already guessed that the entrance exam for Cecilia University would be very difficult."

"You knew? Then why did you give up this opportunity?" Dai Zhu was about to be angered to death by Jiang Yu. She said, "Then did you guess what you would do if you failed the exam?"

Jiang Yu thought for a moment and said, "Then I really didn't think about it."

"You don't even know what the entrance exam is!" Dai Zhu said, "Do you think you can pass the exam with 100% certainty?!"

Chapter 623: Stirred Up Another Storm

Lu Qi also agreed with Dai Zhu's words and said, "Little Yu, you don't even know what the exam is, nor do you know how difficult it is. Yet you dare to say that you're going to take the entrance exam?"

Jiang Yu said, "Of course I dare."

Dai Zhu wanted to say something else, but when she saw Jiang Yu's fearless and confident look, she couldn't bring herself to say it.

Tian Guo tried to ease the atmosphere between them, "It's alright. Since we're Jiang Yu's friends, we should trust her unconditionally. And it's not just us. More and more people are supporting Jiang Yu now. If you don't believe me, you can take a look."

As she spoke, Tian Guo took out her phone and opened a school post. "Look, this post is specially made to support Jiang Yu!"

"Really?" Dai Zhu took Tian Guo's phone and scrolled through the content. As Tian Guo said, it was indeed a post to praise Jiang Yu.

"Let me see if there are any other posts. I'll save them all." Dai Zhu exited the current page and prepared to look for more posts like this.

However, she didn't find any posts to support Jiang Yu. Instead, she found posts to defame Jiang Yu.

Logically speaking, there were many posts on the school forum that slandered Jiang Yu, and Dai Zhu was already used to it. However, the title of this post was "Blame Jiang Yu for stealing other people's ideas. She deserved not to win first place."

"What kind of post is this?" Dai Zhu clicked on it and was almost angered to death by the content.

"What kind of content is this?" The more Dai Zhu read, the angrier she became. She said, "Isn't this just framing? When has Jiang Yu ever done such a thing?!"

"What's wrong?" Lu Qi saw that Dai Zhu was so angry and knew that the content of this post was not good.

Dai Zhu handed her phone over, she said angrily, "Look at it yourself! This post actually says that Jiang Yu stole other people's ideas! When has Jiang Yu ever done such a thing? Those were clearly Jiang Yu's own ideas! When did she steal other people's ideas?"

.....

Lu Qi read the content of the post carefully and said, "What's going on? Isn't this distorting the truth? When did Jiang Yu steal other people's original music score? It was clearly other people who stole her music score!"

Jiang Yu took the phone in Lu Qi's hand and read the content inside. She said, "It's Jiang Ran."

"Jiang Ran? Your sister?" Dai Zhu was in disbelief, "No matter how much she dislikes you, she can't say such things to frame you! Could it be that this post is saying that you stole her original composition? But I don't think she has the ability to create an original composition at all!"

Lu Qi said, "From the beginning, it was Jiang Ran who took advantage of the Jiang family's pampering of her, so she always bullied Xiao Yu. The songs that Jiang Ran played at the major parties were all Xiao Yu's original compositions. Later, when Xiao Yu was unwilling to give Jiang Ran her own songs, she

thought of a way to steal them. She even told the public that they were her own original songs. If they were found out, they would say that Xiao Yu stole her own original songs!"

"Jiang Ran is so shameless?" Dai Zhu was shocked. She had never thought that someone would be so shameless.

Lu Qi said, "That's not the only thing she's shameless about."

She wanted to continue, but when she saw Jiang Yu's expression, she stopped herself and asked, "Xiao Yu, what do we do now? A lot of people have already seen this post."

Jiang Yu sighed and said, "I was wondering why Jiang Ran has been so quiet recently. It turns out that she's been waiting for me behind my back."

Dai Zhu asked, "Then do you want to explain it? Just say that you didn't do it, but Jiang Ran did, but it distorts the truth."

Jiang Yu shook her head, she said, "It's useless to explain now. No one will listen. Most of them have already seen this post and will assume that I'm such a person. Therefore, no matter what I say, they will not believe me."

"Then what should we do? We can't let Jiang Ran be so arrogant," said Dai Zhu.

Jiang Yu smiled and said mysteriously, "Don't worry, I have my own ways."

Chapter 624: Retaliation

Dai Zhu, Lu Qi, and Tian Guo did not know what Jiang Yu was up to, but seeing how confident she was, they did not ask further.

Dai Zhu said, "Jiang Yu, although I don't know what you can do, just tell me if there's anything. I will do my best to help you."

Jiang Yu was touched and said, "Thank you."

After returning to school, Jiang Yu went back to her dormitory and opened the school forum.

She found the content of the post and read it carefully. After that, the corners of her mouth curled up into a smile.

Jiang Li was the only one in the dormitory who was still resting. When she saw Jiang Yu's expression, she couldn't help but tremble.

She was a little curious about why Jiang Yu was like this, so she asked, "Jiang Yu, what are you doing?"

Jiang Yu replied, "I'm giving those who framed me a big counter-attack."

"Counter-attack?" Jiang Li spent her free time in the library. She didn't know about the school forum at all, so she didn't know what Jiang Yu meant by "Framing".

However, she had lived with Jiang Yu for so long, so she knew what kind of person she was. Since she said that someone was framing her, it was possible that someone had really forced something on her.

Jiang Yu said, "It doesn't matter. Soon, I will let that person know what will happen if he fabricates lies behind my back and turns the truth upside down."

Jiang Yu first edited the content and then opened a certain app on her phone. After taking a few pictures, she also posted the pictures.

After Lu Qi and Dai Zhu saw the post, they immediately forwarded the post so that more and more people could see it.

.....

Jiang Ran was still resting comfortably in the dormitory, but she was woken up by a series of urgent knocks on the door.

"Who is it?" Jiang Ran was angry and in a bad mood, so her tone was not very good.

Wang Qing stood at the door with the phone in his hand. The anxious expression on his face made Jiang Ran wake up immediately.

"What's wrong? What happened?" Jiang Ran looked at her anxious look and felt that what happened was a very big thing.

Wang Qing handed the phone over and said, "Look at this new post. It's all refuting our post."

Jiang Ran quickly grabbed the phone and read the post carefully.

The content was to explain that Jiang Yu had never stolen other people's creativity and original music score. Instead, it was others who stole her creativity and original music score.

The more Jiang Ran read, the angrier she got. She didn't expect Jiang Yu to deliberately post a post to clarify things. Moreover, all the content was true. It was just short of writing Jiang Ran's name.

However, Jiang Ran absolutely couldn't say that in front of others. Otherwise, her image, which she was struggling to maintain in front of Wang Qing, would collapse. Therefore, she said, "This Jiang Yu likes to fabricate wherever she goes, and she also likes to distort the truth!"

Wang Qing was also very angry and said, "I didn't expect that even though we have already put the truth on her face, she still refused to admit it! Do we really have to confront her face to face before she will admit what she has done?"

Jiang Ran was worried that Wang Qing would be impulsive and really do something to confront her face to face.

She hurriedly pulled Wang Qing back and said, "Forget it. Let's leave this matter at that. There's no need to continue talking about it. Anyway, Jiang Yu won't admit it."

Wang Qing felt that it wasn't worth it for Jiang Ran and said, "Are you just going to let Jiang Yu bully you like that?"

Jiang Ran sighed, she said, "There's nothing we can do about it. If it were just her alone, we would be able to deal with her easily. But she has an Mo Long behind her. Who would dare to go against her?"

Wouldn't she just do whatever she says? I'm also unlucky to have met this sister. Otherwise, my life would definitely be happier than it is now."

Chapter 625: Interrogation

Wang Qing pitied Jiang Ran even more and said, "Jiang Ran, I didn't know that your previous life was so miserable. This Jiang Yu is really too detestable."

Jiang Ran lowered her head and raised her hand to wipe away her non-existent tears, putting on an aggrieved and pitiful look.

Wang Qing said, "I'll help you deal with this matter."

Jiang Ran asked, "How? Do you really want to compete with Mo Long?"

Wang Qing paused, recalling her father's disgraceful behavior on the day of the competition.

He humbly begged for mercy in front of Mo Long and Jiang Yu, and even slapped himself for it, driving him out of the Wang family.

At the thought of this, Wang Qing couldn't help but get angry, and his tone became very aggressive, he said, "What's wrong with Mo Long? Does he have more eyes or more hands? Why are so many people afraid of him? If you're afraid of him, I'm Not!"

Wang Qing was indeed a brainless person. He was not afraid of anything.

Jiang Ran was worried that Wang Qing's single-minded mind would do something irreparable due to a moment of impulse. If that happened, her plan would be completely disrupted.

However, Wang Qing could not listen to what Jiang Ran said at all. He could not even hear a single sound, he only said, "Jiang Ran, don't worry. I will help you solve this matter, and I will definitely not say your name out loud."

Jiang Ran now regretted saving Wang Qing in the heavy rain back then. This person was just like Li Jing whom she had met before. They were all brainless people.

"Wait, don't go yet..." Jiang Ran wanted to stop her, but Wang Qing's footsteps were very fast, and she immediately disappeared from Jiang Ran's sight.

After Wang Qing went back, she started to edit the content of the new post.

.....

Especially the few screenshots below Jiang Yu's post, saying that these were fake pictures and not real pictures.

If the screenshots were real, then let Jiang Yu come forward and admit that these screenshots were real.

The post was sent out very quickly, and Jiang Yu saw the post within five minutes.

This time, Wang Qing did not remain anonymous. Instead, she used her name to post this post.

When Jiang Yu saw it, he first smiled and then replied under the post, “Wang Qing, do you not know the whole story?”

Wang Qing had been waiting in front of her phone the whole time. When she saw Jiang Yu’s reply, she immediately replied, “Who says I don’t know the whole story? You obviously stole someone else’s original music score! But in the end, you refused to admit it!”

Jiang Yu replied, “If it was something I did, of course I would admit it. But if it wasn’t something I did, then there’s no need for me to admit it, right? Since you said that my picture is fake, you can come to me. I can show you the real picture.”

Wang Qing’s hand did not stop for a moment. She replied, “What do you mean by the real picture? What does the time you published the piano piece have to do with you stealing someone else’s original score?”

Jiang Yu knew that Jiang Ran was the one who said all these things, and Wang Qing also believed her unconditionally. It seemed that she had really given Jiang Ran some face recently, which allowed her to twist the truth so brazenly and even tell these words to unrelated outsiders.

“Wang Qing, I advise you to investigate all these things clearly before saying these words.”

“I’ve already investigated all these things long ago! Jiang Yu, you’re a liar! If someone didn’t tell me what you did, I wouldn’t know how long I would have been kept in the dark by you! There are other people, including your friend and your boyfriend Mo Long!”

Seeing Wang Qing mention Mo Long, Jiang Yu’s eyes darkened and she replied, “Wang Qing, don’t blindly believe Jiang Ran’s words.”

She only replied with this sentence and then went offline.

Chapter 626: Holiday Party

Wang Qing was still looking at her phone in a daze, wondering how Jiang Yu knew it was Jiang Ran.

After Jiang Yu replied, she opened another app on her phone. After a few simple actions, she turned off her phone in satisfaction and lay comfortably on the bed to rest.

Jiang Ran, who didn’t know about it, wanted to go to the school forum to watch the fight between Wang Qing and Jiang Yu. However, she found that she couldn’t log in to the forum’s website no matter what.

“What’s going on?” Jiang Ran kept logging out and then logged back in, but she couldn’t log back in no matter what.

After trying for more than ten times, a sentence appeared on Jiang Ran’s phone: “Hello, you have been temporarily blocked by the website for ten years.” Then, Jiang Ran’s phone screen turned black and she couldn’t open it anymore.

“How could it be blocked! What’s going on!” Jiang Ran grabbed her hair, but she had already pulled off a few strands, and she couldn’t understand what had happened.

Could it be that Wang Qing had told Jiang Yu everything about her when he confronted her? Then, Jiang Yu was so embarrassed that she flew into a rage and reported her to the school forum?

She already knew that Wang Qing wouldn't be able to accomplish anything!

Jiang Ran thought resentfully, Wang Qing, this person who couldn't accomplish anything and ruined everything, couldn't even understand such a small matter!

She felt her heart ache as she touched her phone. This was the phone that Sun You had just given her not long ago!

Jiang Yu slept until the afternoon before she woke up. Her body was a little sticky, so she went to the bathroom to take a shower. She immediately felt refreshed.

The semester was about to end, and the winter vacation was coming soon.

Jiang Yu planned to make some vacation plans so that she and Mo Long wouldn't be bored.

Everyone's classes ended one after another. The acting department's classes ended the earliest, so Jiang Yu went back before Lu Qi and the others.

"Come and play with me during the vacation," Jiang Yu said to Lu Qi and Dai Zhu when she left.

Dai Zhu grabbed Jiang Yu's sleeve and said, "Jiang Yu! You're not allowed to leave! You have to stay here and accompany me to complete the final exam!"

Jiang Yu smiled as she swatted Dai Zhu's hand away and said, "I'm not staying here."

She was obviously smiling, but her words made Dai Zhu feel cold.

"Jiang Yu! You're not kind at all!" Dai Zhu shouted.

Jiang Yu returned to Mo Garden in a good mood, but when she entered the door, she saw two great gods — Mo Long's parents.

Mo Jiang saw Jiang Yu enter the door and coughed dryly, saying, "There are some things that I think it's better to explain to you clearly. We don't want to waste too much effort, so we came directly to Mo Garden to look for you."

Jiang Yu took off her backpack and put it on the sofa. She asked hesitantly, "Why are the two of you looking for me?"

Mo Jiang said, "I think you should know better than anyone why we are looking for you."

Jiang Yu sighed and sat down on the sofa.

How could she not know? Of course she knew. At this time, Mo Long's parents were looking for her for only one thing — to leave Mo Long as soon as possible.

Liu Hui said, "Looking at you, you should know why we are looking for you. Then we don't need to waste our saliva. Let me ask you, how much money do you need to leave Mo Long?"

Jiang Yu said, "I'm not with Mo Long for money."

“Anyone can say that,” Mo Jiang said disdainfully, “But if you’re not with him for his money, why are you with him?”

Jiang Yu sometimes felt that Mo Long’s parents’ thoughts were very strange. She simply could not use a normal person’s mind to guess their thoughts.

Jiang Yu said helplessly, “Uncle, I’m with Mo Long because I like him, and not for any other reason. Do you think it’s a mistake to be with someone you like?”

Chapter 627: Parents’ Obstruction

Mo Jiang snorted coldly and said, “It’s not wrong to be with the person you like, but it’s a wrong thing for you to like Mo Long!”

Jiang Yu was puzzled and asked, “Why do you think so?”

Mo Jiang said, “What’s your status and background? You should like someone who has the same status and background as you, and not dream of becoming a phoenix.”

Jiang Yu said, “Uncle, I don’t have such thoughts...”

Before she could finish her sentence, Liu Hui interrupted her, she said, “So what if you say you don’t have it? Do you have to rely on your mouth to do good and bad things? Jiang Yu, I’ve told you about this before, and your fox tail has already been exposed. There’s no need for you to put on a show here.”

Jiang Yu thought that she could solve many difficult problems, but Mo Long’s parents were so stubborn. Jiang Yu felt that there was no way she could get rid of them.

Seeing that Jiang Yu didn’t speak, Liu Hui said, “Did I hit the nail on the head? Are you thinking of an excuse?”

Mo Jiang added fuel to the fire once again. “Look at yourself. How can you compare to Yueyue? Even if you win this year’s movie queen, so what? Compared to Yueyue, you’re still far behind!”

It was Li Yue again. Jiang Yu thought, she really didn’t know what kind of bewitching potion Li Yue had fed Mo Long’s parents. After being exposed to so much dirt, they still wanted her to be their daughter-in-law.

Jiang Yu asked, “Who is Li Yue? Was it Li Yue who used the excuse of winning three movie queen awards to not marry Mo Long because Mo Long had a problem with his leg? Or was it that Li Yue who acted like a big shot and refused to act as a beggar and ultimately pushed all the blame onto me?”

Mo Jiang and Liu Hui’s faces were a little embarrassed.

Because they knew that Li Yue had done all these things, and what Jiang Yu said was only the tip of the iceberg.

After observing the changes in Mo Jiang and Liu Hui’s expressions, Jiang Yu said, “She has done more than these things.”

Mo Jiang tried his best to put in a good word for Li Yue. “So what? Yueyue is well-educated. There must be a reason for her to do these things!”

“What reason? An unspeakable reason.” Jiang Yu said, “The two of you don’t have to think of ways to put in a good word for Li Yue. I know better than the two of you what kind of person she is. I believe that Mo Long is also very clear about it.”

“So what?” Liu Hui looked at Jiang Yu with disdain and said, “No matter what you say today, I will never agree to the matter between you and Mo Long!”

Jiang Yu looked straight into Liu Hui’s eyes, she said, “If you really don’t agree, you should go to Mo Long and tell him that Li Yue is the most suitable person for him. Tell him to quickly abandon me. Instead of coming to me and telling me that I’m not worthy of Mo Long and even giving me money to leave.”

“You!” Liu Hui was furious and said, “You little lass, you really have a sharp tongue!”

How could she not know that Jiang Yu was right, but she knew her son very well... Mo Long was a person who would not change easily as long as he had a goal and would even work hard for it. He would even die to achieve his goal.

And now, Mo Long’s goal was to marry Jiang Yu after she graduated.

This matter seemed to have become a belief in Mo Long’s heart. It was something that he would do for the rest of his life. No one could persuade him.

Therefore, she thought about it and decided to make a move on Jiang Yu. As long as she was willing to leave Mo Long, everything would be easy to resolve.

However, she did not expect Jiang Yu to be someone who was not easy to persuade. No matter how much money she had, she remained unmoved. Her firm attitude made people feel that being with Mo Long was something that she would do for the rest of her life.

Liu Hui’s expression did not look good when Jiang Yu hit the nail on the head. She said, “Jiang Yu, I advise you not to refuse a toast only to be forced to drink a forfeit!”

“What toast?” A cold voice sounded at the entrance. Everyone turned to look.

Mo Long was wearing a light gray suit. He was standing at the entrance, staring straight at them.

His eyes were shady and his expression was cold. It was so cold that the temperature around him seemed to have dropped.

Chapter 628: The Mo Family In The Same House

Mo Jiang and Liu Hui had come because Mo Long was not at home during this period of time, but they did not expect him to come back so early.

Jiang Yu looked at the time on her phone and said in surprise, “Why are you back so early today?”

Mo Long said, “If I didn’t come back, I wouldn’t have seen such a wonderful show.”

Mo Jiang snorted coldly and said, “Someone called you, right?”

Mo Long didn’t answer Mo Jiang’s question and only said to Jiang Yu, “Why did you come back so early?”

Jiang Yu said, "The class ended, so I came back early."

Seeing that Mo Long ignored his father, Mo Jiang was furious and shouted, "Mo Long! Your father is sitting here. Can't you see?!"

Mo Long then turned his eyes to Mo Jiang and said expressionlessly, "What are you doing here?"

The atmosphere between the father and son became more and more tense. It gave people the illusion that they were about to quarrel or even fight.

Liu Hui wanted to stop him, but she knew her husband's temper and her son's character. Even if she said something to stop him, it would be useless.

Just as she did not know what to do, Jiang Yu said, "Mo Long, are you tired? Take a rest first. I will personally cook today."

Mo Long calmed himself down and rubbed his temples. "Don't disturb me and Yu'er's lives anymore."

Mo Jiang was furious. "Am I disturbing your lives?! If you are willing to break up with her obediently and marry Yueyue back, or if it's another girl from a prominent family, I won't disturb your lives anymore ... But why must it be Jiang Yu? What kind of bewitching potion did she give you?"

Mo Long was about to speak when Jiang Yu stopped him and said softly, "Don't speak loudly. Let's have a good chat. I'll go to the kitchen to prepare dinner."

With that, Jiang Yu went to the kitchen to prepare dinner for the day.

At this time, only Mo Long and his parents were left in the living room.

Mo Jiang also felt that he had lost the dignity of an elder. He cleared his throat and asked, "Where's your grandfather?"

Mo Long said, "He recently bought a pet dog and is walking it outside."

Mo Jiang sneered and said, "Your grandfather is really in a good mood."

Mo Long said impolitely, "Grandfather lives here, so naturally, he's in a good mood."

"You!" Mo Jiang's mood, which had just calmed down, surged up again.

Mo Jiang was just about to lose his temper when he heard Elder Mo speak at the door, "Why, did the Mo family gather again today?"

Only then did Mo Jiang suppress the anger of his money. He stood up and said, "Dad, you're back."

Elder Mo did not give him a good look and said, "If I don't come back, where will I go? Will I sleep on the street?"

Mo Jiang smiled apologetically and said, "Dad, what are you talking about?"

Elder Mo carried the white curly-haired puppy and sat on the sofa. He said, "Don't visit the temple for no reason. Just tell me what you came here for today."

Mo Jiang paused and said, "We came here today to look for Jiang Yu."

“You’re looking for Jiang Yu? Then I don’t need to think to know what you’re here for,” said Elder Mo “I advise you to give up on this idea. As long as I’m alive, my granddaughter-in-law can only be Jiang Yu!”

Mo Jiang now felt that Jiang Yu had not only bewitched Mo Long, but also Elder Mo...

He said, “Dad, if you don’t like Yueyue, you can ask Mo Long to marry another girl with an illustrious family background. But this girl is not Jiang Yu, why do you insist?”

Elder Mo was very curious and asked, “How do you know it’s not Jiang Yu?”

Mo Jiang was also very curious and asked, “Do you think Jiang Yu’s family background is illustrious?”

Elder Mo was even more curious and said, “Is this very important? I was also a poor boy back then, but didn’t I also marry your mother, an excellent teacher?”

Mo Jiang was at a loss for words.

Chapter 629: Family Having Dinner Together

Jiang Yu was in the kitchen preparing dinner for the day. She could vaguely hear their conversation in the living room.

Half an hour later, Jiang Yu poked her head out of the kitchen and said, “Get ready. It’s time to eat.”

Elder Mo replied, “Got it, Jiang Yu.”

Then, he locked the white curly-haired puppy into a cage at the side and said, “Ball, grandpa is going to eat.”

Mo Long also touched Ball’s head and said, “I’ll play with you in a while.”

Mo Jiang and Liu Hui were so shocked when they saw their father, who had always been known for his dignity, and their son, who had always been serious and unsmiling, treat a puppy in such a manner.

And this was not the only thing that shocked them.

After Jiang Yu brought the dishes to the table, elder Mo wanted to quickly take a bite to taste the freshness, but was stopped by Jiang Yu. He put his hands on his waist and said, “Grandpa, you just touched the ball. Hurry up and wash your hands.”

Therefore, Elder Mo could only obediently go to the kitchen to wash his hands.

Then, Jiang Yu looked meaningfully at Mo Long’s hands and said, “You touched it just now. I saw it.”

“...” Mo Long smiled helplessly and said, “Okay, got it.”

Mo Jiang and Liu Hui, who were shocked by what they saw next, saw Jiang Yu in an apron setting the dishes in the kitchen, the old man, who was usually stern and dignified, and the young man, who was always serious and unsmiling, were fighting over the sink.

There seemed to be a child-like quarrel between them. “Go away, brat. I was here first.”

“You’ve already washed for a minute.”

“What do you know? This is called meticulous!”

Mo Jiang found it hard to imagine that these words came from the mouths of the members of the Mo family. This was because in the past when they were at the Mo family, no matter how big or small the family gatherings were, no one had ever said such words.

After Jiang Yu was ready, she said to Mo Jiang and Liu Hui, “Uncle, aunty, come and eat. The dishes are all home-cooked. Don’t mind them.”

Elder Mo came out from the kitchen after washing his hands and said, “They still dare to mind? If they do, go and find Li Yue to cook for them! Don’t eat the dishes cooked by my granddaughter-in-law here!”

Mo Jiang’s temper was also very stubborn sometimes. Mo Long’s temper was probably just to follow him. Regarding Elder Mo’s words, Mo Jiang didn’t intend to go along with his thoughts and said, “Since no one is keeping us here, then we’ll just leave.”

Elder Mo didn’t even look at him and said, “If you want to leave, then leave quickly. No one is keeping you here.”

Jiang Yu hurriedly stopped Mo Jiang and Liu Hui and said in a low voice, “Uncle, you know that grandfather has always had this kind of temper. After all, father and son are one. Stay and have a meal together.”

Mo Jiang really didn’t have a good impression of Jiang Yu. Originally, he didn’t plan to give her face.

However, Jiang Yu’s words of “After all, father and son are one and the same” struck a chord in his heart, so he decided to stay for a meal before leaving.

Seeing that Mo Jiang had returned, Elder Mo said unhappily, “Why are you back? Didn’t you dislike me?”

Seeing that Mo Jiang’s expression had turned ugly again, Jiang Yu hurriedly filled Elder Mo with a bowl full of seaweed and egg soup. She handed it over and said, “Grandpa, you heard wrong. Uncle never said that he dislike you.”

“You don’t dislike me? Then why did you leave just now?” Elder Mo picked up the bowl of soup and took a big gulp. He smacked his lips in satisfaction and said, “Jiang Yu, your culinary skills have improved again.”

Jiang Yu smiled and said, “Grandfather, don’t praise me.”

“Don’t be humble. Improvement is improvement. Did I say something wrong?” Elder Mo said and then looked at Mo Jiang, he then said, “You must not be like some people who are unwilling to admit the truth even though it is right in front of their eyes. You must follow your own way of thinking.”

Of course, Mo Jiang knew that Elder Mo was referring to the fact that he was unwilling to accept Jiang Yu as his daughter-in-law.

However, there were many girls who were more outstanding than Jiang Yu. Any one of them was more qualified to marry Mo Long and stand by Mo Long’s side.

Chapter 630: Discussion During The Meal

Jiang Yu tried to smooth things over, saying, "It's normal for some things to be hard to accept for a while. After a period of time, you'll slowly accept it."

Mo Jiang looked at Jiang Yu, not knowing what she was up to.

However, Jiang Yu did not see Mo Jiang's inquisitive eyes. After she served him and Liu Hui soup, she served Mo Long a bowl of soup, "Grandpa, I recently bought lily seeds. I'll plant them in a while. When they grow well, I can continue to make snuff," said Jiang Yu

"There's still a small packet of osmanthus snuff you made for me last time. Don't make too much, or it'll be wasted," said Elder Mo.

"Lilies also have a growth cycle. When they grow well, that small packet of osmanthus should be almost used up," said Jiang Yu

Elder Mo thought for a moment and felt that Jiang Yu's words made sense. He nodded and said, "That's good too."

As he said that, Mo Jiang's cell phone rang.

He left the dining table and walked to the side to answer the phone. A moment later, he came back and said, "Dad, Mo Zhi wants to see you."

Elder Mo's hand that was picking up the food paused for a moment before it returned to normal. He said, "I don't have time to see her."

Mo Jiang said helplessly, "Dad, no matter what, she's still your daughter, my sister."

Elder Mo snorted, he said, "She even knows that she's my daughter? Then when she insisted on leaving the Mo family, did she know that she was my daughter, your sister? I think she was really charmed by that man surnamed Tang until she didn't know where her soul went!"

Mo Jiang also knew that Mo Zhi had insisted on being with Tang Yi back then. She had even severed her relationship with them and her father.

Now, he didn't know what had happened, but she had turned around and wanted to continue fawning over the Mo family.

Jiang Yu felt that Mo Zhi's name was familiar. She seemed to have heard it somewhere before, but she couldn't recall it no matter how hard she tried.

She said, "Grandfather, no matter what, since she's from the Mo family, don't reject her outside the door. Isn't it just to see you? It's fine if you go and see her. It's better to resolve all the matters and misunderstandings and have a harmonious and beautiful family."

Elder Mo was silent. After eating a few mouthfuls of rice, just as Mo Jiang was unwilling to continue waiting and was about to tell Mo Zhi that it was best not to come back, Elder Mo said, "Where is she?"

Mo Jiang was stunned and subconsciously replied, "She's at the front gate of the Mo family."

Elder Mo said, "Tell her to come over. If there's anything, just say it and leave immediately."

Mo Jiang paused and said, "Got it."

After he sent the address of Mo Garden to Mo Zhi, he sat down again and continued eating quietly as if nothing had happened.

However, on the surface, he was eating, but in reality, his gaze was fixated on Jiang Yu.

This lass was really capable. Even though he had played the emotional card, his father wasn't willing to see Mo Zhi even once.

However, Jiang Yu could easily change his father's mind with just a few words. Even though his tone was still as cold as before and he still acted impatiently towards Mo Zhi, he was willing to see Mo Zhi.

As long as they could meet, the chances of Mo Zhi being able to return to the Mo family would increase.

It seemed like he had underestimated Jiang Yu.

After the meal, Jiang Yu took the initiative to clean up the table.

Mo Long wanted to help her clean up, but she pushed him onto the sofa, she said, "Stay here and chat with uncle, auntie, and grandfather. Aren't there more guests coming later? That's the Mo family's business. You must be present. But it has nothing to do with me, so I won't participate."

Mo Long held Jiang Yu's hand and said, "You're also a member of the Mo family. As long as it's the Mo family's business, it has something to do with you. Likewise, your business is the Mo family's business."

Jiang Yu blushed a little and said, "Got it. Go and sit down. I'll pack up in a while. I'll be there soon."

Mo Long let go of her hand and said, "Leave these things to the servants."

Jiang Yu said, "I told them to leave work early when I was cooking. I'll take care of all the housework today."
