

Older Man 631

Chapter 631: See Tang Xue Again

Mo Long found it a little funny. He didn't expect the little girl in front of him to do so many things secretly.

He smiled and said helplessly, "Then hurry up. If you feel tired, just leave it there. I'll help you."

As he said that, he gently kissed Jiang Yu's forehead.

Mo Long sat down on the sofa while Jiang Yu went to clean the kitchen.

Not long after, there was a series of knocks on the door at the entrance.

No one got up to open the door, nor did anyone speak, allowing the people outside to enter.

For a moment, the air was silent.

Jiang Yu, who was in the kitchen, felt embarrassed for the people outside the door. Hence, she wiped the water off her hands and went to open the door for the people outside.

However, when she opened the door, Jiang Yu saw an old acquaintance she had not seen for a long time.

"Tang Xue?"

Tang Xue, who was at the door, was also shocked when she saw Jiang Yu. She asked, "Why are you here?"

Jiang Yu found it a little funny and asked in return, "Is it strange that I'm here?"

"Why not? This is brother Mo Long's home!" Tang Xue said as she pushed Jiang Yu away and walked in with large strides.

Behind her was a woman. It was Mo Zhi that Mo Jiang had mentioned earlier.

Jiang Yu recalled this time. No wonder she felt that Mo Zhi's name sounded so familiar when she heard it. It turned out that Mo Zhi was Tang Xue's mother. She had heard Tang Xue mention it before.

Tang Xue walked in. The moment she saw Elder Mo, she immediately pounced on him and cried out aggrievedly, "Grandfather! How did you let that Jiang Yu into the house!"

Elder Mo had not seen his granddaughter for a long time, so he felt a little pity for her. However, when he heard this, his face darkened again and he said, "You child, you have no manners. That's your sister-in-law!"

Tang Xue said disdainfully, "What sister-in-law? I think she's more like a seductive vixen! Grandpa, don't be deceived by her!"

Mo Long's face turned gloomy and he said in a low voice, "Get lost."

"What?" Tang Xue thought she had heard wrong and asked again, "Brother Mo Long, what are you saying?"

Mo Long stood up and said word by word, "I said, get lost."

"You want me to get lost? Are you sure it's not Jiang Yu who needs to get lost?" Tang Xue pointed at Jiang Yu who was still standing at the door and said, "Didn't I tell you about her? Why do you still keep her by your side?"

Although Jiang Yu knew that Tang Xue was still holding a grudge against her because of Xu Ye's matter, she still felt that it was somewhat baffling.

What did it have to do with her that Xu Ye didn't like her? Why did she always like to push all the responsibility onto herself?

Tang Xue said, "Jiang Yu is on set, ignoring that she's a woman with a boyfriend, and seducing men everywhere! Brother Mo Long, I told you that she wasn't a good person, but you didn't believe me. You kept her by your side until now! Brother Mo Long, don't be fooled by her!"

"Shut up." Mo Long held back his anger and didn't explode in front of the others.

Jiang Yu rubbed her shoulder that had hit the wall when Tang Xue pushed her away and walked towards the kitchen, she said, "I don't need you to exaggerate what I did on the set. Everyone knows that you like Xu Ye. Even he himself has seen through your thoughts. Instead of fighting for a chance, you threw a tantrum on me. If I ask myself, I know I have nothing to do with Xu Ye, but you didn't believe me. In the end, you were so angry that you hit me with a glass of water."

"Is there nothing between you guys just because you say so!" Tang Xue said exasperatedly.

Jiang Yu asked her back, "Is there something just because you say there is?"

"Of course! I saw it with my own eyes!" Tang Xue said.

Jiang Yu found it funny and asked, "Then tell me, what did you see?"

"I, I..." It was Tang Xue who had made it up. Of course, she couldn't think of the specific content.

"If you can't say it, you should just shut your mouth. If you have the time to make it up, you might as well think about what you should do with your life in the future," Jiang Yu said.

She hated it when people made things up about her, whether it was about her stealing someone else's original score or a man whom she had nothing to do with it.

Tang Xue would say that she was a seductive vixen in front of everyone. Even in front of her, these lies would come out of her mouth without any shame.

This makes Jiang Yu angrier.

Chapter 632: Get Out Of The Mo Garden

Tang Xue relied on the presence of her mother and grandfather, so she spoke without restraint, completely disregarding the harshness of her words.

However, she had forgotten that Mo Long would only speak up for Jiang Yu, and her grandfather was also wholeheartedly loyal to Jiang Yu, the granddaughter-in-law. Furthermore, her mother and her grandfather still had a conflict to resolve.

If she continued to cause trouble, it would only make things worse.

Mo Zhi wanted to stop her from continuing.

However, Tang Xue didn't know what Mo Zhi meant and continued to speak ill of Jiang Yu. "Don't be fooled by Jiang Yu. She seduces men everywhere. She's a vixen!"

"Enough!" Mo Zhi was the one who shouted at Tang Xue. "Do you still think this place isn't messy enough?!"

Tang Xue was so frightened by Mo Zhi's shout that she stood rooted to the ground, not knowing what to do.

Mo Zhi smiled apologetically and said, "I usually spoil this child to the point of spoiling her, but she's also so outspoken. Don't mind her, children are like this."

"Is she still young at this age?" Elder Mo questioned, "Then in your eyes, how old is she? Is she 30 or 40 years old? Is she only considered to have grown up at your age?"

"This..." Mo Zhi's head was covered in a layer of cold sweat. In the face of Elder Mo's questioning, she was unable to make any explanation.

Elder Mo continued to question her, "Listen to yourself, what did this child just say? Was she speaking without restraint? She was already speaking unscrupulously in front of others! You're still explaining for her saying good words?"

The cold sweat on Mo Zhi's head grew more and more, quickly condensing into a stream of sweat that flowed down.

Tang Xue didn't expect her grandfather to say such things about her. For a moment, she felt wronged and said, "Grandfather, why did you say such things about me..."

.....

"Did I say something wrong?" Elder Mo originally thought that if Mo Zhi brought Tang Xue to apologize to him, then he would consider forgiving them.

However, not only did Tang Xue say such arrogant words, Mo Zhi also kept explaining and excusing her, which further increased Elder Mo's anger.

Tang Xue said aggrievedly, "Grandfather, but did I say anything wrong? Jiang Yu is a vixen to begin with..."

Before she could finish speaking, Mo Zhi gave her a hard slap, "Shut up! You really don't need to stand there and talk! Do you feel uncomfortable when you go back to the Mo Family?!"

Tang Xue covered her face with her hands and stared at Mo Zhi with her eyes wide open. Her eyes were filled with disbelief.

“Mom, why did you hit me? What do you mean I feel bad going back to the Mo Family? Didn’t we come here today to talk to Grandpa about this? Will Grandpa not agree to us going back to the Mo Family?”

As she said that, Tang Xue looked at Elder Mo with her eyes wide open, wanting to get a definite answer.

Elder Mo wanted to directly say, “Mo Zhi, you and your daughter can forget about ever returning to the Mo family in this lifetime.”

However, she was, after all, the daughter that he had raised for more than 40 years. Even if she had insisted on going her own way and left the Mo family with another man, the blood in her bones still belonged to the Mo family. She was clamoring that she was a member of the Mo family.

Therefore, for a moment, he really couldn’t bring himself to say such harsh words.

Mo Jiang naturally wouldn’t say anything about chasing his own sister out. Hence, he could only remain silent and wait for Elder Mo’s next words.

Everyone in the Mo family had their own thoughts and no one said it out loud.

However, Mo Long was an exception. He wouldn’t consider these things. His heart was only for Jiang Yu.

He said, “I don’t know if you will return to the Mo family, but you will not return to the Mo garden in the future.”

“Brother Mo Long, can you stop putting in a good word for Jiang Yu?” Tang Xue’s face began to turn red and swollen, and soon, a large chunk of her face swelled up.

Mo Long frowned. “Shut up. Get out of Mo Garden now.”

Tang Xue quickly hid behind Mo Zhi, she asked Liu Hui and Mo Jiang for help. “Uncle, aunt, look at brother Mo Long. He’s been bewitched by that vixen woman. He’s saying all kinds of good things for her, and he won’t allow me to expose her crimes.”

Chapter 633: Chased Away Again

Jiang Yu had just finished packing up in the kitchen and returned to the living room when she heard Tang Xue’s words.

“I don’t have time for you to waste here.” Mo Long rubbed his temples and said, “If you have anything to say, just say it quickly. After you’re done, leave immediately and don’t appear in front of me again.”

Tang Xue wanted to say something, but Mo Zhi grabbed her arm and pinched her hard, indicating for her to shut up and stop talking.

Tang Xue was in pain and screamed, “Ah! Mom, why did you pinch me!”

Mo Zhi smiled apologetically and said to Elder Mo, “Dad, I was wrong about what happened before. I’m here to apologize to you. Can you ask Mo Long to return the Tang family’s company?”

Elder Mo didn’t know about this, so after hearing what Mo Zhi said, he looked at Mo Long strangely and asked, “You bought the Tang family’s company?”

Mo Long nodded and said, "That's right."

"Why would you suddenly buy the Tang family's company?" Elder Mo asked in confusion.

Mo Long said, "It's all Tang Xue's doing."

Tang Xue was still rubbing the spot where Mo Zhi had pinched her bruise, she said in pain, "What did I do? Didn't I just hurt Jiang Yu's head? But didn't I apologize to her later? Brother Mo Long, why are you still talking?"

"Is that an apology? People who don't know would think that you're cursing me," Jiang Yu said from the side.

"Shut up! This is where the Mo family speaks. What right do you have to interrupt?" Tang Xue said in a bad mood.

"You also know that this is where the Mo family speaks?" Mo Long looked at her and said, "Then why are you, a person with the surname Tang, interrupting?"

"Brother Mo Long!" Tang Xue stomped her feet in exasperation. She flung her hair and said, "My mother is your aunt!"

"Alright! Stop talking!" Elder Mo shouted loudly, and everyone fell silent.

Elder Mo cleared his throat and said, "Let's end this matter here. If there's nothing else, don't come to Mo Garden anymore."

When Mo Zhi heard this, she thought that she still had a chance. If she didn't return to Mo Garden, it wasn't that she didn't want to return to the Mo family, so she could still return to the Mo family in the future.

However, what Elder Mo said next completely extinguished the flame of hope that was burning in Mo Zhi's heart.

Elder Mo said, "Don't return to the Mo family in the future. As for the Tang family's company, it will depend on your performance in the future. If your performance is good, Mo Long will return the Tang family's company."

Although Mo Long didn't want to return the Tang family's company so easily, his grandfather had already said so, so he had to give him some face.

So he said, "Then it depends on what you do in the future."

Tang Xue pursed her lips and mumbled, "What else do you want us to do? Do you want Jiang Yu to smash me?"

Jiang Yu had been standing by the side, listening to their conversation. Now that she heard Tang Xue say this, Jiang Yu felt that this method was very reliable. So she picked up the ashtray on the coffee table in the living room and said, "Look, isn't this very similar to that water cup?"

Tang Xue saw Jiang Yu pick up the ashtray and was afraid that she would really hit herself. She said guiltily, "W-what are you doing? What water cup? I don't understand what you're saying."

Jiang Yu smiled and said, "Didn't you just say it yourself? You hurt me with the cup earlier."

"I didn't. You... Don't talk nonsense!" Tang Xue's guilty eyes darted around.

"You won't admit what you just said so quickly?" Jiang Yu smiled and put the ashtray back in its original place. She said, "Forget it. I'm not interested in hitting people."

Mo Zhi was regretting it now. If she had known earlier, she wouldn't have brought Tang Xue here.

She had thought that even if Elder Mo didn't recognize her, he would still recognize Tang Xue as his granddaughter. Moreover, he hadn't seen Tang Xue for a long time. This meeting might even bring back memories of him. She felt that no matter what, she was still the daughter of the Mo family and Elder Mo would definitely recognize her.

Chapter 634: New Year Present

However, after Tang Xue arrived, she made a mess of everything.

Moreover, the culprit that caused the Tang family to go bankrupt, Jiang Yu, was still here.

As a result, things became even more difficult to clean up.

Mo Zhi wiped the cold sweat on her head and smiled apologetically, saying, "When we go back, we will definitely think about it carefully."

After saying that, Mo Zhi quickly left with Tang Xue.

When Tang Xue was pulled away, she was still shouting relentlessly, "Mom! Why did you take me away! This matter was never my fault! It was obviously that Jiang Yu's fault! If she wants to leave, it should be her!"

Mo Zhi really wanted to give her two slaps, but there were so many people now, so she held back her impulse.

"Hurry up and leave! Don't continue to embarrass yourself here!" Mo Zhi shouted.

After Mo Zhi and Tang Xue left, the living room suddenly became very quiet.

The atmosphere was a little awkward, and no one spoke first.

In the end, it was Mo Jiang who broke the silence first and said, "Dad, if there's nothing else, we'll go back first."

Elder Mo did not intend to leave them here. He waved his hand and said, "Go back." After a pause, he said, "In the future, if there's nothing else, don't always look for Jiang Yu. Mind your own business first."

Mo Jiang paused and said, "Got it."

With that, Mo Jiang brought Liu Hui back.

With four people gone, the living room became even quieter.

Elder Mo sighed and said, "A lot of things happened today. It won't be long before the New Year. If they keep coming to disturb me during this period of time, how will we spend the New Year?"

Jiang Yu comforted him and said, "Grandpa, when the weather is better, let's go out to buy New Year goods together. We can also buy some New Year gifts for you."

Only then did Elder Mo's mood improve a little. He smiled and said to Jiang Yu, "Okay. Didn't you just have a holiday? Then you should rest for a few days first. Then, we can go buy New Year Things."

Mo Long smiled helplessly and said, "There are still a few months left. Isn't it a little too early to go and buy things now?"

Elder Mo's face darkened and he said in a low voice, "What do you know?"

Jiang Yu also said, "It's not too early. Mo Long, are you free these few days? Let's go with grandpa."

Mo Long immediately agreed, "Okay. I'll get Teng Yi to arrange the time for me right away."

Elder Mo couldn't stand it anymore and said, "Didn't you just say that it's too early to go shopping? Why don't you feel it's too early to go with me?"

Mo Long smiled and said, "It's not early."

Elder Mo simply couldn't stand it.

Jiang Yu smiled and said, "It's not early? Then let's take advantage of these few days to have a good rest and then we'll go out to buy New Year gifts!"

Mo Long smiled dotingly and said, "Okay."

Elder Mo felt that it was a little redundant for him to stay here, so he walked to the front of the cage and carried ball out. Then, he went to the backyard and said, "Let's go, ball ball. Grandpa will take you to see the flowers."

Jiang Yu looked at Elder Mo's back and said with a smile, "Grandpa likes ball-ball very much."

Mo Long also smiled, he said, "That's true. At first, I was worried that Grandpa would hate ball-ball. After all, he used to hate these small animals. But after you brought ball-ball back, it was as if he found a partner. He carried it everywhere he went."

Jiang Yu said, "This means that Grandpa likes ball-ball. It means that I made the right decision to bring ball-ball back."

Mo Long hugged Jiang Yu in his arms and said, "Of course you made the right decision."

Elder Mo brought ball-ball and sat in the rocking chair in the backyard. He kept looking at Mo Long and Jiang Yu from the corner of his eyes.

Seeing how intimate the two of them were, Elder Mo stroked ball-ball's head and said to himself, "Ball-ball, when do you think I'll be able to have great-grandchildren with the two of them?"

Of course, ball-ball did not understand Elder Mo's words, so he could only bark a few times to express that he did not understand human language.

Elder Mo also knew that ball-ball did not understand what he was saying. So he rubbed ball-ball's head and said, "Forget it, let nature take its course."

Chapter 635: Went Shopping And Encountered Li Yue

After resting for a few days, Jiang Yu and Elder Mo prepared to go out and buy some New Year presents.

After Mo Long was done packing, he also went out together.

“Grandpa, what do you want to buy?” Jiang Yu held onto Elder Mo’s arm and asked with a smile.

Elder Mo looked at the tall buildings around him and said, “Just buy some random ones.”

However, Jiang Yu said, “Grandpa, these are New Year’s gifts! How can you just buy some random ones?”

Elder Mo said, “The Mo family has never bought New Year’s gifts before.”

Mo Long kindly reminded Elder Mo and said, “Grandpa, the Mo family also bought these things during New Year’s. But those things are for the servants to buy, so it’s normal that you don’t know.”

“The servants bought them?” Elder Mo paused. “No wonder I never feel like it’s the New Year.”

Jiang Yu sighed, “Of course it’s better to buy these things yourself. How can we let others buy them?”

Mo Long said, “In the future, we’ll buy them ourselves. We’ll have many, many New Years together.”

Jiang Yu smiled and said, “Okay.”

Elder Mo coughed a few times and said, “We’re on the street. You two better be careful.”

Jiang Yu’s face was a little red as she said, “Grandpa, if we haven’t decided on what to buy for the New Year, then let’s buy some winter clothes first. How about buying a few cotton-padded jackets?”

.....

Elder Mo shook his walking stick and said, “Alright, then let’s buy some winter clothes first.”

Jiang Yu brought Elder Mo to the nearest building. The second floor was filled with people selling clothes.

“Grandfather, let’s take a look around here first. If you like anything, let me know and I’ll buy it for you. Or if you don’t like it, we’ll change to a new shop.”

Elder Mo smiled and said, “Alright, let’s take a look first.”

Elder Mo casually walked into a men’s clothing store and said, “Let’s take a look at the clothes here first.”

Jiang Yu said, “Okay.”

But when she looked up, she saw the person she didn’t want to see at the moment — Li Yue.

Li Yue and Li Lu were also choosing clothes here, thinking of giving their father a decent gift.

Li Lu was the first to see Jiang Yu. She quickly tugged at Li Yue’s sleeve and said, “Sister, look. It’s Jiang Yu.”

Li Yue's hand that was choosing clothes paused and asked, "Where is it?"

Li Lu quietly pointed and said, "She's at the door."

Li Yue looked over and indeed saw Jiang Yu.

And beside her was Elder Mo, who had always been on her side, and Mo Long, whom she had always yearned for.

This scene was really eye-piercing.

Li Yue put on a smile and walked over to greet him warmly. "Grandfather Mo, why are you here? What a coincidence. Mo Long, you're here too."

After saying this, Li Yue seemed to see Jiang Yu and said, "Jiang Yu, what a coincidence. I can see you here too."

Jiang Yu also greeted him with a smile. "Hello, what a coincidence."

Li Yue ignored Jiang Yu and walked towards Elder Mo...

Although she knew that Elder Mo was very satisfied with Jiang Yu, she was still very confident in her impression of Elder Mo... As long as she took the initiative to speak to Elder Mo, he would definitely continue to be kind and amiable to her.

After that, she would say a few words in Elder Mo's ear and blow a gust of wind. Perhaps Elder Mo would change his mind and feel that she was more suitable to be Mo Long's wife.

As for Jiang Yu, it was just a small interlude before Mo Long married her.

Hence, Li Yue smiled and said, "Grandfather Mo, what style of clothes do you like? Tell me, I'll buy it for you."

Grandfather Mo was feeling a little disgusted with Li Yue, so he distanced himself from her and said in disgust, "If I like it, my granddaughter-in-law will buy it for me."

When she heard the words "Granddaughter-in-law", Li Yue's expression changed imperceptibly, but she quickly returned to normal, she smiled and said, "That's Jiang Yu's filial piety towards you, and not mine. If I buy it for you, isn't that my filial piety?"

Elder Mo immediately refused, "There's no need. It's enough to have Jiang Yu's filial piety alone. Keep your filial piety for your father."

Li Yue froze, not knowing how to respond.

Chapter 636: Won't Give A Way Out of Awkwardness

Li Lu walked over and tried to smooth things over for Li Yue. She said, "Grandfather Mo, the Mo and Li families have been friends for many years. It's just a few pieces of clothes. You can choose whichever one you like. We'll give it to you."

Grandfather Mo said, "You should use these thoughts on your father."

Li Lu did not expect Elder Mo to have such an attitude towards her. She was stunned on the spot like Li Yue.

However, Li Yue was someone who had been in the entertainment industry for more than ten years. She had experienced such situations more than ten times. So even if Elder Mo did not speak to her in a good manner, she would not be angry or embarrassed.

Li Yue changed her expression and said, "Grandfather Mo, your words are too polite."

Li Lu quickly echoed, "Yes, yes. Grandfather Mo, aren't you treating us as outsiders?"

Elder Mo said bluntly, "You guys are outsiders to begin with."

Li Yue: "..."

She smiled awkwardly and said, "Grandfather Mo, what are you talking about..."

Before she could finish her sentence, Elder Mo had already brought Jiang Yu to another clothing store.

Li Lu looked at Jiang Yu's back and felt more and more disgusted.

"SIS, What's wrong with Grandpa Mo? He didn't treat us like this before," Li Lu asked.

Li Yue didn't know why Elder Mo's attitude towards her had suddenly changed 180 degrees. She was also very curious. "I don't know. He was still fine before, but he still called me Yueyue."

.....

Li Lu guessed, "Sister, do you think it's possible that Jiang Yu said bad things about us in front of Elder Mo? That's why Elder Mo had such an attitude when he saw us today."

Li Yue shook her head and said, "I'm not sure either."

Li Lu insisted that Jiang Yu said bad things about them in front of Elder Mo, but that was not the case. It was only because Jiang Yu and Mo Long had told him everything that the two sisters had done that Elder Mo was so disgusted with them.

Jiang Yu saw that Elder Mo's expression was not very good and was worried that he would not be in the mood to buy anything, hence, she smiled and said, "Grandfather, if you are not willing to choose clothes, then let's go buy some toys for ball-ball. I know a pet shop on the third floor. There are many types of pet toys in there."

Elder Mo patted Jiang Yu's hand and said, "Alright, then let's go and buy some toys for ball. After that, we will buy some things that we need."

Jiang Yu nodded and said, "Alright."

Just after walking out for a few steps, Elder Mo probed, "Jiang Yu girl, don't think too much. Li Yue and Li Lu were the ones who wanted to buy clothes for me just now and I didn't accept them! Moreover, that girl Li Yue also didn't say that she wanted to buy clothes for Mo Long, so you can't be angry!"

Jiang Yu felt a little strange and said, "I didn't think too much. Didn't I just see Li Yue and Li Lu? I'm not angry."

What was there to be angry about? She wasn't like Tang Xue who made up rumors in front of herself and outsiders.

Only then did Elder Mo relax and said, "It's good that you're not angry. I was worried that you would be angry. You didn't give them a good look just now, nor did you give them a way out."

Jiang Yu smiled and said, "Grandpa, I'm really not angry. I'm not that petty."

Elder Mo said, "Didn't they do something to you before? I was afraid that you would feel uncomfortable seeing them."

As he said that, he fiercely glared at Mo Long and said, "Jiang Yu is your wife! Aren't you going to consider her thoughts? Why are you still standing there like nothing happened and not saying a word?"

Mo Long spread his hands to show his helplessness, he said, "Grandfather, I wanted to say it, but they have been talking to you the entire time. I didn't have the chance to say anything. Furthermore, you dragged Yu'er away after that. Even if I wanted to say it, I couldn't go back and look for them."

Elder Mo snorted coldly and said, "Forget it. I'll forgive you on behalf of Jiang Yu."

Jiang Yu couldn't help but burst out laughing.

Chapter 637: Temporary Work

Seeing Jiang Yu smile, Elder Mo pretended to be serious and said, "Don't tell me you haven't forgiven him, Jiang Yu? Then we won't forgive him!"

Mo Long shouted helplessly, "Grandpa, stop fooling around."

Elder Mo said, "I'm not fooling around. If Jiang Yu doesn't say that she forgives you, then I won't forgive you either!"

Mo Long could only look at Jiang Yu helplessly.

Jiang Yu laughed until her stomach hurt. After a while, she said, "Alright grandpa, I forgive Mo Long. Is that alright?"

Elder Mo said, "Then I can only reluctantly forgive him."

Jiang Yu held onto Elder Mo's arm and said, "Alright Grandpa, Let's go buy some toys for ball-ball."

Elder Mo nodded. "Alright, we'll go now."

After walking for a few steps, Jiang Yu's cell phone rang.

Jiang Yu took out her cell phone and looked at the caller ID. It was Sister Xia.

If Sister Xia were to call her at this time, there was a 99% chance that it was work.

As expected, as soon as Jiang Yu picked up the call, Sister Xia said to her, "Jiang Yu, I just accepted a temporary job for you. It's shooting an advertisement for a lipstick company."

Jiang Yu glanced at Elder Mo and Mo Long and said awkwardly, "Sister Xia, I'm currently with Mo Long and Elder Mo outside."

Sister Xia was also a little embarrassed, and her voice had also become softer. "But the representative of that merchant is currently here with me. He clearly wants to see you and even said that he definitely wants you to endorse his lipstick."

"Which brand's lipstick?" Jiang Yu asked.

Sister Xia said, "Do you remember when you were filming 'Aces vs Aces, you played a salesperson and sold lipstick to passersby? The brand of that lipstick was 'Ge Li'. It's them."

Jiang Yu recalled that she had indeed sold 'Ge Li's lipstick before.

But that was a long time ago. How could she have found her at this time?

Moreover, she was very busy and couldn't get away. She had no way to rush to Sister Xia's side immediately.

Therefore, she said, "Sister Xia, let that representative go back first. When I have time on my side, we can make an appointment at a suitable time. What do you think?"

Sister Xia felt even more troubled, she said, "That's what I told him just now, but he didn't believe me. He even said that I lied to him and that you looked down on his lipstick, so you didn't want to meet him. He also said that if you didn't come today, he wouldn't leave the studio."

Jiang Yu was a little speechless.

Was he a representative or a scoundrel?!

Sister Xia really couldn't think of any solution. Even if she threatened to call the police, the person in front of her would only say, "I'm leaving today, but I'll be back tomorrow. That was why Sister Xia called Jiang Yu and told her to hurry to the studio.

Jiang Yu sighed and said, "Alright, I got it. I'll head over after I take care of things here."

After hanging up the phone, Jiang Yu said apologetically, "Grandpa, I have a temporary job here that's very urgent. I need to take care of it. So, I can't accompany you to continue buying toys for ball-ball. Why don't we go back first? We can buy them after I've taken care of the work on hand."

Elder Mo asked, "What kind of work is it?"

When Jiang Yu picked up the phone just now, he had noticed the change in Jiang Yu's mood. He guessed that it might be a thorny matter. Since that was the case, he definitely couldn't let his precious granddaughter-in-law solve this matter alone.

Jiang Yu said, "It's not a big deal. It's just a small problem at the studio."

Elder Mo said, "I don't think I've seen your studio before. Why don't you bring me there to take a look?"

"This..." Jiang Yu was a little hesitant.

Elder Mo asked, "What's the matter? Are you unwilling to bring an old man like me there?"

Jiang Yu said, "How can that be! But Grandpa, this problem might be a little tricky. It's better if you don't go."

Elder Mo smiled and said, "Tricky trouble? Then I should go even more. I don't trust this precious granddaughter-in-law of mine to solve these trivial matters by herself."

Chapter 638: Mr. Xia

Since Elder Mo had said so, Jiang Yu naturally had no reason to refuse, so she could only bring Elder Mo and Mo Long to the studio.

When Sister Xia saw Elder Mo, she was very shocked. She asked Jiang Yu in a low voice, "Why did you bring the two of them here?"

Jiang Yu said helplessly, "We were together at that time. I said that I wanted to settle some work, but grandfather insisted on coming over. I had no choice but to bring him along."

Sister Xia knew Mo Long's style of doing things. She was afraid that it was inherited from him. The Mo family always did things this way. If that was the case, wouldn't something big happen later?

However, there was no chance to stop them now. Elder Mo and Mo Long were already sitting on the sofa, glaring at the representative across from them.

Sister Xia was so frightened by their imposing manner that she almost didn't dare to go over. Fortunately, Jiang Yu supported her and also sat on the sofa together.

The representative's legs were numb from the fright when he was facing Elder Mo and Mo Long. However, Jiang Yu's appearance was like a life-saving straw. He hurriedly said, "Hello, Miss Jiang Yu. I'm the representative of the 'Ge Li' lipstick business. My surname is Xia. You can call me Mr. Xia."

Jiang Yu said, "Alright, Mr. Xia. Regarding the lipstick endorsement, I hope that you can discuss it with the business again when you go back. After all, it's almost the new year. No one wants to have a job at this time."

Mr. Xia was also in a bit of a dilemma, but this was the job his boss had given him. No matter how difficult it was, he had to bite the bullet and continue doing it.

Therefore, he said everything his boss had asked him to say. "Miss Jiang Yu, our 'Ge Li' chose you to be the spokesperson because we have taken a liking to your ability and popularity. If you insist on not knowing what's good for you and refuse to accept our endorsement, then we can totally find someone else to endorse it."

What kind of tone was that?

Jiang Yu was a little angry, she said, "I'll have to trouble you to figure it out. It was you who invited me to endorse you, not me who begged you to let me endorse you. Since you can totally find someone else, then quickly find someone else and don't bother me, okay?"

Mr. Xia saw that Jiang Yu was angry, and then he looked at the two men who remained silent, but their expressions were very cold. He was worried that they would vent their anger on him, so he quickly restrained himself, he explained, "Miss Jiang Yu, the boss asked me to say this just now, and it wasn't my original intention."

Jiang Yu took a few deep breaths to calm herself down, and then said, "Mr. Xia, please go back and tell your boss that I won't accept this endorsement."

Mr. Xia was about to cry, and said, "Miss Jiang Yu! You must accept this endorsement! Otherwise, I will be fired!"

Jiang Yu said, "If you really want me to accept this endorsement, you have to come with a certain degree of sincerity. Even if you don't have the time, you shouldn't say such words."

Mr. Xia said, "Yes, yes, yes. Miss Jiang Yu is right in lecturing me. But please accept this endorsement. Otherwise, I'll definitely be fired! When I came, my immediate superior had already given me an ultimatum. He said that if I can't get you to be the spokesperson, then I won't have to go to work tomorrow!"

His eyes were filled with tears, and his words didn't seem like a lie.

Jiang Yu sighed and said, "Contact your boss. I'll tell him personally."

Mr. Xia took out his phone and called his boss. He even specially pressed the loud speaker button.

No one picked up the first call. Mr. Xia looked at the expressions of the others and made a second call.

The second call was directly hung up by someone. Mr. Xia started to feel uneasy.

Seeing this, Jiang Yu could only say, "Give me your boss's contact information. I'll contact him when I get back."

Mr. Xia hurriedly nodded and said yes. Just as he was about to put his phone away, he heard Mo Long say, "Continue calling."

Mr. Xia was not deaf. Of course, he heard what he said. But the person on the other side did not pick up at all. No matter how many times he called, it was useless.

Chapter 639: Acquisition

However, the expression on Mo Long's face was very scary. Elder Mo, who was sitting next to him, had an even scarier expression.

Mr. Xia's intuition told him that the two men in front of him were absolutely not people he could afford to offend. They were even scarier than his immediate superior.

Therefore, between his job and his life, Mr. Xia decisively chose the latter.

Thus, he made a third call.

After the phone rang three times, it was picked up. An angry voice was heard, "What are you doing? Don't you know that I'm busy right now?!"

Mr. Xia was shocked and stammered, "Liu, Boss Liu, Miss Jiang Yu asked me, let me give you a call. She, she said that she has something to tell you personally."

"What's there to say? Isn't it just a simple endorsement? Could it be that you've been gone for so long and haven't even settled such a small matter?!" Boss Liu roared.

“Me? I...” Cold sweat dripped down Mr. Xia’s forehead.

Jiang Yu didn’t intend to put Mr. Xia in such a difficult position. Just as she was about to open her mouth to explain for him, she heard a woman’s voice from the other end of the phone.

The voice was mixed with some unpleasant words that made people blush.

Mr. Xia was no exception, but now was not the time to blush. If this matter could not be resolved perfectly, not only would he lose his job, but he might even lose his life!

Although Jiang Yu and Mo Long were husband and wife, she was still a girl, and her face was thin. Now, hearing these obscene words in public, her face was so red that it looked like blood was going to drip out.

However, Mo Long’s expression did not change. He took the phone and said coldly, “There is no need to find a solution to this matter. Starting tomorrow, you don’t need to work in your company.”

.....

Boss Liu was still working hard on the other end of the phone. When he heard Mo Long’s words, he did not take it to heart. He said disdainfully, “Who are you? Do you have the right to speak here?”

Mo Long said in a clear voice, “Mo Long.”

“Mo Long? Who is Mo Long? I...” Before he could say anything, the voice on the other end suddenly stopped.

The rest of the people thought that it was boss Liu or that woman who hung up the phone. However, the next second, they heard boss Liu’s panicked voice, “It’s, it’s president Mo?! So it’s President Mo! Look at my brain, I actually didn’t recognize your voice! What solution did you just say? I’ll go now, please wait for me!”

“There’s no need,” Mo Long said, “You can do your own thing. I’m just informing you that you don’t need to go to work tomorrow.”

Boss Liu was a wily old fox. How could he not understand Mo Long’s words.

However, his only source of income now was this lipstick company. He absolutely could not let Mo Long buy it!

Therefore, he hurriedly said, “President Mo, what are you saying? If there’s anything, we can discuss it properly. Why do you have to buy my company?”

Mo Long said, “I don’t need to seek the opinions of others when I do things. As for what you said about discussing it properly, we did plan to discuss it with you just now, but you missed this opportunity.”

“Don’t be like this, President Mo!” Boss Liu shouted as if he was trying to please him, “I was wrong, I was wrong just now! Please give me another chance, I’ll go over now. Please wait, I’ll be there soon!”

Mo Long looked at the watch on his wrist and realized that it was getting late.

Therefore, he only said “No need” and hung up the phone.

No matter how useless boss Liu was on the other side of the phone, his voice could no longer be heard.

Only then did Mr. Xia realize that the person in front of him was the famous president of the Mo Group, Mo Long!

Then, wasn't the old master sitting next to him... the Old Master of the Mo Family?!

Mr. Xia was really scared to the point that his legs went numb and he had already lost consciousness.

It was over, he had really kicked an iron plate this time! Forget about his legs going numb, he was probably going to lose his life!

Mo Long glanced at him and said, "You can continue to work in the company. No one will stop you, and the salary will be given to you as usual."

"Really?!" Mr. Xia was still worried about his life just now, but when he heard Mo Long's words, the flame of hope burned again.

Chapter 640: Perfect Solution

"Okay." Mo Long nodded and answered coldly.

His mood had become bad because of boss Liu. In Mr. Xia's eyes, it was just a full of anger with nowhere to vent it. The few words he said to him were probably a sweet date first, and then a slap to himself.

Jiang Yu saw Mr. Xia's fear, so she smiled and said, "Mr. Xia, you're still an employee of this company. It's just a change of boss."

"Really?" Mr. Xia asked carefully.

Jiang Yu nodded, "It's true. You don't have to look at President Mo... I'll take full responsibility."

Mr. Xia felt like he had met a living Buddha, so he quickly thanked her, "Thank you, Miss Jiang Yu!"

Jiang Yu waved her hand and said, "You're welcome. Alright, this matter is settled. Mr. Xia, you should go back and rest."

"Alright!" Mr. Xia hurriedly lifted his leg and left.

He absolutely could not stay there with Mo Long any longer, not even for a second!

After Mr. Xia left, Sister Xia asked, "President Mo, did you really buy that lipstick company?"

"Yes." Mo Long tugged at his tie and replied impatiently.

Sister Xia could see that Mo Long's attitude was impatient, so she tactfully stopped talking to him. Instead, she said to Jiang Yu, "Jiang Yu, today was just an accident. But don't worry. From today until the New Year, I won't accept any more jobs for you."

Jiang Yu said, "That's good too. Not only me, but you can also have a good new year."

.....

Sister Xia smiled and said, "Isn't that so? Alright, if there's nothing else, I'll leave first. I'll contact you if there's anything else."

Jiang Yu nodded. "Alright."

Sister Xia took her handbag and left the studio.

Mo Long's expression didn't look good, and Elder Mo was sitting quite far away from Jiang Yu, making it even harder for her to see his expression.

However, Jiang Yu could guess that this pair of grandfather and grandson must have the same expression.

She smiled like a kitten, "Alright, don't be angry anymore. It's getting late today, and there's no way to buy a toy for ball. How about we just have a simple meal and then go back?"

Mo Long didn't say anything, but Elder Mo said enthusiastically, "Alright, let's go eat now!"

"Huh?" Jiang Yu only then saw the expression on Elder Mo's face. It wasn't anger, it wasn't anger, but... watching a good show?!

Elder Mo was indeed watching a good show. From the moment Mo Long took the phone, he had already started watching the show.

Seeing that Mo Long was still sitting there without any reaction, Elder Mo called out to him, "Mo Long, Jiang Yu said she's going to eat!"

Mo Long took a look at Jiang Yu before he stood up and went to eat with Jiang Yu and Elder Mo...

Jiang Yu felt that Mo Long was very strange. He was indeed angry, but it was not just anger. There seemed to be other emotions mixed in.

Mo Long was also disinterested and did not have much appetite during the meal.

Elder Mo was not in the mood to care about Mo Long. He just wanted to finish the meal quickly and go back to look at his ball.

Jiang Yu saw that Mo Long had not eaten much and had not even taken a few bites of the food that she had put in his bowl. She thought to herself that it would be better to cook some simple dishes for him when she went back. It was better than going hungry.

The three of them finished their meal with their own thoughts and returned to Mo Garden together.

Elder Mo pushed the door open and entered. He released ball ball from the cage and took it out for a walk.

For a moment, only Jiang Yu and Mo Long were left in the living room.

"Tell me, what happened? You've been in a bad mood ever since you hung up on that boss Liu," Jiang Yu said. "Is there anything else that's troubling you about this matter?"

Mo Long shook his head and said, "No, this matter ends here. Teng Yi has already taken the contract and asked Boss Liu to sign it."

Since this matter had already been resolved the best way, why was Mo Long still so unhappy?

Could it be that there was really something troublesome about this matter that couldn't be resolved?

And Mo Long was afraid that she would worry, so he hid it from her?
