Chapter 711: Plane Ticket

Jiang Ran lowered her head and said, "I have a boyfriend, but he has been breaking up with me recently."

He Li was a little disappointed when he heard the last sentence, thinking that he had no chance.

But when he heard the last sentence, his hope was ignited again.

"When do you break up?" He Li asked anxiously.

After asking, he realized that what he asked was inappropriate, so he quickly changed his words, afraid that Jiang Ran would have a bad impression of him. "No, I mean, you're so good, why would he break up with you?"

Jiang Ran sighed, "It's all because of my good sister Jiang Yu. She already has a boyfriend, and he's also the president of the Mo Group, but she's still not satisfied and wants to snatch my boyfriend away."

"Could it be that your boyfriend wants to break up with you because he's infatuated with Jiang Yu?" He Li was shocked.

He had originally thought that Jiang Yu had gone overboard. He did not expect her to even seduce someone else's boyfriend. She was even capable of such a shameless thing!

Jiang Ran nodded and said, "But I've been with him for a long time. I really can't bear to part with him."

He Li said, "Jiang Ran, break up with him! Be with me, and I'll definitely treat you well!"

His promise was loud and clear. Wang Qing, who had received a delivery to find Jiang Ran, heard it clearly.

She walked over and asked in confusion, "What happened? Jiang Ran, I remember you have a boyfriend, right?"

Jiang Ran cursed Wang Qing in her heart. He had to come at this time.

She had wanted to find a random topic to send Wang Qing away, but He Li had already blurted out all those things.

After Wang Qing heard it, her impression of Jiang Yu became even worse.

.....

She said, "So Jiang Yu is so shameless?! She already has a boyfriend, but she still wants to seduce someone else's boyfriend!"

He Li also said, "Jiang Yu is really too much."

The two of them were cursing Jiang Yu behind her back and were having a heated conversation. Jiang Ran stood to the side and felt that she was a little out of place.

Forget it, let the two of them be. Anyway, no matter what they did, it had nothing to do with her.

Jiang Ran randomly found a reason to say that she still had something to do in her dorm, so she went back first.

Wang Qing and He Li greeted her and were secretly plotting how to teach Jiang Yu a lesson.

"But we definitely can't hit her," He Li said.

Wang Qing said, "Do we have to solve everything with our fists? We only need to play tricks to deal with Jiang Yu."

He Li asked in confusion, "What tricks?"

Wang Qing did not explain. She only said, "Can't we just let her not go to the University of Cecilia?"

"Huh?" He Li still did not understand.

However, Wang Qing already had an idea in her mind.

Unbeknownst to her, after Jiang Yu returned to her dormitory, she wrote an exchange application and handed it to Professor Bai.

Professor Bai said, "Jiang Yu, when you go back, book a ticket for the nearest plane and then go to University of Cecilia. Just now, professor Carl called me and said that he has specially applied for an apartment for you there. He hopes that you can go there in advance to get used to it."

Jiang Yu nodded and said, "Alright. Thank you, teacher."

Professor Bai smiled and said, "You're welcome."

After Jiang Yu returned to the dormitory, she immediately booked a flight ticket for the earliest flight and told Mo Long about this matter.

Mo Long said, "Alright, I got it. I'll settle all the work before this and then accompany you."

Jiang Yu didn't want him to delay his work because of her, but no matter what she said, he was worried about going abroad alone. He had to accompany her.

Jiang Yu sighed and said, "Alright, but you have to promise me that you won't delay your work because of me."

Mo Long smiled and said, "I got it."

Jiang Yu said, "I'll hang up first. My passport has expired. I'll go to a new one first."

Mo Long said, "Alright, go ahead."

Jiang Yu hung up the phone, packed her things, and left.

When she left, Yuan Zhen was still resting in the dormitory, so she did not close the door. After she had left for a long time, someone sneakily came out of the shadows and knocked on the dormitory door.

Yuan Zhen looked up and realized that she did not know this person at all.

She asked, "Who are you? Who are you looking for?"

Wang Qing said, "I'm not looking for anyone. I'm a friend of Jiang Yu's. She called me just now and asked me to send her a document."

Chapter 712: Tampered With

Wang Qing had thought of this reason at the last minute. When she was eavesdropping outside, she did not know that there was another person in the dormitory besides Jiang Yu.

Yuan Zhen was skeptical and said, "Really? But if she needs any documents, she can just give me a call."

Wang Qing quickly said, "Don't worry about it. If this document is any later, Jiang Yu's passport will not be able to be processed."

Yuan Zhen paused and believed Wang Qing's words.

Since this person knew that Jiang Yu was going to apply for a passport, she should be her friend, right? After all, Jiang Yu had only told her boyfriend about this matter, and she had only overheard it while she was resting in the dormitory.

Wang Qing turned on Jiang Yu's computer and was surprised to find that she had not switched off her phone. That would be perfect. It would save her the trouble of guessing the password.

She found the website where she booked the plane ticket and changed the time and place on it.

Yuan Zhen really thought that Wang Qing was Jiang Yu's friend, so he allowed her to use Jiang Yu's computer and waited for her to send the documents to Jiang Yu.

After waiting for a long time, Yuan Zhen did not hear the "Ding Dong" that was successfully sent. He could not help but turn his head and ask in puzzlement, "Did you really send the documents to Jiang Yu?"

Wang Qing said guiltily, "I did. I'm Jiang Yu's friend."

Yuan Zhen said, "But I didn't hear the sound of the successful sending."

Wang Qing broke out in cold sweat guiltily and said, "Y-yes? But I just sent it successfully. Didn't you hear it?"

Yuan Zhen shook his head honestly and said, "No."

Wang Qing said, "But I did successfully send it. Maybe Jiang Yu's computer is a little slow? That's why you didn't hear it."

Yuan Zhen thought about it and felt that it was also possible, so she didn't ask further.

However, she still asked Wang Qing's name, "I'm Yuan Zhen. What's your name? Although you said you're Jiang Yu's friend, I've met all her friends. You're quite a stranger."

Wang Qing forced a smile and said, "I met her at the International Piano Competition. We haven't known each other for long."

Yuan Zhen nodded and said, "I see. Then what's your name?"

Wang Qing only wanted to leave this place as soon as possible. She didn't want to waste any more time with this person called Yuan Zhen.

After all, every second she wasted here would increase the probability of her being discovered by Jiang Yu.

However, if she did not answer Yuan Zhen's question, it would probably arouse her suspicion. Since that was the case, she would just name a random name.

Hence, Wang Qing said, "My name is Qing Qing."

Yuan Zhen thought about it carefully and realized that none of Jiang Yu's friends she had met were called Qing Qing.

It seemed that she was really Jiang Yu's new friend.

She wanted to say something else, but Wang Qing had already turned off Jiang Yu's computer and left.

"Seriously, why did she leave in such a hurry?" Yuan Zhen muttered to herself.

She was a little sleepy, so she went back to bed and prepared to sleep soundly. When she opened her eyes again, it was already dark outside, and Jiang Yu had already returned.

Yuan Zhen sat up, rubbed his eyes, and said, "Jiang Yu, when did you come back?"

Jiang Yu said, "I just came back not long ago. By the way, I brought you some food and left it by your bed. If you are hungry, you can eat it."

"Thank you, Jiang Yu!" Yuan Zhen shouted happily.

.

She had slept for such a long time that her stomach was growling with hunger. Coincidentally, Jiang Yu had brought her some food and resolved the urgent matter at hand.

She was so engrossed in her food that she had completely forgotten that a person called Qing Qing had come to look for Jiang Yu today. Naturally, she did not tell Jiang Yu about this matter.

By the time Yuan Zhen remembered, it was already midnight. Because she had taken a nap in the afternoon, she was not sleepy at all. However, Jiang Yu had been busy outside for the whole day and was already so sleepy that she fell asleep.

Jiang Yu spent the whole afternoon listening to the piano music in the examination questions. Later, when she was sleepy, she did not feel like going back to her room to sleep. She took out a silk blanket from the cabinet and prepared to sleep on the sofa for the night.

Yuan Zhen opened the door and left her room. When she heard Jiang Yu's even breathing, she did not have the heart to disturb her rest. She thought of waiting until the next morning to tell Jiang Yu about this matter.

However, Yuan Zhen had a class the next day. When she got up in the morning, she rushed to go to class and forgot about this matter again.

Jiang Yu did not know about this until Mo Long called her to ask if she had packed her things. Only then did she realize that her ticket had been changed.

Three days after the time changed to the scheduled date, the location also changed to Xinjiang.

What was going on?!

Chapter 713: Identification

Jiang Yu explained the matter to Mo Long and said, "Do you still have a ticket to Cecilia University?"

Mo Long frowned and asked Teng Yi to check the flight. He found that there were no extra tickets.

He said, "There are no extra tickets."

Jiang Yu fell silent. When she spoke again, her voice was choked with sobs. "Who changed my ticket? I still want to go to Cecilia University to take the entrance exam, but there are no tickets for the next few days other than today."

Although Jiang Yu was trying her best to suppress her emotions and prevent herself from crying, Mo Long could feel how devastated she was.

Mo Long paused and asked, "Where are you now?"

Jiang Yu said, "I'm in the dormitory."

Mo Long said, "Come to the president's office."

Jiang Yu asked, "Why do I need to go to the President's Office? The president won't interfere in such matters, right?"

Mo Long said to Jiang Yu as he walked towards the campus, "Just come over. I'm here."

"What?" Jiang Yu was stunned, and the tears in her eyes were retracted.

So he was planning to pick her up at the school gate to the airport?

But now was not the time to think about so many things. She quickly collected her emotions and washed her face to make herself look less listless.

.....

She came to the principal's office and found Mo Long and Professor Bai already sitting on the sofa.

The whole room was frowning, and the expression on their faces was very ugly.

The principal saw Jiang Yu coming and stood up, saying, "Jiang Yu, I already know about the matter. Don't worry, I will definitely investigate this matter and give you an explanation."

Jiang Yu nodded and sat beside Mo Long. She asked in a low voice, "Why are you so agitated? Why did you run to the principal's Office?"

Mo Long didn't mind, he said in a normal voice, "This is not a small matter. If you don't tell me, or even don't tell me, then how are you going to solve it? Are you going to bear with it so sadly that it doesn't matter even if you lose the opportunity to go to Cecilia University?"

Jiang Yu muttered, "It's not like there's no way to solve this..."

Mo Long said, "No matter if there's a way to solve it or not, I won't let you suffer a bit."

"Got it," Jiang Yu whispered with a red face.

The principal thought for a moment and asked, "Jiang Yu, who do you think is the most likely to change the information on the plane ticket you bought?"

Jiang Yu replied with some difficulty, "I don't know either. Although my roommates who live in the same dorm as me might change, they have no reason to do so."

The principal asked, "Who are the people who live in the same dorm as you? Call them over first."

Jiang Yu glanced at Professor Bai and Mo Long, nodded and said, "Okay."

When Yuan Zhen and Jiang Li were informed that they were going to the principal's office, they thought that they had done something wrong, which made the principal unhappy. Therefore, the two of them were very careful on the way there.

However, when they arrived at the principal's office, they realized that they were not the ones who were in trouble, but Jiang Yu.

"Jiang Yu, someone changed your ticket?" Jiang Li was shocked. She couldn't believe that such a thing actually existed in real life.

Jiang Yu nodded and sighed. "That's right."

Yuan Zhen thought for a while and suddenly patted his head, "I remember now! A person called Qing Qing came to look for Jiang Yu. She said that she was a friend of Jiang Yu's and wanted to send her a document. I wanted to tell Jiang Yu about this, but because I had a class the next day, I was so busy that I forgot."

She said apologetically to Jiang Yu, "Jiang Yu, I'm sorry."

"It's alright," said Jiang Yu. "This has nothing to do with you. There's no need for you to apologize."

Yuan Zhen smiled embarrassedly.

Mo Long suddenly asked, "Who is Qing Qing?"

.

Yuan Zhen replied, "I don't know her. She said her name is Qing Qing."

Qing Qing... Jiang Yu searched her mind and said, "Could it be... Wang Qing?"

Yuan Zhen shook his head and said, "I don't know her."

The principal thought for a moment and said, "How about this? I'll find Wang Qing's photo and let Yuan Zhen take a look. Let's see if it's her. What do you think?"

Yuan Zhen nodded and said, "Okay."

The principal took Wang Qing's photo out of the school records vault and said, "Yuan Zhen, come and take a look."

Yuan Zhen walked over and took a look before saying, "It's her."

"Are you sure? Yuan Zhen?" The principal asked.

Yuan Zhen said, "It's her. She said a few words to me and looked very guilty, so I remembered her."

Mo Long's eyes turned cold as he said, "Get her here as soon as possible."

Chapter 714: Exposed

The principal quickly called Wang Qing's tutor and asked her to come to the principal's office immediately.

Wang Qing was a little confused when she heard from her tutor that someone was looking for her in the principal's office. What kind of matter could still be brought to the principal's office?

After a few days, Wang Qing had already gotten over the uneasiness and guilt over the matter of the tampering of the plane tickets. Once she relaxed physically and mentally, she forgot about it.

When she knocked on the door and walked into the principal's office and saw Jiang Yu and Mo Long, she vaguely remembered something.

She felt a little guilty and did not dare to look at Jiang Yu and Mo Long. She stammered and asked, "Principal, is... is there something wrong?"

The principal was very straightforward and did not beat around the bush. He asked, "Do you know Jiang Yu's plane ticket?"

Wang Qing's expression immediately changed when he mentioned "Plane ticket". She said, "What plane ticket?! I, I don't know about any plane ticket!"

Yuan Zhen said in puzzlement, "That's not it. When you came to deliver the document that day, you even said that without this document, Jiang Yu would not be able to apply for a passport."

Wang Qing laughed dryly and said, "Did you remember wrongly? I have never been to Jiang Yu's dormitory."

Seeing that she did not admit what she had done, Yuan Zhen also understood why she looked so guilty at that time.

She said, "The day you came, I was the one who greeted you in the dormitory. How can you say that you don't remember? Could it be that you are not Jiang Yu's friend at all and that you only made up an excuse to change Jiang Yu's plane ticket that day?"

Although Yuan Zhen did not have any evidence for what she said, what she said was the truth.

Wang Qing could not hold it in any longer, but she still tried her best to hold it in. She was afraid that if she gave herself away, she would be discovered by the people in front of her.

Therefore, she said, "Who knows if it was you who wanted to falsify Jiang Yu's plane ticket and then push the blame onto me? There is no evidence for what you said, and you still want to say that I did it without any evidence?"

Yuan Zhen did not expect Wang Qing to bite her back, and she immediately felt wronged.

Jiang Yu had been silent the whole time, intending to listen to Wang Qing's explanation. However, when she heard Wang Qing bite her back and put all the blame on Yuan Zhen, Jiang Yu could not help it.

She said, "Wang Qing, if you are unwilling to admit that you have been to my dormitory, then go and take a look at the surveillance cameras in the dormitory building. Just take a look at whether or not you appeared in our dormitory building that day!"

Wang Qing's back broke out in cold sweat when she heard Jiang Yu's words.

Why didn't she remember that there were surveillance cameras in the female dormitory building?! This was considered an invasion of privacy, right?!!

Wang Qing kept comforting herself in her heart. It was impossible for there to be surveillance cameras in the dormitory building. This was just Jiang Yu lying to her.

But in the next second, Jiang Yu's words once again made her doubt. "I think you don't believe me? Then go and take a look. When you see your figure, don't say that you have never been to our dormitory."

Jiang Yu was obviously smiling, but Wang Qing didn't feel any sincerity in her smile.

"Jiang Yu, you... You think I'll believe you? There are no surveillance cameras in the female dormitory corridor!" Wang Qing said loudly.

Jiang Yu looked at her in surprise and said, "That's because there are no surveillance cameras in your dormitory, right? But did you forget that my dormitory is the elite building?"

"Impossible! When I went there, there were no surveillance cameras on the road!" Wang Qing tried her best to defend herself.

.

But the moment she said that, Wang Qing wanted to slap herself in regret.

Once she said that, didn't she just admit that she had been to Jiang Yu's dormitory?!

She anxiously wanted to explain, but the smile on Jiang Yu's face had disappeared.

She said coldly, "So it really was you."

This sentence was not a question, but a statement.

Seeing that the matter had been exposed, Wang Qing simply admitted what she had done.

“Yes, I did it. I tampered with your ticket. So what? I just don’t want you to go to Cecilia University. What’s wrong?” Said Wang Qing.

“I don’t remember having any grudges with you,” said Jiang Yu.

Wang Qing laughed mockingly, “You and I don’t have any grudges, but I just can’t stand people like you. You abandoned the family that raised you and almost caused your own sister to die in the hospital. You even tried to seduce other people’s boyfriends when you were with Mo Long. Jiang Yu, aren’t you ashamed?”

Chapter 715: Expelled From School

Jiang Yu didn’t know where Wang Qing’s misunderstanding of her came from, but seeing how close she was to Jiang Ran, Jiang Ran was most likely the one who told her all these things.

It seemed that this Wang Qing was really obedient to Jiang Ran.

Before Jiang Yu could speak, Wang Qing continued, “Why aren’t you defending yourself? Did I get to your sore spot? Jiang Yu, do you dare to say that you’ve never done such a thing in front of so many people? Professor Bai and Mo Long must have been kept in the dark as well. One of them didn’t know that she had taken in such a disciple, and the other didn’t know that he had found such a girlfriend!”

The more she spoke, the more agitated she became. In the end, her face turned red with anger.

Jiang Yu only opened her mouth to speak after hearing her ridiculous words. “Are you done? When you’re done, think about how you’re going to pay for your mistakes.”

“Why should I pay?” Wang Qing roared. “If you have the ability, then call your sister over and confront her! See if I’m telling the truth!”

Jiang Yu sneered and said, “Do you think she’ll come over just because you called her over? Do you really think she’ll save you at this time? She can’t even care about herself, how can she have time to care about you?”

Wang Qing was stunned and said slowly, “You, what are you talking about... she and I are good friends. Everything I did was for her! If she knew, she would definitely stand on my side!”

Jiang Yu looked at her sympathetically, she said, “Jiang Ran has always been lying to you. Even if she appeared here now, she would only say that she doesn’t know you at all. Wang Qing, sometimes I sympathize with you. Why are you always being led by the nose by the same person?”

Wang Qing opened her mouth and wanted to refute, but she couldn’t say a word.

Jiang Yu didn’t waste any time and said, “Wang Qing, you have done something wrong, so you have to bear the responsibility.”

Wang Qing smiled bitterly and said, “Jiang Yu, since you said that Jiang Ran lied to me, then tell me, what did she lie to me about? If it wasn’t for you, I wouldn’t have been kicked out of the Wang family and wouldn’t be together with Jiang Ran.”

Jiang Yu looked at Wang Qing. There was no hatred in her heart, only sympathy.

She said, "At that time, it was you who refused to face your own failure and vented your unimportant anger on me. That was why you angered your father and got kicked out of the Wang family. This matter is your own fault. You can't blame anyone else."

Wang Qing said unwillingly, "If I had a boyfriend like Mo Long, I would probably be as confident as you."

Jiang Yu didn't answer, instead, she continued, "As for the matter that you said Jiang Ran lied to you, I can tell you responsibly that she wasn't telling the truth. Whether it was recently that she abandoned the Jiang family or that I stole her original creation, it was all fake."

Wang Qing was shocked. He looked up at Jiang Yu and said, "So you knew about it at that time?"

Jiang Yu nodded, "Yes. But I was busy with the competition at that time and the entrance exam recently. So I turned a blind eye to everything that you guys did. But this doesn't mean that I have forgotten about these things, nor does it mean that I will forgive you guys."

Wang Qing was stunned. In the end, she only said, "I know, but I lost to you. Jiang Yu, I really can't accept it."

Jiang Yu looked at her and said, "I only advise you not to meet unkind people in the future."

Wang Qing finally could not hold it in anymore and fell to the ground.

Since things had come to this, if they could not come up with a solution, Jiang Yu and Mo Long would not give up.

Moreover, the punishment could not be too light. Otherwise, it would leave a message for others to say that she was not qualified to be the principal.

Therefore, the principal thought about it and said, "Wang Qing, the principal has decided to give you the punishment of expulsion."

Wang Qing knew that the matter had already developed to this point and there was no turning back.

Therefore, she struggled to stand up and said, "I understand. I will go back and pack my things now, and then I will leave on my own."

With that, she stumbled out of the principal's office.

Before she left, she said, "Jiang Yu, I'll never be satisfied."

Of course, she was not satisfied. Her status was clearly higher than Jiang Yu's, but she had a CEO boyfriend who loved her to the extreme, and countless friends who supported her behind her back. Even her attainments in musical instruments were better than someone who had studied in her major for a few years.

So how could she be satisfied!

After Wang Qing left the principal's office, there was a moment of silence in the room.

Chapter 716: Helicopter

After a long while, the principal opened his mouth awkwardly and said to Mo Long, "It's our fault that such a thing happened. President Mo, how do you want to resolve this?"

Mo Long did not look at him. He only looked at Jiang Yu gently and asked softly, "Yu'er, what do you want to do?"

Jiang Yu still felt uncomfortable in her heart. But now that things had come to this, she had no choice but to accept reality.

Therefore, she forced a smile and said, "It's okay. I think there will be air tickets in the future."

However, she didn't believe herself when she said this.

The principal was even more embarrassed.

He only found out after Mo Long strode into the principal's office. Jiang Yu was actually the fiancée of the president of the Mo Group!

This was great. The people he couldn't afford to offend had changed from Mo Long to Mo Long and Jiang Yu.

However, Yuan Zhen and Jiang Li knew about this long ago, so they were not very surprised.

Yuan Zhen said, "Principal, Professor Bai, we still have class. Can we go back first?"

The principal nodded and said, "Let's go back. Don't miss the class."

"Okay."

Yuan Zhen and Jiang Li left.

Jiang Yu felt that there was no need for her to stay here any longer, so she said, "Principal, teacher, we'll be leaving first."

The principal and professor Bai nodded and said, "Okay. Don't worry. Don't worry too much about this matter."

After leaving the principal's office, Jiang Yu wanted to tell Mo Long to hurry back to work, but she suddenly heard him ask her, "Have you packed your luggage?"

Jiang Yu was stunned. She didn't know why he asked her this question. But she still answered honestly, "Not yet."

Mo Long curled his lips and said, "Go back and pack your things first. I will bring you to Cecilia."

Jiang Yu was puzzled and asked, "How are you going to bring me there?"

Mo Long smiled and said, "It's a secret."

Jiang Yu was still confused. However, she believed in Mo Long. As long as he said that he could bring her there, he would definitely do it.

Jiang Yu went back to her dorm to pack her luggage while Mo Long gave Teng Yi a call. It was unknown what he said.

After Jiang Yu packed her luggage, she gave Mo Long a call and asked, "Are you ready? I'm going downstairs now."

Mo Long said, "I'm ready. Come down."

His tone was very pleasant, and it could be transmitted to Jiang Yu through the phone.

Jiang Yu smiled and said, "Why are you so happy?"

Mo Long said, "Because I can go abroad with you. Is the luggage heavy? Do you need me to get it?"

Jiang Yu said, "It's fine. It's just a few ordinary clothes to change into and some toiletries. I can carry them myself."

Jiang Yu went downstairs, but she didn't see Mo Long at the downstairs door.

So she asked, "Where are you?"

Mo Long said, "Look at the roof of the teaching building."

Jiang Yu didn't understand, but she still looked over.

However, she didn't know if she didn't look, so she was shocked when she saw it.

A silver-white helicopter slowly landed on the roof of the teaching building.

"What is this?" Jiang Yu muttered.

"It's a helicopter." Mo Long appeared out of nowhere and took the suitcase from Jiang Yu.

"What helicopter? I never knew you had this thing," Jiang Yu said.

Mo Long said very casually, "I asked Teng Yi to buy it just now."

"What?" Jiang Yu said in surprise.

Mo Long smiled and said, "Since I said I would take you to Cecilia, I will definitely take you there."

"That's not buying a Plane..." Jiang Yu said.

"Be good, let's go." Mo Long carried the luggage with one hand and held Jiang Yu's hand with the other as they walked towards the teaching building.

Their handsome couple attracted a lot of attention along the way.

"That's Mo Long, right? He's the CEO of the Mo Corporation! He's really handsome!"

"But he already has a girlfriend. Is that girl Jiang Yu from the acting department? She looks so familiar to me."

"It's Jiang Yu, the new movie queen who has replaced Li Yue!"

"As expected, a movie queen and a CEO are a perfect match!"

As she spoke, the girl who was infatuated with Mo Long even took out her phone to record a video.

While the girls were infatuated with Mo Long, the boys' attention was on Jiang Yu.

"That's the goddess of the acting department, Jiang Yu, right?"

"It's her, it's her! So she already has a boyfriend. I was wondering if I had a chance."

"Come on, look at yourself. How could you have a chance?"

Some people mocked the whimsical boy.

However, the envy, ridicule, and jealousy of the passers-by did not affect Jiang Yu and Mo Long.

Chapter 717: Cecilia

Mo Long led Jiang Yu all the way to the top of the building. He opened the helicopter door and said, "Ms. Jiang, please."

Jiang Yu was amused by his sudden serious look. She stepped on the stairs and went up.

When everything was ready, the helicopter slowly took off.

Jiang Yu leaned against the window and tilted her head to look at the scenery outside.

The people under the helicopter became smaller and smaller until they became the size of ants and disappeared.

"It's still some time before we go to Cecilia. Let's rest for a while," Mo Long said.

It was Jiang Yu's first time riding a helicopter, so she was inevitably a little excited. She said, "I'm not tired. I don't need to rest."

Mo Long smiled and said, "Why are you like an excited kitten?"

Jiang Yu blushed at his metaphor and said, "Why did you suddenly use such a metaphor?"

Mo Long leaned close to her and said ambiguously, "Because Yu'er really does look like a kitten."

Although Jiang Yu blushed, she was not convinced that she was the one being teased every time she saw Mo Long like this.

Therefore, she did not want to be outdone and stuck close to him. She said, "Then I have to tell you that if a kitten is provoked, it will also stretch out its claws to scratch people."

When she said this, her face was still red, and her eyes were sparkling.

.....

Mo Long's Adam's apple moved, and there was a fire burning in his body.

Jiang Yu seemed to have seen through his thoughts and deliberately stuck closer to him. When she spoke, her breath was scattered on Mo Long's face.

"Great President Mo, we are on a helicopter," Jiang Yu said with a wicked smile.

Mo Long paused for a moment and then smiled helplessly. He rubbed Jiang Yu's nose lovingly and said, "You... you... I don't think you're a kitten. You're actually a little vixen."

Jiang Yu smacked her lips and said, "You're the one who bullied me first."

Mo Long smiled and said, "I didn't bully you."

Jiang Yu pretended to be unreasonable and said, "You're the one who bullied me."

Mo Long smiled as he hugged Jiang Yu and said, "Okay, okay, okay. I was wrong."

Jiang Yu snuggled into his embrace and covered her mouth as she snickered.

Perhaps Mo Long's embrace was too warm and too safe, Jiang Yu leaned into his embrace and quickly fell asleep.

After an unknown period of time, Jiang Yu was woken up by Mo Long. "Yu'er, wake up. We're here."

Jiang Yu opened her sleepy eyes and looked around. After a long while, she regained some consciousness and asked, "So soon?"

Mo Long smiled and said, "Little lazy pig, not so fast. You've slept for four hours."

Jiang Yu got off the helicopter with Mo Long's help and saw the night view of the University of Cecilia.

When they left Ivy University, it was still bright and sunny in the daytime. However, there was a time difference abroad. Only four hours had passed, and what Jiang Yu saw next was a quiet night.

Mo Long said, "I've booked a hotel. I'm going to rest for the night. We'll come here again tomorrow morning to look for Professor Karl."

Jiang Yu nodded and said, "Okay."

Mo Long took Jiang Yu to the hotel he had booked. After showing his ID card, he took Jiang Yu upstairs.

After putting her things away, Mo Long asked, "Do you want to go out and take a look?"

This was the first time Jiang Yu had seen a night scene overseas.

She said, "Sure."

She had originally thought that Mo Long would bring her out to see the Moon and stars, as well as the neon lights by the roadside, before returning to the hotel.

However, Mo Long did not slow down. Instead, he brought Jiang Yu all the way until they reached the top of a mountain.

Jiang Yu was a little tired and asked, "Where are you taking me?"

"To see the night view." Mo Long turned to look at her and asked, "Are you tired?"

Jiang Yu refused to admit defeat and replied, "I'm not tired."

However, her heavy breathing had already betrayed her.

Mo Long smiled and walked over to Jiang Yu. He half-squatted in front of her and said, "Come, I'll carry you."

Jiang Yu was worried that he would be very tired, so she decided to walk up on her own.

However, Mo Long did not give her the chance to do so.

Seeing that Jiang Yu did not make a move, Mo Long stood up and stretched out his arm. He carried Jiang Yu across his waist and said, "Let's go."

Jiang Yu's ear was leaning against Mo Long's chest, and she could hear his steady and powerful heartbeat.

This gave her a great sense of security.

Mo Long didn't put Jiang Yu down until they reached the top of the mountain.

"Look." Mo Long rested his chin on Jiang Yu's shoulder and said, "The night view here is very beautiful."

Although Jiang Yu didn't know how he found this place, it was indeed beautiful to stand here and look down at the night view.

"I've never seen such a night scene," Jiang Yu said, "So I always thought that such a night scene didn't exist."

Hearing this, Mo Long tightened his arms around Jiang Yu.

Chapter 718: Entrance Exam

Mo Long leaned close to Jiang Yu's ear and said, "I will take you to see many beautiful night scenes in the future. No matter where you are, no matter how high the mountain is, I will take you there."

Jiang Yu closed her eyes and quietly felt the gentle night breeze.

She said softly, "Okay."

They hugged each other in the night breeze for a long time. When they descended the mountain, Mo Long carried Jiang Yu down slowly.

She was already asleep in his arms.

The next day, Jiang Yu and Mo Long invited Professor Karl out. They got the keys to the new apartment and a new set of exam questions.

Jiang Yu bowed to thank professor Karl and said in fluent English, "Thank you, Professor Karl."

Karl seemed to be surprised that Jiang Yu could speak English and said, "You're welcome. I really think highly of your strength, so no matter what, I don't want to lose you as a student."

Jiang Yu smiled and said, "Don't worry, Professor Karl. I will do my best to complete the entrance exam."

“Okay.” After Karl said that, he went back to the school to deal with the matters of the students starting school.

After Karl left, Mo Long asked, “Yu’er, you speak English?”

Jiang Yu smiled at him and said, “I taught myself before.”

Mo Long was speechless and did not say anything else. He brought her to the new apartment.

.....

He did not expect his little wife to be such a talented person. Whether it was the ability to arrange music, musical instruments, or even language, she had taught herself. And she had learned it so well.

When they reached the new apartment, Jiang Yu simply put her luggage away and continued to practice with the exam questions.

Mo Long tactfully did not disturb her. Instead, he sat on the sofa and read some documents.

In fact, he was very busy with his work. Even though he had given most of the work to Teng Yi, there was still a part of the work that required his signature.

However, he did not tell Jiang Yu about this because he was afraid that she would be distracted by him.

Fortunately, Jiang Yu was now completely focused on the entrance exam and did not have much time to pay attention to Mo Long’s work. This was also in line with his wishes.

The set of exam questions that Carl gave Jiang Yu was a little difficult. It was more difficult than any set that she had done before, and the difficulty had definitely increased by more than one point.

However, even under such difficulty, Jiang Yu didn’t give up. Her accuracy rate also increased from 50% to 70%.

It seemed that if she continued to practice according to this difficulty, it wouldn’t be difficult for her accuracy rate to reach 90% on the day of the entrance exam.

But even so, Jiang Yu didn’t slack off. She kept practicing every day until the day of the examination.

Mo Long wanted to send her to the examination, but Jiang Yu said to him, “Stay at home and work hard. Although you haven’t told me, I know that you are very busy with work. You have even brought over the documents that you can not handle in a short period of time. Don’t worry, I will take good care of myself.”

Mo Long paused for a moment before saying, “Alright.”

So she already knew that he had brought his work over. It was just that she hadn’t told him about it.

Jiang Yu smiled at him, changed her shoes at the door, and took a car to the entrance of the University of Cecilia.

Carl was already standing at the entrance waiting for Jiang Yu. When he saw her get out of the car, he hurriedly walked over and said, “Don’t be nervous during the exam.”

Jiang Yu smiled and said, "Professor Carl, don't worry. I won't be nervous."

Carl nodded, but he was still very worried about Jiang Yu.

However, Jiang Yu had already gone to the exam hall. It was useless to worry about her. It was better to have some confidence in her.

Jiang Yu sat on the chair in the exam hall. She didn't feel nervous at all. Instead, she felt nostalgic for continuing the exam after so many years.

"It's really been a long time since I've had an examination." Jiang Yu could not help but sigh.

The bell rang and the invigilator handed out the examination papers. The questions were all in English, and there was some knowledge about the piano. It was really difficult to understand.

Everyone was writing at full speed, and Jiang Yu was no exception.

Jiang Yu was very confident in the written examination and was not worried that she would make any mistakes.

There were fewer questions on the written test because the University of Cecilia placed more importance on the students' practical abilities, so they focused on the listening test and the live performance test.

After months of practice, Jiang Yu was completely confident in the listening test.

She even needed to listen to it once to write all the answers. She did not need to listen to it three times like other students, and she might not be able to write all the answers.

After the listening test, the examinees would have a break in order to have enough energy to participate in the live performance test in the afternoon.

Chapter 719: Successfully Enrolled

Jiang Yu took the opportunity to go to the cafeteria to buy a meal. On the way back, she saw a group of people surrounding a person from afar.

That person's back view was somewhat familiar, but Jiang Yu was far away and did not see that person's face, so she did not know who that person was.

However, the most important thing now was the afternoon exam.

Jiang Yu found a bench in the park and quickly finished her meal. Then, she hurried back to the exam room to prepare for the last exam.

After the break, the bell rang again.

All the examinees were led to the piano room of Cecilia University by the invigilator.

"This piano room is so big!" Someone exclaimed when he saw the piano room.

After entering the room, the rows of pianos inside were even more dazzling.

The examinees in the front section sat in front of the piano according to the requirements and began their three-minute impromptu performance from the first place.

After each examinee finished playing, the professors of the University of Cecilia would then give out their scores.

Sixty points were considered as a pass and were arranged to be taken away by the Dean of Education who was in charge of the ordinary class.

Eighty points were considered good and was arranged to be taken away by the teacher-in-charge of the elite class.

Ninety points were considered excellent and was arranged to be taken away by the most prestigious professor Karl.

.....

Jiang Yu naturally hoped that she could be in Professor Karl's elite class, but there were only twenty students enrolled in the elite class. Her ranking was lower and she was somewhat worried that she would not be able to enter the elite class.

However, since the start of the exam, not a single examinee had scored 90 points.

This made Jiang Yu heave a sigh of relief.

When it was Jiang Yu's turn, she clearly saw the fervent anticipation in Professor Carl's eyes.

She was playing an original song that she had composed during the competition. Her unbridled youth was like an inexhaustible fire, burning everyone's youth.

After the song was finished, the professors showed their final score — 93 points.

Everyone was surprised because the examinees who had taken the exam had not yet shown 90 points.

Jiang Yu was the first.

.

Professor Carl was very excited, but he temporarily restrained his emotions and listened to the next few examinees' performances.

When all the candidates' performances were over and the professors' scores had been shown, three other students entered the elite class with Jiang Yu — Mike, Roger, and Bessie.

Mike and Roger were two handsome men with blonde hair and blue eyes. No matter where they appeared, they would cause other girls to scream.

Bessie was a beauty with short hair and dark skin.

Although she was wearing barbie pink lipstick, her face looked very compatible.

When she saw Jiang Yu in the elite class, she immediately put her arms around her shoulders and greeted her warmly, "Hello! My name is Bessie!"

Jiang Yu smiled politely and said, "Hello, my name is Jiang Yu."

Bessie looked at Jiang Yu, and the more she looked at her, the more she felt that she was good-looking. So, she also generously praised her, "Jiang Yu, you're really good-looking. You're more beautiful than all the girls I've met!"

Jiang Yu felt a little embarrassed when she praised herself so directly.

She said, "Bessie, you're also very beautiful!"

Bessie smiled and said, "Then we'll be friends from now on!"

Jiang Yu also smiled and nodded in agreement. "Okay!"

While they were talking, Carl came to the classroom and said to Jiang Yu, "Jiang Yu, I have something to say to you."

"Okay," Jiang Yu replied and said to Bessie, "I'll be out for a while. I'll be back soon."

Bessie let go of her hand and said, "I'll be waiting for you to come back, beautiful Jiang Yu."

Jiang Yu smiled and went out to look for Carl.

Carl was waiting for Jiang Yu on the other side of the stairs. When he saw her come out, he said, "Jiang Yu, I'm really happy that you've really become my student!"

Jiang Yu said politely, "That's right. I didn't let you and Professor Bai down."

Carl said, "Don't worry. I value you very much. I've already communicated with both schools. You can study here for a semester first. Later on, you can study on both sides. If you have a job, you can also take part in it. However, you must take all the exams and pass them. When you graduate, you can obtain the diplomas of both schools."

Jiang Yu bowed politely and said, "Thank you, Professor Carl."

Carl smiled and patted Jiang Yu's shoulder, saying, "Then you should first familiarize yourself with the environment and get to know your classmates."

Jiang Yu said, "Okay."

Carl gave some instructions to Jiang Yu before returning to his office.

Chapter 720: Meet Kang Xue Again

When Jiang Yu returned to the classroom, Bessie was still the only one sitting by the window. Mike and Roger were still not back.

Jiang Yu walked over and sat behind Bessie.

Seeing that Jiang Yu had returned, Bessie turned around and said to her, "Jiang Yu, do you know that we actually have another classmate?"

Jiang Yu asked in puzzlement, "Aren't there only four of us?"

Bessie shook her head and said, "Other than the four of us, there's another classmate. It's said she's an exchange student from another school and was the first place in the international piano competition. So they cancelled the exam for her"

When Bessie said that, Jiang Yu knew who this person was.

"Jiang Yu, do you know this person?" Bessie asked.

Jiang Yu said, "I know her. It's Kang Xue."

Bessie was a little surprised and asked, "Eh? How do you know?"

Jiang Yu explained, "She and I went to the same university. She's studying due to that international piano competition."

Bessie was enlightened and said, "So that's how it is!"

Jiang Yu was about to nod when three people walked in from the door.

They were Mike and Roger who had just disappeared, and Kang Xue, who Bessie and Jiang Yu were discussing.

.....

Kang Xue was also surprised when she saw Jiang Yu. She asked, "Why are you here?"

Jiang Yu said, "I got a high score on the exam, so I'm here."

When they spoke, they were speaking in Chinese, so the other three could not understand what they were saying at all.

Kang Xue seemed to be very skeptical about Jiang Yu getting a high score on the exam, she said, "As far as I know, the entrance exam of the University of Cecilia is very difficult. How can a layman like you who has never studied piano get high scores and enter the elite class?"

Jiang Yu looked at her and said, "If you don't believe me, go ask Professor Karl and the other professors. They gave me my score."

"You!" Kang Xue was flustered and said directly in English, "I knew it. You must have used some shady means to come to this school, right?"

The reason why she said that in English was because she felt that Jiang Yu didn't understand English at all, so she couldn't refute herself.

She felt that Jiang Yu was a country bumpkin from the countryside. Even if she had high attainments in musical instruments, she might not be able to understand the language.

Mike and Roger looked at Jiang Yu, wanting to see how she would explain.

Kang Xue, on the other hand, was very pleased with herself as she stood by the side and watched the show.

However, she did not expect Jiang Yu to refute her in fluent English. “Kang Xue, don’t forget that I was the one who took the initiative to give you the opportunity to come here and have a spot for the exchange.”

Kang Xue’s body stiffened, and the mocking smile on her face also stopped.

Mike and Roger looked at Kang Xue in surprise.

Kang Xue quickly explained, “No! Don’t listen to her nonsense! I won this spot by myself, she didn’t give it to me!”

Jiang Yu snorted and didn’t continue speaking. Instead, she said to Bessie, “Bessie, let’s go to the dormitory and have a look.”

Bessie was very willing to stay with Jiang Yu. Upon hearing her suggestion, Bessie was very happy and said, “Okay, let’s go!”

Jiang Yu and Bessie walked past Kang Xue and the other two who were standing at the door and headed towards the dormitory building.

On the way to the dormitory building, Bessie asked, “Jiang Yu, what happened when you said that you took the initiative to give up your spot?”

Although Jiang Yu had admitted that Bessie was her friend, they had only known each other for a short period of time. It was better not to tell her about certain things.

Therefore, Jiang Yu said, “It’s not a big deal. It was a long time ago.”

Bessie wanted to continue asking, but when she saw the hot dog shop in the school, her attention was quickly drawn to it.

“Jiang Yu, let me bring you to eat that. It’s especially delicious!” Bessie said, and her eyes lit up when she saw the hot dog.

“Sure,” Jiang Yu said with a smile.

After she and Bessie bought the food, they went to the dormitory building.

Their dormitory was on the third floor, and each of them had a dormitory. Jiang Yu and Bessie happened to be classmates, so they were assigned to the same dormitory.

“The dormitory of Cecilia University is really not bad!” Bessie exclaimed and said, “As expected of the second-ranked art school in the country!”

Jiang Yu couldn’t help but exclaim, “It’s really not bad.”

The two of them lay on the bed to rest. Bessie asked, “Jiang Yu, do you want to play games tonight?”

Jiang Yu said, “I’m sorry, Bessie. I have some personal matters to attend to tonight, so I won’t be staying in the dormitory tonight.”

Bessie asked curiously, “What personal matters?”
