

Older Man 721

Chapter 721: Gossip

Jiang Yu didn't think it was a big deal to say it out loud, so she said, "My boyfriend is in the apartment outside, waiting for me to go back. I'll go back and pack my things, and then I can move in."

"You have a boyfriend!" Bessie exclaimed in shock, "I'm really curious, what kind of man can capture your heart?!"

Jiang Yu smiled and said, "He's not an amazing man."

Bessie said, "How can he not be an amazing man? He's your boyfriend!"

Jiang Yu said, "I'm not that amazing either."

Bessie said, "No! Jiang Yu, you're amazing! And you're especially beautiful! So I think that your boyfriend is definitely not an ordinary person, right?"

Jiang Yu thought for a moment and said, "If you say he's ordinary, then he's not ordinary. But if you say he's not ordinary, then he's also very ordinary."

"Huh?" Bessie was confused by Jiang Yu's words.

Jiang Yu laid down for a while and then got up and said, "Alright, Bessie. It's getting late. I'll go back first. I'll be back tomorrow."

Bessie waved at her and said, "Okay! See you tomorrow, Jiang Yu!"

Jiang Yu also greeted Bessie and turned to leave the dormitory building.

Not long after she left, someone barged in.

Bessie got up and saw that it was Kang Xue.

.....

She was furious the moment she entered and shouted, "Where's Jiang Yu? where is she? Come out now!"

Bessie looked at her with a frown and said, "Kang Xue, don't you knock when you come in?"

Kang Xue looked around and didn't see Jiang Yu, so she asked Bessie, "Where's Jiang Yu?"

Bessie shrugged and said, "Jiang Yu and I aren't familiar with you, so why should I tell you?"

"You!" Kang Xue angrily pointed at Bessie and said, "How can you be in cahoots with Jiang Yu?!"

Bessie got up, pushed her hand away and said, "Kang Xue, didn't your family teach you the most basic manners? Don't you know that you can't point your finger at others?"

Kang Xue became even angrier and said, "I don't have time to waste with you here! Hurry up and tell me where Jiang Yu is!"

Bessie looked at her coldly and said, "I don't know."

“You don’t know? You’re her roommate. How could you not know?” Kang Xue shouted.

Bessie felt that this person was simply baffling, she said, “So what if I’m her roommate? Do I have to know where she is? You really are a strange person. I advise you to leave this place as soon as possible. I’m not one of your lackeys. Don’t act so arrogant in front of me.”

Kang Xue didn’t expect Bessie to dare to speak to her like that, and she was stunned on the spot.

Could it be that this person had also been brainwashed by Jiang Yu?

However, she looked around and found that Jiang Yu was indeed not in the dormitory. There was no need for her to stay here, therefore, she said, “Forget it. Since Jiang Yu is not here, I’ll go back first. But I have to tell you that Jiang Yu is not a good person. I advise you to stay away from her.”

Bessie said, “You say that she is not a good person, but I think you are not a good person either, right?”

Kang Xue paused and said, “Anyway, let me put it this way. Jiang Yu is not a good person, so you’d better stay away from her.”

Bessie sneered and said, “Then thank you for your reminder.”

Kang Xue said, “Don’t talk in a weird way.”

With that, she left.

Bessie lost the desire to rest after being made fun of by Kang Xue. She turned on her computer and started playing games.

The next morning, Jiang Yu returned to the dormitory very early. When she saw Bessie sitting in front of the computer desk and playing computer games, she asked, “Why are you up so early?”

Bessie replied, “I didn’t sleep.”

“Why didn’t you sleep?” Jiang Yu asked curiously.

Bessie sighed, she said, “It’s all because of that Kang Xue. Yesterday, after you left, she came to look for you. She couldn’t find you and even threw a tantrum at me. This person is really terrible. How did she become a student of Cecilia University?”

Jiang Yu laughed and said, “Actually, she was like this before.”

“Huh?” Bessie was shocked and said, “Jiang Yu, you didn’t get bullied by her in the past when you were in school, right?”

Jiang Yu said as she packed her luggage, “That’s not true. In fact, she was quite well-behaved in school. She wouldn’t be so unreasonable.”

“But from the way she looked, I felt that a lot of people in your previous school must have been bullied by her, right?” Bessie asked.

Jiang Yu said, “It’s alright. In fact, she had a few followers in her previous school.”

Chapter 722: Strange Look In Her Eyes

Bessie did not like Kang Xue. She thought that she was just a haughty and arrogant little princess.

Therefore, she said, "I don't like Kang Xue at all."

Jiang Yu said, "If you don't like her, we'll stay away from her in the future."

Bessie looked at Jiang Yu and said, "Jiang Yu, you're just too good-tempered. That's why you're always being bullied by Kang Xue. You must become fiercer so that others won't dare to bully you."

Jiang Yu didn't think that Kang Xue was bullying her. She just did things without using her brain occasionally and let others see her as a joke.

Because Jiang Yu didn't want to become a joke in the eyes of others, she tried her best to stay as far away from Kang Xue as possible. However, it would give people the illusion that Kang Xue had been bullying Jiang Yu.

However, Jiang Yu appreciated Bessie's kindness and said, "Actually, I'm very fierce."

Bessie spread her hands and said, "I couldn't tell. I think you're really too gentle."

Jiang Yu smiled. After packing up her things, she said, "Let's go and have breakfast. Then, we'll go to class."

"Okay." Bessie turned off her computer and followed Jiang Yu to the cafeteria to eat.

On the way there, many people looked at Jiang Yu with strange looks. Some people were discussing her in private, "Is she Jiang Yu?"

"I think so. Didn't Kang Xue show us the photos?"

"I heard that she came from a very poor family. I really don't know how she got here."

"Stop talking. She's already walking over here."

"So what? Does she understand English?"

The people who were discussing spoke loudly, and Bessie had already heard them.

She was a lively and hot person, and she regarded Jiang Yu as her best friend in the University of Cecilia. Naturally, she would not allow others to speak ill of Jiang Yu.

She took a step forward and was about to argue with the group of people when Jiang Yu stopped her.

Bessie asked in confusion, "Jiang Yu, are you going to let them talk about you like that?"

Jiang Yu shook her head and said, "If you go and argue with them now, it will delay our meal time."

Upon hearing that, Bessie had no choice but to follow the group of people to the cafeteria to have breakfast.

However, Jiang Yu deliberately didn't want to argue with them, but they didn't stop there. They even sat down next to Jiang Yu while eating with their plates crossed.

"Is there anyone here?" A girl with red hair asked.

Another girl with bright red lipstick said disdainfully, “Jess, she can’t understand you when you speak English to her. It’s better to just sit down without asking.”

Bessie looked at them from the corner of her eyes and said, “Are the two of you still planning to say bad things in front of the main character?”

The girl wearing lipstick said, “Who said bad things about her? We are speaking the truth. Speaking of which, why are you staying with Jiang Yu? You don’t be friends with Jiang Yu. Otherwise, you will definitely become unlucky! How about this? How about being friends with me? I’m Mary from the Advanced Class.”

Bessie took a bite of the sandwich and said, “It’s none of your business who I’m friends with.”

Mary rolled her eyes and said, “It’s fine if you don’t appreciate my kindness, but I’m too lazy to care about you.”

After eating a mouthful of bread covered with jam, she deliberately shook her hand and knocked over the milk beside her, spilling it all over Jiang Yu’s plate.

Jiang Yu’s hand stopped eating and looked up at Mary.

However, the culprit was still smiling and said, “Aiya, Jiang Yu, I’m really sorry. I didn’t do it on purpose. How about this, let me help you wipe it?”

As she said that, she got up and walked to Jiang Yu’s side. She took out a toilet paper and pretended to wipe Jiang Yu’s plate, but her goal was the plate in front of Jiang Yu.

Jiang Yu wanted to stop her, but it was too late.

The dinner plate had already fallen to the ground, and all the food inside had fallen to the ground along with Jiang Yu’s clothes.

“Aiya, I’m really sorry, Jiang Yu!” Mary covered her mouth and exclaimed, “Why don’t you quickly take off your clothes? I’ll take them back to wash them for you. How about that?”

As she spoke, she reached out to pull off Jiang Yu’s clothes.

Jiang Yu held her wrist and asked coldly, “What do you want to do?”

Mary was a little surprised that she could actually speak English, but this was not something new.

After all, she was also a student at the University of Cecilia. How could she not know any English?

Mary smiled and said, “Your clothes are dirty. Of course, I’m helping you wash them. What’s wrong? Are they clothes that can’t be taken off?”

Mary spoke so loudly that everyone’s eyes were on her.

Chapter 723: Embarrassed

Seeing that her goal had been achieved, Mary said smugly, “Ah, Jiang Yu, I forgot. You’re not from this country, so you must be a little reserved, right? Then come with me to the dormitory. I’ll bring you a change of clothes.”

Jiang Yu looked at her coldly and said, "Mary? You did it on purpose."

Mary paused for a moment and said with a smile, "Jiang Yu, what are you talking about? I don't have any conflict with you. Why would I do this to you on Purpose?"

Jiang Yu said mercilessly, "Do you think I didn't hear what you and that Jessie said today?"

Mary paused and said, "So what if you heard it? You have done so many terrible things yourself. Do you want to blame us for talking about you behind your back?"

Jiang Yu said, "I don't care who told you that, but if there's anything you want to say, say it in front of me. Don't try to pull one over on others. Don't tell me that everyone in this school is the same as you? Do you only dare to say things behind others' backs that aren't worth mentioning?"

"You! What nonsense are you talking about?!" Mary was angry.

Jiang Yu sneered and said, "Touch your own conscience. Am I lying? Oh right, aren't you going to wash my clothes? Fine, I'll give you my clothes."

As she said that, Jiang Yu took off her top and threw it on Mary.

She was wearing a black dress with suspenders today. She had decided to wear the top because she was afraid of being too ostentatious.

Now that the top was taken off, the suspenders underneath revealed Jiang Yu's amazing figure.

Mary had not expected that such a perfect figure would be hidden under the loose top. When she compared it to her shriveled figure, Mary suddenly felt a little awkward.

Jiang Yu saw that she did not move for a long time and asked, "What's wrong? You don't want to wash it? Don't forget, you said it yourself just now. You want to help me wash the clothes personally. There are so many people watching."

Mary's face was burning. She really wanted to find a hole to hide in.

However, such people were staring at her. She could not throw the clothes back and then say, "Go back and wash them yourself. She could only hug the clothes obediently and said through gritted teeth, "I got it."

Jiang Yu immediately smiled and said, "But I still have to remind you. Don't dye my clothes with anything strange."

Mary's face turned hotter and hotter as she said, "I, I know."

Jiang Yu smiled and did not say anything else. After drinking the glass of milk on the table, she brought Bessie back to the classroom.

Mary stood rooted to the ground, silently withstanding the astonished gazes of the others. Even Jessie, who had been badmouthing Jiang Yu with her earlier, had now hidden far away.

How embarrassing!

On the way back to the classroom, Bessie could not help but give Jiang Yu a thumbs up and said, "Jiang Yu, you were so cool just now!"

Jiang Yu smiled, she said, "If some people aren't willing to follow your steps, then let's teach them a lesson. I knew that Mary was doing it on purpose, but I never paid any attention to her. And I actually wanted to splash the milk on her, but I held back."

Bessie immediately felt sorry and said, "Why should I hold back? A glass of milk splashed on her face is the best way to vent my anger!"

Jiang Yu explained with a smile, "Actually, it was because I didn't eat much for breakfast, so I was overturned by Mary. I drank the glass of milk so that I wouldn't be hungry in class in the morning."

"Oh, so that's how it is." Bessie suddenly realized.

"Yeah."

When the two of them arrived at the classroom, Kang Xue, Mike, and Roger were already sitting in the classroom.

Kang Xue was sitting in the seat that Jiang Yu had sat in yesterday. Her goal was to snatch Jiang Yu's seat.

Mike and Roger were sitting in front of Kang Xue on the left and right. Their goal was to make it easier for them to see Kang Xue when they turned around.

However, their eyes were initially on Kang Xue. The moment Jiang Yu stepped into the classroom, their eyes were immediately attracted to her.

Kang Xue could not feel the burning gazes on her. She looked up in confusion and saw Jiang Yu wearing a black halter dress.

At this moment, Mike and Roger's eyes were on Jiang Yu.

Mike even whistled loudly at Jiang Yu, but was scolded back by Bessie.

"Don't whistle at Jiang Yu, you playboy!"

Chapter 724: Goddess of A Foreign School

?

?

Mike and Bessie were high school classmates, and their families were neighbors, so Bessie knew Mike very well.

Mike was not angry after being scolded by Bessie. Instead, he was very active in talking to Jiang Yu, "Hey, Jiang Yu! I'm Mike!"

Jiang Yu glanced at him but did not say anything.

Mike was defeated, while Roger was gloating.

He smiled and said, "Mike, your skills are not good. Don't always talk to beautiful women without knowing your own limits. Just look at mine."

He stood up and walked to Jiang Yu's side. He smiled and said, "Hi, Jiang Yu, I'm Roger."

This time, Jiang Yu didn't even look at him. Instead, she stood up and changed her seat.

Seeing this, Bessie also took the book and changed her seat.

Mike mercilessly ridiculed Roger and said, "You still have the nerve to talk to me? Didn't you not talk to a beauty? You didn't even get a glance from a beauty."

Mike kept calling Jiang Yu "beauty" left and right and this made Kang Xue very annoyed.

If the "beauty" they were talking about was not to praise her, then what was the meaning of it?!

So she closed the book and coughed heavily.

Mike and Roger realized that they had been following Kang Xue, the "Goddess from a foreign school" recognized by the students of the University of Cecilia.

Now they were staring at Jiang Yu, who had a bad reputation in the university. If others knew about it, they might say something funny.

Therefore, the two of them sat back in their original seats with a fawning smile and said, "Kang Xue, is your throat not feeling well recently?"

Kang Xue snorted and said, "You must have caught a cold from wearing a dress with suspenders these few days, right?"

Everyone could understand what she meant.

However, Jiang Yu was still focused on reading her book and did not pay attention to Kang Xue.

This time, three people in the entire classroom had suffered a setback from Jiang Yu. Naturally, they didn't feel good.

Therefore, Kang Xue coughed a few more times and pretended to be unintentional as she said, "I remember, Jiang Yu. Don't you know acupuncture? Why don't you help me take a look? My body hasn't been feeling well recently."

"Acupuncture?" The other three people were very surprised. They didn't expect Jiang Yu to know acupuncture despite her young age?

Jiang Yu flipped through the book and didn't move. She said indifferently, "If you have a cold, just take some medicine."

Kang Xue looked at Jiang Yu fiercely and said, "Jiang Yu!"

Jiang Yu finally looked up at her and asked, "What's the matter?"

"I said I'm not feeling well!" Kang Xue said.

Jiang Yu shrugged and said, "That's why I told you to take medicine."

Kang Xue was so angry that she was about to flare up when Professor Carl walked into the classroom.

He said, "Students, you are all rare talents in the elite class, so we don't have any theory lessons. Basically, it's all practical lessons. So next, we need to go to the piano room to practice our piano music."

"Got it!"

The five people replied with a "got it" and followed Carl to the piano room.

Bessie naturally chose the seat next to Jiang Yu, while Kang Xue also sat next to Jiang Yu.

Bessie was very puzzled and asked, "Why are you sitting here?"

Kang Xue said unhappily, "I'll sit wherever I want to sit. Do you have the right to control me? is your name written on this seat?"

Bessie had never seen such an unreasonable person like Kang Xue since she was young.

"You clearly don't like Jiang Yu, so why did you sit here?" She asked unwillingly

"Am I going to sit with those two men?" Asked Kang Xue

"Can't you?" Bessie said disapprovingly, "We're good friends, and we even kiss each other's cheeks when we meet."

"I'm not as open-minded as you two." Kang Xue choked and said, "If you don't care about this, you can just sit with them."

Bessie shook her head and said, "I'm not going. They're just scumbags. They've lived for so many years and have cheated countless girls."

Mike and Roger were still whispering because Kang Xue didn't want to sit with them.

Professor Karl patted the front desk and signaled for them to be quiet, he said, "Next, I'll arrange tasks for everyone. Before that, you will play a song in turn for no less than ten minutes. Let me see your specific skills."

Mike and Roger followed the "ladies first" principle and let the other three ladies start first.

Chapter 725: Shocked

??

Kang Xue was eager to show off, so she raised her hand and said, "I'll go first."

Professor Karl nodded slightly and said, "Okay, you can start first."

Kang Xue played "Moonlight," which was her best piece.

But after Professor Karl heard it, he only nodded slightly and said, "Not bad."

Although there was no other evaluation, it was a great honor to hear the words "Not bad" from Professor Karl's mouth.

Therefore, Kang Xue looked at Jiang Yu proudly as if she was announcing her victory in advance.

Bessie couldn't stand Kang Xue's expression, so she quickly raised her hand and said, "Professor Karl, please let me play next."

Professor Karl nodded and said, "Okay."

Bessie played a Symphony of Fate. Its passionate melody could easily bring people into emotions.

After the song ended, professor Carl smiled and nodded in satisfaction.

Although he didn't say anything complimentary, anyone could tell from his expression that he was more optimistic about Bessie's strength.

This made Kang Xue feel a little frustrated, but she endured it because the person she really wanted to compare with was Jiang Yu.

When it was Jiang Yu's turn to play, she chose the song "Wild Horse Parting Mane".

This tune was a little difficult and unpopular. Even a professional professor might not dare to play this tune.

However, Jiang Yu played this tune very calmly and did not care about what others thought of her.

When the tune ended, everyone was immersed in the tune and could not extricate themselves.

Only Kang Xue looked at Jiang Yu in disbelief and asked, "Why do you know this tune?"

Jiang Yu looked at her and asked, "Is it strange that to know how to play this song? Don't you know how to play it?"

Kang Xue said, "Of course I know how to play it! But, but this song is difficult!"

Jiang Yu could not understand what Kang Xue was thinking and said, "So you don't play it just because it's difficult? Wouldn't you never know where you are lacking and never be able to correct your mistakes? If that's the case, how can you improve?"

Kang Xue paused and had nothing to say.

Professor Carl nodded in satisfaction and even clapped for Jiang Yu, saying, "Jiang Yu, you are indeed the student that I think highly of!"

Jiang Yu smiled politely and said, "Thank you, Professor Carl."

Mike and Roger were the only ones left. However, with Jiang Yu at the peak, they could not help but feel a little pressured.

Fortunately, they didn't make any mistakes during the performance and finished playing a piece of music.

The five of them finished playing, professor Carl said, "Well, I have a rough estimate of your strength. "Next, I will give you the task of producing a piano musical in the next two weeks."

“Huh?” Everyone was shocked.

Bessie stretched out her hand and said, “Wait a minute, professor. Although we are students of the elite class, our ability is not enough to produce a piano musical, right?”

Mike also said, “Yes, professor. And even if you are a professional musical producer, you might not be able to produce a musical within two weeks, right?”

Professor Carl smiled and said, “This will show that you are students of the elite class.”

With that, he left.

As soon as he left, the piano room exploded.

Bessie said impatiently, “Isn’t professor Carl making things difficult for us? No matter what, we are still students!”

Mike and Roger were also as anxious as ants on a hot pot, not knowing what to do.

However, Jiang Yu and Kang Xue did not have much of a reaction.

Bessie nudged Jiang Yu and said, “Jiang Yu, aren’t you anxious?”

Jiang Yu said, “It’s useless to be anxious. It’s better to accept it calmly.”

Bessie also wanted to accept it calmly, but her personality and reality did not allow her to accept it calmly.

She said, “How can we accept it! We are not professionals. How can we arrange a piano musical in two weeks? Moreover, I have never seen a musical. I don’t know how to arrange it at all!”

Jiang Yu said, “I’ve seen a musical before. If you don’t mind, just listen to my arrangements.”

Bessie was certainly willing, but Mike and Roger turned their gazes to Kang Xue.

Seeing this, Bessie couldn’t help but say, “Do you two men want to listen to the opinions of a woman you don’t know? There’s no better way now, so you’d better listen to Jiang Yu obediently!”

Chapter 726: Script

Mike liked to go against Bessie and said, “Didn’t you want us to listen to Jiang Yu’s opinion as well?”

Bessie said, “That’s different! Jiang Yu already has an idea.”

Mike shrugged and said, “Kang Xue should have an idea too, right?”

Kang Xue pretended to be calm and said, “Of course! It’s just a piano musical. What’s so difficult about it?”

She said so on the surface, but in fact, her heart was already in a mess. She had no idea what to do.

Although she had watched a musical before, she had also bragged to others about a very famous musical. At that time, a ticket had already sold for 50,000 yuan each. Many people looked down on it, but with a wave of her hand, she casually bou

ingting jumped for a long time before Sze Lingyun rained on her parade?a little. "Ah... I can't be sure of things just yet. After all, I haven't confirmed that I'm Zhou Hua's daughter, and we haven't confirmed whether Inle and Zhou Hua have that kind of relationship yet."

"We have! Listen up..." Wu Pingting explained anxiously. "Yesterday, you heard from my grandfather that Uncle didn't get married and have children, and instead adopted that ingrate Wu Zongxu, was because he loved this girl, the girl who saved him in the valley. Even though he never said why he was so?obsessed with that girl, if that girl was your mother, you can probably guess why. Even though they only had one night, Uncle and your mother did it. After that, Uncle was rescued by Grandpa, and your mother disappeared. Your mother probably went back and realized that she was pregnant with you. And my uncle is a loyal and monogamous man, so he never remarried."

With that, Wu Pingting looked at Nangong Nuannuan excitedly and asked, "Nuannuan, don't you think my sister looks very much like a member of my family? You haven't met my Uncle, but you should have met my aunt. Both of them inherited my grandmother's looks and look very similar. Don't you think that Sis looks very similar to my aunt?"

Nangong Nuannuan nodded. "Yes, very similar! Senior Sister and her mother's auras are very similar, but they only look about half-alike. I wanted to say it when the two of you met yesterday. but I think that Senior Sister and your aunt look really similar."

"Right, right!" Wu Pingting looked at Sze Lingyun proudly, "Sis, since Nuannuan says so, you must be our Wu family's child! Let's go, let's go! Let's go home! I want to make everyone in the family take a DNA test with you."

After saying that, Wu Pingting took out her phone and made a call.

d an idea in her mind, so writing the script was not very difficult.

After writing the script, Jiang Yu brought it over to Bessie and said, "Why don't you take a look?"

Bessie gave Jiang Yu a lot of face. Even though she couldn't understand the script at all, she carefully flipped through the script.

However, after reading it, even Bessie, who couldn't understand the musical script, couldn't help but give Jiang Yu a thumbs up, "Jiang Yu, your script is really good! Although the story of the princess and the prince is very old-fashioned, what you wrote was completely different! The prince ended up with the young witch, and the princess ended up with the Dragon who turned into a handsome knight! Jiang Yu, you are really talented!"

Jiang Yu was a little embarrassed by the compliment and said, "It's not bad. This is a little story that I wrote for Fun a long time ago. Just bring it over and Polish it a little."

Bessie said, "Jiang Yu, don't be modest. Your writing is very good! If I were to write it, I definitely wouldn't be able to write such a good script!"

Jiang Yu smiled and said, "Since you also think that there's no problem with the script, then let's go look for external help."

"Okay!"

Chapter 727: Hit A Wall

Because Jiang Yu's script needed someone to perform, Jiang Yu and Bessie decided to go to the acting department first.

The acting department also had several majors, including acting and some behind-the-scenes majors.

Jiang Yu first asked the acting department's Dean of Education about the class schedule, and finally decided to go to the drama major. Because only this major had the least classes this semester, the students had a lot of free time.

The drama class was currently in session, but after this class ended, they were free.

Jiang Yu and Bessie stood at the door. When the teacher in the classroom saw the two of them, he went out to ask them what they were here for.

After Jiang Yu explained the matter, the teacher said, "So it's Professor Carl's class. It's fine. We'll help."

Jiang Yu politely thanked him, "Thank you, teacher."

The teacher smiled and said, "It's alright. Just call me teacher Sally. Professor Carl has always been the most respected professor in our school. You're also his student, so we'll definitely help you."

Jiang Yu and Bessie stood at the door, waiting for the bell to ring.

When the bell rang, Sally patted the lectern and said, "Everyone, wait a moment. Professor Carl's students have something they need our help with."

Then, she gestured to Jiang Yu, who was outside the door, and said, "Come on."

Jiang Yu and Bessie walked into the classroom together and said their purpose. "We are rehearsing a piano musical. Is anyone willing to help?"

The classroom was completely silent. After a long while, someone asked, "Are you Jiang Yu?"

.....

Jiang Yu nodded and said, "I'm Jiang Yu."

The person said, "Then we won't help you with this."

Jiang Yu was puzzled and asked, "Why?"

The person said mockingly, "Why do you still ask? Of course, it's because you have a bad reputation! After doing so many shameful things, who knows what methods you used to get into our school. Jiang Yu, a person like you should go out and become a vagrant."

His words were very harsh. Even those who didn't like Jiang Yu felt that Diss's words were a little harsh.

But he was the class captain, so many people didn't dare to disobey his words.

However, there was someone above him who could suppress him, and that was Sally, the teacher of the drama major.

Sally frowned and said, "Diss! This is professor Carl's introductory student, how can you talk like this?!"

Once Sally got angry, Diss restrained himself. His words were not as unpleasant as before, but he also clearly expressed his unwillingness to help.

He said, "You can go back. No one here likes you, so no one will help you."

Sally was about to speak, but Jiang Yu stopped her and said, "It's okay, teacher. We can't find anyone here. We can look elsewhere."

Sally could only say apologetically, "I'm really sorry, but this is the students' own will. If they really aren't willing to help you, as their teacher, I can't force them."

Jiang Yu nodded and said, "Sorry for the trouble, teacher."

With that, she left with Bessie.

After leaving, Bessie was so angry that her voice was trembling. She said, "Jiang Yu, why didn't you refute him just now?"

Jiang Yu said indifferently, "There's no benefit in refuting him. He'll only think that it's because he hit the nail on the head that I'm so anxious. So now, it's better to follow his heart and let him be complacent for a few more days. When the results are out, we'll use reality to make him feel ashamed."

Although Jiang Yu said so, Bessie still held her anger in her heart and said, "But I really can't stand his arrogant look. Just like Kang Xue, he's arrogant."

Jiang Yu comforted her with a smile and said, "It's okay. Calm down. It's easy to get wrinkles when you're angry. You're so young and pretty. If you get wrinkles, you won't be pretty anymore."

Hearing that, Bessie's anger subsided a little, but she still held her breath.

They had planned to try their luck in the mime major again, but just as they reached the stairs, they heard someone behind them shout, "Jiang Yu!"

It was a crisp girl shouting in Chinese.

Jiang Yu turned her head in surprise and surprise, only to see a girl with a bun-shaped head running over, pulling a girl with short hair that reached her shoulders.

The girl with a bun-shaped head ran up to Jiang Yu and said breathlessly, "Hello, Jiang Yu! My name is Yan Fu, and this is my best friend, Xi Yao."

The girl named Xi Yao didn't seem to like Jiang Yu. She flicked her hair and didn't look at Jiang Yu.

Chapter 728: Foreign Aid

However, despite her bad attitude, Jiang Yu still smiled and greeted them. "Hello."

Yan Fu said excitedly, "Jiang Yu, actually, I'm your fan! Although I studied drama abroad, I still care a lot about domestic movies and TV dramas! As long as I have time, I'll watch them especially your movies. Your acting skills are really too good!"

Jiang Yu politely said, "Thank you for liking it."

Xi Yao didn't mind and said, "What's so good about her acting skills? It's just her luck to be able to get the Movie Queen Award."

It seemed like this person was Li Yue's fan.

Jiang Yu didn't defend herself, instead, she said, "Indeed. After all, compared to senior Li Yue, I'm a newcomer who has just entered the industry and received the Movie Queen award coveted by so many. There is indeed a part of luck involved."

"Are you provoking me?" Xi Yao frowned and looked at her.

Jiang Yu smiled and said, "No, I'm just acknowledging what you said. I'm also admitting that I actually have many shortcomings."

"You..." Xi Yao suddenly paused and didn't know what to say.

On the contrary, Yan Fu said happily, "Look! I told you that Jiang Yu is a very good person. She's gentle and polite! You just don't believe it!"

"Stop it, I'm just a passerby," said Xi Yao. She stole a glance at Jiang Yu and said, "Who knows if gentleness and politeness are just an act?"

"Xi Yao!"

Jiang Yu could not help but laugh.

.....

For two people like this to be friends, it seemed like they had a very, very deep friendship.

However, she still did not know why Yan Fu was looking for her, so she asked, "Yan Fu, why are you looking for me?"

Only then did Yan Fu remember the reason she called out to Jiang Yu, she hurriedly said, "Just now, you said in our class that you wanted to find someone to help with the piano musical, but no one said anything, so I'm embarrassed to say it. But actually, I really want to help!"

"That's great," Jiang Yu said with a smile.

"And Xi Yao!" Yan Fu pulled Xi Yao over and said, "She's my best friend. She will definitely help me!"

"I didn't say that." Xi Yao refused.

Yan Fu immediately looked at Xi Yao with an aggrieved expression and said, "Please help."

Xi Yao couldn't stand Yan Fu looking at her with such an aggrieved expression, so she could only compromise and said, "I know, I know. I'll help."

"You're the best!" Yan Fu jumped up happily. While she was happy, he asked Jiang Yu, "Do you need anyone else? I'll see if I can help."

Jiang Yu said, "There are still two boys left."

"Leave this matter to me!" Yan Fu patted his chest and said confidently, "I'll give you an answer tonight!"

"Then thank you," Jiang Yu said with a smile.

"You're welcome." Yan Fu blushed.

Being treated so gently by her favorite idol was simply the happiest thing in the world!

After Yan Fu and Jiang Yu exchanged contact information, they went back with Xi Yao.

The entire exchange was in Chinese. Bessie stood to the side, not understanding a word. She felt as if she had been forgotten.

It was not until Yan Fu and Xi Yao left that Bessie asked, "Jiang Yu, what were you talking about just now?"

Jiang Yu briefly explained what had happened just now to Bessie.

"That's great!" Bessie was also very happy and said, "If that's the case, we'll have someone to choose our princess and witch. Now we only need the prince and the knight!"

Jiang Yu nodded and said, "We just need to wait for Yan Fu's reply tonight. Let's go back and choose a piano piece first, and then focus on practicing it."

Bessie nodded and said, "Okay."

Jiang Yu and Bessie returned to the piano room and chose a few piano pieces, then practiced until night.

When they returned to the dormitory that night, Jiang Yu finished washing up, she received a message from Yan Fu. "I've already contacted someone! We can meet tomorrow. One of them is a senior of our drama major, and the other one was recommended by my friend. He said that he has been staying here for a long time and was worried about having nothing to do."

"Then, thank you so much, Yan Fu," Jiang Yu thanked him sincerely.

"It's okay. It's what I should do. It's getting late. Remember to rest well," Yan Fu said.

Jiang Yu also replied, "You too. Rest well."

Yan Fu quickly replied with an "Goodnight" emoji.

Bessie came out of the bathroom and asked, "How is it? What did Yan Fu say?"

Jiang Yu said, "Yan Fu said she has found it."

“Great!” Bessie was very happy.

Chapter 729: It Was Movie King Xu Again

The next day, after Jiang Yu and Bessie had made all the preparations, they went to the piano room to look for Yan Fu and a few other external helpers.

However, when Jiang Yu saw Xu Ye, her eyes contracted slightly.

When Xu Ye saw Jiang Yu, he walked over enthusiastically and opened his arms to hug her. He said, “Jiang Yu, long time no see.”

Jiang Yu wanted to avoid him, but there were so many people around, so she couldn’t refute Xu Ye. She could only give him a fake hug and said, “Hello.”

Xu Ye was speechless and said, “Good friend, long time no see. Why are you so cold?”

Jiang Yu said, “I remember we met last month.”

Xu Ye said nonsense with a straight face, “You remembered wrong.”

Jiang Yu couldn’t be bothered with him. She walked to the others and said, “Hello, I’m Jiang Yu, the screenwriter of this piano musical.”

Everyone also greeted him warmly.

Jiang Yu handed out the photocopied script and said, “Does anyone have a role you want to play? If you haven’t thought of anything, we can draw lots.”

Everyone unanimously decided to draw lots.

The final result was that Yan Fu was a witch, Xi Yao was a princess, Xu Ye was a knight, and the senior was a prince.

The senior was called Ivan, and he was a senior majoring in drama in the acting department.

.....

After the roles were finalized, Jiang Yu said, “Everyone is a talent in the acting world. In that case, I don’t have to watch you practice all the time. Also, a musical is similar to a drama. It’s performed directly on the stage, so don’t be afraid of stage fright.”

Xu Ye raised his hand and said, “I’m not a drama actor.”

Jiang Yu didn’t look at him and only said, “The three of them will take care of you.”

Xu Ye was unwilling and asked, “What about you?”

Jiang Yu said patiently, “I have my own things to do, but everyone practices in the same place. If there’s anything that you don’t understand, you can communicate with each other.”

There was an isolation room made of glass in the piano room. It was quite big, so it was not a problem for more than 20 people to stand in it.

Moreover, the surrounding area was also made of glass with better soundproofing. There was no need to worry that the sound of the piano would disturb Jiang Yu and Bessie when they practiced.

Perhaps Xu Ye could see Jiang Yu's impatience, so he could only say, "Alright then."

Jiang Yu continued, "If there are no problems at the moment, let's practice first."

Hence, the four of them walked into the isolation room while Jiang Yu and Bessie practiced their piano music in the piano room.

The four of them practiced very smoothly, and so did Jiang Yu and Bessie. They did not disturb each other.

In the afternoon, Yan Fu and Xi Yao went to their professional classes, so there were only four people left to practice.

Xu Ye walked to Jiang Yu with the script and said, "Your story is very novel."

Jiang Yu sighed and said, "Thank you for the compliment, Movie King Xu."

Xu Ye smiled and said, "Why are you treating me like an outsider? You didn't even tell me that you came to Cecilia University. "f I hadn't gone to your company and failed to find you, I wouldn't have known that you had already handed over the company."

Jiang Yu didn't look at him. She was still silently memorizing the score.

She said, "This matter should have nothing to do with Movie King Xu. Regardless of whether the boss is me or not, you will still make a profit. Even if this company goes bankrupt one day, Movie King Xu will not lose money."

Xu Ye said, "That's not what I care about. It's just a few million. To me, it's actually just a small amount of money."

"If that's the case, then Movie King Xu doesn't have to chase me all the way here," said Jiang Yu.

Xu Ye smiled and said, "I didn't come here with any thoughts. I just heard that you were here, so I came here to relax."

"Relax?" Jiang Yu obviously didn't believe him. "Then why are you here wherever I am?"

Xu Ye blindly explained, "This means that we are fated."

Jiang Yu couldn't take it anymore and said, "I don't care how you and Yan Fu met, but since you are willing to help me, I will thank you. I can distinguish between business and personal matters."

Xu Ye suddenly leaned over and said ambiguously, "What personal matters are we having?"

"Please stay away from me, Movie King Xu. I already have a boyfriend." Jiang Yu distanced herself from Xu Ye.

She was a little regretful now. If she had known that Xu Ye was here, she would have taken the silver needles to the piano room. If that was the case, she would have stabbed Xu Ye's acupoints so hard that he would not be able to speak for the time being.

"But your boyfriend is not here at all." Xu Ye said indifferently, "Perhaps he would have taken the plane back to China the day you moved into the dormitory."

Chapter 730: Fight For The Piano Room

Jiang Yu didn't want to talk to Xu Ye, so she lowered her head and concentrated on practicing the piano.

However, she wanted to practice the piano in peace, but there were always uninvited guests.

Kang Xue led a group of people into the piano room and said loudly, "Let's practice here."

She brought at least a dozen people with her, and Jiang Yu even saw a familiar face among them — Mary.

The clothes she had taken last time had not been returned yet. She had to get them back from her later.

Jiang Yu stopped playing the piano and looked at Kang Xue calmly.

Kang Xue pretended to see Jiang Yu and said in surprise, "Aiya, Jiang Yu, are you also rehearsing here?"

Jiang Yu looked at her and said, "Yeah, that's really unfortunate."

Kang Xue almost choked on her own saliva when she heard that. She said, "Why? We have a lot of people, so we need this place to rehearse. You only have a few people here, so it doesn't matter if you move to another place, right?"

Jiang Yu glanced at the group of people behind her and said, "You've found so many people, and your stance is really not small."

Kang Xue said proudly, "Of course. Having a lot of people is the soul of a musical. Do you know that? Look at the people you've found. What can they do... Xu Ye?"

When Kang Xue saw Xu Ye, the expression on her face changed from disgust to shock.

She asked in disbelief, "Why are you here?"

.....

Xu Ye waved the script in his hand at her and said, "Of course I'm here to rehearse. Otherwise, why do you think I'm here?"

"You're a Movie King. Don't you have a movie to shoot? Don't you have a job to catch?" Kang Xue was very puzzled. "Why are you here?"

Xu Ye shrugged and said, "It doesn't seem to have anything to do with you, does it?"

"You!" Kang Xue was a little angry. However, her purpose of coming here this time was not to quarrel with Xu Ye, but to get Jiang Yu to give up the piano room.

Therefore, she said, "Forget it. I can't be bothered with you. Anyway, your business has nothing to do with me. Jiang Yu, you've been using this piano room for the whole morning. It's time to give it up now, right?"

Jiang Yu said, "The piano room is a public one. No one has ever used this term in the morning or in the afternoon. If you want to use the piano room to rehearse, we can split the space between each of us."

This proposal was very fair, but Kang Xue was unwilling.

She felt that since Jiang Yu had been here for the whole morning, it was her turn in the afternoon.

Therefore, Kang Xue had already made up her mind that no matter what Jiang Yu said, she would not give the piano room to Jiang Yu.

Therefore, Kang Xue said, "Your name is not written on the door of the piano room, so why should I share the piano room with you? Jiang Yu, if you are a little more sensible, you should obediently take your people out and give up the piano room. Otherwise, the people behind me are not to be trifled with."

Jiang Yu looked at her coldly and said, "Your name is not written on the door of the piano room, so why should I go out?"

Kang Xue stomped her feet in anger and said, "You have already stayed here for an entire morning! Do you plan to continue staying here?!"

Jiang Yu asked her back, "Can't I?"

Kang Xue said loudly, "What right do you have to stay here? You've already stayed here for the whole morning! If you don't leave, where are we going to practice?!"

Jiang Yu said, "This piano room is so big that even a hundred people wouldn't be a problem. I've also said that if you want to practice, then each of us will occupy half of the space. In this way, we won't disturb each other."

Kang Xue refused to give in and said, "How can we not disturb each other? You guys spoke so loudly during rehearsals. How can you not disturb us?"

Jiang Yu felt a little helpless.

Kang Xue had just walked into this room and no one was practicing at that time. How did she come to the conclusion that it was "Very noisy"?

Jiang Yu shrugged helplessly and said, "If you don't agree with my method, then I won't force you."

"I don't care. I advise you to leave quickly." Kang Xue directly sat down beside Jiang Yu and said, "If you don't leave, then we'll stay here too."

Jiang Yu looked at her with a somewhat funny expression and said, "You said yourself that you're staying here too? Then why can't we be more peaceful and share half of the space?"

"Why should I share the piano room with you?" Kang Xue rolled her eyes and said, "Hurry up and leave. Don't think that I won't dare to chase you out just because you found Xu Ye."
