

Older Man 791

Chapter 791: The Third Post

"Of course it's not me!" Jiang Ran suddenly became flustered and exasperated, "Even if you have nothing to do with the Jiang family, according to seniority, you still have to call me 'sister'! But look at you now, is this the attitude you have when talking to your sister?"

"I don't have a petty sister like you, who will be jealous when she sees others being better than you." Jiang Yu snorted coldly, she said disdainfully, "But since you want evidence, that's fine. I don't have it now, but it doesn't mean I won't have it in the future. So... we'll just wait and see."

After saying that, Jiang Yu was about to leave, but she turned to He Li and said, "You're her friend. Will you attend her wedding ceremony?"

He Li was a little confused and asked, "What wedding ceremony?"

Jiang Yu sneered and said, "So you don't know? Then it's fine." Then, she left.

When Jiang Yu and the other two disappeared completely, He Li asked Jiang Ran, "Ran Ran, what did Jiang Yu mean by the wedding ceremony? Didn't you tell me that you're breaking up with your boyfriend recently?"

Jiang Ran then remembered that in order to maintain a good relationship with He Li at school, she had always told him that she was breaking up with her boyfriend recently. When they officially broke up, she would be able to be together with him.

She had been lying to him, but Jiang Yu suddenly came out of nowhere and told him everything.

Seeing that Jiang Ran didn't answer, He Li was a little anxious.

"Ran Ran, say something! Did you acquiesce to Jiang Yu's words by not saying anything?" He grabbed Jiang Ran's arm and asked her to give him an explanation no matter what.

Jiang Ran couldn't argue with He Li, so she could only make up an excuse, then she got angry with him. "Do you believe what she said or what I said? I already said that I'm breaking up with my boyfriend recently, but he has a big family and a big business. How can I fight against him alone? If I want to break up with him completely, I need time too. Am I going to be with you before I break up with him? If others find out, what will they think of me? Can't you think about me?"

He Li saw that Jiang Ran was angry, and he couldn't bear it, he hugged her and kept coaxing her, "I'm sorry, Ran Ran, it's my fault. I won't rush you anymore. No matter when you break up with your boyfriend, I'll wait for you."

After successfully diverting He Li's attention, Jiang Ran heaved a long sigh of relief and shrank into his embrace.

He Li sent Jiang Ran back to the dormitory downstairs. He stood at the door and said a few words before the two reluctantly broke up.

Jiang Ran returned to the dormitory and turned on her computer.

The more she thought about what happened today, the angrier she became. She planned to write another post. However, when Jiang Yu found her today, the words she said made Jiang Ran feel some lingering fear.

Could this Jiang Yu have discovered something? Could it be that she had already discovered that the account was her alternate account?

After hesitating for a while, Jiang Ran decided to apply for a new alternate account for safety reasons. Then, she followed a few marketing accounts and started to edit the post.

Twenty minutes later, Jiang Ran finalized the last sentence and posted the post on the forum.

"I changed my account this time. Let's see what you can find this time," Jiang Ran said to herself proudly.

The post was quickly retweeted by hundreds of people, and thousands of people commented, "Did this Jiang Yu really say such things to her sister?"

"Isn't she just an ingrate? The Jiang family raised her for so long, and not only did she break away from the Jiang family, but now when she sees her sister on the road, she still has that attitude?"

"This kind of person really brings shame to our school. Can we ask the principal to expel her?"

"I hope that Professor Bai will find out the truth about Jiang Yu and publicly announce that Jiang Yu is no longer her last disciple."

"Professor Bai must have been deceived by Jiang Yu and bewitched. Otherwise, he wouldn't have unconditionally favored Jiang Yu."

Jiang Ran looked at the comments that were slandering Jiang Yu and felt very comfortable.

She really wanted to know the expression on Jiang Yu's face when he saw this post? Was he angry, or was he gritting his teeth?

Jiang Ran fantasized in her heart. She couldn't help but laugh out loud as she thought about it.

However, Jiang Yu's reaction when he saw the post was completely different from what Jiang Ran had imagined.

Jiang Yu only briefly browsed through the post, then repeated her previous actions and found the IP address of this new account.

It was the same place as the previous account, so this was also the alternate account that Jiang Ran had applied for.

Chapter 792: Bring Out The Certificate

It seemed that Jiang Ran was not afraid of what had happened today. She even had the energy to re-apply for an alternate account and continue posting.

Lu Qi and Dai Zhu also saw the post and ran over to ask Jiang Yu, "This post was sent by Jiang Ran?"

Jiang Yu replied, "It's her. We just went to look for her today and she posted this post in the afternoon. It's such a coincidence. Moreover, this account and the previous account have the same IP address as 'Jiang Ran's' account, so this is Jiang Ran's alternate account."

Lu Qi could not understand Jiang Ran's actions more and more. "This Jiang Ran, she really won't turn back until she hits a wall? What benefits does she get from doing this?"

Dai Zhu said, "There are no benefits at all, but she just wants to satisfy her vanity. She's just jealous that Jiang Yu is better than her. Everyone's eyes are on Jiang Yu. She's unhappy, so she wants to slander Jiang Yu."

In fact, Dai Zhu was telling the truth because Jiang Ran had always had this mentality towards Jiang Yu.

Lu Qi said unwillingly, "Xiao Yu, take out your certificates and let those people see why you came back so early! If that's the case, even if Jiang Ran still wants to fabricate rumors to frame you, there's no other way!"

Dai Zhu and Lu Qi had the same thought and said, "That's right, Jiang Yu, take out your certificates and let them see it. They will know who is the boss and who they should follow in the future."

Lu Qi saw that Jiang Yu was still hesitating, so he said, "Xiao Yu, if you continue to hesitate, I don't know what post will be posted tomorrow! Take out your certificates and let them see it before Jiang Ran completely ruins your reputation!"

Dai Zhu also advised, "That's right. Anyway, the people in the school will know sooner or later that you came back with a double certificate."

Jiang Yu thought for a while and felt that what Lu Qi and Dai Zhu said was right. Instead of continuing to see Jiang Ran jumping up and down like a clown, it was better to directly throw out the most favorable evidence and place it on Jiang Ran's face.

"Alright, we'll do as you say." Jiang Yu took out her certificate, placed it on the table, took two photos, and then posted a post on the school forum.

This post did not receive any comments for more than ten minutes, but the number of views had already reached more than 10,000.

Lu Qi was the first to comment below, "Wow! So Jiang Yu has already gotten a double certificate? This is too amazing!"

Dai Zhu followed closely behind, "Then wasn't the previous post purely a false accusation? And they even said that Jiang Yu was expelled? She opened her eyes wide and looked carefully. Jiang Yu had obtained a double certificate from the University of Cecilia! Many people had racked their brains to obtain the certificate, but Jiang Yu had obtained it. Does this mean that you still don't know what it means?"

Tian Guo also slightly put down the work in her hands and commented, "Those who have been unwilling to believe in Jiang Yu previously, please come over and take a look at this double certificate. Also, please acknowledge Jiang Yu's strength."

However, half an hour had passed, and only the three of them had commented. However, the number of views had already reached more than 20,000.

Lu Qi was puzzled. She ran to the fan group and asked, "What's wrong with that group of people? Why are they only looking at the comments?"

Dai Zhu sent over the screenshot of herself, she laughed and said, "That group of people are scolding Jiang Ran under the posts she posted before. Hahahahaha! They said that she didn't have any evidence, so they just said nonsense here. It seems like they are deliberately blackmailing Ivy University."

Seeing this, Lu Qi also quickly went to the comments under those posts. As expected, all of them were people who were scolding Jiang Ran. "OP, you dare to say such nonsense without any evidence? Is it intentional? Do you want us to scold Jiang Yu?"

"OP, open your eyes wide and take a look. Jiang Yu has a double certificate! The stamp on it is from Cecilia University! There is no way it is fake!"

"OP, you are really good at fabricating the truth. Don't let me know who you are. Otherwise, I will definitely scold you in front of you."

"I think there is some personal grudge between this OP and Jiang Yu, right? But you can't fabricate the truth to mislead us, right?"

The more Lu Qi looked at it, the more pleased she felt. She even sent a few pictures to Jiang Yu.

"Xiao Yu, look, a bunch of people are scolding Jiang Ran!" Lu Qi grinned.

Jiang Yu flipped through the few pictures and said, "She brought this upon herself. If she hadn't been so presumptuous in the beginning, she wouldn't have ended up like this today."

"But I'm so happy to see her being scolded!" Dai Zhu said excitedly.

"Let her learn a lesson this time. Don't randomly fabricate facts in the future," Lu Qi said.

Chapter 793: Another Spell

Jiang Yu felt an inexplicable sense of pleasure when she saw Jiang Ran being scolded so badly that she did not dare to talk back.

However, this was Jiang Ran's alternate account after all. No matter how bad the people were scolding her, as long as Jiang Ran did not log into this account, she would not be able to see the scolding words.

Jiang Yu stretched herself and took a screenshot of the comments before forwarding them to Jiang Ran.

If she had already seen the comments, she would have let her read them again. If she had not seen them, then she would have done a good deed by helping her read the comments again.

Jiang Ran quickly replied to Jiang Yu's question marks and asked her what she meant by showing her a screenshot of the comments.

Jiang Yu replied, "I was afraid that you didn't see the comments, so I specially sent it to you to take a look."

Jiang Ran said in an extremely perverted manner, "I already said that I didn't send them! Why are you showing me this?"

Jiang Yu said, "Do you want me to bring out all the evidence? The IP addresses of your two sub-accounts are the same as yours. The same IP address applied for three accounts. Jiang Ran, if you say that this isn't you, who will believe it?"

Jiang Ran was silent and didn't speak to Jiang Yu.

After a long while, she replied, "It wasn't me anyway. You're mistaken."

Jiang Yu knew that she was still struggling with her last words. But based on Jiang Ran's personality, since she had exposed her, no matter what she said to her, she wouldn't reply to her anymore.

Anyway, she had already achieved her goal, and someone had already taught Jiang Ran a lesson for her. Jiang Yu stretched herself and prepared to lie down on the bed to rest.

However, just as she laid on the pillow, she received a call from Mo Long.

"Hello? What's the matter?" Jiang Yu asked sweetly.

Mo Long smiled and said, "Tomorrow is grandfather's birthday. Come back for dinner."

"Tomorrow is grandfather's birthday?" Jiang Yu got up with a whoosh. "Why didn't you tell me in advance! I'm empty-handed now. I don't even know what gift to bring Grandfather tomorrow!"

Mo Long said dotingly, "There's no need to bring a gift. Grandpa was afraid that you would choose a gift for him, so he didn't allow me to tell you in advance."

"Grandpa doesn't allow you to tell me. You can tell me in secret!" Jiang Yu didn't know what gift to buy at this time. She could only go out and see if she could try her luck.

"I won't talk to you anymore. I'll go out and buy a gift for Grandpa now." Jiang Yu hung up the phone hurriedly and took a taxi to the mall.

She had originally planned to buy a tie for elder Mo, but she saw an unexpected person in the suit shop next door — Yang Fen.

Jiang Yu wanted to pretend that she didn't see her, but Yang Fen rushed out and pulled Jiang Yu back.

"Isn't this Jiang Yu? Why are you out shopping alone?" Yang Fen looked at her proudly.

"I have something urgent. I don't have time to talk nonsense with you now." Jiang Yu looked at Yang Fen coldly.

"Why are you so angry? Did you have a fight with Mo Long?" Yang Fen covered her mouth and snickered, as if what she said was true.

“Whether I had a fight with him or not has nothing to do with you.” Jiang Yu didn’t want to continue wasting time with Yang Fen. “If you have something to say, just say it. If there’s nothing else, just let me go.”

“I’m just concerned about the relationship between you and Mo Long,” said Yang Fen.

“There’s no need.” Jiang Yu’s face darkened.

If it weren’t for the fact that she was afraid of alerting the enemy, Jiang Yu would have exposed the fact that Yang Fen had used a spell on Mo Long before in front of her.

“Why don’t you need it? Of course you do.” Yang Fen approached Jiang Yu and drew circles on her chest with her index finger. Then, she blew on it gently.

Jiang Yu’s mind was in a trance for a moment, but she immediately regained her consciousness.

Yang Fen... used a bewitching spell on me?!

And she didn’t use too heavy a mystic spell. Otherwise, I wouldn’t be able to wake up so quickly.

It seemed that she used this bewitching spell on Mo Long the last time. It was just that Mo Long’s will was strong enough, so he didn’t fall for it.

However, Yang Fen probably did not know about this and thought that Mo Long had fallen for her spell. Therefore, when she saw herself shopping alone in the mall today, she thought that her spell had taken effect and caused Mo Long to quarrel with her.

However, Yang Fen’s dream would not last for long as Mo Long already had the intention to get rid of her.

Hence, Jiang Yu smiled and said, “Yang Fen, I advise you to cherish what you have now, because soon, they will disappear.”

Yang Fen could not help but laugh and said, “Jiang Yu, I should be the one giving you this sentence, right? I have the capital to say this sentence, do you?”

Chapter 794: Take Advantage of The Situation

Jiang Yu smiled and asked, “If I don’t have the right to say this, do you?”

Yang Fen flicked her hair and said confidently, “Of course.”

Jiang Yu shrugged. “Since you’re so confident, I don’t have the heart to break your fantasy. Yang Fen, do you have anything else? If there’s nothing else, I’ll be leaving first.”

Jiang Yu didn’t want to waste any more time with Yang Fen. She wanted to hurry back to Mo garden after buying a gift for Elder Mo...

However, Yang Fen held onto Jiang Yu’s arm and asked with a smile, “Jiang Yu, we’re old friends and haven’t really caught up with each other. Why are you in such a hurry to leave?”

Jiang Yu couldn't help but roll her eyes in her heart. "Yang Fen, I don't think our relationship can be considered as friends, right? Aren't you overestimating yourself?"

Yang Fen covered her mouth and snickered. "Jiang Yu, what are you talking about? We've known each other for a long time, and you're not even willing to admit that you're my friend?"

"We're not friends to begin with." Jiang Yu wanted to break free from Yang Fen's hand, but she was too strong and Jiang Yu could not break free at all.

She was a little angry and said coldly to Yang Fen, "Please let go of me."

"Why are you so disobedient? Is this the kind of personality that Mo Long likes?" Yang Fen was not angry. She leaned closer to Jiang Yu and blew lightly again.

Jiang Yu's head was a little dizzy and she almost could not stand.

She knew that Yang Fen was casting another bewitching spell on her, and it was even more powerful than the previous one.

She did not know what to do to stay awake, so Jiang Yu could only take a gamble. She used her hand that was not restrained by Yang Fen to pinch her thigh. The pain almost made her cry.

Fortunately, Jiang Yu managed to stay awake in time and didn't fall for Yang Fen's spell.

However, she had a plan in mind. She planned to pretend to fall for Yang Fen's spell so that she could see what she wanted to do next.

Therefore, she lowered her eyes and pretended to look at the ground blankly.

Yang Fen didn't suspect him and thought that her spell had worked. "Aiyo, I just blew on it lightly and you fell for it? Your physique isn't good either. It's a little weak."

She looked at Jiang Yu mockingly. "Come on, tell me how things have been with Mo Long recently. is your relationship still as good as before?"

Jiang Yu tried to guess Yang Fen's thoughts. She thought about what she should say so that she would not suspect her.

Hence, Jiang Yu said, "Not too good. He has been quarreling with me recently."

"Really?" Yang Fen was beaming but she was not surprised, as if this was within her expectations.

Jiang Yu nodded and pretended to be in pain. "Yes, I don't know why, but he has been quarreling with me recently."

"Aiyo, look at the expression on your face when you say that. It's really pitiful." Yang Fen grinned, the expression on her face was clearly gloating.

"I don't know why he has changed so much. Compared to before, he's a completely different person." Jiang Yu was still putting on an act.

“He definitely doesn’t love you anymore. Otherwise, why would he pick a fight with you for no reason?” Yang Fen said, “Then why did you come out today? Could it be to buy a gift for him? Jiang Yu, don’t tell me you still want to be friendly with him?”

Jiang Yu replied, “Today is grandfather’s birthday. I want to buy a gift for grandfather.”

“Grandfather?” Yang Fen was stunned for a moment before she realized that Jiang Yu was probably referring to Mo Long’s grandfather, Elder Mo.

So today was Elder Mo’s Birthday? Then she had to show off.

“What gift do you want to buy for elder Mo?” Yang Fen asked tentatively.

“A tie,” Jiang Yu answered truthfully, as if she had really been hit by Yang Fen’s bewitching spell.

Yang Fen had also been successfully tricked by Jiang Yu. She felt that her bewitching spell had already worked on Jiang Yu, so she was completely relieved.

“Don’t buy it, I’ll buy it. If Mo Long doesn’t like what you buy, he’ll quarrel with you again.” Yang Fen pretended to be Jiang Yu’s consideration and randomly chose a tie.

It was her first time buying something like this. She didn’t know what Elder Mo liked, so she could only buy whatever she wanted.

However, if she handed the gift over later, Elder Mo wouldn’t say anything with Mo Long and Jiang Yu as shields.

Jiang Yu naturally wouldn’t refuse to buy a gift for Elder Mo, so she said, “I’ll buy it. I’m afraid that Mo Long will be even angrier when he sees that I didn’t buy a gift.”

Yang Fen thought for a moment and thought that Mo Long would definitely be on her side anyway, so it didn’t matter whether Jiang Yu bought a gift or not.

Chapter 795: Suck Up

Hence, she waved her hand and said, “Forget it, you can buy it. Don’t blame me if Mo Long gets angry with you.”

“Got it.” Jiang Yu lowered her head and looked like she was wronged.

But in fact, she was secretly laughing in her heart.

“Have you bought it?” Yang Fen was a little anxious and kept urging Jiang Yu, “Hurry up and leave after you’ve bought it. Don’t waste time here.”

Jiang Yu then packed the tie that she had set her sights on from the start and paid the bill. She then brought Yang Fen to Mo Garden.

“How grand...” Yang Fen and Jiang Yu took a car to the entrance of Mo Garden. The moment they got off the car, they saw Mo Long’s grand entrance and immediately didn’t dare to enter.

Jiang Yu turned around and looked at Yang Fen in confusion. "Why didn't you come in? Don't worry, you're my friend and Mo Long's friend. Grandfather will definitely welcome you."

"Really? Then I won't worry." Yang Fen smiled.

However, in her heart, she thought that no matter who her friend was, she would soon become the daughter-in-law of the Mo family.

Yang Fen twisted her waist and walked into Mo garden with her head held high.

When the servants saw Yang Fen who was dressed gorgeously and then saw Jiang Yu who was following behind Yang Fen, they whispered, "Is this woman Madam's friend? Why is she dressed like this?"

"Why does madam look like she has been wronged when she is following behind her? Could it be that this woman is bullying madam?"

"If that's really the case, then master will definitely not let this woman off."

Yang Fen did not hear these words and walked in front of Jiang Yu proudly.

She stopped at the main entrance and said to Jiang Yu who was behind her, "Come here and open the door for me."

Jiang Yu obediently opened the door for her. Before she could say anything, Yang Fen rushed in and saw Mo Long and Elder Mo sitting at the dining table.

Yang Fen grinned and said with a smile, "Aiyo, Grandpa, it's your birthday today. Why didn't you let Mo Long tell me?"

Elder Mo had never seen Yang Fen before. It was the first time they had met.

He saw Yang Fen brazenly walking in and leaving his precious granddaughter-in-law behind. His face immediately turned ugly.

With a gloomy face, he said, "Who are you? Why are you here?"

Yang Fen didn't avoid suspicion at all. She walked over and sat beside Mo Long and said coquettishly, "Grandpa, you don't know me, right? My name is Yang Fen. I'm a friend of Mo Long."

She restrained herself a little and didn't say that she was Mo Long's "Girlfriend."

Elder Mo looked at her with disdain and turned to Jiang Yu with a smile. "Jiang Yu, I see that you're holding something in your hand. Is it a gift for Grandpa?"

Jiang Yu handed the gift box to Elder Mo and said, "This is a gift that I've carefully selected for Grandpa!"

Elder Mo smiled and asked, "Okay then grandfather will open it?"

"Yes." Jiang Yu nodded with a smile.

After Elder Mo opened it, he held the tie in his hand and couldn't put it down. He kept praising, "Aiya, the gift that Jiang Yu picked is really good. Grandfather really likes it!"

Seeing this, Yang Fen quickly took out the gift tie in her hand and said fawningly, "Grandfather, the gift that I bought for you is also a tie. You can open it and take a look."

Elder Mo pushed the box aside in disgust. "I have the gift that Jiang Yu bought. Forget about your gift, it's better to take it back."

Yang Fen was a little embarrassed and secretly controlled Mo Long to speak up for her.

However, Mo Long only looked at Yang Fen and Jiang Yu in surprise, with no intention of speaking up for her.

Yang Fen didn't know why Mo Long suddenly didn't listen to her orders, but now wasn't the time to dwell on this. She could only secretly control Jiang Yu to speak up for her.

However, Jiang Yu did not know what Yang Fen was thinking, so she did not speak up for her.

Yang Fen was a little anxious. She even stood up and pushed Jiang Yu. She said in an unpleasant tone, "Jiang Yu, don't you know how to speak up for me?"

Jiang Yu was caught off guard. She staggered when Yang Fen pushed her. She looked at her with a puzzled expression. "What did you say?"

"I said, Don't you know how to say a few words for me?" Yang Fen repeated what she had just said.

"But I'm not familiar with you." Jiang Yu shrugged and said indifferently.

"You!" Yang Fen became even more anxious this time. She didn't know why Jiang Yu would suddenly disobey her idea. "Are you going against me? I'm telling you, no matter what, you have to listen to me!"

She reached out her hand and was about to hit Jiang Yu in the face.

But as soon as Yang Fen raised her hand, someone grabbed her wrist.

Chapter 796: Mo Long's Taboo

"Yang Fen, don't go too far." Mo Long's gloomy voice sounded behind Yang Fen.

"What, what are you talking about?" It was summer now, but Yang Fen was still frightened by Mo Long's voice and broke out in a cold sweat. "How am I going too far? I just want to teach Jiang Yu a lesson."

At this point, Yang Fen still firmly believed that Mo Long and Jiang Yu had been hit by her own bewitching spell. She thought Mo Long would stand on her side and that Jiang Yu wouldn't feel wronged even if she received a slap from him.

"Yang Fen, do you know what you just said?" Mo Long was angered by Yang Fen's words and laughed. "Teach Yu'er a lesson? Who gave you the guts?"

Yu'er? How could Mo Long still address Jiang Yu so affectionately?

Yang Fen looked at Jiang Yu in disbelief and asked with a trembling voice, "Jiang Yu, you... You've been lying to me?"

“What did I lie to you about?” Jiang Yu pretended not to know. “I didn’t lie to you. Today is indeed grandfather’s birthday.”

“That’s not what I’m talking about!” Yang Fen was about to go crazy. “I’m talking about Mo Long and you being bewitched by my...”

Yang Fen didn’t dare to say the three words “Bewitching spell”. Because she already knew now that Mo Long and Jiang Yu weren’t bewitched by her bewitching spell at all.

If she could not help but tell him about it, with Mo Long’s character, he would definitely not let her off.

Especially since she had cast a spell on Jiang Yu, Mo Long would not let her off so easily.

Therefore, Yang Fen retracted those three words in time, but Jiang Yu did not intend to let it go.

She approached Yang Fen step by step and asked in a low voice, “What did I fall for? Your trap?”

Yang Fen clenched her teeth and refused to speak.

“Ah, yes, I remember now. It’s your bewitching spell.” Jiang Yu looked as if she had suddenly realized something.

“You!” When Yang Fen heard what Jiang Yu said, she was even more convinced that she didn’t fall for the bewitching spell from the beginning and had been lying to herself.

“You look very surprised.” Jiang Yu looked at her, “Are you going to say that I lied to you later? But I didn’t lie to you. Today is Grandpa’s birthday, and I did appear there to buy a gift for Grandpa.”

Yang Fen was so angry that she gritted her teeth, she completely forgot that she was still in Mo Long’s hands. “Jiang Yu! You’ve been lying to me all this time! At the beginning, you said that Mo Long quarreled with you for no reason, but it was all fake! Including the fact that I cast a bewitching spell on you. You also pretended to be bewitched and then lied to me to come here! Jiang Yu, you...”

Before Yang Fen could finish her words, she heard a cracking sound from her wrist, as if the bones in it had broken.

She screamed, “Ah –”

Mo Long’s face was terrifyingly gloomy. “What did you say? You cast a bewitching spell on Yu’er?”

“No, I didn’t!” Yang Fen was so frightened that she was about to cry. “I was just joking just now...”

“I’m testifying. You’re not joking,” said Jiang Yu, “She did cast a bewitching spell on me today, but I was ruthless enough to pinch my own thigh, so I managed to stay awake. Otherwise, I might really have been struck by her bewitching spell.”

Mo Long’s face darkened when he heard that, and his eyes looked as if he was going to eat Yang Fen up.

Yang Fen saw the situation and knew that it was useless even if she didn’t admit it. The two of them were very clear about this matter, and the truth was already laid out in front of them.

So, she could only kneel on the ground, she kept admitting her mistakes, “I was wrong, I was wrong! I shouldn’t have been obsessed with using bewitching spells on you! I’m sorry, I was wrong! Please spare me this time, I won’t dare to do it again in the future!”

Jiang Yu squatted down, “When you say ‘won’t do it again’, do you mean that you won’t use the bewitching technique on others in the future, or do you mean that you won’t use the bewitching technique on the two of us in the future?”

“I...” Yang Fen didn’t know how to explain for a moment, “What I mean is...”

She stammered for a long time, but she couldn’t come up with an explanation.

“Forget it, don’t explain to us. Let’s go to the police station and explain to the police.” Jiang Yu stood up and took out her phone, intending to call the police.

Yang Fen hurriedly stopped Jiang Yu and hugged her thigh, trying to beg her to let her go. “Jiang Yu, Jiang Yu! I’m sorry, I really know my mistake. I won’t do it again in the future! Don’t call the police, I beg you!”

Jiang Yu looked at her, her face was filled with regret. “Why didn’t you realize this before? Why didn’t you say so when you harmed Yuan Lai? Now that you’re in my hands, you know that you can’t escape, so that’s why you’re saying this, right?”

Chapter 797: Asking For Trouble

Yang Fen’s plan was exposed by Jiang Yu and she didn’t know what to say.

She was indeed planning to plead with Jiang Yu so that she would let her off. Then, after she escaped from this place, she would go to a place where there was no one else and continue to use the spell to harm others.

But looking at Jiang Yu’s current state, she probably didn’t plan to let her off.

But even so, Yang Fen could not admit to her own thoughts, she still pleaded with Jiang Yu with a bitter face, “Jiang Yu, I really know my mistake. Don’t call the police. How about this? As long as you don’t call the police, I’ll agree to anything you say.”

Jiang Yu looked at her. “I don’t need you to agree to anything. I only need you to not go out and continue hurting people.”

Yang Fen nodded without stopping. “I can do it, I can do it!”

However, Jiang Yu shook her head, she said, “Whether you can do it or not, it’s not just based on what you say. Yang Fen, you’ve already been arrested once before, but you still haven’t learned your lesson. After you came back, you continued to hurt people. So, I definitely won’t believe what you say. You’d better obediently explain to the police.”

“Wait!” Yang Fen shouted frantically, but Jiang Yu had already dialed the police station’s number.

Yang Fen suddenly went crazy and broke free from Mo Long's grip. Then, she pounced on Jiang Yu and knocked her to the ground.

Jiang Yu fell to the ground with a thud and her phone was sent flying.

"Yu-er!" Mo Long hurriedly got up and rushed to Jiang Yu's side, once again suppressing Yang Fen.

"Yu-er, are you alright?" Mo Long held onto Yang Fen as he anxiously asked about Jiang Yu's injuries.

"I'm fine, don't worry." Jiang Yu got up and dusted off the dust. She picked up her phone and continued to communicate with the police officer on the other side.

Since things had come to this, Yang Fen knew that she was really done for this time. Hence, she closed her eyes in despair and resigned herself to her fate as she lay on the ground.

Ten minutes later, the people from the police station drove over in a police car and took Yang Fen away.

The police captain knew about Mo Long and said apologetically, "Sorry, President Mo, we're late."

"No worries." Mo Long waved his hand. "This Yang Fen, please take good care of her after we go in."

There was a hidden meaning in Mo Long's words. The police captain was also an old fox, so he naturally knew what Mo Long meant.

Therefore, he smiled and said, "President Mo, don't worry about this. As long as it's someone you personally instructed, we will definitely 'take good care' of her. We will definitely not mistreat her."

"That's good." Mo Long turned around and returned to the house.

Jiang Yu was sitting on the sofa with elder Mo. the food on the dining table was already cold.

"Let me heat it up," Jiang Yu said as she got up and was about to go to the kitchen.

However, Elder Mo stopped her, his expression was both worried and angry. "Jiang Yu, do you know how dangerous the bewitching technique is? Why are you putting yourself in danger? Fortunately, neither you nor Mo Long were bewitched and Yang Fen was taken away by the police. Otherwise, what would you have me do?"

Jiang Yu knew that Elder Mo was worried that she would put herself in danger and was angry that she didn't take her safety seriously.

So she comforted him, "It's okay, grandpa. Look at me now. Am I not fine? Mo Long is fine too. Both of us are safe and sound by your side."

Elder Mo sighed, "It's a good thing that both of you are fine. If anything happens to the two of you, how am I supposed to live with my old bones?"

"It's alright, grandfather. Today is your birthday. We mustn't be disturbed by such things," Jiang Yu comforted him. "I'll go to the kitchen and cook a bowl of longevity noodles for you. Let's eat together, okay?"

"Okay, okay." Elder Mo patted Jiang Yu's hand. "Jiang Yu, girl, promise grandfather that you won't be so willful in the future."

"I know, grandfather. I know I'm wrong. I promise there won't be a next time," Jiang Yu said.

She went to the kitchen to wash the vegetables and make the noodles, preparing to cook a bowl of longevity noodles for Elder Mo...

Not long after, Mo Long walked into the kitchen with a helpless expression.

"Why aren't you accompanying grandfather?" Jiang Yu was busy with work and didn't have extra eyes for him.

Mo Long said helplessly, "Grandpa wants me to follow you closely. I'm afraid that you'll encounter any danger again."

"What danger will I have?" Jiang Yu couldn't help but laugh. "You're the great President Mo. there are more people coveting you than coveting me. Aren't you more dangerous than me?"

Mo Long smiled helplessly. "But I can protect myself. You'er, when I'm not by your side, no one will protect you. I'm really worried."

Jiang Yu comforted him. "Don't worry, I'm not that weak."

Chapter 798: New Drama Announcement

However, Mo Long was still worried about Jiang Yu, because in his eyes, Jiang Yu's life was more important than his.

Seeing that he was still standing at the kitchen door and couldn't help much, Jiang Yu pushed him back into the living room. "Alright, today is grandfather's birthday. You should spend more time with grandfather."

Mo Long also knew that he couldn't help, so he obediently went to chat with elder Mo...

Although Yang Fen's little farce had happened today, fortunately it was resolved. Elder Mo's birthday this year was also quite good.

As Mo Long's parents were on a temporary business trip abroad, they only bought two gifts this year and sent them back. This could be considered as doing their filial duty.

Elder Mo's birthday this year was also quite good. Although his son and daughter-in-law weren't around, at least his grandson was still around.

Moreover, he even brought back such a cute granddaughter-in-law for him. It was hard not to be happy.

Jiang Yu stayed in Mo Garden for a few days and chatted with Elder Mo for a few days before returning to school.

She had just returned to school for a few days when Sister Xia gave her a call. "Jiang Yu, I've accepted a new movie for you. Make some time for it and come over for an audition."

Jiang Yu looked at her schedule and realized that she had no classes for the past few days. She could go for an audition at any time.

“Sister Xia, I’ve been free every day for the past week.”

“Really?” Sister Xia was very happy. “In that case, come to the studio at nine o’clock tomorrow morning and I’ll take you for an audition.”

“Okay, no problem.”

Jiang Yu and Sister Xia made an appointment and began to do their own things.

First, she went to Professor Bai to submit her application for the final exam of Cecilia University. Then, she went to the school’s photo studio with Professor Bai and took the two certificates that she had obtained, she took a photo in an orderly manner.

After this photo was developed, it would be hung on the wall of the school.

After she was done with her own matters, Jiang Yu laid in her dorm bed and rested for a while, waiting to go to the audition with sister Xia the next day.

The next morning, Jiang Yu went to the studio and went to the audition place with sister Xia.

The director was a middle-aged man. He looked amiable and easy to get along with.

“Hello, director. I’m Jiang Yu.” Jiang Yu politely extended her hand, wanting to shake the director’s hand.

The director was also very approachable. He also extended his hand and shook Jiang Yu’s hand. “Don’t be too formal. Just call me Director Chen.”

“Hello, Director Chen,” Jiang Yu said.

Director Chen smiled. “Jiang Yu, I’ve heard of you. You’re the youngest movie queen in the history of the entertainment industry.”

Jiang Yu also smiled and said, “Director Chen, actually, I’m still inexperienced. It’s all because of my seniors that I’m able to do so well in the entertainment industry.”

“Aiya, haha!” Director Chen smiled and looked at Sister Xia. “Sister Xia, as expected of the artiste that you’ve brought out. She’s always low-key when dealing with the world. Her mouth is also sweet, and she knows how to talk.”

Sister Xia smiled and said, “Director Chen, Jiang Yu is young, but her EQ is high. It’s also because of this that I treat her like a daughter!”

“Haha!” Director Chen laughed, then, he said, “Jiang Yu, you and Sister Xia go to the lounge over there and sit for a while. There are still three main actors who haven’t arrived yet. I just called and asked. I heard that there was a traffic jam on the highway. They’ll probably arrive in a while. You guys take a rest first.”

“Okay.” Jiang Yu and Sister Xia went to the lounge together and took a script back.

“It’s a movie this time, and it’s about urban emotions,” Jiang Yu said as she flipped through the script.

“Yeah, it’s also a challenge for you. Urban women are mature and knowledgeable, and their personalities are different from yours. “That’s why I accepted this movie for you. It’s also a good

opportunity for you to change your character so that the audience won't say that you only know how to play one role," Sister Xia explained.

"That's good too." Jiang Yu closed the script and began to look forward to working with the other three actors.

"I wonder who are the actors that will be working with me this time?"

Sister Xia Thought for a moment. "I've heard Director Chen mention this before. It's said that you know the other three main actors."

"I know them?" Jiang Yu searched her mind a few times and realized that she knew too many people. She couldn't guess who those three people were at all.

"Don't worry about them for now. We'll know who they are when they arrive," Sister Xia comforted her.

However, after the three main leads arrived, Jiang Yu wondered if she had seen wrongly.

Chapter 799: Movie King and Movie Queen

The three leading actors who were acting with Jiang Yu were Yuan Lai, Xu Ye, and Li Yue.

"This... What's going on?" Not to mention Jiang Yu, even Sister Xia was a little dumbfounded.

Director Chen did not know about their relationship. It was just that he wanted more people to pay attention to his new movie, so he adopted the "Movie King and Movie Queen" model.

As for Li Yue, Director Chen knew that she had been the movie queen for two consecutive years. But now, the movie queen was Jiang Yu after all, so he did not plan to ask Li Yue to be the female lead in the beginning.

He just wanted to give it a try and submitted an application to Li Yue's studio mailbox.

He did not expect Li Yue to really accept the role, and it was the second female lead. This really made Director Chen feel flattered.

Now that the four main leads were gathered together, Director Chen's heart was also relieved.

"You should all know each other right? Then I don't need to introduce them one by one." Director Chen handed the script to them. "Take a look at the script, and then you four good friends can catch up with each other or something."

As he said that, Director Chen went to the other staff members to check the equipment.

"The script this time is pretty good." Xu Ye flipped through a few pages. "After all, the female lead is Jiang Yu. The combination of movie king and movie queen is indeed eye-catching. Isn't that right, Jiang Yu?"

He walked closer to Jiang Yu and bent down slightly.

Jiang Yu took a few steps towards Yuan Lai without batting an eyelid. "Movie King Xu, I feel very honored to be able to work with you this time."

"Since you feel honored as well, that's great." Seeing Jiang Yu's resistance, Xu Ye also retreated to his seat without a trace.

Li Yue also smiled and said, "Jiang Yu, although you are my junior, you are the youngest Movie Queen. I'm really a little nervous to be acting with you in this movie."

"How can that be?" How could Jiang Yu not hear the sarcasm in Li Yue's words? "You are my senior. In terms of acting, I still need to rely on you to guide me."

The three of them were hiding behind the scenes. The flames of war were about to ignite, but Yuan Lai was still acting like a silly kid, as he flipped through the script, he said helplessly, "I should be the most nervous person here, right? One of you is the movie king, one is the movie queen, and the other was the movie queen. The three of you are all at the heavenly king level. Only I'm a transparent minor figure in the entertainment industry. I didn't even say I was nervous. Why are the three of you so nervous?"

Yuan Lai's words immediately eased the tense atmosphere.

"Don't be so reserved. Movie King Xu is a very easy person to get along with." Tang Yi walked out from behind Xu Ye and patted Yuan Lai's shoulder with a smile.

"We, Li Yue, are also easy to get along with." Sister He also stood up for Li Yue, trying to help her leave a good impression on the set.

As for Jiang Yu, there was naturally no need to say more.

Yuan Lai had previously recorded a variety show with Jiang Yu. He had always regarded Jiang Yu as his big sister and knew her personality. Therefore, Yuan Lai would not be reserved in front of Jiang Yu.

However, when Jiang Yu looked at Yuan Lai, she thought of Yang Fen and warmth.

Previously, when Yuan Lai's spell was dispelled, he said that he did not know Yang Fen at all and that he must have lost his memory. However, Wen Nuan had previously asked her to inquire about Yuan Lai's preferences.

Jiang Yu knew exactly what she was thinking.

Taking advantage of this opportunity, Jiang Yu planned to observe Yuan Lai and give Wen Nuan an explanation.

"The game will officially start tomorrow. Let's go out for dinner tonight, shall we?" Yuan Lai was young and liked to be lively. He wanted to go out for dinner with a group of people.

Jiang Yu naturally had no reason to refuse. She also wanted to take this opportunity to observe Yuan Lai, so she agreed.

Xu Ye saw that Jiang Yu had already agreed, so he naturally wouldn't refuse, so he also agreed.

As for Li Yue, three of the four main actors wanted to go out for dinner. If she didn't go, it would seem that she wasn't fitting in.

Hence, she smiled and said, "Then I'll go too."

Sister He secretly tugged at Li Yue's sleeve and said in a low voice, "Li Yue, you still have an appointment to catch tonight. Don't be willful. Go and catch the appointment obediently. You can eat at any time."

Li Yue gently pushed Sister He's hand away and said with a faint smile, "Sister He, reject that appointment. Tell the advertisers to find another one. I'll stay here to eat today."

"Li Yue!" Sister He shouted anxiously, "Why are you so willful!"

Her voice was a little loud and the other three people heard it too.

However, Jiang Yu and Xu Ye did not ask. Yuan Lai asked out of curiosity and concern, "What's wrong?"

Chapter 800: Fighting In The Back

Sister He smiled awkwardly. "It's nothing. Li Yue doesn't have time to attend tonight's dinner, so it's really..."

Before she could say the words "I'm sorry" .., Li Yue interrupted Sister He with a smile. "She's joking with you. How can I not have time? I have plenty of time, so tell me when and where you've arranged."

As she said that, Li Yue took the script and returned to her lounge.

Sister He followed her all the way until they entered the lounge, she then said, "Li Yue! What's wrong with you?! I've already said that you have an appointment to catch tonight, why are you still so willful? Do you know how important the advertisers are this time? Can you push them away just like that?"

Li Yue shrugged and said indifferently, "So what? Can't we reject these sort of appointments like that?"

"Li Yue!" Sister He was angry and helpless at the same time, "Li Yue, can you not be so willful? Listen to me. Don't go to the dinner tonight. Go and attend the appointment obediently. This time, the advertiser has high hopes for you. They even plan to invest in a show tailored for you in the future. If you don't go, wouldn't you offend them? Do you think they will still invest in you?"

"So what? Is he the only advertiser in the world?" Li Yue didn't care about what Sister He said at all, "Last time, Jiang Yu was just lucky. This year's movie queen is still me. When the time comes, do you think that advertiser will still invest in me?"

"Li Yue." Sister He was very helpless now.

But Li Yue couldn't listen to anything now. She insisted on going to the dinner party tonight.

Sister He couldn't persuade her, so she could only let her go. She called the advertiser herself and got scolded for nothing.

In the evening, the few main actors went to the hot pot restaurant together.

The managers followed behind and opened another table.

"I'll pay for tonight's expenses!" Yuan Lai shouted.

“Master Yuan is really rich,” Jiang Yu joked with a smile.

“Of course,” Yuan Lai said proudly, “And today is a good day for everyone to get together. How can I not pay this little bit of money?”

“Since Master Yuan is so kind-hearted, we can’t refuse,” Jiang Yu said with a smile. She took the menu on the table and began to order dishes.

Yuan Lai was more familiar with Jiang Yu, so he naturally could joke around.

However, Xu Ye and Li Yue were still part of the main cast, so Yuan Lai would definitely take care of their feelings. Hence, he pushed the extra menu over and said generously, “You guys order too. Don’t feel sorry for me.”

“We are all good brothers. I won’t save for you!” Xu Ye laughed and took the menu and began to order.

“Jiang Yu, you and Yuan Lai are very close. You should be very good friends, right?” Li Yue smiled. Although she was holding the menu in her hand, she didn’t order any dishes.

“I am indeed very close,” Jiang Yu said as she ordered the dishes.

“Did you know each other when we were filming the variety show?” Li Yue smiled and always asked some irrelevant questions.

“Yes.” But Jiang Yu also answered her questions.

“Does Mo Long know?” Li Yue pretended to ask unintentionally.

Jiang Yu paused and looked up at Li Yue. “Isn’t this a little too private?”

Li Yue smiled. “Jiang Yu, don’t misunderstand me. I don’t mean anything by it. I’m just curious if Mo Long knows any of your friends.”

“This is between him and me. It doesn’t seem to have anything to do with you.” Jiang Yu looked at Li Yue in surprise, “If you really have the time, why don’t you study the script properly? After all, the second female lead is a ‘silly and sweet’ character. It doesn’t match your temperament.”

Li Yue choked on Jiang Yu’s words and almost choked on her own saliva.

But she quickly returned to normal and coughed a few times before saying, “Speaking of which, the female lead’s temperament doesn’t match yours either?”

“That’s why I’ve been researching how to act out a mature and knowledgeable style recently,” Jiang Yu said without hesitation.

“Then you’ve really put in a lot of effort,” Li Yue said.

The atmosphere between the two of them was a little strange. Yuan Lai didn’t understand and quietly leaned against Xu Ye’s side.

“Alright, I’m done ordering.” Jiang Yu handed the menu to Yuan Lai.

“I’m done ordering too.” Li Yue drew a few circles on it and handed the menu to Yuan Lai.

Yuan Lai held the two menus and was at a loss.

He didn't know why, but he felt that the two menus in his hands were a little hot.

At this moment, Xu Ye handed the menu to Yuan Lai. He quickly took the menu and ran to the waiter.
