

## Older Man 81

### Chapter 81: Don't Pester Xiaoyu

Soon, some changes appeared on the internet.

First, Hu Chen restrained his fans and told them not to attack Jiang Yu.

He said that Jiang Yu was a very kind person.

Hu Chen's fans stopped attacking as expected.

But they were still surprised why their idol would defend such a person.

When many charities voiced out at the same time, saying that they heard that the person who had donated money to them was misunderstood by netizens.

Therefore, they posted the amount of money that Jiang Yu had donated.

When the netizens saw this, they looked down on it.

"It's only a tens of thousands of yuan, yet she insist on claiming to be a philanthropist. This is too exaggerated."

"That's not right. There's still Jiang Yu's donation of one million yuan for earthquake relief, one million yuan for UNICEF, and 50,000 Yuan for a poverty-stricken organization."

"There are other organizations that has donated to..."

"Oh my God, all of these add up to more than ten million! Isn't Jiang Yu from a small place? I heard that she doesn't have much money, but she actually donated so much."

"That's terrifying. A lot of it was earned from her part-time work when she was still in the orphanage!"

"Shocking. Some people have calculated that Jiang Yu's donation amount reached 150 million."

"150 million? That's more than the amount donated by some companies."

"She's probably an subtle rich woman!"

"To be able to do this on her own, that's already pretty good! Whoever dares to defame her, I'll be angry with them."

...

Hu Chen looked at the latest news and was stunned.

He looked at Jiang Yu. "Who was the person who called you just now? Why is he so fast?"

Jiang Yu smiled and said, "Take a guess."

Her smile was so ambiguous that Hu Chen almost jumped up. "It can't be. You have a boyfriend?"

“Who is it? What’s his name? What’s his character? Is He from a clean family?” Hu Chen asked a series of questions.

Jiang Yu waved her hand and said, “Stop, stop, stop.”

Hu Chen said with a serious look, “Little Yu, you don’t know how dangerous society is. Many men can’t be trusted. You have to keep your eyes open. At the very least, you have to find someone reliable.”

Jiang Yu was about to say something when her phone rang again.

When she realized that it was Mo Long, Jiang Yu quickly picked up the call. Jiang Yu paused for a moment before replying. Then, she hung up the call and looked at Hu Chen. “My boyfriend is coming over.”

Hu Chen said, “That’s great. I’ll check on him for you.”

After a while.

When the door was pushed open, Hu Chen immediately looked at the door warily.

In the end, he saw a man in a wheelchair.

Hu Chen: “...”

Hu Chen immediately looked at Jiang Yu in disbelief. “Your boyfriend is him?”

Although he was quite good-looking... with Jiang Yu’s condition, she could definitely find a healthy one.

There was no need to find someone with a physical disability.

Hu Chen’s expression immediately darkened.

Mo Long also understood the hidden meaning behind Hu Chen’s words.

“Yu’er.” Mo Long went forward and sat down with Jiang Yu. “This is?”

“Hu Chen, my older brother from the orphanage.” Jiang Yu introduced him and said to Hu Chen, “This is Mr. Mo Long.”

Hu Chen could no longer maintain his calm and jumped up. “What? Mo Long?”

Hu Chen looked at Mo Long and warned, “I advise you to stop pestering Xiao Yu. Everyone knows that you and best actress Li are a couple!”

In the entertainment industry, everyone knew that the Li family and the Mo family almost got married.

The actress had once said on Weibo that she would come back and marry her beloved one after winning three best actress awards.

It was self-evident who this was written for.

Mo Long’s relationship with the best actress was so ambiguous.

He actually dared to be Jiang Yu’s boyfriend.

Mo Long's hand on the wheelchair paused. "You've misunderstood. I don't have that kind of relationship with actress Li."

Hu Chen narrowed his eyes. "No matter what kind of relationship it is, the netizens are certain that you are the man behind actress Li. Xiao Yu is going to enter the entertainment industry in the future.. Are you going to let her be accused of stealing someone else's boyfriend?"

## **Chapter 82: Clearing The Rumors**

Xiao Yu hurriedly said, "Brother Chen!"

This time, Hu Chen did not listen to her. "Xiao Yu, you are not suitable for him. Not to mention his status and power, even with his relationship with movie queen Li, you would not be able to have any results with him."

"If they really did not have any relationship, why would they allow those rumors to spread on the internet for so long? They have long been deeply rooted in the hearts of the people."

Hu Chen's words made Mo Long frown. "I know. I handled this matter inappropriately."

Previously, Mo Long did not care about these things. No matter how it was spread on the internet, it would not affect him in any way.

But now, he had Jiang Yu.

Mo Long was a person with strong actions. He immediately said, "I will clarify this matter immediately."

After saying that, before Jiang Yu and Hu Chen could react.

Mo Long had already posted a new announcement on his company's official Weibo.

He said that he was not in a relationship with movie queen Li and hoped that the netizens would not spread rumors. Otherwise, it would bring misunderstanding to his real girlfriend.

Hu Chen was dumbfounded.

He was really surprised that Mo Long would be so swift and decisive in handling this matter.

Mo Long put down his phone and looked at Hu Chen. "Now, the matter between me and movie queen Li has been clarified. If there's anything else that you're dissatisfied with, say it!"

Hu Chen: "Even so, you're not worthy of her."

Mo Long pulled Jiang Yu's hand. "I know that she's a priceless treasure, but I'll try my best to give her the best."

Hu Chen: "..."

Jiang Yu: "Alright, alright. Brother Chen, don't worry. He treats me very well."

The two men stared at each other with their auras fully unleashed.

In the end, it was Hu Chen who restrained his aura and said helplessly, "On account that Jiang Yu has put in a good word for you, I trust you. But if you don't take good care of her in the future, I will not be polite to you!"

Mo Long nodded. "Don't worry."

Hu Chen didn't expect that Jiang Yu would be taken away by Mo Long just like that. He was instantly very depressed.

At the dining table.

Mo Long was very considerate and put food in Jiang Yu's bowl.

He even knew Jiang Yu's preferences.

Hu Chen was like a third wheel.

After finishing his meal in a hurry, Hu Chen took a look at Mo Long before leaving.

He knew that Mo Long was the person in charge of the Mo family, but Hu Chen wasn't satisfied with his age and health.

Fortunately, Jiang Yu had told him that Mo Long's leg could be cured. As long as he was properly treated for a few years, he could still act like a normal person.

That way, Hu Chen could not find any faults.

"Are you really just friends with movie queen Li?" Hu Chen could not help but ask.

Mo Long nodded. "Of course. You don't believe me?"

Hu Chen said, "Whether I believe it or not is not important. I don't know if the netizens will believe me."

After Hu Chen said that, he got into the car and left.

Jiang Yu also got into the car with Mo Long.

"Tonight, I'll help you with a leg treatment. I've read some medical books recently and have a new idea."

"Okay."

On the Internet.

The fans of movie queen Li Yue were all in an uproar.

"Everyone, quickly go and take a look. Mo Long has released the latest news saying that he's not in a relationship with our best actress. What's going on?"

"The boyfriend behind movie queen Li, could it be that there's someone else?"

"Strange, didn't the goddess say that she would come back to get married after getting three awards? Isn't this the Mo family's Mo Long? Didn't she say that the marriage between the two of them was put on hold due to an accident?"

"But Mo Long already said that he already has a girlfriend, this..."

Li Yue's fans were all very obsessed.

They had clearly confirmed that Mo Long was also the man behind Li Yue, but in the end, he suddenly said that he wasn't in a relationship at all with Li Yue and that he even had a girlfriend.

Then, who was the person that movie queen Li mentioned that she would get married to in the future?

In the school's apartment.

Li Lu was applying a facial mask.

She suddenly received a call from Li Yue.

Li Yue had always been very busy and would never take the initiative to call herself..

### **Chapter 83: Li Yue Is Worried**

Li Lu was flattered and felt that something important must have happened. She hurriedly answered it and asked, "Sister?"

Li Yue replied, "Is that Jiang Yu really from an ordinary background? Why did Mo Long announce that he has a girlfriend?"

This round of face slaps made Li Yue flustered.

When others told her this news, she thought that she had heard wrongly.

All along, the only woman Mo Long had by his side was her.

Mo Long also tacitly agreed to the rumors between the two of them.

All along, it was the Mo family who urged them to get married, while Li Yue insisted on refusing to get engaged due to her career.

Although Li Yue and Mo Long only met a few times a year, Mo Long treated her the most special. Every time she called Mo Long to have a meal with him, Mo Long would be present.

Although the two of them did not reveal their relationship, Li Yue had already tacitly admitted that she was Mo Long's girlfriend.

That was why she had been contacting various doctors to help Mo Long with his treatment.

The biggest obstacle between them was their illness. It had never been any other woman.

She had been waiting, waiting for the day when Mo Long's leg would recover.

It would be when she married into the Mo family.

But now...

"What? Brother-in-law actually announced that he has a girlfriend? Sister, I knew it. That Jiang Yu is a vixen and very capable. Brother-in-law won't get serious, right?"

Li Lu was also flustered. "Sister, moreover, Jiang Yu hasn't returned to the dormitory at this time. Could it be that she's still on a date and they are in that kind of relationship?"

Previously, they all thought that Jiang Yu was just a tool Mo Long used to force Li Yue to get engaged earlier.

But now, Mo Long's reaction was too strange.

"Sister, quickly call brother-in-law and ask him what's going on. Otherwise, hurry back and get engaged with him. It's not good to drag it out for so long."

But Li Yue said, "No, I still have to film and can't go back. Moreover, Mo Long and I haven't expressed our attitude that we want to be together. How am I going to confront him? If he forces the marriage, then what am I going to do?"

"Sister, our two families will have to get married sooner or later. Our company relations are so close. Isn't it obvious that Mo Long is my brother-in-law? What's there to question?" Li Lu said helplessly.

Li Yue said, "I don't believe that Mo Long will have other women. Help me keep an eye on him. Wait for me to finish filming and come back."

After saying that, Li Yue hung up the phone.

In the end, her career was still the most important.

...

In the apartment.

Jiang Yu let Mo Long lay on the sofa before she turned around and took out a silver needle from her bag.

The silver needle gave off a sharp glow.

But Mo Long didn't even blink.

This was the first time Jiang Yu had applied acupuncture on him.

"I've recently gained new insights. This treatment is very effective in restoring the body's functions."

After saying that, Jiang Yu applied acupuncture on Mo Long's leg.

Very soon, Mo Long's injured leg was covered with densely packed silver needles.

"I'll keep it for 30 minutes before I pull it out," said Jiang Yu. She looked carefully at Mo Long's reaction, but could not see anything.

Suddenly, Mo Long said, "You have been treating me recently. I realized that I could only stand for an hour, but now I can stand for an hour and a half. This means that your treatment is very useful."

Before he met Jiang Yu, he had not had any breakthroughs in his foot.

However, just now, after being injected by Jiang Yu, he felt that the touch of his foot had become more sensitive. It didn't feel senseless.

However, Jiang Yu frowned when she heard that. "Did you have a relapse earlier?"

Mo Long said, "There were some important occasions where I could not go in a wheelchair. I walked for a period of time."

Jiang Yu said, "Didn't I tell you not to get out of the wheelchair? Every time you get sick, you suffer a lot."

Mo Long said, "I also wanted to see how much I've recovered. The best way is to test how long I can stand before I get sick.."

#### **Chapter 84: Manager**

"No, don't do this in the future." Jiang Yu's heart ached. "If you want to test next time, you can do it again in a month."

"I feel that my injury has gotten much better today," Mo Long said. "Maybe you can really cure me."

"That's good. When you recover, you can lose this wheelchair."

After 30 minutes, Jiang Yu put away the silver needles.

Mo Long sat on the sofa and looked at her carefully tidying up the silver needles. He could not help but pull her over.

"Yu'er." The two of them pressed their foreheads together.

Mo Long said, "Did you know? Today, when I found out that you were having dinner with another man, I was very anxious. I put everything aside and rushed over. Fortunately, that person did not snatch you from me. Otherwise, I would have used all means to ban him, no matter who he is."

Mo Long said, "Yu'er, you are my lucky star. I want..."

Immediately after, Jiang Yu's lips landed on a kiss.

This time, Mo Long's kiss was different from his usual restraint. It was a kiss that was like a storm.

It made her feel a little overwhelmed.

Jiang Yu was being kissed until she was in a daze when Mo Long flipped over and pressed her against the sofa. His burning body pressed against hers.

The man's eyes were burning as he said in a low and hoarse voice, "Yu'er... let me stay over tonight? Hmm?"

After saying that, he gently planted another kiss on her lips.

Jiang Yu hurriedly said, "Mr. Mo, your residence is across the street."

Mo Long looked at her helplessly. "I want to see you every morning when I wake up."

Jiang Yu asked, "Then, should I bring you breakfast in the morning?"

Mo Long: "...". His hand was pressed firmly on her lower back, and his hand was burning hot.

Just this kiss alone was not enough to satisfy him.

He was a normal man.

But she was still too young.

“Is it because I didn’t give you a good feeling? The first time?” Mo Long looked at her gloomily.

Jiang Yu stiffened. She still remembered that time when she had scolded Mo Long for eight generations.

It was indeed a terrible experience.

Seeing how Jiang Yu seemed to reject him, Mo Long had no choice but to withdraw his hand.

“Don’t worry. I won’t force you without your permission.”

After saying that, Mo Long said, “Send me back.”

Jiang Yu pushed Mo Long out.

There were two households on this floor. One was Jiang Yu’s residence.

The other was Mo Long’s residence.

After sending Mo Long back, Jiang Yu returned to her own room. Her mind was filled with Mo Long’s seductive look. He kissed her and seduced her, but at the last step, her rationality still overcame her.

Thinking of the scene when she first met Mo Long, Jiang Yu subconsciously resisted that kind of thing.

Sighing, Jiang Yu washed up and returned to her bed.

On wechat, she received a business card recommended by Hu Chen.

“Xiao Yu, this is our company’s manager. Do you want to sign a contract with my company?”

Jiang Yu quickly agreed and added this manager.

Hu Chen said, “Xiao Yu, I’ll get my manager to take good care of you. I’ll be joining the team tomorrow afternoon.”

That manager was Hu Chen’s own manager.

It was Dazzling Entertainment’s ace manager, Sister Xia.

After sister Xia accepted the friend request, she said, “You must be Hu Chen’s friend. Come to the company tomorrow weekend to sign the contract. Hu Chen has recommended quite a few good resources to you.”

Jiang Yu quickly replied, “Sister Xia, will I have the resources immediately?”

“You’re still a student now, so your abilities aren’t that great. However, there are some that aren’t too difficult, such as the reality TV shows and some small roles. It won’t affect your classes.”

Jiang Yu said, “I’ll have to trouble sister Xia.”

Jiang Yu was still a little flustered. She didn't expect that she would be signing with a company so soon. She informed Mo Long about this matter.

Mo Long replied, "Dazzling Entertainment is still alright. It can be considered a management company with quite a good reputation in the industry. It treats its actors quite well. Previously, this company even invited me to take a stake in it. I even did some research. If you sign with this company, I can follow you and invest."

Jiang Yu was dumbfounded.

She did not expect this big shot make a big investment just like that.

Jiang Yu hurriedly said, "Hello, boss. Then, won't I be a little actor under you? Boss, please take care of me. Whatever you want to eat tomorrow morning, I'll make it for you."

Mo Long: "You know what I want to eat..."

Jiang Yu: "..."

### **Chapter 85: Signing Contract With Management Company**

Jiang Yu pretended that she didn't understand what Mo Long meant and said, "If you don't have any dietary restrictions, then I'll just make whatever I want."

"I'll eat whatever you make," Mo Long replied.

Jiang Yu smiled.

Early the next morning, Mo Long had just come out of the bathroom to wash up when he saw someone knocking on the door.

He walked over while drying his hair.

When he opened the door, he saw Jiang Yu staring at him with widened eyes.

At that moment, Mo Long was only wearing a pair of pants and a towel was draped over his hair.

His entire body was exuding a refreshing scent after washing up.

It was the image of male hormones that filled her eyes.

Jiang Yu felt her blood rush up, but Mo Long deliberately took a few steps closer and forced her to lean against the door.

"If you keep looking at me like that, I can't guarantee what I'll do."

However, in the next second, Jiang Yu's expression changed. "Who told you to get out of the wheelchair!"

When Jiang Yu saw that Mo Long was actually standing, she immediately pulled him angrily and pressed him onto the chair.

She didn't dare let him walk around too much, in case he got sick again.

Mo Long said helplessly, "It's inconvenient to do some things while sitting in a wheelchair."

Jiang Yu took out a coat from the wardrobe and handed it to him. "If there's anything inconvenient, you can call me."

Mo Long's eyes deepened and he smiled. "Then it's been hard on you."

Jiang Yu acted like a housekeeper. "Put on your clothes."

Mo Long put on his clothes somewhat regretfully. Jiang Yu had clearly liked to look at him just now.

Jiang Yu pushed Mo Long into the dining room.

After the meal, Jiang Yu looked at the time and said, "I'm going to Dazzling Entertainment."

Today was the day she officially signed the contract.

Mo Long said, "I'll send you there."

In the parking lot, Teng Yi was already waiting. "President Mo, are you going to the company or?"

"To Dazzling Entertainment."

Teng Yi understood and said, "Are we going to discuss the investment ahead of time? Are we going to adjust the schedule?"

Mo Long glanced at Jiang Yu and smiled. "This thing is rather important. We are going to meet the president of Dazzling Entertainment this afternoon."

Teng Yi only found out later that it was because Jiang Yu was going to sign a contract with Dazzling Entertainment that Mo Long chose to invest without a second thought.

After all, Mo Long had previously said that he did not intend to do business in the entertainment industry.

When they arrived at Dazzling Entertainment, Jiang Yu got out of the car and quickly called sister Xia.

Then, she stood at the entrance of the building and waited.

Dazzling Entertainment was located near the center of Hu city and was considered one of the top entertainment companies in Hu city.

Outside the door, there were a few posters of big stars.

The biggest one was Hu Chen.

It occupied 80% of the screen.

On it was a set photo of Hu Chen's most popular movie.

The other celebrities were only miniaturized photos and placed in a small corner.

Jiang Yu sighed. She did not know when she would be placed in the corner of Hu Chen.

As for being on the same level as Hu Chen, Jiang Yu did not even dare to think about it.

This was because it required several years of hard work to achieve.

To be able to be in a corner was already a huge achievement.

At that moment, Jiang Yu heard someone beside her say, "How is it? This is the most perfect artist I've brought out."

Sister Xia was hugging her shoulders. She had unknowingly stood beside Jiang Yu and was also looking up at the poster.

Jiang Yu hurriedly said, "Hello, Sister Xia."

Sister Xia looked Jiang Yu up and down and asked, "You're Jiang Yu?"

She rubbed her chin and said, "You're not bad looking. Your face shape is good, and your figure is not bad. Come with me."

Jiang Yu followed sister Xia into the glittering entertainment building. Along the way, many people bowed to sister Xia and said, "Hello, Sister Xia."

After entering the office and closing the door, sister Xia said to Jiang Yu, "Have a seat."

She handed a contract to Jiang Yu and said, "You're really lucky. This is the contract that Hu Chen won for you. Sign it."

When Jiang Yu saw it, she was a little surprised. Getting a share of profits mentioned above was definitely the best benefit for a newcomer.

Jiang Yu immediately signed the contract without saying a word.

"Tell me, what do you know?" Her manager looked at her with a critical gaze.

## **Chapter 86: Observation Room Guest**

"Sister Xia, I'm still a freshman and I'm still learning. At the moment, I know a little about music arrangement, piano, medicine, performance, archery, painting..."

Sister Xia nodded. "I didn't expect you to be so young and know so many things. It's good to know a lot, but you also have to be proficient in some things. Don't just know a little about everything."

After sister Xia finished speaking, she didn't wait for Jiang Yu's reply. She took out a variety show contract. "This is an announcement for a variety show. Their show originally wanted to invite a guest from the psychology department. However that guest's bad habits has been exposed. Right now, the show is lacking an observer. The show's director has done Hu Chen a favor and is planning to invite you to participate in the observation room of the love variety show. Take a look."

Jiang Yu picked it up and took a look. It was an invitation contract for a variety show. The salary written on it was quite good. It was 10,000 yuan for a recording of a show.

An ordinary person would be laughing secretly if they could earn 10,000 yuan in a day.

To be fair, Jiang Yu was a newcomer who hadn't debuted yet. To be able to appear on such a show, she had already earned a lot of exposure. Moreover, she was able to get such a high salary. No one would believe her if she said that it wasn't because of Hu Chen's influence.

"Alright, Sister Xia. Is there anything I need to be careful about when I become a guest in the observation room?" Jiang Yu asked cautiously.

"You are smart, but you only need to sit there when you appear on the show. The director will give you a few more scenes, but no matter how much you say, he can only cut in three sentences for you. In other words, you are only there as a background."

The rest was just for the celebrity guests to perform.

Jiang Yu understood. She just needed to show her face.

That was easy.

"Alright, get ready immediately. The recording this time is a little rushed. The program team will arrange for a makeup artist and a costume for you. I'll get my assistant to send you over."

Sister Xia was very busy, so she naturally wouldn't bring a small artiste to the variety show.

Jiang Yu followed her assistant to Starlight Variety Building.

The program team staff quickly led her to the dressing room.

In the dressing room, Li Lu was investigating information about Jiang Yu.

From what she knew from her classmates, she learned that Jiang Yu had an older sister who participated in this love show.

That was why she deliberately accepted to being a guest at this variety show's.

When she heard that Jiang Yu and Jiang Ran were twins, Li Lu originally wanted to find evidence of Jiang Yu's misconduct so that Mo Long would give up on Jiang Yu.

But now, it was a good idea to make an example of Jiang Ran.

Li Lu had come here to smear Jiang Ran's reputation.

Unexpectedly, just as she came out of the changing room, she saw a slender figure sitting in her original seat.

Her stylist was putting makeup on this woman.

Li Lu wanted to build a good relationship with the other guests, so she walked over and said, "Miss, your figure is really good. After the recording, can you share with me your experience in maintaining your figure?"

Li Lu said with a smile. Then, she saw that person turn her head.

After seeing Jiang Yu's face clearly, Li Lu couldn't smile anymore.

“No problem. I can teach you,” Jiang Yu said generously.

Li Lu asked, “Jiang Yu, why are you here?”

Li Lu’s makeup artist said, “Sister Lu, do you know this guest observer? She’s also a guest today. The makeup artist from the program team was called away by other guests just now. The staff asked me to help her put on her makeup.”

Li Lu’s expression turned cold. She had not said anything since Jiang Yu had seduced Mo Long.

However, when she thought about Jiang Yu’s appearance on the show, Li Lu smiled.

Jiang Yu must have come to support her sister.

Ha.

“Xiao Cai, I don’t think she needs makeup at all. You can just give her a makeup-free look. How can she steal the limelight of a celebrity guest when she’s only on the show as a newbie?”

Xiao Cai nodded without hesitation. “I’ll listen to sister Lu..”

### **Chapter 87: Appearing On Set Without Makeup**

Jiang Yu could feel that the makeup she had carefully put on her face had been wiped away, leaving only her fair face.

Li Lu wanted to say something more, but she was called over by the staff.

Li Lu arrived at the recording studio.

A host and three other celebrity guests had arrived.

The host said, “Let’s arrange the seats first.”

Originally, the seat next to the host was reserved for the person who had previously studied psychology.

But now, this seat had been given to Jiang Yu.

Li Lu walked to the seat next to the host without a word and sat down. “I want this seat.”

The other three celebrity guests looked at each other. Even the director shook his head. This Li Lu was said to be very low-key. Why was she so arrogant today?

She had actually snatched the most eye-catching spot at the venue.

Originally, the director had arranged for this spot to be reserved for another male singer, Zhuo Zheng.

The remaining three celebrities had all been allocated seats. Zhuo Zheng sat in the seat next to Li Lu, while the seat on his right side was empty.

It was reserved for the new guest.

“Is the new guest ready?” The director asked hurriedly.

“She’s coming, she’s coming.” The voice of the staff came from outside the door.

Li Lu raised her eyebrows. It was obvious that everyone present was dressed luxuriously.

Not only did she ask the makeup artist to give Jiang Yu no makeup, but she also asked the costume artist to find the simplest clothes for Jiang Yu.

“Who is the new guest? Is she also a psychologist?”

“I don’t know. I heard that she was substituted this morning.”

The door was pushed open and a beautiful figure walked in from outside.

Jiang Yu lowered her head and put her palms together. “Hello, teachers!”

The audience in the live broadcast room discussed animatedly.

“This new guest is so polite!”

“Wasn’t Li Lu a little too insensible just now? She actually sat on brother Zhuo Zheng’s seat.”

“Eh, this new comer has such a good figure.”

The variety show’s observation room was broadcasted live.

In the observation room, Jiang Yu walked all the way to the corner before stopping.

Only then did she look up and nod at the celebrity guests one by one.

At this moment, all the celebrity guests present were stunned.

This was because Jiang Yu actually had no makeup on, and her skin color was so good.

Everyone present was wearing beautiful clothes and wearing thick makeup that was suitable for the camera.

Jiang Yu, on the other hand, was dressed in a pure white dress. Although there was no makeup on her face, her looks were very good.

With such a comparison, it was obvious that Jiang Yu was the most eye-catching among the guests.

Li Lu was so angry that she almost vomited blood.

This was because her makeup was the thickest and her clothes were the most gorgeous and exaggerated.

Her manager had clearly told her that it would be best for her to appear on camera like this, but now, comparing her to Jiang Yu...

Jiang Yu had completely outmatched her.

“Hello Everyone, I’m an observer, Jiang Yu.” Jiang Yu briefly introduced herself and sat there quietly as a background wall.

The host quickly went through the process and the first step was to talk about Li Yue’s topic.

“Li Lu, can you tell me why you want to be a love observer?”

Li Lu told her the answer that she had memorized earlier. “Because my sister and her boyfriend are very affectionate. I also want to come over and learn.”

Recently, the news of Li Yue and Mo Long breaking up had spread like wildfire.

That was why the program team wanted to take advantage of this popularity.

“Regarding the rumors online that the movie queen and her boyfriend are in conflict, what do you think?”

Li Lu glanced at Jiang Yu and smiled. “These are just small conflicts between lovers.”

“So, it’s rumoured online that the boyfriend of the movie queen is Mr. Mo Long of the Mo Corporation. Do you agree with this statement?”

Li Lu smiled. “I can’t reveal this. Everyone, please verify it yourselves.”

The other guests understood.

It seemed that the movie queen and Mo long were really boyfriend and girlfriend.

Otherwise, why would Li Lu say that the movie queen and her boyfriend were in conflict?

“Let us wish the movie queen to get three trophies as soon as possible and have a happy family.” The host ended the topic with a smile.

Li Lu, however, saw that Jiang Yu did not express her opinion and immediately said deliberately, “Jiang Yu, why don’t you give your blessings?”

### **Chapter 88: What Different Opinion?**

All the guests agreed with her. Only Jiang Yu didn’t say a word.

All the guests looked at Jiang Yu, who was too quiet.

They all felt that this new comer was too nervous, so she couldn’t say a word.

But this was also good. At least she was more likable than those people who deliberately tried to steal the scene.

The camera was aimed directly at Jiang Yu.

Only then did the audience in the live broadcast room notice Jiang Yu’s expression.

How should they put it? She was neither happy nor angry.

Li Lu smiled again and said, “Don’t tell me you have a different opinion?”

Li Lu guessed that Jiang Yu definitely did not dare to admit that she was with Mo Long. Otherwise, her sister’s fans would definitely flame her to death.

However, if Jiang Yu were to say her blessings, she did not know if Jiang Yu would be able to say it out loud.

At this moment, Jiang Yu smiled as well. "I only know what it's like for a man to love a woman. I don't know much about the way the movie queen and her mysterious boyfriend get along, so I won't comment on it."

What was it like for a man to love a woman? The other guests immediately thought of it. It was definitely not like what Mr. Mo Long did, using the company's official website to announce that he was not in a relationship with the movie queen.

Could it be that the mysterious boyfriend was really not from the Mo Corporation but someone else?

Li Lu's expression turned cold as she understood this.

Jiang Yu was saying that Mo Long did not treat her sister well at all. It was just Li Lu's wishful thinking.

Li Lu was agitated and immediately looked at the director. "Director, this guest doesn't know how to speak! Can we change the guest?"

The variety director said helplessly, "Miss Li Lu, aren't you being too sensitive?"

Jiang Yu had clearly said that she would not comment.

How did she offend Li Lu?

"I request that for the rest of the recording, this new person should not speak!" Li Lu said unhappily.

She even gave Jiang Yu a fierce glare.

The director said, "This..."

No one could understand what was going on.

Why was Li Lu acting so arrogantly today? First, she snatched a senior's central spot, and then she asked for a change of the guest. Jiang Yu did not even say anything, but she went furious.

"Director." Jiang Yu raised her hand. "Then I'll just decoration vase from now on."

The director heaved a sigh of relief because it was a live broadcast. He quickly said, "Continue recording."

The audience in the live broadcast room said, "I think Li Lu is right. This new comer has alluded to the movie queen!"

"I didn't realize that. Jiang Yu didn't say anything at all. She even said that she couldn't comment on it!"

"This Li Lu is too much of a bully."

"Everyone, don't misunderstand. Li Lu is more straightforward. She'll say whatever she has to say. Perhaps she's dissatisfied with a new comer appearing on the show and slacking off. It's as if she didn't say anything. That's why she said that she doesn't know how to speak."

"I understand. Li Lu is too straightforward."

The show continued to be recorded.

However, even the host was surprised by Li Lu. He was a little cautious and didn't dare to casually cue Li Lu.

He was afraid that Li Lu's would go crazy again and clash with the other guests.

"Next, let's take a look at this episode of 'I like you more than a little' and see what kind of sparks our six male and female guests will have in this episode."

As the host finished speaking, the television screen in the observation room suddenly turned on. On it was the program of love between two people, which had been recorded a few days ago.

At the beginning, it was the appearance of the female guests.

When the female guests appeared one after another, Jiang Yu originally wanted to be idle, but she raised her eyebrows in surprise.

That was because she saw Jiang Ran, who was making an introduction. "Hello, everyone. I'm a female student from the acting department of Green Vine University. My name is Jiang Ran, and I'm 18 years old this year. My Declaration of Love Is: I'm not afraid of waiting, I'm just afraid that you aren't there in the end."

When Li Lu saw this, she raised her eyebrows and looked at Jiang Yu. As expected, she saw Jiang Yu's expression change. She seemed to have something to say, but she suppressed it.

Following that, the three guests also appeared.

Jiang Yu didn't expect that Sun You would also appear on this program.

### **Chapter 89: Can Talk Now**

Moreover, on the program, Jiang Ran pretended not to know Sun You. The two of them even asked each other about their preferences and ages.

It was as fake as possible.

After this segment was finished, Li Lu could not help but say first, "This Jiang Ran is too good. She actually expressed her goodwill to the three male guests. She told the first male guest that she also liked sports, talked about cooking with the second male guest, and went to get desserts with the third male guest. She's simply a social ace."

After Li Lu finished speaking, she was secretly proud.

She looked at Jiang Yu and really wanted to hear Jiang Yu's retort.

However, Jiang Yu seemed to be holding back and did not say anything.

Heh, her own sister was criticised on the show, but she actually did not respond at all. She was too cowardly.

Jiang Yu must have been scolded to death by the live broadcast audience by now.

“Oh, right, Jiang Yu, this Jiang Ran looks a little like you. Could she be your relative?”

Li Lu deliberately said to Jiang Yu, “I’m sorry, I just said that she’s very good and has seemed to be acting. You wouldn’t feel uncomfortable right?”

In the end, Jiang Yu still didn’t say anything.

The bullet screen in the live broadcast room said, “I also feel the same. Why does this Jiang Ran flirt with every man!”

“Yeah, could it be that she wants to get the letters from the three guests? She’s too scheming!”

“These two people seem to be twins. Jiang Ran is Jiang Yu’s sister.”

“If Jiang Yu defends her sister, it would be meaningless to be an observer.”

At the same time.

When Li Lu saw that Jiang Yu still did not speak, she was instantly enraged. “Jiang Yu, are you mute?”

Zhuo Zheng could not help but say, “Li Lu, it was you who told Jiang Yu not to speak.”

Li Lu: “...”

Her anger froze on her face. The other guests looked at her as if they were looking at a clown.

It was hilarious. It was clearly Li Lu who did not want Jiang Yu to speak, and now she was deliberately asking her about the topic. She was even angry because the other party did not answer.

“No.” Li Lu coughed awkwardly. “Jiang Yu, you can speak now.”

Jiang Yu looked at the director inquiringly.

It meant that she was asking for the director’s opinion.

The director nodded. “You can speak now.”

Li Lu: “...”

Jiang Yu’s actions made it seem as if Li Lu had overstepped the director’s authority and taken over his role.

Li Lu looked at Jiang Yu with a gloomy expression. “Can you answer my question now?”

Jiang Yu smiled again. “That’s right. Jiang Ran is my sister. As for the question you asked about whether Jiang Ran likes to put on a show, , and whether she’s not as simple as she looks on the surface, I feel that what Miss Li Lu’s said is also an interpretation. However, since Jiang Ran is my sister, I think it’s better for me not to comment on it. I’ll only comment on the other dating guests.”

Jiang Yu made it sound very reasonable.

However, Li Lu seemed to have caught a loophole in Jiang Yu’s words. “You said my words is also a kind of interpretation. In other words, you don’t object?”

Jiang Yu smiled and didn’t say anything.

In short, she didn't comment.

However, Li Lu was extremely pleased.

Heh, Jiang Yu actually didn't dare to defend her sister. She reckoned that when Jiang Ran returned home, the two sisters would start fighting.

She didn't expect Jiang Yu to be so cowardly.

Li Lu felt that she had already won.

After this recording, people would think that Jiang Yu has a scheming sister and she had tacitly agreed to this matter.

Li Lu was still thinking about it beautifully.

Little did she know that the guests present actually had more of a favorable impression of Jiang Yu.

In the live broadcast room: "Jiang Yu is too calm and magnanimous. She doesn't casually comment on movie queens or her family members. She's neither arrogant nor impetuous."

"And she's too good-looking. Even if she doesn't say anything, she can still be a decoration."

Only Li Lu's fans expressed their dissatisfaction with Jiang Yu. "If you don't comment on anything, why are you still on this show?"

"Yeah, Li Lu is more straightforward. She dares to speak her heart. Jiang Yu will be timid and cowardly. She's so boring."

In the end, it was Li Lu who kept speculating about Jiang Ran's scheming on the show.

Jiang Ran approached three male contestants one after another and asked them to vote for her. Only then did she vote for Sun You, whom she had been paying attention to for a long time..

## **Chapter 90: People Have To See Themselves Clearly**

In the first episode, Jiang Ran had a bumper harvest, but Li Lu also crowned her with the title of being fake.

Jiang Yu only commented on the other guests, but she didn't say anything for Jiang Ran.

After the recording of the program was completed, Jiang Yu went backstage to change her clothes.

The staff was very polite to Jiang Yu. "Miss Jiang Yu, you can use this changing room first."

Li Lu returned backstage and saw that Jiang Yu had come out changed. She immediately sneered. "How long do you think you can keep up this act? Sooner or later, I will expose your hypocrisy. So what if you relied on your connections to get into variety shows? It's still useless. You're treated as a joke here."

Jiang Yu picked up her bag, she looked at Li Lu and said, "Li Lu, you're right. In this entertainment industry, you do rely on your connections. Didn't you also rely on your sister's connections to get into variety shows? "The other celebrity guests have more experience than you, but you ended up in the

centre seat. Why do you think the program team tolerated you so much? Is it because of your ordinary capabilities?”

“Jiang Yu!” Li Lu’s face instantly darkened. “I relied on my own strength to get this variety show.”

“Your own strength, by shooting a TV series that hasn’t even been released yet?”

Jiang Yu shook her head. “People need to see themselves clearly.”

Jiang Yu had indeed relied on her connections to enter the industry.

However, she did not drift away. However, throughout the entire recording today, Li Lu had drifted away. She had tried to steal the conversation of her seniors, and her mouth could not stop moving.

“At this rate, you won’t be able to stay in the entertainment industry for long.” Jiang Yu left after saying this. “I suggest that you stay behind and apologize to the other guests!”

Li Lu’s face turned pale.

She also felt that she was showing off a little too much.

However, it was all to provoke Jiang Yu. She didn’t expect Jiang Yu to be so calm and didn’t overreact.

Li Lu chased after her unwillingly. However, when she passed by the door of a certain room, she paused.

“I say, aren’t you a little too good-tempered? Who does that Li Lu think she is? She interrupted you twice.”

Zhuo Zheng: “I’ve acted with Li Yue before, so I’ll give her some face.”

“Sigh, I didn’t expect Li Yue to work so hard, but her sister is like this. If it wasn’t for Li Yue’s, Li Lu would have no right to appear on this show. There are many celebrities who are more famous than Li Lu. Who does she think she is?”

Li Lu: “...”

Could it be that what Jiang Yu said was true? She had relied on her connections to get in today.

And she had even offended all the guests present?

Jiang Yu and her assistant returned to Dazzling Entertainment.

In the practice room, Sister Xia was checking on the progress of the artiste.

When she saw that Jiang Yu had returned, she immediately walked over and asked, “How was it? Did the filming go well? Did you say anything you shouldn’t have?”

Jiang Yu hurriedly said, “Sister Xia, I only said three sentences according to your request. The entire time, I quietly acted as the background.”

Sister Xia glared. “I told you to speak less, but I didn’t ask you to speak so little. The director didn’t scold you, did he?”

Jiang Yu shook his head. “No.”

Sister Xia heaved a sigh of relief. "It looks like it's for Hu Chen's sake. The contract says to only edit the three sentences of what you said. If you only say three sentences, then all the nonsense will be edited in! Sigh. It looks like you won't be invited to the next recording session."

This time, they only invited Jiang Yu at the last minute.

There was still a week before the next recording session. The program team had enough time to look for other guests.

Jiang Yu would never be able to benefit from something so good again.

At this moment, Sister Xia's phone rang. When she saw that it was the director of the love show, she frowned. Look, the complaint call had come so quickly.

Sister Xia answered helplessly and quickly smiled apologetically, "Director Wang, I'm really sorry. My artist isn't sensible. Did I cause you any trouble?"

"What? You still want to invite Jiang Yu for the next episode's recording? She knows her limits? Okay, okay, okay."
