

Older Man 851

Chapter 851: Kang He

Kang He immediately felt goosebumps all over her body when she heard the word “Sister”.

She hurriedly waved her hand. “Don’t call me sister. I can’t take it. If you have the time, why don’t you go on a blind date. Why make friends here and throw a birthday party?”

Kang Xue bit her lips and said, “I’m still young. Why do I have to go on a blind date?”

Kang He laughed. “If you’re not the one going on a blind date, could it be me? You’re not the eldest daughter, and you can’t inherit the Kang family’s business. If you don’t go on a business marriage, then you’re useless, right?”

“Don’t go too far!” Kang Xue couldn’t help but shout, “I’m a human, not an object! What business marriage? I’m not going!”

Kang He looked at Kang Xue as if she was looking at useless things, “If you say that, then you have no value to this family at all. If you have no value, then the Kang family won’t care about you anymore. When that time comes, you can look at these ‘friends’ behind you. Who else is willing to stay with you?”

Kang Xue bit her lower lip and didn’t say anything.

Kang He continued, “Kang Xue is an unloved person in the Kang family. Why are you still staying with her? Disperse. You won’t be able to hold today’s party.”

Everyone looked at each other. They all felt that Kang Xue’s sister’s words made sense, so they all dispersed like a swarm of bees.

“Let’s go, let’s go. If you can’t hold the party, why are you still calling us over? Are you playing with us?”

Everyone left. Only Jiang Yu was still standing behind Kang Xue.

Kang He looked at Jiang Yu and smiled mockingly. “Everyone has left. Why are you still staying here? Stop trying to please Kang Xue. She doesn’t have any status or power in the Kang family. She won’t be able to give you any benefits.”

Jiang Yu looked at Kang He fearlessly. “I’m not trying to be friends with Kang Xue for some so-called ‘benefits’.”

“If it’s not for benefits, why would you be willing to be friends with her?” Kang He didn’t believe it, “You’re really an interesting person. Hey, Kang Xue, there’s actually someone who’s really friends with you, and it’s not even for the sake of getting benefits from you. I’m dying of laughter, Kang Xue, did you hear that?”

Kang He laughed loudly. To Kang Xue, it sounded a little harsh.

“Jiang Yu is my friend. She’s not the kind of person you’re talking about,” Kang Xue defended herself.

“Kang Xue, you’re an idiot. No one wants to be friends with you unless it’s purely for the sake of benefits,” Kang He said.

“Jiang Yu isn’t that kind of person!” Kang Xue shouted loudly.

In fact, ever since Kang Xue gave Jiang Yu a gift, she had never spoken to or met her again.

For her birthday this time, Kang Xue only invited Jiang Yu to see if she would come.

Unexpectedly, not only did Jiang Yu agree, but she even brought a birthday gift for Kang Xue, which surprised Kang Xue.

Therefore, they didn’t have much interaction. Kang Xue didn’t dare to say that she completely understood Jiang Yu, but at least, Jiang Yu was different from those people.

Kang Xue was certain of this.

“Why are you shouting so loudly? Tell me that you can talk?!” Kang He was a little dissatisfied with Kang Xue’s voice, “Let me tell you, after graduation, don’t even think about finding a job. Hurry up and go on a blind date! CEO Zhang’s son and CEO Li’s nephew are both good candidates.”

“I said I won’t go!” Kang Xue shouted until her face was red, and blue veins popped up on her neck.

“It’s not up to you whether you go or not!” Kang He also had blue veins popping up on her neck.

Even a fool would know that Kang Xue’s status in the family was not as high as this sister’s. Moreover, this sister had used her status advantage to bully Kang Xue, making her unable to raise her head at home or even in front of outsiders.

Kang Xue’s eyes were red with grievance, and she was about to cry.

Jiang Yu stood in front of her and met Kang He’s gaze, “Kang Xue said that she doesn’t want to go, so don’t force her. If a company’s development depends on means such as business marriage, then the day the marriage chain breaks, the company will collapse with a bang. Miss Kang, don’t you understand this logic?”

“You?!” Kang He didn’t expect Jiang Yu to dare to talk back to him, “What’s your name?! How dare you talk to me like that?!”

Jiang Yu said her name truthfully, “My name is Jiang Yu.”

Kang He repeated the name in her heart. Although it felt familiar, she didn’t remember who it was.

“Okay, Jiang Yu, right? Remember, my name is Kang He, the eldest daughter of the Kang family. If you mess with me, you mess with the entire Kang family! You won’t have a good ending!”

Chapter 852: Get To Know

Jiang Yu looked at her. “Then I’ll be with you at any time.”

After saying that, she grabbed Kang Xue’s hand and left.

Kang He stood rooted to the spot for a few seconds. This was the first time someone dared to be so arrogant in front of her.

Even if she was a branch of the Kang family, she was still an existence that Jiang Yu could not afford to offend!

She stomped her feet in anger. Just as she was about to point at Jiang Yu and Kang Xue who were about to leave, she heard a weak voice beside her. "Hello, are you Kang Xue's sister?"

Kang He followed the voice and saw a girl with long hair.

Kang He had never seen her before and asked, "Who are you?"

"Hello, my name is Jiang Ran," Jiang Ran said her name with a smile.

"Jiang Ran? I don't know you." Kang He was completely arrogant and domineering, whether it was towards Kang Xue or those outsiders she did not know.

Jiang Ran was a little embarrassed, but she quickly recovered her original emotions. "I'm Jiang Yu's sister, Jiang Ran."

When Kang He heard this, she was about to vent her anger on Jiang Ran.

But before she could speak, Jiang Ran spoke first, "Don't worry, Jiang Yu is just saying it. The reason why she's still willing to be friends with Kang Xue is because she's unwilling to not get any benefits from Kang Xue."

Kang He frowned at Jiang Ran and asked, "How do you know?"

Jiang Ran smiled smugly, "I am Jiang Yu's elder sister."

"You are her elder sister. Instead of speaking up for her, you exposed her intentions in front of me?"

Kang He suddenly felt that the way these two sisters interacted was very novel. "Aren't you afraid that your sister will find out and cause trouble for You?"

"Actually, she has already caused me a lot of trouble." Jiang Ran sighed, "Don't think that I'm her sister, but she doesn't care about me at all. She always steals my things and even openly snatches them from me. Even her current fiancé was snatched from me!"

As she spoke, she lowered her head and wept. This made Kang He feel that what Jiang Ran said was the truth.

"It's fine if you don't want a man who can be snatched away so easily." Kang He sneered. "It's also your fault for not having good taste and meeting people well. That's why you met such a scumbag."

"Yeah. If it wasn't for my current boyfriend being good to me, I'm afraid I wouldn't be able to let it go even now." Jiang Ran said.

"So Jiang Yu is this kind of person. I was really fooled by her righteous expression just now." Kang He laughed mockingly. "Her words sound nice, but I didn't expect her to be a person who is greedy for money."

“So, don’t lower yourself to her level. It’s not good for your health if you get angry,” Jiang Ran quickly said, “Anyway, she is my sister. If I make you angry, as her elder sister, I will definitely apologize on her behalf.”

“You are a sensible elder sister.” Kang He began to admire Jiang Ran. “My name is Kang He. We will be friends from now on.”

“Yes, yes! Okay!” Seeing that her goal had been achieved, Jiang Ran immediately beamed with joy.

She did not leave with the others just now. Instead, she stayed here. Because she knew that Jiang Yu would never leave.

She originally wanted to stay and watch the show, but she did not expect that Jiang Yu would actually make Kang He angry. Jiang Ran watched the show from the side. She felt that her chance was coming.

That was why she went forward as if she wanted to curry favor with this woman. She wanted to have a few words with this woman, and it would be best if she could make friends with her.

Whether they were true friends or not, as long as they had a nominal relationship, she would be able to do whatever she wanted in school in the future. She might even be able to show off in front of Kang Xue.

Kang He said, “You and Kang Xue are from the same school, right? I will give you my contact information. You can help me monitor Kang Xue’s every move in school. If there’s anything wrong, tell me immediately.”

Jiang Yu smiled so much that her eyes narrowed into crescents. “I got it.”

Kang He gave her contact information to Jiang Ran, “Other than Kang Xue, you can also monitor that Jiang Yu. I want to see what exactly is this Jiang Yu who talks big on the surface but acts like a villain behind her back.”

“I got it,” Jiang Ran said,

she was very willing to do this. She felt that after she passed this matter, her relationship with Kang He would be even closer.

The two casually spoke a few more words before Jiang Ran left.

On the way back, she saw Jiang Yu and Kang Xue who were staying in the coffee shop.

Kang Xue seemed to be crying. Jiang Yu had been comforting her.

But they were too far away, so Jiang Ran couldn’t hear them clearly.

“Well, you let me see you so soon.” Jiang Ran sneered, took a photo, and sent it to Kang He.

Chapter 853: A Dog Counting On Its Master’s Backing

After Kang He saw the photo, she replied with great satisfaction, “Keep watching them. It’s best if you tell me the content of their conversation.”

After Jiang Ran replied with a “Okay”, she went to the coffee shop and carefully sat near Jiang Yu and Kang Xue.

Because Jiang Yu’s back was facing the door, she didn’t notice that Jiang Ran was already sitting behind her.

On the other hand, Kang Xue was crying with her head lowered, so she didn’t see Jiang Ran.

The two of them sat face to face. Jiang Yu had been listening to Kang Xue’s complaints.

“Ever since I was young, she bullied me like this.” Kang Xue Choked with sobs, “I was never as good as her, so she always suppressed me. That’s why I hate people who are better than me the most. As long as someone is better than me, I will definitely pull those people down. And not only are you better than me, you also look a little similar to Kang He. That’s why... That’s why I’m always targeting you. I don’t want you to have it easy.”

At this point, Jiang Yu finally understood why Kang Xue hated her so much back then.

And Jiang Ran, who was sitting behind them, was also a little surprised.

Jiang Yu and Kang He had nothing to do with each other, so how could they be similar?

Just as she was feeling surprised, a waitress walked over and asked politely, “Customer, what do you need?”

Jiang Ran waved her hand, wanting to chase her away as she was afraid that she would delay her own business. “Go, go, go. I don’t need anything.”

The waitress smiled awkwardly and said, “Customer, if you don’t want to order, please leave as soon as possible.”

“Didn’t I tell you to leave?” Jiang Ran was a little anxious.

Because the waiter was standing there, she couldn’t hear what Jiang Yu and Kang Xue were talking about.

“But customer, if you don’t order, you will delay the other customers,” the waiter said very politely.

“Who did I delay?” Jiang Ran pushed the waiter impatiently. “I told you to leave as soon as possible, didn’t you hear me?”

The waiter staggered and said politely, “Customer, if you don’t order, please leave quickly.”

This time, Jiang Ran was so angry that she stood up and pushed the waiter. She didn’t care if she was eavesdropping on the conversation between Jiang Yu and Kang Xue.

She said angrily, “Why are you always standing here? I already said I don’t order! What do you want?”

Her voice was very loud and attracted the attention of all the customers in the coffee shop, including Jiang Yu and Kang Xue.

Only then did they know that Jiang Ran was also in this coffee shop, and she was so close to them.

Jiang Ran might have heard the conversation just now.

The manager on duty quickly ran over and comforted Jiang Ran, "This customer, I'm really sorry. It's our fault, don't mind us. How about this, you order whatever you want, and I'll give you a free meal?"

Jiang Ran broke free of the manager's hand and walked to the front of the waiter, but she said to the manager, "I don't need a free meal, just fire her."

The waiter looked at Jiang Ran in shock, then looked at the manager in disbelief.

She believed that the manager would not fire her.

The manager did have the intention to keep her, so he bargained with Jiang Ran, "Customer, do you think there's any other way besides this?"

Jiang Ran refused immediately, "No. Either you fire her, or you don't open this shop anymore."

She was very arrogant, which made Jiang Yu unable to stand it.

"Don't go too far," Jiang Yu said, "It was you who didn't order the food first, so why did you ask the manager to fire this waitress?"

Jiang Ran heard Jiang Yu's words, she turned around and sneered. "Since she called me 'customer', she should know that 'customer' is God. She has been urging her 'God' to order the dishes and wants to kick me out. Is this her attitude as a waitress?"

When the manager heard that, he quickly pressed the waitress' head and said, "Hurry up and apologize to this customer!"

Although the waitress was a little unwilling, in order to protect her job, she had no choice but to lower her head to Jiang Ran and apologize. "I'm sorry, customer. I was rude just now."

However, Jiang Ran didn't fall for her trick. She crossed her arms in front of her chest, she said, "It's useless to apologize. You're the manager, right? I want you to fire her and never hire her again! Otherwise, I'll end your shop."

The manager was a little embarrassed. "This..."

Chapter 854: Sky High Price

Jiang Ran continued, "I'm already very generous. If you fire one of her, you can save your entire store. What's wrong? Is it not worth it?"

The manager did not know if what Jiang Ran said was true, but to be on the safe side, he did not dare to bet on his own coffee shop.

So after thinking about it, he finally decided to fire the waitress. "Hurry up and pack your things. You don't have to come to work from tomorrow onwards."

The waitress never thought that her boss would really fire her because of this unreasonable woman.

“Manager, I didn’t mean to say that...” She hurriedly defended herself, but the manager was not willing to listen to her at all and pushed her out of the door.

Jiang Ran smiled proudly and said to the manager, “Alright, I’m in a good mood now. Bring out all your signature items.”

“Ah, alright.” The manager quickly bowed and left.

Although Jiang Yu felt that Jiang Ran was going overboard, this was after all an internal matter of the coffee shop, and it was not appropriate for her to interfere. Therefore, she could only stand aside with Kang Xue and continue drinking the coffee in her cup.

However, Jiang Ran did not intend to let Jiang Yu off.

She walked to the side of Jiang Yu and Kang Xue’s seats and bent down to sniff Jiang Yu’s coffee. She frowned and said with disdain, “Jiang Yu, why don’t you order something more advanced?”

Jiang Yu didn’t look at her and only said, “If you’re willing to order something more advanced, then you can order it. I can drink whatever I want. It’s none of your business.”

“Is this your attitude when you talk to your sister?” Jiang Yu covered her mouth and laughed.

“Fortunately, I have a good temper. If I had the same temper as Kang He, I’m afraid your fate would be many times worse than now!”

Kang Xue paused and raised her head to look at Jiang Ran in surprise. “How, how did you know Kang He?!”

“Just like that. We’re very good friends now.” Jiang Ran shrugged and did not tell her how she met Kang He.

Kang Xue’s hands kept shaking. She knew that Kang He usually did not easily make friends with others. Since she was willing to bend down to be friends with Jiang Ran, it meant that she was plotting something unknown.

Her heart turned cold and she quickly held Jiang Yu’s hand. “Jiang Yu, I’m done drinking. Let’s go back first.”

Jiang Yu nodded. “Okay.”

However, Jiang Ran blocked their way. “We’re all from the same school. Why don’t you wait for me here? We’ll go back together after I finish eating.”

Kang Xue said bluntly, “We don’t know you. If you want to eat, you can eat by yourself. We are in a hurry, so we will go back first.”

With that, Kang Xue and Jiang Yu left the coffee shop together.

“You!” Jiang Ran stomped her feet in anger.

This Kang Xue was influenced by Jiang Yu!

Just as she was about to go back, the manager on duty came over with a plate of pastries and a cup of steaming hot coffee.

“Hello, customer. This is the meal you ordered.”

Jiang Ran glanced at it and said, “I know, but I don’t want to eat it now.” Then she took her bag and wanted to leave.

The manager quickly stopped her. “Customer, you haven’t paid yet.”

“Paid? Paid for what? Didn’t you say it was free?” Jiang Ran was a little surprised.

The manager smiled, he explained, “If you had accepted my ‘free offer’ just now, your meal would indeed be free. But you insisted that I fire my employees, so the ‘free offer’ doesn’t count.”

“Why doesn’t it count?” Jiang Ran questioned loudly, “Isn’t it the free offer that you said?”

The manager smiled. “But you’re the one who won’t accept it.”

“When did I say I won’t accept it?!”

“You just said it yourself. You said you don’t need the free order. You just need me to fire that employee.”

“Ah...” Jiang Ran then remembered that she did say that. But it was too late to go back on her words now, so she could only obediently pay. “How much?”

“A total of 1,300 yuan,” the manager said.

Jiang Ran stopped taking out her phone and looked at the manager in disbelief. “How much?!”

The manager repeated, “1,300 yuan.”

Jiang Ran pointed at the things on the table. “Just a cup of coffee and three pieces of cake. You’re telling me these things are 1,300 yuan?!”

The manager nodded. “Yes.”

“You’re trying to cheat me of my money, right?” Jiang Ran couldn’t believe that these things were worth 1300 yuan.

“Customer, you’re really wronging me. These things are really 1300 yuan.” The manager looked at Jiang Ran with sincerity.

Chapter 855: Solution

Jiang Ran looked at the people around her and suddenly felt embarrassed.

Although 1,300 yuan was just a small amount to her, she felt that these things were not worth 1,300 yuan at all.

But she still took out her phone to pay because she wanted to catch up to Jiang Yu and Kang Xue as soon as possible.

However, after she paid, Jiang Yu and Kang Xue had already taken a taxi back to school.

Jiang Ran stomped her feet angrily and kept muttering, "I'm so angry, I'm so angry!"

After Jiang Yu and Kang Xue returned to school, they went to the study room together. On the way, they even met Lu Qi and Dai Zhu who were about to go shopping.

The two of them still held a grudge against Kang Xue, so they did not plan to go to today's birthday party in the first place. Moreover, when Jiang Yu wanted to go, they even tried to dissuade her.

However, Jiang Yu was still kind-hearted. She didn't care about what Kang Xue had done before, and she gladly accepted Kang Xue's invitation.

However, according to the usual time of the party, Jiang Yu and Kang Xue came back too early, which made Lu Qi and Dai Zhu realize that something was wrong.

"Why did you guys come back so soon?" Lu Qi asked.

"There was an accident and the party didn't go through, so it saved a lot of time," Jiang Yu said.

Kang Xue Sighed and nodded helplessly.

"What accident?" Dai Zhu was a little curious.

Kang Xue bit her lip. She didn't want to say it because she knew that Lu Qi and Dai Zhu didn't like her. However, the two of them were Jiang Yu's friends. As long as Jiang Yu was willing to help her, the two of them would definitely not be able to watch the show from the side.

It was better for the four of them to think of a solution than for the two of them to be confused.

Hence, she told them about how she met Kang he when she returned.

When Lu Qi and Dai Zhu heard this, they were also very shocked. "Kang Xue, so you have an elder sister?"

Kang Xue nodded. "She's my biological sister and the eldest daughter of the Kang family."

"But I remember that your family is only a branch of the Kang Family?" Lu Qi recalled the information he had read before, "How dare your sister be so arrogant? Isn't she afraid that when these things are exposed, someone will blame her?"

Kang Xue said with some grievance, "She's not afraid of this. Because now the entire family agreed with her idea that she should inherit the family fortune, and I only need to be responsible for the business marriage. But I don't want to marry someone I don't love!"

From the sound of it, Kang Xue was indeed somewhat miserable.

No matter how much Lu Qi and Dai Zhu hated her, at this time, they also felt that she was somewhat pitiful.

"We have to think of a solution to this matter," Jiang Yu said, "Kang he can inherit the family fortune, but Kang Xue can not go to the marriage marriage."

"But we don't have a good solution right now," Lu Qi said helplessly. "Besides, Kang He won't use the power of her family to capture Kang Xue, right?"

Kang Xue felt a little scared when she heard that.

"They will do such a thing!" Kang Xue was anxious and said, "They have tried everything to get me to marry the son of a business tycoon and want me to bring them benefits!"

"Kang Xue, don't be anxious." Lu Qi quickly comforted her. "We are all trying to help you think of a solution."

Only then did Kang Xue Calm down slightly. "Thank you."

Lu Qi and Dai Zhu were a little shocked, as if they did not dare to think that they could still hear the word "Thank you" from Kang Xue's mouth.

Jiang Yu was silent for a long time before saying, "We have two good ideas now. One is to get Kang Xue to find a boyfriend, and the other is to drag Kang He down from the stage and then let Kang Xue sit in that position."

"Ah?" The other three were shocked. They were completely shocked by Jiang Yu's idea.

"Xiao Yu, are you serious?" Lu Qi asked uncertainly, "It's easy to solve the problem of Kang Xue finding a boyfriend. But you said to let Kang Xue sit in that position? Xiao Yu, aren't you... forcing her?"

Dai Zhu also said, "Yes... Kang Xue said it herself. Kang He has bullied her since she was young and suppressed her. There must be many people who support her. If Kang He is suddenly brought down, there will definitely be a lot of people opposing Kang Xue."

Jiang Yu lowered her head, and a glint flashed in her eyes. "Then let's get that group of people to support Kang Xue First, and then we will bring Kang He down."

The other three were all shocked by Jiang Yu's plan. They were stunned for a long time before saying, "Alright, we will definitely do our best to help."

Jiang Yu nodded in satisfaction. "Then let's celebrate our plan first."

Chapter 856: Pregnant

Almost half a month had passed since Jiang Yu and the others made their plans.

During this period, Kang Xue used her memory to write down all the companies that she remembered that were on good terms with Kang He.

There were also some companies that she could not remember and did not know. There were also more than a dozen companies that she wrote down.

Although those companies were not big, their strength was not to be underestimated.

Jiang Yu and the other three conducted a small investigation on the CEOs of these companies to see what they liked. This way, they could better prepare for the future.

"This CEO Liu likes really strange things," Lu Qi said. "He's a big man, but in the end, what kind of embroidered pillow does he like?"

Dai Zhu sighed. "Mine is even more ridiculous. This CEO Wang likes socks, or does he like socks worn by others? Do you think he's disgusting?"

"Okay, okay, stop talking." After Jiang Yu recorded the information of the last person on her computer, she said to the other three, "Are you done? Let's go out for a meal and take a break."

"Let's go!"

They walked on the field and bumped into Jiang Ran.

"What bad luck." Lu Qi spat. She wanted to go around Jiang Ran, but Jiang Ran staggered and fell at Lu Qi's feet.

"Aiya!" Lu Qi was so scared that she stepped back. "Jiang Ran, Jiang Ran is acting! I didn't touch her!"

Jiang Yu quickly went over to check on Jiang Ran. She found that her forehead was sweating, her lips were trembling, and they were very white.

"Xiao Yu, let's go!" Lu Qi shouted in fear, "Jiang Ran is planning to be a scapegoat! Otherwise, how could she be here so coincidentally?"

There were more people on the field, and Jiang Ran was closer to them. In order to avoid gossip, they had to take Jiang Ran to the infirmary.

"Come over and help. Take Jiang Ran to the infirmary," Jiang Yu said.

The other three had to help take Jiang Ran to the infirmary.

After a check-up, Jiang Yu and the others learned a shocking secret — Jiang Ran was pregnant.

"Ah?" Dai Zhu was dumbfounded. "Medical teacher, are you sure?"

The medical teacher looked at Dai Zhu. "The equipment here is state-of-the-art. How could I be wrong?"

"But, but, how could she be pregnant?" Dai Zhu was puzzled. "Could it be her fiancé? But how old is Jiang Ran? How could she be pregnant?"

Jiang Yu was also silent. She didn't expect Jiang Ran to be pregnant.

For a moment, she didn't know whether this was good news or bad news.

After thinking about it, they decided to tell Jiang Ran about it when Jiang Ran woke up. But because there were too many people, the medical teacher was worried that they would disturb Jiang Ran's rest, so she asked only one person to stay here.

Jiang Yu stayed here and quietly waited for Jiang Ran to wake up.

A few hours later, Jiang Ran slowly opened her eyes.

"You're awake?" Jiang Yu asked.

Jiang Ran was shocked by Jiang Yu and instantly woke up. "You, why are you here? What is this place?!"

"This is the infirmary," Jiang Yu explained helplessly.

"Infirmary?" Jiang Ran muttered to herself, "Why am I in the Infirmary?"

"You fainted. I was the one who brought you here," Jiang Yu said.

"You?" Jiang Ran didn't believe it. "How could you be so kind?"

Jiang Yu looked at Jiang Ran for a long time before saying, "Do you know that you're pregnant?"

"Of course... What did you say?!" Jiang Ran's expression changed from disdain to panic in an instant.

"I'm pregnant?!"

Jiang Yu nodded. "Yes."

"That's impossible. How could I be pregnant?" Jiang Ran couldn't believe it. "Could it be the last time..."

Could it be the last time when she slept with Sun You, she didn't take any protective measures?

That's right. She had been blindfolded the entire time. She didn't know if Sun You had taken any protective measures.

Jiang Ran was a little scared now, she quickly called Sun You. "Hello? Sun You? It's me, Jiang Ran. Are you busy right now? I have something to tell you. ... this is very important. I must tell you in person."

After hanging up the phone, Jiang Ran did not look at Jiang Yu. She did not even say "Thank you" and immediately left the infirmary.

Jiang Yu sighed helplessly. She did not expect that Jiang Ran would not even say "Thank you" at this time.

She shook her head and returned to the dormitory.

Chapter 857: Family Matters

When Jiang Yu returned to the dormitory, she found Lu Qi and the others sitting there.

After all, after such a shocking event, they were not in the mood to eat. When they saw Jiang Yu return, they asked, "How is it?"

Jiang Yu threw her coat on the bed and said, "She went to look for her fiancé, Sun You."

"She didn't even thank you?" Lu Qi pouted. "She really doesn't know who saved her."

Jiang Yu didn't care because she knew Jiang Ran.

Jiang Ran would pretend to say "Thank you" to others, but to Jiang Yu, she wasn't even willing to pretend.

"It's best if her fiancé is willing to marry her. Otherwise, Jiang Ran will have nowhere to cry," Lu Qi kept muttering.

In fact, Sun You couldn't wait for Jiang Ran to get pregnant.

Jiang Ran found Sun You's company and walked into his office.

Sun You saw Jiang Ran walk in angrily and couldn't help but be puzzled. "What's wrong?"

He was the only one in the room, so Jiang Ran didn't have to worry. She asked, "Didn't you take precautions last time?"

"Last time?" Sun You thought for a while and then realized that Jiang Ran was talking about the incident in the hotel.

"Yes, that time in the hotel! Didn't you take precautions last time?!" Jiang Ran was a little agitated.

Seeing that Jiang Ran was obsessed with this question, Sun You also had a little guess in his heart.

"You... are pregnant?" Sun You Asked tentatively.

"What do you think? If I wasn't pregnant, would I have come to you to ask this question?!" The more Jiang Ran spoke, the more agitated she became. "Why didn't you take precautions that day? Now that I'm pregnant, how do I explain it to my parents?!"

Sun You's heart was already blooming with joy. He had no intention of quarreling with Jiang Ran at all. He comforted Jiang Ran, "Ran Ran, don't be angry. I was too emotional that day, and I couldn't control myself. That's why I did such a thing on impulse... But you won't blame me, right?"

Jiang Ran was originally very angry, but when she saw Sun You like this, she immediately stopped being angry. She even couldn't help but laugh.

She looked at Sun You. "Then what should we do now?"

Sun You thought for a moment and decided to tell her Jiang Ran's true identity. "Ran Ran, actually, you're not Wei Juan's daughter, but the daughter of the Kang family."

Jiang Ran was stunned. "What?"

Sun you explained to her, "The Kang family in the capital lost a young miss many years ago. Her name was Kang Die. After a few twists and turns, she married Jiang Hai at that time and gave birth to a daughter. This daughter is you. Wei Juan is only the wife that Jiang Hai later married. Jiang Yu is her daughter."

Jiang Ran couldn't hear anything at the moment. Her mind was full of two things — she was the daughter of the eldest daughter of the Kang family, and Jiang Yu was Wei Juan's biological daughter.

"Impossible." Jiang Ran was surprised, but she felt that Sun You's words couldn't be true. "If Jiang Yu is really Wei Juan's biological daughter, how could she be so cold to Jiang Yu and focus on taking care of me?"

“Don’t you understand? Wei Juan did this because she knows that you are the most precious person!” Sun You said, “You will return to the Kang family in the future. As long as she fawns on you, you will definitely remember her kindness in the future. Then, won’t her future rich days all depend on you?”

“No... Impossible!” Jiang Ran still refused to believe it, “My mother said that I’m her biological daughter! Are you mistaken? Perhaps... Jiang Yu is the child of that young miss? Or perhaps, both of us are? is that possible?”

Of course there was, but Sun you would not say it out loud.

No matter what the situation was, the chess piece in his hand was Jiang Ran, so he would definitely not let Jiang Yu have the chance to set foot on this path.

“Ran Ran, don’t be silly. If Jiang Yu was the daughter of that young miss, do you think Wei Juan and Jiang Hai would still be so indifferent to her?” Sun You said.

Jiang Ran fell silent this time because she felt that Sun You’s words made sense.

The Kang family in the capital was a large family that could contend with the Mo family. It could be said that they occupied half of the sky respectively.

If Jiang Yu really had a relationship with the Kang family, her parents would definitely not be so against her. Instead, they only focused on nurturing her.

Then, it seemed that she was really the daughter of that young miss of the Kang Family?

“Am I really a member of the Kang Family?” Jiang Ran asked again with uncertainty.

Sun you said, “Not only a member of the Kang family, but also a direct descendant, not a side branch.”

Jiang Ran was stunned.

Chapter 858: Visit Kang He

In other words, she was standing on top of everyone all of a sudden?

Then wouldn’t her status be higher than that arrogant and despotic Kang He?

Thinking of this, Jiang Ran’s mood became very happy. Although she wanted to curry favor with Kang He and make friends with her, she also hoped that she could help her when something happened to her.

However, there was no need for that now. If she returned to the Kang family and obtained her real identity, Kang He would probably come over to curry favor with her.

The more Jiang Ran thought about it, the happier she became. She was already looking forward to this day.

Therefore, she obediently wrapped her arms around Sun You’s neck and asked sweetly, “Then when are we going back to the Kang Family?”

Sun You kissed her forehead and said, "After I finish the work in hand and arrange the other work schedules, we will go to the Kang family."

"Okay."

After Sun you settled his work, he submitted an invitation to the Kang family in capital.

He had already planned that as long as the Kang family agreed to meet Jiang Ran and recognized her back, then his future would have a big guarantee.

However, Sun You's plan worked, but the Kang family did not fall for it. He did not even speak to the Kang family's butler before the invitation was rejected.

"Why?" Sun You asked unwillingly.

However, there was no response.

Sun You was so angry that he wanted to smash the computer, but when he remembered that Jiang Ran was still by his side, he held back.

Jiang Ran looked at him and couldn't help but ask, "What's wrong?"

Sun You rubbed the space between his brows and sighed. "Nothing much. It's just that they don't agree to meet for the time being."

Jiang Ran was puzzled. "Why? I'm the daughter of the Kang family's long-lost eldest daughter. How dare they not agree to meet?"

Sun You said, "They might not believe me, so we need to think of another way now."

Jiang Ran planned to personally send an invitation application to the Kang family. "I'll tell them and directly reveal my identity. Let's see if they still agree or not."

"Wait a minute." Sun You stopped her, "This matter is just the beginning. It's better for you not to show up first. This matter is very big. Before it's completely confirmed, it's best for you not to appear in front of others. Otherwise, this matter will cause a storm in the city."

Jiang Ran said in a huff, "This won't do either. When can I return to the Kang Family?"

Sun You Thought for a while and asked, "Isn't there a Kang Xue in your school? She's from a branch family of the Kang family. You have a good relationship with her. Ask her to help you talk to her."

Speaking of Kang Xue, Jiang Ran thought of a person — Kang He.

She smiled mysteriously and said to sun you, "If we don't go to Kang Xue, we have a better candidate."

Sun You was puzzled. "Who?"

Jiang Ran said, "You'll know when you see her."

Although Sun you didn't understand, he still followed Jiang Ran to see the so-called "Better candidate."

When they arrived at the place, Sun You found out that the person Jiang Ran was talking about was Kang Xue's sister — Kang He.

However, he heard that Kang He had always been cold and aloof. No matter who asked her out, they would not give her face. Why did she seem to have changed her personality and agree to meet Jiang Ran?

Could it be that... Kang He also knew Jiang Ran's true identity?

But in reality, it was because Jiang Ran sent a message to Kang He saying that there was an important matter regarding Jiang Yu and Kang Xue that she wanted to talk about in person. That was why Kang He agreed to Jiang Ran's request and came out to meet.

Kang He took a sip of coffee and said nonchalantly, "If you have something to say, just say it."

Jiang Ran probed, "Can you help me tell the Kang family in capital that I want to meet them?"

Kang He paused and raised her head to look at Jiang Ran in disbelief. "What did you say? You want to meet the Kang family in capital?"

Jiang Ran nodded, her eyes filled with hope.

However, Kang He sneered. "What kind of status do you have to dare to go to capital? I advise you to stay here obediently and help me keep an eye on Jiang Yu and Kang Xue's movements. Otherwise, you won't have a good ending."

If it was in the past, Jiang Ran would still be frightened by Kang He's appearance. But now, she firmly believed that she had a strong backer behind her, so she was not afraid of Kang He, "My words are here, whether you do it or not is up to you. But I need to advise you that if you don't do it, you will definitely regret it in the future."

Chapter 859: Xu Ye's Attack

Jiang Ran's smug expression made Kang He not know whether she should do it or not.

However, Kang He quickly reacted. "Jiang Ran, what are you so smug about? I think you and that Jiang Yu are the same..."

Before she could finish, Jiang Ran interrupted her. "Kang He, you dare to talk to me like this now because you don't know my identity, right? Then I'll tell you, I'm the daughter of the Miss who went missing from the Kang family in capital!"

"What?" Kang He was stunned.

Jiang Ran looked at her proudly.

And all of this was seen by a man wearing a brown coat in the dark.

He stayed there to observe for a while until Jiang Ran and Sun You left. Then, he got up and left with them.

But the place he went to was the residential area where Xu Ye lived.

He took the elevator and knocked on Xu Ye's door.

Tang Yi opened the door and said in a low voice, "Come in."

After the man came in, he sat on the sofa unceremoniously as if this was a place he was very familiar with.

Xu Ye stood by the window, smoking while looking at the scenery outside the window. "Why did you come back so early today?"

The man took a sip of water and said, "Because there's no need to continue investigating."

"Then what did you find?" Xu Ye turned around to look at him and put out the cigarette in his hand in the ashtray.

"If you still insist on waiting for a suitable time, then the final result you will get is that Jiang Ran took that position," The man said.

Tang Yi was puzzled. "Dong Ke, what do you mean?"

Dong Ke explained, "Sun You and Jiang Ran have already started their operation. They are looking for people everywhere, hoping to go to the Kang family in capital to recognize them as relatives. Although the Kang family is not easy to enter, if Jiang Ran is really the daughter of the Kang family, then she will have to go back sooner or later."

Tang Yi was also a little hesitant. He looked at Xu Ye. "Xu Ye, what are you going to do with us now?"

Xu Ye sneered. "Who the hell is Jiang Ran? Is Jiang Hai and Wei Juan's daughter planning to rush to the Kang family to get a piece of the pie?"

He was very confident because Jiang Ran was not the Kang family's daughter at all. Jiang Yu was the only real daughter of the Kang family.

Therefore, even if Jiang Ran really stepped into the Kang family, she would definitely be kicked out.

However, since they were already so anxious, he had to take the initiative to attack. Otherwise, others might get there first.

He patted Dong Ke's shoulder. "You don't need to do this anymore. What you need to do now is to go to capital and help me find information about the Kang family."

"That place is not a place that an ordinary person like me can get close to..." Dong Ke did not want to go.

But Xu Ye threw out an enticing condition. "I'll pay more."

Dong Ke instantly beamed. "Okay, I'll go right away."

With that, Dong Ke left.

Back then, when Xu Ye made up his mind to get Jiang Yu, in order to prevent Jiang Ran from ruining his plans, he had Tang Yi find a private detective to keep an eye on Jiang Ran's every move.

Dong Ke was the private detective that Tang Yi had found.

A while ago, Jiang Ran had always been well-behaved and did not do anything out of the ordinary.

But today, something happened and her entire person had changed.

Dong Ke listened from the side and realized that she already knew her true identity.

So he continued to stay where he was and listened to the entire conversation between the three of them before leaving.

After Dong Ke left, Tang Yi looked at Xu Ye. "What are your plans next?"

Xu Ye muttered, "We should let Jiang Yu know about this."

"But will she believe it?" Tang Yi was a little worried.

"Of course she won't believe it." Xu Ye smiled, "But she just won't believe what I said. She will believe Mo Long. If she has doubts, she will definitely let Mo Long find out the truth. When that time comes, all the facts will be out in the open. Jiang Ran will not have the chance to step into the Kang family."

As he spoke, he gave Jiang Yu a call. "It's Jiang Yu, right? I'm Xu Ye."

Jiang Yu was silent. She did not know why Xu Ye called her.

Seeing that Jiang Yu was silent, Xu Ye said, "I have something to tell you. When are you free recently?"

Jiang Yu said, "If you have something to say, just say it over the phone."

"I can't explain it over the phone," said Xu Ye with a smile.

Jiang Yu said helplessly, "Since you can't explain it, then don't say it. Alright, if there's nothing else, I'll hang up first."

Chapter 860: Jiang Yu's Background

"Wait a minute." Afraid that Jiang Yu would really hang up the phone, Xu Ye hurriedly called out to her, "Then tell me over the phone."

Only then did Jiang Yu put the phone back to her ear and asked, "What is it?"

Xu Ye said, "It's about your background."

"My background?" Jiang Yu was stunned.

"You are indeed Jiang Hai's daughter, but at the same time, you are also the daughter of the Kang family," said Xu Ye.

"The Kang Family?" Jiang Yu was stunned again. "Is it... The Kang family of capital?"

Xu Ye's tone was very firm. "Yes."

Jiang Yu's mind was a little confused now. She did not know what Xu Ye was talking about.

"You just said that you are from my family? And you said that I am the daughter of the Kang Family? What are you talking about?"

Xu Ye curled the corners of his lips. "I have already said it. This matter can only be explained clearly in person."

Jiang Yu was silent for a moment before she slowly said, "I understand. It's getting late today. I'll meet you tomorrow."

"Alright, I'll see you then."

After saying that, Xu Ye waited for Jiang Yu to hang up the phone.

After Jiang Yu hung up the phone, a sentence kept spinning in her mind — you're the daughter of the Kang family.

Moreover, this Kang family was not an ordinary Kang family. Instead, it was the Kang family of capital, a family that was rumored to be able to be on par with the Mo family.

He was the daughter of the Kang Family? Why had no one mentioned it all this time?

This matter was too bizarre.

The next day, after Jiang Yu woke up, she quickly arranged a meeting time and place with Xu Ye.

After arriving at the place, Jiang Yu realized that today, Xu Ye was alone. Tang Yi did not come along.

"Tang Yi didn't come with you?" Jiang Yu asked casually.

"He had other things to do," Xu Ye said.

After the two of them sat down in the seats that Xu Ye had reserved, Jiang Yu was the first to speak.

"What did you say yesterday?"

Xu Ye smiled. "About your background. You always thought that your mother was an ordinary person, but she wasn't ordinary."

"What do you mean?"

Xu Ye told Jiang Yu everything that he had found out.

"So... I'm the daughter of the Kang Family?" Jiang Yu muttered to herself in disbelief. "How do you know about these things?"

Xu Ye paused, not knowing where to begin.

However, Jiang Yu quickly understood Xu Ye's thoughts. "So, you approached me in the beginning because of my identity? Because I'm the daughter of the Kang family, this identity is beneficial to you. That's why you approached me, right?"

"That's what I said, but I'm sincere to you!" Xu Ye quickly explained. "After such a long period of contact, I've long developed real feelings for you! Jiang Yu, believe me!"

As he spoke, he even wanted to reach out and touch Jiang Yu's hand.

However, Jiang Yu retracted her hand, "Xu Ye, whether you're sincere to me isn't important. You knew from the start that I had a fiancé, so you should also understand that regardless of whether your feelings for me are real or fake, it can only end in failure."

"Why? Our relationship can clearly be improved." Xu Ye was unwilling to accept this, "Mo Long is indeed powerful, but if I restore the glory of the Xu family, I won't be inferior to him! Jiang Yu, as long as you are willing to help me, when I restore the XU family, you will find out just how glorious I am!"

Jiang Yu looked at him. "Relationships have nothing to do with family power. Even if Mo Long is a nameless merchant pawn, I will still like him."

"Why? As long as you help me, I can be like him! My feelings for you are no less than his feelings for you! Why won't you look at me?"

"My eyes are all on Mo Long, so I can't look at anyone else," Jiang Yu said, "Thank you for telling me today. I'm very grateful to you. We may be very good friends, but we will never be together."

With that, Jiang Yu got up and was about to leave.

Xu Ye held her hand unwillingly. "Really... There's no chance at all?"

"Yes." Jiang Yu rejected decisively.

"Okay, I got it." Xu Ye let go of her hand dejectedly. "If there's anything, tell me. I'll help you."

"Thank you." Jiang Yu thanked her sincerely.

Before she left, she said to Xu Ye, "Xu Ye, in the eyes of those who like you, you're already the most brilliant and perfect person."

Xu Ye paused, slowly closed his eyes.
