

Older Man 881

Chapter 881: I'm The Real Deal

"Don't talk nonsense! What cheating?!" Jiang Hai's eyes couldn't help but darken. "I've never cheated! I've never done anything to let Kang Die down!"

"It's okay if you don't admit it." Jiang Yu sneered. "I'll show you the evidence so that you have to admit it."

"Okay." Old Master Kang interrupted Jiang Yu with a sullen face. "Miss, you said that you're Kang Die's daughter? Where's the evidence?"

Jiang Yu steadied her mind. "The evidence will be here soon."

"What do you mean it will be here soon?" Sun You seized this opportunity and quickly shouted, "Jiang Yu, I think you are just stalling for time, right? If you really have evidence, bring it out now!"

Sun You was aggressive and didn't give in in the slightest.

Because he firmly believed that Jiang Yu couldn't bring out the evidence. At this moment, what supported her to stand here was just an ink dragon.

"Don't worry, it'll be there soon." Jiang Yu glanced at the time on her phone. She estimated that Chang Kai and Xie Hui would arrive soon.

Soon, the butler came in and reported, "Master, there's a policeman named Chang Kai at the door with a man named Xie Hui."

"What time is it?" Sun you said impatiently, "Tell them to wait at the door!"

"Since when did you get to speak here?" A coquettish woman said with a smile.

"Aunt, I was too angry, so I didn't say anything." Sun You scratched his head and said embarrassedly.

Kang Qi didn't say anything and just looked at Jiang Yu calmly.

"They are the witnesses I invited." Jiang Yu said to grandfather Kang, "Please let them in."

"Alright, I'd like to see what tricks you can come up with." Grandfather Kang gestured to the butler. "Let them in."

"Yes, Master." The Butler went out to bring Chang Kai and Xie Hui in.

It was Xie Hui's first time coming to such a luxurious house, so he was very cautious with his every move.

Among these people, he only knew Jiang Yu. Therefore, as soon as Xie Hui entered the door, he stood beside Jiang Yu.

Jiang Yu grabbed Xie Hui's hand and comforted him, "Grandpa, don't be nervous. You just need to tell me everything about how you adopted my mother back then. Also, tell me everything about the adoption procedures you went through back then."

Hearing this, Xie Hui took out the adoption procedures back then from his bag. Although it had been more than forty years, Xie Hui had preserved the procedure very well. The handwriting on it was clearly visible, and the photo was also very clear.

Xie Hui handed the procedure to Old Master Kang with fear and trepidation. Then, he began to tell the story of how he adopted Kang Die back then.

Old Master Kang flipped through the procedure. There were only a few pages, but he flipped through it several times.

After Xie Hui finished telling his story, Old Master Kang asked in a trembling voice, “Back then... were you really the one who adopted Kang Die?”

Xie Hui nodded. “It was me.”

As he said that, he lowered his head in embarrassment. “But even if we adopted her, we still couldn’t give her a good life.”

“No...” Old master Kang’s eyes were filled with tears. “If it wasn’t for you, perhaps...”

Although Old Master Kang didn’t finish his sentence, Xie Hui knew that if he hadn’t adopted Kang Die back then, Kang Die might not be in this world anymore.

The air was silent for a moment, but Jiang Hai and Jiang Ran were a little anxious.

If they didn’t leave now, their lies would be exposed.

However, they had no chance to leave now.

“Everything is clear now.” Jiang Yu looked at Jiang Ran. “Jiang Ran, you should return what you stole from me.”

Jiang Ran’s eyes rolled up and down. She quickly walked behind Sun You and shouted at Jiang Yu, “Jiang Yu, stop talking nonsense! Do you think you can say that I’m a fake just by relying on the adoption procedure?!”

“If you don’t believe me, you can ask around and see what name Jiang Hai gave his daughter after my mother died in childbirth.” Jiang Yu shrugged.

Hearing that, Jiang Hai quickly stood up and said, “Jiang Ran! The name I gave Kang Die’s daughter was Jiang Ran!”

“No?” Xie Hui looked at Jiang Hai in surprise, “You are Jiang Hai? After Kang Die gave birth to her daughter, you only gave her the name ‘Jiang Yu’. Then, you hurriedly went back and married Wei Juan. What’s her name? Jiang Ran is the child of you and Wei Juan, right?”

“Did you hear that?” Jiang Yu looked at Jiang Ran with a cold smile. “I’m the real deal.”

“Nonsense!” Jiang Hai felt guilty and wanted to explain. “My Daughter and Kang Die’s name is Jiang Ran!”

Chapter 882: Wei Juan’s Testimony

"You're the one spouting nonsense. Don't I know the name of your daughter and Kang Die's?" Xie Hui knew a little about Jiang Hai's affair back then.

"Kang Die died during childbirth back then. As her husband, not only did you not raise you and her daughter, you even married that woman named Wei Juan in less than a week!"

"Nonsense!" Jiang Hai roared. "Jiang Yu, did you bribe this old man?!"

Jiang Yu looked at him coldly and felt that Jiang Hai was really terrifying and ugly at this moment.

"Shut up! You have no right to speak here!" Grandfather Kang shouted angrily. "Whether he was bribed by Jiang Yu or not, is it true that you cheated on her back then?!"

"No, no!" Jiang Hai squeezed out a few tears. "Dad, you have to believe me!"

"If you want me to believe you, then show me the evidence!" Master Kang's eyes widened in anger. He could not imagine that his youngest daughter, whom he loved the most, would suffer such pain after she got married.

"I, I..." Jiang Hai stammered, his eyes darting up and down.

Because he couldn't produce any evidence at all.

"If you can't produce any evidence, then admit to what you've done," Jiang Yu said, "The orphanage has records from that year, and the registered name is Jiang Yu. And when you brought me back from the orphanage, you had already announced it to the world. Everyone knew that the daughter you brought back from the orphanage was called Jiang Yu. You're only saying now that the daughter of the first wife you brought back is called Jiang Ran. Don't you think it's too ridiculous?"

"I..." Jiang Hai couldn't say anything to defend himself. Cold sweat was already dripping down his forehead.

"Does that mean that Kang Die's daughter is really Jiang Yu?" Xin Xiu, who had been silent all this while, suddenly exclaimed, "Then didn't Jiang Ran lie to us all this while?"

"No! I didn't!" Jiang Ran hurriedly shook her head. "What I said is true!"

Just as she was explaining, the butler came in again and reported to master Kang, "Master, there's a woman named Wei Juan at the door. She said she's Jiang Hai's current wife and wants to come in to see you."

Wei Juan?!

This name aroused the fear in Jiang Ran and Jiang Hai's hearts, and they wanted to escape this place as soon as possible.

Old Master Kang said, "Let her in."

Jiang Ran took the opportunity to run to Sun You's side and whispered, "What do we do now?"

“What do you mean, what do we do?” Sun You thought that Jiang Ran was Kang Die’s daughter, so he thought that it didn’t matter even if Wei Juan came. “Anyway, you are Kang Die’s daughter. No matter what Wei Juan says when she comes, you just have to admit it or not.”

“No...” Jiang Ran was so anxious that she was about to cry.

Wei Juan walked in under the direction of the butler. When she saw Jiang Ran, her eyes started to ache, and tears almost flowed down her face.

“Ran Ran, it’s me.” Wei Juan looked at Jiang Ran, and her tears could not help but fall.

“I know it’s you.” Jiang Ran laughed dryly. “Why are you here?”

“I was worried about you. I came to take a look...”

Before Wei Juan could finish her sentence, Jiang Ran interrupted her. “Mom, I’m living very well at grandfather’s place. You don’t have to worry about me. If you have the time, you might as well worry about little sister Jiang Yu. After all, she’s your biological daughter, right?”

As Jiang Ran spoke, she winked at Wei Juan.

However, Wei Juan didn’t receive Jiang Ran’s gaze at all. Instead, she said, “Jiang Yu is not my daughter.”

“If she’s not your daughter, then who is?” Sun You was puzzled. He didn’t know why Wei Juan would say something like that.

When she left this morning, she had said that as long as anyone asked, Jiang Yu was her biological daughter.

At that time, Wei Juan had promised confidently. How did her attitude change in less than a day?

“Mom, what nonsense are you talking about?” The smile on Jiang Ran’s face was about to break. “Go back quickly. This is not the place for you to come.”

Of course, Wei Juan would not leave just like that. She wanted to bring Jiang Ran back with her.

Old Master Kang Looked Wei Juan up and down and asked, “Are you Wei Juan?”

“Yes, I am.” Wei Juan did not know who the old man in front of her was, but judging from the aura he exuded, this old man’s status was not low.

“You just said that Jiang Yu is not your daughter?” Old Master Kang asked again.

“Of course she is not my daughter.” Wei Juan pointed at Jiang Ran. “She is my daughter.”

“Don’t talk nonsense! I’m not your daughter!” Jiang Ran screamed.

Sun You also said, “Aunt Wei, what are you talking about? How can Ran Ran be your daughter? Look carefully, your daughter is Jiang Yu.”

Chapter 883: Kicked Out

"How could Jiang Yu be my daughter? Sun You, are you out of your mind?" Wei Juan put her hands on her hips and said confidently.

"So, Jiang Ran is not Kang Die's daughter?" Grandfather Kang's eyes were fixed on Jiang Ran, but his words were directed at Wei Juan.

"Who is my daughter? Don't you think I know?" Wei Juan said disdainfully.

Everyone turned to look at Jiang Ran. Even Sun You looked at her with confusion in his eyes.

Jiang Ran knew that she couldn't hide it anymore, but she couldn't admit that she had been lying to them.

Therefore, Jiang Ran thought about it. In order to protect herself, she could only push the blame to Sun You.

Therefore, Jiang Ran pointed at Sun You and said loudly, "It's all him! He told me that I'm Kang Die's daughter, so I came back to the Kang family to recognize my family..."

Her voice became softer and softer until in the end, she couldn't even hear herself.

Sun You looked at Jiang Ran in shock. He couldn't believe that she would say such a thing.

"If you still don't want to believe it, then we have one last way." Jiang Yu said, "That is to do a paternity test."

"No need. I admit that you are Kang Die's daughter." Jiang Ran closed her eyes and said this as if she was resigned to her fate. "I took away your identity. I'm sorry."

As soon as she said this, everyone began to whisper, "So Jiang Ran has been lying to us all this time?"

"Not only Jiang Ran, but her fiancé and her family are also lying!"

"She's really shameless. She's a sparrow, yet she thinks she can fly to the top and become a Phoenix?"

These words were getting more and more unpleasant, and Jiang Ran could no longer listen to them. Moreover, she was still pregnant, and her emotions were already fragile, so she could not listen to a single word.

She stumbled out, and Wei Juan quickly followed, afraid that something would happen to her.

Sun You also stood there in a daze for a long time before he walked out together with his hands and feet, intending to find Jiang Ran and ask her what was going on.

Only Jiang Hai was delusional enough to use his identity as Jiang Yu's father to fight for a position in the Kang family.

Therefore, he said obsequiously, "Dad, you see, I'm confused. I can't even tell who my own daughter is. Now I remember that Jiang Yu is indeed my daughter and Kang Die's daughter."

Old Master Kang didn't believe him at all. "You can even remember your own daughter wrongly. How dare you say that you're a father?"

He waved his hand and said to Kang Zheng, "Kick him out. And those people, all of them."

"Got it, Dad."

Jiang Hai refused to give up. He still wanted to stay in the Kang family and refused to leave. However, Jiang Yu didn't intend to give him the chance. "Twenty years ago, after you married my mother, you had an affair. I haven't settled the score with you yet. How dare you stay in the Kang family now?"

"Stop talking nonsense!" Jiang Hai's eyes were red. "You said I had an affair. Where's the evidence?!"

He didn't know who the person in front of him was anymore. As long as someone stopped him from staying in the Kang family, he would bite people everywhere like a mad dog.

"Shut up!" Grandfather Kang shouted angrily.

Kang Zheng and Kang Cheng dragged Jiang Hai out together.

Jiang Hai was still unwilling to give up and shouted, "Dad! Listen to my explanation! Listen to my explanation!"

Only when the voice disappeared did old master Kang sigh and look at Jiang Yu again. "You... are Kang Die's daughter?"

"Yes." Jiang Yu nodded.

Old Master Kang's tears streamed down his face. "I've been walking around for more than 40 years. I've finally found you."

Jiang Yu's eyes were also filled with tears. She walked forward and hugged old master Kang. "Grandpa."

Old Master Kang quickly replied, "Hey, hey, Grandpa is here."

Xie Hui, who had never felt like he existed, was suddenly at a loss. He did not know where he should go at this time.

He had heard from Chang Kai that he was going to Kang Die's original house today to be a witness. Therefore, he specially chose a dress that he thought was the most appropriate.

However, when he wore it and looked at it, he realized that he was still wearing tattered clothes. Even the servants here wore clothes that were much better than his own.

At this time, everything had been settled. Xie Hui felt that there was no need for him to continue staying here. Thus, he awkwardly rubbed his hands and said awkwardly, "If there's nothing else, I'll be leaving first. Um... Congratulations."

"Hurry up and leave." Xin Xiu impatiently covered her nose with her hand, as if she had smelled something unpleasant on Xie Hui's body.

Chapter 884: Completely Abandoned

"Wait a minute." Elder Kang called out to Xie Hui, who was about to leave. "Thank you for adopting Kang Die back then and raising her up. In the end, you even gave me such a cute granddaughter."

"You're welcome." Xie Hui was at a loss. "Back then, my wife and I also didn't have any children. When we met Kang Die, we thought that it was a blessing from God, so we took care of her."

"You have a great favor for our Kang family," Elder Kang said. "If you're willing, I sincerely invite you to come and live with us."

When Xin Xiu heard this, she hurriedly called out, "Dad!"

Xie Hui knew his identity. He didn't fit in with these high-ranking officials and nobles at all. Not to mention coming to live with them, even if he said a few words to them, in the eyes of others, it would be a blessing that had been cultivated over several lifetimes.

He knew what he was capable of, hence, he did not agree to old master Kang's suggestion. "Forget it. I'm just a poor person, and it's not suitable for me to stand with you guys. I came today to be a witness. Being able to send Jiang Yu safely to your Kang family can be considered a wish of mine. If there's nothing else, I'll go back first."

He smiled and turned to leave.

Old Master Kang immediately said to the butler beside him, "Arrange a house for him in the capital. No matter what method you use, you must make him accept it."

The butler replied, "Yes."

However, just as the butler left, Jiang Hai ran over and grabbed his arm. he shouted, "Let me go in and see Old Master Kang!"

The butler's face immediately turned cold. "Your family has made up so many lies, and you still want to see our master at this time? What wishful thinking!"

"I beg you, count it as I beg you!" Jiang Hai abandoned his previous dignity and humbly went to beg a butler. "Let me see Master Kang!"

Jiang Ran felt that Jiang Hai was a little embarrassed, so she walked over and tried to pull him back. "Dad, don't do this..."

However, Jiang Hai couldn't hear anything at the moment. He only wanted to see Old Master Kang. He flung Jiang Ran far away.

Jiang Ran staggered backward. If it weren't for Wei Juan supporting her, she might have fallen.

Wei Juan yelled angrily, "Jiang Hai! Have you lost your mind? ! Ran Ran is your daughter, and your granddaughter is in her belly!"

Speaking of children, Sun You, who was smoking at the side, sneered. He threw half of the cigarette in his hand to the ground and put it out with his foot.

He walked to Jiang Ran and pinched her face with his hand. "Jiang Ran, abort the child."

"What?" Jiang Ran looked at Sun You in horror. "This is our child, how can you let me hit him?"

"You are nothing now. Then why do you keep this child? Do you want to burden me?" Sun You looked at Jiang Ran with amusement. "Do you think I will marry a sparrow?"

"What sparrow? Sun You, what are you talking about?" Jiang Ran didn't understand Sun You's words.

"We are already engaged and I am already pregnant. Don't tell me you don't want to keep this marriage?"

"So what if we're engaged? So what if you're pregnant?" Sun You laughed loudly, "The engagement is just a ceremony. We're not married yet. Is there anything wrong with canceling it just like that? As for this child, as long as you abort it, then we're even."

"Even?" Jiang Ran never thought that the Sun You she had always trusted would actually look like this.

"Sun You, how much do you owe me? Are you going to tell me that you're even?"

"What do I owe you? Ever since we got together, haven't you been spending my money? You're only pregnant now, so you can just abort it, right?"

Sun You didn't want to waste any more time here. "Jiang Ran, you'd better recognize your current identity. You're not Kang Die's daughter, not a member of the Kang family, so I won't marry you. Do you understand?"

Jiang Ran was stunned, and tears flowed down from her eyes.

Sun You turned around and planned to drive away from this depressing place, but Jiang Ran grabbed him. "Sun You, do you want to leave alone?"

"Do I have to bring you along?" Sun You looked at her with a funny expression and gave her a hard push.

"Stay with your parents. You're a member of the Jiang family, not my Sun family."

With that, Sun You drove away.

Wei Juan rushed forward to support Jiang Ran and comforted her, "Ran Ran, it's okay. Mom and dad will always be with you."

"What's the use?!" Jiang Ran shouted at her, "Why did you come here? Didn't we agree not to come?!"

Chapter 885: Threat

Wei Juan was at a loss for what to do after being yelled at by Jiang Ran. She smiled awkwardly and said, "Ran Ran, if that's the case, you can reunite with your parents, and you can also marry Sun You and live a happy life. Isn't that good?"

"What's good?! Don't you understand? Because I'm not Kang Die's daughter, Sun You doesn't plan to marry me! Do you know that?!" Jiang Ran screamed in despair, "It's all because of you. Everything that should have been in my hands has disappeared!"

"I, I didn't expect it to be like this..." Wei Juan lowered her head.

"You didn't expect it? I think you're afraid that I'll ignore you when I return to the Kang family, right?" Jiang Ran sneered, "So you came here in a hurry to expose me? Because you're worried that you won't be able to live a good life, so you don't want me to live a good life either, right?"

"Ran Ran, how can you say that?" Wei Juan held her hand, wanting to go back with Jiang Hai.

"Don't touch me." Jiang Ran expressionlessly shook off Wei Juan's hand. "If you want to go back, go back yourself. I'm going to ask Sun You for justice."

With that, Jiang Ran went to the Kang family mansion and took a taxi to Sun You's company.

Wei Juan saw that Jiang Ran was unwilling to go back with her, so she could only look at Jiang Hai.

"Jiang Hai..." Wei Juan called out shakily.

"Get lost." Jiang Hai had long thrown away his usual amiability and became someone Wei Juan didn't know.

"Although I never thought that I would have the day to cling to the Kang family. But when this day really comes, I know how convenient it is to cling to a powerful family. If you hadn't come today to stir up trouble, perhaps things wouldn't be as unsolvable as they are now."

Seeing Jiang Ran and Jiang Hai push the blame onto her, Wei Juan was a little angry for a moment, she said unhappily, "Did I do something wrong? I'm just an ordinary woman. I want my husband and daughter to stay by my side, can I not?"

"As you wish." Jiang Hai shook his head indifferently. He got up and walked to a flower bed in the courtyard and sat down. "I'll stay here until the day my father-in-law is willing to see me. I'll take back everything that belongs to me, Jiang Hai."

"You... You're shameless!" Wei Juan stomped her feet and left the Kang family.

Jiang Hai looked at Wei Juan's back with disdain, still fantasizing about his beautiful life in the future.

After leaving the Kang family home, Wei Juan didn't return to the Jiang family home. Instead, like Jiang Ran, she took a car to Sun You's company.

After Jiang Ran arrived at Sun You's company, she directly took the elevator upstairs to look for Sun You.

The receptionist stopped her. "Miss, May I know who you are looking for?"

Jiang Ran still maintained her arrogant attitude. "I'm President Sun's fiancée."

"Ah, okay, okay." When the receptionist heard that, she quickly let Jiang Ran go.

Jiang Ran took the elevator and went to the 20th floor — Sun You's office.

Sun You had just arrived at the office. Initially, he wanted to calm down and rest to see how this matter would be resolved.

However, less than ten minutes after he sat down, someone walked in without knocking.

Sun you frowned. "Who is it? Don't you know how to knock? I think you don't want to work anymore..."

Before he could finish his sentence, Sun you saw the person he didn't want to see at the moment — Jiang Ran.

"What are you doing here? I've already said that there's nothing between us." Sun You was annoyed.

"I'm pregnant. "Jiang Ran tried to threaten him with this matter.

"Didn't I tell you to abort it? Don't you understand what I'm saying?" Sun You glared at her, "If you are more sensible now and draw a line between us, then we can part on good terms. But if you still insist on doing this, then don't blame me for being rude."

"What can you do to me?" Jiang Ran smiled. "If the news of my pregnancy spreads, it won't be good for your reputation, right?"

"Oh? You want to spread the news?" Sun You looked at Jiang Ran with amusement. "Then you can give it a try. After all, what I have in my hands is more damaging to your reputation than what you said."

"What?" The smile on Jiang Ran's face froze, and a bad premonition suddenly rose in her heart.

Sun You looked at the expression on her face and proudly opened the video in his phone. "Take a look."

The image in the video was the sound of Jiang Ran's waves when she was wearing a tie.

"How is it?" Sun You looked at the expression on Jiang Ran's face, and the frozen smile gradually turned into fear.

"When did you record this video?!" Jiang Ran shouted in horror.

Chapter 886: Lose All Face

"When did you think it was?" Sun You looked at her with amusement. "Of course it was be when we had sex."

"You, you... Sun You, you are shameless!" Jiang Ran was so angry that her face turned red. "How can you record this video?!"

"Why do you care why I record it?" Sun You put away his phone, "Originally, I planned to use this video to threaten you if you disobeyed me in the Kang family. However, although you are no longer in the Kang family, this video isn't very useful. But now that you don't want to abort the child and aren't willing to break off the engagement with me, this video has become meaningful again."

"You..." Since her eyes were filled with tears, she couldn't tell if it was because she was wronged or angry.

"As long as you abort the child and break off the engagement with me from now on, then I will keep this video well and won't let it leak out," Sun You said.

He firmly believed that Jiang Ran would do it for her face.

“Okay.” Jiang Ran held back her tears and nodded. “But I’m warning you, Sun You, don’t regret it.”

“There will never be such a day,” Sun You said.

Jiang Ran left the company and was at a loss for a moment. She actually didn’t know where she should go at this time.

While she was wandering, Wei Juan also arrived at Sun You’s company and saw Jiang Ran wandering at the door.

She quickly got out of the car and hugged Jiang Ran. She comforted her, “Ran Ran, come back with me now.”

The person Jiang Ran didn’t want to see the most right now was Wei Juan. She thought that she had ruined her plan all along.

“Don’t touch me!” Jiang Ran shook off Wei Juan’s hand and planned to return to the Kang family again to discuss this matter with Jiang Hai.

“Ran Ran!” Wei Juan shouted, but it was useless.

Jiang Ran was determined to find Jiang Hai and completely ignored Wei Juan.

Feeling extremely disappointed, Wei Juan could only return to the Jiang family alone and guard the huge house alone.

When Jiang Ran returned to the Kang family again, it was already night. The housekeeper stood at the door and stopped Jiang Ran who wanted to enter.

Dear readers! you are reading on our content copy site. Please copy and search this link "<https://bom.so/sBJMla>" to support us

“Miss, it’s already night,” The housekeeper said very politely.

Jiang Ran stood on her tiptoes and looked into the courtyard. She saw Jiang Hai sitting by the flower bed, looking at the Kang family’s villa from time to time.

“I’m looking for that man.” Jiang Ran pointed at Jiang Hai. “That’s my father.”

“No matter who you’re looking for, you can’t go in now,” The housekeeper said.

Jiang Ran saw that the housekeeper in front of her refused to let go, so she began to shout loudly, “Father! Father! It’s me! Jiang Ran!”

Her voice was too loud, and it attracted not only Jiang Hai’s attention, but even the people in the house all went out to check on the situation.

Kang Qi stood at the door, and beside him was Xin Xiu. She looked at the door and asked Xin Xiu, “Is that the Jiang Ran you’ve been trying to please?”

Xin Xiu paused and said, “What do you mean I’ve been trying to please her? In terms of status, she still has to call me first aunt. It should be too late for her to please me. How could it be that I’m trying to please her?”

Jiang Yu stood beside grandfather Kang and looked coldly at Jiang Hai and Jiang Ran.

When Jiang Hai saw Jiang Yu come out, he hurriedly got up and ran in front of her. He smiled as if he was trying to curry favor with her and said, "Jiang Yu, do you have time to listen to father say a few words?"

Jiang Yu looked at Jiang Hai for a while and then looked at Jiang Ran at the door. She said to grandfather Kang, "Grandfather, this is a private matter between the three of us. I'll settle it myself."

Grandfather Kang nodded. "That's fine. Everyone should go back. We shouldn't interfere in this matter."

With that, grandfather Kang returned to his room.

The others also returned to their rooms. Only Mo Long stood outside to accompany her.

Jiang Yu said to the butler at the door, "Butler, let Jiang Ran in."

The Butler obediently turned sideways, and Jiang Ran quickly ran to Jiang Hai's side.

Jiang Hai rubbed his hands awkwardly. "Jiang Yu, can you go back and tell your grandfather so that I can clear my name in the Kang Family?"

"What's your identity?" Jiang Yu didn't even look at Jiang Hai. "A person who cheated in marriage, what right do you have to go back to the Kang Family?"

"Jiang Yu, this is all a misunderstanding," Jiang Hai explained guiltily.

"You know very well whether it's a misunderstanding or not. I don't want to argue with you about when you cheated. There's no more topic to talk about between us," Jiang Yu said, "If there's nothing else, then go back. This is not the place you should be."

"Jiang Yu, I'm your father!" Jiang Hai placed his hands on his hips. He thought that his identity would be able to intimidate Jiang Yu.

However, Jiang Yu was not intimidated at all. "Back then, when the Jiang jewelry was on the verge of bankruptcy, I lent you money to help you make a comeback. It could be said that I was a timely help."

Chapter 887: Will

"And then?" Jiang Hai didn't know why Jiang Yu suddenly brought up this matter.

"I have already done my best to your Jiang family, so you'd better not take advantage of me," Jiang Yu said coldly, "And now, I want to take back the shares of your Jiang Jewelry."

"What?!" Jiang Hai was shocked, "You want to take back the shares now?! How can I have so much money for you?!"

"Then it's not my problem." Jiang Yu said indifferently, "If you have the time, you'd better go and raise the money quickly. Don't risk the entire company for 18% of the shares."

After saying that, Jiang Yu went back to her room.

"Wait!" Jiang Hai didn't give up and wanted to hold Jiang Yu back to negotiate.

However, Mo Long gave him a cold glance and Jiang Hai didn't dare to say anything. Jiang Ran also grabbed Jiang Hai's arm tightly and didn't dare to say anything.

After Jiang Yu entered the room, Old Master Kang got up from the sofa and said to her, "Jiang Yu, come with me to the study."

"Okay."

Jiang Yu followed Old Master Kang to the study. Xin Xiu, who had been eating grapes, stopped her hand and followed carefully.

Everyone saw her actions, but no one stopped her.

After Old Master Kang brought Jiang Yu into the study, he took out a document from his desk drawer and handed it to Jiang Yu.

Jiang Yu took the document and asked in puzzlement, "What's this?"

Old Master Kang explained, "It's my fourth will. I divided my family fortune into four parts. This one should have belonged to your mother. But since your mother is no longer here, this inheritance is yours."

"My... inheritance?" Jiang Yu didn't react for a moment.

"Yes. That Mo Long is your fiancé, right? According to the ancestral rules, the people of the Kang family can not marry the people of the Mo family," Old Master Kang said with relief, "But Mo Long seems to be a very reliable child. With him taking care of you, I can rest assured."

"Grandpa, don't talk nonsense. Your body is still strong," said Jiang Yu.

"No matter how strong your body is, there will come a day when it can't hold on," said Old Master Kang with a smile, "Grandpa has owed you and your mother for so many years. For forty years, I haven't been able to sleep well every night. But now, I finally have a chance to pay you back."

"Grandpa..." Jiang Yu muttered, her eyes involuntarily filled with tears.

"Don't cry, good child." Grandfather Kang patted Jiang Yu's head. "No one can shake the Kang family's position in the capital. So, as long as you return to the Kang family, no one will dare to bully you anymore."

"Yes, yes." Jiang Yu nodded vigorously.

Xin Xiu, who had been lying at the door eavesdropping, came downstairs with an ugly expression.

"Sister-in-law, what's wrong?" Kang Qi looked at Xin Xiu's unsightly expression and asked in amusement.

"What else could it be? Of course it's because..." Before she could finish her sentence, Xin Xiu saw Mo Long, who had been silent the whole time.

In front of outsiders, it was better not to say anything about the will.

Hence, Xin Xiu walked in front of Mo Long and asked, "You are our Xiao Yu's fiancé, right?"

Although Mo Long felt that this woman in front of him was a little harsh, she was Jiang Yu's first aunt after all, so he still had to be courteous.

Therefore, Mo Long replied softly, "Yes."

Xin Xiu curled her lips. "Do you know that according to the ancestral rules, the Kang family can not marry the Mo Family?"

Mo Long replied indifferently, "I know."

"You know? Then you still want to marry our Xiao Yu?" Xin Xiu could not understand.

"The rules are dead, but people are alive," Mo Long said. "Whether it's the ancestral rules or something else, can't we just break it?"

"What?" Not only Xin Xiu, but everyone else present was also shocked by Mo Long's words.

"Has the Mo family always been like this?" Kang Qi laughed. "They've always been so unruly?"

"I'll follow good rules." Mo Long's voice was very cold. "But if it's an unreasonable rule, then there's no need to guard it."

The air instantly fell silent. No one answered Mo Long's words.

Just as the air fell silent, a voice came from upstairs. "What are you guys talking about?"

It was elder Kang's voice.

"Nothing much," Xin Xiu said with a smile. "I'm just asking. Mo Long clearly knows the ancestral rules, so why does he still want to marry Xiaoyu?"

"I still think highly of the Mo family members who don't follow the rules." Kang Qi looked like he was watching a good show.

"Mo Long and Xiao Yu are already engaged. Let them solve their own problems," Elder Kang said.

"Got it, Dad." Xin Xiu studied Jiang Yu from top to bottom.

Chapter 888: Each Having Their Ulterior Motives

Due to old master Kang's age, he returned to his room early to rest.

Xin Xiu walked to Jiang Yu's side and held her hand. She said gently, "Xiao Yu, your grandfather came to the study room just now. Did he say anything?"

Jiang Yu knew that the person in front of her was her aunt, Xin Xiu. She had always been known for being sarcastic. But now, it seemed that she was very gentle.

"It's nothing," Jiang Yu said without changing her expression. "He just told me that I need to get used to staying in the Kang family."

"Really?" Xin Xiu smiled. "Your grandfather is right. You've been outside for too long. Now that you're back in the Kang family, you should get used to it."

She didn't expect Jiang Yu to be so calculative at such a young age. She even knew how to hide what Old Master Kang had told her in front of strangers.

"I understand. Thank you, aunt," Jiang Yu said.

When Old Master Kang said that it was the fourth will, she knew that there were still three wills in the hands of Kang Cheng, Kang Zheng, and Kang Qi.

As Kang Cheng's wife, she couldn't get the other two wills, so she could only set her sights on Jiang Yu. She wanted to build a good relationship with Jiang Yu and use it to get the fourth will.

She didn't expect that the Kang family in the capital would also fight openly and secretly for the family property.

It seemed that these people had ulterior motives. Although everyone had their own thoughts, their final goal was nothing more than to get the will in Jiang Yu's hands.

Jiang Yu was starting to doubt whether the reliable second uncle that Xu Ye mentioned, Kang Zheng, was someone she could rely on.

"You're welcome," Xin Xiu said with a smile. "You're Kang Die's daughter, so you have to call me 'aunt'. Just because you call me 'aunt', if you have any difficulties, just say it. Aunt will help you."

"Thank you, first aunt," Jiang Yu said very politely.

Xin Xiu did not seem to be satisfied with this. She even pulled her son, Kang Xuan, over and introduced him to Jiang Yu. "Xiao Yu, this is my son, your brother, Kang Xuan."

Although Kang Xuan had always been tired of such things, he still pretended to be happy and greeted her. "Hello, Xiao Yu. I'm your brother."

"Hello." Jiang Yu nodded slightly.

Kang Qi smiled and said, "Why did you even introduce your own son?"

She had always disliked her sister-in-law. She felt that she was not only bitter and mean, but also always calculative for the sake of benefits.

Xin Xiu did not like her sister-in-law either. She felt that she was always going against her.

Now that she heard what she said, Xin Xiu said disdainfully, "Then why don't you introduce your daughter as well?"

"Wenwen didn't come today. How can I introduce her?" Kang Qi smiled and said to Jiang Yu, "Xiao Yu, if there's a chance in the future, I'll introduce Wenwen to you."

"Okay, I got it, Auntie."

The entire family had a total of 108 scheming minds.

Jiang Yu sighed. She really felt that this kind of life was very tiring for them.

"It's getting late today. You can stay here for now. The Butler has already prepared a room for you," Kang Cheng said.

"Thank you, uncle," Jiang Yu thanked him politely and followed the butler to the room on the second floor with Mo Long.

After entering the room, the Butler left.

"This is the room prepared for Jiang Ran and Sun You, right?" Jiang Yu looked at the clothes from top to bottom. They were all pink, which Jiang Ran liked.

"They didn't know that there would be such a good show today, right?" Mo Long sat by the bed. He really felt that the arrangement in this room was very ugly.

Jiang Yu walked to the window. From here, he could clearly see the scene at the door.

Jiang Hai and Jiang Ran were still there. Even though they were shivering in the cold, they showed no signs of leaving.

Mo Long had unknowingly walked behind Jiang Yu and also saw this scene.

"The two of them are indeed father and daughter." Mo Long smiled. It was unknown whether it was because he disdained their actions or simply felt that they were ridiculous.

"There won't be any change even if they stay here forever," Jiang Yu said softly, "What Jiang Hai owed my mother and I back then should also be returned. As for Jiang Ran, she should also learn from the brainless things she did."

"It's a pity that they don't seem to have realized their mistakes," Mo Long said.

"Jiang Ran's appearance here means that she had a conflict with Sun You," Jiang Yu said, "Sun You felt that Jiang Ran had lost her value, so he canceled the engagement with her. She lost her backer, and her only hope was Jiang Hai. It's a pity that Jiang Hai was a failed father and couldn't bring any benefits to Jiang Ran."

Chapter 889: Try To Become Closer

"Yu'er, don't think too much." Mo Long wrapped his arms around Jiang Yu. "Get some rest. Once you get some sleep, everything will be settled."

"Okay." Jiang Yu obediently went to the bathroom to take a shower. After she came out, she lay on the bed to rest.

It was a dreamless night.

When Jiang Yu woke up the next day, Mo Long was no longer by her side. She touched the pillow. There was still some residual temperature on it. It seemed that Mo Long had just left not long ago.

Jiang Yu sat up on the bed and saw a glass of warm milk on the bedside table. Mo Long must have asked the maid to bring it up when he left.

“Ding –” Jiang Yu’s phone rang. Someone had sent her a message.

She opened her phone and saw that it was a message from Mo Long. “I have work to deal with at the company today. I’ll go back first. You stay at the Kang residence for now. I’ll come visit you later.”

Jiang Yu replied, “Got it. Focus on your work.”

After she replied, she drank the milk on the bedside table and went downstairs with the empty cup.

Downstairs, Xin Xiu and Kang Qi were sitting on two sofas. One of them was reading a magazine while the other was drinking coffee. They just didn’t want to talk to each other.

When Xin Xiu saw Jiang Yu go downstairs, she hurriedly threw the magazine in her hand onto the coffee table and walked over with a smile. Her attitude was as if she was very familiar with Jiang Yu.

Although Jiang Yu was not used to people she was not familiar with acting so familiar with her, the person in front of her was her first aunt after all. Therefore, Jiang Yu still said very politely, “Good morning, first aunt.”

“Good morning.” Xin Xiu beamed. “Mo Long left early in the morning. I heard that he will come to see you in the evening.”

“I know. He told me,” said Jiang Yu as she went to the kitchen to put away the cup of water.

“Xiao Yu, do you have anything you want to do today?” Xin Xiu asked. “First aunt will take you out to play later, right?”

Hearing this, Kang Qi finally put down the coffee in his hand and smiled. “Sister-in-law, even Xiao Xuan from before didn’t see you being so attentive.”

“What do you care?” Xin Xiu didn’t have such a good attitude towards Kang Qi. “You should mind your own business first. Has Shang Ping Company’s financial crisis been resolved?”

Xin Xiu’s words hit Kang Qi’s sore spot, and Kang Qi’s expression immediately turned cold. “I respect you as my sister-in-law, but don’t rely on your identity to act unscrupulously here.”

“You also know that I’m your sister-in-law?” Xin Xiu was not afraid of Kang Qi at all. “Then why did you say such disrespectful words to me?”

“Am I not respectful enough to you?” Kang Qi said disdainfully. “Could it be that what I said just now was not the truth?”

“Then what I said just now was a lie?”

Jiang Yu was sandwiched between the two of them and could not get a word in edgewise. Moreover, the atmosphere between the two of them had become so tense that even if Jiang Yu wanted to speak, she could not get a word in edgewise.

Therefore, she took advantage of the moment when Xin Xiu and Kang Qi were looking at each other and quickly ran outside.

"Phew..." Jiang Yu heaved a long sigh of relief and only then did she feel the oppressive feeling disappear.

Although it was a happy thing to have her family back, the atmosphere in the Kang family was different from what Jiang Yu had imagined.

Everyone looked at Jiang Yu with a scrutinizing gaze. It was as if everyone was calculating the will in her hands.

"It's too messy here," Jiang Yu muttered to herself. Just as she was about to go to the backyard to get some fresh air, she saw a young woman dressed very fashionably walk in from the door.

The woman was wearing a pair of sunglasses and was a little stunned when she saw Jiang Yu. She took off her sunglasses and asked uncertainly, "Are you Jiang Yu?"

Jiang Yu nodded. "Yes, it's me."

The woman smiled and stretched out her hand. "Hello, my name is Shang Wen."

So the person in front of her was Aunt Kang Qi's daughter — Shang Wen.

Jiang Yu held Shang Wen's hand and said politely, "Sister Shang Wen, Hello."

"You're welcome." Shang Wen smiled. "Oh right, have you seen my mother?"

Jiang Yu pointed at the house behind her hesitantly and said, "She's in the house. Yes... my first aunt is here too."

"It's alright. The two of them often quarrel. Grandpa can't do anything to them sometimes." Shang Wen didn't think it was a big deal. He was probably used to the bickering between them.

"I see." Jiang Yu nodded and decided to go to the backyard for some fresh air.

However, Shang Wen had already entered the house.

Kang Qi was still quarreling with Xin Xiu. When she saw Shang Wen enter, her attention was immediately diverted.

"Wen Wen, why are you dressed like this again?" Kang Qi's expression didn't look too good.

"I don't have much time left anyway. Of course, I have to wear the clothes I like." Shang Wen shrugged and laughed loudly.

Chapter 890: Shang Wen's Illness

Jiang Yu was standing at the door. When she heard this, she was stunned.

What did Shang Wen mean? Could it be that there was something wrong with her body?

"What nonsense are you spouting again?" Kang Qi's eyes were red. "Your father has already contacted the doctors in the United States for you. They are the most authoritative people. They will definitely be able to cure your illness."

"My father has already spent so much money, but isn't my illness still like this?" Shang Wen patted Kang Qi's shoulder, "It's better not to treat it. This illness is a bottomless pit. Even the best doctors in the country can't find out the source of my illness."

"We still have to treat it!" Kang Qi could not hold back his tears and they fell like beads that had broken a string.

"Shang Wen, she..." Xin Xiu, who had been watching all this coldly, was at a loss. "Is there really something wrong with her body?"

Kang Qi did not say anything, but Shang Wen generously admitted, "That's right. However, the doctor could not find the source of my illness and could not issue a certificate, so you all thought that my father and mother were lying."

Xin Xiu was silent.

Actually, it was not only her, but the others as well. Although they had heard Kang Qi say that Shang Wen was sick, because they could not provide the cause of the illness and the hospital's certificate, they all thought that Kang Qi made up this excuse, for the sake of money.

And Shang Ping's company had a financial crisis because he used the money to treat Shang Wen's illness. In just a few short years, this illness had almost emptied Shang Ping's company.

Shang Wen felt that the atmosphere was a little depressing. He turned around and saw Jiang Yu standing at the door. He waved at her and shouted, "Little sister Jiang Yu, come here."

She had a smile on her face the entire time. It was not obvious that she was sick.

Jiang Yu walked over, she heard Shang Wen say, "Little sister Jiang Yu is a very good person. Both of you are elders. Stop quarreling in front of her. Do you know why only the two of you are at home today? Because no one wants to hear the two of you arguing, so they left a long time ago."

Kang Qi and Xin Xiu fell silent.

Jiang Yu looked Shang Wen up and down. After a long while, she asked, "Can I take a look at you?"

Shang Wen did not know what Jiang Yu wanted to see. "What do you want to see?"

"I want to see your illness," Jiang Yu explained.

Shang Wen paused. "My illness?"

Jiang Yu nodded. "I've learned a little about acupuncture and have read some medical books. It might be helpful for your illness."

"Stop fooling around." Shang Wen smiled and put her arm around Jiang Yu's shoulder. "Even the best doctors can't find out the source of my illness. How can a young lady in her twenties possibly find out my illness?"

“What if I really find out?” Jiang Yu still wanted to give it a try.

“You definitely won’t be able to find out.” Shang Wen smiled.

However, since no one was able to cure their own illness, there was no need for a “Half-baked” doctor like Jiang Yu. Therefore, Shang Wen still generously stretched out her hand and said, “You just said that you know acupuncture? Then you must have learned Chinese medicine, right? Chinese medicine is all about taking one’s pulse. Take a look.”

Jiang Yu reached out and took Shang Wen’s pulse. She closed her eyes and carefully felt her pulse.

Ten minutes had passed, but Jiang Yu still did not let go. Kang Cheng and Kang Zheng also returned one after another.

The moment they returned, they saw the scene of Shang Wen and Jiang Yu standing on the sofa while Jiang Yu took Shang Wen’s pulse.

Kang Cheng did not disturb them. Instead, he went to ask his wife, Xin Xiu, “What are they doing?”

Xin Xiu hesitated for a moment before telling Kang Cheng about Shang Wen’s illness, including the fact that the doctors could not find the source of the illness.

“So Shang Wen really got sick?” Not only Kang Cheng was surprised, but the others were also surprised.

They had never believed it before and thought that it was a lie made up by Kang Qi’s family. They did not expect it to be true.

“But what is Jiang Yu doing?” Kang Cheng was puzzled.

Xin Xiu explained, “She said that she can check Shang Wen’s illness.”

“Are you kidding me?” Kang Cheng did not believe her. “Even professional doctors can’t do anything about Shang Wen’s illness. How old is Jiang Yu? How can she see through Shang Wen’s illness?”

Shang Ping, who was standing in the crowd, did not believe her either.

He had almost emptied his company because of his daughter’s illness. He could not even find a doctor who could treat her illness. Could it be that Jiang Yu could find out what exactly was going on with Shang Wen’s illness just by touching his wrist?

Wasn’t she just boasting?

Another five minutes passed, and everyone thought that Jiang Yu would probably remain in this position the entire time. Jiang Yu suddenly opened her eyes and said, “I see now.”

Everyone was shocked and did not know what Jiang Yu knew.
