

## Older Man 91

### Chapter 91: Getting On Trending

Sister Xia hung up the phone and looked at Jiang Yu strangely. "Director Wang is very satisfied with your performance. He said that he will send over the contract for the next episode. What exactly did you do on the show?"

Jiang Yu spread out his hands. "I only said three sentences."

Sister Xia said, "It looks like you were too lucky."

At that moment, Sister Xia's phone rang again. "What? Zhuo Zheng recommended Jiang Yu a role? Alright, alright. I'll arrange it right away."

Sister Xia hung up the phone and looked at Jiang Yu. "The singer Zhuo Zheng actually recommended you a role in a movie. It's a patient. The theme song for this movie was performed by Zhuo Zheng."

Jiang Yu was also at a loss. "Zhuo Zheng? Oh, he's the one sitting next to me."

Jiang Yu clearly hadn't spoken to Zhuo Zheng and only nodded politely.

Why did he help her so much?

Soon, sister Xia found out about Jiang Yu's performance on the show.

Because, on the trending search, there were a few more entries.

# Li Lu points out that the guest in love is pretentious #

# Sisters go on the same variety show, younger sister's evaluation of her older sister #

# Jiang Yu: She only said three sentences during the whole episode #

# Li Yue's sister told the new guest to shut up #

# Jiang Ran's fake highlights #

# Jiang Yu's no makeup scenes #

After sister Xia saw it, she realized that Jiang Yu was very popular because she was in the same variety show as her sister.

And because Jiang Yu was scolded by Li Lu, Jiang Yu became even more popular.

Then, it was because Jiang Ran's fake comments were criticized, and Jiang Yu not commenting were bundled together to promote Jiang Yu.

So, Jiang Yu's popularity was steadily rising.

And because the director accidentally discovered the topic of Jiang Yu's, he deliberately let Jiang Yu be an observer again.

Sister Xia understood things, but she didn't quite understand everything.

Why did the singer Zhuo Zheng recommend resources to Jiang Yu?

Looking at the whole episode, Jiang Yu did only say three sentences, and she was always honest.

Even though all three sentences were explosive points.

If she couldn't figure it out, she wouldn't think about it anymore.

Sister Xia quickly registered a new Weibo account for Jiang Yu.

Jiang Yu's account had been deactivated previously.

That was because Jiang Yu's account had previously posted some private matters. It was easy for others to find out about it. If there were any improper comments, they could be used to defame her.

That was why she needed to re-create her artiste Weibo.

However, very quickly, Jiang Yu's new Weibo received 10,000 followers.

"Sister, you're so pretty. Post a few more photos!"

"I'm in love. Such a calm and collected person is rare."

"Eh? Jiang Yu has signed with Dazzling Entertainment. Not bad, not bad. I also think this person has a bright future!"

Jiang Yu raised her head and looked at sister Xia. "Sister Xia, do I need to post something for my new account? There are a lot of people who want me to post photos."

Sister Xia said, "Now, you can only sell the character of being pretty. I'll get my assistant to pick a few good-looking photos for you to post!"

"Okay." Jiang Yu nodded. Jiang Yu had no choice but to take the path of being pretty. After all, she didn't have any works.

At the moment, her fans could only see her good looks.

It couldn't be that she had said three sentences on the show?

Someone who was just pretty was someone who was just pretty.

When she had a work in the future, she would naturally change her fans' minds.

Sister Xia asked Jiang Yu to go to the set tomorrow to film, so Jiang Yu didn't have much to do in the afternoon.

She had just walked out of the office when she received a call from Jiang Ran.

"Jiang Yu, why did you defame me on the show!"

"Do you know how much effort I put into making my debut on the love show? Just because you were on the show and even tacitly agreed to what others said, I'm now being defamed by a lot of people."

Jiang Ran was extremely angry.

Originally, she had agreed with Sun You to make her debut by appearing on this variety show together, and at the same time, she would also attract some fans from the couples' show.

She would be Sun You's fiancée while making her debut as a celebrity.

On the show, Jiang Ran deliberately pretended that she did not know Sun You from the beginning, and even deliberately interacted with other male guests to create the impression that she was very popular.

## **Chapter 92: Doing What Lovers Do**

In the end, because Jiang Yu did not speak up for Jiang Ran on the show, everyone thought that she was a scheming woman who was putting on a show.

Jiang Yu said in a speechless manner, "How can I speak up for you? Li Lu is right. You are indeed putting on a show. Furthermore, it's very obvious that you are acting. I advise you to stop acting during the next recording. Otherwise, it will be very easy for others to see through you."

Usually, people from who came from an acting background would not be invited to participate in an ordinary people love show.

This was because it was very easy for the actors to act very pretentiously and unrealistically.

And Jiang Ran had also relied on Sun You's connections to finally obtain a spot in this variety show.

But now...

"I don't care. Hurry up and help me clarify. Just say that you don't agree with what Li Lu said," Jiang Ran said angrily. "Otherwise, I will tell others that you stole the movie queen's boyfriend!"

"Heh, you dare to threaten me? If you want to say it, go ahead and say it. It will even increase my popularity," Jiang Yu said indifferently.

On the other side, Jiang Ran's breathing was fluctuating. "Jiang Yu, you are too shameless."

After saying that, she hung up the phone first.

Hearing the buzzing tone, Jiang Yu put her phone into her pocket.

She walked out of Dazzling Entertainment.

Outside, there was already a driver waiting at the door.

Jiang Yu got into the car.

"Miss Jiang, where are you going?"

Jiang Yu said, "To the Mo Group."

They arrived at the Mo Group's branch office in Hu city.

Teng Yi personally went downstairs to welcome Jiang Yu. When Jiang Yu heard that Mo Long had only eaten a little at noon and had been busy all this while, she immediately frowned.

They arrived at the CEO's office.

Jiang Yu knocked on the door.

Mo Long's voice came from inside. "Come in."

Jiang Yu walked in and saw Mo Long sitting at his desk. He was wearing headphones and was obviously in a meeting.

Jiang Yu was stunned for a moment before walking over and sitting silently at the side.

Mo Long's expression was originally serious.

But suddenly, the directors of the teleconference saw Mo Long's expression suddenly become abnormally happy.

Mo Long had just criticized a branch company for not doing a good job in management.

Now, he heard Mo Long say, "I want to see the latest adjustment report tomorrow."

He had actually let this matter go so easily.

The director who had just been criticized suddenly heaved a sigh of relief.

Jiang Yu was flipping through the script at the side.

She was playing a small role of a patient. She basically didn't have many lines and only had a few seconds of footage.

Just as Jiang Yu was trying to figure out how to play such a role, the script in her hand was suddenly taken away.

"A terminally ill patient who is dying on the bed," Mo Long read and frowned. "This role is unlucky."

Jiang Yu said, "There is no distinction between good and bad roles. Are you done with the meeting?"

Mo Long had already taken off his headphones.

He was standing right in front of Jiang Yu.

However, Mo Long did not answer her question. "How can you continue reading the script when you're with me? It seems like I'm not charming enough."

When Jiang Yu entered the room, Mo Long's mind was affected by Jiang Yu's every move.

He did not expect Jiang Yu to be so calm and collected. She was not affected at all and was even able to read the script.

She was even engrossed in it.

Mo Long suddenly felt a sense of helplessness.

Could it be that his charm was too low?

“Let’s go.” Mo Long suddenly pulled Jiang Yu up.

“Where are we going?” Jiang Yu looked at him in surprise.

“To eat, to date, to do things that lovers do.”

Mo Long brought Jiang Yu to the cinema after they finished eating.

“Which movie should we watch?” Mo Long asked her after looking through all the movies.

Jiang Yu’s gaze swept across the few movies and finally landed on a movie that was co-produced by both domestic and overseas actors.

The poster for this movie was actually Hu Chen.

“That’s it. I haven’t even seen Hu Chen’s latest work,” Jiang Yu said with a smile.

Mo Long frowned and looked at Hu Chen’s cool expression in the poster..

### **Chapter 93: People From My Mother’s Family**

He could hear the discussions of a few movie fans beside him. “It’s Hu Chen’s movie. Big brother is so handsome!”

“This is my second time watching. I want to have babies for him!”

“Aiya, those who want to give him babies have lined up to the moon already.”

“It would be great if I could marry Hu Chen!”

In the movie theatre, there was only Mo Long and Jiang Yu.

Mo Long had booked the entire cinema.

When the movie started, Jiang Yu was watching the movie seriously.

It had been a long time since she had been to the cinema, so Jiang Yu was watching it very seriously.

Moreover, this movie not only had the top-notch actors in the country, but also veteran actors from abroad working together.

The lineup was strong, and the performance of each scene was worth studying.

Jiang Yu was studying so seriously that she had forgotten that Mo Long was beside her.

At this moment, Mo Long was already regretting coming to watch the movie.

Especially when he saw Jiang Yu staring at the other men without blinking, Mo Long felt that his emotions were a little unstable.

“Is it very good?”

Beside him, Mo Long suddenly asked.

Jiang Yu nodded subconsciously. "Yeah, I didn't expect Hu Chen's performance to improve so much this time. Moreover, the other veteran actors are also performing very well. I feel that I can learn a lot."

Mo Long was stunned when he heard Jiang Yu say that she was studying. For some reason, his earlier frustration had suddenly dissipated.

At that moment, Jiang Yu's phone rang.

Jiang Yu looked at the male lead in the movie and then looked at the caller ID on her phone.

It was Hu Chen calling.

Jiang Yu picked up the call and Hu Chen's voice came from the other end. "Xiao Yu, I saw that you're trending. It looks like you have the potential to attract fans."

Jiang Yu said, "I happened to be watching your movie and you called."

Hu Chen's voice raised. "What? You're finally going to watch my movie?"

He looked as if he had finally been noticed. "I asked you to watch it a few days ago, but you didn't have the time. How is it? Are you satisfied with my new movie?"

Jiang Yu blinked. "Not bad. It's improved quite a lot."

Hu Chen was surprised. He said in a slightly light-hearted manner, "Then I'm relieved. Your eyes are sharp. I was worried that you would criticise me."

Ever since he was young, Jiang Yu would criticise on him until he was traumatized every time Hu Chen acted.

Later on, Hu Chen worked hard to hone his acting skills and achieved the results he had today.

"By the way, you can be my female lead in the future," Hu Chen said again.

Jiang Yu paused for a moment. She could clearly feel the hand holding her waist tighten a little.

Jiang Yu looked up and saw Mo Long looking down at her with surging emotions in his eyes.

He seemed a little unhappy.

Jiang Yu said, "I don't have time to be the female lead. I still have to go to school."

Hu Chen said, "It's alright. I'll wait for you when you're on vacation."

After hanging up, Mo Long said in a low voice, "The two of you are really close!"

Jiang Yu said, "Of course. When I get married in the future, he'll be part of my family."

"When you marry me?" Mo Long took the opportunity to ask.

"Who knows what will happen in the future. You have to do well. You might have a chance," Jiang Yu said proudly.

Mo Long asked, "Then how should I do things?"

Jiang Yu smiled and said, "The things that should be done in a relationship, of course."

"Is that so?"

As soon as she said that, Jiang Yu felt a black shadow fall in front of her.

Mo Long stared into her eyes with a smile in his eyes. Then, he leaned over and kissed her lips.

Jiang Yu was stunned for a moment. She felt that the man's hand that was holding her tightened a little.

A strange emotion slid across her limbs and bones.

Jiang Yu passively endured Mo Long's kiss. She did not know why, but she felt that kissing was a pretty good experience.

The only thing that was not good was that it would suffocate her.

Jiang Yu had already held her breath for a few seconds.

Then, she pushed him away helplessly. "Do you want to kill me?"

Her breathing rose and fell..

#### **Chapter 94: Banned From The Show**

Mo Long was stunned for a moment before he smiled and said, "Silly, how could I bear to hurt you? When you kiss, don't hold your breath."

Jiang Yu looked at him in confusion. "Then what should I do?"

"I'll teach you!"

With that, Mo Long took the opportunity to kiss her again.

As Jiang Yu was too nervous, she felt her heart beat faster and her mind went blank.

It was only because Mo Long reminded her to breathe that she finally came back to her senses.

The feeling of suffocation in her chest and the lack of air was a little less.

However, there was an additional dense feeling that made her whole body and heart slowly soften. This feeling spread through her limbs and bones.

"Do you like it?" The man's voice carried a sense of suppression, as if something was about to break out of its confinement.

Jiang Yu nodded blankly.

Then, she heard him say, "Do you still want to continue with the rest?"

Jiang Yu realized what he was saying, and a hint of hesitation flashed in her eyes.

Mo Long rubbed her head and smiled. "Continue watching the movie."

It was already very good that they could do this today.

Next time, they would continue going deeper.

He could not scare her away all of a sudden.

After watching the movie, it was already dark outside.

When Jiang Yu was returning to the apartment with Mo Long, Jiang Yu received a call from Jiang Hai in the car.

Jiang Yu was a little surprised. Why would her father, who had always ignored her, call her?

Ever since Jiang Yu arrived at university, Jiang Hai had not contacted her other than the last time when they met at Jiang Yao's engagement party.

After Jiang Yu picked up the call, Jiang Hai's angry voice came from the other end. "Did you smear Ran Ran on the variety show. Now she's so distressed with a PR problem! I agreed to let Ran Ran appear on this show. Don't ruin your sister's plans. She's going to marry into the Sun family, not like you!"

Mo Long sat close to Jiang Yu, and Jiang Hai's voice was a little loud on the phone.

Mo Long could not help but frown when he heard this.

Jiang Yu's breathing became heavy, and she subconsciously clenched her fists. However, she realized that Mo Long's hand was reaching out and holding Jiang Yu's hand.

Jiang Yu's expression froze, and her furrowed brows relaxed again. "Dad, did Jiang Ran say something bad about me?"

Jiang Hai: "If it wasn't you, who else could have said it? Isn't it true that you and Ran Ran went on the hot searches together?"

When Jiang Hai heard Jiang Ran's sobbing complaint, he only glanced at the headline briefly before giving Jiang Yu a call.

Jiang Yu said in a low voice, "Dad, the person who acted on the show was Jiang Ran herself. She did things to herself. What does it have to do with me?"

"How does it have nothing to do with you? In short, you are not allowed to appear on this variety show. This matter is very important to the Jiang family, do you know that?" Jiang Hai grumbled in dissatisfaction, "If you follow Mr. Mo, you will be dumped sooner or later. Ran Ran is different. She is serious about marrying into the Sun family!"

Jiang Yu wanted to say something else, but Mo Long took the phone. Mo Long said to the other end of the phone, "What makes you think that Jiang Yu will not marry into the Mo Family?"

Jiang Hai was a little surprised. "Mr. Mo? Why are you with Yu'er?"

"I am her boyfriend. Of course I am with her. If your Jiang family is not willing to treat her well, I will take care of her in the future. I will give her a home." Mo Long hung up the phone right after he said that.

"No, Mr. Mo, I didn't mean that."

"Beep Beep Beep."

In the Jiang family, Jiang Hai looked at the phone that was hung up in astonishment.

He turned to look at Jiang Ran who was still feeling wronged. "Didn't you say that Yu'er was dumped by Mr. Mo?"

Jiang Ran was stunned for a moment. "How would I know? They're together again. Besides, my younger sister isn't sensible. She actually stole the boyfriend of the movie queen. What good will there be in the future? The movie wueen is filming. What will happen when the movie queen returns? Will my younger sister still be able to capture Mr. Mo's Heart?"

In the end, Jiang Yu was just Mr.. Mo's temporary lover.

### **Chapter 95: Also Came Over**

Jiang Hai also frowned. "Yu'er won't listen to me. The next time you appear in the variety show, do well. Don't let others catch you."

Jiang Ran exclaimed, "Dad, sister is so lawless now. She doesn't even listen to you?"

Jiang Hai thought of Jiang Yu's stubborn look and became angry. "That girl has always been insensible. The important thing is you. Didn't you sign with the Sun family's entertainment company? Do well."

Jiang Ran smiled and said, "Dad, don't worry. I just learned acting, so the company gave me a role to hone my acting skills. I'll go to the production team tomorrow."

Jiang Hai immediately smiled and looked at her. "Ran Ran, how far the Jiang family can go in the future depends on you. You can't lose the Sun family."

"Dad, I got it. After my love variety show is over, I'll get engaged to Sun You."

Although the Sun family couldn't compare to the Mo family, they were also one of the best in Hu City.

Besides, a family like the Mo family wasn't something that a small family like the Jiang family could dream of.

Jiang Yu and Mo Long wouldn't end up together.

Jiang Ran smiled brightly.

She was going to join the film crew tomorrow and take on an important supporting role.

Although she didn't have many scenes, the audience would definitely like her if she played the role well.

That was because she played a female doctor who saved lives and helped the injured.

But she didn't expect it.

When Jiang Ran was reapplying her makeup in the dressing room, she saw Jiang Yu walk in.

The two of them instantly stopped what they were doing and looked at each other, staring at each other.

“Jiang Yu!”

“Jiang Ran!”

Jiang Yu also didn’t expect to see Jiang Ran here.

However, when she saw Jiang Ran’s doctor attire, Jiang Yu immediately understood.

In the script, there were a few doctor roles that were also important supporting roles.

Jiang Ran’s eyes lit up. She thought of something and deliberately said, “Jiang Yu, are you following me again? Why are you following me wherever I go? Are you deliberately going against me?”

Jiang Yu: “You think too highly of yourself. Do you deserve me to pay attention to you?”

Jiang Yu walked over to the chair and sat down.

The makeup teacher immediately applied makeup on her face and painted her face pale.

Jiang Ran did not cause any more trouble for her. Instead, she sent a message out: “Dad, I saw Jiang Yu on the set. She actually followed me here. I can’t control her.”

Jiang Ran deliberately made the message ambiguous, deliberately letting Jiang Hai know that Jiang Yu was causing trouble for her again.

Over the past year, Jiang Ran had been constantly snitching on Jiang Yu, making Jiang Hai feel more and more disappointed in Jiang Yu.

After sending the message, Jiang Ran felt refreshed.

She was not wrong. Jiang Yu was indeed on the same set.

As for Jiang Hai mistakenly thinking that Jiang Yu was here to find trouble, Jiang Ran did not explain clearly. It was Jiang Hai’s own imagination.

Soon, Jiang Yu changed into her hospital gown, looking haggard.

Jiang Ran, on the other hand, looked at Jiang Yu with disdain. “Your resources aren’t that good either. You’re actually playing a dying person. Tsk tsk. Don’t mess up later and delay my shooting.”

Jiang Ran thought that her acting skills were not bad, and she immediately walked away with her head held high.

“Director, the one playing the patient is here.”

The director glanced at Jiang Yu. He had tried out several people for this role before, but none of them succeeded. However, the shooting was imminent.

Coincidentally, the singer who performed the theme song, Zhuo Zheng, recommended Jiang Yu to him. He said that Jiang Yu’s image was quite fitting. The main reason was that Jiang Yu was quite thin and very fitting to the appearance of the patient.

The director had done Zhuo Zheng a favor.

Since the other auditions did not satisfy the role, he might as well let Jiang Yu act it out.

If it was not better, he might as well lower the standard for the patient. After all, it was not particularly important.

The reason why he filmed this patient was to highlight the realism of the ward.

And the female lead was in the same ward as this patient. Therefore, Jiang Yu's role wasn't that important but it was a little important..

### **Chapter 96: Be My Substitute**

"Jiang Yu, is it? Go up first. When the female lead is acting, you will be on the hospital bed next door. Just act like your weak and dying."

Jiang Yu nodded.

On the other side.

The female lead, Qiao Lu, was sitting in the ward, coughing.

The doctor came over for a routine check.

There would be a big panorama on camera.

It would also capture Jiang Yu.

When Jiang Yu smelled the medicine in the ward, she quickly thought of the time when she fainted and was sent to the hospital.

At that time, she was still very young, and because she had just escaped from the foster family, her face was full of despair.

In an instant, Jiang Yu was immersed in that emotion.

In that capture, Jiang Yu was so haggard that she seemed to be at the end of her life. Even though the female lead was saying something, she did not seem to hear it. She just subconsciously looked in that direction.

It showed the patient's lonely and desolate state of mind at her last moment.

The director was stunned for a moment. He did not expect Jiang Yu to act so well.

He even asked the camera to give Jiang Yu a close-up.

After the scene was shot, the director shouted, "Cut!"

Only then did Jiang Yu walk out of the role.

Jiang Ran gritted her teeth when she heard the director praise, "Jiang Yu, you acted very well!"

This scene was over.

Jiang Yu was done filming.

In the next scene, Jiang Ran quickly gave emergency treatment to the female lead who suddenly suffocated.

Jiang Yu originally wanted to leave, but before she could take two steps, she heard the director say impatiently, "Jiang Ran, you're a doctor. Don't you even know the most basic CPR?"

When the director shouted cut, Jiang Ran was also stunned.

She also didn't understand what she did wrong.

"Director, I didn't study medicine but Jiang Yu did. Let her be my substitute and let her do it." Jiang Ran hurriedly pointed in Jiang Yu's direction.

Hearing this, Jiang Yu stopped and looked in Jiang Ran's direction in disbelief.

Jiang Ran was playing a small role, and yet she still needed a substitute. What was the point of having her then? Just to show her face? What kind of big star did she think she was?

However, the director didn't want to get angry at Jiang Ran because she was requested by the investors. He could only ask, "Jiang Yu, can you help me?"

Jiang Yu said, "Director, I can demonstrate the correct way."

The director nodded repeatedly.

Jiang Yu walked up to Jiang Ran and said, "Lay down!"

Jiang Ran paused. She originally wanted Jiang Yu to be a stand-in, but she didn't expect that she would have to learn these things.

However, Jiang Yu couldn't use the female lead as an experiment. Naturally, she wanted Jiang Ran to experience it for herself.

Jiang Ran could only lay on the hospital bed.

Jiang Yu took a step forward and performed first aid according to the standard method. She pressed on Jiang Ran's chest. "Remember, the depth is 5-6 cm, and the frequency of the press is 100-120 times per minute."

Jiang Yu did it perfectly.

But it was at this moment, a figure suddenly rushed out.

He pulled Jiang Yu away.

Jiang Hai's angry voice was suddenly heard, "Jiang Yu, how dare you bully your sister!"

Jiang Hai had just come to this hospital.

When he arrived at the filming location, he said that he was here to see Jiang Ran.

He did not expect to see Jiang Yu attacking Jiang Ran the moment he entered.

The surrounding people did not stop him. Instead, they stood at the side and watched. There were even people from the neighboring ward who stood at the door and watched.

Jiang Hai went forward without saying a word and pulled Jiang Yu away.

He raised his hand and was about to give Jiang Yu a slap. He said bitterly, "You actually chased after this production crew. Are you only satisfied if you ruin the role of Ran Ran?"

Everyone present was dumbfounded.

"Dad!" Jiang Yu looked at Jiang Hai, who had suddenly appeared.

Seeing that Jiang Hai was actually going to slap her, Jiang Yu raised her hand and blocked Jiang Hai's slap. "Who said that I'm bullying Jiang Ran? Did she tell you that?"

Jiang Yu narrowed her eyes and looked at Jiang Ran, who was standing up in a panic.

Jiang Ran did not expect Jiang Hai to come.. She immediately said helplessly, "Dad, why are you here?"

### **Chapter 97: Not His Biological Daughter**

"If I don't come, am I going to let her bully you again and again?" Jiang Hai's breathing was rapid.

The director suddenly said, "You are Jiang Ran's father, right? How can you want to hit her without asking about the situation clearly? Jiang Yu was teaching Jiang Ran medical skills just now. It's not what you think."

The people at the side were also speechless. "That's right. Jiang Ran's acting skills are not good. She asked Jiang Yu for help!"

Jiang Hai felt his mind go blank. He looked at Jiang Ran in astonishment. "Ran Ran, is that so?"

Jiang Ran gritted her teeth and said anxiously, "Dad, you misunderstood. My sister didn't bully me."

"But didn't you say that she's already chased after you the production team..."

Jiang Hai looked at Jiang Yu warily. "Even if you didn't bully her now, it doesn't mean that you won't find an opportunity to do so."

According to Jiang Ran, Jiang Yu had been causing trouble for her recently.

Moreover, Li Lu was Jiang Yu's roommate. The two of them had been acting on variety shows and were deliberately targeting Jiang Ran.

Now, it was Jiang Yu who wanted to look for opportunities so that's why she chased after the crew.

"According to you, as long as I appear beside Jiang Ran, it's my fault?" Jiang Yu looked at Jiang Hai in disbelief.

Jiang Hai: "..."

Jiang Yu looked at Jiang Ran. "You told him that I chased you here? Did you tell me that you were coming to this production team?"

Jiang Ran said awkwardly, "Dad, you should go back first. I still have to film."

However, Jiang Yu continued, "Also, when you were on the variety show, you knew Sun You a long time ago, yet you pretended not to know him. In the end, someone pointed out that there were traces of acting. Didn't you bring this upon yourself?"

When she said that, the people around them gasped. "So she really went on the show to put on a show!"

"What's wrong with this family? They're actually targeting Jiang Yu. Jiang Yu didn't do anything wrong, right?"

"I remember that we first confirmed the candidate for the patient, and then the candidate for the role of the doctor was temporarily replaced by Jiang Ran."

"Aiya, doesn't this mean that Jiang Yu is wronged?"

"I wonder who chased who to the set!"

The people around all looked at Jiang Ran and Jiang Hai with reproach.

"What kind of father listens to a daughter's one-sided words and wants to hit someone without reason!"

"How pitiful. She isn't his biological daughter, right?"

Jiang Hai heard everyone's conversation and understood.

So it wasn't Jiang Yu who chased Jiang Ran to the set.

It was Jiang Yu who came first.

Immediately, Jiang Hai said awkwardly to Jiang Yu, "Yu'er, I was too anxious. I was wrong to blame you."

Jiang Yu looked at him coldly. "Sometimes, I really doubt if you are my biological father."

Unfortunately, when she returned to the Jiang family from the orphanage, she had a DNA test. She was really Jiang Hai's daughter.

Jiang Hai looked at Jiang Yu's disappointed expression and felt a little guilty.

However, Jiang Yu had already turned around and left.

Jiang Hai hurriedly chased after her.

"Yu'er!"

Jiang Yu went to the dressing room.

"Is there anything else?"

Jiang Hai sighed. "Next month, Ran Ran and Sun You are getting engaged. Remember to attend."

Jiang Yu smiled. "Let me attend? Aren't you afraid that I'll do something bad to Jiang Ran? Or are you going to take it out on me when Jiang Ran says something bad about me and you believe it?"

Jiang Hai's expression froze. "Yu'er, it's my fault today. I didn't get things clear today, but it's not that Ran Ran said bad things about you. I misunderstood. She just said that you're on the set too. "I hope that you and Ran Ran will get along well."

"I understand. I'll 'get along well' with her."

Jiang Hai heaved a sigh of relief and left in a hurry.

After Jiang Yu removed her makeup, Jiang Ran was still filming.

The director shouted impatiently, "Weren't you taught how to do it just then? Why can't you do it still?!"

"Again!"

The director was furious. Jiang Yu had clearly demonstrated it very well just now.

Everyone present had basically learned it, but why was Jiang Ran still like a block of wood.

She was always making mistakes.

Jiang Ran: "...."

## **Chapter 98: Invited To Sing Together**

In the parking lot.

Jiang Yu was about to get into the car with her assistant when she suddenly heard her assistant's excited voice. "That's Zhuo Zheng. Sister Yu, look."

Jiang Yu couldn't help but be stunned when she heard this name.

Zhuo Zheng? The male singer who introduced her to the cast and crew.

Jiang Yu had yet to properly thank Zhuo Zheng and didn't expect to meet him here.

Zhuo Zheng was not surprised at all when he saw Jiang Yu. He walked straight towards Jiang Yu.

"Miss Jiang!"

Jiang Yu hurriedly nodded at Zhuo Zheng. "Senior Zhuo."

Zhuo Zheng asked, "Are you done filming?"

Jiang Yu nodded. Zhuo Zheng smiled and said, "I'm here because I have something to discuss with the director and also because I want to discuss a collaboration with you."

Jiang Yu pointed at herself. What could she do to work with Zhuo Zheng?

Zhuo Zheng was already a famous male singer in the music industry. Jiang Yu was just a small artiste who did not have much fame.

"It's like this. I will be singing the public service song that you composed. However, I feel that it will be more meaningful if I can sing it with you. After all, you have also made a lot of contributions to public service. The debut of this song happens to be in the area where the homes has been rebuilt. I would like to invite you to sing it with me."

Zhuo Zheng had already mentioned it to the charity organization.

They also felt that it was a good idea to have Jiang Yu sing together because Jiang Yu was also a charity angel now.

"I wonder if Miss Jiang would be down to do so."

Before Jiang Yu could speak, the assistant beside her blinked at Jiang Yu excitedly.

Of course she had to agree to such a good thing.

Being able to sing on the same stage as a famous male singer would definitely increase Jiang Yu's fame.

Jiang Yu also understood this point. "Then wouldn't I be indebted to Senior Zhuo again? Thank you for providing me with resources twice."

Zhuo Zheng smiled and said, "It's nothing. This song was originally written by you."

As for the patient role, it was just an ordinary role.

It was just a piece of cake for him.

"Then I'll confirm the time with your manager," Zhuo Zheng said.

Zhuo Zheng entered the elevator. His assistant asked in puzzlement, "Why are you so good to her? I've never seen you introduce any character resources to anyone before."

Zhuo Zheng pursed his lips. "I just felt that her character was not bad, so I helped her a little."

With that, Zhuo Zheng exited the elevator and walked towards the filming location.

Today, Zhuo Zheng had come over to discuss the theme song.

Zhuo Zheng arrived at the filming location.

The director had just finished filming a scene. "Cut. This scene has passed."

Jiang Ran heaved a sigh of relief. She had not expected that acting as a doctor would be so difficult.

They shot the scene five or six times.

Jiang Ran was talking to the female lead, Qiao Lu, and wanted to add her on wechat.

She could instantly gain more connections.

She didn't expect the female lead to not give her any face because of her multiple retakes.

Jiang Ran shamelessly tried to take pictures with Qiao Lu.

In the end, Qiao Lu's face darkened.

Jiang Ran quickly smiled and prepared to leave.

She didn't expect to see the male singer, Zhuo Zheng, just as she reached the door.

Jiang Ran's eyes lit up and she quickly took a step forward. "Zhuo Zheng, I'm your fan. I like every single one of your songs."

Zhuo Zheng glanced at Jiang Ran and couldn't help but frown.

He still remembered that when he was a relationship observer, he had seen Jiang Ran's pretentious performance.

He immediately didn't have a good impression of her.

"I'm sorry, I have something to talk to the director about."

As Zhuo Zheng spoke, he ignored Jiang Ran who was rooted to the spot and walked directly to the director's side.

"Director!"

As soon as Zhuo Zheng finished speaking, the director saw that it was Zhuo Zheng who had arrived and immediately smiled. "Zhuo Zheng, the Jiang Yu that you recommended to me is really too suitable. She plays the role of a patient perfectly and it saved me a lot of time."

Jiang Ran, who was standing at the door, looked over in surprise.

Why was Zhuo Zheng recommending resources to Jiang Yu?

Jiang Yu must have taken advantage of the last time she was on the show to seduce Zhuo Zheng again.

Jiang Ran was furious.

Why didn't she encounter such a good thing?

## **Chapter 99: 099, a one-off!**

Pass In One Take

Zhuo Zheng was taken aback. "She passed in one take?"

The director nodded. "That's right. I've been worried about finding a suitable actress for this role. I didn't expect you to put in so much effort to help me find such a good actress. Zhuo Zheng, your taste is really good. I owe you a favor this time."

"I was thinking of recommending Jiang Yu to another cast and crew. She puts in a lot of effort in acting. I've rarely seen such a talented actress! I'm sure she'll do well in the future."

Zhuo Zheng looked at the director in shock.

He initially thought that he was the one who helped Jiang Yu and gave her a favor.

He didn't expect that Jiang Yu was the one who helped the cast and even made the director owe him a favor.

"It's great that I could help." Zhuo Zheng followed the director's words.

The director continued, "The last time I saw such a good seedling, it was Li Yue. No matter what role Li Yue plays, she can quickly enter the role. Jiang Yu is just like the Li Yue of the past."

Zhuo Zheng and Li Yue were good friends for many years. He suddenly said, "Is Jiang Yu that amazing? She can actually be compared to the Li Yue of the past?"

The director smiled and said, "You'll know when you see the results of her acting. I'm not exaggerating. Oh right, I'm also planning to use Jiang Yu's scenes to promote the movie."

This time, not only Zhuo Zheng, but even the female lead looked at the director in surprise.

The female lead was so focused on acting that she didn't notice how good Jiang Yu's acting was. Her curiosity was immediately piqued by the director's words.

Was the little actress who acted as a patient really that good? She looked tall and thin and wore a haggard makeup. She didn't have any sense of presence at all.

Jiang Yu, who didn't have much sense of presence, was calling sister Xia.

When Sister Xia heard that Jiang Yu had finished filming so quickly, she was a little surprised. "Why don't you try to shoot a few more scenes to ensure that you get the most perfect one?"

Jiang Yu said, "The director said that one would be enough."

Sister Xia said helplessly, "You're a newcomer, yet you still managed to pass with one take. Sigh, it seems that the director has gone easy on you. Forget it, forget it. You should continue to hone your acting skills."

Jiang Yu added, "Alright, Sister Xia. Oh right, Senior Zhuo Zheng has invited me to sing a public service song together on stage!"

"What?" Sister Xia was surprised. "It seems that you have quite a good relationship with people. In that case, you should focus on your singing skills first."

Jiang Yu nodded. "Alright, Sister Xia."

She hung up the phone.

Jiang Yu asked her assistant to return to the entertainment company.

She then headed towards Mo Long's company.

In the president's office.

A doctor was checking Mo Long's leg.

"Hmm, your leg function has recovered quite a bit."

All along, although Mo Long had been doing rehabilitation physiotherapy in the hospital, it had not been of much use.

The effect was minimal.

But now, the accompanying doctor said in disbelief, "President Mo, please try to stand up and walk. I think you can walk for a few hours now and you won't have any symptoms. Your originally stiff nerves have been greatly improved."

Upon hearing this, Mo Long took a look at his foot and stood up.

This time, he could clearly feel that his injured foot had become more agile.

The numbness and tingling sensation from before had also decreased by a lot.

Mo Long stood at the same spot in surprise. "I'm actually feeling much better."

"President Mo, did you do something special recently that caused your condition to improve?"

Mo Long thought for a moment and suddenly recalled how Jiang Yu would perform acupuncture on him every time before she left.

"I know what's going on."

The Doctor: "..."

"It's acupuncture!"

The doctor: "Acupuncture? Which godly doctor did you hire? With such brilliant medical skills, he would be an old professor from a certain hospital, right?"

Mo Long smiled and said, "No, she's still a student. Moreover, she won't be a doctor in the future."

The accompanying doctor was surprised. A student was able to treat so an illness not even so many specialists could not do anything about.

This was too unbelievable.

## **Chapter 100: 100% Chance Of Recovery**

"President Mo, I suggest that you continue with your acupuncture treatment. I believe that you will be able to return to normal soon."

Hearing the doctor's words, Teng Yi, who was standing beside Mo Long, was so excited that he almost cried.

For so many years, Mr. Mo Long had been in a wheelchair. He no longer attended many major events and even found a remote town to recuperate.

No one knew better than Teng Yi how upset Mr. Mo Long was about his leg disease.

In fact, president Mo even tried his best to hold long-distance meetings with some business partners.

That was because his leg disease was a scar on President Mo's face. He always tried his best not to let others talk about it.

Even when it was necessary to attend various events, he would endure the pain and pretend to be a normal person without using a wheelchair.

In the end, he would always fall ill and be hospitalized an hour later.

But now...

Mr. Mo had actually stood there for so long without any expression of discomfort.

The doctor even said that he had recovered quite a bit.

After the doctor left, Teng Yi said in surprise, "President Mo, should we inform the capital about such good news?"

Mo Long shook his head. "We'll talk about it after I've recovered."

At that moment, someone knocked on the door.

Teng Yi opened the door and saw Jiang Yu standing at the door.

Jiang Yu walked in. "I'm going back to school tonight. Before I go to school, I'll give you acupuncture treatment."

Jiang Yu came over with her own silver needles.

Teng Yi said excitedly, "Miss Jiang, you came at the right time. Quick, give President Mo treatment."

Jiang Yu saw Mo Long standing there and immediately walked over with a frown. She pressed Mo Long into the wheelchair and said, "Didn't I tell you not to be brave?"

Mo Long looked at Jiang Yu, who was busy holding silver needles, and suddenly said, "Yu'er!"

"Huh?"

"When I'm fully recovered, I'll take you to capital to meet my family. Let's get engaged first, okay?"

Jiang Yu looked up at him. "Didn't you say that you wouldn't make it public during my school days?"

"The situation is different now," Mo Long said with a smile.

In the past, he didn't want people to say that Jiang Yu was with someone in a wheelchair because of the inconvenience in his legs.

But it was different now, wasn't it?

He held Jiang Yu's hand. "Or do you still not want to announce your relationship with me?"

Jiang Yu blinked. "So you really want to marry me?"

Mo Long's expression froze. "Jiang Yu! I'm serious."

Jiang Yu waved her hand. "Alright, we'll announce our relationship when you're fully recovered."

Mo Long heaved a sigh of relief.

When Jiang Yu gave Mo Long the acupuncture, she did not realize how complicated Mo Long and Teng Yi's expressions were.

Although Mo Long looked quiet on the surface, his eyes were already filled with a lot of emotions.

He thought that he would be in a wheelchair for the rest of his life, but unexpectedly... Jiang Yu gave him a new opportunity.

Jiang Yu returned to the school.

She had just reached the dormitory when she saw Jiang Ran looking around the entrance of her dormitory.

She was holding a bunch of expensive gift bags in her hands.

She needed an access card to enter the elite female dormitory.

Jiang Ran had been standing at the entrance for an unknown amount of time.

When she saw Jiang Yu, she immediately ordered, "You're just in time. Help me open the door. I'm here to look for Li Lu."

Jiang Ran thought for a moment. The person who badmouthed her on the show was Li Lu.

Although Sun You had helped her promote her in the past few days, she could not guarantee that Li Lu would badmouth her on the next show.

Jiang Ran felt that it was better for her to build a good relationship with Li Lu.

She hoped that Li Lu would be merciful.

She hoped that she would be able to smoothly go the path of a sweet lover with Sun You.

Jiang Yu walked over and took out her access card.

She opened the door in front of Jiang Ran, but after she walked in, it closed with a bang.

Jiang Ran was extremely angry. "Jiang Yu, open the door quickly."

Jiang Yu blinked. "You're looking for Li Lu, right? Wait here by yourself. I don't dare to go in with you.. Otherwise, you might say that I deliberately followed you to start trouble with you again."
