

## Older Man 941

### Chapter 941: Is She Crazy?

“What?” Kang He initially thought that she had heard wrong. After all, no one would transfer 8% of her shares unconditionally.

But after Jiang Yu repeated her words, Kang He was sure that she was not joking.

“Jiang Yu, are you crazy? This is 8% of the shares! Do you know what it means to transfer it to Kang Xue?”

“I do,” Jiang Yu said. “But this is my own wish and has nothing to do with you. You just need to print out a share transfer agreement.”

“Why did you do this for Kang Xue?” Kang He was puzzled. “She is a useless piece of trash. No matter how much you help her, she will not do what you want in the end.”

“Kang Xue is a piece of trash. Did everyone say that, or did you say it yourself?” Jiang Yu looked at Kang He coldly, “It’s because you look down on her and think that she’s inferior to you in every way. That’s why you feel that way, right? But other than you, no one else has said that, right?”

“I...” Kang He paused and coughed a few times to ease her embarrassment. “This is our family matter. It’s not your place to interfere.”

“I don’t have that much time to interfere with your family’s business.” Jiang Yu pushed the cheque in front of Kang He. “This is your only choice now. I think you should be able to handle it, right?”

Kang He looked at the cheque and the scale in her heart tilted.

She quickly took the cheque and said, “I understand. I will print out the transfer agreement today. When the time comes, you and Kang Xue can sign it.”

“Okay.” Jiang Yu smiled in satisfaction. “Then I’ll wait for your news. This is my contact information. You can tell me when you’re ready.”

As she spoke, Jiang Yu took out a small card from her bag.

Kang He took it and looked at it. There was only Jiang Yu’s name and her cell phone number on it.

“I got it. You go back and wait for the news,” Kang He said.

“Okay.”

Without saying another word, she got up and left.

Although Kang He was so angry that her teeth were itching, this was her only way. Other than that, she had no other way to fill the hole in Jing Chi.

She went to the company to print out a share transfer agreement and then called Jiang Yu. "I've already printed out the share transfer agreement. You and Kang Xue can come over and sign it. I'll give you the address."

"I got it."

After hanging up on Kang He, Jiang Yu gave Kang Xue another call.

She had yet to tell Kang Xue about this.

Kang Xue picked up the call and asked, "Jiang Yu? What's the matter?"

"Do you have time? Come with me to a place."

"I have time. Wait a moment." Kang Xue got up and put on her clothes. "I've been lying at home for the past few days. I'm going to go moldy."

"Then you should make some preparations first, and come directly to Kang He's company to look for me later."

"Okay... Ah?" After Kang Xue heard the words "Kang He's company", her expression changed slightly.

"Why do you want to go to her place?"

"This matter can not be explained in a short while. You come first, and I'll tell you slowly when you come."

"Alright then."

Kang Xue quickly put on her clothes and took a car to Kang He's company.

Jiang Yu had already arrived and was waiting for Kang Xue at the door.

She got off the car and quickly walked over. "Jiang Yu! I'm here."

When Jiang Yu saw her, she smiled. "Let's go. I'll tell you about this on the way."

"Alright."

The two of them walked into the company. Only when they reached Kang He's office did Jiang Yu explain the matter clearly.

When Kang Xue heard it, she was also very shocked. "Jiang Yu, are you crazy? Do you know how much 8% of the shares is? How can you transfer it to me unconditionally?"

"Don't worry about this first. Let's go in and sign the papers first."

As she spoke, Jiang Yu knocked on the door and said, "Kang He, it's us."

There was a series of clicking sounds coming from inside the room, like the sound of high heels stepping on the floor.

After a while, the office door was opened. Kang He looked at Jiang Yu and Kang Xue expressionlessly and said, "Come in."

It was Kang Xue's first time in Kang He's company. Although she had been listening to her, she had never had the chance to see it. But now, she had seen it and was about to become one of Kang He's shareholders.

Kang He handed the transfer agreement to them. "Take a look. If there are no problems, sign it."

Jiang Yu looked at it carefully and after confirming that there were no problems, she picked up a pen and signed her name on it.

Seeing this, Kang Xue also signed her name.

## **Chapter 942: List of Names Online**

After the transfer agreement was signed, Jiang Yu left with Kang Xue.

Until Kang Xue left the company, she felt that everything that happened just now was a dream.

"Am I really Kang He's shareholder now?" Kang Xue pulled her hair hard. After feeling the pain, she let go and confirmed that everything was real.

"You are indeed Kang He's shareholder now," Jiang Yu said with a smile. "But I can only help you up to this point. The rest of the way is up to you."

"Yes! Thank you, Jiang Yu!" Kang Xue thanked her very excitedly.

Kang Xue had done too many things to let Jiang Yu down because of her. After she realized her mistake, this matter was like a thorn that stabbed into her heart.

However, she did not expect Jiang Yu not only to let it go, but also to think of a way to help her escape from Kang He's oppression and to help her pave a way out.

Kang Xue did not know how much she owed Jiang Yu. She could only try her best to repay her in her lifetime.

"It's okay." Of course, Jiang Yu did not know what was going on in Kang Xue's mind. "We are friends. Isn't it my duty to help you?"

"Yes, we're very good friends." Kang Xue kept nodding her head, and her eyes unconsciously reddened.

Jiang Yu and Kang Xue separated at a crossroads. One went back to the Kang family, and the other went back to the Mo family.

Too many things had happened recently, and Jiang Yu almost forgot the date of the start of school.

She picked up the calendar and looked at it. She found out that the day the movie was scheduled to end was actually the day she started school.

"What a coincidence." Jiang Yu smiled disdainfully and put the calendar back.

She didn't pay much attention to the movie, but sister Xia paid extra attention to it because Fang was bullied. There was only one reason, and that was — I'd like to see what kind of good movie they could make without us.

The movie didn't get a good response online. Although there were many reasons, there were only a few main ones.

The first reason was that this wasn't a popular romantic movie, but an independent urban female movie.

The second reason was that most people were actually targeting Li Yue and Jiang Yu, who was the movie queen. Although Jiang Yu wasn't the female lead, as the third female lead, her scenes shouldn't be too few. In the end, the organisers recently released a new post saying that Jiang Yu's scenes had been cut to only two scenes, which was unacceptable to most of the audience.

The comments below also vented their dissatisfaction.

"Whose third female lead only has two scenes? is it called the third female lead or 'I don't know which female lead'?"

"Rather than calling it the third female lead, it's more like a cameo!"

"I've been following this movie since the beginning for the sake of Li Yue and Jiang Yu. Now that the scenes have been cut to this extent, what's there to watch?!"

Most of the comments were like this, and they were very dissatisfied with the official cut of Jiang Yu's scenes.

Sister Xia felt slightly better when she saw that so many people were fighting for Jiang Yu's injustice.

She continued to scroll down and even flipped to the "Movie Queen list" that the netizens had made themselves. There were many people on it. Those who were slightly famous in the entertainment industry were basically all on it.

However, Li Yue and Jiang Yu were still in the front, and their votes were not too far apart. As long as one person's votes surpassed the other person's, in less than five minutes, the votes of the people in the back would instantly rush up.

It seemed like everyone was very concerned about this year's 'new and old Movie Queens' showdown.

Sister Xia told Jiang Yu about this matter, and Jiang Yu could only smile helplessly. "Sister Xia, this isn't the official data. Why are you suddenly so concerned?"

"The list made by the netizens is actually more useful than the official list! From this, it can be seen that everyone is more optimistic about who will be the Movie Queen this year," Sister Xia said.

"Is that so? who has the most votes, me or Li Yue?"

Sister Xia took another look at the ranking board and said, "I saw that you were still more than 10,000 votes higher than Li Yue just now, but now it's Li Yue who is higher than you. It's about... 3,000 votes. This vote count is really tight."

Jiang Yu smiled and said, "Sister Xia, let's wait for the official statistics to show everything."

"Alright." Sister Xia could only turn off the computer, "But this is also a reference. It seems that this year's competition between you and Li Yue will be particularly intense. But it's useless. She will fall sooner or later. Pretending to be amiable and gentle in front of the fans, but in fact, she has a very vicious heart."

"If the fans know, they will be very disappointed." Jiang Yu said coldly.

### **Chapter 943: Official Statistics**

The day the movie ended was the day Jiang Yu started school. The director wanted to treat her to a wrap dinner, but Jiang Yu rejected him on the grounds that school was starting.

At first, the director thought that Jiang Yu was still angry, which was why she didn't want to come for a wrap dinner.

He quickly explained, "Jiang Yu, I know it's not right to cut your scenes. I didn't tell you in advance, so it's normal for you to be angry. But this is the request of the investor after all. I'm just doing my job with money. There's nothing I can do about it."

"I'm not angry." Jiang Yu didn't want to waste any more time with the director, "I'm really starting school today, so I can't go. If you don't believe me, you can ask Sister Xia. She knows about my school starting today. Director, let's not talk about it. I'm very busy here."

With that, Jiang Yu hung up the phone.

The director listened to the busy tone coming from the phone and could only sigh helplessly.

Jiang Yu brought her luggage back to the dormitory and realized that she was the only one who had arrived.

Only then did she remember that each major had a different starting time. The acting major was the first to start school.

"Looks like I'll be staying in the dormitory alone for this period of time." Jiang Yu laid down on the bed and closed her eyes to catch up on her sleep.

However, after lying down for a few minutes, she received a call from Sister Xia. "Jiang Yu, the official statistics are out! Just as I expected, your ranking is close to Li Yue's. She's in first place and you're in second place. There's a difference of more than 100,000 votes."

Jiang Yu did not care about this difference. "If it's more than 100,000 votes, you'll be able to catch up in a few minutes."

"That's what I thought too. But your current situation is just like what I told you back then. If you catch up, in less than five minutes, Li Yue will catch up again and you'll catch up again. Based on this situation, it's hard to say who will be in first place between you and Li Yue when the voting ends."

"It doesn't matter who is first." Jiang Yu said, "If she really likes it, we can give her first place."

“That won’t do.” Sister Xia disagreed, “She has done so many things to harm you and now she wants to give her first place in the Movie Queen category? Wouldn’t that be too easy for her? Not only can we not let her be first, we also have to expose her crimes so that she won’t be able to raise her head in front of the public!”

“But we have no way to control this matter. We can only take it one step at a time,” Jiang Yu said.

“I’ll think of a way to get votes for you. As long as you and Li Yue can maintain this situation, you can win by a narrow margin in the end. As long as there are no more strange people coming in during the process.” Sister Xia had been staring at the computer screen.

She did not know why, but her eyelids had been twitching recently. She had a bad premonition in her heart.

“Sister Xia, don’t be too tired.” Jiang Yu couldn’t persuade Sister Xia, so she could only advise her to rest well and not wear herself out because of this matter.

“Okay, don’t worry.” Sister Xia began to work on it. Whether it was Jiang Yu’s previous photos, the video of the advertisement, or the clips of the previous scenes, after sister Xia worked on them, she posted them on the Internet.

“Then I’ll take a rest first.” Jiang Yu hung up the phone as she spoke.

In fact, compared to Li Yue’s indignant expression when she lost her movie queen award again, Jiang Yu hoped that she could get the movie queen award this time.

When she held the trophy and stood on the stage, she must have thought that she was the center of attention.

If something unexpected happened at this moment, Jiang Yu would have wanted to see Li Yue’s panicked expression.

She closed her eyes and went to sleep. She didn’t care about the results of the rankings.

When she woke up, it was already night time. Jiang Yu was a little hungry so she went to the canteen for a meal.

It was going to be like this for a while.

However, if Jiang Yu wanted to live like a salted fish, the heavens would not grant her wishes.

Three days had passed since she had communicated with Sister Xia about the official data. Jiang Yu thought that her life would be peaceful during this period of time, but Sister Xia gave her a call. The content surprised Jiang Yu. “What’s wrong with this Qin Yuan? How did she surpass you and Li Yue in just three days!”

“What?” Jiang Yu had thought that since Qin Yuan was participating in this public service film, her name would definitely be on the list of nominees.

But she never expected that Qin Yuan would actually rise to the top in just three days.

Sister Xia said, "When I saw it three days ago, Qin Yuan was still in the top 30. There was a difference of 80 million votes between the two of you. How could she suddenly rise to the top in just three days?!"

#### **Chapter 944: Questionable Votes**

Jiang Yu calmed down and asked, "Sister Xia, are you sure you didn't see wrongly?"

"That's impossible! Because she also participated in that public service film, I paid special attention to her," said sister Xia. "She's definitely in the top 30. If I remember correctly, she should be in the top 36."

Jiang Yu thought for a moment and guessed, "Could she have bought a Troll Army to vote? Otherwise, there's no reason to explain why she managed to surpass the 80 million votes gap in just three days."

"That's what I was thinking too, but Qin Yuan came forward to clarify that she didn't buy a troll army." Sister Xia was also in a difficult position. "Although these words can't be trusted, since she has already come forward to clarify, everyone can only shut up and not speak."

Jiang Yu frowned and thought of a way to deal with this. If Qin Yuan got first place as she wished, then there would be no point in her reporting Li Yue.

"Sister Xia, don't be anxious. Leave this matter to me. I'll look into it. Everyone isn't stupid. It's impossible for them to believe whatever Qin Yuan says," Jiang Yu said as she turned on her computer.

"Hurry up. There's still a week or so before the voting ends." Sister Xia was very anxious. "This position can not be in Qin Yuan's hands."

"I understand." Jiang Yu hung up the phone and went online to find out more about the specific situation.

After understanding the situation, Jiang Yu began to search online for all the information related to this matter.

"80 million votes can be caught up in three days, and you came forward to clarify that you didn't hire trolls?" Jiang Yu sneered, her fingers never stopping. "Qin Yuan, are you brainless, or do you think we're all idiots?"

Half an hour later, Jiang Yu stopped and looked at the screen. She had found all the evidence.

Whether it was the transfer records Qin Yuan's father gave her, or the chat records between her and the Troll army, they were all found out by Jiang Yu.

Qin Yuan was not smart. After some things were done, she would not deliberately erase the traces, so Jiang Yu easily found them.

A troll army was three yuan. For this 80 million troll army, Qin Yuan had to spend at least 300 million.

Jiang Yu gave sister Xia a call and explained the matter simply.

"300 million? I know that Qin Yuan has always been crazy. Her father doesn't seem like such a person?" When Sister Xia heard "300 million," she was so shocked that she almost bit her own tongue. "Spending

so much money to pay the Troll Army to vote? What if they still don't get the movie queen award in the end?"

When Sister Xia said this, Jiang Yu also felt that it made sense.

If they really wanted to spend money to "buy" the movie queen award, why didn't they invite the Troll Army to vote the day before the voting deadline? In that case, they had at least a 90% chance of ensuring that Qin Yuan would sit in the "movie queen" position.

And there was still a week before the voting deadline. If there were any mistakes in the process, Qin Yuan would not be able to obtain this 'movie queen'.

"Could it be... some kind of secret operation?" Sister Xia suddenly thought of something very scary.

"Could it be that the organiser has suppressed your and Li Yue's votes?"

"No. No matter who gets the movie queen, to them, there are no benefits and no disadvantages, so they wouldn't do such a thing," Jiang Yu explained, "Now we have a clue. There's a problem with the voting channel between Li Yue and me."

"Huh? How is that possible?" Sister Xia was even more shocked.

"Let me see." Jiang Yu switched to her administrator status and checked her and Li Yue's voting channel. She found that someone had closed these two voting channels, which meant, even if others wanted to vote for Li Yue and Jiang Yu, they wouldn't be able to vote anymore.

She told sister Xia about this and said, "I tried to crack it just now and found out that it's a password lock. If I don't know the password, then there's no way to unlock it."

"How could this be?" Sister Xia was shocked and terrified. "Then it's really a foregone conclusion? Didn't everyone realize that there's no way to vote?"

"I looked at the time just now. The lock was added two hours ago, so everyone probably doesn't know," Jiang Yu said. "Now, we need to know what the password is so that we can unlock it."

"But other than the person who added the lock, no one else knows the password!" Sister Xia never expected that in her lifetime, she would actually see someone tamper with the voting channel and the system for the movie queen award.

"This is a little difficult..." Jiang Yu muttered to herself.

Although she could forcefully hack into that person's computer, she couldn't hack into his brain, so she didn't know what the password was.

## **Chapter 945: Incident Exposed**

"Then is there no way to solve this matter?" Sister Xia was a little troubled. "We can't just let Qin Yuan take advantage of us like this."

Jiang Yu thought for a moment. "I'll first tell the organisers about this matter and hope that they can punish us."

“That’s fine.” Sister Xia was slightly relieved. “With the official investigation, the final result will be more convincing.”

“Okay.” Jiang Yu sorted out this matter and sent it to the official.

After the official found out, they were also angry about Qin Yuan buying fake votes. However, they were still more rational and felt that they shouldn’t only listen to Jiang Yu’s words, so they didn’t make a conclusion on the spot.

“Miss Jiang Yu, we will use the material evidence that you submitted as a reference. Thank you for telling us about this matter,” the official replied.

“How long will it take them to investigate this matter?” Asked Sister Xia. “Did they say how the voting channel will be restored?”

“No, but they called the police,” said Jiang Yu, “The organisers said that the matter of the voting channel being closed is very serious. Even if it can not be restored, they must call the police. They opened a new voting channel and transferred the data from the previous channel to a new one.”

“As long as we can still vote.” Sister Xia let out a long sigh of relief. “I hope that nothing will happen in the remaining week.”

“Okay.” Jiang Yu responded softly.

She had already told the officials everything she had found out. As long as they did a simple investigation, they would be able to find out the truth.

As expected, that night, the officials disqualified Qin Yuan from participating in the selection of the movie queen.

Because they were worried that Qin Yuan’s fans would cause trouble, the authorities even published a post to explain this matter. It proved that this matter was indeed Qin Yuan’s fault. If she hadn’t paid the troll army to push her votes, then today’s incident wouldn’t have happened.

Some fans were unwilling to believe it. They felt that the authorities had wronged Qin Yuan and requested them to reinvestigate. There were also some fans who were disappointed with Qin Yuan’s behavior, so they all left the fan base.

But no matter what kind of situation it was, in the end, the one who suffered the most was Qin Yuan.

She thought that this matter would not be discovered, so she had been very happy for the past few days. But when she suddenly found out that her matter had been exposed and that she had been disqualified from participating in the selection, her entire person’s spirit began to become abnormal.

For this matter, she asked her father for 400 million and promised that she would definitely win the position of movie queen this time.

Father Qin was also eager to love his daughter. Although he felt a little ache for the money, he still gave it to Qin Yuan. But with this payment, Father Qin’s company was almost emptied out.

The manager was worried about Qin Yuan's condition and asked, "Qin Yuan, are you okay? Do you want to go back and rest for a while?"

Qin Yuan seemed to have not heard these words and sat on the chair in a daze. Her eyes were staring straight at the ground as she kept muttering to herself. "How did this matter get discovered? I obviously hid it well. What happened?"

The manager sighed, "I told you before that you can't buy a troll army to fake votes. But you insisted on buying. I can only advise you not to buy so many at once. You have to do it step by step. The vote rose by 80 million in three days. Anyone who saw it would find something amiss. But you didn't listen to a single word I said. You were always stubborn and ended up like this."

Qin Yuan was still the same as before. She ignored her manager's words.

The manager was worried that something would happen to her, so he patted her shoulder fiercely and shouted, "Qin Yuan!"

"Ah, huh?" Qin Yuan was shocked and her heart almost jumped out. "What's wrong? Did something happen?"

"You... sigh." The manager could do nothing but sigh. "You'd better think about how to explain to your father first."

"My father..." Qin Yuan called out softly, suddenly, she covered her face and cried bitterly. "How can I explain? I have no way to explain at all! Back then, I swore to him that I would definitely win the movie queen award, so I asked him for 400 million. In the end, everything has been discovered, and I was even expelled! You want me to give him an explanation? How can I give him one!"

Qin Yuan cried her heart out, but even so, her manager had no other way to help her.

Although she knew long ago that Qin Yuan was a disobedient person, it didn't seem like Qin Yuan would dare to spend so much money to buy a troll army.

"Sister, please help me!" Qin Yuan cried as she grabbed her manager's sleeve. "I really have no other way. Please help me!"

The agent shook his head and shook off Qin Yuan's hand.

"I can't help you with this."

#### **Chapter 946: Won The Award She Wished**

Qin Yuan looked at her manager in disbelief. She never dared to imagine that she would leave her after something happened.

"Sister, what do you mean? Aren't you going to help me?" Qin Yuan was so shocked that she even forgot to cry.

"I can't help you with this matter just because I want to," her manager said helplessly. "I tried to persuade you a long time ago, but you didn't listen to me. If you had listened to me back then, this kind of thing wouldn't have happened now."

"What time is it now? Why are you still haggling over these things with me?" Qin Yuan hurriedly wiped her tears. "If something happens to me, your career will also be tainted, right?"

She thought that by threatening her agent like this, the other party would help her solve this matter.

However, she was thinking too much. The agent didn't intend to help her solve this matter, she even planned to give up on her. "Qin Yuan, it's useless for you to threaten me. Once this matter is discovered, there will be no room for resolution. You bought a troll army to buy votes for the movie queen award. How do you expect me to help you? Moreover, what you said is not right. Even if something happens to you, my career will not be damaged. The entertainment industry is not lacking in artistes. Without you, I can bring other artistes. Perhaps they will do better than you."

"You..." Qin Yuan was stopped by her manager's words, then, she begged again, "Sister, please help me. We have so much friendship between us. If you are not willing to help me, then I will really be finished!"

"I really can't help you. You'd better pray for yourself." Her manager turned around and left.

The only one who could help her left. Qin Yuan fell to the ground as if she had lost her last straw.

She finally regretted it. If she had known earlier, she would have listened to her manager and not done these things. Now that the incident had been exposed, not only did her popularity drop, but even her manager had become a manager.

"How could this be..." Qin Yuan wailed loudly. Her mournful cries filled the entire room.

Qin Yuan's name had been erased, so the top two in the rankings were still Li Yue and Jiang Yu.

The third place was almost 30 million votes away from them. In the remaining two days, it was basically impossible to overtake them. So everyone's attention was on Li Yue and Jiang Yu this time. They wanted to see who would be the last one to win the prize.

Jiang Yu didn't care about the results this time. She took out all the photos from before and made a long-screen picture of Li Yue and Ah Xiang's chat history. She even recorded all the things Ah Xiang had mentioned about Li Yue, Jiang Yu recorded everything with a voice recorder.

These things might not seem eye-catching, but they were the most useful leverage against Li Yue.

Jiang Yu packed up the two dolls and prepared to give them to Li Yue at the awards ceremony. She then sent the picture to the officials and explained her intentions. "On the day of the awards ceremony, I hope you can put this picture on the screen."

After the officials saw the picture, they asked in disbelief, "Is this really Li Yue? She really wants to harm you?"

Jiang Yu replied, "Definitely."

“Oh my God! How can Li Yue be such a person!” The officials were shocked and their understanding of Li Yue had changed.

Jiang Yu continued, “If you feel that you can not believe my words, then you can go to the police station to investigate a person named ‘Ah Xiang’. Li Yue bribed him to harm me in the past and he has been caught by the police.”

“Alright... We will arrange it,” The official said.

But there was actually no need to investigate anymore. Jiang Yu had Mo Long behind her and she was already someone that they could not afford to offend. Moreover, from her usual actions, it seemed that she did not care about the position of Movie Queen.

Since she did not care about the position of Movie Queen, it did not matter to her who sat on it. There was no need for her to lie and lie just to get rid of Li Yue.

Hence, the officials still believed Jiang Yu’s words. However, to be on the safe side, they still secretly sent people to the police station to find the person called “Ah Xiang” and ask about the situation at that time.

In the end, they found out that everything that Jiang Yu said was true.

But they didn’t publicize this matter. Instead, they remained silent at Jiang Yu’s request.

Until the day of the award ceremony, Li Yue didn’t know that the things that she had done were already known by others.

She thought that she had hidden it well. Other than herself, Li Lu and Ah Xiang, no one else knew about this matter.

At the close of the voting, the first place on the leaderboard finally fell to Li Yue.

#### **Chapter 947: Panicked**

After Sister Xia found out about this result, her heart was filled with unspeakable bitterness.

“Jiang Yu, it’s alright if you don’t get the movie queen this time.” Sister Xia was worried that Jiang Yu would not be able to get over this matter, she comforted her, “If you can’t do it this time, there will be a next time, right? Don’t deny yourself just because of the result this time...”

Sister Xia rambled on for a long time, but Jiang Yu had no idea why she said this.

“Sister Xia, did something happen? Why are you telling me this all of a sudden?” Jiang Yu was puzzled.

It seemed that Jiang Yu still didn’t know the final result of the voting. Sister Xia sighed and said, “Jiang Yu, the final result is out. Li Yue is in first place. In other words, this year’s movie queen is still her.”

“Really?” Jiang Yu paused and her tone was a little cheerful.

“Really.” Sister Xia was a little puzzled.

Why was Jiang Yu so cheerful when she heard that this year's movie queen was Li Yue? Was it because she was too sad and angry that she suddenly lost her mind?

Sister Xia wanted to ask clearly, but before she could say anything, Jiang Yu said, "Sister Xia, I'll go to the studio to look for you now. Let's go to the award ceremony together."

"Ah... Okay," Sister Xia said.

Why did Jiang Yu feel a little strange?

Jiang Yu wore a simple evening gown and went to the awards ceremony with Sister Xia. But according to the rules, Sister Xia could not go to the audience seats, so she could only wait for Jiang Yu to come back from the backstage lounge.

She was accompanied by Li Yue's manager, Sister He.

Sister He and Sister Xia's relationship had changed from hostility to friendship during the period when Li Yue lost control of her emotions. Now that they met, it felt like they were old friends meeting.

"Congratulations, Li Yue has won another year as the movie queen." Sister Xia curled her lips.

"She has put in a lot of effort for this year's movie queen." Sister He sighed slightly, "Although this is a good thing and I'm really happy for Li Yue, but sometimes when I look at her, I feel that she's different from before."

"What's different about her..." Before Sister Xia could finish her sentence, she heard a series of exclamations coming from the main stage.

The voice was very loud and it should have come from the audience.

"Did something happen?" Sister Xia was worried that something had happened to Jiang Yu, so she quickly walked to the front door of the main stage and kept looking inside.

She saw something that looked like a chat log on the screen, but because she was too far away, she couldn't see the content clearly.

Just as she was panicking, a scream suddenly came from the podium. "Jiang Yu!"

Sister Xia was shocked by this "Jiang Yu". It was hard to imagine Li Yue's expression as she stood on the podium.

Li Yue's expression was one of anger and shame, but it was more of panic.

This was the recording of her conversation with Ah Xiang. Why did it appear here?!

After the audience finished reading the recording, they turned their attention to Jiang Yu who was sitting in the corner.

They started to whisper, "Li Yue really wants to harm Jiang Yu? What's the reason? Is it because of last year's movie queen award?"

"I don't think it's just that award, right? Could it be because of the president of the Mo Corporation?"

“There were rumors that Li Yue liked the president of the Mo Corporation, but she ended up with Jiang Yu. Could it be that Li Yue was jealous and wanted to harm Jiang Yu?”

“In Li Yue’s eyes, Jiang Yu stole her man and stole her best actress award.”

“President Mo doesn’t like her, so how can she blame Jiang Yu? The Movie Queen Award was voted by the public, so how can he blame Jiang Yu? Besides, didn’t she still get the Movie Queen Award this year?”

“After this incident, do you think she can still hold on to that award?”

On the stage, Li Yue panicked as she held the award that belonged to the Movie Queen Award in her hand. She felt that this was the only thing that could support her standing.

She gulped, she laughed dryly. “Everyone, don’t be misled. All of this is fake. It was a scene that I shot at that time, but due to the timing, this part was cut out. Jiang Yu might have misunderstood and thought that I wanted to harm her, but that’s not the truth.”

Everyone turned to look at Jiang Yu as though they wanted to hear an explanation from her.

However, Jiang Yu didn’t say anything. Instead, she stared straight at Li Yue.

Li Yue saw that Jiang Yu didn’t say anything and thought that she had been fooled by her own words.

“Look, Jiang Yu didn’t explain herself. This means that she has been misled. So don’t believe it...”

Before Li Yue could finish her sentence, Jiang Yu stood up and walked onto the stage with a small parcel in her hand.

### **Chapter 948: Fall From Glory**

“Li Yue, I have a gift for you,” Jiang Yu said expressionlessly.

“Haha, alright, alright.” Li Yue laughed dryly as she took the package. She planned to throw it away after the match.

However, Jiang Yu said, “Aren’t you going to open it? It’s something that you’re very familiar with.”

“I’m not going to open it. I’ll open it when I get back.” Li Yue’s face was still wearing an awkward smile.

“You’ll throw it away when you get back.” Jiang Yu immediately hit on Li Yue’s thoughts. “So it’s better to open it now. As long as you don’t feel guilty, the things inside are a gift.”

“What guilty conscience? Jiang Yu, you’re too good at joking.” Li Yue laughed dryly and opened the package.

Inside was a repeater duck doll and a sunny day doll.

“Ah!” Li Yue shrieked because she had left it at the door of Jiang Yu’s room in the middle of the night.

“What’s wrong? Are you afraid?” Jiang Yu looked at her in amusement. “Didn’t you say you’re not guilty? Then what are you afraid of?”

"I'm not, I'm not afraid." Li Yue pretended to be calm. "Jiang Yu, I don't know why you gave me this, but I think there must be some misunderstanding between us, right?"

"Don't you know? Didn't you give this to me before?" Jiang Yu looked at her and took out a small recording pen from her dress pocket.

"What's this?" Li Yue had a bad feeling.

Jiang Yu didn't answer but took the microphone from Li Yue's hand. She pointed it at the recorder and pressed the button.

The sound of an electric current instantly covered the entire venue, followed by Ah Xiang's words.

"... Yes, it's Li Yue, the one who won the Movie Queen Award a few years ago."

"... She was the one who took the initiative to contact me, not me. I didn't know that Jiang Yu at that time, so how could I have harmed her for no reason?"

"... Li Yue also has a younger sister, Li Lu. Both of them came to look for me. One wanted me to help buy a poisonous worm, while the other wanted to drive a car to kill Jiang Yu."

The recording ended almost at this point. Li Yue's face looked as though it had been washed with cold sweat.

"How could it be..." She could not believe that Ah Xiang would tell Jiang Yu everything about their transaction.

"I already knew that you bribed Ah Xiang to harm me, including the police." Jiang Yu said plainly, "The reason why the police did not arrest you was because I pleaded on your behalf."

"You pleaded on my behalf? Why?" Li Yue didn't believe that Jiang Yu would be so kind-hearted.

Jiang Yu leaned closer to Li Yue and whispered, "Of course it's for today."

Li Yue's pupils constricted and she looked at Jiang Yu in disbelief. "You already knew? That's why you waited for me today?!"

Jiang Yu nodded.

"Jiang Yu!" Li Yue's eyes reddened and the veins on her forehead bulged. She shouted, "You did it on purpose! You wanted to harm me!"

Her emotions became extremely unstable and she threw everything in her hands at Jiang Yu, including the trophy.

The trophy fell to the ground and with a 'bang', it shattered.

Jiang Yu looked at the broken trophy and shook her head regretfully. "What a pity for this trophy."

Li Yue's chest heaved violently and she looked at Jiang Yu with a burning gaze.

"Ah, right, I forgot to remind you." Jiang Yu said, "This award ceremony is being broadcasted live so everyone has seen your embarrassing actions just now."

Li Yue froze and slowly looked at the camera at the side.

The red light on the camera was still on, which meant that it was still working.

“What’s going on?!” Li Yue suddenly rushed towards the camera like she was going crazy. “Why are you still filming?! Stop it quickly!”

The surrounding security personnel quickly stopped Li Yue and pulled her off the camera, restraining her.

The air was silent at this moment because everyone didn’t know what to do.

“Li Yue, I’ve already called the police just now,” Jiang Yu said slowly.

And this sentence was the last straw that crushed Li Yue.

“Jiang Yu, I thought I would definitely win this time.” Li Yue smiled self-deprecatingly, “I didn’t expect that I would still lose to you. You knew about this long ago but you dragged it out until now just to see me like this, right?”

She was speaking the truth so Jiang Yu didn’t deny it. “Yes.”

“Jiang Yu, your thoughts are really vicious.” Li Yue said fiercely as if she had never done anything outrageous.

“I’m inferior to you.” Jiang Yu shrugged. “Compared to you, I really have a heart of a bodhisattva.”

“I’m really unwilling to lose to you.” Li Yue said, “You’ve already obtained Mo Long and the Movie Queen. What right do you have?”

#### **Chapter 949: Calm And Peaceful**

Li Yue was really unwilling, but she knew that her life could only end here.

The police quickly arrived and took Li Yue away.

This shocking farce had finally come to an end.

If Li Yue was in trouble, she would naturally be removed from the official list. Hence, Jiang Yu was ultimately the Movie Queen.

However, the trophy had already been broken by Li Yue. The new trophy still needed some time to be produced, so the official ceremony was postponed.

Jiang Yu naturally did not have any objections. “Alright, thank you for your trouble.”

After the matter was settled, Sister Xia and Jiang Yu returned to the studio together. As for Sister He, she sat in the police car and went to the police station with the police.

“Sister He really values Li Yue very much. Even though she has done such a wrong thing, Sister He isn’t willing to give up on her.” Sister Xia said, but why did Sister He feel sorry for her.

“Li Yue isn’t willing to cherish this opportunity. She’s always working hard for those who don’t care about her. Instead, she’s letting those who care about her down.” Jiang Yu sighed. She felt sorry for Li Yue, but why did Sister He feel that it wasn’t worth it.

“But after this matter is over, you should be able to rest well for a period of time.” Sister Xia smiled.

“Yeah.” Jiang Yu stretched lazily. “After this semester ends, I’ll be able to go on a trip with Mo Long.”

“When do you and Mo Long plan to get married?” When Mo Long was mentioned, Sister Xia remembered something else. “Although you can get married after you graduate, isn’t there a new rule now? If a university student gets married before graduation, they can add credits.”

“I know that,” Jiang Yu said, “But I don’t want to get married so early for the time being. Besides, Mo Long and I agreed to consider getting married after I graduate. I’m still young.”

“Mo Long isn’t young anymore. It’s better to get married as soon as possible,” Sister Xia said.

“Okay. I’ll think about it as soon as I graduate.”

As soon as the two of them arrived at the door of the studio, they saw three people in dark clothes standing at the door sneakily.

“Who are they?!” Sister Xia shouted.

When the three people heard Sister Xia’s voice, they stood up straight and took off their caps, revealing awkward smiles.

Jiang Yu paused. “Xiao Qi, Dai Zhu? And Kang Xue? What are you guys doing here?”

“We saw the live broadcast,” Lu Qi explained. “Although Li Yue has been taken away by the police, we were still worried, so we wanted to come here to see you.”

“Then you guys can just come openly, why are you acting so sneaky?” Jiang Yu was extremely puzzled.

“Aren’t you afraid that the paparazzi will follow you?” Dai Zhu said, “Let’s talk inside.”

Sister Xia opened the studio door with a smile and quickly let them in.

Sister Xia liked these girls. Although Kang Xue had done something wrong before, since Jiang Yu had already forgiven her, she didn’t need to say anything else.

As soon as Dai Zhu entered the house, she could not wait to take off her thick coat. As she took it off, she said, “Jiang Yu, are the screenshots that you sent out real? And that recording, how did you get it?”

Jiang Yu was helpless, so she explained these things briefly.

After Lu Qi heard it, he was shocked. “Really? Ah Xiang is also a drug dealer?”

Dai Zhu was also shocked, “If he is related to a drug dealer, the consequences will be unimaginable! Although their gang had been arrested, this was not enough to sentence them to death. When they get out of prison, Jiang Yu, you must be careful.”

“I know, I will be careful.” Jiang Yu nodded.

Kang Xue coughed a few times, "Alright, we are not here to talk about this. In order to celebrate Jiang Yu winning the Movie Queen Award again, Let's go out for a meal together!"

"Alright! Jiang Yu is treating!" Lu Qi and dai Zhu cheered.

Jiang Yu looked at their happy faces and shook her head helplessly.

After dinner, Jiang Yu returned to Mo Garden.

There were two people standing at the entrance of Mo Garden.

Jiang Yu had never seen them before and thought that they were here to look for Mo Long. Hence, she stepped forward and asked politely, "Hello, are you here to look for Mo Long?"

The woman in luxurious clothes at the door looked Jiang Yu up and down and asked, "You are Jiang Yu, right?"

Her voice was very sharp, and it sounded like she was scratching the glass with a blade, which made people feel very uncomfortable.

"Yes, I am Jiang Yu." Although she didn't understand, Jiang Yu still admitted it politely.

"You are the one who caused my daughter to be in the police station?!" The woman screamed shrilly.

#### **Chapter 950: Don't Take Advantage of Your Seniority**

Jiang Yu didn't react at first, but when she heard the words 'police station', she roughly guessed the identities of the two people in front of her.

The two people in front of her should be Li Yue's parents.

Mother Li was still chattering non-stop, but Jiang Yu didn't hear it clearly. She only vaguely understood that Li Yue was in prison because of her.

"Madam, Li Yue's imprisonment has nothing to do with me." Jiang Yu explained patiently. "She did something to hurt me and that's why she was in prison."

"If you don't say it, then who would know about this?!" Mother Li was still shouting loudly. She didn't look like a rich lady at all. Instead, she looked more like a shrew in the marketplace.

Jiang Yu realized that the two people in front of her wouldn't listen to her soft and gentle words, hence, her temper flared up. "The person she wants to harm is me. Why can't I say it? Do I really have to wait for her to kill me while I watch the living people in the sky seek justice for me?"

"You! Don't try to twist the facts!" Mother Li did not expect Jiang Yu to have such a sharp tongue. After a long while, she finally said, "I am your elder! Do you have any manners to talk to me like that?!"

"Compared to your daughter, I think I have manners," Jiang Yu said coldly.

“... Fine! You sharp-tongued girl!” Mother Li was furious, “Just you wait! Our Li family and the Mo family have several partnerships. If you don’t go to the police station to save my daughters now, I will immediately cancel the partnership with the Mo Family!”

Jiang Yu tilted her head and looked at the man who didn’t say a word. She asked in puzzlement, “Uncle, is your wife in charge of the Li family’s company now?”

Father Li didn’t know why Jiang Yu would ask this question. “No, why?”

“Then, shouldn’t it be up to you whether the partnership between the Li family and the Mo family should be canceled or not?” Jiang Yu’s expression was very innocent, as if this matter really puzzled her.

“This...” Mother Li realized that she had misspoken and immediately shut her mouth. She carefully looked at Father Li.

Father Li’s expression was gloomy as he fiercely glared at Mother Li, then, he continued to say to Jiang Yu, “This matter is indeed our fault, but I feel that the impact of this matter isn’t that serious. So, there’s no need for Li Yue to go to jail. You’re making a mountain out of a molehill.”

“I’m making a mountain out of a molehill?” Jiang Yu paused and realized that the two people in front of her were the same. She sneered and said, “You can really say anything to justify your daughter.”

“Isn’t that so?” Father Li even felt that this matter was justified, “Since you’re Mo Long’s fiancée, then you should be more magnanimous. Don’t always be calculative with others over small matters. Li Yue did want to harm you, but aren’t you fine now? Nothing happened.”

Jiang Yu opened her mouth and was about to speak when Mo Long’s voice sounded from behind her, “Why? Do you want to wait until something happens to Yu’er before the impact is considered big?”

Jiang Yu turned around and saw Mo Long standing behind her with a gloomy face.

Father Li was stunned. He didn’t expect Mo Long to come back at this time. He originally wanted to use these words to scare Jiang Yu, but since Mo Long was back, it was better to end this topic.

Therefore, he smiled and said, “President Mo, you heard wrong. That’s not what I meant just now.”

“Then what do you mean?” Mo Long didn’t intend to deceive Jiang Yu, “President Li, you are indeed an elder, but this is not the reason for you to speak nonsense here, right? Moreover, in terms of cooperation, I am the biggest shareholder and the biggest investor. Isn’t it inappropriate for you to use such a tone to speak to my fiancée?”

Father Li was so frightened that cold sweat broke out on his forehead. He repeatedly apologized, “I’m sorry, President Mo... It was my thoughtlessness that caused me to say those words. You are a magnanimous man. Just pretend that you didn’t hear it.”

As soon as he said that, Mother Li said untimely, “How can you pretend that you didn’t hear it? President Mo, no matter what, you’re still a junior. Is this your attitude toward your elders?”

Father Li hurriedly pulled Mother Li’s sleeve, motioning her to shut up. Then, he smiled apologetically and said, “President Mo, don’t mind it. The mother and daughter have this kind of temperament. It’s been many years, and they can’t change it for the time being.”

Mo Long didn't say anything but looked at father Li and Mother Li expressionlessly.

Mother Li felt guilty from his gaze and said, "Mo Long, why are you always looking at me?"

Mo Long looked at her for a while before he slowly said, "Don't worry, Li Yue is still in prison. She won't come out for the time being."
