

I Have 108 Older Sisters

#Chapter 111 - Read I Have 108 Older Sisters Chapter 111

?Chapter 111 – Stop Acting

Thank you readers!

The host was still in a daze when he was punched to the ground by the man who had rushed onto the stage.

Amid the exclamations of the crowd, the man shouted fiercely, a€?Listen up! We want all the money for today. We don't want to kill anyone, but if you resist, we'll burn this place down immediately. None of you will be able to leave this place alive!a€?

As soon as he finished speaking, a few staff members took the Molotov cocktails that they had prepared in advance and held them in their hands. They looked at the crowd with an evil expression, full of murderous intent.

Except for Yu Tian, everyone was panicking and crying.

As for Yu Tian, he calmly swept his gaze over. There were a total of ten bandits disguised as staff members.

Each of them had two Molotov cocktails. If they lit them up, even if the hotel was not destroyed, a few people would die.

Yu Tian looked at his old friend again. This one-eyed dragon had shifty eyes and eyebrows. He was sitting there sneakily. Was he not a little too calm?

At this moment, the bandits on the stage rushed into the crowd and grabbed Huo Nian Yue's hair, forcefully dragging her out of the crowd.

Huo Nian Yue struggled desperately. After suffering two big slaps, she finally calmed down in fear.

The man deliberately looked at Yu Tian and then roared at Huo Nian Yue, a€?Aren't you quite good at acting? How dare you speak ill of my boss? I think you're tired of living, right? Now I'll send you to hell!a€?

Huo Nian Yue looked at Yu Tian fiercely and cursed, a€?Yu Tian, so these people were arranged by you. You're really a shameless animal!a€?

Yu Tian was very calm.

These people were indeed arranged, but the one who arranged them must be an old friend. However, it was useless to explain now. They would naturally understand after dealing with this trash first.

The man raised his hand and gave Huo Nianyue a big slap. He also tore off the diamond necklace on her neck and laughed mischievously.

“This necklace looks very valuable. I can give it to my wife. You're so rich. You definitely won't mind about this, right?”

Huo Nianyue cared about this necklace the most. That was her identity. She struggled to snatch it but was knocked to the ground by the man's punch.

At this moment, Yu Tian suddenly stood up and said indifferently, “Brothers, it's just money. Why make such a big scene?”

The man stood up and looked at Yu Tian fiercely.

The old man behind the crowd also looked at Yu Tian. This was Chang Tianyou's plan. He was prepared to blame Yu Tian for this dirty work.

Now, it was up to those guys holding the Molotov cocktails to see if they could withstand it.

The man holding the necklace naturally knew his mission. Then, he smiled and said, “Boss, go ahead. We'll all listen to you!”

Everyone looked at Yu Tian with disgust.

They were already worth ten billion, yet they still wanted to snatch the money for charity? Did he have any humanity left? He was simply an animal.

Huo Nianyue even despised Yu Tian. She looked at him coldly as if she was looking at the most damnable person in the world.

Yu Tian laughed indifferently.

He said disdainfully, “Since you all listen to me so much, then come stand in front of me and let me cripple you next to me!”

The man put the necklace into his pocket and said awkwardly, “Boss, what are you doing? Didn't you ask us to rob you? Did we do anything wrong? Why do you want to hit us?”

Huo Nianyue cursed angrily. "Yu Tian, stop acting. You arranged all this. Why are you still acting like a hypocrite? Aren't you just trying to rob me of my money? I'll give you my necklace. Now, you should take your men and get lost. Get as far away as possible!"

Yu Tian was simply fed up with this woman's mouth. he shouted, "Shut your mouth! I've already tolerated you for a long time, you damn woman!"

After being scolded, this woman became obedient. She snorted coldly and did not say anything. She was really despicable.

Yu Tian glared at her coldly. Then, he said indifferently to the bandits, "You guys are the same. How can you use such a low-level method? Did you guys not think about this before doing this wicked thing? This place is filled with the upper echelons of society, elites, and rich people. You guys stole our money. Will we let you guys off?"

"What's in front of you is definitely a terrifying machine. If it works, will you be able to survive? At that time, there will be countless security guards, assassins, and people all over the world hunting you down."

"Each of you here will get a million, which is more than a hundred million. It's enough for countless people to hunt you down. First of all, I won't let you go, and the Chu family won't let you go either!"

Under his analysis, the bandits looked at each other and wavered.

Everyone was puzzled. It seemed like Yu Tian was not with them.

However, most people thought that Yu Tian was just putting on an act and trying to clear his name.

The old man felt that the situation was a little out of control. That guy's words had made these bandits waver. Once they betrayed him, the plan could not continue.

They had to stop Yu Tian. Thinking of this, the old man stood up and said angrily, "Yu Tian, don't say such nice things. Do you think we'll let you off? They're just small fries under you. What's the point of us making things difficult for them? You have to give us an explanation!"

The people who did not know what was going on all felt that it made sense and discussed it animatedly.

"It makes sense. Yu Tian is the most hateful person!"

"If I can get out of here alive, I'll definitely kill him!"

“Yu Tian, I have made a feud with you!”

The bandits who were initially wavering regained their composure.

In any case, they now thought that Yu Tian had instructed them to do it. They took the money and left. Yu Tian would take care of the rest.

When the time came, they would take the money and go abroad to live the rest of their lives. Who would care?

The man thought of this and laughed coldly. “Boss, they are right. Since you have the guts to let us do it, now you want to throw us away. Are you still human?”

“You were the one who promised us back then. When we got the money, you'd take half and I'd take half. Now you want all of it. How can you be so shameless?”

Yu Tian felt that these people were extremely laughable.

They were the ones acting, and their acting was not bad.

He even clapped his hands and said disdainfully, “Your acting is really not bad. You can get an

Oscar now. Before you became a bandit, did you learn how to act? But you guys are so stupid.

“Your plan was indeed perfect. After getting the money, you can still throw dirty water at me. Who plans for you guys? However, none of this is important. Your plan is impossible to succeed because you've neglected the most important point!”

The scene became quiet in an instant. Even Huo Nian Yue and the old man looked at Yu Tian in confusion.

The man who was still holding the necklace was even more surprised..

?Chapter 112 – I Have Money

Thank you readers!

Yu Tian said indifferently, “The most important point that you have neglected is that I have money, and I have a lot of money. Do you think that my net worth of ten billion is just for show?”

“Now, I have decided to take one billion in front of everyone to buy your lives. Apart from that, I'll pay for all of your losses tonight. I'll pay for all of today's charitable donations by five times!”

Amid everyone's shock, Yu Tian said coldly and arrogantly, "Apart from that, I'll take out two billion. Listen up, everyone. Whoever helps me dig out the boss behind these animals will get the two billion!"

"F*ck!"

"Oh my god!"

"Are you serious?"

The crowd exploded.

Now, no one doubted Yu Tian. Instead, they were all thinking about who was the boss of those b*stards.

He casually took out a few billion just to find the mastermind behind the bandits. If he did not have the confidence, how could he do that? Yu Tian was not short of money at all. Therefore, there was no reason to steal a few tens of millions.

Huo Nianyue's face was full of shock. Just how rich was this guy? He did not even blink a few billion. Could it be that the people of the Chu family supported him that much?

The old man could not sit still anymore.

The trash who were holding the Molotov cocktails were now drenched in sweat. Two of them were so scared that their faces had turned pale.

They absolutely could not let them be afraid of Yu Tian.

At the thought of this, the one-eyed man snorted coldly and said, "Everyone, don't listen to his nonsense. I suspect that he's a sugar daddy. Can he afford to fork out so much money? He just wants us to believe that he has nothing to do with these people.

"Brother Yu, you're being too unreasonable. If you anger these people, how many people will die if they start a fire? Can you bear the responsibility?"

The most hateful person was this one-eyed man. Yu Tian now regretted showing mercy to him back then.

However, there were people who really believed this fellow's words, especially those bandits.

Before Yu Tian could say anything, the man in the lead snatched a Molotov cocktail and said excitedly, "All of you are courting death. We all have rotten lives. What do we care? Now, everyone will die together. Who's afraid of who?"

He was about to light the Molotov cocktail as he spoke, scaring the crowd into a riot.

A few of the cowards screamed in fear, "Boss, if you want to die together, go look for Yu Tian. It has nothing to do with us!"

"Yeah, he's the one who wants to kill you all. We don't have such thoughts!"

"As long as you don't act rashly, I guarantee that you will all live!"

At this moment, no one believed the words of this bandit. The hand that was holding the lighter was trembling. It could ignite at any moment.

However, at this moment, Yu Tian saw that the bandits had begun to panic. They looked left and right in fear.

This was his chance. Yu Tian seized this opportunity. His figure moved. In the blink of an eye, he appeared to the side of the man and punched him in the neck.

The man did not even groan and fell to the ground. The Molotov cocktail was also broken. Yu Tian lifted his nose and took a sniff. There was no smell. So, this bottle was filled with clean water.

Yu Tian was even more satisfied this time. He rushed into the midst of the bandits and punched and kicked them.

While everyone was still panicking, Yu Tian had already killed five or six bandits.

The last few bandits turned around and wanted to run away. However, a few fatal sand beads flew out of nowhere and directly pierced through the necks of several bandits.

Yu Tian suddenly turned his head to look at the old man.

The one-eyed man's eyes flickered with an extremely proud expression. It was as if he was saying to Yu Tian, "What can you do to me?"

Yu Tian snorted coldly. Since he had already made a move today, he would round all of them up.

Having made up his mind, Yu Tian strode toward the old man. However, the old man pushed the coquettish woman beside him toward Yu Tian.

When Yu Tian dodged, the old man burrowed into the chaotic crowd and ran out of the venue.

At this time, a large number of security guards rushed in and pressed the surviving bandit to the ground.

Yu Tian directly grabbed the bandit leader and angrily asked, "Who instructed you to come? If you don't want to die, then tell me!"

The security guard wanted to stop Yu Tian.

However, Yu Tian's aura exploded. He turned his head and roared, "Get lost!"

The security guard was so scared that his neck shrank and he took a few steps back.

The bandit leader tilted his neck and said with fear in his eyes, "Chang Tianyou asked us to pour dirty water at you. We're just small fries. Please let us go!"

"Chang Tianyou returned to Linhai?" Yu Tian followed up and asked.

"We were all hired by him. We really don't know anything else!" the man said as if he was crying.

Yu Tian slammed him heavily onto the ground.

This trash was actually still in Linhai. "Alright, I'll see if you'll die this time."

At this time, a middle-aged man, the organizer of the charity banquet, came up to Yu Tian with a nervous expression. He said guiltily, "Boss Yu, I'm sorry I'm late. Are you alright? Are you hurt?"

Yu Tian turned his head and saw that the person was in his forties. He was tall and thin with thick eyebrows and big eyes.

"Who are you?" Yu Tian asked immediately.

"I'm the General Manager of the Sunshine Charity Organization. My name is Cao Qihan. Miss Chu Qing has already told us about your identity. I didn't expect these people to dare rob the charity banquet. Damn it!"

Cao Qihan glared at the bandit leader with a face full of disgust.

Yu Tian did not care who he was. He said coldly, "I've said before that for all the charity donations today, I'll pay five times more of the amount. At the same time, spread the word that I'll pay two billion to buy Chang Tianyou's life. Can you do that?"

Cao Qihan was stunned at first. Chu Qing said that Yu Tian was very domineering. He was indeed extraordinary.

He smiled slightly and said, "No problem. I can help you settle it. I also have to thank you for your generosity on behalf of the poor!"

Yu Tian did not say another word and turned to leave.

Cao Qihan looked around behind him and immediately took out his phone to call a mysterious person.

After the call was connected, he said casually, "Find someone called Chang Tianyou and someone nicknamed Old Man. Someone offered two billion to buy their lives. You can ask Old Man Wu and the others to do it. If we can get this money, we can build many homes for the elderly. This is good karma!"

The person on the phone laughed and said, "Old Cao, you're still the same. Don't tell me you still can't let that person go?"

Cao Qihan helplessly smiled bitterly and said, "It has been so many years. I still like to drink that kind of old soda and live in that kind of old courtyard. I'm used to it. Don't try to persuade me. When we have time, let's visit the graves of our brothers!"

Yu Tian did not know what kind of person Cao Qihan was, nor did he want to know. After this night, Yu Tian understood a principle.

Some people deserved to die, so he had to let them die. In the future, he would never show mercy to these people.

As soon as he walked out of the hotel, Huo Nian Yue stepped forward in an imposing manner and cursed, "You're really shameless!"

Chapter 113 – Coercion

Thank you readers!

Yu Tian was not in the mood to deal with this woman. He turned around to leave.

Huo Nian Yue followed him closely as she said fiercely, "If you don't give me my diamond necklace, I'll hold a press conference to reveal how you colluded with those bandits. I want to see if you still can face the people when the time comes."

Was this woman provoked?

Yu Tian slowly turned around and said coldly, "If you're sick, go to the doctor. Don't waste your time with me. I don't have time to deal with a shrew like you. Whatever you want to do, just do it!"

It was a waste of time to say one more word to this woman. Yu Tian dived into the Phantom and left.

Huo Nian Yue snorted angrily, "Just you wait. I will not let you have it easy!"

Just as Yu Tian was about to reach home, he suddenly received a text message. He opened it and saw only a few words.

“Chu Yue is in my hands. Wait for the order and don't act recklessly. I know the Chu family and your strength, so don't provoke me to act recklessly!”

F*ck, who was so f*cking daring to kidnap Chu Yue?

The person's phone number was already hidden, so it was impossible to call back.

All Yu Tian could do now was wait. When Yu Tian arrived home, he did not tell Chu Qing and the others about this. He did not want them to worry.

Yu Tian, who had been waiting for news all this time, finally received a text message at midnight.

“I don't want money. I want you to help me kill someone. Kill who? I'll let you know later. If you do it, Chu Yue will return safely. Otherwise, everything will turn to dust!”

Yu Tian tried to reply with a few words. “Who are you? Speak up!”

However, he did not get any reply.

Chu Yue was quite skilled, and she had undergone professional training. To be kidnapped like this, it must be the work of an expert.

Moreover, this expert seemed to have known the Chu family and himself very well.

Thinking of this, Yu Tian immediately called Du Tianci.

An hour later, at exactly one o'clock in the middle of the night, Du Tianci came to the company first. In his messy office, he finally found the software he needed.

He turned around and waved the USB in his hand at Yu Tian. He smiled and said, “I found it. If that guy is sending a message, I can immediately analyze his phone number. I can also find him using the computer!”

Yu Tian smiled calmly and said, “Very good. Let me know who is so bold to do that. I'll squeeze out his soul!”

Du Tianci connected Yu Tian's phone to the computer. After the software was installed, he waited for the message to arrive.

The message did not arrive until six o'clock in the morning.

Yu Tian was as anxious as an ant on a hot pan. Chu Yue was in the hands of the mysterious person and could be hurt at any time.

Just as the two of them were feeling anxious, their phone rang and a text message was sent. The software immediately analyzed it.

Yu Tian looked at the content of the text message.

“The person I want you to kill is Huo Nian Yue. Don't ask me why I want to kill her. In fact, you want her dead more than I do. As long as Huo Nian Yue dies, Chu Yue can live.

“Stop asking that idiot beside you to analyze my number. You can't possibly know who I am. As long as you follow my orders, if I'm happy and satisfied, you'll be able to see the living Chu Yue.

“If Huo Nian Yue is still alive before noon, then I'll strip this cold beauty naked first. After having a good time, I'll kill her. I think it'll be great!”

Seeing this, Yu Tian shook his head weakly.

The other party had quite a thorough grasp of him, and Du Tianci's office must have been monitored by that guy.

Du Tianci could not analyze the phone at all. He looked around carefully and found that the potted plant by the wall was particularly suspicious. He went over and found a camera.

Yu Tian narrowed his eyes and snorted coldly. He said to the camera disdainfully, “I know you're watching. Listen to me carefully. I don't care who you are. Even if you're a god, I'll kill you one day!”

The text message rang. Yu Tian looked down.

“I'm telling you one last time. Chu Yue is in my hands. You have to listen to me now. If you don't want the Chu family to be humiliated, you have to do as I say.

“I especially like to see your expression. It's very interesting. You always use indifference to hide your nervousness. You must be very angry now, but I'm very happy!”

Yu Tian smiled disdainfully. He squeezed the camera with his fingers and crushed it into pieces. Du Tianci asked in a low voice, “Old Yu, What now? Are you really going to kill someone?”

Yu Tian chuckled and said, "The person he wants to kill isn't Huo Nian Yue, but me. He just wants to use this method to put me in a difficult position. The most important thing now is to find this person and save Chu Yue."

"I'll go and see Huo Nian Yue first. Don't be idle. See who has been to your office and see if there are any other hidden cameras!"

Du Tianci nodded and said, "I'll do it immediately. If you find that b*stard, give him a few kicks for me. It's too damn infuriating!"

Yu Tian smiled faintly and turned to leave.

Huo Nian Yue lived on the 17th floor of a high-rise building. The security of the residential area would definitely not let him in, so Yu Tian jumped over the wall.

He raised his head and looked at the tall building.

If Yan Longwen had not said that she lived here, it would have been really difficult to find her.

When he reached Huo Nian Yue's door, he immediately pressed the doorbell.

Huo Nian Yue suddenly woke up. She opened the door mirror impatiently and looked outside, but there was no one there.

"Who's playing a prank on me? I hate it! There's such an uncultured person in such a high-class neighborhood!"

She turned around and wanted to go back to sleep when the doorbell rang again.

Huo Nian Yue had had enough. She did not care if it was safe or not. She yanked open the door. She wanted to see who had such a weak hand. It was so early in the morning, and they were pressing the doorbell with all their might.

When the door opened and Yu Tian appeared, Huo Nian Yue's eyes widened. She was about to close the door.

Yu Tian did not give her a chance. He rushed into the room and closed the door tightly.

Huo Nian Yue was terrified. She stepped back to look for a phone and shouted, "What are you trying to do? Don't do anything stupid. I'm going to call someone!"

"I'm here to kill you!" Yu Tian snorted.

"Are you crazy?" Huo Nian Yue was dumbfounded. She did not expect Yu Tian to dare to kill someone. Did he not want to live anymore? Why did he want to kill her?

Yu Tian walked toward Huo Nianyue step by step, and the murderous intent in his eyes became stronger and stronger.

Huo Nianyue's felt her soul left her body. She fell to the ground and begged while retreating, "Yu Tian, don't do anything reckless. If you give up now, I'll pretend that nothing happened. Please, don't do this!"

Yu Tian did not listen to her at all. He grabbed her neck and exerted a little strength. Huo Nianyue rolled her eyes and lay on the ground motionlessly.

At this moment, a phone message rang.

"See, I told you that you'd do it. Your obedience allowed me to earn some money from the bet. I can eat something good later. But there seems to be some time before noon. Why don't you go and complete another mission? I'll inform you later!"

?Chapter 114 – Burning The Warehouse

Thank you readers!

Yu Tian immediately sent a message to Du Tianci.

"How do I find those hidden cameras?"

He received a reply very quickly.

"I sent a software to your email and installed it on your phone. Turn on your camera and scan the surroundings!"

Yu Tian operated it well and turned on the camera. He walked around the room but did not find a single hidden camera.

He immediately looked out of the window.

There was another high-rise building about 200 meters away from the window. So, this beast was using binoculars to see from the other side. It was a good trick.

Yu Tian snorted. Then he took out a golden needle and stabbed it into Huo Nianyue's neck, waking her up from the pain.

When she opened her eyes, the woman shouted, "Is this the underworld? I believe in Buddhism. I should go to heaven. I don't want to come here!"

"Shut up!" Yu Tian snorted and said in disgust, "As far as I know, you're still in this damn mortal world because I didn't kill you!"

Huo Nianyue looked around and made sure that it was a familiar room. She immediately began to plead with Yu Tian.

“Don't kill me. I'll agree to anything you say!” Yu Tian snorted and said, “Then answer me. Who is it that made you go against me?”

“It was the higher-ups of Aster Headquarters!”

Huo Nianyue said without hesitation, “I don't know why they did that either. Not only did they not let me provide you with integrated module technology, but they also made me try my best to slander you. I only did it because I listened to their orders. It wasn't my original intention!”

Yu Tian was puzzled. He had never provoked anyone from Aster Technology before. Were they crazy with their free time?

Thinking of this, Yu Tian said indifferently, “If you don't want to die, don't waste your time with me. I won't be so merciful next time!”

Huo Nianyue hurriedly nodded and said, “I know, I know!”

Yu Tian thought for a moment and then ordered, “Stay at home for the next two days and don't go out. This is for your own good. Do you hear me?”

“I hear you. I'm not going anywhere!” Huo Nianyue kowtowed and promised.

After Yu Tian left, the woman immediately picked up the phone. “Bring people to my house to protect me immediately!”

“A reporter from the newspaper? I want to expose that Yu Tian from Xinghe Technology wants to kill me!”

“Hello, is that Mr. Wu? My sister was bullied by an animal. Yes, it's Yu Tian. He broke into my house and did something to me. He even wanted to kill me. When he left, he even threatened me not to tell anyone!”

Yu Tian did not know how crazy this woman was at that moment. When he returned to the company and wanted to meet Du Tianci, he received an order message.

“Mr. Yu, I miss you so much after not seeing you for a while. Your new mission is here. I know that the Chu family had two cargo ships that have unloaded 170 million worth of goods in the past two days. They are all in warehouse five.

“Your mission is to burn warehouse five down. When I see the fire, I'll consider the next mission to make it easier for you. Remember, Chu Yue is in my hands. Don't play tricks with me. You have no chance of winning!”

Yu Tian gritted his teeth.

Warehouse five was Chu Qing's most important warehouse. She usually needed a password to enter it. The goods inside were all extremely expensive luxury goods.

170 million was nothing to Chu Qing. However, if these goods could not be delivered to the customers on time, the loss would be immeasurable.

If he guessed correctly, this b*stard's people were definitely watching the warehouse.

After thinking about it, Yu Tian still gave Chu Qing a call and gave her a simple explanation.

Chu Qing, who was putting on her makeup, suddenly stood up and said angrily, "Who has such guts? Does that b*stard want to die?"

This was nonsense. Yu Tian did not want to hear it at all. Then, he said impatiently, "My people are decoding the signal. We'll find that guy very soon, but I have to burn the warehouse now. You tell the people there to leave quickly. I don't want any casualties!"

Chu Qing gritted her teeth and said, "Go ahead and burn it. I'll help you with the rest. Brother, you have to save Yueyue no matter what. It's up to you now!"

After hanging up the phone, Yu Tian went to see Du Tianci.

Du Tianci was so busy that he was sweating profusely. He was typing rapidly on the keyboard as he said nervously, "President Yu, I know. You have to give me some time. He has encrypted the signal. I'm communicating with an expert in decoding. I'll be able to crack it very soon!"

Yu Tian nodded. Without saying anything else, he turned around and left.

Du Tianci was also under a lot of pressure. It was better not to distract him.

When he arrived at warehouse five, the people around him had already left. It was empty.

Yu Tian opened the password door and walked into the warehouse. He picked up a Hermes bag, lit it, and threw it in the box. The flames burned and quickly dispersed.

Yu Tian turned around and left the warehouse. When he looked back, there was already thick smoke billowing. The flames that shot up into the sky were like the flames of fury burning in his heart.

A text message rang out.

“Mr. Yu, you're really an obedient dog. I was just joking. You really burned down the warehouse. 170 million. My god, you're really an animal.”

“So, I have to give you an even more exciting mission. Now, my good dog, go back to your villa and wait for my orders!”

Yu Tian immediately replied to him. “We agreed that you would let Chu Yue go after burning the warehouse. Now that you've gone back on your word, I doubt if Chu Yue is still alive. So, before I confirm that Chu Yue is still alive, I won't listen to you anymore!”

This time, he actually received a reply.

“Chu Yue is definitely alive. Otherwise, how can I let you be my dog? Moreover, as long as Chu Yue is in my hands, you must continue to be my dog until I'm happy and satisfied!”

Yu Tian put away his phone hatefully and went straight back to the villa.

Chu Qing, Chu Xin, and Chu Rou were all in a hurry. When they saw Yu Tian, they immediately asked anxiously, “How is it?”

Yu Tian shook his head and said coldly, “That b*stard still wants to continue playing!”

At this time, Chu Xin's phone rang. It was a video request from Chu Hui. After the call was connected, Chu Hui said expressionlessly, “The higher-ups of the family have ordered that we must ensure the integrity of the 108 sisters. We must not lose anyone. Otherwise, the family will suffer a fatal blow.”

“I've already activated the mercenaries. They'll arrive at Linhai at noon and will be under Yu

Tian's full command. I don't care even if the entire Linhai is destroyed. I must save Chu Yue!”

Yu Tian said indifferently, “Sister Hui, calm down. The person who kidnapped Chu Yue wants to play with me so I'll play with him. I don't need any mercenaries. I'm enough by myself!”

Although Yu Tian was capable, Chu Hui did not want any mishaps to happen. It was crucial that the 108 sisters did not lose a single one.

She said slowly, “Brother, I know that you're capable of doing this, but now that we're in such a passive position, everyone needs to calm down and look at the big picture!”

Yu Tian said disdainfully, "I've said it before. I'll do this myself. You guys don't have to act. If I can't save Chu Yue, I, Yu Tian, will change my name backward!"

Chapter 115 – Shameless To The Core

Thank you readers!

Chu Hui was silent for a moment. Since Yu Tian had already decided to save Chu Yue, she could not object.

She could only remind him with concern, "The other party doesn't even put the Chu family in their eyes. In my opinion, they are also going against you intending to die.

"Therefore, you must be careful. You must've 108 sisters, and you mustn't have any accidents. You can freely mobilize all the security of the Tianhai Group. I wish you good luck!"

After hanging up the video, Yu Tian's text message rang.

Everyone gathered around. The text message read, "I've considered an even more interesting game. The Chu family is invincible in Linhai. Then, let the old man take over the President of Tianhai Group. You have to personally invite the old man and satisfy all his conditions.

"Remember that Chu Yue is in my hands. You don't have any choice. After the old man takes over Tianhai Group, you have to hold a press conference. After that, I'll consider giving you an even more interesting mission!"

Chu Qing gritted her teeth and scolded, "This is simply too much. Who does this old man think he is? If I give him Tianhai Group, would he dare to take it?"

Yu Tian laughed bitterly and said slowly, "He'd dare to take it. Now, I know who the person who kidnapped Chu Yue is. This person is called Chang Tianyou. He's the old man's best friend!"

After saying that, Yu Tian turned around and was about to leave. Chu Xin hurriedly stopped him and said solemnly, "Yu Tian, what do you plan to do? We can't even sit here. What do you need us to do?"

He thought for a moment and smiled. "Cook dinner at home. Wait for Chu Yue and me to come back for dinner!"

Yu Tian already had an idea in his mind. He would definitely save Chu Yue.

Chu Qing and the others looked at each other. Yu Tian's confidence made them both admire and worry.

The 108 sisters were the foundation to maintain the status of the Chu family. Without one, the Chu family would completely collapse and might even be wiped out.

Now was also the time to test Yu Tian. What they could do was pray that Yu Tian could save Chu Yue.

At the entrance of the old man's entertainment company, the security guard expressionlessly blocked Yu Tian's entry.

Yu Tian was too lazy to talk nonsense. He directly kicked the security guard, sending him flying more than five meters away and causing him to go into shock on the spot.

Upon entering the company, Ah Fa led a dozen of his senior and junior brothers and surrounded Yu Tian in the hall.

Ah Fa, a sissy, pointed at Yu Tian and snickered, "President Yu, you're a rare guest. What do you have to say for coming to our entertainment company?"

The moment Yu Tian saw this sissy, he got angry and snorted coldly. "I'm not in the mood to talk to you today. Ask the old man to come out and see me!"

"Who wants to see me?"

The old man in a suit and tie bared his teeth as he approached. He put on a fake smile and said with excitement in his eyes, "So, it's President Yu. What brings you here? Tell me, what do you want from me?"

Yu Tian did not waste any time and said straightforwardly, "Nothing. I have a gift for you. The position of the president of the Tianhai Group. You kidnapped Chu Yue and made such a big turn. Isn't that the reason?"

The old man's one eye rolled around, and his excited expression was as if he was about to ascend to immortality.

Unexpectedly, Chang Tianyou's plan was successful. Yu Tian was really going all out for a woman.

Chang Tianyou had said long ago that if Yu Tian wanted to protect his position in the Chu family, he had to work hard to serve the Chu family.

If anything happened to those women from the Chu family, he would not be able to bear the consequences.

Thinking of this, the old man smiled smugly. He looked at Yu Tian arrogantly and said excitedly, "Are you begging me, or are you here to discuss with me? If you're begging me, you have to kneel and kowtow!"

Ah Fa and the others became spirited and shouted, "Good-for-nothing, hurry up! Kneel and kowtow to my master!"

"Yu Tian, aren't you quite good at fighting? So, you're also a coward!"

"Crawl under me. I'll treat you as a good-for-nothing like a dog!"

Yu Tian's expression did not change as he chuckled. "If you want me to kneel, can you bear it? Tell me your conditions. I want to see how big your one-eyed man's goal is."

The old man did not want to argue about whether he should kneel or not. The plan was the most important. He put away his smile and said as if it was a matter of course, "It's not impossible for me to be the president of the Tianhai Group. I have three conditions.

"First, all the funds of the Tianhai Group must be transferred to me. Then, you have to hold a press conference and say that I bought the Tianhai Group. Finally, let Chu Qing be my personal secretary for a month.

"If you fulfill my conditions, I'll become the president of the Tianhai Group!"

Yu Tian really wanted to slap him to death. Looking at the way he shook his head, it was as if he was eager to die.

Now, he had no choice but to endure it. Yu Tian said indifferently, "Alright, I can accept all these conditions. Now, go to the Tianhai Group and take over!"

The old man chuckled. In any case, Yu Tian and the Chu family had no choice now. He could make any request he wanted.

Hence, the one-eyed man said shamelessly, "If you say so, then I'll go. First, get Chu Qing to come over and have lunch with me. I'll talk about it after I'm satisfied!"

Even Yu Tian felt that it was laughable. If Chu Qing were to have lunch with him, Chu Qing would probably be disgusted to the point of fasting for the rest of her life.

However, he had to calm down the old man first. He was the key person to saving Chu Yue. Yu Tian took out his phone and was about to call Chu Yue when an unknown number followed.

Who was this?

Yu Tian was not in the mood to take calls from strangers, but what if it had something to do with Chu Yue?

In the end, Yu Tian still picked up the call.

The other party smiled and said, "President Yu, I'm Cao Qihan, the manager of the Sunshine Charity Organization!"

Yu Tian frowned and said, "Manager Cao, I don't have time now. I'll call you later!"

As he spoke, Yu Tian was about to hang up the phone, but Cao Qihan quickly said, "President Yu, I have some clues about the one billion project you mentioned yesterday. My people have found that person called Chang Tianyou.

"He seems to have kidnapped a woman and is hiding in a mountain village in the suburbs. My people are waiting for your orders. With just a word from you, they can take him down immediately!"

Yu Tian held back his laughter and turned to look at his old friend. That guy was discussing something with Ah Fa and the others. He was so happy that his mouth could not close.

He whispered to Cao Qihan, "Take him down and ensure the woman's safety!"

Cao Qihan said very casually, "Of course. I'll report to you in two minutes!"

After the call was hung up, Yu Tian immediately called Chu Qing.

This time, he did not have to speak in a low voice. Instead, he said loudly, "Sister Qing, you have to come over. The new president wants you to be his secretary for a month!"

Chu Qing said angrily, "Keep dreaming! I'll go over right now. I want to see how confident he is."

Yu Tian smiled and said, "Then you can come over. I've already prepared everything here. After that, you can tell him that we can go home and eat. Prepare more food and fill up the table!"

Chapter 116 – : Reversal

Thank you readers!

Chu Qing understood as soon as she heard it.

Yu Tian had already found Chu Yue. Now, she needed to bring more people to surround that entertainment company.

Chu Qing immediately called Sun Chen. After the call was connected, Chu Qing ordered domineeringly, "Immediately bring Tianhai Group, including the security of the branch company, to Baozi Entertainment and surround them!"

When Sun Chen heard that this was a big move, he hurriedly agreed, "Understood, Director Chu. I'll immediately bring people over!"

On the entertainment company's side.

The old man laughed disdainfully, "You actually have the mood to eat and drink now? Yu Tian, are you afraid that you won't have the chance to eat in the future and want to eat your fill in one go?"

Yu Tian pursed his lips and nodded with a serious expression. He smiled and said, "You're right. There really won't be anything to eat in the future, so I really want to eat my fill today!"

The one-eyed man said disdainfully, "But now, I don't want you to eat anymore. I'll give you an additional condition. Later, I'll go to Chu Qing's house to eat. You can just watch from the side!"

Yu Tian just smiled indifferently and then sat down on the couch in the hall, quietly waiting to watch a good show.

At the same time, in the villa in the suburbs.

Cao Qihan's dozen or so men silently approached Chang Tianyou's room. Their movements and gestures were extremely professional.

A young man in his twenties, who was smart, nodded at a middle-aged man and said in a low voice, "Lao Wu and everyone, get into position!"

Lao Wu nodded with a smile and immediately clenched his fists.

The young man immediately took out a homemade smoke bomb and chuckled. He kicked open the door and threw the smoke bomb into the room.

With a muffled bang, the smoke bomb exploded. The smoke bomb, which was mixed with chili powder and alcohol, instantly spread into the room under the explosion of the firecrackers. Chang Tianyou, who was in the room, was completely unprepared. His eyes were red and swollen from the smoke, and tears were streaming down his face. He covered his nose and rushed out of the door. However, just as he reached the door, Lao Wu kicked the blind Chang Tianyou to the ground.

The boys went up and pinned him down. Wearing gas masks, Lao Wu and the others rushed into the room. Chang Tianyou's two men were knocked unconscious before they could even groan.

Lao Wu followed them to Chu Yue and asked in a low voice, "What's your name?"

"Chu Yue!" she closed her eyes and said coldly.

That was right. This was the person Yu Tian wanted to save. Lao Wu confirmed Chu Yue's identity and immediately cut the rope with a dagger to help her out of the house.

Chu Yue was also covered in tears from the smoke bomb. She could not see anything and did not know who saved her. In any case, she was saved now.

Lao Wu immediately called Cao Qihan and said with a smile, "Old Buddy, the mission is completed. The hostage is rescued!"

Cao Qihan laughed heartily and said, "Lao Wu, your skills aren't bad. Immediately bring her to Baozi Entertainment. Someone will pick you up!"

After hanging up the phone, Lao Wu immediately made the arrangements.

On the entertainment company's side, Sun Chen brought over a thousand security guards and surrounded the entertainment company. At this time, Chu Qing also walked into the hall.

The old man had no idea what was happening outside. When he saw Chu Qing, he smiled lewdly and said, "Isn't this Miss Chu Qing? No wonder she's known as the top sister of Linhai Group. She's really amazing. I'm happy with you as my personal secretary!"

Chu Qing almost vomited when she saw his face. She glared at him coldly and turned her head to ask, "Little Brother, has Yueyue been rescued?"

Yu Tian nodded with a smile and said, "She's been rescued. Even Chang Tianyou has been taken down. This piece of trash is hiding in a mountain villa in the suburbs and happened to be seen by my people. Don't you think it's a coincidence?"

The old man heard their conversation clearly and his face instantly turned cold.

Was what they said true or false? Chang Tianyou was hiding in such a secret place. How could he be discovered? Yu Tian must be lying.

The old man refused to believe anything Yu Tian said and took out his phone to call Chang

Tianyou. The call went through, but the person who spoke was not Chang Tianyou, but Chu Yue.

She said coldly, "You must be the old man. You'd better live long enough for me to see you. Chang Tianyou is already dead, and you're next!"

The old man's eyebrows and eyes were squeezed together, and bean-sized beads of sweat rolled down his neck. What Yu Tian said was true. The plan had failed.

Yu Tian saw his explosive expression and felt a burst of joy in his heart. He snorted coldly and said, "One-eyed dragon, weren't you arrogant before? Why aren't you acting now? Have you been slapped in the face?"

The old man gritted his teeth and made up his mind. He said ferociously, "Yu Tian, you haven't won yet. Today, I'll give you face. Next time, I'll let you die without a burial ground!"

After he said that, he ordered Ah Fa and the others to attack Yu Tian. Yu Tian only smiled faintly. He punched and kicked, clashing with Ah Fa and the others.

The old man took the opportunity to jump out of the window and leave. When he opened the window and saw Yu Tian's men, his heart suddenly trembled.

It was full of people outside. Sun Chen looked at him with disdain and scolded, "One-eyed man, come on. Let's see if you can get away from here alive."

The old man did not say anything. He turned around and ran to the other side.

In the hall, Ah Fa and the others had long been trampled under Yu Tian's feet.

The old man knew that he was not a match for Yu Tian at the moment. He turned around and ran to the roof. Yu Tian ordered his men to capture Ah Fa and the others. He took a step forward and chased after them to the roof.

The old man came to the edge of the roof. There was no way out.

Yu Tian looked at him with contempt and said disdainfully, "Do you want to jump off a building? Tianhai Group is still waiting for you to become the CEO. Chu Qing is also prepared to be your personal secretary. Are you willing to jump off a building? Why don't I give you a hand?"

Looking at the ground high up in the sky behind him, the old man was also afraid in his heart, but he said fiercely, "Yu Tian, don't go too far. If you have the guts, let's go down there and have a one-on-one fight!"

What was the old man thinking? Who the hell wanted to have a one-on-one fight with him?

Yu Tian snorted coldly and said, "Do you think you're worthy to have a one-on-one fight with me? Cut the crap. Are you going to jump or not?"

"I'll fight it out with you!"

Since he was going to die anyway, the old man steeled his heart and raised his fist to attack Yu Tian with a ferocious look on his face.

Yu Tian could guess his movement even with his eyes closed. In less than two moves, Yu Tian kicked the old man in the lower abdomen and sent him rolling more than five meters away.

He wanted to throw knives but Yu Tian did not give him the chance at all. He rushed to the front and chopped down with his palm.

The old man wanted to block, but Yu Tian grabbed his shoulders. He twisted his hands and pulled hard. He forcefully pulled off the one-eyed man's arms.

"Ahhh, my arms!"

The old man screamed and rolled on the ground like a maggot. Blood flowed like a river..

?Chapter 117 – Let'S Have Some Fun

Thank you readers!

Yu Tian did not want to take the old man's life. That would be too easy on him.

"Let him become a cripple. Don't even think about showing off in this life. That would be the best punishment."

Yu Tian continued to cripple his legs.

The old man completely broke down. His liver and gallbladder were torn apart. He wailed, "Yu Tian, that's enough. Stop! I admit defeat. Please spare my dog life. I beg you!"

Yu Tian said disdainfully, "Your life means nothing to me. Get out of Linhai. If I see you again, I'll smash you to pieces!"

The old man nodded desperately, afraid that Yu Tian would change his mind.

Back in the hall, Chu Qing asked with concern, "Did you kill anyone?"

"I want to. It's not interesting to have an old one-eyed man. I'll just cripple him. As for that Chang Tianyou, I don't intend to let him live!" Yu Tian said coldly.

"Oh right, Yueyue called. They're all waiting for you at the villa. Let's go over now!" Chu Yue planned to follow Yu Tian. This way, she could still control him and not let him kill the old man.

"Okay, let's go over. Tell the people outside to disperse!"

Chu Qing immediately nodded to Sun Chen. The latter understood and immediately called his subordinates to do what they were supposed to do.

Half an hour later, at the villa in the suburbs.

Chang Tianyou was tied up and thrown into a small courtyard. Lao Wu had his men keep watch on him until Yu Tian and Chu Qing walked into the small courtyard.

Yu Tian did not even look at Chang Tianyou. Instead, he looked at Chu Yue with concern and asked, "Are you hurt? Why are you so careless?"

Chu Yue sneered and said in a low voice, "Do you really think that they can do anything to me? If I don't cooperate, how can I drag Chang Tianyou out?"

It sounded as if it was true. However, Yu Tian also pretended to be surprised and said, "So that's the case? If I had told you earlier, I wouldn't have let anyone come to save you. You even gave them a favor. It's not worth it!"

Chu Qing smiled and said, "Alright, it's good that she's not injured. Now let's see how to deal with that bastard!"

"There's no rush!" Yu Tian smiled and said.

Even if Chang Tianyou had three heads and six arms, he would not be able to leave this place. He could do whatever he wanted. He had to thank Lao Wu and the others first.

This time, they had helped him a lot. Moreover, Yu Tian saw that Lao Wu was a person with a dignified appearance, clear eyes, and a tall and straight body. He especially admired him.

Yu Tian stepped forward and said with a smile, "It's all thanks to your help this time. Old Cao told me to call you Lao Wu. I'm still young, so I'll just call you Fifth Brother. I won't even mention the word 'thank you'. From now on, we're all on the same side. Let's cross mountains and seas together!"

Lao Wu had heard of Yu Tian before. He had originally thought that Yu Tian was a rich young master who could pretend to be rich.

However, these words sounded very good. Moreover, Lao Wu looked at Yu Tian. He had delicate features and a talented appearance. Although he was indifferent, he was domineering. His heart was filled with admiration.

Lao Wu cupped his fists and smiled. "It's nothing. There's no need to mention it!"

Chu Yue suddenly said coldly, "Yu Tian, they are all soldiers!"

Yu Tian was slightly surprised. No wonder their equipment was so professional. Other than weapons, they had everything.

Lao Wu laughed and said, "Now we're all ordinary people who have been demobilized. We only want to use what we've learned and make some useful contributions. It's not worth mentioning!"

Needless to say, Yu Tian turned around and came in front of Chang Tianyou.

Chang Tianyou's eyes were still swollen, but he could see Yu Tian's smug expression.

He gritted his teeth and looked helpless and unconvinced. He even pretended to say, "Yu Tian, I'm not convinced by you. We've fought for so long, but you've never beaten me. Even now, I still despise you!"

Yu Tian said disdainfully, "Then why am I standing here while you're tied up, looking at you like I'm looking at a dog? Don't you want to play? Why can't you play anymore?"

Chang Tianyou snorted coldly and said indignantly, "Don't be so smug. If you have the guts, kill me now. As long as you let me live, I'll fight you to the end!"

He was still so unyielding that it made Yu Tian laugh.

"Whether I kill you or not has nothing to do with the guts. It depends on my mood. You've played with me for so long. This isn't fair. Men, untie his rope!"

The young man stepped forward and used a dagger to cut the rope. Chang Tianyou struggled to get up, rubbed his arm, and said arrogantly, "What do you want to play? I'll accompany you!"

Yu Tian picked up the small drone that the young man was playing with, chuckled, and said, "I'll give you one chance. You can run as much as you want now. I'll start chasing you in five minutes. Every time I catch up to you, I'll take something from you."

“Start running now. Go, go, go!”

Chang Tianyou's eyes were filled with doubt. He could run far away in five minutes. How could you catch up to me?

He smiled confidently and said, “Yu Tian, this is what you want to play with me. Don't say that I won't give you face!”

Yu Tian could not be bothered to waste his breath on this trash. He waved his hand and told him to run quickly.

Chang Tianyou snorted coldly and even warmed up first. He jumped around and pretended to be better.

“I've participated in a marathon and I'm an expert in the long jump. Yu Tian, today I'll show you my leg skills!”

After saying that, Chang Tianyou took a deep breath and started running. His speed was indeed not slow.

Yu Tian smiled calmly.

On the other side, Lao Wu smiled at the young man and said, “Xiao Han, let your eyes fly into the sky!”

The drone followed him into the sky and soon discovered Chang Tianyou's figure.

Chang Tianyou was running so fast that he was grimacing in pain. In five minutes, he had run nearly a kilometer.

When the time was up, everyone wanted to ask Yu Tian if he wanted to chase after him, but they suddenly felt a black shadow shoot out like an arrow.

Lao Wu and the others were secretly shocked. What a fast speed! They did not expect Yu Tian to be an expert. With just this speed, no one could compare to him.

On the other side, Chang Tianyou was running along a small road in the suburbs. As he ran, he turned his head and looked back. He even smiled smugly and said, “You trash, you still want to compete with me in running?”

This guy cursed before turning around and ramming his head into Yu Tian's rock-solid body. The impact caused Chang Tianyou's world to spin and he fell to the ground with a thud.

Yu Tian looked at the time and sighed.

“One minute is still a little slow. Forget it, I'll take your ear first this time!”

As soon as he finished speaking, Yu Tian stepped forward. With a swipe of his palm, a pillar of blood spurted out from the side of Chang Tianyou's face.

“Ah!” Chang Tianyou wailed in agony, rolling on the ground in pain.

However, Yu Tian said indifferently, “Five minutes. Continue running, or I'll take your life right now!”

Chang Tianyou was in so much pain that tears were coming out of his eyes. He hurriedly tore off his sleeves and wrapped them around his head. Then, he stood up and ran. As he ran, his wound was in excruciating pain, and blood dripped down.

Chang Tianyou pondered as he ran. The more he ran, the faster his blood circulation would be, and the faster he would die.

Still, he had to go to the highway where would he have the chance to leave alive. Thinking of this, he turned around and ran to the highway..

?Chapter 118 – Too Good For Him

Thank you readers!

Chang Tianyou was too optimistic. He thought that he could get rid of Yu Tian once he reached the highway. However, Yu Tian was already waiting for him by the side of the highway.

The moment he saw Yu Tian, Chang Tianyou broke down. Yu Tian chuckled and teased, “This time, I want your other ear!”

Before Chang Tianyou could beg for mercy, his left ear also flew off.

“Arrrrgh! Oh my god!”

The pain caused Chang Tianyou to scream like no other.

Now that he knew the pain, what about the people he had killed? Yu Tian snorted and ordered, “The game isn't over yet. Continue running, or I'll kill you here. Run!”

Chang Tianyou finally understood that Yu Tian wanted to play him to death. However, he had no choice. He was no match for Yu Tian in a fight, so Chang Tianyou could only cry. He covered his head with his hand and turned around to continue running.

This time, his speed was obviously much slower, and the bleeding could not be stopped. Chang Tianyou felt that his vision was blurry, and he bumped into a tree several times.

However, Yu Tian still caught up to him. Without saying anything, he removed one of his arms and let him continue running.

Chang Tianyou, who was in a daze, ran and fell a few times. Finally, he saw a ray of light in front of him. He rushed toward that source of light with the hope of survival.

When he got closer, he took a closer look and he laughed out loud. "I actually ran back to the villa. It's all god's will. It's all god's will!"

Yu Tian leisurely walked up from behind and looked at Chang Tianyou with disdain. He snorted and said, "I want your other arm this time!"

"Kill me!" Chang Tianyou was calm now. He was bound to die anyway. What was there to let Yu Tian play with? How could Yu Tian let him off so easily?

Without saying a word, Yu Tian reached out and tore off Chang Tianyou's other arm. Chang Tianyou did not even make a sound before he fainted.

Lao Wu and the others walked out of the villa as they could not bear to watch.

Yu Tian was really ruthless. Chang Tianyou was now a bloody man.

Chu Qing could not watch Yu Tian kill anyone. She hurriedly stopped him and said, "Brother, enough. If you continue to play with him, he'll die!"

"He really wanted to die, but I don't agree. Who would dare let him die?"

Yu Tian smiled disdainfully. He pulled out two golden needles, found two acupuncture points on the back of Chang Tianyou's head, and directly pierced them.

Chang Tianyou suddenly opened his eyes, but his expression was dull. His eyes were empty as if his soul had been extracted.

"I won't kill you, but [I'll make you a living dead person, lying on the bed for the rest of your life."

Yu Tian calmly pulled out the golden needles. Chang Tianyou closed his eyes and fainted on the ground again.

Knowing this, Yu Tian finally vented his anger. It would be more exciting if he killed him. He smiled at Lao Wu and said, "Fifth Brother, please send him to the hospital and let him live!"

Lao Wu smiled and said, "Leave it to me. It's getting late. We'll leave first. See you if fate permits!"

After they dragged Chang Tianyou away, Yu Tian turned around and smiled. "Sisters, let's leave too. I'm hungry!"

Chu Qing smiled and said, "Alright, I'll treat you to a meal!"

On the way back, Yu Tian transferred one billion yuan to Cao Qihan. This was the agreement. Not only did he help Chang Tianyou, but he also saved Chu Yue. This favor had to be done.

Cao Qihan, who was drinking tea, saw the message and stood up excitedly.

"One billion!"

Cao Qihan exclaimed excitedly, "With this money, how many nursing homes can we build? How many brothers can we help? How many poor children and mothers can we feed, clothe, and go to school?"

He immediately called Yu Tian and said gratefully, "I thank you on behalf of everyone who has received your favor!"

Yu Tian said disdainfully, "You deserve this. I should be the one who should say thank you. In the future, when there's such a charity banquet, you must invite me!"

"Of course, of course!"

The two of them laughed heartily on the other end of the phone.

The next morning, a few men in black filed into the lobby of the Xinghe Technology.

They came to the front desk. The leader was a man in his thirties with a face full of warts. He said arrogantly to the front desk, "I work for boss Wu Jiahao in East City. Our boss is treating your boss, Yu Tian, to lunch at Nanxian Restaurant this afternoon. Tell him to go there on time. Our boss doesn't like tardiness and he doesn't like to wait!"

After saying that, the few of them turned around and left. The few beauties at the front desk were so scared that their faces turned pale. They hurriedly called Yan Longwen.

Today was Saturday. Yu Tian had promised to accompany Yu Qi'er to go shopping. After the two of them changed their clothes and wanted to go out, Yan Longwen's call came in.

Wu Jiahao? What kind of person was this?

Yu Tian snorted coldly. "Don't bother about this. I don't even know this person!"

"There were many people who wanted to see me. If I wanted to see that person, wouldn't that be too tiring?"

He hung up the phone and brought Yu Qi'er to the best shopping mall in Linhai.

Of course, it was one of the ten super shopping malls that Chu Qing operated.

Just as he reached the entrance of the mall, he saw a couple in their twenties arguing. An ugly woman who was less than five feet tall and short-sighted was scolding an honest young man.

"What can you give me? My mother said that you can't marry me without 500,000 yuan. If you can give me 500,000 yuan, I'll marry you!"

Yu Tian immediately felt a little sick in his stomach as if he was going to throw up.

The man said awkwardly, "I've tried my best to think of a solution, but my ability is limited. My parents are sick, and all the money is used for their treatment. Can you understand the situation that I'm in?"

"Understand you?" the short woman said disdainfully, "My mother said that not only do you need to give us 500,000 yuan, but you also need to buy a house. Moreover, we're getting married, and they're going to move in with us."

"I've already told you that we can't afford to marry. There are plenty of rich young masters waiting to marry me!"

When Yu Tian saw this, he let out a dry retch, and his stomach acid returned to his mouth.

Yu Qi'er hurriedly patted his back and asked with concern, "What's wrong with you? Do you want to see a doctor?"

Indeed, there were people who needed to see a doctor, and it was a doctor who specialized in treating shameless people.

Those who were watching the show thought that the man would continue to plead with them. Who knew that fellow would let out a cold laugh and start scolding?

"Why don't you take a look at your short appearance? Are you worth 500,000 yuan? I gave you 50 yuan for the sake of our long-term relationship. Do you still want a house? How about I build you a pig's sty for you? It'll be suitable for your figure."

“Oh right, your mother and father still want to live with us? I'll let them stay in the mental hospital in two days. Look at your character. Even if I have 500,000 yuan, it's not for you to take

When Yu Tian heard this, he shouted on the spot..

Chapter 119 – The New Plan

Thank you readers!

Yu Tian enjoyed watching it and shouted, causing the people around him to cheer as well.

The man went all out. Anyway, he did not plan to get along with that short woman anymore. After scolding her, he even pushed her to the ground. The woman's expression changed as if her father had died.

At this moment, the man looked at Yu Tian again. In his anger, he asked with a cold face, “Do you think this is funny?”

Yu Tian still maintained his smile. He felt that this man was quite interesting and wanted to tease him. Hence, he smiled and said, “I think you're quite pathetic. You can't even afford to marry such a piece of trash. You're really a failure!”

The man's temper was quite bad. Without saying a word, he rushed toward Yu Tian. However, just as he raised his fist, his leg was kicked by Yu Tian.

These were all nonsense. Yu Tian did not want to listen to it. He drank a mouthful of beer and asked, “I'm lacking an assistant now. Do you want to work for me?”

Zhuang Xingang did not even think about it and immediately agreed, “Yes, I need a job to earn money now. When I wake up one day, I want to see if that pig girl regrets it.”

Yu Tian nodded slightly and stood up. “Don't be late Xinghe Technology tomorrow morning!”

“Xinghe Technology? Oh my god, that's a company that many people dream of going to. Am I dreaming?”

While Zhuang Xingang was lamenting, Yu Tian had already left with Yu Qi'er. They were supposed to go shopping, so what were they waiting for?

At the same time, in the luxurious private room of Nanxian Restaurant.

A middle-aged man in his forties stared at the dishes on the table in front of him. His face was as gloomy as a piece of ice that was filled with malice.

Behind him, a young man wearing an old-fashioned top hat, a windbreaker, and a pair of black gloves took a deep puff of his cigarette. While puffing out thick smoke, he said disdainfully, "Boss Wu, it seems that Yu Tian doesn't give you any face at all!"

Wu Jiahao raised his cold eyes, clenched his fists, and said fiercely, "How dare he not give me face!"

The man flicked the burning cigarette butt on the wall, causing sparks to fly. Then, he snorted and said, "Boss, is it worth it for Huo Nian Yue? Are all the women dead?"

"I'm doing it for my face!" Wu Jiahao slammed the table fiercely and shouted angrily, "Huo Nian Yue's father blocked a knife for me back then and threw his life away. I once swore in front of his grave that Huo Nian Yue would be my biological sister from now on.

"Now that my sister is being bullied, should I watch or endure it? Lei Chen, you don't understand. Go and meet Yu Tian immediately.

"If you really want to fight, then cripple him. I'll take care of you!"

As soon as he finished speaking, Huo Nian Yue pushed open the door and entered. Wu Jiahao immediately stood up. The coldness in his eyes immediately turned into joy. Lei Chen, who was behind him, shook his head in disdain.

He said that it was not because of a woman. When he saw Huo Nian Yue, Wu Jiahao's face turned numb.

Huo Nian Yue also looked at the table full of dishes and said mockingly, "Brother Wu, I've already told you. Yu Tian will not give you face. You're just asking for humiliation by doing this!"

Not only was Wu Jiahao not angry, he even laughed foolishly and said, "You're right. I admitted defeat this time. Let's eat. Accompany me for a drink or two!"

After saying that, Wu Jiahao began to pour wine. However, Huo Nian Yue threw her eyes at Lei Chen.

She chuckled and said, "So Lei is here too. Let's have a drink together. Where are you sitting? You look like you've been bullied!"

Lei Chen knew that Wu Jiahao liked Huo Nian Yue, so it was better for others to stay away from her. He said indifferently, "Forget it. I've eaten. You guys drink. I'm going to meet that Yu Tian now!"

“Wait!” Huo Nian Yue immediately stopped him and said, “It’s useless to fight with him. Yu Tian is quite skilled. Lei Zhen, you’re unlikely to be his match!”

Wu Jiahao said indignantly, “You know Lei Chen’s identity. If they really fight, Yu Tian doesn’t have much confidence in winning. Moreover, I asked Lei Chen to reason with him. He doesn’t have to fight!”

Huo Nian Yue was impatient. She frowned and said, “My head office has given me a new mission. I need Xinghe Technology’s six-dimensional code technology now. It’s impossible to take it by force.

“My idea is to let Lei Chen infiltrate Xinghe Technology. What position can he apply for at the company?”

Lei Chen did not express his opinion, but Wu Jiahao clapped his hands and smiled. “Good idea.

Starting from the Xinghe Technology, we can slowly disintegrate Yu Tian’s strength bit by bit. Nian Yue, you’re really smart. Come, let me toast to you!”

When the two of them raised their glasses and drank to their heart’s content, Lei Chen left the private room with an expressionless face.

Looking at the two of them, he felt disgusted. If they didn’t owe Wu Jiahao a favor, who would listen to this trash?

“Hurry up and finish this job. Make it even with Wu Jiahao, and there would be no need to be so disgusted in the future.”

Shopping mall, women’s clothing floor.

Yu Tian carried bags of all sizes with a helpless look on his face. Yu Qi’er felt that everything was new and wanted to buy it.

The shopping mall belonged to Chu Qing. If she liked it, she could just come and get it anytime. Was there a need to be so crazy? However, seeing Yu Qi’er’s happy expression, Yu Tian felt that it was worth it to put in some effort.

At this moment, a notification was sent over the phone. There was a new message. It was from Qing Xiaowan,

“Brother Tian, are you busy? My umbrella factory has already been set up. I want you to take a look and give me some advice!”

He finally found a reason to leave.

Yu Tian placed the things on the ground and said with a smile, "Sis, after you buy the things, go straight upstairs to look for Chu Rou. The both of you can go home together tonight. I have something else to do now, so I won't accompany you!"

After saying this, Yu Tian turned around and disappeared. Yu Qi'er looked at the things on the ground and stomped her feet in anger.

Qing Xiaowan's factory was still called Hong Xiang Xiu Mei, and it specialized in making traditional paper umbrellas. Although the factory was close to the suburbs, the size and the factory building were still okay.

Qing Xiaowan, who was wearing a tight-fitting black business suit, really shocked Yu Tian for a moment.

When the two people walked into the factory, and Qing Xiaowan had not even introduced Yu Tian, the factory workers went into a shouting frenzy..

?Chapter 120 – If You Don'T Beat Me, I Will

Thank you readers!

Qing Xiaowan was dumbfounded. Yu Tian was a little stunned. What was going on? Were the workers fighting?

Yu Tian saw that there were more than a hundred people from two gangs, all holding sticks and bricks. Both sides were shouting at the factory gate at the top of their lungs.

The man on the left was holding a stick. He was shirtless and had muscles all over his body. He was the loudest.

"You southern city people, you're pretending to be better than us. I think you don't want to live anymore!"

The middle-aged man on the right, who was slightly older and had white hair, did not show any signs of weakness. He cursed angrily, "Don't talk nonsense with me. Those from the southern city don't want to f*ck with you. If you want to fight, then let's fight!"

Qing Xiaowan was the boss, so she could not just watch. She immediately stepped forward, frowned, and shouted angrily, "All of you, stop! What are you trying to do? Throw your weapons away!"

Yu Tian could not bear to look at her. Qing Xiaowan's small figure seemed to have disappeared in the middle of the two groups of people.

She had to raise her head when she cursed. If they were willing to fight, then let them fight.

The muscular man said righteously, "Boss, they provoked us first. Originally, our dormitory was already arranged, but these southern city people insisted that we give our dormitory to them. On what basis should we do that?"

The middle-aged man continued the conversation, with a red face and a thick neck, he said, "We're all here to work. We rely on our skills to earn a living. On what basis do we give up our dormitories without windows for us to live in? This is unfair. Otherwise, we won't work here anymore!"

The people behind him were also furious.

"Yes, we won't work here anymore. Anyway, the wages here aren't as much as those in other factories!"

"Change the dormitory with windows for us!"

"Boss, just tell me if you want to change it or not."

Qing Xiaowan was uncertain and did not know what to do. In the past, she only managed a few people. Now, she had to manage hundreds of people. She had no experience at all.

Seeing that Qing Xiaowan hesitated and did not speak, the middle-aged man snorted coldly and said, "It's useless to ask her. I think she's biased toward the locals. Look at the dormitory building they built. It doesn't even have windows. Are you stupid or not?"

"If you don't have the ability to manage us, then learn from those who can. Otherwise, your factory will definitely go bankrupt!"

Qing Xiaowan was so angry that her face turned red. She just could not speak.

The muscular man also shouted, "Boss, if you dare to exchange our dormitory for theirs, we won't work here anymore. We have the skills. Why should we be bullied by you?"

"You're right, we won't be bullied by this b*tch!"

"If you dare to exchange, I'll smash this factory. Let's not do it!"

"You don't even dare to say anything. How can you be the boss? You're such a useless woman!"

At this moment, Qing Xiaowan was about to cry. Her heart was a mess and she did not know what to say. The people on both sides simply ignored her and were about to make a move again.

Just when the situation was chaotic, Yu Tian, who was behind the crowd, suddenly shouted, "Fight! Fight to the death! If you kill someone, don't live either. If you can't kill someone, don't even think about living happily!"

Everyone turned back to look. When the muscular man saw Yu Tian's small figure, he smiled disdainfully and said, "Whether we fight or not, does it have anything to do with you?"

Yu Tian put his hands behind his back and said indifferently, "Strictly speaking, I'm also your boss. Don't look at me anymore. Continue to fight!"

Qing Xiaowan hurriedly stood behind Yu Tian. She finally felt a little safe. Meanwhile, the people on both sides were angry at Yu Tian.

The white-haired middle-aged man said coldly, "I don't recognize you as my boss. Moreover, we're not going to work here anymore. Forget about you being the boss. Even if you're a god, I won't even put you in my eyes!"

The muscular man gave a contemptuous smile. He looked at Yu Tian with disdain and said, "So, hurry up and get lost. Don't anger me or I'll beat you up as well. Get lost!"

Yu Tian shook his head helplessly. He could not be reasonable with these rude people. They did not understand human language at all. Then, he would let his fist talk to them.

Yu Tian did not waste any more words. He went up and gave the muscular man a big slap on the face. The speed was so fast that the muscular man did not even see how Yu Tian hit him before his face swelled up.

Everyone was even more shocked. They all looked at the muscular man with a slanted mouth and eyes. That feeling was as if their faces were in pain.

Yu Tian snorted coldly and hit the muscular man. He turned around and gave the middle-aged man a dull kick. That guy was still laughing at the muscular man for being hit, but in the end, he was kicked in the stomach and his intestines were almost ruptured.

The two leaders were beaten up so badly that the others had long been scared to the side. Who was not afraid of a fight? They did not want to fight today and just wanted to join in the fun.

Qing Xiaowan's eyes were wide open. This kind of situation could only be resolved by a man. Those b*stards did not care about a woman like her at all.

Yu Tian looked at those two guys arrogantly and said disdainfully, "Since you don't want to fight, then I'll help you fight. Do we still want to continue?"

The muscular man and the hundred shots middle-aged man shook their heads like rattle drums.

Seeing their cowardice, Yu Tian felt annoyed and scolded, "I'll give you a chance. Those who want to work here can stay. Those who don't want to work here, you can scram now!"

Everyone looked at each other. If they did not work here, where else could they work? At any rate, this was a job. Hence, everyone silently returned to the factory and went back to what they were supposed to do.

Only the muscular man glared at Yu Tian and thought to himself, "Just you wait. I'll definitely slap you back!"

At this moment, Qing Xiaowan was both grateful and happy toward Yu Tian. She smiled gently and said, "If you weren't here today, I wouldn't know what to do."

Yu Tian said disdainfully, "Do you still need to think about it? If you encounter such a situation in the future, just let them fight to their heart's content. It has nothing to do with you. Moreover, you'd better hire some security guards. It's also good for your own safety!"

Qing Xiaowan hurriedly nodded and said, "I'll hire the security guards tomorrow. Let's go. My Big Boss, I'll introduce this factory to you!"

The two of them chatted and laughed as they began to study the factory.

At this moment, in Xinghe Technology.

Lei Chen, who was in a suit and tie, walked into the human resources department and handed in a forged document. He quickly got a position as a high-level clerk.

Lei Chen did not wait for the next day to come to work. He sat at his desk and immediately went into work mode. The women in the office were very attentive to this new hot man. They served him tea and water.

Lei Chen looked like he was organizing his documents, but in reality, he could not understand anything at all.

Who did not know how to act? If he met someone who really did not know how to act, he could just ask anyone around him to help him. They really wanted to show off in front of him.

Just then, Yan Longwen arrived at the office. Lei Chen's hypocritical gaze landed on her..
