Chapter 21: Convinced

a◆?Alright, forget it.a◆?

Ren Jianzhong stopped Cai Feiyu who was about to leave the boxing ring.

The former's men were cheering him on.

a◆?Jianzhong, beat him up!a◆?

They never doubted his strength even for a second. After all, all of them had been defeated by him before. Jianzhong's fighting moves were terrifying.

Feiyu stood between the two men and asked, a◆?Are you ready?a◆?

Both Yu Tian and Jianzhong nodded affirmatively.

a◆?Let the fight begin!a◆?

Almost immediately, Jianzhong attacked. He jumped at Yu Tian like an agile predator.

Right hook!

Yu Tian quickly dodged to the left.

Jianzhong instantly stopped his right hand and threw a left hook at his opponent instead.

He was very confident and believed that Yu Tian would not be able to dodge this sudden punch even if he realized what was going on.

Besides, Yu Tian probably did not expect Jianzhong to attack with his left hand.

The former slid forward. That was one of the moves from the unnamed fighting technique sequence he had learned a??? glider.

Another miss?

Jianzhong narrowed his eyes and accelerated his attack speed.

However, he was devastated because no matter which angle he attacked from or how quick his moves were, Yu Tian managed to swiftly dodge all of them.

Moreover, the young man succeeded in doing that while keeping a straight face.

The audience who was watching from the side grew concerned. Even a fool could tell that Yu Tian had the upper hand since the beginning of the fight.

a?? Seriously? Is Jianzhong going to lose to that little boy? a??

a?? He's dodging at an amazing speed! It almost seems supernatural! a??

a?? How did we not hear of this young man before? a??

Even Feiyu, the owner of the boxing studio, had his suspicions.

Chu Qing looked at her younger brother with a strange expression.

She thought to herself, a?? As far as I know, Yu Tian hasn't practiced martial arts before. How did he become so good at fighting? Even Jianzhong is no match for him. In fact, Jianzhong might lose if this goes on!

If Yu Tian had known of her silly thoughts, he might have laughed.

The young man could defeat Jianzhong with one single punch if he wanted to. Clearly, there was a massive difference in competence between the two of them.

He did not end the fight quickly for a reason. It was because he wanted to take advantage of Jianzhong and use the latter to test his own strength.

a?? Almost there. a??

By now, Yu Tian had a rough idea of his own capability.

a?? What do you mean? a??

Jianzhong was confused upon hearing that but within the next second, he had his answer.

💎?Bam!

Yu Tian punched his opponent's arm with precision.

He exerted only about half of his strength for this punch.

Nonetheless, Jianzhong felt as if he had been hit by a truck. He lost control of his body and flew backward.

There was only a single thought that crossed his mind when he was in mid-air.

💎?Yu Tian has been holding back all this while?💎?

💎?Boom!

Jianzhong was thrown to the edge of the boxing ring.

The entire boxing studio fell silent.

Everyone was holding their breath without even realizing it.

Yu Tian's punch exceeded their expectations. They had never seen something like this before.

💎?The little boy💎| Won?💎?

Jianzhong's men gulped in surprise.

They could not accept the fact that the invincible man they had always known was defeated by a young man in his early twenties.

Furthermore, this young man did not seem to have gone through any training.

They would not have believed it if they had not witnessed the scene with their own eyes.

Yu Tian walked forward to help Jianzhong get up.

The latter would not stop pestering Chu Qing because his feelings were genuine. Yu Tian was aware of that.

💎?You won,💎? said Jianzhong through his gritted teeth.

💎?You're not too bad yourself.💎?

Yu Tian replied while cupping one fist in the other hand as a sign of respect.

The corners of Jianzhong's lips twitched into a bitter smile.

He was well aware that Yu Tian only used half of his strength in that last punch.

If Yu Tian had used the amount of strength he had exerted during the previous competitions, Jianzhong would have ended up coughing up blood and being seriously injured due to the punch that weighed half a ton. Moreover, if the positing was slighting more calculated, he might even have lost his life right there and then.

Jianzhong knew that Yu Tian was definitely holding back.

He said with admiration, a◆?Brother, I'm overwhelmed. Not only do you have explosive strength, but your fighting techniques also exceed mine by a mile.a◆?

Jianzhong did not seem to hate Yu Tian as much as before. The latter helped him to his feet.

Without him realizing, Jianzhong had started referring to the young man as his own brother.

Yu Tian replied self-mockingly, a◆?I just got lucky.a◆?

a◆?Brother, you're too humble.a◆?

Jianzhong patted Yu Tian on the shoulder.

a◆?Oh, are you a new recruit of the army?a◆? he asked curiously.

a◆?No.a◆?

a◆?Then who taught you those fighting moves?a◆?

This question took Yu Tian by surprise. He hesitated to answer because he did not want to reveal too much about his family matters.

a◆?It's just something that has been passed on from my ancestors.a◆?

a◆?I see.a◆?

Jianzhong noticed that his question might be quite rude. He scratched his head in embarrassment.

a◆?As the saying goes, no acquaintance is made without a fight. We're now friends!a◆?

a◆?Huh?!a◆?

Yu Tian was taken aback once more.

He was led down from the boxing ring by his new friend.

Feiyu, Chu Qing, and the others looked at the two of them peculiarly.

No one knew what was going on. Why were the two men, who were fighting just a few minutes ago, now seemed so friendly? From the way they were smiling at each other, they looked even closer than actual brothers!

Feiyu could not help but ask, a◆?Jianzhong, what's going on?a◆?

a◆?Out of blows, friendship grows,a◆? Jianzhong replied while smiling.

He was telling the truth. Taking Chu Qing out of the equation, he actually quite liked Yu Tian as a person.

The fact that the young man was able to completely destroy him at fighting was a good enough reason.

Chu Qing turned to Yu Tian.

a◆?The two of you are really friends now?a◆?

a◆?Of course. Chu Qing, I've asked you out today for a meal. We've taken quite a while. Why don't we head back for some food now?a◆?

Jianzhong said while grinning.

When he looked at the woman, there was a hint of determination in his eyes as if he was convincing himself that it was time to let go.

Go for a meal again?

Chu Qing was worried that Jianzhong would secretly play dirty and attack Yu Tian. So, she quickly refused.

a◆?Actually, Yu Tian and I should be heading backa◆|a◆?

a◆?Come on, let's go.a◆?

Jianzhong urged.

Yu Tian turned to look at Chu Qing and heard the latter sigh. She knew that her childhood playmate must be feeling terrible right now. In the end, she agreed out of guilt.

“Let's get some food. It's lunchtime anyway.”

The group bid goodbye to Feiyu and left the boxing studio for Haitian Restaurant.

They returned to the private room that Jianzhong had reserved earlier. The dishes ordered earlier were still not served.

Upon arriving at the restaurant, Jianzhong's men went on to make some arrangements.

Soon, the table was filled with numerous dishes.

“This isn't enough. Hey, you guys, go and get some of those.”

His men understood the meaning behind his instruction and left the room at once.

Yu Tian and Chu Qing were confused. They turned to look at Jianzhong and asked simultaneously, “Some of what?”

Jianzhong looked at the woman before shifting his gaze to the young man.

“Yu Tian, you've defeated me in terms of strength. I know you'll be able to take better care of Chu Qing,” he said after a sigh.

“Promise me that you'll protect and treat her well. Don't make her unhappy or cry. You must give me your word..”

“I promise,” said Yu Tian without any hesitation.

“That's great. If I ever find out that you're not treating Chu Qing well, I'll make you experience hell even if I don't stand a chance against you!”

Yu Tian quickly waved his hand.

“What's said can't be unsaid.”

Jianzhong was finally pleased. He nodded before speaking again.

“I have one last request.”

“Go on.”

Just then, the door to the private room opened.

Ten burly figures who were about 1.9 meters tall walked in one after another. They were carrying boxes of alcohol.

There were a variety of options.

Beer, red wine, and even the really strong baijiu.

Yu Tian and Chu Qing were evidently surprised. They finally understood what Jianzhong instructed his men to bring earlier.

“Yu Tian, help me get drunk so I can forget about Chu Qing when I wake up. Otherwise, I'll do it to you instead,” said Jianzhong.

His men placed the boxes of alcohol next to the table. The boxes were stashed together like a tall tower.

The men looked at Yu Tian mockingly.

Anyone acquainted with Jianzhong knew that he could handle his liquor.

Yu Tian would undoubtedly lose if he were to compete in drinking with the man.

Chu Qing frowned.

“Jianzhong, you're still acting up because of me.”

She had no idea how much Yu Tian could drink, but she did not want him to get intoxicated.

Earlier, Jianzhong had implied that only one of them would be awake by the end of it. The other person would be wasted.

Additionally, the person who passed out first would have to give up Chu Qing.

Under these conditions, no matter what the results were, Yu Tian would have to drink an immense amount of alcohol.

Jianzhong shook his head.

a◆?Chu Qing, please let me be unreasonable for once. I've never refused any of your demands before. This will be the first and last.a◆?

a◆?I'll drink with you then,a◆? she replied directly.

Chu Qing knew that Yu Tian was just a regular young man who did not drink much. If he were to drown himself with alcohol in order to win the competition, it would cause great damage to his body.

Jianzhong's tone suddenly turned cold.

a◆?Yu Tian, I'm giving you a chance because I admire your strength but you're hiding behind a woman?a◆?

a◆?I didn't say no.a◆?

Yu Tian replied flatly.

a◆?Yu Tian!a◆?

Chu Qing was flustered. She was really afraid that he would get alcohol poisoning.

a◆?Your friend isn't going to give up if I don't accept his challenge,a◆? said Yu Tian while smiling. Stubborn people would only surrender once they were thoroughly defeated.

a◆?There are better ways than this.a◆?

a◆?Trust me.a◆?

Yu Tian patted the woman's hand gently before taking a seat next to Jianzhong.

a◆?You're a brave man. To start off, let's have something light. We'll finish a bottle of beer each,a◆? said Jianzhong as he twisted the beer cap.

Yu Tian followed suit.

They clinked their bottles and started drinking.

a◆?Hmm?'

Yu Tian felt something strange as soon as the beer touched his lips.

a◆?Gulp, gulp, gulp.'

He finished the bottle within seconds.

The beer was rather tasteless.

a◆?Is this tasteless beer or something?'

Yu Tian thought to himself, even though he really wanted to say it out loud.

Then, he saw Jianzhong smacking his lips and opening a second bottle.

Without thinking too much, Yu Tian hastily opened his second bottle too.

Both of them drank so quickly that they finished a whole box of beer in a short period of time.

Chu Qing grabbed Yu Tian by the arm.

a◆?How are you feeling?a◆?

a◆?Like nothing is happening.a◆?

The corners of Yu Tian's lips curled into a smile.

Jianzhong said, a◆?You're much better than I thought. Shall we continue?a◆?

a◆?Of course. I will definitely get you drunk.a◆?

a◆?Let's see if you're able to,a◆? said Jianzhong as he opened a bottle of red wine.

Chu Qing felt slightly relaxed upon seeing that Yu Tian could still speak normally.

She had no choice but to trust him. After all, he insisted that he was all right.

Yu Tian opened a bottle of red wine as well. The two men clinked bottles again and began to promptly drink.

a◆?Uma◆|'

To Yu Tian, the red wine tasted like plain water.

It was commonly known that mixing alcohol would make one drunk quicker.

However, both men still appeared sober after drinking five bottles of different alcohol.

Jianzhong's eyes widened, though he was still smiling.

a◆?It seems like I've met my match today. I didn't think that you could drink this much!a◆?

Jianzhong started drinking baijiu.

Yu Tian followed suit. A look of satisfaction washed over his face once the baijiu filled his mouth.

It tasted fragrant and sweet, unlike the plain red wine and beer from earlier.

He had been drinking so much a◆?plain water' that his taste buds had become extra sensitive.

The young man could not help but pour the entire bottle of baijiu down his throat.

Upon seeing that, Jianzhong's men widened their eyes.

a◆?What the heck!

a◆?Who drinks baijiu like this?

a◆?Usually, people would enjoy baijiu sip by sip. Yet, this little boy was pouring the entire bottle down his throat!

a◆?Most importantly, Jianzhong was only halfway through his bottle. Isn't the little boy being too disrespectful?!

Chu Qing was stunned too. She did not enjoy baijiu. The spiciness of the liquor was unbearable for her.

She had no idea how Yu Tian managed to finish the entire bottle within seconds.

Jianzhong quickly emptied the bottle of baijiu he was drinking and gave Yu Tian a thumbs up.

a◆?This is nice. I've not met someone as interesting as you in a long time.a◆?

He opened another bottle of baijiu.

Yu Tian chuckled.

a◆?Let's keep drinking.a◆?

The two of them emptied bottles after bottles. Although Jianzhong had a high alcohol tolerance, he was no match for Yu Tian. About ten minutes later, he began to feel dizzy and his vision slowly blurred.

“Let's keep drinking. Keep it up!” he said in a drunken manner.

After that, he poured himself another cup of baijiu. This was the last serving before he fell face down on the table.

Jianzhong had actually passed out from drinking!

Upon seeing that, Yu Tian shifted his gaze to the man's employees.

He said, “It's your turn now.”

“Alright! We'll get him drunk on behalf of Jianzhong!”

The men cheered and began taking turns drinking with Yu Tian.

Despite that, all ten of them gradually passed out after five or six minutes.

The table was littered with multiple empty bottles.

Yu Tian turned around to look at Chu Qing, whose mouth was agape.

“Elder Sister Qing, I managed to get him drunk.”

The woman was in shock.

“How are you feeling?”

Terror was written all over her face.

“I'm fine.”

Yu Tian shook his head before rising to his feet. Then, he took a few steps.

“Look, I'm still completely sober.”

Chu Qing shifted her gaze to the eleven strong men. Undoubtedly, they had passed out on the table among the empty bottles that filled the space.

The alcohol bottles were made from various materials such as steel, porcelain, and glass. All of them scattered around made a stunning sight.

“Elder Sister Qing, let's head back to the office after we pay the bill. I'm not hungry anymore,” said Yu Tian before heading towards the door.

The woman looked at the man's receding figure in shock.

She thought to herself, “Yu Tian seems like a completely different man now.”

A colorless Chinese liquor. It typically contains between 35% and 60% alcohol per volume..

Chapter 23: You're Not a Man

Yu Tian was a completely different person compared to several days ago.

Chu Qing was admittedly touched when he defeated the eleven strong men for her.

After that, the young man headed back to the company whereas Chu Qing left to sort out her personal affairs.

While walking toward his office, Yu Tian thought of calling the representatives from Li corporation to continue discussing the game project.

Upon reaching the stairway corridor, he heard a faint sob.

It was lunchtime so most of the employees were away.

The soft sobbing sounded especially loud in the quiet space.

Yu Tian's curiosity was piqued. He tried to eavesdrop.

“

“Okay, I'll head home after work. It'll be in the evening. I don't have the money on such short notice, but I'll come up with something.”

The voice belonged to Xiao Yun!

Yu Tian was taken aback.

He thought to himself, a◆?Why was she crying all by herself? Who was she talking to?'

The young man became more curious and approached the stairs.

Xiao Yun, who had just hung up her phone, turned around and noticed the young man walking towards her.

Her heart skipped a beat because she was surprised.

However, the shock on her face gradually faded when she realized it was only Yu Tian.

She immediately dabbed the corners of her eyes with her sleeves before smiling at him.

a◆?President Yu.a◆?

a◆?What's the matter?a◆? he asked.

The young woman quickly shook her head. No words came out from her lips.

a◆?You're my employee. If possible, I'll lend you a hand.a◆?

a◆?President Yu, it's really nothing. One of my family members fell sick. That's why I was crying. It's no big deal.a◆?

Xiao Yun replied. There was a hint of anxiety in her eyes.

Naturally, Yu Tian caught on. Hence, he smiled softly and looked at the young woman gently.

a◆?I don't like it when someone lies to me.a◆?

Xiao Yun felt a shudder. She finally confessed through her gritted teeth after looking at the young man's determined gaze.

a◆?My dad got into a huge debt after gambling. The loan sharks are currently at our place, demanding to take ownership of our house. However, our house is probably only worth half a million yuan at the most. My mother said that the loan sharks are going to sell me to the brothel. I don't know what to do.a◆?|a◆?

Tears began rolling out of her eyes as she spoke.

Yu Tian frowned upon hearing that.

a◆?Those people are being unreasonable. How could they do something like this in this time and age? Anyway, stop crying. I'll help you sort this out.a◆?

a◆?President Yu, I can handle this myself.a◆?

Xiao Yun did not want Yu Tian to get involved. After all, this was her private family matter. Furthermore, she had only recently joined the company.

The loan sharks were not kind people. She would definitely feel guilty if he was to get into trouble because of her.

a◆?That's nonsense. Where's your house?a◆?

Yu Tian demanded sternly.

a◆?Uma◆| Meihua Street.a◆?

a◆?Let's go.a◆?

The young man started to walk away.

Xiao Yun had a confused look on her face.

a◆?Buta◆| I need to get back to work at one o'clock.a◆?

She glanced at her watch. It would be one in just five minutes.

a◆?I'll make a quick phone call to Old Xu.a◆?

Yu Tian's voice echoed in the empty corridor.

Xiao Yun hastily followed the young man from behind after hearing that. Obviously, she was anxious about what had happened at home

Upon leaving the office, Yu Tian led the young woman to the parking lot. They got into the Continental GT instantly.

It was Xiao Yun's first time being in the passenger seat of such a luxurious car. She was unable to relax.

Yu Tian noticed that after starting the engine.

a◆?Is something wrong?a◆?

a◆?This is my first time riding such a car.a◆?

Xiao Yun confessed even though she felt embarrassed.

a◆?Then you need to get used to it.a◆?

a◆?Huh?a◆?

The young woman was perplexed.

a◆?You're my secretary. I'll definitely have to bring you along to future business meetings.a◆?

Xiao Yun suddenly lowered her head upon thinking that she might have plenty of chances to go out with Yu Tian in the future.

Shortly after, her family issue popped into her mind again. The young woman was filled with despair. She turned to look at Yu Tian.

a◆?President Yu, you should probably leave after dropping me off. Don't get yourself involved. There are some really horrible people.a◆?

a◆?Don't worry. I said that I'll help and that's what I'm going to do.a◆?

Xiao Yun was entranced by the confidence shining in his eyes.

She asked, a◆?President Yu, why are you so nice to me?a◆?

a◆?I've just got a pretty secretary and I don't want to lose her so quickly.a◆?

He chuckled before driving the car.

Xiao Yun looked at the young man with a dazed expression.

a◆?Just a secretary?'

She thought to herself.

Meihua Street.

Soon, Yu Tian arrived at their destination with the help of the GPS. He was surprised to find himself in an old and poor neighborhood.

It reminded him of his own past. He could not help but relate to Xiao Yun's situation.

a◆?Where should I park the car?a◆? he asked.

Under the young woman's guidance, he drove his car into one of the small houses.

As they got closer to her house, Xiao Yun suddenly turned to Yu Tian and said, a◆?President Yu, why don't you wait for me outside?a◆?

a◆?Why?a◆?

After a brief hesitation, she said in a concerned tone, a◆?I'm afraid that my dad will act violently towards you. He loses his temper whenever he drinks. My mother had been beaten severely multiple times.a◆?

Yu Tian's expression instantly darkened. He did not like men who get themselves intoxicated or beat up women.

In his opinion, these types of people were equivalent to incurable trash.

a◆?Trust me. I'll sort things out for you.a◆?

He got out of the car and knocked on the door.

Xiao Yun followed closely. The door opened to reveal a middle-aged man. He had red eyes and reeked of alcohol.

This man was Xiao Yun's father a◆◆◆ Xiao Aichu.

a◆?Who are you?a◆?

The middle-aged man looked at Yu Tian with a confused expression. He was certain he had not met this person before.

The young woman introduced, a◆?Dad, this is my boss, President Yu.a◆?

a◆?President Yu?a◆?

Aichu shifted his gaze from his daughter to Yu Tian. Then, his eyes landed on the Continental GT parked outside of their house.

Immediately, his eyes widened a little.

This person must be rich. The fact that he could afford to drive a car like that was enough proof.

a◆?Hi, President Yu. Please, come in and have a seat.a◆?

A flattering smile was plastered across his previously tense face. The middle-aged man even reached out to grab Yu Tian's arm.

Xiao Yun promptly stood forward and said coldly, a◆?Dad, did you hit mom again?!a◆?

She only asked because her mother did not come out to greet them.

a◆?Your mother is such a bearer of ill luck. I wouldn't end up like this if it wasn't for her. She deserves a good beating.a◆?

a◆?You're not a man.a◆?

Yu Tian interrupted..

Chapter 24: Can You Afford It?

a◆?What did you say? I'm not a man? What gives you the right to meddle in my family affairs? Who do you think you are, huh? So, you've come home with my daughter. Are you thinking of marrying her? Sure. Ten million yuan. Give me 10 million yuan and she's yours.a◆?

Xiao Aichu turned red within seconds. He waved the bottle of alcohol in his hand as he pointed at Xiao Yun.

Yu Tian suppressed the urge to punch the middle-aged man in his face. After all, he was still Xiao Yun's father.

a◆?Is this how you treat your daughter? How could you do something like this? You're so selfish. You tried to sell her off as if she's an object.a◆?

Yu Tian tried to criticize the young woman's father. Besides, Xiao Yun was his employee and he needed to take that into consideration before hitting the middle-aged man.

a◆?Daughter? She and her mother are nothing but bearers of ill luck! I asked her to start working during her teen years but instead, she continued studying at a b*llshit school. Even though she has graduated, she's still only working for people like you. What's the point of earning a few thousand yuan each month?! I stand by my words. Women should be obedient. At the end of the day, they're only playthings for rich men like you.a◆?

Yu Tian was infuriated upon hearing that. Why would anyone say something like that about their own daughter?!

This man was an animal!

Furthermore, from the sounds of it, it seemed like Xiao Yun was pressured for a long time to stop attending school.

a◆?Dad, don't say that. I've missed out on many better opportunities because of you and mom. I could have earned much more than I do now,a◆? said Xiao Yun.

a◆?Earn much more than now? Dream on. You're exactly like your mother. Both of you only bring bad luck. If it weren't for the two of you, I wouldn't have lost every time I gambled. I wouldn't have lost one million yuan. Xiao Yun, I'm telling you now. You're my daughter and you must listen to me. I'll forgive you for not obeying me in the past, but you must help me settle this debt!a◆?

Yu Tian was about to explode with rage. He took one step forward and slapped Aichu on the face.

a◆?Slap!'

The deafening noise stunned Xiao Yun and her father.

Aichu stared at Yu Tian in disbelief. After a long time, his mind finally registered the pain on his cheek.

Had he just been slapped?!

a◆?Youa◆| You hit me?! I'm calling the police. I'll make sure they lock you up!a◆?

Aichu shouted.

a◆?I've never seen anyone like you. You're an animal. You don't deserve to be a father!a◆?

Yu Tian reprimanded.

a◆?F*ck. Don't you dare think you'll be able to marry my daughter!a◆?

a◆?I don'ta◆|a◆?

Yu Tian was about to say that his intentions were not to marry Xiao Yun, but he was interrupted by the young woman.

a◆?You have no say in that. I'm going to marry him!a◆?

Yu Tian was taken aback.

What was happening?

a◆?You want to marry him? Xiao Yun, you've become so stubborn. I'm going to beat some sense into you!a◆?

Aichu was steaming with anger. He threw the beer bottle he was holding in Xiao Yun's direction.

This man still had the cheek to hit others?!

There was no way Yu Tian would allow that. He leaped in the air and kicked Aichu. The latter fell to the floor and wailed in pain.

a◆?What's going on?a◆?

All of a sudden, a hoarse female's voice could be heard.

Both Yu Tian and Xiao Yun turned to the source of the voice. A middle-aged woman was walking hastily towards them. One side of her face was swollen and traces of blood were visible at the corners of her lips.

This middle-aged woman was Xiao Yun's mother a◆◆◆ Guo Weixin.

a◆?Mom!a◆?

Xiao Yun embraced her mother with teary eyes.

a◆?Yun, didn't you say that you're only coming home in the evening? Why did you leave work early?a◆?

Weixin's voice was hoarse. It sounded like a broken record and was unpleasant to the ears.

Instead of answering the question, Xiao Yun carefully caressed her mother's face.

a◆?Mom, did he hit you again?!a◆?

The young woman really did not want to call the middle-aged man a◆?fathera◆? after seeing what had happened.

Weixin shook her head.

a◆?I hit my head by accident.a◆?

a◆?Your voice has turned hoarse from all the crying.a◆?

Xiao Yun felt sorry for her mother.

a◆?Please remember to drink more water. Otherwise, you might lose your voice.a◆?

Yu Tian's words filled the air.

It was only then that Weixin noticed the young man. She was baffled and turned around to look at her daughter.

a◆?Who's this?a◆?

a◆?He's my boss, President Yu.a◆?

President Yu?!

Weixin quickly wiped her tears away. She did not want to reveal her vulnerable side to her daughter's boss.

a◆?I'm sorry, President Yu. I've made a fool of myself.a◆?

a◆?Please, just call me Yu Tian.a◆?

The young man helped both women to their feet.

Weixin hurriedly thanked him.

a◆?Thank you, President Yu!a◆?

As if she was suddenly reminded of something, Weixin instantly turned around to look at her daughter.

a◆?Yun, have you been fired? Why else would President Yu be here?a◆?

a◆?Aunt Weixin, I'm here to help you.a◆?

Yu Tian turned to look at Aichu before Xiao Yun could reply.

a◆?Call the loan sharks and tell them that you're going to pay the debts.a◆?

Aichu held a hand over his belly. The pain sobered him up a little.

a◆?Pay?a◆? he said. A look of despair washed over his face. a◆?We have no money.a◆?

a◆?Cut the b*llshit,a◆? said Yu Tian coldly.

Aichu dared not say much after being scolded. He retrieved his cell phone and immediately made the phone call.

Ten minutes later, two vans were parked next to Yu Tian's Continental GT. Ten strong men got out of the vehicles.

They completely surrounded Xiao Yun's house.

The leader of the group scanned the room with a violent gaze. Finally, his sight landed on Xiao Yun.

He checked her out from top to bottom with a perverted intention. It almost seemed like he wanted to a◆?devoura◆? her right there and then.

Xiao Yun turned her head away without saying anything.

The man thought to himself, a◆?Stop pretending. Soon, you'll become my woman!

Then, he turned his head around and stared at Aichu.

a◆?Old man, you got the money?a◆?

With a quivering voice, Aichu replied, a◆?Young Master Chen, I don't.a◆?

a◆?Are you f*cking with me?a◆?

The man's real name was Chen Cejin.

a◆?Young Master Chen, I dare not. He was the one who forced me to make the phone call. It's got nothing to do with me. Please don't condemn me.a◆?

Aichu pointed his finger directly at Yu Tian.

a◆?Oh?a◆?

Cejin looked at Yu Tian.

a◆?Little boy, who are you?a◆?

a◆?Young Master Chen, he's my daughter's boss. President Yu.a◆?

Aichu answered from the side like a henchman.

a◆?President Yu?a◆?

Cejin shifted his gaze to Xiao Yun. He teased, a◆?Really? Or are you actually his mistress?a◆?

a◆?Watch your mouth,a◆? said Yu Tian.

a◆?What has this got to do with you? Little boy, take my advice a◆◆◆ don't look for trouble.a◆?

a◆?How much do they owe you? I'll pay the debt on their behalf.a◆?

a◆?You're paying?a◆?

Cejin looked at Yu Tian from head to toe.

a◆?Can you afford 1 million yuan?a◆?

He did not believe the latter was that rich.

Yu Tian looked too young. Perhaps Cejin would be more convinced if he was a few years older..

Yu Tian nodded.

a◆?Yes. I'll write you a check. Leave and never harass this family again.a◆?

Seriously?

Chen Cejin took a long look at Yu Tian.

a◆?I forgot to add the interest of half a million. In total, it's 1.5 million yuan.a◆?

a◆?1.5 million yuan?!a◆?

Xiao Yun and her parents' eyes widened due to the shock.

The interest rate was ridiculous!

It had only been a few days, but the interest had accumulated up to half the amount of the debt?

This was basically a scam!

a◆?So? Cash or check?a◆?

Cejin urged when he did not get any reply.

a◆?I changed my mind about paying.a◆?

Yu Tian shook his head.

a◆?Are you f*cking messing with me?!a◆?

Cejin was furious and immediately rushed forward to grab Yu Tian's collar.

The other ten strong men surrounded the latter as well. They were ready to give him a good beating.

Xiao Yun was flustered.

She shouted, a◆?No! Don't hit him!a◆?

Guo Weixin grabbed her daughter's arm tightly and said anxiously, a◆?We should call the police.a◆?

Neither of them wanted to get Yu Tian involved.

On the other hand, Xiao Aichu was watching with a smug expression.

It did not matter to him if Cejin or Yu Tian was victorious. Either way, the end results would benefit him.

a◆?I'd let go right away if I were you, then kneel down and beg for forgiveness.a◆?

Yu Tian said flatly.

a◆?Little boy, do you think that you can scare me with empty words?a◆?

Cejin yelled and extended his arm to throw a punch.

However, something swiftly grabbed his fist. He was being held back by Yu Tian.

a◆?I gave you a chance,a◆? said the latter before tightening his grip.

a◆?Bam!'

An incredible force pushed Cejin back and he landed on the ground.

a◆?Come on!a◆?

Cejin's lackeys rushed toward Yu Tian all at once.

Despite that, none of them was a match for him. They were flung across the room one after another.

a◆?Gaspa◆|a◆?

Xiao Yun and her parents stared blankly at Yu Tian.

a◆?President Yu is good at fighting?!'

Xiao Yun thought to herself as she watched the amazing scene that was unfolding in front of her eyes.

a◆?Yun, your boss is amazing,a◆? said her mother.

Meanwhile, Aichu was lost in his own thoughts.

Cejin got back on his feet. He suppressed the anger raging inside him and threatened, a◆?Little boy, wait here if you dare. I'll go and get my boss.a◆?

Yu Tian asked, a◆?Who's your boss?a◆?

a◆?Hah, my boss is the president of Feng Corporation. Are you scared now? Little boy, President Feng might forgive you if you scramble off right now.a◆?

a◆?President Feng? Never heard of him.a◆?

Yu Tian shook his head.

a◆?Youa◆|a◆?

Cejin was so annoyed that he felt like coughing up blood.

Yu Tian added, a◆?Alright, bring him here. I'll handle all of you at once. It saves time.a◆?

a◆?Nice. Little boy, you're asking for death!a◆?

Cejin retrieved his cell phone and walked over to one side. Then, he made a call.

Aichu approached Yu Tian and shouted angrily, a◆?Look at what you've done! Why did you provoke Young Master Chen for no reason? Don't you know that he's from the Feng Corporation?a◆?

a◆?I have no idea.a◆?

a◆?Youa◆|a◆?

Enraged, Aichu smashed a glass bottle to the ground.

a◆?Hurry up and apologize to Young Master Chen. Ask for his forgiveness. Go on!a◆?

a◆?Why should I be afraid of Feng Corporation?a◆?

Yu Tian shrugged. He had sent a message to Chu Qing earlier, asking about Feng Corporation.

Chu Qing replied within seconds.

[I'll make the Feng Corporation vanish into thin air if they dare to lay a hand on you.]

Thanks to that, Yu Tian was not worried. He completely trusted Chu Qing.

However, Xiao Yun and her parents did not know about the message.

After hearing Yu Tian's nonchalant reply, Xiao Yun quickly said, a◆?President Yu, it's better if you leave now. My dad is right. It'll be bad to provoke the Feng Corporation. President Feng Changqi is infamous for being a scoundrel. You'll definitely lose against them. I don't want you to get injured because of me and my family issues.a◆?

The determination on her face reminded Yu Tian of his younger self and his unforgettable past.

He thought to himself, a◆?Xiao Yun seems like a good person. I should definitely help her out.'

a◆?Don't worry. Feng Corporation is nothing to me.a◆?

He reassured the young woman while waving his hand dismissively in the air.

After all, he was telling the truth.

How powerful could the Feng Corporation be if Chu Qing had the ability to destroy it within seconds?

Furthermore, his numerous elder sisters could sort things out for him.

Xiao Yun wanted to say something, but she held her tongue upon seeing the determination on the young man's face.

In less than ten minutes, Feng Changqi arrived with two of his employees.

Cejin hastily rushed towards him.

He said while pointing to Yu Tian, a◆?President Feng, this person hit us. He even demanded you to come over.a◆?

a◆?Useless.a◆?

Changqi scowled and slapped Cejin across the cheek.

The latter tumbled to the ground, but he instantly sprung back on his feet.

a◆?President Feng, you must seek justice for us!a◆?

Ignoring the complaint, Changqi scanned the room before landing his eyes on Xiao Yun.

a◆?I didn't expect to see such a pretty lady in this godforsaken place.a◆?

An evil smile spread across his face as he turned around to his staff.

a◆?Take that lady along.a◆?

The two men behind him were much stronger than Cejin's employees.

They were once infamous underground boxers in Linhai. Their presence was very intimidating.

There were probably seven or eight people who had died to their fists.

Changqi had spent a massive amount of money to hire them as his bodyguards.

a◆?Understood!a◆?

The two men replied and approached Xiao Yun.

Yu Tian stepped forward to shield the young woman.

a◆?Hold on.a◆?

Changqi commanded. His eyes narrowed as he spoke to Yu Tian, a◆?Are you still trying to play the hero?a◆?

a◆?I'm Xiao Yun's boss. This matter involves me,a◆? said Yu Tian.

Changqi suddenly remembered the Continental GT parked by the road.

a◆?Which company are you from?a◆?

He had to be more cautious.

Feng Corporation was bidding on a huge project at the moment. Their progress might be threatened if another company decided to meddle.

Regardless, he did not care about Xiao Yun and her family's well-being.

If something terrible were to happen to them, he could easily order someone to suppress the news.

Changqi only wanted to know about Yu Tian's real identity. He was afraid that the latter might be from an influential family!

Things would become troublesome if Yu Tian was someone he could not afford to provoke..

Chapter 26: Practice

a◆?Stop the mindless chit-chat. You either fight me or leave! I'm not going to let you bully the Xiao family!a◆?

Yu Tian was getting impatient. He did not care about the questions and only wanted to end things.

a◆?F*cking little boy, you must be asking for death. How dare you speak to President Feng in this manner!a◆?

Now that he had someone powerful backing him up, Chen Cejin became confident again.

a◆?I don't give a hoot about that man. You talk too much. You're wasting my time!a◆? said Yu Tian.

Anyone could boast.

Besides, he had one hundred and eight elder sisters backing him up. Nothing in this world could scare him!

a◆?Little boy, stop with the pretentious boasting. Don't think that you can meddle in others' affairs simply because you know a couple of fighting moves. President Feng could end your life right here and now!a◆?

a◆?Ah, I'm so terrified. There's no point in just talking. Show me what you've got.a◆?

Yu Tian was confident and fearless. Moreover, he had a nonchalant look in his eyes. It triggered his opponents' nerves and made them lose their patience.

Feng Changqi, who was relentlessly humiliated in front of everyone, could not hold it in anymore.

He swore to himself that he would cripple this arrogant little boy today!

Offending him was a big mistake!

Changqi pushed Cejin out of his way.

a◆?You f*cking b*stard. Beat him up until he dies!a◆?

The two bodyguards at the back warmed up their wrists and cracked their knuckles after receiving their boss's order. They looked very confident as if they would win before the fight even began.

Yu Tian became serious upon noticing their stance. He tensed up his muscles, preparing himself for any incoming surprise.

Changqi thought that the little boy was intimidated.

He laughed aloud and pointed his chubby finger at Yu Tian.

a◆?Oi, little boy, aren't you really good at fighting? Bring it on!a◆?

a◆?President Feng, there's no way he can defeat your best bodyguards. We'll get to enjoy the sight of him being beaten up. I'm sure he'll kneel down and beg for your forgiveness. How exciting!a◆? said Cejin. He did not forget to flatter the boss.

Changqi got some ideas after hearing that. He glared ferociously at Xiao Yun, who could not help but stare at Yu Tian anxiously.

a◆?Stupid b*tch. You're interested in that pretty boy?

a◆?I'll make him kneel down and call me father in front of everyone!

a◆?Additionally, I'll make him watch as I devour you!"

The more he thought about it, the more agitated he became. Changqi kept throwing impatient glances at Xiao Yun.

As for Xiao Yun, she had no idea that things would turn out this way.

She never expected that Yu Tian would have to risk his own life to help her.

a◆?Yu Tian, please stop! You can't beat them. You'll die!a◆?

Anxious, Xiao Yun hurried forward. She wanted to pull the young man back.

Yu Tian instinctively looked over his shoulder to the source of the voice.

The bodyguards made their moves the second he turned his head around!

It was the perfect opportunity!

Upon seeing that his men had the upper hand, Changqi boasted, a◆?An amateur that easily gets distracted wants to challenge me? He's definitely asking for death. As for you, little b*tch, you should be trying your best to please me. I'll not treat you poorly as long as you satisfy me.a◆?

Xiao Yun frowned and bit her lips. Her gaze revealed a mixed feeling of concern and uncertainty.

a◆?If you don't make up your mind quickly, you'll be preparing the little boy's funeral!a◆?

Changqi continued to persuade Xiao Yun upon seeing the hesitance in her eyes.

a◆?You should know that my bodyguards are not merciful. They have taken ten or twenty lives. Maybe even more than that. They're killing machines!a◆?

The two bodyguards who had worked together for a very long time reached a tactical understanding with each other. One of them would attack the upper body of the target while the other would attack the lower body.

Although Yu Tian did not have much fighting experience, he was no longer the man that he used to be.

In fact, he could sense the incoming attacks before they were even executed.

Yu Tian clenched his fist and dodged the opponent's punch by tilting to one side. Then, he used the momentum to punch the attacker's chin.

He did not manage to muster too much energy because of the short notice, but the force still made the opponent stagger a few steps backward.

As for the other bodyguard, he tried to attack Yu Tian's lower body by moving slightly slower. This gave the young man several seconds to catch his breath.

It was evident that the two bodyguards were not going to be merciful.

Yu Tian detected their killing intent, so he thought there was no point in holding back. He directed all his energy to his right leg and kicked one of the attackers forcefully!

💎?Bam!

💎?Crack!

The loud noise of bones breaking filled the air.

The bodyguard was flung about ten meters to the back. He cried out mournfully while clinging to his broken calf, 💎?Ouch! My leg!💎?

Meanwhile, Yu Tian only staggered one tiny step backward despite the immense force.

Changqi realized something went wrong upon hearing the familiar voice crying in pain.

He stopped talking and turned around to look at the fighting scene.

His jaw dropped. One of his men was defeated in just a few seconds!

This little boy was a savage!

Yu Tian was unfazed. He only had one opponent now.

It seemed like this was an opportunity to practice his fighting techniques.

After all, he was only beginning to grasp the Yu Family's fighting techniques. He had yet to get the chance to use his knowledge in actual combat.

Now was the perfect time to practice what he had learned.

He could try any move he wanted!

This time around, Yu Tian did not give the other party a chance to attack. Instead, he performed false footwork and lifted his arm to throw a right hook.

His opponent, who had numerous combat experiences, shielded himself by bending his arm and immediately attacked Yu Tian's unprotected abdomen area.

Yu Tian did not take the blow. He dodged it by bending his body at a peculiar angle and successfully avoided the punch.

The young man grabbed his opponent's wrist and pulled forward.

This unexpected move caused the bodyguard to lose his balance. He staggered a few steps forward.

Yu Tian playfully kicked his opponent's butt and the latter fell face down to the ground.

Enraged, the bodyguard sprung to his feet and glared ferociously at Yu Tian.

He forgot all the fighting rules and started throwing forceful punches at the speed of the lighting. It was specifically to find the opponent's vital points or undefended spots. The bodyguard looked as if he was willing to wager his own life in this battle.

The sudden outburst of attacks caught Yu Tian by surprise. He received blows after blows to his shoulders, abdomen, and waist.

If he had not already started cultivating, the consequences would have been severe!

He would have been seriously injured even if he was alive!

After receiving a few punches, Yu Tian managed to make progress. He gradually kept up with the opponent's speed.

At first, the young man was beaten up but slowly, he began to parry the blows. In the end, the bodyguard's moves became passive and Yu Tian started gaining the upper hand.

The bodyguard became more frightened as the fight went on. In the beginning, he was leading the fight. Now, he simply served as a sparring partner for the opponent.

Moreover, his strong punches did not seem to be effective against the young man.

The bodyguard had every right to be terrified!

He did not want to continue the fight, knowing that he would lose if this kept on.

Hence, he wanted to make a deliberate mistake and seize the opportunity to end the fight.

However, Yu Tian was not going to grant his wish!

Yu Tian immediately grabbed the bodyguard's shoulder. He kicked him by the shin, causing the man to fall to the ground.

Without giving the opponent a chance to get back up, he stomped down his foot firmly on the person's back.

With a heavy mountain weighed down on his back, the bodyguard could not break free no matter how hard he tried.

Yu Tian looked around the room coldly.

Feng Changqi lost his arrogant demeanor after seeing what had transpired. He hid behind Cheng Cejin and secretly made a phone call.

Naturally, if the boss was this terrified, how the underlings felt was obvious.

All of them retreated backward out of fear. They also avoided eye contact with Yu Tian.

Xiao Aichu's mouth was still agape. He was completely shocked by Yu Tian's combat strength.

Changqi was afraid that Yu Tian would beat him up next but after getting a reply from his father, he subconsciously stood upright and shouted from the back.

a◆?Yu Tian, stay if you dare. Soon, my dad will be here with his men!a◆?

Yu Tian laughed sarcastically.

a◆?Fantastic. You can't defeat me by yourself, so you're getting your dad involved?a◆?

Then, the young man applied more pressure on his foot until some blood slowly oozed out of the bodyguard's lips. Clearly, he was not being merciful.

Once he was satisfied, he threw a cold glance at Changqi.

a◆?Well, why don't you save some time? Bring your dad, your granddad, all your uncles, and aunts as well. I'll defeat them in one go!a◆?

Changqi's face turned red upon hearing that.

He had never been humiliated like this in his entire life!

However, he still lacked confidence without his dad's presence!

After all, he had just witnessed Yu Tian's combat power. He was not stupid enough to dig his own grave.

His body quivered and he said through his gritted teeth, a◆?Your time will be up soon. My dad's men are much stronger than these amateurs.a◆?

Xiao Yun tugged the corner of Yu Tian's sleeves. Evidently, she was worried.

a◆?President Yu, I can't thank you enough for today. However, you should leave before things get too serious.a◆?

The young man had already done more than enough. She did not want him to offend some powerful thugs because of her.

Besides, she had no way to return the favor!

Yu Tian looked over his shoulder. A gentle smile spread across his face as he shook his head. He was trying to reassure her.

Shortly after, three more luxurious cars turned up.

Changqi's backup was here!

a◆?Haha, it's too late for you to leave now!a◆?

He gestured to his underlings to block all the escape paths.

Yu Tian, Xiao Yun, and her parents were surrounded. They had nowhere to go.

The young man shrugged nonchalantly.

a◆?These people really can't wait to die.a◆?

The cars' speed gradually slowed down. A greasy-looking man with a bulging belly exited the first car. He seemed to be in his fifties.

Additionally, eleven burly men followed closely behind him. It was not difficult to guess that they were from the military based on their imposing demeanor and walking style.

a◆?Are you the little rascal that bullied my son?a◆?

As soon as Feng Weilun got out of the car, he became hostile without even understanding the situation.

a◆?Dad, he's the one!a◆?

Changqi pointed at Yu Tian while smiling smugly.

Weilun narrowed his eyes and stomped out a cigarette butt.

a◆?You little rascal. I'll show you the power of the best security guard company in this city!a◆?

a◆?Security guard company?a◆?

Yu Tian replied flatly. Both of his hands were in his pockets.

a◆?Haha, I can tell from his face that he's a foolish tramp. He doesn't even know what a security guard company is!a◆?

The underlings began laughing.

a◆?Yet, he calls himself President Yu? He's probably just a bum from the countryside.a◆?

Cejin tried his best to please the two bosses by relentlessly humiliating Yu Tian.

a◆?I'll teach you a valuable lesson today. The Liekong Security Guard company is famous in our city for producing numerous experts. Even President Chu hired her security guard from us.a◆?

Yu Tian nodded.

a◆?I see! But la◆|a◆?

His phone rang before he could finish speaking.

It was Ren Jianzhong.

a◆?Hey, bro. Where are you?a◆?

a◆?Meihua Street.a◆?

a◆?What are you doing in that poor and run-down neighborhood?a◆?

a◆?Fighting!a◆?

a◆?a◆|a◆?

a◆?What's up?a◆?

a◆?Not much. Wait for me. I'll meet you there and we can go drinking together!a◆?

Yu Tian did not say more than ten words throughout the conversation.

a◆?Hey, not bad! You know how to call for backup!a◆?

a◆?We'll wait and see who's coming to your rescue!a◆?

a◆?Who do you think would come?a◆?

a◆?Probably more trash like himself!a◆?

Initially, Yu Tian felt angry after hearing these insults. However, the rage was gradually replaced by calmness.

It would be petty of him to be upset with these people!

Obviously, it was not worth it!

He cooled down but on the other hand, Xiao Yun was infuriated!

a◆?If your men were as strong as you've claimed, they wouldn't have been defeated just now. How shameless of you to have a group of people fighting against one lone man. None of you are real men!a◆?

a◆?You'll find out yourself if we're real men!a◆?

a◆?Enough with this nonsense! The boss should be the first to show this woman his manly prowess!a◆? said Cejin while kicking the man who spoke earlier.

Ren Jianzhong arrived in a matter of minutes.

a◆?Eldera◆| Elder Brother Ren, what brings you here?a◆?

The leader of the security guards said nervously. He had a premonition that things were going south.

a◆?Li Wu, you've got some free time on your hands today, huh? Are you and your underlings planning to practice your moves on my friend?a◆?

Li Wu quickly shook his hands.

a◆?Elder Brother Ren, you're pulling my legs. This little boy can't be your friend, not with those looks!a◆?

a◆?You think I'm joking? You've really overestimated yourself. It seems like I haven't made myself clear!a◆?

Jianzhong quietly exerted force to his hand that was placed on the man's shoulder.

Li Wu's bones began cracking under the pressure. Big droplets of sweat began forming on his forehead.

Without a doubt, Jianzhong would crush his shoulder if he said anything wrong. The unbearable pain made his knees weak.

He bent on his knees and curled inward, looking like a cooked prawn.

a◆?Elder Brother Ren, I'm sorry. I really am. I shouldn't have offended your friend. I won't do it again!a◆?

a◆?Ah, you don't have to be so polite with me. I don't deserve it.a◆?

a◆?I'm sorry, Elder Brother Ren. I beg for you and your friend's forgiveness. Please forget about what happened and let me go!a◆?

Li Wu was genuinely terrified. His knees gave out and he instantly plopped to the ground.

Weilun's face fell. He felt disgraced upon seeing his own underling kneel to someone else so easily!

“Well, it depends on your performance. Here's a friendly reminder my friend here is much stronger than me, both in terms of strength and fighting skills. I even lost to him when it comes to drinking.”

Jianzhong's words attracted everyone's attention.

What he said caught Yu Tian off guard. However, he remained silent as he knew that Jianzhong had good intentions.

Upon hearing that, Li Wu was absolutely terrified. After all, Jianzhong had no reason to lie.

Li Wu gritted his teeth. He was already kneeling, so there was no point in trying to save face.

In fact, he might as well go all out!

Li Wu took a deep breath and performed several respectful kowtows to Yu Tian.

“President Yu, please forgive me! I swear that I'll never appear in your presence again.”

Yu Tian nodded nonchalantly and waved his hand dismissively.

As if he had just been pardoned, Li Wu sprung to his feet and gestured to his underlings to leave the place immediately.

Jianzhong shifted his attention to Weilun.

“President Feng, for my sake, let's put an end to this.”

Weilun looked at him with a frown. Indeed, he did not want to offend the man.

Despite that, he could not bring himself to let it go after gathering so many of his men here today.

However, his backup had already left. Even if he was still upset, there was not much he could do.

It was impossible for him to come to a decision. So, he stood still without uttering a single word. No one knew what was going through his mind.

Anyway, Yu Tian was not an unreasonable man.

a◆?I'll clear off the 1 million yuan debt that Xiao Aichu owes you and we'll call it a day. What do you think, President Feng?a◆?

Weilun seemed to relax a little bit after someone else had made the first move.

He yawned lazily before saying, a◆?Haha, it's all a big misunderstanding. Let's do as President Yu said.a◆?

a◆?Thanks, President Feng!a◆?

Weilun looked meaningfully at Yu Tian. Undoubtedly, he would not forget about what had happened today.

He did not believe that the young man would be so lucky all the time. One day, he would catch him when he's all alone!

Then, he could settle things with him!

The matter came to an end and both parties left.

Yu Tian wanted to show his gratitude to Jianzhong, who had become the mediator today.

a◆?Elder Brother Ren, thanks for your help. I have to leave now. There's something else that I need to attend to. I'll treat you to a drink someday!a◆?

a◆?What else do you have to do? Let's go drinking since we're already here. The two of us can have some fun.a◆?

a◆?a◆|a◆?

Yu Tian was speechless.

This man must be an alcoholic!

a◆?It's really not possible today. I need to bring Xiao Yun's mother to the hospital. Next time, I promise I'll drink with you until the both of us pass out.a◆?

a◆?Which hospital do you want to go to? I know some people in the industry. It'll make things easier!a◆?

a◆?a◆|a◆?

Yu Tian was at a loss for words again.

He suddenly had an urge to hit Jianzhong. How was he so enthusiastic all the time?!

The young man warned Xiao Aichu once more before letting Jianzhong tag along.

◆|

Yu Tian contacted Chu Qing on the way and told her about Xiao Yun's mother.

Although Chu Qing felt as if her little brother was being seduced by an outsider, she still helped to make the arrangements.

Linhai People's Hospital.

Yu Tian had just pulled up at the entrance when he spotted the hospital director. He and the other executives were waiting for him.

As the young man got off his car, the director greeted him with a big smile.

◆?President Yu, the VIP room is ready. The patient can head over there immediately.◆?

◆?I've also assigned a physician to the patient so she can receive a thorough check-up.◆?

Yu Tian could not help but admire the advantages of having great connections!

All it took was one phone call from Elder Sister Qing!

This world really belonged to the rich!

◆?This is the patient, Mrs. Guo. Xiao Yun, please sort out the registration for your mother. Elder Brother Ren, please lead Aunt Weixin to the ward. I need to have a word with the hospital director,◆? said Yu Tian.

A strange expression flashed across Ren Jianzhong's face. Despite that, he nodded and led Guo Weixin to her ward.

“President Yu, thank you so much. Words can't express my gratitude. I know that my words don't mean much, but I really appreciate it!”

After saying that, Xiao Yun bowed gratefully to Yu Tian with tears in her eyes.

The latter quickly stepped aside. He said with a frown, “What are you doing? It's my responsibility to help you. We are fellow alumni and you're also my employee. If you're in trouble, I can't just ignore it! I'm going to be angry if you keep acting like this!”

Yu Tian pretended to look upset.

“Alright, I'll stop. I should head over to the registration counter.”

Xiao Yun quickly walked away. There was a warm and fuzzy feeling inside her heart.

She was still overjoyed despite knowing the massive gap between their statuses. Perhaps this was the power of love.

After seeing her receding figure, Yu Tian turned around and asked the hospital director, “How's my younger sister?”

“She's doing great. In fact, she can be discharged after a month.”

The director followed the man cautiously from the side.

“Thanks, Director Li.”

“|

Jianzhong was being interrogated by the mellow woman, Weixin.

“Lil Ren! Are you good friends with President Yu? How old is he? Where does he live?”

“Aunt Weixin, you're asking the wrong person. Yu Tian and I have just recently become acquainted. He's a pretty nice guy.”

Jianzhong gave a pertinent, yet ambiguous reply.

“Ah, I see. I think President Yu is a good person. Most guys would have fled the second they learned about my horrendous family issues. Not many would be willing to fight for their girlfriend's family. Furthermore, he lost so much money.”

When he heard that, Jianzhong's eyes widened.

a◆?Girlfriend?a◆?

There, there! He knew there was something fishy.

a◆?Oh, Lil Ren, didn't you know about my daughter and President Yu?a◆?

Jianzhong did not reply because he was trying to suppress the raging fire inside him. He continued to lead the woman to her ward.

He thought to himself, a◆?F*cking Yu Tian! I didn't expect him to be such a playboy. Not only is he unsatisfied with Chu Qing, but he's also flirting with this Xiao Yun girl!

After that, he tried searching for Yu Tian in the hospital but to no avail. Since there were no other alternatives, Jianzhong stomped out of the hospital while feeling infuriated.

a◆|

VIP ward.

The mother and daughter were chatting when Yu Tian stepped into the room.

He had no idea what they were talking about, but Xiao Yun was evidently blushing.

Upon seeing his arrival, Weixin smiled and grabbed her daughter's hand lovingly.

a◆?Yu Tian, Yun'er had told me everything. The two of you must treat each other well. Yun'er is a stubborn girl, so please tolerate her.a◆?

a◆?a◆|a◆?

The young man was speechless.

What was going on here?

This was not part of the plan!

Yu Tian tried several times to explain that their relationship was purely professional.

However, when he saw the desperate look in the other person's eyes, he could not bring himself to tell the truth.

He sighed helplessly. It seemed like the truth had to wait.

The long and hectic day finally came to an end.

Yu Tian headed back home for a rest but once he entered the house, his phone started ringing relentlessly.

He was surprised to see Jianzhong calling.

The young man answered the phone weakly.

a◆?Elder Brother Ren? Why are you calling me at such a late hour?a◆?

Jianzhong's loud roar blasted through the speaker. For a split second, Yu Tian thought he was going deaf.

a◆?Well done. You're such a playboy! Are you not satisfied with Chu Qing? Is that why you're flirting with other girls?! Explain yourself! What is going on between you and Xiao Yun?a◆?

Yu Tian, who was being bombarded with questions, plopped himself helplessly on the couch.

He knew there would be some misunderstanding.

a◆?I wasn't having an affair. Don't accuse me of something that I didn't do, Elder Brother Ren, Xiao Yun and I are merely friends!a◆?

a◆?Oh, stop playing dumb. I'll beat you up if you don't give me a good explanation!a◆?

a◆?Are you sure you're capable of that?a◆?

Yu Tian rolled his eyes.

a◆?Youa◆!| Youa◆!|a◆?

Jianzhong shouted, a◆?Tell me the truth!a◆?

a◆?Alright, alright, I'll tell you everything. Here's what happened!a◆|a◆?

Yu Tian truthfully told Jianzhong what had happened without missing any detail.

a◆?Frankly, I would have explained everything if not for her mother's fragile condition.a◆?

There was a long silence on the other side of the phone. Yu Tian thought Jianzhong was not listening anymore, so he was about to hang up.

However, Jianzhong's voice entered the speaker again.

a◆?Little boy, I'll trust you this time! You're dead if I find out that you're lying to me. By the way, you still need to go drinking with me. Let me know when you're free!a◆?

Yu Tian was speechless!

Oh my gosh!

God!

Save this poor child!

a◆?Sure, I'll probably have some free time soon.a◆?

After dealing with Jianzhong, Yu Tian looked up at the ceiling.

Women!

They really were more ferocious than tigers!

Unfortunately, Yu Tian was involved with one hundred and eight women and all at the same time. Indeed, his life was a combination of happiness and pain.

a◆?Buzza◆|'

His phone vibrated.

It seemed like one of his older sisters had tagged him in the group chat. Yu Tian sat up straight and clicked the chat.

a◆?Ping. ping. ping.'

Every second, there were over ninety-nine messages that appeared.

Yu Tian tried reading all the messages, but there seemed to be no end to it.

Finally, he decided to only reply to the ones that tagged him personally.

Chu Xin: [Lil Tian, quickly come to my rescuea◆|]

A long address was written at the back of the message. A number of women also replied to that message.

Chu Ying: [Lil Xin, you're planning something! Are you trying to get Lil Tian over so you could do something naughty?]

Chu Lingze: [I think so too. Those three young girls have the upper hand since they're closer to him.]

Chu Qing: [Boohoo, I'm innocent!]

Chu Xi: [Silly girl, Lil Xin didn't even say anything but you've confessed without duress!]

That message received numerous laughing emojis.

Yu Tian only skimmed past his sisters' playful teasing.

Then, he replied to Chu Xin's initial message.

[Elder Sister Xin, what's the matter?]

Shortly after, she wrote back.

Chu Xin: [I need a partner for a last-minute gathering. Come quick!]

That simple sentence received a sudden burst of replies.

The other older sisters joined in to condemn her in a playful manner.

After reading the chat for a short while, Yu Tian obediently went to adjust his appearance. He changed into a formal outfit before leaving the house.

Then, he turned on the GPS and sped to his destination.

Feng Lai Yi.

It was the most popular women's business club in Linhai City. Its standard was comparable to other prestigious clubhouses.

All of their guests' information was kept strictly confidential. Numerous affluent young ladies and rich upper-class women would come here to have some a💎?funa💎?.

This was also the best place for negotiating businesses. Needless to say, they only served female customers.

Men would not be allowed in without their female companion.

After parking his car, Yu Tian noticed that Chu Xin was waiting for him at the entrance. She was wearing a long purple bareback dress.

Two enchanting women were accompanying her.

The taller woman with Caucasian features asked a◆?Xin'er, is he your darling younger brother?a◆?

a◆?He's a handsome man! Are you going to introduce him to us or is he your personal possession?a◆?

The other woman was shorter but had more of a sultry appearance. She looped her arm around Chu Xin's and leaned elegantly against the latter, looking like a beautiful snake..

a◆?You vixens! There are plenty of young men inside. Don't even think about flirting with my younger brother!a◆? said Chu Xin as she threw a slanting glance at her friends. She was annoyed.

a◆?Aww, you're so protective of him.a◆?

a◆?Someone might think that we've done something terrible to him!a◆?

a◆?I think Xin'er is trying to devour his tender meat all by herself!a◆?

The two women echoed one after another without giving Chu Xin a chance to interrupt.

Upon seeing the look of embarrassment on Yu Tian's face, Chu Xin quickly mediated the situation.

a◆?Tang Ran, Xiao Li, stop teasing. The girls are still waiting for us inside!a◆?

Then, she dragged the women into the venue.

Yu Tian heaved a sigh of relief. He followed the three women closely from behind and they headed to the private room upstairs.

The minute he stepped inside, he noticed that the room was filled with beautiful women. They all had different styles. There were also men sitting next to them. Yu Tian did not have to ask to find out their identity.

An older-looking woman dressed in working clothes immediately greeted the three women and Yu Tian once she saw them.

a◆?Girls, you're finally here. We've all been waiting! Xin'er, hurry up and introduce the handsome young man to all of us.a◆?

Yu Tian looked around the room. Indeed, birds of the same feather flock together.

It was possible that all of the pretty and influential young women of Linhai City were gathered here.

a◆?Let me introduce my younger brother. His name is Yu Tian. He had just graduated from university and now, he's taken over one of the small family businesses. Girls, in the future, please look after him in the future.a◆?

Chu Xin was not based in Linhai and these women were mostly beneath her in terms of status. Since Yu Tian had just taken over the company, she had to establish some connections for him. It was her duty as an elder sister.

She could not let Chu Qing have the upper hand again.

a◆?Hello, older sisters. I'm Yu Tian. This is my first time here. Thank you for your kindness. Let's have a toast!a◆?

The young man grabbed a bottle of vodka from the bar and started drinking.

Chu Xin, who had never seen Yu Tian drink before, was shocked!

This silly child was drinking an entire bottle in one go.

Yu Tian returned the empty bottle to the bar while still looking sober. Chu Xin was relieved.

a◆?What a great drinker!a◆?

a◆?The young man knows his stuff!a◆?

a◆?I like a bold man like you!a◆?

a◆?Come sit next to me!a◆?

Several women started arguing for Yu Tian's attention.

Instinctively, the young man turned to look at his elder sister. The latter was giving him a look.

Yu Tian instantly understood the hint!

He felt a chill run down his spine. Indeed, his dear elder sister was more ferocious than a tiger.

It was terrifying!

With that being said, he obediently took the seat next to Chu Xin.

She rewarded him with a satisfied glance.

“Xin'er, that's not fair! Yu Tian is not a little boy anymore. You can't keep giving him orders. It's not every day that we get to gather like this. You should allow him to have some fun!” said Qu Wen. She was wearing a light green mini skirt.

“?”

Chu Xin was speechless.

She thought to herself, “Sis, is there a problem in your head? You should see a doctor if you're sick!”

“Lil Tian, this is Qu Wen. She's in charge of Huadong International.”

Yu Tian nodded and lifted another glass of alcohol.

“It's a pleasure to meet you, Elder Sister Wen. Allow me to give you a toast.”

Even though he was unwilling, he had to show respect to Qu Wen.

Besides, he could not let Chu Xin's friends gossip about them.

Before he drank, someone else said grudgingly, “Little boy, it's unfair that you're only offering a toast to Qu Wen.”

The woman's seductive glance was very captivating.

Yu Tian chuckled.

“Then, here's a toast to everyone.”

He was about to break into a cold sweat.

“That's better!”

Pei Qianqian threw another sultry look at him. She was evidently satisfied.

Yu Tian was forced to drink with all of them. Ten more glasses of alcohol went down his throat.

The others knew Chu Xin's background, so they stopped teasing the young man after a short while.

They had small talks before indulging in different things.

Chu Xin leaned on Yu Tian and said with her sexy red lips, a◆?Keep an eye on how much you're drinking. They're just trying to mess with you.a◆?

a◆?I know. Elder Sister Xin, why don't you keep yourself entertained with one of those young men over there?a◆?

She glared at him.

a◆?You know why I'm not doing that!a◆?

Of course, Yu Tian understood the meaning of her words. Embarrassed, he scratched his nose.

a◆?Elder Sister Xin, would you like to sing? I can prepare the songs for you.a◆?

a◆?Hmm, choose anything you like!a◆?

Chu Xin dared not act too eagerly.

Excluding herself, Yu Tian still had one hundred and seven other older sisters. Being too straightforward might ruin their relationship.

The competition was tight. Thus, she had to be extra cautious.

Yu Tian sang two songs to ease the atmosphere.

Several other people took their turns after him.

Chu Xin remained in her seat as she quietly relayed everyone else's information to her younger brother.

a◆?Bang!'

The room to the private door flung open. Everyone was shocked. Their eyes turned to the source of the commotion!

An angry-looking man who was about one hundred and eighty-six centimeters tall barged into the room.

The server who showed him the way followed closely from behind. He tried to stop the man but ended up being punched in the face. His nose began bleeding.

At the same time, the background music stopped playing.

a◆?Chu Xin, where are you?!a◆?

Chu Xin furrowed her brows as a shadow veiled over her features.

a◆?Wang Yupeng, have you lost your mind?!a◆?

Wang Yupeng shouted through his gritted teeth, a◆?Chu Xin, I thought you were better than this! Why did I fall in love with a wh*re like you? How dare you entertain yourself with these gigolos! Who's that man next to you? Explain yourself!a◆?

Upon seeing the man who was behaving like an animal, Chu Xin curled her lips into a cold smile.

Meanwhile, Yu Tian was thrown off by what the man said.

He did not care if the insults were directed towards him. However, he could not let those he cared about get humiliated.

Before Chu Xin could react, he sprung up from the couch. He placed his right palm on the table and leaped over the long table surface as if he was an agile deer.

The young man even took advantage of the momentum and aggressively kicked the rather handsome man's face.

a◆?Boom!a◆?

Yupeng did not see that coming. He flew across the room, out of the door, and rolled on the corridor for several seconds.

Ultimately, he landed face down on the floor.

Blood oozed out from his lips.

Yu Tian's surprise attack shocked everyone.

Their eyes widened and their mouths were agape.

Yupeng glared at the young man with hatred in the eyes. However, he knew that was not enough to intimidate the latter.

a◆?F*cking prick!a◆?

He struggled to get to his feet. His eyes shone with killing intent as he threw himself at Yu Tian.

The latter nonchalantly undo the buttons on his sleeves and slowly roll them up to his elbows.

a◆?What are you going to do about it?a◆?

As the other man's huge fist closed in, Yu Tian lifted his leg to perform another kick.

The young man did not exert his full force as he was only fighting a regular man. He only used about thirty percent of his strength.

Furthermore, he had no intentions of killing him. He just wanted to teach the man a lesson.

This time, Yupeng was seriously injured. He was flung out again and smashed into the door of the opposite room.

a◆?F*ck! It hurtsa◆|a◆?

Yupeng had never been this humiliated before.

The excruciating pain in his chest made him curl up into a ball.

He did not even have the strength to cry out in pain.

a◆?Lil Tian, that's enough.a◆?

Chu Xin did not wish to attract too much attention.

She frowned and reached out an arm to hold Yu Tian..

Chapter 30: Who Are You Acting For?

The door of the opposite private room was smashed, startling the woman and two men who were a❖?exercisinga❖? inside.

a❖?Ah!a❖?

Wu Yulian shouted due to being shocked. Flustered, she pushed the handsome young man on top of her away. She quickly picked up her clothes that were scattered across the floor and started to get dressed.

The commotion alerted the guests in other rooms. Even the woman in charge of Feng Lai Yi rushed to the scene.

She spotted Chu Xin who was standing next to Yu Tian. Then, she looked at Wu Yupeng who was lying on the floor with a hostile gaze.

a❖?Sir, which customer did you come with tonight? Why are you creating trouble at my place?!a❖?

The woman in charge walked towards them in a confident manner. She had wavy and curly hair that reached her shoulders. Her delicate face was accentuated by a pair of gold-rimmed glasses.

Moreover, as she walked, her thin heels made rhythmic clicking sounds on the bright marble-stoned floor.

Without a doubt, she gave off an imposing demeanor.

Yu Tian could not resist stealing a couple of glances at her. That woman was really mesmerizing.

a❖?Cough.a❖?

Yupeng coughed as he struggled to get up on his feet.

a❖?I'm Wang Yupeng, the vice president of Dongsheng Corporation. I'm here today for a business meeting with President Ye. However, I bumped into an adulterous couple and got beat up for no reason. Are you the person in charge? I demand proper compensation for what has happened to me!a❖?

The confidence in his tone made it sound like he was the victim!

a❖?Manager Han, what's going on in Feng Lai Yi? Is this how you treat your VIP customer? I think you should just shut down your business!a❖?

The woman in the opposite private room finally got dressed. She stomped out of the room and began yelling at the woman in charge.

Han Wenling had worked many years in this club. This was the worst situation that she ever had to face. She nonchalantly crossed her arms in front of her chest and revealed a faint smile.

a◆?Don't worry, we'll handle this matter according to the club rules! I just need to figure out what has actually happened before making a decision.a◆?

Her simple comment showed that Feng Lai Yi was not a place where the customers were always right!

Paying the one million yuan club fee did not automatically make the customer a queen!

Something like this did not exist in Feng Lai Yi!

Without giving anyone the chance to interrupt, Wenling shifted her gaze to Yupeng.

a◆?Mr. Wang, may I ask why you're in this room if you're here to discuss business with President Ye? If I remember correctly, President Ye reserved a room on the fifth floor!a◆?

Yupeng was at a loss for words. There was no way he could confess that he had been tailing Chu Xin ever since he saw her at the main entrance!

Definitely not!

Telling the truth would be stupid!

a◆?I saw someone I recognized, so I came over to say hi. Is there a problem with that?a◆?

Yupeng was proud of his wits.

However, he seemed to have forgotten that the customers of this place were some of the smartest and most successful people in high society.

They could instantly see through his little trick!

Yu Tian snorted disdainfully. He did not want to speak at the moment.

Someone as stupid as Yupeng would surely slip up and make a fool of himself.

a◆?Oh~a◆? said Wenling. No one could guess what she was trying to convey.

a◆?Well, who's the adulterous couple that you've mentioned earlier?a◆?

Upon hearing that, Yupeng immediately turned his head around. He glared at Chu Xin and Yu Tian.

“It's Chu Xin and that little boy!”

Yu Peng said through his gritted teeth.

Then, his face was filled with despair. He placed a hand over his chest and used the other to point at Chu Xin. His fingers were shaking.

In a grief and indignation tone, he said, “Xin'er, how could you do this to me?! Did I not treat you well? I gave you my heart and my soul! I tried my best to provide you with everything you've ever wanted. We were in a relationship for eight years! How could you move on easily? Are you even able to look into my eyes without feeling guilty?”

As he spoke, his eyes became watery. He looked as if he was about to cry.

Yu Tian almost applauded him for his amazing performance.

This man could probably win the best actor award. His acting skills were incredible!

It was a shame that he chose to be the vice president of Dongsheng Corporation instead.

Yu Tian decided to quietly watch the scene unfold. He could not wait for the ending.

Perhaps Qu Wen thought it was not exciting enough. Thus, she teased, “Wow, eight years of relationship! That's a long time! However, I'm sure that Xin'er had only returned from abroad last month. Maybe I remembered wrongly because I've been so busy. Long-distance can be so complicated. Do people like engaging in a marathon-like relationships from different countries now?”

Qu Wen leaned towards her male companion's embrace as she spoke. She was obviously mocking Yupeng with her sarcastic tone.

Yupeng wanted to make himself sound like the most loyal man in the world.

Unfortunately for him, his lies were exposed within seconds.

Obviously, he had no idea where Chu Xin was before this. He only met her a week ago when he attended a high-class cocktail party as President Ye's companion.

Chu Xin was beautifully dressed. Naturally, she became the main focus. It was then that Yupeng became infatuated with her.

After the event ended, he tried searching for more information about Chu Xin but was unsuccessful.

That led him to think that she was just an average girl. Perhaps she attended the part as some rich man's companion.

Ever since then, he has been obsessed with Chu Xin. He always imagined that she was his woman, his possession.

After Yupeng was exposed, he tried to tweak his story.

a◆?Xin'er, you've changed. How could you let someone accuse me like this?! I'm so disappointed. You've played with my feelings. Don't worry, I'll leave now. I won't appear in your life again.a◆?

People who did not know better might actually believe him after seeing the desperation in his eyes.

Yupeng looked at Chu Xin lovingly for a few seconds before turning away. He was prepared to leave.

However, Wenling raised her hand and stopped him in his tracks.

a◆?Mr. Wang, it seems that you're quite eager to leave.a◆?

The corners of her lips curled into an enigmatic smile.

a◆?I've already dropped it. What more do you want?!a◆?

Yupeng clenched his fists in anger. His entire body was shaking, though unknown if it was out of anger or fear.

a◆?I don't want anything but please, come over here and watch this.a◆?

Wenling waved at a server to bring an electronic tablet over.

The screen displayed the security camera footage that was captured along the corridor and entrance. Yupeng immediately broke into a cold sweat.

He wanted to snatch the tablet out of Wenling's hand, but she seemed to have anticipated he would do something like that.

She continued to play the recording!

Yupeng, who failed to get his hands on the tablet, could only watch quietly.

It could be seen that Yupeng had tailed Chu Xin from the main entrance and all the way until he barged into the private room.

He was also seen being kicked out of the room, smashing into the door of the opposite room..
