a◆?These dozen or so casino thugs had no qualms about competing with Yu Tian. They even wanted to make a move.

Qing Xiaowan was afraid that Yu Tian would be at a disadvantage. She mustered up her courage and rushed into the crowd. She pulled Yu Tian aside and said angrily to the tattooed man, a◆?Don't bully people here. Who would be afraid of you?!a◆?

The tattooed man touched his sharp chin and chuckled, a◆?Oh, now that you can't even protect yourself, you still have the mood to care about other people. Today, I'll let the two of you have a taste of fury!a◆?

He raised his hand and was about to slap her.

Qing Xiaowan was a young girl after all. Courage was courage, but she still closed her eyes in fear.

Before the slap landed, Yu Tian conveniently pulled Qing Xiaowan behind him and raised his hand to slap the tattooed man's face.

The tattooed man was stunned by the slap. He knew that he had been slapped, but he did not see who the f*cking person was!

The surrounding lackeys saw a black shadow flash in front of the tattooed man's head. They heard a slap and looked at Yu Tian in shock.

The tattooed man covered his burning face and said in shock and anger, a◆?Who was it? Who hit me?a◆?

Yu Tian chuckled and said indifferently, a💎?I'm the one who hit you!a💎?

a💎?You f*cker dare to hit me? I'll cripple you today!a💎? the tattooed man, who looked like he was about to explode, screamed and wanted to tear Yu Tian apart.

However, Yu Tian still smiled and said calmly, a💎?I'll give you a million yuan. Other than Qing Xiaowan's father's 700,000 yuan, I'll treat the rest of you to some tea. But you have to bring me to the casino to play. How about that?a💎?

Everyone looked at the tattooed man again. He was giving 300,000 dollars for each slap. Was it not at their advantage?

The tattooed man's expression was a little chaotic. He blinked his eyes and looked at Yu Tian. Today, he had met a rich second generation. One slap cost 300,000 yuan.

a💎?If you hit me a few more times, wouldn't I become a millionaire?a💎?

How could there be such a good thing in the world?

The tattooed man rubbed his swollen face and said breathlessly, a💎?Who doesn't know how to make empty promises? Let me see the money first!a💎?

Qing Xiaowan was so shocked that she was speechless. She felt like she was in a dream. Was there really such a good person in this world? That was 700,000 yuan. He was helping people just like that? Could it be that his money came from the wind?

Yu Tian took out his phone and transferred 1,000,000 yuan directly into the tattooed man's account.

a💎?When the text message notification was successfully transferred, the tattooed man's lips were almost curled up to his temples. He had indeed met a rich second generation who was not lacking in money.

He did not even blink his eyes at one million yuan. He was even richer than the rich!

The tattooed man hurriedly nodded and bowed in apology. a💎?It was all a misunderstanding. Boss, please don't take it to heart. In the future, if you need me, Xiao Wu, in any way, just say the word and I guarantee that I'll be at your beck and call!a💎?

Yu Tian did not want to waste his time listening to his nonsense. The reason he spent money was to save time.

Yu Tian nodded slightly and smiled. a💎?Take me to the casino!a💎?

a💎?Okay, please follow me!a💎? the tattooed man replied.

Qing Xiaowan, who had come back to her senses, hurriedly pulled Yu Tian and turned to shove the red umbrella into his hand. She said gratefully, a◆?Can you tell me your name? Can we add each other on WeChat?a◆?

Yu Tian had helped her because he felt that she and Xiao Yun were in the same boat.

When Xiao Wu and the others were about to make a move on him, she rushed out to protect him. Yu Tian felt touched by her gesture. Therefore, he took out his phone and the two of them added each other as friends.

a◆?Time was tight. Yu Tian only smiled and left with Xiao Wu and the others. After passing through a few small alleys, they arrived at the entrance of a hotel.

Yu Tian raised his head and looked around. This hotel had a total of five floors and was built in a classical style. It had the feel of a small building in Jiangnan. However, things were different inside the hotel.

Xiao Wu explained to Yu Tian as he walked, a◆?There are a total of 57 rooms here. Every room has a game. The first floor is a dumpling machine or something. There isn't much to play with. From the second floor up, there are blackjack, dominoes, mahjong, roulette, and other international games!a◆?

Speaking up to this point, Xiao Wu even sneakily looked left and right. He lowered his voice and said, a◆?Our boss also has a partnership with the international blackboard. You can gamble on all kinds of games. It'll definitely be interesting!a◆?

No wonder Chu Qing said that Lei Yi's identity was not simple. It turned out that he also had a partnership with the international blackboard.

What games were there? He did not care at all.

Yu Tian followed up and asked, a◆?Your boss is Lei Yi, right? The outside world calls him Young Master Lei. Is he here now?a◆?

Xiao Wu chuckled and said, a◆?To tell you the truth, he got himself a top-notch girl today. He should be happy in his mansion now!a◆?

Yu Tian frowned slightly. He had wasted a lot of time again.

At the same time, in a luxurious manor villa by the sea.

Lei Yi hung up the phone and laughed excitedly.

a◆?This time, the blackboard over at Super Nation gave me a higher odd. After I take down this banker, I'll just sit back and wait for the money to roll in! Today is really my

lucky day. I got a girl for nothing and even got the support of the international blackboard. It's simply too beautiful!

“While I'm in a good mood, I'll go play with that girl first. Let's talk about it after having a good time!”

Lei Yi got up and went to the room next door.

Xiao Yun, who was tied up on the bed, shrank her body in fear. Her mouth was stuffed, and she could only whimper and resist. Tears of grievance and fear had already slid down her cheeks uncontrollably.

Her struggle was extremely seductive in Lei Yi's eyes. He licked his lips, narrowed his eyes, and smiled. “Why are the daughters of gambling addicts so sexy?”

Lei Yi took off Xiao Yun's high heels. He placed them in front of his nose and sniffed them.

Seeing his perverted expression, Xiao Yun struggled desperately. The rope left several ligature marks on her snow-white skin.

Lei Yi suddenly jumped onto the bed as if he had been injected with stimulants. He looked down at Xiao Yun and said excitedly, “Don't be afraid, beauty. I'll make you wish you were dead!”

After saying that, he began to take off his clothes.

At Xianggu House, Yu Tian asked for the location of Lei Yu's villa. Then, he rushed out without saying a word. The more anxious he was, the more trouble he would get into!

Aman in his twenties, who was in a suit and had a greasy face, brought more than a dozen bodyguards to stop him.

“The fat security guard with a bruised face pointed at Yu Tian and scolded angrily, “Young Master Tian, it's this b*stard who took your place and said such arrogant things. He said that you were trash and that he could make you lie down with one punch!”

Young Master Tian sneered and said disdainfully, “I, Shao Tian, have been in Linhai for so long, but no one dares to say such things about me. You f*cking a|a?”

Before Shao Tian could finish his words, Yu Tian raised his hand and threw a punch, hitting the bridge of Shao Tian's nose. His nose bone was shattered. Shao Tian only felt a buzz in his mind and fell straight to the ground.

“The bodyguards could not take it anymore. They pulled up the formation and started to attack.

Yu Tian did not want to waste time. He decided to end the fight quickly. He hit and kicked the bodyguards until they all fell to the ground.”

Yu Tian was already in a hurry. Every second wasted would put Xiao Yun in more danger. Who cared who Young Master Tian was? Even if the great god came, he would not be able to stop him.

It was not until Yu Tian left that Shao Tian finally sobered up. His state of mind immediately exploded as he cursed.

“You dare to hit me? You dare to hit me in Xianggu House? If I don't kill you, I'll write my name, Shao Tian' upside down!”

The bodyguards, whose faces were badly bruised, endured their pain and helped Shao Tian up. They comforted him repeatedly.

“Young Master Tian, that guy really wants to die. If he finds out that you're the general manager of Huanyu Real Estate Company, he'll definitely be scared to death!”

“I'll check the identity of this b*stard right now!”

“Young Master Tian, let's send you to the hospital first!”

Shao Tian was furious when he saw these bodyguards. They were all a group of trash. More than ten people could not defeat one person, yet they still wanted to make a living with him?

The more he thought about it, the angrier he got. Shao Tian forcefully pulled off his bow tie and said angrily, “All of you, get lost! Don't let me see you bunch of trash again!”

The bodyguards secretly cursed Shao Tian for being good-for-nothing. If his father was not rich, who would know who he was?

All he did was come here all day to flirt with girls and act all pretentious. He deserved to be beaten to a pulp! Why the man earlier did not just kill him with one punch?

After the bodyguards left dejectedly, Shao Tian covered his nose and angrily took out his phone to dial a number. The call was picked up and Shao Tian said angrily, a💎?I want you to find someone for me. He drives a

Continental GT. No matter how much it costs, find him. I'm going to cripple him!a💎?

After the arrangements were made, Shao Tian snorted coldly, a💎?Stinky b*stard, just you wait.a💎?

He turned around and got into his car, and headed straight for the hospital.

In Lei Yi's villa, Xiao Yun struggled desperately. Seeing Lei Yi naked, she secretly gritted her teeth. Even if she bit her tongue to commit suicide, she would not let Lei Yi succeed.

Lei Yi even showed off his muscles to Xiao Yun. With a sly smile, he said, a💎?See if my figure is perfect? Being able to lie on my bed is a blessing that you've cultivated for eight lifetimes. Many women want me to sleep with

them, but I won't give them the chance! My little beauty, let's cut to the chase. Let's start now!a💎?

He could not suppress his excitement. He licked his lips and reached out to pull Xiao Yun's clothes.

Xiao Yun, whose mouth was ravaged by his mouth, screamed and struggled desperately to not let this beast succeed.

Lei Yi was impatient. He shouted and slapped her face. Xiao Yun's mind buzzed. In a trance, she had completely lost the strength to resist.

He snorted coldly and said malevolently, a💎?I gave you face, didn't I? I'm going to sleep with you today. Even the gods can't save you. Who asked you to have a gambling addict's father? This is your fate!a💎?

With that, he violently tore open Xiao Yun's clothes. Just as he was about to continue, Xiao Yun was about to commit suicide.

Crash!

The window of the room exploded with a bang. The glass shards were like exploding shrapnel, instantly bursting out.

Lei Yi was shocked. In an instant, his face, neck, and arm had already been cut by the shards.

Before Lei Yi could recover from the panic and pain, a black shadow had already jumped to the front of the bed. Then, he kicked Lei Yi in the chest. He flew a few meters away and crashed into the wall.

Yu Tian!

When Xiao Yun saw that it was Yu Tian, she was instantly touched. If he had come a step later, she would have committed suicide! It seemed that god was still looking out for her, allowing this man to rush over when

she needed him the most.

“Xiao Yun, are you alright?” Yu Tian untied her hands and feet and asked with concern.

At this moment, Xiao Yun subconsciously wanted to hug Yu Tian and thank this hero who had descended from the sky.

However, Yu Tian thought of Chu Qing's request, and he did not want Xiao Yun to suffer because of a love that he could not get. So, he turned around and rejected her hug.

Yu Tian came in front of Lei Yi. Lei Yi covered his chest and stared at Yu Tian with a face full of disgust.

Who exactly was this guy? What were those bodyguards and thugs doing? How could a living person just let him barge in like that?

Yu Tian did not want to waste any more time and said coldly, “From now on, Xiao Yun has nothing to do with Xiao Aichu. Whoever loses money to you, you can go and find whoever you want. If you harass Xiao Yun,

your life will be forfeited. Do you understand?”

Lei Yi gritted his teeth, so much so that the muscles on his face were trembling. If he said no now, he would be asking for trouble.

First, he would send him away. Later, he would definitely let him know how much he had to pay for this kick!

Lei Yi narrowed his eyes and said angrily, a◆?Fine, whatever you say now. We'll definitely meet again!a◆?

Yu Tian just snorted in disdain and swaggered out of the manor with Xiao Yun. No one dared to stop him.

Lei Yi smiled coldly and said, a◆?You have a temper. I like it. Let's wait and see!a◆?

Yu Tian brought Xiao Yun to the hospital and picked up Xiao Yun's mother. He bought a high-rise apartment for the mother and daughter, which cost him a lot of money. The house was all renovated. Xiao Yun and her

mother felt like they were in a dream.

Xiao Yun was both excited and afraid. Yu Tian had helped her so much and now he gave her an apartment. She really owed him too much.

Yu Tian smiled indifferently and said, a◆?From now on, this will be your home. Don't let Xiao Aichu see you. He's not worthy to be your family. Let him fend for himself in the future!a◆?

After experiencing this, Xiao Yun only harbored a strong hatred for Xiao Aichu.

Xiao Yun's mother was speechless. She had lived half her life and had seen many things in the past. Now that her daughter had such a good boyfriend, as long as she was happy, she would be able to rest in peace even if

she died.

Yu Tian then said to Xiao Yun, a◆?You should rest for a few days. The company isn't very busy. When you've recovered, you can go to work. I'll go back first. If you have any needs, you can call me!a◆?

Xiao Yun's face was red. She tugged at the corner of his shirt and asked shyly, a◆?Aren't you going to stay tonight?a◆?

He shook his head with a bitter smile. If he stayed, all 108 of his sisters would have to come here in the middle of the night with a kitchen knife and turn him into minced meat.

Needless to say, Chu Qing could break him into several pieces by herself. It was better not to provoke those 108 women. He should obediently go back and report to Chu Qing.

Yu Tian casually teased, a◆?I'd better go back as I'm very busy!a◆?

Xiao Yun watched Yu Tian leave dejectedly. She was extremely reluctant to part with him, but there was nothing she could do. She knew that in Yu Tian's heart, she was no match for Chu Qing.

When Yu Tian returned to the villa, Chu Qing and Chu Xin were both there. At this moment, the two women crossed their arms and looked at him angrily.

Chu Qing spat out, a◆?Why did you hurt Lei Yi? Why did you ask for Xiao Yun to be back? I've already told you. Lei Yi's background is extremely complicated. Do you know that he's now offering 10 million yuan to buy your

life? I'm really going to die from anger!a◆?

Before Yu Tian could explain, Chu Xin frowned and asked in an unfriendly tone, a◆?Did you break a person's nose at Xianggu House today?a◆?.

?Chapter Thank you readers!

Chapter 43 The Covenant?

Yu Tian smiled and put the red umbrella that he wanted to give Chu Qing on the table. He said disdainfully, a◆?You're talking about that whatever Young Master Tian? I'm just teaching him a lesson. Even if his nose collapses, I'm still giving him face. It's already good enough that I didn't cripple him!a◆?

Chu Xin saw that he acted indifferently. She snorted angrily and said, a◆?Do you know what kind of person Shao Tian's father is? He's the old boss of the Black Gate and controls half of the underground industry. Even Chu Qing and I have to give him some face. Why are you so impulsive?a◆?

Yu Tian did not take her seriously at all. He calmly said, a◆?Since I dare to hit him, I don't care who he is. Even if he's a god in the sky, I'll destroy him if he comes into my way!a◆? Chu Qing and Chu Xin quite admired his domineering manner. However, if he was too domineering, he would be arrogant.

Chu Qing sighed and slowly said, a◆?Little Brother, we want you to become a real powerhouse, not a fighter. If you can really kill everyone in the world, you can count us 108 out!

a◆?There's always someone better out there. Don't you understand that? For the sake of Xiao Yun, you don't even care about your own future? From today onward, I forbid you from seeing Xiao Yun again!a◆?

After she finished scolding, Chu Xin smiled bitterly and shook her head. She said helplessly, a◆?Little Sister, do you think there's only Xiao Yun? Today, he added a

person called Qing Xiaowan on WeChat. She sells umbrellas at Xianggu House. She's very pure!a💎?

When Chu Qing heard that, she suddenly looked at Yu Tian, her hair flying. She said angrily, a💎?Can't you improve your taste? School belle and umbrella seller. Do you know how special your identity is?a💎?

What does this have to do with anything? Chu Qing could not help but be furious with the things that Yu Tian had recently done! This was too much! Yu Tian had too many things on his back. These women would only drag him down.

Yu Tian was so embarrassed that he scratched his head. With a distressed expression, he said, a💎?No, can you guys figure it out before lashing out? I saved her today and also added her on Weibo. I didn't say that I have anything with her!a💎?

Just as he was talking, Yu Tian's phone rang with a WeChat notification.

Chu Qing snatched it angrily. A message came from Qing Xiaowan. The content was, a💎?Yu Tian, are you available? Can I treat you to a midnight snack?a💎?

Yu Tian was helpless. Why did she have to send a message at this time?

Chu Qing was so angry that her nose was almost crooked. She gritted her teeth and scolded, a💎?Yu Tian? She calls you so intimately. I'll make her disappear immediately!a💎?

She absolutely could not allow Yu Tian to have any budding feelings with any woman other than the 108 sisters. This was her mission, and it was also for the honor and benefits of the Chu and Yu families.

Yu Tian really could not be bothered with them. He snatched the phone back and went upstairs without saying a word.

Not to mention that they objected. Even if they agreed, he did not have any feelings for Qing Xiaowan. He did not even want to return her message on WeChat. Chu Qing, who was downstairs, sat on the sofa. She frowned and said, a💎?You go deal with the Shao family, and I'll deal with Lei Yi. At this time, we absolutely cannot let any external factors interfere with him!a💎?

Chu Xin coiled her beautiful hair as she said calmly, a💎?I think it's fine to train him. It's good for his growth. Without any suppression, even if he grows up, he'll still be vulnerable. My opinion is not to interfere. When he can't solve it, it's not too late for us to step in!a💎?

Chu Qing thought it was reasonable, but she still could not help but get angry. a💎?But don't stop me from messing with Qing Xiaowan. She had just got added into WeChat

and she dared to ask him out for supper so soon? She's definitely not a good person!a◆?

a◆?I won't stop you!a◆?

Chu Xin smiled mischievously and said, a◆?Why don't we test him? If we can make him fall just by having a few suppers, we'd better not have any hope! a◆?Moreover, the mission that the family gave you has run out of time. If you can't complete it, you might be kicked out of 108. The orders of the family cannot be disobeyed. You'd better work on this first!a◆?

Speaking of this, Chu Qing developed a headache. She immediately got up and went back to her room. She got into bed and did not think about anything else.

ro

The next day, Yu Tian came to work as usual. He had just arrived at the door when he saw a group of people surrounding Xiao Aichu, watching him act shamelessly. Xiao Aichu hit his chest and stomped his feet. He screamed at the top of his lungs as if he had suffered a great grievance. He cried out, a◆?Everyone, please give me an explanation. The boss of Galaxy Technology, Yu Tian, kidnapped my daughter, Xiao Yun. Now, she's nowhere to be seen. Her body is nowhere to be found. If he doesn't hand over my daughter today, I'll hit my head here and die!a◆?

Most of the people who were watching the show were employees of the company. At this moment, there was even more discussion at the scene.

a◆?Isn't Xiao Yun our boss' secretary? Why are they still having an affair?a◆?

a◆?Which boss doesn't have an affair with his secretary? Do you still think it's strange?a◆?

a◆?Like father, like daughter. I bet their whole family isn't that good!a◆?

Hearing this, Yu Tian felt a little embarrassed. He pushed aside the crowd and shouted angrily, a◆?What time is it? Why aren't you going to work? You don't want to work anymore, do

you?a◆?

When the crowd saw that it was their boss, Yu Tian, they hurriedly left.

However, Xiao Aichu went up and grabbed Yu Tian's arm, and howled, a◆?Yu Tian, damn you! Return my daughter to me, or I'll die at the entrance of your company today!a◆?

Yu Tian snorted coldly and flung his arm away. He said coldly, a◆?Then, you can just die. Moreover, I'm telling you, from now on, you can forget about seeing the mother and daughter again!a◆? Xiao Aichu wanted to use this reason to extort money from Yu Tian. However, Yu Tian's attitude was firm. Seeing that his dream was about to be shattered, Xiao Aichu went all out. He gritted his teeth and took out the brick that he had prepared. With a ferocious expression, he hit it on his head. Blood flowed out like a river.

Xiao Aichu, whose face was covered in blood, said ferociously like an evil ghost, a◆?Yu Tian, if you don't compensate me today, I'll die here. I'll haunt you for the rest of your life!a◆?

More and more people were watching. Yu Tian felt embarrassed. He snorted coldly and walked away.

If Xiao Aichu wanted to die, he could just go ahead and die. What did it have to do with him?

Xiao Aichu also went all out. He swung the brick and smashed it on his head. The crowd was frightened and let out waves of screams.

However, after a few smashes, Xiao Aichu was dumbfounded. He had lost too much blood and his vision was blurred. With a splash, he fell into a pool of blood.

When Xu Guodong saw this, he followed Yu Tian into the elevator and said in a low voice, a◆?President Yu, it's really not worth it for such an old lunatic. I'd better get someone to send him to the hospital. If he really dies here, how depressing would that be?a◆?

Yu Tian thought about it. After all, he was Xiao Yun's father, so he would give him a chance to live. He frowned slightly and snorted coldly, a◆?Throw him away. Don't let him disgust me

again!a◆?

Xu Guodong understood and left the elevator to make arrangements on the next floor.

When Yu Tian walked into the office, the temporary secretary pushed the door open and said, a◆?President Yu, Mr. Min Da wants to see you. He said that he's here on behalf of Shao Tian!a◆?

?Chapter Thank you readers!

Chapter 44 Breaking Into the Black Gate Alone

a◆?Call him in!a◆? Yu Tian wanted to hear what the man would say.

The man was in his forties. He was dressed in a suit and had a big, square face. He smiled politely and said, a◆?Hello, President Yu. I'm the butler of the Shao family. My name is Du Jiaran. Thank you for taking the time to see me despite your busy schedule!a◆?

Yu Tian looked at him expressionlessly and said indifferently, a◆?Cut the crap. Just tell me why you're here.a◆?

Du Jiaran chuckled and said slowly, a◆?Then, I'll make it short. You hurt my young master, so you can't just let it go. I'm giving you two choices now. Either you kowtow to my young master and admit your mistake, or we'll talk about the rules of the martial arts world.

a◆?President Yu is a smart man. You'll definitely understand what I'm saying. You can tell me your decision now. I'll go back and tell my master!a◆?

So, this guy was just a smiling tiger. Although he was wearing a suit and tie, he was actually a lackey. Yu Tian hated this kind of person the most.

Without thinking, he said coldly, a◆?I have a third choice. That is, you can go back and tell your master not to provoke me. Otherwise, I'll make your Shao family become dogs. Alright, get lost!a◆?

Du Jiaran smiled nonchalantly. Then, he said arrogantly, a◆?Since President Yu refuses to accept the options the Shao family offers, then I have nothing to say. However, I'd like to remind you that the Shao family's old master, Shao Mingzun, isn't someone to be trifled with.

a◆?This time, you injured his son, and the old master is very angry. Don't think that just because you have Chu Qing backing you up that you can be unbridled. Chu Qing doesn't even have the right to sit and talk to the old master when she sees him.

a◆?I've said all I have to say. You should think it over carefully. Before I return to the Shao family, if you can change your mind, you can still make up for it. Otherwise, even a god wouldn't be able to save you!a◆? When Yu Tian heard this, he calmly gave him a word. a◆?Scram!a◆?

Du Jiaran smiled and stood up. Before he left, he did not forget to say, a◆?Your company is developing quite well. It's really a pity!a◆?

Yu Tian only loosened his clenched fists after Du Jiaran slammed the door and left. He almost could not hold himself back anymore.

If he was not in the company, he would have smashed Du Jiaran's head into pieces. However, now was not the time to make a move.

If he did not let out his anger, it did not seem like his personality at all.

“Didn't they say that the Shao family was a Black Gate? Then, let's see how sinister the Shao family is.”

Having made up his mind, Yu Tian snorted coldly and stood up to go to Xu Guodong's office.

“Old Xu, where's the Shao family located?”

Xu Guodong was stunned. Why did he suddenly ask about this? Since the boss had spoken, he had to answer whatever he asked.

He hurriedly took out a folder and flipped through a few pages. He smiled and said, “It's at the southern district's Dou Yue residential area, number 7!”

Yu Tian turned around and left the company. He drove the Continental GT and headed straight for the Shao family. Revenge must be served tonight!

Dou Yue estate was the most luxurious villa and residential area in the southern district. All the influential people lived here. This real estate project was also developed by the Shao family. Number 7 was the largest garden villa in this area. Just the front and back gardens alone spanned a total of five acres.

Yu Tian also saw dozens of bodyguards walking back and forth in the courtyard. It seemed that the person in the house was someone even more important than the gods.

Yu Tian did not need to waste time with them. He just broke the door open and entered. The two large doors, which weighed a thousand pounds, were instantly deformed.

The bodyguards were first shocked, then angry. All of them rushed up to Yu Tian. Yu Tian did not say a word. He hit everyone he saw. Whoever dared to stop him would be crippled. Today, he was going to tear down this black nest of theirs.

Du Jiaran had just finished reporting to Shao Mingzun. Before he could even sit up, he heard waves of screams coming from outside the door. Who was so bold to fight here? Did he want to die?

Du Jiaran stood up and said respectfully, “Master, I'll go and take a look!”

Shao Mingzun nodded coldly and said in a hoarse voice, “If there are troublemakers, just cripple them!”

When Du Jiaran walked out of the villa, he took a look. Dozens of bodyguards had fallen and were wailing on the ground.

What shocked him even more was that Yu Tian swaggered up to him. He snorted and said, a◆?This is my choice. Do you understand this time?a◆?

Du Jiaran's gaze was dark and cold. He gnashed his teeth and said, a◆?You're really bold. You actually dared to come to the Shao villa to fight. I think you're risking your life. Since you've made your choice, I'll tell you another one!a◆?

He walked down the stairs with ease and moved closer to Yu Tian. He chuckled coldly and said, a◆?The choice I gave you is that you get out of here right now. Otherwise, I'll send Xiao Aichu to the Heavenly Palace Garden to see Xiao Yun and her mother!a◆?

Yu Tian gritted his teeth and his expression became ferocious. The people of the Shao family dared to use Xiao Yun to threaten him. They were courting death.

Du Jiaran thought he had Yu Tian in his hands. He laughed and said arrogantly, a◆?Now, get lost. If you don't kneel and apologize to Shao Tian before nightfall, you won't be able to see that little vixen, Xiao Yun again!a◆?

Yu Tian completely exploded. He grabbed Du Jiaran's neck and punched him in the face like a sandbag in front of his terrified eyes. Du Jiaran did not even resist and was knocked out by the punch.

Yu Tian threw him aside and rushed into the villa with murderous intent.

a◆?Since you don't want to let me have a good time, then I won't let you have a good time either!a◆?

He stood in the hall as if he was a god and shouted angrily, a◆?Shao Mingzun, get out here!a◆? His voice was like thunder and shook the villa so much that it seemed to be trembling.

Shao Mingzun, who was wearing a suit and in his fifties, walked out of the room with a dragon-headed walking stick. He looked at Yu Tian coldly and shouted in a hoarse voice, a◆?I'm right here. What do you want?a◆?

Yu Tian did not say anything and directly rushed toward Shao Mingzun. Shao Mingzun was shocked when he saw how fierce he was.

Yu Tian wanted to cripple this old man. He did not care whether he was from a black or white gate.

However, just as he raised his fist and was about to punch down, the dragon-headed walking stick in Shao Mingzun's hand made a cracking sound. A shining sword suddenly appeared and directly stabbed toward Yu Tian.

Although Yu Tian was angry, he still had not lost his rationality. He could punch him, but he would also have to take a sword strike. It was not worth it.

Yu Tian's reaction was quick. He turned his body and jumped to the side.

Shao Mingzun sheathed his treasured sword and turned it into a dragon-headed walking stick. Although his expression was cold, he was still slightly surprised at Yu Tian's reaction speed. If it was anyone else, they would not be able to dodge his sword!

However, Yu Tian easily dodged it. He could still stand firm and look at himself coldly. He was young, but he had such cultivation. It was really impressive. Yu Tian did not think too much. He stared at Shao Mingzun's walking stick and snorted coldly. a◆?I gave you a chance. This time, there's

none!a◆?

After saying that, Yu Tian was about to punch again, but Shao Mingzun raised his hand to stop him. He said domineeringly, a◆?Even if we fight, it will be difficult to determine the winner. Moreover, you attacked me in my villa. Aren't you afraid of death? Look at your left and right!a◆?

Chapter 45 This Is Humiliation

Yu Tian glanced over and saw that there were people outside the window. All of them had a machete in their hands and were looking at him covetously.

Shao Mingzun limped to the sofa as if he had the entire situation under control. He looked at Yu Tian coldly.

a◆?As long as I give the order, these people will rush in and chop you into pieces. Then, they'll feed you to the dogs!a◆? Shao Mingzun said.

Yu Tian did not take these people seriously at all. He also sat on the sofa and said disdainfully, a◆?Come on, let's try. Let's see if you or if I die first. Since I came to break into your gate today, I never thought that I wouldn't be able to return alive!a◆?

Shao Mingzun sneered and said, a◆?You still have some guts. You injured my son. How does this count? There are thousands out there and they're waiting for me to give the order. If you don't give me face, I'll have to suppress you. This is the rule of my Black Gate!a◆?

a◆?You're telling me this?'

Yu Tian laughed out loud. He said arrogantly, a◆?Listen well. From now on, I, Yu Tian, will fight with your Black Gate. Either you kill me, or I kill you. If you can't kill me, I'll kill every single one of them, including you.

a◆?Cut the crap. Let's start now. I see that you're old, so I'll give you a chance. You can call them in. If I don't break your other leg today, I'll write my name, a◆?Yu Tian' upside down!a◆?

Yu Tian's killing intent exploded, and his anger magnified.

Shao Mingzun was really a little afraid. Yu Tian's skills were very good. If they really fought, his side would have no chance of winning. It was better to stabilize him first. It would not be too late to deal with him when there was an opportunity.

Thinking of this, Shao Mingzun laughed and put the dragon-headed walking stick to his side. He smiled and said, a◆?You have quite the temper of my youth. I really admire your ruthlessness. Why don't we turn our hostility into amity and make peace?a◆?

Yu Tian sneered and said disdainfully, a◆?You want to make peace? I'm having a good time now. I still want your leg. It's not impossible to make peace. Kneel and kowtow to me, and I'll let you go!a◆?

Shao Mingzun's face turned black with anger. This guy simply refused to listen to both hard and soft tactics.

The thugs outside were screaming and about to rush into the house to fight Yu Tian, but they were stopped by Du Jiaran who had woken up.

He covered his nose and scolded angrily, a◆?Get lost, you bunch of trash. What are you pretending for?a◆?

The thugs were baffled. Was it wrong for them to fight for their boss?

Du Jiaran had long seen that Shao Mingzun did not want to fight head-on with Yu Tian. Otherwise, with Shao Mingzun's temper, he would have exploded long ago.

He walked into the house and kept a certain distance from Yu Tian. Then, he said firmly, a◆?Yu Tian, Master has given you face. If you really want to fight, we can do it. If you're so great, we'll kill Xiao Yun too. Now, why don't we all take a step back? If you leave, we'll pretend that nothing happened!a◆?

Yu Tian pointed at Du Jiaran and said coldly, a◆?Aren't you pretty tough? Why are you acting cowardly now? Come kneel and kowtow to me. Then, I'll consider your request!a◆?

Shao Mingzun also looked at Du Jiaran coldly. Right now, he was stuck at his place. He could leave after kneeling to Yu Tian. If he did not kneel, he would be risking his life today.

Du Jiaran looked at Yu Tian angrily. He also understood this logic. However, he was the butler of the Shao family after all. If he knelt in front of everyone, would he still have face to meet others in the future?

Initially, he thought that the reputation of the Black Gate could suppress Yu Tian. However, he did not expect that his combat strength would be so valiant.

After thinking about it, Du Jiaran consoled himself by thinking of the bigger picture. In the end, he knelt in front of Yu Tian.

He knocked his head on the ground and gritted his teeth. a◆?Mr. Yu, I was wrong. I shouldn't have been so pretentious. Please forgive me!a◆?

The anger in Yu Tian's heart finally subsided by half. He turned his head and said fiercely to Shao Mingzun, a◆?I know you're not convinced. I'll give you an opportunity at any time. Feel free to seek revenge. But remember this. If you can't kill me, I'll exterminate your entire family. Do you hear me? Answer me!a◆?

Shao Mingzun was so angry that his chest was puffing up and down. He gritted his teeth and nodded. a◆?Yes, I hear you. Take care. See you next time!a◆?

Yu Tian kicked the table in front of him to pieces and swaggered out of the villa. A few thugs wanted to stop him, but they were knocked down by his punch. Seeing that he had entered the Continental GT, no one dared to stop him.

In the room, Shao Mingzun clutched his chest. His face turned black, and he almost vomited blood. He could not help but curse, a◆?Shame, this is the shame of the Black Gate!a◆?

Du Jiaran hurriedly took the qi-smoothing medicine and fed Shao Mingzun two pills to make him feel better.

Shao Mingzun held the dragon-headed walking stick tightly and said with a cold face, a◆?I want to get back at him. I want to ask Chu Qing out. I want to see her and find out the background of Xinghe Technology. I'll make sure that she doesn't earn a single cent!a◆?

a◆?Yes, Master. I'll do it right now!a◆? Du Jiaran agreed and turned to leave. However, Shao Mingzun spoke again.

a◆?Immediately tell that b*stard Shao Tian not to provoke Yu Tian again. We'll take revenge on him later!a◆?

This was also to protect Shao Tian's life. Now that Yu Tian was gaining momentum, there was no need to confront him head-on. Soon, he would know how to spell the word a◆?death◆?.

When Yu Tian returned to the company, he called Xu Guodong into his office. Seeing Yu Tian's red face, Xu Guodong broke out in a cold sweat. He asked carefully, a◆?President Yu, what are your orders?a◆?. Yu Tian said indifferently, a◆?Help me hire a few skilled bodyguards, those who dare to beat people to death. It's fine if they're more expensive. Go get them!a◆? Xu Guodong thought that Yu Tian wanted him to use them, so he agreed and immediately went to make arrangements.

Yu Tian called Xiao Yun again to make sure that the mother and daughter were safe. He also heaved a sigh of relief.

At this moment, old Han rushed into the office in a hurry. He panted and said, a◆?President Yu, this is bad. Situ Kun and his assistant who are working with us took away the 20 million that we invested!a◆?

Yu Tian only looked up at him and said calmly, a◆?Then, we'll make this game ourselves. Go tell the Finance Department to grant you another 50 million. In three months, make the game for me!a◆?

Old Han was shocked. Was this the world of the rich? He was robbed of 20 million, but he did not even blink. Instead, he invested another 50 million. This world was simply too crazy. What else was there to say? Go ahead and do it.

After old Han left, Yu Tian clenched his fists tightly.

a◆?You dare to steal my money? You're really bold. You'd better get out of here quickly, or you won't be able to live happily. Money is nothing. But if you treat me like an idiot, then you deserve to die.'

He immediately took out his phone and called Ren Jianzhong. He was the best at finding people.

However, after the call was connected, Ren Jianzhong's painful voice rang out. He said, a◆?Brother, I was beaten up. My arm is broken!a◆? a◆?What?a◆?

Yu Tianzhen stood up in shock and asked, a◆?Your cultivation is pretty good. Who could beat you up like this?a◆?.

Ren Jianzhong said indignantly, a◆?Didn't Old Cai set up a black boxing ring? I went over to take a look. My hands were itchy and I wanted to fight, but I was beaten up like this. Brother, can you come to the hospital? I think that fighter is a little unusual. He seemed to have said something. Come over and I'll tell you in detail!a◆?

?Chapter Thank you readers!

Chapter 46 Killing Techniques

Yu Tian quickly arrived at the hospital. When he walked into the ward, he felt helpless.

Ren Jianzhong's arm was already in a cast. However, he was still drinking with his brothers.

When he saw Yu Tian enter the ward, Ren Jianzhong chased away those irrelevant people. Then, with a red face, he slowly said, a◆?The boxer who injured me is very good in cultivation. I haven't even exchanged 100 moves with hima◆|a◆?

He was already beaten up like this, yet he was still pretending Yu Tian frowned and asked, a◆?Can you get to the main point? What's wrong with that boxer?a◆?

Ren Jianzhong suddenly suppressed his tone and said seriously, a◆?He challenged you to die in the ring!a◆?

a◆?Challenge me? Do I know him?a◆? Yu Tian was puzzled. Was his reputation so famous now?

However, Ren Jianzhong could not explain it. He said in puzzlement, a◆?I'm also puzzled. That fighter is very arrogant and mysterious. I can't even find anything on him!a◆?

Yu Tian hated guessing the most. He said disdainfully, a◆?Let's go. Take me to that arena to have a look!a◆?

Ren Jianzhong immediately became energetic. He did not care whether his arm hurt or not. He followed Yu Tian and left the hospital.

Cai Feiyu's shady business was in an abandoned factory in the suburbs.

As he walked in, Ren Jianzhong said, a◆?Old Cai spent two million to buy this place and changed it to a shady business. He can earn hundreds of thousands every day!a◆?

Yu Tian did not say anything. How much Cai Feiyu earned had nothing to do with him. As he walked into the factory, he immediately heard a deafening shout.

Hundreds of people stood around the ring and shouted excitedly at the fighters in the ring.

Cai Feiyu was holding a cigarette in his mouth and sitting behind a broken table to collect the bets. When Ren Jianzhong shouted at him, he hurriedly stood up to welcome him.

After a few polite words, Yu Tian asked impatiently, a◆?Where's the fighter who injured Ren Jianzhong? Call him over!a◆?

Cai Feiyu looked at Ren Jianzhong. No matter what, he could not let Yu Tian think that he was also involved. He hurriedly explained, a◆?That's not my boxer. That day, he only came up to fight a few matches at the last minute. I have his number here. I'll call him immediately!a◆?

Half an hour later, ten supercars arrived at the door amid the ear-piercing sound of burning tires. Ten fashionable and cool teenagers jumped down from their cars and walked into the factory while shouting. The hooded man in the lead was the boxer who had injured Ren Jianzhong

Hearing Ren Jianzhong's words, Yu Tian's eyes sparkled.

The hooded teenager was about the same age as him. From his appearance, he looked like a teenager from a bar. His cultivation was so high that even Ren Jianzhong was no match for him? This was really interesting.

As they were talking, the group of youths came up to them. The hooded teenager removed his hood, revealing a slightly immature face that was full of killing intent. It even had a cross tattoo on it.

He did not even look at Ren Jianzhong. His gaze directly pierced Yu Tian's as he said disdainfully, a◆?You're Yu Tian? I heard that you're very good at fighting. I just want to spar with you and beat you to death. It's that simple!a◆?

a◆?You're even more arrogant than me!' Yu Tian felt that this guy really had a bit of a temper. He thought to himself, a◆?Not bad, he's full of firepower. I like it!

Ren Jianzhong's fiery temper exploded as he said angrily, a◆?Cao Ming, I've given you some face, haven't I? Are you tired of living that you're speaking to my younger brother like that?a◆?

The youths laughed sinisterly. Cao Ming laughed as he said disdainfully, a◆?You're a defeated opponent. Do you have the right to shout in front of me? I can break your arm in a few moves. I can also break Yu Tian's arm. But today, I'm not in a good mood. I'm prepared to let him die in the arena. Just wait to collect his corpse!a◆?

Ren Jianzhong wanted to continue cursing, but Yu Tian stretched out his hand to stop him. There was no need to waste his breath on them.

He smiled indifferently and said, a◆?You can fight so well? No wonder you're someone else's dog. Cut the crap and do it!a◆?

Cao Ming's lackey started laughing again. a◆?This trash doesn't know any rules!a◆?

a◆?Do it here? Do you really think you're a hero?a◆?

a◆?Hey, trash, fight in the arena. What's the point of dying here?a◆? Cao Ming glared at Yu Tian with disdain and said, a◆?I said, if I want you to die in the arena, I definitely won't let you die outside the arena!a◆?

Then, he looked at Ren Jianzhong, who was gnashing his teeth, and said arrogantly, a◆?And you, the defeated opponent, get that b*stard Cai Feiyu to vacate the ring for me.a◆?

Yu Tian began to ponder. Cao Ming could drive a supercar worth millions, and his cultivation was so high? He just had to go against him. He even wanted to fight in the ring. Just how deep was the backing behind his back?

The two fighters in the ring had just finished fighting. One was walking away, while the other was being carried away. Cao Ming jumped into the ring. He took off his clothes and began to warm up.

Yu Tian did not say much. Just as he wanted to go into the ring, Ren Jianzhong reminded him in a low voice, a◆?His legs are very powerful. Be careful!a◆?

a◆?Then, I'll break his legs!a◆? Yu Tian chuckled.

Yu Tian entered the ring and found that there were many cameras around him. Could underground fighting be broadcasted live?

At this moment, Cao Ming came to the middle of the ring. His follower seemed to have lost control and shouted desperately, a◆?Cao Ming, beat him to death! Beat him to death!a◆?

a◆?Let that trash know how powerful you are. Beat him to death!a◆?

a◆?Trash, you'd better kneel and kowtow to beg for mercy, or you'll be asking for trouble!a◆?

Under their leadership, the crowd also started shouting indiscriminately.

Yu Tian turned a deaf ear to them and stood on the stage as if he was standing at the top of a mountain. Even this kind of aura made Ren Jianzhong clap his hands and cheer.

Cao Ming came closer and laughed coldly, saying arrogantly, a❖?I won't let you die so easily. I want to torture you bit by bit. I want you to taste all the pain, and then I'll strangle you to death. How cool would that be?a❖?

Yu Tian was calm and collected. He said, a❖?Enough with the nonsense. If you have a temper and are capable, then beat me!a❖? Cao Ming did not think much of it as he did not put Yu Tian in his eyes at all.

When he was ten years old, he practiced freestyle fighting with Gao Sen. He specialized in killing techniques. Killing Yu Tian was just a matter of minutes.

The followers below the stage also started to discuss among themselves and flatter each other.

a❖?Cao Ming is Gao Sen's only disciple. If Cao Ming's family wasn't rich, he wouldn't have accepted him!a❖?

a❖?It's because his family is rich. His sparring partner and equipment are among the best in the world!a❖?

a❖?So, how could that trash be Cao Ming's opponent? There's no suspense in this fight!a❖?

The fight on the stage began immediately. There was no referee for this fight. It was a fight to the death.

Before Cao Ming made his move, he even performed the ghost dance and showed off. It was as if the stage could not hold him anymore.

Yu Tian felt that he was laughable.

Suddenly, Cao Ming rushed forward like a cheetah. However, Yu Tian was already prepared.

Chapter 47 Leave Him Alive

Cao Ming's speed was very fast. However, in Yu Tian's eyes, it was no different from crawling.

When he rushed to the front, before he could raise his fist, Yu Tian saw an opportunity and directly gave a domineering kick to Cao Ming's knee.

Kacha!

With a crisp sound, Cao Ming's left leg broke!

As Yu Tian was too fast, Cao Ming knew that his leg was broken, but he did not feel any pain.

In the dead silence of the arena, Cao Ming looked at Yu Tian in disbelief. Then, a heart-wrenching pain appeared. He screamed and jumped around on one leg, and then he still fell onto the arena.

Everyone was shocked. They had never seen such a satisfying fight.

One kill! This was a true expert.

Cao Ming's lackeys saw that the momentum was not right and stopped shouting. They did not care about Cao Ming who was running out of the ring dejectedly. They were afraid that Yu Tian would be unhappy with them and break their legs.

Ren Jianzhong was the happiest. He shouted excitedly, a❖?Well done! Kill that b*stard! I'll make you regret it for the rest of your life!a❖? Cai Feiyu quickly reminded him and whispered, a❖?Brother, don't smash the arena. Your cast is broken!a❖?

Ren Jianzhong realized that he was too excited. His cast was broken and his arm was in terrible pain. He gritted his teeth and shouted, a❖?Oh my god, my arm!a❖?

Yu Tian, who was in the ring, did not care whether Cao Ming was in pain or not. He came out of the ring, snorted, and grabbed Cao Ming's hair. Like a dead dog, he dragged him out of the factory.

Cai Feiyu immediately arranged a new boxing match to divert the attention of the gamblers. Next was Yu Tian's personal grudge against Cao Ming. Whether he lived or died had nothing to do with him.

Ren Jianzhong also came out. Without any explanation, he gave Cao Ming a beating.

Yu Tian only watched indifferently. If Ren Jianzhong did not vent his anger, he would remember this matter for the rest of his life.

Cao Ming covered his head with both hands and begged like a dog, a❖?Stop beating me. Please, let me go to the doctor's!a❖?

Yu Tian chuckled and asked coldly, a❖?Why do you want to fight me? I don't even know you. Who asked you to do this?a❖?

Cao Ming was in so much pain that he was already doubting his life. He said, a❖?It's Lei Yi. I'm his fighter. He offered 10 million to buy your life and then broadcast the fight between me and you! Ah, please, let me go!a❖?

It was this damn guy again. Yu Tian gritted his teeth. It was all his fault for being merciful at that time.

Would not it be better to just kill him? It would save him the time to disgust people.

Yu Tian pulled Ren Jianzhong to the side. Then, he said calmly, a◆?Just let him live. Don't kill him. Help me find someone. His name is Situ Kun. This guy took 20 million from me. Find him and call me!a◆?

Ren Jianzhong patted his chest and said, a◆?Leave it to me. You helped me take revenge. I should thank you!a◆?

Yu Tian did not even look at Cao Ming. He turned around and left. Ren Jianzhong turned around slowly and sneered. Cao Ming cried on the spot.

At the same time, Chu Qing accepted Shao Mingzun's invitation and came to the tea house. Du Jiaran had booked the whole tea house.

Once Chu Qing entered the tea house, she immediately chased the rest out. These were two important figures in Linhai drinking tea here. No one had the right to listen to them.

Shao Mingzun still looked sickly. When he saw Chu Qing, he only bowed slightly and treated it as a greeting

Du Jiaran poured tea for Chu Qing, but Chu Qing just smiled and did not say anything.

Shao Mingzun probably did not have any good intentions when he invited her for tea. So, she would just wait and see what he had to say.

Shao Mingzun took a sip of the fragrant tea, and said indifferently, a◆?Little Qingzi, it's been a long time since we've sat together to drink tea. You're a busy person now, and you have such a capable younger brother by your side. I think in a few days, I'll have to beg you to treat you to tea again!a◆?

She smiled. The two dimples on her face and her pair of sexy canine teeth made Du Jiaran's scalp itch. Outsiders did not know how powerful Chu Qing was, so how could he not know?

After Chu Qing smiled, she said in a moderate tone, a◆?Uncle Shao's words make me uncomfortable. What do you mean by begging? You're my elder. If you want me to drink tea with you, just say it.

a◆?As for my younger brother, I have a headache. I can't control him. I have to clean up his mess all day long. I'm going to break down!a◆?

Shao Mingzun narrowed his eyes coldly and cursed in his heart, a◆?You damn girl. You're clearly telling me that not only do you not care, but you'll also intervene if anyone harms your younger brother, right?'

He suppressed his anger and said hatefully, a◆?In that case, there's no need for us to talk anymore. Then, we'll meet in the underground world!a◆?

Chu Qing swung her long hair in a domineering manner and said indifferently, a◆?You and my underground world don't include Yu Tian. I'll be honest with you. My brother's identity is extremely special. Compared to him, you're just an ant!a◆?

After saying this, Chu Qing stood up and left. Shao Mingzun clenched his teeth, but he did not understand Chu Qing's meaning. Could it be that Yu Tian was from some mysterious family?

Du Jiaran came over and said indifferently, a◆?Master, don't listen to her nonsense. Yu Tian is just a dog that she raised. For the sake of her face, she'd naturally say that. Moreover, I've also investigated it clearly.

a◆?Yu Tian was poor. He also had a younger sister who was sick and hospitalized. There was nothing special about her. Later, Chu Qing took a fancy to him for some unknown reason, and that's why he rose. If we're talking about his special status, I think he's special because he lives off Chu Qing!a◆?

What he said made sense. Shao Mingzun nodded slightly and asked, a◆?What about his company?a◆? Du Jiaran said in a low voice, a◆?Xinghe Technology was originally Chu Qing's company. Later, it benefited that b*stard Yu Tian!a◆?

a◆?Then, let's shut him down!a◆? Shao Mingzun's vicious tone was like the roar of an evil spirit.

Du Jiaran nodded and turned to leave.

Chu Qing went straight to Xinghe Technology. Upon entering Yu Tian's office door, she said angrily, a◆?If it wasn't for the fact that he helped me in the past, I'd have made them disappear right now. You still want to negotiate with me? Who do you think you are?!a◆?

Yu Tian looked at her in bafflement and asked, a◆?Who is it? Why are you so angry?a◆?

a◆?Shao Mingzun, that old fart still wants me to control you, so I'm going to pamper you. What can he do?a◆? Chu Qing sat down on the sofa. The two silky legs under her short skirt tugged at Yu Tian's eyeballs so hard that they hurt.

As for Shao Mingzun, he did not care at all.

Yu Tian laughed lightly and said, a◆?Black Gate is just so-so. I don't want to care about them now. When I have time, I'll play with them properly!a◆?

Chu Qing did not care about these things. She came to look for Yu Tian because she wanted to talk to him about something else. However, just as she was about to speak, Yu Tian's phone rang. Yu Tian took out his phone and saw that it was Ren Jianzhong calling.

?Chapter Thank you readers!

Chapter 48 No, 40 Million!

Chu Qing wanted to say something, but she stopped herself.

Yu Tian picked up the phone. Ren Jianzhong was concise and said excitedly, a◆?Situ Kun has been found. He's at Myth Nightclub. My people are watching him. Also, I'm in a particularly good mood today. I'm going to hold a party tonight. Bring Chu Qing along to have fun!a◆?

a◆?Okay, I'll definitely be there tonight!a◆? Yu Tian promised and hung up the phone.

Chu Qing saw that Yu Tian was in a hurry to go out, so she swallowed the words she wanted to say.

Yu Tian got up and said, a◆?I'm going out for a while. Jianzhong is going to hold a cocktail party tonight, so he's inviting the two of us. You rest here. When I come back, we'll go together!a◆?

Chu Qing did not want to go, but she was afraid that Yu Tian would meet some random women at the cocktail party. So she nodded and said, a◆?Okay, hurry up. I'm going to rest here for a while!a◆?

Myth Nightclub could be considered a high-end entertainment venue. The sorrowful angel statue above the main door looked quite artistic, but unfortunately, it was placed in the wrong location.

Yu Tian strode in. More than ten beautiful women in cheongsam looked as if they had seen the god of wealth. They came up and held onto him.

a◆?Sir, welcome. Do you want to play in the hall or the private room?a◆?.

a◆?Boss, you're alone, right? Let me introduce you to a few girls!a◆?

a◆?What do you think of me? How about I accompany you to have fun?a◆?

Yu Tian had never experienced such a scene before, so he thought it was quite exciting.

However, he was here for serious business, so he had no time to pay attention to them. He casually took out a handful of money and threw it on the bar counter. He said calmly, a◆?I'm looking for someone. His name is Situ Kun. Which private room is he in?a◆?

When she heard that he was looking for someone, the beauty was a little disappointed. She shook her head and went back to the door to continue looking for other customers.

The man behind the bar counter said in a low voice, a◆?You're a good friend of Brother Jianzhong, right? Situ Kun is in VIP Hall number two on the third floor. There are five people in total in there!a◆? Yu Tian thanked him and walked upstairs. In the luxurious private room, Situ Kun, who was hugging women on both his right and left, was bragging with his mouth wide open. He said in a majestically, a◆?Brothers, today's drinks are all on me. If the girls aren't enough, let's call ten more. I have more money than I can spend!a◆? The private room was filled with cheers.

a◆?Boss Situ, from now on, we brothers will follow you. Please help us to get rich!a◆? The man in the suit flattered.

Situ Kun gulped down a mouthful of red wine and laughed. a◆?You should've followed me a long time ago. Back then, I told you that my IQ was definitely high. I could get someone to give me 20 million easily. In a few days, I'll set up a project and easily win him tens of millions. It's as if it's just a game!a◆?

The man in the suit continued to flatter and said excitedly, a◆?Boss Situ, I have long said that you're special. We're both in the game. Why can't I meet such a fool?a◆?

Situ Kun snorted coldly and said disdainfully, a◆?Speaking of the fool who invested in me, I want to laugh. He thinks that he has a lot of money. He doesn't know anything about the market or investment background. With a wave of his hand, he approved 20 million in funds. If I don't circle him, who will?a◆?

a◆?You have a point. We worked hard and only earned a little money. How can we compare with you? With just a word of mouth, you already receive 20 million. We're truly convinced!a◆? the man in the suit said helplessly.

a◆?Let's not talk about this anymore. Today, let's just be happy. Let the manager arrange ten more girls for us!a◆? Situ Kun said as he took out 50,000 yuan from his backpack and slammed it on the table.

The wine girls were greedy for money. They stood up one after another and said, a◆?Boss, stop shouting. Give us the money. We sisters promise to make you happy!a◆?

Situ Kun opened his mouth wide and said arrogantly, a◆?Okay, as long as you make me happy, the money will be yours. There's no more wine. Ask the manager to send a few bottles of Lafite over!a◆?

Then, he took off his clothes and stood on the table. Baring his chest, he danced with the girls.

Yu Tian had been listening outside the door the entire time. When the waiter came to deliver the wine, Yu Tian took the wine and pushed the door open to enter the private room.

Situ Kun danced like a ghost, and with the flashing lights, he did not see Yu Tian at all.

Yu Tian put the wine on the table. The man in the suit and the others thought that Yu Tian was a waiter, so they shouted at him arrogantly, a◆?Idiot, open the wine. Why do you not know the rules?!a◆?

a◆?The wine had to be opened, but it couldn't be me who opened the wine.' Yu Tian chuckled and pointed at Situ Kun on the table. He shouted, a◆?Bring him here and open the wine for me!a◆?

The man in the suit and the others stood up. They rolled up their sleeves and wanted to fight.

a◆?I'm asking you to open the wine. What are you waiting for?a◆?

a◆?You piece of trash, kneel for me. Kneel!a◆?

a◆?You lousy waiter, what are you pretending for?a◆?

Yu Tian felt helpless. These people combined were not even enough to land a punch on him. It was better to let them live for a few more days. Moreover, he was not here to fight.

He turned around, turned off the music, and turned on the lights.

The blinding light made Situ Kun hurriedly close his eyes and curse, a◆?Who is it who wishes to die? How dare you blind my eyes?a◆?

The drunkard yelled in disgust and pointed at Yu Tian.

a◆?Why are you turning on the lights? Quickly turn off the lights. We still want to party. Are you deaf? I told you to turn off the lights, didn't you hear me?a◆?

Only then did Situ Kun slowly open his eyes and take a look at the man.

The moment Yu Tian's indifferent smile entered his sight, Situ Kun felt his legs tighten and his stomach soften. He fell to his knees on the table with a thud.

Everyone thought that he had drunk too much and quickly went to help him up. However, Situ Kun had a sad look on his face. He pushed everyone away and kowtowed to Yu Tian. a◆?President Yu, I was wrong. I was wrong!a◆? What the hell was that? Everyone was shocked. How could Situ Kun kowtow to a waiter? Did he drink too much?

The man in the suit looked at Yu Tian and cursed viciously, a◆?Why are you still standing there? Our boss has drunk too much. Why aren't you getting out of here? Our boss Situ is worth tens of millions. Can a good-for-nothing like you afford to kowtow to him?a◆?

Yu Tian only smiled and did not say anything. He gestured with his finger at Situ Kun who was sitting on the table.

Situ Kun hurriedly jumped down from the table and raised his hand to slap the man in the suit. He shouted angrily, a◆?You just passed out from drinking. This is Xinghe Technology's President Yu, who's worth tens of billions of dollars. All of you, kneel!a◆?

a◆?Oh my god!a◆?

They did not know anything else, but Xinghe Technology was so famous that even the drunkards knew about it. What else was there to say? The man in the suit and the drunkards all knelt.

Situ Kun knelt in front of Yu Tian and said fearfully, a◆?President Yu, I was really wrong. Give me a chance!a◆?

Yu Tian smiled and asked, a◆?Where's the money?a◆?

a◆?I'll transfer 20 million to you now!a◆? Situ Kun took out his phone.

Yu Tian smiled and shook his head, saying, a◆?No, I heard it's 40 million!a◆?

Chapter 49 He Was Delusional

Situ Kun was dumbfounded. He looked at Yu Tian in a daze as he cried, a◆?President Yu, I know I'm wrong, but we can't joke about this. You only invested 20 million. How did it become 40 million? Aren't you trying to kill

me?a◆?

Yu Tian said disdainfully, a💎?You're right. I want your life. People like you are trash. You might as well die. You can return 40 million or give me your life. Choose!a💎?

After saying that, Yu Tian opened a bottle of Lafite and drank it by himself.

Situ Kun was really regretting it now. If he had known earlier that he would leave Linhai after taking the money, he would have insisted on competing with these people and missed a great opportunity. He knew Yu Tian's strength, methods, and cultivation too well. It was better to think of ways to get 40 million first.

He immediately said fiercely to the man in the suit and the others, a💎?Give me as much as you have. Otherwise, I'll expose all of your insider information. Hurry up!a💎?

The man in the suit was furious. a💎?What the f*ck does it have to do with us if you want to steal his money? What right do we have to give you our hard-earned money?' Thinking of this, the man in the suit stood up and said politely to Yu Tian, a💎?President Yu, we're just here to drink with him. Just treat us as dogs and let us go!a💎?

The others immediately kowtowed to Yu Tian and begged him to let them leave.

Yu Tian waved his hand and said disdainfully, a💎?Don't disgust me. Get lost!a💎?

The man in the suit and the others felt as if they had been pardoned and rushed out of the private room.

The women also pleaded, a💎?Boss, we're all innocent. Previously, we thought that you were a waiter. It's us who were wrong to look down on others. Please let us go!a💎?

a💎?Boss, we really didn't know that this guy was a scoundrel. Please do us a favor. I'll accompany you to have fun tonight, alright?a💎?

Yu Tian snorted and said, a💎?All of you, get out!a💎?

a💎?Thank you, boss! Thank you, boss!a💎?

A series of messy high heels sound hurrying out of the room sounded.

Situ Kun's head was buzzing as he knelt in front of Yu Tian. He kowtowed, bowed, and begged, a💎?President Yu, my entire wealth is 27 million. I give it all to you, okay? Please let me go this time. President Yu, grandpa Yu, ancestor Yua💎|a💎? Looking at his cowardly manner, Yu Tian felt extremely disgusted.

After he asked Situ Kun to transfer the money, he said coldly, a💎?Leave Linhai and don't let me see you again. You only have this one chance. Now scram!a💎?

a◆?Thank you, President Yu. Thank you!a◆? Situ Kun scrambled out of the room.

Yu Tian took a sip of the Lafite and frowned. He said in disgust, a◆?What kind of wine is this? It's salty!a◆?

Looking at the time, Yu Tian got up and went back to the company to pick up Chu Qing. The two of them went to the Sea Moon Pavilion Hotel.

Ren Jianzhong, who was in a cast, welcomed the two of them with a rosy face.

Yu Tian looked around. There were many people here, but he did not know any of them. He could not be bothered to know them either. He was here today to give Ren Jianzhong face and return him a favor. Otherwise, he would not have come.

Once Chu Qing arrived, it was a huge sensation. Everyone greeted Chu Qing one after another and flattered her. There were a few rich young masters with decent statuses who even wanted to invite Chu Qing to dance.

Yu Tian was pushed out of the crowd. This was even better. It saved him from not knowing what to say to all of them. He should eat and drink. How great would that be?

At this moment, another person came to the door. Yu Tian swept his gaze over and laughed on the spot.

The person who came was Shao Tian. There was even a piece of bandage taped to his nose.

Yu Tian felt disgusted when he saw his wretched behavior.

However, Shao Tian also brought a person whom Yu Tian knew a◆◆◆ Qing Xiaowan. Yu Tian was a little puzzled. How did Qing Xiaowan end up with a playboy like Shao Tian?

He was looking at Qing Xiaowan. She was wearing a short skirt with black butterfly sleeves. Her hair was tied up, making her appear extremely delicate and sexy. She also had the mysterious feeling of oriental classical beauty, causing all the men to cast a look and admire her.

However, Qing Xiaowan maintained a distance from Shao Tian all the while. Her expression was even more indifferent.

Yu Tian immediately understood at a glance that Shao Tian must have used some unspeakable means to force her to come.

Shao Tian also saw Chu Qing. He immediately tidied his hair, picked up a glass of wine, and pushed the crowd aside. He deliberately said loudly, a◆?Sister Qing, you're here

too. Why haven't you been eating at home recently? My father often talks about you!a◆?

Chu Qing had a smile on her face, but her gaze was as sharp as a knife. This fellow still wanted to use her to elevate his status? What was he thinking? She smiled indifferently and said, a◆?It's time to change the chef in your house. The food is terrible. I'll regret it after going there once. In the future, you'd better not talk to me about dining at your house!a◆?

The crowd immediately burst into laughter.

Shao Tian was impatient with everyone, but he did not have the guts to be impatient with Chu Qing. His face was clearly red as if it was on fire, but he still had to smile and say, a◆?Sister Qing is right. I'll tell that chef to scram when I go back!a◆?

At this moment, Ren Jianzhong also came over and greeted Shao Tian with a smile. He said, a◆?Young Master Tian, you've really given me face by coming here. No matter what, you have to drink a few more glasses tonight. Don't go home until you're drunk!a◆?

Shao Tian turned around and dragged the unwilling Qing Xiaowan over. He proudly introduced, a◆?Brother Jianzhong, Sister Qing, let me introduce you. This is my girlfriend. Her name is Qing Xiaowan. She's the boss of Hong Xiang Xiu Mei Traditional Umbrella Company!a◆?

During the introduction, he even deliberately looked at Chu Qing. He was clearly saying that Chu Qing thought she was the queen of the night. a◆?My woman isn't bad either. Her temperament is even better than yours.' When Chu Qing heard that she was Qing Xiaowan, her face instantly darkened. a◆?What did I say earlier? She was approaching Yu Tian with ulterior motives. What kind of a woman who hangs out with Shao Tian?'

She followed up with a cold voice and asked, a◆?Oh, so you're Qing Xiaowan. You're pretty good at making umbrellas. You're as good as your umbrella!a◆?

Qing Xiaowan was already very depressed and helpless. Shao Tian had used his father to threaten her to accompany him to the party. a◆?However, I didn't know this woman. She seemed to hate me.'

She asked doubtfully, a◆?Sister, did we have a misunderstanding?a◆?

Before Chu Qing could say anything, Shao Tian took over the conversation and said proudly, a◆?It's nothing. Sister Qing and I have a very good relationship. I just think that you look

good!a◆?

Even Ren Jianzhong could not take it anymore. Did this mean that Chu Qing was also his woman and was angry that Shao Tian had found another woman?

Chu Qing understood what he meant, but she could not be angry now. The angrier she was, the more reason Shao Tian had to pretend.

She laughed along and said indifferently, a◆?Shao Tian, have you seen the doctor I introduced to you last time, who specializes in treating schizophrenia and paranoia? I introduced you to a specialist for your father's sake. You have to go see him. Otherwise, your illness will become more serious!a◆?

Chapter 50 Fire

As soon as Chu Qing said that, everyone started to laugh at him.

a◆?So, he's delusional. I knew it. Why is this guy full of nonsense?!a◆?

a◆?His delusions seem to be very serious. He can't differentiate between hallucinations and reality anymore!a◆? a◆?Let's all stay away from him. He might bite us if he gets anxious!a◆?

Shao Tian never expected that he would end up losing out in the end. He had originally wanted to take advantage of Chu Qing, but in the end, he failed.

Now that Chu Qing had said that, everyone thought that he was a lunatic. He did not have the mood to get mad at Chu Qing. Did he not have the mood to scold those trash who were talking about him?

Shao Tian seemed to have gone crazy as he shouted angrily, a◆?All of you, shut up! All of you are the lunatics! A bunch of trash!a◆?

Everyone thought that he was having a psychotic episode and ignored him.

Yu Tian, who was in the corner, also applauded Chu Qing's reaction.

As for Shao Tian, he could not be bothered with him at all. As long as he did not touch his sore spot, who cared who he was?

However, Shao Tian just happened to see Yu Tian at this time, and his face instantly turned cold. Why was this b*stard here?

He snorted angrily, turned around, and started to blame Ren Jianzhong. He said gloomily, a◆?Did you invite him here?a◆?

Ren Jianzhong was annoyed now. He chuckled and said, a◆?I invited him here. Moreover, today's cocktail party was held for him. Do you have any objections?a◆?

Shao Tian snorted coldly and said, a◆?My injury was caused by him. Tell him to get lost right now, and I'll pretend that nothing happened!a◆? a◆?Why should I listen to you?' Ren Jianzhong sneered and said, a◆?I don't have the guts to ask him to leave. Why don't you do it yourself?a◆?

a◆?Old Ren, you've grown wings now, haven't you?a◆? Shao Tian said, a◆?Don't forget who protected your smuggling business. If I tell my father that you want to rebel, will you have a decent meal in the future?a◆?

His words poked Ren Jianzhong's soft spot.

Just when Ren Jianzhong was in a dilemma, Chu Qing shouted at Yu Tian, a◆?Darling, what are you doing there? Come and dance with

me!a◆?

Everyone's eyes followed Chu Qing's soft hand and looked at Yu Tian. Everyone was shocked.

Shao Tian, in particular, had his mouth so wide that it almost reached the back of his head.

That b*stard was Chu Qing's darling? How was this possible? Could it be that they had heard wrongly?

The crowd started discussing fervently.

a◆?He's Chu Qing's boyfriend? Oh my god! I thought he was here to make a living!a◆? a◆?This is a little scary. Chu Qing already has a boyfriend? How many people in Linhai will be heartbroken?!a◆?

Nm

a◆?Who is this guy? I've never seen him before. Do any of you know what he does?a◆?

Ren Jianzhong was finally satisfied. He turned around and smiled at Shao Tian. a◆?Young Master Tian, I'm sorry. I don't have the final say. You'll have to ask Sister Chu about this!a◆?

Shao Tian felt a chill in his heart. His stomach was hurting from all the teasing. a◆?Chu Qing already has a boyfriend. Why didn't I know about it? He's my enemy. Then, Chu Qing will also be my enemy in the future, right?'

Under everyone's envious gazes, Yu Tian took a step forward and calmly walked up to Chu Qing. He smiled indifferently and said, a◆?Forget about dancing. I don't know how to do it!a◆?

Shao Tian suddenly laughed out loud. He finally found an opportunity to mock Yu Tian. He said proudly, a◆?If you can't even dance, why are you still participating in the cocktail party? Isn't it embarrassing? It seems that I'll be the one to do the opening dance today. Does everyone have any objections?a◆?.

Everyone did not care about this at all. They were all guessing Yu Tian's identity. Who cared what Shao Tin said?

Shao Tian turned around and was about to pull Qing Xiaowan's hand. Then, he shamelessly said, a◆?Dance with me. I'll give you a branded bag later. Don't look so grim. Smile for me. Let that fellow Yu Tian see who's the main character of the banquet!a◆? However, Qing Xiaowan walked in front of Yu Tian under everyone's gaze. She smiled sweetly and said, a◆?Brother Yu Tian, so you're here too. I didn't even get to meet you before!a◆?

Young Master Shao, who was behind her, exploded on the spot. What exactly was going on? Did the heavens deliberately want to play him to death today? Everyone's mocking gaze was like a bolt of lightning striking his face.

Previously, he had failed to steal the chicken, but now he had suffered a double loss. He should find a wise person to read his fortune. Did he offend some unclean being? Yu Tian was very calm. He smiled and said, a◆?I was wondering why you were hanging out with him.a◆?

Speaking of this, Qing Xiaowan looked at the guy behind her with disgust. She gritted her teeth and said, a◆?He used my father to blackmail me. Otherwise, I wouldn't have followed him!a◆?

As soon as she said that, Chu Qing held Yu Tian's hand in a very guarded manner. She said coldly, a◆?That has nothing to do with us. In the future, don't come and harass my brother. I think you understand what I mean!a◆?

Yu Tian smiled bitterly. Was not Chu Qing a little too sensitive? This was the second time he had met Qing Xiaowan. Not to mention that he did not have any feelings for her. Even if he did, was it not a little too soon?

Qing Xiaowan frowned. Looking at Chu Qing and Yu Tian's intimate behavior, she understood why Chu Qing was targeting her. She wanted to explain, but she felt that it was not necessary. She just nodded, turned around, and left.

Shao Tian also felt that he was too ashamed to stay here. He glared at Yu Tian and said, a💎?Just you wait and see.a💎? Then, he left.

It had nothing to do with him to begin with. Yu Tian continued to dance with Chu Qing. There was nothing to learn about ballroom dancing. He could just hug the other party and wander around.

Chu Qing just wanted to tell Yu Tian what she was thinking, but Yu Tian's phone rang. Xu Guodong shouted at the top of his lungs, a💎?President Yu, this is bad. The company is on fire. Please come back immediately!a💎?

Yu Tian frowned and asked in shock, a💎?Is anyone hurt?a💎?

a💎?We don't know yet. The firefighters are putting out the fire. Oh my god, it's all burnt. It's all burnt!a💎? Xu Guodong cried.

It was pointless to ask. Yu Tian hung up and said to Chu Qing in a low voice, a💎?Xinghe Technology is on fire. I have to go over and take a look!a💎?

a💎?What? On fire? I'll go back with you!a💎? Chu Qing said as she walked out the door.

The two of them walked out of the hotel. Yu Tian looked in the direction of the company. The sky was already red.

After turning a few streets, they saw the burning office building. The flames soared into the sky and thick smoke billowed.

The entire street was sealed off. Only the fire brigade could enter. Chu Qing called, and in less than ten seconds, she was let through.

When she came to the vicinity of the fire, the thick smoke made it hard for people to breathe.

A firefighter gave them gas masks so that they could see the surrounding environment clearly. However, other than the smoke and the fire, there was nothing else but waves of screams.

Yu Tian did not care about anything else. It was fine if the entire building was burned down, but he could not have any casualties. Just as he was about to find a fireman to ask about the situation, he saw Xu Guodong, who was wearing a gas mask. He was coming out to the front under the escort of the firemen.

When he saw Yu Tian, Xu Guodong fell to his knees with a thud, hit his chest, and stomped his feet. He cried out in despair, a◆?President Yu, Professor Yan hasn't been found yet. Old Han and many of the department's overtime staff are trapped inside and can't be rescued!a◆??
